FLEA MARKET, SIDEWALK SALE, TALENT CONTEST

Saturday's The Day For Downtown Shindig

Final plans for a big flea market and sidewalk sale around the square in Slaton Saturday were rolling in high gear this week, with the only thing needed to make it a big success being good weather and good crowds.

"We're optimistic that this will be an outstanding success for all groups and individuals taking part," said Wanda Hutto. "The response has been very good," Mrs. Hutto is chairman of the Retail Trades Committee of Slaton Chamber of Commerce, which is sponsoring the event.

Twenty-two merchants are participating in the sidewalk sale, and most of these will have merchandise out on the sidewalk at special bargain prices, it was reported. In addition, many church groups and other organizations are planning sales booths around the square all day Saturday during the flea market. A complete list of participating merchants is on

issue, where readers also will find three pages of special bargains offered by partici-

pants.

There is no charge to groups wanting to put booths for display or sales around the square. Anyone interested, however, is urged to notify the chamber office so they can keep track

of the number of participants. Radio Station KCAS will do some live coverage around the square during the event, and entrants in a "Talent find" will perform on the air from the square between 9 a.m. and 1 p.m. Several groups and individuals already have entered the talent find, according to Bill Bohannon, chairman of that event, and others are invited.

Any kind of talent is welcome, and prizes totaling \$100 are to be offered to winners. A mong those who had signed up for the contest by Wednesday morning were Bob Suggs and the Rangers

from New Home; Randy Roberts

and Randy Robinett, a guitar duo; a small band from Roosevelt and the Cooper HighSchool Stage Band.

In addition to the sales bargains, such things as 10-cent hot dogs, 5-cent soft drinks and 5-cent ice cream cones are to be offered around the square.

Lubbock television stations also had indicated they would give some live coverage to the event here Saturday.

The \$44,500 is half of a total amount of \$89,000 which the city is scheduled to receive as a result of Congress passing the revenue sharing bill last week. The second half of the amount is to be received by the end of January.

Apparently there are few strings attached to the fund, but there likely will be some restrictions on how it can be spent in the remainder of the fiveyear program as it now is set

"We're not going to be in a big hurry to spend it," Mayor Bland Tomlinson said Wednesday, "And hopefully, it will be used in a one-time expense, rather than in something continuing like salary increases, since we don't have any assurance that the money will be coming in for more than five

He expressed the view that the commission probably would have to use at least some of the funds in improvements to the city's present sewage treatment facilities. The money is supposed to be spent in about 18 months, but may be invested in the meantime.

The City of Lubbock is to receive \$1.9 million for each of the five years. The county government is due about \$633,000 each year, it was reported.

After the first year's allocation is received, payments will be made quarterly, and reporting forms will then be required to stipulate where the money

Absentee Voting Now Underway

Absentee voting in the general election began Wednesday in Slaton, and will continue through Nov. 3. Those wishing to vote absentee may do so by going to the County Tax Office substation here on the east side of the square, where Jonas Cain will conduct the absentee balloting.

Ted Swanner, manager of the warehouse, said apparently nothing else was taken by the intruders. Entry was gained by prying open a metal screen covering an overhead door and then breaking a hole in the door,

Other police activity during the week included investigation of an altercation Saturday night, several thefts and two mishaps on the U.S. 84 bypass.

On Saturday night, officers received a call of disturbance in the vicinity of New Mexico and Dayton streets and on arrival found a man in a yard, bleeding from a cut on his forearm. According to the report, the subject, later jailed

for drunkenness, "was raving and cussing that everyone was against him." A 53-year-old woman and a 38-year-old man reportedly were slashed in the incident, with the man having the lower half of his ear almost severed. Reason for the alter-

Meeting On State Amendments Planned At West Texas State

When Texas voters go to the polls Nov. 7 they will be asked to make decisions on a whopping 14 proposed amendments to the state Constitution.

For persons interested in learning more about the proposed amendments, which range from equal rights for women to annual salaries for legislators, the West Texas State University political science department is sponsoring a public meeting at 7:30 p.m. Oct. 24 in room 201 of the Activities Center at Canyon,

Each proposal will be explained by the departmental staff.

"Neither the department nor individual members will assume positions for or against the proposed amendments," said Dr. Travis McBride, department chairman and program moderator.

He added that "attempts will be made to balance the arguments for and against each of them."

Richard A. Jackson, instructor in government, will discuss proposed amendments for annual salaries for legislators,

ber of entries they plan to enter to: "Starving Artists' Sale", 5313 44th St., Lubbock 79414, by Oct. 23. Objects of Art will be re-

Choice R. Rucker

Military services were conducted in Fort Smith, Ark., last Thursday for Col. Choice R. Rucker, retired infantry officer and a member of the teaching staff of Fort Smith High School, where he established the first Junior ROTC program in Arkansas.

Rucker, a former resident of Slaton, was the son of Mr. and Mrs. J. E. Rucker of Slaton and a brother of Mrs. Leland Scott of Slaton, Other survivors include his wife, Dorothy, one son, James M. of San Francisco; and another sister, Mrs. Clyde King of Dublin.

Col. Rucker, commissioned May 18, 1936, after attending the University of Arkansas where he was captain of the football team in 1935, served in North Africa, Italy, Ireland, and England. During the Korean War he was awarded the Silver Star. Other awards include the Bronze Star and Purple Heart. He taught at Henderson College three years then was on assignment in Germany. Later he served as commander of the post at Holibird, Md., and as Chief of Staff at Ft. Chaffee, Ark.

He was a member of Kappa Sig Fraternity and of Fort Smith Noon Civic Club.

In the day of prosperity be joyful, but in the day of adversity consider.

-Ecclesiastes VII, 14

An empty row of mailboxes on a long-unpainted wall signify a vacant, unused house. Is this a house that waits for people to come and make it a home again? Perhaps no one will come, only the demolition man with his steel wrecking ball. Time and neglect has brought this house to the day of adversity, and its remaining days are numbered. In the good days of life, let us be joyful, yet still attentive to the needs of the moment. In the midst of happiness, our failure to meet the needs of the NOW time can bring about sadness for tomorrow.

First place and \$10, however, belonged solely to Don Heinrich of Slaton, who missed just four games. Missing five were Mark Kuykendall, Gary Glasscock and David Hirachera, who each chose 28 points as the total on the tie-breaker (actual total was 21), and also missing five, but picking 34 points total were Wade Carter, JimSainand Lupe Valderaz. The latter three finished out of the money; however, in a case where only two persons tie, that prize will be split between them.

In the Fearless Forecasters race, J. W. Helt continued to hold a disgustingly comfortable lead, missing just three games last week to run his season mark up to 52 right and 20 wrong. Lete Williams was last week's best, though, missing only two and holding second at 47-25. Dalton Wood is third, after missing five, at 43-29, and Bill Ball, who also missed five, follows at 42-30. Joe Sparkman, still in the cellar at 38-34, just missed three last week, and was the only one to pick Cooper over Denver City.

Joshua ordered them to shout,

they shouted! What a foolish

way to fight a battle, some would say. But it worked -- because that's what the Lord told them to do.

Who would ever think we can win our battles any other way than fighting "our way"? Perhaps there's friction between two persons, or maybe a burden you're carrying for someone, or maybe your battle is just plain "too many problems" to face, or loneliness, or physical, or emotional problems, or any other numerous "battles".

In John 21 the Bible tells us about how Peter and other disciples had been fishing all night but had caught nothing. At dawn Jesus saw that they had to melt away.

Eagles Lose Close One To 'Cats

BY JIMMY MATSLER

Tailback J. E. Johnson climaxed a sudden, heart-stopping comeback with a fourth down one-yard plunge for a TD with but 34 seconds to go, and the Littlefield Wildcats posted a 17-14 homecoming victory over the Roosevelt Eagles last Friday

Eagles had victory The snatched from their grasp when facing fourth down and five at their own 24 with less than two minutes to go in the game, the center snap went over the head of punter Kenneth Bobo and he was wrestled down at the 6. Roosevelt was leading at the time 14-10.

The final touchdown was not the only damage done by Johnson as he slashed through the Eagle line for 142 yards and both of the Wildcat touchdown scores.

The Wildcats took their initial drive of the night and went 64 wards on 11 plays, all on the ground, to paydirt, Johnson capped the drive by bruising the final six yards with 6:06 left in the first quarter. Larry Hobratschk booted the extra to give the Wildcats a 7-0 lead.

also all overland, that ate up 7:56 on the clock. The capper of the drive came when tailback John Blackwell tallied two yards out with 10:10 left in the half. The play was set up by Chris Marwith a 72-yard 17-play drive, shall's 10-yard gallop to the

two, while facing a fourth-andtwo from the Wildcat 12. The PAT kick by Joseph Brown provided a 7-7 tie which stood up until halftime.

The Eagles missed another scoring opportunity just before the half when still another high snap from center stopped a 32yard field goal attempt.

The Wildcats came out of the dressing room strongly and went 59 yards in 11 plays to take the lead 10-7. Hobratschk kicked a 37-yard field goal, that eventually proved the deciding points. The drive by a 15-yard penalty for a personal foul from the Eagle 15 yard line. Johnson gained 63 yards on 6 carries in that drive alone.

Littlefield seemed on the move again late in the third period, but safety Keith Stone intercepted an Alan Mackey pass and the Eagles took over at their own 28. The drive stalled at the 50 and the Eagles were forced to punt.

After Bobo punted the ball out of the end zone, the Wildcats took over at their own 20. On the first play an attempted handoff went awry, and tackle Kenny Perry recovered for the Eagles at the Wildcat 17.

Marshall then scored on the eighth play of the 17-yard drive. The Eagle quarterback faked to Blackwell up the middle and rolled outside on a bootleg untouched. Brown converted the extra, to give Roosevelta 14-10 lead with 5:42 to go in the game. Following the kickoff Littlefield went 54 yards to the Eagle 18 yard line. On the next play another handoff was missed and Bobo pounced upon the ball,

the Wildcat chances for victory. The costly mistake on the attempted punt came after the Eagles were unable to move. On first down from the six Johnson gained three, and then with one more on second down. Quarterback Mackey tried to sneak over, and got to the one. Then came Johnson's climactic plunge, to put the game out of reach. Hobratschk again toed the extra o give Littlefield a 17-14

This seemed to have doomed

Johnson got his 142 yards on 22 carries for a 6.5 average. Pat Henderson was the game's second leading rusher with 86 yards on 13 carries for a 6.6 average. John Blackwell led Eagle rushers with 57 yards on

Martin Aleman was the leading rusher with 44 yards on 13 carries. Denver City, on the other hand, gained 189 yards rushing to outclass the Pirates in this category. Passing was all but stopped with neither team able to launch any form of attack. Denver City quarterback Edde Thorne passed 12 times 'sut was able to complete only taree for 34 yards with interception by Cooper's Bobby Caudle, Caudle, Pirate quarterback, did little better at passing with only three passes for one completion of six yards.

Denver City was first to score on a 28-yard field goal by Tom Connally that came late in the first quarter. On a fourth down play, the Mustangs went into formation only to take the snap and run 20 yards for the first down. The Pirate defense held the Mustangs from any further gains, forcing the Mustangs to try a field goal that was good to put Denver

The Pirates had an opportunity to tie the game after Bobby Caudle ran the Mustang kick-off back 55 yards. With a little over two minutes left in the quarter, the Pirates were on the Denver City 12 yard line with one yard to go for the first. The Pirates elected to go for the first instead of the field goal, only to be stopped by the Mustang defensive unit. The first period ended with the Mustangs in the lead.

Early in the second period, the Mustangs were pushed back inside their own twenty and were forced to attempt a punt. Pirate defensive men, Eddie Ward, Kevin Jones, and George Salas broke through the line and swarmed the punter. Ward got in front of the ball and blocked the punt. All three Pirates scrambled after the ball as it rolled back toward the end zone. Kevin Jones fell on the ball three yards in the end zone for

the score. Ronnie Jones' try for the extra point went wide, putting Cooper out in front 6-3. From that point, the game be-longed to the defense with neither team being able to launch a successful drive.

In the second half, Denver City all but stopped the Pirate ground game. The Pirates were held to 14 yards rushing the entire half. The Mustangs proved to be harder to stop, rushing for 123 yards in the half. Midway into the third period, the Mustangs attempted a field goal to tie the game, only to see the ball go wide and drop harmlessly in the end zone.

With the win over Denver City, Cooper is now 6-0 for the season and 2-0 in conference play. This Friday, Cooper goes on the road to take on Tahoka. The Bulldogs are 2-3 for the season after being defeated by Frenship 17-16 Friday night. Tahoka is going to be hard to beat," said Coach Hurst, "They are a good team and a tough one. Our boys are going to have a hard time. We can't let this win go to our heads, not if we want to go on winning games."

LIKE A SWARM OF RED ANTS -- Cooper Pirates were everywhere on defense during last Friday's big upset win over Denver City, as this picture shows. Here, Denver City's Robert Qualls goes down on top of an unidentified Pirate while three other Cooper defenders are arriving. Anti-Pollution **Book Available**

A new, free eight-page il-lustrated booklet entitled, "The Story of Willie Bacteria, or How To Take Care of Your Septic Tank or Cesspool' is now available to owners of septic tanks and cesspools from Slaton Farm

In a light vein, illustrated by cartoons, the booklet explains the working of the septic tank and cesspool in simplified fashion. It describes the bacterial action of the disposal system and what is necessary for its proper functioning.

Chief attraction in the booklet is a humanized "Willie Bacteria" who is responsible for maintaining the efficiency of the disposal system. When the septic tank or cesspool user ignores the fact that "Willie" is working to keep the disposal system free from disease, and saturates him with an overdose of detergents, acids, lyes, caustics and other irritants, "Willie" is very unhappy, and more often than not, just stops working.

But there is a bright side to the story too, for "Willie Bacteria" has found a way to educate the septic tank or cess-

pool user, so that "Willie" can do his job under modern up-to-date working conditions, and prevent the fuss, mess, inconvenience, and expense of a clogged disposal system. The booklet was produced by

Renee Nelson In State Review

DALLAS (Spl) -- Renee Nelson of Brownfield was first runnerup in overall competition at the 1972 State 4-H Dress Revue Friday in Dallas.

LeJean Hill of Dalhart was overall winner. Edna Sustek of Bryan was cotton division winner, and Janel Rod of El Campo took top honors in the wool division.

Held in conjunction with the State Fair of Texas, the annual revue is sponsored by the Texas Agricultural Extension Service, Texas A&M University.

Miss Nelson, 15, is the daughter of Mr. and Mrs. Graves Nelson of Rt. 4, Brownfield.

She has been in 4-H five years as a member of the Terry County 4-H Club and is a student at Brownfield High School.

For her top placing in the revue, Miss Nelson designed and created a wool ensemble featuring cape and jumpsuit lined in satin acetate and
