1st Bale Of 1972 Cotton Ginned Here

For Harold Wilson, who farms east of Slaton, it was two in a row this week as he brought in the first bale of cotton in the Slaton trade territory for the second consecutive year. It also was the first bale in Lubbock County for 1972.

Wilson's 600-pound bale was ginned free by Slaton Co-op Gin after he brought in the 2,500 pounds of cotton Sunday. It made 900 pounds of seed.

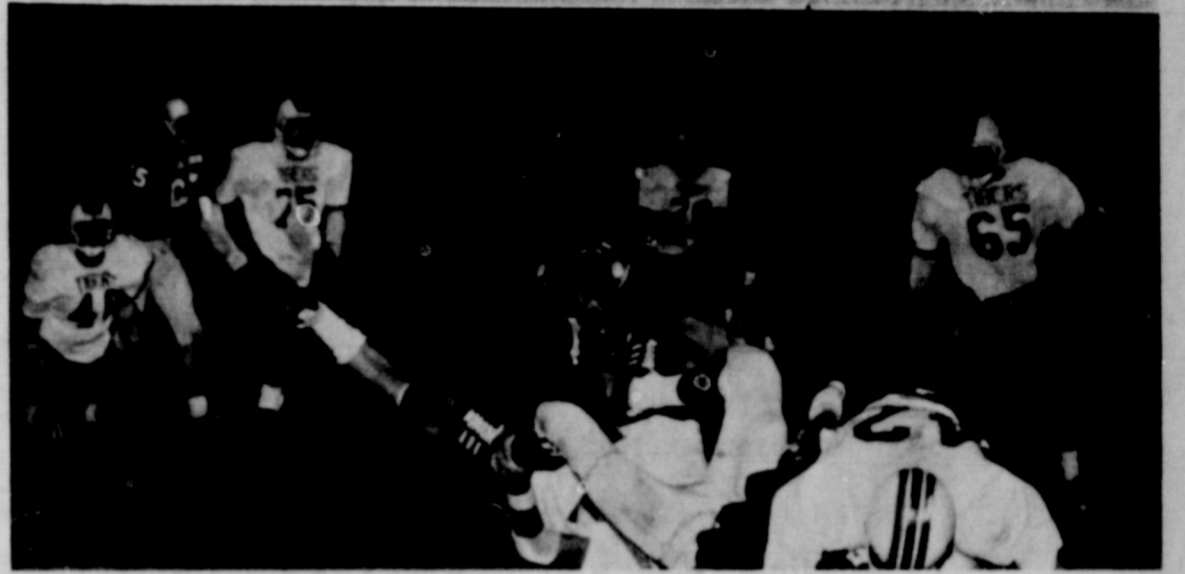

As a premium for the first bale in the area, Wilson received a check for \$150 from Slaton Chamber of Commerce. The gin also paid 50 cents a pound as a premium price for its first bale.

Wilson said he pulled the cotton from three acres on his farm about eight miles east of Slaton. The Lankart variety was planted May 17, actually a replant, Wilson said, since he originally had planted in April, then was hailed out.

WINS THE BOLL GAME--Harold Wilson, center, accepts \$150 check from Slaton Chamber of Commerce Manager Earl Bartley as a bonus for bringing in the first bale of cotton this season in the Slaton trade area. The bale is on display near Citizens State Bank. Jay Gray, manager of Slaton Co-Op Gin which ginned the bale, is happy, too.

CATFIGHT--Scenes from last Friday's Slaton-Littlefield game show that whoever is carrying the ball always draws a crowd. In top photo, Slaton's Ron Bartley is lonely in a litter of Wildcats as J. E. Johnson greets him unkindly. The other Littlefield players are, from left, Eddie Surret, Randy Wesley and Bill Hamblin, a top defensive player. In the bottom photo, the Littlefield ball-carrier is down, as Bartley locks both hands around one leg from below and Greg Sokora mashes him from above. Slaton players shown, from left are Ray Basinger, Bobby Breedlove, Tom Heinrich and Dwayne Mosser. (SLATONITE PHOTOS by Juanell Wood)

...newspaper editors know, when you bring something, you immediately attract a lot of specimens of the same thing you are bringing a picture of. Since the picture of big tomato someone grew a week back, we've had at least four other people in with bigger tomatoes which we declined to run pictures of, simply figured there might be no stopping...

The office staff mailed more than 200 letters from Washington to points in Texas. At the same time, special delivery letters were mailed from Austin to the same points. Sure enough, 45.6 per cent of the letters arrived at the same time as those sent special delivery.

...I can safely predict the area of the problem will be investigated when we finish with the Bensen said.

GARAGE SALES DUE REGULATION

Annexation Hearing Planned

The question of annexation of an area on the north edge of Slaton by the city will be in the spotlight again when a hearing on the proposed move is held Oct. 24 at city hall. City commissioners Tuesday passed an ordinance setting 7:30 p.m. on that date as the time of a public hearing on the issue which already has drawn strong protest from some businesses which would be brought into the city limits.

The area which would be annexed would include property occupied by G&H Castings and Red Barn Chemical Co. whose representatives already have told commissioners at length why they feel they should not be annexed. Commissioners this week also voted to regulate garage sales in the city, passing upon first reading an ordinance which would require a \$3 permit from the city to have any garage sale, and which would limit each resident to two garage sales per year. A further restriction would be to restrict each sale to no more than two days. Certain groups now tax exempt under rules of Internal Revenue Service would be exempted from the requirement of a permit, but the other regulations would apply.

The commission adopted the proposed budget of \$554,869 for the coming fiscal year which begins Sunday, and approved keeping the tax rate at \$1.75 per \$100 valuation.

Of each \$1.75 collected, 88.9 cents goes to the general fund;

Barbecue Dinner Planned Oct. 15

A barbecue dinner "with all the trimmings" has been set for Oct. 15, when the gross proceeds will go toward medical expenses for Mrs. George Henzler.

The dinner, to be held on a Sunday from 11 a.m. until 3 p.m. at St. Joseph's Hall, will be sponsored by the VFW, American Legion and Knights of Columbus. Tickets will be available in advance from any member of the organizations or at the door. Adult tickets are \$2 and children under 12 will be charged \$1.

Mrs. Henzler is critically ill, and after a lengthy and expensive stay in a Lubbock hospital, was transferred to Mercy Hospital a few weeks ago. She will continue to require continuous nursing care. "Viewing the heavy financial burden of ever-climbing hospital and medical expenses, interested persons, under the sponsorship of the local organizations, want to help," said a spokesman for the groups.

The Knights of Columbus will provide the hall and the cooking know-how, while the VFW and American Legion will pay all expenses for the food. All proceeds (gross) will go to the Henzlers.

20 cents to the Board of City Development; 63.5 cents for interest and sinking fund; and 2.6 cents to the cemetery fund. Fees charged by the city for services involving preparation of gravesites were raised to \$85 on weekdays and \$100 on weekends. The rates have been \$60 and \$80.

The group approved hiring of Dwayne Ham, formerly of Muleshoe, as water superintendent for the city. Ham, who already is on the job, was public works administrator at Muleshoe.

quarter after leading 37-3 at the end of the third quarter, but the Tigers wouldn't allow it.

There's little relief in sight for Slaton this week, as the Tigers journey to Portales, N.M., to play a Ram team which has not yet been scored on in four games. Portales was tied 0-0 in the opening game against Roswell, and has won three by good margins after that.

Good passing by Tiger quarterback Eddie Jones and some good receiving by several players, especially Ron Bart-

Wildcat Too Quick For Tiger; Ram Is Next

By DALTON WOOD

Slaton's Tigers went down to their third one-sided defeat of the season Friday night as Littlefield won 37-11, but not until the scrappy Tigers had battled the Wildcats on even terms for most of the game.

Slaton, in fact, led 3-0 in the first period, trailed 17-3 at halftime, and came back to score a touchdown in the final minutes. Littlefield played its first team throughout the contest and was trying to score in the last

ley, David Magallanes and Lupe Valderaz, kept Slaton in the game offensively, while the Tiger defense, spearheaded by the fierce tackling of Greg Sokora and Bartley, with lots of help from people like Mike Busby, Sam Clemons, Robert Grant and Bobby Breedlove, contained the Littlefield explosive offense for most of the time.

Slaton stunned Littlefield by scoring first, after Bartley recovered a Littlefield fumble on the Wildcat 45, then Jones hit Bartley with a 37-yard pass to the 8. Slaton was unable to push the ball across, and Ken Schuette then kicked a field goal from the 23-yard line, to make it 3-0, Slaton.

Littlefield came back with a field goal of its own to tie the score on Larry Hobratsch's kick from the 28. The Cats had driven to the Tiger 22, where stout work by Tackle Tom Heinrich, Busby and Sokora helped thwart the drive.

On the first play of the second quarter, Schuette tried another field goal, from the 28, but missed, and it still was 3-3.

Littlefield broke it open with three TD's in the third, as Henderson ran 20 to score, and Bryson passed 8 yards to End Leon Hodge and 18 yards to End Chris Pope for touchdowns.

Behind 37-3 going into the final period, the Tigers didn't quit, and outplayed the Cats' first unit in the quarter. Jones drilled Valderaz in heavy traffic

and Lupe hung on for two good gains in the quarter, one for 18 and one for 12 yards at crucial times. Slaton drove to the 2, but lost on downs. Then Breedlove and Jerry Hopper rushed the punter hard, and Breedlove blocked it to give Slaton the ball on the 2. Bartley shoved to within 6 inches, and on the next play Jones sneaked over. He then passed to Valderaz for two points, and that was all the scoring.

Bartley and Sokora each gained 39 yards, with Bartley running 17 times and Sokora 11. Bartley actually gained 50, but lost 11 on other runs. Jones gained 43 rushing, but had big losses totaling 34, so wound up with a net of 9 yards rushing. Jackie Edwards ran once, for 13 yards. Jones completed 11 of 21 for 142 yards. Valderaz caught four passes, and Bartley three.

Sokora was in on 14 tackles, Bartley 13 and Busby 8.

Three wrecks during the last week head the list of investigations by Slaton Police Dept. In addition, one case of vandalism, one aggravated assault, and one theft were reported.

On Monday, one man reported another man walked up to him and struck him in the face, and also allegedly slashed another man sitting in a vehicle nearby. Investigation had not been completed Wednesday.

On Saturday, a Slaton resident reported that vandals had broken the windshield in his car parked at 160 N. 8th. Damage was set at \$150.

A 1972 car driven by Johnny Rosales Flores of Wilson and a 1956 car driven by David Gatzki of Rt. 2, Post, collided at Panhandle and Division streets on Monday, with estimated total damage of \$1,800.

Last Friday, a 1966 car owned by Andrew Ramirez and parked near the gymnasium at Slaton High School was involved in a collision with a 1964 car driven by Teresa Gail Laurence, 755 W. Fisher. Total damage

Slaton Tiger Club, now meeting at 7 p.m. on Mondays, voted Monday night to sponsor a project which will put 8x10 color photos of football players--and later on, members of the boys and girls basketball teams--in businesses around town.

To pay for the project, the club plans a light bulb sale on Oct. 16.

The group viewed films of the Slaton-Littlefield game, and heard Coach Jackie Stewart give a scouting report on Portales, whom he described as a sound and experienced ball club. Both Stewart and Head Coach Bill Curry said they believed Slaton would have a good chance to win the game Friday, noting the improvement in the Tigers in the last couple of games. "The kids have good spirit; we don't

look like the same ball club that played Brownfield."

Stewart said the game against Portales would be in the Eastern New Mexico University stadium, between Portales and Clovis. "It's about 12 miles from Clovis or 7 miles from Portales," he said, noting that by way of Clovis, it is about 140 miles from here.

Joe Sparkman, president of Slaton Tiger Club, urged any members who still have membership booklets out to bring them to the next meeting, so a current roster of members can be compiled.

It was noted that the freshmen team will play Abernathy here at 7 p. m. today. Seventh and 8th grade B teams will play Abernathy starting at 5:15 p.m.

Slaton Art Club Begins Club Year

The Slaton Art Club began their new club year with a salad supper Sept. 26 in the home of Mrs. Cecil Scott. Mrs. J. A. Worley, Jr., club president, led the business meeting. Her motto for the ensuring year is "Coming together is progress; Working together is success."

Mrs. Harley Martin, vice president and chairman of the yearbook committee, presented the yearbook. For the yearbook covers, Mrs. Martin did a pencil sketch of local scenery, including windmills, trees, houses and flower arrangements. The yearbook was dedicated to Valde Whitehead, a member of the art club.

Other officers of the art club are: Mrs. David Williams, secretary; Mrs. J. S. Edwards, Jr., parliamentarian; Mrs. Truet Fulcher, librarian; and Mrs. Valde Whitehead, treasurer.

The art club meets on the first Tuesday of each month during September through May. The object of the club is the study and appreciation of art. It was organized in 1944 and the present membership is 17.

Some highlights planned for the coming year include the "Starting Artist Sale" which will be a benefit for Mercy Hospital to be held Oct. 23. Shown with fall and spring scenes, Mrs. Martin has been working at painting, one of her favorite hobbies, for almost five years.

Mrs. Robert Lee Hagler of the Gordon community topped all the totals given during the week. She brought in 100 items. The total given was 1,700 items.

Mrs. J. S. Edwards, Jr. will be in charge of inviting guests for a workshop on May 29. Mrs. J. S. Edwards, Jr. will be in charge of inviting guests for a workshop.

Each Wednesday, the club meets at the Club House 1972. An art exhibit on May 29 will be held at the Club House.

Also in the art club plans with a parade of members. They when shown will celebrate the 25th anniversary of the Slaton Art Club.

BY BILL AYRES

Pirates Spur 49-0

BY BILL AYRES

He went into high gear and blasted the 49-0. The command of the first period was recovered. This set the rolling, peaked for the first quarterback Pete

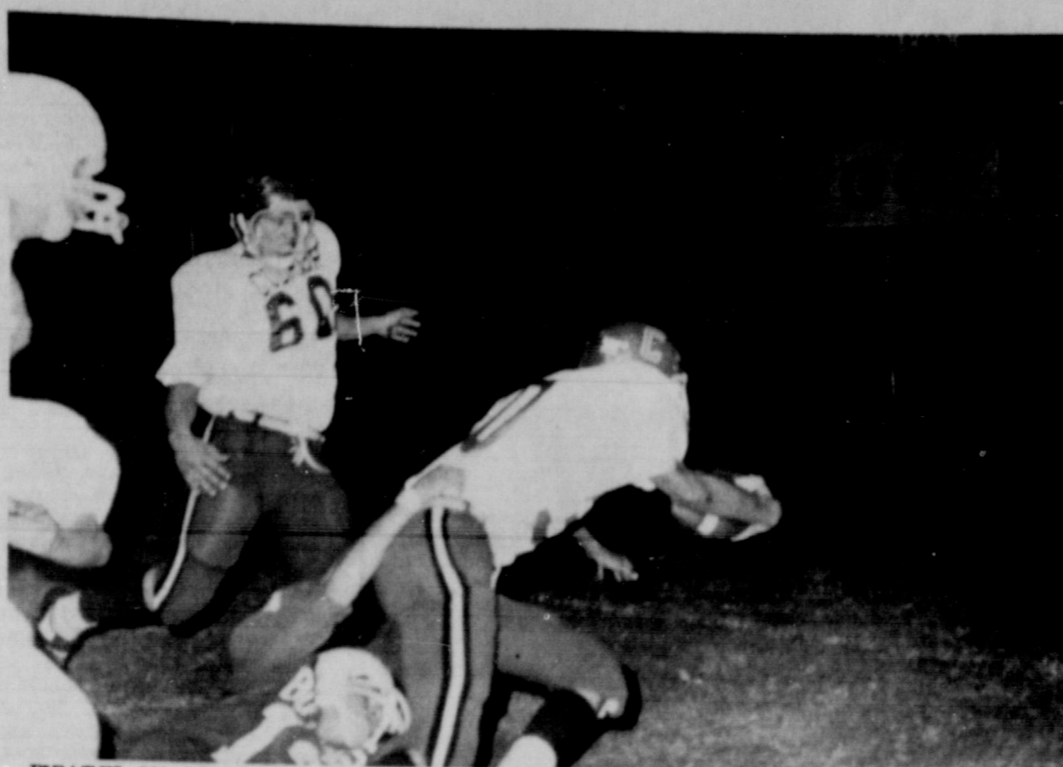

his more inexperienced players in hopes to have them ready in the event they are needed. Mark Hurst, one of these, dashed in on a four-yard run to score. It was the first carry of the game for him. Rick Greer and Dennis Pate were given the chance to play and rushed for 15 yards on seven carries.

While the Pirate offense tore holes in the Bulldog line, the Pirate defense succeeded in all but halting the Bulldog offense. The Pirates held the Bulldogs to only 125 yards rushing, four first downs, and very little yardage passing. Bulldog quarterbacks David Harrison and Terry Rainbolt were only able to complete three passes for 18 yards with 10 incomplete. George Salas of Cooper recovered three of six Bulldog fumbles, each coming at the height of a Bulldog drive. Eddie Ward, Jones, and Caudie played key roles in stopping the Bulldogs. The three, unofficially, were in on or assisted in 20 tackles. The Bulldogs, held by such a determined defense, were forced to kick the ball away seven times.

Hurst said his boys looked much better, but there are still spots that need more work. He felt sure that the team was beginning to work together and hopes that by the time they face Denver City, all the rough spots will be gone. Hurst expressed his pleasure to the team after the game and then joined the team as they wished assistant coach Dick Hughett a happy birthday.

This Friday the Pirates again go on the road as they meet the Chiefs at Crosbyton. Last week Crosbyton defeated Rails 28-0, to give the Chiefs their first win. Cooper is 3-0 for the season and hopes to make it 4-0 before starting their conference games.

Eagles Fly High, Rip Favored Seagraves 41-7

BY JIMMY MATSLER

The fifth-rated gridiron team in the state in Class A was unable to stop a pair of Roosevelt tailbacks, and the Eagles clouted the Seagraves Eagles, 41-7 for a homecoming victory last Friday night.

The win gives RHS a 2-1 record, the same as their red-and-black counterparts.

The duo of John Blackwell and Lee Anderson rushed for a combined total of 270 yards and five touchdowns. Blackwell bore the load of ball-carrying as he rushed for 185 steps on 16 carries and two TD's. Anderson carried 17 times for 85 yards and three scores.

Class A's number one team on the South Plains showed why they were rated so on their third possession of the evening. Seagraves drove 59 yards in 10 plays to take a 7-0 lead with 5:01 left in the first quarter.

Facing third down and ten for a first from their own 40 yard line, quarterback Bob Hill combed on an aerial to split-end Bobby Bean for a 18-yard gain, and a first. A succession of running plays and a 12 yard pass connection by the same duo gave RHS a first down at the Roosevelt 16-yard line. After a five-yard offside penalty Hill hit running back Maurice Evans on a 21-yard pass play for a touchdown. Mike Smith booted the PAT.

Roosevelt came storming back and on the first play following the kickoff Blackwell streaked 27 yards to the Seagraves 38-yard line. Three running plays netted 11 yards,

and then Blackwell matched his previous gallop with a 27-yard jaunt to paydirt. The drive covered 65 yards in 5 plays. Joseph Brown missed the extra.

Anderson turned in the heroics on the next score as he burst up the middle for four yards and a tally with 2:48 to go in the second quarter. Big play of the 77-yard 11-play drive was a 25-yard gain by junior quarterback Chris Marshall. Brown's extra point attempt was wide making for a 12-0 RHS lead.

Lightning struck quickly as Jerry Maloney recovered a Seagraves fumble on the ensuing kickoff at the 28-yard line. On the third play of the drive from the 19 Blackwell burst up the middle, scooted to the outside, and outran the defenders to the goal, with just 1:25 until halftime. Keith Stone ran in the extras to give RHS a 20-7 lead at halftime.

On the initial drive of the second half fullback Kenneth Bobo carried the ball the last four plays of the drive for 15 yards with the capper a one-yard plunge with 7:49 left in the third period. The scoring play ended a 57-yard, 10-play drive and made the count 27-7 after Brown toed the extra true.

Another score was provided with 2:41 left in the third period, as Anderson bruised in from the one. The scoring drive covered 42 yards in eight plays. Brown again added the extra and Roosevelt led 34-7.

The scoring ended on a one-yard plunge by Anderson, his third score of the night coming with just 2:44 to go, set up by his own 36-yard sprint to the Seagraves one-yard line. Brown again toed the PAT through the uprights and this made for the final of 41-7. Roosevelt had 291 yards

rushing to only 134 for Seagraves. The visitors quarterback Hill hit on 8 of 21 passes for 120 yards, while Roosevelt hit on only one of two for 5 yards.

Anderson and Blackwell led

the rushers with 5.0 and 11.6 yards averaged, respectively. Maurice Evans and Frank Cardenas led Seagraves with 72 and 69 yards, respectively for 5.1 and 4.6 averages per carry. Roosevelt had 24 first downs

to 15 for the visiting Eagles. At halftime, senior Brenda Rowan was crowned Homecoming queen. Runners-up were Donna Morris and Vicki Park. Brenda is the daughter of Mr. and Mrs. Earl Rowan.

Freshmen Stop O'Donnell 21-6

Slaton's freshman team beat O'Donnell 21-6 last Thursday, but had to come from behind to win it.

O'Donnell scored in the first period after a bad punt by Slaton gave them the ball inside the Slaton 5. Slaton held for three downs but on the fourth play, an O'Donnell back scored on a reverse.

In the second period, Slaton scored on a 2-yard run by Bill McClesky. Breck Hudson kicked the point and Slaton led 7-6. Slaton had another drive going when time ran out with the ball on the O'Donnell 8. The timekeeper did not stop the clock on an incomplete pass, so Slaton was awarded one more play. Hudson hit a 25-yard field goal to raise the score to 10-6 at halftime.

Slaton recovered and O'Donnell fumble deep in Eaglet territory in the third quarter and McClesky again scored from the 2. Gary Aycock hit McClesky with a pass for two extra points to make it 18-6. In the fourth quarter, Hudson kicked another field goal, this one from 37 yards out.

Hudson, Charlie Haynes, McClesky, Gaylon Buckemper and Chris Hernandez looked good offensively, and defensive leaders were "the whole team," according to the coach. O'Donnell was never able to move the ball except on the short drive of the touchdown. Slaton suited up 24 boys with each playing in the victory.

Exciting events will highlight the annual Texas rodeo which this year for the first time features convict women, it is reported by Jim Batten, advisor for the Texas Department of Corrections.

In addition to the rodeo, which begins at 2 p.m., there will be a host of thrilling midway acts outside the stadium from 9 a.m. to noon each Sunday. A pre-rodeo show will also be included in the entertainment package from 12:30 p.m. until show-time.

Convict events include the Mad Scramble, Calf Tussle, Wild Horse Race, Saddle Bronc Riding, Bareback Bronc Riding, Greased Pig Sacking, Wild Cow Milking, the original Hard Money contest, and Bull Riding plus the traditional Chariot Race to make the close of each performance.

Boys will be joined by convict cowgirls, bands and singers for a full-scale fast-moving two hour show that promises to be the "biggest, fastest and most exciting entertainment spectacle ever presented in the long history of these annual events," Batten said.

Batten said, the rodeo will highlight convict and convict singers, "are better guest stars who have in previous rodeos." But shell, the 1972 Texas Rodeo will be a original concept rodeo--with all convicts.

Behlen Named Fair Winner

Stinson R. Behlen, Southern Highland Dulcimer maker, of Slaton, has been awarded the first place blue ribbon at the South Plains Fair. The dulcimer is on exhibit in the Wood Carving department in the Women's Building.

Behlen has been invited to exhibit, sell and demonstrate all models of his Southern Highland 'Hill Country' and new 'Electro-Dulcimers' to the Indian Summer Arts and Crafts Fair in Rusk, Tex., on Oct. 27, 28 and 29 at the National Guard Armory there. It will be a Tri-State Fair including Texas, Louisiana and Arkansas, and is the largest planned for East Texas in 14 years.

Batten said that ticket sales are progressing ahead of the 1971 show, which was a record year. Reserved seat tickets at \$3, \$4, \$5, and \$5.50 for tox seats (including children) may be obtained by writing Texas Prison Rodeo, Box 99, Hunsville, Texas 77340.

Tickets are also available at all Foley stores in Houston and at selected Montgomery Ward retail outlets in cities from San Antonio east to the Louisiana state line.

Net proceeds from ticket sales are earmarked for rehabilitative services for more than 16,000 inmates of the state's sprawling prison system.

TWO SLATON COUPLES IN ANTIQUE CAR EVENT

Attending the Southwest Swap Meet, a meeting of antique car buffs in Irving last weekend were two couples from Slaton, Mr. and Mrs. Dick Hardesty, and Mr. and Mrs. Mackie Klattenhoff. Thousands of antique car buffs from over the nation attended the meet which was headquartered in the parking lot of Irving Bank and Trust Co.

FIVE GENERATIONS TOGETHER... Mrs. G. H. Limmer of Hamilton was honored on her 91st birthday with a party that spanned five generations. With Mrs. Limmer are her great-granddaughter, Carla Dabbs of Lubbock, her son, Malcom Limmer of Slaton; top row, great-granddaughter, Mrs. David Dabbs of Lubbock, and granddaughter, Mrs. C. J. Johnson of Slaton.

Limmer Family Gathers For 91st Birthday Party

Mrs. Gus H. (Lena) Limmer of Hamilton, mother of Malcom Limmer of Slaton, had all of her children with her Aug. 20 to observe her 91st birthday. Gathering in the home of her daughter and son-in-law, Mr. and Mrs. Hubert Jackson of Hamilton, for the occasion were her sons Eldor of Corras Christi and Malcom of Slaton, with their wives, Anna and Elsie.

Also present were two granddaughters and their husbands, Mr. and Mrs. C. J. Johnson of Slaton and Mr. and Mrs. Joe Dalton of Hamilton; three great-grandchildren, Mrs. David Dabbs of Lubbock, Brenda Johnson of Slaton and Tom Dalton of Hamilton. Little Miss Carla

Dabbs, a great-great-granddaughter, made the fifth generation attending the gathering. Completing the family were Mrs. Limmer's brother, Willie Wied and sister, Mrs. Augusta Livingston, both of Hamilton. Mrs. Limmer has three other grandchildren and seven more great-grandchildren.

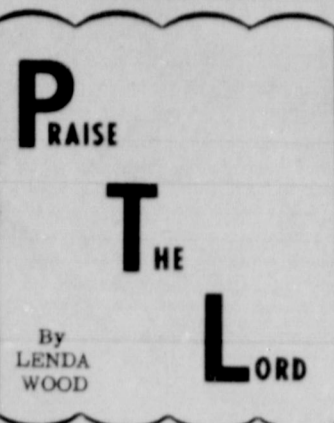

Old Horse Show!
Farmers and tradesmen in rural England still find horse-drawn carts are economical, which is good news for the Gypsies who gather each June at the Appleby Fair. They have been trading in horses at the fair since it began in 1750.

Gasoline consumption in the United States was 96,347,029.000 gallons.

SLATON SLATONITE, SEPTEMBER 28, 1972,

SECTION II PAGE 1

ALL things are possible to those who believe.

Sometimes when I read the Bible, I pretend it's the first time I've ever read it. In this way, it seems that I get fresh insight as to what the Bible is really saying. If we're not careful, when reading something that we think is familiar to us, we read over it, and our mind is drifting off somewhere else, and we don't really have our mind and heart on what is being read.

This week as I was reading the book of Luke, I found that Jesus met the needs of everyone who came to Him. As the sun went down that evening, all the villagers who had any sick people in their homes, no matter what their diseases were, brought them to Jesus; and the touch of his hands healed every one! Some were possessed by demons; and the demons came out at his command.

"Sir, if you only will, you can clear me of every trace of my disease." Jesus reached out and touched the man and said, "Of course I will. Be healed."

One day as Jesus and his disciples were nearing Jericho, a blind man was sitting beside the road. When he heard that Jesus was coming, he began to cry out, "Have mercy on me!" Jesus stopped and came over to him and said to him, "What do you want?" (As if He didn't know what the man wanted. Are we crying out: Lord, have mercy on us, help us, etc., without asking Him specifically what we want and need, but it seems like He wants us to say specifically what it is we're asking for.)

"Lord," he pleaded, "I want to see!"

"And Jesus said, 'All right, begin seeing! Your faith has healed you.'"

Jesus did only a few great miracles in his hometown, because of unbelief. Someone explained unbelief in this way: Once there was a tightrope walker at the circus. Before he walked the rope high in the air, he asked the crowd if they believed he could do it. Of course several raised their hands affirming that they believed he could do it. Well, he walked across the wire, some 30 feet long. When he reached the other side he asked the crowd how many believed he could walk back across. Of course they all raised their hands and cheered. So he returned to the other side, dancing a little jig a couple of times going back.

Then he asked the crowd if they believed he could carry a chair on top his shoulders and walk the rope. Everyone raised their hands and cheered. So, with the chair on his shoulders, he walked across the rope and did all kinds of tricks. When he reached the other side, he then asked the crowd how many believed he could walk back across the rope with the chair on his shoulders, with someone sitting in the chair. Everyone raised their hands and cheered. Then he said, "Okay, I want a volunteer. Who will do it with me?"

No one volunteered. Is that the kind of belief we have with Jesus? We believe He can do it...with someone else. But what about you and me? He made the sick people whole and the blind to see way back then. What about now? "Jesus Christ is the same yesterday, today, and forever." Heb. 13:8.

and of a good courage, fear not, nor be afraid for the Lord thy God, he it is that doth go with thee; he will be with thee, and will sustain thee, and will not forsake thee. (Deuteronomy 31:6)

It is still a question of man meeting the challenge of the environment and battling with himself. Nature tells the way of courage is to think and act courageously. Man is born with perfect intelligence, but each of us exercise the intelligence we do possess. We have the use, and it is our responsibility to use them to wisdom. Clear thinking, coupled with good reasoning and consideration to all the facts, should enable us to make practical decisions, regardless of the circumstances. In God and our convictions as Christians will help us in any type of action. The very act of proceeding wisely will indicate a masterful quality within us, and our ability will enable us to score a victory. Our heavenly Father, give us the courage to face our convictions. We would be kept mindful of grace and be courageous enough to follow Thy path and let us always walk with faith. Amen.

FOR THE DAY:
Faithfulness keeps our courage alive.

a weekly message relating the world of today to the lessons of Faith and Church...

Wisdom is the principal thing; therefore get wisdom; and with all thy getting get understanding.

—Proverbs IV, 7

There is wisdom in the written word, in the world of books. But, this kind of wisdom is only a part of the total process of learning. There is about us a world of people, places and things. From these, we must learn and, in turn, we may teach. With true wisdom comes the certainties of life, the appreciation of beauty, a grasp of faith. We do not live life day to day but, like an autumn leaf moving with the restless current of the river, we have a destiny, a date with tomorrow.

Spirit Is The 'Life'

BY JUANELL WOOD

Although two weeks ago, Kermit led Slaton 40-0 at half-time, the school spirit was just as good when the second half started as it had been the first quarter. Many football teams, going off the field, would have received boo's or dead silence from the lopsided score. Slaton fans stood up and clapped and cheered the boys as they left the field to go to the dressing rooms.

One observer said, "It's the best school spirit I've ever seen in any school." Whether or not the cheering had anything to do with it, Slaton outscored Kermit in the second half, and the game ended with the score being 40 to 12.

Below are some of the opinions about school spirit of teachers and students. Loretta Dillion, head cheerleader--"I think the school spirit is fantastic! The town has really been behind the boys." Ann Partain--"It's all right, but it needs to be shown everywhere and all the time, instead of just at the pep rallies." Mrs. Gay Benson--"Five hundred and some-odd students in high school.....and at a choir contest, football game, stock show, et cetera, the number of students available can be counted on one hand. Lack of interest."

Susan Hopper, junior cheerleader--"It's better this year than it was last year, and the pep rallies are a lot better, in my opinion. If we can keep the spirit up, the football boys can go a lot farther." Anne Webb, sophomore cheerleader--"I think it's real good." Coach Kerr--"It needs improving. Help us do a better job." Coach Stewart--"I thought it was better at the start of this year than during recent years. It's slipping a little now, though."

Ron Bartley--"I think it's been real good and enthusiastic." Kathie Price--"If no one had spirit, life would be dull and a bore. Slaton High has proved that spirit makes things happen. For the past few weeks the spirit has really hit SHS. During school and the pep-rally, the student body has shown that they are behind the Tigers 100 per cent. Even though we have lost three games, the guys are correcting the mistakes they made in these games and are capitalizing on their abilities. When the guys go up against our district foes, they will be out for victory; and SHS will be backing them all the way."

Mrs. Micky Benson--"The school spirit exhibited in Slaton High School is tremendous, fantastic, world-shaking! There is one slight problem; of a total of five hundred fifty students in high school, approximately two hundred have, and exhibit school spirit."

School spirit is backing your school whether it is football, choir or a beauty contest. School spirit is being there when the going gets rough and the chips are down. School spirit is buying a "Tiger-backer" from the student council even if you have to give up a coke for the day. School spirit is believing in the Tigers. School spirit is being A PART OF the Slaton Tigers.

STAN MEADOR...recently named President of the 110 member SHS Tiger Band is "blowing his mind" as the group prepares weekly half-time shows for Tiger fans.

LANA DICKSON...SHS senior in her first year as Drum Major, takes them through their paces during the half-time shows. Lana was elected secretary of the Tiger Band for the year.

Tiger Band Has 110 Members

BY KATHIE PRICE

The Tiger band has been working hard the past few weeks, but not as hard as Mr. Bill Townsend, band director. With 110 students this year he has his work cut out for him. With a little help from the band officers the marching has not been too difficult; nevertheless, marching at 8 o'clock can really chill the bones. The band has featured their twirlers Kathie Price, Scharia Johnston, Debbie Milliken and Sherree Perdue to the song Shaft which is a favorite among all the band members.

RODNEY KUSS...newly named Tiger Band vice-president, is keeping his head in the books during his senior year at SHS.

KAY STEPHENS...is the new treasurer for the Tiger Band. The junior miss is the daughter of Mr. and Mrs. Wayne Morris Stephens.

***** "I Am Glad To Be An American" *****

"I learned how to say the words 'I am glad to be an American' in school, but I learned how to mean them at Girls State." This is one of the statements made by Marilyn Walker in her speech on "Freedom, Democracy, and Unity" at an assembly last week.

Marilyn also voiced the

opinion of the other students who went to Girls State and Boys State when she added, "We learned respect for the American flag. We learned that in America we have freedom, the freedom to be what we want to be. If we want to be the

best in the world, that is our privilege. If we want to be the worst in the world, that is our privilege."

Mary Mosser, Cindy Locke, and Cindy Kenney also reported on their stay at Girls State last summer. Terry Mize,

Randy Green, Mike Lee, David Gossett review highlights of their trip to State. Juniors who will go and Boys State last summer be chosen at the school year.

KENNY'S KORNER

By KENNY SCHUETTE

THE HUDDLE--Here we are huddled up waiting for the play to be brought in from the sideline. Everyone is tense, looking at those monsters on defense. Each back is wondering, "Am I going to get the ball?" or the linemen are saying, "I hope they don't run the play this way; that guy over me is big." Well, the quarterback is stepping into the huddle; he calls the play and the game starts: "OK men, we're running a halfback dive; ready, break." After the play and the Ambulance carries off the halfback because the linemen missed a block, a new play is brought in by the new halfback. "I tell you, linemen, one thing, you better block." OK back, but you make sure you run." All this time the linemen are yelling at the backs for not running, and the backs are yelling at the linemen for not blocking. We finally quit yelling at each other because by now we are all too tired to yell. The fullback is still uttering some words at the line. "OK bunch, we finally made it down to the five-yard-line; please for heaven sakes, BLOCK." After the play, the game is called off because there are no more players left. Everyone was wondering why the linemen were chasing the fullback out of the stadium, and then they found out why; he fumbled the ball.

TWO FLAGS--As the United States flag and Slaton High flag goes into the air, students are thankful for being Americans.

NEW UNIFORMS--The Slaton Tiger Majorettes display their new 72-73 uniforms featuring the long collars. They are left to right, Scharia Johnston, Sherree Perdue, Debbie Milliken and Kathie Price.

In Aspermont Rodeo

Bull Riders Get Bucked, Wild Cow Milkers Go Dry

By JERRY HOPPER

Slaton FFA team had a little hard luck last weekend in the Aspermont Rodeo.

All the bull riders--Alan Davidson, Bruce Jones, and Jefferey Jones--bucked-off and the wildcow milkers didn't place.

Alan Davidson drew a bull that bucked straight out for about two jumps and went into a left spin. Jefferey Jones' bull was just a big ole' stout bull that bucked straight away. Bruce Jones' first bull got turned out early and he got a re-ride, but didn't do any good.

The wild cow milkers--Jerry Hopper, Bobby Hopper, and Joel Ham--got a dry cow, and it took them 37.5 seconds to milk her; but they were the only team in the whole rodeo that

milked that particular cow. The other teams didn't even get her stopped.

Well, we might have lost our entry fees but it was one experience this FFA team will remember the rest of our lives.

Named Girl Of The Month

Judy Piwonka, 16 and a Junior at SHS, has been elected as Girl-of-the-Month for September at an FHA meeting held Monday night. Judy was elected on the

JUDY PIWONKA

basis of her outstanding achievements in FHA this year. Among them are: Homemaking I, II, and III; participation in the state FHA meeting in Dallas her Freshman year; Parliamentarian-Historian her Sophomore year; and third vice-president this year.

Other topics that were discussed at the meeting were activities including a Chili Supper before the Post game on Oct. 13, a State School visit, various sales, and a variety of parties. Meetings will be held

on the second Tuesday of every month.

Requirements for FHA are, at least one semester of Homemaking or one semester of Home and Family Living. Dues are \$1.00 a semester or \$2.00 a year.

NHS Officers Are Elected

BY TERRY MIZE

In a meeting held in the auditorium last Friday, the National Honor Society elected their presiding officers for the 1972-73 school year.

Elected at the meeting were Terry Mize, president; Rodney Kuss, vice president; Lana Dickson, secretary; and Lynn Jayceon, treasurer.

The NHS is an organization found in schools across the nation.

The membership of the organization is composed of those students who have shown exceptional qualities of scholarship, leadership, and citizenship in the school and community.

Sponsoring the organization at Slaton High is Mrs. Charlene Davis, school counselor. She has provided guidance to the organization and its officers for the past five years.

DECA

In the last Deca meeting, officers were elected. Kevin Alexander was elected President; Debbie Winters, Vice-president; Lynne Wendel, Secretary - Treasurer; and Noree Self reporter.

Owners Being 'Taken'

According to the Parks and Wildlife Department, the state's 400,000 owners are candidates for "take" by a spurious scheme known as the States Merchant Marine Registry.

services of an information center in Washington. This is followed up by a second notice in more imperative tones stating the importance of returning the forms and money immediately. The USMM does state in fine print at the bottom of the forms, "This form does not exempt applicant from State or Federal registration requirements."

The only boat registration Texans have to worry about is the one required by the Texas Water Safety Act and administered by the Texas Parks and Wildlife Department. The USMM is a private organization and is not connected to any federal or state agency.

Located in Washington, D. C. it uses official looking stationery for its mailings to boaters. The USMM seems to be working the state's major urban areas. Most of the complaints received by the Parks and Wildlife Department are from Houston and a few have recently been received from Dallas. The scheme is reportedly under investigation by the U. S. Postal Inspector. At \$6 a head for the state's 400,000 boats, that's \$2,400,000 in Texas alone.

Fresh Win Two, J.V. Tries One

by Tiger's Cage Staff

In the first game of the season the freshmen played Frenship. The Frenship Tigers scored first in the first quarter to light up the score board 6 to 0. The extra point was not successful.

The Slaton Tigers went back on the prowl as back Bill McClesky scored in the second quarter to make the score 6 up, until Breck Hudson kicked the extra point which drove Slaton ahead 7 to 6. But that wasn't all we had heard from Frenship because they scored again which made the score 12 to 7. The third quarter was scoreless.

At the last of the fourth quarter, in fact, with only 29 seconds left in the game, Breck Hudson hit Ernest Gipson with a 40-yard-pass-and-run for the winning touchdown--12 to 14.

Looking good on offense for Slaton was McClesky, Hudson, Gipson, Chris Hernandez, and Gaylon Bukemper. On defense were Gary Aycock, Clarence Hammons, McClesky, Hudson, Eiland Wood, and Tip Culver who did good jobs.

The Junior Varsity game was canceled due to bad weather. Freshmen won the O'Donnell Game 21 to 6, with Breck Hudson, Charlie Haynes, Bill McClesky, Chris Hernandez and Gaylon Bukemper looking good offensively and the defense was on their toes all through the game. Junior Varsity played a good game but failed to score.

ACT Important To College-Bound

by Tiger's Cage Staff

Five Saturday mornings during the current academic year will probably be especially important to SHS students who are planning to attend college.

On any of those Saturdays--the first of which is Oct. 21--the students will have an opportunity to take the ACT Assessment. Those planning to take the examination on that first date must have registered no later than Oct. 2, it was announced today by Mrs. Charlene Davis, counselor.

Mrs. Davis also announced the complete schedule for the 1972-73 academic year. The five national dates (with corresponding registration periods in parentheses) are: Oct. 21, 1972 (Aug. 21--Oct. 2); Dec. 9, 1972 (Oct. 9--Nov. 13); Feb.

24, 1973 (Nov. 27--Jan. 29); April 29, 1973 (Feb. 12--April 2); July 21, 1973 (April 16--June 25).

Cost to students for the guidance-oriented ACT Assessment, which takes about 3 1/2 hours to complete, is \$6.50. Resulting information reports are of valuable use to students and their counselors in pre-college planning.

Students uncertain whether they need to take the ACT Assessment, or who are concerned about the location of the most appropriate testing centers, are urged to contact Mrs. Davis or another member of the guidance staff. Students can also obtain registration packets

and other ACT informational materials from their guidance counselors.

Last year approximately one million students in the U. S. and overseas took the five-part assessment, which is required or recommended for applicants at more than 2,000 colleges, universities, two-year colleges, scholarship agencies, and athletic conferences.

The ACT Assessment consists of four academic tests and a questionnaire section that collects information about an individual's academic and extracurricular achievements in high school, immediate plans for the future, and career aspirations. The four tests--

covering English usage, math, social studies, and natural sciences--are designed to assess general educational development.

Mrs. Davis recommended that students write the ACT examination--questionnaire--during the junior year or early in their senior year, in order to make use of the resulting ACT data in planning for college.

With national headquarters in Iowa City, Iowa, ACT is an independent and nonprofit corporation that provides a number of guidance-oriented assessment services for students and institutions in the U. S. and more than 60 foreign countries.

Plans Are Made For FTA Year

by Tiger's Cage Staff

At a meeting of the Slaton chapter of FTA, Marilyn Walker, president, explained the meaning and activities of FTA to the new members. Members discussed projects for the coming year. Among them were the district meeting, which will be held at Coronado High School in Lubbock in November; and the State convention, which will be held in San Antonio in February.

FTA dues were set at \$3.00 per year. The FTA pledge was read by Mr. Carnes, sponsor. FTA officers for the 1972-73 school are: Marilyn Walker, president; Charles Waugh, vice president; Romona Key, secretary; and Cindy Walker, treasurer.

FOOTBALL CONTEST

It's so easy. You don't have to be a football expert in order to win. Just select the winners on the handy official blank printed below. No scores. Just check the teams you think will win.

RULES OF THE GAME:

- ★ Teams playing in this week's contest games are listed in ads and numbered 1 through 48. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- ★ Be sure to guess total score on the "tie-breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.
- ★ Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 5 p.m. Friday before the games are played. Only two entries for each person; all persons 12 or older eligible except Slatonite employees and their families. Each entrant eligible for one prize.
