## Slaton One Step Closer To Dial System As Change-Over Starts

Slaton was one step closer to the dial system this week with the arrival of a five-man Western Electric crew to begin the work of making the change-over. The crew and their supervisor T. C. J. Blisland have set up working quarters in the new addition to the local telephone office.

**Company Manufactures**  
Western Electric is the company which manufactures the dial equipment for Southwestern Bell Telephone Company. Once the crew has completed installing the new equipment Southwestern Bell will take over for a trial period during which time the installation will be submitted to various and sundry tests.

Once the tests are completed and everything is found to be in good working order the telephone company will take over operation of the new set-up. The dial change-over is expected to take place on September 29, according to J. C. Oakley, Southwestern Bell manager from Plainview. The switch to the dial will be made at 12:01 a. m., at a time when the nationwide network is the least busy.

**New Phone Books**  
Western Electric's part of the

change should be complete about September 1st, Oakley said. In order that phone users might have a chance to become accustomed to the dial system the new phone books will probably come out around September 20.

Slaton's new numbers will consist of Valley Eight and four digits or as an example one of the new numbers might be VA 8-1234. To dial the prefix Valley, the phone user will dial 8,2 and then the number which follows the prefix. Telephone officials are planning an open house at the Slaton business office October 24-26 so that local people might take a look at the operations behind the dial system.

**Remodeling**  
Prior to the open house and after the old equipment has been moved out the present office will receive a complete face-lifting, Oakley stated.

Phone rates will be affected by about a dollar raise in price. The local business phone rate will increase from \$8 to \$9, one party lines will go from \$4 to \$5, two party lines will be raised from \$3.50 to \$4, and extension phones will remain the same, \$1.50 for businesses and \$1 for residences.

## First Methodist Set Special Services Sunday

Special services at the First Methodist Church Sunday will be highlighted by the Sunday worship service sermon to be delivered by the Rev. C. Clark Campbell, pastor of Overton Methodist Church of Lubbock. His sermon title will be "Hills of God."

Sunday evening Jim D. Campbell, minister of music and youth activities for the local church, will bring the message. He will have charge of the music throughout the day with special music Sunday morning and the old favorite hymn time Sunday evening.

In the absence of the pastor, the Rev. James B. Sharp, who is attending the Jurisdictional Conference in New Orleans, the Rev. Elmer Crabtree will preside over the morning service and W. L. Blaylock will assist at the evening worship.

At the evening service which begins at 7 p. m. an altar prayer time will be held and such old favorites as "Since Jesus Came Into My Heart," "I am Thine O, Lord," and "Blessed Assurance" will be sung.

## Slaton Trainmen Hosts at Annual Railroaders Meet

Slaton members of the Brotherhood of Railroad Trainmen and the BRT Ladies Auxiliary, will be among the four lodges which are playing host to between 400 and 500 trainmen and their wives in Lubbock through Saturday.

The occasion is the 23rd annual meeting of the Texas State Association of BRT which began at the Caprock Hotel Thursday. Slaton's two lodges, Caprock Lodge No. 892 and Slaton Lodge No. 894 Ladies Auxiliary, are among the four host lodges for the meeting. More than 100 lodges in Texas, New Mexico, Oklahoma, and Louisiana are represented at the three-day meeting.

A barbecue was held at Fair Park Coliseum at 7 p. m. Thursday and was followed by entertainment sponsored by the Ladies Auxiliary. Initiations and voting on new members is on tap for Friday's morning meeting to be followed in the afternoon by closed sessions for both groups.

The annual banquet will be spread out over three ballrooms in the Caprock Hotel at 7:30 p. m. The convention will come to a close Saturday morning with financial business matters being finished up followed by the selection of the 1957 convention city for the association.

## Firemen Extinguish Early Morning Blaze

Firemen were roused out of bed at 2:30 a. m. Sunday to extinguish a fire in a beauty parlor located on east Division st. Damage was limited to a burned dresser and smoke damage to the interior of the building, according to Elbert Wilson, Slaton's fire chief.

The fire is thought by firemen to have started from a burning gas torch such as is used to heat hair curlers. The torch was left on the dresser and evidently ignited the dresser top. The building was unoccupied at the time of the fire.

## Slaton Students Listed on Tech Spring Honor Roll

Four Slaton students are among the 304 of Texas Tech's 6,058 spring semester undergraduates who have made the honor roll, according to assistant registrar Evelyn Clewell.

The four included Harold L. Joplin with a 2.67 grade point average, Billy G. Travis with a 2.63 grade point average, Mary A. Kenney with a 2.88 average, and Betty J. Smith with a 2.75 average.

Joplin and Travis are both enrolled in the division of Arts and Sciences and Misses Kenney and Smith are both students in the Home Economics division.

According to the assistant registrar the honor roll includes students in the top five per cent of each of Tech's five academic divisions: Agriculture, Arts and Sciences, Business Administration, Engineering, and Home Economics.

## Slatonite Wins Fifth Place in Annual Texas Press Ass'n Awards Contest

The Slatonite gained recognition at the Texas Press Association annual contest awards meeting last week in Amarillo by walking off with a fifth place Sweepstakes Award for weekly newspapers published in towns of 5,000 population or over.

Sweepstakes winners were determined on a point-score basis, with five places going to the newspapers which accumulated the

most points in six contests. The Slatonite amassed a total of 110 points to take its fifth place award and was in competition with other weekly papers in towns of 5,000 and up in population.

Also awarded to the paper was a fourth place for news pictures and a third place award for overall appearance. In all The Slatonite won one certificate, three ribbons, and two honorable mentions.

## Declaration of Independence

**INDEPENDENCE DAY LEST WE FORGET** is the 180th anniversary of the signing of our Declaration of Independence. The day that our forefathers chose to break the ties that bound us, to fight for and retain our independence and the right to live as citizens in a free nation. Though July 4th is a national holiday it is also a day to give thanks to a few brave men who chose liberty 180 years ago and gave momentum to the rise of our country to its present place as one of the mightiest of the free nations in the world.

## Civic Improvement Second In Community Clinic Series

**Editor's Note:** This is the second in a series of seven articles dealing with report and analysis on the Community Clinic which was held in Slaton May 28-29. The report was compiled by the West Texas Chamber of Commerce Community Services Department. This article deals with the classification of Civic Improvement as a part of the program for the Slaton Chamber of Commerce. The report on Civic Improvement follows.

According to Ralph E. Duncan, manager of the WTCC Community Services Department the largest number of suggestions gained at the two-day clinic May 28-29 were made in the classification of Civic Improvement. A total of 351 suggestions were received in this classification from the citizens who attended the sessions.

**Number of Suggestions**  
"Because of the large number of suggestions received and the interest indicated by your people in the group discussions, careful consideration should be given to the adoption of a well-defined program in this division of your new work program," Duncan stated.

"Because of the interest shown in each of the clinic sessions we feel that it should be a relatively simple matter to enlist an excellent leadership for committee assignments in this division. Through careful planning on the part of the Slaton Chamber in this division we feel that you will be able to show good results in completed projects, which should result in a stimulated interest on the part of your people and bring about a higher participation in your over-all program."

**Program Follows**  
The program is as follows: Immediate Objectives—housing, organization to obtain liberalized home building loans; traffic, (a) seek enforcement of existing traffic ordinances, (b) work for improvement to downtown parking, and (c) encourage enforcement of existing traffic ordinances;

Sanitation, (a) make plans for annual city-wide clean-up campaign, (b) street and alley sanitation program, (c) systematic spraying of insects (mosquito control program), and (d) enforced stock control ordinance; streets, (a) organize planning for master street lighting, (b) plan for uniform sidewalk pattern, (c) additional traffic lights (specifically at three-way

## First Charge in August

# Commissioners Approve Garbage Collection Ordinance In City

Slaton's City Commission voted Monday night to approve a garbage ordinance in the city. The move will place a monthly service charge of one dollar on residence and business establishments in the community with the exception of those businesses which have an exceptionally large amount of trash to be hauled off. In this case the city will work out individual agreements with each of the business houses.

The commissioners were of the

opinion that the move would be a step in the right direction toward improvement of collection and the betterment of facilities for collection in the future.

### First Charge

The first charge will be made on August 1 even though the ordinance goes into effect July 1. The period of grace will give residents the opportunity to make the necessary arrangements to comply with the ordinance. The ordinance

as it reads in its entirety will appear in the July 6 issue of The Slatonite.

Annual cost of garbage collection in the city at its bare minimum amounts to \$14,764.23. This figure includes labor, gas and oil, depreciation on two trucks, salaries and retirement fund costs for employees.

### Notice of Bids

The commissioners also passed a resolution authorizing Mayor L. B. Wootton to publish a notice of bids on two fire trucks and a new garbage truck. The present garbage truck has been in use in the city department since 1948.

The two new trucks for the fire department will include a 500 gallon pumper truck and a booster truck. The trucks will replace the present fire engines which are now in use. The two old trucks will be retained for emergency use.

### Petition

A petition bearing more than 300 names was submitted to the commission Monday night requesting that the right-turn-only sign at the end of the 100 block of south 9th St. be changed. After some discussion the commissioners voted to change the sign to read yield to traffic. The change-over will be made when the new sign arrives and can be installed. The concrete island will be left in place.

Motorists, when the new sign arrives, will be governed by the traffic signal at the intersection of 9th St. and Lubbock St. which will be directly in front of a motorist as he turns left at the corner and approaches 9th St.

From one to three volunteer firemen will attend the annual firefighter's school at Texas Tech with expenses paid by the commission. The school begins July 8 and ends July 13. Attendance of Slaton firemen at the school will result in a reduction in the fire insurance key rate for the city.

## Help Us Take A Picture Look Into Slaton's Past

The Slatonite is looking for old photographs of Slaton as it appeared in its early days. We are primarily interested in scenes from Slaton's past rather than groups of people—of course if the scene has people in it all the better.

If you have such pictures we would be interested in seeing them, and will, of course, return them to you. We would like to begin our series of five pictures, and short stories to accompany them, in the July 20 issue of The Slatonite.

This will give everyone two weeks to look through their photo albums and bring the pictures they find there into the newspaper office. We will choose the five pictures which are the most interesting and will run them as a five-week series—sort of a weekly look at the past.

The pictures might depict the community as it appeared before the automobile outnumbered the horse and buggies or maybe a street scene before the town was completely built. We believe that such a series will prove interesting both to the old-timers and to the youngsters. The old-timers might feel the stirrings of a few memories and the youngsters will have a chance to see how it was when the memories were being formed.

## Tiger Town Members Eliminate Thursday Night Meetings

The Tiger Town membership voted recently to eliminate the Thursday night meeting of the organization. The teenage recreational club will continue to meet on the other two nights, Tuesday and Friday.

## Baptist Mission Revival Starts

The Slaton Baptist Mission will be the scene of a six-day revival beginning July 2. Services will be held nightly at 8 p. m. with evangelist Tex Cobb of Littlefield conducting the meetings.

The Mission is located at 115 W. Lynn St. in Slaton.

## INDEPENDENCE DAY OFFICIAL CLOSING DATE IN CITY

Independence Day, July 4th, has been designated as an official closing date for business firms in the city according to Mrs. Vivian Jones, secretary-manager of the Retail Merchants Association.

July 4th is one of four official closing dates specified during the year by the RMA for Slaton business houses. The other three are Memorial Day, Thanksgiving, and Christmas.

## Scouts to Attend Overnight Camping Trip Friday Night

About 15 members of Boy Scout Troop No. 29 will attend an overnight camp at the Johnson Ranch Friday. The boys will leave from the Scout Hall in County Park shortly after 5 p. m. and will return to Slaton Saturday afternoon.

The object of the camp according to Charlie Marriot, scoutmaster, is to enable the boys to have the opportunity to work toward their second class rank. The scouts will be accompanied by several members of their sponsoring organization the American Legion.

## LOCAL MAN REPORTS COTTON BLOOMS ON FARM

A local man, R. Bryan Boyd, reported Sunday that he had found cotton blooms in his 236 acres of irrigated cotton on his farm near the Lubbock-Slaton highway.

The blossoms came from a patch of Early Improved Macha planted around April 12. Boyd said that these are the earliest blooms that he had raised in about 40 years of cotton growing on the South Plains.

## Church of Christ Minister to Preach In Gospel Meeting at Wilson School

Church of Christ minister C. L. Newcomb will take part in a Gospel Meeting in the Wilson High School Auditorium July 2-7. The meetings will be conducted daily at 8 p. m.

Newcomb will be one of three ministers taking part in the preaching. The other two men are Barney Thompson of New Home and Troy Bruster of Wilson. Daily topics to be discussed include Monday, "Establishment of the Church," Tuesday, "Not Far From The Kingdom of God," Wednesday, "Salvation By Grace," Thursday, "What Does It Mean To Believe On The Lord Jesus Christ," Friday, "The New Birth," and Saturday, "Rebuilding Jerusalem."

"If you enjoy plain and simple Bible preaching come and study the Scriptures with these preachers of the gospel," Newcomb stated.

Suggestions which were submitted. (Continued on Back Page)

C. L. Newcomb

## Calendar Of Coming Events

**Thursday, June 28**  
Rotary Club, noon, Clubhouse.  
Little League, Dodgers vs. Giants, 6 p. m., Little League park.  
Pony League, Tigers vs. Cards, 8 p. m., Pony League park.  
Masonic Lodge, 7:30 p. m., Masonic Hall.  
Lydia Sunday School class, 8 p. m., Fellowship Hall, First Methodist Church.

**Friday, June 29**  
Little League, Cards vs. Dodgers, 6 p. m., Little League park.  
Pony League, Braves vs. Red Sox, 8 p. m., Pony League park.  
Tiger Town, 8 p. m., City Park.

**Sunday, July 1**  
Red River County reunion, Mackenzie State Park, Lubbock.  
Attend the church of your choice.

**Monday, July 2**  
Little League, Tigers vs. Indians, 6 p. m., Little League park.  
Pony League, Red Sox vs. Tigers, 8 p. m., Pony League park.  
Junior Chamber of Commerce, 7:30 p. m., Bruce's Cafe.  
Revival through July 7, 8 p. m., Slaton Baptist Mission.  
Church of Christ Gospel meeting through July 7, 8 p. m., Wilson High School.  
Boy Scout Troop No. 29, 7:30 p. m., VFW Hall.

**Tuesday, July 3**  
Little League, Giants vs. Yankees, 6 p. m., Little League park.  
Pony League, Braves vs. Cubs, 8 p. m., Pony League park.  
Tiger Town, 8 p. m., City Park.

**Wednesday, July 4**  
Little League double header, Yankees vs. Cards and Dodgers vs. Indians, 4 p. m., Little League park.  
Independence Day, Retail Merchant closing date.

**Thursday, July 5**  
Rotary Club, noon, Clubhouse.  
Ladies Auxiliary to B of B, 2 p. m., American Legion Hall.  
Pony League, Tigers vs. Braves, 8 p. m., Pony League park.  
Little League, Giants vs. Tigers, 6 p. m., Little League park.

**WEARING PROBLEM**

The men's clothing industry would like to persuade men to accept new styles more readily—to discard suits, for example, not because they are worn out but because they are out of style. A leading manufacturer of sportswear commented recently that "obsolescence will wear out more garments than wear itself ever will."

The clothing business, like all others, needs promotion. It is doubtful, however, whether the industry is on the right track in trying to persuade men that it is a good idea to discard clothes that are not yet worn out. Wives have long ago learned that it is easier to persuade husbands to part with old friends or bad habits than with clothes that have become comfortably worn.

Nor do men want to get caught on the same fashion merry-go-round that makes women dizzy. A good suit, top coat or jacket is an investment. A man will be less willing to put good money into such purchases if he fears that in a year or two they will be as out-of-date as grandfather's moustache.

This is not to say there is no room for anything new and imaginative in the field of men's clothing. There certainly is. But comfortable garments needn't be outmoded overnight. And for heaven's sake let's not put our gray flannel suit in mothballs before we get the last payment made on it.

**TROUBLESOME GREETING**

"Dr. Livingstone, I presume?" This, one of the most famous greetings on record, was uttered by Henry M. Stanley, who had been commissioned to go to Africa and try to locate the missing missionary, David Livingstone. After various adventures and many false clues, Stanley located the town of Ujiji in Central Africa. There, among numbers of natives, was a bearded figure, obviously a white man.

Stanley then went up to him and uttered the greeting that ever since has been associated with the two. It also became a byword, employed jokingly whenever anyone met a friend in strange surroundings.

Stanley failed to see the humor of it. A new biography entitled "I Presume, Stanley's Triumph and Disaster," by Ian Anstruther, says that Stanley took the joke that was made of his salutation as an attempt at ridicule. Humorless and possessed of what we would call now an inferiority complex, Stanley had a burning desire to succeed. When he heard the laughter that his simple words aroused, he was filled with bitterness, and never fully recovered.

This might seem to justify the Buddhist doctrine that any act is potentially a dangerous thing because no one ever knows what chain of consequences it may start.

**EASTER'S SECRET**

Easter island, once the home of a fascinating civilization of which little is now known, will soon be easy to reach. Lying in the South Pacific 2,250 miles west of Chile and belonging to that country, it has been visited only by a few who were attracted by tales of its curious relics. Now an airfield is being built, and Easter soon will be a station on the route between South America and Australia.

Among the objects left by the people who once inhabited Easter island are gigantic stone statues placed so that they look out to sea. Some archaeologists have speculated that these monoliths are statues of chieftains; others suggest that they may represent gods.

But gods worshipped by whom? Who were these people? Those who now inhabit the island know nothing of their predecessors. The Malays, who sail great distances over the Pacific in their proas or canoes, are unable to throw light on them.

One suggested clue lies in the writing, as yet undeciphered, on tablets found on the island. The writing bears some resemblance to a script once used in India. But Easter island is thousands of miles from India.

When the little island so far out in the Pacific becomes easier to reach, when the big planes set down there on a regular schedule, scholars may at last solve the riddle of the monoliths and the inscribed tablets. One almost hopes not. It is pleasant to have an intriguing mystery or two left to puzzle over.

**STRENGTH FOR THE WEEK**

A Modern Traversty  
By J. T. Bolding

This is a land of educated people, people of reasonable intelligence. Most folk shy away from letting their lives be governed by black cats, number 13, and other superstitious notions. Not so many carry charms about with them such as medals, four-leaf-clovers, and rabbit's feet. Superstitious? The effort today is to be informed and intelligent.

Yet among the people who ought to have less reason than anybody to be superstitious, I find an unread, black-bound book kept in the home as a sort of charm or touch-stone or shrine. An unread Bible in the home is a very useless thing; superstition of the most subtle and insidious sort.

Only as the Bible is read and becomes a part of our lives does it become an effective power for good to us. Our hearts are to be the place of its inscription and our lives the place of its being read by the world. II Cor. 3:3 says, "Ye are manifestly declared to be the epistle of Christ ministered by us, written not with ink, but with the spirit of the living God; not in tables of stone, but in fleshy tables of the heart."

**What They Write**

June 22, 1956  
The Editor  
The Slaton Slatonite  
Slaton, Texas  
Dear Sir:

I read with considerable interest the Guest Editorial, "Concerning the City Bond Election," which appeared on the front page of The Slatonite for June 22, 1956.

I agree with the writer from the Slaton Junior Chamber of Commerce. First, I should like to commend this new organization in Slaton and wish it success in every worthwhile undertaking. Second, I feel strongly and hope sincerely that the forthcoming City Bond Election will meet the needs of Slaton, not solely for the immediate present, but for the future as

far as anyone can see. I believe that today, as never before, we must think in terms of the future and its needs. Our city is growing and will continue to do so. Is our present planning adequate for the hopes we have in this community? Naturally, I am not in a position to answer these questions. But, certainly, what helps my part of town will help the whole community, what hinders our part will thus hinder the entire town's growth. May the planning done be for the growth of a mighty nice town and a grand group of people.  
Very truly yours,  
Edwin W. Gorom

**IT'S THE LAW**  
in Texas

Criminal Defendant Has Constitutional Right to Bail

The United States is presumed to be innocent until his guilt is established beyond a reasonable doubt. His guilt or innocence is established at his trial—not when arrested.

Dr. J. W. Belote, Jr.  
OPTOMETRIST

Office Hours 9 - 5

Phone 832  
115 South Ninth  
Slaton, Texas

not hard to see why the right to bail in criminal cases is guaranteed by the Constitution of the United States, with the exception of capital cases. A capital crime is one which the punishment may be death. In Texas murder, treason, rape and robbery with firearms are capital offenses.

All prisoners are bailable in Texas except where the proof is evident that a capital offense has been committed and it is probable that a jury will assess the death penalty.

An officer making an arrest is required by law to take the accused promptly before a magistrate. It is the duty of the magistrate to examine into the truth of the accusation made. He determines whether the accused should be discharged or bailed or held without bail. If bail is set for the defendant, the magistrate must determine the amount. The law provides a procedure for reviewing these decisions before the Court of Criminal Appeals.

When an accused is on bail when his trial commences he has the right to remain on bail during the trial of his case. Where the punishment of a defendant has been assessed at confinement in the penitentiary for fifteen years or less the defendant has the right to remain on bail pending the appeal of his case. If the penalty is more than fifteen years the defendant is

kept in custody from the moment the jury returns its verdict.

The Constitution also says that bail may not be set in excessive amount. What is considered a reasonable amount depends largely upon the circumstances and the risk involved. Bail must be set high enough to assure the court and the state that the person will not run away, but will return and submit to trial on the date set.

The judge usually will ask the prosecuting attorney for a recommendation as to the amount of bail. The accused's attorney may then ask that the amount recommended be reduced, giving his reasons. The judge will settle on an amount he believes reasonable to assure the accused's presence at the trial.

Occasionally we read of someone "skipping bail." This means that he failed to show up in court at the required time. In such cases the court can order his bail forfeited. The person is still subject to re-arrest and prosecution however.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Mrs. Lee Green resigned here today after 28 years service with the Retail Merchants Association as secretary manager. Mrs. Green replaced G. O. Looney in 1927.

Miss Lena Schmidt, bride-elect of Lt. John Ochsner, was honored at a tea Thursday evening in the home of Mrs. Roy Boyd in Lubbock.

A pink and blue shower complimented Mrs. Jerry Lovelady Tuesday when a few of her friends entertained in the home of Mrs. M. H. Lasater.

The Slaton Art Club held their annual art exhibit on Tuesday evening with approximately 55 attending.

Mr. and Mrs. Luther Faulkner of Littlefield spent the week end visiting Mr. and Mrs. L. M. Howell.

Mrs. Clyde King of Dublin arrived Thursday for a two week visit with her parents, Mr. and Mrs. J. E. Rucker. Mr. King will join her on July 2.

Mr. and Mrs. M. M. Tumlinson and Carlton spent last week end visiting Mrs. Tumlinson's parents, Mr. and Mrs. H. G. Seal, in Balingier.

**Five Years Ago in Slaton Taken From June 29, 1951**

Mrs. Beulah Dutt and her husband, Christopher Dutt, are visiting in the Methodist parsonage as the guests of Rev. and Mrs. J. L. Mayhew. They are natives of India and are in the U. S. attending Peabody University.

J. H. Brewer Jr. has received his appointment to medical school from the University of Texas. He graduated from Texas Tech and

made application for medical school this spring.

Sgt. Travis Melton, a Marine reserve, who was called into active duty in April, is stationed at Camp Del Mar, Calif. as an instructor in the signal corps.

Pip Dawson, son of Mr. and Mrs. W. H. Dawson, spent the week end with his parents. He is stationed at Camp Carson, Colo.

Pvt. Davy Lee Kenney, son of Mr. and Mrs. C. C. Kenney, was home last week on a week end leave. He is stationed at Camp Hood.

John Schmidt, senior student at Texas A&M, visited his parents last weekend. He is the son of Mr. and Mrs. Fred Schmidt.

Mrs. Travis Ferguson and two daughters of Albuquerque, N. Mex. and Mrs. Bill Waldrep and daughter of Hereford, are visiting their mother, Mrs. Silas Wilson, while their husbands and Mr. Wilson have gone fishing.

Sandra Long, 11 year old daughter of Mr. and Mrs. Cecil Long, barely escaped drowning last Sunday afternoon when she fell from a bridge at Mackenzie Park in 14 ft. water.

Mrs. Jack Berkley, recent bride, was honored at a coffee Friday morning in the home of Mrs. Clark Self.

Tea and miscellaneous shower was given in honor of Mrs. Richard Becker, the former Mary Jo Meeks, June 19 in the home of Mrs. A. E. Clack.

**Ten Years Ago in Slaton Taken From June 28, 1946**

Mr. and Mrs. W. R. Wilson returned Monday from Justin, Texas. Mrs. Wilson's sister, Mrs. J. M. Cannon of Dallas accompanied them.

Mr. and Mrs. Gunter Garland and little daughter, Candance, will arrive Sunday to visit Mr. Garland's parents, Mr. and Mrs. Chick Garland.

Mr. and Mrs. George Backus of Chillicothe visited friends in Slaton last Thursday and Friday.

Kenneth Rackler had his tonsils removed last Wednesday he is staying at the home of his father and mother-in-law, Mr. and Mrs. A. A. Garman.

Mrs. Hugh Cooke and son and daughter, Bobby and Carol Jean, returned home Sunday after visiting with relatives and friends in Archer City and Albuquerque, N. Mex.

Miss Juanita Elliott left Wednesday to accept a position at Camp Wallace.

Maxey Pinson of Plainview is visiting in the home of Mr. and Mrs. L. A. Harrah.

Milton Field of Dallas spent last week end in Slaton visiting in the Fred Schmidt home.

Mrs. W. T. Cherry left yesterday for a week end visit with relatives in San Angelo.

Tuesday morning, June 25, Miss Lidwina Bednarz, daughter of Mr. and Mrs. R. J. Bednarz, and Art Wolf were married at St. Joseph's Catholic Church.

**Archie Jack Hoover Makes Honor Roll at FCC**

Word was received this week from the dean of Florida Christian College at Tampa, Fla., that Archie Jack Hoover, son of Mr. and Mrs. A. J. Hoover of Slaton has made the honor roll for the second semester.

At the close of each semester those who have carried 15 or more credit hours and have made a quality quotient of 2.05 are placed on the dean's list, those above 2.00 on the honor roll. Archie's average was 2.63.

Guests in the home of Mr. and Mrs. G. L. Clark Sunday were Mr. and Mrs. Roy Roberson of Wilson, Mrs. Myrtle Stanley and children of Clovis N. Mex., Ervin Owens of Houston, and Mr. and Mrs. Hollis Shoemaker and children of Happy Union.

Mr. and Mrs. C. A. McNeece and sons of Spur visited here with Mrs. McNeece's parents, Mr. and Mrs. J. R. Childress, Tuesday. The grandparents remained until Sunday.

**Buffalo Lakes Fireworks Display Slated Wednesday**

The annual Independence Day fireworks display at Buffalo Lakes will begin as soon as it gets dark on Wednesday, July 4th. The display will take place at the top of Rim Rock Canyon north of the boat house.

The colorful display annually attracts hundreds of South Plains residents and plans call for this year's show to be of sufficient interest to hold the interest of adults and children alike.

Thousands are expected to holiday at the lakes during the coming holiday. The lakes will offer celebrators swimming, picnicking, fishing, boating, horseback riding, and water skiing.

Slaton residents who plan to attend the fireworks display are directed to go seven miles on the Lubbock highway and turn right at the Buffalo Lakes sign to reach the resort area.

Mrs. W. A. Cook returned Saturday night after spending the past five weeks with her daughter, Mrs. B. J. Finlayson, and family.

**Friday, June 29, 1956**

Mrs. T. A. Davis and children are visiting in Ft. Worth and Dallas this week.

**Young folks... with OLDS ideas!**

**...and more and more of them are discovering that the big Rocket-powered 88 is well within their reach—especially right now!**

**Small wonder** more and more young moderns are going for Oldsmobile in such a big way! Most folks naturally prefer a prestige car... especially when it's such a value. Just look —

- ... a price that fits your budget better than many models of the smaller, low-powered cars!
- ... a resale value so high it traditionally tops the field at trade!
- ... a reputation for lively performance that's known and envied — everywhere!

**Best of all, this Oldsmobile is fun to own.** And, with its famous Rocket Engine — a thrill to drive. Above all, this Oldsmobile is a BIG car... with the riding comfort, superior stability and safety typical of big-car design.

**Come in for a behind-the-wheel trial of a new Oldsmobile. See for yourself how much your present car is worth in trade if you act now!** You, too, will get Olds ideas... and the price of an "88" makes it easy for them to come true. See us now! You'll find that we do business in a quality way to match the quality of the cars we sell.

**Ask us to show you the figures... YOUR INVESTMENT HOLDS WHEN YOU GO OVER TO OLDS!**

We have the facts and figures to make it clear that Oldsmobile has top value today when you buy it... top value tomorrow at resale. Let us show you!

## Slaton Motor Co. Celebrates 35th Birthday in Slaton

## J. W. Rettig Dies Monday Morning In Houston

J. W. Rettig of Houston, brother of Mrs. C. L. Pack of Slaton, died in Houston Monday morning following an illness of two months. Funeral services were held in the First Presbyterian Church at Baird Tuesday afternoon with interment in the family plot at Baird.

Among his survivors are his wife of Houston, one son, John, of Lake Charles, La., and one grandchild.

Mr. and Mrs. Pack were accompanied to Baird by their daughter, Mrs. Neil Hallmark, Mr. Hallmark, Dina and Nancy of Oklahoma City. Mrs. Pack had recently spent a month with her brother during the time of his illness.

## Art Club Luncheon Given in Keys Home Tuesday

Mrs. A. R. Keys was hostess when the Slaton Art Club met in her home Tuesday, June 26, for a one o'clock covered dish luncheon.

New officers elected were Mrs. Byron Johnson, president; Mrs. Wayne Kenney, vice-president; Mrs. John Fondy, secretary; Mrs. Arthur Dennis, treasurer; Mrs. Brian Sartain, reporter.

At the luncheon hour the tables were centered with arrangements of daisies and gladioli from the garden of Mrs. A. E. Whitehead. Handpainted china and silver were used as appointments.

During the business hour the exhibit date was changed from June to October. A report was made that Mrs. C. F. Anderson had received a card from a former club member, Miss Cordelia Grantham who is now Mrs. Rocco Sansome. She is now living in Europe where her husband is a lieutenant colonel with the U. S. Armed Forces. She had been vacationing in Italy, Austria and Germany and had been seeing so many masterpieces of art she was wishing Mrs. Anderson and Claudia could be with her.

Those who attended the luncheon were Mesdames A. W. Arnold, A. Dennis, Johnson, W. H. Dawson, Wayne Kenney, Yates Key, J. D. Norris, C. L. Tanner, Harvey Tunnell, M. L. Turnbow, A. E. Whitehead, Phillip Dawson and Fondy.

Mrs. Joe Smith visited her parents, Mr. and Mrs. R. L. Gressett of Weleetka, Okla. last week.

Stokes first opened the doors of Slaton Motor Company in 1921 and has been with the organization since. Stokes and his wife have two children, Gerald of Dallas and Mrs. W. H. Mudgett of Sudan.

To make Thursday's celebration complete, Slaton Motor will begin a nine-day anniversary sale Friday, June 29. To give the people at the local dealership more pride of a letter was received this week from C. J. Seyffer, dealer relations manager for the Ford division of the Ford Motor Company, offering congratulations to the firm which is in its 35th year.

The letter thanked the Slaton organization for its contribution to the growth and success of the Ford Motor Company during the 35 year period.

During the sale free refreshments will be on hand for those who drop in. Both new and used cars will be on sale and as Bill Smith put it "We want our friends to know that we appreciate the fine business we have enjoyed during past years."

Smith is general manager of the Slaton Motor Company, a position he has held for the past four and a half years. Before coming to Slaton he put in an 18 year hitch with the Ford Motor Company factory in Dallas. He has more than 20 years experience in the Ford field.

Continental Picnic Held in County Park Sunday

Continental Oil Company employees, who live in Slaton and their families, had a picnic at the county Park Sunday afternoon.

Those who attended were W. C. Kerr, Mr. and Mrs. B. R. Qualls and family, Mr. and Mrs. John Wall, Mr. and Mrs. L. P. Fudge and family, Mr. and Mrs. B. L. Tibbetts, Mr. and Mrs. C. L. Trousedale and family.

Mr. and Mrs. R. V. Alexander of family, Mr. and Mrs. R. L. Sledge and family, Mr. and Mrs. D. Cheatewood and family, Mr. and Mrs. M. T. Gilbert and family, and Mrs. J. L. Harms and family.

T. L. Tew, L. G. Diforio, Mr. and Mrs. L. G. Mahnke and family, Mr. and Mrs. Kelly McWhorter, Bob Slicker and Troy Sigler.

Mike Watkins, who is a second lieutenant in the U. S. Army Reserve, returned Sunday from two weeks spent in Ft. Eustis, Va. He drove his car to Houston, then drove to Washington with the group.

Mr. and Mrs. C. E. Hogue and family recently returned from their vacation. They visited with Hogue's mother, Mrs. Lillie Hogue, in San Francisco, Calif.

Mrs. Hogue's mother, Mrs. R. Rogers of Valley Mills.

Mr. and Mrs. Joe Loke visited the home of Mr. and Mrs. Erick of Slide Sunday.

Mr. and Mrs. H. K. Ford of Mataforda were Sunday guests in the home of Mr. and Mrs. Floyd Johnson.

THE 1955-56 TIGER BAND is shown here as it appeared in practice in the high school auditorium for the University Interscholastic League contests which were held later the same week at Levelland. The 70 piece band took a Division II Excellent rating in the contest and several individual awards went to various members of the band. (Photo by Medwin Gattis)

## Band Students From Slaton Attend Tech Band School

Slaton was represented by five local band students at the annual Texas Tech Summer Band School which ended today, June 29. The five include Russell Cummings, Betty Joyce Green, Dorothy Heaton, Dee Alan Tucker, and Gary Ward.

A total of 279 high school students from 39 communities attended the meet. The students were divided into four bands, depending on age and experience. They received group and individual training from 21 guest instructors and two advanced college students.

The three-week course included classes in baton twirling and marching in addition to musical instruction. The school was held under the direction of Dr. D. O. "Prof." Wiley, Tech band director.

Georgia Ruth and Dena Frances Favor of Abilene have been visiting here with their aunt, Mrs. Edwin Haddock and Mr. Haddock for the past week. Over the weekend they visited their parents, Mr. and Mrs. Houston B. Favor, and family arrived for a visit in the Haddock home.

Those formations which the band presents at half time are not just spur-of-the-moment drills, but formations which represent from eight to ten hours of drill and practice each week prior to Friday night. Considering that a new formation is presented each week the students who march in the band must be willing to put a lot of extra hours and study to prepare themselves each week.

Band Appears

Though the band has appeared only briefly during football season in past years, plans are underway, now that a space in the new high school permits, to present at least one public concert in the coming year.

The man most responsible for these formations and for the choice of music which the band plays while going through their paces is Bill Townsend, Slaton High School's band director. Townsend has been director here since 1950 and served as band director of the high school at Hugo, Oklahoma prior to that time. He is a graduate of Southeastern Oklahoma State with a bachelor of art's degree in music education.

Master's Degree

Townsend is working on his master's degree in music education during the summer months at Texas Technological College in Lubbock. He and his wife reside at 520 West Crosby St. in Slaton. They have two children, Randy, two and a half, and Candy, one and a half.

When he joined the staff of Slaton High School in 1950 the band was composed of about 45 members as compared with 75 during the past school year. Though five members of the band graduated in May, Townsend expects the band to be about the same size during the coming year.

Band students in the local school system are started from fifth grade classification on up through high school. When he reaches high school the band student can earn one half credit toward graduation for each year in high school. In other words, a student can earn two credits by playing in the band during his four years in high school.

School Supplies

The school supplies the larger more expensive instruments and the smaller ones are individually

W. O. Cleveland is ill at his home.

Mr. and Mrs. Frank Kitten and Mr. and Mrs. Johnny Melcher spent Sunday in Nazareth visiting with the Kittens' daughter and Mrs. Melcher's sister, Mrs. Paul Warren and Mr. Warren.

Mr. and Mrs. N. B. Boyce had as their guests this week Mr. and Mrs. E. L. Boyce and Sandra of Ft. Worth and Mr. and Mrs. Bill Butler and son of Seminole.

Mr. and Mrs. T. R. Joines spent the week-end in Lubbock with Mrs. Joines' parents, Mr. and Mrs. C. E. Reynolds.

Mr. and Mrs. E. R. Craft of Lubbock visited here with Mr. Craft's sister, Mrs. J. T. Kendrick and Mr. Kendrick.

Mr. and Mrs. Lee Limmer visited in Wilson Sunday with Mr. and Mrs. George Nolte and Mr. and Mrs. Weid. Mrs. Nolte who is ill and confined to bed is Mr. Limmer's aunt.

# "Hold That Tiger" Theme Song Of Slaton High School Band

Whether they are seated in an orderly fashion on a concert stage or strutting across the field blaring their drum major with horns blaring forth the cocky strains of "Hold That Tiger," the Slaton High School Band always leaves behind the impression that they are a very important part of the high school—and are proud of it.

Interscholastic League

Though the band members participate each year in interscholastic league competition in the area, they, like most high school bands, are probably best known for their appearances at half time during the high school football season. During the season the band concentrates mostly on military and popular music—not to mention the school fight song "Hold That Tiger," which is sure to make its appearance at least once whenever the band participates in anything.

Half-time Formations

Those formations which the

band presents at half time are not just spur-of-the-moment drills, but formations which represent from eight to ten hours of drill and practice each week prior to Friday night. Considering that a new formation is presented each week the students who march in the band must be willing to put a lot of extra hours and study to prepare themselves each week.

## Town Value Stamp Organization \$5,000 Contest Begins July 1

Slaton's Town Value Stamp organization will offer \$5,000 in prizes in a contest which begins July 1 and ends June 30, 1957. The contest offers the winner a seven day all-expense paid trip to Alcapulco, Mexico. The winner, or Royal Family as the association will call the winner, will also receive \$200 spending money for use on the trip.

Prizes will be awarded to the 16 winners redeeming the largest number of Town Value Stamps during the one-year period. As

each book is redeemed the merchant will give the customer an official entry blank to be turned in near the end of the contest. All entries must be in to the association on or before June 30, 1957. Mailed entries must be postmarked not later than midnight June 30.

Other prizes which will be given at the end of the contest are as follows: 2nd, boat and trailer; 3rd, choice of mink stole or top quality electric range installed in home; 4th, Mark "25" outboard motor; 5th, motor scooter; 6th, automatic washer; 7th, automatic dryer; 8th, self-propelled power lawn mower; 9th, deer rifle; 10th, shotgun (Winchester, gas operated); 11th, Poloroid camera; 12th, fishing kit, complete with spinning rod and accessories; 13th, watch; 14th, suit (\$60 value); 15th, bicycle (boys or girls); and 16th, bicycle (boys or girls).

## Cold Facts Prove More Students Due

Educators in the public schools have a set of cold facts to keep them thinking daily.

No one can argue with the stark, and projections show there will be about 300,000 more students in Texas schools in the 1959-60 school year than there were during the past school year.

State education agencies urge the public to start stimulating interest teaching of the elementary grades and continuing the program through high school by getting scholarships from civic and professional groups for capable graduates who want to teach, encouraging school-community cooperation through observances such as public school week, enlisting the assistance of parent-teacher associations in encouraging capable young people to consider teaching as a profession, making a survey of qualified teachers in or near the community who are not now teaching but who may be interested in returning to the profession, and providing close contact with news outlets in recognizing the teaching success of local school graduates, professional growth of faculty members, and achievement of pupils and teachers.

Each year, one of every nine teachers leaves the profession. One-sixth of the present public schools personnel in Texas are past 50 years of age.

During the 1952-53 school year, 37,484 Texas pupils attended public school on the half-day or short schedule basis.

One out of every seven students should enroll in teacher education to meet the need for new teachers.

Projected School Census

Age	1953-54	1959-60
6	190,885	182,000
7	175,546	190,000
8	153,389	196,000
9	158,502	192,000
10	148,276	190,000
11	139,775	184,000
12	138,051	182,000
13	129,529	164,000

# Highlights and Sidelights FROM Your State CAPITOL

**By Vern Sanford**  
Texas Press Association

**AUSTIN**—Next month, for the first time in 24 years, Texans will be asked to vote—not only on men—but directly on issues.

State Democratic Executive Committee members have approved the placing of three questions on the primary ballot. Voters can express their desires for or against:

1. Legislation exempting a child from compulsory attendance at integrated schools.  
2. Legislation "perfecting" laws against intermarriage of Negroes and whites, and;  
3. Use of interposition to halt federal encroachment on states rights.

Majority approval presumably would constitute a mandate for action by the next legislature.

Historically, such voter referendums seldom have been used. And not too successfully. Present procedures, still substantially unchanged, were set up with the passage of the Terrell Election Laws in 1907.

In the nearly 50 years since then, referendums were held only three times. And failed to pass twice. In 1908 a prohibition proposal was voted down more than two to one. In 1919 the people rejected three to one a proposal to call a constitutional convention.

But, in 1932 Texans voted overwhelmingly in favor of repealing the federal prohibition amendment. A year later the legislature followed suit and ratified the repeal amendment.

This was the last referendum submitted until this year.

In other action the State Executive Committee certified a list of 31 candidates for statewide office. It ignored a charge by Reuben Senterfitt that Price Daniel's name was ineligible to appear on the ballot because he had not resigned his U. S. Senate post.

Fort Worth was selected by the committee as the site for the Sept. 11 state convention. Principal business at that time will be naming new party officers and deciding on a general election platform for the

Democratic gubernatorial nominee.

**GOP Chooses Corpus**  
Texas Republicans will hold their August 28 state convention in Corpus Christi. GOP nominees for state office, presidential electors, a new state chairman and a general platform will be decided upon at that time.

Selection of the convention site was made at the party's state executive committee meeting in Austin.

Committee members sent Pres. Dwight D. Eisenhower a telegram asserting their confidence that he will carry Texas and be re-elected in November.

**Redistricting Urged**  
Demands that Texas congressional districts be realigned were heard at both political party meetings.

Texas was allotted an additional congressman after the 1950 census. Since the legislature has rejected redistricting bills for the past two sessions, the extra man is elected by the entire state.

Bill Elkins, candidate for congressman-at-large, told the Democratic executive committee the main plank in his platform is to have the office he seeks abolished.

Republican National Committee-man Jack Porter said the GOP legal committee might seek federal court action to force the legislature to redistrict.

"It's not fair to have the same representation from districts of 100,000 as you do from areas with more than a million," Porter charged.

**Pearson Blamed Again**  
In a report made public by the Insurance Commission, TVman Drew Pearson received the brunt of the blame for luring Texans into investing money in the now defunct US Trust & Guaranty Co. The report was based on answers to questionnaires sent draft purchasers by the state liquidator's office.

Questionnaires were answered by 3,808 purchasers. They represented investments of \$4,711,132. Nearly half of them charged Pearson with influencing them into buying. This because of his personal, oft-repeated statement that "you can put

your trust in U. S. Trust."

Because Pearson personally recommended the purchase, the TV broadcaster several months ago pledged to refund all "profits" made on his commercials. As of this writing the Insurance Commission's records do not reveal any such repayments by Pearson.

**Civil Immunity Denied Officials**  
Public officials are not immune from civil liability for acts in connection with their duties. An Austin district judge so ruled in a case involving two former employees of the Insurance Commission.

Examiners Larry W. Blanchard and Robert R. Butler are among more than 50 defendants in a \$6,890,000 damage suit. It was filed by the state liquidator against those allegedly responsible for the 1954 collapse of the big General American Casualty Co. of San Antonio.

**Parr Trial Delay Expected**  
Another six months delay seems likely before the trial of George B. Parr on income tax evasion charges takes place. Parr's plea to have the trial in Laredo, rather than Austin, was rejected by the US Supreme Court. U. S. Attorneys promptly asked Judge Ben H. Rice of Austin for and early setting, preferably in July.

But Parr's attorneys said they will file for a rehearing before the Supreme Court. Such action could keep the case from coming up until January of 1957.

Parr was first indicted in 1954. He is charged with filing false returns in 1949, 1950 and 1951 and failing to pay the government \$86,000.

**Birth Certificate Bottleneck**  
State Health officials are urg-

## IN THE NAME OF THE LAW

CONTRIBUTED IN THE PUBLIC INTEREST BY TEXAS POLICE ASSOCIATION

ing parents of children who will enter school for the first time next fall to avoid the "birth certificate bottleneck." In past years thousands of requests have swamped the department in September. An estimated 260,000 children will be eligible to enter first grade this year.

**Short Snorts**  
Soaring heat and lack of rain is withering Texas crops and pastures in all areas except the high plains, reports the U. S. Department of Agriculture. The high plains still are green after three consecutive weeks of showers. . . . May was one of the best contract award months in Texas construction history. The \$168,102,823 contracted in May brings the 1956 total to \$572,000,000. That is better than the record year of 1953. . . . Eleven South Texas counties have been quarantined against shipments of citrus fruits from Mississippi, Florida, Louisiana and Alabama. Purpose of the State Agriculture Department's ban is to prevent a possible infestation of the Mediterranean fruit fly into Texas groves.

H. E. Clark of Mena, Ark. visited here last week with his son, R. J. Clark and family.

**Juvenile Delinquency**  
By Willie Bauer  
Assistant Chief of Police  
Beaumont, Texas

Juvenile Delinquency doesn't just happen. It is caused. Possibly in some cases by society in general, but more often than not Juvenile Delinquency is the direct result of "Parental Delinquency."

The Harvard Law School recently made an exhaustive study of Juvenile Delinquency in this Country. The results of this study have amazed me. For instance, in 80% of the cases studied there was no "team spirit" in the home. Twice as many juvenile delinquents came from broken homes as others. In 75% of the cases studied there was no fixed routine in the home. In 8 out of each 10 cases studied the mothers of the delinquents spent very little time at home. In 75% of the cases studied the fathers and mothers fought and quarrelled. In 80% of the cases studied the mothers took no interest in their children. In a majority of the cases the parents were unconcerned about their children's friends. In 75% of the cases studied the youngsters reported that their parents were indifferent to them—there was no love or respect in the home. In 80% of the cases

studied liquor was a factor. Still further, the study indicated that only a few of the sons and daughters went to Sunday School or church, even infrequently; and the same was true of their parents. To top this off, there was absolutely no religious discussion in the homes affected. It was indeed interesting for me to note that in all ten of these findings "THE ORIGINAL FAULT WAS WITH PARENTS."

There's no secret about what causes our juvenile problem of today. Both the cause and the cure have been before us for years. Yet, by far, the majority of parents either fail or refuse to admit it.

The very first mistake a good many parents make is when they allow their children to sleep past Sunday School time. Now, I'm no religious fanatic, but I can honestly say that I've never attended Sunday School or church, whether I wanted to or not, without learning something.

The second mistake is when parents become too busy to have those good 'ole fashioned family conferences. We fail to realize that children are not motivated by reason and object. They lack wisdom, the wisdom we, as parents, are obligated to provide for them. What better place is there to develop such wisdom than in the 'ole fashioned family conference?

Our third mistake is probably the most expensive of all. We dealt democracy a terrific blow when we took the paddle out of the school teacher's hand. Year in and year out—particularly during the formative years—our children spend far more of their active hours with school teachers than

they do with parents. Yet, we have deprived these teachers, who have the responsibility of forming our children into good citizens, with the very disciplinary action that makes children into good citizens and parents.

This business of out-smarting a child was a tough thing for our parents to put over on us when we were children, and it's getting tougher with each generation. With the movies, television, and other things, our children are given a much better opportunity to become educated earlier in life than we did. Don't try to outsmart your

child. There's no such short-cut. You know as well as I do that some of those things the old folks tried to put over on us just didn't take. Remember what you and I did when such attempts were made? Why, of course, we laughed at such stupidity—and that's what your children will do too.

Think I'm wrong? If you do then take a look at the other countries of the world that have practically no juvenile delinquency problem. When you do you'll find that the children in those countries are being reared like we're "raising" our children.

From where I sit... by Joe Marsh

### Junior Gets "Pinned" Down

Junior Baker and friends are all set for their circus. Look for their advertisements on neighborhood trees.

The kids have had problems in staging the event. The biggest was the admission fee. Junior wanted to charge five cents. Mrs. Baker thought it would be much nicer if they charged five pins.

So Junior held a meeting with his Directors—then told his mother they'd taken her advice.

The ads now read: Giant Circus, Junior's Backyard. ADMISSION FIVE PINS. CENTS TAX.

From where I sit, that's a cute example of a mighty important point—if you want things to turn out your way, then you had better let the other fellow have his choice, too. For instance, if your taste should happen to run to, say, iced tea... then you owe it to yourself to see that those who prefer beer, buttermilk or whatever you get to enjoy their favorite beverages, too. After all, turn about's fair play.

Joe Marsh

## Funeral Services Weld for Father Of Slaton Man

Funeral services were conducted Wednesday morning in Seguin, Texas for J. O. Kunkel, father of Melvin Kunkel of Slaton. Kunkel passed away Monday.

Melvin Kunkel left for Seguin Tuesday, June 19 after receiving word that his father was seriously ill. Accompanying him were his wife and daughter, Wanda.

### CARD OF THANKS

May we take this method of expressing our thanks and appreciation for the many kind and thoughtful acts by our neighbors and friends during the illness and at the death of our mother, Mrs. J. M. Mowell. Especially are we grateful for those who have sent so many cards and letters during her long illness and for the beautiful floral offering.

—Mr. and Mrs. A. T. Wright and Family

Mr. and Mrs. J. H. Eaves and Mary Beth, and Sue Prossies visited in Brownfield Tuesday with Mr. Eaves' brother, Euland Eaves, and family.

### PROPER STORAGE AND MOTOR ADJUSTMENTS CAN CUT TRACTOR FUEL BILL

Savings of 10 per cent or more in fuel bills can be made by most farm tractor operators if they give attention to proper fuel storage and fuel system adjustments, says W. L. Ulich, extension agricultural engineer.

Evaporation during the hot summer months takes a toll of fuel in storage. Partially filled tanks exposed to the sun may lose three to four per cent of their contents within a month. Shaded tanks lose one per cent or less. Over a period of three months unshaded tanks may lose up to 15 per cent but those in the shade only 6 per cent.

Painting storage tanks with aluminum or white paint will aid in cutting evaporation losses, says the engineer, because the light colors reflect the sunlight. Too, he adds, a small storage tank filled every two weeks will cut the storage period and the losses from evaporation which climb with long storage.

The farm tractor which is serviced regularly and kept in top operating condition is also the most economical to operate from the standpoint of fuel consumption, check of the air cleaner, all hose and fuel line connections and carburetor. Most of this checking can be done at a glance but in case a

### SLATON GIRLS TO ATTEND McMURRY BAND SCHOOL

ABILENE, (Spl)—Two Slaton girls have registered for McMurry College's eighth annual summer band and twirling school, to be held here on the McMurry campus July 15-28.

They are Nancy Mosley, daughter of Mr. and Mrs. Bill Mosley of 1035 South 11th St.; and Martha McCormick, daughter of Mr. and Mrs. Mack McCormick of 120 West Geneva St.

Both girls will receive instruction in baton twirling.

Raymond T. Bynum, professor of music and director of the Indian Band at McMurry, said that 274 students from 65 Texas towns and cities had registered for the two-week band clinic through June 22. Final registration is expected to top last summer's enrollment of 370, Bynum said.

The students will be housed in

difference is noted in the amount of fuel consumed, then, he says, it's time to make a more detailed inspection for locating the trouble.

It must be remembered, points out Ulich, that approximately 40 per cent of the operating costs of a farm goes for fuel. If this bill can be cut by 10 per cent or more, the difference will help cut the cost of producing a crop and take a little slack out of the price-cost squeeze.

McMurry dormitories and will take their meals in the college dining hall. They will receive instruction in solo, ensemble and concert band playing, music theory, twirling and drum majoring from a staff of 22 instrumental music and twirling teachers.

The twirling staff of nine instructors will again be directed by Bill Adkins of Haskell and Mrs. LaGaytha Gothard of El Paso, two McMurry Band alumni who are now teaching in Texas public schools.

Anyone desiring further information on registration or cost of the band and twirling school is requested to contact Bynum at the McMurry Band Hall, Abilene, Texas.

Mr. and Mrs. Carl Townsend and children of Odessa visited his parents, Mr. and Mrs. W. O. Townsend, over the week-end.

Mr. and Mrs. J. W. Stringer of Trinidad, British West Indies, visited over the week-end with Mrs. Stringer's sister Mrs. T. A. Turner and Mr. Turner. They were enroute to their home in Colorado Springs, Colo. where they plan to retire.

Mrs. Earl Eblen and children and Mr. and Mrs. L. T. Garland were in Dallas last week. They visited with Mrs. Garland's sister, Mrs. Mina Harrison.

# WILSON NEWS

Mr. and Mrs. Charlie Lichey and Mary Lou visited Mr. and Mrs. R. W. McCrary of O'Donnell Sunday. Mrs. Katie Nieman attended the funeral services for her sister-in-law, Mrs. Henry Nieman of Muleshoe, on Wednesday. Mrs. Nieman died Monday after suffering a stroke.

Mr. and Mrs. Ollie Riddle visited Mr. and Mrs. Rile Regan of Abernathy on Tuesday.

Mr. and Mrs. J. O. King visited Mr. and Mrs. J. L. King and family of Amarillo and Mr. and Mrs. Lonnie King and family of Plainview last week.

Mrs. Cunby of Aspermont is visiting Mr. and Mrs. Clifton Gardner and family.

Mrs. Jim Johnson of Lubbock visited her sister, Mrs. Alice Davis, on Sunday.

Thirteen members of the MYF of the Methodist Church attended the sub-district meeting at New Home Monday night. New Home was in charge of the worship program. The local pastor, Rev. Billy Wilkenson and Mrs. Wilkenson were elected pastoral counselors for the sub-district.

Mrs. C. A. Coleman and Mr. and Mrs. G. C. Coleman left Wednesday for several days visit with relatives in California.

Mrs. H. C. Fountain had as her lunch guests Sunday Mr. and Mrs. Bill Deaver of Slaton, Mr. and Mrs. Earl Tunnell of Tahoka visit-

ed them in the afternoon. Charlene Riddle of Tahoka spent a few days last week visiting her grandparents, Mr. and Mrs. Ollie Riddle.

Mr. and Mrs. Brock and Gladys of Lubbock spent the week end visiting Mr. and Mrs. Floyd Heck and family.

Rev. O. Buntrock of Lubbock filled the pulpit at St. Paul's Lutheran Church Sunday in the absence of the Rev. G. W. Heinemeier, who is attending a meeting in Michigan. The Rev. Buntrock will be guest speaker again Sunday July 1.

Mr. and Mrs. Ernest Allison and son of San Benito visited the Rev. and Mrs. H. F. Scott and Mark over the week end.

Mr. and Mrs. Charlie Schaffner of Slaton, Mrs. Katie Nieman, and Mr. and Mrs. Jake Mueller visited Mr. and Mrs. Jake Nieman Sunday afternoon.

The W. S. C. S. of the Methodist Church met Monday afternoon for the monthly study. Mrs. Billy Wilkenson led the study on "A Testament of Devotion," the life of Thomas Kelley. Twelve members were present.

Mr. and Mrs. A. N. Crowson and family and Mr. and Mrs. Sam Crowson and family and Nancy Cook visited relatives in Sulphur Springs over the week end. Mr. Crowson's parents celebrated their 50th anniversary on Sunday.

Linda and Ginger Riddle of Tahoka are spending a few days with their grandparents, Mr. and Mrs. Ollie Riddle.

Mr. and Mrs. W. C. Huffaker of Tahoka visited Mrs. Alice Davis Friday night.

Mrs. Lenan Rogers, the former Margie Owens, was honored with bridal shower Thursday night in the home of Mrs. Lonnie Lamsden. Miss Elizabeth Parker registered the guests. The serving table, which was laid with a lace cloth, was centered with gladiolas and bells of Ireland on styrofoam. Miss Hazel Robinson served the frosted cookies and Mrs. Dave Peterson lauded punch. Mints were also served. Mrs. G. H. Nelson played pian selections through the calling hours. Thirty-five guests called between the hours of 7:30 and 9:30 p. m.

Mrs. Royce Skinner honored her daughter, Jan, on her fourth birthday Tuesday. Refreshments of ice cream, cake, and punch were served to seventeen guests.

Mrs. G. W. Nickel, who makes her home here with her daughter, Mrs. Hamper Dawson, and family is visiting this week with another daughter, Mrs. L. E. Evans and family of Muleshoe.

Mr. and Mrs. T. V. Walker and children of Lubbock visited here with Mr. and Mrs. Gordon Davis last Sunday.

Mr. and Mrs. Cliff Davis of Collinsville spent Friday with Mr. and Mrs. W. T. Davis. Sunday the W. T. Davises visited in Kress with Mr. and Mrs. P. W. Davis.

## News Of Slaton Men In Service

Pvt. Donald Schilling

Schilling in Germany

Pvt. Donald T. Schilling writes his parents, Mr. and Mrs. H. Herman Schilling that he has reached Germany. His detachment left Ft. Dix, N. J. by plane at 11 a. m. Sunday, June 10, and arrived in Germany at 11:30 a. m. Monday. Enroute to Germany they stopped at Newfoundland and Scotland.

Schilling says a big majority of the people in Germany ride bicycles and look real strange after being in America.

His assignment is with services and supply driving a truck. His new address is: Pvt. Donald T. Schilling US4167242, 98th Gen. Hosp. Med. Det., APO 34 New York, New York.

### Burlison Completes Course

FORT GORDON, GA.—Pvt. Jimmie L. Burlison, son of Truman B. Burlison, Slaton, Tex., recently completed the manual central office repair course at the Army's Southeastern Signal School, Fort Gordon, Ga.

The 14-week course trained him to install and repair central office switchboards and communications equipment.

Burlison entered the Army last February and received basic training at Fort Chaffee, Ark. He is a 1953 graduate of Three-Way High School in Maple. He was a bookkeeper for Liles Sheet Metal.

### Lambert Enters Navy

R. L. (Bob) Lambert left June 16 for Great Lakes, Ill. where he is receiving 9 weeks of boot training after entering the U. S. Navy. He is the son of Mr. and Mrs. L. O. Lambert.

Bob is due to be home in August

after the completion of his training. He told his parents in a letter it had rained for three days, but that the barracks and food was very good.

### Burlison in Japan

YOKOHAMA, JAPAN—Pvt. Glenn R. Burlison, 17, whose wife, Gwendolyn, lives in Slaton, Tex., recently arrived in Japan and is now a member of the 94th Engineer Company at Yokohama.

Burlison, an auditing clerk in the engineer parts supply section, entered the Army last October and completed basic training at Fort Ord, Calif.

The son of Truman B. Burlison, Slaton, he was a bookkeeper for the Liles Sheet Metal Works.

Guests in the home of Mrs. Joe W. Tate were her parents, Mr. and Mrs. W. H. Reeves, her brother, L. R. Reeves and Mrs. Reeves, Michael, Allen and Roxann, of Burlison and her brother-in-law, J. C. Atkins, Nancy, James, and Eddie of Galveston.

Mr. and Mrs. C. E. Fox and Lavon returned recently from a two weeks vacation in Arkansas City, and Wichita, Kansas.

Mr. and Mrs. Boby Glasscock and daughter Brenda of Crane visited in the home of Mr. Glasscock's parents, Mr. and Mrs. Herschel Glasscock, Sunday.

Mr. and Mrs. B. B. Green and son returned after a weeks vacation in California where they visited CWO and Mrs. Olen Parker at Presidio, Mrs. Chestine Ripple in Oakland, and the C. A. Gibbs at Walnut Creek.

Mr. and Mrs. Alex Webb, Jack and Jane returned Wednesday from a weeks vacation in Santa Fe and Albuquerque, N. Mex. and Platoro, Colo.

Mr. and Mrs. Troy Lester and Ronnie of Levelland visited with Mrs. Lester's sister, Mrs. George Gamble, Mr. Gamble and sons Sunday. Saturday visitors in the Gamble home were Mr. and Mrs. Joe Gamble of Wolfroth.

Bob Vivial went to Dallas Saturday to get Mrs. Bob Vivial and daughters, Shelley and Sherry Lynn. They had been visiting Mrs. Vivial's parents, Mr. and Mrs. J. W. Gathings.

Mr. and Mrs. C. E. Fox and Lavon returned recently from a two weeks vacation in Arkansas City, and Wichita, Kansas.

Mr. and Mrs. Boby Glasscock and daughter Brenda of Crane visited in the home of Mr. Glasscock's parents, Mr. and Mrs. Herschel Glasscock, Sunday.

The Slaton, Tex., Slatonites Friday, June 29, 1956

Mrs. W. I. Scudder has returned for another visit with her daughter Mrs. Webber Williams Sr.

Mr. and Mrs. C. F. Schnell spent Sunday in Midland visiting with friends.

### 100,000TH DRAFTEE IS CALLED UP

AUSTIN—State headquarters of the Selective Service announced Monday that Edward Thomas Murphy of Sherman would be the 100,000th inductee from Texas since the beginning of the Korean war in 1950.

Murphy will be inducted, along with special ceremonies, on July 3 at the U. S. Army induction station in Dallas.

On hand for the special occasion will be Col. Morris S. Schwartz, state director of Selective Service, and Lt. Col. R. B. Hall Jr., chief of the manpower division of the State Selective Service.

### GREATLY IMPROVED DEER SEASON EXPECTED IN MASON COUNTY

Mason County is a favored spot among sportsmen whether users of rod or gun.

Until the recent drouth, the county consistently ranked first among all counties of the State in number of deer killed each season. It still ranks high, and predictions are that this year the season will be greatly improved over the curtailed two-weeks' season of 1955.

Recently, land-owners of the county voted to have a four-weeks' season this year, subject to approval by the State Game Department.

Efforts are also underway to restore the supply of wild turkeys. Dove shooting has remained excellent, and a certain amount of quail hunting is enjoyed each year. Fishing in the Llano River this spring has been unusually good, with many jumbo catfish being snared as well as a good number of bass.

Although almost entirely localized, coon hunting is also popular in the county.

### NUTRITION FOR SENIOR CITIZENS

If you are a man over 50, chances are you need more foods rich in vitamin C than your wife. Extension foods and nutrition specialists say probably both of you need more protein and iron and less fat than most people get in their daily diet.

These are some of the conclusions indicated by a recent University of California study of nutrition.

Men in the study had less vitamin C in their blood than the women, even though they ate more heartily of foods generally and thus had a higher vitamin C intake. Lack of vitamin C in the diet often is the cause of tender, bleeding gums and subsequent loss of teeth. Such troubles were found among a number of the older people in this study whose blood tested lowest in vitamin C.

Values of cholesterol, the fatty chemical found in excess in the middle and inner layers of artery walls in persons afflicted with the artery disease, arterosclerosis, were low in men who were 20 per cent or more overweight. They were high in those who were 20 per cent or more overweight. There is no clear-cut relationship of this kind for women. Apparently, women can endure more cholesterol in their blood without harm than men.

Findings in the study showed that the red color in the blood, or hemoglobin, varied directly with the amount of iron and protein food. The more you eat the more you have.

A practical application of these findings for senior citizens would be to eat plenty of fruits, cottage cheese, vegetables, skim milk, lean meats and lean fish. Some foods important for vitamin C are oranges, grapefruit, strawberries, tomatoes, salad, greens, broccoli, and raw cabbage.

Assembly of God	68
Pentecostal Holiness	49
Bible Baptist	63

## Bankers to Aid 4-H Foundation

AMARILLO—Four-H Club work throughout the nation will benefit from a special fund now being raised by Texas bankers. These longtime friends and supporters of 4-H under the leadership of Art P. Bralley, vice president of Amarillo's American National Bank have joined in a national fund raising effort in behalf of the National 4-H Club Foundation.

Bralley is state chairman and J. W. Tapp, chairman of the Board of the Bank of America, is the national chairman for the program.

The state chairman has told Texas bankers that the National 4-H Club Foundation is a non-profit, educational organization which not only helps improve and expand 4-H club work in the United States but also provides an opportunity for our young people to promote world understanding and peace.

Currently, Bralley said the Foundation is supporting the International Farm Youth Exchange program which exchanges rural youth between the U. S. and other countries; is engaged in establishing and operating the National 4-H Club Center; conducting a citizenship improvement study in which Texas is participating as a pilot state and sponsoring a workshop program in human relations training for youth leaders. Bralley said 10 Texas 4-H leaders have attended one of the workshop sessions.

The Amarillo banker said that many banks are supporting 4-H club work on the local level but urged all banks to give consideration to the support of the National 4-H Club Foundation.

Davy Haberer of Earth arrived Monday to spend a week with his aunt, Mrs. Norman Carter, and family.

Three Southwest Conference schools will be met by Texas Tech footballers in 1956. Games are with Baylor at Waco Sept. 29, Texas A&M at Dallas Oct. 6, and with Texas Christian University at Lubbock Nov. 10.

## Social Security December Permits Total 7154

Social Security payments totaling \$292,811 went to 7154 people in the South Plains Area in the month of December 1955, according to John G. Hutton, Manager of the Lubbock Social Security Office. This was an increase of over 30% over payments at the end of 1954.

In making this announcement today, Hutton said that many persons think of the old-age and survivors insurance program as providing protection only for older men and women. He made it clear that it is also a program benefiting youngsters. At the end of 1955, nationwide, about 1,275,000 children under age 18 were receiving monthly benefit payments under the social security law. Of these, 120,000 were being paid monthly dependent's benefits because of the retirement of an aged parent; the others were receiving survivors benefits as children of a deceased parent. Hutton pointed out that about four times as many orphaned children are receiving benefits under the old-age and survivors insurance program as are being helped under the Federal-State program for aid to dependent children. Nation-wide, almost 300,000 mothers of children under age 18 were receiving monthly survivors insurance benefits under social security at the end of 1955.

As a further illustration of the protection Federal Survivors insurance now provides for the young people of the country, Hutton pointed out that the mothers and children in 9 out of 10 American families can receive monthly survivors insurance benefits, if death should take the family breadwinner. More than half of all young children in the Continental United States whose fathers have died were receiving social security benefits at the end of 1955.

"With the bringing in of many groups of employed and self-employed persons previously excluded, the old-age and survivors insurance program achieved almost universal coverage at the beginning of 1955," Hutton said. He pointed out that an estimated 68 million persons had taxable earnings under the program in calendar year 1955. Some 70 million workers were injured as the year came to an end. Of this number, 32 million are permanently insured and can qualify for old-age benefits at age 65, regardless of future employment; likewise, in the event of death, their survivors can qualify for monthly benefits, lump-sum death payments, or both.

When a worker retires or dies, he or his survivors are urged to visit, phone or write the Lubbock social security office for assistance in making claim for benefits. "In fact," Hutton said, "the social security office should be contacted (1) when a worker reaches age 65, regardless of retirement, (2) when he reaches age 72, regardless of earnings, (3) when an insured member in a family dies, and (4) when a worker becomes disabled for any gainful employment or self-employment."

The Rev. and Mrs. Harrol Waterbury and daughter were guests here Thursday and Friday in the home of Mrs. Waterbury's sister, Mrs. Calvin Klaus and Mr. Klaus. Saturday Mrs. Waterbury and Mrs. Klaus went to Snyder to visit their mother, Mrs. Beulah Lewis. Mrs. Waterbury remained to spend the week with her mother.

J. W. Clifton left Thursday to report back to duty on the USS Hornet at Bremerton, Wash.

Mrs. Ty Cobb of Weslaco is spending a few days here.

ning of 1955," Hutton said. He pointed out that an estimated 68 million persons had taxable earnings under the program in calendar year 1955. Some 70 million workers were injured as the year came to an end. Of this number, 32 million are permanently insured and can qualify for old-age benefits at age 65, regardless of future employment; likewise, in the event of death, their survivors can qualify for monthly benefits, lump-sum death payments, or both.

When a worker retires or dies, he or his survivors are urged to visit, phone or write the Lubbock social security office for assistance in making claim for benefits. ## New Developments Reported Recently In Greenhouses

One of the most serious problems faced by growers of greenhouse crops in Texas and other areas of the South and Southwest is that of extending the production period for greenhouse crops to a full 12 months each year.

Experiments started at Texas A & M College in 1949 by A. F. DeWorth, head, Department of Floriculture and Landscape Architecture and Assistant Professor R. C. Jaska of the Department of Agricultural Engineering, show that the wet-pad type of greenhouse cooling is practical, economical and efficient and makes year-round production possible.

The use of this cooling system extended the production periods and improved the quality and yield of chrysanthemums, geraniums, snapdragons, kalanchoes, begonias, hydrangeas, lilies, poinsettias, azaleas, gloxinias and foliage plants. Calceolarias, cinerarias, stocks, primroses, carnations and tuberous rooted begonias were produced successfully, were timed

accurately and brought a high market return.

Details of the experiments have been released by the Texas Agriculture Experiment Station in publication, MP-163, Greenhouse Cooling. It is available from the Agricultural Information Office, College Station, Texas.

Mr. and Mrs. J. J. Maxey and Pam visited Mrs. Maxey's father, Dr. Paul Owens and Mrs. Owens in Pampa over the week-end. Mrs. Rosa Owens accompanied them and visited with Mr. and Mrs. R. E. Sprinkle.

## The Slaton, Tex., Slatonite Friday, June 29, 1956

Saturday night supper and Sunday dinner guests at the home of Mr. and Mrs. Otto Klaus were Mr. and Mrs. Ed. Michallis and Mr. and Mrs. Ed. Michallis and daughter, Carol Jean, Mr. and Mrs. Werner Klaus and family, and Mr. and Mrs. Calvin Klaus and family. Ed Michallis is Mrs. Otto Klaus' brother.

Keith Wiseman of Snyder and Nancy Clifton attended the Walker-Davis wedding in Spur Friday.

## Most modern truck V8's ...and the pounds prove it!

Pound for pound, the most powerful truck V8's today are Chevrolets. That's one way you can tell they're the most modern V8's going!

Chevrolet's modern short-stroke V8 truck engines do more work for their weight than any other V8 in any truck today!

That means they carry around fewer pounds for power they develop. (They weigh up to 200 pounds less than other comparable engines!) It means, too, that less of the maximum truck G.V.W. consists of engine weight—and more is devoted to payload.

Stop by and let us give you the facts on Chevrolet's compact, super-efficient truck V8's.

**Weigh the facts...**  
and you'll choose today's most modern trucks

Wasted weight is engineered out of Chevrolet truck V8's!

The ultra short-stroke of Chevrolet's truck V8's makes possible a rugged yet compact cylinder block. Modern design cuts down engine weight and increases engine efficiency.

More power per pound means more power for your payload!

Since less power is used in moving engine weight, a bigger proportion is available for moving your payloads. You get hour-saving performance on the job. And modern V8 power saves dollars, too!

There's a modern V8 for every Chevrolet Task-Force truck!

There's a powerful, deep-breathing V8—either standard, or optional at extra cost—in every Chevrolet truck model. Horsepower ranges as high as 195 for fast, efficient high-tonnage hauling.

## Chevrolet Task-Force Trucks

Anything less is an old-fashioned truck!

**This Could Happen  
To You If You Have  
Curious Boy Around**

The old adage "Believe nothing you hear and half you see" was proved again this past Saturday when Lee Anderson of Cloudfcroft, N. Mex., 11 year old grandson of Mr. and Mrs. C. F. Anderson, went on an outing with his grandmother and found a "pet" on the Peterson farm south of Wilson.

Lee, who has recently read an article in a current magazine telling that most snakes are non-poisonous, walked up with a 14 inch snake wrapped around his arm, calmly stroking it as he held it close behind the head.

Grandmother tried to convince him he was holding a rattle snake, but he insisted the "poor little thing" didn't even have any fangs. After placing the snake in a fruit jar, they took him to Wilson to a filling station where he was labled as a rattler and killed.

By then Mrs. Anderson was "slightly" unnerved, but Lee, curious as usual said, "Grandmother, are snakes hatched or born?" She couldn't answer his question. Could you?

**Community Clinic**

**Homemakers Class Meets in Nowell Home Thursday**

Homemakers Class of the First Baptist Church met in the home of Mrs. Auden Nowell at 610 So. 7th, for their monthly class meeting and social hour Thursday, June 21.

Presiding in the absence of the president, was Mrs. Dan Liles. The meeting was opened with a prayer by Mrs. Fannie Patterson and the class song, "Blest Be The Tie," was sung by the group. Mrs. J. A. Douglas presented a devotion based on Psalms 101. The hostess closed the meeting with a prayer.

Refreshments were served to Mesdames Ed Meyers, Douglas, Patterson, Joe Teague Jr., Liles, M. Rust, and a visitor, Mrs. L. Gregory.

**MYF Retreat Held in Ruidoso Last Week, June 21-23**

A planning retreat was held by the Methodist Youth Fellowship of the First Methodist Church the latter part of last week when a group of 18 went to Ruidoso, N. Mex. They stayed in the Bruce member cabins while there and according to Jim Campbell "had a wonderful time."

Not only was it a time of fun and of planning for the year's activities of the MYF, there was spiritual emphasis with rededication of the youth also. Programs, recreational activities and fund raising activities were planned for the next year.

Youth who attended were Dorothy Heston, Peggy Ray, James Vardy, Richard Edwards, Bill Clark, Barbara Wilke, Cherie Arants, Charlotte Muse, Sharon Smith and Suzanne Neill. They were accompanied by Mr. and Mrs. Phil Brewer, Mrs. Otis Neill, Mrs. P. L. Vardy, the Rev. and Mrs. James B. Sharp and Jimmy and Jim Campbell.

The group went to Ruidoso Thursday morning and returned Saturday morning.

**WCS TO MEET IN FELLOWSHIP HALL MONDAY, JULY 2**

Woman's Society of Christian Service of the First Methodist Church will meet in Fellowship Hall Monday, July 2, at 9:30 a. m. Mrs. M. L. German will have charge of the program. All members are urged to attend by the president, Mrs. A. C. Burk.

MRS. BOB VAN METER smiles as she is at her new electric range and begins in the preparation of her Fruit Gelatin Salad. Although Mrs. Van Meter loves to cook she doesn't call that a hobby but a pleasant task.

(SLATONITE STAFF PHOTO)

**Slaton Women Give Their Favorite Tested Recipes**

Because of the hot weather, Mrs. Bob Van Meter chose a Fruit Gelatin Salad as a recipe to have published. This is a favorite of her family's and one she is sure your family will enjoy.

- Fruit Gelatin Salad**  
 1/2 lb. American cheese  
 1 No. 2 can crushed pineapple  
 1 No. 2 can Royal Anne Cherries  
 1 cup nuts  
 1 envelope unflavored gelatin  
 1/2 cup water  
 1 cup fruit juice (from pineapple and cherries)  
 1/4 cup sugar  
 1 cup mayonnaise

Method: Heat fruit juice, dissolve gelatin in 1/2 cup water, add fruit juice and cool. Cut up fruit and add mayonnaise. Add both and mixtures. Shred cheese and add with nuts to the mixture. Sprinkle some of the cheese on top. Chill and serve. Nuts are optional.

**From Matador**

Dr. and Mrs. Van Meter and their son, Bobby, moved to Slaton last fall from Matador. Dr. Van Meter is associated with Dr. Don Hatchett in the practice of dentistry here and according to Mrs. Van Meter they find Slaton a very friendly place in which to live.

Bobby, a nine year old, is like most of the boys in Slaton. He is very much interested in Little League baseball as he is playing for his first year and is a Little Yankee. His father is helping to coach in the minor league and, of course, mother is trying to take in all the games.

**Attended Houston U.**

Mrs. Van Meter, who was Joan Russell before her marriage, was reared in Stamford where she graduated from high school before attending Tarleton State College. She also attended Texas University but received a B. S. in elementary education from the University of Houston in 1951.

Following Dr. Van Meter's graduation at Texas University he attended the University of Texas Dental School in Houston and received his degree in 1954. The Van Meters lived in Matador for a year before coming to Slaton.

Last semester Mrs. Van Meter taught music and art in the sixth and seventh grades in the local Junior High School. This was not Joan's first teaching experience, as she taught public school music in the Pasadena schools.

**Hobbies and Activities**

Her hobbies are reading, swimming and she loves to play golf although she says she is not very good, but every time she'll be better next time. Music has always been a hobby of Joan's as she enjoys playing the piano a great

deal. She likes to cook, but doesn't call this a hobby but one of her pleasant tasks.

Besides membership in the First Methodist Church and helping with the music in the junior department, she is also a member of the Daughters of the Pioneer Study Club. She has enjoyed helping with Methodist Vacation Bible School this spring.

Mrs. Mae Esterling of San Bernardino, Calif. is visiting here in the home of her sister, Mrs. P. T. Gentry and Mr. Gentry.

Mr. and Mrs. J. C. Stahl of Hermleigh and Mr. and Mrs. Houston Quiett of Dunn spent Sunday in the home of Mr. and Mrs. Truett Fulcher. Mrs. Stahl and Mrs. Quiett are Mrs. Fulcher's sisters.

Mary Jo Shoemaker

**August Wedding Set By Jim Campbell-Mary Jo Shoemaker**

Mr. and Mrs. A. T. Shoemaker of Whitesboro have announced the engagement and approaching marriage of their daughter, Mary Jo, to Jim D. Campbell of Slaton, son of Mr. and Mrs. Philip E. Campbell of Winters.

The wedding will take place early in August at the Robertson Memorial Methodist Church in Whitesboro.

The bride-elect is attending Stephen F. Austin College at Nacogdoches this summer. The prospective bridegroom is a graduate of Breckenridge High School and of North Texas State College. At the present he is minister of music and youth activities at the local First Methodist Church.

They plan to make their home in Slaton.

**Hodge-Johns Vows Exchanged On Thursday Evening**

Wedding vows were exchanged Thursday, June 21, by Miss Sue Hodge and Lt. Ben C. Johns Jr., at the First Baptist Church at Clovis, N. Mex. The Rev. Walter A. Mitchell read the single ring ceremony.

Parents of the couple are Mr. and Mrs. Delma Hodge of Slaton and Mr. and Mrs. Ben C. Johns of Pensacola, Fla.

The couple were attended by Mrs. Pete Woods of Carlsle and Lt. John Gardner of Reese Air Force Base. They were also accompanied by the bride's parents, her brother, Jerry, and Pete Woods.

The bride wore a white eyelet gown with white accessories. Her flowers were red roses and stephanotis.

Mrs. Johns is a 1955 graduate of Slaton High School where she was active in school activities and in the Order of Rainbow for Girls. She is employed by United Finance and Thrift Corp. Lt. Johns is an instructor at Reese Air Force Base.

Mrs. Ben C. Johns Jr.

**REHEARSAL DINNER COMPLIMENTS TAYLOR-JONES WEDDING PARTY**

Bruce's dining room was the scene of the rehearsal dinner for the Taylor-Jones wedding party Saturday evening with Mr. and Mrs. John L. Jones II, parents of the prospective groom, as hosts.

The head table was centered with an arrangement of majestic daisies and lemon leaves with pink tufts to carry out the bride's chosen colors of pink and white.

Those attending were the bride-elect, Miss Bonnie Jean Taylor, the prospective groom, John L. Jones III, Mr. and Mrs. Bobby Taylor, Mr. and Mrs. Billy Tom Taylor, Mr. and Mrs. W. T. Taylor, Miss Patsy Holloman.

Mrs. Douglas Chambers, Miss Shirley Teague, Miss Barbara Jochetz, Miss Shirley Saage, Dean Fisher, Dwayne Horton, David Key, Chester Pierce, Mrs. Webber Williams, the Rev. J. B. Sharp, Mr. and Mrs. F. L. Elterman, Mr. and Mrs. L. V. Pounds, Doug and Pat, Mr. and Mrs. B. C. Stotts, Don and Deborah, Stephen Jones and the hosts.

Harold Gene Fox of Iowa State University has been visiting his parents, Mr. and Mrs. C. E. Fox, for two weeks. He left Friday.

Mr. and Mrs. Loyd Scott and granddaughter, Sue Cook of Decatur, Ala. have been visiting here with Mr. and Mrs. Herschel Glasscock.

Cheryl and Ricky Henry of Austin are visiting their grandparents, Mr. and Mrs. Luther Faulkner, and Mr. and Mrs. J. W. Henry.

Jim and Charlie, sons of Mr. and Mrs. C. E. Gravel, are visiting with their grandmother, Mrs. Tommie Bayless, in San Angelo.

**Hickmans Return From Trip Through South and East**

Mr. and Mrs. R. D. Hickman returned Saturday night from a 16 day trip through the south up to Washington D. C. and New York City. They were accompanied by Dr. and Mrs. Jack Nesbitt of Snyder. Mrs. Nesbitt is the daughter of Mr. and Mrs. Hickman.

The highlight of the trip according to Mrs. Hickman was Washington, D. C., and a trip down the Potomac by boat to Mount Vernon. On the way to Washington they visited Thomas Jefferson and James Monroe's homes in Charlottesville, Va.

On their way to New York they visited in Philadelphia and went to Independence Hall. They spent three days there touring the city, going to Staten Island, Radio City, attending TV shows and going to many, many other places. They also saw the musical, "Damn Yankees."

Mr. and Mrs. Luther Faulkner visited in Colorado City last week with Mr. and Mrs. Bill Simpson.

Mr. and Mrs. Louis Fondy and Neta Kay of Belen, N. Mex. visited here last week with Mr. Fondy's brothers, J. M., Joe, and R. J., and their families.

Mr. and Mrs. E. L. Manire and children of Ft. Worth visited here with Mrs. Manire's brother, R. L. Henry, and family. They also visited with Mrs. Manire's mother, Mrs. W. T. Berry.

**Bonnie Jean Taylor Wed To John L. Jones III Sunday**

Baskets of majestic daisies and an archway of cathedral tapers decorated the First Methodist Church Sunday, June 24, for the wedding of Miss Bonnie Jean Taylor and John L. Jones III. Palma banked the altar, where the candle-light service was read by the Rev. James B. Sharp at 4 p. m.

The bride is the daughter of Mr. and Mrs. W. T. Taylor of Slaton. Mr. Jones is the son of Mr. and Mrs. John L. Jones II of Colorado City.

Traditional nuptial music for the double-ring ceremony was presented by Mrs. Webber Williams, organist, who accompanied Mrs. F. L. Elterman, as she sang "Entreat Me Not To Leave Thee" and "The Lord's Prayer."

**Father Escorts Bride**

Single candles at the pews marked the aisle when the bride approached the altar on the arm of her father, W. T. Taylor. She appeared in an original model gown of imported French lace and nylon tulle over net and satin, designed with a high neckline framed with a small upstanding collar of lace. The fitted bodice of lace had a sheer yoke enhanced with appliques of lace, long sleeves ended in points over the hands and terminated with a deep point at centerfront of the waistline. A voluminous skirt made of tulle, fully shirred with an overskirt of scalloped lace which shaped to a point at centerfront, stemmed from the bodice. The immense fullness of lace tulle and satin was emphasized by hoops and crinoline.

**Honor Attendants**

Miss Patsy Holloman was maid of honor. She wore a pink gown fashioned of pink nylon net over taffeta. The strapless dress was of long-torso design and was topped with a nylon stole. Her headpiece was a circle disc of net scattered with seed pearls. Pink daisies formed her bouquet.

Bridesmaids were Mrs. Bobby Taylor, sister-in-law of the bride, Mrs. Douglas Chambers and Miss Shirley Teague of Lubbock, Miss Barbara Jochetz and Miss Shirley Saage. Their dresses and headpieces were identical to that of the maid of honor. They carried multi-colored daisies on fans.

Deborah Sue Stotts of Lubbock, niece of the bride, was flower girl and wore pink organza over pink taffeta. Pat Pounds of Acuff, nephew of the bride, served as ring bearer.

**Father Is Best Man**

J. L. Jones II, father of the groom, served his son as best man. Groomsmen were Dean Fisher and Dwayne Horton of Colorado City, Bobby Taylor, twin brother of the bride, Chester Pierce of Clovis, N. Mex., and David Key of Snyder.

Following a reception in the church Fellowship Hall, the couple

**David Edwards Has Party on Birthday**

David Edwards, son of Mr. and Mrs. J. S. Edwards Jr., was honored Saturday, June 23, when his mother entertained him and his friends with a swimming party to help him celebrate his eighth birthday.

Following the swim the boys returned to the Edwards home where they were served supper, including a birthday cake, from a table which was centered with a large stuffed paper cowboy. Games and horseback riding were also enjoyed by Bonnie Schmalz, Gary Glasscock, Allen Miles, David Thompson, Doug Williams, Mark Todd, Larry Pickens and Paul Trout.

**Taylor Family Has Picnic Sunday at County Park**

Mr. and Mrs. J. H. Taylor were hosts at a picnic honoring Mr. and Mrs. George C. Taylor and Jackie of Carlsbad, N. Mex., Sunday evening at the County Park.

Those who attended were Mr. and Mrs. L. P. Taylor, Mr. and Mrs. Legion Phillips, Mr. and Mrs. Floyd Edwards, Mr. and Mrs. Buddy Phillips, Mr. and Mrs. Leonard Brown, the honorees and the hosts.

Mr. and Mrs. H. M. Englund and sons spent the week-end at Lake Thomas.

Mr. and Mrs. Glen Hates of Clovis, N. Mex. visited here Wednesday and Thursday in the home of Mr. and Mrs. W. G. Elkins.

Mr. and Mrs. Wade Thompson have had as their house guest this week Mrs. Inez Farrell of Plainview.

Guests in the home of Mr. and Mrs. R. C. Hall Friday were Mrs. John Addington, Mrs. Sam Phillips and sons, of Lubbock and Mrs. Hall's niece, Mrs. Elbert Randles and daughter Barbara.

Mrs. John L. Jones III

left for a wedding trip to Ruidoso, N. Mex. The bride chose aqua polished cotton with white accessories for traveling.

She is a graduate of Slaton High School and is employed by the

Santa Fe Railway Co. in Slaton. The groom is a graduate of Colorado City High School and attended Sul Ross College. He is employed by Dowell Chemical Co. at Snyder.

**Art Club Has Annual Exhibit Friday Evening**

Oil paintings, pastels, china paintings, copper craft and other crafts were on display Friday evening, June 22, when the Slaton Art Club held their annual art exhibit at the Clubhouse.

Guests were greeted by Mrs. Harvey Tunnell, club president. The guests were registered on a pale green cardboard artist's palette, and was presided over by Mrs. Wayne Kenney, Mrs. John Fondy and Mrs. Brian Sartain. Piano selections were offered by Mrs. Yates Key during the calling hours.

A tea table was laid with a forest green cloth and centered with an arrangement of white daisies and elder blooms placed in a copper container. A copper candelabra of white tapers was placed at one end of the table. Crystal and copper appointments were used with Mrs. Byron Johnson, Mrs. A. W. Arnold and Mrs. Fondy alternating at the punch bowl.

Works of art were exhibited by Mesdames C. F. Anderson, G. A. Jaynes, Arnold, Arthur Dennis, Johnson, Kenney, Key, A. R. Keys, J. D. Norris, Sartain, C. L. Tanner, M. L. Turnbow, A. E. Whitehead,

Phillip Dawson, Sister Mercedes and Dr. T. L. Talbert. Approximately 90 attended and it is reported to be one of the outstanding exhibits of the years.

**WINSOME CLASS MEETS IN MURPHY HOME**

Mrs. Elby Murphy was hostess when the Winsome Sunday School Class of the Westview Baptist Church met in her home Friday, June 22.

Mrs. M. E. Cagle, vice-president, presided over the business meeting. The meeting was opened with a prayer by Mrs. Trudy Morris. The group voted to disband their monthly meetings until September.

"God's Promises" was the title of the devotion discussed by Mrs. D. C. Robison.

Refreshments were served to Mesdames J. G. Harper, J. Morris, Keith Price, Robison, Morris, Melvin Johnson, M. E. Cagle, Miss Carolyn Harper and the hostess.

**Sharps Go to New Orleans To Attend Conference**

Tuesday the Rev. and Mrs. James B. Sharp and two sons, Bob and Jimmy, went to Corsicana where the boys will stay with Mrs. Sharps' four aunts, the Misses Holseys, while their parents go to the Jurisdictional Conference in New Orleans, La.

The Rev. and Mrs. J. H. Sharp and daughter, Grace Marie, of Shamrock, will also attend the conference and will meet the J. B. Sharps, their son and daughter-in-law. They all plan to journey to Jackson, Miss. and will attend a Sharp family reunion before returning home.

Edith Ann Holloman

**Holloman-Haliburton Wedding Date Set**

Mr. and Mrs. W. L. Holloman are announcing the engagement and approaching marriage of their daughter, Edith Ann, to Jack Roland Haliburton, son of Mr. and Mrs. R. L. Haliburton of Southland.

The ceremony will be read Aug. 3, in the First Methodist Church with the Rev. James B. Sharp officiating. He will be assisted by Jimmy Haliburton, brother of the prospective groom.

Formal invitations will not be issued, but friends of the couple and their parents are invited to attend.

Mr. and Mrs. Kenneth Jones are having as their guests this week Mrs. Jones' sister, Mrs. William P. Smith and children of Tampa, Fla. and her mother, Mrs. W. N. West, of Silverton.

Mr. and Mrs. Floyd Jordan left Wednesday for Houston where they will meet their daughter, Bobbie Jo, who is arriving by boat from Germany, where she has been for the past three years. While they are in Houston the Jordans will visit another daughter, Mrs. N. S. Box, Mr. Box and children.

WO and Mrs. Claud L. Ward and son, Stevie, of Ft. Eustis, Va. have visited here from Wednesday through Sunday in the home of Mrs. Ward's parents, Mr. and Mrs. F. B. Sexton. While here they also visited with Mr. Ward's grandmother, Mrs. W. T. Slaughter.

Mrs. Letha Arthur fell Monday and broke her knee. She is a patient in Mercy Hospital.

## Lions View Swimming Styles At Tuesday Meet

Slaton Lions viewed a demonstration of swimming styles at the city pool following their regular Tuesday luncheon meeting at the Clubhouse. The demonstration of the various strokes was presented by two members of the Slaton swimming team.

Truett Fulcher, manager of the local pool directed the program. Following the swimming exhibition Fulcher conducted a tour through the facilities of the pool explaining the filtering and chlorination system in use.

Bill Gillespie, candidate for county attorney, was a guest at the meeting. The program next week will be concerned with Little League and will be presented by Dr. Don Hatchett, president of the Little League organization in Slaton.

## Open House To Be Held Sunday At New House

Open House has been planned at the newly constructed Bland Tomlinson home at 805 S. 21 St. Sunday from 2 to 6 p. m. The five room house has a utility room and two-car garage.

The house features a complete General Electric Kitchen with the latest styles and colors. The floor in the kitchen is covered with embossed linoleum from Home Furniture stock and was installed by a Home Furniture mechanic.

Furnishings in the home represent a broad transition of styles and periods from conventional modern in the living room to a combination of Early American and modern in the combination kitchen-den. Maple and modern steel are in the kitchen-den.

The bedroom features furnishings ranging from modern to ranch

style and back to Early American. Accessories from Home Furniture stock are used to complete the home. Colors are related only to the rooms in which they are used. "We think the house represents good planning in casual living well within the reach of the average income family," Tomlinson said. "The house contains nothing elaborate or fancy, just easy to live with."

## Two Wilson Girls Enter Farm Bureau Queen Contest

Two Wilson girls are the first two entries to the Farm Bureau Queen contest which will be held August 3 at Tahoka. The contest is being sponsored by the Lynn County Farm Bureau. The two are Ida Pearl Mason and Joyce Church.

Ida Pearl is the daughter of Tom Mason of New Lynn. She will be a senior this year in the Wilson High School and is a nominee for the national vice-president in the FHA at the national convention in Chicago.

She is also the local FHA vice-president, a member of the annual staff, class secretary, and a district winner in Senior Declamation. Manager of the girls basketball team, she was runner-up for the football queen, a band officer, and majorette. She won first in band flute solo and twirling solo, and second as student conductor.

Joyce is the 16 year-old daughter of Mr. and Mrs. Clarence Church of Wilson and will be a junior this year in the Wilson High School. She is secretary of the FHA chapter and is a member of the Wilson High School band. She won first place chair clarinet and first division on clarinet solo. Runner-up for football sweetheart, she is also on the annual staff and is office secretary. She is class vice-president, local MYF vice-president, sub district MYF fellowship chairman, district MYF secretary-treasurer, and earned her letter in basketball.

Mr. and Mrs. Arthur Kahlich had as their guests Tuesday Mrs. Kahlich's cousin, Reinhold Demel and Mrs. Demel, of Pasadena and her brother, Norbert Demel, and Mrs. Demel of Schulenburg. Wednesday morning both of the Demel families left to continue their trip to Colorado.

## COUNTY SOIL CONSERVATION INFORMATION

Lubbock County Soil Conservation District Board of Supervisors accepted an invitation of Judge Dudley Brummett and the county commissioners to attend their meeting Monday afternoon and discuss with the court the possibility of an all-out organized effort to eliminate harmful Bindweeds and Johnson Grass along the roadways, rights-of-way, and public property as well as the farm land of the county.

Four of the five-man Board of Supervisors were present for the meeting and were accompanied by representatives of Panhandle and Santa Fe Railway Company, the state highway department, and the various agricultural agencies.

Judge Brummett introduced Joe S. Walker, Sr., Chr. of the Board of Supervisors, who in turn introduced to the court the following:

Supervisors of LCSCD: George Hindman (Slide Community); John Pugh (Acuff Community); and Frank Gray (Buffalo Lakes Road). Also Mrs. Alton Strickland, Business Manager for the Board.

Panhandle & Santa Fe Railway Co.; W. A. J. Carter, Supt., Slaton Div.; and R. D. Bisbee, Division Engr.

Soil Conservation Service: M. C. Pennington, Work Unit Conservationist

County Agent: D. W. Sherrill  
Agricultural Conservation program: Walter Wells  
Texas Highway Department: Paul Mills, Sr. Eng. Asst.

Walker then called on Sherrill who gave some estimates on costs of application of various types of chemicals for the eradication of Bindweeds.

Mills discussed various methods used by the highway department and their willingness to cooperate with farm land owners who were attempting to eradicate the weeds on adjoining property.

Carter discussed methods used by Santa Fe to clear rights-of-way and stated their desire to cooperate for the advancement of agriculture for years to come through eradication of harmful weeds.

Wells discussed appropriations of the Federal Government to provide one-half the cost of eradication of Bindweeds.

Definite commitments and arrangements were deferred to a later meeting of the Commissioners but many tentative plans were discussed and all members of the court were in agreement that steps must be taken immediately for organized eradication of weeds.

**FROST VICTIM** — Robert Burnham, of East Hartford, Conn., sees hopes for a prosperous summer nipped in the bud as he examines one of some 12,000 tomato plants killed by late spring frost. Crop damage in the millions is expected to result in eastern part of the nation in wake of recent record-breaking frigid weather.

"I'd call it 'income tax-itus.' Every year about this time he gets sick—and so do I!"

"Wilbur, I want you to come home—this very minute!"

## SOUTH PLAINS COTTON DATA FROM PLANTING TO HARVEST

Data of Cotton Growth on the South Plains  
Emergency to square . . . 30 days.  
Square to white bloom . . . 20-25 days.  
Bloom to open boll . . . 45-65 days.  
Boll full grown 18 days after bloom.  
Should be ready to harvest in 155 days (25 per cent open in 130 days).

120,000 equal number of seed in one bushel of average seed. Most effective fruiting period is from July 20 to August 10. Approximately 35 to 40 per cent of blooms make bolls. September 1 is general last date for fruit to be set.

Boll period ranges from 45 to 65 days. Fiber length laid down first 25 to 30 days. Moisture is limited factor in length of lint.

85 is average number of days to-blooming peak. 27 is average number of days from first bloom to peak. 30 is average number of days from first bloom to shed peak. Average number of blooms per plant is 35.

In 50-54 days after first white bloom 30 per cent of crop is open. In 60-64 days after first white bloom 71 per cent of crop is open. In 65-70 days after first white bloom 84 per cent of crop is open.

Mr. and Mrs. H. C. Heinrich and Jerry returned Tuesday from a weeks vacation trip on which they visited the Royal Gorge, Durango, Colo., Red River, N. Mex., and Tres Ritas N. Mex. where they spent Sunday with Mr. and Mrs. August Kitten at their summer home. Jerry stayed for a longer stay with the Kittens.

Mrs. Nora Harper has had as her guests her daughter, Mrs. J. B. Butts and sons, Jimmy and Michael. They will be here until July 4th. Sunday guests in the Harper home were Mr. and Mrs. R. L. Harper and three children of Lubbock, and Mrs. J. G. Harper and children of Posey.

### Definition of a Quack

A commission set up by the California Medical Association to study their practices says a quack usually has one or more of the following characteristics: (1) His treatment is available only from himself, (2) his treatment bears his own name or that of a high-sounding research foundation, (3) his treatment is advertised, (4) he claims he is being persecuted, (5) his patients and greatest supporters have only his word that they are cured in the first place, and (6) he discourages or refuses communications with reputable physicians.

## OPEN HOUSE

Sunday, July 1, 2-6 p. m.

You are invited to visit and inspect our new home at 805 So. 21st. We especially want to show you the complete General Electric kitchen featuring the very latest colors and styles.

We want you to see our "Floor Show" in which Armstrong embossed linoleum takes the spotlight. We are proud of the installation, all done by our own mechanic. Notice the cabinet tops sculptured in Goodyear rubber and installed by our own mechanic.

All drapes custom made by the largest, most complete drapery service in the West, with Kirsch drapery hardware throughout. We are proud we represent both of these lines.

The carpets are from the family of man-made fibers in solution dyed viscose. The installation was made by our own mechanic.

This house represents a broad transition in styles and periods, from conventional modern in the living room to early American and modern in the combination kitchen-den in which maple mixes with modern steel. The bedrooms feature modern to ranch type and back to early American. The accessories, from our regularly displayed stock, enhance the period motif of each room. Colors are not coordinated, but are related only to the rooms in which they are used. We think this house represents good planning in casual living, well within the reach of the average income family. Nothing elaborate or fancy, just easy to live with. Planned, decorated and furnished by the folks at

The Slaton, Tex., Slatonite Friday, June 29, 1956

## No Hit, No Run Game Sparks Pony League Play

A no hit, no run game June 21 sparked Pony League play during the past week. Russell Cummings received credit for pitching the no hitter after five innings of play with the Red Sox leading the Tigers 15 to 0. In Pony League play if a team scores 15 runs and their opponents are scoreless by the fifth inning the pitcher is credited with the no hitter regardless of the final score. The final score in this instance was the Red Sox 19, the Tigers 1.

In other play during the week in Pony League baseball the Cubs defeated the Braves by a score of 17 to 4 on June 22. The Red Sox edged the Cubs 18-17 for a close win on June 25.

On June 26 the Braves dropped the Tigers 16-6. Pony League play Thursday matched the Tigers and the Cubs. The Braves and the Red Sox meet on Friday. The Cubs and the Braves play July 3 and the Braves meet the Tigers on July 5. Pony League followers are invited to check Bain Auto Company's ad which appears weekly in The Slatonite for Pony League team standings.

Pony League play starts immediately following the Little League baseball games somewhere around 8 p. m. each regularly scheduled date. The games are played at Pony League ball park.

## Little Leaguers To Play Double Header July 4

Four Little League teams will meet at Little League ball park July 4 at 4 p. m. for a double header. The Yankees and the Cards will meet in the first game and the Dodgers will meet the Indians in the second game.

In last week's play the Yankees lost to the Dodgers by a score of 20-4. The Cards won a close one from the Giants, 4-0 on June 21 and the Dodgers and Tiger met in a double header on June 22. The scores from the double header found the Dodgers winning both games by scores of 3-2 and 15-1.

On June 25 the Indians met the Yankees and won by a score of 13-1. The Indians beat the Cards 12 to 4 on June 26. On June 27 the Yankees met the Tigers and on June 28 the Dodgers and the Giants played.

The Cards and Dodgers meet today, June 29 and the Tigers and Indians play July 2. On July 3 the Giants and Yankees play and the Yankees play the Tigers on July 5. Little League fans will find team standings listed each week in the Ely's Eight Till Late Grocery Store ad in The Slatonite. Little League games are played at 6 p. m. in Little League ball park.

Only three men graduated from Texas Tech's basketball team—Jim Reed, Du-Wayne Blackshear, and Eugene Carpenter—but they were starters on three successive Border Conference championship quintets.

Texas Tech successfully defended its Border Conference golf championship this year with the same linksmen who captured the title as freshmen last year—Don Kaplan, John Paul Cain, Johnny Farquhar, and Bobby Westfall.

Take safety with you and enjoy your vacation. Toss caution to the winds and there may never be another vacation trip, warns the Texas Farm and Ranch Safety Council. For they point out as motor travel booms, traffic accidents, especially in rural areas, also zoom upward. Let safety be a silent passenger all the way.

Meat and milk production can be cut by insect pests which attack livestock during the summer months. Extension Entomologist C. F. Garner says such pests as horn flies, spinose ear ticks and stable flies can be controlled with dips, smears or sprays made of the proper pesticides. Local county agents can supply detailed information on recommended pesticides and treatment practices.

Planning Farm Storage is the title of a new Extension Service publication which may be obtained from the local county agent or the Agricultural Information Office, College Station, Texas. Ask for L-275.

Commander of Texas Tech's Engineer ROTC Battalion is Hugh Fewin, probable starting halfback on Texas Tech's 1956 football team. Commanding the Air ROTC Wing is Dwayne West, senior center.

## Rotarians Hear Talk on Wills And Estates

Slaton Rotarians heard a discussion of trustees and wills at their regular Thursday luncheon meeting at the Clubhouse. Elmer East, vice-president and trust officer for the Lubbock National Bank spoke to the members on the advantages of having a bank as trustee for wills and estates.

One of the chief advantages of having the bank serve as trustee is that the possibility always arises that an appointed trustee may pass away or become impossible to reach when needed. The bank on the other hand is well established, bonded, and capable when the need arises for it to serve as trustee.

East also discussed the advantages of making a will and thus saving the heirs the legal formality which goes with settling an estate.

Mr. and Mrs. W. K. Fry moved to Amarillo Thursday where Mr. Fry will be foreman of engines of the Santa Fe Plains Division effective July 1st.

"Marriages may be made in heaven, but man is responsible for the maintenance work!"

"Maybe money can't buy happiness, but it'll help you get some fine synthetics!"

Charlie Burns of Los Angeles visited his brother, W. E. Burns and Mrs. Burns this week.

It is two for one for the communities enrolled in the community improvement program in the eastern third of Texas. Community leaders are urged by E. M. Trew, extension pasture specialist, to enroll their communities in the pasture improvement program. Good pastures are a part of community improvement. See your local extension agents for details of the program.

Man who says he's got the figures claims that only 30 per cent of U. S. males prefer blondes—that 60 per cent fall for brunettes, and that only one guy in 10 will marry a redhead.

Mowing is an important practice in the management of cultivated pastures. It helps eliminate weeds, sprouts, bushes, briar and vines and makes conditions more favorable for grass. Also, says E. M. Trew, extension pasture specialist, mowing cultivated grasses tends to keep them in a growing condition and more palatable and nutritious.

If reseeding of abandoned cropland or barren rangeland is to be successful, the operation must be carried out in the same thorough manner as the seeding of any other crop. Use the best soil, adapted seed, methods and equipment available. The ultimate success depends upon adequate moisture and good management.

Trial plantings of 255 varieties or selections of grasses are being made by county agents in 66 counties. The grasses were selected by teams from the Texas Agricultural Experiment Station who visited states of the southwest and Mexico in their search for drought resistant plants.

L-255, Guide for Controlling Insects on Vegetable Crops in Texas—1956, is now available at the offices of local county agents or from the Agricultural Information Office, College Station, Texas.

Texas Tech's football record for the past five years, under Coach DeWitt Weaver, reads 35 wins, 17 losses, and 3 ties, top mark among major colleges in the four-state area of the Southwest and Border conferences.

The DHIA program, now in its 50th year, has proved to be an effective tool and source of information for managing the dairy herd. R. E. Burleson, extension dairy husbandman, reports a growing interest by Texas dairymen in improving their operations through better herd records.

## NOW WE BRING THE MILL TO THE FARM!

OUR DAFFIN  
MOBILE  
FEED-U-NIT

**Our "on-the-farm" feed service mixes your favorite formulas—from your home-grown ingredients—right before your eyes.**

**SAVE MONEY ON THE COST OF FEED—YET MAKE FRESH MIXED FEEDS AVAILABLE TO YOUR STOCK ALL YEAR ROUND**

That's what you do when you use our new mobile feed service. It works this way:

Telephone us or drop us a postcard and we bring a complete mill on wheels right to your farmyard. Using your own home-grown ingredients—and we can handle anything from corn cobs to hay—we grind and mix your feed right before your eyes. Use your own favorite formulas or we will advise you.

It's as easy for our mill-on-wheels to blend in molasses as it is for a duck to swim. Remember—adding molasses to low-cost feeds gives results in weight increases equal to those obtained from high-cost grain.

Learn more about this new way to save money on feed. Write or phone us today.

**NOW—Weight-building Fresh Mixed Feeds Cost LESS!**

**MRS. OSCAR HAMER** of 635 W. Division St. has had her Speed Queen electric washer for about a year and reports that the machine has just been fine. The machine was purchased from C. and W. Furniture of Slaton and was installed without extra plumbing work. It utilizes the water tap in the sink instead of extra plumbing in the house.

**Washer Installed Without Additional Plumbing Expense**

The Speed Queen electric washer in the home of Mrs. Oscar Hamer of 635 west Division is an excellent example of the adaptability of an appliance to existing conditions. Mrs. Hamer wanted a washer that could be installed in her home without additional plumbing being done in the house.

C. and W. Furniture of Slaton had the answer with a Speed Queen. The machine was installed almost a year ago using a conventional single line to handle both hot and cold water from the faucet on the kitchen sink.

In this way Mrs. Hamer can connect her washer with a removable line from the faucet and by regulating her hot and cold water valves obtain water in practically any temperature range from hot to cold water.

When she is finished with her washing she can drop a hose from her washer into the sink and by means of the pump on the washer, empty the water down her sink drain.

The washer was installed about a year ago and Mrs. Hamer says "It's been just fine, I have been perfectly satisfied with its performance." The washer takes clothes through the complete cycle from washing to damp drying and according to Charley Smith at C. and W. Furniture the clothes emerge from the washer at just the right degree of dampness to make them perfect for ironing in an electric ironer.

Smith says that the Speed Queen washers are not only perfect for turning out clean clothes, but also are easily adapted to almost any conditions which might exist in the home. By installing one of these washers we can adapt it to the kitchen without any unnecessary additional plumbing expense.

## Night-Life for Your Camera

Night-time has always been famed in song and story. Scarcely a poet down through the ages has failed to pay homage to that lovely velvet-cloaked mystery known as Night. So why not take your cue from all these advisers and put your camera on the "night shift," too?  
We think you'll find that picture taking after dark is really a very simple matter. Place your camera on a tripod or other solid support and set it for time exposure.

As for exactly how long the exposure time should be, the best answer we can give you is "It all depends on the amount of light." Actually, it would be impossible to list specific information on exposure time for all the countless opportunities that exist for taking pictures out of doors at night. Exposure time may well run anywhere from three or four seconds to several minutes, all depending on the light. You'll just have to use your judgment and shoot several pictures at different lengths of exposure.

On summer weekends and vacation trips, nighttime driving is bound to present lots of views that will captivate you by their sheer beauty. There'll be the twinkling lights of a town seen in the distance as you approach over the brow of a hill, a quiet little tree-lined street in a residential section, a park scene given fairy outlines against the dark sky. Any of these is likely to yield good picture material—and so will fair grounds, public buildings, monuments, statues, and historic shrines which are illuminated at night. For such is the magic of night that it often lends enchantment and majesty to what might be only an average view when seen by daylight. Whenever the night presents a breathtaking view, it's time for a little picture-taking activity on your part. Just get out of the car and stretch your legs for a few minutes while you set up your camera and make a brief time exposure.

**W. L. MEURER & A. R. WILD**  
135 W. Lynn Phone 304

**DOWN-TO-EARTH**—No girl-from-Mars spacesuit, this. It's a practical helmet and caplet, designed for farmers to wear when spraying crops with new, deadly insecticides. A Netherlands import, it was shown recently at a London, England, trade fair.

**NOTICE OF CITY'S INTENTION TO RECEIVE BIDS FOR THE PURCHASE OF CERTAIN FIRE EQUIPMENT AND GARAGE DISPOSAL EQUIPMENT AND TO ISSUE TIME WARRANTS TO EVIDENCE THE INDEBTEDNESS TO BE CREATED THEREFORE**  
SEALED PROPOSALS addressed to the Mayor and Commission of the City of Slaton, Texas, in the City of Slaton, Texas, until 7:00 o'clock P. M., on the 16th day of July, 1956, for the purchase of

- 1-16 yard capacity packer with suitable size truck to handle
- 1-pumper truck
- 500 gallon pumper
- 2-1/2 ton chassis, mid ship mounted, with 200 or more horse power V-8 Motor
- 125 gallon booster tank rust resistant
- hose bed for not less than 1000 feet 2-1/2" hose
- hose reel and 100 feet of 1 inch red line with nozzle
- 1-24 foot extension ladder
- 1-14 foot roof ladder
- 2-10 foot sections of hard suction hose with adapters from 4-1/2 inches to 2-1/2 inches
- 1-axe
- 1-bar
- 1-siren
- 2-strainers
- 2-hand fire extinguishers
- 1-pike pole
- 2-electric hand lanterns
- 1-Red flashing light
- 1-panel board with standard equipment
- booster truck
- 2 ton chassis
- 180 horse power V-8 motor
- 1-250 gallon pump driven from power takeoff; piston displace type pump
- 1-500 gallon rust resistant tank
- 2-hose reels
- 300 feet of 1 inch red line with 2 fog nozzles
- 2-10 foot sections of 2-1/2 inch hard suction hose for drafting water, with strainers
- 1-24 foot extension ladder
- 1-14 foot roof ladder
- 1-pinke pole
- 1-hand axe
- 1-siren
- 1-bar
- 1-red flashing light
- 1-standard control panel
- 2-hand fire extinguishers
- 2-hand electric lanterns

SUCH PROPOSALS will be read before the Commission of said City.

A CERTIFIED or CASHIER'S CHECK for five per cent (5%) of each bid, made payable without recourse to the order of L. B. WOOTTON, Mayor of the City of Slaton, Texas, must accompany each proposal or bid.

SPECIFICATIONS covering the aforesaid fire equipment and garbage disposal equipment are now on file in the office of the City Secretary and any information pertaining thereto may be obtained from said City Secretary.

IT IS THE INTENTION OF THE Commission to pay all or a portion of the purchase price of such fire equipment and garbage disposal equipment by the issuance and delivery to the proper contractor of the legally issued time warrants of said City, bearing interest at the rate not to exceed Five PER CENTUM (5%) per annum, payable annually or semi-annually, which said warrants shall not exceed the principal sum of TWENTY SEVEN THOUSAND DOLLARS (\$27,000), and the principal of said warrants shall be payable serially, the maximum maturity date being not later than December 15, 1977.

THE CITY GUARANTEES that the successful bidder will receive face value for such warrants when and as the same are issued and delivered.

THE RIGHT is reserved by the City of Slaton, to reject any or all proposals and to waive all technicalities.

L. B. Wootton  
Mayor, City of Slaton,  
Texas.

(Published in The Slaton Slatonite June 29 and July 6, 1956.)

**POLITICAL CARPENTRY**—How to build a carpentered platform to support a political platform is learned by Republican National Chairman Leonard W. Hall, left, expert at heaving political planks, as he inspects site of the GOP's presidential nominating convention in San Francisco's Cow Palace. His instructor is Albert F. Roller, architect in charge of construction. Convention opens Aug. 20.

**LIGHT HOUSEKEEPING**—Eddie Holstein is a laundry specialist. His job is to keep the Sox shining—the White Sox, that is. The Chicago, Ill., electrician keeps the floodlights polished at Comiskey Park. Safety-wise readers need not be perturbed at his method of ascending the light tower. Eddie's posing outside the girders for better pictorial effect. He actually ascends the ladder in the approved manner.

**TOPKNOT**—So brimful of style is this hat that there's no room allowance for a crown. Hair is worn in a chignon to hold the cocktail number in place. It's a Paris creation, fashioned of velvet and styled by Laud Sinko.

## Reservations Being Taken for National Scout Jamboree

The South Plains Council, Boy Scouts of America, is now accepting reservations for Scouts and Explorers for attendance at the National Jamboree to be held at Valley Forge, Pennsylvania, July 12 through 18, 1957, according to Dr. C. C. Schmidt, chairman of the Council's Jamboree Promotions Committee.

One space is being reserved for a Scout from each Troop and Explorer Post in the Council until July 31, 1956, which is the date for the first payment of \$25.00 which serves as a reservation fee. After July 31, all of the boys of the Council who plan to go may immediately send in their reservation fees and secure their reservations.

Dr. Schmidt announced that the Jamboree Delegation from the South Plains Council will travel by chartered bus to Valley Forge, Pennsylvania, leaving here approximately on the 5th of July and returning on the 23rd of July, 1957. Each bus will hold one entire Jamboree Troop which consists of thirty-seven Scouts and Explorers and three adult leaders.

The Council has set the Jamboree Fee, which will include all of the expenses of the Jamboree and transportation, food, etc., at \$250.00 per head. The initial reservation fee of \$25.00 per boy who plans to attend, is due in the Council's headquarters office in Lubbock by July 31, 1956.

Requirements for attendance at the Jamboree are that all Scouts should be twelve years of age by January 1, 1957, must be at least a Second Class Scout, and must have at least a week's camping experience.

All Patrol and Troop equipment will be furnished by the Council. Several members of the Council's Professional Staff will no doubt accompany the delegation from the South Plains to the National Jamboree during the summer of 1957. The itinerary to be followed on the trip going to Valley Forge will be Lubbock, Dallas, Shreveport, New Orleans, Birmingham, Chattanooga, Detroit, Michigan, City, across Lake Michigan to Chicago, then back to Springfield, Hannibal, Kansas City, Topeka, Dodge City, Liberal, Amarillo, and Lubbock. The delegation will travel through fifteen states, the District of Columbia, and a portion of Canada. Two boat trips are planned, one out to Statton Island to see the Statue of Liberty, and one across Lake Michigan into Chicago. The total mileage to be covered will be approximately 5000 miles. Mr. Jimmie Lumus, chairman of the Council's Camping and Activities Committee is urging each institution that sponsors a Scout Troop or an Explorer Post in the South Plains Council, to do their utmost to send at least one boy to the National Jamboree, so that this boy can bring back to all the other boys in his Troop, all of the latest Scout styles and methods of camping and outdoor living.

Reservations for the Jamboree will be accepted in the order in which they are received. Individual application blanks are available at this time and they are to be accompanied by the reservation fee of \$25.00 per boy.

The Scout Delegation from the South Plains Council, who attended the National Jamboree during the summer of 1953 at the Irving Ranch in California numbered 134 Scouts and leaders and it is felt that far more will make the trip during the coming summer of 1957.

BILL SMITH, has been associated with Slaton Motor Company for the past four and one-half years. Before coming to Slaton Mr. Smith was with the Ford Company Factory in Dallas for almost eighteen years. Bill says that you are invited to come by and see for yourself the beautiful new Fords and Mercurys now on display. You should take advantage of this sale now.

Messrs. E. H. Smith, President and  
H. G. Stokes, Vice President and Treasurer  
Slaton Motor Company  
Slaton, Texas

Gentlemen:

This month marks your thirty-fifth year as a Ford dealer, and we at General Office want to take this opportunity to tell you how much we appreciate your contribution to the growth and success of our Company during this period.

You can be justifiably proud of your record covering more than a third of a century of business life in your community, and we, too, are proud to have merited your confidence and loyalty for so long a time.

It gives us great pleasure on this significant occasion to express our warmest wishes for your continued success and pleasant relationship with our Company.

With kindest regards, we are

Yours very truly,

*C. J. Seyffer*

Ford's SelectAire Conditioner

Provides Better Air Conditioning . . . Plus  
Better Heating, Defrosting and Ventilating  
. . . All in ONE Compact Unit!

TWO FEATURES THAT IMPROVE  
PERFORMANCE

New magnetic clutch automatically controls the operation of the compressor for summer and winter. As an integral part of the compressor drive, the clutch automatically engages for cooling only when the SelectAire lever is moved to "cooling" position. When lever is moved to "neutral" or "heating," the magnetic clutch automatically disengages the compressor from the engine and turns off the cooling system.

Regular Price \$495.00—Now . . .

295<sup>00</sup>

We can install air conditioners in all makes of autos. Prices start as low as \$285.00.

### Mother of Local Woman Buried In Haskell

Mrs. J. M. Mowell, 76, mother of Mrs. A. T. Wright of Slaton, died in Ft. Worth Saturday, June 23, following an extended illness. Services were held in the First Baptist Church of Haskell Sunday with interment in the Haskell Cemetery.

She is survived by four sons; M. C. of Rule, John of Lamesa, and Bill and Lowell of Ft. Worth; five daughters; Mrs. Ray Burk of Houston, Mrs. Wright of Slaton, Mrs. Walter Doimney, Mrs. Bill Stimmel and Mrs. M. C. McClennah all of Ft. Worth; 22 grandchildren and 7 great-grandchildren.

George Mahon

### George Mahon For Re-Election To Congress

Rep. George Mahon has asked the Slaton Slatonites to carry an announcement of his candidacy for re-election to Congress from the 19th Texas District. His statement follows:

"I am sending this message from Washington where Congress is in session to announce my candidacy for re-election to Congress. I am grateful for the fact that I have no opponent. If I am honored with re-election, I shall continue to seek to be of every possible service in matters big and small to the people of our District. My principal responsibility is to the people of West Texas. If I serve the District well, I feel that I have served the Nation well.

"We continue to be confronted with many problems, local, national and international. Of principal interest this session was the farm legislation which we passed. It is far from adequate, but it was the best we could get this year in view of a Presidential veto and other difficulties. I think we did a pretty good job with the military appropriations bill which I handle in the House and which has recently passed the Senate. In spite of new tactics and smiles from Moscow, I do not think there has been a fundamental change in the objectives of the Communists and we must continue to keep our guard up despite the resultant burdensome costs.

"My object in making this announcement is to ask you for your vote and continued support. The people of our District have been
