CAUSE FOR CONCERN--Slaton and area citizens were dashing for cover Saturday during the noon hour when two funnels dangled from the low-hanging clouds to the northwest and southwest of the city. Photo shows one of the funnels which dipped down a couple of miles southwest of Slaton. Both funnels reportedly dipped down twice, but neither touched the ground to become tornadoes. This photo was taken from near Slaton Nursing Home, looking to the southwest. The other funnel was over the vicinity of Buffalo Lakes.

After holding out for about half a year, the stingy skies above the Slaton area finally let go a drouth - breaking thundershower last Thursday night, then followed up with another shower early Friday morning.

The rainfall -- measuring about 1.5 inches -- wasn't enough to wipe out the long dry spell, but it was a good start. Besides giving at least temporary relief to parched area crop acreage, the moisture soothed the feelings of Slatonites and

changed frowns to grins all around the community.

Mother Nature had another surprise Saturday, however, when two eerie - looking funnels dropped out of clouds to the northwest and southwest of Slaton shortly after noon. Both funnels were clearly visible to area residents and sent scores of people to storm cellars and basements.

Neither of the funnels hit the ground in the form of tornadoes, but they caused many anxious moments for area citizens. The first funnel, in the Buffalo Lakes area, was sighted about 12:20 p.m., and the other long, thin funnel was seen about 12:50 p.m. between Slaton and Woodrow.

From various reports in the area, the funnel to the southwest was only a couple of miles from the city limits. Slaton police and members of the Volunteer Fire Department quickly set up look-out stations to track the funnels, and the fire siren was sounded for a long interval to denote a tornado warning.

Both funnels dangled from the low-hanging clouds at the same time, and only a few miles apart. No rain or other violent weather was associated with the "freakish" occurrence. They were similar to a funnel sighted and confirmed southwest of Lubbock Friday afternoon.

Another alert was sounded in the Lubbock area Sunday night, and Hereford sustained a damaging blow from a twister late Sunday night. No deaths were reported at Hereford.

The rain Thursday night--termed as "beautiful" by most residents -- left about 1.25 inches of moisture, according to the majority of reports around town and in rural areas. The city got another .25 or .30 early Friday morning, with heavier rainfall reported around the Southland area.

The moisture ended one of the longest dry spells in many years, and provided a big boost for area farmers. "Another couple of inches could put things in good shape," noted one farmer.

A Pacific cool front moved into the area Sunday night, and the high Monday was only 58 degrees. Low reading for the past week was 38 degrees early Tuesday morning.

POST OFFICE ENTERED

The Southland Post Office was entered April 13 and some items were reported missing. Officers caught and are holding suspects in the incident.

Kindergarten Offered For Some Children

It was announced this week by J. C. McCleskey, Slaton school superintendent, that a kindergarten will be offered again next school term similar to the one held this year. A form is printed in this week's Slatonite on page 8 that should be filled out if you have a child eligible to attend. The form should be taken to any school or the school business office at 300 So. 9th St. by April 28.

Children eligible must be five years old on or before Sept. 1, 1971, along with other qualifications. Children who are accepted will be notified at a later date.

Babe Ruth Sets Tryout Sessions

Tryouts for the Babe Ruth League baseball program in Slaton are scheduled today and Friday at 5 p.m., it was announced this week by J. W. Holt, president.

Player agent Ronney Jones reported that more players are needed in order for the league to have a "solid" four - team circuit this season. The league has had five teams for several years.

Boys in the 13-15 age division who have not signed up and would like to play can report to Babe Ruth Park at 5 p.m. today. Eligible to play are boys born prior to Aug. 1, 1958 or on or before Aug. 1, 1955.

Draft of players will be conducted Friday night by the managers and coaches.

Gin Sets Meeting

The annual stockholders meeting of the Slaton Cooperative Gin Co. will be held in the Slaton club house at 2 p.m., Tuesday, April 27.

The directors request stockholders be present for the election of directors and any other business that may become necessary. The dividend checks will be handed out at this time, according to Ray Kitten, secretary.

School Okays New Building

Purchase of a portable classroom building to be used in the kindergarten program was approved by Slaton School Board in a special breakfast meeting Wednesday morning at the Chaparral Restaurant.

Estimated cost of the pre-fab building, including central heat and air and carpeting, will be \$21,364. Contract on the building was awarded to Industrial Laminating Corp. of Austin. Work is expected to start on the building a week from Monday. Size of the structure is 28 by 64 feet.

The building will be erected behind the old West Ward Cafeteria, facing Scurry street. Playground equipment will be moved to another area, reported Supr. J. C. McCleskey. Title 1 funds will help pay for the kindergarten

building, and this factor necessitated the start of work immediately.

The school had 63 enrolled in the kindergarten program this year and expects about 80 to 85 next fall. The state requires the program be offered, but eligible students do not have to attend.

The program includes more 5-year-olds each year, with all 5-year-olds being eligible in the 1977-78 school year. Officials believe that a 13-year school program will be mandatory by 1977.

The program, at present, is primarily offered to 5-year-olds from low-income families and those who have a language barrier. All school trustees were present for the Wednesday meeting with the exception of Rev. Emilio Abeysa.

Co-Op Meeting

The Acuff Co-Op Gin will hold its annual meeting Monday night, beginning at 7:30 p.m. in the Roosevelt Clubhouse.

Two directors are to be elected, dividend checks will be presented, and a special 20-year progress report will be distributed. Terms expiring on the board are those of J. B. Sherrod and B. A. Darby.

Melissa Jones Wins Story Telling

Melissa Jones, daughter of Mr. and Mrs. William Jones, won a trip to the district University Interscholastic League contest in story telling which will be held at Frenship. Three third graders from West Ward Elementary won the top three places in the contest which was held during the Parent Teachers Association meeting held Monday night in the school's cafeteria. Alternates were Chad Sikes, son of Mr. and Mrs. Jim Sikes, second place and Glenn Culver, son of Mr. and Mrs. Tip Culver, third place. The boys will also go to Frenship.

Eleven boys and girls competed in the contest. They listened to a story told by Mrs. Vicki Hart and then each student told his version of the story. A trophy was presented to Melissa by superintendent J. C. McCleskey and Chad and Glenn received ribbons. The other eight story tellers received a bronze medal.

The Monday night meeting was the last meeting for the school term for the PTA. Mrs. Tim Bourn, president, conducted the meeting. Other officers who will serve another year with Mrs. Bourn are Mrs. Wayne Moses, first vice president; Mrs. Melvin Kennison, second vice president; Mrs. Joe Crabtree, secretary; Mrs. Mike Haddock, treasurer; and Mrs. Lawrence King, hospitality. Mrs. Bourn was presented

a basket of yellow daisies by the West Ward faculty and staff. The meeting was opened with the pledge to the flag led by Shelle Wallace and Sherry Eakin. Mrs. James D. Perkins presented a group of first graders in a musical program.

Retiring teachers, Mrs. O. B. Allen, Mrs. Edith Brooks and Mrs. Mary Gilmore were introduced at the meeting.

Other children competing in the story telling contest were: Shane Kennison, Mark Lincoln, Gary Bourn and Kathy Meeks, all second graders; Marsha Davis, Russ Bowman, Calvin Taylor and Kellydeen Graine, third graders.

Seniors to Stage 'Hillbillies' Friday

The Slaton senior class will present "The Beverly Hill - billies", a three-act comedy, Friday at 8 p.m. in the Slaton High School auditorium.

In the play, the Clampetts move from their simple mountain cabin, where oil is discovered, to Beverly Hills, where their plain country ways result in hilarity. The excitement ranges from trouble with swindlers to Jethro's mixed-up love life.

Members of the Clampett family are Granny - Debra

Greenfield, Jed Clampett - Alan Fondy, and Ely May Clampett - Cindy McWilliams. Relatives of the Clampetts are Pearl Bodine - Judy Fondy and Jethro Bodine - Tommy Hargrave.

Other cast members are the bank president, Milburn Drysdale - Terry Cartrite, and his wife, Margaret Drysdale - Debbie King; the bank secretary, Jane Hathaway - Carol Mosser; employees of Midland Oil, George Turner - Norman Piwonka and John Brewster - Paul Payne; Mrs. Pennyweather - Judy Boyd, and her son Percy - Gaylon Barkley; Gloria Mundy - Janice Bukemper; Fredericks Collins - Ruth Melcher; and Groovy Monahan - Melanie Parks, students at the Pennyweather Academy; Emaline Petty - Glenna Smith, a country girl; Colonel Foxhall - Glen Akin, a Southern colonel; Frank Richards - Stanley Miles, a police detective; and Mrs. Skokely - Smythe - Sandy Brushy - Mr. Oglethorpe - Bradley Kitten; and Mrs. Oglethorpe - Nadine Meurer, Beverly Hills residents.

Lt. Col. C.O. Bowen is directing the play, and Mike Peterson is student director. Melissa Holloman is assistant student director and Becky Bright is stage manager.

Tickets are 75 cents for students and \$1 for adults. They may be purchased from members of the Senior Class.

Settle-Kuss Vows Spoken Friday

MRS. DON SETTLE
... Lynette Kuss

Miss Lynette Catherine Kuss and Don Alan Settle repeated double ring wedding vows Friday at 3 p.m. in St. Joseph's Catholic Church in Slaton. Rev. Tom Irlbeck, of St. Elizabeth's Church in Lubbock, officiated.

Parents of the couple are Mr. and Mrs. Albert Kuss of 850 So. 16th, Slaton and Mrs. James Briggs of San Angelo and the late George Settle.

Given in marriage by her father, the bride wore a gown of white organza over bridal taffeta, fashioned with an empire waist and short sleeves. The soft A-line skirt and scooped neckline were generously applied in lace, delicately sprinkled with seed pearls. The train attached to the empire bodice fell to chapel length. Her waistlength veil of silk illusion fell from a headpiece of lace and seed pearls.

She carried a cascading bouquet featuring stephenotis, gladiolus and seed pearls, encrusted with a removable orchid corsage.

Miss Diane Kuss, sister of the bride served as maid of honor. Bridesmaid was Miss Sheryl Briggs, sister of the bridegroom, of San Angelo. Bridesmaids were Mrs. Theron French of Lubbock and Mrs. Tom Noble of Sweetwater. They wore formal gowns of mint green sparkle satin, fashioned with empire bodices and A-line skirts with lace trim. They carried yellow daisy nosegays with lighted votives atop, all tied and adorned with streamers and love knots.

Lonnie Kuss, brother of the bride, served as best man. Groomsmen were Pat Thomas and Theron French of Lubbock and Don Bukemper of Slaton. Ushers, cousins of the bride, included Mark Schwertner, Cary Schwertner, Wayne Schilling and Danny Schilling.

Rodney Kuss, brother of the bride, lighted candles. Flower girls were Rhonda Schilling and Suzanne Schwertner.

Mrs. Alan Jones, organist, played traditional wedding music and accompanied soloists, Mrs. Royce Heinrich and Lonnie Kuss, brother of the bride.

A reception followed the ceremony in St. Joseph's Hall, along with a dinner and dance.

Following a wedding trip to Colorado Springs, Colo., the couple will make their home at 1041 Odgen St., Denver, Colo.

Mrs. Settle is a graduate of Slaton High school and attended Dragoon's Business college. Her husband is also a graduate of Slaton High, attended San Angelo State College, and is presently attending the National Electronics Institute in Denver, Colo.

Mr. and Mrs. Ronald Schilling were hosts at their home for the rehearsal dinner Thursday evening.

SLATON ARTISTS COMPETE

Two Slaton artists, Ada May Kitten and Theresa Martin, received honorable mention for their oil landscape paintings entered in the Post Easter Art Show. Approximately 140 paintings were entered in the show.

The couple will make their home in Lubbock.

Paul-Joyett Vows Read In Christian Church

Miss Trudy Viola Joyette became the bride of Melvin Ray Paul Friday evening as they pledged their double ring nuptials before Rev. Johnnie Moore, pastor.

Parents of the couple are Mr. and Mrs. Milton Paul of Slaton and James Joyette of Lubbock.

The bride, given in marriage

by her father, wore a floor length gown of white peau de sole, featuring a fitted bodice with short sleeves, with an A-line skirt. The chapel-length train was attached to the back bodice. She wore a shoulder-length veil of silk illusion and carried a bouquet of white carnations.

Miss Glenda Tuttle of Slaton served as maid of honor. She wore a pink floor-length gown featuring a round neckline, puff sleeves and ruffles around the bottom of the skirt. She carried a pink and white nosegay with long streamers. Dwayne Johnson of Lubbock served as best man.

Miss Cathy Riney played traditional wedding music on the organ.

Mrs. Paul attended Slaton High School. Paul is a graduate of Slaton High and is employed by Johnson Manufacturing in Lubbock.

The couple will make their home in Lubbock.

MRS. JAY DUNN

SLATON'S CRACK METEOROLOGIST CORRECTLY PREDICTS RAIN!

We at Citizens State Bank proudly salute our famed meteorologist, Bill N. Ball, who correctly predicted that Slaton would receive a rainfall on Thursday, April 15.

Since he predicted this rain well ahead of the date and, since he often complains that "when I miss, no one forgets--when I hit, no one remembers"...we at CSB take this opportunity to publicly acknowledge his correct forecast.

CSB remembers, too, when you need help with your financial needs, whether it is money to buy a car, a business or personal loan, or if you want to deposit your money for safety and earn competitive interest rates--try CSB!

National Library Week
Is April 18-24

What is National Library Week? It's show time for thousands of people who have been working all year for you, in order to get more and better libraries. For your edification, for your enjoyment, and better yet, for your children, they work on committees, or they work alone. The National Library Week, brings people together, to work for common good. To make sure you have free access to books and to information in all media. That's what National Library Week is all about, brought to you by the National Book Committee and American Library Association. This year's Motto: "You've Got A Right To Read—Look And Listen — Don't Blow It."

Miss Janet Gossett, SHS senior, was judge from Slaton, in the sponsored Book Jacket Contest during National Library Week. She attended a meeting with other judges April 15 in

Lubbock, where over 1900 entries were submitted in the contest. Janet was judge over the sixth grade entries. The winners from grades 1-9 will enjoy a party with their parents and teachers, at the Lubbock City - County Library, April 23.

First grade students and their teachers, began touring the Slaton Branch Library, Wednesday April 14, other first and fourth graders will visit this week and next. Mrs. R.C. Hall Jr., president of the Friends Club, is in charge of activities, with Mrs. Paul Buchanan and Mrs. Ted Melugin, librarian, assisting her. A special movie entitled, "The Magic Book", is being shown to students, a story is read, and library procedure is explained. First grade students receive their first library cards. Students are given colorful bookmarkers, as they check out books on departure. Library hours are 11:30 - 6 p.m., weekdays and 9 a.m. - 4:30 p.m., Saturdays.

Two-Way Wonder!

Frosty Nesselrode Mountain
1 (8-ounce) package cream cheese
1/2 cup mayonnaise
1/2 cup pineapple preserves
1/2 cup raisins
1/2 cup chopped walnuts
1/2 cup candied cherries, halved
1 cup heavy cream, whipped
Salad Greens

Soften cream cheese; blend with mayonnaise; add pineapple preserves, raisins, walnuts and cherries. Fold in whipped cream. Pour into 9 by 5 by 3-inch pan; freeze overnight or for several hours. Serve as salad or dessert. Makes 8 to 10 servings.

It's a wonder—and a pleasure—to find a recipe that can be served two ways. Frosty Nesselrode Mountain is a salad or dessert, whichever suits you best.

Services Set Today For Quenton Wicker

Services for Quenton C. Wicker, 52, will be held today (Thursday) at 2 p.m. in the First Christian Church. The Rev. Johnnie Moore, pastor, will officiate. He will be assisted by the Rev. J. L. Cartrite, pastor of First Baptist Church.

Burial will be in Englewood Cemetery under the direction of Englands. Wicker died Tuesday night in Lubbock Methodist Hospital after a brief illness. He was the son of the late Mr. and Mrs. C. C. Wicker, a pioneer family of the community.

He was born in Ropesville and had been an area resident for many years, was a veteran of World War II and was manager of Wicker Apartments. Wicker previously was assistant superintendent for Calcot, Ltd., a cotton compress firm in Glenale, Ariz.

Survivors include his wife, Dorothy R., and a stepson, Craig Eaton, both of Glenale, Ariz.; a daughter, Linda Faye Wicker of Lansing, Mich.; and two sisters, Mrs. Earl Reasoner of Slaton and Mrs. Jack Nowlin of Levelland.

A Housewife's Report

By MRS. DELWIN L. JONES

ner. He had it at the Austin Club at the Commodore Perry Hotel. Not all the reporters could come, but most of them did. We enjoyed the visit and good food.

I went with Del to San Antonio on Thursday afternoon (March 25th) for a Redistricting Meeting Friday. The Chamber of Commerce had a reception for all of us Thursday night and then took us out to a very nice club to eat.

We drove back to Austin Saturday morning so we could be there when Lanny, Melodie, and the singing group came to spend the night with us. They all came back here Saturday afternoon, and we rented two more apartments for the night. We took them all out to The Barn to eat, and they thoroughly enjoyed it. Then Sunday morning about half the group went on to Lubbock -- they had to study some before school started again Monday morning. Del and I took the rest of them out to Lake Travis, and they water skied until about 12:30. They really enjoyed that nice long Lake, and we had a beautiful day. We ate lunch and came back to the apartments. They were packed, and everyone was gone by about 3:00. Needless to say, I was very tired, so I went to bed and rested for a while.

The Restaurant Association gave a luncheon for the Senate Ladies and Representatives' Wives' Clubs. It was out at Lakeway, a beautiful resort on Lake Travis about 30 miles from Austin. Some of the homes in this area are fabulous. The restaurant is a pretty place, sets right on the lake, a very restful atmosphere. The centerpieces made of spring flowers were given to the person at the table with a small piece of paper stuck to her chair; I was the lucky one at my table. Del and his Committee went

"I REMEMBER"
BY THE OLD TIMER

From Allen Fretz, Salford, Pa.: I remember when I was seven years old we lived near a dairy farm. Each night my mother would send me down for a pail of milk. They had a large lawn with benches and chairs and the old man who lived there always leaned on a cane.

Whenever I went to him, he would ask me to sit with him and talk. He was very intelligent and spoke of the wonders of the universe, nature, happiness gained by honest work, love and respect for others, the moon and stars, sun and rain, God's creations. He so fascinated me, I would just sit and stare in his serious face.

This old man set a definite pattern to my life. I have always tried to live with that faith.

I also remember when I was a kid I got my first job. I was paid \$5 a week. I wanted a Sunday suit. I went to a store and found just what I wanted. I couldn't pay cash, so I told the man I wanted to pay by the week. He asked what I earned. I told him \$5 a week and he said, "You make \$5 a week and live off \$5 a week. When you make \$10 a week, you live off \$5 a week; if you make \$15 a week, you live off \$5 a week. Save the difference and you can pay cash for anything you want."

I got the suit and learned a good lesson, all for \$12.98.

Get your money's worth in electric air conditioning

OVER 30 YEARS OF PROVEN DEPENDABILITY
Just like your refrigerator, electric air conditioning uses the same experience-proven method of cooling. A dependable compressor keeps on cooling no matter how high the outside temperature.

LOW OPERATING COST
Before you buy, be sure you have complete information. Electric air conditioning saves you money when you buy and because it uses only electricity and free air, your operating cost is low... no extra installation costs, either!

HIGH ALTITUDE -- NO PROBLEM
Despite our high altitude, electric air conditioning keeps on doing its job because the electric cooling method is completely sealed against the effects of altitude changes.

CHOICE OF BRANDS
There are 58 manufacturers of electric air conditioning and all major brands are available in our area. Brands in your area are listed in the Yellow Pages or identified in your neighborhood dealer's store front.

CHOICE OF SIZES
Electric air conditioning offers the right size for your job. Too large a unit makes your first cost unnecessarily high. Too small runs up operating cost. Electric air conditioning saves you money on both counts.

COMPLETE SERVICE
The principle of electric air conditioning is so well understood and the parts so easy to change that any air conditioning man can give you service quickly should you ever need it.

Letters to the Editor

Dear Sir:
Recently you published a letter from the Black Students of Slaton High. May I explain, first of all, that I am neither white nor black but rather Latin-American. After having read this letter over carefully, I agree, in some ways, with these students. Being of one of the other minority groups at this school I too sometimes feel that we are being taken unfair advantage of. Yet there are some matters of which the letter spoke, that I feel are not the school's fault entirely. I am not putting the responsibility on any one person or group of persons, but rather on each and every one of us. As individuals, we should look into our own hearts for the answer. I know that prejudices have too much to do with our troubles. We judge people, not by their character, but rather by our own biased opinions and judgments that we have formed about them beforehand. How many times have you formed an opinion about someone that you have just met, and decided that you could not get along with him because he is not your "speed"? How would you know unless you really got to know him better? I know that I have been guilty of this too often. WE ALL HAVE and we need to do something about it. We've needed to do something about this for a long time but we've always laughed it off (like some people will this letter) saying that we never knew we had a racial problem in Slaton.

Let me say one more thing to the students of SHS - THE FUTURE OF SLATON IS IN OUR HANDS AND IT WILL DEPEND PARTLY ON WHAT WE MAKE OF THIS RACIAL PROBLEM NOW. So next time you talk to a person, don't look on him as a "gringo", "meskin", or "nigger" but rather as A PERSON; AN INDIVIDUAL.
Signed,
Another concerned SHS student

Randy Hutto In Germany

RHEIN-MAIN AB, Germany -- (SPECIAL) Airman First Class Randy Hutto, Slaton, Texas, is now serving as a photographer for the 322d Tactical Airlift Wing, at Rhein-Main Air Base, Germany. As photographer for the wing, he is responsible for taking pictures of everything from Government Officials (both American and German) to automobile accidents.

Airman Hutto is the son of Mr. and Mrs. Bill Hutto of 720 South 6th Street, Slaton, Texas. He is a graduate of Slaton High School and attended Lubbock Commercial College for a brief period until entering the Air Force in June of 1970.

Rhein-Main Air Base, commonly referred to as the "Gateway to Europe" is the arrival point for all military members and their families coming to Europe for assignment. In addition to this, Rhein-Main Air Base is the central point for all cargo used to keep troops in Europe supplied as it comes from the United States and is the home of the 2nd Aeromedical Evacuation Group which is responsible for transporting sick or injured Americans anywhere in Europe, or depending on the severity of the case, to the United States.

WT Chamber Endorses Clean Water Amendment

Voters of Texas will vote on four amendments to the Texas Constitution May 18, and the West Texas Chamber of Commerce has passed a resolution of No. 4, the "Clean Water Amendment", to be voted upon by the voters of Texas on May 18, 1971, and recommends its passage.

The water amendment has three main provisions:
(1) It makes it possible for the Legislature to approve the sale of \$100 million in revenue bonds to assist cities and towns with sewage treatment facilities; (2) It would raise the interest ceiling on all water bonds from 4 to 6 percent; (3) It would remove the 1982 termination date of the Water Development Board fund and make it a permanent fund.

In supporting the passage of the amendment, the WTCC directors approved the following resolution:

"WHEREAS, the passage of Constitutional Amendment 4, the Clean Water Amendment, (1) will reduce the local tax burden in providing adequate sewage treatment facilities, (2) will help prevent improperly treated sewage from ruining our rivers, streams, lakes, bays, and estuaries and endangering the fish and wildlife, (3) will help preserve one of our most precious natural resources--water, and (4) will help avoid serious health problems because of inadequate

sewage treatment facilities," "RESOLVED, that the West Texas Chamber of Commerce endorses Constitutional Amendment No. 4, the Clean Water Amendment, to be voted upon by the voters of Texas on May 18, 1971, and recommends its passage."

"FURTHER RESOLVED, that the West Texas Chamber recommends and requests that the Chamber of Commerce in each city assist in the organization of local "Clean Water for Texas Committees" and participate in the committee's local activities to secure passage of the Clean Water Amendment."

Meet Your Neighbor

BY BRUCE SCHUETTE

A man that associates himself with having the "Tiger's Pitstop" is Jack Kuykendall. Mr. Kuykendall was born Feb. 2, 1920, in a town called Henrietta, Tex. He went to school at Southland High School; and then moved to Slaton, where he has been a resident ever since. Mr. Kuykendall has lived in Slaton 13 years where he has been manager of the Bell Service Station.

Mr. and Mrs. Kuykendall have five children, two of which are married. They include: Cheryl, 21; Carolyn, 19; Leland, 17; Dwight, 13; and Mark, 11. As most men's pastimes are watching television and the pro games, Jack's favorites are fishing and hunting. When asked "What is your opinion of the Slaton Tigers," he replied, "You couldn't ask for a better team; but, on the other hand, they are a better bunch of boys."

AGRICULTURAL BRIEFS

Temik, a new insecticide that came into commercial use last year, has been described as the best soil-applied systemic chemical available for cotton.

Dr. R. L. Ridgway, leader of the USDA's cotton insect research at Texas A&M University, said Temik (the registered trademark for aldicarb pesticide) is particularly effective against such pests as the cotton fleahopper, lygus bug, leaf perforator and bollweevils.

He said Temik can be applied in the furrow at planting time for control of early season pests, or as a side-dress application for mid-season insects.

For side-dress applications

"When moisture is limited, application of Temik in two hands per row is best. But with ample moisture, one hand per row is adequate," he pointed out.

To be most effective, Ridgway recommended placing Temik granules in moist soil. If moisture is lacking, the cotton should be irrigated after treatment.

The season will start May 3 for the six teams in the major league. Action in the minor loop and pee wee league starts May 10, with four teams in each division.

League president Paul Melton reported that several improvements have been made at Little League Park, including installation of a sprinkler system and enlarging the field. Slaton will host the area and district tournaments this year.

The Slaton Tigers will send five qualifiers to the Region 1 track meet in Lubbock Friday and Saturday, with action slated at the Coronado High School track.

The five Tigers will be competing in three events—Donnie Rogers in the 100 and 220-yard dashes, Joe Johnson in the 100, and Rogers, Johnson, Randy Davis and Steve Nieman in the mile relay. James Conwright goes as a relay alternate.

The Tigers tuned up for the regional contest by entering the Kress Relays Saturday and winning third place in the AA division. Rogers was victorious in both dash events, and the mile relay team took first place. Childress won the AA division with 67 points; Idalou had 57, Slaton 49, Shamrock 48, Roosevelt 44, Post 44, Lockney 41, Tahoka 40, Phillips 39, followed by six other teams.

Slaton's other points came on a fourth in the 100 by Johnson, and fifth places by Ron Bartley

in the high and intermediate hurdles. Nieman qualified in the 440 but bypassed the finals. The Tiger sprint relay team was sixth.

Rogers was timed at 10.2 seconds in the 100, running into the face of a slight wind. He won the 220 in 23 seconds flat without too much strain.

The mile relay team won with a 3:32.9 clocking. Rogers gave Slaton a lead on the first lap, and the Tigers led all the way with Nieman finishing some 10 yards in front of Phillips. The relay team's best time of the season was a 3:29.2 winning effort at the district meet.

Preliminaries of the Region 1 meet are set at Coronado Friday. Field events will be held Friday morning, and running events in the afternoon. The dash events are set about 1:15 and 2 p.m., and the mile relay is set for 2:15 p.m. Finals are scheduled about the same times on Saturday.

With five qualifiers in the region run, Coach Doc Mize will be taking the most entrants Slaton High has had in many years. The AA division of the Region 1 meet will include eight districts, with first and second—place winners in each event.

TIGER RELAY CHAMPS—Slaton's District 4-AA mile relay champs are pictured above, along with the alternate. Inset is Donnie Rogers, a member of the team and 100 and 220-yard dash champ of the district. Tigerettes Third In Track Meet

By its Slaton girls' track team finished the District meet at Idalou.

will have

two relay teams and three individuals in the region track meet at Panhandle next Tuesday.

Idalou's girls won the meet with 157 1/2 points, followed by Seminole with 121, and Slaton with 86. Littlefield had 52, Ralls 52, and Roosevelt 42 1/2.

The Tigerette track team had about six or seven blacks who were scheduled to run in the finals, or on relay teams. When a track official asked for an area to be cleared, the group of Slaton girls refused to move, reported Coach Benson. "When I ordered them to move, they got mad and walked off," the Slaton coach said.

Slaton scored two firsts in the meet—a victory by the mile relay team and a win by Sobleda DeLeon in the 440-yard dash. Members of the mile relay team were DeLeon, Sharla Johnston, Doris Meurer and Jan Davis.

Slaton's 880 relay team finished second place to qualify for region. Marilyn Meeks was third in the 220, and Jan Davis was third in the 440. The first three places qualified for regional. On the 880 relay team were Meeks, Debra Greenfield, Sheree Perdue, and LuAnn Fondy.

Other Tigerettes to place included: Sheree Perdue, 4th in the triple jump and 4th in the 80-yard hurdles; Jan McAllister, 4th in the 880-yard run; 440 relay of Fondy, Perdue, Frana Gass and Linda Winters was 4th; Cindy Kenney, 5th in discus; Patti Melton, 5th in the 440; Petra Gipsen, 5th in the 220; Elnora Moore and Ann Partain, tie for 5th in shot put; Fondy, 6th in the 100; Loretta Dillon, 6th in the 80-yard hurdles; Virginia Morgan, 6th in the 880.

District 29-A is for AA, AAA, and AAAAA schools in the area who wish to compete. There are only two divisions in girls' track, with the B division for Class A and below.

Slaton Team Third in 4-AA Golf Tourney

Denver City scored a "clean sweep" in the District 4-AA golf tournament at Lubbock 15, capturing the first and second-place team titles and also sending two medalists to the regional tourney.

Slaton's Tiger golf team finished third in the district tourney, which was played at Meadowbrook Golf Course. Slaton had a 334 team total, compared to the Mustang "A" team winning score of 310. The Denver City "B" team had a 329 score.

Travis Loe, Denver City "B" team, was medalist for the tourney with a 75. Phil Webb was second with a 77.

Tom Melton and Stanley Miles led Slaton, each shooting an 85. Mike Lewis carded an 86 and Mike Peterson shot an 88.

Others playing in the tourney for Slaton included Dan Allen, 89; Jim Melton, 94; and Al Lewis, 102.

Fourth place in the team standings went to Ralls, 362; followed by Post, 364; Tahoka, 365; Frenship, 368; Roosevelt, 376; and Roosevelt "B", 454.

The winning team and two medalists go to the Region 1 tourney at Pine Hills Golf Course in Lubbock, April 23-24.

Roosevelt Wins Two Events In Kress Meet

The Roosevelt Eagles captured two first places and scored 44 points in tying for fifth place at the Kress Relays Saturday.

David Vasquez set a new record in the 440-yard dash with a 50.3 timing -- breaking the mark set by Slaton's Richard Washington (50.7) in 1968. Vasquez also ran on Roosevelt's winning sprint relay team.

Other members of the district - championship relay team are John Blackwell, David Hammett and Hosea Brown. District high-jump champ Ross Hughes placed second at Kress, and Brown was third in the 100-yard dash.

All five of the Eagles will be competing for honors in the Region 1 track meet at Lubbock Coronado Friday and Saturday.

Farrell Shines With McMurry

Nick Farrell, former Tiger football standout and a 1970 SHS graduate, has worked his way to a full athletic scholarship at McMurry College.

Nick, a 5-11, 185-pounder, has been a standout in spring drills for the Indians at a middle linebacker's position. Farrell was an offensive back as a freshman and went to McMurry on a partial scholarship.

Coach Buddy Fornes, reporting on spring drills to an Athlete sports writer, said that "Farrell lacks size, but he is a strong, durable kid who likes to hit." He has drawn praise for his play at the linebacker's post this spring.

TOURNAMENT TEAM—These 12 girls were selected to make up Slaton's All Stars in the Whiteface Mini Girls Basketball Tournament this weekend. Shown left to right with Coach Bing Bingham are Debbie Heinrich, Debbie Sikes, Zoe Preston, Christi Gary, Melody Moore, Sue Mercer, Regina Williams, Carol Boatman, Regina Tumlinson, Clarice Schwertner, Robin Kerr, and Donna Pack. Up Years Spaced Down Years

How can an individual investor lose \$29,701 and keep smiling? The answer is in the accompanying chart which shows the fluctuation in value of a \$10,000 investment in the average of mutual funds from 1950 through the end of 1970. The losses by \$71,086.

It shows that someone who invested in 1950 would have experienced five "down" years over the period, but he also would have experienced a total gain years during this same period. This gives him more gain years than loss years. The average gain was bigger than the average loss. The gain in 1967 alone exceeded the combined losses of bear-market years of 1969 and 1970. The gain, 1967-68, was more than double the loss of 1969-70.

instead of investing his \$10,000 in mutual funds, the same investor had put the \$10,000 into a savings account earning a full 5 percent interest, compounded annually, over the same years (though actual rates paid on savings were substantially lower than 5 percent during most of the period; see footnote).

As indicated, this would have produced total gains of \$17,863. The investor would have experienced no losses, so his total investment at the end of the 21-year period would have amounted to \$27,863 instead of the \$80,237 obtained from the mutual fund average.

In other words, by taking the "downs" with the "ups" in his mutual fund investment, the investor's gains were four times greater (\$27,863 as compared with \$17,863) than by investing at 5 percent interest, compounded annually.

These tables were prepared by the Investment Company Institute to illustrate the advantages of mutual funds as a long-term investment medium. Over the long run, despite temporary declines, the trend of the markets—and therefore of most mutual funds—has been strongly upward. Because of this, and the advantages of broad diversification and professional supervision, mutual funds over the long-term have been able to offer investors a sound return on their investments.

Other industry studies** indicate that the average mutual fund growth pattern indicated in table I is not unique to the 1950-70 period. An examination of all 20-year periods since 1945 investment would have grown to \$82,520 in the average mutual fund. During the least profitable of the 20-year periods (1945-65), the \$10,000 grew to \$69,092. In the most profitable 20-year period to date (1949-68), a \$10,000 investment in the average mutual fund grew to \$104,950.

By taking the "downs" with the "ups" investor's gains were four times greater

It's PIONEER again this year.

Here's why:

W.C. WHARTON, Tahoka, averaged 1,650 pounds of grain sorghum per acre last year from 230 acres of Pioneer brand 846. During the entire growing season, his crop had less than 6 inches of rain. Mr. Wharton planted April 25 and harvested during the last week in August. His seeding rate was 5 pounds per acre on 40 inch rows. He plans to plant 846 again this year because he likes the way it takes stress. Naturally we are proud that good farmers like W.C. Wharton plant Pioneer brand hybrids year after year.

CAROL MOSSER

"Don't take English IV" is Carol Mosser's advice to anyone. Carol was born Feb. 14, 1953, in Lubbock. Carol has brown hair, brown eyes, and stands 5 feet 8 inches tall. She is the daughter of Mr. and Mrs. Hugo Mosser.

Carol lists a few of her favorites as pastime - being with Gary, color - blue, car - Charger, song - "Never My Love," singer - Tom Jones, food - steak, subject - algebra, and teacher - Coach Bill Shaha.

Carol's most embarrassing moment was during a National Honor Society initiation when she could not get her candle lit. She says her pet peeve is "teachers that think their class is the only one a student has, and Dub Simmons!

Carol lists her high school accomplishments as FHA two years, DE two years, FTA one year, Pep Squad one year, Choir one year, National Honor Society, senior play, and Lions Club Queen contestant.

After graduating Carol plans to attend Texas Tech.

NORMAN PIWONKA

On July 9, 1952, a blue-eyed, blonde-haired baby came into the lives of Mr. and Mrs. Milton Piwonka, whom they named Norman Piwonka. Over a period of time he has finally become an SHS senior.

Norman's achievements during high school include FFA (2 years), football (2 years), French (1 year), National Honor Society (2 years), ROTC (2 years), and University Interscholastic League Science (1 year).

His plans for the future are to go to college and then the army. Norman's favorites include teacher - Bill Carnes, subject - chemistry, and pastime - "Doing whatever I feel like doing."

When asked if there were any changes he felt necessary in SHS, he replied, "I think civics should be a two semester course; and the history courses should be improved so that when a student graduates, he will know what our country is really all about."

JEANIE SIMONTON

A senior in SHS that is noted for her smile is Jeanie Simonton. Jeanie is the daughter of Mr. and Mrs. Kyle Simonton. She was born at Hearne, Texas, on July 26, 1953. Jeanie stands 5 feet 5 inches tall, and has brown hair and green eyes.

Jeanie lists some of her favorites as subject, bookkeeping; teacher, Mrs. Beth Harlan; food, chicken fried steak; car, Cutless '67; color, pink; group, "Three Dog Night"; song, "Wonder My Love".

Being with Bobby is her pastime, and sewing is her hobby. Throughout her years in SHS, she lists her achievements as Choir three years (an officer

two years) and homemaking co-op.

Jeanie's plans after high school are to attend an IBM school, but most of all "I plan to get married!"

Her pet peeve is "EJL". When asked what her most embarrassing moment was, she replied, "When I fell down in front of practically the whole school."

As Jeanie's last moment, she would like to say that "I don't know many people in Slaton, but I've enjoyed living here and going to school here since the eighth grade."

MELANIE PARKS

On Nov. 3, 1952, Mr. and Mrs. Bruce Parks were living in Dallas, when they were blessed with the birth of a beautiful baby girl. She was born with brown hair and eyes and no teeth. Now this baby is 18 years of age and is a senior at Slaton High School. After 18 years this girl has stuck with one name, Melanie Parks.

Now Melanie looks back on the four glorious years she has had at SHS. She finds that she has done quite a bit: FHA three years, Pep Squad two years, DECA one year, Girls' State, Choir three years, senior play cast, National Honor Society two years, Annual staff and, above all, she has grown a full set of teeth.

During these four years, Melanie has chosen her favorites: teacher - Mrs. Velma Figley, subject - Annual, song - "If You Could Read My Mind," group - The Carpenters, and pastime - playing the guitar.

Melanie plans to attend McMurry College after graduation. Her advice to freshmen is to work hard and win district in everything when you're seniors. If Melanie could make any changes to SHS, she would put carpeting in the halls and classrooms. Also she would add a student lounge.

Melanie's pet peeve? Boys with short hair.

CHARLOTTE MOORE

Do you know anyone around SHS who has a nickname of "Charlie"? If so, it may be Charlotte Moore. Charlotte is a senior who has light brown hair, blue eyes, and stands 5 feet 7 inches tall. Charlotte is the daughter of Mr. and Mrs. R. L. Moore. She was born on Nov. 9, 1952, in Slaton.

Some of Charlotte's favorites are color, purple; food, chicken fried steak; song, "Deeper, Deeper"; singer, Tom Jones; subject, homemaking co-op; car, Charger; teacher, Mrs. Beth Harlan; and pastime, drawing and singing.

Charlotte is undecided as to what her future plans are, but she would like to take an art course in a college. Her advice for freshmen is to stay in and

graduate no matter how hard things may get.

A pet peeve of Charlotte's is people who think they are better than you are. Her hobby and interest lies in singing and drawing. Her most embarrassing moment happened at the junior high when finishing upon the junior-senior banquet.

Charlotte's honors are four years in Pep Squad, four years in Choir, two years in FHA, and a member of a trio in her junior year.

BECKY BRIGHT

One of the new faces around SHS is that of Becky Bright. Becky, a 5-foot 5-inch senior with brown hair and hazel eyes, is the daughter of Gordon Bright. Becky was born in Salem, Mo., on Dec. 23, 1953, and moved here from Crystal City, Tex.

Some of Becky's favorites are song -- "Bridge Over Troubled Water," color -- purple, car -- Road Runner, food -- Mexican, singing group -- Simon and Garfunkel, subject -- band, and teachers -- Mrs. Barbara Guajardo and Bill Carnes.

That time the police came up at an unfortunate time was listed as Becky's most embarrassing moment. Her pet peeve is snobby people. After graduation Becky plans to attend TCU with a double major in drama and christian education. Becky thinks SHS is "pretty good, once people get to know you."

Becky's achievements in high school are band four years, Drama Club three years, president one year, annual staff two years, paper staff one year, FTA two years, National Honor Society two years, UIL One-Act play four years, student Council one year, and photography one year.

Jesse is another student at Slaton High School who considers Coach M. W. Kerr the person he most admires. Jesse is among the few people around SHS and anywhere else who have never had an embarrassing moment.

Freshmen really should listen to Jesse's advice. All his advice is said in one word "study!" After graduation from Slaton High School Jesse plans to go to work.

Whether the students or coaches of Slaton High School know it, they have a very good basketball player in their company. His name is Glen Thomas. Glen was born to Mr. and Mrs. H. Thomas, and now says he is a Slaton High School senior.

While settling down in Slaton, he has many things which rate as his favorites. His car is a white 1960 Chevrolet, and his favorite color is purple. He likes listening to the Jackson 5, or hearing his favorite song "Groove Me." He loves to eat Soul Food and watch his favorite actor, Flip Wilson, and his favorite actress, Dianna Carroll. He told a Tiger's Cage reporter that Sherry Scott was his favorite person and also his number one fan.

Glen's plans after graduation include either going to college or the Air Force. His pet peeve are people who think they are better than someone else.

GLEN THOMAS

Someone whose favorite car is a '65 Plymouth - Fury II would probably be Addie Rackler.

Her other favorites include teacher - Mrs. Maxine Walker, subject - English IV, and pastime being with someone special.

Addie is the daughter of Mr. and Mrs. Kenneth Rackler. She was born in Slaton on Aug. 28, 1953, but moved away just to move back to Slaton from New Orleans about one year ago.

As to dislikes or likes about Slaton, Addie stated, "Slaton needs more recreation for the kids instead of just the drag. Slaton High students, at least the majority, are very friendly." She also remarked, "SHS is great!"

Addie's advice she would give to everyone is "enjoy life," while that to the freshman is "Get your hardest subjects over with your first three years and have a ball your senior year."

Her achievements in high school include annual, FTA, Pep Squad, and Librarian of the Girls' Choir.

Her plans for the future are to work for a while, then go to college.

WILSON NEWS

BY BRENDA AND SUE

Much Needed Moisture Falls

Approximately 1 3/4 inches of rain has been reported this week around the community. Another 2 inches of moisture would really get things in good shape for planting.

Mrs. Tommy Stell of Houston visited last week with her parents, Mr. and Mrs. Claud Roper. Her son, Paul, has been staying with the Ropers for two weeks.

Charles Church of A&M and Mr. and Mrs. Jerry Church of Smyer spent Saturday and Sunday with Mr. and Mrs. Clarence Church.

Mr. and Mrs. Tommy Harkey and family of Hereford visited Mr. and Mrs. Clarence Church Tuesday and Wednesday of last week.

Mr. and Mrs. Jim Coleman and Kim and Mrs. Grace Bohall spent a week travelling to California. They went through the Painted Desert, the petrified forest, Disneyland, the Grand Canyon and Motor Canyon.

Mrs. Sam Crowson was released from Slaton Mercy Hospital Saturday. She had been a patient since Tuesday.

Mr. and Mrs. R. R. Dryer spent Sunday night with Mr. and Mrs. E. B. Gumma and John and also visited with the John Martin family.

County Records 31 Accidents During March

The Texas Highway Patrol investigated 31 accidents on rural highways in Lubbock County during the month of March, according to Sgt. O. C. Guthrie, Highway Patrol supervisor of this area.

These crashes resulted in one person killed and nine persons injured.

The rural traffic accident summary for this county during the first three months of 1971 shows a total of 105 accidents, resulting in six persons killed and 55 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for March,

1971 shows a total of 521 accidents, resulting in 20 persons killed and 251 persons injured. In the same month last year, there were 543 accidents, resulting in 20 persons killed and 275 persons injured.

The 20 traffic deaths for the month of March, 1971 occurred

in the following counties: Palo Pinto, 3; Armstrong and Cottle, 2 each; Archer, Lamb, Lubbock, Montague, Parker, Stone-wall, Wichita, Wise, Young, Collingsworth, Gray, Moore and Randall with one each.

Brittle Mistake
Legend has it that sometime in the late 1800's a woman set out to make some peanut taffy. She accidentally reached for baking soda instead of cream of tartar and ended up with peanut brittle.

Most of the automobile thefts which police were called on to investigate last year were the result of neglect by their owners.

Pewter Care
Pewter is a soft metal and cannot be subjected to harsh polishes and scouring powders when cleaning. For routine care, wash pewter pieces in warm water and mild detergent. Rinse and rub dry. When you feel that polishing is needed, use a silver polish or a commercial cleaner made especially for pewter.

Office Broken Into

It was buried in the Taboka cemetery. He is survived by his wife, 3 sons, 4 sisters, 1 brother, 9 grandchildren and 9 great-grandchildren. Mr. Driver, was at one time, the ginmer at the Southland gin, May God comfort this family in their grief.

SPELLING BEE

This is certainly a week of "Congratulations"! Southland had four students to take the top four honors at the Garza County Spelling Bee last Friday. Congratulations to Amanda Wheeler, 14, 8th grader at Southland for winning the Bee. She will participate in the May 1st regional spelling bee to be held at the Smylie Wilson Junior High school in Lubbock. The contest is sponsored by the Lubbock Avalanche Journal and the overall winner will receive prizes and an expense paid trip to Washington D.C. 30 students participated in this contest and the winning word was "achromatic." Amanda is the daughter of Mr. and Mrs. F. D. Wheeler.

Congratulations to Jenny Wheeler, 12, for being the runner up and taking second place. She is Amanda's sister and also the daughter of Mr. and Mrs. F. D. Wheeler.

Congratulations to Kendon Wheeler for winning third place. He is the son of Mr. and Mrs. V. C. Wheeler.

Congratulations to Kelly Chaffin for winning fourth place. She is the daughter of Mr. and Mrs. Max Chaffin. All four of these young people are to be commended and we are very proud of them!

Mr. and Mrs. Leon Anderson came down from Lubbock on Tuesday night, April 13th, to help their sister, Breonne Winterrowd, celebrate her 18th birthday. Here's a belated Happy Birthday, Breonne.

ANNIVERSARY CELEBRATED
Sounds like last Saturday night, April 17, was a Red Letter date for the P. W. Crawford's. It was their 33rd. Wedding Anniversary and their eldest son, James', 30th birthday, so in honor of these two great occasions, their children took them to Underwoods for a delicious Bar-B-Q dinner. Those attending were: Mr. and Mrs. P. W. Crawford and Debra, Mr. and Mrs. James Crawford and children, Mr. and Mrs. Donald Wayne Crawford, Mr. and Mrs.

Clinton Maner and boys, and Mr. and Mrs. Webster Crawford. Later they enjoyed a get-together in the home of Mr. and Mrs. Donald Wayne Crawford.

Debra Crawford spent Saturday night with her nieces, the daughters of James Crawford. This is the first time that she had done this, so naturally she enjoyed it very much.

BANQUET SET

The Southland juniors will be honoring the seniors and the high school teachers with a banquet at the Villa Inn Friday night. More about what went on---next week! Sounds like a serial on TV---more about this next week! ha ha

The True Light Spiritual Singers of Midland will be singing at the Freewill Baptist Church in Slaton on May 16th at 3:00 p.m. and 8:00 p.m. Everyone is invited to come. They are being sponsored by Mrs. Roosevelt Hollis of Southland.

Mr. and Mrs. Gary Lyles visited their mother, Mrs. M. A. Dunn, on Sunday.

The Southland Cemetery Directors met in the home of Mrs. H. C. Dunn on Monday morning to make plans for this year's cemetery care. More on this later.

Received a letter last week from Mrs. Mary McKee, who is visiting her daughter and son-in-law in Roundup, Montana. She said that there is still snow on the ground up there and it is still pretty cold. On the way up there she saw buffaloes, antelope and deer and the farther north they went, the more snow there was on the mountains.

Mrs. Otto Klaus is still a patient in Mercy Hospital and her condition doesn't seem to be getting any better.

POLLARDS MOVE
Mr. and Mrs. D. H. Pollard, who have been living down on the "Lazy K" ranch have moved to Rt. 1, Slaton. Sure hated to lose this nice family from our community.

Ben Cardenas came by the Post Office one day last week and picked up his mail. He and his wife were on their way to San Antonio to visit with relatives.

My brother-in-law, Aubrey Bryan, stopped by for a short visit on Friday afternoon of last week. He was on his way from Ft. Worth to his home in Farmington, N.M. with a load

BEFORE THE JUMP--Roosevelt's ace high jumper, Ross Hughes, gets a few tips from Coach Houston Powell before having a try at clearing the bar. of pipe. Sure was good to see him!

Mrs. Rod Callaway was on the "puny" list last week but is feeling much better this week.

Mr. and Mrs. Lee Limmer and Mr. and Mrs. Malcolm Limmer of Slaton visited with Mr. and Mrs. Willie Becker on Sunday.

Mr. and Mrs. Leroy Voigt and family of Crosbyton visited with Mr. and Mrs. Walter Voigt on Sunday and attended Grace Lutheran Church in Slaton.

SCHOOL BOARD MEMBERS
Southland's two new School Board members are Robert Mock and Billy Lester. One new teacher has been hired for the coming year. I also understand that the school taxes are going to be raised a little again, so know this piece of news will

upset some people in this district.

Mrs. Jack Myers, Mrs. Donald Pennell and Mrs. Herman Havis attended the Women's Culture Club in the home of Mrs. R. L. Marks of Post last Wednesday.

Mrs. Hawton Haire visited the Southland Baptist Church last Sunday night with Mr. and Mrs. Earl Hardy.

How is this for a nice thought? "A cheerful friend is like a sunny day."

Drivers of Farm Vehicles Are Exempt ...

AUSTIN - Drivers of farm vehicles are temporarily exempt from compliance with new safety regulations established by the U.S. Department of Transportation's Bureau of Motor Carrier Safety for drivers involved in interstate commerce, Texas Commissioner of Agriculture John C. White says that considerable confusion has developed among farm vehicle drivers following adoption of the new safety standards, but that

an amendment to the regulations adopted January 1st, 1971, exempts drivers of farm vehicles for a six-month period until July 1, 1971. Commissioner White says that according to the amendment, farm vehicle drivers must be 18 years old, rather than 21 as required in the general safety standards, and that other provisions of the regulations -- including written examinations, road tests and

physical examinations -- will not apply. White pointed out, however, that farm vehicle drivers are defined as persons who are at least 18 years old, are driving a vehicle controlled and operated by a farmer and are being used to transport produce from the farm on supplies to the farm. In addition, the vehicle being driven must have a gross weight, including load, of 10,000 pounds or less and is not used in the operations

of a for-hire carrier. Commissioner White advised all farm vehicle drivers to be aware of the exemption deadline of July 1, 1971, at which time a determination will be made as to the permanent interpretation of the regulations as they apply to farm vehicle drivers. The present interpretation is based on the crossing of state lines by farm vehicles.

Will Vote On 4 Amendments May 18

Amendments to the Texas Constitution have been amended 200 times. One of the most pressing matters before the 62nd Legislature when it convened on Jan. 5 was the provision of sufficient funds to meet state welfare needs. Restricted by a constitutional ceiling on welfare spending from state funds, the legislature found it necessary to propose a constitutional amendment for immediate consideration by

the Texas electorate to make it possible for welfare recipients to continue receiving their monthly payments. The legislature acted promptly in proposing an amendment which would remove the ceiling from welfare expenditures for three classes of recipients—the needy aged, the needy blind and the needy disabled. A new ceiling of \$55 million would be established by the amendment for

the fourth class of recipients—needy dependent children and the caretakers of such children. This amendment will be Number Three on the May 18 ballot.

The number one amendment establishes a State Ethics Commission empowered to set rules of ethics for members of the legislature, state officers and legislative of-

ficers and to investigate violations. It also recommends compensation for members of the legislature and the Lieutenant Governor and recommends improvements and economy in the legislative process.

Amendment Number Two provides the legislature the power to propose amendments to the Constitution in called as well as regular sessions of the legislature.

The fourth amendment deals with the issuance of bonds to provide water for Texas. This amendment would author-

ize the issuance of \$100 million in bonds to provide financial assistance to cities and other public agencies for water quality enhancement purposes. It would also provide for the improvement and continuance of the water resources program and the establishment of an interest ceiling on Water Development Bonds at six per cent.

On March 21 and September 23, day and night are of equal duration in every part of the world.

Young Demo Meet in Dallas

Ralph W. Yarborough, former Senator from Texas, challenged some 300 delegates to the Young Democrats' state convention this weekend to increase their numbers tenfold. Speaking to a Dallas Convention representing 2,000 Young Democrats across the state, the ex-Senator urged the young people of Texas to meet the challenge of improving the environment and government. At this year's annual gathering, the organization selected

for president James Allison, a 24-year-old University of Texas law student. Other major business included a revision of the state platform, calling for a strong crackdown on polluters,

TOP JUDGING TEAM---This Slaton FFA poultry judging team took first place in FFA contests conducted Saturday at Canyon. Left to right are Greg Sokors, Ricky Becker and Joe Alspaugh. Bobby Hopper was also high individual in land judging, and Brad Kitten was 7th in livestock judging. The land judging team was fifth and the livestock team 10th. The Slaton FFA will send eight teams to judging contests scheduled Saturday in Lubbock at Texas Tech. (SLATONITE PHOTO)

Boys Present Rotary Program

Wesley and Margaret Boyd, evangelists and musicians, presented a special musical program at the regular weekly luncheon meeting of Slaton Rotary Club Thursday at the Clubhouse.

The Boys were in Slaton last week to lead special revival services at First United Methodist Church. Boyd, accompanied by his wife, sang several Irish songs and several religious numbers.

The Boyds are natives of Belfast, Ireland. A baritone soloist, Boyd has won many awards in his native land, and his evangelistic work has taken him to many countries. The couple now resides in Oklahoma City.

The Rev. Bruce Parks introduced the Rotary program last week, and Howard Swanner was program chairman. The club had several visiting Rotarians and junior guest Jim Carnes at the luncheon meeting. Bill Sewell reminded club members that the Rotary district assembly is scheduled in Sweetwater April 22-24.

YOUTH WEEKEND Friday, April 30, through Sunday, May 2, will be "Youth Encounter Weekend" at the First United Methodist Church. Several youth from out of town will come and share their Christian testimony with the local youth.

Legion Meet Set in Lubbock

Slaton's American Legion Post will be one of the 16 to be honored at an annual 19th District spring convention to be held in Lubbock Saturday and Sunday at the George S. Berry Post 575.

The posts will be presented citations for outstanding membership achievements.

A banquet at 6:30 p.m. Saturday for a joint session of the Legion posts and auxiliary will feature E. L. Jackson of Cisco, past department commander, as speaker. Lubbock mayor, Dr. James H. Granberry will give the welcome.

Highlight of the closing session at 9:45 a.m. Sunday will be election of district officers and delegates to the national convention scheduled in Houston in August. Delmer D. Tucker is commander of Slaton's Luther Powers Post 438.

Slaton Students On Dean's List

Seven Slaton students have been named to the Dean's list in the College of Arts and Sciences at Texas Tech University.

The students include: Alvin J. Wishkaemper, Ronald D. Woolever, Deborah Baker, Baxter Coffee, Tony M. Privett, Bennie R. Magourik, and Clifford M. Kitten.

Announcement of honor students was made last week by A&S Dean Lawrence L. Graves. To qualify for the Dean's list, a student must have a grade-point average of 3.0 or more and must be taking as many as 12 hours of work.

The College of Arts and Sciences is one of eight colleges and schools at Tech.

CRIME STOPPERS

Many persons who would not think of leaving money lying around will leave their cars unlocked -- thus issuing an open invitation to petty pilferers to steal whatever they can find: radios, lighter, ashtrays, and whatever the glove compartment may yield.

When articles are pilfered from locked cars, the blame often belongs to the victim, for having left parcels and other items of worth enticing on the car seat rather than locking them in the trunk. With a good haul in plain sight, the thief breaks a window to get at it. Caution and common sense can stop the potential thief; a locked car with empty seats will send the thief in search of an easier target.

Be alert -- observe -- report suspicious circumstances. To stop crime call Crime - Stop -- 828-6212.

Mexico Circle Meets

The Mexico Circle of the First United Methodist Church met in the home of Mrs. J.D. Berry Monday.

Mrs. J. S. Edwards conducted the meeting. The devotional was given by Mrs. H. T. Scurlock and the lesson was presented by Mrs. R. C. Hall Jr. Title of the lesson was "The Beautiful People of Rio's Circle"

SUNDAY'S SERMON

EXAMPLE

The problem child is often a problem because parents believe they have fulfilled their responsibility when they tell the child what is right and what is wrong. Such an approach simply does not get the job done. Point a child in any direction and it is more than likely he will eventually fall back and follow in the footsteps of his parents.

The need, then, is for example. A child needs to be shown, not merely told. It is difficult for the child to establish a proper set of values when he observes that parents say one thing and do something else. A child may accept that some things are the adult prerogative, but such will not include the proper concepts of religion, brotherhood and fair play. If parents say, "go to church," and do not--what does a child think if parents say, "love thy neighbor," and do not--why will a child do differently?

There is no substitute for example.

In 1879, Galveston became the site of the first telephone exchange in Texas.

— a weekly message relating the world of today to the lessons of Faith and Church . . .

"I have planted, Apollos watered; but God gave the increase."
—Corinthians 111, 6

In a world of plenty, we should not let ourselves forget from whence the blessings came. When the richness of life surrounds us, we should remember God, and give thanks. It is all too often that we speak to God only in prayer and supplication. In this time of Spring, the season of growing, see the wonders of the world which God created — and you may grow in faith and spirit.
