

Bobby B. Jones Named Outstanding Farmer

Bobby B. Jones, a native of Slaton who farms west of town, was named as the Outstanding Farmer of 1974 in the Slaton area at the 17th annual Farmer-Merchant Barbecue Tuesday night.

The event was moved into the warehouse of Union Compress for the second straight year because of damp weather. A musical group, "The Burning Flames", performed and Coy Biggs was master of ceremonies. Unfortunately, the sound system was poor and it was difficult for the audience of approximately 650 persons to hear either the emcee or the performers.

Coy Evans, president of the sponsoring Chamber of Commerce, gave the welcome address and the farmer's acceptance was by Billy

Weaver, last year's farmer of the year. Members of Boy Scout Troop 125 voluntarily cleaned up the warehouse after the banquet.

Alex Bednarz, who brought in the area's first bale of cotton this year, was presented a check for \$150 from the chamber. Bednarz called Bill Alspaugh to the speaker's stand and pre-

sented him the check as a donation to Mercy Hospital.

Harold Wilson was presented a \$100 check for bringing in the second bale.

Jones, 46, was born in Slaton, attended grade school in Wilson and high school at Cooper. He presently is a member of the Cooper school board, Cooper Lions Club, Farm Bureau, and has been active in Little League baseball program.

He farms 733 acres in Lubbock and Lynn counties. He and his wife, Mary Helen, have three children, and Jones is a member of the official board of Cooper United Methodist Church.

Slaton's First Bale Ginned

The first bale of cotton for the season was ginned last morning at Slaton Co-Op Gin. The 500-pound bale was brought in at 2:30 p.m. Sept. 11, last year by Alex Bednarz, and is to be the second bale ginned this year. A bale was ginned at the gin Wednesday and was the first Lubbock County

at 8:33 a.m. Saturday by Harold Wilson, who farms east of the city. His bale was ginned by Farmers Gin of Slaton, and weighed 570 pounds. It also was planted in early May. Wilson planted 3840 Lankart cottonseed. The chamber paid Wilson \$100 for his bale. The prize of \$50 for the third bale brought in had not been claimed as of Tuesday night.

received a \$150 bonus from the Chamber of Commerce for being in the first bale of the year. In addition, the Slaton Co-Op paid him a bale free and paid him a \$100 bonus for it.

With unusually cool weather and the lingering rain and cloud cover during the last week, prospects for a good crop of cotton this year, in the area appeared bleak. With little or no moisture during planting season, there was no dryland cotton for this year, and the irrigated crops have been expensive to get up.

planted the 202 Paymaster cotton for the first bale on May 11, he has a farm about a mile west of the city limits.

Right now the crucial need is for warm, dry days and a late frost, since recent cool weather already has hurt the maturity rate of the cotton.

Chamber of Commerce pays \$100 for the first three bales each season. The second bale in the Slaton area was brought in

An inch of rain fell in Slaton early this week.

FB Contest Top Money Is Divided

Top money in the Slatonite's weekly football contest will be split this week as two entrants tied for first and second, even on the tie-breaker score.

Geron Stricklin, 1025 S. 20th, and Maxine Dows, 335 S. 12th, each had 20 games right, and each picked 20 points in the tie-breaker (the actual total was 46). So first prize of \$10 and second prize of \$5 will be split at \$7.50 for each of them, if they claim their prizes before 5 p.m. Monday.

Third place went to Charles Miller of Rt. 1, Lubbock, who was one of several persons to get 19 correct. But Miller's 35 points for the tie-breaker was closest, so he gets \$2. Allen Miles also had 19 (See Contest, Page 6)

annual super-duper, extra-special, South Plains Fair will be launched Saturday and continue through the 14th Saturday, and hundreds (probably 100) of folks in Slaton and the surrounding area will attend and give it a mainly financial.

like a good, cooperative venture of the area? Well, it isn't. It certainly is a good idea, and it certainly lines the pockets of the operators of the midway rides. But it hurts Slaton and all the other South Plains communities.

A Slaton businessman made this point regarding the fair: "I can look at my fair year and tell you exactly when the fair is held in Lubbock. . . It's always the business week of the year."

Another businessman present agreed: "I'm telling how much money is taken out of every year to pour into the fair. . . smaller towns in this area are making a big drain on the economy of the smaller communities."

we say, we need the fair. The kids like the rides and eat the greasy hot dogs. . . are even some folks who get their money from looking at Aunt Annie's canned goods. Besides, you say, you like going to the fair. Skittit and Charlie Boastful sang the songs.

we have no objection to the fair. It's nice to have shows to look at. The fair seems like just too much — with high prices for all the rides. . . And this year, they're making it worse as to get two weekends of money out of the fair.

you can't keep people from spending their money the way they want to, so let them spend it at the fair, that's okay. . . something to the local business community. . . have contributed so much to the economy of this town and the surrounding area. . . we don't need to turn any money over the fact they're having a fair.

matter of fact, I don't think the fair should turn out early so kids here can have their one day, but one of my own kids said this blows my chances for free rides for a year.

Late Dimmitt Surge Mashes Tigers 43-3

TOP TIGER RUNNER — Slaton's Bill McClesky goes for a good gain against Dimmitt as the Bobcats' Shannon Truelock moves in. McClesky was Slaton's top rusher in the game, with 82 yards in 8 carries. (SLATONITE PHOTO)

By DALTON WOOD

The Slaton Tigers played so well for half a game, then they didn't do too badly in the third quarter. But in the fourth period of last Friday's home opener against Dimmitt, the Tigers had a relapse of the all-too-familiar fourth quarter "fall-aparts" and the visiting Bobcats romped gaily to a 43-3 victory.

The result left Dimmitt at 2-0 and Slaton at 0-2 for the season, with the Tigers going to Littlefield this week to face the Wildcats who tied Levelland 7-7 Friday after losing the opener to Cooper 15-7.

What the Tigers do at Littlefield Friday should answer the question of whether they can regroup their shattered forces or if this is going to be just another season of woe.

GAME AT A GLANCE

Slaton	Dimmitt
16	First Downs 18
202	Yds. rushing 540
42	Yds. passing 43
4-18-2	Completed by 1-5-2
3-45	Penalties, yds. 8-90

6-31.1	Punts, avg. 1-28

moves, demonstrated why his picture was on the cover of the Top-O-Texas football magazine as he rambled 188 yards in 14 carries and scored two touchdowns.

Slaton was double tough in the first half. After a short punt gave the Bobcats the ball early in the game at Slaton's 41, cornerback Keith Bumpass intercepted a pass to stop Dimmitt. Slaton moved right down-

field, with Charlie Haynes getting 13 with the help of a fumble recovered by Guard John T. Basinger. QB Gary Aycock hit Keith Bumpass for 13 more, then ran 9 yards on a keeper. Slaton was set back by a penalty, then Aycock hit wingback Kenneth Scott for 15 yards. Dimmitt drew penalties of 5 and 15, then held Slaton. But Tackle Ricky Denzer booted a 28-yard field goal to give Slaton a 3-0 lead with 2:45 left in the first quarter.

Dimmitt Goes Ahead

Veals went 43 yards down the right sideline on the first play of the second quarter to score with a screen pass from QB Brad Sanders and put Dimmitt ahead 7-3, after Guard Ricky Wright kicked the point. Dimmitt was unable to do anything else in the first half, as defensive back Ernest Gipson intercepted a pass and recovered a fumble to stymie Bobcat drives, and it was still 7-3 at halftime.

Mayberry bulled 49 for a TD with just 35 seconds gone in the second half. Wright kicked this point, then later kicked a 22-yard field goal. Slaton's Bill McClesky, who had a good showing with 82 yards on 8 carries, broke free on a 41-yard run to the Dimmitt 29, then later slashed to a first on the 19 at the end of the quarter, with the visitors still leading by just 17-3.

With 4th and 9 on the 18, Aycock's pass to McClesky netted just 7 and Dimmitt took over on the 11. After the Cats moved out to the 34, Veals broke loose to go 66 yards around left end to start what was to be a nightmare parade, with Mayberry going 63, Veals 70 and then freshman Thompson Mayberry racing 75 to score.

Defensively for Slaton, the most tackles were marked up by Denzer at tackle and John T. Basinger at linebacker. Loran Roberts, Chris Williams and Mark Ethridge also were in on several tackles.

In addition to McClesky's running, Gaylon Buxkemper also did well, running seven times for 27 yards, all in the first half.

European Trip Great, Say Two Who Made It

By SANDY MARTIN

In an effort to assure our readers of the credibility of Wholesale Tours International and the trip they have planned (nine days in Europe for \$628), The Slatonite contacted both a former tour sponsor and a former tour member. Their enthusiastic comments should be encouraging to those Slaton residents who have already paid their deposits for the tour and others who are considering it.

Mrs. Charlene Bennett, Chattanooga, Tenn., reported that the trip was "more than I expected." She went in April and said, "I would go again if I could." She went as a member of a tour and said she had the best time she's ever had.

the Big Orange Football Club, also of Chattanooga, was a tour sponsor for a trip to Hawaii. He said, "I was really impressed. It was more than I could dream of."

He will sponsor another tour to Hawaii next year when the University of Tennessee plays Hawaii. "We're expecting at least 1,500 people to go from this area. It's a really fantastic trip!"

Both Bennett and Slaton said it was a wise move to (See Trip, Page 6)

Eighth Graders Use Newspapers For Study

By SANDY MARTIN

Many adults have developed the habit of giving the morning paper a cursory glance then using it as trash can liners, drop cloths and kindling.

But members of Slaton Junior High's eighth grade class use the paper daily as a textbook, studying it in both English and reading classes.

Newma Carnes, eighth grade reading instructor, and Almarine Childers, eighth grade English teacher, use the morning paper as "living textbooks."

Mrs. Carnes said, "We've used the paper (both the Lubbock Avalanche-Journal and The Slatonite) now for about five years. I'm totally sold on it."

The Avalanche-Journal delivers 131 newspapers to the Junior High each morning. Each student pays \$2.40 each semester for his paper. On Thursdays, free copies of The Slatonite are taken to the school.

Plenty of Use

The papers are used in six reading and six English

classes daily. "Every day we use the newspaper to develop a skill," said Mrs. Carnes. "In reading class we use it to learn to skim and also to learn to read for detail."

In teaching her students to skim, Mrs. Carnes will select five words from the front page and then give an A to the first student to

skim and find all five. "I have students with third grade level through tenth grade level," said Mrs. Carnes. "And there is something in the paper for every one of them. You can't expect a junior high student to read third and fourth grade books. He'll lose interest in the subject matter and consequently he won't develop his reading skills. But with the paper, he can read about something that interests him."

DIFFERENT KIND OF TEXTBOOK — Members of the eighth grade English class are shown with their "living textbooks". Newspapers are used each day as supplements to their regular textbooks, in both reading and English classes. (SLATONITE PHOTO)

Couple Wed In Ceremony Here

Nedra Karon Moseley, daughter of Mr. and Mrs. Edward C. Moseley of Slaton, became the bride of David Alton Roberson, son of Mr. and Mrs. Norris Roberson of Plainview, on Sept. 14. The double ring ceremony was given by the Rev. Johnny Cartrite, pastor of First Baptist Church.

The bride was given in marriage by her father. She wore a floor length candle-light dress of nylon organza. The molded bodice featured a high neck with a band of Belgium lace flowers studded with pearls and standup ruffle. The Juliet sleeves repeated the band of pearl studded lace flowerlets. Motifs of the lace flowers adorned the skirt which gathered softly at back to form a full chapel train. A deep flounce was set on to the full skirt with the band of lace flowers and completely encircled the train. Her chapel length veil was held by a lace capulet and

tiers of illusion sprinkled with medallions fell from each side and drifted beyond her train.

Rhoda Moseley, sister of the bride, was maid of honor. Her dress was an empire waist of apricot polyester crepe. It had short, puffed sleeves with a self ruffle around the neck. There was a belt with floral design which matched the trim on her apricot, wide brim hat.

Bridesmaid was Rheda Moseley, sister of the bride. The two bridesmaids were Mrs. Gary Young of Midland and Mrs. Neill Carter of Lubbock, both cousins of the bride. Their dresses were fitted at the waist with gored skirts, short puff sleeves and self ruffles. Apricot hats completed their outfits.

Best man was Norris Roberson, father of the groom. Groomsmen were Keith Bumpass and Paul Martin of Slaton, and Mark Bevers of Post. The latter

two are cousins of the bride. Wedding music was furnished by Cecil Bolton of Lubbock. The violinist was Kevin Lancaster of Amarillo. He featured "Ave Maria" and "The Lord's Prayer."

A reception was held in the Fellowship Hall of the church immediately following the ceremony.

Following a wedding trip to El Paso, the couple will be at home at 435 Scurry Street in Slaton.

The groom's parents were hosts for a rehearsal dinner party at the Slaton Club House.

Akin Earns TAMU Honor

Glen D. Akin Jr., of Slaton, has earned "Distinguished Student" ranking in Texas A&M University, announced Registrar Robert A. Lacey.

The undergraduate honor is awarded students who have excelled academically. Recipients must earn at least a 3.25 grade point ratio (out of a possible 4.0) during the most recent grading period.

"Distinguished Student" ranking is limited to 10 percent of TAMU's undergraduate enrollment.

Akin is the son of Mr. and Mrs. Glen Akin of Rt. 1. He is a junior animal science major at TAMU.

Couple Solemnizes Nuptials

Lorrie Ann Panuco and Sgt. Travis A. Hoffman were united in marriage at 5 p.m. Aug. 10 in the Main Post Chapel, Ft. Lewis, Wash.

Reinard Beaver officiated at the double ring ceremony for the daughter of Bernie Panuco and Mrs. William Cooper, both of Tacoma, Wash., and for the son of Mr. and Mrs. Buddy Hoffman, Slaton.

Given in marriage by her father, the bride wore a formal gown of organza chiffon trimmed with Viennese lace. The gown was styled with a fitted bodice and a high neckline which was trimmed in a self ruffle. The Queen Anne sleeves were also accented with a self ruffle, and the A-line skirt fell softly into a fluted ruffle.

The bride's elbow length veil was trimmed with wide lace, and it fell from a full mantilla crown trimmed in pearls.

Maid of honor was Deborah Sauer. Bridesmaids were Mrs. Teresa Panuco, sister-in-law of the bride, and Victoria Lahr. All the attendants were from Tacoma, Wash.

They wore pale blue and lavender flowered organza gowns which featured scoop necklines, empire waistlines and A-line skirts.

John Eads, Tacoma, was the best man. Groomsmen were Roger Hoffman, brother of the groom, and David Lott.

Soloists were Napoleon Williams and Sue Lind, who were accompanied by organist Tess Wagner.

A reception in the NCO Club followed the ceremony. Following a wedding trip to British Columbia, the couple is at home in Tacoma, Wash.

The bride is a graduate of Clover Park High School. The groom is a graduate of Lower Lake High School, Clearlake, Calif., and is now stationed at Ft. Lewis, Wash., with the 296th MP Company.

ENTRY SHARES HER RELISH RECIPE

Mrs. Mertie Gentry shares her relish recipe. She has been making it for 40 years.

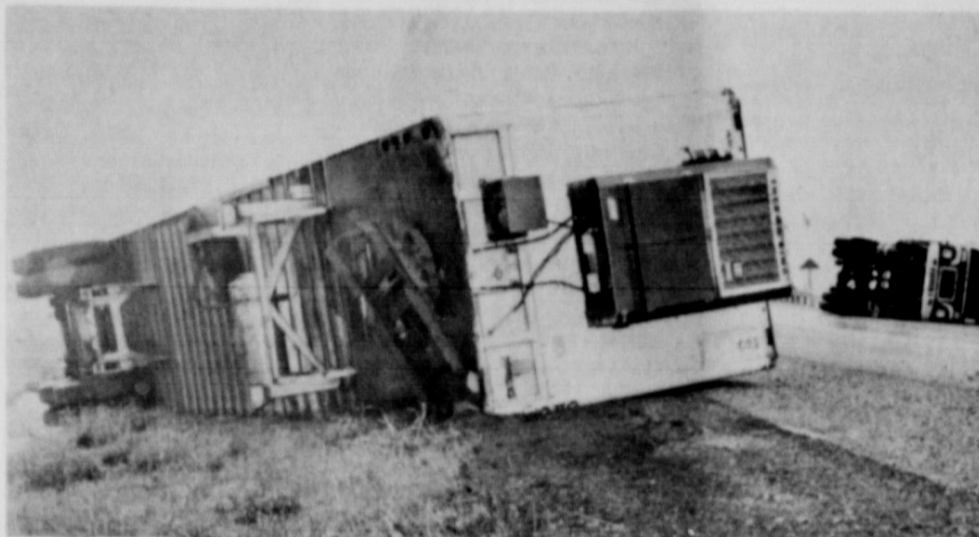

1 tsp. dry mustard
1 tsp. red pepper
2 cups sugar
Drain tomatoes and cabbage overnight. Mix all other ingredients, bring to boil, then add tomatoes and cabbage. Cook until done and seal in hot sterilized jars.

Crisp Cucumber Pickles

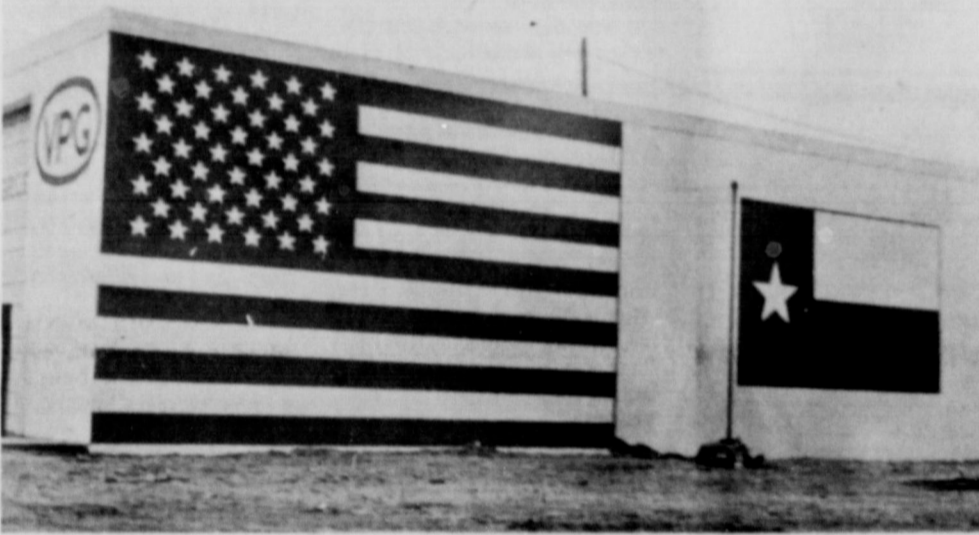

(Packed cold — and the secret is in Heinz vinegar, says Mrs. Gentry.)
2/3 gal. Heinz white vinegar
2 cups sugar
2/3 cup salt
2/3 cup dry mustard
Fill sterilized jars with either small or large sliced cucumbers. (Mrs. Gentry says she likes hers sliced lengthwise, not too small cuts.) Cover with mixture of vinegar, sugar, salt and mustard, seal. They stay crisp all winter.

BIRTHDAY CELEBRATION — Residents of the Slaton Care Center who have birthdays in September were honored with a party Tuesday afternoon. CLUB ROUNDUP

BLUEBONNETT
Twelve members of the Bluebonnet Club met Sept. 11 in the Clubhouse. Games of 42, canasta and bridge were played after the business meeting.

The next meeting will be Sept. 25 at the Clubhouse, with Mrs. Juanita Irons as hostess.

HERO-FHA
HERO-FHA will sponsor a field trip to the fire station for 4-5 year old children on Sept. 25 from 10-11 a.m.

Anyone interested should contact Mrs. Koslan or Kathy Eblen at Slaton High School.

TOPS
The TX69 Tops Club met Thursday under the leadership of Helen Meeks.

Fourteen members weighed in, with seven losing 7 1/4 pounds, and two KOPS maintaining.

Lona Bickers reached her goal and is now a KIW, or a Kops in waiting. If she maintains for three months, she will become a Kops.

She was also winner of the Grab Bag prize for losing the most weight.

Nelda Chapman was elected co-leader, and the three month fellowship hour was set for Sept. 26.

Members will weigh in from 6-6:30 p.m.

The devotional was "I Love You," read by Frances Keane.

ICT
ICT VICA Club elected officers for the 1974-75 school year. They are: president, Alan Brunson; vice president, Carter Lankford; secretary, Vondell Wood; treasurer, Anne Webb; and reporter, Rhonda Moseley.

Members attended a dinner at Underwood's in Lubbock Tuesday night. Dues were set at \$5.

VFW AUXILIARY
President Dortha Fay Harris, Geraldine Mann, Leona Lamb and Ann Foster attended the District 7 business meeting in Brownfield last Sunday.

Billie Rhodes, state president, was the main speaker. She spoke on several subjects that the Auxiliary will

participate in in the coming year.

The next District convention will be in Lubbock on Dec. 7 and 8. September 23 at 8 p.m. will be the regular meeting for all Auxiliary members. Dues are now being accepted.

The Auxiliary has donated \$50 to the Mercy Hospital Auxiliary fund, rather than the \$30 which was erroneously reported last week.

GIRL SCOUTS
Troop 85 met Thursday night in the home of the leader, Jackie McElfresh.

Angela Martin, Suzie Beck, Missy Carter and Debra Castle registered as cadettes.

Frankie Thomas and Christine Scott registered as senior scouts.

The troop discussed a service project and decided each girl would have a senior citizen buddy this year.

ATHENIANS
The Athenian Study Club met Tuesday in the home of Mrs. Bob Kern. Fourteen members and two guests, Mrs. Steve Smith and Keri Kern, were present. Keri Kern presented the program. She told of her summer tour of Europe with the "American Youth in Concert Choir". She also sang two songs from their concert.

The club voted to help with the Cystic Fibrosis drive on Sept. 29.

REPLACING TIRES
Replacement tires should never be smaller than the tires supplied with a car as original equipment, advises the Tire Industry Safety Council. A smaller size may effect ground clearance, instrument accuracy and the suspension system of the car.

Monday — Ranch style beans, potato salad, greens and onions, plum cobbler, butter and milk.

Tuesday — Barbecued wieners, cream style corn, candied yams, yellow wax beans, pear, hot rolls and butter and milk.

Gail Stomps Eagles 52-13

Borden County High School at Gail exploded for 26 points in the final three minutes of the first half last Friday and went on to defeat Southland Eagles 52-13 in an eight-man contest.

Southland scored in the second quarter after trailing 14-0, when Junior Buxkemper ran 13 yards on a reverse. Mark Bevers kicked the extra point and at that time, Southland trailed only 14-7.

Next score for Southland was in the fourth quarter when Bevers raced 28 yards across the goal line.

Gail scored 26 points in the last three minutes of the first half.

Southland, now 0-2, plays Klondike at home this week.

By MRS. ROBERT MOCK

C. L. Mason is still in critical condition at the Medical Center in Lubbock.

Charles Dabbs suffered a massive heart attack last week. He is much improved and is in Methodist Hospital in Lubbock.

At the time of Dabbs' illness, Mr. and Mrs. Herman Dabbs were in New York, about to leave for a visit with their son's family in England.

They continued their trip once they heard Dabbs' condition was stabilizing and improving.

Mrs. Lawrence Burkett was involved in an auto accident on Farm Road 211. She escaped injury but her car was damaged.

Ronnie Sales of Brownfield is in Methodist Hospital with a back injury. He is the son of M.E. Sales and the son-in-law of Weldon McGehee.

Mrs. Karen Cowdrey of Wichita Falls visited her folks this weekend.

Mrs. J.W. Payton was seriously injured in a one car accident Friday on a rain slick highway between home and Growers Sud Co. in Lubbock. She is still in intensive care at Methodist, suffering from a broken leg, cracked ribs and a possible punctured lung.

Mrs. Faye Payton is in Mississippi with her daughter, Mrs. Linda Kenney, and her baby, who is undergoing treatment for a blood disorder.

The Booster Club will meet on Sept. 26 following the junior high football game in Southland.

Farmland Industries and Hackberry Co-Op hosted a supper meeting Tuesday night at Vanns'.

It was a pleasure to listen to Lorene McGehee tell of

her trip around the world.

Lorene and Weldon met with a group of 36 in New York and flew to Paris, where they saw the Eiffel Tower, the Louvre, Notre Dame.

They then traveled to Berlin where they visited the Perganum, one of the centers of early Christianity.

The original walls were intact and covered an area of four football fields.

They visited the Soviet Memorial in East Berlin. Many bombed out buildings are still there. The Wall of Shame was just across the street from their hotel. The wall was marked with bullet holes and crosses where people had attempted to cross.

The Jerusalem area was the highlight of their trip. They enjoyed seeing the places mentioned so often in the Bible.

They attended worship services in the Church of Christ with Brother Crossland and his some 200 members. He may be remembered by some as he has been to the Gordon Church occasionally.

The couple witnessed rug washing day near Amnon. Everyone was washing their rugs and as far down the river as one could see were rugs drying on the rocks.

Their next stop was India. If they met a sacred cow, they had to step aside for him to pass. It was 110 degrees there and very humid.

Hong Kong and other cities of China were the

next stop. The cities there appeared much cleaner and the poverty was not as great as it was in India. They also visited the village of Rheeren, where everyone lives in fishing boats.

They then visited Tokyo. They saw sleeping Buddhas, solid gold Buddhas and solid emerald Buddhas.

Their last stop was Honolulu, where they spent three days resting and sightseeing. In all, their trip around the world took 34 days.

Whirlwinds Blow Past Cooper 18-6

UNREVERTABLE — The Pirates suffered their first defeat of the season Friday night, as they fell to the Whirlwinds of Floydada, 18-6. The Pirates were out in front by another 6 points as they led 18-6 with 8 1/2 minutes left in the game.

After the last touchdown by the Whirlwinds, the Pirates were never able to launch a successful drive. With 1:05 left in the game, Choban intercepted a Whirlwind pass deep in Pirate territory. Time was a factor as the Pirates began to move the ball downfield, but not fast enough as time ran out on the Pirates. The Whirlwinds added the Pirates to their list of victims with a final score 18-6.

This week, the Pirates will be playing on their home field as they take on Morton. Last week, Tullia dealt Morton a severe blow as they crushed Morton 34-7. Pirate coach Pete Hurst doesn't think the coming game with Morton will be any easier than the game with Floydada. He added that the Pirates can beat Morton if they operate as a unit.

from 2 yards out. A pass for the 2-point conversion was deflected by the Pirates. The score put the Whirlwinds out in front by another 6 points as they led 18-6 with 8 1/2 minutes left in the game.

Junior High Jottings

By RICKY DAVIS AND BILLY JACK HAIRE

The 7th and 8th grade football teams opened their seasons with a bang against O'Donnell last Tuesday night. The 7th graders lost to the Eagles 14-0, while the 8th grade gridders escaped with a narrow victory 8-6.

Tuesday the boys challenged the Littlefield Wildcats, there at 5 p.m.

Our assignment this week was to interview Mr. Dixon and find out about his

classes' projects. Projects were as follows:

- 1st period — the study of pollution.
- 2nd period — drugs and their effect on the body.
- 3rd period — safety in the home.
- 4th period — safety in the home and yard.
- 6th period — human anatomy.

As everyone knows, Fair time is rolling around the bend, and we were curious to find out who was going with whom. When asked, "Whom are you taking to the fair?" these boys gave the following replies:

- 6th grade: Brent Aycock — "My money and my gal." Stacy Conner — "Nobody yet, I ain't got no money." David Sadler — "Don't know."
- 7th grade: Terry Cook — "Nobody!" Lance Bownds — "Carla." Chad Sikes — "Marcia." Les Howell — "Don't know."
- 8th grade: Todd Taylor — "Me, probably." Billy Dan-

Both Junior High Teams Are Winners

Both the 7th and 8th grade football teams beat Littlefield there Tuesday evening, with the 7th graders winning 16-6 and the 8th by 18-12.

Early in the second quarter of the 7th grade game, Glenn Culver scored and Craig Maberry ran for two points, and they repeated their act later in the quarter to make it 16-0. Littlefield narrowed the gap to 16-6 with a TD early in the fourth period, missing the extra point.

Coach Morris Dixon praised the entire offensive line of Kevin Bales, Joe Cook, Scott Beck, Topsy Alford, Johnny Mosser, Greg Johnson and Terry Cook, and cited Jesse Titus

as a top defensive player. Roddy Smith scored two touchdowns for the 8th grade team of Keith Sahm and also played well on defense. Gary Taylor ran a kickoff back 70 yards for the game's second TD, and Ricky Davis did a good job of quarterbacking the team in the rain.

Junior high teams play at Abernathy next week.

right, but had 34 for a tie-breaker score. Others with 19 correct, but with smaller tie-breaker scores were Tommy Boyd, Sue Davis, Charles Didway of Post, Ricky Davis, and Mike Lewis.

Slatonite Publisher Dalton Wood moved into first place in the Fearless Forecasters race and tried to declare the contest ended for the year, but was bullied by the others into continuing it. Wood missed two games last week, and now has a 16-7 mark, with J. W. Holt, who missed three, in second at 14-9. Joe Sparkman missed five and Pete Williams three to tie at 13-10 for the season, and Bill Ball missed five to go into last place where he belongs, at 12-11.

City Sales Tax Total Increases

Sales taxes collected through sales here and returned to the City of Slaton showed an increase of \$2,090.37 in the quarter ending June 30 over the corresponding three months of last year.

City Secretary Alex Webb reported that the sales tax refund received Tuesday was for \$18,996.04 for the second quarter of the year.

CLARA BAILEY

Mrs. Clara Bell Bailey, 62, of Slaton, died Tuesday while visiting a friend in Lubbock, apparently of a heart attack.

Services were pending at late noon Wednesday at Englands.

Survivors include a son, James Bailey, of Detroit, Mich.; two brothers, Raymond Short and Ernest Short, both of Slaton; and a sister, Mrs. Irene Stennett, also of Slaton.

Cotton Harvester Made Efficient

It took a determined cotton farmer, Bob Logan, many years to develop and perfect a high volume ground cotton harvester capable of recovering ground cotton efficiently in one pass.

Logan was farming cotton during the years when hand cotton picking was being replaced by mechanical harvesters that left considerable cotton on the ground. Labor cost ruled out hand ground cotton harvesting but with the advent of the mechanized harvesters also

came the solution.

Logan immediately chased this new cotton harvester in to get the most out of his cotton crop. He felt self having to go to fields two or three times without satisfactory results. Logan then developed his own cotton harvester that was still leaving pounds of lint per acre in his fields after harvest over them twice.

Logan's determined to develop a low cost row ground cotton harvester. He has taken 14 planning, designing, evaluating, simplifying and nearly 200 machine believes, "Cotton want and must machine that will more ground acre, do it in less an absolute minimum upkeep, and with parts readily available easily replaced the local service sources."

Newspapers--

are first made familiar with the newspaper. They learn its purposes, how it is produced, and what the paper is actually made of. Such phrases as flag, masthead, banner, cutline and filler are defined and explained.

Although the A-J is used daily in the classroom, The Slatonite is used for community interest on Thursdays.

Familiar Names

Mrs. Carnes said, "The class enjoys The Slatonite. There is at least one child in class who knows someone who is mentioned in the paper. They will talk about whoever it is they know. Then, everyone in the class 'knows someone who knows someone else.'"

She also said that Junior High Jottings was popular with the students. "Of course most of the class like the Woodwork column. It entertains and enlightens us at the same time."

Using the paper as a living textbook is not easy for instructors. Both Mrs. Carnes and Mrs. Childers spend an hour each morning reading the paper and

deciding what can Then, an hour is needed to plan day's lesson. They spend time together, ing visuals and boards.

Both instructors tended living textbooks.

Mrs. Carnes said newspapers go to classroom too. They take them home and sometimes get their parents in something new.

THE CONSCIENCE

"Conscience" comes from two words meaning "to know with" and represents the faculty which decides on the moral quality of one's actions and motives.

Since the conscience is a creature of education, it should be taught right in order to operate properly. It can be defiled and therefore worthless as a moral sentry. Paul said (Titus 1:15): "Unto them that are defiled and unbelieving is nothing pure; but even their mind and their conscience is defiled."

The conscience is not the Standard (or guide); it operates on that which it thinks is true. Paul's example shows how wrong it can be. Though he lived in "good conscience" (Acts 23:1), he was the "chief of sinners" in opposing Christ and his church (1 Tim. 1:15). He ignorantly (v. 13) persecuted Christ and admitted (Acts 26:9): "I verily thought with myself that I ought to do many things contrary to the name of Jesus."

The Standard is the truth (the Bible), and by it we shall be judged (John 17:17; 12:48). Let us strive to have a pure conscience (Heb. 13:18; 1 Pet. 3:21) educated by the inspired Word of God.

Richeys Spend Summer Touring

Mr. and Mrs. J. G. Richey and their son, John Wayne, spent most of their summer traveling. They toured both the United States and Europe.

In June they spent two weeks in Arkansas, where they attended the National Mobil Scout Trailer Rally at Wilderness Point Camp Ground.

From there they went to Eureka Springs to see the great passion play, then to Mountain View to see the Ozark Folk Craft Center.

On the way home, they visited friends in Smackhorn, Ark.

In July, the Richeys left the United States for a 22 day tour of Europe. While there, they toured 11 countries; England, Holland, Belgium, Luxemburg, Germany, Switzerland, Liechtenstein, Austria, Italy, Monaco, and France.

They spent two days in London, watching the changing of the guard at Westminster Abbey, and seeing the House of Parliament and Big Ben.

From London they flew to Amsterdam, where they were assigned a motor coach in which they traveled 2,800 miles to Paris. At Bastogne they visited the American War Memorial, where General George Patton is buried.

In Lucerne, Switzerland, they rode a cable car up Mt. Pilatus in the Alps, and returned by cog train.

While in Rome, they

visited the Vatican. At St. Peter's, they attended a short service, where Pope Paul was. The Richeys also viewed some of Michaelangelo's masterpieces.

In Monaco they saw the palace of Princess Grace and visited the Monte Carlo casino. They then spent two days on the French Riviera.

They toured Paris before returning home, seeing the Eiffel Tower, Notre Dame and Napoleon's tomb.

Wilson Topples O'Donnell 21-12

The visiting Wilson Mustangs got on the winning side of the 1974 football ledger by a tough hard fought victory over the O'Donnell Eagles last Friday.

Scotty Childress, receiving the opening kickoff, brought both stands to its feet on a sparkling 85 yard touchdown scamper for O'Donnell. After receiving the kickoff Wilson drove to O'Donnell's 20-yard line before turning the ball over. The rest of the first quarter was a defensive battle with

Wes Wilke. David Ramirez rushed and 32 passing to O'Donnell's 20 yards rushing.

The second quarter was dominated by O'Donnell as they drove 88 yards to paydirt with quarterback Benny Hancock passing the final 7 yards to wingback Dan Mott. The Mustangs, however, came back and drove 70 yards in three plays to bring the score to 12-7 in favor of O'Donnell. Wilson's score came on a 55-yard pass from split end Greg Bednarz to wingback

rushing, David Ramirez, 43 yards and Richard Cedillo with 32 yards rushing. Greg Bednarz had 41 yards on 5 pass receptions.

Wilson's defense was led by linebacker Mark Brieger and defensive end Wes Wilke with nine tackles each. Johnny Arellano, Victor Ortega, and Greg Bednarz each had eight tackles. Doug Savell and Mike Bednarz had 6.

Wilson's next game is this Friday at Wilson. Wilson plays highly touted Lubbock Christian High School that has a 2-0 1974 record and a 13 game winning streak going.

YOUNG HOMEMAKERS

Mrs. Carol Dawson began her administration as President of the Roosevelt Young Homemakers Sept. 10 when Laura Campbell, outstanding future homemaker, installed her and the other new officers.

Following installation, Mrs. Dawson conducted her first business meeting. The new president's order of business was announcing that the Young Homemakers will host the annual coker party for the Roosevelt FHA girls and boys Sept. 18. She also announced that the Young Homemakers would travel October 8 to the Concord House for a field trip. The program for the September 24 meeting will be on juvenile delinquency. After the business meeting, food was served.

Each member prepared an unusual dish and their favorite recipes were compiled and will be mimeographed for other members pleasure.

The Young Homemakers were honored to have Mmes. Melva Haralson, Sandra Gaona and Bettie Washington as new members.

Along with Blanche Souls, Mrs. Harris' student teacher, and Laura Campbell, Mmes. Louise Hollins, Jon-

elle Reid and Bettie Hall visited the meeting.

Members attending the meeting were Mmes. Peggy Walter, Yvonne Hilton, Merle Sides, Sylvia Bessent, Lanette Carr, Sue Sides, Pam Talley, Dee Schroeder, Carol Dawson, Renee Fikes, Marilyn Walter, LaHonda McCallister, Melba Wright, Elaine Sherrord, Marie Jones, Linda Walter, Joyce Hinsley, Malinee Harman.

FOOTBALL

The Roosevelt seventh grade football team was defeated by Crosbyton last Thursday at Crosbyton 16-8.

The eighth grade lost to Crosbyton 32-0.

The junior high teams have an open date for September 26 and their next game will be at Roosevelt against Frenship.

The junior varsity team won against the Crosbyton chiefs last Thursday night 43-0. Bobby Shelton was selected as hustler of the week for that game.

Their next game and the freshmen's will be at Frenship, October 3.

PLAYERS OF THE WEEK

Selected as players of the week for the Roosevelt - Crosbyton game by their teammates were Rodney Jackson for offense; Gene Sharp for defense and Dickie Dunson for hustler.

REMINDER

Roosevelt High School Homecoming will be Friday, September 20 during the

Roosevelt-Seagraves game, at 8 p.m. Registration for the exes will be from 7 p.m. until game time. Following the game there will be a reception for the exes in the Roosevelt Club House. Refreshments will be served.

In observance of Homecoming week, Tuesday was "Sock-it To Me Day," Wednesday was "Sign Day," Thursday is "American Graffiti Day," Friday is "Dress Up Day."

There will be a pep rally Friday at 2:40 in the gym.

25th ANNIVERSARY

Mr. and Mrs. James Daniel of Route 1, Lubbock, were honored with a surprise reception Sunday in observance of their 25th wedding anniversary.

The high school sweethearts were united in marriage September 11, 1949, in the Canyon Church. Both are graduates of Roosevelt High School.

The couple has six sons, Ronnie of Lubbock; Ricky of Ruidoso, Randy of Dallas, Rodger, Brent and Trent of the home. They also have one granddaughter.

Hosting this were Mrs. Daniel's parents, Mr. and Mrs. Carl Jones, all of Mrs. Daniel's brothers and sisters and the couple's son and daughter-in-law.

Daniel is employed as a farmer and a fireman.

Two In A Row! Eagles Win 26-14

By MIKE PATSCHKE

Stunned by a Crosbyton touchdown on the second play from scrimmage last Friday night, the Roosevelt Eagles roared back with three touchdowns in the first half and then went on to a 26-14 win over the visiting Chiefs.

Roosevelt now has an unblemished 2.0 record for the year and will play host to another bunch of Eagles as Seagraves brings in a good Class A team for the Eagles' homecoming.

Crosbyton's Ronald Wiley

raced 45 yards for a touchdown on the second play of the game, and Ruben Murray missed the extra point.

The Eagles tied the score at 6-6 as Quarterback Jeff Anderson slipped across from 6 yards out, and Raymond Frizzell missed the extra point. Roosevelt got the ball back on the Chiefs' 20 as the ensuing kickoff was fumbled and the Eagles' Milton Morgan recovered. With 3:05 left in the first quarter, Tailback Lowell Bridges plunged over

from the 5-yard line, and Frizzell kicked the point to put Roosevelt ahead 13-6.

The Chiefs mounted another threat after a bad snap on a fourth down Eagle punt gave the visitors the ball on Roosevelt's 30. But Roosevelt held Crosbyton on downs.

Just before the half ended, it was the Chiefs' time to hold off a Roosevelt thrust near the goal line.

Tailback Rodney Jackson streaked 70 yards for a Roosevelt touchdown on the second play from scrimmage

in the last half, and Frizzell again converted to boost the lead to 20-6.

Anderson connected with End Glen Campbell on a 45-yard pass play to score with 7:36 left in the game, and Frizzell's try for point was blocked by Crosbyton tackle Billy Steen.

With just one second left in the game, Crosbyton tallied on a 10-yard pass from QB Joe Cargile to End Gilbert Navarro, and Cargile then ran for two more points.

Bridges and Jackson

again ran well, carrying 19 yards, or 4.7 yards, or 170 yards on an average of 9.4.

Bridges, Lynn and Doug Genn 28 assisted and tackle Calvin Le good job of block

great and he caught 100 fish.

4-H NEWS

Church Dedication Set For Sept. 29

Sunday, September 29, the Canyon Church will be dedicated.

Preaching the morning service will be the Rev. W. O. Rucker, former pastor of Crowell, Tex.

Lunch will be served at the church.

Special guests for the 3 p.m. dedication service will be Bishop Carleton of Albuquerque, N.M. and Dr. Clifford Trotter of Lubbock.

Preaching the evening service will be the Rev. Elbert Nelson, former pastor of Parsons, Kan.

The Canyon Methodist Church was organized in 1915. The first pastor of the church was the Rev. D. C. Ross and the first presiding Elder was A. L. Moore out of Plainview District. There wasn't a Lubbock District at that time.

The Canyon Baptist Church was organized in 1924 and the first pastor is believed to have been Bro-

ther Agee.

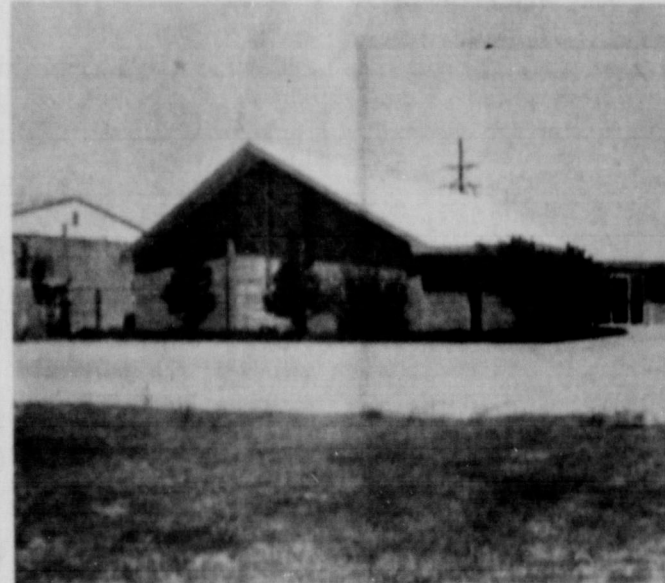

Both churches have met for worship together by alternating Sundays for many years.

Currently serving as pastor of the Canyon United Methodist Church is the Rev. Grady Adcock and currently serving as pastor of the Canyon Baptist Church is the Rev. Curtis Jackson.

All former pastors of both churches have been invited to attend.

Horace Sides of Route 1, Lubbock, has been a member of the church the longest, having moved his membership to the church from East Texas. Mrs. J.B. Garner and Mrs. Wilbur Adams, both also of Route 1, Lubbock, were converted in the Canyon Church in 1919 and have never belonged to any other church.

All members and former members are invited to help celebrate this special day.

CANYON CHURCH — Dedication services for the Canyon Church are set for Sept. 29. The church, shown here, is unique because on alternating Sundays it is the Methodist and then the Baptist church for the area. Both congregations have a different preacher, and the Canyon Church building serves them both.

Rotary To Travel To Lubbock

The Slaton Rotary Club will journey to Lubbock Sept. 24 for the annual Inter-City meeting, hosted by the Lubbock club.

Members will leave the Club House at 5:45 p.m. and go by bus to the meeting in the Lubbock

Coliseum.

Dr. Thomas Shipp, Lovers Lane Methodist Church in Dallas, will be the guest speaker.

Because of the Inter-City meeting, the Sept. 26 meeting for the Slaton club has been canceled.

Seminar — Five justices of the peace from Region X were among the more than 100 who participated in a 20-hour basic Texas Justice of the Peace Training Seminar conducted Sept. 3-6 in Amarillo. Judges from Region X participating in the seminar (from left to right) Judge Arvin Stafford of Precinct 2, Slaton; Judge Charles E. Smith of Precinct 2, Lubbock; Judge Jessie Lee Vance of Precinct 4, Shallowater; Judge James W. McCall of Precinct 1, Place 1, Lubbock and Judge Wayne LeCroy of Precinct 6, Slaton.

Stafford Attends Seminar

The Texas Justice of the Peace Training Seminar opened its 1974-75 program this week with a 20-hour seminar for judges in Region X.

Seminar content focused on the practical trial aspects of the duties of the justice of the peace, including criminal, civil and small claims court.

Instruction was provided by representatives from the state attorney general's office, the Texas Department of Public Safety, the Dallas County District Attorney's office and various judges from across the state.

The state-wide training program for justices of the peace is funded by the Criminal Justice Division of the Texas Governor's Office through the Texas Justice of the Peace and Constables Association.

Plains Cotton Growers, Inc., 25-county, Lubbock-based cotton producer organization, is urging the U.S. Department of Agriculture to set the loan level for 1975-crop U.S. upland cotton at "the highest level permissible under the language of current law," and to not sell Commodity Credit Corporation stocks of cotton at less than 115 per cent of the target price for the year plus carrying charges.

In a letter to the USDA on September 12, PCG Executive Vice President Donald A. Johnson pointed out that unless the market price of cotton improves substantially, these two actions will be badly needed to prevent acreage being shifted from cotton to feed grains, soybeans or other more profitable crops in 1975. The 1974 crop loan level is 27.06 cents per pound, basis Strict Low Middling 1-1/16 inch cotton, 3.5 to 4.9 micronaire at average location.

CCC's minimum resale price is now 115 per cent of the loan level, as opposed to PCG's recommended 115 per cent of the 38-cent target price for 1975.

Under the Agriculture and Consumer Protection Act of 1973, the USDA can set the 1975 loan at 90 per cent of the average market price for American cotton in world markets for the 1971-72 through 1972-73 marketing years. Or, if the Secretary so decrees, the loan can be 90 per cent of the "then current" world market price for American cotton—which would be considerably lower.

Johnson's letter points out that current market prices for cotton offer little or no return on producer investment and that "Unless USDA uses every means at its disposal to encourage cotton production, the acreage needed to meet domestic and export demands for cotton will not be planted."

The 1974 Annual Meeting of the Plains Ginners Association will be held on Saturday, September 21, at the Lubbock Country Club from 9:30 a.m. to 2:00 p.m., according to PGA President Bill Weaver of Lamesa. Over 300 High Plains ginners and allied industry people are expected to attend.

The meeting will feature addresses by Donald A. Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock; Tony Price, Executive Officer of the Texas Cotton Ginners Association, Dallas, and Charles Russell, Foreign Trade Economist of the National Cotton Council, Memphis, Tennessee.

Johnson will speak on expanded market opportunities opening up for High Plains cotton as a result of spinning research on the revolutionary open-end spinning system and other new technology.

SWPS Plant To Use Reactor

Southwestern Public Service Co. Wednesday announced the first step in a program which sets the stage for the company to take a lead role in the construction of the nation's first power plant to use a gas-cooled breeder reactor.

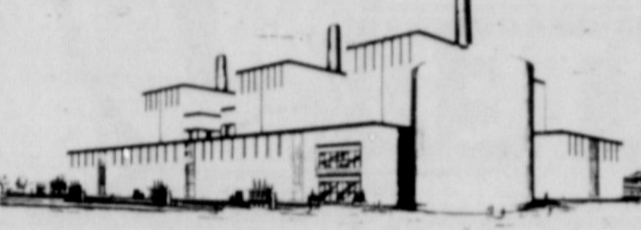

Roy Tolk, chairman and president of the electric company, said the gas-cooled fast breeder reactor (GCFR) plant, would have a generating capability of 300,000 kilowatts and would be located on a site provided by Southwestern.

"We have signed a letter of intent with General Atomic Company of San Diego, in which we would contribute \$100 million to the project. Substantial additional financial support will be required from the electric utility industry and the U. S. Atomic Energy Commission," Tolk said.

Fits Pattern
"Our long-range projections call for additional generating capability in the mid-1980's; so, this development program fits right into our growth pattern and could very well be our introduction to nuclear power. We will, of course, have a conventional generating unit in service to meet our customer's needs, if that is necessary, but are enthusiastic about the prospects for the breeder unit being available," Tolk said.

General Atomic has been working on a gas-cooled breeder reactor for 13 years. Support for the program has come from the Atomic Energy Commission and a GCFR Utility Committee comprised of 57 investor-owned utilities, 55 rural electric cooperatives and three European electric utilities.

stretch nuclear fuel resources, breeders are regarded as an essential component of the long-range success of the nuclear power industry.

NUCLEAR POWER — Artist's rendering of how Southwestern Public Service Company's proposed 300,000 kilowatt GCFR nuclear demonstration plant might look adjacent to a conventional coal or gas-fired generating station. The cylindrical structure on the right houses a prestressed concrete reactor vessel, 84 feet in diameter and 71 feet high, and contains the principal components of the nuclear steam supply system.

Breeder reactors have the unique capability of producing more nuclear fuel material than they consume. Because of this potential to

ENERGY EFFICIENT...

The heat pump a "Bright Star" although the idea has been around for some time now... there's a new interest in saving energy than ever before... people want to save money... they don't have to give up anything. With the heat pump, you can give up anything. The heat pump makes wise use of energy because it uses otherwise wasted heat and electricity to heat and cool your home. Electric heat, in any form, is a wise use of precious energy and the heat pump is today's star of the system... more than 100% efficient at the point of use — actually provides more energy than it uses. A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Someday, man may be able to predict, and even to control, the fury of the storm. But for now, violent storms remain an unpredictable threat to our homes and families. And the most dangerous time of the year lies just ahead.

Texas has been spared, so far, from the frightful toll of natural disaster. Neither tornadoes nor hurricanes have struck, although we have had some unusually heavy rainfall, flooding, and hail in some parts of the state. As the hurricane season approaches, your State Health Department reminds you to stay vigilant — the worst might be just ahead.

Any natural disaster is capable of causing unforeseeable numbers of victims, requiring immediate medical attention, food, and shelter. A natural disaster also can result in disease, unsanitary conditions, the disabling of public utilities, contamination of water supplies, and the disruption of medical services. Floods can produce a rapid buildup in the population of water-borne pests, such as mosquitoes, which aggravate the health hazards.

When a disaster strikes, the Health Department joins with other state and local agencies and organizations to fight back with efforts to restore affected areas to normalcy. State disaster headquarters is in a sub-basement at the Department of Public Safety in Austin, where a core of public officials coordinate disaster activities.

In the State Health Department, the Disaster Health Services Program of the Emergency Medical Services Division provides additional resources at the point of need. This is a part of the Texas plan for disaster health and medical care.

Seventeen disaster relief districts, each with a physician directing disaster medical care, are tied into a district Civil Defense Council which coordinates activities of state agencies with disaster functions. In case of disaster or severe threat — such as an impending hurricane along the coast, the Civil Defense Council is mobilized. Within each district are zones from which supplies and personnel requests emanate.

The State Health Department sends representatives of the Disaster Health Services Program to each disaster area to help coordinate activities of other health department personnel. In the case of hurricanes, program personnel are pre-positioned in cities along the Texas coast to await and plan for the expected arrival of the storm.

Always quick to arrive on the scene are engineers of the Sanitary Engineering Division whose primary function is checking water supplies. Investigators from the Food and Drugs Division check damaged food and drug products, and Communicable Disease Services Section personnel may be assigned, and local health departments put physicians, nurses, sanitarians and others on duty immediately.

Within minutes after a tornado dipped down into the heart of Lubbock the night of May 11, 1970, nurses and others picked their way through the rubble to check and salvage vaccines and get them to pre-planned emergency headquarters. A disaster health representative of the State Health Department was on the scene of the tragedy within two hours even though city telephones and electricity were knocked out and transportation disrupted.

The Corpus Christi-Nueces County Health Department had its personnel on duty when Celia slammed

into that city on Aug. 3 of the same year. The State Health Department was also there. The personal automobiles of two representatives of the Disaster Health Services Program, who were in Corpus Christi awaiting the storm, were severely damaged. In addition, district engineers and personnel from state headquarters were on the scene.

Equipment from a Packaged Disaster Hospital was set up in a church at Aransas Pass to provide needed medical equipment after Celia.

Just recently the Health Department took over the medical inventory of 101 Packaged Disaster Hospitals, similar to the one from which equipment was used during Celia.

A major disaster isn't the responsibility of one agency but demands the coordinated efforts of many to snap back after tragedy. During spring tornadoes which hit Burnet and Hubbard last year, for instance, the Texas National Guard responded quickly with trucks, personnel and helicopters. Representatives of the State Health Department were on the scene within an hour of notification, coordinating disaster health relief.

The State Health Department and its local and regional units have responded quickly and effectively in past disasters. With the resources and personnel at its command, it stands ready always to meet the future emergency needs of the citizens of Texas.

Bednarz Re-Elected SPEC Director

Attendance of more than 1,500 was reported at the 36th annual membership meeting of South Plains Electric Cooperative Sept. 10 in Municipal Coliseum at Lubbock.

Highlights were a report on 1973 operations and re-election of three directors. They are R. J. Burnett of Star Route, Hale Center; Edwin Merrell, Route 1, Shallowater; and Alex Bednarz, Route 1, Slaton.

The meeting was dedicated to the late O. F. (Bud) Kitten of the Slaton area, who died last June. He was president of the board at SPEC at that time, and has served as a director since 1958.

A business meeting followed a catered barbecue supper. Cartoon movies were shown to children during the business meeting. Musical entertainment

was by Cecil Caldwell and his four-piece western music combo.

Mel Cherry, Lorenzo area farmer, presided. He is president of the board of directors of the cooperative.

General manager W. G. Newton in his report said that although costs of electricity nationally have risen 28 percent, South Plains Electric Cooperative members have paid increased costs of only 16 percent. He pledged the co-op would hold the line for as low power costs as possible despite inflationary pressures.

Parents stimulate creativity when they provide their child with opportunities to experiment with and explore his environment.

Punt, Pass and Kick Contest Set Oct Oct

Local youngsters, between the ages of 8 and 13, will be competing on Saturday, Oct. 5, for one of 18 trophies in the first level of Punt, Pass and Kick competition. PP&K is an annual event, co-sponsored by the National Football League and the Ford Dealers of America.

Smith Ford is the local sponsor of the event, and applications can be obtained there until Oct. 4.

First, second and third place winners of Local competition in each of the six age groups will receive a trophy. Additional trophies will be awarded to the first place winner in the Zone, District, Area, Divisional and National finals.

Area, Division and National matches will be held in NFL team stadiums immediately preceding ac-

tual NFL games or during their halftime programs. Youngsters participating at these levels have a chance to meet some of the NFL players.

PP&K finals will be held at the National Football Conference championship game on December 29. Finalists will appear on national television and the winners in each age group will receive their trophies from Pete Rozelle, Commissioner of the National Football League.

Also, the names of the top winner in each age group will be enshrined in the Pro Football Hall of Fame at Canton, Ohio.

Any boy or girl (8-13) accompanied by a parent or guardian may register at any participating Ford dealership, where complete details and a free PP&K Tips

Book are available. More than 100,000 youngsters competed last year's PP&K, according to spokesmen. The number is expected to be even greater this year. According to Smith Ford, never entered event. Girls' competition of girl entrants steadily across. There is no in PP&K and equipment necessary others in the group and parent not impair an amateur stand-

Pest Control Pays

Texas, Frio in Southwest Texas, Pecos and Reeves in Far West Texas, and Hill and Ellis in North Central Texas. Producers in all but Frio County reaped higher net profits per acre, with the high being \$55.31 on irrigated cotton in the three-county area in South Texas. Profits were down in Frio County due to increased costs of a full-scale diapause boll weevil control program.

The three-year program under the direction of the Texas Agricultural Extension Service began in 1972 when 33,000 acres were included. However, the program did not get underway early enough in the season to get a sound economic assessment the first year.

Coordinator of the pest management program in Texas is Dr. Raymond Frisbie, Extension entomologist headquartered at Texas A&M University. The

program depends heavily on five county Extension entomologists plus some 28 field scouts who keep a close check on field conditions and insect populations during the cotton season.

"The main objective of the pest management program is to reduce production costs while maintaining optimum yields," points out the entomologist. "Pest management is integrated into the total production program and includes such things as planting early, taking full advantage of beneficial insect populations, careful timing of insecticide applications when pest numbers and economic damage indicate the need, and destroying crop residue."

According to Frisbie, the pest management program revolves around the county Extension entomologists and the field scouts. "These are

the people on the scene and in the fields. They assess pest numbers and damage along with the number of beneficial insects and the growth stages of the cotton crop. Then they evaluate the situation and discuss it with the growers as to whether or not control measures should be taken."

Frisbie points out that an important part of the program involves a close working relationship between growers and the county entomologists and field scouts. "Each must have confidence in and be dependent on the other. And that's the type of situation that exists in the pilot areas. Everyone is working together to produce the best cotton crop possible."

"It's got to be the way to go if producers are going to keep pace with inflation and keep pace with inflation and spiraling production costs,"

Accidents Investigated

The Texas Highway Patrol investigated 47 accidents on rural highways in Lubbock County during the month of August, 1974, according to Sgt. O. C. Guthrie, Highway Patrol supervisor of this area.

These crashes resulted in three persons killed and 36 persons injured.

The rural traffic accident summary for this county during the first eight months of 1974 shows a total of 290 accidents resulting in 17 persons killed and 190 persons injured.

contends Frisbie.

The cotton pest management program is supported by funds from the producers themselves as well as from the U. S. Department of Agriculture and the Extension Service.

Cooper FFA Prepares For Annual Crop Fair

The Cooper chapter of Future Farmers of America (FFA) is again sponsoring the annual Crop Fair, set this year for Sept. 20 from 10 a.m. until 8 p.m.

The FFA chapter is anticipating over 400 entries and 60 exhibitors. Judges for the fair will be Clifford Robertson and Jessie Johnson.

The Cooper FFA supplies almost 50 per cent of all entries in the fair. Several dollars in premiums will be awarded to boys placing

first through third.

Those placing first through fifth will receive ribbons, and these and other entries will be sent to the South Plains Fair in Lubbock.

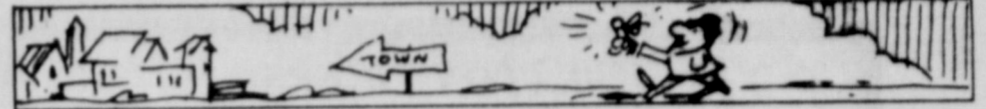

A number of shop projects will be entered this year. Those exhibiting will be Jimmy Kahlich, Jimmy Smith, Jon Fehleison, Robbie Buxkemper and Randy Holloway.

Exhibiting woodworking projects will be Jim Barnett, David Cash, Randy Dunn,

Dale Schaffner, Joel Green and Dennis Pate.

One of the most popular entries is the educational exhibit booth, which will be on sunflowers this year. Boys from the Ag IV class have researched the subject and designed the sign.

The Cooper FFA has repeatedly placed high in the fair, and this year they are striving to maintain their winning tradition.

In England, it has been said that if you tie a string around your little finger when you go to town, you will receive a gift.

This week's winners:

FIRST & SECOND, TIE:
GERON STRICKLIN
1025 S. 20th
MAXINE DOWIS
335 S. 12th

THIRD:
CHARLES MILLER
Rt. 1, Lubbock

\$10 1st PRIZE

\$5 2nd PRIZE

\$2 3rd PRIZE

\$25 JACKPOT PERFECT

RULES OF THE GAME:

- ★ Teams playing in this week's contest games are listed in the ads and are numbered 1 through 52. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- ★ Be sure to guess total score on the "tie breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.
- ★ Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 5 p.m. Friday before the games are played. Only one entry per person; all persons 12 years old or older eligible except Slatonite employees and their families. Each entrant eligible for one prize, and prize money must be picked up at the Slatonite office by 5 p.m. on Monday after the winners are announced Thursday. No two members of the same immediate family and living at the same residence may win prizes the same week.
