Showers Snap Dry Spell

A long dry spell ended in Slaton Sunday evening and Monday morning, but the rainfall was neither general enough or heavy enough to suit most residents.

The moisture was termed "too late" by some farmers, but it was not enough to hurt anything. The rains measured up to an inch southwest of town to slightly more than .25 of an inch in Slaton.

Wilfred Kitten reported about an inch on his farm southwest of Slaton, but he said there was only a trace a mile away. The "strip" of rain showers apparently moved to the northeast, passing over Slaton. Little rain was reported just south of the city.

The shower activity started Sunday evening and lasted only a brief period before coming again Monday morning early. No hail or high winds were reported in this area. Lubbock recorded an inch of rain with some light hail. It was the first heavy rain since the May 11 tornado in Lubbock.

Slaton's crop prospects continued to look good this week, especially the irrigated cotton. Several farmers probably had enough cotton open to reap a bale this week, but the area's first bale of cotton had not yet appeared. First bale last year was ginned on Aug. 27, and the second bale came on Sept. 4.

If the weather continues to cooperate, some farm observers are predicting that irrigated cotton will yield about 1.5 to 1.75 bales per acre. They also noted that crops appear real good north of town this year, after hail and bad weather had hurt yields the past few years.

Temperatures were mostly in the low 90's the past week after the rainfall. The high reading was only 88 degrees Tuesday -- lowest maximum for the week. Lows ranged from 62 Saturday to 66 Wednesday morning.

PTA Launches Safety Drive

A hazardous traffic problem at West Ward School has drawn the attention of the safety committee of the West Ward PTA. The committee has launched a campaign which includes the distribution of a traffic safety bulletin to all parents in the school. Mrs. Tim Bourn, president of the PTA, announced that the bulletin was prepared with "the sole purpose of trying to make it safer for all our children going and returning from school."

On the safety committee with Mrs. Bourn are other PTA officers -- Mrs. Pat Moses, vice president; Mrs. Martha Haddock, 2nd vice president; Mrs. Mary Crabtree, secretary; and Mrs. Jessie Kinnison, treasurer.

Mrs. Bourn announced that Police Chief Walter Head would address the PTA meeting on Oct. 12.

Here are the safety rules which the PTA committee urged parents to consider:

1. Drive Carefully at all times.
2. Cross streets at crosswalks whenever possible.
3. Cross streets whenever possible.

Barbecue Tuesday

The annual Farmer-Merchant Barbecue Tuesday evening in Littleton with food, fellowship, awards and highlighting the event.

The barbecue, sponsored annually by Slaton Commerce and participating merchants, will be held at 8 p.m.

David Hughes will serve as master of ceremonies at the popular affair, and Cof Robert H. Davis will welcome the guests. Akin is chairman of the arrangement, assisted by Jay Gray.

The first bales of cotton are expected at the barbecue, but there will be no cotton bales until after the first bales would be expected for the event. The Chamber has awarded \$150, \$100 and \$50 to the first three bales of cotton produced in Slaton trade area.

The "Year" award will also be presented at the barbecue, and a large number of certificates will be presented to winners from local merchants. In the event of bad weather, the affair will be held at the Chamber of Commerce.

William G. Union Compress, Slaton, was recipient of the "top producer" award. Previous winners were Harold Voigt, Ed Moseley and Ed Smith.

The event usually draws from 700 to 800 people. Host tickets are available at the Chamber of Commerce. Free tickets for the farmers are available at one of the following ginners: Basinger Gin, Campbell Gin, Gatzki Gin, Gordon Gin Co., Co-Op, Farmers Gin of Slaton, Co-Op, McClung Co-Op, New Valley Gin, Pleasant Valley, Slaton Co-Op, Wilson Co-Op, Woodrow

DAVIS PLEASD WITH TEAM EFFORT

Tigers Take On Dunbar In Scrimmage Friday

The Slaton Tigers face "preliminary exam" No. 2 Friday night when they host the Dunbar Panthers in a scrimmage session at Tiger Stadium. The practice clash is set for 7:30 p.m.

The Tigers took their first test at Levelland last Friday, and Coach Ernie Davis said he was "real pleased with the team effort and the hitting." He added, however, that the team made some basic errors that will have to be corrected.

Davis pointed out that this is the primary reason for the scrimmages -- to determine areas where the team is weak and work on improving them. The Tiger mentor and his aides were concentrating on those weak points in drills this week.

Coach Davis said the Tigers will really face a challenge this week against the big and swift Dunbar team. He's hoping the Tigers continue to improve, because the first game of the season is just a week from Friday at Brownfield.

Injuries appeared to be "thinning out" this week, according to Davis, although several players were still having feet problems. Guard Charlie Thomas--held out of the scrimmage last week with a bruised

knee -- was going full speed this week.

The Dunbar scrimmage will be under controlled conditions, of course, with no kickoffs or punts. Each team will probably take the ball on offense for a specified number of plays, then switch it around.

Junior varsity players are not scheduled to participate Friday, but Coach Davis said Wednesday morning he was seeking a scrimmage for his B-team griders.

Although the conditions of the Levelland scrimmage last week made it hard to determine the "winner", Slaton's first unit did not play three times compared to a single tally by Levelland. The Lobo second unit

tallied on the Tiger reserves on a long pass, too.

Halfback Donnie Rogers was an offensive standout for Slaton in the first scrimmage. He broke on several long gainers and showed prospects of being a break-away threat for the Tigers this season. Fullback Alan Fondy showed good power up the middle.

Senior quarterback Terry Mosser appears to be improving on his passing as he hit two touchdown strikes in the scrimmage Friday. End Paul Payne and halfback Frank Self were on the receiving end of the aerials.

Crowd-Pleasing 'Pageant' Staged Here By Slaton Lions

More than 400 persons turned out Saturday night to see the Slaton Lions Club version of the "Miss America" pageant, and the all-male cast left the audience weak from laughter by the time Glen Akin was selected as the winner of the crown.

The hilarious stage show included a parade of 27 candidates all decked out in feminine make-

up and attire, six can-can "girls", talent performances by seven finalists, a performance by Miss Congeniality, and a fine master of ceremonies job by Murry (Bert Parks) Vise.

Akin, portraying "Miss Alabama", pantomimed "Harper Valley PTA" to win the judges' votes for the title. Speedy "Sweetie" Nieman was first

runner-up with a "baton fantasy", and Bob (ie) Kern was named second runner-up with a trombone solo.

Club president Arvin Stafford reported the project was a "big success". He estimated the club would net about \$575 to be used in its worthwhile activities. He expressed appreciation to the members for participation in the "farce." All but 3 of the club's 39 members were in the show--and the three had to have bonafide excuses!

The club had pre-selected seven members to be the finalists and perform a talent, but from there on the contest was on the level. Three judges from the Rotary Club--Dee Bowman, Bill Sewell and T. J. Wallace--selected the top three winners.

Other finalists who performed talent acts were Arvin Stafford, Joe Miles, Johnnie Moore, and Larry Smith. Bill Adams portrayed Miss America of 1969.

Dean Robertson, tabbed for the "Miss Congeniality" title, appeared in two pantomime acts and also took the female part in singing a duo with emcee Vise. The six can-can "girls" were portrayed by Ron O'Hara, Buford Duff, Truett Bownds, Bobby Crowson, Dick Hartman and Earl Bartley.

A genuine touch of beauty was added to the pageant by the appearance of Vicki Milliken, Lions Club Queen for 1970. And, special music at the piano was provided by Miss Tyra Martin.

Bartley and Adams served as co-chairmen of the stage show. Don Kendrick was decorations chairman, and Ted Gentry was chairman of the ticket sales. The Slaton Junior ROTC aided as ushers and ticket takers, and Mrs. Carolyn Green "coached" the can-can group. O. Z. Ball & Co. and Citizens State Bank provided prizes for the three winners.

Other Lions who acted as candidates in the contest included J. C. McClesky, Max

MISS AMERICA?--Glen Akin, "Miss Alabama" in the Slaton Lions Club version of the Miss America Pageant, was selected as the winner of the contest here Saturday night after pantomiming "Harper Valley PTA" in the talent division. Officers Attend Drug Seminar

Two Slaton police officers--Sgt. Jeff Creager and Patrolman Gene Noble--attended a basic narcotic identification seminar Thursday and Friday at Spur.

The seminar was sponsored by the South Plains Association of Governments (SPAG) in cooperation with the Texas Commission on Law Enforcement Officers Standards and Education. No tuition cost was charged.

All law enforcement agencies on the South Plains received an invitation to the seminar so that officers could learn more about narcotics. Carl C. Williams and DPS personnel provided the instruction.

Home Health Care Has First Patient

The West Texas Home Health Agency in the Slaton area is now able to provide the home health care for people age 65 or over under the Medicare program. This provides part-time nursing and other health services at home, that are prescribed by the physician. The agency nurse will make home visits with instructions from the doctor for specified services and treatments, and equipment can be furnished.

This includes hospital beds, wheel chairs, walkers, and many medical supplies, including surgical dressings, catheters and solutions, tubing and trays, and intravenous solutions. No drugs are furnished. They must be provided by the patient or his family.

Home health care is so important because it gives patients more freedom to do as they like and be with their family, and still get the individual attention they need from professional nurses, technicians

and other professionals. It releases a hospital bed for someone else who needs hospital care, and is less expensive at home than in a hospital or extended care facility. Patients residing in a rest home are eligible for these home care benefits, because the home is their place of residence.

To receive these services under Medicare, you must be age 65 or older, you must be under a physician's care, and your physician must certify that you need specified home health care which can be provided by the agency. This provides up to 100 free medically necessary home visits in each benefit period or calendar year.

Sister M. Odilla is the West Texas Home Health Agency Service Nurse for this area. Persons wishing more information about the service may call her at 828-6438. If she is not available, please leave your name and phone number, and she will return the call with any information you may need.

McDonald-Hlavaty Vows Exchanged

MRS. ALLEN MC DONALD
... Darlene Hlavaty

A double ring wedding ceremony at Mercy Chapel in Slaton united Miss Darlene Marie Hlavaty and Robert Allen McDonald in marriage Tuesday with Father Brendan McCormick officiating.

The bride is the daughter of Mrs. Betty Hlavaty and the late Mr. Andrew Hlavaty. She is a 1970 graduate of Slaton High School.

Parents of the bridegroom are Mr. and Mrs. Carroll McDonald of Hereford. He is also a 1970 graduate of Slaton High School and is employed with the Wilson Packing Company in Hereford.

The bride wore a formal-length gown of poi de deau and chantilly lace. Her gown featured a Victorian neckline and an overlay bib of lace which covered the bodice front and back. A bias fold of poi de deau accented the empire waist line. The long bishop sleeves were designed with a wide insert of lace. Her chapel length train flowed from the waistline. It was edged with scalloped lace. The bride's headpiece was a cluster of lace petals and pearls holding three tiers of silk illusion.

Miss Nadine Meurer was her cousin's maid of honor. She wore a floor length gown of baby blue chiffon over poi de deau which featured a round neckline and long bishop sleeves. The empire waist was accented with small daisy trim

and featured a small bow in the back. Her headpiece was a small chiffon bow.

Tony Privett served as best man. Guests were seated by Paul Meurer, uncle of the bride. Organ music was presented by Miss Laverne Schwertner.

After a wedding trip the couple will reside in Hereford.

PATRICIA HITT

Engagement Announced

Mr. and Mrs. James T. Hitt, Waco, announce the engagement of their daughter, Patricia Ann, to Larry Minor Pickens, son of Mrs. Doris Pickens of Slaton and the late Troy Pickens.

The couple plans to wed at 3 p.m. October 17 in the Holt Memorial Chapel of Calvary Baptist Church, Waco.

Miss Hitt graduated from Hico High School, and is attending Baylor University, majoring in music and is employed with Southwestern Bell Telephone Co.

Pickens graduated from Slaton High School where he was Boy's State Representative. He attended Stephen F. Austin University and earned an associate degree of applied science from Texas State Technical Institute. He was a member of Delta Lambda Tau. He is a dental technician with the Slaton Dental Clinic.

Linda Cook, Mr. Fudge To Marry

Mr. and Mrs. H. E. Cook of 1330 So. 12th, Slaton, announce the engagement and approaching marriage of their daughter, Linda, to Marion Fudge, son of Mr. and Mrs. Elmer Fudge of Ralls.

Miss Cook is a former student of Slaton High School. Fudge is a graduate of Ralls High School. They plan to marry Sept. 9 at 8 p.m. at Bible Baptist Church in Slaton. All friends and relatives are invited to attend.

Local Florist Joins World Wide Service

Cleo Reasoner, owner of City Floral in Slaton, was accepted this week as a subscriber of Florafax Delivery -- one of the world's largest flowers-by-wire organizations.

Affiliation with Florafax provides a link to more than 8,000 fellow subscribers in all 50 states, in addition to South America, Canada, and more than 30 countries overseas.

BY LAVON NIEMAN

ENCORE, PLEASE!

What will the encore be? To Saturday night's All Male "Miss America" contest, that is.

If anyone had told me there were enough men in Slaton who would perform on stage like those -- guys did, I wouldn't have believed them. But I, like many more, saw it for myself. I'd say they were really dedicated Lions (and in great need for money in their treasury).

Johnnie Moore said he thought any man who would go on stage dressed like "Sweetie" Nieman and twirl a baton deserved first, second and third place in the contest. But thank goodness, "Sweetie's" side-kick, "Glena" Akin, came out winning the title, and the other six finalists sighed a breath of relief.

I don't know what the Lions will come up with next year as a fund raising project, but I hope it's another good stage production that all of us can enjoy.

A few of the comments that caught my ear about some of the candidates were:

"Coy Ann Evans is wearing a corset!" "Billie Smith wouldn't wear his glasses on stage and ruin his looks. Boy, I sure hope he doesn't walk right off the side of the stage!" "Johnnie Holt let the judges know he is for peace". "Bobbie Kern and that trombone is something else". "Honey Lasater reminded me of a street walker".

"Melva Kinnison had a time with his hoop -- his girdle kept showing". "Where was Josephine Miles during his talent?" "That Bobbie Mohon and Cutie Christopher were the cutest two." "Janie Noble walked mighty easy in those spike heeled shoes." "Deana Robertson had trouble keeping her figure in place." "Did you know Johnnie Sue Moore and Billie Jean Adams' dresses were made from a friend's drapes?"

And for the Can-Can Line, I believe Buford Duff would have to get the vote as the "Most Uncoordinated". "Janie C. McClesley should have been a finalist with ALL that figure and charm".

And for real enjoyment, to give your jaws a chance to rest from laughing so hard, Murry (Bert Parks) Vise was superb! Usually everyone in a family would be happy if a member won the title of "Miss America", but not in the Akin family. When the reigning queen's son came in Saturday night from a date and saw the roses and "Miss America" banner -- he said, "Oh, no".

Boys and girls, ages 9-19, are welcome to the class. All they need is to want to learn how to cook.

The classes, which had built up an attendance of 50 during the summer, reported only 26 pupils last Saturday. They are hoping to build up the interest again.

Rev. and Mrs. James Bowen and children, Nancy and Gary of Cheyenne, Wyo, are here visiting Rev. and Mrs. R. C. Harris, pastor of the Assembly of God Church, Friday, Rev. Bowen was speaker for the Senior Citizens at the Club House. He spoke on Psalm 23, Mrs. Bowen played piano and she and Rev. Bowen sang. Nancy and Gary sang "I was Born to Serve" for the group.

Mrs. Fannie Lawson of Houston, who is visiting her mother, Mrs. Fannie Patterson, was a visitor at the meeting, Mrs. Cecil Long is a new member. Her grandson, Robert Jackson, was also a visitor.

We had a very nice Sunday afternoon worship service with Rev. R. A. Tomlin. The "Soul Winners Quartet", made up of Raymond Lee Tomlin, Jimmie Boyd, Sharon Tomlin and Danny Boyd, did the singing. Pete Gaylar played the piano. There were several guests and ten residents present. We all enjoyed that so much. For these people who bring our Sunday worship service, I would like to give a special "Thanks".

Mrs. Lydia Butler and Mrs. Georgia Davidson are still in the hospital. We hope these ladies will soon be back with us.

Massey-Ivie Vows Read in Big Spring

BIG SPRING (Special)--Miss Sandra Carol Ivie and Bobby Lee Massey were united in marriage Saturday evening in the 14th and Main Church of Christ, Perry B. Cotham, minister, performed the ceremony.

Parents of the bride are Mr. and Mrs. O. H. Ivie, Big Spring. The bridegroom is the son of Mr. and Mrs. Leo Massey of Slaton.

Wedding music was presented by Mr. and Mrs. David Elrod, Mr. and Mrs. Richard Lee and Dee Elrod. Solo selections included, "One Hand, One Heart", Mrs. Lee; "Here, There and Everywhere", Dee Elrod; "Oh Promise Me", Mr. Lee; and "The Lord's Prayer", David Elrod. As the couple knelt on a white satin prie dieu, the quintet sang, "The Lord Bless You and Keep You".

Vows were exchanged before an altar centered with a basket of white gladioli, chrysanthemums and pink carnations flanked by pink and white floral arrangements and palms. Twin spiral candelabra holding votive candles illuminated the setting. The bridal aisle was lit by hurricane lamps entwined with greenery.

Given in marriage by her father, the bride wore a formal Priscilla gown of white silk organza veiled over a cloud silk taffeta silhouette. Designed with a bateau neckline, peau d'ange lace appliques and tra-punto satin roses were sprinkled over the gown, and highlighted the brief fitted sleeves. The controlled skirt swept to fullness at the back to form a mini train. The circular chapel length veil of illusion, fashioned by the bride's mother, was edged in peau d'ange lace traced with pearls and was caught to a headpiece of white satin flower tendrils. She carried an informal bouquet of pompon chrysanthemums centered with a white orchid.

Miss Nancy Ivie was her sister's maid of honor, and Miss Jan Everett of Muleshoe was bridesmaid. Their formal empire-styled gowns of petal pink flocked organza were accented with avocado velvet ribbon that formed a double bow with long back streamers. Their pink satin headpieces were identical to that of the bride, and they carried baskets of mixed summer flowers and greenery.

The bridegroom's brother, James Massey, served as best man. Jerry Gaskins of Lubbock was the groomsmen. Ushers were Clifford Davis of El Paso, Felix Hetler of Idalou, Ronald D. Howell of Wichita Falls and Robert West and Randy Johnson, both of Lubbock.

A reception was hosted by the bride's parents at the Cosden Country Club following the ceremony. The bride's table was covered with a white organza cloth and centered with an arrangement of mixed summer flowers with silver candelabra on either side. The colonnaded wedding cake was decorated with a Cinderella coach and topped with doves. Silver and crystal appointments were used.

Cocoa pound cake topped with marzipan fruit was served from the bridegroom's table, which was covered with a burlap cloth. A copper candelabra and coffee service completed the setting. Miss Tonya Davis of El Paso distributed rice bags, and background music at the reception was by Miss Susan Sorrells of Lubbock at the piano.

When the couple left on a wedding trip to Red River, N. M., Mrs. Massey was attired in a three-piece tan and white suited ensemble with bone accessories, and wore the orchid corsage from her bouquet. The couple will reside in El Paso, where Massey is a member of

The bride attended Big Spring High School and is a 1970 graduate of Texas Tech University.

At Tech she was a member of the Student Education Association, Texas Tech Band, and Tau Beta Sigma, honorary band fraternity for women. Massey graduated from Slaton High School,

and prior to entering the United States Army attended Texas Tech University where he was an art major and member of the Tech Band.

A brunch for members of the wedding party was hosted by the groom's parents in the Church Fellowship Room following the rehearsal on Saturday morning.

WCSA Receives New Yearbooks

The Women's Society of Christian Service of United Methodist Church met Monday at 9:30 a.m. for a coffee meeting in Fellowship Hall.

The meeting was opened with the song "Jesus Calls Us" and Mrs. R. J. Clark, new president, led the invocation. Mrs. Calvin Lamb presented the program "In The Beginning".

Mrs. E. R. Legg distributed yearbooks, study books and other material to the 21 members present. Three new members were Mrs. Max Arrants, Mrs. W. T. Davis and Mrs. C. A. Halre.

Athenians Have Salad Supper

The Athenian Study Club started their year out again with the Annual Salad Supper at the Reddy Room this week. Yearbooks were distributed, and new "secret pals" were assigned.

All members gave reports of their summer activities in lieu of a program. Attending the meeting were Mrs. David Hughes, hostess, Carolyn Bartley, guest, and members, Mmes. Dee Bowman, Truett Bownds, Paul Buchanan, Tommy Davis, R. C. Hall, Jr., J. W. Holt, Stan Jaynes, Bob Kern, Joe Miles, Don Mitchell, Roy Poage, Clark Self, Jr., Tom Sims, Clark Wood, and George Harlan.

POLICE CHIEF Loyd Anders and Mrs. Anders of Wilson completed the 16 hour Narcotics Seminar held at Spur last week. The instruction, sponsored by the police department, featured George Jones telling the history of narcotics, and Carl Williams, telling about the use and effect of the narcotics. Thirty-five persons completed the course, with Mrs. Anders as the only woman participating.

Back-To-School Time Nears For 2.7 Million

It's back-to-school time again for more than 2.7 million students in the Texas public schools.

For about 224,500 of them, it will be "first-time-to-school." Most of these will be first graders, but some 30,000 will be 5-year-olds in the new state-supported kindergarten program.

Among numerous changes in Texas schools this year, the teachers will begin work a bit earlier, and students in some localities will begin classes earlier. The school year will have 180 classroom days instead of 175. Teachers will be on duty for 10 more days of non-teaching work during the year to help with school opening and closing, and to receive in-service instruction that will help them to teach better.

Despite these changes, the experience of heading off to school for the first time won't be much different for this year's 6- and 5-year-olds than it was for their parents. It's a giant step for little people.

To help parents make it easier on their youngsters, the Texas State Teachers Association offers some basic tips in a leaflet titled "To Help the Child, and Parents too!" Here are some of the pointers:

- See that your child gets enough sleep.
- Provide your child with a good breakfast each morning.
- See that he is happy before he leaves for school.
- Teach your child that policemen are his friends and that he should go to them when he needs help.
- Teach him to dress himself properly.
- Teach him to have confidence in his teacher.
- Provide opportunities for your child to be away from his mother for short periods of time before he starts to school.
- Teach your child to respect the property rights of others.
- Allow your child to do as much for himself as he is able to do.
- Show an interest in what he has to tell you about his work and play at school.
- Help him to see likenesses and differences in objects and forms.
- Encourage him to have playmates.
- Help him learn habits of promptness, obedience, and respect for authority.
- Read to your child.
- Take him to places of interest such as the zoo, park and library.
- Label his personal belongings with his name and address.
- Praise your child frequently; help him to feel successful.

REGISTRATION PROCEDURE

Any child who is six years old on or before September 1 may be admitted for the 1970-71 school year. (Special requirements for enrollment of certain 5-year-old children in public school kindergarten for 1970-71 have been publicized locally.)

The child's birth certificate must be presented at time of enrollment. Some schools, in the interest of good health, require that the child be vaccinated against smallpox and immunized against diphtheria, whooping cough, and tetanus.

Other information which the school will need includes name, occupation, place of work, and phone number of the father; name, address and phone number of the family doctor; and the family's home address and phone number.

HOW PARENTS CAN HELP

When parents meet their child's principal and teacher for the first time, they may offer these suggestions:

- Teach your child the safest way home.
- Teach him (or her) to go directly home from school without loitering on the way.
- Remind him not to go with strangers.
- Give your child definite duties at home and see that he performs them.
- Help him to establish good listening habits.

D. Allan Tucker Receives Masters Degree at NTSU

DENTON -- Dee Allan Tucker of Slaton was among 1,236 students from 36 different states receiving degrees at summer commencement Aug. 15 at North Texas State University.

Conferred were 750 bachelor's degrees, 444 master's and 42 doctor's degrees, including the first doctor of philosophy degrees ever awarded by NTSU in history and physics.

Tucker was the recipient of the master of education degree in secondary education. He is the son of Mr. and Mrs. Delmer D. Tucker, 150 E. Dawson.

do what they can to solve such school-related problems as conflict with another child, a difficult activity, or a school rule that the child does not understand.

SCHOOL WANTS TO KNOW

The school principal will want to know--in advance if possible--when a family moves to a new address.

A child with a cold, fever, sick stomach or other severe ailment is better off at home than at school; however, parents should encourage and require good school attendance by their children. A written excuse from the parents may be needed when the child returns from an absence.

When child-school problems of any kind arise, the parent should feel free to discuss them with the child's teacher.

BILLY HUTTO
SAN ANTONIO -- Airman Billy R. Hutto, son of Mr. and Mrs. Billy G. Hutto of 720 S. Sixth St., Slaton, Tex., has completed basic training at Lackland AFB, Tex.

He has been assigned to Lowry AFB, Colo., for training in the field of photography. Airman Hutto, a graduate of Slaton High School, attended Lubbock (Tex.) Commercial College.

When you are in the market for a pair of sunglasses, remember there's more to it than choosing fashionable frames. The Texas Society for the Prevention of Blindness reminds us that the cost of sunglasses is usually determined by the frames, not the lenses, so just because a pair is more expensive, it is not necessarily better. The best sunglasses have lenses made of optical grade shatter - resistant glass or plastic. "Cheaper" lenses often contain distortions which put a strain on your eyes. But no matter how good they are, the Society warns, sunglasses are for outdoor daytime wear, not for wear indoors, and never for night driving.

Division Offices Changed By SWPS

A realignment of division offices of the Southwestern Public Service Company, effective immediately, has been announced by Roy Tolk, president of the electric company.

Tolk said that the company will have three division offices, Lubbock, Amarillo, and Roswell, N.M. under the new plan. The Southern Division, which will be headquartered in Lubbock, will include all of the Texas communities served by Southwestern south of Friona and Happy. The addition to the present division is the Texas

communities in the former Plains Division, which was headquartered at Plainview.

Tolk said the reorganization had been planned for Oct. 1 when J. M. Collins, who had been Plains Division manager for 25 years, was scheduled to retire. The action has now been moved forward because of the untimely death of Mr. Collins on Aug. 23.

R. H. "Bob" Brummal, who has been Southern Division manager, headquartered in Lubbock since 1963, will be manager of the newly formed

division, Clovis, Portales and Texico-Farwell, which had been in the Plains Division, will now be part of the Roswell-headquartered New Mexico Division, which also includes district offices at Roswell, Artesia and Carlsbad. These districts had been in the Pecos Valley Division managed by Joe Key, who will continue as manager of the newly expanded division.

The Panhandle Division, which includes the Kansas and Oklahoma communities South-

western serves and those in Texas north of and including Friona and Happy, remains unchanged.

Faster transportation, improved communications, advanced technology and better trained and more skilled employees at the local office level were cited by Tolk as reasons for the consolidation.

"When we put this company together in its present form 28 years ago we had six division offices. In the mid-50's we reduced that number to five and last year we cut it down to

four. The purpose of the division office has always been to lead staff and administrative support to the local office, the one which serves the customer. We can get around faster now, we can talk more quickly on radio or telephone and we have better equipment and better employees. That lets us concentrate more on serving the customer more efficiently and economically and directly through local offices," Tolk pointed out. Under the consolidation program Plainview will continue to be a district office. Cleo Meharg, who has been district manager at Plainview since 1963, will continue in that post.

Milton sold the copyright to Paradise Lost in 1667.

Bowen Attends Army Meet

Lt. Col. Clifford O. Bowen (Ret.), the senior Army instructor at Slaton High School, attended the Senior Army Instructors Conference Aug. 20-21 at Headquarters Fourth U.S. Army, Fort Sam Houston, Tex.

Altogether, 53 instructors from 130 high schools and six military institutes in the five-state Fourth Army area convened to discuss the 1970-71 Junior ROTC program. Maj. Gen. Joseph R. Russ, Fourth Army deputy command-

er for reserve forces, gave the opening remarks and Lt. Col. Marcus L. Weatherall from U.S. Continental Army Command, Fort Monroe, Va., reported on the Junior ROTC nationwide conference held there recently. Presentations given by the Fourth Army staff sections included policies and procedures, finance and accounting, arms security and inspections, recruiting, public affairs and scholarships.

The instructors are retired U.S. Army personnel employed by the school districts and approved by the Army.

First medical school in America opened in Philadelphia in 1765.

for Smart Bargain Hunters

You'd stop . . . and you'd act . . . if you ever saw a sign like this in some store window. All of us like Bargains, hunt Bargains . . . and grab them — if we recognize them.

- But some of us don't see the biggest bargain of all — the dividend we draw from buying at home.
- Statisticians tell us that a home-spent dollar will turn over an average of three or four times in the

community before it moves on to some other area. That means \$3 or \$4 or more local trade volume for every dollar we spend here. Which makes the "\$3 for \$1" sign not too far-fetched after all.

- More local trade volume results in greater local prosperity . . . and all the fine things that go with it. Thus . . . the biggest GENUINE BARGAINS in the world: the things we buy at home.

Farm Welding Course Begins Sept. 14

A farm welding short course for adult farmers will be held Sept. 14-17 under the sponsorship of the Slaton High School Vocational Agriculture Department, according to J. C. McClesky, superintendent and Paul Johnson and Don Mitchell, teachers of vocational agriculture.

C. B. Edwards, welding specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M University, will do the instructing in the course. He is headquartered at Texas A&M University.

Edwards holds two college degrees, a B. S. in Agricultural Education from Texas A&M and an M.S. in Agricultural Education - Animal Husbandry from Oklahoma A&M; and in addition, has several graduate hours at the University of Texas. Edwards has had experience as a vocational agriculture teacher and as supervisor of state schools. He has organized T & I programs and supervised the operation of several shops. Edwards has been with the Adult Specialist Program since its initiation in 1958.

"Many welding short courses in various parts of the state have been taught by Edwards and all have met with outstanding success," according to Walter Labay, area supervisor of vocational agriculture, Plainview. Arrangements for adult education short course in welding and in other fields are made through Labay's office.

The short course at Slaton is scheduled to begin at 7:30 p.m. each night in the vocational agriculture building. During the dates the short course is in progress, Edwards will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Johnson and Mitchell.

Farmers interested in attending the short course should write or call Johnson or Mitchell. An entry fee of \$5 will be charged. Farm Welding Short Course Certificates are to be presented to each enrollee who attends all the training sessions.

Edwards states that the short course will be adjusted to wishes and interests of farmers enrolled but that he expects to cover such subjects as safety in welding, factors controlled by the operator in running a bead, striking an arc, types of electrodes, preparation of joints, distortion, cutting, hard-surfacing, and pipe welding.

"Short courses in welding, as well as in other areas, are now available to farmers throughout the state under the new cooperative program between the Texas Education Agency and Texas A&M University," stated Bob Jaska, associate professor, Department of Agricultural Education at Texas A&M University, who coordinates the program for Texas A&M.

"This cooperative program," states Jaska, "is designed to make the services of specialists available to conduct short courses under the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people."

Specialists are now available in the fields of beef cattle, farm management, farm electrification, farm arc welding, swine production, tractor maintenance, dairy science, oxyacetylene welding, and pasture.

WALTER HEAD
Slaton Police Chief

Intelligent, conscientious, dedicated, honest and courageous men who are in good physical condition.

A citizen also expects his policeman to be morally strong and to remain incorruptible in the midst of vice and temptation. You, the citizen, are right to have these expectations and to make such demands.

In order to attract the exceptional man needed for law enforcement, however, citizens must also face the fact that police salaries must be realistic in order to compete for the superior individual.

If our city fails to recognize these factors and police pay is

not competitive, our police department will continue to lose its best prospects to other law enforcement agencies and other callings. The end result could be poor police service and less protection for our city.

Tax Man Sam Sez

The good tax folks pride themselves on having most American taxpayers voluntarily comply with the law. IRS has a lot of proof that most Americans are fairly honest and law-abiding -- at least in Federal tax matters.

However, in spite of all the talk about voluntary compliance, there is another side. A few thoroughly screened tax fraud or tax evasion cases are selected each year for the thorough type of investigation required of the Government in making a case that will send a tax cheater to jail.

During the past six months, the court records show that the United States Attorney and the Internal Revenue Special Agents who investigate tax cases, took nine taxpayers to court. These taxpayers included an attorney, two truck owners and operators, a salesman, two manufacturers, a TV repairman, a Saving and Loan Association Vice President, and a used car dealer.

Six were charged with filing false income tax returns, two were charged with not filing any income tax returns at all, and one was charged with withholding Federal taxes from his employees and keeping the money. The court records in these and the 2000 similar cases across the country each year indicate that complying with the tax laws can eventually become mandatory.

Dreams, Dreams
Champions of women's rights have another battle to wage--making women's dreams the same as men's. According to a recent study of 10,000 subjects, women dream about indoor things and men dream about outdoor subjects. A leading mattress manufacturer, reporting the study, reveals that women tend to dream about clothing, houses, furniture and schools. Men tend to dream about money, automobiles, foreign countries and trees.

Boys' Ranch Rodeo Slated

The 350 boys of Cal Farley's Boys Ranch will be putting on their 26th annual Boys Ranch Rodeo, Sept. 6-7, the Labor Day weekend.

Believed to be the only rodeo of its kind in the nation in which the only contestants are boys riding professional rodeo stock, under R.C.A. rules, the event is expected to attract about 5,000 persons for each of the two afternoon performances at 2:30 p.m.

The boys have been getting ready for the rodeo with qualification rides on calves, steers, Brahm bulls and bucking broncs for about two months. All will have a part in the rodeo with 88 riding as contestants for the trophies that will be awarded to the best riders. Top honors will be the Senior and Junior All-around Cowboy trophies, with 1st, 2nd and 3rd place trophies going to contestants in each riding event.

Texas-size barbecue sandwiches with all the trimmings will be on sale for \$1. The barbecue concession is one of several that will be operated by the boys. Another rodeo feature will be the appearance of riding clubs from area communities in the rodeo's grand entry.

Reserve box seats can be obtained at the Boys Ranch office, P. O. Box 1890, Amarillo, Texas or by calling 372-2341. Ticket prices are \$2.50 for box seats; general admission tickets are \$1.50 for adults and 75¢ for children.

Informational materials on many aspects of eye health and safety are available free of charge on individual request from PREVENT BLINDNESS, Box 8025, Houston, Texas 77004.

Labor Day Rally

Lubbock Christian College is opening its campus to the public at a Labor Day Rally, Sept. 7. Everyone is invited to share in the inspiration and old-fashioned fellowship in chapel at 10 a.m., partake of a western-style barbecue at noon, hear the choruses and Royal Blue Band present some of America's most stirring music at 2 p.m., and listen to Dr. Bill Banoway speak on "The Greatest Challenges of Our Age" at 2:30 p.m.

LCC is making headway in becoming a four year college -- the junior year started this semester - and wants everyone to see the progress that has been made in the library expansion; the new Mabee Agriculture - Science Laboratory; the commercial feedlot and farm improvements; in general campus development and the largest student body in the history of the college.

MUSTANGS BIG ON DEFENSE

Wilson Seeks Another Title

The Wilson Mustangs lost only one regular season game last year, and fans are hoping for another banner year with six offensive and seven defensive starters returning.

Coach Al Mitts, head man for four years, announced that David Wied and Woody Follis will be team co-captains for the season. Mitts is assisted by Joe Downey (North Texas State) and Ben Blair, a graduate of West Texas State who is making his debut on the coaching staff. Wilson posted a 9-2 mark last year, losing to Sundown in bi-district, with a tough defense and the great running of Stephen Brieger spearheading the squad. With two massive tackles pushing the line's average to near 200 pounds, the Mustangs appear ready to throw up a strong defense again.

The Mustangs lost Brieger, who gained 1,551 yards and scored more than 100 points, but there are some bright spots in the backfield. For example, senior quarterback David Wied (165) is back after sitting out last season with a broken arm. Wilson won the district title with freshman signal-caller John Fields (165) and he's now a veteran sophomore.

All-district guard Steven Bednarz has been moved to fullback where the Mustangs

hope he'll take up the slack left by the departure of Brieger. Mark Gatzki, a 260-pound junior letterman, and Richard Savell, 249-pound junior letterman, anchor the line that will average 197.9 pounds per man.

The returning offensive starters include Fields, halfback Woody Follis (170 Sr., 2L), end Mike Koslan (167 Sr., 2L), tackle Wayland Peterson (186 Sr., 2L), tackle Danny Crowson (176 Soph., 1L), and Bednarz (187 Sr., 2L). These six plus Gatzki were defensive starters last year.

The offensive line will probably have Koslan and Danny Trotter (175 Soph.) at ends, Peterson and Crowson at tackles, and Leland Brieger (171 Soph.) at center. Coach Mitts is undecided whether Gatzki and Savell will go on offense.

Wied and Fields are vying for the quarterback post. In addition to Bednarz and Follis, Arturo Vergara and Greg Wied have shots at backfield berths. The Mustangs looked sharp in a scrimmage against O'Donnell Friday. They will scrimmage Sands at Wilson Friday at 7 p.m.

Wilson's only regular season defeat last year came at the hands of Class A Cooper, 23-14. The Mustangs edged Sundown by 13-12 in a non-district contest early in the season, but lost the Roughnecks by 34-14 in bi-district.

Wilson was moved to District 4-B for this season and will be in the same district with Sundown. The Mustangs shutout four opponents last year and three other foes scored only six points. Coach Mitts hopes for more of that type defense this season.

The Mustangs open season play Sept. 11 at home against Anton. First District 4-B game comes Oct. 23 when Wilson is host to Ropesville. Other district foes are Whiteface, Sundown, New Home, and Meadow.

WILSON GRID LEADERS—Leading the Wilson Mustangs this season will be co-captains David Wied and Woody Follis, both seniors. Coach Al Mitts and assistants Joe Downey and Ben Blair are pictured with the team captains. Wilson will be seeking to chalk up another district title this year. (SLATONITE PHOTO)

sharp through much of the practice session. A few missed assignments were worked out in drills this week. Davis feels that linebackers Ted Dixon and Glen Akin Jr. are continuing to improve.

Davis was also enthusiastic about some junior gridgers who are "coming on" as the first game approaches. Three juniors are currently starting—guard Steve Mosser and tackle Willie Freeman on offense, and guard Brad Winchester on defense. Quarterback Darrell Eastman and halfback Randy Davis were junior standouts on the second unit at Level-land.

Cooper Grid Prospects Good With 18 Lettermen

With 18 of 24 lettermen returning from a team that posted a 7-3 record last year, the Cooper Pirates could be one of the toughest Class A teams on the South Plains this season.

Even with those impressive credentials, however, the Pirates are not even picked to win the District 5-A title Cooper happens to be in the district with powerhouse Seagraves -- the team most sports observers are picking as the best in the state.

Coach Pete Hurst welcomes back five offensive and six defensive starters from last season, and the team has a goal of bettering last year's record -- including a victory over defending champion Seagraves. That game, however, is the last one of the season.

With veteran quarterback Jack White (150) looking forward to a standout senior season and his favorite pass receiver Gilbert Martinez (160) also returning, fans can look for Cooper to put the ball in the air.

White connected on 14 touchdown passes last year, while Martinez was on the receiving end of 32 passes for more than 500 yards. Martinez has shifted from split end to wingback to help fill the vacancies created by the loss of three running backs.

The Pirates are not short on runners, however, as fullback Johnny Aleman (170) and tailback Dennis Smith (160) -- both juniors -- are returning. Senior double letterman An-

thony Joplin (155) is also slated for backfield action.

Gary Schaffner, 190-pound guard who drew honorable mention on the district team last season, heads up the front line. Other senior lettermen include David Angerer (145), ends Fry (145), tackles Kenneth Cooper (190), Mark Dorsett (185) and Keith North (210), center Kenneth Ehler (170), and back Nathan Griffin (140).

Other junior lettermen include quarterback Jay Wimmer (140), and end Mike Bernes.

Seeking their first year are back Steve Thompson (165 sophomore), and center Timson (165 sophomore).

The Pirate boys, an Eastern New Mexico University graduate, include Wayne Harnett (145), Jack Fry (145), Dick Haggett (145), and Roger Sage (145). Last year's results: 32-6, Roosevelt 12-47-5, Frenship 1-23-14, Coahoma 1-48-14, O'Donnell 25-7, Plains 12-

The challenge of being the only

As any wise husband knows, no woman likes to be taken for granted. It's the little things that count, like remembering anniversaries, or bringing home flowers for no particular reason. Like the wise husband we try not to take you, our customer, for granted. Being the only phone company in town make a special effort to be courteous, kind, considerate, and understanding. The fact that we are the only phone company in town is a challenge. challenge is "not to act like it."
