

GAME INJURY FATAL TO OUTSTANDING ATHLETE

City Mourns Loss of Freshman Gridder

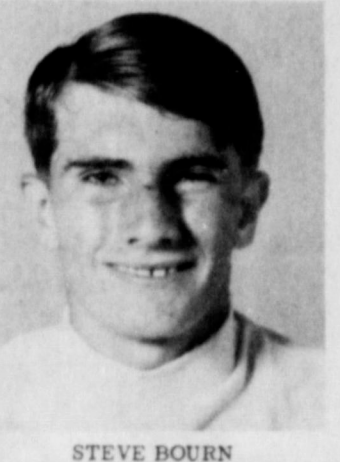

Steve Bourn, 14, an outstanding athlete and popular freshman student at Slaton High School, died Tuesday morning in Lubbock's Methodist Hospital after he sustained an injury in a football game here last Thursday night.

The casket will remain closed at the funeral services. Burial will be in Englewood Cemetery under direction of Englands.

All Slaton schools will be dismissed Thursday, it was announced by Supr. J. C. McClesky. Junior high, freshman and junior varsity football games were postponed this week.

Steve was injured in a freshman football game here last Thursday night with an Idalou team. He was hurt on the last play of the third quarter when he made a tackle of an opposing player. Officials theorized that the other boy's knee might have hit his helmet when Steve

made the tackle. He attempted to walk off the field after the injury, but fell back to the ground. He was taken to Mercy Hospital, then the Slaton ambulance rushed him to Methodist Hospital where he was immediately put on the critical list with a blood clot in the head.

School Leases Evans Facilities To County CAB

Slaton School Board, in a special meeting Monday morning, approved the leasing of the Evans School facilities to the Lubbock County Community Action Board.

The CAB had previously submitted a proposal to use the school building facilities for a community center in the southeast part of Slaton. Trustees approved the lease with the provision that the CAB make necessary repairs and provide maintenance for the school building. No repairs were planned for the gym.

Activities which the CAB proposed for the Evans building included a general information office, adult education classes, story-book hours for pre-schoolers, youth recreation, senior citizen meetings, and self-improvement courses for young girls and adult women.

The school board has another special meeting set today at 7:30 p.m. Purpose of the session is to meet with a citizens' committee which has requested transportation for school students living in southeast Slaton.

The citizens' group met with the trustees two weeks ago to request consideration on bus transportation for students within a two-mile radius of school, nor are funds provided for "City" transportation.

Trustees also reminded that the Slaton School District operates under a unitary system, so this would not be a situation where busing is requested to achieve racial balance.

Tigers Seek Third Win In Row, Host Bulldogs

The Slaton Tigers will be shooting for their third victory in a row here Friday night, hosting the Tahoka Bulldogs in a District 4-AA battle starting at 7:30 p.m.

Coach Ernie Davis reported the squad in good physical shape this week, except for the "usual number of bruises." Fullback Alan Fondy bruised a hip in workout Tuesday, but the Tiger

coach thinks the hard-running back will be ready Friday. While the defense continued to shine in last week's victory over Idalou, the offense showed signs of moving the ball with the passing of junior quarterback Darrell Eastman being a bright spot.

Davis said he had not determined whether Eastman or senior signal-caller Terry Mos-

ser would start against Tahoka, but he plans on giving Eastman more action. The Tiger mentor said he might go with the one "with the hot hand."

And, speaking of that tough Tiger defense, Slaton has given up only two touchdowns in four district games. One of those was a pass play in the Denver City game, and the other a 1-yard drive by Post following a pass interception.

Junior center Mike Speer is scheduled for more duty this week in the offensive line after doing a good job at Idalou. Senior center Charlie Geer has been a two-way performer all season and may get a little rest on offense again this week.

Davis said senior tackle Allen Howard might see some action on offense, also. Defensive guard Charles Th-

Ballots Mailed For Five New C-C Directors

Ballots have been mailed to Slaton Chamber of Commerce members for the election of five directors, it was announced this week by C of C President Robert H. Davis.

The Chamber elects five new directors each year for three-year terms, maintaining a board of 15 directors. Terms expiring this year are those of Earl Eblen, Bob Kern, Speedy Nieman, Tommy Wallace and Robert Davis.

A nominating committee submitted 16 names to be placed on the ballot, with spaces also listed for write-in candidates. The five candidates receiving the most votes will be elected. Nominees include Bill Alspaugh, Mill Ardrey, Max Arrants, Ray Bell, Truett Bouds, Robert H. Davis, Coy Evans, Cecil Griffin, George Henzler, Bob Kern, Speedy Nieman, Ansell O'Neal, Roy Poage, Weldon Retcher, Clark Self Jr., J.P. Spears.

No Candidates Yet In Special City Election

Deadline for filing as a candidate in the special election in Ward 4 looms Friday, and no one had tossed their hat in the ring up to Wednesday noon of this week.

The special election has been set for Dec. 1 to elect a city commissioner for the southeast ward. The post was vacated by Rev. F. D. Conright moved to Floydada recently.

There have been reports of several interested candidates, and they may be waiting for the deadline day to see who their opponents are going to be.

A filing fee of \$10 is required for the special election, and candidates have until 6 p.m. Friday to make the formal application in the city secretary's office. Absentee voting will be conducted in City Hall from Nov. 10 to Nov. 27.

Mrs. Armstrong Is Grid Champ

Upsets in the football games of the past week again "upset" the local experts, but Mrs. Howard Armstrong of 345 W. Dickens missed only three games to capture the top prize of the weekly Slatonite Football Contest.

Mrs. Armstrong won the \$10 first prize by missing only the Friona - Abernathy, Lamesa-Colorado City and Peecos - Kermit games.

Four entrants missed only four of the contest games. Bing Bingham took the \$5 second prize by hitting the tie-breaker total score of 27 right on the nose. Mike Busby and Bobby Mieske split the \$2 third prize when both guessed 21 for the total score. Weldon Mize wound up with honorable mention on four misses and a total score of 20.

Fourteen entrants missed five games. They included Jim Newhouse, Sharon Newhouse, Mike Peterson, Lou Gamble, Paul Mercer, Carol Green, H. H. White, Gary Love, Ann Gillen, Neill Carter, Kelly Sparkman, Larry Gamble, Kendon Wheeler and Stanley Miles.

Merchants-Police Meet, Discuss Worthless Checks

"Insufficient funds", "No account", "Account closed", "Forged signature". Each day, businessmen across the nation open their mail to find one or more returned checks with one of the above notations. Worthless checks cost the nation's businesses thousands of lost dollars in revenue each year.

two other merchants. Each merchant notified will in turn notify two additional businessmen until the entire community is alerted to the identity of the worthless check passer. It is hoped this procedure will prevent more than one merchant being victimized by a

bad check. A person passing a worthless check will be contacted and given only one opportunity to make arrangements for restitution.

Carnival Set Saturday Night

The Lions Club members are selling Halloween candy and the Slaton Young Homemakers are sponsoring a Halloween Carnival Saturday night.

The bags of candy have 160 pieces of candy in them and sell for \$1.00. If you don't know a Lion to call, we have an ample supply at The Slatonite office.

The Carnival will be held in St. Joseph's Catholic Hall from 6 to 10 p.m. Everyone is invited to attend.

In order to try to stem the rising tide of worthless checks being passed locally, an agreement was reached between the local merchants and the police to set up a system of identification on how to handle the situation.

Some of the features of the carnival are a Spook House, cake walk, fishing game, balloon bust, and ring toss. A concession stand will be open also.

Chief Walt Head made a special plea this week to motorists who will be driving Halloween night. "Watch out for those little people", he said.

A check identification card will be completed by all persons not known to the merchant in order to cash a check. This card will be turned over to the Slaton Police and will be kept on file for future reference.

Should a local merchant at any time receive a worthless check, that merchant will immediately notify the police and

Clinics Set For November 14 In Lubbock

The quarterly session of St. John's United Methodist Church Crippled Children's Clinic will be held from 1 to 5 p.m. on Saturday, Nov. 14, at the church, 15th Street and University Ave., Lubbock.

Conducted quarterly, the clinic is free for crippled children of the South Plains area. Four Orthopedic Surgeons and the sponsors for the clinic, the Fellowship Class of St. John's United Methodist Church, will supervise activities.

Physicians will be assisted by city-county health nurses from several area counties.

The clinic is financed through contributions, and clinic personnel arrange for braces and further care when needed.

Braces and appliances have been provided for 285 patients through the clinic. Approximately 720 pairs of shoes have been given to children since the first clinic session was conducted in 1963.

Children going to the clinic for the first time are to be accompanied by a parent or guardian.

Guests in the homes of Mrs. Clifford Young and Mrs. Floy King this week were Mrs. Young's daughter and Mrs. King's son, Mr. and Mrs. Pete King of Yuma, Ariz. and their daughter and family, Mr. and Mrs. Bill Kimball and Jeffrey of Eagle Mountain, Calif.

Holiday Hair Styles Accent Elegance

The accent is on elegance in the new hair styles designed for the holidays ahead by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association, the hair fashion authority of the beauty profession.

The new styles were previewed before several thousand hairdressers from across the nation, meeting in New York for the National Hair Fashion Show.

The influence of elegance on the hair fashion picture follows through from fall, and continues the happy trend of highly feminine hair styles that help pull together the elegant variations in clothing fashions for the season.

The new styles are intentionally pretty and romantic. They are usually composed of supple waves that flow in either lan-

Sanders Pant & Top 'The Pant Corner'

720 South 6th, Slaton

Spring markets are in full swing along with holiday buying. The length question is still the major issue. Any length for Spring seems to be permissible, according to experts.

It took nine years for the short skirts to reach a Micro-Mini. The question is: Will it take that long for the Midi to become acceptable to the American Women, or maybe never?

It is best to include every length to some extent, keeping in mind that the longer looks are in Sportswear and later day. The "young set" are still holding to the shorter hemlines. The "split-level look", longer coat and shorter dress, is good for most any age.

The "Pants Corner" is featuring a shipment of "Wet-look Coats" in Brown, Red, Black and White. Also have a shipment of "Sebastian" knit coat sweaters on their way for the holidays.

After-fives are coming in regularly to be available for the holidays. Check us out for the very latest and most fashionable sportswear. If your budget is small, you can't take chances with fad in fashion. So, take your cue from "The Pants Corner".

Mrs. Helen Kerr's shorthand class has found a new way to evade working. . . hide from the teacher! When Mrs. Kerr comes into her classroom late, she has to hunt for her missing pupils.

It seems as though playing hide-and-seek is this shorthand class's favorite game, because they play it every chance they get. This is inevitable, though, with Judy Fondy and Melissa Holloman in the class.

Mrs. Kerr has her own way to get her straying pupils back to class. She could get her husband after them!

Battalion Queen Has Credentials

DEBBIE WINTERS

Soldiers, service men, officers, and ROTC cadets aren't anything new to Debbie Winters, this year's ROTC Battalion Sweetheart. She has been living around military personnel all her life as her father, Sgt. L. B. Winters, Slaton ROTC instructor, has retired from the Army.

Debbie, a sophomore at SHS, came from Evans Junior High at Lubbock; and because of her friendly ways, she became a favorite among the students.

When asked about her reaction when told she was one of the candidates, Debbie said, "I was really scared, I didn't think I had a chance when competing with three seniors and a cheerleader."

She also added that all the ROTC boys are the greatest, especially Captain Geer.

Debbie was born on Nov. 28, 1954, at Fort Hood, Texas.

If you see a 5-foot, 1-inch, brown-eyed girl walking down the halls of SHS and humming the song, "These Eyes," it's probably Gloria Silva.

Gloria plans to attend Commercial College in Lubbock after graduation with these high school achievements: basketball one year, Pep Squad one year, Future Homemakers of America four years, and National Honor Society two years. Her senior year, Gloria was elected to the Student Council.

She says her favorite pastime is "Driving around in a blue Malibu and listening to the radio, especially The Guess Who. Her favorite subject is typing and teacher, Mrs. Saleta Duff.

When asked about her most embarrassing moment, she replied, "My freshman year when I went into the boy's restroom."

Gloria was born July 7, 1952, to Mr. and Mrs. Raymond Silva.

GAYLON BARKLEY
If you're ever in the halls of SHS and see a kid who looks like "Moose," you'll find one heck-of-a-guy. His real name is Gaylon Barkley, son of Mr. and Mrs. Lee Barkley. Moose was born May 21, 1953, in Lubbock.

He lists his favorites as: color -- blue, food -- steak, teachers -- Coach Kenneth Housden and Coach Bill Shaha, car--442, and subject--civics. His achievements in high school include basketball four years, FTA one year, tennis four years, junior play cast, and Sophomore Class favorite.

When asked his most embarrassing moment, he said, "Too many to tell." His advice to freshmen is to be neat like seniors.

After graduation Moose plans to attend San Angelo College. His pet peeve is people who rob him in alleys.

LARRY BECKER
What a guy that Larry Becker is! He is the son of Mr. and Mrs. Richard Becker.

Larry has such achievements as four years of football, one year of track, National Honor Society, two years of vocational agriculture, Parliamentary Procedure Team, Meat Judging Team and one year of ROTC.

Larry plans to attend San Angelo State University after he graduates, and he wants to major in engineering.

He says his pet peeve is Denver City and favorite teacher is Bill Carnes. When Larry was asked the question if he would be principal one day, what would he do to help Slaton High School, he replied that he would have a beat freshmen day!

DEBBIE CONNER

A blue-eyed, brown-haired, 5-foot, 8-inch senior at Slaton High School just may be named Debbie Conner. Debbie is the daughter of Mr. and Mrs. Bobby Joe Conner of 245 West Crosby Street.

Among Debbie's favorites are: color-blue, song -- "Crystal Chandelier," recording artist -- Charlie Pride, food -- chicken fried steak, and car -- Ford.

Debbie's achievements in school include taking an active part in SHS Choir four years, FHA three years, and home-making three years.

Her favorite pastime is to do nothing but watch TV. Her hobby is sewing.

Debbie was asked her opinion of SHS. "I think SHS is a great school, and I wouldn't want to go to school anywhere else."

Debbie was born in Clovis, New Mex., Aug. 2, 1952.

CEE ECKERT

"The way the teachers will help students if they need it," was the reply of Cee Eckert when she was asked what she liked best about Slaton High School.

Cee, SHS senior, is the daughter of Mr. and Mrs. J. E. Eckert, Jr.

Cee has participated in Pep Squad two years, UIL typing, FTA two years, UIL ready writing, National Honor Society two years, office staff, and annual.

Rules For 'Voice of Democracy' Contest Outlined by VFW

Students win more than awards and scholarships when they participate in the VFW Voice of Democracy Scholarship Program. The script-writing program is conducted annually by the Veterans of Foreign Wars.

Some of the benefits coming from this program are: increased self-confidence, greater poise, ability to communicate and valuable practice in expressing ideas clearly. For state winners, there is also the broadening experience of a five-day tour of Washington D.C., and the opportunity to make many lasting friendships with other state winners.

In the 10 years that the VFW has been sole sponsor of the program more than 4 million high school students have participated.

Entrants must write and then tape - record a three-to-five minute broadcast script expressing their personal views on Freedom's Heritage. From among the state winners, five national winners are chosen to receive a total of \$22,500 in scholarships.

Entry instructions indicate that school and community Voice of Democracy Scholarship Programs are to be completed by Dec. 15. The district contest will be held by Jan. 15, and the state contest by Jan. 24. From there the winner will go to the national contest to be held by Jan. 29. All 10th, 11th, and 12th grade students are eligible to enter. Past national and state winners are not eligible.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

The House - Senate Conference Committee, after two and a half weeks of haggling, reached agreement October 7 on an omnibus farm bill for 1971, 1972 and 1973, including programs for cotton, feed grains, wheat, dairy, wool and tobacco farmers.

regardless of market price, and must be increased by the Secretary if the average market price for middling - inch cotton in the first five months of the marketing year falls below 20 cents.

tion of the bill is not available as this is being written, but essentially it calls for CCC loans on cotton to expire 10 months from the first day of the month in which producers pledge it to the loan, with CCC absorbing carrying charges for up to 60 days between harvest and the loan commitment. Previously all loans expired on July 31 without regard to the time they were made.

A study of the cotton section of the bill, according to PCG Executive Vice President Donald Johnson, reveals no clear victory for anyone. The Administration successfully imposed its will on Congress and American agriculture in the matter of a "set - aside" program to replace the marketing quota, commodity - by - commodity acreage control system that has dominated government farm programs since 1938. Cotton producers, generally, were opposed to this feature.

The Secretary started out pumping for a base cotton allotment, on which payments would be made, of around 10.7 million acres. But the "paying base" was finally set for 1971 at 11.5 million acres. The new law does, however, give the Secretary authority under certain conditions to adjust that base figure in 1972 and 1973.

The other PCG - sponsored feature, if preliminary reports are true, will add at least \$10 million to funds currently available for cotton market development in each of the three years of the program and thereafter until Congress repeals the law.

The acreage on which payments will be made in 1971 will be up about 3.5 per cent from the 11.15 million acres of 1970 and almost 10 per cent from the 10.5 million acres on which payments were made from 1965 through 1969.

There is language that would permit the Secretary in 1972 and 1973 to put up to \$20 million more into the marketing effort, but the conditions under which this would happen have not yet been made clear.

Producers, on the other hand, were able to protect their income prospects by denying early administration demands for wide latitude in fixing price support payments, loan levels and set - aside requirements.

Also, according to Johnson, the legislation as it comes from Committee contains two provisions which originated with Plains Cotton Growers, Inc. and on which the organization has

"It would not be wise to attempt a complete analysis of the farm bill until we have a copy of the Committee report," Johnson said, "but all in all we are reasonably well pleased with the outcome of this year's legislative effort. We got some things into the bill that were badly needed, and we were able to avoid some proposals that would have been highly unfavorable to the cotton industry and to High Plains producers in particular."

worked hard for the past two years. One, an "anniversary date loan," Johnson said will give High Plains farmers up to a full year in which to market their crops before CCC loans are called instead of five to eight months as in the past.

The exact wording in this sec-

The Administration had called for a non - recourse loan on cotton that could be set anywhere from zero to 90 per cent of the average world market price, as estimated by the Secretary. But the cotton program, as reported by the Committee, calls for a loan level at 90 per cent of the previous two - year actual world market average, period.

The Secretary wanted a price support payment system that would reduce the amount of producer payments as market prices advanced. He failed on that point also. The cotton price support payment minimum is fixed at 15 cents per pound,

CADET OF MONTH-- Mario Avila, Junior ROTC battalion commander at Slaton High School, has been named "Cadet of the Month" for September. The selection is made by a board composed of ROTC and school officials and teachers. Col. Cliff Bowen, high school ROTC commander, made the announcement.

Pigs Not New on this planet 39 million years before man came on the scene. Primitive man began to adopt the wild hog to his needs between 7000 and 3000 B.C.

Region Hog Production Taking Upward Swing

Hog and pig numbers in the 10 states which produce more than three - fourths of the nation's total were up on September 1 by an estimated 13 per cent. And, says Ed Uvacek, Extension livestock marketing specialist, what happens in these 10 states is extremely important to any analysis of the pork situation.

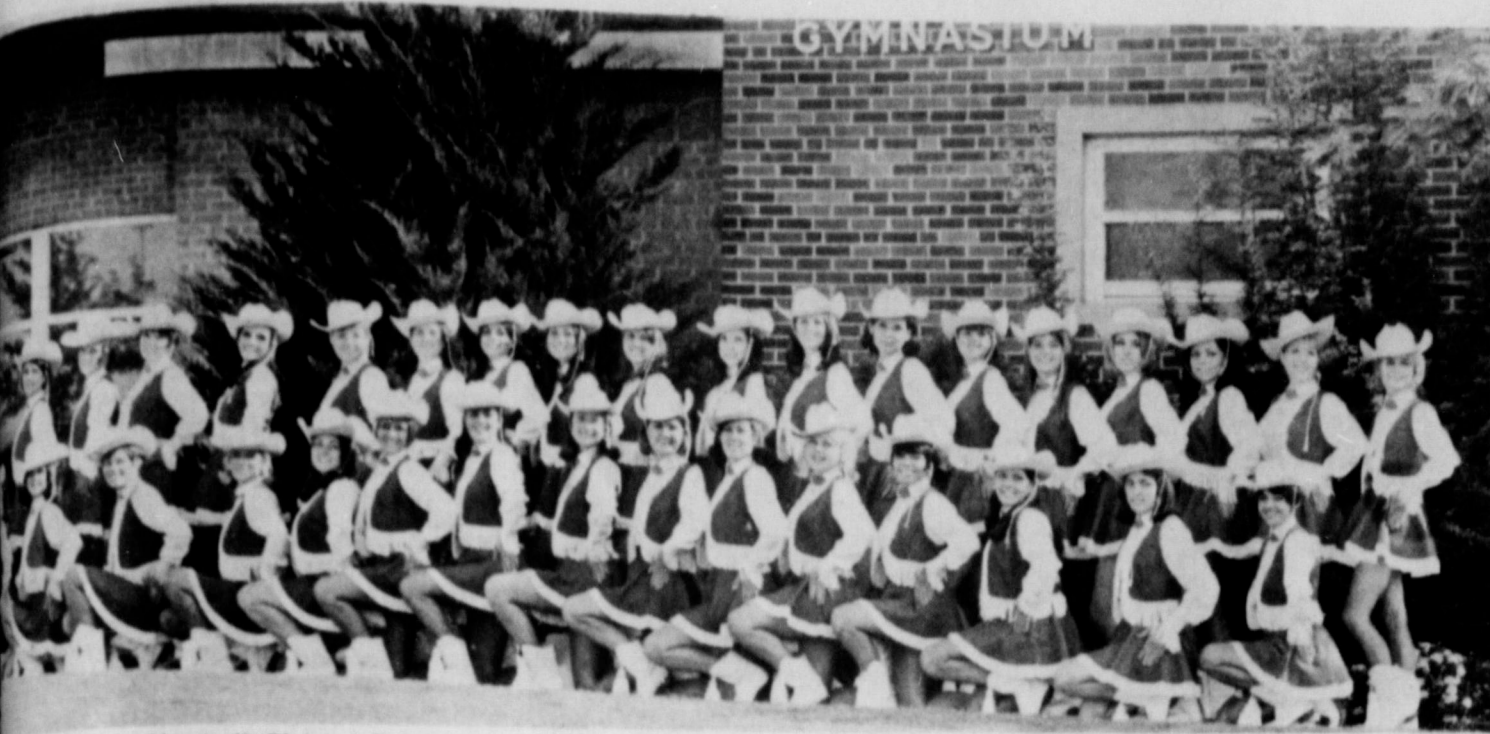

Uvacek noted that farmers in all 10 states expect to increase September - November farrowing by about 13 per cent. The increase ranges from 7 per cent in Indiana to 25 percent in Nebraska.

He says the latest Texas Crop and Livestock Reporting Service report shows that the 10 Corn Belt states had an estimated 51 million hogs and pigs on farms as of September 1, 13 per cent more than a year ago.

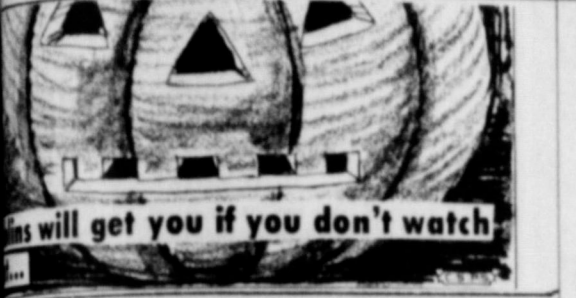

Intended farrowings in the December 1970 - February 1971 period were reported to be up 6 per cent from year earlier levels. Wisconsin expects a 3 per cent drop, Indiana expects no change from a year ago but all other states expect increases led by Nebraska's 19 per cent increase. Ohio farmers expect to increase their farrowings for the period by only 2 per cent.

The June - August pig crop was reported at 18 million, up 14 per cent from the same period in 1969. A total of 2.5 million sows were farrowed during the period, 17 per cent more than the year before. The litter size was down slightly from an average of 7.35 pigs in 1969 to 7.18 in 1970.

Uvacek said the corn blight and disease situation in the corn belt in addition to the increased hog production in the area will certainly dampen the spirits of hog producers this winter and in early months of 1971.

APPEAR HERE--The South Plains College women's drill team, the TEX-ANN'S, will participate in the Veterans Day parade here on Nov. 11. The group is pictured above. There will also be a number of floats, bands and other entries in the parade. Major Gen. Ross Ayers, Adjutant General of Texas, will be the principal speaker.

Why Preston Smith ?

Preston Smith believes in working hard. For you. And that's why he's doing such a good job as Governor of Texas. When Preston Smith entered public service, he didn't start by asking Texans to elect him Governor. That would have been foolish, because being Governor carries great responsibilities. And it demands the clear, steady judgement that comes only from experience. Preston Smith had the good common sense to work his way up—gaining insight into how our state government functions. He served six years each—as State Representative . . . as State Senator . . . and as Lieutenant Governor. Only then, when he felt fully qualified, did he seek the Office of Governor. Now, after two years he has expanded the duties of the Governor's Office to better serve all the people of our State. Yes, Preston Smith believes in hard work. For 20 years, he's been working for Texas—doing a good job. You can help keep him as Governor. Vote. Vote for Preston Smith on Tuesday, Nov. 3.

Preston Smith
is doing a good job. Let's keep him working for Texas.

Area Shows Big Growth Since

The West Texas area showed a population increase of 6% from 1960 to 1970, according to a study released by the West Texas Chamber of Commerce this week. Figures are based upon preliminary census figures and will change slightly when final figures are released by the Census Bureau.
Retail sales also showed a substantial gain of 58% and bank deposits were up 86%, according to F. V. Wallace of Amarillo, president of the regional organization.
The report compares population growth or loss with the economic trends for each of the 132 counties in the West Texas area. Chamber officials explained that a large percentage of the increase and bank deposits contributed to inflation factors there are still increases of 13% and 44% increases in deposits.
The report for DeWitt County shows a 14% increase in population between 1960 and 1970. During the same period, deposits in the county increased 72% and retail sales up 55%.
The eastern Texas, east of Odessa, showed a 14% increase in population and other areas showed increases in population and other factors.

Rogers, with his 33-yard scoring run, wound up as Slaton's top rusher with 66 yards on 8 carries. Fondy got 35 yards in 10 carries, while Ledesma registered 46 steps on just three trips. Mosser was 1 of 4 on the firing line, while Eastman wound up with 4 of 11. Fondy and Rogers had two catches each to lead the receivers. Fondy had a fine 37.6 punting average on five kicks--including 49 and 48-yarders.

little action in the past four or five games.

Taboka has been a tough foe for 4-AA teams this season, and the Bulldogs have won two in a row after losing to Frenship and Denver City. The Bulldogs rolled over Post last week by 32-14, after Slaton escaped with only a 13-6 decision over the Antelopes.

Taboka downed Idalou by 18-6, and lost to Frenship (19-8) and Denver City (24-7) after giving them both a hard battle. Davis said scouting reports indicate the Bulldogs are not big, but are quick and hard-hitting. Robert Montemayor, 160-pound senior halfback, and Cliff Gardner, 170-pound senior quarterback, spark the Bulldog attack. Montemayor has been a two-way starter for four years and was all-district linebacker last season. Gardner passed for three touchdowns and ran for another against Post last week.

Taboka is 4-3 on the season and 2-2 in district action. The Bulldogs beat Stanton (14-7) and Crosbyton (19-8) early in the season before bowing to a strong Olton team, 21-14.

Slaton is 2-1-1 in district play and tied with Frenship for second place in the standings behind Denver City. The SHS Tigers are 3-2-2 on the season. With last week's 24-point production, the Tigers have now scored 92 points this season to 83 for their opponents.

The Tigers have just three games remaining on the season, going to Ralls next week and closing out at home on Nov. 13 against the Roosevelt Eagles.

block from Self then followed a wall of blockers down the sideline for the touchdown.

After an exchange of punts, Fondy almost went the distance again. He took in a 41-yard punt on his own 36 and made it to the Idalou 30 before being downed. Three plays got nine yards, then Sanders kicked the long 37-yard field goal with only 7 seconds left in the period.

Early in the third period, Lahmael Ledesma recovered a Wildcat fumble on the Slaton 47. Slaton went the distance in six plays, overcoming a couple of 5-yard penalties in the process. Eastman hit Fondy down the middle with a key 13-yard toss, with Fondy making a fine catch as an Idalou tackler pulled him down.

From the Idalou 33, Rogers took a handoff and slanted off right tackle, then moved to the outside and shook off one would-be tackler enroute to a touchdown.

Tragedy Mars Freshman Game

A freshman football game here last Thursday night was marred by an injury to Slaton fullback Steve Bourn, who remained in critical condition for several days before dying Tuesday morning.

The Slaton and Idalou freshmen football teams had battled to a close 13-8 contest with Idalou winning the game. The Slaton team, seeking its first triumph of the season, led by 8-7 before Idalou scored with 4 seconds left in the game.

Bourn was injured as the final period started. He had previously ran for a two-point conversion after Slaton scored first in the contest, and played as a linebacker on defense.

Slaton's score came on a 55-yard run-and-pass play from J. Ray Basinger to Ray L. Basinger in the second quarter. Idalou scored with five seconds left in the first half to cut the margin to 8-7.

The Slaton freshmen were scheduled to play at Tahoka Thursday afternoon, but the game was cancelled.

Tiger JV Downs Levelland, 29-10

Slaton's Junior Varsity Tigers scored a 29-10 victory over a tough Levelland JV squad here last Thursday, notching their fourth straight victory after a loss and a tie.

The Tiger JV took a 20-10 lead in the first half, and the defense held Levelland without a first down in the last two quarters.

Ron Bartley scored twice for Slaton, and quarterback Steve Nieman tallied once and hit end Brad Lamb with a 59-yard scoring pass. Each team scored a safety on bad snaps to punters in the end zone.

Slaton's scheduled game with the Lubbock Coronado sophomores here this evening has been cancelled.

In the game last week, Bartley returned the opening kickoff 79 yards before being hauled down on the Levelland 14. It took only three plays to punch it across, with Bartley going over from 9 yards out. The extra-point try failed.

Midway of the first period, Slaton was set to punt from its own 15, but the snap was high to kicker Lloyd Kitten and he was downed for a two-point safety. On the last play of the first period, however, Nieman connected with Lamb--who got behind a Lobo halfback and raced the remaining distance on a 59-yard play. Bartley ran for 2 points and a 14-2 lead.

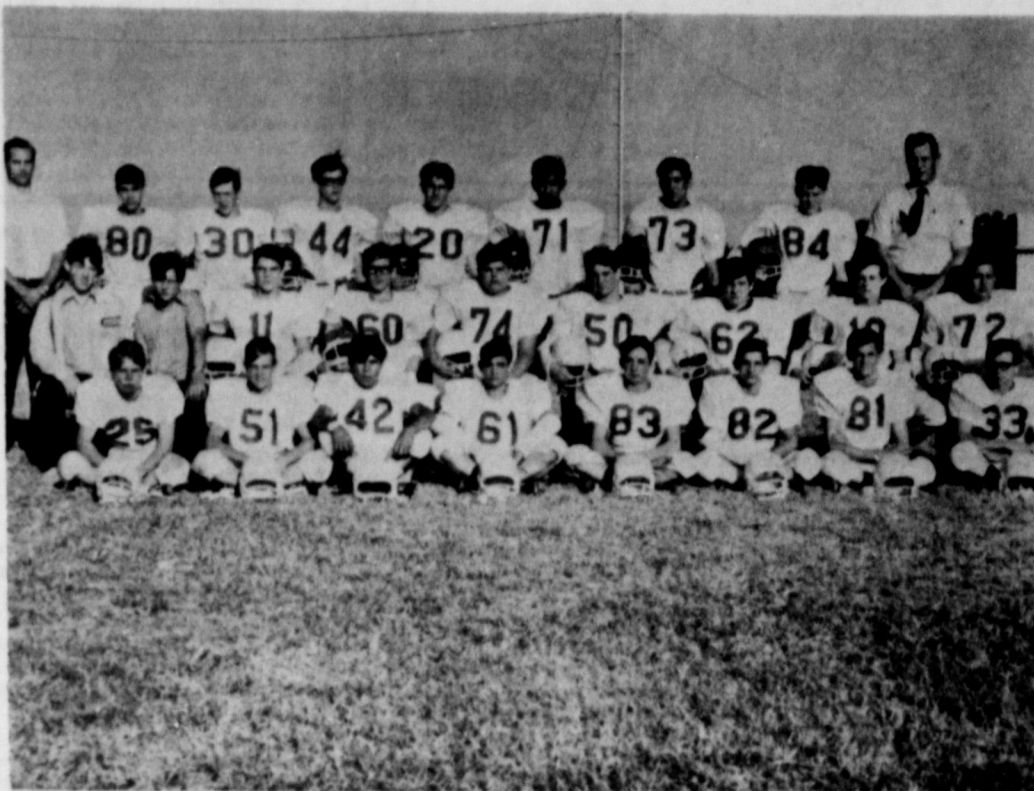

A short time later, Tommy Taylor and Dwayne Bukemper forced a fumble on the Lobo 30 and Slaton recovered. It took nine plays to cover the distance with Bartley ramming over from the 2.

Levelland put together a long drive before halftime, climaxing it with a touchdown pass covering 14 yards. The Lobos had 6 first downs in the game, and 5 came on this scoring drive. The big Lobo fullback rammed for two points, and the

Idalou moved the ball eight yards, then lost 11 and Mike Speer claimed another wildcat fumble at the Idalou 29.

Ledesma got 5 yards but Eastman missed on three passes and Idalou took over again. The Wildcats almost scored when quarterback Ken Isom hit Tommy Snodgrass with a short pass and he lateraled off to Johnny Jones. The fleet Idalou fullback was caught by Rogers at the Slaton 23 after a 48-yard gain. Dub Simmons intercepted a pass at the goal line moments later, however, and returned to the Tiger 29.

Brad Winchester, Ledesma, Davis and Walters headed up the tough Tiger defense up front, while Glen Akin, Ted Dixon and Self were standouts behind

ROOSEVELT SCORES 45-22 UPSET

Jackson, Viney Lead Eagles Past Frenship

Quarterback Don Jackson hit end Steve Viney with three touchdown passes, and Viney intercepted a pass and returned it for a score to lead the Roosevelt Eagles to a surprising 45-22 upset of the Frenship Tigers Friday night in a 4-AA contest.

It was the first loss of the season for Frenship, defending district champs who had been tied by Slaton earlier. Frenship is now 2-1-1 in league action and Roosevelt is 2-2. The Eagles are 5-2 on the season.

Roosevelt will host the tough Ralls Jackrabbits this Friday, while Frenship takes on the league-leading Denver City Mustangs.

Frenship jumped to a 14-0 lead to the delight of homecoming fans at Wolforth Friday night, but Jackson hit Viney on a 52-yard scoring play to cut the margin to 14-7 at halftime.

Roosevelt took the lead in the third period when Jackson and Viney hooked up again on a 25-yard scoring play. Jackson ran for two points to give the Eagles a 15-14 edge. Frenship rallied, however, as Silvester Gaston intercepted a Jackson

pass and dashed 45 yards. A two-point conversion gave Frenship the lead again at 22-15.

Jackson made up for the interception, however, coming right back with another scoring pass to Viney--this one for 32 yards. Jackson passed to Ricky Daniel for two points and a close 23-22 lead for the Eagles.

Roosevelt tallied three quick scores in the fourth period to put the game out of reach for the Tigers. Jackson crashed over

from the 1-yard line and also ran for two points as the Eagles went ahead by 31-22. Then Viney tallied his fourth touchdown of the night, intercepting a Morris pass and running 40 yards for paydirt. John Brown kicked his second extra point of the night, and it was 38-22. Roosevelt's final score when an Eagle pounced on a Frenship fumble that rolled back into the end zone. Brown kicked the point again, tacking on the 45th point.

Homecoming Parade At Wilson

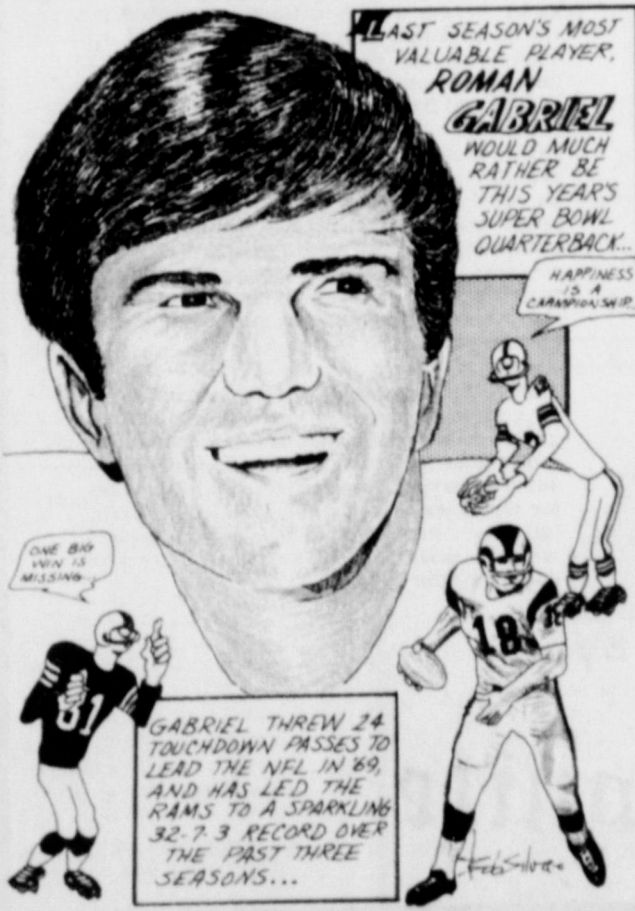

Wilson's Homecoming activities will begin next Thursday with a Parade, at 8 p.m., featuring floats representing each high school class, and some of the local organizations. The junior high and high school bands will march in the parade.

A pep rally and bonfire will follow immediately after the parade.

Homecoming Queen candidates are Mary Koslan, Beverly Rackler and Nan Steen. The Queen will be crowned in pre-

game activities at 7:15. The Pep-Squad Beau will also be announced at that time. Game time is 7:30.

The Lions Club will hold a pancake supper Friday from 5 to 7 p.m. in the high school cafeteria, and ex-students will begin registration there at 6 p.m. A coffee and business meeting for the exes will follow the football game. The classes of 1944, 1945 and 1946 will be honored.

US Chamber Of Commerce Cites Dollar Decline

A current reply to the question, "where does the money go?" can be answered, to every one's misfortune, "down the inflation drain, and at faster speeds," says the Chamber of Commerce of the United States.

For example, if you are one of the thousands of Americans investing in either a savings account or life insurance, you were also one of those who suffered losses totaling \$60 billion last year in the value of

these two investments, all because of inflation.

While many factors contribute to the dollar's erosion, our own national government must take the primary blame for adding fuel to inflationary fires with its continuing excessive spending, and the resulting budget deficits.

In just over two years, the value of the dollar has declined 11 per cent. This can be traced

to the enormous \$25 billion deficit incurred by the Federal Government for the 1968 fiscal year.

Deficits in the federal budget for the two fiscal years since then have also helped perpetuate the needless decline in the purchasing power of the dollar, and prospects for the current year are for a continuation of the same old federal red ink.

editorially speaking Hospitals Threatened

THERE ARE 80 Texas hospitals who have had their doors closed and another 140 who have been threatened by the majesty of the federal government for not complying with the regulations set up by the Health, Education and Welfare officials.

At a time when medical care is more desperately needed than ever before, this sounds unbelievable, but it's true.

THREE HEW requirements have hit hard at small hospitals, which are the ones that have had to close down.

These are (1) Requirement for a Registered Nurse to be on duty 24 hours a day; (2) Specific types of fire sprinkler systems must be installed; (3) Autopsies must be performed on 20 per cent of those who die in each hospital.

THESE REGULATIONS were put into effect, we suppose, by the bureaucrats trying to do a good job in protecting the health of the American public.

Whether or not it is possible, or impossible, to hire sufficient trained registered nurses seems to be of no concern to the HEW when considering the plight of the small hospital.

IT WOULD APPEAR that it is better to serve a community with a hospital that is open, staffed by doctors and some RN's, than one that is closed.

The sprinkler system requirement is fine, but certainly should not be mandatory in a building equipped with fire extinguishers and fire prevention methods as most of them do.

AUTOPSIES may be desirable, but should they be mandatory in order for a hospital to stay open? Legislation has been introduced in Congress by Senators Tower and Yarborough of Texas, along with several Representatives to make some common sense changes in these regulations.

AT A TIME when the country needs hospitals, large and small, it makes no sense to close hospitals down by HEW edict.

PROPOSED AMENDMENTS TO THE TEXAS CONSTITUTION

NO. 1 ON THE BALLOT: The constitutional amendment relating to the removal, retirement, or censure of Justices, Judges, and Justices of Peace under prescribed circumstances.

The State Judicial Qualifications Commission consists of nine members; two Justices of the Court of Civil Appeals and two District Judges chosen by the Texas Supreme Court, two lawyers chosen by the Board of Directors of the State Bar, and three citizens appointed by the governor, all with the advice and consent of the Senate.

This amendment to Article V, Section 1-a, of the Texas Constitution would add county judges, city judges, and justices of the peace to the law. It would give the Commission and the Supreme Court the choice of private reprimand or public censure in addition to the power of removal or forced retirement. It would provide for due process of law for all accused judges.

FOR: The same rules should apply to all judges. A reprimand would be more suitable in some cases of judicial misconduct than outright removal or forced retirement.

AGAINST: Most judges are elected by the people, and should be removed only at the polls by the people who elected them.

NO. 2 ON THE BALLOT: Repeal of the prohibition against open saloons found in Section 20, Article XVI, of the Constitution of the State of Texas.

This proposed amendment would take out of the constitution the law against open saloons. It would give to the Legislature the power to make new laws regulating the sale of mixed alcoholic drinks. It would require that a local election be held and that the voters give their approval before mixed drinks could be sold in their community. The Legislature now has and would keep the power to regulate the manufacture, sale, possession, and transportation of intoxicating liquors, and it would also keep the power it now has to pass a law giving the State of Texas the right to be the only seller of distilled liquors.

FOR: The proposed amendment would not force mixed drinks on any locality. The people in each community would decide the issue for themselves.

AGAINST: If this amendment is passed, there could be an increase in such problems as broken homes, alcoholism, drunken driving, traffic deaths, and crime.

NO. 3 ON THE BALLOT: The constitutional amendment to authorize the Legislature to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops.

This proposed amendment would take the place of the present Section 1-c, Article VIII, on taxation of agricultural land. The basic idea would be the same, to give tax relief to farmers and ranchers. It would restrict the basis of tax assessment to the ability of the land to produce trees, crops, and cattle, and ignore the land's market value. It would take out of the constitution the rules for deciding what land is eligible for this tax benefit and give to the Legislature the power to make up new rules. It would also take out of the constitution the restriction limiting the special tax assessment to land in actual agricultural use by individuals who

are full-time ranchers and farmers, thereby giving the special tax benefit to corporations and part-time ranchers and farmers as well.

FOR: Farmers and ranchers urgently need tax relief. Ad valorem (land) taxes have become so high that many farmers and ranchers are barely making a living. Agricultural land should not be taxed at the same rate as residential or industrial land, but only on its ability to produce income.

AGAINST: Land taxes are the only source of income for most local governments, and, until some other way is provided for them to get the money they need, the tax burden should be carried equally by everyone. This amendment would give big companies a chance to hold land at low tax cost until they could sell it for a big profit to industry or real estate developers.

NO. 4 ON THE BALLOT: The constitutional amendment reconstituting the State Building Commission as a three-member appointive commission.

The State Building Commission makes contracts to acquire or dispose of property, and to modernize, remodel, build, and equip buildings for state purposes. The governor, the attorney general, and the chairman of the State Board of Control are the present members of the State Building Commission, in addition to their other duties.

This amendment to Article III, Section 51-b (a), would replace the present membership of the State Building Commission with three people who would be appointed by the governor with the approval of the Senate. Their terms of office would be six years on a staggered basis, and biennially the governor would designate one member as chairman. There is no provision for removing them from office before their terms expire.

FOR: The governor, attorney general, and chairman of the Board of Control are too busy to consider all the details involved in the duties of the State Building Commission. An appointed commission could be more efficient. Building construction for the state should be planned and conducted by people who have training and experience in the field and who have no other responsibility.

AGAINST: This proposed amendment seems to continue the pattern of no control or removal power over appointed commissions. Where there is such a large amount of public money involved, six years is too long a term without such control. An appointed commissioner would not be as responsive to the feelings of the people as are the two elected officials of the present membership.

NO. 5 ON THE BALLOT: The constitutional amendment authorizing any county, on the vote of a majority of its qualified property taxpaying electors, to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real property in the county.

Counties now may issue bonds for road construction, drainage, navigation, irrigation and flood control if two-thirds of those voting are in favor. The amount of bonds issued for all of these purposes together must not be more than one-fourth of the value of real property on the county tax rolls.

Dallas County is an exception, because of a constitutional amendment passed in November 1968. Dallas County can issue road bonds with a simple majority vote, and the amount of bonds they can issue does not include bonds issued for drainage, navigation, irrigation and flood control.

This proposed amendment to Article III, Section 52, would give every county the same right to issue road bonds that Dallas County has.

FOR: Fast-growing counties need safer roads and it is not fair for one-third of the people to prevent a majority from having them. It is also unfair to the rest of the taxpayers in the state if the Legislature has to take time to pass special legislation, or if all voters of the state have to amend the constitution, so that one county can have the roads it needs.

AGAINST: This proposed amendment would make it too easy to pass bond issues, since the proportion of votes needed to approve them would be less. The higher debt limit could result in a heavy tax burden.

NO. 6 ON THE BALLOT: The constitutional amendment increasing the value of the homestead which is exempt from forced sale.

The Texas Constitution provides that land used for a family home and land used for the business of the head of the family are each protected from forced sale for the payment of all debts except for money owed for the land itself, improvements thereon, or taxes due thereon. If the land is in a city, the value of the land which is exempt from forced sale may not exceed \$5,000 at the time it is named a homestead. This proposed amendment to Section 51, Article XVI, would merely raise the maximum value of the land exempt from forced sale to \$10,000 at the time it is named a homestead.

FOR: The purpose of the present constitutional provision is to preserve and protect the family home and means of family support. In 1876, when the present maximum was written into the constitution, \$5,000 was of much greater value than it is today. Continued inflation and rising real estate prices make the amount of \$10,000 a more realistic maximum than \$5,000.

AGAINST: Some people use the exemption from forced sale to keep from paying debts they owe. Raising the limit would permit them to increase the amount of debt they could avoid paying.

NO. 7 ON THE BALLOT: The constitutional amendment authorizing the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county.

This proposed amendment to Article III, Section 64 (a), would give the Legislature the power to pass special laws to permit any county and/or other local governments in any county to combine their offices and services if a majority of the voters in each local government so approved. It would also allow any county or local government within it to contract with one another for services under terms and conditions prescribed by the Legislature. Harris, Tarrant, and El Paso counties now have these privileges because of constitutional amendments passed in 1966 and 1968.

FOR: Passage of this amendment would permit the Legislature to adopt laws which, on the level of local government, could improve efficiency and could save money by preventing the overlapping and duplication of services, such as police protection and garbage disposal. Better overall planning to meet the demands of a growing population would also be possible.

AGAINST: Adoption of this amendment could be a first step toward overcentralization of government at the county level. It could make it possible for rural citizens to have to assume a heavy tax burden to provide services for the cities. It could result in local elected officials contracting away their responsibilities, thus making them less subject to control by the voters.

Fouling The Nest

ENVIRONMENTAL POLLUTION is a people problem, as well as an industrial problem.

While we demand that industry do something about polluting air and water, we should go a step farther and crack down on the individual polluters that number in the tens of millions.

THE NATIONAL ACADEMY of sciences in cooperation with the highway departments of 29 pollution as they profess to be.

Each month, American motorists drop an average of 1,304 pieces of trash on every mile of the nation's vast network of primary highways--

nearly 16,000 pieces per mile each year.

Paper items accounted for 59 per cent of total roadside litter. The rest was tabulated at 16 per cent cans, 6 per cent plastic items, 6 per cent bottles and jars, and 13 per cent miscellaneous.

THE LARGE MISCELLANEOUS grouping included tires, lumber and a variety of unclassified items ranging from hair curlers, underwear and false teeth to ice chests and washing machines.

This is the work of a public that, judging by press accounts, is calling for instant solutions to all of our environmental problems.

VOTE REPUBLICAN

Slaton Division of Lubbock Republican Party, Joe Greenlee, Chairman

LETTERS to EDITOR

Dear Sir:
I would like to give some reasons why we should vote against liquor by the drink (or any form) in the coming Nov. 3rd election.

First, alcohol is destructive to the brain structure, and is a habit-forming narcotic drug. My observation is that men and women have enough trouble in life without hunting for it. Alcohol, by causing functional disorders or organic changes, lays the driver liable to the attack of disease when his powers of resistance are weakened.

Men of great experience in the commercial and industrial world tell me a person is more likely to fail in life after contracting the habit of drinking alcoholic liquors. I know the drink traffic has, through the ages, been one of the greatest problems of the human race. By refusing to be a party to this traffic, I am lodging my personal protest against this great enemy of my fellowman. I do not like to be fooled, and alcohol is the great "mockery" of the age. I have a slight but real resentment against the present attempt to drink as a social compulsion. This gives me a real pleasure to say so when I am offered an alcoholic beverage. I have a right to be different if I want to be.

Alcohol has no place in our mechanistic civilization. It makes the automobile driver an unsafe driver, the mechanic liable to serious accidents, the man of great responsibilities unequal to his tasks.

An abstainer helps make his city a safer place in which to

live. An intoxicated person today, as always, is a menace. The church is against drink and drink is against the church and my church deserves my loyalty in its conflict with this great evil.

Mrs. W. W. Clark
Slaton, Tex.

Your Health

The total amount spent for health care in the United States has increased approximately four times since 1950.

TAX MAN SAM SEZ:

It is a pretty good idea to sit down now, before the end of the year, and figure out whether your income tax withholding is going to cover you on April 15.

The good tax folks say that most taxpayers prefer for the government to owe them, rather than take any chances on having to pay extra. Many families are faced with a real tragedy when they find that both Mom and Dad claimed the same dependent on their Form W-4.

On the other hand, it is not too late to cut down the excess refund by reducing your withholding now. If you have

had a major increase in your itemized deductions, if you have already had a hurricane or tornado loss, paid for a major medical expense, or paid an unusually large contribution to your church, you may want to reduce your withholding by seeing your payroll clerk and getting a Form W-4 Schedule A.

When the mailman brings your income tax Form 1040 early next January, it won't really help any to holler "Why does Internal Revenue keep changing the thing?" The answer on why is actually a simple one.

You, the taxpayers, want Congress to change the law to

make it more equitable and possibly to ease your personal tax burden just a little. The good tax folks have to change the form so it will comply with the law.

They also try to change the form to cut down taxpayer misunderstanding of instructions on some particular item on the tax form. It is pretty obvious that Internal Revenue can't make a simple Form 1040 because the tax law is just too complex.

Instead of hollering you might as well start to dig into those fine new tax instructions. Reading the instructions always makes the Form 1040 look a whole lot simpler.

CANDIED APPLES make a real good treat for the little callers-- so why not get real energetic and be the most popular house in the neighborhood on Halloween.

CANDIED APPLES

10 to 15 medium apples
3 cups sugar
1/4 teaspoon cream or tartar
2/3 cups water
1 teaspoon lemon juice
15 cloves

1 to 2 teaspoons red food coloring
Stick skewers into stem end of apples. Combine sugar, cream of tartar, water, lemon juice and cloves in a heavy saucepan; stir over heat until

sugar dissolves. Add coloring. Boil, without stirring, to hard-crack stage. Remove from heat; skim out cloves. Twist apples in syrup quickly; place on buttered cookie sheet. Serve same day as prepared. Yield: 15 servings.

A Tribute to Steve

"Everything was always 100 per cent with him. It was shown not only in his athletic ability, but also in his outstanding scholastic achievements," commented Jackie Stewart, freshman coach at SHS, upon hearing about Steve Bourn's death.

Steve, defensive linebacker, was injured on the last play of the third quarter in a head-on tackle during the Slaton-Idalou football game Thursday night.

Steve, a quiet, reserved student, was always willing to help his classmates. He never seemed to have any disagreements with anyone. Steve held an outstanding scholastic and athletic record during his junior high years.

In addition to being valedictorian of his eighth grade class, he participated in football, basketball, and track. He spent his summers playing baseball.

Steve, the 14-year-old son of Mr. and Mrs. Tim Bourn, was born Nov. 5, 1955, in Slaton. He was the outstanding athlete of the Freshmen Squad, and his ambition after graduating from high school was to go into coaching or science. Steve's parents and two younger brothers - Timmy 10, and Gary 7 - reside at 1440 West Lynn, in Slaton.

Although he was a Slaton High School Tiger only a short time, Steve was loved and admired by all students. This issue of the "Tiger's Cage" is dedicated in his memory.

WILL NAME 'FLAME' WINNERS
Bonfire Slated

The SHS "homecoming bonfire" -- postponed twice -- is now scheduled for Thursday night.

The bonfire will be held near Tiger Stadium at 7:30 p.m., with the Mr. and Miss Flame titles going to the class that has the most merits.

The bonfire was cancelled this week due to the tragic death of Steve Bourn. It was rained out during Homecoming week.

Candidates are: seniors -- Gloria Silva and Ted Dixon, juniors -- Eugenia Sokora and Dennis Hamer, sophomores --

Cindy Locke and Jerry Hopper, and freshmen -- Angela Kitten and Greg Sokora.

This year the bonfire will be worked on a different basis. Each class will be given one merit for a pickup load and 30 merits for a cotton trailer load. Each time someone is caught doing something destructive or stealing boxes, four merits will be taken away. Students will bring their boxes to the football field and merits will be taken away. There will be one big bonfire. Mr. and Miss Flame will light the fire.

What's Halloween ?

Beware! Saturday is Halloween when goblins, witches, ghosts, and all sorts of pranksters come out. If you don't treat them, they are sure to trick you for not doing so.

Long ago, Halloween was considered a day when all spirits, good and evil alike, roamed the earth. It was also the last day on the Celtic calendar, when sorcerers and sorceresses went about predicting the happenings of the following year. And it was a celebration for the harvest festival from which Nutcracking Night and bobbing for apples originated.

Black cats were burned alive by the Druids, in the belief that they were witches in another form.

Halloween is the Allhallows Eve preceding the All Saint's Day which was observed in medieval times. Members of the churches which were too poor to display relics of the saints, would dress up, representing the saints; hence where the American custom of masquerading on Halloween is thought to have been drawn from.

The Irish believe that any mischievous happenings which occur on Halloween can be attributed to goblins and witches. No matter how many of these beliefs we don't believe in, it always seems that Oct. 31 is

a very eerie, thrilling and spine-tingling night, when we all try to stay away from dark alleys and graveyards!

So when you see all the little spooks and big mischievous pranksters out everywhere Saturday night, remember to just stay out of their way and treat them so you won't get tricked!

General Visits
ROTC Unit Here

Maj. Gen. J. R. Russ, Deputy Commanding General for Reserve Forces, Fourth U.S. Army, came to Slaton on Oct. 21 to inspect the ROTC program.

Maj. Gen. Russ arrived at 3 p.m. after his plane was delayed. While in Slaton, Maj. Gen. Russ met Battalion Commander Mario Avila and his staff.

He was very pleased with the ROTC staff and the work that has been done to promote the ROTC program.

Cast Selected
For Junior Play

Try-outs for the Junior Class play were held Thursday, Oct. 15. About 50 juniors showed up to support their play.

Leads in "Rest Assured" were given to Randy Barkley as Luigi Lanconi; Dru Ann Beard, Mrs. Morlock; and Tony Buxkemper, Mr. Morlock.

Other cast members include Patsy Gamble, Gloria Gass, Cynthia Akin, D'Ann Carnes, Tommy Walters, Brad Winchester, Glenna Jones, Darrell Eastman, Tommy Taylor, Tomi Longtin, Jesse Flores, and Susan Green. The play is to be held on Nov. 19.

The three-act play is an hilarious comedy in which Mr. Morlock and Mrs. Lanconi start a feud which puts the Hatfield-McCoy fracas to shame.

Price of the tickets will be announced later. All juniors will sell tickets. A meeting for the committees will be held later. Director of the play is Mrs. Linda Semetko. Sponsors of the Junior Class are Mrs. Saleta Duff, Mrs. Velma Figley, and Coach Kenneth Housden.

Talent Show Held

Slaton High Mixed Choir, directed by Mrs. Jo Ann Joiner, sponsored a talent show Monday, Oct. 19, beginning at 7:30 and continuing for about two hours.

The talent show featured dancing and singing groups or solos from around the Slaton area. The contest was divided into three main grade levels: 7-8 grades, 8-10 grades, and 11-12 grades. The contest was judged by Larry Whiteside, Chris Collier, and Tom Casey.

Winners of the 7th and 8th grade competition were Dorothy Smith, first place winner who sang "Leavin' on a Jet Plane"; Mary Ann Smith, second place winner who sang "Less of Me"; and Michael Taylor, third place winner who played the "Love Theme From Romeo and Juliet." Other entries for 7th and 8th grades included John David Moore and Carter Lankford, Gail Waters, Mary Lacy, and a group from Post.

In the 9th and 10th grade division, first place winners were Eileen Durham and Stephanie Drake, who sang "Come Saturday Morning" and "Hushabye." Second place winner was Marilyn Walker, who played a medley of songs, and Connie Johnson and Karen Fleming received third prize after singing "Sitting on the Dock of the Bay." Other entries included Julia Johnson, Eileen

Durham as soloist, and a group from Ralls called the "Brotherhood."

The last contestants in the show were the 11th and 12th grades. Joe Johnson, who sang "Some Girl I Used to Know" and "It's a Summer Day," won first prize. Glenna Jones played a medley of songs and won second, and a group from Post won third after singing "Leavin' on a Jet Plane" and the "House of the Rising Sun."

Other high school entries were Oledia Cox, Georgia Pettie, and Dora Johnson; Greg and Melanie Parks; and Petra Gipson, Elnora Moore, Joe Johnson, T.W. Whitfield, and Paul Freeman. The program was ended with a song by the Slaton High Mixed Choir with Georgia Pettie as the soloist.

Awards were presented to winners by disc jockeys from radio station KLBK in Lubbock. The first place winner in the 7-8 grade division received \$5; 9-10 grade division, \$10; and 11-12 grade division, \$15. Second and third place winners received ribbons.

Nov. 14 at Friendship is the date set for the all-area choir contest. The contest is under the direction of Bill Cormack, co-ordinator for Midland public schools. Other towns participating are Post, Denver City, and Friendship.

Numbers to be sung "en masse" are: "Rainsong," by Bright; "Wood" and "Basket," by Effinger; "Last Words of David," by Thompson; "Song Triumphant," by Roddy.

Rehearsals will be held in the morning and afternoon, with a performance that will be open to the public that night at 7 o'clock.

JANIS WEARS
GRID CROWN

Janice Buxkemper, an SHS senior, was crowned Homecoming Queen in pre-game ceremonies at Tiger Stadium Oct. 16 before Slaton's victory over Post.

As the band played, the candidates - Janice Buxkemper, Joy Boyd, and Glenna Smith - were escorted onto the field by Ted Dixon, Frank Self, and Alan Fondy, respectively. The flower girl, Missy Dillon, and the crown bearer, Ricky Housden, were escorted onto the field by Terry Mosser.

After her coronation, Janice and the other candidates were driven around the field in a convertible provided by Don Crow Chevrolet of Lubbock.

The Homecoming Queen is chosen by the Slaton Varsity football players.

Tigerettes Drill

The Slaton High School basketball girls are hard at work with practices everyday after school from 4 o'clock to 6 o'clock.

Tigerette Gorla Gass reports, "We are all working hard to get in shape so we can win District." The schedules this year can be found on the sports page of the Slatonite.

McClesky Speaks
To DECA Group

The second meeting of the year for the DECA organization was held Oct. 20 in the DE classroom of SHS. Presiding over the meeting was Leland Kuykendall, president.

The speaker for the evening was Supt. J. C. McClesky. Mr. McClesky talked to the club on how to reach out and get to the stars through distributive education work. He also told the club several humorous stories of his "home town." W. O. Harrell, teacher of DE, and 22 members were present. Refreshments were served after the meeting by Mr. Harrell.

DECA Sweetheart for the year will be Sandy Brush, a senior student at SHS. Other nominees for Sweetheart were Jane Webb and Carol Mosser. Sometime in the future the DECA organization plans to dine out at Lubbock.

Assembly Cancelled

Due to an accident "This Atomic World" assembly has been canceled. The demonstrator was involved in a serious automobile accident and is in the Plainview Hospital.

SHS to Support
Veterans Day
Parade in City

Sponsors for the annual Veteran's Day Parade, which will take place on Nov. 11, are the American Legion, VFW, and the Slaton Chamber of Commerce.

The parade will begin at 10 a.m. Wednesday and will last approximately one hour. The theme of the parade is "For God and Country." All area bands including the Slaton band, Lions clubs, and civic clubs have been invited to participate in the festivities.

Groups that will march in the parade are the Texans from Levelland, the Senoritas from Odessa College, the Army ROTC Counter-guerrilla Unit, and the SHS Band. The FHA will have a float in the parade.

Prizes for the floats are: first prize - \$150, second prize - \$100, and third prize - \$50.

After the parade, Major General Ross Ayers, adjutant general of Texas, will deliver a speech in the park in front of the American Legion Hall. Following the speech, a reception will be held honoring Major General Ayers in the American Legion Hall.

Coy Evans is chairman for Veteran's Day. H. M. Englund is chairman of the parade while Bill Ball is down town activities chairman. The reception chairman is O.G. Nieman.

Senior Play
Tryouts Set

Senior play tryouts for "The Beverly Hillbillies" will be held Nov. 2, 3, and 4 by Lt. Col. Clifford Bowen, this year's director. The cast will consist of nine boys and 12 girls. With three days, everyone interested will get a chance for his favorite character.

"It is going to be a fun type of thing; however, it will be done in a business manner," added Lt. Col. Bowen.

Lt. Col. Bowen qualifies well as director of the play as his experience shows. He was assistant-director of the Peterborough Players, of Peterborough, New Hampshire, and director of a Little Theater group in Lake Shapala, Mexico. He has been an executive - director of many well-known plays, one of which is "Mary, Mary."

There will be positions for everyone, as people are needed to fill these other positions: student director, assistant director, make-up, wardrobe, small effects, stage hands, stage director, and more which need to be filled.

The play will be presented sometime in March or April.

Assembly Cancelled

Due to an accident "This Atomic World" assembly has been canceled. The demonstrator was involved in a serious automobile accident and is in the Plainview Hospital.

FUMBLES & JUMBLES

By Dan Davis

29-10. Tonight they play Coronado and are expecting a very interesting game.

The Freshmen were upset by Post Freshmen 20-8. The lone score came when Gregg Sokora ran in an 80-yard screen, and Ray Lynn Basinger ran for the extra points.

The freshmen were defeated 13-8, by Idalou Oct. 22. Tonight they will play Tahoka at Tahoka, Good Luck Freshmen!

The Slaton Tigerettes have begun workouts after school everyday getting in shape for the upcoming basketball season. The other day a funny thing happened in practice. Sobedia DeLeon ran into Sue Brake; and when Sobedia got up, her eye lashes had all fallen out. So if you see her wearing sunglasses, this explains it all.

Tomorrow night the Tigers take on the Tahoka Bulldogs. Tahoka beat Post last week and will be eyeing another victory.

Tigers Top Post
At Homecoming

Friday night, Oct. 16th, Slaton Tigers, before a Homecoming crowd, defeated the Post Antelopes by the score of 13-6.

The game started at 7:30 and was greeted by an enthusiastic Homecoming crowd even though it was a rainy and cold night.

Slaton won the toss and elected to receive. Frank Self returned the kick-off to the Tiger 45 before being hauled down. But Slaton's offense could not move and had to punt.

Slaton got on the scoreboard with 2:01 left in the second quarter, but Allan Sanders' kick was no good. The Tigers had a 6-0 halftime advantage.

The second half was much the same as the first. The Tiger offense could not get going, but the Tiger defense held Post to only two first downs in the second half. Slaton started a drive and Donny Rodgers took it in to make it 12-0. Sanders' kick brought it up to 13-0.

Late in the fourth quarter, Slaton had the ball on their own 20, when Terry Mosser faked back to pass. The pass was intercepted at the Slaton 30-yard line and returned to the Tiger one-yard line. On the next play from scrimmage Ricky Hair took the hand-off and went into the end zone. The extra point try was no good and the score stood at 13-6. The Tigers again could not move the ball. They punted; and as the ball was in the air, the final seconds ticked off.

Cheerleaders
Honor Team

The SHS cheerleaders gave the Tiger football squad a luncheon at the Chaparral Restaurant Oct. 16. The meal was given in honor of the football boys, because of their Homecoming game that night.

The meal included: fried chicken, salad, French fried potatoes, and iced tea. Special guests present were Mr. and Mrs. J. C. McClesky, Mr. and Mrs. M. W. Kerr, Mr. and Mrs. Buford Duff, the coaches, and Pep Squad sponsor, Mrs. Auden Nowell.

Thursday night the cheerleaders gave a Coke party at Tiger Town. Everyone was welcome to the party.

Cotton Field Day

Hi there! With the beautiful weather here again, cotton harvesting is on the move again.

A Coker Cotton Field Day was held Friday at the Canyon Gin. Several farmers from this area attended. Approximately 50 were present. Mr. Robert R. Coker, president of the Coker's Pedigree Seed Company of Hartsville, S.C. was present for the occasion. Also present was a cotton buyer from Japan and a representative of Old Mexico, along with other representatives of the cotton industries. The group were served dinner at Van's Catering Service.

Rose Mary and Sharon Maeker, Roy Gorman spent the weekend with them.

SOUTHLAND NEWS

MRS. TOMMY

Pennell's Have New

Zoooooooooo! There went October! Here it is the last week in October, just 60 more days until Christmas! Unbelievable! We sure have been having nice weather here in Southland and hope it has been equally nice wherever you are.

Congratulations to Mr. and Mrs. Donnie Pennell on birth of their son, Don Matthew, on Oct. 20 at 2:34 a.m. in Methodist Hospital. The big boy weighed in at 8 lbs., 9 ozs. This is the Pennell's first child, and needless to say, they are mighty proud of him. May God continue to bless this family.

Mr. and Mrs. Larry McNeely and baby recently visited here with his mother, Mrs. Aubrey McNeely.

Recent visitors in the E. L. Anderson home were their grandson, Dan, of Shepherd A. F.B. in Ft. Worth and Mrs. Lola Brimberry, a sister, of Abilene.

Our deepest sympathies are extended to the family of Mrs. W. J. Kellum who passed from this life Oct. 24. She suffered a severe stroke on Thursday afternoon and never regained consciousness. Her funeral was held in the Southland Methodist Church on Monday, with burial in the Southland Cemetery. Rev. Charles Hastings officiated with Englund's Funeral Home in charge of arrangements. Mrs. Kellum is survived by her husband, Walter, one son, Carlos, of Big Spring and one daughter, Mrs. Walter Wilke, of Dimmitt, four grandchildren, two great-grandchildren and one sister. The Kellums lived in this community for many years and have many friends here. Mrs. Nellie Mathis of Salem, Oregon, and Pete Kellum, of Banning, California, were here for the funeral. They are sister and brother of Walter Kellum. May God comfort this family in their great sorrow.

Mr. Ed Denton left Mercy Hospital last week and is at home now. Mr. G. D. Ellis is still in Mercy Hospital and doing pretty good.

Mr. and Mrs. Boatman from Toyah, Texas, spent the weekend in Southland. Mr. and Mrs. James Mason spent Friday night in Brownfield visited with her sister, Mr. and Mrs. Monroe Rowden and family. They were accompanied by Joy Jean Basinger. They attended the ballgame between Wellman and Loop. The Rowden's daughter, Pam, is a peepsquad leader at Wellman. By the way, Wellman beat Loop, 26 to 8.

Mr. and Mrs. D. D. Pennell were in Mesquite last week and visited with Mr. and Mrs. Royall Pinnell. Mr. Pinnell is very ill. Mr. and Mrs. D. D. Pennell visited on Sunday afternoon with Mr. and Mrs. Don Harlan Pennell.

Week-end visitors of Mr. and Mrs. Carl Wartes were: Mr. and Mrs. Glen Hill, Alase and Stacia of Plainview; Mr. and Mrs. Charles Stahl, Rodney, Brenda and Michel of Wolforth; Mr. and Mrs. Delbert Wartes and Jackie of Post; Mrs. Connie Mitchell, Benny and Kristie of Ft. Stockton, and Mr. and Mrs. Sammy Wartes and Wendi of Albuquerque, New Mexico. Sammy and his family also visited with Mr. and Mrs. Herman Dillard of Post.

Youth Planning Clothing Drive

Youth from several Slaton churches will join together Sunday afternoon to gather coats and winter clothing for children from underprivileged families, it was announced this week by Rev. Bruce Parks, pastor of First United Methodist Church.

The youth will make a door-to-door canvass between 3 and 4 p.m. Sunday. Residents who have clothes are requested to place them on their porches, in a sack or box, and the youth can pick up the clothes without knocking on doors.

Items most needed are coats and warm clothes for the winter. If you have clothes and are missed in the canvass, call 828-6284 after 4 p.m. Sunday, and someone will come pick up your contribution of clothes.

Scouts Begin Ticket Sales

Ticket Sales for the 1970 Scout-O-Rama will begin on Saturday, Oct. 24 throughout the South Plains Boy Scout Council area. This year's big scout show will be held in five different locations on Nov. 14; Lubbock, Brownfield, Plainview, Levelland and Crosbyton, according to Ticket Sales Chairman Rodney Joy.

Tickets will sell for \$1.00 each and an entire family can visit anyone of the five shows on the one ticket.

Cub Scouts, Boy Scouts and Explorers whose units are participating in the Scout-O-Rama will be the only ticket salesmen. As a reward for their efforts, the boys will earn cash commissions for their units, plus personal prizes in the form of Scout-O-Rama tee shirts and Scout Wampum that can be spent like money in securing uniforms and equipment.

The top boy salesman in each of the seven districts, who sells at least \$75.00 worth of tickets, will earn a free trip to Dallas for himself and his dad to see the Dallas Cowboys and Houston Oilers football game on December 20.

Each community where boys sell tickets will have some mystery houses. The first boy who tries to sell a Scout-O-Rama ticket at one of these houses will receive a certificate that he can exchange at the Scout Service Center for ten free Scout Wampums.

The Scout-O-Rama is a family type show with something to interest people of all ages. Joy said in urging citizens to support the Scouts in their program by purchasing tickets and attending one of the shows.

Business is business.

Get while the getting is good.

It's dog eat dog.

If I don't, somebody else will.

Are there any of you?

Many of us think and act one way on week after week. Another way when we go back to work on the same old world, you know. And it can be different only when a little bit of your better self comes off on the rest of the week.

Ida M. Farris Buried Saturday

Mrs. Ida M. Farris, 81, died Thursday evening in a Lubbock hospital where she had been a patient for two weeks. She was born in Hunt County, Texas, and moved to Lubbock County in 1928. She was preceded in death by her husband, L. E., who died in 1938.

Services were held Saturday at 11:00 a.m. in the Roosevelt Baptist Church with Rev. L.D. Regeon, pastor, officiating. Burial was in Englewood Cemetery under the direction of Englund.

Survivors include one son, L. N., of Rt. 2, Slaton; one grand daughter, Mrs. Shirley Shannon and two great grand sons, all of Rt. 2, Slaton; one brother, W. N. Owens of Electra; two sisters, Mrs. Fay Adams of Beaumont and Mrs. Fannie Gilreath of Odessa.

Pall bearers were: L. V. Pounds, Alton Meeks, Robert Meeks, G. V. Lipps, George Railsback, and G. S. Sasser.

Director, Guests Visit WSCS

Mrs. Roy LeMond, director of the School of Missions in Abilene, along with Mmes. E. M. Walker, Joe Yates, and Louis McKay were guests, Oct. 26, of Slaton WSCS for a luncheon in fellowship hall of United Methodist Church.

The meeting began with silent prayer and the singing of "America The Beautiful". Mrs. R. T. Farley presented the program "Peace, Justice and Progress, 25th Anniversary of UN", assisted by a panel, including Mmes. Sammy Hitt, J. D. Evans, and E. R. Legg.

During the business meeting, the local society decided to participate in sustaining membership to Missions for Mrs. Cecil R. Matthews, conference president. It will be presented at the annual meeting in Pampa, March 23-24, 1971.

Roger Robison, son of Mr. and Mrs. Wayne Perkins, accidentally fell in his front yard Tuesday of last week and suffered a broken foot. The cast on his foot hasn't seemed to slow him down much, however.

Methodist Church To Celebrate Anniversary

The Trinity Evangelical Methodist Church will observe its 13th Anniversary Sunday with a covered dish luncheon at the Club House, after the regular morning service.

District Superintendent, Rev. Melvin A. Brant, of Odessa, will speak at the 11:00 a.m. service, then everyone will assemble at the Club House for lunch.

If you are not attending church anywhere, we invite you to visit our church. We think you will like it if you enjoy "good old time" gospel preaching.

RELIGION IS NOW

— a weekly message relating the world of today to the lessons of Faith and Church . . .

"It is written . . . they shall be all taught of God" — Isaiah 54:13

Long before the birth of Christ, men heard about God through the words of the prophets. When Christ came to live and work among the earth's multitudes, disciples were chosen to carry the message of truth. Through the teachings of the disciples, and their followers, men indeed have been "taught of God."

The opportunity to know God better is always yours. What will you do about it?

FOOTBALL CONTEST

It's so easy. You don't have to be a football expert in order to win. Just select the winners on the handy official blank printed below. No scores. Just check the teams you think will win.

\$10 1st PRIZE **\$5** 2nd PRIZE **\$2** 3rd PRIZE
\$25 JACKPOT FOR PERFECT ENTRY

RULES OF THE GAME:

- ★ Teams playing in this week's contest games are listed in ads and numbered 1 through 48. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- ★ Be sure to guess total score on the "tie-breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.
- ★ Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 5 p.m. Friday before the games are played. Only two entries for each person; all persons 12 or older eligible except Slatonite employees and their families. Each entrant eligible for one prize.

Students Give Opinions About Campus Unrest

(By TIGER'S CAGE)

Is there a peaceful way to end college campus demonstrations? Students of SHS voiced their opinion on the subject.

Darrell Eastman -- "No, because the law has let students get out of hand."

Gorla Cass -- "Yes, if the teachers listen to what the students have to say."

Cynara Gipson -- "Yes, but I think there is only one way and that is both sides must give and take something."

Mary Herrera -- "There is no peaceful way to end college demonstrations, because some students want peace and some

disagree. This usually starts a riot between races."

Melissa Holloman -- "No, because everyone creates violence trying to put an end to it."

Rosa Lopez -- "I don't think there is a way, because if one was found, someone would come along and change it."

Ollie Rainwater -- "One way of ending demonstrations is by removing the radical leaders, suspending them from college. Most of them don't attend college anyway."

Terri Sikes -- "I don't think there is a peaceful way; but if everyone concerned would do his best to understand the other side, they would get along better."

Brad Winchester -- "Yes, talk a lot and listen a lot!"

FOR SECOND 5-A VICTORY

Pirates Whip Wink

WOODROW (Special) -- The Cooper Pirates came from behind to score a 20-7 victory over the Wink Wildcats here Friday night in a District 5-A contest.

The triumph left the Pirates with a 2-0 mark in the league action, and a 6-1 record the year. The Pirates will host the Jal, N.M., Panthers in a non-district game Friday night.

Wink took the lead last Friday when halfback James Hatcher tailed on a six-yard run in the second quarter. Jerry Payne kicked the extra point.

Cooper bounced back to score

on a 14-yard pass from quarterback Jackie White to Gilbert Martinez. Wink still held the lead, 7-6, when the try for points failed.

White climaxed a Pirate drive just before the first half ended by diving over from the 1-yard line. White then passed to Mike Bermea for two points as Cooper took a 14-7 lead with 10 seconds to go in the second period.

Guard Johnny Aleman gave the Pirates an insurance score in the third period by blocking a Wink punt and recovering it in the end zone for six more points.
