

Slaton Gasoline Customers Can Get All Fuel They Want...Maybe

Residents can get all the fuel they want right now, but prospects for short-term fuel shortages appear likely, according to several gas station operators and gasoline distributors contacted by the Slatonite on Wednesday. And some are already feeling the pinch of shortages already.

tributor, pretty well summed up the view of most of the others when he commented that some rationing to the customers might possibly be forthcoming, "but so far, most stations have been able to take care of the demand." And James Beggs, Fina station operator whose business is on a major highway, said "We've had no

problems so far. We have plenty of gas, and if they come in here, they get all the gasoline they want," although he did say the company had put its station on a quota.

Texaco has put its stations on allocation based on about the same volume as the corresponding month of last year. Gulf also has put its stations

on allocations, and Mobil and Phillips distributors here are limited at the distributorship level. But in each instance local customers have been getting all the gasoline they need, with no restrictions as yet.

C. C. Kirksey, Gulf distributor, noted that hours of two Gulf stations here have been curtailed, and that both now are closed on Sundays. "I'm afraid we're going to run a little short of gasoline this month," he said. "There has been a slight increase in price, but I don't believe we'll have a great increase." He added the opinion that there would be some problems throughout the summer after which he anticipates

an easing of the situation. "I don't believe people have to worry too much about a shortage. People going long distances had better get gas before too late in the day, though, because more stations are closing earlier--and more are closing on Sundays, too."

Richard Becker, Mobil distributor, commented that conservation of fuel is an individual matter. "What it boils down to is that everybody is going to have to try to conserve a little bit of fuel, by cutting down on unnecessary trips." He expressed the opinion that some price increases to the customer are in store, although he does not look for any huge boosts in per gallon prices. "If the government should make it mandatory that each station be put on a quota based on last year's sales, without question this would hurt some. . . If we have only the same amount of gas we sold last year, we're looking at two or three days less each month of operation. . . this would necessitate a price increase." Becker said that so far the two Mobil stations here have been able to supply plenty of gasoline, "but as the

Slaton Girls Win Tourney, Seek Honors At Levelland

Slaton's 11 and 12-year-old all-stars won the girls Little Dribblers tournament here last weekend and now are to compete at Levelland in the national tournament today through Saturday. The Slaton team now has won 15 games and lost 1.

In the regional tournament here, Slaton's girls had to play four games on the final day to win, losing first to then-unbeaten Seagraves on Saturday morning 24-19, coming back to beat Sundown in the afternoon to gain the finals in the double-elimination tourney, beating Seagraves and then having to beat Seagraves again 35-29 to win the meet and the right to enter the Levelland event.

Vel Kelly scored 16 for Seagraves as they beat Crowell 33-22 to open the tourney here Thursday. The losers' Jill Bell had 11, Sundown then beat Plains 38-17 with DeAnn Hilton scoring 22. Ropes beat Smyer, then Slaton beat Cooper 46-16 as Chris Kennedy and Phyllis Heinrich each had 10 points. High scorer, however, was Cooper's Julie Robertson with 14. Plains and Cooper then won in the losers brace,

eliminating Crowell and Smyer.

On Friday Seagraves bested Sundown 28-20 and Slaton beat Ropesville as Linda Lewis scored 10 points and Sherry Means had 12 for Ropes. Sundown beat Cooper 25-9, then Ropes beat Plains 26-23. Sundown defeated Ropes 19-

12 Saturday, then Slaton lost to Seagraves as Vel Kelly had 13, Slaton beat Sundown, then topped Seagraves as Linda Lewis scored 7. Slaton came from behind an 11-4 first quarter deficit to win 35-29 as Linda Lewis scored 16 and Vel Kelly had 14 for the losers. N. A. Kiondas

Bible Prophecy Expert To Speak In Slaton

Hilton Sutton of Houston, a recognized authority on Bible prophecy and a specialist on the book of Revelation, will speak at 8 p.m. next Thursday (June 14) at the American Legion hall in city park. Everyone is invited to attend the meeting of the non-denominational evangelist.

Although he is affiliated with no denomination, Rev. Sutton is a third generation minister of Methodist and Roman Catholic background. He previously pastored Faith Memorial Church in Houston for eight years. He conducts Bible

prophecy conferences and special series of meetings on Revelation, and Mission to America conferences throughout the nation, and last year led a tour of the Holy Land. He conducted a week-long series of meetings in Trinity Church, Lubbock, last year.

His appearance in Slaton is an unscheduled one, as he will be here just one night en route to Plainview where he is to be principal speaker for the monthly meeting of Full Gospel Businessmen's Fellowship Friday night (June 15), will be in Clovis Saturday and will be speaking at Trinity Church in Lubbock on Sunday, June 17.

Dalton Wood, a member of the board of directors of Sutton's Mission to America program, asked the evangelist to come to Slaton en route to Plainview, arriving a day early so some here could hear him.

"Mission to America is a program designed to bring to the people of the nation an awareness of spiritual renewal as the only answer to our problems, and to promote unity and fellowship of all true believers, regardless of what church they may attend," Wood said.

Sutton currently is working on a television program relating current events to Biblical prophecy. The program is scheduled to be shown on one of the Lubbock stations.

Entrants Sought For Talent Event; Prizes Total \$125

Plans for the downtown Flea Market and Sidewalk Sale next Saturday, June 16, moved along this week as emphasis was placed on the talent contest scheduled early that afternoon, with prizes totaling \$125 being offered to the top three entrants in the contest.

Groups, individuals, instrumentals, vocal all are eligible to compete for the prizes being offered here, and several entries already have been received, according to Cotton Hall of KCAS, talent show director. Any person or group wishing to enter is urged to call KCAS, 828-6217, to enter. There is no entry fee.

"We hope everyone is getting ready to bring their fleas to market," said Wanda Hutto, chairman of the Chamber of Commerce Retail Trades Committee which is sponsoring the sidewalk sale and flea market. Many merchants already have signed up to participate in the event, which last year proved profitable and entertaining, and also provided shoppers with some really good bargains, both from the merchants and from those clubs, organizations and individuals who put up booths for sale items that day.

The activities will be going on all day Saturday in the downtown area.

Baby Contest Date Changed; Entries Sought

Selection of the Little Mr. Ideal Slaton and Little Miss Ideal Slaton will be announced on July 4 in conjunction with the annual community-wide celebration planned in the park, it was reported this week. Sixteen youngsters had been entered in the competition by Tuesday. Photos of these contestants are shown on page 6 and 7 of this issue of the Slatonite.

Parents may enter their children in the contest by bringing a photograph of the entrants to the Chamber of Commerce office. Any child who has not yet reached the age of 6 may be entered. Entry blanks may be picked up from Slaton merchants who are members of the chamber, and should be taken to the Chamber with \$1 for each entry.

Photos of contestants will be run in the Slatonite as they are entered.

Judges for the contest will be from out of town.

Cycle Stolen In 1971 Found By Youth Here

A motorcycle stolen in San Jose, Calif., in January, 1971, was found near Slaton last Friday in a creek where it apparently had been abandoned some time ago. Lonnie Deason of 705 S. 13th found the Yamaha 360 cycle near the crossroads of Gulf Course Rd. and County Rd. 73. It had been reported stolen Jan. 12, 1971.

An insurance company which now owns the cycle was notified. Melton Williams of 1115 S. 2nd, told police Friday that someone had killed 14 of his chickens with a pellet gun. They were valued at \$100.

Four wrecks were investigated by police during the week. Last Wednesday a 1967 car driven by Faye Carson Siler, 250 W. Dickens, and a 1962 auto driven by Cecilia Diaz, 1330 S. 5th, collided on United parking lot, causing \$45 damage.

Also Wednesday, at Industrial and U. S. 84, a collision involved a 1972 car driven by Maria Garza Alfaro of Rt. 1 and a 1964 auto driven by Emberlee Marie Woodfork, 1015 S. New Mexico, causing \$100 damage.

Two wrecks occurred Thursday. One at 15th and Lubbock involved a 1956 auto driven by Gene Thomas Burns, 725 S. 14th, and a 1966 auto driven by Manvela Lopez Cruz, 430 S. 5th. The Cruz woman and Tim Burns, 6, passenger in the Burns auto, were treated at Mercy Hospital and released.

At 9th and Garza a 1962 Diamond T truck driven by Hollis Lee Ellis of Merkel and a 1972 car driven by Adonis Loyd Hall, 600 S. 11th, collided. Damage to the car was estimated at \$175.

Lubbock Home Is Scene Of Latham-Dorsett Nuptials

Miss Patricia Ann Dorsett became the bride of DeWayne Houston Latham Friday in a candlelight service at the home

of Mr. and Mrs. Jerry Kelley in Lubbock.

Parents of the couple are Mr. and Mrs. Olan K. Dorsett Jr., of Lubbock and Mr. and Mrs. Houston Latham of Seymour.

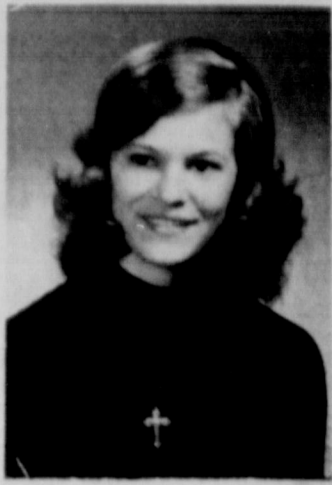

Rev. Frank Jones, minister of Pleasant Ridge Baptist Church, officiated for the double ring ceremony.

Given in marriage by her father, the bride wore a floor length white dotted swiss gown fashioned in Empire style and featuring a victorian neckline and lantern sleeves. The bodice and sleeves were accented with white lace encasing pink ribbons. She carried a white Bible topped with a white orchid and white sweetheart roses.

Gail Durham served her cousin as maid of honor. She wore a street length dress of pink dotted swiss with the sleeves and bodice trimmed with white daisies. She carried a long stemmed pink rose.

Ed Covington of Dallas served as best man for the occasion.

Following a reception in the home, the couple left for a wedding trip to Ruidoso, N.M. They will make their new home at 605 1/2 South Washington,

Shower Honors Miss Paula Kee

Miss Paula Kee, bride-elect of John Gentry, was honored with a miscellaneous shower Tuesday night in the Slaton Club House. The bride's chosen colors of blue and white were used in decorations.

Special guests were Mrs. Roland Kee, mother of the honoree, Mrs. Norman Gentry and Mrs. J. C. Gentry, mother and grandmother of the future groom.

Hostesses for the event included Mmes. Kay Gordon, Vera Johnston, Dorothy East, Sayde V. Creswell, Bobbie Hogue, Dorothy Bownds, and Donna Forsom.

Others included Loma Mae Fields, Opal Hinson, Llawanna Johnston, Bessie Kenney, Pearl Prentice and Norine Patschke. Hostess gift was a set of cookware.

Paula Kee, bride-elect of John Gentry, was honored with a wedding shower June 2 in the home of Mrs. C. R. Bridges.

The bride-elect's chosen colors of blue and white were carried out in the decor. Hostesses were: Mmes. Hazel Greer, Eva Bone, Estel May, Janelle Lampkin, Norma Bowman, Nell Rallsback, Martha Hightower, Susy Mann, Bette Hall and Verlyne Bridges.

The hostess gift was an electric skillet. Special guests were Mrs. Roland Kee, mother of the bride-elect, and Mrs. Norman Gentry, mother of the groom-to-be.

Mrs. O. F. Kitten, assisted by her daughter, Carol, were hostesses for a salad supper in their home for the last club meeting of the year for the Slaton Art Club, Tuesday evening, May 29.

After a short installation of the new officers, the outgoing president, Mrs. T. A. Worley Jr., presented everyone with a hand painted china dish. The club then presented Mrs. Worley with a gift of a blank china tankard.

Roll call was answered with art work of various flowers. Ten members and one guest enjoyed the salad supper.

Members of Slaton Art Club had a surprise birthday tea for Mrs. M. L. Turnbow Friday evening, June 1, in her home. Club members brought refreshments and good wishes to help Mrs. Turnbow, the 'youngest' member, celebrate her 87th birthday.

Bridal Shower Honors Mrs. Margret Bartley

Margret Bartley was honored with a bridal shower last Thursday night at the Club House. Hostesses were Mmes. Margie Green, Helen Meeks, Nelda Chapman and Donita Johnston. Red roses and baby's breath decorated the table covered with a white lace cloth. Twenty persons attended.

Dorcas Class Attends Social

The Dorcas Class of First Baptist Church met in the church parlor Monday at 7 p.m. for their salad supper. Mrs. Robert E. Lee presided over the meeting.

Mrs. M. H. Lasater gave the opening prayer. Nedra Moseley read from a book "To Live Again" as a devotional. Mrs. Ford Stansell gave the closing prayer.

Ten members attended, as well as five guests, including Barbara Jones, Nedra Moseley, Darlene Stricklin, Bertha Evrage and Alma McClanahan.

Shower Honors New Bride

Patsy Griffin Buxkemper was honored with a miscellaneous bridal shower last Wednesday in the home of Shirley Dodson. Hostess gifts were a toaster and centerpiece.

Thirty guests registered. Hostesses included Mmes. A. A. Wimmer, Royce Heinrich, Leon Dodson, G. J. Buxkemper, L. J. Kahlich, Franklin Heinrich, Jerry Hutchens, Raymond Buxkemper, Walter Heinrich, Edward Brosch, Roby Hartman, Judi King, Ed Buxkemper, Otto Heinrich and Miss Melissa Holloman.

FATHER'S DAY LORE AND LEGEND

Although we tend to take Father's Day for granted, it was only a year ago that it was established permanently by congressional resolution. Since 1910, the occasion had to be designated every year, rather than observed automatically, like Mother's Day.

How it became part of the calendar is an interesting story of angry battles in Congress and protest all across the land. One of the most notable efforts was launched by Senator Margaret Chase Smith who, in 1957, sent a proposal to Congress which read, in part: "The Congress has been guilty now for forty years of the worst possible oversight, to say the least, perpetrated against the gallant fathers, young, and old, of our land... Either we honor both our parents, mothers and fathers, or let us desist from honoring either one... But to single out just one of our two parents and omit the other is the most grievous insult imaginable."

Cotton-top pantyhose provide the cushion of comfort and moisture absorbency that nylon does not, notes Marilyn Brown, consumer education - clothing and textiles specialist, Texas A&M University.

Tops Club

Seventeen members weighed in at Tops Club last Thursday night, with Donita Johnston presiding. Mary Wilson won the grab bag, and Roberta Reed received the door prize.

An article on fat diets was read by Doris Thomas. Helen Meeks gave an article entitled "Stress Full".

NURSING HOME EXPANDING -- Slaton Care Center, formerly Slaton Nursing Home, is being expanded by an addition encompassing approximately 13,000 square feet, just about doubling the existing size of the facility. Construction is now underway. (SLATONITE PHOTO)

Nursing Home News

by Bobbie Hogue

Memories were brought back of the past last Wednesday night as Leo Bishop of Lubbock brought some scenic tour slides and presented an hour movie for our residents. About 36 attended the movie. We had a fifteen minute intermission and hot pop corn and parched peanuts were served. We are planning on another movie in about 6 weeks, and Mr. Bishop will show a movie on nature. He has a hobby of making movies and we appreciate him sharing these wonderful pictures with our folks here.

Several residents have been home for the holiday week-end. Lena Behrend enjoyed a visit in her folk's home. John Thomas returned after a visit in his home. Annie Reed is also out for a few days visit.

Bobble Greer and Ida Rushing attended open house Sunday at Floydada Nursing Home. Bro. Kramer was the guest speaker for the event.

Our building is progressing rapidly. We are looking forward to the day when we will be moving in. Jerry Tucker will be here this week to demonstrate new foods and ideas on how to prepare different meals. All kitchen employees will attend this demonstration.

Verda Allen and Mrs. Lois King were recent visitors to Lillie Allen. They reside in Ft. Worth and San Diego, Calif.

PERSONAL

Recent visitors with Mrs. Ina Hutcheson included her daughter and family, Ray and Helen Bogner, of Grand Rapids, Mich. Also Mr. and Mrs. Bill Trimble and Danny, Mr. and Mrs. Randy Trimble, Jerry and Jimmie, of Midland; Mrs. Mildred Hutcheson, of Wilson; Jerry Hutcheson and Elsie Wilhite, of Levelland; and C. W. Hutcheson, of Petersburg.

Babe Ruth Baseball

Citizens State Bank defeated Crawford Chevrolet 10-5, Wendel TV stopped Slaton Co-Op 16-6 and Co-Op beat Crawford 9-7 in Babe Ruth games during the last week.

Against Crawford, CSB's Loran Roberts had two hits and Michael Bednarz and Rocky Smith each triples. Darrell Bednarz, Clarence Haynes, Steve White and Clarence Hammonds got hits for Crawford, with Hammonds getting a triple. Pitching were Roberts and Bednarz.

For Wendel, Barry Copeland, Alex Christian, Cordell Fields, Jesse Smith and Greg Basinger hit safely, and for Slaton Co-Op George Bierma, Lonnie Ardrey, Chris Mosser and Ed Kitten had hits. Craig Curry had a double, and Chris Hernandez had two doubles. Fields, Ardrey and Hernandez were pitchers.

Hernandez, Tim Bourn and Curry got hits for Co-Op against Crawford, which had hits from Haynes, Kevin Meeks, Leo Tutson, Stan White and Hammonds. Pitchers were James Maxwell for Co-Op, and Haynes and Steve and Stan White.

Slaton Woman's Dad Gets Purple Heart

Almost 55 years after suffering injuries from enemy gas during World War I, T. A. Lewis of Abilene Tuesday was presented the Purple Heart in ceremonies at a picnic for Texas World War I Veterans.

The Abilene ceremony was a surprise for Lewis, father of Mrs. F. T. Longtin of Slaton, and was in recognition of injuries suffered by Lewis on Oct. 26, 1918, in France. Lewis related how he was leading a company of soldiers from the front back to reserve

line trenches when the gas shells burst on them in a valley. He had been left for dead at the scene, but crawled to safety and later was picked up by other soldiers. He has lived in Abilene since 1930.

Born in Sweetwater, Ala. on Jan. 14, 1896, Lewis joined the army and was in the old 90th Division. He and the former Cora May Cooke married in 1925 in Abilene. There are three children, Mrs. Longtin, Mrs. James N. Robinson of Abilene and T. J. Lewis of Brownwood.

Read 2 Corinthians 5:17-21

God... through Christ changed us from enemies into his friends, and gave us the task of making others his friends also. (2 Corinthians 5:18, 20)

The Sinclair Lewis novel "Elmer Gantry" presents a not-too-flattering image of a Protestant evangelist. There is one scene, however, that stands out with deep personal meaning. The lady preacher, asking the congregation to bow in prayer, notices an agnostic news reporter ignoring her request. Looking at him, she says with compassion, "You may not believe in God, but God believes in you."

The good news announces that God believes in persons and desires each of us as a friend. Acceptance of His friendship made an impetuous, vacillating Peter into a resolute leader, an honest, doubting Thomas into a confident believer, a cynical, skeptical Nathaniel into a committed follower, a sensual Augustine into a model of integrity.

The list is endless. As we accept Christ's friendship daily, He helps us develop our good qualities to their fullest potential. PRAYER: Almighty God, thank You for being my friend. Help me today to be a friend to someone who needs a friend. Amen.

THOUGHT FOR THE DAY
To make a friend, be a friend.

Lutheran Bible School Finished

The first all-Lutheran Vacation Bible School to be held in Wilson was completed Friday night, June 1, with a worship service and open house held at both Wilson Lutheran churches. The closing was in reality, the opening of a new year of "Telling the News - Sharing the Love" which the children had studied during the week.

A total of 63 children ranging in age from 3 years old to those who had just completed the sixth grade attended the 5-day course of instruction. They had the opportunity to study God's Word. They worked not only in formal Bible classes but also in the sharing of prayer, of projects, or music, and

of play. In an effort to live what they had learned the students and teachers dedicated the week's offerings to the Lubbock State School so that other less fortunate children might also see and hear the results of God's love in their lives. This is the first, but prayerfully not the last, of joint Vacation Bible Class efforts between the American and Missouri Synod Lutheran churches in Wilson. The children closed the week with such a sharing of God's love that one could not but help remember the words of Christ: "Let the children come to me! Do not stop them, because the kingdom of God belongs to such as these. Remember this! Whoever does not receive the kingdom of God like a child will never enter it." Luke 18:16,17 TEV

SPC Scholarships Are Available

The American Petroleum Institute has granted two \$250 scholarships to South Plains College for the 1973-74 school year. Applications will be accepted through July 31, 1973. Scholarships will be awarded during the first week in August.

Eligibility requirements, as stipulated by the American Petroleum Institute, are as follows:
1. Parents must be connected in some way with the oil industry.
2. Students will major in some area beneficial to the petroleum industry.

Interested individuals may request an application form from Frank Hunt, Dean of the Technical-Vocational Division of South Plains College.

Lynn County Reunion Slated

The Lynn County Old Settlers Reunion is set for Saturday, June 23, in the Tahoka school cafeteria. Registration will begin at 10 a.m., with visiting until noon at which time the traditional barbecue lunch will be served.

Tickets for the lunch will be priced at \$1.50 per plate, and may be purchased as persons register. Plaques will be awarded the oldest woman and man, and the person living the greatest distance, who have not previously won these awards. A program is being planned by John Ed Redwine.

This year's officers are F. E. Redwine, Jr., president; W. W. Gurley, vice president; and Mrs. Joe Brooks, secretary. New officers will be elected for next year at the close of this meeting.

Persons planning to attend the reunion are asked to send a card to Lynn County Pioneers in order that the food committee will know how much food to prepare.

"RARE" STEAKS -- The next steak you eat may be "rarer" than you think, says a livestock marketing specialist for the Texas Agricultural Extension Service. Steak is a "rare" commodity because it takes about two-and-a-half years to produce it -- 12 months for a cow to produce a calf, six months to weaning, four to six months in a feedlot. Yet, a 1,000-pound animal produces only about 48 pounds of sirloin steaks. Overall, a 1,000-pound steer that grades "choice" will produce only about 444 pounds of edible beef products.

Combining meat with beans, pasta or rice saves on the food bill -- but provides adequate high-quality protein for good health, says Karen Kreipke, foods and nutrition specialist, Texas Agricultural Extension Service, Texas A&M.

LETTERS TO THE EDITOR

We live north of Slaton in the canyon and on pretty days there are a lot of people just riding around in the country. This past Easter Sunday was no exception. However, on that particular day someone picked up two of our pets. One dog was mine. A silver female poodle that I had had for five years. She was expecting a litter of pups. The other dog was a white or light apricot male puppy. This one belonged to my daughter. Needless to say, we were quite attached to these dogs and we have been very sad since they have been gone. We have run ads in the paper, but to no avail.

Whoever picked the dogs up should have been able to tell they were someone's pets. They were freshly clipped and both had collars. These people may be saying they thought the dogs were lost but they could have asked any of the people around here and they would have been told where the dogs belonged. All I ask is if you have these dogs or even know their whereabouts, please return them or let us know where they are. We will pay a reward and if you want a pet bad enough to take someone else's, I will buy you one.

If you have these dogs and feel guilty (and I hope you do) and don't want to contact me, maybe the newspaper wouldn't mind if you contacted them and passed the information on to me or you could just drive to the place you picked them up and let them out again. I'm sure they could find their way back to their rightful home.

Please return our dogs.

Resolution Praises ROTC Program Here

Slaton City Commission paid tribute to the ROTC program operated in Slaton Public Schools by passing a resolution concerning the ROTC at a recent commission meeting. Mayor J. N. Landreth advised Supt. J. C. McClesky of the resolution's being passed, and commented: "Would you please convey this information to those concerned and express our appreciation of a job being well done."

The resolution said, in part: "WHEREAS, the Reserve Officers Training Corps has for many years served as the training ground for the military officers who lead our military services in times of conflict and who train and maintain our modern combat-ready reserve forces, and . . . the ROTC program of today continues to provide the armed forces of our country with the well-trained and responsible leaders which they need to protect the security of our nation; and, . . . American business and industry recognize the greater potential of ROTC graduate, . . . the ROTC program also enables numerous students, who would otherwise be unable to attend college or who would be forced to discontinue their education due to financial difficulties, to obtain

a college degree through the ROTC Scholarship program. . . and WHEREAS it is important that the ROTC be given the fullest support possible by the

citizenry as one of the most effective programs available which benefits the nation and strengthens the youth of America today; now therefore be

it resolved by the City Commission of Slaton that the City Commission staunchly supports the ROTC as the strongest link in the traditional role of the

citizen-soldier in this country and as one of the most outstanding programs for producing military officers and future leaders for our nation."

Hunting License Fees Boosted In State
 In ceremonies at the State Capitol May 29, Governor Dolph Briscoe signed legislation which raised fees for both hunting and fishing licenses. The changes which will increase Texas sportsmen's fees in the resident license charges from the previous \$3.25 to \$5.25 and the fishing fees from \$2.15 to \$4.25, effective Sept. 1. Something new for this year, a combination resident hunting and fishing license for \$8.75, was also approved by the Texas Legislature. Resident hunting licenses are required of every Texan who hunts outside the county of his residence or who hunts deer or turkey. Exceptions are persons under 17 or over 65 years of age and individuals hunting any species of game except deer or turkey on land where they reside. An exempt license is necessary to hunt deer and turkey because of required tags.

Exempt licenses are 25 cents. A \$4.25 fishing license is required of everyone fishing in public waters with the following exceptions: those under 17 or over 65, persons fishing in private waters, anglers using trotlines, throw lines or pole and line with no reel or winding device in the county of their residence and individuals holding a valid Texas commercial fishing license.

In addition to the regular licenses, the Legislature approved a special three-day resident or non-resident saltwater fishing license for \$1.25. No license is required of groups of 25 or more tourists who do their saltwater fishing as a group. Parks and Wildlife Department Executive Director Clayton T. Garrison hails the new license fees as a boon to all

Texas outdoorsmen. "Good conservation management costs money," said Garrison. "The monies realized from the increases will enable the Parks and Wildlife Department to expand its level of services offered to the state's hunters and fishermen."

 PAY BY THE MONTH

COTTON TALKS

Directors of Lubbock-based Plains Cotton Growers, Inc. find little fault with the theory behind the Senate Agriculture Committee's "target price" approach to farm legislation, but have serious misgivings about the Committee proposal's chances for achieving stated objectives under the stresses and strains of political and marketing reality.

The PCG Board, meeting in Lubbock May 29, neither endorsed nor rejected the Senate Bill, numbered S-1888.

"Pending further study and a better assessment of alternatives and possibilities for changes in key provisions," said PCG President Ray Joe Riley of Hart, "our activities will continue to be guided by our existing position in favor of extending the present cotton program -- which means we'll be working for a farm program as close as possible to the Agriculture Act of 1970."

S-1888 as reported by the Committee would set a "target price" for Strict Low Middling (SLM) inch-and-a-sixteenth cotton, as reflected by spot market quotations for the first five months of the cotton marketing year (August-December), at 43 cents per pound. When the spot quotations for this quality fell below 43 cents, producers would be entitled to a price support payment equal to the difference.

Two major objections to this mechanism for determining producer payments were voiced by PCG directors. First, spot market quotations do not accurately reflect prices paid to farmers, therefore there is no direct relationship between these quotations and a producer's total income from cotton.

Second, basing payments on the difference between market prices for any single quality and a target price could well lead to gross inequities. It was pointed out that SLM 1-1/16 inch cotton, because of a short supply in that particular quality, could sell for 43 cents or more while other qualities available in adequate volume would be selling at prices far below the cost of production.

"Thus we on the High Plains might be selling our cotton for 14 or 15 cents a pound and not be entitled to more than a token payment or perhaps no payment at all," Riley said.

PCG directors therefore voiced a preference for a payment level determined by actual prices paid to farmers, as opposed to spot market quotations, and by the prices paid for "average of the crop" instead of any given quality.

WINS SCHOLARSHIP

Dale Campbell, 1973 graduate of Roosevelt High School has been selected to receive a \$1,250 Houston Endowment Scholarship by the Texas Interscholastic League Foundation.

The endowment provided funds for 20 of the \$1,250 scholarships to be awarded to outstanding 1973 high school graduates. TILF administers the scholarships.

Campbell earned eligibility for the grant by participating in University Interscholastic League Slide Rule competition.

In 1971 he won second place at district in Slide Rule. In 1972 he won first at district, second at regional and second at state level. In 1973 he won first in district, first in regional and second at state.

He plans to attend the University of Texas at Austin to prepare for a career in computer programming.

Dale is the son of Mr. and Mrs. Woodson Campbell.

NEWS BRIEFS

A bachelor party was held for Billy Jackson at Buffalo Lakes Wednesday night.

Roosevelt elementary teacher, Miss Katherine Pierce, underwent surgery in University Hospital Tuesday.

Vance Lipps suffered a heart attack Saturday afternoon. He was taken to the intensive care unit of St. Mary's Hospital.

Brenda Rowan received four stitches in her left arm Friday after a bottle of fingernail polish slipped and cut her arm.

Mrs. Juanita Barnett is a patient in West Texas Hospital.

GIRLS SOFTBALL

The Roosevelt girls softball teams played their second game of the season against Idalou May 31. Roosevelt 5, 9 and 10 year-olds defeated Idalou 7 to 5. The 11-12 year-olds lost to Idalou 17 to 0 and the 13 and 14-year-olds won by 9 to 3 over Idalou.

Monday's action took the girls to Floydada. The 8, 9 and 10-year-olds won over Floydada 15 to 6 while the 11-12-year-olds lost to Floydada 6 to 14. Roosevelt's 13 and 14-year-olds were defeated 11 to 10.

LITTLE LEAGUE BASEBALL

The 1973 Roosevelt baseball season opened May 29 with two teams in each age group except Pony League (15-16 year olds). Several local residents got the coaching started prior to the delayed arrival of Coach Gary Blair.

They included Rusty Burns, Fred Jones, Jerry Beck, Don Taylor, Tim Jones, Gary Stenneth, Joe Carlisle, Michael Putschke, Tommy Griggs and Joe Copeland.

In Pee Wee league during the last week, Glanis beat the Midgets 11-2 and lost to Petersburg 8-6. The Midgets also lost to Idalou 7-4.

In Minor League, Senators beat Idalou Hubbers 20-11 and Idalou Yankees 6-4. Padres defeated Cotton Center 18-7 and Idalou Mets 6-5.

In Major League, Rangers beat Cotton Center 15-1 and Astros lost to Idalou 12-2.

In Pony League, Cotton Center beat Roosevelt 8-5 and Roosevelt won by forfeit over New Deal.

Roosevelt 17 and 18 year olds joined the Babe Ruth league of Lubbock. Gary Blair coaches the Roosevelt team sponsored by Flewellen Cotton Co. The team beat Furr's 8-6 and lost to Coca Cola 2-0 and Pepsi Cola 3-1.

Cut Federal Spending Says Public to Stop Rising Food Prices

A nationwide, independent survey involving 1,123 personal interviews in 24 metropolitan areas and 11 non-metro counties reveals that 86 percent favor cutting government spending to combat rising food prices.

William J. Kuhfuss, president of the American Farm Bureau Federation, announced results of the survey conducted between March 21 and April 10, near the peak of consumer reaction to rising food prices. The Federation is the largest general farm organization in the U.S. with 2,175,780 member families in 49 states and Puerto Rico.

The survey, made by Leo J. Shapiro & Associates of Chicago, was sponsored by the Federation, Kuhfuss said, to determine national attitudes toward farmers and food prices.

When respondents were presented with a list of proposed actions on food prices, there was widespread acceptance (86%) of the idea that government should cut its spending, Kuhfuss reported. This solution was favored by a higher percentage of people than any other solution presented to the respondents.

The percentages favoring the other 11 solutions were as follows: limiting profits of companies producing and packing food, 80; limiting the profits of the middleman, 78; limiting the profits of food store chains, 74; consumers cutting food expenditures, 72; consumers boycotting food stores, 62; larger companies resisting union demands for higher wages, 61; cutting demand by prohibiting food sales to foreign countries, 59; cutting government agricultural subsidies, 59; prohibiting the advertising of meat, 34; limiting the profits of farmers, 27; and freezing wages of supermarket employees, 22.

Now, people are asking me, "How does the new law help the consumer?" Well, we take the position which is reflected in this law--that everybody is a consumer. Businesses are consumers, and the sales and service contracts they make should be as free of fraud as the consumer agreements you and I make.

The new law gives extra help to any consumer who complains of a fraud or misrepresentation which occurred after May 20, because:

- 1) It expands and clarifies the "dirty laundry list" of deceptive practices punishable by law.
- 2) It authorizes the trial court to order restitution to the consumer for the money he lost.
- 3) It allows the State to obtain penalties when a court orders an injunction against anyone found violating the consumer law, instead of delaying possibility of penalties until an injunction has been violated. Obviously, that

ROOSEVELT'S LITTLE DRIBBLERS -- Members of the Roosevelt team include (BACK) Coach Jerry Beck, Debbie Beck, Jeri Parchman, Julie Sproles, Rhonda Killian, Lisa Blair, Coach Guy Roberson; (MIDDLE ROW) Ginger Evans, Cindy Mims, Beverly Miller, Tammy Harris; (FRONT) Robbie Speed, Melinda Timms and Delvet Davis. The American Trailer Eagles won the Lubbock Junior Miss League crown (11-12 years old) with a 9-0 record and won runner-up in the Lubbock City Championship. Frazier Powell team won the championship crown with a score of 25-24.

The Consumer Alert

by John L. Hill
Attorney General

AUSTIN -- One of the accomplishments about which our State Legislature could boast at the end of its 1973 session was the passage of a really meaningful Consumer Protection Act.

The Attorney General's staff is pretty proud of that achievement, too, because we worked side by side with the Texas Consumer Association and the Texas Retail Federation for four long months to help the sponsors pass that bill.

I believe that the consumer law my office had had to enforce before that bill became effective May 21 (when Gov. Dolph Briscoe signed it into law), was woefully inadequate. I felt that the State was giving only lip service to consumer protection until a firm law, with penalties strong enough for a violator to feel, was substituted for the old law.

Now, people are asking me, "How does the new law help the consumer?" Well, we take the position which is reflected in this law--that everybody is a consumer. Businesses are consumers, and the sales and service contracts they make should be as free of fraud as the consumer agreements you and I make.

The new law gives extra help to any consumer who complains of a fraud or misrepresentation which occurred after May 20, because:

- 1) It expands and clarifies the "dirty laundry list" of deceptive practices punishable by law.
- 2) It authorizes the trial court to order restitution to the consumer for the money he lost.
- 3) It allows the State to obtain penalties when a court orders an injunction against anyone found violating the consumer law, instead of delaying possibility of penalties until an injunction has been violated. Obviously, that

will be an added deterrent to abuse.

4) It gives the consumer not only the legal right, but the incentive, to file an individual suit, since he now will have an opportunity to recover triple damages, as well as court costs and attorney's fees, if he wins his case.

5) It gives a group of consumers who claim injury by a single deceptive practice the right to file a class action suit--if each has suffered damages amounting to \$10 or more. And if they win, they can recover actual damages, plus court costs and attorney's fees.

6) It encourages the establishment of consumer protection offices by individual cities.

And 7) it gives the consumer more close-to-home help, because he can turn to his county or district attorney, who now have enforcement jurisdiction concurrent with the Attorney General's Consumer Protection Division.

(Under another law, the Legislature also guaranteed the maintenance of Attorney General's regional offices in El Paso, Houston, San Antonio, Dallas and Lubbock, and consumer protection assistance is available at each of these, as well as at my Austin office.) Your new consumer protection does all of that, and more, and at the same time, offers safeguards to assure that a well-meaning businessman is not the target for harassment suits, by awarding him court costs and attorney's fees if that is found to be the case. It also provides methods for dismissal of a suit, if the business wants to make an adjustment on the complaint.

If you have a problem which dates to May 21 or since, my first suggestion would be to

Pee Wee Moms To Play Game

Mothers of Pee Wee league baseball players in Slaton will play a baseball game at 6 p.m. Saturday in a benefit to raise funds for fixing up the Pee Wee park here.

Sandwiches and soft drinks will be sold and donations will be sought to raise money for the project.

Area Residents Taking Training

Approximately 19 persons have enrolled in a special Nurse's Aide Training Program which is being offered by South Plains College, in cooperation with University Hospital in Lubbock. Classes are meeting Monday thru Friday, May 29-June 29, where students are participating in the two part program--classroom and clinical work.

Classroom instruction and clinical training is being conducted at University Hospital. To be eligible for the special training program, an individual must either be a high school graduate or have a ged certificate.

Presently enrolled in the program are two from this area, Carolyn White, Slaton and Danny Lisenby, Wilson.

PRaise The Lord

By LENDA WOOD

PRaise the Lord -- no matter what's happening! Because He is worthy!

I want to share the following article with you. It's by Don Gossett (Canada), and he shares seven reasons why we should praise the Lord.

PRaise THE LORD ANYHOW!

"His praise shall continually be in my mouth," Psalm 34:1

1. Do you feel the joy of the Lord in your soul? Praise the Lord! Or do you feel blank inside, or even worse, do you feel depressed? Praise the Lord anyhow! It is "the sacrifice of praise to God continually" you are commanded to offer (Heb. 13:15). "The sacrifice of praise" means Praise the Lord anyhow, especially when you don't feel like it!

2. Are all your children saved? Praise the Lord! Or are some still wandering in sin? Praise the Lord anyhow! God promises by believing, ALL your household will be saved (Acts 16:31). Praising the Lord for their salvation, in advance of seeing them in the fold, is evidence that you truly believe!

3. Are all your bills paid up-to-date? Praise the Lord! Or are you plagued by financial problems? Praise the Lord anyhow! Praise activates God's promise of plenty of money to supply all your needs. Praise him as you affirm, "My God is NOW supplying all my needs" (Ph. 4:19). Repeat it seven times, "Thank you, Father for Thy riches now."

4. Are you enjoying good health? Praise the Lord! Or are you having health problems? Praise the Lord anyhow! Healing is received by faith, and praise is the language of faith. "As thou has believed,

Randy Barkley On Dean's List

Randy Barkley, son of Mr. and Mrs. W. L. Barkley, 1535 W. Lynn in Slaton, has been placed on the Dean's Honor Roll at Lubbock Christian College for the spring semester 1973.

Barkley, a freshman who has a 4.00 grade point average, is one of 63 students receiving this honor. A grade point average of 3.5 or better on the 4.0 scale is necessary to be placed on the Dean's Honor Roll.

Lubbock Christian College, a fully accredited senior college offering liberal arts and pre-professional programs, has a student body of 1100.

Fourteen modern, permanent buildings and a half-dozen temporary structures now form the heart of the school's 120-acre main campus in west Lubbock. Soon, this 10-million dollar plant will be significantly enlarged by the addition of a half-million dollar Mabee Christian Development Center.

so be it done unto thee," Mat. 8:13.

5. Is the weather good, to your liking? Praise the Lord! Or is it unpleasant weather? Praise the Lord anyhow! "This is the day which the Lord hath made: we will rejoice and be glad in it," Ps. 118:24.

6. Do you have true friends, who encourage you in times of testing? Then be like Paul, when he saw his friends while being taken to prison in Rome, "he thanked God and took courage," Acts 28:15. But perhaps you are experiencing "people problems" from those who oppose you, belittle you, or disappoint you. Praise the Lord anyhow!

7. Praise the Lord anyhow! Why? "We know that all things work together for good to them that love God, to them who are called according to His purpose," Romans 8:28. Don't miss God's plan by praising the Lord only for things you label "blessings". His command: "In everything give thanks: for this is the will of God in Christ Jesus concerning you," 1 Thes. 5:18.

DEATHS

Joe Brecheen
Services were held at 10 a.m. Wednesday at the 78th Street and University Avenue Church of Christ for Joe Brecheen, 71, of Route 9, Lubbock.

Robert Teague, minister, officiated. Burial was in the City of Lubbock Cemetery.

Brecheen died about 3:15 p.m. Monday in West Texas Hospital.

He moved to the Lubbock area from Turkey in 1935. He was a native of Hall County.

Brecheen is survived by his wife, Bertha; a daughter, Mrs. Fonda Busby, of Route 9, Lubbock; a sister, Mrs. Ruby Alpin, of Turkey; two grandchildren; and a great-grandchild.

Clair Knott
Services for Clair Knott, 78, a retired Slaton area farmer, will be at 2 p.m. Friday at Shepherd King Lutheran Church in Lubbock with the Rev. Robert E. Lee, pastor, officiating.

Burial will be in Englewood Cemetery in Slaton under direction of Englands.

He died at 11:05 p.m. Monday in Lubbock Methodist Hospital.

Born Sept. 17, 1894, Knott grew up in Iowa. He moved to the South Plains community of Union, near Slaton in 1938.

Knott was a World War I veteran, having served in the Navy. He was a member of the Shepherd King Lutheran Church.

He is survived by his wife, Lydia, of Rt. 1, Slaton; two sons, William A. and Thomas R., both of Slaton; two daughters, Mrs. Helen Gerlach of Dimock, S. D., and Mrs. Carol Ann Gerlach of Mt. Vernon, S. D.; one brother, Willard of El Reno, Okla.; and five grandchildren.

Registration Date Changed For South Plains College

Dr. Charles Sylvester, Dean of Admissions and Registrar at South Plains College, has announced a change of date for persons who wish to register for the First Summer Session at the college. Persons who will be attending SPC during the First Summer Session are asked to register on Monday, June 4, beginning at 9:00 a.m. in the Administration Building. — Job 12:8.
The world is a beautiful place, reflecting the glory of God. A barn in a gentle valley, wild flowers in a light rain, a quiet picnic spot above a tranquil river, the cool, refreshing breeze on a lazy summer evening — all these things and more help to restore our souls and make our burdens seem somewhat lighter. God is beauty and God is love.

VISITORS
Sharon Oliver, daughter of Mr. and Mrs. A. A. Wimmer of 950 S. 22nd street, spent last week in Slaton visiting friends

and relatives. She is married to Mr. Russell Oliver and is presently living in Memphis, Tenn.

CHEERLEADERS

The 73-74 cheerleaders were announced at the banquet and are already hard at work. They are: Terri Robertson and Davonna Stephens, sophomores; Delsey Cooper and Lycretia Bolding, juniors; Lisa Louder and Cindy Smith, head, seniors. They will be attending camp at LCC this summer. Freshman cheerleaders were also announced. They are: Sharla Jones, Dora Bentancourt, Marilyn Gamble, and Vickie Rackley, head.

BAND OFFICERS

The 73-74 Band Officers were announced at the banquet which was held at the Carriage House. They are as follows: President, Bill East; Vice president, Randy Holloway; Secretary, Treasurer, Kandy Jones; Reporter, Corlis Wimmer and Parliamentarian, Steve Smith.

TWIRLERS

The new line-up for 73-74 twirling line is Susie Madding, head, Corlis Wimmer, DeRai Collins, Kandy Jones, and Debra Haynes. They will be attending camp at Tech this summer.

BOY STATE

Joel Green, son of Mr. and Mrs. John Green, has been selected to attend Boy State. He will leave June 6 and return June 12. While there he will study the functions of the Government.

GIRLS STATE

Corlis Wimmer, daughter of Mr. and Mrs. A. A. Wimmer, was selected by the Cooper teaching staff to attend Bluebonnet Girls State. She will leave June 12 and return June 22.

Cooper FFA News

Jon Fehlsion and Robbie Buxkemper, members of Cooper FFA Chapter, will be attending an electric workshop June 11-13 in Amarillo. The workshop is sponsored by Southwestern Public Service Co.

The boys will study functions and theory of electricity. They will be involved in electric controls, wiring and electric motors.

Summer Rec. Plan Is Begun For Youngsters

A summer recreation program sponsored by Lions Club, Slaton Chamber of Commerce, and the City of Slaton got underway Wednesday with boys and girls in four age groups invited to participate, according to program director Bill Curry.

Curry, athletic director of the high school, and Mrs. Gay Benson, girls' basketball and track coach, are directing the activities of boys and girls divided into age groups of 9-11, 12-13, 14-15 and 16-over. The youngsters meet each day from 9 a.m. to noon, taking part in junior olympic track, gymnastics, basketball, weightlifting, tennis and basic golf, Curry said. A strong emphasis is put on track, with participants to enter junior meets at Seminole June 16, Brownfield June 30 and Lubbock July 21. Transportation to and from the meets will be provided, with the only expense to the youngsters to be entry fees and meals. Each should have his own athletic clothing.

Local Boys State Delegates In Austin

The thirty-third annual American Legion Boys State sponsored by the Department of Texas and held on the Campus of The University of Texas, got under way yesterday as 860 high school boys from all parts of Texas, and two from Mexico, began registration, James P. Holley, Department Commander, announced.

Among those registering from Slaton Post 428 were Joe Dennis Alspaugh, Slaton, Chris Coleman, Wilson; Thomas David Heinrich, Slaton; Alan Carl Lewis, Slaton; Dwayne Louis Mosser, Slaton and Clyde Wayne Wilke, Wilson who were sponsored by local American Legion Posts.

Following registration, each citizen was assigned to one of two political parties -- the Nationalist or Federalist. Each citizen then functions as a member of his party, he attends its precinct, county and state conventions and votes in its primary.

Boys State helps to develop civic leadership and pride in American citizenship. This program arouses a keen interest in the detailed study of our government. These civic workshops stress the importance of maintaining our form of government and bring better understanding of our national traditions and beliefs to the more than 28,000 young men who are participating this year.

In Boys State, The American Legion provides the type of program where the young citizen has the opportunity to learn for himself that his government is just what he makes it. The boy "learns to do by doing". The program takes an added significance since the vote has been extended to 18 year olds. Most Boys Staters are in the 16 to 17 age category.

Highlights of Boys State will be a trip to the Capitol on Tuesday morning where each elected Boys State Official will begin an opportunity to serve in his respective office for a day.

Boys State enrollment this year brings the total to 17,479 junior high school boys who have attended since 1940, when Boys State was first inaugurated in Texas.

Library News

SUMMER READING CLUB BEGINS JUNE 4

Attention boys and girls... you are about to go on a "South Plains Safari", in summer reading fun! Beginning June 4 and ending July 28, at the Slaton Branch Library, there will be a summer reading adventure entitled "South Plains Safari", carrying the message of saving our wildlife.

Students may register beginning June 4. Three books entitle them to a brown envelope, with an additional twelve books, to the Summer Reading Honor Roll. Twelve animal cards will be given for inserting into the envelopes. Colorful cards with the following animals and description of each: Jackrabbit, roadrunner, salamander, turtle, cottontail rabbit, horned toad, quail, lizard, toad, skunk, coyote, and prairie dog.

Last summer almost 250 boys and girls completed the required books to make the honor roll list. All students from first graders up, are urged to register for summer reading fun.

Several new adult record albums have arrived recently at the local library. Among those arriving are: "Oliver" (original sound track recording), "Fiddler on the Roof" (original cast recording), "Santana", "Leon Russell and the Shelter People", and "American Pie". The children's Storytime Hour will be held this Saturday morning, June 2, at the local library from 10 a.m. until 11 a.m. Film-strips, stories, records and games will be enjoyed by those in attendance.

VFW Auxiliary News

Monday night, June 11, at 8 o'clock will be a regular meeting for the VFW Auxiliary. On June 22-24, the Department Convention will convene in Houston, and five delegates from Auxiliary 6721 will be attending.

We've Got The Only WATER HEATER In Town That You Can Install Anywhere

An electric water heater can be installed anywhere you need hot water... in the utility room... in the kitchen... in the bathroom. No flue or vent is required. Water pipes and an electrical outlet are all you need. Electric water heaters are insulated on all sides, so they're efficient. And, best of all, they give you all the hot water you need when you want it! That's why we say—we've got the only water heater you can install anywhere!

Legislature Takes No Action On School Finance

AUSTIN -- The 63rd Legislature's failure to agree on even a stopgap aid to education revision set off repeated demands from House members for a special session.

Speaker Price Daniel Jr. joined in the chorus, calling on the House Education Committee to "prepare, polish and refine" a school finance bill "for legislative action no later than Sept. 15."

Gov. Dolph Briscoe, who holds the key to whether or not there is going to be a special session on anything, made clear -- twice in writing -- that he doesn't plan to call one. The Committee will begin a series of hearings on school finance here June 18. More than 700 of the 1,149 school districts are in financial trouble, according to Committee chairman Rep. Dan Kubiak of Rockdale.

Briscoe set in motion new studies to develop information for specific legislative proposals in 1975 to equalize educational finances and opportunities. A special session at this time would be "prematuring," said the Governor, since necessary data cannot be assembled for another two years.

Daniel and others claim the problem of financial inequities among the school districts already has been "studied to death," and that the House had the answer in H. B. 946 last month. But Briscoe feels proposals before the Legislature this year

would "have only added to the present system of programs and budget with no review of current spending or effectiveness." He said he hopes the new study can produce an "educational approach that we can live with that will meet the future."

Thought For Food

Thin slices of day-old bread spread with softened butter, sprinkled with parmesan cheese and toasted in the oven until crisp make excellent accompaniment for soups or salads.
An easy way to use up leftover bits of meat, fish or chicken is to combine with a thin cream sauce and cooked noodles or rice in a casserole-type dish.
Soon to be on the market, a new cheese spread contains seven per cent fat as compared to 20 per cent fat in regular cheese. The new low-fat spread has an ideal flavor and sliceable texture.
One-fourth of the average teenager's calories come from snacks. Most of these adolescents are reported to consume one to three snacks a day. The quality of such snacks should be improved with selection of meat, fruit and vegetables.
Blend 1 can each condensed green pea and tomato soups, 1 cup milk, and 1 cup water. Heat; do not boil. Add 1/2 cup sherry just before serving. Garnish with crumbled bacon. Makes 4 to 6 servings.
More Refineries Are Necessary to Meet Domestic Fuel Needs
"There is just not sufficient refining capacity in the U.S. to meet the total needs of the American public for petroleum products," the president of the American Petroleum Institute said recently to a Senate committee. "That is one of the basic reasons for the gasoline shortage."
Frank N. Ikard added that a contributing factor was the need for refineries to produce maximum volumes of home heating fuels last winter at the expense of gasoline output.
He said increased refining capacity requires construction of new refineries, "yet none is currently under construction in the U.S." He cited four major problems inhibiting the building of new refineries: Siting, complicated by environmental opposition; the sources and kinds of crude oil that can be run in refineries; petroleum product specifications; and the economics of refinery construction.
"If refinery expansion is not permitted and encouraged in this country," Mr. Ikard declared, "new refineries will have to be built abroad, with a consequent loss of American jobs and a further drain on the nation's balance of payments."
