THE Texas Safety Assn. is trying to help everybody and all they have a way of irritating me with just as soon not know. Not long ago, I got out with a report on how dangerous it is to ride a motorcycle. Okay, I'm not sure about their statistics, but I didn't like some of their references. And now they've done the same thing with small cars.

Considering the increasing number of accidents on the highways, we feel the public should be aware of recent research findings which indicate that small car occupants face a greater risk of injury and death than occupants of larger cars," a spokesman for the TSA says. "Every time you go on to say that researchers are at the risk of severe injury and death is twice as great when two smaller cars crash as when two larger cars crash. And drivers in sub-compact cars fare as badly in crashes as unbelted drivers in larger cars. And that serious injuries in sub-compact cars are one and one-half times more frequent than they are in standard-size cars."

I guess, but I like my motorcycle and car, and I'd resent the implication made by the TSA that you're smart not to be in a car at all. Or not to walk, or not to be out of bed. Or maybe to do all your driving in a crash suit while driving a car. Probably your chances of injury in a collision in such a vehicle would be statistically.

On May 4, voters in both Democratic and Republican primaries will be asked to check a ballot box "for" or "against" the proposition that the next legislature shall pass legislation to permit legal gambling on horse racing.

Arguments of those favoring the pari-mutuel betting include the claim that a move would bring in more needed revenue to ease the tax burden on the state, and that legalizing racetrack betting will bring more jobs to the state. Both claims are weak. And if they were true, pari-mutuel gambling would be undesirable, because it is a form of gambling that has caused the loss of millions of dollars in the state. Some of the arguments of those opposed to the idea of legalizing gambling, and some of them are listed below. Among those opposed are people, law enforcement officers, editors and magazines like the Wall Street Journal, New York Times, The Nation, Dallas Morning News, Christianity Today, The Football League, Dun & Bradstreet and many others. It wouldn't be possible to quote all of them, but here's a pretty good comment by Edward Cattani, editorial page writer for the Dallas Morning News:

"Legalized gambling is being promoted chiefly because there is money to be made by it. It also provides another source of patronage and hence is an important part of political power...."

"Legalized gambling stands scarcely higher than the current level of gambling. If the state is out to make money from gambling instead of from responsible tax reform, it is no different in much the same way as those who wager for a financial windfall." According to the Anti-Crime Council of Dallas, the tourist angle is out. "In an energy crisis, studies made all over the country have shown that 22 per cent of all tourists go on to visit racetracks."

"Arguments of the issue also deny that any revenue would be realized by the legalization of racetrack betting, and that approval of the issue May 4 would lead to organized crime in the form of gambling. The state has already voted down pari-mutuel betting in 21 years, the latest of which was in 1953, when the West Texas vote was against legalizing the issue. Incidentally, the issue that interests around Houston, the horseracing and betting issue was defeated in 1968, retaliated by voting against the Water Plan which would be of prime importance to West Texas."

Now about that, but anyway, I don't think legalizing horse race betting is a good idea. I vote neigh on this issue May 4.

TOP STUDENTS — Dwayne Mosser and Kay Stephens are salutatorian and valedictorian, respectively, of the senior class. (SLATONITE PHOTO)

Honor Students Announced

Kay Stephens and Dwayne Mosser have been named valedictorian and salutatorian respectively of the 1974 graduating class. Miss Stephens, daughter of Mr. and Mrs. W. M. Stephens, has a high school average of 94.90, and Mosser, son of Mr. and Mrs. Paul Mosser, compiled an average of 93.55.

Both have achieved honors in several areas, and both plan to attend Texas Tech, where Mosser will major in engineering. Both have been members of National Honor Society since their junior year, and in their senior year, Mosser was president and Miss Stephens treasurer of NHS.

Kay has played basketball, volleyball and run track all four years of school. She was all-district and all-regional basketball guard the last two years, and this year also was all-state, co-captain of the state championship Tigerettes.

North all-star, Amarillo Globe-News all-state first team.

She has been in the band four years and this year was drum major and band sweetheart. A member of the senior play cast, she also received the athletic scholastic award this year. She also was in the junior play cast and was a girls state nominee. She received the Kappa Kappa Iota award as a freshman and sophomore.

As juniors, both she and Mosser were named to the

school and national Who's Who groups.

Mosser played football all four years, and this season was co-captain and all-district honorable mention. He also received the athletic scholastic award this year, was class favorite, president of the senior class, was delegate to the state convention of student councils, September citizen of the month, participated in UIL number sense, slide rule and persuasive speaking.

class favorite in his sophomore and senior years, in the third place UIL play as a sophomore, in the junior and senior plays, was junior class president.

As a freshman, he also played basketball and tennis. As a sophomore and junior he was in the Fellowship of Christian Athletes and was a flame candidate both years. He attended Boys State as a junior, and was usher for graduation that year.

Commission Meeting Is Routine

City commissioners met Tuesday morning for consideration of routine business in the regular semi-monthly session.

Most of the meeting was taken up by Mayor J. N. Landreth's reading of a number of letters from various sources, regarding such items as a proposed heliport for Methodist Hospital in Lubbock, consulting engineers' fees, a complaint about the manner in which a city crew "trimmed" some trees, and a request that the city join a group of cities lobbying for state regulation of telephone, gas and power company rates.

Mayor Landreth read a letter from Howard Hoffman, the city's representative on the Canadian River Municipal Water Assn., regarding a dispute on water cost allocations to the various cities, and one which indicated that the major cities in the dispute — Lubbock and Amarillo — would settle their differences.

The group also discussed the need for pavement repairs on 20th St. near its intersection with Industrial Drive.

Curry said. Sponsors of the program are Slaton Lions Club, the Chamber of Commerce, the City of Slaton and the Lubbock County Licensed Beverage Assn. Activities will continue through July 20.

Minister For First Baptist Revival Here Also Is Magician

Dr. A. B. Lightfoot, evangelist from Kerrville, will conduct revival services at First Baptist Church, beginning Sunday and continuing through Wednesday, according to Rev. J. L. Cartrite, pastor. Services begin at 7 p. m. Sunday and at 7:30 on the next three evenings.

Dr. Lightfoot uses humor and magic to supplement his preaching ministry, and puts strong emphasis on morality and patriotism. An internationally known evangelist, he had conducted crusades in the United States, Mexico, Guatemala and Europe. He also addresses civic clubs, school assemblies and banquets.

He is a native of Santa Anna and a graduate of Hardin-Simmons University and Southwestern Baptist Theological Seminary. He has pastored churches in Big Lake, Odessa and Snyder.

Mike J. Bedford of Glen Rose will be music director for the revival. The son of a missionary to the Arizona Indians, he also is a

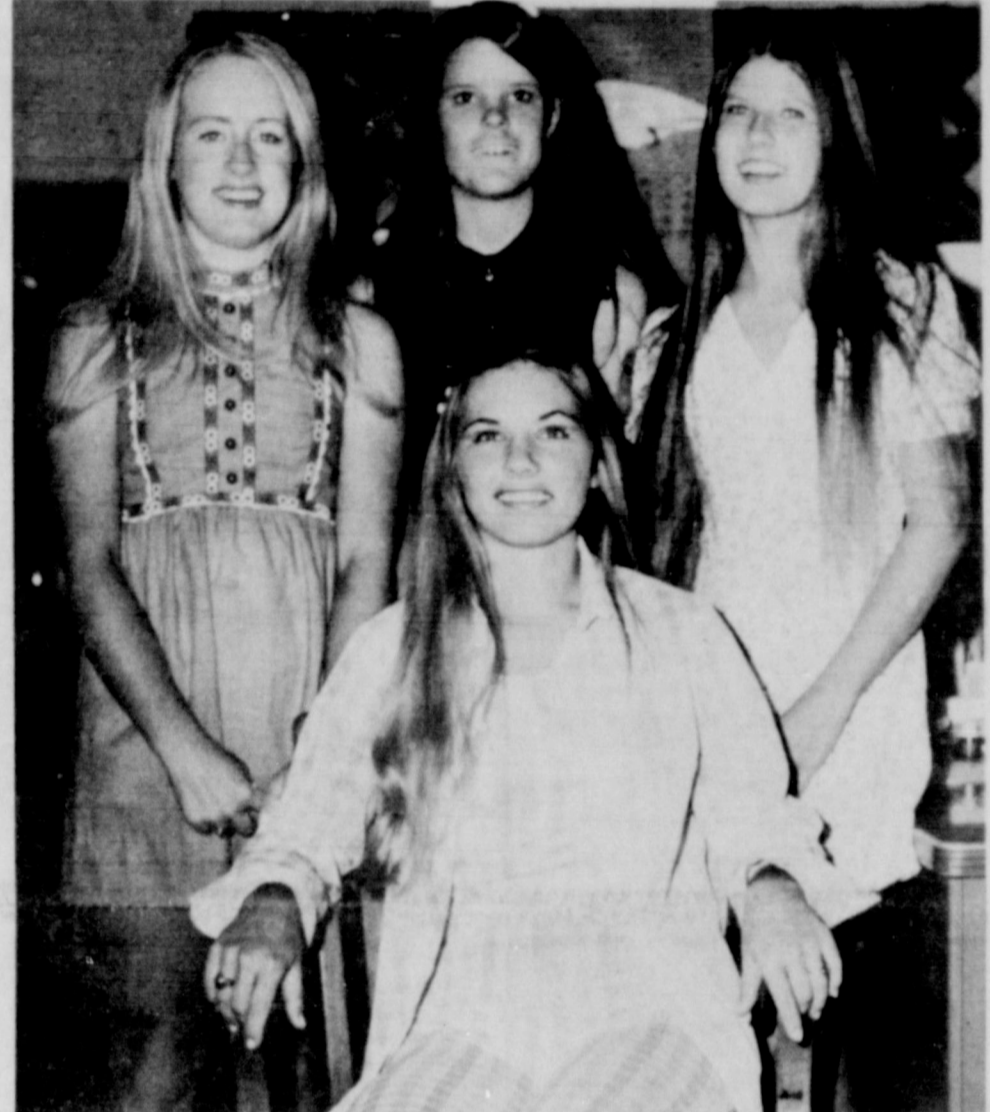

Hardin-Simmons graduate. His wife, Barbara, will play piano and also is a soprano soloist. Bedford has been directing music for revivals since he was 13.

Following the four-day revival will be a weekend of witnessing at the First Baptist Church, Rev. Cartrite said.

Summer Youth Program Slated

The summer youth program will begin its second year here June 3, when all boys and girls from age 9 through high school are urged to report to the track west of the high school at 9 a. m., according to Mr. and Mrs. Bill Curry, directors of the program.

The program, with no charge to participants, will operate from 9 a. m. to noon five days a week, with track meets planned on Saturdays. There will be instruction in track, tennis, golf and fundamental games.

GIRLS STATE — Chosen to represent Slaton American Legion Auxiliary #438 to Blue Bonnet Girls State at Seguin, Texas, June 11-21 were Melissa Locke, daughter of Mrs. John Locke; Kathy Eblen, daughter of Mr. and Mrs. Earl Eblen; Suzanne Kenney, daughter of Mr. and Mrs. Wayne Kenney; and La Donna Jones, daughter of Mr. and Mrs. Donald Jones. (SLATONITE PHOTO)

Tuesday Prayer, Fasting Events Planned Here

Four services throughout the day are scheduled in Slaton Tuesday as citizens are urged to join in a

nationwide day of prayer and fasting. Slaton residents will have opportunity to attend services at 7 a. m. at First Baptist Church, at 8 a. m. at St. Joseph Catholic Church, at noon at First Methodist Church, and at 8 p. m. at Trinity Evangelical Methodist Church.

Congress recently passed a resolution calling on all citizens to observe the day of "humiliation, fasting and prayer" April 30. Special prayers for the nation and its leaders and for all citizens to turn to Christ have been encouraged by the resolution, which points out:

"We know that we have

been the recipients of the choicest bounties of Heaven; we have been preserved these many years in peace and prosperity; we have grown in numbers, wealth and power as no other nation has ever grown; but we have forgotten God...."

Train Hits Car, Hurts Driver

A Slaton man suffered a head injury last Thursday night when the car he was driving was struck by a Santa Fe train at the intersection of the railroad track with Golf Course Rd. near Industrial Drive.

Phil Carey Brasfield, 315 E. Lubbock, was treated and released at Mercy Hospital for injuries sustained when his 1967 auto was struck as it was northbound across the tracks. Engineer of the train was Fred Wiley, 255 S. 15th. Estimated damage to the car was \$200.

A 1972 car driven by Mrs. C. G. Atnip, 655 S. 14th, was damaged when it was struck by a pickup which left the scene, the Piggly Wiggly parking lot, last Tuesday.

Last Wednesday, at Division and 19th, a 1969 auto driven by Allen Randall Richardson, 255 W. Crosby, and a 1969 car driven by Randy Lee Crumbley, 1010 Hockley, collided, with damage estimated at \$200.

Crawford Chevrolet reported a trailer house burglarized, with four sets of drapes, an end table and coffee table missing. Total value of the stolen items was set at \$145.

PERSONAL

Mrs. G. R. Evans, who fell and broke her hip, has been in West Texas Hospital. She is now much improved and is in Jewell's Convalescent Home in Lubbock. She will be there several weeks and would enjoy visitors and mail.

Miss Martha Jean Piwonka became the bride of Rodney Dean Simmons, Saturday, April 20, at 5 p.m. in St. Joseph's Catholic Church in Slaton. Msgr. Peter Morsch performed the double ring ceremony. Parents of the couple are

Mr. and Mrs. Milton M. Piwonka of Slaton and Mr. and Mrs. Claude M. Simmons of Slaton.

The bride, given in marriage by her father, wore a floor length gown of white chiffon featuring a V-shaped neckline and long sleeves,

both trimmed with ruffles and re-embroidered lace flowers. The waist featured and inverted V band of white satin. The skirt was trimmed with a border of re-embroidered lace flowers on a white satin band. The veil, elbow length layer over a long layer which extended to the edge of the train, made of tulle, bordered with re-embroidered lace flowers attached to a wide head band covered with re-embroidered lace flowers and seed pearls.

The bride carried a cascade bouquet of white roses and baby's breath, with a going away corsage of pink rose buds.

Vicki Buskemper of Ft. Morgan, Colo. served as matron of honor. Bridesmaids were Jane Tucker of Lubbock, Judy and Brenda Piwonka of Slaton, sisters of the bride.

They wore floor length gowns of pink organza bodice and skirt gathered to a rosey pink satin midriff with a satin belt tied at back into a sash. The gowns featured short puff sleeves and a low round neckline

with a ruffle. They carried nosegays of shades of pink carnations and gladiolus.

Paula Piwonka of Slaton was flower girl and Marshall Clements of Slaton was ring bearer.

Tom Roche of Slaton, served as best man. Groomsmen were Tommy Simmons, and Dee Simmons, both of Lubbock and Dub Simmons of Colorado Springs, Colo., all brothers of the groom.

Ushers included Fred Piwonka, Bronell Daniel, both of Slaton and Donnie Simmons of Clovis, N. M.

Organist was Laverne Jones of Slaton and soloist was Marsha Bednarz of Lubbock.

A reception in St. Joseph's Hall followed the ceremony.

The couple will make their new home in Colorado Springs, Colo.

The bride is a graduate of Slaton High School and Draughon's Business College of Lubbock. Her husband is a graduate of Slaton High School and is in the Army in Ft. Carson, Colo.

THE WORLD

"Love not the world." These words from the apostle John (1 Jno. 2:15) demand one of the most difficult exercises known to man. The world to live in is set to cause us to love that which Pleasures, sin, luxuries, and even the necessities are paraded before us in every medium of entertainment and information. Without realizing it, we are to take our love for principles and ideals and to THINGS.

Instead of high and lofty principles, our attention is drawn to the materialities and that which they offer — even Christians — are swallowed up in a never-ending quest for more and more possessions.

But soon life is over, and we are brought back with John's warning: "And the world passeth away, and the lust thereof: but he that doeth the will of the Father abideth for ever." (1 Jno. 2:17)

FIRST BAPTIST CHURCH

A. B. LIGHTFOOT
EVANGELIST

DR. A. B. LIGHTFOOT is an imaginative, dynamic clergyman who presents the plan of salvation in graphic messages from the Bible which are relevant to our times. A popular luncheon speaker, he blends Christian life messages with real life humor. He also is a talented magician, and uses this talent to add another dimension to his message before special groups. His ministry has been youth-centered, and he has helped some to shake the narcotics habit and live useful, productive lives for Christ. He himself is the product of a broken home, and he understands today's youth, many of whom are exposed to family problems. His messages are powerful, and Slaton First Baptist Church is proud to sponsor his appearance here. We hope everyone will come to hear him.

MRS. NEWMAN BARTLEY

Wilson Teacher Retiring

Mrs. Newman (Winnie) Bartley will be honored at a retirement tea Sunday, May 5th from 2 p.m. — 4:30 p.m. in the home of Dan Cook of Wilson.

Mrs. Bartley is closing out a 22-year career of elementary school teaching. She began teaching in 1930 in a four teacher rural school in Dottle County and taught there for four years.

A native of Lynn County, she married Newman Bartley in 1932, and they moved back to the area to farm. After teaching for four years at New Lynn, Mrs. Bartley interrupted her career to raise a family. In 1959 she resumed teaching in the Wilson Independent School District and has taught there for the last 15 years.

Active in the Theta Eta Chapter of Delta Kappa Gamma, a professional honorary organization, and Texas State Teachers Association, Winnie Bartley is also involved in church work at the First Baptist of Wilson.

A graduate of Texas Tech University, she has taught grades one through seven. For the last several years she has been concerned mainly with first grade.

The most significant change Mrs. Bartley has witnessed in education through the years is the addition of multi-media methods of classroom instruction in comparison to the days when one was lucky to have a blackboard eraser available.

The Bartleys have three children: Shirley Rhoads of Tulsa, Jerry of Abernathy, and Ted of El Paso.

JUNIOR HIGH JOTTINGS
Last week we left off the names of one set of contestants going to UIL contest in Post on May 1: 6th spelling and plain writing—Marsha Davis, Carla Basinger, Luci Esquivel and alternate, Eli- da Avila.
There will be a science consultant here April 23 to help organize our science program for next year.

Classes will be dismissed at 3 p.m. on Wednesday, May 1, for an all-school staff meeting. The meeting will be in the high school auditorium and will be about the school's self-evaluation program.
Mr. Davis says junior high final exams will be May 24, 27 and 28. Pupils will return to school May 31 to get their report cards.

Mrs. Fleming, librarian, says all books are due back into the library by May 6.
Withdrawing from school were Pat and Stephen Vineyard, Joe Fidler, Ernie Hernandez. New students enrolling here from Lubbock are Donna Witt and Rodrick Banks.

Question of the week: If you could make one change in junior high, what would you do? Raul Martinez—move restroom closer to band hall. Johnnie Nedd—get a new cook. Craig Maberry—have more sports activities. Connie McCormick—not have the bad language. Brad Eblen—make Coach Copeland stop cutting his hair. Natalie Aguirre—have field day every month. Julie Shackelford—close it down. Lisa Hardesty—change the jamming of the halls. Romas Parras, Deanna Cook, Luis Zapata, Lisa Bumpass, Ricky Davis—change a teacher.

Coach Carroll McDonald's 8th grade track team came in third at Frenship and Coach Jim Edwards' 7th graders were fifth.

Steve Wood was third in the 70-yard high hurdles. The Slaton 440 relay team was second. Among the 7th graders, Rudy Ramirez was second in the 1320-yard run with a time of 3:58.5.

Coach R.G. Copeland's 7th and 8th grade girls competed at Seagraves on April 18. In the 8th grade, Margie Gonzales was third in discus. In the 7th, Monique Tomlinson was second in the 660-yard run, and Bobbie Sims was third in shot put.

DISTRICT TRACK
The 8th graders came in fourth in district track at Post, and the 7th grade team was second in district. Frenship won both grades' titles.

The 8th grade 440 relay team of Tim Bourn, John Johnson, Steve Wood and Brad Eblen was first with a time of 49.5. Second places were won by Johnson with 11.3 in the 100 and again by Johnson with 24.7 in the 220, and by Steve White with 3:48 in the 1320 run. Fourth place finishers were Eblen in the 230 and Tim Bourn in the 330 and high jump.

In the 7th grade, firsts were won by Booker Dobbins 37-1 in shot put; Jerry White, 27.4 in 220; Rudy Ramirez, 3:54.2 in 1320; Timothy Beck, tie in high jump with 4-8.

Second places were earned by White in shot put, Roddy Smith in discus and by the 440 relay team of White, Ricky Davis, Dobbins and Ramirez. Third places went to Steve Benitez in 660 run, to the 880 relay team, to Dobbins in 220. Fourth places were by White in discus, Smith in 330, Don Patterson in 660.

OUTSTANDING BAND MEMBERS — Nine members of the Tiger Band were chosen as Outstanding Bandmen for the year. From left, standing, are Louis Gonzales and Mark Abbott, seniors; Vondell Wood and Carter Lankford, juniors. Kneeling are Scott Beard and Debbie Sikes, freshmen; and Donnea Sikes and Teresa Wright, sophomores. Not shown is Benny Guerra, a senior, also chosen as outstanding. (TIGER'S CAGE PHOTO)

COOPER FFA NEWS

The Lubbock District FFA meeting was held at Cooper High School April 22. Joel Green, chapter president, was elected the District candidate for area office. Joel also won the district public speaking contest and will compete in Area May 11 at Coronado in Lubbock. Dale Schaffner won the Lone Star Farmer of the Lubbock district and also qualified for Lone Star Farm. Others qualifying for the Lone Star Farmer are Jimmy Kahlich, Jon Fehleison, Arthur Wuensche and Randy Holloway.

The Cooper FFA also participated in the area judging contest on April 20. Cotton Classing was fourth in area, Livestock Judging fifth in district, Dairy Products fourth in area, second in district. Fehleison was sixth high individual in Dairy Products.

REGIONAL TRACK MEET

Last weekend the sprint relay and the mile relay teams went to Odessa to compete in the regional track meet. Also going was Todd Hammond, competing in shot and discus.

Although the sprint relay ran their fastest time (44.5), they did not compete in the finals. The mile relay made it to the finals and placed fifth with their fastest time of 3:27.3. Both relays are run by Dennis Pate, Todd Hammond, Kenneth Reeves and Robert Barrera.

Hammond did not qualify for finals in the shot, but he threw the discus 151 feet for fourth place.

REGIONAL

Also in Odessa that same

weekend were Cooper students competing in other regional events: In persuasive speaking was Pam Griffin; in spelling was Cassie Kitten; in slide rule were Jon Fehleison, placing third, and Scot Pate, placing fourth.

GIRLS TRACK

The high school district track meet was held at Seagraves on April 18. Those who will be going on to regional are Dora Bentancourt, first in 440 dash; Arlene Lawson, first in 80 hurdles; and Betty Vargas, second in 880 yard run. The entire team points were 60 to put them in third place among 12 teams.

The Junior High girls district track meet also was held last week. In this one, Candy Spratlen was third in broad jump, Karrie Graves first in 440 dash, Spratlen third in 220, K. Jones second in 60 dash, Julie Robertson first in 100, and the mile relay team, including the above girls, was first. They finished in second place with 96 points.

The regional meet for the high school girls is Saturday at South Plains College, starting at 9:30.

All the girls will go to the Bluebonnet Belles Relays in San Angelo May 4.

DECA

The DECA club is planning a party for new members. Tentative plans are to have the party at Buffalo Lake. The second annual Employee-Employer Banquet is planned tonight at the Gridiron.

NEWS BRIEFS

The Athletic Banquet is planned for Monday, May 6, in the gym. Guest speaker will be Jim Carlen, coach of the Red Raiders.

The Junior-Senior banquet is scheduled at Vann's on Saturday, May 18.

The Band Banquet will be at Vann's on Friday, May 17. The band is competing in contest today at Denver City.

LOUIS GONZALES
CITIZEN OF MONTH

Fernando Luis Gonzales, son of Mr. and Mrs. F. R. Gonzales, was chosen citizen of the month for March. Louis has been active during his four years at SHS. He has participated in the senior play this year; ROTC, 4 years; band, 5 years; FFA, 2 years. He was cadet of the month, sophomore year; annual staff aide, senior year; band president, senior year; all regional band, 3 years; vice president of DECA, senior year; attended DECA Leadership Conference and DECA Area IV contest in advertising and qualified for voting delegate for State Conference.

After graduation, Louie would like to attend college at Texas Tech or North Texas State and major in music and later be a band director or music teacher. His hobby is "keeping himself busy."

Track News

Loretta Wolf qualified for the Regional Track Meet by winning second in the 440 yard dash. The winning time was 60.5 and Loretta ran it in 60.9. She will run in Levelland April 27 at 2 p.m. The mile relay team, which consisted of Lynn Tabor, Duana Mosser, Sandra Mercer, and L. Wolf, won fourth. The 880 yard relay — Wolf, Roben Kerr, Delores Mornes, Mercer — came in sixth. Debbie Sikes got fourth in the high jump. Donna Pack got sixth in the Shot Put.

Senior Supper

To break open the pinata was the desire of everyone present at the Mexican Fiesta, sponsored by Our Lady of Guadalupe Church April 15 to honor the Seniors. After several took their turn at bat, the candy-filled donkey was broken by Ann Partain.

Guests were entertained by singers, dancers, and four nuns from Victoria, Texas. The groups consisted of Alfred Riojas, Jesse Ruiz, Angelo Gonzales, Margie Gonzales, Yolanda Torres and Oscar Martinez.

EDITORIAL
Nothing New
Around Here

By JUANELL WOOD
"There's never anything new around here." Sound familiar?

A solution for this complaint may be in the offing. Tentative plans for some new courses at SHS next year are being considered and explored by the school board. Depending upon many factors, including student reaction, the courses may or may not be available.

Three possibilities are geology, atmospheric science and cosmetology.

Geology and atmospheric science are consecutive semester lab courses and both must be taken to receive a credit. Cosmetology, which concerns care of the skin and hair, will also be offered for junior and senior girls. The course will be conducted at Jessie Lee's Hair Design Institute, located at 3630 50th street in Lubbock.

The first semester geology course will concern both the physical and historical aspects of the subject. Physical geology is the study of rocks, minerals, and earth processes while historical geology is the history of the earth as we know it (fossils).

Atmospheric science will be taken the second semester and students will study weather, weather forecasting, atmospheric processes, climate, etc.

Both courses will be taught by Mr. Carnes and will be open to sophomores, juniors, and seniors. At least 24 students must sign up before the course can be taught. These are not college preparation courses but should prove interesting. "Actually it is just the basics. We will only be touching the high spots," says Mr. Carnes. He also states that most colleges will let a student take geology instead of a physical science, depending on the student's major.

Tentative plans for a cosmetology course have also been made. In order to participate in the course, the school must contract the student, and the Texas Education Agency (TEA) must give its approval, as it pays for the course. This is a two-year course, open only to juniors and seniors. There is no minimum number for enrollment because the course is offered to

News Quickies

GIRLS STATE
Suzanne Kenney, La Donna Jones, Kathy Eblen, and Melissa Locke were chosen by the Ladies Auxiliary to represent Slaton at Girls State at Seguin in June.

SENIOR WILLS
Senior wills are to be completed and handed in to Mrs. Walker no later than Monday, April 29.

several different schools in this area.

Cosmetology is a three-hour program (from 1 p.m. to 4 p.m.) and the student will receive two credits. Students must have their own transportation to and from Lubbock. The course would extend into two summers, with 500 hours to be completed at the end of that time and at no cost to the girls. The students may take all 500 hours in one summer or divide it into two summers, whichever is most convenient. For more information, students should talk to Mr. Raymond Wood, the vocational counselor, who is at SHS at least two days each week.

Although plans are still shaky, the courses will hopefully go into action next year. More details can be obtained later this year, probably by the time the juniors make final registration for their senior year. Interested students should talk to Mrs. Davis or Mr. Wood. The introduction of these new courses shows that SHS is inclined to expand both steadily and scholastically with further electives for students. All students even the least bit interested in science should try the new geology and atmospheric courses and girls interested in being beauty operators should definitely take the cosmetology courses.

Friday was "Principal Appreciation Day." This was celebrated with a cake in the shape of that old and famous "Board of Education."

The FHA banquet, with a western theme, was held March 16 in the West Ward Cafeteria. The speaker was Brian Hall who spoke on the future of America. The entertainment was presented by Brenda Johnson.

FHA Officers
Are Named

New officers for FHA are president, Jo Edna Smith; first vice president, Susan Mercer; second vice, Debra Montgomery; third vice, La Donna Jones; fourth vice, Dwanna Mosser; secretary-treasurer, Cheryl Singleton; and parliamentarian, Regina Tumlinson.

The new president and vice president will attend a state FHA meeting April 25-27 in Dallas. Roger Staubach will be featured as the guest speaker.

National FHA Week was celebrated March 31-April 5. Sunday all the FHA girls and sponsors Gayle Reese and Mrs. Simmons attended services at First Baptist Church and then went to Lubbock to eat at Wyatt's Cafeteria.

Monday was "Teacher Appreciation Day." All teachers received a big red apple. Tuesday was "Elderly Visitation Day." A committee of 10 girls visited the Slaton Rest Home. Wednesday was "I'm Proud to be in FHA Day." All FHA girls wore tags throughout the day. Thursday was "Mr. Irresistible Day." Any boy who resisted FHA girls who tried to get him to talk won a ribbon for each resistance. At the end of the day, the boy with the most ribbons was Kenneth (Gaby) Scott, who was awarded the title.

HERO News

Honoring the employers, HERO recently held its annual Employer-Employee banquet at the community club house. Special guests included Mr. M. W. Kerr, principal; Mr. Raymond Wood, vocational counselor; Mrs. Wood; and Mrs. Peggy Raub, teacher and coordinator.

Holly Johnson welcomed the members and guests. Lyndy White gave the invocation, Cindy Walker and Janice Mornes provided the dinner music, and Kathy Milliken gave a special "thank you."

The employees and their employers are: Linda Briseno, Slaton Pharmacy; LeRoy Holt; Mary Brosch; Mrs. E. L. Brosch; Kayleen Carnes, Slaton Care Center; Mrs. Bobby Greer; Ruby Cottle, Mrs. LaWanda Blakely; Cecilia Diaz, Mrs. Ruth Baker; Debra Dobbins, Mrs. Linda Lopez; Irma Garcia, Mrs. Maybelle Kern; Teresa Gentry, SELCO, Mrs. Dell Donaldson and Mrs. Guy Gentry; Beverly Gossett, Mercy Hospital; Dale Karpe; Holly Johnson, Teague Drug; Joe Teague; Brenda Luman, Pinkerton's Security; Captain Payne; Kathy Milliken, Fondy's; Joe Fondy; Virginia Morgan, Janice Mornes, Mrs. Biddy Jones; Robin Sammons, Slaton Bakery; Mrs. Sherrill Wilson; Sylvia Todd, Slaton Care Center; Mrs. Bobby Greer; and Lyndy White, Respiratory Care Association, Danny Rodriguez.

HERO officers include Holly Johnson, president; Teresa Gentry, vice president; and Mary Brosch, secretary-treasurer.

The delegates chosen to attend the state meeting in Dallas are Holly Johnson and Lyndy White.

Doneva Sikes, Lisa Dillard, Susan Mercer and Cindy Davis, who sang, The Best Beau was also announced at the banquet. The three candidates were Johnny Denzer, Joe Alspaugh and Lamar Smith. There was a tie for first place between Joe and Johnny.

Chosen as girl of the month for February was Jo Edna Smith, and March's girl was Karla Bales.

Cavities?
If all the new dental cavities which occur each year were to be filled, it would cost Americans an estimated \$10 billion.

BAND SWEETHEART AND BEAU — Willie Thomas and Kay Stephens were announced as this year's Band Sweetheart and Beau at the annual band banquet Monday night.

Band Sweetheart, Beau
Are Named At Banquet

Highlight of the 20th annual band banquet was the naming of the 1974 Sweetheart and Beau, Kay Stephens, daughter of Mr. and Mrs. W. M. Stephens, and Willie Thomas, son of

Mr. and Mrs. John H. Thomas.

Recognized as outstanding bandmen were seniors, Mark Abbott, Benny Guerra and Louis Gonzales; juniors, Vondell Wood and Carter Lanford; sophomores, Doneva Sikes and Teresa Sikes. Other award winners were Sheree Perdue, Kathie Price, Bonnie Dixon and Susan Hendrix for their halftime performances and spirit throughout the year; and Kay Stephens for her great effort and spirit in leading the band during the halftime shows.

"Old Masters of Swing" provided entertainment for the band members and their guests, Mr. and Mrs. Bill Ball, Mr. and Mrs. Bill Townsend, and Mike Melcher. The musical group is composed of Arch Keys, drums; Jack Sutton, piano; Dr. Clovis Clough, cornet; Dr. Gale Seigler, guitar; Dalton Wood, sax; and Bob Kern, trombone.

This year the band is giving a trophy case for the band hall, so the awards won by the band may be displayed.

District UIL
Contestants

These students, among many other, participated in the District UIL Meet and placed in their events: Doneva Sikes, typing, first; Elaine Boyle, typing, third; and shorthand, second; Kelly Copeland, newswriting, second; Dwayne Mosser, persuasive speaking, second; Tip Culver, spelling and plain writing, third; Cindy Patterson, feature writing, third, and 4-AA all-star play cast; Frana Gass, honorable mention for one-act play all-star cast; Juanell Wood, editorial writing, third; Willie Meyer, headlines, third; Mira Healy, prose speaking, fourth; Kayla Curry, persuasive speaking, fourth.

Elaine Boyle went to the Regional UIL Meet in shorthand. Doneva Sikes participated in the Regional UIL Meet in typing and placed second and will therefore compete in the State UIL Meet in Austin May 2-3.

Alan Lewis participated in the Regional Golf Tournament and Greg Sokora participated in the Regional Track Meet. Loretta Wolf will participate in the Girls' Regional Track Meet.

ROTC News

By MARY BOTELLO
The inspection has passed for cadets in JROTC, but its memory will linger in their minds forever. Word has not yet been received about results of the inspection; however, the unit was told it was above average.

With the inspection out of the way, cadets have been participating in organized athletics, such as roller skating, miniature golf, volleyball, basketball, softball and playing Frisbies. A picnic in and around the ROTC building was also held for the cadets. The girls brought the food and the boys the drinks. But things are not all fun and games.

Along with the sports, cadets have been reviewing previous talked subjects, utilizing commanders' time and reviewing current events.

An awards ceremony has been scheduled for Tuesday night, April 30, at 7:30 in the high school auditorium. Cadets will receive ribbons and medals for excellence and/or specific events which they might have excelled in. It is the hope of Col. Bowen that each worthy cadet will receive some sort of decoration or medal.

A trip to Reese AFB is still planned. The specific date for the field trip is not yet known.

Cadets are in the process of having classes on rifle and pistol marksmanship. Rifle team members will be shooting on Estacado's rifle range on April 26-27.

Everyone is looking forward to next year when the unit's own range should be well on its way. When completed, hopefully the school can sponsor a championship and rifle team.

Col. Bowen says, "It would be wonderful if we could make the national rifle and pistol matches next year, or even just one of the two." Each year the 3rd Region ROTC sponsors a rifle and pistol team to compete against other pistol and rifle teams all over the 50 states. He also added, "It would really be a challenge to place one or some of our cadets on this team." All expenses for the rifle team will be paid by the U. S. Army.

All of the girls in ROTC during the year 1974-75 will receive new uniforms provided by the army. Pictures of the uniforms are displayed at school and all around town.

Save Gasoline While Driving This Summer

AUSTIN--"With hot weather now upon us, we are all tempted to reach over and turn on the air conditioner while driving, but we need to consider what comfort means in terms of fuel consumption," Agriculture Commissioner John C. White said.

Use of air conditioners has often been pointed to as one of the culprits in gasoline-powered highway vehicles. In a study conducted by the USDA, it was found that test cars moving at 30 mph with the air conditioning turned on traveled an average of 18.14 miles per gallon while 20.25 miles per gallon was the average with the air conditioning off.

At faster rates, consumption was only slightly more with air conditioning than without. At 60 mph, the test cars averaged 15 miles per gallon with air conditioning and 16.25 without. The reason for the slighter difference from consumption at slower speeds is that the power required to operate air conditioning remains nearly constant, regardless of speed and other motor changes.

"The difference of 1.25 miles per gallon doesn't seem like much when considering each unit, but with a 20 gallon tank, driving without air conditioning could mean 25 more miles traveled," Commissioner White emphasized.

White commented, however, that the greatest savings in fuel consumption can be made if motorists do without air conditioning while driving in the city since rates of fuel usage are most affected at lower rates of speed.

"We must all develop driving habits that help conserve energy in every possible if we are to continue to have the fuel we need," White concluded.

Accent on Health

disease isn't the epidemic it once was, but it is an epidemic among the young people.

Last year in Texas, 64,210 cases of gonorrhea and 5,354 cases of syphilis were reported.

Gonorrhea increased by about 12 to 15 per cent, but in the 10 through 14-year-old age group the increase was a startling 26 per cent. And, the age group from 15 through 29 reported 85 per cent of all VD cases in the state.

Nationwide, gonorrhea has become the number one reported communicable disease, and syphilis — once

thought to be under control — is continuing to present a serious problem.

Public health officials estimate that more than two million Americans were affected last year by venereal disease — more than half of the victims under 25 years of age.

The Texas State Department of Health and local health departments are using a four-pronged attack against VD. Emphasis is being placed on: epidemiology (or case tracing); gonorrhea screening by various health agencies; closer cooperation with laboratories and private physicians; and education, or public awareness.

April is being observed as "VD Awareness Month", and education ranks high among priorities in combating venereal disease. Everyone needs to understand how VD is spread, what the symptoms are and what can be done about it.

Even today, despite the

usually appears where the germ enters the body, usually from 10 to 90 days after contact. The painless sore may go away, but the disease doesn't. A rash, sore throat or falling hair may appear from two to six weeks after the sore disappears. Again, if the disease isn't treated, the symptoms may disappear and the disease will lie hidden, striking some vital organ such as the heart, brain or spinal cord in later years.

While gonorrhea isn't considered as lethal as syphilis, it is more widespread and harder to control. The incubation stage is shorter, and first signs of infection usually appear within three to five days. Infected persons may experience a burning sensation while urinating, have a discharge from the sex organ or have abdominal pain. Males normally are acutely aware of these symptoms, but in women the symptoms may not

appear or be ignored.

The national Center for Disease Control estimates that in the United States there are 800,000 women who have gonorrhea and don't know it. Those who have VD and don't know it are called asymptomatic carriers.

An important thing about VD is that it is contagious, serious and curable, says Dr. M. S. Dickerson, chief, Bureau of Communicable Disease Services for the State Health Department.

Dr. Dickerson says any person with symptoms of VD should visit a doctor or public health center immediately and request an examination. In Texas, all VD cases are handled confidentially. Minors may be examined and treated without notifying their parents.

The venereal disease message is being spread throughout the state during VD Awareness Month but, says Dr. Dickerson, the battle against this health

IT PAYS TO ADVERTISE IN THE SLATONITE threat is a continuous one 12 months out of the year.

Tomatoes Will Thrive In Hanging Baskets

AUSTIN—Hanging baskets of tomatoes are educational, decorative and their contents taste good too.

"They are a wonderful way to teach small children who have never been near a farm to appreciate growing the food they eat," said Agriculture Commissioner John C. White.

Hanging baskets take care, White said, but there is no threat of serious insect or disease problems. Artificial sterilized soil is used and the plant, in its hanging basket, is removed from easy contamination.

Though tomatoes can be started from seed, it is best to buy young plants and transplant them. Small fruited varieties are best. They should bear fruit in 45-60 days.

The U.S. Department of Agriculture gives the following tips for a flourishing plant.

Use any container that will hold at least two quarts

of potting soil. Plastic bottles or gallon-size milk containers will do. Cut the tops off if necessary and punch four or five holes in the bottom for drainage. Tie a cord or hemp similar porous material to hold soil place. Line the container bottom with two inches of coarse material—washed cinders, crushed rock, shredded plastic containers—to permit easy draining. Cover with a half-inch layer of a finely crushed substance. Fill container with moistened soil mix to within an inch of the top.

Hold the potted tomato plant on its side and tap gently until the soil ball and plant fall out. Remove the network of roots on the bottom of the soil ball. Place the soil ball into a freshly-dug hole and firm it into the surrounding media to insure adequate water movement and knitting in of the root system.

Place the plant wherever it will get at least six hours of direct sunlight daily. Water immediately after planting with a solution containing one-fifth the fertilizer recommended for houseplants. Wait to water again until the leaf color changes from dark to pale green and the plant begins to wilt. Each time you water—every three to seven days—wait until the plant wilts and use the same amount of water and fertilizer.

Pick off yellowing or damaged leaves. As the plant develops, remove some branches to prevent crowding and to promote development of new flowering shoots. Turn the container every week so the plant develops symmetrically and all tomatoes receive equal light.

"Your bonus for this effort will be delicious vine-ripened tomatoes," said White, "plus some new understanding of what it takes to raise them."

Watch Out For Peddlers, White Says

AUSTIN—Spring is here and so is the likelihood of fly-by-night peddlers selling plants and cure-alls for sickly lawns and gardens.

Agriculture Commissioner John C. White has issued a warning on such door-to-door sales, pointing out that anyone who sells nursery or florist plants must have a certification of inspection from the Texas Department of Agriculture (TDA).

"Though most nursery and lawn and garden people are reputable dealers, there are those in the business strictly for what they can get," White said.

He suggested that prospective buyers shop local merchants instead of dealing with door-to-door salesmen. "If the buy looks too good to pass up, ask to see the TDA certification or check with the Better Business Bureau to see if any complaints have been made," White said.

He also advised that service agreements be put in writing and that the seller state exactly what will be done and what materials will be provided. "Never pay for a job in advance," he said.

White suggested checking local prices before ordering through the mail.

FALL FERTILIZER USED UP

Texas farmers used a lot more fertilizer last fall than in previous years, according to a soil chemist for the Texas Agricultural Extension Service. Usage during the last half of 1973 was up 67 per cent compared to the same period in 1972. The energy crisis which has curtailed fertilizer production, uncertainty about prices and other factors persuaded farmers to put down their fertilizer early. Present fertilizer supplies are tight as inventories have not increased much over the winter months. If spring fertilizer use is the same as in past years, the farm fertilizer volume will be up about one-half million tons for the July 1, 1973 to June 30, 1974 period compared to the same period a year ago.

ROADSIDE MARKETING
Roadside fruit and vegetable markets may do a booming business this year if planned and managed properly, believes a marketing specialist for the Texas Agricultural Extension Service. Such markets can add to the diversity of a farming operation. Locate the market near a much-traveled highway and place signs well in advance of the location. Buildings should be neat and attractive, in good repair and painted. Use wood, concrete, clean shavings or sawdust for the floor. Provide attractive displays at a convenient level. A cold storage unit is a necessity. Advertise effectively and never overlook personal service.
