Homecoming Queen Candidates--The three pretty senior girls pictured above were selected this week by the Slaton varsity football boys as candidates for homecoming queen. Left to right, pictured with a Tiger, are Marsha Bednarz, Elena Paschall and Eugenia Sokora. The queen will be crowned during a ceremony at 7:15 p.m. Friday night at Tiger Stadium, followed by the Slaton-Ralls football game. (SLATONITE PHOTO)

The Slaton Tigers, winners in three of their last four outings, will try to make a Homecoming crowd happy Friday night at Tiger Stadium when they host the Ralls Jackrabbits in a District 4-AA encounter. Kickoff time is 7:30 p.m., with pre-game Homecoming ceremonies starting at 7:15. Tiger Coach Ernie Davis reported his gridgers in good physical condition, overall, but

several still nursing injuries. Although the visiting Ralls team is winless this season, Davis cautioned that "we can't take them lightly or they could surprise us." He said Ralls has two fine running backs in Tony Chron (180) and Lee Clodfelter (180). Ralls coach David Baugh returns 10 lettermen from last season, including four offensive and six defensive starters. He

says the team has more backfield experience this season, but less size in the line. Davis hopes that two-way starter Ron Bartley will be going full speed again Friday after seeing only spot action in the Tahoka game. Bartley is the leading rusher and a defensive standout at linebacker. Tackle Dwayne Bukemper, a defensive starter, missed last week's game and is still limping this week with a sprained ankle. He is a "doubtful" performer for Friday night.

Tackle Curt Woolever, who twisted an ankle in the game last week, may be ready to go full speed again. Halfback Jackie Ford also may be ready for action after being slowed by a shoulder bruise. With just one game remaining after Ralls, the Tigers will be seeking to windup the season with a couple of victories -- with only slim hopes of figuring in the title picture. League-leading Roosevelt is unbeaten with two games left.

The starting lineups for Slaton are expected to be about the same as in previous games. Bartley may get the nod at halfback if he's going full speed, but Tommy Taylor will probably start in place of Bukemper. Tony Martin took over for Bartley in fine fashion last

week, winding up as the top rusher with 73 yards.

It will mark the last home appearance for 22 Slaton seniors, with 8 starting on offense and 10 on defense. Bartley is the lone junior starting on defense, and he joins quarterback Steve Nieman and fullback Kenny Schuette as the only juniors starting on offense.

Regular senior starters -- both ways -- include Mike Speer, Brad Winchester, Stan Jaynes, Steve Mosser and Bobby Hopper. Starters on either offense

QUEEN CANDIDATES NAMED; BONFIRE, RALLY TONIGHT

Homecoming activities get underway at 7:30 tonight as a huge bonfire will be blazing and a pep rally will be held near the Tiger football stadium. Then on Friday, a pre-game program will begin at 7:15 p.m. when the football sweetheart will be crowned. Time for kick-off for the Slaton-Ralls game is 7:30 p.m.

Candidates for football sweetheart are seniors Elena Paschall, Marsha Bednarz and Eugenia Sokora. Escorts for the candidates will be the football captains, Kenneth Winchester, Bobby Hopper and Randy Davis. Mr. and Miss Flame candidates were chosen Tuesday by popular vote of each class. The class contributing the most to the bonfire will win the honor of its candidates being Mr. and Miss Flame for 1971-72. Freshman candidates are Alan Brunson and LaDonna Jones; sophomores are Dwayne Mosser and Frana Cass; juniors are Curtis Woolever and Petra Gippson; and seniors are Dwayne Bukemper and Joyce Heinrich. The public is also invited to a pep rally Friday at 3 p.m. in the SHS gym.

Other homecoming festivities include a spaghetti supper to be served in West Ward Cafeteria from 5 to 7 p.m.

SPAGHETTI SUPPER SET FRIDAY NIGHT

A spaghetti supper will be held in the West Ward Cafeteria Friday from 5 to 7 p.m., with a special invitation to football fans and Homecoming exes to attend.

The supper is sponsored by the West Ward Elementary PTA. Tickets will cost \$1.50 for adults and 75 cents for children.

Proceeds from the supper will help buy air conditioners for West Ward classrooms. Several air conditioners have already been purchased by the PTA, but about 15 are still needed.

Two Boys Injured In City Accidents

A rash of accidents in Slaton the past week left two boys seriously injured, one in a hit-and-run collision and the other falling from a pickup.

Cary B. Jones, 11, was removed from intensive care at Methodist Hospital in Lubbock Wednesday morning and reported improving after falling from a moving pickup Tuesday night.

Officers said Jones apparently fell from the back of the pickup his father, Donald Jones, was driving down W. Division street about 9:48 p.m. Tuesday. Some cardboard boxes also fell from the pickup, and officer Jim Johnson credited Mrs. Stella Hamer with possibly saving the boy's life. Mrs. Hamer, 700-A S. 11th, stopped and went to the youth and flagged down approaching cars immediately after the mishap. The officer said the boxes could have kept motorists from seeing the youth.

Johnny M. Maldonado, 15, was seriously injured Sunday

night when the bicycle he was riding on E. Division was struck from the rear by a car, which left the scene of the accident. He was reported in "fair" condition Wednesday morning at Lubbock.

Charges of failure to stop and render aid were filed in the district attorney's office at Lubbock Tuesday against Arnulfo Sandoval, 21, of General Delivery, Wilson. He was also charged with five violations in Slaton Corporation Court, pleading guilty and being assessed a fine of \$202.50.

Police reported that officer Randal Holley spotted a car at a local service station about 2 1/2 hours after the hit-and-run accident and stopped to investigate. He said the suspect appeared to be drunk, and his vehicle had a dent on the front fender. Upon further investigation he found a piece of blue cloth lodged on a chrome piece on the fender, and it was later

LIGHT FROST IS RECORDED

A light frost was recorded in Slaton Wednesday morning, with the local Pioneer Natural Gas Co. office reporting a reading of 32 degrees for a few minutes shortly after 7 a.m.

The weather was predominantly cool and dry the past week, after light showers fell on Thursday and Friday. High temperatures were in the 60's four of the past seven days, with a high of 78 degrees recorded Tuesday.

Some ginning activity was reported in the area after a small number of farmers began early harvesting of defoliated cotton. The light frost this week was expected to nip the foliage of the cotton, leading to more harvesting. Many fields still have bolls that are not open as yet, however.

The light frost Wednesday was the result of a large mass of cold, dry Arctic air which moved into the area. Warm afternoons were expected to continue this week.

The first cotton sample for the 1971-1972 season was classed Sept. 9 by the USDA's Consumer and Marketing Service, Cotton Classing Office

Goal of \$70,210 Set By Hospital Foundation

The board of governors of Slaton Hospital Memorial Foundation Tuesday night approved the execution of preliminary agreements on the transfer of Mercy Hospital, adopted the proposed bylaws for the foundation, and set a goal of \$70,210 for a community financing campaign.

As soon as necessary legal steps are taken, the Sisters of Mercy will transfer the hospital property to the Foundation -- organized as a non-profit community agency to operate the hospital.

The board approved two agreements -- one for the transfer of the property, and one a service agreement with the Sisters at Mercy Hospital. The latter agreement will provide for the services of Sisters who wish employment at the hospital "in appropriate capacities for which positions are available."

The transfer agreement includes all hospital properties except the convent and the chaplain's residence. The agreement with the Sisters provides that they can be elected to the board of trustees, that a retirement plan similar to one presently in force will be adopted by the board of trustees, and that the Sisters will pay \$500 a month for meals. Salaries will be paid Sisters employed by the hospital.

The board reviewed a revised cost estimate which totalled \$70,210 -- the amount set for the financing goal. The estimate, termed as "liberal" by board chairman Bill Sewell, includes some 13 deficiencies listed by Texas Hospital Licensing officials.

Most of the total is seen in two "deficiencies" -- installation of new fire - safety doors, \$30,000; and installation of a fire tower on the north end of the building with proper corridor connections, \$19,000.

Sewell pointed out that not all of the repairs or modernizations have to be made immediately. He announced that the hospital's accreditation has been extended to November, 1972, and that HEW approves the present operation.

The bylaws provide for the original Board of Governors to include persons who contribute \$100 or more to the Foundation. The governors will appoint a board of trustees, who will take care of the actual administration. The board of trustees will be made up of from 5 to 25 members, the

City, School Sessions Monday

Both the Slaton City Commission and the Slaton School Board will hold regular monthly meetings Monday night.

The commission meets at 7:30 p.m. in the Municipal Building. Routine business is on the agenda, along with a discussion of the "junk car" ordinance.

The school trustee meeting also starts at 7:30 p.m. at the administrative offices on S. 9th St.

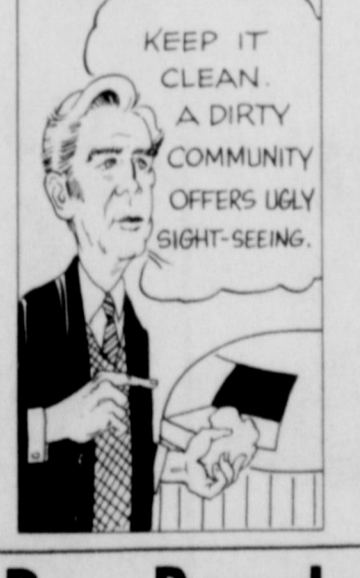

Rotary Holds Farmers' Day

Dr. Lavon Ray, Texas A&M Research & Extension Service, was guest speaker when Slaton Rotary Club held a special "Farmers' Day" meeting last Thursday at the Clubhouse.

Dr. Ray spoke on narrow-row cotton planting practices, using slides while discussing the advantages and disadvantages of the program. He said new varieties of cotton are being developed to provide smaller plants with early maturity, and narrow-row harvesters have also been developed.

J. S. Edwards and Chris Kirksey had charge of the program. All members had been asked to invite a farmer to the regular weekly luncheon meeting. Dee Bowman introduced the guests.

Mid-Town Mayor

Church is First

A "first" for Slaton Chamber of Commerce was announced Wednesday by Earl Bartley, executive vice president.

Bartley announced that Grace Lutheran Church had requested and paid for a membership in the C of C. "It is the first church to join the Chamber, and we are pleased to welcome this membership," Bartley said.

Ministers have held memberships in the C of C before, Bartley added, but it was the first time for a church to buy a membership. "It's the first one I remember since I've been a Chamber manager," he added.

Bowman Leaves Radio

Dee Bowman, general manager of KCAS Radio in Slaton, has resigned his position to enter full-time ministry. It was announced this week.

Bowman left the station effective Nov. 1 and has been succeeded by Jim Davis, formerly associated with a radio and television station in Amarillo. Well known for his civic and church work, Bowman's show-

business background also made him much in demand as a speaker and master of ceremonies for many events around the South Plains. He came to Slaton in December, 1961, "to stay about three months to help get KCAS on the air."

The three months stretched into almost 10 years, with Bowman staying on as sales manager for four years and then

serving as general manager for six years. He has been the "voice of the Tigers" for Slaton sports events, and will finish out the football season while continuing to reside in Slaton.

Bowman will begin full-time ministry at the Auburn Street Church of Christ in Lubbock, where he has been serving as part-time minister for several years. He has worked with small churches for the past 12 years, filling the pulpit when needed.

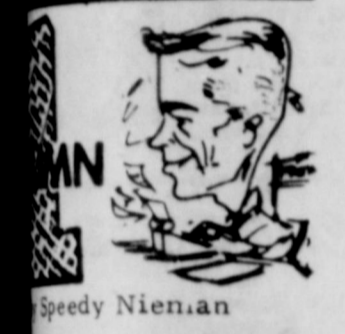

A past president of Slaton Rotary Club, Bowman has also been a Chamber of Commerce director for several terms, has worked with Little League and Boy Scouts, and has served on numerous committees in civic projects. He has been called on to "emcee" numerous events in Slaton and the surrounding area, and is a popular banquet speaker.

Born in Estelline and reared in Morton, Bowman received his education at Morton and Texas Tech. He began singing early with his brothers, appearing in his first real stage show at the age of 6.

He started his radio work while a senior in high school, and the "Bowman Brothers" made their first major record at that time. Their first album, "Bowman Brothers with the Modern Touch", was released a year later. Their first big hit, "Hey, Punkin'", was released by Dot Records.

Dee and his brothers have appeared at several Slaton functions by special request. Bowman and his wife, the former Norma Jean Fullington, have

Now November. The October leaves have turned loose and floated to the ground. Red and yellow, tinged with brown. Yours for the taking. The moon that was orange and full has faded to a pale, silver glow. Have you taken time to see?

DEBBIE JONES, daughter of DR. and MRS. BILLY JONES of Amarillo, was a recent houseguest of the HARLEY MARTINS. Debbie and TYRA MARTIN are roommates at Chitwood Hall, Texas Tech. Also a guest of the Martins recently was MRS. LAWRENCE JAMERSON of Bovina, a high school friend of Mrs. Martin's.

MR. and MRS. JACK LANCASTER and sons of Amarillo have been visitors in the homes of MRS. EDGAR MOSELEY, the HARLEY MARTINS and the ED MOSELEYS.

The TOM ANSLEY home at 305 West Lynn was appropriately decorated for Halloween. Any ghost worth a hoot would have been lured by the luminaries and the lighted jack-o'-lanterns which beckoned from the front porch.

It was my pleasure to be a guest of the local art club last Tuesday evening when RHEA DOHERTY was hostess. That group of artists represent a lot of varied talent. NAY - DIENE CANNON (MRS. OTIS) was guest artist for the evening, and presented some fresh ideas for the Christmas season, which is just around a nearby corner. With her energy, enthusiasm and talent, Naydiene is always inspiring.

Chatting with LOHI ANNE LAMB (MRS. WAYNE) I learned she has just vacationed in Galveston. She spoke of watching the waves over the sea wall, eating fresh seafood, the perfect weather, the beautiful oleanders and hibiscus. Sounds perfect, doesn't it?

Home for the weekend from Incarnate Word College in San Antonio were JANICE BUX - KEMPER, daughter of MR. and MRS. LEROY BUXKEMPER; NADINE MEURER, daughter of MR. and MRS. PAUL MEURER and THE ALVIN KITTENS daughter, MARSHA.

MR. and MRS. L. W. VARD-DELL were visiting friends here last week. They are now making their home in San Angelo.

The R. E. (DICK) EVANSES have found their way home again after being away for three weeks and visiting places such as Truth or Consequences, New Mexico; Tucson and Yuma, Arizona and San Diego, Calif.

Good news is hearing MRS. BRAD DOHERTY was dismissed from Methodist Hospital Saturday after having been a patient there for a week.

MRS. STELLA HAMER has had as her guests her sister, MRS. J. F. HOECH, and niece, ELIZABETH HERSHEY, both of Heavener, Okla.

Among students who will be home this weekend for Slaton High homecoming will be TOM MELTON, LARRY BECKER and LANDY BOWNS. The three-some attend school at Stephen F. Austin in Nacogdoches.

MR. and MRS. T. E. McCLANAHAN have returned home after attending two trailer rallies. At Graham, Texas they joined the Royal Rovers Club meet, where forty-four trailers assembled. It was there they visited former Slatonite, GORDON BURRELL, and his sister, GLADYS BOLDIN. The couple spent a couple of days in Wichita Falls visiting a son, R. C. Poppy Day Set

The American Legion Auxiliary has set Wednesday, Nov. 10, as Poppy Day in Slaton. Poppies will be available so everyone will have an opportunity to wear one on Veterans Day, Nov. 11.

The auxiliary is also making plans for its annual Christmas gift shop for veterans at the VA Hospital in Big Spring. Items are being collected through November to take to the hospital. These gifts should not be gift wrapped, as they are used for patients to select for their loved ones.

The auxiliary meets Nov. 18 at 7:30 p.m. in the Slaton Club House. Membership dues will be accepted at that time.

THCA Meeting Held In Lubbock

Mrs. Winnie Vaughn of Slaton attended the THCA meeting held in Lubbock Monday at the State Savings and Loan Association building.

An election of officers was held, with Mrs. Vaughn as the chairman of the nominating committee. The following persons were elected: Kay Davis of Lubbock, president; Diane Hutcheson, first vice president; Jerry Neil, second vice president; Janell Robbins, third vice president; Glenda Drew, secretary - treasurer; Tommie Davis, reporter - historian; and Nola Cline, representative.

Plans were made for the state convention to be held in Lubbock in August of 1972.

Guest artist, Diane Hudgens, presented a program featuring the new looks in hair design. Mrs. Vaughn invited all local hairdressers to join the Lubbock Affiliate #26. They may contact her at Cinderella Beauty Salon. The organization works to benefit all hairdressers and improve salon business for everyone.

Sla-Ton Tops Club

The Sla-Tons Tops Club met Thursday night with Mary Wilson presiding. Eight members weighed in with four losing weight. Mary Wilson won the Grab Bag for losing the most weight.

She read the following poems for members: LET US SMILE, by Wilbert D. Nesbit, ALONG LIFE'S ROAD, by Frank Carlton Nelson, and THIS DAY IS MINE, by H. Howard Biggar. Auction prizes were passed out, and the auction was held again.

Visitors are welcome each Thursday night at 7 p.m. at the Hospital Dining room.

POPPY DAY PROCLAIMED—Mayor Bland Tomlinson is receiving the first Poppy sold this year by the American Legion Auxiliary after he proclaimed Nov. 10 as Poppy Day in Slaton. Pinning the Poppy on his suit is Miss Mary Lawson, 12, daughter of Mrs. Katherine Lawson. Mrs. Ruby Holt is chairman of the Poppy Day drive and headquarters will be at the Red Arrow Cafe. Anyone interested in helping should report there at 9 a.m. next Wednesday. (SLATONITE PHOTO)

BY BOBBIE HOGUE

This has been another great week here at our home. Topping the week's activities was a Halloween party Thursday night. A "Hillbilly Talent Show" was presented for an audience of more than 60. Eight acts participated in the show, and several of the home residents were decked out in Halloween masks.

as she sang several nostalgic favorites. Bobbie Greer, on the bazooka, was accompanied at the piano by Mr. Howard, a home resident. Vera Johnson livened things up with her monkey act, and she also recited a poem, and sang several songs, as well as participated in the two-piece band.

Bro. Vernon Baggerly played his guitar and sang several sacred songs. Judy Sage accompanied herself on the guitar

Margret Bartley and Brenda Crowson teamed up as twins for a musical comedy act. Margret also acted as master of ceremonies for the party. Bob-

bie Hogue presented "Miss Minnie Pearl" from Grinders' Switch, and participated in the piano and comb duet. Mitchell and Tracy Bartley came dressed as little goblins, sang Halloween songs, and treated the residents with candy.

Our thanks also go to Mrs. Vivian Rucker of Lubbock, and Cecelia, who assisted with refreshments, as well as to all those who helped in the talent show, making it a success.

Mrs. J. M. Shafer donated some beads this week. We use old jewelry in our craft work. Mrs. Lewis Mosser donated a book of green stamps, as we continue receiving stamps from friends. We plan to purchase a camera for the home as our next project.

Several friends have donated egg cartons for our crafts. They make beautiful waste baskets. We do not have their names, but you have our thanks. Mrs. Audrie Wilson is helping out with crafts now.

It is good to see Annie Gentry up and getting around in her wheel chair again. Mrs. Stevens, at last report, is reported to be doing nicely.

SUNDAY'S SERMON

Happy Fellow

Have you ever noticed that some individuals always seem to "walk in the sunshine"? Each of us knows one or more such happy fellows. Life never seems to upset them; if anything is wrong in their world, we never know it.

Did you ever wonder why? Surely no one can go through life with some share of sorrow, some portion of the defeat and misery that life often hands out. The answer must lie in a personal unwillingness to accept that which is bad as permanent, and with a continued trust in a better tomorrow.

Take a page from the book of some happy fellow you know. Don't give in when some part of your world turns sour. Believe, pray and hope. Know that God will not desert you, will not forget you.

Do the best you can with each situation of life. When you have done your best, do not waste time worrying about any lack of success. Put your time to something useful that you can do now, to some planning for the things you can do tomorrow.

You will be a happy fellow.

We shall never have world peace until we have world brotherhood. We shall never have real peace until every man learns to accept that which is "different" about his neighbor, whether that difference be a matter of race or creed. Prejudice, intolerance would have to go. The selfish, the greedy would have to mend their ways.

But, we expect too much. We are talking about a perfect world, which we shall never see.

What we can do, as individuals, is to try to make it better. Each of us, every day, by good works and by example, can help to make a better world.

If we do this, we have made a beginning.

1/2 cup pineapple juice
Combine dressing, ginger, salt, soy sauce and pineapple juice. Pour marinade over spareribs and refrigerate 8 to 10 hours or overnight. Turn spareribs once while marinating. Place ribs on a rack in a roasting pan. Bake in a moderate oven (350° F.) 2 hours or until done. Baste ribs every 15 to 20 minutes with marinade. 4 to 6 servings.

Eat Spaghetti Before Game

West Ward Parent Teachers Association has two projects to raise money for air conditioners for the school. Several have already been purchased but the organization hopes to purchase 15 more. A spaghetti supper will be served tomorrow (Friday) night from 5 to 7 p.m. in the West Ward Cafeteria preceding the Ralls - Slaton football game. Tickets are \$1.50 for adults and 75 cents for children.

The other project is the selling of "Tiger Tags". The red and black metal tags have an emblem of a Tiger and read "Slaton Tigers". The tags are made to fit on top or bottom of the regular license plate. They sell for \$1.50 each and may be purchased from PTA members. Chairmen are Mrs. Joe Crabtree, phone 3755 and Mrs. Tim Bourn, phone 6302.

CONSUMERS' CORNER

What does a food processor have to do to get government approval of a new food additive?

It is very hard for a food processor to get government approval to add anything to a food product unless strict procedures are met.

The new additive must be proven safe for human consumption by a series of laboratory tests. The food processor or manufacturer of the additive is responsible for conducting the test, although in practice, most testing is done by reputable independent laboratories. Testing may take two years or more to complete, and cost thousands of dollars.

Government scientists check out not only the results of the tests, but the testing procedure as well. If the results are approved, regulations permitting use of the additives will be issued.

Regulations permitting an additive to be used limit the amount to be used to the minimum amount necessary to accomplish its intended purpose.

AUSTIN, Tex. — Organized labor leaders of Texas have set as political priorities for 1972 the defeat of President Nixon and support of former U. S. Senator Ralph Yarborough for any office he seeks.

AFL-CIO State President Roy R. Evans announced the goals were adopted by his organization's executive board and the COPE administrative committee in a recent meeting here.

It is "quite possible," Evans said, the AFL-CIO will make no endorsements in next year's governor's race unless Yarborough is a candidate. He noted a two-thirds majority of delegate strength is necessary for endorsement in a COPE convention.

L. Gov. Ben Barnes and Dolph Briscoe of Uvalde are announced gubernatorial candidates.

Evans listed the lieutenant governor's race as the No. 3 priority of labor; the House Speaker's race No. 4 and congressional, state Senate and House contests No. 5.

He unveiled a voter registration goal of six million by the 1972 general election.

In a September poll of AFL-CIO convention delegates, Evans reported 201 felt Yarborough should run for the U. S. Senate, while 120 preferred that he run for governor and 26 for neither office.

He said 298 labor delegates would prefer Yarborough to 33 for Barnes in a governor's race between the two, while 294 would pick Yarborough to 47 for Briscoe.

The labor delegates liked Sen. Hubert Humphrey for president, giving him 313 votes to two for Alabama Gov. George Wallace and none for President Richard Nixon. A random poll of rank and file union members showed 87 for Humphrey to 51 for Wallace and 38 for Nixon. AFL-CIO convention delegates gave Yarborough 350 votes for senator to three for Sen. John Tower, and the former senator 316 to 13 over Democratic senatorial hopeful Harold (Barfoot) Sanders of Dallas in the poll.

AG OPINIONS — Texas' nepotism laws are applicable to regional planning commissions and their employees. Atty. Gen. Crawford C. Martin has held.

In other recent opinions, Martin concluded:

"Tax due on natural gas production is calculated on the basis of the total proceeds of the sale of all component parts, less allowable transportation and processing costs. Tax is then borne ratably by various interested parties. The formula is spelled out in the opinion.

"Texas Real Estate Commission must transmit half real estate broker and salesman renewal licenses fees to Texas A & M University for a new research center. Half must go to the State Treasury.

"County commissioners may purchase or lease and maintain two-way radio equipment

for the sheriff and his deputies, but not for a Parks and Wildlife Department game management officer.

"Nueces County domestic relations court has concurrent jurisdiction with county courts at law over misdemeanor wife and child desertion cases, while the county court has no jurisdiction over them.

"New law did not change the duty of the Upshur County clerk to write warrants in payment of the salaries of county employees and county bills authorized by law and approved by the commissioners court.

"A bill providing that county commissioners courts of each county shall fix the amount of compensation, office expenses, travel expenses and all other allowances for county and precinct officials and employees paid wholly from county fund is valid.

FEED LOT SHUT DOWN — Texas Water Quality Board ordered a cattle feeding operation near San Marcos shut down when it found a "constant threat of pollution" to underground water in the Edwards Aquifer.

The Edwards Aquifer is a major source of water for a large area of South Central Texas.

Attorneys for the feedlot,

Hill Country Feeders, said the decision will be appealed to state district court.

COURTS SPEAK — The widow and mother of a Mexico air crash victim are entitled to collect \$36,579 on his life insurance policy though he had requested it be discontinued five days before his death, the State Supreme Court held.

Court of Criminal Appeals held a 1967 U. S. Supreme Court decision guaranteeing defendants the right to subpoena accomplice witnesses to testify for them can be applied retroactively. The finding may provide a new way to freedo mfor prisoners convicted before 1967 and denied testimony of accomplices to the offense for which they were charged.

Criminal Appeals Court upheld a 1,000-year prison sentence for a repeat-offender convicted in Dallas of robbery by assault, but the Court suggested such sentences are "impossible" and should not be assessed.

Same Court credited a prisoner with time he did not serve behind bars when he was earlier released by mistake.

OYSTERING REOPENED — A large part of Lavaca Bay which was closed last year to oyster harvesting due to mer-

cury contamination has been reopened.

However, the State Department of Health said blue crab should not be taken for human consumption until further notice.

Excessive mercury densities are still found in some blue crab collected from the bay, the Health Department reported.

There has been a steady reduction in mercury densities found in oysters (which can cleanse themselves as the quality of their environment improves) according to the Department. Maps showing approved oystering areas and those still closed are available from the Health Department division of marine resources, 1100 W. 49th St., Austin.

SCHOOL FOOD PROGRAM CURBED — A free breakfast program for school children faces insufficient funding, a Texas Education Agency spokesman reports.

TEA has been unable to add schools to the breakfast program this year due to lack of money. About 115 schools have had to be turned down. Schools participating last year increased from 298 in September to 474 in May. Schools received 15 cents per breakfast or the cost of each meal, whichever is less, through U.S. Department of Agriculture allocations.

DRAFT CALL SET — The Texas draft call for the rest of 1971 is 588 men, State Selective Service Director Col. Melvin N. Glantz announced.

None will be ordered for induction in October, 363 in November and 195 in December. All are from extended first priority groups.

Wilson Tops Whiteface With Last-Gasp Score

Wilson's Mustangs scored in the final 12 seconds to escape disaster at the hands of the fired-up Whiteface Antelopes Friday night.

With the game tied at 12-12, quarterback John Fields connected with Chris Coleman on a 38-yard scoring pass with only 12 seconds left in the game. Fields ran for 2 points to up the count to 20-12.

The victory leaves Wilson

as the favorite to capture the District 4-B title. The Mustangs travel to Sundown Friday for another district clash.

Whiteface put together a pair of long scoring drives in the first and second quarters to take a 12-0 halftime lead over Wilson Friday night. Wade Sanders capped both drives with 6 and 1-yard scoring plunges. The Antelopes controlled the tempo of the game in the first

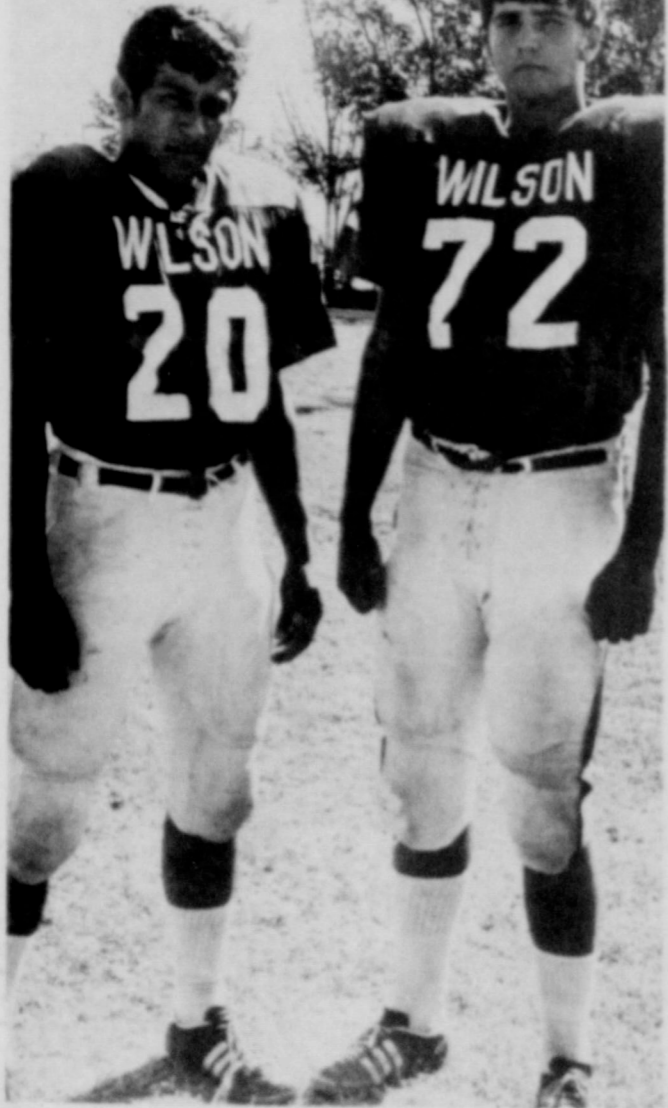

half, and Wilson ran only three offensive plays in the first period. The Mustangs bounced back with two touchdowns in the third period to knot the score, however.

Wilson drove 53 yards for its first score, with Fields going the final three yards. With a minute left in the third stanza, the Mustangs ended a 76-yard drive with a 22-yard scoring run by David Hernandez.

Following an exchange of punts, Wilson launched another drive, but it ended with a fumble on the Whiteface 3-yard line. Wilson got one more chance, and the Mustangs made it good. They got the ball on the Whiteface 38, with only 29 seconds left. Fields missed one pass, then connected with Coleman for the deciding touchdown.

Greg Wied led the Wilson offensive attack with 70 yards on 14 carries, followed by Hernandez with 61 yards on 5 trips. Danny Trotter and Danny Crowson led the Wilson defense with 21 tackles each, and Darrow Talkmitt had 16. Wilson is 1-6-1 in district, having tied on - favorite Ropesville last week, and Whiteface is 1-1.

Roosevelt Rips Ralls By 33-0

Fleet halfback David Vasquez scored all five touchdowns as the league-leading Roosevelt Eagles soared to a 33-0 victory over Ralls Friday night on the Jackrabbits field. Vasquez poured it on in the first quarter, tallying four times on runs of 35, 20, 5 and 5 yards. The score was 26-0 after one period, and it stayed that until the fourth stanza when Vasquez punched over the final touchdown. Jim Matsler kicked three extra points.

David Hammett led the strong Roosevelt defense, while Bobby Royce was a leader for the Ralls team. The Eagles are now 7-1 on the season and are unbeaten in District 4-AA play with a 5-0 record.

Roosevelt will host the Tahoka Bulldogs this Friday, and the Eagles can clinch a share of the title with a triumph over Tahoka. The Eagles have the top offensive and defensive mark in the district, scoring 119 points to only 17 for the opposition in district play.

\$22.66 Goes To Track Fund

Johnny Flanagan's crew wasn't the only group raising money for the Slaton Track Fund Saturday night.

As trick or treaters made their rounds Saturday and then again on Sunday night, they found a Halloween carnival in the back yard at Bob Kern's. It only cost five cents to get in and a small charge for the events offered. Mothers made brownies and furnished cold drinks for sale --so there was no overhead.

Before Saturday night arrived, one of the boys was very optimistic and said, "The first \$20 will go to the track fund and we may have a party on the next \$5,000". The mother,

being very pessimistic, thought they'd be doing good to clear \$5.00.

The boys involved in this gesture were Kevin Kern, Tim Bourn, Lonnie Ardrey, Wendel Hutchinson, Phil Tumlinson, Gary Castleberry, Mike Tumlinson and Kevin Meeks. They all have big goals and the dream of getting to run on a REAL track at Slaton High School. Their big goals brought in \$22.66.

Williams Wins Grid Contest 3rd Time

Pete Williams, well-known car salesman and football enthusiast, can well lay claim to being the No. 1 grid recaster in Slaton.

Williams won first place in the Slatonite Football Contest for the second week in a row, missing only two of the 23 games again this week. This was the third time for him to win the contest this season. His only mistakes were the A&M upset of Arkansas, and the Hereford win over Plainview.

There were three entries with three misses, and two of them tied for the second and third-place money on a guess of 21 total points. Winning \$3,500 each were Allen Miles and the 1st period Civics Class at Slaton High. The other entry with three misses was from Shah's 1st period class at SHS.

There were 12 entrants who missed just four of the games. These included: Randy Jones, Steve Mosser, Susan Shah, Marsha Bednarr, Paul Mercer, Terry Mize, Brad Lamb, Fred Tamez, Paul Martin, Charles Dildway, Leslie Brown, and SHS 4th period office class. Another 36 entrants missed 5 of the games, and there were a large number in the 6 and 7 list.

Only two more weeks for you to try for the winner's circle, so get your entry in this week. Turn to the contest page and follow the simple rules.

or defense have included Randy Davis, Tony Martin, Gary Dillard, Dwayne Bukemper, Leslie Melcher, Brad Lamb, Lloyd Kitten, Darrell Eastman, Rod Simmons, Tom Roche, Tommy Taylor, and Tommy Walters. Other seniors are Willie Freeman, Clyde Kitten, Floyd Kitten, Jackie Ford, and Dennis Hamer.

The Tigers have only six juniors on the squad -- Bartley, Schuette, Nieman, Woolver, Dan Butler, and Jerry Hopper.

With Bartley sidelined last week, Davis moved close to the top in the individual rushing department. Bartley has carried 101 times for 375 yards, while Davis had logged 361 yards on 77 trips with the ball.

Nieman is the leading passer with 31 of 59 for 395 yards, and Martin is still the top receiver with 14 catches for 224 yards. Davis has caught 11 for 147 yards. Lloyd Kitten has a fine punting average, getting off 35 kicks for a 36.4 mean.

COTTON--

(Continued from Page 1)

in Lubbock. W. K. Palmer, Officer-in-Charge, reported that only 1,200 cotton samples from the current crop had been received through Friday, Oct. 29. This compares to a total of slightly over 32,000 samples at this time last year.

The current crop is two to three weeks later than normal due to unfavorable weather conditions during the spring and summer months.

Most of the early harvested cotton has been long staple cotton which was machine-picked and hail damaged cotton which was stripped. Quality of this early cotton varied widely depending on the condition of the fields at the time of harvest.

Farmers belonging to or organized improvement groups are eligible for a free classification on each bale of cotton. Orchids grow from the smallest seed in the world.

Slaton Girls Top Crosbyton

Slaton won three girls' basketball games over Crosbyton here Monday night, after the St. Joseph girls had scored a victory over the 8th grade "B" team.

The Slaton freshmen girls posted a 34-13 win over Crosbyton with Rosemary Scott and Darla Shackelford leading the way with 14 points each.

Debra Montgomery tallied 16 points to lead the 8th graders to a 30-9 triumph over Crosbyton. The 7th graders won by 34-11 over the visitors, with Robin Kerr scoring 16 and Carol Boatman adding 8.

St. Joseph's of Slaton won a 23-14 decision over the Slaton 8th grade "B" team. Dorena Mosser and Loretta Wolf led St. Joseph's with 8 points each, while Terri Holland had 6 and Cindy Davis and Laura Voigt had 4 points each for Slaton.

PIRATES LOSE, 13-12

Jal Upsets Cooper

Cooper's Pirates saw a comfortable 12-0 lead disappear in the final four minutes of play at Jal Friday night, and the Panthers of New Mexico rallied for a 13-12 decision over Cooper.

The defeat was only the second of the season for Cooper, compared to six wins, but it was a non-conference clash. The Pirates are 2-0 in District 5-A action, and will host the Plains Cowboys in an important contest Friday night.

Cooper took a 6-0 lead at Jal Friday when Kenneth Jones broke on a draw play for a 35-yard scoring run. The score remained at 6-0 until the fourth period when Dennis Smith dashed over from the 5. The

Tigers Score Early, Struggle To 7-0 Decision Over Tahoka

The Tigers scored the first points of the game at 7:05 in the opening quarter, dashing 21 yards for the touchdown. The payoff scamper climaxed an 81-yard drive for the Tigers, following the opening kickoff, Davis and fullback Kenney Schuette got most of the yardage, with Steve Nieman hitting Davis on a key third-down pass for 10 yards to launch the drive.

Slaton launched three other drives during the first half, but a 15-yard penalty killed each one of the potential scoring marches. The Tigers rolled up 11 first downs and 167 yards rushing in the first half, but Tahoka must have found a solution during intermission -- coming back to shut the Tigers off without a first down in the second half.

Halfback Tony Martin--filling in for the injured Ron Bartley -- joined with Davis to give the Tigers a potent rushing game in the first half. Martin wound up with 73 yards rushing on 14 trips with the ball, and Davis registered 70 yards on 15 carries. Nieman hit 3 of 7 passes for 25 yards in the first half, and his only attempt in the second half was dropped.

Slaton controlled the ball on offense in the first half, getting off 40 plays to only 27 for Tahoka. But, the tables were reversed in the second half as the Tigers got off only 12 rushing or passing plays to 39 for the Bulldogs.

Tahoka had 111 yards rushing in the second half, but Tommy Taylor, Brad Winchester and Curt Woolever helped slice 50 yards off that total by catching the quarterback for losses. Taylor, who has a fine talent for chasing quarterbacks, got two unassisted tackles for losses of 19 and joined Winchester

and Woolever on two other big plays. The Bulldogs' only serious scoring threat started near the end of the third period when they recovered a fumble on the Slaton 48. Tahoka converted two fourth-down attempts into first downs and moved to a first on the Tiger 5. Two plays netted four yards, then a motion penalty moved the ball back to the 6. A third-down play got 3 yards, but the snap was fumbled on 4th down, and Slaton chased the runner down for a loss on the 10.

Although Tahoka moved the ball on short gains to control the offensive show in the second half, the Tiger defense was great all the way. Ends Steve Mosser and Gary Dillard had strong efforts, keeping the Bulldogs turned in all night, and guards Winchester and Stan Jaynes were tough up the middle.

Linebacker Mike Speer had a good night, and Tommy Walters and Dennis Hamer filled in well for the injured Bartley at the linebacking post. Safety Darrell Eastman came up with a timely pass interception. The victory was Slaton's third of the year against five defeats, and left them with a 3-2 mark in district. Tahoka is now 5-3 on the year and 2-3 in 4-AA action.

outside and went 21 yards for the score. His kick was no good, but Tahoka was offside and the next kick was good. Tahoka couldn't move following the kickoff and punted to Slaton's 26. Martin and Davis made good gains as the Tigers chalked up two first downs to the 50, but a holding penalty moved the ball back to the Slaton 35. Nieman threw a pass short of the receiver, then Melcher dropped a pass down the middle. Martin gained only a yard on a screen pass, and Kitten's punt into the wind carried only 14 yards before going out of bounds.

Tahoka then chalked up two first downs, aided by a 5-yard penalty on one, and moved to the Slaton 19. Eastman picked off a pass on the 10, however, and returned it to the tiger 21. Martin and Nieman carried for 7 and 5 yards as the first period ended. Martin then ripped off gains of 6 and 14 yards as the Tigers moved to a first on the Tahoka 45. The Tigers then were called for clipping two plays later. A halfback-pass by Eastman was deflected from Martin, then Nieman overshoot Clyde Kitten down the middle and Tahoka intercepted on the Bulldog 38.

Tahoka picked up two first downs before the Tigers took over again. A long pass was dropped by a Tahoka halfback, saving a possible touchdown, and the Bulldogs punted to the

Slaton 8. Martin, Davis and Nieman moved the ball out to the 34 while making two first downs. Slaton was tagged with another 15-yard penalty, however, and faced 2nd and 23 from their own 21. Nieman hit Martin with a pass for 14 yards, but a pass to Davis was knocked loose just as he caught the ball. Kitten punted 43 yards, and the kick was returned 14 yards by Jeff Atwell. On the second play, Slaton recovered a fumble, but the play was erased by a 5-yard penalty against the Tigers. Tahoka moved to the Tiger 37 on two first downs, but Slaton held and Taylor trapped the quarterback for a loss of 7 on fourth down. Slaton ran three plays before the half ended.

Tahoka took the third-quarter kickoff and registered three first downs, moving to the Tiger 26 before being stopped. A fourth-down try was short and halfback John Thomas pitched the ball forward as he was tackled. Slaton recovered but the Bulldogs drew a penalty, also, for an illegal forward pass.

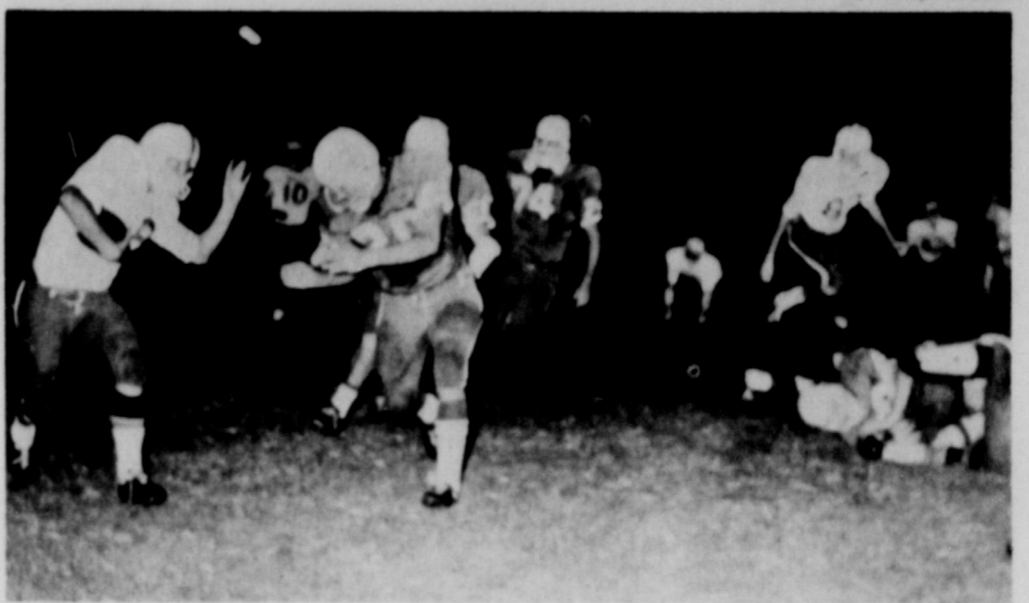

Slaton got 5 yards in two plays, then Martin couldn't hold a pass and Kitten boomed a 49-yard kick to the Tahoka 15. Atwell returned the kick 17 yards to the 32. The Bulldogs couldn't move and punted to the Slaton 45.

Nieman rolled around right end on the first play for 3 yards, but officials ruled a fumble as he went down and Tahoka recovered on the Slaton 48. The Bulldogs then moved all the way to the Tiger 1 for a serious scoring threat. Bailey led the rushing attack, and Atwell hit Gary McCord for 11 yards on a 4th down play. Tahoka faced another 4th down try at the 20, needing 6 yards, and Atwell picked up 15 on a run-or-pass option.

Thomas made 2 yards to the Tiger 3 as the third period ended. Thomas got 2 more to the Slaton 1, then the Bulldogs were penalized 5 for illegal procedure. Bailey got 3 yards, back to the Tiger 3, but Thomas fumbled a direct snap on 4th down and he was swarmed under on the 10-yard line.

The Tigers apparently had a first down three plays later, but a holding penalty moved them back to the 10. Nieman got 7 up the middle, and Kitten punted 38 yards to the Tahoka 48. Tahoka got two first downs on short-yardage plays, then had to kick after Woolever and Taylor got the quarterback for 10 and 12-yard losses.

Nieman took the punt on the 7 and returned to the 21. Three plays netted just four yards, and Kitten punted 29 yards to the Tahoka 46. The Bulldogs couldn't move, with Winchester, Taylor and Woolever grabbing the quarterback for two big losses, and Slaton took over on the Tahoka 37. The Tigers ran two plays to kill the clock.

MARTIN ON THE MOVE---Tiger halfback Tony Martin battles for extra yards in the game at Tahoka Friday night, where Slaton scored a 7-0 victory. Martin was the top rusher with 73 yards in the game, teaming with Randy Davis to give the Tigers a strong offensive attack. Martin had been used primarily as a pass receiver until substituting for the injured Ron Bartley in this game. (SLATONITE PHOTO)

Monday Night Meetings Set By Tiger Club

Slaton Tiger Club Monday night approved a light-bulb sale for Nov. 15, with proceeds going to the high school track project.

Fourteen members attended the first night meeting of the year, and members voted to change the meeting to 7 p.m. on Mondays. President Pat Taylor invited members to attend next Monday night's meeting. The club viewed a movie of the Tahoka game, and heard a report from Coach Ernie Davis concerning the upcoming game with Ralls. Taylor also announced that the club received a contribution of \$25 for the track fund from Dr. Stan Jaynes.

Members discussed the operation of the concession stand at the annual Slaton Invitational Basketball Tournament Dec. 2-4. Taylor said a chairman will be named soon. The club uses the concession stand as one of its annual fund-raising activities.

Southland Is Blanked by Bula

Southland finished its abbreviated football season at home Friday night, losing a 48-0 decision to the champion Bula Bulldogs. The six-man game was called at the half on a 45-point rule in the district. Southland lost halfback Joe Eckert to a rib injury on the opening kickoff, leaving the Eagles with only six players. Eckert has been the team's top rusher, too.

Ron Risinger scored three touchdowns and also had three 2-point conversions to spark the strong Bula team. Bula was undefeated in District 4-B, Six-Man football, and now awaits a bi-district opponent.

Southland has a 1-5 won-lost record for the season while playing with only seven graders. Rod Callaway is the coach.

JV DEFEATED, FROSH TIED: TEAMS AT LAMESA TODAY

The Slaton Junior Varsity lost a high-scoring 34-20 decision to the Lubbock Coronado sophomores Thursday, while the Tiger Freshmen battled to a 6-6 tie at Tiger Stadium.

The loss was the JV's fifth against one victory, while the freshmen are now 4-1-1. Both teams are scheduled to play at

Lamesa today, with the freshman game set for 5:30 and the JV game following at 7 p.m. In the JV game at Lubbock Thursday, Greg Sokora got Slaton's first touchdown on a three-yard run. Ray Lynn Basinger got the next two on short plunges, and George Whaley scored the fourth touchdown on a 15-yard run.

In the freshman game here, Tahoka scored on the third play when a halfback broke about 65 yards for a touchdown. The extra-point attempt failed. Slaton bounced back to tie the score in the first period. A Frank Love to Lupe Valdez pass for 30 yards got the scoring drive going. Bobby Hightower got the touchdown on a one-yard dive, but the point failed.

There was no scoring the rest of the way, but Slaton threatened late in the final period before a penalty killed the drive. Ronnie Valdez was outstanding on defense for the Tiger freshmen.

BRAKE GETS HOLE-IN-ONE

Charlie Brake recorded the golfer's dream at Slaton Municipal Golf Course last week, scoring a hole-in-one on the par 3, 171-yard No. 8 hole. Brake used an 8-iron to score his first hole-in-one and he had five witnesses while playing on Wednesday, Oct. 27. Playing with him were C. C. Hunter, Charlie Dickson, Bill Devers, Francis Gill and Allen Ferrell.

"I REMEMBER"
BY THE OLD TIMER

From V. Kirkpatrick, Sellersville, Pa.: I remember when school was fun, yet meaningful. Each community boasted its own school. Everyone had the opportunity to know everyone else. Teachers were accepted as human beings. Riots and rumbles were unheard of. Sure, they may have been occasional "big fish" throwing their weight around in our small, pedantic pools, but not book burnings, window smashings, sit-ins, etc., possibly because kids weren't "pushed through" like numbers in a computer and crowded into buses like contrary cattle.

If one wanted to play in the band AND on the basketball team AND the debating team AND work on the school paper—it was all there for truly dedicated teachers and pupils to share. There was none of today's having to make one big choice and THAT'S IT!

Walking to school, meeting friends and teachers alike, were part of my school day. I can still picture the school scene as serene and rewarding and can recall teachers one and all. Today's staggeringly complex school systems stymie many beautiful egos and ruthlessly squelch slow but conscientious learners.

I, my classmates and teachers were victims of the "great depression," but today's society is far worse, depressing all that was once part of beautiful, carefree childhood.

determined that it matched the cloth from a sweater worn by the Maldonado youth.

Officers said the bicycle was traveling west of E. Division about 7:03 p.m. Sunday. The bicycle was knocked 159 feet from the point of impact, and the youth was found in the ditch about 15 feet from the same point.

A minor accident Wednesday morning at Dayton and 18th involved vehicles driven by Alton D. Edwards and Emory Stokes Jr. Another accident Sunday at 7:15 p.m. involved vehicles driven by Sherree Cline and Johnny R. Peralez. A ticket for leaving the scene was issued to Peralez.

Four accidents were reported Saturday. A pickup driven by Trino Guerra and a car driven by Guadalupe Espinosa collided at 9th and Lubbock. Michael Espinosa was taken to Mercy Hospital for treatment. An accident on US-84 and Industrial Drive involved vehicles driven by Ralph W. Jarvis of Midland and George H. Lampe of Lubbock.

At 5:52 p.m. Saturday, vehicles driven by Gracie R. Montgomery and Sherhonda D. Perdue collided at S. 9th and W. Lubbock streets. Damage was minor. At 6:38 p.m. on E. Crosby and 4th, there was a collision of vehicles driven by Jerry T. Dickerson and Willie T. Pinkston.

Police said charges were filed with the county attorney Tuesday on James Jimerson, 17, in connection with a shoplifting incident at Roma's Shop about Sept. 15. Police the past week ticketed several on liquor law violations, arrested several drunks, and investigated two thefts from autos and two residential burglaries.

Davis, the new KCAS manager, has been associated with KVII-TV and KDJW in Amarillo the past seven years. Prior to that he was with the John Burrough's chain of stations in Farmington and Albuquerque, N.M.

A native of Erick, Okla., Davis says he left for Amarillo as a teenager "to get into show business." With him was Roger Miller, now a popular recording star.

Davis and his wife, Pat, have three children -- Debbie, 15; Kimberly, 11, and Pacer, 8. They are members of the First Baptist Church in Amarillo.

number still to be determined, and this board will appoint the hospital administrator. Neither the governors nor the trustees will receive pay.

The Foundation's financing committee, headed by T. J. Wallace, was to meet Wednesday afternoon to make plans for the fund-raising campaign.

Attending the Tuesday night meeting were Sewell, B. B. Castleberry, Howard Hoffman, Vaskar Browning, Bill Adams, Robert H. Davis, Alex Bednarz, Joe Walker, Don Kendrick, Dr. Glen Payne, Dr.

Labor Law Reassessment Is Necessary, Dwyer Says

The nation's businessmen have been urged by the National Association of Manufacturers "to demand vigorously that the Congress reassess national labor law at the earliest possible moment."

"So much labor union power concentrated in so few hands has corrupted the collective-bargaining process,"

NAM Board Chairman E. J. Dwyer told an Economic Club of Detroit luncheon meeting.

"Too often we have seen irresponsible use of this vast power render entire cities and the nation itself nearly helpless by railway strikes, postal strikes and the so-called 'job actions' by municipal employees charged with fire, police and refuse

removal responsibilities. And there is the ultimate indignity of strikes against the public—the refusal of teachers to teach our children."

Mr. Dwyer, who is chairman of ESB Incorporated, Philadelphia, said that last year 5,600 strikes deprived the economy of the "staggering total" of 62 million man-days of work—more than double the 1965 figure and four times that of 1961.

"This is scarcely an effective means of bettering our competitive position here or overseas," he said.

"Parity of strength must

be restored to negotiations and productivity must regain its rightful place as the principal arbiter of wage and salary rates. And businessmen must demand, too, that the assumed role of prosecutor, judge and jury exercised by the National Labor Relations Board be altered, restricted and clearly limited by law."

The NAM chairman urged the businessmen to be more aggressive in telling industry's story to the public and in seeking more widespread understanding of the free enterprise system and of the

economic facts that underlie national progress.

"Our critics make much of the volume of corporate profit," he said. "They are quick to point out that 1970's manufacturing profit was \$28.6 billion. They have told the world that this is an awful lot of money, and so it is."

"But they neglect to tell the whole story—that the figure represents only 4 percent on total sales and that this profit margin was the lowest we have experienced in 20 years. They have neglected to tell their audiences

that only out of come plant expansion only out of profit funds to train trained in our schools only out of the research, test hardware which solutions to our problems."

SWPS To Open New Plant

AN AERIAL VIEW of Southwestern Public Service Company's Jones Station, southeast of Lubbock. Named for Dr. Clifford B. Jones, president-emeritus of Texas Tech and a Southwestern director for more than a quarter-century, the new plant will be dedicated at 11 a.m. Saturday, Nov. 6. It will be open to visitors from 11 until 7 on Saturday and from 1 until 7 Sunday, Nov. 7.

Clifford B. Jones Station, the newest electric generating facility on the Southwestern Public Service Company's system, will be dedicated at ceremonies to be held at 11 a.m. Saturday, Nov. 6.

The plant is located southeast of Lubbock on Farm Road 3020, just west of the Buffalo Springs Lake Road.

Following the dedication ceremonies, the plant will be open to the public for two days, with the visiting hours on Saturday being 11 to 7 p.m. and on Sunday from 1 p.m. to 7 p.m.

Dr. Clifford B. Jones, president-emeritus of Texas Tech University and a director of Southwestern Public Service Company for more than a quarter-century, will dedicate the new facility.

The response to Dr. Jones' dedicatory remarks will be made by Roy Toik, president of Southwestern Public Service Company.

The new generating facility has a first unit capability of 246,000 kilowatts. This machine is the largest single unit on the Southwestern system. Construction has already started for a second unit of the same size, scheduled to be in service in 1974.

When the second unit does go on the line three years from now, Jones Station will be the largest of the 11 major generating stations on the Southwestern system.

The turbine control system at the new station is the first of its type in the world. The result of cooperation in research and development between Westinghouse Electric Corporation, the manufacturer of the turbine, and Southwestern,

the system utilizes a digital computer and data recording devices to bring the turbine on the line and control it while in operation. Peter G. Botsonis, a supervisory engineer for Southwestern and a 1958 Texas Tech graduate, played a major role in the development of the control system.

The new facility uses treated sewage effluent, purchased from the City of Lubbock, as its cooling water. In addition, it has equipment which makes it possible to use sewage effluent for the boiler water for test periods of operation.

The sewage effluent is also used for irrigation purposes after it has left the plant system.

The use of the reclaimed water at Jones Station and at Nichols Station on the North Plains results in a daily saving of fresh water which is sufficient to meet the needs of a city of 25,000 people.

The generating capability of Jones Station will be controlled by an automatic dispatching system, which regulates the production of all of Southwestern's major generation facilities.

The automatic dispatching system knows which generators do their work the most efficiently when everything, particularly the cost of fuel, is taken into consideration. So, the ADS loads up those generators which are most efficient first, and conversely, takes the load off those machines which are least efficient first. The result is that, under any given conditions of electric load—maximum—average—minimum—the electric company is working to provide its customers with the most efficient—and

economical—electricity that it can produce.

The plant has a central information system which takes nearly 500 different readings every minute, records them and calculates their meaning insofar as the plant's efficiency is concerned.

Jones station is located on a 320 acre tract which was formerly part of the V-8 Ranch. It has been under construction for about 36 months and has provided more than \$5,000,000 in payroll and local purchases for the area economy.

While it isn't something you could put together with a "do-it-yourself" kit, the plant is, in fact,

a home-made product. The design, engineering and construction supervision was done by Southwestern Public Service Company's own engineering department, under the direction of H. O. Hodson and E. W. Robinson, vice presidents.

Missouri Valley Constructors, Inc., of Amarillo, was the mechanical and structural contractor and Budwine Service Electric Company of Carlsbad, N. M., was the electrical contractor.

J. B. Bottoms was resident engineer for Southwestern Public Service Company during construction of the new unit.

Posey News

by Mrs. P.C. Kitchens

Hi there, it's good to greet you again from Posey. We're gradually getting adjusted to the cooler weather. I'm sorry for the error concerning Mrs. W. A. Wilke having surgery. It was Mr. Wilke who underwent the surgery.

COOK-OUT

The T. A. Johnsons hosted a cook-out for the high school department of the Monterey Baptist Church of Lubbock recently at their home.

Those attending were Vicki Compton, Tim Holt, Patricia Green, Paul Penn, Dale Pierce, Paula Compton, Gary Smith, Rhonda Allen, Donna Smith, Roy Blevins, Nancy Loveless, Kim

Proctor, Tim Pierce, Chanda Stokes, Patti McMillan, Anne Rowlett, Chrystal Allen, Trey Moddy, Guen Blum and Carl Creech.

Adults attending the party were Mr. and Mrs. Melvin Johnson, Mr. and Mrs. Sabin Hendrixson, Mr. and Mrs. Wheeler Billings, Mr. and Mrs. Bob Chennault, Hank Proctor, and Mrs. Bennie McMillan.

VISITORS

Mr. and Mrs. C. R. Sellers spent the weekend with Mr. and Mrs. Arzell Sellers at Ft. Sumner, N.M.

Mr. and Mrs. N. R. Boyce visited Mr. and Mrs. Mert Gentry Saturday.

Earl Foerster accompanied his mother to Fayette County Sunday to visit relatives.

Mrs. Lillie Harper is home from the hospital and improving nicely.

Sammie Gentry ministered Sunday morning and evening at the Evangelical Methodist Church in the absence of the pastor.

Mrs. Clay Cates is home from the hospital and improving. Their guests over the weekend were Mr. and Mrs. W. N. Simpson of Austin.

Mr. and Mrs. Frank Williams of Lubbock visited Mr. and Mrs. Clay Neal Cates.

Mrs. Nettie Hyatt of Lubbock visited in our home Wednesday.

"Birds don't Argue about their instinct. They follow it."

Voodoo

Haiti's countryfolk see little conflict between Christianity and voodoo. The Great Master, they say, shouldn't be bothered with little problems. Reverently asking his permission before starting a Saturday night ceremony, they get down to cases with deities whose job it is to take care of everyday matters: crops, sickness, love, money.

ITEM: For elegant decorating, think mirrors. A cluster of tiny mirrors ornate framed can add an interesting note to a small, dark area.

ITEM: Most novice indoor gardeners tend to overwater their plants, on the mistaken theory that "more is better." It's not true. The major cause of house plant failure is over-watering — and the greatest ally you have in overcoming this problem is the simple red clay pot. Excess water evaporates through the porous walls of the traditional clay container.

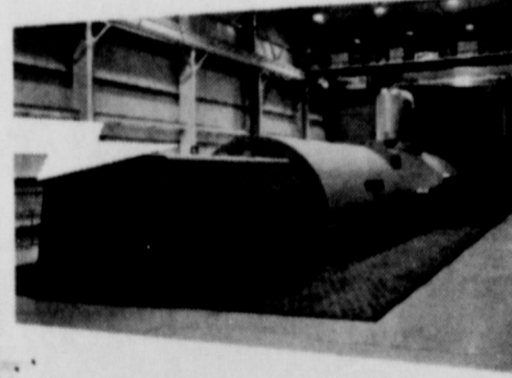

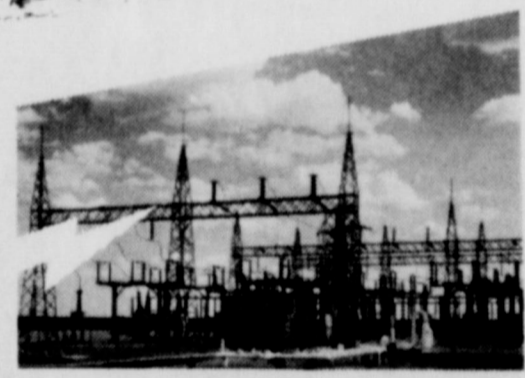

INSTANT CONTROL

Efficient, economical and controlled — that's the story on the largest electric generating unit on the High Plains.

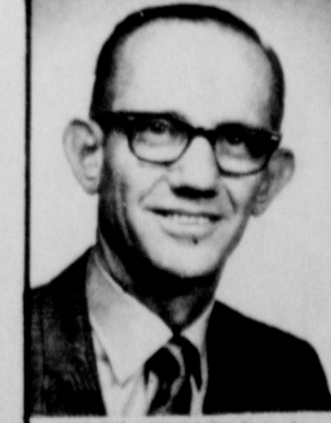

That would be the first unit at Clifford B. Jones Station — Southwestern's new power plant southeast of Lubbock.

It will be open Saturday and Sunday and we hope that you'll come.

You'll see instant control — and a real powerhouse planned for your electrical future.

Birth certificates for social security

One of the greatest concerns of most people filing for social security benefits is the amount of time required to get the checks started. According to John G. Hutton, manager for The Lubbock, Texas, social security office, the time required to get the checks started could often be reduced if a claimant had

sufficient evidence of his date of birth when he files a claim.

The best evidence is a birth certificate recorded at or near birth. Anyone who was baptized in infancy may be able to get a baptismal record showing his date of birth. If neither of these records can be obtained other good documents are school records, state or federal census records, old insurance policies, marriage records, delayed birth certificates and military records. There are only a

few of the records that are used as evidence of date of birth.

Hutton stated that a person should not delay filing if he is unable to get proof of his age. The Social Security Administration is able to lend assistance in getting the information if a person is unable to get a document showing his date of birth or age.

Lincoln was assassinated at Ford's theatre while attending a play entitled "Our American Cousin."

CHURCH NEWS
St. Paul's Lutheran Women held a turkey supper Friday night before the football game against Whiteface, and Pastor Ascher reported that it was a

great success. Proceeds from the supper will go to the Indian Missions in Montana.

First Baptist Church is working on a community-wide Christmas musical program to be presented Dec. 12. The choir will be directed by Don Chastain of Lubbock. Choir practices are being held each Sunday afternoon at 4:30 p.m. at the Baptist Church. Anyone who would like to sing in the choir for this program is invited to come each Sunday afternoon.

There will be an after-game Youth Activity in the Educational building of First Baptist Church following the Homecoming football game Nov. 12, against New Home.

The Baptist Men held their regular monthly meeting Monday morning. A good group of men were present for the breakfast, and heard Robert Taylor, principal of Wilson High School, speak. The next regular meeting will be another breakfast meeting Dec. 6.

BUCKEMPER AND HIS CHAMPION BERKSHIRE--Doyle Buckemper, of the Slaton area, a member of Future Farmers of America at Cooper High School, is shown with his prize-winning Berkshire at the Junior Livestock Show at the State Fair of Texas in Dallas. There were 16 Berkshires entered in the show from throughout Texas. Doyle's 242-pounder took the heavyweight championship in that breed, and then turned around and took the championship over all weights in that breed.

Cooper Talent Show, Nov. 6

The Cooper 4-H Club will be sponsoring a school-wide talent show to be held in the school auditorium Nov. 6 at 8 p.m. Part of the proceeds will go to the Rodney Speck fund. Rodney is awaiting a kidney transplant in a Denver Hospital. The show will be preceded by an enchilada supper sponsored by the Young Homemakers.

Admission is 25 cents for children and 50 cents for adults.

Supper To Be Held At Cooper

Cooper Band will be sponsoring a benefit supper Friday evening from 5 to 7 p.m. in the high school cafeteria. The event, to benefit Rodney Speck, will feature a choice of chili and soup. Tickets are on sale for \$1.25 and 75 cents for children under 12.

It costs Uncle Sam about one cent to make a dollar bill.

Piwonka In Germany

Army Private First Class Frederick C. Piwonka, 21, son of Mr. and Mrs. Milton M. Piwonka, route 1, Slaton, Tex., is participating with more than 11,000 troops in exercise re-former III in Germany.

He is a Battalion Main-tenance Specialist with Headquarters Company, 20 Battalion, 16th Infantry of the 1st Infantry Division at Ft. Riley, Kan.

PFC. Piwonka's wife, Angie, lives in Junction City, Kan. The "Big Red One" Division consists of three brigades. The 1st and 2nd brigades are based at Ft. Riley and the 3rd Brigade is permanently stationed at Augsburg, Germany.

The men of the 1st and 2nd Brigades, with support units, flew to Germany to join the 3rd and move to the exercise area extending from Munich to near the Czechoslovakian Border. Emphasis in the exercise was placed on testing procedures for receiving, assembling and deploying army units once they arrived, rather than on rapid air transport from the U.S.

In the field maneuver phase of the exercise, units of the 1st infantry division and the Canadian 4th Mechanized Battle Group engaged in simulated combat with the "Aggressor Forces" of the U.S. 1st Armored Division (regularly stationed in Germany) and the German 35th Panzer Grenadier Brigade.

Exercise Reforger III is the third annual operation in the series. The exercises are designed to fulfill U.S. Commitments to NATO and those made in the 1967 Trilateral agreement between the U.S., The United Kingdom and The Federal Republic of Germany.

Turkey Dinner, Bazaar Set For November 7

Plans have been finalized for the annual Fall Festival to be held Nov. 7 by the Catholic Daughters and Altar Society.

The turkey and sausage dinner will be held in St. Joseph's Hall from 4 to 7 p.m. Tickets are priced at \$1.75 for adults and 75 cents for children under 12. For advance tickets, contact Mrs. Charlotte Adamek at 828-3382 or Mrs. Cornelia Buskemper at 828-6030.

The Bazaar will be held in St. Joseph's School from 3 to 8 p.m. St. Joseph's Home and School Association will be giving away a half-beef, \$50 savings bond, and two halves of pork at the Nov. 7th Turkey Dinner and Bazaar. A top hog will be auctioned off, on foot.

The drawing will be held at 8 p.m. at the Bazaar in the school. Proceeds will go toward expenses of the school. Members of the Home and School Association working on project include Hubert Schwertner, Jake Wendel, Ronald Schilling, Paul Mosser, and Roy Lee Heinrich, president of the association, along with the school children.

Church Celebrates

Fourteenth Birthday

The Trinity Evangelical Methodist Church will celebrate its 14th birthday, Sunday, Nov. 7.

Bro. Weldon Thomas was pastor when the church was organized. Succeeding him was Bro. Linam Prentice, who has pastored here for the past eight years.

Members of the church and friends are invited to share lunch at the Club House following church services Sunday. Everyone is asked to bring a covered dish.

After the luncheon, the Young People's Choir of the church will sing.

Planet means wanderer.

Wednesday Rites Held In Slaton

MRS. ETHEL PYE

Mrs. Ethel May Pye, 80, a native of Spring Place, Ga., and a resident of Slaton for 16 years, died Monday in Slaton's Mercy Hospital following a week long illness.

Services were held Wednesday in Westview Baptist Church with Rev. Clinton Eastman, pastor officiating. Burial was in Englewood Cemetery under the direction of Englands.

Survivors include a son, A. D. Pye of Fort Worth; eight daughters, Mrs. Lorene Smith and Mrs. Lela Mize, both of Angleton, Mrs. Polly Brookman of Fostoria, Ohio, Mrs. Mary Weisinger of Seymour, Mrs. Katy Smith of Slaton, Mrs. Verlin Myers of Lancaster, Calif.; Mrs. Jo Wendel of Temple and Mrs. Lucille Brice of Rosharon; five sisters, Mrs. Georgia Beard of Coleman, Mrs. Maud Pledger, Mrs. Sybil Henegar, Mrs. Pearl Lawrence and Mrs. Ruby Aschey, of McGregor; two brothers, Sam and Otis Springfield, both of Abilene; 16 grandchildren and 14 great-grandchildren.

Grandsons were pallbearers.

Mrs. Lamb Hosts Dorcas Class

The Dorcas Class of the First Baptist Church met in the home of Mrs. J. B. Lamb Monday at 7 p.m.

Mrs. M. H. Lasater was co-hostess.

Mrs. Edgar Moseley presided over the business meeting, and Mrs. Lasater brought the devotional from Proverbs, "Flowers that never fade". Refreshments were served to 14 members.

Thanksgiving Festival at Pep

Plans are under way for Pep's 26th annual Thanksgiving Festival, to be held Nov. 25 at St. Philip's Parish Hall in Pep.

The famous Pepsausage, turkey, dressing and all the trimmings will be served from 11 a.m. to 2 p.m. and from 5 to 7 p.m. Adult plates will be \$2 and plates for children under 10 will be \$1.

Carnival attractions are also scheduled during the day, and a dance starts at 9 p.m. with music by a western band. The public is welcome and invited, according to A. G. Jungman, committee chairman.

Thelma Sanders Rites Held

Thelma C. Sanders, 50, a former Southland resident, died in a hospital at Carlsbad, N.M. Oct. 27. She was the former Miss Thelma Collins and attended Southland Schools until 1936 when she moved to Carlsbad.

Services were held at 2 p.m. Friday at Denton Funeral Home Chapel with the Rev. Carl Crouch, Epworth United Methodist Church, and the Rev. Harold Johnson, First Presbyterian Church, officiating.

Burial was in Carlsbad Cemetery with arrangements made by Denton Funeral Home. Mrs. Denton was born in Post on March 31, 1921. She owned a flower shop in Carlsbad until about 1958.

She was a member of First United Methodist Church, Altrusa, Order of the Eastern Star and American Business Women's Association.

Surviving are her parents, Mr. and Mrs. Frank Collins, Carlsbad; a son, Terry Sanders, Tucson, Ariz.; a daughter Mrs. Don Dando of Carlsbad; and three grandchildren. Her cousin Mrs. Dan Siewert and Mr. Siewert of Southland attended the services.

Veterans Breakfast

CAPPING SERVICE Edmund and Yours Truly at- tended the Capping Service of the Methodist Hospital School of Nursing which was held this past Sunday at the First United Methodist Church in Lubbock. My niece, Shirley Donahoo Castner received her cap along with 79 more students. It was our first time to attend one of these and we found it very impressive.

ATTEND SERVICES Mr. and Mrs. Chris Gindorf and children from Corpus Christi and Mr. and Mrs. Milton Gindorf and girls from Lewisville were here last week to attend the funeral of their grandmother, Mrs. C. W. Gindorf.

Mr. and Mrs. Albert Janke and Mrs. E. C. Stabeno Sr. from Bartlett were here last

week to attend the funeral of Mrs. C. W. Gindorf.

HOSPITALIZED E. L. Anderson and Mrs. Ed Siewert are both still in Mercy Hospital. Mrs. Siewert will probably be released this week, but Mr. Anderson is still very sick. May God continue to be with our sick.

Mr. and Mrs. D. D. Pennell and Jay Callaway were supper guests of Mrs. Leona Seavey in Hereford last Friday.

It isn't always easy being a parent and then there is that so called "generation gap" be- tween parent and child --- and sometimes I get all "blue" about it. Then, something comes along to brighten up the day and that is what happened to me a short while ago. A young man came into the Post Office and during the conversation I asked him how his mother was. He said "Fine", and then he said "maybe we aren't supposed to brag about our mothers but I want to tell you that I think my mother is just the greatest!" Just hearing this made me feel good all over!

Well friends and neighbors, I will say so long for this week and remember, en- couragement is oxygen to the soul, so go out and encourage someone today and you will see how good it makes you feel!

Miss Rylander Speaks To

Catholic Daughters Here

Miss Dorothy Rylander of the South Plains Genealogical Society was guest speaker when the Catholic Daughters of America met Monday night. Thirty members heard her speak on tracing the family tree.

During the business meeting, the ladies voted to donate \$10 to a scholarship fund for teach- ers of retarded children. Mem- bers also agreed to make plate favors for residents of Slaton Nursing Home, and bring baskets of small gift items and baked goods to shut-ins for Christmas.

Following the resignation of the Lecturer, Jane Bednarz was elected to fill the unexpired term.

WE WISH to express our sincere thanks to all the members of the Bible Baptist Church, city employees and to all the others who were so kind and thoughtful to us during my surgery in Fort Worth.

The Earl Kendrick Family

I WANT to express my sincere thanks to Dr. Jaynes, the hos- pital staff and all my friends for the many cards, flowers, kind words, prayers and food showered on me during my ill- ness.

May God richly bless, J. C. Champion, Sr.

RELIGION IS NOW — a weekly message relating the world of today to the lessons of Faith and Church ...

While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease. —Genesis VIII,22

We may be certain that night will follow and that when the summer sun is gone winter cannot be far behind. We have learned to accept the dark of night and the changing of the seasons as a matter of course. But, we are sometimes reluctant to accept human progress and social changes which are just as inevitable, just as essential. If they in any way affect our pattern of living, we resist, and we ignore. We cannot ignore the snow that falls in winterland. We should not ignore change — but support that which is good, resist that which is not.

FOOTBALL CONTEST

It's so easy. You don't have to be a football expert in order to win. Just select the winners on the handy official blank printed below. No scores. Just check the teams you think will win.

\$10 1st PRIZE

\$5 2nd PRIZE **\$2** 3rd PRIZE

\$25 JACKPOT FOR PERFECT ENTRY

ABSOLUTELY NOTHING TO BUY!

RULES OF THE GAME:

- ★ Teams playing in this week's contest games are listed in ads and numbered 1 through 46. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- ★ Be sure to guess total score on the "tie-breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.
- ★ Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 5 p.m. Friday before the games are played. Only two entries for each person; all persons 12 or older eligible except Slatonite employees and their families. Each entrant eligible for one prize.
