ROLLING OUT --- Every seven or eight minutes a bale is ginned at this Slaton plant, where some 5,000 bales already had been ginned by noon Wednesday. Processing is off to a good start in the Slaton area, with prices high and crops good. The bale shown here has just been ginned and weighed. (SLATONITE PHOTO)

Harvest Off To Fast Start

Cotton harvest activities are increasing daily and quality of the early harvested cotton has been excellent, according to Paul R. Dickson, in charge of the USDA Cotton Classing Office in Lubbock.

Slaton Co-Op Gin had ginned 5,000 bales by noon Wednesday. Several other gins in the area have been busy, also, but none of these had processed anywhere near so many bales as the Slaton Co-Op.

Due to the great increase in harvest activities, the seasonal classing office at Lamesa opened for business on Thursday and the Brownfield and Levelland offices will begin operations on Monday.

The USDA offices at Lubbock and Lamesa classified samples from only 1,000 bales of the 1972 crop had been classed.

Grades of this early harvested cotton were excellent. Middlings made up one-third of all cotton classed during the week at Lubbock and Strict Low Middlings made up 44 percent.

Staple varied widely according to the variety of cotton harvested. Staple lengths varied from 13/16" (26) up to 1-5/32" (37). Average staple length during the week was approximately one inch (32).

Micronaire readings were

excellent. These readings indicate that most of the early harvested bales were fully mature. Eighty-seven percent of all cotton tested at Lubbock had micronaire readings in the premium range of 3.5 to 4.9. 8 percent was in the high micronaire of 5.0 to 5.2 and 4 percent was in the very high range of 5.3 and above.

The Agricultural Marketing Service of the USDA reported active trading on (See COTTON Page 6)

Tiger Red!

Readers may have noticed in last week's issue the red stripe down the righthand side of Page 1. This stripe will be run for the remainder of the football season as a reminder to Slaton citizens to support the Tigers.

COLLISION HURTS DRIVER --- Driver of this auto, Paul Rameriz of Slaton, was badly hurt when the car was involved in a collision with a cotton trailer pulled by a truck driven by Jimmy David Dickey of Rt. 6, Lubbock. The accident occurred at Collins and Division Monday night. (SLATONITE PHOTO)

Bulldogs Chew Up Tigers 44-13

By DALTON WOOD
Tahoka's Bulldogs walked through the Slaton Tigers last Friday night 44-13 in an exhibition that looked all too familiar to Slaton Fans who have seen the Tigers play good football for a brief time, then fall apart defensively in game after game this season.

Like nearly everyone else Slaton has played this year, the Bulldogs had a couple of backs faster than anyone the Tigers had to offer, had better blocking and tackling, and broke the big plays that killed any hopes of Slaton winning.

Also as usual, the best

player of the field wore a Slaton uniform, as Greg Sokora again played a super game in a losing cause. Sokora rushed 20 times for 164 yards, including a 43-yard touchdown burst that put the Tigers ahead in the first quarter. He also was counted in on 18 tackles, many of them unassisted.

Phil Payne did well for the Tigers on offense, carrying the ball five times for 54 yards, including runs of 13, 17 and 18 yards in the last half. But after a quarter and a half, mistakes left the Tigers with little hope.

Slaton this week will take on Cooper, with the Tigers given small chance of beating the Pirates unless the defense tightens up. For two weeks in a row, Slaton opponents have rushed for almost 500 yards per game.

Tahoka scored first as swift Jimmy Bailey ran 12 yards and Terry McCord missed the extra point. But the Tigers came right back with Sokora breaking loose on the 43-yarder and went ahead 7-6 as Ricky Denzer left-footed it through the uprights.

Tahoka came back to regain the lead early in the second quarter as Bailey tossed a 13-yard pass to McCord in the end zone, and again the extra point effort failed. After this TD, Slaton came back strong, moving to the Tahoka 19, with the big gainer in the series a 25-yard run by Sokora. But a fumble killed the threat, and Tahoka moved swiftly down-field, with Timmie White running 22 yards to score. Still in the second quarter, White scored again, racing 20 yards. This made the half-time score 24-7.

Very early in the second half, White marked up his third TD by zipping 69 yards, and McCord kicked point. Slaton never gave up, and Clarence Hammonds on a reverse returned the ensuing kickoff back to the Bulldog 38. From there the Tigers moved to a first and goal at the 8, but were held on downs at the 2. However, Tahoka fumbled on the next play and tackle Ronnie Valadez achieved the lineman's dream of scoring a touchdown as he fell on the

fumble behind the goal line. A pass was overthrown, and Slaton trailed 31-13. In the fourth quarter, Roosevelt Payne scored from the 1 for Tahoka, and Bailey intercepted a pass and raced 55 yards for the final TD.

1974 Football Schedule Set

Slaton Tigers' 1974 varsity football schedule has been confirmed, with Slaton again to play the same district teams in the same order as the last couple of years. The Tigers, however, will play no Class AAA teams next year, but will instead have four non-conference Class AA games against schools of comparable size to Slaton.

All non-conference games will start at 8 p.m. The conference games, beginning at Denver City, will be at 7:30. The schedule:
Sept. 6 -- at Colorado City
Sept. 13 -- Dimmitt
Sept. 20 -- at Littlefield
Sept. 27 -- Abernathy
Oct. 4 -- at Denver City
Oct. 11 -- Post
Oct. 18 -- at Roosevelt
Oct. 25 -- Tahoka
Nov. 1 -- Cooper
Nov. 8 -- open
Nov. 15 -- at Frenship

EARL BARTLEY

Earl Bartley Resigns C-C Post In Slaton

Earl Bartley, executive vice-president and manager of the Chamber of Commerce in Slaton for almost four years, has resigned to accept a position with State Traffic Commission, it was announced this week.

The resignation of Bartley, who came to Slaton in December, 1969, is effective as of today, Nov. 1, according to J. W. Holt, president of the chamber. Holt noted that the chamber has had many accomplishments of note during Bartley's term of office, and made this comment:

"We wish Earl all the success in the world in his new job, which we understand is an advancement, but we do hate to lose him...He has done a fine job for the chamber."

Holt said the chamber is negotiating now to employ a successor to Bartley.

Police Report Lists Wreck, Vandalism

Only one wreck report, one theft and a case of vandalism were on record at Slaton Police Dept. this week, a sharp contrast to the previous week when several major crimes were investigated.

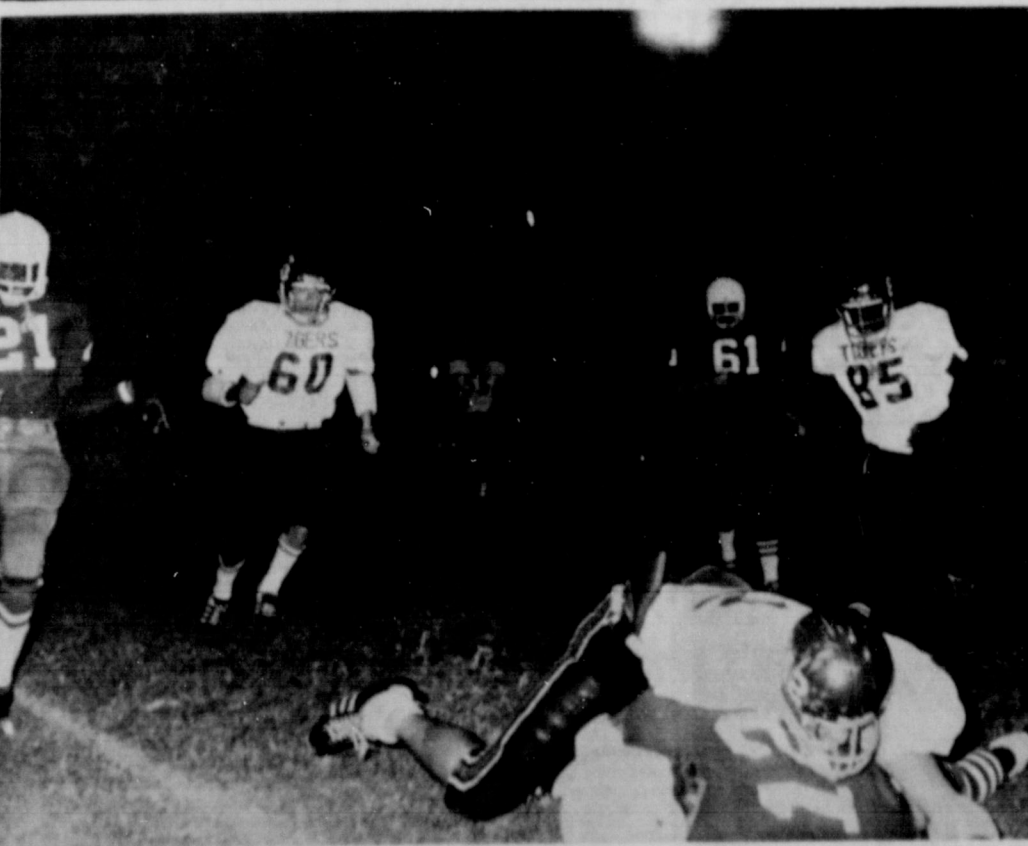

Edith Stone, 735 E. Floyd, told officers that while her sons' three bikes were parked at Triumph Baptist Church Sunday, four boys cut the gear cables and slashed the tires. She named the four suspects.

Also Sunday, Frank Jimenez, 1040 S. 7th, said that while his car was parked at Temple Baptist Church, someone stole two tapes and a tape deck from it. On Monday night at Collins and Division St. intersection, a 1962 auto driven by Paul Rameriz, 115 N. 3rd, was involved in a collision with a cotton trailer pulled by a truck by Jimmy David Dickey, Rt. 6, Lubbock. Rameriz, 34, was treated at Mercy Hospital, then taken to St. Mary's in Lubbock, with injuries described as serious.

Lewis Family Does Well In Grid Guessing Game

The Lewis family at 950 S. 21st is scoring well in the Slatonite's weekly football contest, and this week Carl A. Lewis Jr. won first place, missing only three games, and Linda Lewis was third, missing six. Second prize went to Gary Glasscock, a former winner. He missed 5.

The tie-breaker game actually totaled 57 last week, and Linda Lewis had marked down 49 to beat out Fred Tamez (42) and Genevieve Kahlich (36), each of whom also missed only six. There were 88 entries. A new contest with prizes totaling \$17 is presented in this week's issue, sponsored by Ebb Stricklin, Wylie Oil Co., Slaton Implement, Bownds Body Shop, Sanders Fashions, Wendel TV, TG&Y, Slaton Pharmacy, Steak House, Fondy's, For-

Cash, Graham, Devotionals Featured

Country-western star Johnny Cash, evangelist Billy Graham and U. S. Senator Mark O. Hatfield are three of the 53 well known personalities whose inspirational messages will be published in the January-February issue of The Upper Room. This special issue of the world's most widely used daily devotional guide contains selections from many of the country's best known names in entertainment, politics, religion, arts, letters and journalism.

Probably the most famous people featured in the

upcoming issue of The Upper Room are from the world of entertainment. In addition to Johnny Cash, Grand Old Opry star Minnie Pearl, famed orchestra leader Lawrence Welk, and noted concert soloist Marion Downs have contributed their personally written messages that will aid readers around the globe in their practice of daily devotions. Meditations written by entertainers Pat Boone, Dale Evans Rogers, and Anita Bryant also are featured in the pocket size periodical.

In addition to Graham, the writings of numerous other church leaders -- including Australian social advocate Alan Walker, Scottish Biblical scholar William Barclay, and Good News for Modern Man translator Robert G. Bratcher appear in the publication.

Meditations by Gov. Jimmy Carter of Georgia and Coretta Scott King, wife of the late Martin Luther King Jr., are interspersed with those of well known novelists, military leaders, journalists, scientists, artists and church leaders.

Meeting To Feature Missionaries

The first annual missionary conference to be conducted by First United Methodist Church is scheduled for Nov. 16-18, according to the Rev. Merriel Abbott, pastor.

Motto chosen for the conference is "The Light that shines farthest, shines brightest at home." Goal for the missionary faith promise is \$5,000.

Speaking at the conference will be several missionaries who will tell of their work in different sections of the world.

MR. AND MRS. ELWYN HULETT

They will include: Mr. and Mrs. Elwyn (Cynthia) Hulett, educational missionaries under the Board of Global Ministries, World Division, who are presently serving the church in Monrovia, Liberia, West Africa;

The Rev. Fred W. Yazzie, the first Navajo Indian to be ordained a Methodist minister and who has served as pastor of Bisti United Methodist Mission;

Mr. and Mrs. Philip Thornton, who were appointed as missionaries and will begin their service in February of 1974 in Columbia, South America;

And Mrs. William H. (Stella) Taylor, who is working with her husband, who is director of the Central American Mission, travelling to Central America, Mexico and Spain, promoting missions throughout the United States.

The conference will begin at 5:30 p.m. Nov. 16 with the speakers meeting with local church leaders for prayer. The service in the sanctuary will begin at 7:30 p.m. with Mrs. Hulett discussing Africa and Thornton talking about South America. A brief testimony will be given by Mrs. Thornton.

At the same time a service for children, (grades 1-6) will be conducted with Mrs. Taylor and the Rev. Yazzie speaking.

All speakers will be present at the 6:30 a.m. Nov. 17 men's breakfast in fellowship hall. The Rev. Yazzie will speak at the 7:30 p.m. Nov. 17 main service in the sanctuary. Children will meet in fellowship hall with the Hulett's and Mrs. Taylor.

Sunday, Nov. 18, a breakfast will be served for the speakers and prayer meetings will be conducted at 8:30 a.m. for speakers and local leaders.

At 9:45 a.m., all adults will assemble in the sanctuary to hear the

Yazzie and Mrs. speak. Youth will meet in the chapel with Mrs. Hulett and ch

At the 10:45 a.m. service, Hulett will testify and Mrs. will preach. At the faith promises received.

Slaton History Is Related

Anderson and German were the Anderson Culture Club. Mrs. Elliott was read and Switzer presided at the meeting. Mrs. Elliott was the father, brother and sisters to this area in 1916, getting off the train at Posey switch where her father had bought the Posey Ranch.

Mrs. Elliott told of her work in the Harvey House newstand and of all the activity at the Harvey House and reading room. The Harvey House was the favorite eating place of many people including the elite of Lubbock.

She noted that the trains were the main means of transportation in and out of Slaton. The Green Garage and the Mule Barn were two of the first businesses. There was a windmill and horse watering trough on the square.

J. A. Elliott and a Mr. Blumberg bought the first light plant to Slaton in 1919. It was known as the Slaton Power and Light Co. The city hall was built in 1921 and the square was paved in 1924, Mrs. Elliott said.

Refreshments were served to Mmes. B. H. Crandall, Kenneth Davies, R. C. Hall, Raymond Johnson, E. R. Legg, T. C. Martin, Bruce Pember, H. T. Scurlock, R. L. Smith, H. V. Wheeler, Switzer, Elliott and the hostesses.

Miss Park Is Honoree

Miss Vicki Park, bride elect of Thomas A. Blocker, was honored with a bridal shower Oct. 24 at the Roosevelt Club House.

Mrs. Bob Park, Mrs. L. E. Park and Miss Betti Park, mother, grandmother and sister, respectively, of the bride-to-be and Mrs. Alfred Hodges, mother of the future bride-groom, were special guests.

Blue and white, the bride's chosen colors were used throughout the room. The centerpiece featured an arrangement of artificial fruit.

Hostesses were Mmes. Mack Woolley, Ernestine Stennett, Hazel Greer, Mary Miller, Bobbie Mimms, Lane Davis, Marguerite Lipps, Katy Rowan, Lura Smith, Bertha Daniel, Mackie Thomas, Irene Dunagan, Evelyn Dickey, Eva Darby, Neva Darby, Sandra Darby, Donna Adams, Anna Wilkins, Gerry Hettler, Lynda Marshall, Marilyn Barnett and Naomi Reynolds.

Hostess gifts were small appliances, platter and a cook set. Miss Park and Blocker will exchange marriage vows Nov. 30 at the home of her parents.

WRIT BY RUBY

RUBY OSBORN, WOMEN'S EDITOR

Story hour for the children will be at 10 a.m. Saturday in the library, according to Mrs. Polly Melugin. The librarian entertained children who were in the library by showing films last Friday afternoon. The children were Jill Sikes, Darrin Forehand, Tommy and Teddy Burrow and Monica Abbott.

There are a lot of interesting books on the library shelves that need to be checked out. With winter coming on, after the harvest is over you should spend some time with books. Part of your tax money has been used to provide the library for you and you are missing out on one of the town's greatest assets if you don't check out the books.

Dalton and Lenda and their crew have been mighty fine to me and I hate to leave them, but being able to eliminate the drive on the highway during the winter months and the nature of the new job were the deciding factors in resigning.

Knit Program To Be Given

A program "Knit Know-How" will be presented by Cathy Collins, educational representative of a zipper company, Nov. 8th at 9:30 a.m., in South Plains Electric Cooperative Auditorium, 110 Amarillo Road, Lubbock. Miss Collins' lecture will include a special section on the different types of knit fabrics available and how to choose the right patterns for them. She will illustrate her program with several knit garments including men's wear. Choosing notions for knits and the installation techniques for the invisible zipper will also be an important part of her program. She will be available to answer questions about sewing following her lecture.

Each person attending will receive a complete booklet on invisible zippers and a special leaflet on knit sewing. For additional information contact Mildred Patterson, Lubbock County Extension Agent (Home Economics). Phone: 763-5351 Ext. 238.

WEEKEND VISITORS

Weekend visitors in the home of Mr. and Mrs. Rhea Pierce in the Union Community were Charlie Yates of Houston, a former Slaton resident; Mr. and Mrs. Hub O'Neil of Rt. 1, Mr. and Mrs. Furman Shipman of Abernathy, Mrs. Charley Bartley of Crowell, the Rev. Hardy Cole of Cooper and Mrs. Tom Russell of Wilson. Yates also visited other relatives and friends in Slaton.

Bakery Business Family Affair

Remodeling of Slaton Bakery will provide more working and display space and is expected to be completed soon, Sherrell Wilson, manager of the bakery said.

Sherrell is following his father, Barney Wilson, in the bakery business, having taken over the management of the business in March. "I like it because I grew up in it, it is a good business and is respected by people," the young man said.

"There is nothing dull about the business. If I get tired of baking bread, I start making cookies," he said. "I keep the oven on until about 5 p.m. and have something going until then."

"The sale of bread continues to amaze us. We have bread baked ready to sell by 8 a.m. and everything is baked fresh each day and no preservatives are used," he continued.

Another speciality of the bakery is bridal cakes. They have an album of various styles of cakes for the bride-to-be to choose from and several types of bride and groom decorations.

"We can make any style she chooses and we start from scratch for each cake," the manager said. "We use a marshmallow type of icing which has proven to be a better icing as it is not too sweet."

The young manager's father, who purchased the business in 1942 from R. D. Hickman, and his mother work at the bakery a few hours each day.

Roosevelt Stops Cooper Pirates 20-0

By JIMMY MATSLER
The Roosevelt Eagles let John Blackwell loose on the Cooper Pirates last Friday night, and then stopped the Pirates cold from getting near the Eagle goal line, as the Eagles took a 20-0

district win at Roosevelt. Blackwell cruised overland for 50 yards on nine carries, before leaving the game with a slight knee strain midway in the second period. Steve Cook was the de-

fensive hero, as he intercepted a Kelly Choban aerial at the Eagle 10, and lumbered 89 yards to the Pirate one. Cook's theft halted Cooper's only real scoring threat of the night.

The wind was an important factor throughout the night, as it gave the Eagles good field position on their first possession of the night. The Eagles kicked off and Cooper began to move from their own 20. Todd Hammond carried three straight times from there, gaining four yards. Hammond then punted for only 17 yards to the Eagle 41.

The Pirates then relinquished only five yards on three plays. Facing fourth and five from the Pirate 36, quarterback Chris Marshall rolled outside on the pass-run option and scooted 17 yards for a first down at the Cooper 19. On the next play Blackwell broke an off tackle slant outside to score. Gilbert Brown's kick was wide, and with 8:26 left in the first quarter, Roosevelt led 6-0.

Following an exchange of fumbles, Cooper had a first down at their own 39. Fullback Mark Hurst carried three times to the 48 yard line. On fourth and inches QB Choban slipped through for nine to the Eagle 42. Three plays netted seven yards, and again the Pirates elected to go for the first on fourth down. This time, however, the Eagle defense stiffened, and Hurst was held to one.

The Eagles then drove to the Pirate 28, before being stopped on downs. Cooper tried, and was forced to punt again, this time with the wind. The Eagles took over at their own 18, and on the first play from scrimmage, tackle Johnny Threet pounced upon a Kenneth Bobo bobble at the 17. This prompted an unusual series of downs. Hammond gained nothing on first, and Choban handed off to him again on an apparent end sweep. Hammond pulled up, and tossed barely incomplete in the end zone. On third down linebacker Brown picked off a Choban pass, but then fumbled it back to Cooper at the Eagle 16, giving the Pirates a first down. Linebacker Cook then completed the second theft by an Eagle linebacker on successive downs. Cook then thundered down the sidelines, and when Brown cut down a would-be tackler at the 50, it looked like he would go all the way. But Cook ran out of gas at the 10, and stumbled to the Pirate one. From there Blackwell fell into the end zone, limped off the field, not to return to the contest. Brown's boot was good this time, and with 6:56 left in the half, Roosevelt led 13-0.

Cooper then completed its longest drive of the night. Beginning at their own 27, they drove to the Eagle 24 before being stopped. Junior Dickie Dunson came up with the big play here, as he pressured Choban to throw into the ground on fourth down. Roosevelt then drove to the Pirate 36 before the half expired.

The third quarter was crucial for the Pirates, as they had the wind advantage. The Eagles received the kickoff and had first down at their own 14. The drive that ensued broke the backs of the Pirates. Roosevelt gobbled up 46 yards, on 14 time-consuming, rushing plays. This drive ate up 7:09 of the third period clock, and gave the Pirates bad

field position at their own 15. Hammond gained 10 steps on two tries, but it was to no avail, as the Eagle defense again rose to the occasion. Hurst gained six on first, and Choban got only one on second. On third and three from their own 32, Garrett Mitchell broke through to trap Hurst at the line of scrimmage, with the Pirates having the wind advantage for only 2:32 more seconds. Hammond punted for 54 yards, but Roosevelt held the ball until the third quarter ended. The rest of the way was all uphill for the Pirates, as they failed to get a first down.

The final Eagle tally came with only 17 ticks left in the contest, as QB Marshall hit split end Joseph Brown on a quick slant-in from five

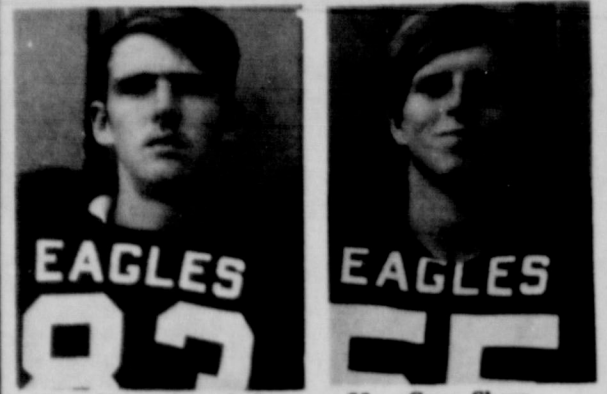

yards out. Gilbert Brown's PAT again was true, making the final margin of 20-0.

Statistics for the game were almost even, as Cooper got 132 yards on 40 carries, with 13 yards via the air, and Roosevelt running for 190 strides on 47 tries, with 23 passing. Cooper hit on one of 13 passes while Roosevelt connected on two of five. Leading rushers for the Eagles were Blackwell with 50 yards on nine carries, Bobo with 46 on 13, Brown with 43 on eight, and Lee Anderson with 32 on eight. Hammond went overland for 60 yards on 16 attempts, and Hurst for 56 on 16 for Cooper. Bobo averaged 42.3 yards per kick on three punts, while Hammond averaged 33.8 on five boots.

Mrs. Carnes' 8th grade classes turned in their newspaper mosaics this week. Mrs. Childers' classes turned in their Dirk West cartoons.

This year 8th grader Chris De Sautell will have to go trick or treating in a wheel chair because he has both feet in casts. We wish you a speedy recovery, Chris.

Studying some of the couples in the halls makes it clear that opposites really do attract. Look at those you know and think about it!

There was a book check and a lot of locker cleaning today. Also, 7th graders were given the tb tests.

St. Joseph's paper clips

The students enjoyed a holiday Monday, Oct. 22, while the faculty participated in the teacher's institute on values clarification at Amarillo. The faculty also participated in the Texas State Teachers Association meeting in Lubbock Friday.

Room 3 had a bake sale Wednesday to celebrate Halloween.

Sister Angelita, school principal, and Mrs. Davida Bednarz, school nurse, attended the Southwest Differences Institute in Arlington.

The annual bazaar and turkey dinner will be conducted Sunday.

The St. Joseph School girls' basketball team will travel to Plainview for the Flying Queen basketball clinic Saturday.

RETURNS HOME
Troy Melugin was released from Lubbock's Methodist Hospital Tuesday morning after a 30-day stay. He suffered injuries in an auto accident Sept. 29 and underwent skin grafts and surgery while he was hospitalized. He is the son of Mr. and Mrs. Ted Melugin of Wilson.

SCOUT PARTY

Miss Carter and her family hosted the Cadet Girl Scout 85 to a Halloween party Saturday night. Girls attending were Angela Martin, Frankie Thomas, Christine Scott and Suzie Beck. Sherrie Carter was a guest. Miss Jackie McElfresh is the leader.

The girls prepared the refreshments. Games were played.

Senior Citizens

Senior-Citizens met Friday in the Club House with Mrs. Fannie Patterson presiding at the business meeting. All officers were re-elected.

F. B. Sexton led the song services and was accompanied on the piano by Anna Belle Tucker.

Rev. E. C. Jordan, pastor of First Baptist Church of Southland, gave devotions on "Seek First the Kingdom of God."

Mrs. Dee Narvell was a guest. The group played 42 and dominoes.

New members and visitors are welcome at all meetings.

THE PROCLAIMERS

A group from North Glen, Colo., known as "The Proclaimers", will sing and preach at the Westview Baptist Church next weekend. They will present a program at 7:30 p.m. Saturday, Nov. 10, and at 11 a.m. and 7 p.m. worship services Nov. 11.

The services are open to the public.

Fuels and fertilizers may be in short supply in 1974, says an economist for the Texas Agricultural Extension Service. The fertilizer situation is due to increased production with the release of set-aside acres and the strong foreign demand. Also, nitrogen fertilizer production is being slowed due to low supplies of natural gas, its feedstock.

CARD OF THANKS
The West Ward P-TA carnival, which was held Tuesday night, was a great success. Many hours of planning and preparation were required. The teachers and their workers are to be commended for the fine jobs that they did. We would personally like to thank Mrs. Sue Dodson who we called on for assistance for the past month, Mrs. Rose Eakin, who did a fantastic job in the cafeteria and Mr. and Mrs. Dee Bowman for staying in the office for the four hours with the book-keeping.

We would also like to thank the merchants who donated prizes for the games. It is indeed a pleasure to work with an organization when there are such willing workers as was displayed at the carnival. Mr. and Mrs. Jim Dulin Mr. and Mrs. Lee Meurer Mrs. Kay Gordon

RECORD DOUBLED
Texas' shrimp production record was more than doubled during a harvest of pond-raised shrimp recently at Corpus Christi. The harvest boasted a total of 2,350 pounds of shrimp from a half-acre experimental pond, which computes to 4,700 pounds on a per acre basis. The old record was 1,836 pounds per acre in a project at Angleton a year ago. The Sea Grant Shrimp Mariculture Program is a joint effort by the Texas Agricultural Extension Service of the Texas A&M University System and industry to explore the feasibility of commercial shrimp production along the Texas Gulf Coast.

FEEDER PIG SHOW
The second annual Texas State Championship Feeder Pig Show will be held in Athens Nov. 2-3. All swine producers in Texas may enter pigs in the show, with the deadline being Oct. 24. An entry consists of a pen of eight pigs, with pigs averaging 40 to 70 pounds each. There will be three classes in the show and each exhibitor is limited to three entries. Pigs will be received until 6 p.m. on Nov. 2. A banquet will be held at 7 p.m. with judging beginning the next day at 8 a.m. All entries will be sold at a 3 p.m. auction Nov. 3.

TEXAS AT TOP
A program has been launched by Gov. Dolph Briscoe to make Texas the top state in agricultural production. Agriculture can be a great factor in solving some of the problems of rural Texas, Briscoe noted. Dr. John E. Hutchison, director, Texas Agricultural Extension Service, said that Texas has the resources and the economic momentum to carry the state to the top. Texas' agricultural income increased 48 per cent from 1968 to 1972, more than that of Iowa and California, the states ahead of Texas in total agricultural income.

Farm Bureau Takes Stand On Proposals

Farm Bureau has definite positions on two of the nine proposed amendments to be voted on in the Nov. 6 general election, according to Milton Piwonka of Slaton, president of Lubbock County Farm Bureau.

These are propositions No. 1 and No. 9. Amendment No. 1 provides for annual regular sessions of the Legislature and provides for an annual salary of \$15,000 and a per diem allowance of \$18 for members of the Legislature.

Farm Bureau policy is against annual regular sessions, Piwonka said. The organization has no policy regarding legislators' salaries.

Amendment No. 9 authorizes the Legislature to exempt certain water supply corporations and cooperatives from the property tax on certain facilities.

Farm Bureau favors this amendment.

HALLOWEEN PARTY
Girl Scout Troop No. 374 had a Halloween party for Troop 341 Oct. 25 at the Scout House. A spook house, games and refreshments were enjoyed by the girls and their guests.

Anyone having Scout uniforms to sell are asked to telephone Mrs. Jackie Jeter, 828-3174.

PLANT TULIPS NOW
In the Southern states tulip bulbs require cold storage before planting, according to a landscape horticulturist for the Texas Agricultural Extension Service. Store the bulbs in a refrigerator at 35 to 40 degrees for at least 45 to 60 days; then plant them in mid-December as soon as they are removed from cold storage. When purchasing tulip or other spring flowering bulbs, select only those that are firm, clean and free of insects and diseases.

ROTC Members Have Many Activities

ROTC was the main event in the Veterans Parade. The girls' ROTC members were the observers in the parade. Unfortunately there were no girls in the parade which do not wear uniforms. In the future they too will have uniforms. The JROTC is conducting money projects. The wash was recently held for this purpose and a bid auction will be held on Wednesday, Nov. 7. The high school ROTC will support all the new uniforms. They can be proud of. They also participated in accepting donations for the disabled. They collected a total of \$130. In the Veterans Parade they marched as a unit in a float for the ROTC. They were in the parade and in the second place for the parade. The money from the parade will be used to pay off some of the ROTC debt. The unit had a parade on Nov. 7. Captain Weinert, Active Army III, was the guest speaker. Fort Riley, Kan. was his visit was very interesting. He seemed to be very interested in the ROTC and with the attitude of the ROTC cadets. A ceremony was held for cadets in which ribbons were pinned. Promotions for the unit were also held. The unit has been promoted from last year's 1st Battalion. The staff consists of a commander, Lt. Col. Mann; battalion officer, Maj. Lin. P. I. O. Maj.

Mary Botello and her assistant 1st Lt. Gail Waters; S-1, Maj. Cheryl Emert and her assistant 1st Lt. Shirley Leese; S-2 Maj. Andy Holt and his assistant 1st Lt. James Simonton; SL-1, Maj. Danny Steffens and his assistant 1st Lt. Kenneth Dixon.

Officers are: Company A CO Capt. Debra Dobbins; XO, 1st Lt. Susana Hernandez; 1st Plt. Ldr. 2nd Lt. Tammy Trider; 3rd Plt. Ldr. 2nd Lt. David Perez; and 1st Sgt., Sgt. James Hubert.

CO for company B is Capt. Gary West; XO, 1st Lt. Clarence Trotty; 1st Plt. Ldr. 2nd Lt. Steve Leake; 2nd Plt. Ldr. 2nd Lt. Billy Pickens; and 1st Sgt., Alan Comer.

Company C officers are CO, Capt. Kathy Cook; XO, 1st Lt. Rosalinda Jimenez; 1st Plt. Ldr. 2nd Lt. Sandra Walker; 2nd Plt. Ldr. 2nd Lt. Rosalinda DeLeon; 3rd Plt. Ldr., Shirley McQuirt; and the 1st Sgt. is Sgt. Mary Lou Ybarra.

The CO for Company D is Capt. David Evans; XO, 1st Lt. Mary Johnson; and 1st Sgt., Sgt. Jeannie Milliken.

The CO for Company E is Capt. Raymond Gonzales; XO, 1st Lt. Ronnie Smith; 1st Plt. Ldr., 2nd Lt. Leo Tutson; 2nd Plt. Ldr., 2nd Lt. Kenneth Howard; and the 1st Sgt., Sgt. John Dawson.

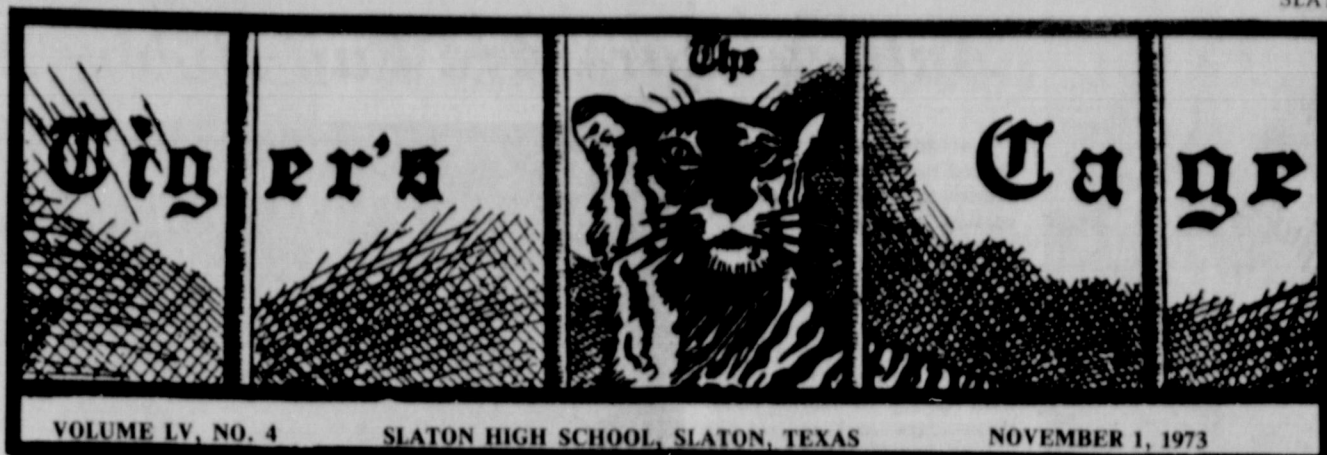

PEP SQUAD
The pep squad recently held a small party for the football players, the teachers and varsity cheerleaders. The girls provided the refreshments.

WEARING NEW UNIFORMS -- Shown wearing the new JROTC uniforms are, from left, Laura Johnston, Glenda Steels and Susana Hernandez. The organization is sponsoring projects so they may buy a uniform for each member.

VOLUME LV, NO. 4 SLATON HIGH SCHOOL, SLATON, TEXAS NOVEMBER 1, 1973

LEARNING TO TEACH -- Student teachers in the Slaton High School home economics classes help students with their studies. Shown in the left picture are Mrs. Linda Oldham assisting Eva Gonzales. At the sewing machine in the right picture is Zoe Preston, being assisted by Mrs. Darlene Beard.

Faculty Includes Student Teachers

Darlene Beard, a student teacher, is helping Miss Cade's sewing classes. Although her home town is Snyder, she is attending Texas Tech and will graduate in December.

In the future she plans to become a homemaking teacher, but at the present Mrs. Beard demonstrates microwave ovens for Litten. She and her husband, Jerry, live in Lubbock, where he also attended Texas Tech, majoring in architecture.

Linda Oldham as a student teacher, is another new face around SHS. She is helping Mrs. Reese with her cooking classes. Mrs. Oldham graduated last May from Texas Tech in food nutrition and dietetics. She is going back to school in

the spring to get her master's degree in food nutrition. She will take the American Dietetics Association exams and this will be qualified to a dietitian of a hospital.

Her husband is Rick Oldham, who is a Tech student. Mrs. Oldham is from Fort Worth and has lived in Lubbock four years.

'Room No. 13' Scores Hit
The junior class play, "Room No. 13," was presented Oct. 23 before a good turnout and afterwards the play cast went out to eat and celebrate the big success of their play.

After six weeks of rehearsal the play was presented to a large crowd in the high school auditorium. It was a howling success and the audience received a large number of thrills and whooping laughs as the actors presented "Room No. 13".

Mrs. Mickie Fondy was the sponsor and director of the play. Rehearsals were fun as Mrs. Fondy maintained a good natured attitude throughout the preparations of the play.

After the play, the cast went out to eat at the Pizza Hut in Lubbock. At the Pizza Hut, flashcubes flashed as the cast members jokingly said lines from the play. Everyone ate to their hearts content and happiness was detected in the eyes of all.

Tigers, On To Victory! Go Tigers, Go!

TIGER JV WINS
The Bulldogs bit off more than they could chew when the mighty Tiger JV beat them by a score of 25-20. The Tigers have not been playing a good first half, but in the second half the JV has been putting the points on the board. Angelo Gonzales had three passes intercepted by the Bulldogs. Coach Jackie Stewart reports that the offense and defense played a good game even though the ends dropped two touchdown passes. The team moved the ball inside the Bulldogs' 20-yard line twice during the third quarter. Bobby Hightower made two touchdowns and John Whaley made one TD and also had one conversion.

TO SPONSOR SALE
HERO FHA will sponsor a brownie sale every Thursday between second and third periods. The money collected will go towards the HERO employers banquet this spring.

Tigers Seeking First Win

By KELLY COPELAND
With only two district games remaining, the Slaton Tigers are still seeking their first league win. The Tigers last confrontations are with Cooper and Friendship in that order.

Tomorrow Slaton faces the improving Cooper Pirates in a district unwinding

at Woodrow. The Pirates, who are 2-6 on the year, were blitzed by Roosevelt 20-0 in their last outing.

The Tigers dropped a 44-13 decision in rainy Tahoka last Friday to lower their record to 1-6. Tahoka, now 5-2, scored first when Jim Bailey opened the Bulldogs attack with a 12-yard dash to pay-dirt.

Greg Sokora, who again had a fine game at running back where he picked up 173 steps, put the Tigers ahead when he broke loose with a 46-yard jaunt on the strength of the Slaton offensive line. Ricky Denzer booted the PAT and the Tigers were out in front 7-6.

At this point in the contest, it looked to be a close ball game. Tahoka then broke the game wide open as they scored three times in the second stanza to take an 18 point lead into intermission.

The Bulldogs scored three times in the final half to secure the victory.

Slaton's only other score came in the third quarter when Ronnie Valadez, the Jr. defensive tackle, pounced on a Bulldog bobble in the end zone for a touchdown.

Two weeks ago Slaton lost to Roosevelt as Bill McClesky provided the only excitement for the Tigers when he returned a kick-off 79-yards for a score.

Back the Tigers ... All the way!

Teachers Buy Livestock

By CLAY MITCHELL
Don Mitchell and Paul Johnson, the Vo. Ag. teachers at Slaton High School, have been busy these past 3 weeks gathering livestock for the ag. boys projects.

Mr. Mitchell and J. Ray Basinger made a trip to San Angelo for lambs. Mr. Mitchell has also attended pig sales at Canyon, Mason, Littlefield, Levelland, Plainview, and is making a trip to Oklahoma this week. Mr. Johnson has been to sales at Plainview, Hart, and has also been to Iowa, Illinois, and several other states in search of club barrows.

Some of the animals purchased will be for showing at livestock shows, while others will be kept and fed out for commercial use. Mr. Mitchell reports the price for livestock to be unusually high this year.

All boys are required to have some type of project

related to agriculture if they are enrolled in Vo. Ag. They do not necessarily have to have animals. It can be a crop project or any undertaking where a record book can be kept.

The Future Farmers of America meeting has not been held due to nine weeks tests and the local pig sale. A new date will be announced later.

Ag. members selling pigs at the Slaton pig sale include: Clay Mitchell, Matt Kitten, and Joe Alspaugh. Over 200 pigs were sold and the selling was brisk and profitable. A large crowd bought a total of \$13,140 worth of pigs. The highest selling pig was bought for \$300 by Garner McClatchy of Bangs, Texas, and was owned by Mitchell's Durocs. The Slaton FFA Chapter appreciates the help given by the town and interested people.

SHARLA PIWONKA

'Pest Of Week' Is Announced

First candidate for "Pest of the Year" is Sharla Piwonka. Miss Piwonka was submitted as "Pest of the Week" by two teachers.

The teachers felt that she was well qualified for this honor. They report that she wrapped up fuzzy worms and gave them to a teacher as a gift. Along with giggling constantly, she can always be seen sitting on the teacher's desk.

She talks as fast as a set of bagpipes can play and asks dumb questions that never apply to the subject being studied. Sharla feels that she should have a three minute head start on timed writings in Typing I.

With these qualifications, Sharla enters the competition of "Pest of the Year".

FRESHMEN WIN

The Tiger freshmen are on top of the world this week as they spanked Tahoka 40-12 last Thursday to chalk up their seventh victory against no losses this season. In action the previous weeks they topped Post 19-0 and Roosevelt 25-8. They will attempt to retain a perfect record when they take on Cooper here tonight at 5:30.

CONTEST ... Oh No!

The Tiger Band will present their contest show next Wednesday, Nov. 7, to judges at Jones Stadium. The band will come onto the field and play a fanfare, then move on down the field with a step-two drill. Following the first step-two drill they will move into a different step-two drill. After the second step-two the band will maneuver into the famous circles which were composed by Mike Melcher, and Bill Townsend. As soon as this routine is finished the bandmen will move into a staggered formation which they use for a flank left, during which the band play "The Westerner" as they come toward the home grandstands. Following this performance the band will play a closing fanfare.

SHS Gets Invitation

West Texas State University invites Slaton High School students to be their guests when they play the strong Louisville Cardinals in the season's football finale on Saturday, Nov. 24, at 1:30 p.m. The university has declared this Panhandle High School Day, and students from 70 Panhandle high schools will be their guests and will be admitted free of charge. Tickets will be delivered to Slaton High School office and students can obtain them there.

Antique Cars Are Fun Hobby For Klattenhoffs

Antique cars have afforded the Mack Klattenhoff family many hours of recreation and fun. "It has been a hobby that the entire family has taken part in and has been wholesome fun," Klattenhoff, who lives one mile south of Posey, said.

The Klattenhoffs began their hobby of buying antique cars and restoring them about 20 years ago. They credit their son, Mackie, with the idea that developed into the hobby. "He saw a Model T Ford on the road and wanted one just like it," Mrs. Klattenhoff said.

Since they began buying the cars, the Klattenhoffs have virtually traveled over the United States from Colorado to Pennsylvania and to Wisconsin to purchase them.

Many of the trips were weekend adventures for the father and son. Others were vacation trips which Mrs. Klattenhoff made with them.

Take Long Trips

They have attended several big swap meets in Hershey, Pa., and purchased cars there and on their way home.

They have visited museums in many places where antique cars are on display.

Some of the cars were located by Klattenhoff from ads in magazines. It hasn't been unusual for him to read an ad one night, make a telephone call to verify the vehicle was still for sale and then leave the next morning to purchase it.

Antique cars owned by them include: 1913 Ford, 1909 EMF, 1913 Buick, 1913 Ford, two 1913 Woods Mobilettes, 1915 Hudson roadster, 1928 Whippet, two Willis Knights, 1923 Buick coach, several Model T Fords, Star, 1918 Paige, 1940 Chevrolet and 1951 Cadillac.

"We have a pasture full of basket cases," Mrs. Klattenhoff said, jokingly referring to cars they have stored on their farm.

Several of the cars are kept in running order, but whenever Klattenhoff wants to drive one, he is not surprised to find that there is a flat tire or something that needs done to the car. One of the cars that is in running condition is a 1918 Paige.

Join Parades

The Klattenhoffs have participated in many parades and exhibits and have antique clothes for members of the family to wear.

Mrs. Klattenhoff has been interested in the antique cars, but has had her own thing going as far as antiques are concerned.

While her husband and son were searching for old cars, she has purchased many antique items for her home. She has a large collection of cut glass and dishes and has restored many pieces of antique furniture.

Her furniture includes an organ, a piano, which has different types of carving of its four legs; a posing chair and other types of chairs.

She removes the finish from the furniture with varnish remover and spends many hours sanding to get the furniture in good condition before she applies the refinishing material. She sends the furniture to a professional to be upholstered in antique velvet cloth.

The Klattenhoffs are true lovers of antiques and feel that the time they have spent restoring them have made them more valuable.

They have sold a few of the cars, one of which was purchased by Bill Harrah's Museum in Las Vegas, Nev. It was a 1917 Stearns Knight touring car.

"We just need some place big enough and we could have our own museum," Mrs. Klattenhoff said in explaining that their antiques are not on the market.

Use bread to banish the budget blues. Mix it with ground beef -- or a combination of ground beef and leftover ham -- for a delicious meat loaf that will serve twice as many as the meat alone.

Southland Homecoming Plans Made

A chili supper, football game, open house and dance will be features of the annual Southland High School homecoming this weekend, with all activities scheduled Friday.

The chili supper will be from 5 to 7 p.m. in the lunchroom, with prices set at 50 cents for elementary students, 75 cents for high school students and \$1 for adults. Sponsored by the athletic department, the supper precedes the homecoming eight-man football game against Patton Springs. Earlier in the year, Patton Springs beat Southland 20-0, at a time when the Eagles had some injury problems.

Coach Donny Windham said Southland also has a new eight-man game scheduled. The Eagles will go to Cotton Center on Nov. 9.

An open house in the school is planned for 9:30 to 10 p.m.

The homecoming dance, sponsored by the junior and senior classes, is scheduled for 10 p.m. to 1 a.m. in the gym. All area residents and

Wilson Homecoming Is Set This Weekend

Ex students of Wilson High School will be honored Friday evening at the Homecoming football game, as the Wilson Mustangs meet Lazbuddie on the field at 7:30 p.m.

Registration for the Exes will be held in the school cafeteria before the game, starting at 5:30. It will be in conjunction with a barbecue supper, sponsored by the Wilson Lions Club. (Proceeds from the game will go to the school for a fence around the football field.)

The Homecoming Queen will be named at 7 p.m., before the game on the field. Candidates for the honor include Dina Wilke, Vicki Kahlich and Sherry White.

Pep Squad Beau will also be named at this time. Candidates include Chris Coleman, Johnny Arnold and David Savell.

A reception for Exes will be held immediately following the game, in the school cafeteria. Gifts will be presented to the earliest graduate present, and to the Ex travelling farthest to attend the game. Each class of Exes will be recognized, and a door prize will be presented to one of the registered Exes, according to Dean Daniell, president of the Ex Student Association.

Earlier preparations for the homecoming event will include a parade and bonfire Thursday, beginning at 6:30 p.m.

held Thursday night, beginning at 6:30 p.m.

Thanks for Agriculture

Those engaged in food and fiber production and processing deserve a special "thanks" for a job well done, says a food distribution and marketing specialist for the Texas Agricultural Extension Service. Thus, the month of November has been set aside as "Food and Fiber Appreciation Month." Despite rising prices, food products are still one of the best bargains to be had anywhere. And their quality is second to none. The recent food price situation has brought agriculture to the forefront and has focused more attention

BROILER OUTLOOK

Over the next few months, broiler supplies should decline, but prices may also drop as demand normally lessens in the fall. However, more broilers will be on the market in 1974, says a poultry marketing specialist for the Texas Agricultural Extension Service. Broiler production should be down about two per cent this year compared to 1972. Production for the first half of 1974 should exceed that same period this year by three to five percent. Despite higher prices, broilers still continue to be a good buy.

Crosbyton Gin Plant Operator Enthusiastic

CROSBYTON -- Some people have described the new American Cotton Growers plant at Crosbyton as a "super gin" the plant's operators say. As descriptive as that may sound they are only half correct.

"The new plant certainly is 'super' in every way, but to simply call it a cotton gin is a misnomer," said its owners.

Under the American Cotton Growers (ACG) system, the gin becomes just one part of an overall plan that encompasses all functions of moving cotton from the turnrow to the ultimate consumer.

By pulling together one system such functions as ginning, compressing and marketing ACG members fully expect to produce better quality cotton that can be sold for more money at a lower handling cost.

Organizers of ACG recognize that in the present off-farm system functions such as ginning, marketing, compression and seed handling have been operated to produce individual profits for those functions, without regard to how they affect operations or costs of other related activities.

HIGHER EXPENSES

The ACG plan realizes that these functions are not profit generating activities -- instead they result in expenses which reduce farm income. The real "profit-centers" are the farms

themselves.

A feasibility study of the ACG system conducted by Dr. James E. Haskell, agricultural economist, of the USDA, indicates that by eliminating the division of functions, grower-members of ACG can save more than \$14 a bale in getting their products to market. Two additional functions, burr pelleting and cotton blending should, according to Haskell, produce a total added revenue of \$10 per bale, enabling ACG member to save just under \$25 a bale with the new system.

With these ideas in mind, producers in Crosbyton, Wake and McAdoo voted in March of this year to consolidate their cooperative gins and form American Cotton Growers. Stock and other equity interests of the 340 members were merged into ACG in exchange for capital credits.

The ACG board of directors is made up of producers from the three communities; two each from Wake and McAdoo; three from Crosbyton. T. W. Stockton, a cotton farmer in Crosbyton serves as president.

CONTRACT CROP

At the time growers become members in ACG they commit their crop to the new co-op. To date 42,000 acres have been contracted.

Growers can contract all or a portion of their crop

HERE'S THE CHURCH, HERE'S THE STEEPLE -- If all goes well this weekend, workmen hope to get the steeple in place on the old Reese Air Force Base chapel which has been moved to Cooper by the Cooper Church of Christ congregation. The chapel is one of the original buildings built at the air base west of Lubbock. (SLATONITE PHOTO)

Cooper Congregation Moves Former Air Base Chapel

Improvements on the chapel, moved from the Reese Air Force Base to a site northwest of the Cooper school, are being continued and formal opening is planned this fall, church officials said.

The chapel is now the Cooper Church of Christ. The chapel's spire was

removed before the building was moved and is expected to be put back in place this weekend.

Improvements of the building have included additions of bathrooms, repainting and addition of air conditioning and heating systems. A well was dug and the building plumbed.

More than 60 persons are worshipping with the congregation which was organized last spring in the Cooper school library.

Services are conducted at 9:30 a.m., 10 a.m., and 6 p.m. on Sundays and 7:30 p.m., Wednesday.

Dennis Atherton is minister. He is a student at Lubbock Christian College.

when his cotton is processed or sold." By using the seasonal pool producers do not receive the high of the market, but they are protected from selling at the low.

Each producer-member of ACG harvests his own crop and stacks it on the turnrow in ricks. When he is ready for it to be picked up he notifies his area manager (there is a full-time manager for each community), and from this point on the cotton becomes the responsibility of ACG. "This enables the farmer to concentrate his efforts on harvesting," T. W. Stockton points out.

SYSTEM EXPLAINED

The area managers are not burdened with ginning members' cotton and therefore can concentrate on member relations and loading and hauling operations.

Cotton is hauled to the gin in 47-foot containers (ACG will operate a total of 150 containers), which will hold up to 25,000 pounds of seed cotton each. The Semi-trailer trucks used to haul the containers are equipped with two-way radios to facilitate scheduling with rick loading and ginning activities.

Upon arrival at the gin the containers of cotton are loaded onto a hydraulic dump system that elevates the container 37-feet and empties it into an elevated hopper. The dump eliminates slowness and bottlenecks at the gin by performing at the rate of 100 bales per hour.

Next the cotton is blended. The blender, probably the most important and unique component to be tested, will blend each container of cotton.

After the cotton has been dumped into the elevated hopper, it is fed onto a moving belt by blender rotors. The belt deposits the cotton in four inch layers in a lower hopper. The rotors then feed the cotton onto another belt that takes it into the gin. Blending ensures that the entire 10-12 bale load will be evenly layered throughout the entire batch. By blending each lot, bales in each lot will contain lint of the same quality.

"Lack of uniformity in High Plains cotton has had a major effect on the costs of ginning, sampling, packaging, classifying, storing and merchandising," says T. W. Stockton. "By blending we think uniformity and some cost problems will be reduced or eliminated."

says, 'Arise and go.'
 "Really, the angels are monotonous talkers! They always say the same thing -- 'Arise, hurry! But so is a fire bell monotonous. If we are to be saved, it will be by monotony, the reiterated command, 'Get up and get going!'"
 In the quoted article, it mentions Gideon. You'll find this in Judges, ch. 6. When the angel appeared to Gideon, he was sitting under a tree, feeling sorry for himself. He had been threshing wheat by hand in the bottom of a grape press, for he was hiding from the Midianites. The angel greeted the tired and weary Gideon like this: "Mighty soldier, the Lord is with you!" (It seems that here Gideon didn't feel anything like a mighty soldier.)
 Gideon, like so many of us, replied, "Stranger, if the Lord is with us, why has all this happened to us? And where are all the miracles our ancestors have told us about...? Now the Lord has thrown us away and has let the Midianites completely ruin us."
 Then the angel turned to him and said, "I will make you strong! Go and save Israel...I am sending you!" But Gideon replied, "How can I save Israel? My family is the poorest in the whole tribe... and I am the least thought of in the entire family!"
 Doesn't that sound like so many of us? We just can't believe God could send his angel to us, or have something we can do for Him, because we feel so inadequate, etc.
 Finally Gideon believed it really was an angel, and got up and got going for God.
 We don't like to hear this

"get up and get going for the things of God" message. Or at least our flesh doesn't. We'd rather be lazy and relax in the things of this world -- or maybe we're so busy with our jobs, school, and responsibilities that we're so physically and mentally worn out that we can't possibly hear the "get up and get going" message of God.
 Jesus is coming soon!

Real Acts 4:5-13
 When they saw the boldness of Peter and John, and perceived that they were uneducated, common men, they wondered; and they recognized that they had been with Jesus. (Acts 4:13)
 The first grade church school class had been talking about the first men Jesus called to be His followers -- the disciples. Reviewing the lesson the following Sunday, I asked the children what these first helpers of Jesus were called. There was a long pause, then one child eagerly raised his hand. "The Recycles!" he exclaimed.
 As I thought for a moment about the disciples and the lives of others through the ages who have been touched and transformed by Christ, the term seemed applicable. Uneducated fishermen, hated tax collectors, feared persecutors of the Christian community were recycled into dedicated, useful servants of God because "they had been with Jesus."
 What will Christ do with our lives if we give Him a chance?
 PRAYER: Dear Father God, cleanse our lives and help us to change whatever needs changing so that we may become useful disciples of Christ. In His name we pray. Amen.
 THOUGHT FOR THE DAY -- Some of Jesus rubbed off on Peter and John. Has that happened to me?

Healing The Sick
 And straightway many were gathered together, insomuch that there was no room to receive them, no, not so much as about the door: and he preached the word unto them.
 And they came unto him, bringing one sick of the palsy, which was borne of four.
 And when they could not come nigh unto him for the press, they uncovered the roof where he was: and when they had broken it up, they let down the bed wherein the sick of palsy lay.
 When Jesus saw their faith, he said unto the sick of palsy, Son, thy sins be forgiven thee.
