Slaton Can Obtain New Motel With Loan From Local Citizens

A loan of \$50,000 or \$60,000 is needed from the citizens of this community so that construction of the El Lora Motel can be started. The appeal for the loan is being made by the Chamber of Commerce in the hopes that Slaton can eventually have a modern first rate motel.

The money will be loaned as a first lien mortgage against the motel at six per cent interest. The motel is expected to cost \$115,000. When finished the 20-unit tourist court would offer a stopping place in the community for tourists and salesmen.

Various ways and means of financing the proposed El Lora motel in Slaton were discussed at a meeting of interested residents in the offices of the Chamber of Commerce, April 20.

Lubbock attorney Roy Bass, who presided over the meeting, explained that Mrs. Electa Williams has been unable to obtain a large enough loan to handle the construction alone.

The group discussed the feasibility of selling common stock, and preferred stock or whether to form a loan setup within the community. The decision was to go ahead with the loan setup under which a group of townpeople will go together and make the loan through their combined efforts.

The Chamber of Commerce plans to make individual solicitations over the town in an effort to raise the necessary amount of money. Interested persons can contact Mrs. R. D. Bisbee, secretary-manager of the Chamber for further information.

Jaycees Report Sale of 21 Ball Park Signs

Phil Brewer, chairman of the Jaycee sign selling committee, told the members of the organization Monday night that 21 signs had been sold on the fence at Pony League Park. "We have set a goal of 40 signs to be sold and that is the mark we hope to attain before we finish," he stated.

The signs sell for \$35 each and with the baseball season expected to begin May 26 only a limited time is left for merchants to purchase their signs. "We will continue to contact Slaton businessmen and offer them the advertising space on the fence."

Bobby Edmondson, chairman of the painting committee, reported that repair work to the stands is nearing completion and the committee is about ready to begin painting.

The charter banquet is now tentatively set for May 11 at 8 p. m. in the Clubhouse. Several state Junior Chamber of Commerce officials are expected to be present for the banquet, at which the club's charter will be formally presented. Wives of the local members will be honored at the event.

Don Crow, state director for the Slaton Jaycees, gave a report on the state convention which was held in Brownsville, April 18 to 21.

Dr. Chester Crow

First Christian Supper to Host State Secretary

Dr. Chester Crow of Ft. Worth will be the featured speaker at a covered-dish supper at the First Christian Church, Thursday, May 3, at 7 p. m. Dr. Crow has served since 1953 as Executive Secretary of the Texas Board of Christian Churches.

He is a native of Austin, and a graduate of Texas Christian University and Brite College of the Bible, Ft. Worth. He served for a number of years as minister of the Hyde Park Christian Church in Austin.

Later he served as director of Religious Education for Texas Christian Churches and while in this capacity he helped to provide a program of leadership training for church workers, a summer camping program for young people, and the placing of directors of religious education in local churches.

His duties as Executive Secretary include directing or the organization of new churches, providing evangelistic programs for the churches, and maintaining a counseling service for the churches.

All members and friends of the First Christian Church are invited to hear Dr. Crow, according to the Rev. Edwin Gorom, pastor of the local church.

Mason Fish Fry Honors Past Masters of Lodge

Past Master's Night at the Slaton Masonic Lodge No. 1094 brought together 14 of the lodge's Past Masters for the evening's festivities, which included a fish fry and ceremonies in which a Master's Degree was conferred.

An annual meeting, the special event is held each year to honor those men who have served the local lodge as Past Masters. The fish fry consisted of Red Snapper which B. H. Bollinger obtained while on a recent fishing trip to the coast. There were 81 persons registered at the meeting.

Following the fry a Master Mason's Degree was conferred on Clifford E. Jones. Conferring officer was Curtis Dowell, one of the Past Masters present.

Past Masters who attended included B. H. Bollinger, W. V. Crews, W. K. Brown, T. A. Worley, B. B. Castleberry, L. B. Hagerman, R. M. Shepard, J. L. Benton, J. H. Gordon, Dowell, T. R. Hendrix, C. D. Berry, J. B. Butler, and S. A. Peavy.

Joint Control

The observation corps works under the joint control of civil authorities and the United States Air Force. Under the set-up as it would work here, if an unidentified plane was spotted the local post would call the "filter center" at Dallas and report it. The filter center would then relay the information on to a direction center. The direction center would take the combined reports of the filter center and the reports which would be coming in over the early warning radar stations and notify the appropriate fighter-interceptor bases.

The bases would launch fighter aircraft to the scene for the kill should the plane prove to be enemy.

Social Security Matters To Be Discussed Here At City Hall May 4

A representative of the Social Security Administration will be in Slaton on May 4, at 9 a. m. in the Red Cross room of City Hall, to discuss matters pertaining to social security.

Daniels Named as Supervisor of Local Ground Observer Post

If in the near future you notice many of Slaton's residents walking about the streets with their heads bent back, staring up at the sky, don't be alarmed—they will probably only be members of the local ground observer post soon to be organized here in conjunction with a nation-wide civil defense program.

The local observer post will be organized under the direction of police chief Bill Daniels who has been designated post supervisor by A. F. O'Brien, county supervisor of the ground observer corp.

Slaton's post will be conducted by telephone to a filter center at Dallas and all reports of aircraft which fly over the community will be reported to the center.

The first step in organizing the post locally is to get enough volunteers to man the post. "We need all the volunteer help we can get and I would like to urge any interested person to call me either at 314, which is my home or at the police station, 402," Daniels stated. "If we could get enough people to come out, no one would have to work at the post for a long period."

Few Hours Each Month "It is possible that we could work it so each observer would only have to serve a few hours each month."

A time and place for an instructional meeting will be set when enough people have contacted Daniels to man a post. One of the items to be taken up at the meeting will be the location of the post for the local unit.

Long-Range Aircraft As the development of the fast, long-range aircraft progresses the possibility of an air-borne attack on the United States becomes more

TO ALL CONCERNED:

In the interest of the comfort and style of Slaton men and boys that have suffered through cold weather and dust storms that demanded a heavier chapeau, it is hereby proclaimed that Saturday, April 28, shall officially be Straw Hat Day in Slaton, Texas.

With the mild South Plains spring weather that has been prevailing, it is decreed that townspeople found thereafter wearing other types of headgear shall be considered out-of-season and out-of-taste.

Witness my hand at this, the beginning of Straw Hat Season.

Tracy Crawford Takes First Place In Interscholastic League Contests

Tracy Crawford, Slaton's entry in the conference A poetry contests, took first place in the Interscholastic League contests at Texas Tech Saturday.

Crawford was the only Slaton entrant to bring home a first place though two other Slaton students, Jackie Shepard and Dal Stanley took fourth and sixth places respectively in League contests.

Shepard won his fourth place in declamation and Stanley took sixth place in slide rule competition.

Other Slaton students in the contests were Billy Earl Caldwell, slide rule; Dickie Thomas, track; and Wendall Akin and Beverly Bland, both in journalism.

By virtue of his win in the regional meet Crawford will go on to the State Interscholastic League meet at Austin May 3-5.

Police Report 46 Arrests In City In Past Few Weeks

Slaton's police department under the guidance of police chief Bill Daniels reported that up to Wednesday of this week 46 persons had been jailed in the department's move to curb bottlegging operations in the city. Several of the arrests have come about as a result of raids on different establishments in the local flats.

The arrests have been made on charges ranging from drunkenness and drinking after hours to vagrancy, according to Daniels.

About 20 tickets for traffic violations have also been issued in the city during the past few weeks. A total of \$1173 in fines has been assessed by the Slaton department since the arrival of Daniels.

No wrecks were reported in the city during the last week, and one break-in that occurred earlier in the week is under investigation.

Troop 29 Scouts Engage In Conservation Work

Several members of Boy Scout Troop 29 of Slaton journeyed to Camp Post last Saturday to engage in conservation work on trees which the troop planted two or three years ago.

Court of Honor Will Recognize Troop 29 Scouts

Boy Scout Troop 29 made plans in a recent meeting, at which 18 boys were present, for a court of honor to be held at the American Legion Hall Friday, April 27 at 7:30 p. m.

About 10 Tenderfoot badges will be presented at the meeting and each boy present will receive a registration card. The court of honor is a popular event among scouts as it is a time set aside to recognize boys for individual advancement.

"We would like to urge and encourage all parents of boys in the troop and anyone who is interested in scouting to attend the court of honor and help us honor these boys for their advancement," scoutmaster Charles Marriott stated.

Slaton Band to Play Over Levelland Radio Station Saturday

Slaton listeners are in for a pleasant surprise Saturday, April 28 at 4 p. m. when the Slaton High School band will play over radio station KLVT in Levelland. The local band will be one of 19 bands which will play throughout the day from 8 a. m. to 6:30 p. m., except for the hour between 12 noon and 1 p. m.

The band will be in Levelland taking part in the Region One Instrumental Festival, which is a part of the Interscholastic League competition.

The bands will play in the High School auditorium in Levelland and will broadcast over the air by the local radio station.

Local listeners can find KLVT at 1230 on their radio dials.

Seniors to Play Final Basketball

Those who are interested in Slaton's basketball future will be planning to attend the games at the local gym on Friday, May 11, beginning at 6 p. m.

At that time members of next year's high school teams, both the boys and girls, will play the graduating seniors of this year's teams. Also those who are graduating from junior high will play those who will be on the junior high team another year.

Admission will be 25c and 50c with all proceeds used to help defray expenses on the senior trip.

Commission Grants Five Cent Rate Increase On Pay Phones

J. C. Oakley, Southwestern Bell Telephone group manager from Plainview, appeared before the City Commission Monday night to request a change in rates for pay phone stations. The commission granted the request.

Ex-Lubbock Mayor Murrell R. Tripp will be guest speaker at the City Employees banquet which will be held at the Clubhouse May 7. A continuation of an annual program, which was begun last year, the banquet will be highlighted by the presentation of service pins to various employees.

The change in rates will be state-wide and all pay stations in the state will be changed over at the same time he told the group. The five cent increase in rates will raise the pay station calls to 10 cents.

Oakley told the commissioners that the telephone company has set September 29 as the date for the change to the dial system in the city.

Ex-Lubbock Mayor Murrell R. Tripp will be guest speaker at the City Employees banquet which will be held at the Clubhouse May 7. A continuation of an annual program, which was begun last year, the banquet will be highlighted by the presentation of service pins to various employees.

Daniels Reports Police Chief Bill Daniels re-

ported to the commission that another employee had been added to the department. She is Mrs. Hubert Taylor and her duties will include the operation of the police two-way radio as well as keeping books, records, and working up reports for the department. Mrs. Taylor is a 1930 graduate of Slaton High School and a long-time resident of the Slaton area.

In other business the commissioners voted to purchase window shades for the fire department and also to hire a caretaker for the city dumping grounds.

Slaton Men's Banquet to Feature Lubbock Pastor Dr. Chess Lovern

Dr. Chess Lovern, pastor of the First Methodist Church of Lubbock, will be guest speaker at the Slaton Men's Banquet Monday at 7:30 p. m. The banquet will be held in Fellowship Hall of the First Methodist Church in Slaton.

The banquet is one of four which are held each year and this particular event has been designated as the first of an annual athletic dinner. Guests will include members of the 1955-56 Tiger football and basketball squads.

Dr. Lovern was born and reared in Georgia and attended Southern Methodist University on an athletic scholarship, playing both football and basketball. He received his bachelor of arts degree from SMU in 1933 and his bachelor of divinity in 1935 from the same college.

Following his graduation he joined the conference of Methodist Churches. In 1941 he was awarded an honorary doctor's degree of divinity at Southwestern University.

He spent 11 years working for the church in the Rio Grande Valley, and was pastor of the Laurel

Dr. Chess Lovern

Heights Methodist Church in San Antonio for five years.

He has served as pastor of the Lubbock church for the past two years.

Tickets may be purchased from W. A. Wilke, A. C. Burk, or the Rev. J. B. Sharp at \$1.25 each.

CHECKS TOTALING \$92,422.07 PASSED OUT AT CO-OP MEETING

Checks totaling \$92,422.07 were given out at the annual meeting of the Slaton Cooperative Gin Company Tuesday afternoon at Slaton Clubhouse.

Included in the checks was \$13,125.32 in preferred stock that was retired and \$73,296.75 in dividends for the past year, announced J. E. Gray, manager of the gin. A condensed financial statement was passed out to about 100 patrons that were present. The statement showed that from all operations of the company including ginning, \$6.97 per bale was returned to the patrons.

C. F. Austin, president of the board of directors, presided at the meeting held at 3 o'clock Tuesday. Visitors that were given recognition were John Gregg of the National Cotton Council; Otho Geith, Coop Oil Mill, Lubbock; Tom Brown, Coop Compress, Lubbock; Dan Davis, Coop Mill, Lubbock; Francis Perry, publisher of The

Slatonite; Bob Cooper, Coop Specialist of the Extension Service.

Lee Davenport, auditor, with the Edwin E. Merriman & Co., Lubbock, gave a complete financial report for the year.

Ray Kitten and Grady Haliburton were re-elected directors for another term. The meeting ended after Jay Gray passed out the dividend checks.

Apple pie a la mode with coffee and ice tea were served to the group.

Lubbock Associate Pastor To Preach Sunday Services At Presbyterian Church

The Rev. David Moore, associate pastor of the First Presbyterian Church of Lubbock, will preach at the morning worship service at the First Presbyterian Church of Slaton Sunday. The service will begin at 11 a. m. according to Mrs. Clifford Simmons, church reporter.

Conoco Geophysical Crew Moves Here From Midland

Twenty-one members of a Conoco Geophysical crew have moved into the city and have been settled in apartments, rooms, trailer courts, and rent houses located for them by the Chamber of Commerce. The crew moved here from Andrews where they reportedly have been working for the past two years.

They are the second group of oil field workers and their families which have recently come to Slaton following an announcement that 18 wells are to be drilled in the vicinity in the near future. About 17 families connected with Great Western Drilling Company of Midland, had earlier moved here.

Mrs. R. D. Bisbee, secretary-manager of the Chamber of Commerce stated that listings of housing and trailer space would be welcomed by the Chamber. It is rumored that another company will soon be moving its crews into the city and more living quarters will be needed if the rumor becomes fact.

At least one well, the E. R. Legg No. 1, has already been completed in the area and is producing oil at a depth of about 4200 feet. At last report a second well, the Ray Cook No. 1, was being drilled on the Ray Cook farm, located about five miles south and three miles east of Slaton in Lynn County. Great Western Drilling Company is doing the drilling in the area.

Slaton Hardware Entered; Four Pistols Taken

Following an unsuccessful attempt to enter Walton Drug through a rear window, a burglar broke into Slaton Hardware Store through the front door, sometime during the early hours of Monday morning.

Taken from the hardware store were four pistols, a Co2 pellet gun, three pocket knives, and \$5.38 in change, according to the proprietor John Schmidt.

The thief, according to local police, broke a small rear window in Walton Drug only to find it barred. He evidently cut his hand or arm while breaking the window because he left a trail of blood from the alley behind the drug store to the front door of the hardware store.

About a fourth of the plate glass door was broken in. The glass display case which was broken open. The case, according to Schmidt, contained a 25 cal. pistol, a 32 cal. pistol, a 22 cal. automatic, and the pellet gun.

The time is not too far away when the residents of Slaton will have the opportunity to insert a finger in one of the dials that are already on most of the phones in the community and give it a spin.

According to J. C. Oakley, Southwestern Bell group manager from Plainview, September 29 has been set as the date for the dial change-over in Slaton. The change will be made at 12:01 a. m., at a time when the nation-wide network is the least busy.

New Directory A new directory will be out about September 15, Oakley stated, so that phone users will have the opportunity to familiarize themselves with the change.

Slaton's new numbers will consist of Valley Eight and four digits or as an example VA 8-1234. To dial the prefix Valley, the phone user will dial 8.2 and then the number which follows Valley.

All but about 150 of Slaton's telephones have already been equipped with dials and the rest will be changed in the near future.

Western Electric Crew A 20-man Western Electric crew will move into the city about the first week in July to begin the work of making the change over.

Western Electric is the company which manufactures the equipment for Southwestern Bell Telephone Company. After the crew has completed the installation, various and sundry tests will be run to be sure that it is in perfect working order.

When they are satisfied that everything is in top shape, the telephone company will take over operation of the new setup.

An open house at the telephone office will be held here October 24, 25, and 26 to enable local people to see at first hand the plant and facilities.

Prior to the open house and after the old equipment has been moved out the local business office will be completely remodeled, Oakley said.

\$1 Rate Increase The local business phone rate will increase from \$8 to \$9, one party lines will increase from \$4 to \$5, two party lines will increase from \$3.50 to \$4, and extension phones will remain the same, \$1.50 for businesses and \$1 for residences.

YOUTH HOLDS COURT

A new phase of the campaign of teaching motorists safe driving habits has begun among adolescents. This is a youth traffic court. These are found in several cities such as Tulsa, Oklahoma, and Wichita, Kansas, and are now appearing in smaller communities such as Ponca City, Oklahoma, which has a population of 20,185.

Officials of the courts are elected by fellow students. Their positions are coveted, for only youngsters with reputations for good driving can hope to win such an election. Cases against teen-age drivers are heard and those found guilty are "sentenced" to attend sessions of a special driving school, or to write a theme on a safety subject.

The chief value stressed is the educational value. Attending a driving school, or doing the necessary research for a 3,000-word essay teaches a driver by making him think.

Youth courts have full legal power over the cases they try. If a young driver defies its orders, his case is handed over to the municipal court for trial where sentencing is often severe.

For teaching road safety, these courts appear to be of considerable value. Since they do not involve a large expenditure of money, they can be established in any community interested in promoting safety among young drivers.

NEW OIL FROM COAL

An interesting example of the wonders achieved by modern technology may be found today in South Africa, where oil is being extracted from coal.

This is no experiment, nor is it a laboratory process. A plant is actually in operation and when it reaches full production it will turn out 4,500,000 gallons of oil monthly, producing enough gasoline to supply one-sixth of South Africa's needs.

Plans are already being made to double the plant's capacity, at which point it will provide one-third of national consumption. The new coal oil, we are told, has a different chemical formula from the old. It is not coal oil at all in the old sense.

The outcome of this operation is being closely watched by all countries whose coal is plentiful. The chief drawback today is the cost of the plant which has already exceeded \$80,000,000. Yet experience gained by American, British, South African, German, Norwegian and Dutch engineers who have observed the project will bring down the cost of building similar plants. Sale of by-products, such as ammonium sulphate, tar, paraffin waxes, is expected to reduce operational costs somewhat.

The prospects opened up by this technological advance are exciting. In an era when oil can be squeezed from coal, nothing seems impossible. Eventually man may be able to produce the most precious metals by artificial processes. Those old guys who thought metals could be "transmuted" had an idea which refuses to die. As for the new coal oil, it seems to be here. And a new transmutation may be in the wind.

CHARGES FALSE

Vern Sanford, manager of the Texas Press Association, was indicted by a grand jury in Waco last week, on charges that he violated the Texas Election Code.

Sanford was indicted in connection with the placing of advertising with Texas newspapers during the lieutenant governor's race in 1954.

Could it be these charges, brought by C. T. Johnson, who lost in the 1954 election, are based on political bitterness?

There is no question in the minds of Texas newspapermen, who know, respect and trust Sanford, of the complete falsity of the charges that he violated any election code.

Sanford's part in the election in question was a difficult and yet uncomplex one. He acted as an agent for the hundreds of newspapers of Texas, in accepting advertising orders on behalf of the papers he represents. This in no way involved him in the representation of any candidate.

If these charges stand up—the precedent established will be that only the publisher of a newspaper and none of his employees would be permitted to accept political advertising. For Sanford is in fact, an employee of the organized newspapers of Texas, and it was in this capacity that he accepted and distributed advertising for various candidates to the newspapers of Texas.

We trust that Sanford will be promptly cleared of the charges against him, and the name of the Texas Press Association freed of blame. —The Alice News.

Helping Others to Find Jesus

Rev. Malcolm E. Hoffman

One day an angel told Philip to go into a desert place. Philip went as the Lord wanted him to, although he probably wondered what good he could do in such a place where no people lived. Out there in the desert he saw a black man from a country in Africa riding in a chariot, and he was reading. This black man happened to be a great man in his country. He had been to Jerusalem to worship God and to learn more about Him.

Now, on his way home, he was reading a Book of God that had been written by one of God's prophets hundreds of years before Jesus was born. And this prophet had already away back there written about Jesus who was to come as a little babe to the earth, taken like a lamb and be killed as a sacrifice for His people's sins. But the black man did not yet know Jesus and he could not understand this Book. So he asked Philip whom the prophet meant by this lamb, himself or some other man.

Philip then took the Book of God and explained how Jesus had come into the world and how He had to die for the sins of all the people in the world, and how the people who believe in Him have their sins forgiven and become God's dear children. The black man now understood and he was very happy to believe in Jesus. When they came to a pool of water by the roadside, Philip baptized him, and the man drove home rejoicing. He had found a new treasure to keep, which was better than money or gold or precious stones. Jesus was his new treasure. How faithfully he must have kept Jesus in his heart after that, and how hap-

py he must have been to bring Jesus to his neighbors and friends in his own country when he reached home again.

There are still millions of people in that black man's country who have never heard of Jesus. There are millions of white people in our own country, some perhaps very near us, who do not really know that Jesus is their Savior, and that He will bless them and make them God's children, if they will come to Him and believe in Him. We who know Jesus can go to them and tell them about Him. The black man found Jesus in the Book of God. We can invite people to our churches where the Book of God is explained, so that they too may find Jesus.

Slaton Students Win 18 Ribbons At District Meet

Junior High and West Ward Elementary School students took 18 ribbons at the District Interscholastic League contests at Floydada, April 13. Teams from the two schools were accompanied on the trip by J. D. Perkins, Junior High principal; Mrs. M. G. Davis, Junior High; and Mrs. C. H. Nobles, West Ward.

The district meet represents the top of the ladder in interscholastic competition for students of Junior High and elementary levels. Students in the High School levels can go on to regional and state competition.

Students and the places they won are as follows: number sense, James Cole, second; seventh and eighth grade spelling, James Cole, second and Cherie Arrants, second; fifth and sixth grade spelling, Mary Elliot, second, and Janice Hill, second; ready writing, John Dodson, second, and Karen Henry, second; second grade story telling, Linda Longtin, second; picture memory, Mary Ruth Green, Thelma Kidd, Kathy Claiborne, Michael Slone, Kathleen Brown, Kay Stell, and Linda Isbell, all fourth grade students, and fifth grade student, Lundie Roche, first place.

In the track meet held in conjunction with the Interscholastic League contests a Junior High team composed of Randy Sanders, Moses Diaz, Charlie White, and Jerry Hayden, took a fourth place in the 440-yd relay. Diaz won second place in chinning contests at the meet.

Manuel Gomez Jr., a long time resident of Slaton, is now undergoing plastic surgery in the John Sealy Hospital at Galveston.

Richard Perry of Sandia Base in Albuquerque, N. Mex. spent the week end with his parents, Mr. and Mrs. Francis Perry. Richard's guests from the base were Robert W. Schmitt of North Arlington, N. J. and Richard H. Reister of Bedford, Ind.

Mrs. F. L. Elterman and Jordan returned home last Thursday from a visit with her sister, Mrs. Louis Blanco, and son, Grant, in Phoenix, Ariz. They were gone 11 days.

THE "MYSTERY FARM" OF THE WEEK is operated by Jiggs Swann and is located about seven miles northwest of Wilson. He and his family have lived on the farm for about 16 years.

Mrs. A. L. Wilson of Plainview visited Monday with Mrs. L. O. Lambert. Monday afternoon they visited with Mrs. Wilson's sister in Post.

Mr. and Mrs. Joe S. Walker visited Mr. Walker's mother, Mrs. W. O. Walker, who is ill in the hospital in Ranger. They were gone four days last week.

Mr. and Mrs. C. Hotaling of Lubbock visited Sunday with Mr. and Mrs. S. W. Clark and family. Mrs. Hotaling is Mr. Clark's sister.

Mr. and Mrs. B. H. Bollinger spent the week end at Conchas Lake in New Mexico on a fishing trip. They also visited with Mr. Bollinger's brother, R. L. Bollinger, in Portales, N. Mex. and his nephew, Johnny Bollinger, in Tucumcari, N. Mex.

Mr. and Mrs. Cecil Self, Marvin and Carol visiting during the week end with Mr. and Mrs. Jimmie Watkins and Dan in San Angelo.

"Campus Corner"

By Beverly Bland

Banquet time is here again! With every spring comes the time for the junior-senior banquet and there is only a hop and a skip from then until summer vacation.

About this time of the year everyone gets all excited over the school events, especially the seniors when it gets time for the annual senior trip.

The banquet was a very colorful sight with all the young ladies dressed in colorful spring formal, nets, laces, and bright printed cottons. They were each seen Tuesday night with their neatly dressed escorts. The Caprock Hotel in Lubbock was where the elegant occasion took place. The theme of the banquet was the "Candy Land Special."

The junior high choral group presented the assembly for Wednesday at Slaton High School. The band will journey to Leveland Saturday to compete in a band contest.

Wilson Man Runs This Week's "Mystery Farm"

The "Mystery Farm" which appeared in last week's issue of The Slatonite is owned by Pat Swann and is operated by his son Jiggs. The farm is located about seven miles northwest of Wilson and is irrigated by five wells, ranging in size from six to eight inches.

Jiggs Swann has lived on the 563 acre farm for about 16 years. He and his wife, the former Mara McGlaut, are graduates of Wilson High School. The couple has two children, Tommy and Karen, both of whom attend school in the Wilson school.

He was voted as the Outstanding Farmer of Lynn County in 1954. The couple are members of the Wilson Baptist Church. He is a member of the farm bureau.

Cotton and grain sorghum are the two chief products raised on the farm.

Career Day Held For SHS Seniors

Monday, April 16, was career day for the seniors in SHS. This was the first of such an attempt to orientate the seniors to the next step in life—getting a job, choosing an occupation, or choosing a professional career.

The senior activities began at 11 a. m. when members of the Armed Services talked to the group about a military career and their obligation to the draft.

In the afternoon beginning at 1 p. m. the following people gave talks and answered questions about jobs and job opportunities: W. A. J. Carter, superintendent of the P&S Railroad; H. N. Robert, professional engineer for the State of Texas; Miss Lucille Hvass, registered nurse from the Lubbock Methodist Hospital; Clark Self, who is a local merchant; and H. T. Swanner, president of the local bank.

MEET THE NEW BOSS in the Performance Department!

Come in and Drive the Surprise Car of the Year!

The word's getting around fast—the big, handsome husky you see here is the big surprise that caught the industry a year or so off balance! But it didn't come as any surprise to Pontiac engineers that they had the year's performance sensation.

They knew all along that it would be, because they started from scratch and designed the most modern and efficient high-compression, high-torque V-8 engine in America!

Then they tailored an all-new Strato-Flight Hydra-Matic* especially for Pontiac's high-stepping Strato-Streak power plant—and for nothing else! The blazing action of 227 horses is yours in a flash with the positive, no-lag action of gears—plus an amazing liquid coupling for a smooth, uninterrupted flow of power to the wheels.

Bring yourself up to date—come in and pilot the surprise car of the year—you'll soon see what the talk's all about!

And don't be afraid to ask about price, for that's another pleasant surprise—the one that will let you boss the best on the road for a great deal less than you probably think! *An extra-cost option.

The car says 60 and the price won't stop you!

Slaton Scouters Eligible to Attend Annual Banquet

Scout and cub officials from the Slaton area are eligible to attend the 30th annual banquet of the South Plains Council, Boy Scouts of America, Thursday, May 10. The banquet will be held in the First Methodist Church of Lubbock at 7 p. m.

Among those attending will be the institutional representatives and their wives from the 20-county

area, all of the officers of the council, members of the district committees, and unit leaders and their wives.

Highlight of the program will be the awarding of scouting's highest recognition to volunteer scouters, the Silver Beaver Award. The South Plains Council awards three each year.

Tickets may be purchased in the council headquarters office in Lubbock for \$1.50. Reservations should be made by May 5. The address is Boy Scouts of America, box 3055, Lubbock.

The footprints on Adam's Peak in Ceylon, India are attributed to Adam, who stood there 1,000 years on one foot mourning his expulsion from Paradise.

First Christian Church Schedules Evangelistic Services May 8-16

Evangelistic services have been scheduled for First Christian Church, Slaton, May 8 through 16. Services will be conducted nightly, except Saturday, at 7:45. The Rev. Edwin Gorom is pastor of the church.

Directing the revival will be the Rev. and Mrs. L. C. Reece, national evangelistic team of Christian Churches. The Rev. Mr. Reece will preach and lead congregational singing. Mrs. Reece will direct children's activities and evangelistic calling.

The Rev. Mr. Reece formerly served as minister of the Southside Christian Church of San Antonio. Under his leadership, the church won wide recognition through its evangelistic and stewardship achievements.

Farm Road Right-of-Way Meeting Cancelled

A meeting of landowners scheduled Wednesday night at the Clubhouse to discuss the construction of a new farm-to-market road by the state highway department was called off when none of the landowners showed up.

The meeting was planned for those people who live on the farm road which runs from the edge of town, out Division St., to where it intersects Farm Road 41, a distance of four and a half miles.

The purpose of the meeting was for the farmers along the road to form their own organization to obtain the right-of-way for the state to build a new farm-to-market road to replace the existing one.

No action was taken at the meeting. Included among those present were County Commissioner George Green, Mrs. R. D. Bisbee, secretary-manager of the Chamber of Commerce and Bruce Pember, chairman of the C. of C. highway committee.

New School Bus Added to Local School Officials

A new 48 passenger school bus has been added to the local school district's facilities according to P. L. Vardy Jr., superintendent of schools. The bus was delivered to Austin where it was picked up earlier this week and driven to Slaton. Bus foreman Carl Lewis went to Austin to get the bus and return it here.

Bird Watching Theme of Cub Pack Meeting

Cub Pack 128 will hold its monthly meeting at the Clubhouse Tuesday, May 1, at which time about 10 or 12 awards will be presented to cubs who have done work toward advancement in rank.

For the past month the boys have been building bird houses and studying the habits of birds in preparation for the theme of the meeting which is Bird Watching.

A spokesman for the organization said that about 100 to 120 parents and cubs were expected at the meeting. Clifford Jones is cub master for Pack 128.

Slaton Scouters Eligible to Attend Annual Banquet

Scout and cub officials from the Slaton area are eligible to attend the 30th annual banquet of the South Plains Council, Boy Scouts of America, Thursday, May 10. The banquet will be held in the First Methodist Church of Lubbock at 8 p. m. Among those attending will be institutional representatives and their wives from the 20-county

area, all of the officers of the council, members of the district committees, and unit leaders and their wives.

Highlight of the program will be the awarding of scouting's highest recognition to volunteer scouters, the Silver Beaver Award. The South Plains Council awards three each year.

Tickets may be purchased in the council headquarters office in Lubbock for \$1.50. Reservations should be made by May 5. The address is Boy Scouts of America, box 3055, Lubbock.

The footprints on Adam's Peak in Ceylon, India are attributed to Adam, who stood there 1,000 years on one foot mourning his expulsion from Paradise.

First Christian Church Schedules Evangelistic Services May 8-16

Evangelistic services have been scheduled for First Christian Church, Slaton, May 8 through 16. Services will be conducted nightly, except Saturday, at 7:45. The Rev. Edwin Gorom is pastor of the church.

Directing the revival will be the Rev. and Mrs. L. C. Reece, national evangelistic team of Christian Churches. The Rev. Mr. Reece will preach and lead congregational singing. Mrs. Reece will direct children's activities and evangelistic calling.

The Rev. Mr. Reece formerly served as minister of the Southside Christian Church of San Antonio. Under his leadership, the church won wide recognition through its evangelistic and stewardship achievements.

Farm Road Right-of-Way Meeting Cancelled

A meeting of landowners scheduled Wednesday night at the Clubhouse to discuss the construction of a new farm-to-market road by the state highway department was called off when none of the landowners showed up.

The meeting was planned for those people who live on the farm road which runs from the edge of town, out Division St., to where it intersects Farm Road #1, a distance of four and a half miles.

The purpose of the meeting was for the farmers along the road to form their own organization to obtain the right-of-way for the state to build a new farm-to-market road to replace the existing one.

No action was taken at the meeting. Included among those present were County Commissioner George Green, Mrs. R. D. Bisbee, secretary-manager of the Chamber of Commerce and Bruce Pember, chairman of the C. of C. highway committee.

New School Bus Added to Local School Officials

A new 48 passenger school bus has been added to the local school district's facilities according to P. L. Vardy Jr., superintendent of schools. The bus was delivered to Austin where it was picked up earlier this week and driven to Slaton. Bus foreman Carl Lewis went to Austin to get the bus and return it here.

Bird Watching Theme of Cub Pack Meeting

Cub Pack 128 will hold its monthly meeting at the Clubhouse Tuesday, May 1, at which time about 10 or 12 awards will be presented to cubs who have done work toward advancement in rank.

For the past month the boys have been building bird houses and studying the habits of birds in preparation for the theme of the meeting which is Bird Watching.

A spokesman for the organization said that about 100 to 120 parents and cubs were expected at the meeting. Clifford Jones is cub master for Pack 128.

Two merchants were talking, "If the farmers around here don't make a crop, I am going to have to rob a bank." The other observed, "If they don't, I've already robbed one."

Even if you can't take it with you, it can sure brighten up the port of embarkation.

Of early spring flowers I take a wry view. Their coming reminds me That taxes are due! And 'tho I admit They brighten the scenery, Their foliage reflects My own loss of greenery.

All you have to do to ruin a perfect day is to calculate how much of your income went to Uncle Sam.

The word tax comes from the Latin word "taxare" which means to touch sharply. Make your own wisecrack from that.

**Federal Fund
Use in States
Held a Peril**

Pumping federal funds into so-called depressed areas could easily create an economic "Jack-and-the-Beanstalk," with no assurance that the giant would be killed in the end, the National Association of Manufacturers holds.

In a statement filed with a subcommittee of the Senate Committee on Labor and Public Welfare, the NAM questioned the need for enactment of S. 2663 which would authorize loans or grants up to \$200,000,000 of federal funds.

Toward Welfare State

Pointing out that federal aid to depressed areas is already quite extensive, the NAM also emphasized that state and local aid is already well established.

For example, it said that 41 of the 48 states now have economic development commissions or similar bodies which are equipped to assist in easing the adverse effect of local economic dislocations and unemployment.

The NAM said that S. 2663 seems to be headed in the direction of the "welfare state" in that it encourages an increasing paternalism of the federal government, instead of relying upon the vigor and ingenuity of the states and communities in adjusting to changing economic realities.

AUSTIN, Tex.—An all-out campaign to elect Texas' Senior Senator, Lyndon Johnson, to the presidency of the United States, is under way.

It isn't just a drive to name him chairman of the Texas delegation. It isn't just a "favorite son" compliment. It definitely is an all-out effort to elect a Texan as President, on the Democratic ticket.

Held high as proof that it can be done is the 1952 election to the Presidency of Texas-born Dwight D. Eisenhower on the Republican ticket.

Popular Tom Miller, Austin's mayor, has been chosen to co-chairman the campaign, with Austin philanthropist and realtor E. H. Perry Sr.

Endorsements already received from out-of-state national figures indicate that the "favorite son" movement, which had been gaining momentum, has outgrown its Texas boundaries.

Johnson also is being boosted as chairman of the Texas delegation to the Democratic national convention in Chicago. Selection of a chairman will be made at the May 22 state Democratic convention in Dallas.

Gov. Allan Shivers, who also has been recommended to lead the delegation, pointed out Johnson as presidential timber as far back as 1954. However the two have clashed over the chairmanship.

Johnson has said he would accept both the designation as chairman of the delegation, and as Texas' favorite son candidate for President.

Shivers said he would serve as chairman, but is not interested in the favorite son role.

Over the state both sides are

working to get their supporters to the May 5 precinct conventions.

Races Taking Shape

A rapid-fire series of announcements is fast bringing the summer political campaign into focus. James P. Hart will not run for governor. The former Supreme Court Justice said he did not find enough financial support. Barring the unexpected, Austin Attorney Ralph W. Yarborough will be the only Liberal candidate for governor.

Will Wilson, Associate Justice of the Supreme Court, announced for attorney general. John Ben Shepperd is vacating that job. Judge James R. Norvell of San Antonio promptly announced for Wilson's post.

Now campaigning for Congressman-at-Large is W. F. "Bill" Elkins, formerly of Killeen, and now a Dallas real estate man.

In the Lt. Governor's race for the first time, and with a strong organization, is Sen. A. M. Aikin of Paris, one of the sponsors of the Gilmer-Aikin school bill.

Busy campaigning for re-election are Judge W. A. Morrison of the Court of Criminal Appeals, and Supreme Court Justice Meade F. Griffin.

Actively seeking Jesse James' post as State Treasurer is Warren G. Harding of Dallas.

High Polio Rate Feared

Texas may be headed for a major epidemic in 1956 unless vaccinations speed up, say State Health Department officials.

Doctors have been urged to use all available supplies of Salk vaccine, immediately.

Number of cases already has hit 181 as compared to 114 for this time in 1955. Only four of the victims had received shots. Of the 1956 cases, 96 were paralytic.

Some 90,000 new polio shots have been earmarked for shipment to Texas. Less than one-third of Texas children under 20 have received shots, says the Health Department. An estimated 962,415 children and pregnant women have had at least one shot, but there are 3,542,200 who are eligible.

Work Law Action Taken

Atty. Gen. John Ben Shepperd had moved to protect Texas' "right to work" law.

He asked the U. S. Supreme Court to postpone ruling on a similar Nebraska case until fall. By then he hopes the Texas law, now involved in a suit in the State Su-

preme Court, can be considered jointly. He also filed a "friend of the court" brief supporting the Nebraska law.

In the Texas suit unions contend the National Railway Labor Act authorizes closed shop contracts, which Texas law prohibits.

State Streams Dwindling

Rainfall which statewide averaged only 23 per cent of normal has brought many Texas streams and wells to all-time lows.

"Deficient streamflow and dwindling conservation storage has magnified the seriousness of the persistent drought," said the State Board of Water Engineers.

Rural Co-Op Wins Suit

A Texas rural electric co-operative may continue to serve an area after it is annexed by a city. So ruled the Third Court of Civil Appeals.

Upshur Rural Electric Co-operative Corporation was aligned against Southwestern Gas and Electric Company. At issue was whether the co-op could operate in an area annexed by the city of Gilmer.

Fifty-four other REA co-ops joined Upshur in the suit. They won not only the right to serve the customers who were members at the time of annexation, but to serve new customers along their lines, even in the city.

Short Snorts

April 22 to 28 has been designated as Military Reserve Week in Texas by Governor Shivers. Some 19 patriotic organizations will conduct a drive for enlistments in the Armed Forces Reserve. District Judge C. Woodrow Laughlin of Duval County won his fight against disbarment, in the State Supreme Court. H. H. Coffield of Rockdale has been named executive committee chairman for Region 9 of the Boy Scouts of America which includes Texas, Oklahoma and New Mexico. Col. Morris S. Schwartz, selective service director, reports that 12,024 persons entered the armed forces from Texas during the first quarter of 1956, and that 12,903 received discharges.

W. W. Clark and G. L. Clark spent Sunday in Lovington, N. Mex. visiting their father, W. M. Clark.

Mr. and Mrs. Donald Webb of Littlefield spent the week end visiting Mrs. Webb's parents, Mr. and Mrs. T. N. Bickers.

TEACHERS SELECT WHO'S WHO AT SLATON FOR 1955-56 YEAR

Selections for Who's Who have been made for the 1955-56 school year. The teachers did the selecting and the students were picked on merit and grades.

For the seniors, Tracy Crawford, Burdine Becker, and Carrall Ann Mann were chosen.

Crawford's activities for the year are football and basketball co-captain, senior play, Interscholastic League poetry reading contest, American Legion speech contest, and all-district football.

Miss Becker's activities are editor of the annual staff; chosen most likely to succeed, Interscholastic League shorthand contest, FHA state degree, senior play, pep squad, office girl, and reporter for FHA.

Miss Mann was active in basketball, second vice president in FHA, secretary-treasurer of the pep squad, and office girl.

Juniors who were selected were Beverly Bland and Dickie Thomas.

Miss Bland is an FHA officer and was a member of the basketball

squad. She entered the Interscholastic League ready writing and journalism contests, was on the tennis team, and served as editor of The Tiger's Cage.

Thomas took part in football, basketball, and track, and was in the junior play. He is junior class president and was selected most athletic at SHS.

For the sophomores, Dorothy Heaton and Bobby Sokoll were chosen.

Miss Heaton is a member of FHA, band, and was chairman of the Cancer Drive. She was in the FHA play, and played tennis in the Interscholastic League contest.

Sokoll was a member of the football and basketball teams, and will be in the speech play.

Freshmen chosen for Who's Who were Martha McCormick, Russell Cummings, and Bill Clark.

Miss McCormick is freshman class president, office girl, was chosen girl of the month in FHA, and is reporter for the Little Sister's chapter of FHA. She is also majorette in the Tiger Band.

Cummings is a member of the band, and was on the basketball and tennis teams. He was also vice president of the freshman class.

Clark participated in basketball, band, tennis and the Interscholastic League number sense contest.

Makes Friends with the Meanest Roads

(Have you tried Buick's great new ride?)

THE SWEET WAY a '56 Buick rides on all sorts of roads is something you find nowhere else on wheels.

Capricious roads that twist and turn—unruly roads that rock and roll—tired roads, battered and beaten—they all seem to wear company manners the moment a Buick approaches.

Why? Simply because Buick comes with what it takes to put any road on its best behavior—the completely ride-engineered combination of chassis, engine and automatic drive that is obtainable in no other car.

And that's gospel truth whether you drive a new SPECIAL, CENTURY, SUPER or ROADMASTER.

No other car matches the firm, true tracking of Buick's own ride foundation—buttressed by brawny X-braced frame and torque-tube drive—cushioned on coil springs and deep-oil shock absorbers.

No other has such width of tread and length of wheel-base within dimensions so trim and tidy that Buicks turn, park and garage more easily than smaller cars.

No other duplicates the assurance of steering, brakes and rear axle so precisely geared and gaited for the nimble handling that's a safety "must" in modern cars.

And certainly no other name plate promises the soaring sweep of power that wells from the big 322-cubic-inch V8 beneath every new Buick bonnet.

Nor does any other automatic drive put power to its car's rear wheels with the swift, unruffled pace of Variable Pitch Dynaflo*—and that goes double every time you "switch pitch" for whip-quick, safer passing.

But why stop to count reasons—when results are what you're after?

Wouldn't you rather really feel Buick's new "sense of direction" on straightaway, curves and corners?

Wouldn't you rather relax in supreme comfort while tooling this powerful performer over roads you always hated to travel?

Well, sir, we cordially invite you to drop in on us and do just that.

Make it this week, won't you? Sample the ride that has charms to win any old road—and get first-hand figures on prices that make Buick owning a more positive pleasure.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

IT'S TORQUE THAT MAKES THE WHEELS GO 'ROUND!

... And the High-Torque Output of Oldsmobile's Famous Rocket Engine is Instantly Translated into Outstanding Performance at the Rear Wheels!

LET'S TALK TORQUE! In plain language, torque is "twist" — like turning a door knob. It's the force that makes the wheels go 'round.

So it follows . . . the more torque your engine has, the more go power your car has . . . the more getaway at the light . . . the more action on the open road!

That's why, when it comes to power, there's nothing like Oldsmobile's Rocket T-350 Engine — because the Rocket is torque TNT! Figures prove it: 350 pound-feet at 2800 rpm (340 pound-feet at 2400 rpm in "88" models).

OLDSMOBILE CHASSIS IS ENGINEERED TO HANDLE HIGHER TORQUE!

Oldsmobile has the chassis to take Rocket torque . . . a skillfully engineered Oldsmobile chassis with an extra-sturdy, dynamically balanced drive shaft, and an extra-rigid frame that resists twisting and weaving.

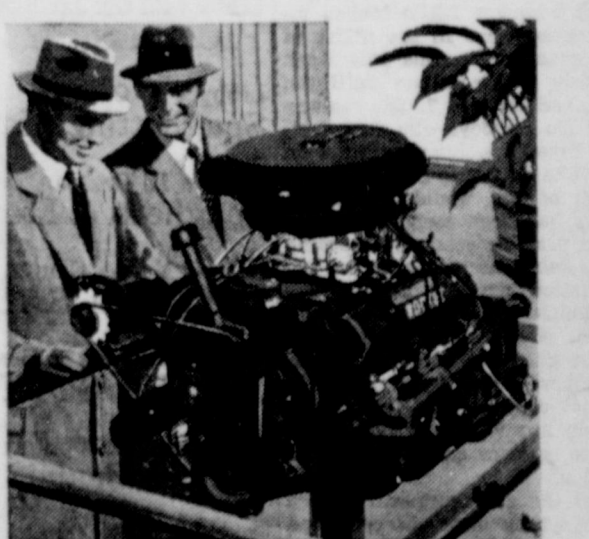

What's more, the Rocket's got horsepower

— to spare!* And with Oldsmobile, it's high, usable horsepower . . . a by-product of engine design aimed straight at the wheels — design that translates horsepower into terrific torque at normal engine rpm's.

TOP TORQUE MEANS TIP-TOP PERFORMANCE!

The result is higher torque — silken, responsive Rocket action. Touch the accelerator, ever so gently, you "go" . . . and we do mean "GO!" You thrill to smoother, swifter bursts of power in medium speed ranges — tip-top performance for everyday use — spectacular performance when you need it . . . when you want it.

Any way you look at it, you can't top the Rocket for thrills for the money — or for top return when it's time to trade. Stop by soon. Rocket 'round the block . . . or around the town if you like!

OLDSMOBILE'S ROCKET — a double winner in 1956 Mobilgas Economy Run. Get the feel of top horsepower, top torque in the engine that's an economy champion, too!

Organization Meet To Set Up Softball League for Girls

An organizational meeting of those parents and residents interested in setting up a summer recreation program for local girls, will be held in City Hall Auditorium Monday night. The meeting will start at 7:30 p. m.

The program will be set up to parallel the summer program as it already exists for boys of the city. Girls between the ages of 9 and 15 will be eligible to participate.

"Several parents have proposed that we make it possible for the girls to take part in softball and basketball play during the summer months and it is for that purpose that the meeting will be held," James H. George related.

Officers and a name for the organization will be selected at the Monday meeting in City Hall, according to George.

Interested persons can contact George or Max Arrants for further information.

Louise Moore Elected as Head Tiger Cheerleader

Louise Moore, a junior in Slaton High School was elected head cheerleader by the 50 members of the pep squad in an election held Tuesday, April 24. Other cheerleaders are Beverly Bland and Charlotte Muse, seniors; Suzanne Neill, sophomore; and June Johnson, freshman.

New officers of the pep squad include Patsy Hogue, president; Peggy Ray, vice president; Barbara Wilke, secretary-treasurer; and sponsors Mrs. Audean Nowell and Mrs. James Hays.

The two sponsors plan to take the newly elected cheerleaders to a six-day cheerleading school which will be held at Midwestern University at Wichita Falls in July.

Local Youth Wins Four Places In Fencing Meet

Frank Griffin, a member of the Texas Tech Varsity fencing team, returned to Tech this week from the finals of the North Texas sectional fencing meet held in Ft. Worth April 21-22 with four second places and one third.

Frank is the son of Mr. and Mrs. Finas H. Griffin of Union and is in his sophomore year at the college. His record in the Ft. Worth meet will entitle him to enter the southwestern sectional meeting in Abilene May 5-6.

Along with the awards he took in the actual competition, he received a golden trophy for "Sportsmanship for the 1955-56 season in the North Texas Division."

The young fencer took seconds in Junior Saber, Junior Epee, Novice Epee, and Novice Foil. He won third in Intermediate Saber competition.

Little Leaguers Working Out in Daily Practices

Boys who are Little league replacements, were in the midst of daily practice sessions this week and they will continue until the player auction May 7. The replacements are the boys who do not already have an assigned position on one of the six Little League teams.

Each of the would-be baseball players has been assigned to one of the practice sessions according to a number he was given at the registration meeting held earlier this month. They play each day at 5 p. m. at a designated place under the guidance of a supervisor. The supervisors are serving in a guidance capacity that the managers who are visiting each of the practice sessions can see the boys in action.

Later the managers will choose the boys they have observed and liked at a Player Auction. Each manager will be given a certain number of points which he will be allowed to spend bidding for the players.

The boys are meeting as follows: numbers 1 to 30, at Little League Park, under supervisor Dr. Don Hatchett; numbers 31 to 60, at north end of Tiger Stadium, under supervisor, "Chick" Garland; numbers 61 to 90, south end of Tiger Stadium, Dr. Van Meter; numbers 91 to 120, West Ward School, E. W. Pike.

Numbers 121 to 150, Junior High School, Alex Bednarz; numbers 151 to 180, east side of Junior High School, Ray Kitten.

The boys will continue wearing the numbers which were assigned to them at the registration meeting until the Player Auction is held.

'Candyland Special' Theme Of Junior-Senior Banquet

A "Candyland Special" roared through Slaton High School Tuesday, April 24, and was boarded by the junior and senior classes, members of the faculty and board members for the annual Junior-Senior Banquet.

The banquet was held in the Matador Room of the Caprock Hotel in Lubbock at 7:30 p. m. Decorations, programs and the menu were in the candyland theme.

Banquet Decorations

Large styrofoam canes striped in red were crossed and tied with gold laces. These were placed over the entrances, on the mirrors and in front of the head table. The tables were centered with large candy-house baskets filled with candy placed on a ruffle of gold lace.

Placed at intervals down the tables were red fire engines with lollipop smoke stacks. Candles of red, green and yellow were placed on gold doilies. At each place a miniature plastic hat, nut cup, place card and program were placed.

Large paper chef hats lettered with "Candyland" were worn by members of the school board, P. L. Vardy, superintendent, John Gilbert, principal, and the two class presidents, Lee Ham and Dickie Thomas.

Program Numbers

Invocation was given by Truett Babb. Candy for the seniors was presented by Dickie Thomas as the welcome. Little bitersweets, the response, was given by Lee Ham. A sweetmeat, presented by Bruce Pember and Robin Davis accompanied by Neutie Nan Watson, were songs; "The Lollipop

Eula Ferril Brings Devotion at Dorcas Class Meeting

"Lord, What Will You Have Me Do?" was the theme of the devotion given by Miss Eula Ferril at the monthly social of the Dorcas Sunday School Class of the First Baptist Church.

The meeting was in the home of Mrs. L. O. Lemon Thursday evening with Mrs. C. W. Jennings as co-hostess. Mrs. R. L. Smith Sr. presided over the meeting.

Miss Ferril based her devotion on the conversion of Saul with scriptures from Acts 9:1-6. Prayer was led by Mrs. Lemon. The group sang "Help Somebody Today."

Mrs. J. T. Bolding brought the program on poetry.

Refreshments were served to Mesdames Smith, Clyde Shaw, C. R. Bain, L. R. Gregory, Roy Parks, Bertie Myers, Joe Neilson, L. Johnson, H. T. Hord, J. R. Williams, H. V. Jarman, Dudley Berry, T. A. Johnson and Miss Ferril.

Visitors were Mrs. Carl Sartain, Mrs. Carter Shaw, Mrs. Bolding and little Miss Christi Johnson.

OES MEMORIAL CEREMONY HELD TUESDAY NIGHT

At a stated meeting of the Order of Eastern Star, Slaton Chapter No. 585, a memorial ceremony was observed. The meeting was held Tuesday evening, April 24, in the Masonic Hall.

Five deceased members were remembered as red roses were pinned to a large silver star, which was placed at the chaplain's station. Those placing the roses were Mrs. R. J. Hurst, Mrs. Allen Crowley, Mrs. Wade Thompson, Mrs. W. R. Lovett and Mrs. Mildred Lokey.

During the ceremony appropriate music was offered by the organist, Mrs. Virgie Hunter. A prayer was led by Mrs. Larkin Taylor, the chaplain.

A program honoring mothers will be presented at the next meeting on May 8.

Large Group Attends Catholic Women's Meeting Wednesday

Highlighting the Lubbock District Council of Catholic Women meeting held in Slaton Wednesday, April 18, was a workshop directed by Miss Nora LeTourneau of Washington, D. C. Miss LeTourneau is field secretary of the National Council of Catholic Women.

According to Mrs. Victor Heinrich, president of St. Joseph's Altar Society, this was a most interesting and informative session which was well attended with 13 of the clergy and about 135 women present.

During the business session new officers were elected. They are Mrs. R. N. Zimmerly Jr. of Denver City, president; Mrs. Francis X. Kuhn of Lubbock, vice president; Mrs. Bill Smith of Seagraves, secretary; and Mrs. Wilfred Kitten of Slaton, parliamentarian.

Mrs. J. J. Kitten, Mrs. August Kitten, Mrs. Alvin Bukxemper and Mrs. Robert Bednarz were in charge of the registration which began at 9 a. m. A coffee hour was held during this period with Mrs. Wilfred Kitten and Mrs. Clarence Kitten serving.

The opening prayer was given by the Rev. Msgr. T. D. O'Brien. At noon luncheon was served by the women of St. Joseph's parish under the direction of Mrs. Victor Heinrich.

Judy Dawson gave the birthday wish as her birthday was nearest to April 21. Others appearing on the program were Joan Claiborne, Shirley Hodges, Peggy Ann Kirksey, Nancy McSween, Patricia Rackler, Deborah Scott, Cindy Sherwood, Kay Simmons, Cindy Spikes, Carol Ann Todd and Kay Tumlinson.

AND THEY ALL LIVED HAPPILY EVER AFTER—Thus ends the story Grandmother, Mrs. J. E. Eckert Sr., has been reading to the children, Dinks, Cee and Jo. Cee, looking over Grandmother's shoulder, wonders which story will be next.

Slaton Women Give Their Favorite Tested Recipes

Mrs. J. E. Eckert Sr. chose an Orange Ice Box Pie, as it is a favorite of the men who belong to Rotary Club. On March 1 Mrs. Eckert began her eleventh year of preparing the meal each week for the Rotarians.

Orange Ice Box Pie
1 3-oz. pkg. orange gelatin
¼ cup sugar
1 cup hot orange juice
1 tsp. grated orange rind
1 cup undiluted Carnation milk
2 tsp. lemon juice
9" graham cracker crust

Method: Dissolve gelatin and sugar in hot orange juice. Add rind; chill until thickened (20 to 30 minutes). Chill Carnation in refrigerator tray until soft crystals form (about 15-20 minutes). Whip Carnation until stiff. Add lemon juice; whip until very stiff. Fold whipped Carnation into chilled gelatin. Pour in crust and chill until firm. (about 1-2 hours).

For Pie Crust—Mix 1½ cups graham cracker crumbs with ¼ cup melted butter and 2 tsp. sugar. Line sides and bottom of pie plate.

Came to Texas 1909
Although Mrs. Eckert was born in Bowling Green, Ohio and lived in Pennsylvania and Missouri, she has been in Texas for a great number of years. She came to Friona in 1909 where she met her husband, the late J. E. Eckert Sr. He was driving a limousine for the Wright Land Co. and she came down to manage a small hotel for some

friends of hers who owned it. At that time, this land company had excursions for prospective buyers who came down. The drivers would show them over the country and try to sell land to them. A group came every two weeks. Mrs. Eckert said the crew from the drivers on the train came to the hotel and helped feed the prospectors (as they were called) while at the hotel.

Came to Slaton 1911
After they were married they heard of a new town the Santa Fe was starting and in July after the townsites lots were sold June 15, 1911, the Eckerts moved to Slaton. They lived in a tent the first week they were here.

Modern Bakery and Cafe was opened here in 1911 by the Eckerts. After about two years Mr. Eckert became associated with the Santa Fe and at the time of his death in 1943 he lacked only a few months having 30 years continued service on the Slaton Division.

Mrs. Eckert has two sons: Dayton, who has been working for the Santa Fe since 1929 and is assistant superintendent of transportation for the company and lives in Chicago; and J. E. Jr., who lives in Slaton and is bill clerk in the agent's office. He has been associated with the Santa Fe since Sept., 1942.

Her present home was built by her and her husband in 1916 and shortly thereafter became her

MES AMIES CLUB HOLDS MEETING IN EBLEN HOME

The Mes Amies Club met in the home of Mrs. Earl D. Eblen Friday, April 20, for the regular meeting. Mrs. Joel Neugebauer was assistant hostess.

Mrs. Gordon Davis, president, presided at the business meeting. A refreshment plate was served to Mesdames June Spikes, J. P. Haliburton, Ed Caldwell, Douglas Wilson, Joe Belote, Davis, Ray Cook and two guests, Mrs. L. T. Garland and Mrs. Gladys Swift.

Mrs. Ross to Speak On Costa Rica at Federation Meeting

Mrs. J. Wilson Ross will be the featured speaker when the Federation of Church Women meet at the First Christian Church Monday, April 30, at 3 p. m. Mrs. Wilson and her husband, who is attending Tech, are missionaries to the Spanish-speaking people in Mexico and attended school in Central America.

Her subject will be "Costa Rican Missions." Miss Bertha Lopez, daughter of the Rev. A. Lopez, pastor of the Baptist Mexican Mission in Slaton, will sing.

All the church women of the town are invited to attend the meeting by Mrs. C. M. McPherson, president of the Federation.

home. At the present her son, J. E., and his wife and children make their home with her. She enjoys her grandchildren a great deal.

The grandchildren living here are J. E. III or Dinks, who he is called by his family, Jo, who is 4, and Cee, 2 years old. Pete and Tom live in Chicago. Pete is 15 and Tom is 12.

Member of Methodist Church
Having been a member of the First Methodist Church since 1921, she is interested and very active in her church work. She is a member of the choir and has taken care of the robes for years. She is an active member of the W.S.C.S. and is church school secretary.

Although she is very busy, she still enjoys hobbies and likes to do hand work such as knit and crochet. She says she really loves to cook but hates to wash dishes. Cecilia, her daughter-in-law, says this works out nicely as she doesn't enjoy cooking.

Cecelia laughingly said cooking was such a waste of time, as you could cook all morning and eat it up in 15 minutes.

As Mrs. Eckert looks back over her life and as she thinks of experiences she had greatly enjoyed, she remembers the St. Louis World's Fair in 1904. She worked on the fair grounds and remembers John Phillip Sousa's band especially.

"WHITE GLOVE" COOKING
Clean CURTAINS
of course, it's ELECTRIC!

HARMON THOMPSON, Thompson Furniture store owner, discusses some of the finer points of the electric range with Mrs. Roy Murphy of 1045 S. 12th St. The feature, of which Mrs. Murphy is the proudest is her automatic oven which can cook a complete meal while she is at work and have it ready for her to put on the table when she gets home.

(SLATONITE STAFF PHOTO)

Electric Range Solves Working Housewife's Cooking Problem

"Feeding a hungry husband and three sons is no problem for me even though I come home after a hard day's work at the office," says Mrs. Roy Murphy of 1045 S. 12th St. "It's not that I've got so much energy, it's just that I let my electric range do all the work."

"When I leave the house for work in the morning I put my dinner in the oven of my range, set it for the desired temperature, the amount of time I want it to cook, and when I want it to be ready. For instance if I have a meal which can be prepared in about an hour, I set the range so it will start cooking at 11 a. m. then when I come home at noon I have a fully prepared hot meal waiting for me to put it on the table."

Purchased in 1954

Mrs. Murphy purchased her Frigidaire electric range from Thompson Furniture in Slaton in 1954. "I was a little anxious at first as to what using the stove would do to my electricity bill, but I soon found that the amount it added to my monthly bill was not even worth mentioning."

"My bill over a period of a month has only increased about 50 or 60 cents and I've learned that the more electricity I use the cheaper the rates are."

Frigidaire Imperial 45

Her stove, a Frigidaire Imperial 45, is equipped with four burners and a broiler-oven combination. Plenty of storage space in the stove's two drawers make for convenient cooking with utensils stored close at hand.

One of the burners on the top of the stove doubles as a deep well cooker, containing a six-quart aluminum utensil. The cooker can be used for baking, boiling, deep frying, and even for popping corn. It makes good doughnuts too according to the youngest Murphy, 11 year Mike.

Easily Cleaned

Cleaning the electric stove is no problem either according to Mrs. Murphy. "All of the heating units in the oven plug into outlets and can be removed simply by pulling them out. "In this way I don't have any messy burners to clean around."

"When I have finished cleaning the inside of my oven I just plug the heating units back in, just like plugging an electrical appliance into a wall socket."

"The burners on top of the stove are easily cleaned too, they lift right out of the top of the stove and under each is a small grease receptacle which catches anything which might boil over and run down into the burner."

"All in all I can only say that I don't know how I'd get along without my range and I would certainly recommend an electric range to any woman—especially to the woman who has a full time job and still has a family to feed," she related.

Mrs. J. D. Saunders Has Nieces as Visitors

Mrs. J. D. Saunders, who will be 90 years old next birthday, had as her visitors recently seven of her nieces and a grand-niece. They are the daughters of Mrs. Saunders' sister, the late Mrs. John L. Wilson and the late Mr. Wilson.
