temperatures and a 1-inch snowfall Slaton and the area in the season's worst winter storm Monday night and Tuesday. A gradual warming trend started Wednesday.

The thermometer dipped to a low of 3 degrees Wednesday morning before the wind started, and the mercury climbed to only 20 degrees on Tuesday. It started falling Monday night, and dropped from 38 degrees Monday to just 8 degrees Tuesday morning. Slaton was still icy Wednesday with hazardous driving conditions, but mercury was predicted to climb above the mark, up to about 40 degrees.

Every blast came just as area farmers were about to complete one of the latest on record. Many cotton growers were up the harvest before the snowfall, but needed a few more days of clear weather to complete the job.

A count conducted by THE SLATONITE this morning showing a total of 40,499 bales were ginned at 11 Slaton and area ginns. The count was up about 5,000 bales over last year, but still way below the final count of 70,000 bales at the 11 gins last year.

Count Wednesday: Slaton Co-Op 7,500; Wilson Co-Op 3,160; Union Co-Op 2,945; Hackberry 2,670; Far-Old 2,500; Posey Gin 1,755; Gatzki 1,230.

Of the effects of the storm in the Plains-Panhandle area was a cutback in gas for some big commercial in Lubbock and Amarillo. A company said it would probably last only one

national Weather Service in Lubbock said 1 inch of snow with .10 of an inch of sleet. The snowfall measured up to 3 at Hereford.

Various situations were reported from the area. Slaton schools were still out for days, with classes being resumed Wednesday. Gusty winds accompanied the bitter weather Tuesday, and traveler warnings were out on all area highways. The chill was pegged at 25-below zero early morning -- a combination of the temperature and the howling winds.

SLATON'S FIRST BABY--Young Robert Gonzales has been designated as Slaton's First Baby of 1972. He is the son of Mr. and Mrs. Roman Gonzales of 315 E. Jean in Slaton.

Braden Headlines Chamber Banquet

Slaton Chamber of Commerce and Board of City Development will hold its 46th annual banquet Jan. 17 with Dave Braden, "the thinking man's humorist", as the principal speaker.

The big banquet, which traditionally launches C of C activities for the new year, will be held in the Junior high cafeteria. Tickets, priced at \$4.50 each, are on sale by Chamber directors and at the C of C office.

Jake Wendel is serving as chairman of the banquet arrangements. Highlights of the event include presentation of special awards and the installation of new officers.

Don Kendrick will be installed as the new Chamber president, succeeding J. C. McClesky. Kendrick and Steve Smith were re-elected to the board, while new directors to be installed include Roger Evans, Alex Bednarz and Truett Boudins.

Special awards by the Chamber include the "Man of the Year", "Outstanding Club", and the "Outstanding Young Citizens of the Year." The Athlete Club presents the "Woman of the Year" award, and the Women's C of C is introducing the "Boss of the Year" award this year.

Slaton Welcomes 'First Baby'

Robert Gonzales, son of Mr. and Mrs. Roman Gonzales of 315 E. Jean has been named as Slaton's First Baby of the Year. The boy was born Jan. 4 at 8:06 a.m. in Mercy Hospital and is the Gonzales' fifth child. They have three other sons, Roman Jr., 7, Gary, 6, and Marcos, 2, and one daughter, Juanita, 8. Gonzales, employed by M. D. Geer Texaco, has lived in Slaton with his wife and family since their marriage 12 years ago.

The "first baby" weighed in at 8 lb. 6 oz. He is the grandson of Mr. and Mrs. Ignacio Gonzales and Mr. and Mrs. Jesse Flores, all of Slaton.

Voter Sign-up Now Underway

Although voter registration will be conducted through the year, persons wishing to be eligible to vote immediately should register by Jan. 31, it was pointed out this week.

Voter registration may be accomplished at the sub-station on the east side of the Slaton square, at the county court house, or by a roving deputy. Persons who register after Jan. 31 will not be eligible to vote until 31 days after the application is recorded in the courthouse, it was stated.

A new ruling this year will also introduce an "automatic" sign-up. Persons who vote in a primary, run-off, or general election will automatically become a registered voter for three years.

Farewell Event For Nieman

A "farewell coffee" honoring Lavin and Speedy Nieman will be held from 4 to 6 p.m. Sunday in the Chamber of Commerce community room, it was announced this week by Mr. and Mrs. Glen Akin.

The Nieman have been publishers of THE SLATONITE for the past seven years, and will be moving to Hereford next week. Nieman and other business associates have purchased THE HEREFORD BRAND, a semi-weekly newspaper, and North Plains Printing Co.

All friends and business acquaintances are invited to attend the come-and-go coffee, Akin said.

"The 2-year grace period is not too long, considering the work at hand. The problems are complex and finding satisfactory solutions will be a time-consuming task. The consequences of the design of the replacement system will be enormous; a poor plan could wreak havoc with the public schools, causing damage far worse than that resulting from the present inequities between individual districts.

"The greatest danger, in our view, is that the new plan, with its greater reliance on state funding, might destroy or erode severely the local control that is a basic part

SEVEN TRUSTEES NAMED

Sisters of Mercy Give Hospital to Community

The deed to Mercy Hospital was formally delivered to Slaton Hospital Memorial Foundation Tuesday night when the Sisters of Mercy met with the Foundation's board of governors.

About 50 employees of the hospital were also on hand for the meeting with Bill Sewell, chairman of the board of governors, explaining that policies would remain the same and that all employees would be retained at their present positions.

Sewell also announced that the governors had elected a board of trustees, who will take over operation of the hospital. The seven men named to the board were T. J. Wallace, Alex Bednarz, Dr. M. J. McSweeney, Harvey Morton, W. B. Nesbitt, Bill

Sewell and R. C. Hall Jr.

The trustees were scheduled to meet at 6 p.m. Wednesday to organize the board and formally assume operation of the hospital. Sewell said that Sister Mercedes will remain as administrator. She has requested to be relieved, however, and will remain until a replacement is named.

The campaign to raise \$70,000 from public donations is progressing "satisfactorily" under chairman Robert H. Davis, Sewell reported. Updating of the hospital facilities is expected to start in about 60 days.

Arrangements for turning the Catholic hospital over to a community non-profit organization have been underway for several

months. The Sisters of Mercy had announced earlier this year that they could no longer "make long-range commitments in operating the hospital", and requested that a community organization be formed to take over management of the facility. The Sisters gave the property to the community at no cost. The Foundation announced the financial drive, with a goal of \$70,000, was necessary to update the hospital in order to retain accreditation. A study showed that the hospital was operating "in the black", but that accreditation was required to keep this status.

The Foundation made a service agreement with the Sisters of Mercy to keep them working at the hospital, and they will retain the convent.

City Records Great Building Year, Permits Total \$756,255

Building permit totals in Slaton jumped to \$756,255 in 1971, adding a bright feature to the progress of the city while posting the second best building year on record.

New construction rebounded in 1971, after the city recorded its lowest total in 1970 with only \$70,573 issued for new building starts.

The record building year for Slaton was registered in 1960 when permits totalled \$947,600. This year's mark was good for second place, moving ahead of the \$727,820 posted in 1959.

Adequate housing facilities have been a problem for several years in the community, and new construction the past

year was aimed at this segment of the building industry. Records show that 18 new homes were built, in addition to a permit issued late in December for four triplex apartments.

Residential construction accounted for about \$496,255 of the total. The remainder of the permits -- \$258,000 -- were commercial or public buildings. Largest permit was \$160,000 for the new mobil home park on N. 20th street. The S.F. Austin School addition added \$44,000 and the Chamber's Community Service Building was tabbed for \$11,000. A permit was issued for a drive-in on FM-41, at \$43,000, but construction has not been started yet.

Water District Election Set

The election to fill offices for the Board of Directors and County Committeemen of the High Plains Underground Water Conservation District No. 1 will be held on Tuesday, Jan. 11. Candidates for the position of District Director for the District Director's Precinct 1 - Crosby, Lubbock and Lynn Counties - are Ray Kitten, Slaton; and C. C. Sherrrod, Canyon Community, Lubbock County.

Voters in Lubbock County will also be choosing three persons, one from each of County Commissioner's Precincts 1, 2 and 4, to fill positions on the District's 5-member Lubbock County Committee. Candidates for these offices are: Andrew Turnbow, County Commissioner's Precinct 1; Alex Bednarz, County Commissioner's Precinct 2; and Glenn Blackmon,

County Commissioner's Precinct 4.

The five polling places in Lubbock County are; in the basement of the new County Courthouse, Lubbock; Slaton Club House, Slaton; Community Clubhouse, Shallowater; and the City Halls in Idalou and Wolf-orth.

Persons who hold a valid voter registration certificate and who reside within the bounds of the District in Lubbock County can vote for one candidate for the office of Director. However, only qualified voters residing in County Commissioner's Precincts 1, 2 and 4 can vote for one County Commitman for only that County Commissioner's Precinct in which they reside. The election

(See WATER, Page 4)

The first and last months of 1971 were the best from the building permit standpoint. The January total was \$177,300 -- which included the mobil home park permit of \$160,000. The December total was \$140,650 -- which included \$120,000 for the triplex units.

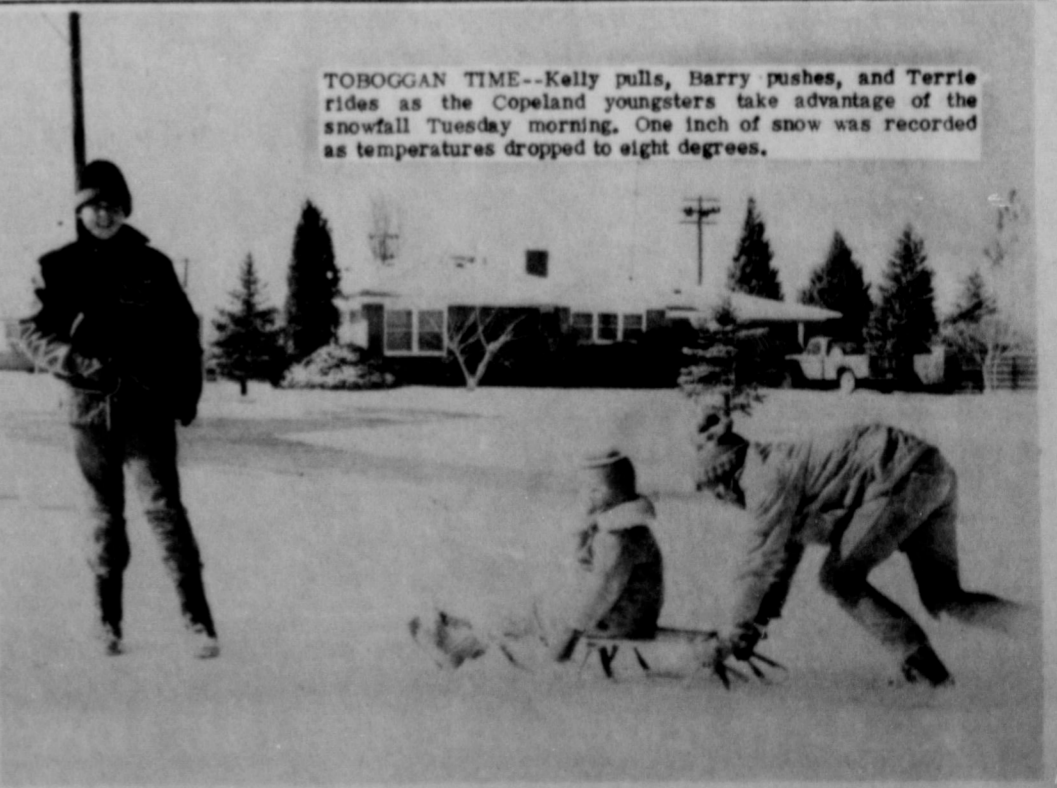

Most of the new homes were built in the southwest and west part of Slaton. Ten of the new homes were started in the latter half of 1971, with four permits issued in November and one in December.

Jeffery Johnson Weds Miss Bradshaw

Miss Cathy Ann Bradshaw and former Slatonite, Jeffery Dale Johnson, were married Sunday afternoon in Lubbock's Trinity Baptist Church, Rev. Francis Wilson, pastor, officiated.

Parents of the couple are Mr. and Mrs. Clyde L. Bradshaw of Lubbock and Mr. and Mrs. Melvin T. Johnson, former Slaton residents, now of Lubbock.

The bride wore a formal length gown of white satin, fashioned with a high Victorian neckline, see-through yoke of tucked sheer edged in Peau-de-ange lace with seed pearls, and long bishop sleeves with petal point cuffs. The empire bodice and A-line skirt were scattered with lace motifs that extended in a bouffant chapel train. A matching lace profile headpiece held a tiered veil of imported silk illusion.

She carried a bouquet of white carnations with a detachable corsage and falling ribbons with carnations attached.

Linda Irwin of Lubbock, maid of honor, and bridesmaids, Brenda Taylor, Carla Bradshaw and Becky Bradshaw, wore gowns of olive crepe and velvet, fashioned with square necklines, long bishop sleeves, empire bodices of velvet laced in front with self covered cords and gathered column skirts. They wore headpieces of olive velvet caps and attached bows and illusion. Each carried a single yellow mum with green streamers.

Jimmy Leggett of Fort Worth served as best man, Groomsman included Jerry Hogue of Lubbock, Wade Griffin of Corvallis, Ore., and Rusty Sowell of Lubbock.

Tammy Reames of Floydada served as flower girl with Griff Griffin of Corvallis, Ore., as ring bearer and Toni Lynne Lester of Clovis lighting candles.

Miss Peggy Tonroy of Lubbock sang wedding selections to the organ accompaniment of Marilyn Cooper.

Other members of the houseparty included Shelda Reames, Lora Curtis, June Hogue, Nancy Swin, Carol Swin and Frances Swin.

A reception followed the ceremony in the fellowship hall of the church.

The couple will make their new home at 4304 A. Canton Ave. in Lubbock. Both graduates of Monterey High School, Mrs. Johnson is employed at Jim Taylor Motor Co., while her husband is a Wildlife Management major at Texas Tech.

Walters, Maycumber Vows Read In Slaton

Miss Becky Ann Maycumber and Tommy Lynn Walters repeated double ring vows Dec. 24 in the Slaton Church of Christ, Clifford L. Newcomb of Lubbock's Church of Christ officiated at the ceremony.

Parents of the couple are R. E. Maycumber of Dallas, Mary Ann Reed of Lubbock, and Mr. and Mrs. Dwayne Walters of Slaton.

Given in marriage by her grandfather, R. W. Cudd, the bride wore a floor-length gown of white chantilly lace and re-embroidered satin,

featuring a royal neckline and wrist-length lace sleeves held by a wide cuff. She wore a matching lace chapel-length train and shoulder length veil held by a satin bow.

She carried a cascade of red rosebuds with white satin streamers and love knots. Cathy McCormick of Lubbock, cousin of the bride, served as maid of honor. She wore a red velvet floor-length gown and carried a cascade of roses.

Allen Walters served his brother as best man. Tim McCormick served as usher.

Marilyn Gamble of Slaton played traditional wedding music on the organ.

A reception followed the ceremony in the home of her grandparents, Mr. and Mrs. R. W. Cudd of 1100 W. Lubbock, Slaton.

Having returned from a wedding trip to Ruidoso, N.M., the couple is making their home in Lubbock.

Mrs. Walters is a student and her husband is a senior student at Slaton High School.

With the beginning of a New Year, seems as though everyone out here had a good fill of "black-eyed peas". Now if peas are to bring good luck, this being the seventh day of the new year, it seems as though my peas aren't having any effect. Tell me, are "cow peas" and black-eyed peas the same thing?

The residents are all settling down after having a wonderful holiday. Everyone seems to be looking forward to a greater year than ever before.

We welcome back Mrs. Ester Robertson of Slide. She was a resident here for a few months last year.

Mrs. Edith Drewery is back after spending several days in Mercy Hospital.

Mrs. Bobbie Greer, administrator, returned from a week vacation. My family and I took a weekend trip to Corpus Christi. The town is still building back after the big hurricane they experienced last year. It makes you wonder why we gripe at our Texas sand storms.

Mrs. M. N. Thompson of Rt. 4, Lubbock, brought out a large cake to the home. It seems they had just celebrated their 50th wedding anniversary. The residents certainly enjoyed the good cake and want to say "Thank You" as well as "Happy Anniversary"!

The Sla Tons Tops Club sent

a large box of fruit to us recently. Mrs. E. N. Milliken sent 2 books of stamps, and Mrs. Andrew Maeker sent one. We thank them all.

Mrs. Annie Gentry sent in jewelry for crafts and Bingo prizes.

Bro. Randy Collins brought the devotional Monday morning. He and Mrs. Collins are from Lubbock. We will have our new listing for Sunday services as soon as possible.

Bro. Luedke is in charge of getting our list ready and it will be posted on the bulletin board in the lobby.

Until next week, here is my "thot". It is better to be faithful than famous.

FOOT NOTES

BY MARGRET BARTLEY

Now is the time for all good men to come to the aid of their country.

Now is the time for all good men to come to the aid of their country.

Now is the time for all good men to make their New Year's resolutions.

Now is the time to eat black-eyed peas and hog jowls! What else can we say about the new year? It is the time when we look back on the good times and the bad, and assess what we accomplished in the old year. We mix this with thoughts of the future and try to plan ahead so things will come out better this time.

If we kept no more than one or two from a list of a dozen or more resolutions made last year, what is the use of making more that will surely be forgotten in the same way?

I always make a list, then lose the list, so I don't remember all the important things I resolved to do. What are they for anyway? Do you set goals that you plan to reach during this brand new year of '72, or just resolve to do the same things in a different way because last year's didn't work? . . .

If you are really serious about what you want to do, plan ahead, think how it will affect others, and decide what you will gain. Write it down, in a dozen places if you have to, so that you will remember to concentrate. (Think about all the people who remember they are on a diet right after they finish a big meal!)

The longer you put off the beginning of the NEW YOU, the less likely you are to make any headway in that direction. Here's my list I need to work on:

1. Don't scream at the kids. (Even when they lose their shoes, or forget their homework until 11 p.m.)
2. Don't sit down to watch TV until the supper dishes are done. (That minute usually turns into an hour for me.)
3. Remember that things are not necessarily wrong just because it's not done your way.
4. Bite your tongue before you repeat that juicy bit of gossip. (The pain should give you something else to think about!)
5. Remember that people don't really want to hear your life history when they say, "How are things going?"
6. Think up some r-e-a-l-l-y-g-o-o-d-answers for the kids when they say "Does smoking really cause cancer? Why do you smoke then? Are you gonna die?" (Make sure the answer will convince YOU too!)

My resolutions are not smart, funny or deep. They are just a few of the things that I think about when I really take time to think. You know what YOUR own problems are too. You don't even have to tell anyone, but for yourself, make some constructive resolutions and try, try, try to stick with them. If you were to fail, no one will know but yourself, and you will just disappoint YOU. (Don't you hate for someone to say, "I knew you couldn't do it!" or "I told you so!"?)

That's the way I see it. How do you see it? . . . It might be a good idea to put in a good one concerning the people who care about you. Maybe they'd like to know that YOU care. . . Love is a warm feeling. . . That's all.

Judge at each of the polling places will have a map showing the area within the District in Lubbock County, and the County Commissioner's Precincts therein.

The District covers all or parts of 15 Southern High Plains Counties. It is governed by a 5-member Board of Directors, advised by five Committeemen from each of the

15 counties.

The District issues permits for the drilling of water wells, and regulates the waste of groundwater. It is also responsible for the annual water-level measurements, and the water - depletion, income tax allowance program.

Frank Rayner, the District's Manager, noted that the conservation of groundwater is the immediate economic concern of everyone in this area. He urged all qualified voters to exercise their right and responsibility to vote. He observed that, "Good government is no accident, it is a creation of public interest".

BY SUEBORN WUVE

Here it is a brand new year and I have a special feeling that it is going to be a good one. I am writing this column on Monday and we are having a cold day and the weather man is promising us the first blizzard of the New Year! Maybe it will go around us, hope so, because so many of the farmers are still trying to get their cotton out of the field. Regardless of the weather, I am wishing for you and yours a most blessed New Year, just chock full of the good things in life.

Mr. and Mrs. Buford Ruidosa, N.M. was here during the holidays visiting with their son and family, Mr. and Mrs. J. B. Jones. They also visited with other friends and relatives. Guests in the home of Mr. and Mrs. T. H. Basinger over the holidays were the following: Mr. and Mrs. J. Martin and family, Mr. and Mrs. Ronnie Dunn and boys, Mr. and Mrs. Pat Taylor and boys, Mr. and Mrs. Donald Basinger and children, Mr. and Mrs. Dub Pierce and Susan of Kingsland, and Mrs. Dick Morton of Frederick, Okla. and her three grandsons, Ronnie of Frederick, and Joey and Benny of Oklahoma City. Benny is a Junior student at Texas University and he gave his grandmother a trip to Slaton for a Christmas present. Wasn't that just a wonderful thing for this young man to do, Mrs. Morton stayed with the Basingers from Monday until Wednesday. Also visiting in the Basinger home during the holidays were Mr. and Mrs. Buford Jones.

Mr. and Mrs. Pat Taylor and boys had as their New Year's Day dinner guests, Mr. and Mrs. Donald Basinger and family, Mr. and Mrs. T. H. Basinger, and Mr. and Mrs. Ronnie Dunn and boys.

Mr. and Mrs. Delbert Wartes and children of Pinesville, La., were here during the holidays visiting with his parents, Mr. and Mrs. Carl Wartes and also

in Post with her parents, Mr. and Mrs. J. B. Jones. Sunday guests in the Carl Wartes home were Calvin Wartes and Greg of Ft. Worth, Mr. and Mrs. Cecil Cummings and family of Lubbock, and Mr. and Mrs. Glen Hill and Stacia of Plainview.

Mrs. Mary Stolle fell recently and spent several days in the hospital. After being released she went to the home of her sons in Sallowater, Dec. 29, she became very ill and was readmitted to Mercy Hospital. May God be with her in her time of need.

Jackie Dunn, of Phoenix, Ariz., has been here visiting with his parents, Mr. and Mrs. H. C. Dunn. While here, they went to Dallas and then on to Houston where they visited with other relatives. Jackie returned to Arizona Monday.

Mr. and Mrs. Jodie Thaxton of Plainview visited with Mr. and Mrs. D. D. Pennell on Sunday afternoon. They had been to see their aunt, Mrs. W. A. Smith, at Waco. Mrs. Smith is a former Southland resident. Bryan Compton of Post visited Jay Callaway on Saturday and Treshia Chaffin of Rt. 1, Post, visited with Stacy Callaway.

Mr. and Mrs. D. D. Pennell visited with Mr. and Mrs. Carl Wartes on Monday. Also visiting was Mrs. Sparkman from Slaton.

Guests in our home last week were Mr. and Mrs. Harold Wayne Donahoo and children from Ramona, California, Mr. and Mrs. Jerry Donahoo from Killen, Wallace Saage of New York, Mrs. Karen Callaway and Jay.

Sherri, Edmund and Yours Truly were New Year's Day dinner guests of Mr. and Mrs.

Three birds which cannot fly are the emu, kiwi and ostrich.

E. L. Brosch and family guests were: Mr. and Mrs. C. Stabeno and Lynn, Mrs. Douglas Neugebauer, Joel, Mr. and Mrs. St. from Plano and Dennis. Later in the evening, Gebauer and Brad Ladd for awhile.

Mr. J. H. Poindexter dismissed from Mercy last Saturday after a stay but became sick Sunday and was admitted to Texas Hospital in Lubbock Monday morning.

Recent visitors in the Long home were: Mr. and Mrs. Romines of Plainview, Poindexter of Seattle, W. A. Long, Mr. and Mrs. George Long and Mrs. Cope of Snyder, Oklahoma, and Mrs. Larry Long, Sandie Orr of Lubbock, Phillip Noble of Post, Happy Birthday to Poindexter on his 8th day which is today, Mrs. Roy 3rd. Since he had to go into the hospital today, it isn't such a happy after all!

Sherri Wilke and Gl gave a New Year's for some of their friends attending were: Loree Mark Schwertner, Del Ken, Greg Kitten, Edchal and Larry Heinr.

Until next week, "Happiness is possible when one is busy. The toll, the mind must be lifted, and the heart must opportunity offers are seen all the time, need not doubt the

Wilson To Hold Farm Welding Short Course

"A farm welding short course for adult farmers will be held Jan. 10, 11, 12, 13 under the sponsorship of the Wilson High School Vocational Agriculture Department, according to Mr. Glenn Mitchell, Superintendent, and Mr. Bob Lee, teacher of vocational agriculture.

Mr. Joel R. Barton, welding specialist with the Vocational Agriculture Division of the Texas Education Agency, and the department of Agricultural Engineering at Texas A&M University, will do the instructing in the course. He is headquartered at Texas A&M University.

Mr. Barton is a native of Glasscock County, Texas, and was reared on a West Texas ranch. He attended grade school in San Angelo and graduated from high school at Big Lake, Texas. He holds a B.S. degree in Animal Science from Texas A&M. After five years as a pilot in the U.S. Air Force, Mr. Barton served as an agricultural specialist in Texas state hospitals and special schools. In addition to regular classes, he set up farm shops and gave instruction in farm welding and general farm repair.

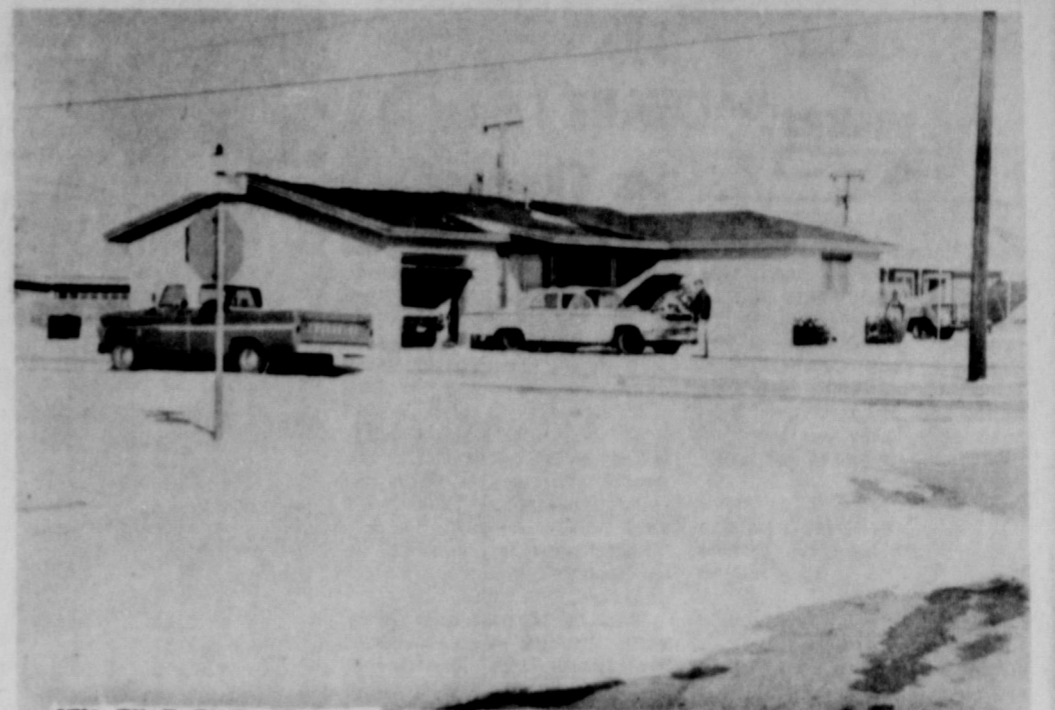

Mr. Barton joined the Agricultural Education Adult Specialist Program as Arc Weld-

ing Specialist in October, 1959. He has attended Hobart's Welding School for instructors in Troy, Ohio, and a special school on hard-facing conducted by industry personnel from Whittier, California.

"Many welding short courses in various parts of the state have been taught by Mr. Barton and all have met with outstanding success," according to Hul-an Harris, area supervisor of vocational agriculture, Big Spring, Texas. Arrangements for the adult education short course in welding and in other fields are made through Mr. Harris's office.

The short course at Wilson is scheduled to begin Jan. 10 at 7:00 in the vocational agriculture building. Other meetings in the series of four will be held Jan. 11, 12, and 13. During the dates the short course is in progress, Mr. Barton will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Bobby Lee.

Farmers interested in attending the short course should write or call the superintendent of schools, Mr. Glenn Mitchell, or the teacher of vocational agriculture, Mr. Bobby Lee. An entry fee of \$6.00 will be charged. Farm Welding Short

IT'S THAT TIME OF YEAR---Dwayne Miller of Colorado Springs, visiting the Floyd Fisher family of Slaton, was among numerous Slaton residents having car problems after the plunging temperatures and snow Monday night. Service stations and auto service departments were swamped with calls from car owners. Other folks hastily checked anti-freeze after temperatures dropped to three degrees Wednesday morning.

Wilsonites Come To Aid Of Ailing Neighbors

Course Certificates will be presented to each enrollee who attends all the training sessions.

Mr. Barton states that the short course will be adjusted to wishes and interests of farmers enrolled but that he expects to cover such subjects as safety in welding, factors controlled by the operation in running a bead and striking an arc, types of electrodes, preparation of joints, distortion, cutting, hardsurfacing, and pipe welding.

"Short courses in welding, as well as in other areas, are now available to farmers throughout the state under a cooperative program between the Texas Education Agency and Texas A&M University," stated Bob Jaska, associate professor, Department of Agricultural Education at Texas A&M University, who coordinates the program for Texas A&M.

"This cooperative program," states Jaska, "is designed to make the services of specialists available to conduct short courses under the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people."

Specialists are available in the fields of beef cattle, farm wiring and safety, farm electric motors, farm arc welding, swine production, tractor maintenance, oxy-acetylene welding, and pasture improvement.

Friends and neighbors rallied last week to help bring in the crops of the L. H. Traweck family of Wilson. Traweck has been hospitalized since Dec. 18 and was recovering from surgery while his crops lay waiting for harvest.

Twenty-one strippers converged on the Traweck farm last Monday and gathered 39 bales of cotton from the 75 acres in two hours.

WELCOME SUBSCRIBERS

THE SLATONITE would like to welcome the following new subscribers: W. D. Vardeman, Rt. 1, Slaton; W. B. Jeter, Lubbock; L. G. Phillips of Mesquite; H. C. Heinrich of Slaton; W. W. Stanley of Slaton; Gene Detton of Slaton, and Linda Guelker of Dallas.

Speakers From TANE To Be In Six Churches

Subjects of many sermons Sunday will be alcohol abuse and drug abuse. Speakers from Texas Alcohol Narcotics Education (TANE) will occupy pulpits in six churches in Slaton Sunday Jan. 9.

"Problems of alcohol and drug abuse are growing daily. It is going to be up to the people who care, to do something about these problems," said Rev. Albert F. Tucker, TANE Executive Director. "We find people who care in Texas churches," he said.

TANE's purpose is to prevent, through education, problems that arise from use of alcohol, narcotics, and other dangerous drugs.

"We do not speak in local churches with the idea of reaching drunks and dope addicts, but to report to the people on the problems and what is being done about them," Rev. Tucker said.

A non-profit, educational organization, TANE has been in existence since 1935. Programs include the speakers bureau, made up of more than 150 men; public school assembly programs; publishing; production of audio visual aids; legislative information service; research; a free film lending library; an annual school on alcohol and narcotics education, sponsored jointly by TANE and Baylor University, held each February in Waco, and public information service.

TANE's books and filmstrips have been distributed throughout the United States and the English-speaking world. Some have been translated into other languages, for use in South America and the Far East. Churches in Slaton to have TANE speakers include First United Methodist Church, Rev. Bruce Parks, pastor; First Baptist Church, Rev. J. L. Cartright, pastor; First Christian Church, Rev. Clinton Eastman, pastor; First Assembly of God, Rev. Henry Russell, pastor and Templo Bautista, Rev. Glenn Smith, pastor.

ITEM: In the active world of teenagers adequate diets often are forgotten. Six out of ten teenage girls and four out of ten teenage boys have poor diets because of their eating habits. Among the reasons for these improper diets are: skipping breakfast, eating nutritionally poor snacks, believing that eating makes one fat, and considering outside activities more important than eating.

Heard Service Held Wednesday

LEVELLAND (Special) -- Services were held at 2 p.m. Wednesday in the George C. Price Funeral Home Chapel here for J. R. Heard, 57, a long time ginner.

Heard died in Methodist Hospital in Lubbock at 12:10 a.m. Tuesday. The Rev. Bob R. Robbins officiated.

Heard, of Route 3, Levelland, managed gins 18 years, then was an owner of gins at Slaton and Whittarral. Prior to his illness, Heard managed the PETERSBURG DELINING COMPANY.

He was born in Sayre, Okla., June 10, 1914, and attended high school in Childress.

He was a member of the Elks Lodge, Hillcrest and Levelland Country clubs, the Geographical Exploration Society and the Levelland Methodist church. He also attended Texas Tech University.

Tahoka Pioneer Services Wed.
Services for Mrs. Lillie Lee Pesterfield, a Lynn County resident for more than 51 years, were held at 2 p.m. Tuesday in First United Methodist Church of Tahoka with the Rev. Hugh Daniel, pastor, officiating. Burial was in Tahoka Cemetery.

Mrs. Pesterfield, 61, was born in the Indian Territory, and was married to the late Jessie M. Pesterfield in 1913 at Purcell, Okla. They moved to Lynn County in 1920 from Riverside, Calif.

Survivors include a daughter Mrs. Mary Ellen Gattis of Tahoka; and two granddaughters.

ITEM: It is estimated that 50 percent of the American population starts the day with a totally inadequate breakfast. By skipping or skimping on this important meal, individuals can miss 25 to 33 percent of their daily allowances of a variety of nutrients.

Survivors include his wife, Mavis; mother, Mrs. Bessie M. Heard of Lubbock; one daughter, Bille Anne Robbins, Levelland; one son, Capt. James R. Heard III stationed with the U. S. Army in Lawton, Okla.; two brothers, O. C. Heard Jr., Lubbock, and Perry Heard of Wilcox, Ariz.; and two sisters, Mary Burton, Lufkin, and Ruth Clapp, Lubbock.

Pallbearers were Earl W. May, Levelland; Frank Sehon, Wolforth; Joy Howell, Seminole; Victor Buxkemper and Joe Rhoads, both of Slaton; and Thomas Price, Pettit.

SUNDAY'S SERMON

If you don't like the world you are living in, do something about it. Turn your world around. You cannot bring peace to the Far East. You cannot feed all those who are hungry in your home town.

But, you can make a better world, your part of it. You begin with self. What you are. What you do. You include family, friends, neighbors, business acquaintances. If you work for peace, happiness, brotherhood, within this circle, your world will surely begin to change.

Your struggle for a better world can be contagious. It will "rub off" on those with whom you come in contact.

Do not expect miracles. Just put the right foot forward and watch for the change that will surely come.

Across the width and breadth of the land stand monuments to important moments of the past. Across the face of the land, are the page markers of history, calling attention to some historic settlement, remembering those who gave their lives for cause. Through effort, through days of struggle and conflict, a nation came to greatness. It is not a perfect land. But, it is a great one. We should strive to make it better, to leave to our children a heritage of peace and not of conflict.

Slaton Edges Canyon For West Texas Girls' Crown

Defense was the name of the game in the championship finals of the West Texas Girls Invitational Basketball Tour - named here Thursday night, and Slaton's Tigerettes won it by an eyelash over the Canyon Eaglettes, 38-37.

Slaton used a balanced scoring attack and outstanding guard play to successfully defend its title in this second annual tourney. Karla Kitten, selected as the tourney's outstanding forward, led Slaton with 14 points -- followed closely by Gretta Stricklin with 13 and DruAnn Beard with 11.

The Tigerette guards--Gorla Cass, Patsy Gamble, Elnora Moore and Petra Gipson -- turned in great play, and Canyon's all - tourney forward Kris Tucker was held to only 3 points. Miss Gamble was named the tourney's outstanding guard.

Cochair Benson's Tigerettes took a close 21-17 lead at halftime of the title game, but fell behind at 30-29 after three quarters. Stricklin hit 5 points to lead Slaton to a 9-7 advantage in the final period, and Moore made a game - saving block of a Canyon shot.

Petersburg won the third - place trophy with a close 59-53 triumph over Tulla; New Home took a high - scoring 72-69 win over Klondike for consolation honors, and Cooper captured the 7th - place trophy with a 62-27 conquest of San Angelo Lake View.

McCamey's girls won the team sportsmanship trophy, while Denise Chadwick of Floydada won the free - throw contest conducted during the tournament. There were 22 teams entered in the big holiday tourney which ran from Dec. 27 through Dec. 30.

Slaton placed three on the all - tournament team -- with Kitten and Gamble winning the outstanding player awards and Gorla Cass being named as one of the guards.

The all - tourney forwards include Debbie Mosser of Christ the King, Leanne Waddell of McCamey, Kris Tucker of Canyon, Debbie Webb of New Deal, Elizabeth Keune of Klondike, and Cheryl Fillingim of New Home.

The guards were Gorla Cass of Slaton, Donna Davis of Tulla, Joy Williams and Julie Coffman of Canyon, Peggy Phillips of Idalou, and Ava Adams of Petersburg.

After rolling over Lorenzo, 78-19, and Christ the King, 55-28, Slaton scored a 62-45 win over Tulla in the semifinals. Kitten pumped in 41 points in one of the tourney's top individual performances to spark the Slaton attack. Tulla had three in double figures, led by Ronda Love's 17 points.

Canyon had trounced Roosevelt, 73-36, and downed Idalou, 48-18, before edging Petersburg, 42-39, in the semifinals. Kris Tucker led Canyon with 14 points against Petersburg, while Patti Armstrong tallied 23 for the losers.

Judy Justice hit 20 points and Armstrong had 18 in leading Petersburg to third place over Tulla, 59-53. Ronda Love had 24 for the losers.

Cheryl Fillingim tossed in 31 points and Carol Sealy and Becky Blevins added 21 and 20 points to lead New Home to a 72-69 win over Klondike in the consolation game. Debbie Bradford led Klondike with 41 points.

Cathy Dunn hit 26 points and Marilyn and Cindy Payton had 24 and 16, respectively, as Cooper rolled over Lake View in the 7th - place game. Diane Morgan had 15 for the losers.

In the other Thursday - morning game, New Home had advanced to the consolation finals with a 56-38 win over Cooper. Fillingim hit 33 points for New Home in that triumph, while Marilyn Payton had 20 for the losers.

Debbie Bradford of Klondike, who missed all - tourney honors, was the high individual scorer in the meet and had the high individual game. She tallied 172 points in five contests -- a 34.4 average. She recorded 43 points in one game and had 41 in another.

Marilyn Payton of Cooper was second in scoring with 111

points in five games, and she, too, missed the all - tourney squad. Debbie Webb of New Deal, who played only two games, scored 76 points and posted the best average per game with a 38.0 mark. Cheryl Fillingim of New Home, an all - tourney selection, was third in scoring with 107 points in just four games for a 26.7 average. Liz Keune of Klondike had 103 points in five games, and Karla Kitten hit 88 in four games.

Miss Bradford of Klondike broke the only individual record for the tourney with her 172 points. Peg Cox of Idalou set the mark last year with 144 points in five games. Slaton set a new team mark on the biggest margin, beating Lorenzo by 59 points in a 78-19 decision. Klondike set a new team high for a game in its 85-31 win over Lake View.

The second annual event was sponsored by Slaton Chamber of Commerce, with Dee Bowman and Glen Akin serving as co-chairmen. Gay Benson was tourney director. Volunteer workers manned the concession booth for the C of C.

Beautiful trophies were awarded the top four teams in the winner's and loser's bracket, and trophies were presented to the All - Tournament team. A team sportsmanship trophy, and individual medallions were also presented.

Both the highest and the lowest points above sea level in the United States are in California.

TWO FOR TIGERETTES--Karla Kitten, named as the "outstanding forward" of the tourney, goes up for two points in the championship game against Canyon Thursday night in the West Texas Girls Invitational. Slaton won the tourney title over 21 other top girls' teams competing in the second annual holiday event here. Canyon was the runner-up, and Petersburg downed Tulla for third place honors. New Home beat Klondike in consolation, and Cooper won 7th place over Lake View. (SLATONITE PHOTO)

License Plate Forms Mailed

AUSTIN -- If you own one or more of the more than seven-and-a-half million motor vehicles in Texas, some important mail is coming your way.

The first of 7.5 million renewal applications from the Motor Vehicle Division of the Texas Highway Department were dispatched from the Post Office's facilities in Dallas on Friday, December 31.

Owners of motor vehicles should be receiving the renewal applications -- for obtaining 1972 Texas license plates -- early in January.

The actual motor vehicle registration "season" at county tax offices does not begin until February 1.

However, vehicle owners may go ahead and order their license plates by mail immediately.

All that is required is to send the entire renewal application, the registration fee and \$1 for each vehicle to be registered to the local county tax office. License plates will be returned by mail after registration begins formally on February 1.

Vehicle owners should allow at least 30 days for processing and delivery. The application should be sent to the local

Southwestern Public Service Plans Improvement

A five - year construction and improvement program which envisions an investment of more than \$144-million between now and the end of 1976 to stay ahead of this area's service needs of this area was announced today by Roy Tolk, president of Southwestern Public Service Company.

"We see nothing but growth - real growth - in the future of our area. It is not a question of a 'created demand' for electric power, which is the current battle cry of the uninformed critics of our industry, but it is a true growth based on the development of the area's economic potential and customers' need for more electrical power. There really wouldn't be much sense in planning to invest nearly \$150 million if all you were doing was trying to make headlines.

"This region, and the nation as well, needs more electric power not only for growth, but for environmental considerations. Electricity is the cleanest of all energies at the point of consumption, and we will need more and more clean energy for sewage and water treatment, disposal of wastes and the solution of other environmental problems," Tolk said in announcing the construction plans. Generating station additions

with larger capacity; and to locate units where fuel and water resources and load balances are most favorable. These are factors of efficiency and economy which are im-

portant to our customers, as these factors will be combined to provide the least costly kilowatt hour for our customers," Tolk said.

Also, in its continuing efforts to conserve the resources of the region, the company plans to install a combined cycle unit at its Riverview Station, near Borger, in 1973.

The combined cycle unit is a gas turbine capable of producing 25,000 kilowatts of electric power.

The heat that remains in the gas turbine exhaust, after the electric power is produced, is used to provide a major part of the steam requirement for a steam turbine unit at the plant. The result is that more power is generated with less fuel and water as a result of the combination than could be accomplished with the two units operating separately. So there is both fuel and water conservation.

Expanding on the intertie with the first oil well in the U.S. was built in Titusville, Pa., in 1879.

Public Service Company of Oklahoma, Tolk said that the 230,000 volt transmission line would run from Southwestern's Nichols Station, northeast of Amarillo, to Elk City, Oklahoma.

"We have been responsible for providing our own power resources since this company was formed. I'm happy to say that we have always had an adequate supply and ample reserves. This new tie will make us members of the Southwest Power Pool and will provide a market for any excess power we might have at off-peak times. It is conceivable that, by the process of transformation from one adjacent area to another, our excess off-peak capability will make it possible to help other companies meet their needs as far away as the east coast," Tolk pointed out.

Continuing on the reliability and capability to serve them, Tolk went on to say that the company was projecting a 22% reserve margin of available power for the peak demand expected in the summer of 1972.

This is a relatively high margin, but Tolk pointed out that 1972 will be the first full year of operation of the Jones Station first unit, which was installed to meet three years of normal load growth, and that it is normal for the reserve to be higher at this time.

"We'll be right back down to a normal reserve capability when it is time for the 1974 unit to come on the line. Then, we'll have additional new capacity to assure our reserve position again. Once you get started in the utility business, it's like perpetual motion, you must stay ahead to meet your obligations to your customers," Tolk said.

Southwestern Public Service Company serves 230,000 customers in a 45,000 square-mile service area running from the southwest corner of Kansas across the Oklahoma and Texas Panhandles, the South Plains of Texas to the Clovis - Portales and Pecos Valley regions of New Mexico.

"Take Five" to millions of military veterans means to take time off to rest.

To us, "take five" means detailed work and planning for the next five years.

We'll be investing more than \$144 million in power plant capacity and the lines and equipment needed to get an adequate supply of electricity to you. Electricity that will be needed for sewage and water treatment, disposal of wastes and for other environmental "clean-ups". Electricity, the cleanest of all energies at the point of consumption, is being depended upon as the means for effectively and efficiently cleaning up our environment.

And, adequate electricity will be needed just for the normal growth of people, their industries, their jobs, their resources -- nothing frivolous, mind you -- just normal, everyday solid growth.

Yes, through 1976, we'll be taking five -- doing the worrying -- so you won't have to . . . so when you want electric power it'll be there at the flick of a switch.
