MARY ANN KLATTENHOFF, on the right, displays a big smile Saturday night following her coronation as the 1956 Queen of the Lubbock County Farm Bureau at the O. L. Slaton School in Lubbock. Runner-up in the contest was Anna Besse Moore, also of Slaton. In addition to being named runner-up in the 1956 contest she was 1955 queen.

SLATON GIRL TO REIGN AS FARM QUEEN

The 1956 Queen of the Lubbock County Farm Bureau is blonde, blue-eyed Mary Ann Klattenhoff, a Slaton High School senior and the daughter of Mr. and Mrs. Magnus Klattenhoff of Slaton.

Campus Corner Feature To Appear Weekly in The Slaton Slatonite

Beginning with the September 7 issue of The Slatonite Beverly Bland, a senior at Slaton high school, will edit a weekly column in the paper. The column will appear under the name of "Campus Corner" and will carry Beverly's byline.

It will contain a week-by-week account of the activities and happenings at Slaton High School—a column written by a teenager for teenagers.

Another Look

The selection came after the judges had deliberated for 30 minutes, taken another look at the young ladies entered in the contest, and then deliberated for 15 minutes more.

The 17-year-old senior is representing Lubbock County in the district Farm Bureau contest Thursday night of this week, held again at O. L. Slaton Junior High in Lubbock.

Fep Squad Member

Mary Ann is active in school activities at Slaton, being a member of the pep squad and the high school chapter of Future Homemakers of America.

She plans to major in home economics at Texas Technological College in Lubbock following her graduation from Slaton High.

Runner-up in the annual beauty contest was Anna Besse Moore, another Slaton girl and last year's choice for Farm Bureau Queen. Miss Moore crowned Mary Ann following the judge's decision.

Poise and Personality

The contestants were judged on poise and personality. They were each interviewed briefly by Frank Junell, master of ceremonies for the occasion. The interviews took the form of questions about their life on the farm and likes and dislikes of farm life of each girl.

The winner of Thursday's contest will compete in the state contest which will be held sometime this fall in Houston.

Janice Sedgwick, a third Slaton girl was also entered in the contest for the 1956 Farm Bureau Queen.

Slaton Firemen Have Busy Week

Slaton's volunteer fire department had a busy week answering three fire alarms. Sunday the alarm went off at about 6 a. m. rousing firemen from their beds to fight a blaze which totally destroyed an automobile near Posey.

Monday afternoon firemen extinguished another burning car on the North side of the square. Wiring in the car was designated as the cause of the blaze. Damage was small.

Tigers to Meet Seagraves Eagles

Slaton's Tigers will meet the Seagraves Eagles on the local team's home ground Friday night. The Slaton team will be out trying to avenge the 45-0 defeat handed them last year by Seagraves.

Last year the Tigers played a Seagraves team that outgunned them both in weight and experience. In that game the Eagles racked up 412 yards to the Tigers' 115 yards.

This year the Eagles are fielding what Coach Leonard Ehrler called a "terrifically fast team." They had no trouble with Morton last week defeating the Morton eleven 19-0. The game will be played at Tiger Stadium at 8 p. m.

Commission To Ask Charter Changes In Future Election

The City Commission voted Monday night to call, at some future date, an election in the city to vote on amendments to the city charter, one of which would give the commission the power to annex additional property into the city limits.

The move followed discussion which brought out that the city charter is deficient in that it does not mention any way the annexing of property.

Three Propositions

The Commission voted to authorize three propositions to be voted upon. The propositions include 1. An annexation amendment; 2. An amendment lowering the population requirements for the hiring of a city manager. This amendment would give the commission the power to hire a city manager at some future time if the need for a city manager should arise. Section 23 of the City Charter governs the hiring of a city manager and reads as follows: After the city has attained a population of twelve thousand (12,000) as determined by the Federal census, the Commission

Tigers Defeat Crosbyton 19-13 To Open 1956 Football Season

Slaton Tigers, capitalizing on a Crosbyton fumble on the opening kickoff Friday night, jumped to an early lead when Douglas Corley went over the goal-line on a quarterback sneak for a touchdown. The try for extra point was no good and the Tigers found themselves leading Crosbyton in the opening minutes of the ball game by six points.

Tiger Kickoff
Following a Tiger kickoff, Crosbyton's fleet-footed halfback, Leatherwood, picked up the ball on his own 10 yard line and raced all the way back up-field to score—a 90 yard run. Crosbyton's fullback Parker kicked the extra point and the game stood at six for Slaton and seven for Crosbyton.

Slaton scored again in the second quarter following a series of plays beginning with a pass completion from the 40 yard line to the 10 yard line. Four downs after the pass completion Corley again smashed his way over for the tally.

The kick was again no good and the score stood at 12 to 7 in favor of Slaton at the half.

Tigers Score
Again in the fourth quarter the Tigers took the initiative following the recovery of another Crosbyton fumble on the Chief's own 20 yard line. Seven downs later the Slaton team had itself another touchdown with halfback Dickie Thomas going over for the score. On the try for extra point quarterback Jimmie Sikes carried the ball across the goal making the score 19-7 in favor of the Tigers.

Fourth Quarter
Late in the fourth quarter Crosbyton took advantage of a pass interference penalty against Slaton, which ruled the ball down to the Slaton 2 yard line, to make another touchdown. Quarterback Williams

carried the ball for the Crosbyton touchdown and the try for extra point was muzzled by Slaton.

The score then was 19-13 with Slaton out in front.

Crosbyton was unable to repeat its 13-6 defeat of Slaton that marked the final score of the game last year. The Chiefs met defeat Friday night ironically at the hands of the coach who last year directed them throughout the season.

Ehrler's Team
Coach Leonard Ehrler's Tiger team was an entirely different sort of team in comparison with last year's inexperienced eleven.

Though the boys appeared to be feeling their way during the first half of the game, they came back after the half to play as a team. All in all it was a hard-fought game on both sides of the field—one which kept spectators sitting on the edge of their seat every time a play was run.

GAME AT A GLANCE

	Slaton	Crosbyton
First Downs	25	16
Yards Gained	244	238
Yards Penalized	40	0
Fumbles Lost	3	4
Passes Attempted	3	7
Completed	1	2
Score by Quarters		
Slaton—	6	6
Crosbyton—	7	0
Total Score	19	13

CONSTRUCTION BEGINS ON FIRST 7 UNITS OF EL LORA MOTEL IN SLATON

Following a long period of uncertainty construction was finally begun last week on the El Lora Motel in Slaton. Plans which originally called for a 20 unit motel have been changed to the construction of seven to nine units and living quarters for the two partners Mrs. Electa Williams and Mrs. Lora M. Wicker. Porter Lumber Company of Slaton offered the low bid for the contract.

Mrs. Williams stated that she hoped to be able to add more units in the future and eventually bring the motel up to 14 units.

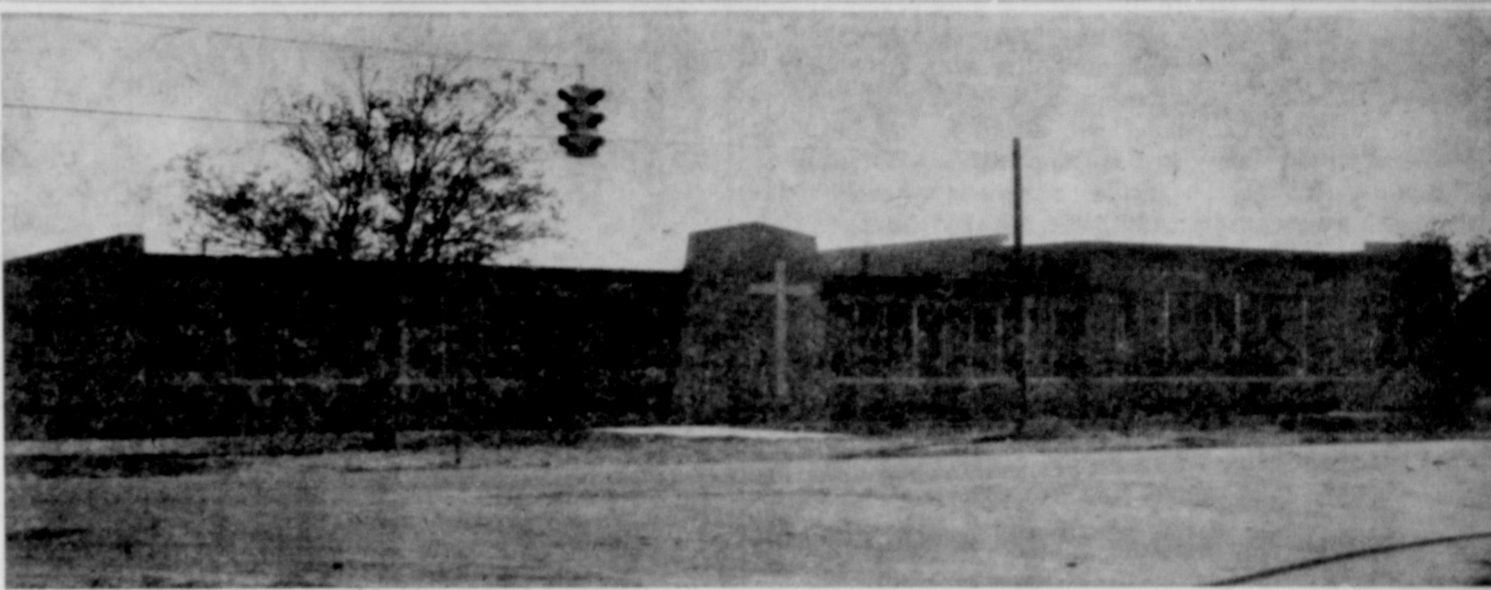

Plans for the units are unchanged except for the omission of the coffee shop which originally was included in the proposed motel. The units will be built of masonry and will be completely modern throughout. Each unit will have bedroom and bath and will be equipped with modern heating and air-conditioning.

Contrell and Associates of Lubbock is the architectural firm which designed the plans for the motel.

The motel is located at 355 S. 9th Street. Work on the first of the units is expected to be completed before the first of the year, according to Porter Lumber Company.

Mrs. Williams stated that she hoped to be able to add more units in the future and eventually bring the motel up to 14 units.

Plans for the units are unchanged except for the omission of the coffee shop which originally was included in the proposed motel. The units will be built of masonry and will be completely modern throughout. Each unit will have bedroom and bath and will be equipped with modern heating and air-conditioning.

DEDICATION CEREMONIES have been set Sunday afternoon at the recently completed St. Joseph's School. Constructed at a cost of about \$100,000 the school has four classrooms, an office, a library, restrooms, and an auditorium-cafeteria. The school is staffed by Sisters of Mercy and offers classes to students through the eighth grade. Work on the new school was begun on April 20. At present there are 160 students enrolled in the school.

Catholic School Dedication Set Sunday

Bishop Laurence J. Fitzsimon of Amarillo will dedicate the recently constructed St. Joseph's School Sunday, September 16. He will be assisted by Bishop John L. Morikovsky, auxiliary Bishop also of Amarillo. Also attending the ceremonies at 4 p. m. will be six Monsignori and several priests.

Work Started in April
Work on the new school began April 20. Only a few days after construction of the new school began the old building, which had been in use for 30 years, burned to

the ground. Lost in the fire was all school equipment and books.

Hugh Dyer and associates of Lubbock was the architectural firm which designed the building. Bell and Erhard had the general contract. A and M Plumbing Co. received the contract for plumbing work and Rowan and Wallace Electric Company received electrical contracts.

Four Classrooms
The building contains four large classrooms each measuring 31 x 29 feet; an auditorium, 70 x 40 feet;

a kitchen, 30 x 14 feet, two storage rooms, 15 x 15 feet, a library 20 x 15 feet; two furnace rooms, a music room, a teachers' office and rest rooms for both boys and girls.

On September 3 the school opened its doors for the first time to admit about 160 children for the fall session. The school, which is staffed by the Sisters of Mercy, offers its enrollees eight grades. "We could have another 160 children if we could find teachers and had more rooms,"

said Monsignor O'Brien. "We are sorry we could not accept the other children who wished to be enrolled."

Exterior of Building
The exterior of the building is decorated in light buff face green and green precolored stucco above the windows and under the canopy. A relief design is worked into the stucco above the auditorium windows.

The canopy edge is steel painted a deep blue-green. Interior walls are painted concrete block with ceramic tile wainscoting in the corridors and restrooms.

Asphalt Roofing
The roofing is asphalt and crushed white marble to reflect and reduce the amount of heating or cooling required. The building is fireproof with all-steel doors and aluminum windows.

"We are proud of our school and believe it is something that Slaton and the community can be proud of. We wish to thank all of those who helped us to obtain the school," Father O'Brien stated.

Under the leadership of Father O'Brien Mercy Hospital was erected in Slaton almost 30 years ago. Later in 1948 St. Joseph's hall was constructed. In 1951 St. Joseph's Church and Mercy convent were constructed and in 1952 St. Joseph's Rectory went up.

"To further the building program begun a number of years ago the school has been completed—teamwork made this a reality and we are grateful to Slaton and the community for the assistance they have given us.

Hearty Invitation
"We would like to extend a hearty invitation to everyone in the Slaton community to come to the dedication Sunday afternoon at 4 p. m.

"Everything has been done for the greater honor and glory of God and for the welfare of Slaton and the surrounding area—come and rejoice with us," Father O'Brien said.

Youth Night Planned at First Methodist Church

Sunday night, July 16, is Youth Night at the First Methodist Church. Robert Heaton will be the youth preacher. Subject of his sermon will be "Can A Christian Be Popular?"

Dickie Thomas will preside over the activities during youth night. Jackie Sheppard will act as music director and Roland German will read scripture and be in charge of prayers.

The entire service from ushering to preaching will be handled by the youth of the church, according to the Rev. J. B. Sharp, pastor of the church.

Civic Organizations To Man Fair Booth with Volunteers

With fair time approaching and work on plans for Slaton's fair booth underway, various civic and service organizations have offered to man the booth during the time it is open.

The organizations and their members who will take part in working in the booth follow: Monday, September 25, School Day, 1 to 3 p. m., James Perkins, and T. C. Martin; 3 to 5 p. m., J. M. Gilbert and W. C. Gilmore; 5 to 7 p. m., Lee Vardy and George L. Patterson; and 7 to 9 p. m., Floyd Jordan and Truett Babb.

September 25, Rotary Club, staff not yet selected.

September 26, Junior Civic and Culture Club; 9 to 11 a. m., Mrs. Ed Caldwell and Mrs. L. T. Kincaid; 11 a. m. to 1 p. m., Mrs. Jack Shepherd and Mrs. Joe Belote; 1 to 3 p. m., Mrs. J. C. Smith Jr. and Mrs. Melvin Kunkel; 3 to 5 p. m., Gertrude King and Mrs. Ray Conner; 5 to 7 p. m., Mrs. W. T. Davis and Mrs. B. G. Guinn; 7 to 9 p. m., Mrs. Virgie Hunter and Mrs. Sherrill Boyd.

September 27, Athenians, 9 a. m. to 3 p. m., staff not yet selected, and Lions Club, 3 to 9 p. m., staff not yet selected.

September 28, Future Homemakers of America, 9 to 11 a. m., Sandra Long and Beth Lowery; 11 a. m. to 1 p. m., Dorothy Heaton and Linda Smith; 1 to 3 p. m., Pam Maxey and Della Scroggins; Daughters of the Pioneer Study Club, 3 to 5 p. m., Mrs. Glen Payne and Mrs. Carler Caldwell; 5 to 7 p. m., Mrs. Don Crow and Mrs. Joe Teague III; 7 to 9 p. m., Mr. and Mrs. Joe Walker Jr., and Mr. and Mrs. Earl Reasoner.

September 29, Junior Chamber of Commerce, 9 to 11 a. m., Wilfred Klitten and Clarence Kitten; 11 a. m. to 1 p. m., Phil Brewer and John Schmidt; 1 to 3 p. m., Johnny Hogue and Joe Lester; 3 to 5 p. m., Glen Akin and D. W. Walston; 5 to 7 p. m., Bo Becker and Wilfred Nesbitt; and 7 to 9 p. m., Hugo Mosser and Doyle Duncan. Jaycee alternates include Don Crow, Pete Williams, Bob Taylor, and Norman Spears.

PHIL BREWER, on the left, has been selected as "Jaycee of the Month" for August. Making the presentation is John Schmidt, first vice-president of the local Junior Chamber of Commerce. Brewer received the honor as a result of his work with the recent Jaycee tennis tournament in the city. Brewer is also working on plans to bring additional housing to the community and is the chairman of the Jaycee highway committee. Brewer is also a charter member of the Slaton Junior Chamber of Commerce. "We feel that Phil is a tribute to our club and we are certainly proud to bestow this honor on him," Schmidt stated.

Rosa Navarro to Reign Over Two Day Independence Celebration

Rosa Navarro, will reign over the two day Mexican Independence Day celebration in Slaton September 15 and 16. She will be crowned by Senor Rodriguez, the Mexican vice-counsel from Amarillo.

Miss Navarro will be assisted in coronation ceremonies by Princess Josefina Jimenez and Duchess Maria Julia Martinez. The local celebration is sponsored each year by the Comision Honorifica Mexicana under the direction of Felipe Estrada, president.

The two-day celebration in Slaton will be centered around a huge concrete platform and bandstand located in the Latin American section of the city. Here the queen and her attendants will be crowned and will take their places on a raised throne. Preceding and following the coronation Saturday night will be dancing and speech-making.

Surrounding the concrete platform will be multicolored booths with their operators crying their wares to the crowd which mills by. Every type of imaginable Mexican food will be offered in these booths.

Again this year the music will be supplied by the Rudy Goffieres band of San Angelo. Representatives will be present from Lubbock,

Lorenzo, Ralls, and Post.

A feature of the two day celebration will be music offered by an all girl choir, dressed in gaily colored dresses, under the direction of Francisca Florez.

Flag bearers for the occasion will be Manuel Trevina and Ernesto Estrada. Master of Ceremonies will be Francisco Rodriguez.

Local gins were reporting an early start to the ginning season this week with 317 bales of cotton all ready ginned in the five area gins.

The one or two gins that hadn't ginned very many bales were expecting their customers to start coming in at a faster pace next week. Two of the gins reported they had ginned more cotton than ever before at this time of year.

Figures from each of the gins showed Campbell's Gin, 38 bales; Howard Gin, 22 bales; Posey Gin, 114 bales; Slaton Co-op, 177 bales; and Union Gin, 26 bales.

Calendar Of Coming Events

Thursday, September 13
Rotary Club, noon, Clubhouse. Masonic Lodge, 7:30 p. m., Masonic Hall.

Friday, September 14
Pep Rally, 3:10 p. m., Slaton High School Auditorium. Tigers vs. Seagraves, 8 p. m., Tiger Stadium.

Saturday, September 15
Tiger Town, 8 p. m., City Park. **Sunday, September 16**
Open House, 4 p. m., St. Joseph's School.

Attend the church of your choice. **Monday, September 17**
Order of Rainbow for girls public installation, 7 p. m., Masonic Hall.

Jaycees, 7:30 p. m., Bruce's Cafe. Boy Scout Troop No. 29, 7:30 p. m., Scout Hall.

Touchdown Club, 8 p. m., Clubhouse. **Tuesday, September 18**

Thursday, September 20
Pot luck supper and installation service, 7:30 p. m., Fellowship Hall of First Baptist Church. LA to B of RT, 9 a. m., Clubhouse.

"PORK BARREL" VETO

Regardless of politics and personal interests, the country as a whole must applaud the decision of President Eisenhower to veto the \$1,600,000,000 flood control and rivers and harbors bill.

It is an old congressional trick to make a "pork barrel" of rivers and harbors bills. Congressmen manage to get appropriations included which will make them popular with the voters at home. They "log roll" the bill through; that is, they say in effect, "Vote to include my pet project in the bill and I'll vote for yours."

It took courage to veto such a bill in an election year. In doing so the President said that he regretted having to do it. He pointed out that the Congress had given several of the measures inadequate consideration. He declared himself in favor of many of the provisions of the bill.

As the President pointed out, money for the bill would have had to be appropriated at the next session of Congress. This means that the veto should not necessarily delay worthy rivers and harbors projects. It does mean that the congressional log rolling in the last session has gone for naught.

DON'T GIVE UP HOPE

It was one of the delights of boyhood, during several generations of this country's history, to hustle to the circus grounds at dawn of the great day and see that wondrous traveling city go up. The later pleasure of watching the show itself didn't quite obscure the special joy of seeing the big top rise.

Now it appears that both of those childhood pleasures may be denied to the youngsters of a new generation. Ringling Bros. Barnum & Bailey circus has called it quits and gone back to winter quarters. There are other circuses, to be sure, but Ringling Brothers is the last of the big ones.

As recently as the childhood years of those now in middle age, it would have been unthinkable that the circus might some day fade into limbo. There seemed to be a kind of un-failing rhythm in its appearance summer after summer, a thing of entrancing sights and sounds and smells.

But the rhythm has been stopped by a combination of troubles that began in 1944 with the disastrous fire at Hartford, Conn. Next year, Ringlings will be only an indoor show. Its passing may mark the end of an era. But don't give up hope. The traveling circus has shown great vitality in the past. The big top may rise again.

FALSE APPEARANCES

A television news commentator did a rather strange but interesting and useful thing the other night. He sat before the cameras for 15 minutes without once mentioning current happenings. His entire broadcast time was devoted to a sort of illustrated lecture on how a man's reputation can be built up or torn down by the adroit use of adjectives and pictures.

Using various public figures—Secretary of State Dulles, for example, and Adlai Stevenson—as guinea pigs, the commentator showed how favorable or unfavorable impressions can be created. Photographed smiling and serene, a man may have great public appeal. Photographed shouting something in a speech, or looking up owlishly as he climbs out of a car, the same man may seem coarse or stupid, or perhaps evil.

Much the same thing, the commentator noted, can be done with adjectives. Refer to "pudgy-faced, balding Joe Doakes," and you tend to set the reader against him. Refer to the same man as "that cheerful solid citizen, Joe Doakes," and the reader is inclined to like him.

It was a good lesson, especially pertinent in an election year. What the commentator really said was an old truism: Men cannot be judged at face value. It is unwise to make up your mind about a man, candidate or otherwise, on the basis of one picture or a couple of slyly chosen adjectives. Adjectives can be false; pictures can be misleading. A man's true worth emerges from his words and deeds—and most particularly from how well what he does matches what he says.

There was a time when a man who announced baseball games had to know about the sport. Today sports announcers also seem to want to prove they know more about statistics than the insurance companies.

THIS WORLD OF OURS

Church School Attendance Sept. 9, Numbers 1745

Attendance at church schools in Slaton Sunday, Sept. 9, totaled 1745 in the 13 churches which reported.

Churches reporting and their attendance was as follows:	Attendance
First Christian	50
Church of God	58
First Methodist	278
First Baptist	409
Church of the Nazarene	94
Westview Baptist	220
First Presbyterian	38
Grace Lutheran	107
Church of Christ	206
First Baptist Mission	83
Assembly of God	71
Pentecostal Holiness	65
Bible Baptist	69

Mr. and Mrs. W. G. Elkins spent last week end in San Angelo visiting in the home of Mr. and Mrs. L. J. Schermerhorn.

Mr. and Mrs. Ralph Donelson and little daughter, Cindy, from Albuquerque spent the week end with Mrs. Donelson's parents, Mr. and Mrs. W. L. Holloman.

Lt. Col. Eldon W. Schmid of Ft. Mead, Md. visited here over the week end with his mother, Mrs. Frank Drewery.

FREE AIR at Self's Service Station

Little Timmie got very tired of the long sermon in church one Sunday. After squirming around he finally asked his mother in a loud whisper: "If we give him the money now, Ma, will he let us go?"

A communist is a fellow willing to divide his thirst and hunger with your milk and sandwich.

The only thing we can think of that could be worse than paying our income tax is not having to pay one.

A smart girl is one who can tell the difference between being bitten by a love bug and a louse.

Someone now escapes from a Communist-occupied country every minute of the day.

Women are unpredictable. You never know how they are going to manage to get their own way.

A man has to do a lot of fine things to prove that he is good—but only one to prove he is bad.

Whether you want one quart or ten gallons, or your tires checked we are always happy to serve you.

SELF'S Service Station

Mr. and Mrs. Travis Melton and boys, Freddie and Billy, of Midland visited here over the week end with Mr. Melton's mother, Mrs. Toy Melton, and Mrs. Melton's parents, Mr. and Mrs. Dick Adkins.

Mrs. Curtis Dowell and Mrs. Willard Childress and daughter, Laura Kate, accompanied Mrs. Dowell's daughter, Mrs. Thomas L. Hodges, and daughter, Sherie, to their home in Altus, Okla.

STRENGTH FOR THE WEEK

By Rev. Henry F. Treptow

The Holy Scriptures have much to say concerning the first of the "Seven Deadly Sins," which, in many circumstances, comes to be the source of all other sins. Permit a few examples from the Word of God, letting Him speak to you in this devotion:

To the head of families, the fathers:

"For all that is in the world, the lust of the flesh, the lust of the eyes, and the pride of life, is not of the Father, but is of the world."
 I John 2:16.

To the leaders of the Church, the bishops and deacons:

"Not a novice, lest being lifted up with pride (puffed up) he fall into the condemnation of the devil."
 I Timothy 3:6.

To all men:

"And Jesus said, That which cometh out of the man (is what) defileth the man. For from within, out of the heart of men, proceed—pride—"
 St. Mark 7:20-22.

To nations and the world:

"Pride goeth before destruction, and an haughty spirit before a fall."
 Proverbs 16:18

Especially the man of God through the blessed Saviorhood of Jesus Christ is not to be known for his pride and haughty spirit concerning the things of this world. His life and hope are placed before him in the time to come, the presence of God with him in Heaven. The Christian finds no pride in the world of sin and disgrace, only in the world of the forgiveness of his sins, life and salvation. Thus the Christian happiness and joy is very much dif-

ferent from the worldly pride and all accompanying offenses against God.

Our pride is in Jesus Christ as the Son of God Who is our Savior. He then becomes the Savior from the sin of pride which would condemn man to eternal damnation, which is separation from God. We as Christians are to be thankful for this deliverance and pray for the Holy Spirit's continual guidance in our lives.

J. H. Eaves returned from Oklahoma City Wednesday where he has been for medical treatment.

Jr. High Athletic Club Meeting Set for Sept. 17

For the first meeting of the year the Slaton Junior High School Athletic Club will meet Monday, Sept. 17, at 8 p. m. in the Junior Cafeteria.

All parents of the student body are urged to attend this meeting for the purpose of helping the boys and girls in their efforts toward athletic participation and achievement, according to Dr. Don Hattett, president of the organization.

WILSON NEWS

By Ann Davidson

Mr. and Mrs. A. A. Teinert left Tuesday for a few days visit with Mr. and Mrs. Wayne Rost of Bryan, Texas.

Mr. and Mrs. Claude Watkins and family and Beverly Smith of Muleshoe visited Mr. and Mrs. E. L. Blankenship and family on Sunday. John Mark Stoker, son of Mr. and Mrs. W. P. Stoker, arrived home Sunday after having spent the past fifteen months with the U. S. Army in Germany.

Mr. and Mrs. John Hamilton visited Mr. and Mrs. Loyd Hamilton of Memphis, Texas, over the Labor Day holidays.

The Brownfield Baptist Association held their associational meeting in Tahoka on Tuesday night. Rev. Dick O'Brien of Big Spring brought the message. Seven men attended from the Baptist Church here.

Mr. and Mrs. Alto Fehler of Columbus, Ohio, visited in the home of the Rev. and Mrs. Malcolm Hoffman and children on Wednesday night.

Mr. and Mrs. Bobby Ellison and son of Lubbock visited Mr. and Mrs. Grover Coleman on Sunday.

The Walter League of St. Paul's Lutheran Church met Sunday night with Ronnie Joe Nolte as leader. Fifteen members were present.

Mrs. Bob Sander and daughter of Abilene are visiting Mr. and Mrs. Elmer Rice and Benson.

The congregation of the Methodist Church met for family night Wednesday night to welcome their new members. A covered dish supper was served to approximately sixty-five.

Mr. and Mrs. Billy Smith of Lakeview visited Mr. and Mrs. Thad Smith on Sunday.

Mr. and Mrs. Hub Young visited relatives in Ballinger over the Labor Day week end.

The Luther League of St. John's Lutheran Church met Sunday night for their monthly business meeting. Seven members were present.

Recent visitors of Mr. and Mrs. Loyd Christopher were Mr. and Mrs. A. C. Christopher and family of Waxahachie, Mrs. A. J. Baker and children and F. L. Christopher all of Amarillo, Mr. and Mrs. C. R. Martin and family of Odessa and Mr. and Mrs. E. W. Roe and daughter of Tahoka.

Lunch guests of Mrs. H. C. Fountain on Sunday were Mr. and Mrs. Earl Tunnell of Tahoka. Mrs. Bill Deavers of Slaton visited with them in the afternoon.

The St. Paul's Lutheran Church opened its Christian Day School for the 1956-57 term on Monday, September 3, with 34 pupils. A second teacher, Miss Mary Ann Handrick of Albany, has been added to teach the lower grades. Mr. Ralph Droege will teach the upper grades.

Alfred Clary left Sunday for San Angelo where he will enroll in

San Angelo College for the fall term.

Mr. Thad Smith visited his mother, Mrs. Brooks Smith, of Tahoka Saturday.

The Young People's Training Union Class of the Baptist Church met Thursday night in the home of Mr. and Mrs. B. W. Hobbs, Jr. for an ice cream social. Games were directed by Ann Davidson. Ice Cream and cake were served to eleven members and one visitor.

The Senior Class of Wilson High School received their class rings on Friday.

The W. M. S. of St. John's Lutheran Church met Tuesday to make plans to attend the National convention in San Antonio in November. Ten women are planning to go.

Rev. G. W. Heinemeier filled the pulpit in Brownfield for the Rev. Young on Sunday night.

Mr. and Mrs. Hubert Teinert spent a few days last week vacationing in Ruidoso, New Mexico. On Saturday night they visited their parents, Mr. and Mrs. E. J. Branditt of Littlefield.

Lynn O. Murray, son of Mr. and Mrs. M. L. Murray, has recently been promoted from 1st Lt. to Captain. He is stationed at Johnson Air Base, Japan, where he is battery commander of Battery A, 64th A. A. Battalion.

Mrs. H. H. Hewlett and Dixie carried their daughter, Shirley, to Abilene, on Sunday, where she will enroll in Hardin-Simmons University.

The FHA Club of Wilson High School met Wednesday morning and elected Bruce Hewlett as their sweetheart. Bruce, son of Mr. and Mrs. Judson Hewlett, is a senior and a member of the Wilson Mustang football team.

Mrs. Roy Robinson, A. A. Teinert, Milton Wied, Elmo Umlang, Joe Harvick, and Hubert Teinert were hostesses for a come and go bridal shower honoring Mrs. Martin Wuensche, Jr., the former Elwanda Staleup, Monday night in the home of Mrs. Hubert Teinert.

The serving table was laid with a lace cloth over pink. A bouquet of pink roses centered the table, flanked on either side by pink candles.

Mrs. Joe Harvick served the double heart shaped cake, which was iced in white with pink decorations. "Elwanda and Martin" was written across the cake. Mrs. Elmo Umlang served the punch.

The hostess gift was a copper canister and range set.

Twenty-two guests registered between the hours of 7:30 and 9:00 o'clock.

Organization and Education Whip Farm Accidents

Here is something for farm families to think about. Based on past records, W. L. Ulich, extension agricultural engineer, says farm accidents in the U. S. are killing, on the average, 40 farm residents each year and injuring one farm person about every half-minute.

He poses this question. How can farm residents continue to tolerate such losses in human lives and suffering to say nothing of the billions and a half dollars lost each year as a result of farm accidents? The problem will not be whipped until accidents are wiped out or so reduced as to become a minor consideration in the agricultural industry. Experience has shown, says Ulich, that the accident problem can be whipped for many industries have done it.

Industries which have the most outstanding records in safety carry on a continuous safety education program with all their personnel. Safety engineers have removed accident hazards from plants. Machines have been improved and shields used to protect the workers. Visual materials can be noted in and around plants and jobs where hazards exist but above all, points out the specialist, workers in other industries are made and kept safety conscious.

Farm machinery comes equipped with shields and other protective devices but too often they are left in the barn or are never installed. Farmers and their families, their friends and neighbors must take it upon themselves and organize their efforts if farm accidents are to be prevented, says Ulich.

Perhaps the most common cause of all farm accidents is just plain carelessness and the only person who can do much about this one, says the engineer, is you. It takes no longer to do most farm jobs in a safe and sane manner but it does require forethought and planning. By just thinking before acting, a lot of fatal accidents would be prevented, lives saved and endless misery and needless costs never started. The answer then, says Ulich, is up to farm residents. Better be on the alert, for one of these days your number may come up unless changes are made.

ECONOMIC ILLITERATES

The odds are overwhelming "that you are an economic illiterate." So writes Sylvia Porter, the well-known financial columnist. The reason for her indictment is this: "You're among the less than 5 per cent of all high school graduates in our land if you had even one semester course in economics." Miss Porter recommends that economics be a required course in every high school and in the first two years of college. We live in a society which is dominated by economic considerations. As workers and consumers we make economic decisions every day of our lives. The failure of the schools in this respect must be remedied.

Panhandle Fair To Feature Twirling Contest

The Panhandle South Plains Fair will be the scene of the Official Texas State Baton Twirling Championship Contest. Fair officials have just announced. It will be sponsored by the Fair Association and the Lubbock Chapter 186 of the National Baton Twirling Association.

Contest Chairman, Benni Dunn, 2513-20th St., Lubbock, was picked to conduct the contest which is usually held at the State Fair in Dallas. Miss Dunn, feature twirler at Texas Tech and Majorette All-American this year, said approximately 800 twirlers from Texas will be invited to participate.

The State Contest, as well as the Third Annual West Texas Baton Twirling Festival, will be held Saturday, September 29, in Fair Park Coliseum with judging beginning at 8:30 A. M. Twirlers will begin registering at 7:30 A. M.

Trophies will be awarded to all first place winners in both contests, and medals will be given to all other winners. National Baton Twirling Association rules will apply in both contests, said Miss Dunn. Entry deadline is September 20th.

Divisions in the State championship contest are: Solo, Juvenile Girls age 9 and under, Junior Girls age 10-14, Senior Girls age 15 and over, and Boys, open. Other contests are open, any ages, and include duets and ensembles, strutting, two-baton twirling, and flag twirling.

The West Texas Twirling Festival, an open national Class A contest, contains eight divisions: Novice Girls age 6 and under, Pee Wee Girls ages 7 and 8, Juvenile Girls ages 9 and 10, Junior B ages 11 and 12, Junior A ages 13 and 14, Senior B ages 15 and 16, Senior A age 17 and over, and Boys Division open, any age.

Santa Fe Receives Award for Safety On Western Line

Employees on the Santa Fe Railway's Western lines have received an award for their safety record during a special railroad-wide campaign in May, June and July. They excelled over the railroad's other three grand divisions.

During a two-day meeting of Santa Fe general managers in Galveston, Tex., recently, G. R. Buchanan, Western lines general manager, received a gold cup trophy from E. L. Duggan, seated, left, system superintendent of safety, Chicago.

Participating in the ceremony were, standing, left to right, Dr. J. R. Winston, medical director, Tem-

Without Good Vision They're Not Ready To Go Back To School

A thorough examination of your child's eyesight is the best assurance you can have that he's really ready to go back to school. Without good vision he doesn't have a fair chance to learn or to compete on the level with children of his own age.

Demand thorough, competent eye care for your child. Give him the benefit of the professional skill and service that his priceless eyesight demands. And don't confuse the price of glasses with the cost of eye care; and don't head the bargain lure of "Free Examinations" and glasses at a price.

Invest in eye care; invest in your child's future.

THERE'S MORE TO GOOD VISION THAN GLASSES AT A PRICE

Moderate grazing of land in the Great Plains region is more profitable in the long run than either too-heavy or too-light grazing. Twenty years of research at the U. S. Livestock Experiment Station in Montana has furnished the proof, says A. H. Walker, extension range specialist.

L. B. HAGERMAN, councilman-at-large for the South Plains Boy Scout Council is shown as he presents Wright M. Price, on the right, with a charter affiliating the local scout troop with the national organization. Price is commander of the Luther Powers Post 438 of the American Legion which is sponsoring Slaton's troop No. 29.

TROOP 29 RECEIVES CHARTER AT COURT OF HONOR WEDNESDAY

A charter affiliating the local boy scout troop with the national organization was presented to troop 29 Wednesday night at a Court of Honor held at the Scout Hall. The charter was presented to Wright M. Price Jr., commander of Luther Powers post No. 438 of the American Legion which sponsors the local troop.

Making the presentation on behalf of the South Plains council was councilman-at-large L. B. Hagerman.
Several members of the Slaton troop received recognition at the Court of Honor for advancement in rank in scouting. The awards were presented to the boys by Price with the aid of assistant scout master, Charlie Marriott.

The boys and the awards presented to them include Roy "Bugs" Wilson, the eagle palm and two merit badges; Pat Fondy, first class; Travis Hendrix, first class; Darrell Cheatwood, Mike Genoble, Dick Marriott, Mike Fondy, and Gary Caldwell, all received second class awards.

NEWS OF SLATON MEN IN SERVICE

Schilling Is Promoted
Sp/3 Ronald Schilling, son of Mr. and Mrs. H. F. Schilling, received a promotion recently according to a letter to his parents. He is stationed at Ft. Benning, Ga.

Over the Labor Day holidays Ronald went to Washington, D. C. He went through South Carolina, over Skyline Drive for 105 miles and also went through the Blue Ridge and Smoky Mountains. One of the most beautiful places he saw was the Shenandoah Valley.

Ronald writes he was in eight states and really did enjoy all the sights.
Mr. and Mrs. Jeff Hardin and Francis Perry are attending an Ad meeting of the Texas Press Association in Austin this week end. Mr. Perry will also attend a meeting of the executive committee of the association on Friday evening.

WANT ADS GET RESULTS

Mrs. Francis Perry left Wednesday morning for Fort Worth where she was called by the death of a relative, Mrs. Alvin Watson. Mrs. Perry will return home via Durberry where she will visit with Mrs. Cecil Rix and little son of Tulsa, Okla., in the home of Mrs. Rix's parents, Mr. and Mrs. L. R. Keller.

First Grade Enrollment Down From Last Year

With almost two weeks of school already gone, the enrollment figures in the Slaton Public School system are complete. This year the enrollment showed a slight drop from 1414 last year to 1410 this year.

Totals in the various schools show that the high school has 303 students; the junior high school has 289 students, West Ward has 579 students, and East Ward has 99 students enrolled.

Evans school has not yet begun though enrollment is expected to be about the same this year as it was last year—140.

For the first time in the last four years the first grade enrollment has shown a decrease, superintendent of schools P. L. Vardy Jr. reported. "Ordinarily if this had not happened we would show an increase of about 35 to 40 people. According to national figures as well as local figures this decrease in first grade enrollment is surprising as the figures indicate that there should have been as many first grade students enrolled this year as last year," he went on to say.

Enrollment last year in the various schools included 292 in the high school, 287 in junior high school, 593 in West Ward, 101 in East Ward, and 140 in the Evans School.

SLATON HIGH CHEERLEADERS FOR 1956—These five lassies are to lead the Pep Squad this year as they cheer the Tigers to victory. They are from left to right, Charlotte Muse, senior student; Suzanne Neill, freshman; Louise Moore, junior and head cheerleader; June Johnson, freshman; and Beverly Bland, senior. Mrs. Audean Nowell is sponsor for the group of about 60 girls. Mrs. Leonard Foster is pep squad mother.

Officers Arrest Negro Juvenile

Slaton police officers arrested a local Negro juvenile Sunday found in the flats carrying a homemade pistol and a length of bicycle chain.

The boy was taken to Lubbock and turned over to juvenile officer John Wilson. The boy is a member of a youthful gang calling themselves the "Black Cats" according to police chief Bill Daniels.

Daniels also reported that police broke up a fight between a group of Latin American and local youths Sunday night on the South side of the square. One boy had several stitches taken in his head as a result of a blow he received by a jack handle swung by one of the Latin American youths.

Police reported that they were able to break up the fight before it got to the serious stage.

J. C. Smith Jr., M. H. Lasater, J. J. Maxey, Al Romines, Jack Clark, and O. O. Crow spent Saturday and Sunday in Ft. Worth.

Mr. and Mrs. Odie Kelly of Anton visited here last week in the home of Mrs. Kelly's sister, Mrs. D. W. Walston Sr.

Touchdown Club Hosts Official

The Touchdown Club Monday night played host to Curtis Barrett, one of the officials who worked the football game Friday night between Slaton and Crosbyton.

Barrett told the members about rules in regard to football and how they are always being changed to maintain pace with the changes which are made in the game from year to year.

He explained various rules governing the playing of the game and the effect they can have on a team's chances of winning or losing depending on the team's knowledge of the rules.

Following a question and answer session the members watched a film of Friday night's game. Coach Leonard Ehrler gave a running commentary on the game and pointed out on the work which is being done on the practice field to correct those weaknesses.

"To us Kitten and Blissard were outstanding on defense and German and Thomas played a good game. We were very disappointed in our tackles, but we expect some improvement in coming games."

"We are going to have to do a much better job of playing this week against Seagraves if we expect to win. They have a terrifically fast team—they beat Morton last week 19-0," Ehrler stated.

In the business meeting the Touchdown members voted to charge 15 cents for football programs which will be sold at home games this year. All proceeds taken in from the sale of programs will be used to purchase aids to the team—such as film to make movies of the games for use by the team in spotting mistakes.

At the meeting next Monday at 8 p. m. at the Clubhouse an equipment salesman will be on hand to explain the safety in using good equipment.

Mrs. J. B. Linnenman and children of San Angelo were Sunday guests in the home of Mr. and Mrs. Nestor Kitten.

John T. Lokey of Dallas is here attending to business and is also visiting his father-in-law, A. N. Ricks, and other relatives.

Sunday guests in the home of Mr. and Mrs. John Steffens were Mr. and Mrs. A. F. Steffens, Ralph Steffens of Nazareth and Mr. and Mrs. Conrad Melcher.

Harold Steffens and Joe Schilling left Sunday for San Antonio where they entered Assumption Seminary to resume their studies for the priesthood.

Mr. and Mrs. R. J. Maeker of Wilson and Mr. Maeker's mother, Mrs. Robert Maeker, attended the annual Maeker family reunion Sept. 9th at Flatonia.

Mrs. H. R. Fondy has recently returned from a two weeks visit with her sister, Mrs. Frank Peters of Houston and her parents, Mr. and Mrs. R. H. Hany of Yoakum.

Mrs. Harmon Elkins of Pampa, Mrs. Sam Elkins of Justisburg, and Mrs. Hattie Elkins of Grants, N. Mex. were week end guests in the home of Mr. and Mrs. T. P. Keane.

Mrs. C. E. Gravell visited from Thursday through Monday with her husband who is a patient in the Santa Fe Hospital in Topeka, Kan.

Mrs. Rosa Fulcher of Jayton visited here last week in the home of her son, Truett Fulcher, and family.

Dinner guests in the home of Mr. and Mrs. W. H. Gilliland Monday were Mrs. Gilliland's sister, Mrs. E. A. Harris, and her niece, Mrs. Joe Shuttlesworth, and two children of Lubbock.

Thanks for Flag Expressed to Slaton WOW

P. L. Vardy Jr., superintendent of the Slaton Public School system, expressed his appreciation to the Woodmen of the World Tuesday for presenting the new high school with a 5x8 American flag.

The flag will be flown atop the flagpole in front of the high school. "We wish to express our appreciation to the WOW for the flag. This is only one of many things that the organization has done for the school. In the past we have received several other flags which have been put to good use and a water cooler for use in the school by students," Vardy said.

Guests in the home of Mr. and Mrs. Roy Holt Sunday were Mrs. Holt's niece, Mrs. Walter Brantley, Mr. Brantley and children of Lubbock.

Mr. and Mrs. Jack Dickson flew to San Francisco last week for a visit with Mr. Dickson's brother, Dewey Dickson, and Mrs. Dickson. They returned Thursday.

Mr. and Mrs. C. D. Kendrick of Johnson, Kan. visited here over the week end with their daughter, Mrs. Bill McCray, and Mr. McCray.

Mr. and Mrs. Wayne Kenney were dinner guests Friday night in the home of Mr. and Mrs. Arvin Holder of Wilson. They all attended the ball game also.

Mr. and Mrs. Koff Jackson of Wolforth visited here last week in the home of Mrs. Jackson's cousin, Mrs. W. W. Stanley, and Mr. Stanley.

Ben Bowen of Texon is visiting here in the home of his daughter, Mrs. J. E. Gray, and Mr. Gray.

Before washing dish cloths soak them in water to which a little ammonia has been added. This will cut the grease and make it much easier to get them clean.

Pony League Officer Election Set Monday Night

Election of officers will be the order of business when members and parents interested in Pony League will meet Monday, September 17, at 8 p. m. at the Junior High School.

All parents of boys who are eligible for Pony league play next year are urged to attend, according to George Harlan, president of the organization.

All managers and coaches are also urged to be present at the meeting, Harlan said. Boys who played Pony League this year, but who are not eligible for the League next year can pick up their birth certificates at the home of Mrs. Leland Scott, at 255 E. Panhandle.

Methodist Church Choir Program To Get Underway

Parents of children who will sing in one of four choirs in the First Methodist Church are urged to enroll their children this week, according to Jim D. Campbell, minister of music at the church.

The choirs and the time they will meet are as follows: Thursdays, 10 a. m., Cherub Choir, for pre-school age children, meets in Kindergarten room of the church; 2:45 p. m., Carol Choir, for 1st and 2nd graders, meets in Primary room of the church; and 7 p. m., Wesley Choir, for 4th, 5th, and 6th graders, meets in Fellowship Hall.

Monday, 3:15 p. m., Asbury Choir, for 3rd graders, meets in the Primary room.

FHA Activities Start With Initiation, Party

Several activities are planned for the next few days as the Future Homemakers of America begin the fall term with initiation beginning Friday, Sept. 14.

Tiger Town To Open Friday After Game

Tiger Town will be open Friday night following the home football game between Slaton and Seagraves. The teen youth center will open again Saturday night, the first of the regular opening nights.

On Saturdays the youth center will be open to its members and their guests from 8 p. m. to 11 p. m.

Mr. and Mrs. William E. Crabtree, Judy and Chari of Levelland were Sunday visitors in the home of Mr. Crabtree's parents, the Rev. and Mrs. Elmer Crabtree.

the theme "fishermen" and each girl is to dress as a fisherman on Friday. Members of last year will each have a "little sister" to initiate and will be responsible for her activities that day. Lunch will be served in the park at noon.

All members of FHA and their mothers will be honored by a "get-acquainted" coffee in the home of Pam Maxey and her mother, Mrs. J. J. Maxey on Saturday, Sept. 15, from 10 to 11 a. m. The address is 400 West Garza St.

Monday, Sept. 17, at 8 p. m. formal initiation will be held at the high school auditorium with the parents and public urged to attend by Mrs. G. K. Haille, sponsor. Miss Barbara Wilke, president, will preside on this important occasion. Refreshments will be served in the homemaking department following the program.

HOW TO USE YOUR Dial Telephone

September 28 is "Dial Day"
Until then, continue to give
your calls to the operator

YOU'LL FIND IT'S EASY TO DIAL — HERE'S HOW

1. Place the receiver to your ear and listen to the steady hum of the dial tone.

2. Suppose you want to call number VALLEY 8-3108. Place your finger in the dial opening where you see the letter "V." Pull the dial around until your finger strikes the finger stop.

3. Remove your finger and let the dial spin back freely.

4. Do the same for the letter "A," then for each of the figures, in order — "8-3-1-0-8."

Don't confuse the letter "I" and the numeral "one" or the letter "O" and the numeral "zero."

When you have finished dialing, you should hear a burr-rr, the ringing sound. If the line is busy, you will hear a fast buzz-buzz.

If you hear the busy signal, or if you hear neither sound, hang up. Wait for a few moments, then try the call again.

We believe you will like the speed, convenience, and dependability of dial service. When the new dial system goes in operation here at noon on September 28, Slaton will have the finest, most modern telephone service available.

IT'S THE LAW
in Texas

MANY KINDS OF LAW
"They ought to pass a law . . . You have heard that said many times. But did you know that much of our law was never "passed" by any legislative body?"

Actually there are several kinds of law which control our lives. Perhaps the following definitions will help explain the differences:

Statute law is an enactment of the state legislature or the Congress. It is the written law, setting forth a system of principles and rules of conduct.

Common law consists of those principles and rules of action which derive their authority from usage and custom, and from the decrees of our courts affirming such rules. It may be written or unwritten, and much of it we derived from the ancient unwritten law of England.

Parts of the statute and common law are sometimes further described:

Substantive law is that part which creates, defines and regulates rights. It is the law the courts are established to administer, as opposed to the rules of procedure by which it is administered.

Adjective law is made up of our rules of procedure and practice. It is the manners and methods by which we enforce our rights or obtain redress for their invasion.

Criminal law is that branch of the law which defines and prohibits the various crimes and establishes their punishments.

Administrative law is that vast body of law and practice concerning the public boards, commissions and agencies which have power to make rules, orders or regulations having the force of law.

You also hear of various fields of law, such as admiralty law, patent law, corporation law, municipal law and many others. These are branches or special fields of law.

Perhaps you find all this slightly confusing. But these matters are just as important to you as to the lawyer, because it is on the vast body of law that your rights and privileges, your government, and your way of life are based.

BEWARE ADVICE OF "BARRACKS LAWYERS"

You don't have to be a lawyer in order to form an opinion on a legal subject. However, it is bad business for a layman to pass such an opinion on to others to guide their actions. He may cause them to suffer substantial losses.

Because of the vast intricacies of

do you remember?

One Year Ago In Slaton
Taken from Sept. 16, 1955

Gloria Griego, 19 year old daughter of Mr. and Mrs. M. Griego, has been chosen to reign as queen of the two-day Mexican Independence celebration here Thursday and Friday.

Cheer leaders, who will be leading the Pep Squad this fall, are Louise Moore, Charlotte Muse, Sue Corley, Martha Allred and Peggy Bownds.

Construction was started Wednesday of this week on the addition to the telephone office here in Slaton.

Santa Fe Engine No. 1809 has been moved on her last trip to the Santa Fe Park at the end of Texas Ave. W. A. J. Carter, supt. of the Slaton Division of the Santa Fe, made the presentation.

Mrs. W. R. Wilson and Mrs. Douglas Wilson of Slaton and Miss Marie Saage and Mrs. J. L. Mullins of Lubbock spent last week end vacationing in New Mexico.

Mr. and Mrs. L. J. Kahlich and three children, Wayne, Linda Nell and Susan, returned Saturday from a 10 day trip to south Texas and

the law, a simple set of facts often gives rise to difficult legal problems. In spite of this, there are many persons who persist in passing out legal advice on all problems, pounding the table, quoting rules, and loudly expounding opinions. Beware of those persons, because their free opinions are usually worth what they cost, and often can be the unintended cause of harm to those who rely on them.

For example, George Jones owned a small drug store. He agreed to sell the store to Harry White at a time when he still owed \$1,000 to various creditors for merchandise he had bought for the store. George and Harry were in the back room one night discussing who would pay these debts. George suggested that they talk to a lawyer.

Just then Wilbur Knowall came into the room, and heard the discussion. He assured them that there was no necessity to see a lawyer. He told George to keep the debts, "to avoid complications." As to telling George's creditors of the sale, Wilbur said that was unnecessary because George was still liable to pay them. George and Harry decided to follow Wilbur's advice.

Several weeks later, after Harry had taken over the store, a representative of one of George's creditors came in and demanded that Harry pay the debt that George had incurred. Harry refused, but went to see a lawyer to make certain Harry was surprised to learn that he had failed to comply with a Texas Statute in buying the store without giving notice of the sale to George's creditors. He further learned that the sale was void as to them, and that he was liable for George's debts.

This is a common place example of the trouble you can get into when toying with the law. Experienced lawyers often must spend many hours researching a problem before advising their clients as to the best course of action to follow. It is therefore hazardous to rely on the legal advice of well-meaning friends. As in the case of Harry White, that is often the beginning of many headaches.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

the Texas coast.

Mr. and Mrs. Virgil Coffee of Levelland were among the out-of-town guests at the Postmaster's Convention last week.

Bill Cherry, former Slaton resident and son of Mr. and Mrs. W. T. Cherry of Loreno, became editor of the Canyon News Aug. 1.

Mrs. T. E. McClanahan and Mrs. Cecil H. Scott were hostesses at a tea honoring the wives of the postmasters and supervisors of the 19th district Saturday in Fellowship Hall of the First Methodist Church. Val, Felix and G. W. Wylie, sons of Mr. and Mrs. Val Wylie, left Sunday to go to Stephenville where they will enroll in Tarleton State College.

Five Years Ago In Slaton
Taken from Sept. 14, 1951

Lyle Berry, who works for the Santa Fe at Tulsa, spent the week end with his parents, Mr. and Mrs. Lyle Berry.

Mrs. V. P. Williams and Miss Lena Samples left Monday morning for a trip to Denver, Colo. Mr. and Mrs. W. R. Lovett have returned from a trip in Colorado and Kansas and report an enjoyable time.

Mr. and Mrs. Norbert Kitten and three children, Judy, Mike and Gordon, went to Amarillo Saturday and attended the wedding of Miss Betty Detton of Ft. Francis.

Pvt. Weldon W. (Buzz) Becker, son of Mr. and Mrs. Ben Becker, who has been stationed at Ft. Sill, Okla., was to fly to San Antonio and on to El Paso Sunday and is in the Williams Beaumont Army Hospital there.

Mrs. Harry Marsh and Donny returned Tuesday from Irvington, N. J. where they visited her daughter and son-in-law, Mr. and Mrs. R. A. Pacl and new baby daughter, Dorothy Joan.

Kyle Page was honored when his mother entertained for him on his third birthday.

Mr. and Mrs. Frank Dement and daughter Bobby Ann, left Tuesday for Washington state to visit his sister. They will be gone a month and include a tour of California in their schedule.

Major and Mrs. L. M. Garrigues and family visited their parents, Mr. and Mrs. C. L. Garrigues last week. Major Garrigues is stationed at Hamilton Field, Calif.

B. A. Hanna Jr. visited his parents, Mr. and Mrs. B. A. Hanna over the labor day week end. He is working in Ft. Worth as an auditor for Consolidated Vultee Aircraft.

Ten Years Ago In Slaton
Taken from Sept. 13, 1946

Sgt. Henry B. Thorn, son of Mrs. L. J. Thorn of Slaton, has just returned to the United States after having taken part in Operation Crossroads at Bikini Atoll.

Bobby Martindale arrived home Aug. 29, after having received his discharge in San Antonio. For the past six months he has been on Kwajalein, in the Marshall Islands, assisting the atomic bomb tests.

Martha Sue Ellis is visiting her parents, Mr. and Mrs. J. A. Elliott. She has been employed at Camp Wallace this summer, having graduated from Texas State College for Women in June.

Bobby Smith, son of Mr. and Mrs. R. L. Smith, is serving in the Navy and was stationed on Bikini during the atomic bomb tests. He is home on furlough.

The Central Christian Church of Austin was the scene of the marriage of Miss Connie Henry and John C. Locke of Austin.

A beer election is slated for Lub-

bock County with the date set for October 5.

Coach Clarence Tillery has announced that the opening game of the season will be played here with Seagraves as the opponent.

The Southland Eastern Star will present a play, "The Mystery of Crazy Canyon Ranch." Those who will appear in the cast are Doll Haire, Dauline Dunn, Lenora Stewart, Leonard Anderson, Sam Ellis, Dorothy Oats, Lewis Price, Joe Haire, Clay Johnston, Cordia Johnston and Opal Pennell.

Mr. and Mrs. J. M. Anthony had as their guests last week end their daughter, Mrs. E. W. Lamb, and son, Norman Lamb, and Mrs. Lamb of Waco.

Mrs. Webber Williams Sr. is visiting in Angleton this week with her son, Webber Jr., and Mrs. Williams and baby. Mr. and Mrs. Williams have been in Houston and Angleton for the past two weeks while their baby was receiving medical treatment in Houston.

Mrs. Jim Tongate and daughter, Madelyn, of Waco visited here over the week end with Mrs. Tongate's daughter, Mrs. Clyde Walter, and Mr. Walter. Madelyn is to attend Tech this year and moved in the dormitory over the week end.

SMART

moderns go GAS
for Clothes Drying!

Like most every modern homemaker, I try to run the most glamorous and efficient household possible . . . at the lowest cost. That's why I use GAS appliances. Take my dryer, for example. I think it's the smartest looking appliance I've ever seen. Performance-wise, it's got every automatic feature you can think of . . . it's safe for all fabrics—even my most delicate lingerie—and I tell you, I didn't know dryers were so fast! And here's the thing Ed, my husband, appreciates most . . . it cuts next to nothing to operate! Yes, just between you and me, I think every woman who goes in for GAS appliances is "Smart" . . . any way you look at it.

Mr. and Mrs. S. D. Bass and Peggy Sue of Tatum, N. Mex. and Mr. and Mrs. Ott Patterson of Olton spent the week end in the home of Mr. and Mrs. Henry Bollinger.

Mr. and Mrs. Henry Bollinger left Saturday for Portales, N. Mex. where they had been called due to the serious illness of Mr. Bollinger's brother, Rube Bollinger.

Mr. and Mrs. Kenneth Jones visited over the week end in Silverton with Mrs. Jones' parents, Mr. and Mrs. W. N. West.

TELEPHONE TALK

by J. C. Oakley, Manager

Visit Again By Telephone

At this time of year, vacations are over for most of us. And I suppose if you're like me, you are already looking forward to next year's. But it's a good thing to remember that those miles that took you hours to cover on your trip can melt away in seconds with a Long Distance call.

That way, you can thank your friends or relatives by telephone for all the fun you had during your vacation visit. They'll appreciate it, and will enjoy hearing your voice again.

Or maybe you met friends on vacation. There's really no better way of keeping in touch with them than by a friendly Long Distance call.

Rates are lower after 6 p. m. every weekday, and all day Sunday. This makes it easier to recall the happy vacation days all year long. Remember, too-call by number . . . it's twice as fast.

Why Run? Just Reach

Some time ago, I heard a good slogan for extension telephones. It was, "Why run for the telephone when you can reach for it?" It makes sense, too. You arrange furniture and appliances in your house so that they'll be convenient for you. Why not carry this convenience over to your telephone service?

Most homes could use an additional telephone. The kitchen and bedroom seem to be the most popular spots for families now enjoying life with two telephones.

The cost is small for an extension. An installation charge of \$1.75, and the monthly rate of \$1.00 can make you a "two telephone family."

Looking Up Words

You know, people sometimes use words for years before finding out exactly what they mean. Usually, they're pretty close, but it never hurts to dust off the old dictionary and look up a word.

I did it the other day to find the definition of "value." We talk about value of service a lot in the telephone business, and I wanted to know once and for all just exactly what "value" meant.

In simple terms, it means "real worth." So if you stop and think a minute about how much the telephone does for you, we think you'll agree we're not misusing the word "value" when we talk about telephone service.

For, you see, a good part of the "real worth" of telephone service is the telephone's ability to help you do more things easier day after day.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Self Feeding Brood Sows

Many farm chores have been eliminated by labor saving devices, but there are a few that are still difficult to adapt to automation. Hog farmers are confronted with one of these in the management of their sows.

Sows have been hand-fed since the beginning of hog farming. Nowadays, some hog farmers are experimenting with self-feeding their sows. Research and experience have shown that sows can be self-fed, although there are problems in doing it.

The problems in feeding brood sows by any method usually involve getting them to eat the right balance of nutrients without eating too much. It's easy to control this by hand-feeding. Self-feeding requires some changes in the feeding program.

The good hog man usually wants his sows to eat a mixture of about four parts grain and one part good supplement. Each sow gets four to six pounds of this ration daily, depending on her condition. When pasture is not available, good legume hay is offered free choice.

In self-feeding, where the feed is kept in front of the sow in a self feeder at all times, there is a problem of limiting the feed intake. This can be accomplished pretty well by mixing shopped roughage with the grain and supplement.

Research at the Ralston Purina farm in Missouri indicates that when ground shelled corn is fed, four parts of corn, one part of supplement, and three parts of ground legume hay make a good ration for self-feeding. Other adjustments are made when other grains are fed, so that the roughage factor limits consumption.

It will cost a little more to self-feed than to hand-feed. There is the added expense of chopping the roughage and mixing it in the ration. Also, sows may nose around in the feed and blow out some of the chopped roughage to get to the grain, causing wastage. But self-feeding sows can be done as a labor saving device.

THE COST OF CRIME

J. Edgar Hoover of the FBI states: "We complain about high taxes, but last year crime cost every man, woman and child in the United States \$122.00, or a staggering estimated total of twenty billions of dollars. Perhaps this figure could become more meaningful if we realized that for every \$1.00 spent on education, crime cost \$1.46, and for every \$1.00 which went to the churches of the nation, \$13.00 went to crime."

Mr. Hoover said this in a speech urging improvement in crime control—especially as it affects the parole system and the problem of the repeater. And the challenge of this, he added, "is a challenge to all of us."

BEAR DIPLOMACY — "Nikki," Russian bear cub, tastes British hospitality at the zoo in London, England, where he'll receive royal treatment from now on. He was a gift to Princess Anne from Soviet party chief Khrushchev and Premier Bulganin on occasion of their recent visit to Great Britain.

SMOOTH — Khaki-colored, smooth-surfaced broadcloth is fashioned into an easy-to-wash shirt for summer wear. Custom details include tab-buttoned pocket, wing collar and tab band on a cardigan cut.

Mr. and Mrs. Bill Sanner of San Angelo visited here over the week end in the home of Mr. Sanner's parents, Mr. and Mrs. R. C. Sanner.

Mr. and Mrs. C. E. Reynolds, Jan and Gail of Lubbock were Sunday guests in the home of their daughter, Mrs. T. R. Joines, and Mr. Joines.

Mr. and Mrs. Jim Fulton of Lubbock visited in the home of Mr. and Mrs. Bryon Johnson Sunday.

Executive Offers 21 Rules for Buying Used Car

An estimated 12 to 15 million people every year buy a used car but very few of them really know how to shop properly for the car they want and need. This was pointed out here this week by S. P. Hutchins, Dodge used vehicle manager, who presented 21 rules to guide prospective used car shoppers.

Hutchins pointed out that customers are often at fault by shopping "price" rather than quality. He pointed out that no two used cars are exactly alike and purchasers who look for price alone too often find that first costs are not "the best deal," as repairs and maintenance can sometimes be costly.

Dealer Facilities

A new car dealer who sells new cars has more facilities, trained personnel, and equipment to condition his used cars. When properly reconditioned, these cars give a better value to the purchaser. Hutchins said new car dealers generally keep only their better trades for retail sale, preferring to sell outright to wholesalers those units not suitable for resale. These remaining "first choice" cars naturally represent the best value. Such dealers frequently offer customers a written warranty which assures the customer of the dealer's confidence in the product he is offering.

Take Ride

Hutchins added that too few customers take a thorough demonstration ride when selecting their purchase. This is the buyer's opportunity to point out the obvious items which should be corrected before delivery.

To point up some of the things a customer should consider, Hutchins sets forth "21 Rules for Buying" as follows:

- 1) **Oil pressure:** should be in the mid-range on the indicator and hold steady under acceleration.
- 2) **Tire wear:** Check both the outside and inside outer casings for cuts and undue wear. Tread patterns should be even across the tire, indicating proper wheel alignment.
- 3) **Upholstery and general appearance:** interior should not be unduly soiled or torn. Seat covers may be an indication of the previous owner's care and pride but can also hide bad rips and stains.
- 4) **Brakes:** should have a firm pressure and be well up from the floor.
- 5) **Steering:** car should travel straight ahead without weave or sway.
- 6) **Clutch travel:** in a standard transmission type car, clutch should engage in gear smoothly with clutch approximately half-way out. If an automatic transmission, performance should be smooth and quiet.
- 7) **Engine starting:** should start quickly and easily when engine is cold. When temperature gauge shows warm, car should start more quickly.
- 8) **Windows:** check all windows for operation and discoloration.
- 9) **Radio:** play radio on at least two stations.
- 10) **Foot Pedal Pads:** should not be unduly worn. Floor mats should be in reasonable condition.
- 11) **Heater and defroster:** don't fail to check operation, even in summer.
- 12) **Amp-meter gauge:** should indicate no more than three-quarter charge when driving and should discharge only slightly at engine idle.
- 13) **Oil filter:** check to see if car has replacement type filter. If so, this can save the owner money.
- 14) **Lights:** check lights in park, dim and driving ranges. Also check stop lights and tail lights for operation.
- 15) **Rust:** very extensive rust will reduce pride of ownership, and can cost you money.
- 16) **Oil:** pull oil stick and check for clear oil. Presence of water bubbles in oil sample indicates probability of big repair bills in the near future.
- 17) **Shock absorbers:** test by driving over reasonably rough road. Clanking noises accompany unsound shock absorbers.
- 18) **Engine compartment:** lift hood and check for unusual amount of dirt, grime or caked oil residue.

Trunk

19) **Trunk:** open trunk for appearance check and examine the spare tire for cuts and breaks.

20) **Body:** rain gutter over top of doors should be straight. Look down the side of the car to make sure body metal is smooth. A wavy gutter or side panels are the result of reworking a car after an accident.

21) **Battery:** check battery to make sure it does not have dried or cracked plates or that excessive acid deposits have destroyed battery frame.

Hutchins pointed out that in the final analysis the most important insurance is to know your dealer. Again, don't be fooled by price and terms. Look for quality products with a quality businessman.

Anthony's DOLL EVENT

SELECT TODAY — A SMALL DOWN PAYMENT PUTS THEM IN LAY-AWAY

Beautifully dressed, 20 inch BRIDE DOLL

All dressed up in white satin and lace . . . to dazzle and delight any little dreamer. Long curly hair, rooted for long life, large sleepy eyes edged with long lashes and in her hand a tiny bouquet of flowers. She's life-like, she's adorable, from her lace edged fingertip veil to her tiny white slippers. And she's yours now at this amazingly low price.

- Rooted hair
- Sleeping eyes

SEPTEMBER 15 TO APRIL 15 SET AS AUTO INSPECTION TIME

The Texas Public Safety Commission has set September 15, 1956 to April 15, 1957, as the period during which automobiles and other motor vehicles must be inspected under provisions of the State's Motor Vehicle Inspection law.

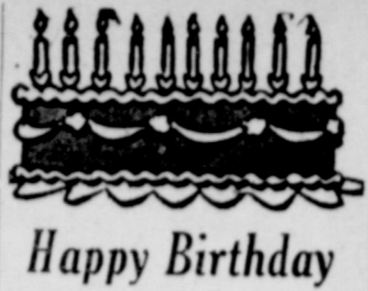

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, said in announcing the

Slaton Lodge No. 1094
A. F. & A. M.

Stated Meetings 2nd & 4th Thursday nights in Each Month at 8 p. m.
Geo. S. Baker, W. M.
W. T. Brown, Sec'y.

Commission's action that motorists should avail themselves of the opportunity to have their autos inspected as soon after September 15 as possible in order to avoid the inconvenience and delay which is usually associated with the end of the seven-month period by the "log jam" of car owners who wait until just before the deadline to have their vehicles safety checked.

George W. Busby, Chief of the DPS Motor Vehicle Inspection Division, stated that the more than 4,200 licensed inspection stations in the State would have sufficient supplies of stickers on hand by the starting date and would be equipped to check vehicles without delay.

Happy Birthday

By Vern Sanford
Texas Press Association

AUSTIN, Tex.—Conservative and Liberal Democrats are battling each other, Republicans are active. But the Constitution Party of Texas is now in the spotlight.

At their Austin meeting the Constitution Party grabbed headlines by naming, as their nominees, Democrats who have been active in recent campaigns. Their choice included W. Lee O'Daniel for Governor; J. Evetts Haley for Lt. Governor; Reuben Senterfitt for Attorney General; Warren G. Harding for State Treasurer, and Ross Carlton for the Court of Criminal Appeals.

Congressional candidates will be chosen later.

Secretary of State Tom Reavley challenged the Constitution Party's right to nominate any candidate who had been defeated for the same office in the recent primaries.

Joseph M. Rummier of Houston is state chairman of the Constitution Party. Their presidential nominee is Democrat T. Coleman Andrews, former Internal Revenue Commissioner of Richmond, Va. Former Republican Congressman Thomas Werdel of California is their vice presidential choice.

Major plank in the party's platform is elimination of federal income taxes.

ARTIFICIAL RAIN—Possibility of moistening droughty Texas by artificial rainmaking may be debated in the next legislature.

After hearing state and federal weather experts at an Austin meeting, the Texas Water Resources Committee voted to dig deeper into the subject. If findings are favorable, the committee indicated it would recommend legislation and appropriations for a long-range, statewide project.

Scientists were cautious in their claims before the committee. Much is yet to be learned about what makes rain, they said, and previous experiments have not yet been thoroughly evaluated. But they agreed prospects were promising enough to merit further research.

"SOAKER" WANTED—Scattered showers have helped, but most Texas farmers still are scanning the skies for a "fall soaker."

U. S. Dept. of Agriculture's latest crop report reflected increasingly critical conditions. Examples: cattle, "forced to market;" peanuts, "past redemption;" dryland cotton, "extremely short;" vegetable planting, "limited." Only irrigated cotton was reported "fruiting heavily."

GI LOAN PAYMENTS UP—Delinquencies on veterans land loans have dropped 19 per cent since 1954, said Land Commr. Earl Rudder.

Payment failures ran 20 per cent on loans made under his predecessor, Bascom Giles, said Rudder. Under the new administration they have dropped to one per cent.

Some 13,000 requests from veterans for loans now are pending before the land board. Present funds will stretch over only about 1,000. More money will be available if voters approve a constitutional amendment for a new \$100,000,000 bond issue at the general election.

RAIL SUIT RULING—Smithville, an old railroad town, lost another round in its prolonged attempts to retain offices of the Missouri-Kansas-Texas line.

An Austin district court upheld the Railroad Commission order permitting consolidation of Smithville and Waco offices.

Unique aspect of the case was the "all-star" legal line-up. A former Supreme Court Justice, James P. Hart, represented Smithville. Former governor Dan Moody represented the railroad.

INSURANCE CODE IN FULL EFFECT—Texas' new "model in-

surance code" now is in full force and effect.

Last measure to be activated requires companies to have a minimum of 100 policy-holders and \$200,000 insurance in force.

An Insurance Commission spokesman called the requirements "actually very easy to meet" and predicted almost 100 per cent compliance.

Target of the law are companies which, for tax purposes, have operated other type businesses under the guise of insurance firms.

Both Governor Shivers and Commission Chairman Byron Saunders have praised the state's insurance laws in recent statements. Saunders said Texas does not need "any additional reform measures," only "minor changes."

LOSE ACCREDITATION—Eight Texas schools have been removed from the accredited list by the State Board of Education.

In addition, the board warned 111 other schools they must improve their standards. Stripped of accreditation were Bexar County School for Boys, Carey (Childress County), Douglassville (Cass County), Houston Christian School, New Hope (Wood County), Scranton (Eastland County), Strong (Shelby County) and Sacred Heart (Cooke County).

These schools are ineligible to receive state money for vocational programs and superintendent pay. Their graduates must take entrance exams to enter college or another school.

NEW COURT ASKED—Texas lawyers have been asked to help persuade the 55th Legislature to allot Travis County a fourth district court.

Dist. Judge J. Harris Gardner pointed out that he and the other two judges face hopelessly jammed dockets.

In addition to local cases, Travis courts get almost all suits brought by and against state agencies.

SHORT SNORTS—William H. Wood of Midland has been appointed by Gov. Allan Shivers to the State Board of Pharmacy. Wood succeeds Shine Phillips of Big Spring. . . Eight more Texas counties have been designated drought disaster areas by the U. S. Dept. of Agriculture. They are Cass, Del-

ta, Fannin, Gregg, Harrison, Marion, Smith and Upshur. . . Furniture manufacturing is one of the fastest growing industries in Texas, expanding 10 times as fast as population. University of Texas Bureau of Business Research reported the state's furniture output increased from \$23,000,000 in 1939 to \$98,000,000 in 1955. . . Texas will have 1,954 new lawyers after next Monday when the Supreme Court will officially license those passing the most recent bar exam. . . A \$16,000,000 increase in Texas farm income for 1957 has been predicted by the Texas Agricultural Stabilization Conservation Committee. This unofficial estimate was based on the belief that large numbers of farmers will take advantage of the new federal soil bank law.

YOUR VALUE

An individual is worth a little more than a dollar. His body, broken down into its chemical parts and sold commercially, a person weighing 160 pounds would have that much value.

A man weighing 140 pounds contains enough fat for seven cakes of soap, carbon for nine thousand pencils, phosphorus enough to make two thousand match heads, magnesium for one dose of salts, iron to make one medium sized nail, sufficient lime to whitewash a chicken coop, enough sulphur to rid one dog of fleas, and water enough to fill a ten gallon barrel.

Chemically studied the human body is not worth very much.

—Frank Jackson

Gerre Hancock Tells of Year's Study in France

Gerre Hancock of Lubbock was the speaker at the Slaton Rotary club Thursday noon. His talk was on his experiences in France the past year while studying at the University of Paris as the Rotary Foundation student from this district. He was introduced by M. G. Davis.

While in Europe he visited eleven countries. The visits he made to the Rotary club in Paris and outlying towns proved very interesting to him. He told the difference in the customs of the clubs there and in Texas.

"The French people were wonderful to me everywhere I went," said Mr. Hancock, who explained the economics of the different sections of the country.

At the end of the program Mr. Hancock played a popular French song on the piano.

Visitors were Howard Welborn, Lubbock; Ernest Wallace, Lubbock; Lyndel Grigsby, Slaton; Mrs. M. G. Davis, who was pianist; and Tim Hancock, brother of Gerre, of Lubbock.

WHAT'S COOKING?

It's fun to mix a lot of things and wonder how they'll "turn out." It's fun until you try to eat your own "exter-special" muffins. Then you wish you had used Mommy's old-fashioned recipe.

Thousands of parents are sharing today the disillusionment that is in store for our little cook—but on a more bitter scale. As juvenile offenders are herded into our police stations, courts and reformatories, heart-broken parents watch and wonder. What did they do wrong? Why didn't Johnny turn out to be a boy they could be proud of?

When you try to answer those questions you can't help but recall the old-fashioned recipe for raising children. It calls for generous portions of prayer, family worship, Church attendance. But more than eight million children are growing up today without ANY religious training.

When the church bells ring on Sunday morning, remember; the future of our nation, the character of our children, is at stake.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Hosea	7	1-15
Monday	Isaiah	40	1-17
Tuesday	Isaiah	40	18-31
Wednesday	Matthew	13	24-33
Thursday	Matthew	13	34-52
Friday	Luke	13	25-32
Saturday	Habakkuk	3	1-19

Sam A. Thomas

Agricultural Mgr. Named for Public Service Company

Sam A. Thomas has been named manager of agricultural development for the Southwestern Public Service Company. Mr. Thomas will be headquartered at the company's Amarillo office, Melvin Kunkel, District Manager for the electric light and power company reported. He will be responsible for coordinating the company's program for bringing more of the benefits and efficiency of electricity to farm production and rural homes with all interested agricultural agencies in the company's 45,000 square mile service area. Special attention will be given to working with County Agents, Home Demonstration Agents, 4-H and Future Farmer groups, and school and college agriculture teachers.

A native West Texan, Mr. Thomas has been with the production department of the electric light and power company since 1952. He is a graduate of West Texas State College, taking his degree in agriculture. Prior to joining Southwestern Public Service, he taught agriculture for more than six years in the Wheeler County Vocational School at Mobeetie, Texas. He is a major in the Air Force Reserve.

In announcing the new appointment, W. L. Pearson, industrial manager for the Public Service Company, said: "Agriculture is still the dominant element in the economy of our service area. Electricity can increase farm production, lower production costs, and bring more comfort and convenience to rural homes. Sam Thomas has spent all his life in this region, and brings to his new position a knowledge of electricity, and the part it can play in a more modern and productive farm and farm home which will be of great value to many people in our service area."

Commission to Ask

(Continued from Page One) sion may appoint a City Manager, who shall be the administrative head of the municipal government, and shall be responsible for the efficient administration of all departments; he may or may not be a resident of the City of Slaton when appointed, and shall hold his office at the will of the commission.

3. An amendment to authorize the election of all commissioners from the city at large rather than from each separate ward. Such a change would mean also that the voters from the city at large would have a say in the election of all commissioners.

G. L. Elder, Street and Sanitation Superintendent, appeared before the commission to discuss sanitation pick-up schedules and routes in the city. The commission voted to authorize one pick-up per week by the regular garbage truck and one general clean-up per month by the highlift and dump truck for the \$1 per month service charge.

If a special trip is made the charge will be a flat fee of \$2.50 for use of the high-lift and dump truck.

The commissioners voted to lease, with the option to buy at the end of a 12 month period, a Model D Allis-Chalmers motor grader. The grader will be leased for \$425 per month. If the city decides to purchase the grader at the end of the 12 month period, the money which has been paid as monthly rental will be counted toward the purchase price.

Purchase Price
Full purchase price is \$7,450 according to the Tom W. Carpenter Equipment Company which is leasing the equipment to the city. The city's old maintainer will be advertised for sale, according to city secretary J. J. Maxey.

In other business the commissioners voted to grant the Canadian River Municipal Authority an assessment of 25 cents per water meter in the community. Twelve and one half cents of this assessment will be paid immediately and the remaining 12½ cents will be paid when it is needed by the authority.

P-TA Attended By Large Group

Approximately 200 people were present for the opening meeting of the Elementary Parent-Teacher Association Monday evening, Sept. 10, with Mrs. R. E. Ayers, president, presiding.

Mrs. Tom Claiborne, membership chairman, announced that nearly 200 membership dues have already been paid and anyone desiring to join may send 50c per person to the teachers at school.

The contest between rooms will end Oct. 15, with the room having the most parents belonging receiving a prize of \$7.50. Second place winner will receive \$5.00.

"Stay at Home" Night

Mrs. Charlie Walton, who spoke for the finance committee, led in a discussion of the annual Halloween financial drive. She reported the "Pay and Stay Home" night last Halloween netted some \$400 and it was decided to use this plan again this year rather than the carnival idea.

The monthly room count of the parents present was won by Mrs. Opal Townsend's first grade room. They received \$2.50.

Mrs. Ayers stressed the traffic rules which are being carried out at West Ward and said traffic tickets were being passed out by city police. This is being backed by the P-TA as a safety measure.

Girls Scout to Help

According to announcement, Slaton Girl Scouts under the direction of Mrs. Byron Johnson will entertain the small children during P-TA meetings for the rest of the year. This will aid the girls in securing credit for their scout work.

Mrs. Cecil Scott, program chairman, presented Mr. and Mrs. Floyd Elterman and three sons, Floyd Jr., Lauren and Jordan, in a musical program. They were accompanied

Mary Martha Class Meets in Hill Home

Mrs. Glenavon Hill was hostess when the Mary Martha Sunday School Class of the First Baptist Church met in her home Thursday evening, Sept. 6, for their monthly class meeting and social.

The opening prayer was led by Mrs. Edward Caldwell before Mrs. O. B. Landmon brought a devotion on "Choosing Upper Currents" with scripture references taken from Isaiah.

During the social hour entertainment was led by Mrs. Hill. A refreshment plate was served to Mrs. Barry Ford, Mrs. T. L. Talbert, Mrs. Caldwell, Mrs. Landmon, Mrs. J. J. Maxey and the hostess.

The opening prayer was led by Mrs. Edward Caldwell before Mrs. O. B. Landmon brought a devotion on "Choosing Upper Currents" with scripture references taken from Isaiah.

During the social hour entertainment was led by Mrs. Hill. A refreshment plate was served to Mrs. Barry Ford, Mrs. T. L. Talbert, Mrs. Caldwell, Mrs. Landmon, Mrs. J. J. Maxey and the hostess.

by Mrs. James Perkins.

During the social hour refreshments of punch and cookies were served from a tea table laid with a dark green cloth. An arrangement of pink, white, and lavender asters were placed off center and was balanced by a child's school slate on which was drawn a caricature of a teacher. Plastic ABC's in various colors were placed on the table also. Mrs. Jack Nowlin, hospitality chairman, was in charge of decorations. Mrs. R. H. Todd Jr. presided at the punch bowl.

Oct. 8 Meeting Plans

Next meeting, which will be Oct. 8, at 7:45 p. m. in the West Ward Auditorium, will feature a panel who will discuss the pros and cons of the fourth amendment which is designed to improve teacher retirement benefits. Those appearing on the panel will be Robert Hall Davis, president of school board, P. L. Vardy Jr., supt. of schools, Mrs. Virgie Hunter, a teacher, and Mrs. Joe Teague III, a mother.

Suzanna Wesley Class Elects Officers

In a brief business meeting recently, new officers for the Suzanna Wesley Sunday School Class of the First Methodist Church were elected.

They are Mrs. R. H. Todd Sr., teacher; Mrs. H. T. Scurlock, assistant teacher; Mrs. Melton Hancock, president; Mrs. M. L. German, vice-president; Mrs. Fred Tudor, secretary; Mrs. W. L. Holloman, assistant secretary; and Mrs. R. E. McReynolds, treasurer.

The first social of the fall season will be a covered dish luncheon for all members and guests to be held at 1 p. m. Oct. 19, in the home of Mrs. Fred Tudor at 245 No. 5th with Mrs. W. L. Blackerby as co-hostess.

Three Slatonites Attend Meeting in Clovis

Wednesday, Sept. 5, Mrs. B. H. Bollinger, Mrs. J. H. Floyd and Mrs. Elmer Trimble attended the Grand International Auxiliary to the Brotherhood of Locomotive Engineers meeting of the Yucca Division 88 held in Clovis, N. Mex.

While there they also attended a luncheon given by the Yucca Division, with an added attraction of the New Mexico State's drill team performance.

Mrs. Trimble reports a wonderful time.

Mrs. Kenneth Eugene Huffaker

Sonja Sooter Weds Kenneth Huffaker

The First Methodist Church was the scene of the marriage of Miss Sonja Dell Sooter and Kenneth Eugene Huffaker when the Rev. W. F. Ferguson of Lubbock read a double-ring ceremony Friday evening, Sept. 7.

Parents of the couple are Mr. and Mrs. Virgil Smith and Mr. and Mrs. H. E. Huffaker all of Rt. 3, Post.

An archway of greenery highlighted by silver leaves and candelabra of cathedral tapers completed the setting for the wedding.

Miss Mary Ann Klattenhoff, organist, rendered traditional wedding music and accompanied Tracy Crawford as he sang "At Dawning" and "The Lord's Prayer."

Bridal Attire

The bride, given in marriage by her father, wore an original gown of imported lace and pure silk taffeta in a soft ivory shade. The fitted bodice had applied lace over the bustline and featured a portrait neckline framed with scalloped lace held with a band of tulle. The tiny lace sleeves were complemented by lace and tulle gauntlets worn over the hands. A midriff of taffeta which was accented by a point at center front held a skirt of fully shirred taffeta with scalloped appliques of lace in a redingote effect over a lace panel at center front. It extended to a long train at the back outlined with applied lace extending from the waist.

Her veil of illusion fell below fingertip length from a Juliet cap of seed pearls. Her white lace and satin covered Bible was topped with a white orchid surrounded by pale pink sweetheart roses.

Honor Attendants

Miss Jeanette Burrell was the bride's maid of honor and Miss Viola Walton and Miss Carrall Ann Mann were the bridesmaids. They were attired in gowns of blue taffeta with softly shirred skirts ending in ruffles. They wore tiny half hats with nose veils of tulle and carried single pink rose buds with silver stems and leaves tied with pink satin. The bridesmaids also lighted candles.

Sharla Kim Huffaker of Tahoka, niece of the bridegroom, and Kathy King were flower girls. They wore dresses of pink and blue taffeta. Randy Mullins of Lubbock was ring bearer.

W. L. Housour Jr., uncle of the bride, served as best man. Glenn Huffaker of Tahoka and Roy Huffaker of Lamesa, brothers of the groom, served as ushers. Trent Smith, the bride's brother, was a junior usher.

Immediately following the cere-

mony, a reception was held in the home of the bride and groom at 115 So. 4th St. The bride's table was laid with a lace cloth over pink satin and featured a three-tiered wedding cake. The bride's bouquet and the bridesmaids' flowers were used to decorate the table. Mrs. Fred Woods presided at the wedding cake and Mrs. Raymond Samply and Mrs. B. H. Bollinger alternated at the punch bowl.

The bride chose a pale blue linen suit for traveling as the couple left for a wedding trip to points in Colorado. She wore an orchid corsage.

Mrs. Huffaker is a 1956 graduate of Slaton High School and her husband is a graduate of Tahoka High School. He is engaged in farming near Slaton. The couple will be at home here.

Out-of-Town Guests

Among the out-of-town guests were Mr. and Mrs. Fred Woods of Brownville; Mr. and Mrs. Henry Housour, Mr. and Mrs. Raymond Housour, Mr. and Mrs. Ray Sooter, Mr. and Mrs. Tip Simmons, Mrs. W. L. Housour Jr., and Mr. and Mrs. Sonny Mullins all of Lubbock.

Mr. and Mrs. H. E. Huffaker, Mrs. Roy Huffaker, and Mrs. Glenn Huffaker all of Tahoka; Mrs. Zella Smith of Post and Howard Smith of Plainview.

Lydia Class Social Held in Pierce Home Thursday

Lydia Sunday School Class of the First Methodist Church met in the home of Mrs. A. R. Pierce Thursday, Sept. 6, with Mrs. Pierce, Mrs. W. B. Tomlinson and Mrs. A. L. Paschall as co-hostesses.

Mrs. A. A. Webb, president, presided at the business meeting, and plans were discussed for clothing an orphan girl. She is 10 years old and is in the Methodist orphanage at Waco. They plan to make life more pleasant for her by remembering her birthday and other special occasions.

During the social hour those present gave an account of their vacations.

Refreshments were served to Mesdames Calvin Lamb, Dick Taylor, Floyd Jordan, Roy Saage, C. H. Walton, M. M. Schueller, S. L. Alderson, Cecil Scott, Onas Ray, R. J. Clark, C. E. Smith, Charles Smith, H. T. Scurlock, Webb, Douglas Wilson, J. S. Edwards Jr., Bill Wright, B. R. Underwood, Wesley Hancock, Kyle Hancock, and Miss Gertrude King.

CARD OF THANKS

May I express my appreciation for the cooperation I have received from you, my friends and neighbors, in my work at the Slatonite. This has helped in making my work so enjoyable. I will never forget your many kindnesses in overlooking my errors and complimenting me in spite of them.

—Pauline Maxey

Dillard Home Scene Bridal Shower Honoring Mrs. Voigt

A tea shower was given honoring Mrs. Clarence Voigt, the former Miss Sandra Logsdon, Thursday evening, Sept. 6, in the home of Mrs. Otto Dillard.

In the receiving line were Mrs. Dillard, the bride, her mother, Mrs. J. A. Logsdon and the groom's mother, Mrs. Ben Catching.

The tea table was laid with a handmade lace cloth belonging to Mrs. C. M. McPherson, made in a French convent. An arrangement of multicolored summer asters in a cut glass bowl centered the table setting.

Pink tapers in crystal holders and a cut glass punch bowl completed the table setting.

A yellow heirloom bedspread was given by the hostesses.

Hostesses were Mesdames W. A. Sikes, Curtis Dowell, Paul Melton, Alvin Becker, Robert Schneider, Malcolm Limmer, C. M. McPherson, Leroy Mueller, Wallace Becker, Willie Becker, Walter Stolle, Arthur Stolle, Marcus Wilke, E. C. Stabeno, Edmund Wilke, Floyd Foerster and Dillard.

LOKEY FAMILY REUNION HELD HERE SUNDAY

Mrs. Fannie Patterson was hostess Sunday, Sept. 9, when all of her brothers and sisters met in her home for a Lokey family reunion. This is the first time in a number of years they had all been together.

Those attending were John T. Lokey of Dallas, C. T. Lokey of Olton, Mrs. Myrtle Adair of Los Angeles, Calif., Miss Pauline Lokey and Mrs. C. R. Cato of Amarillo, Mrs. J. A. Elliott and Mrs. Patterson of Slaton.

A brother-in-law, C. R. Cato, of Amarillo and a sister-in-law, Mrs. Jack Lokey, of Lubbock also attended.

(SLATONITE STAFF PHOTO)

RELAXATION? WELL, IT IS FOR Mrs. Robert E. Lee, for she uses cookery as a method of relaxing and enjoys every minute of it. Her friends look forward to one of Alpha's cakes, pies or anything else she "whips" up.

Slaton Women Give Their Favorite Tested Recipes

Mrs. Robert E. Lee is giving a timely recipe this week as it is just about time to make relishes and chow-chow. This recipe is unusual in that the chow-chow is uncooked.

Uncooked Chow-Chow

1 gal. green tomatoes
5 sweet peppers (red and green)
2 or 3 red hot peppers
12 medium onions
1 large cabbage
1 large stalk celery
3 pints cider vinegar
juice of 4 lemons

4 cups sugar
½ cup salt (not iodized)
2 tsp. tumeric
1 tsp. allspice
1 tsp. powdered mustard
1 tsp. mustard seed

METHOD: Grind tomatoes, peppers, onions, cabbage and celery. Drain. Mix sugar, salt and dry spices. Add vinegar and lemon juice. Mix thoroughly and add vegetables. Can cold in sterilized jars.

Mrs. Lee, who was Alpha Binion before her marriage, was born in Grayson County but moved to this

Jarman Home Scene Dorcas Class Meet Thursday, Sept. 6

The Dorcas Sunday School Class of the First Baptist Church met Thursday, Sept. 6, in the home of Mrs. H. V. Jarman with Mrs. Carl Williams Sr. as co-hostess, for their monthly class meeting.

During the business session, the class decided to have their regular meetings the first Thursday of the month at 3 p. m.

Mrs. R. L. Smith Sr. brought the devotion from Psalms. Prayer was led by Mrs. Clyde Shaw, the teacher. Mrs. L. R. Gregory, vice-social chairman, asked for suggestions on the improvement of the class and they were read.

At the next meeting on Oct. 4, Mrs. Dudley Berry will install officers for the coming church year. This meeting will be in the home of Mrs. Shaw on Gordon Road.

area when she was nine years old. She and her family moved to Slaton in 1924 and she graduated from Slaton High School in 1927.

Jack of all Trades

She laughingly said she was jack of all trades and master of none as she has worked at so many different jobs. Among the many occupations she has had are selling insurance, when times were really hard (and she was quite the trader which has furnished good laughs over the years for her family), secretary for a firm in Lubbock, worked at the Citizen's State Bank and for the utilities company, etc.

Lee's Daughter, Canzada

Alpha has not worked away from home since the birth of Canzada, who is 12 years old and in the seventh grade. She takes piano and loves music. Mrs. Lee says Canzada is always on the go but is a great deal of help to her at home.

Cooking is one of the things Mrs. Lee enjoys most. She finds this is a means of relaxation and can calm her nerves by going in and baking cakes or pies for the freezer. She also loves to sew although she is "so" slow she says. She took a course in simplified sewing last year at high school and hopes to take the tailoring course this year.

Activities

The Lees are members of the First Baptist Church where Mrs. Lee has been a worker in the beginner department since 1936. She is a member of the Slaton Chapter of the Order of Eastern Star and is a past president of the Ladies Auxiliary of the Brotherhood of Locomotive Firemen and Engineers. She is on the board of trustees of this organization at the present.

The Slaton, Tex., Slatonite
Friday, September 14, 1956

R. D. Bisbee left Thursday for White Plains, N. Y. where he will visit for about two weeks with his son, Robert.

Mr. and Mrs. Melvin Kunkle returned Sunday from a vacation trip in which they visited Mr. Kunkle's mother, Mrs. J. O. Kunkle, and his brother, T. O. Kunkle, and Mrs. Kunkle in Seguin. They also visited in Floresville with Mrs. Kunkle's sister, Mrs. Park Tipton, and Mr. Tipton. Mrs. Tipton returned to Slaton with the Kunkles for a weeks visit.

Mr. and Mrs. Douglas Walston of Colorado Springs, Colo. visited here last in the homes of Mrs. D. W. Walston Sr., Mr. and Mrs. Leon Walston, and Mr. and Mrs. D. W. Walston Jr.

Dr. and Mrs. Don Hatchett spent the week end visiting in Baytown with Mrs. Hatchett's brother, J. L. Patterson, and Mrs. apTerson.

Mr. and Mrs. Jeff Hardin and two daughters visited in Crowell Sunday with Mrs. Hardin's mother, Mrs. J. F. Russell.

Mr. and Mrs. Pete King and Mr. and Mrs. Pete Wilhoit spent the week end in Juarez, Mex.

Mr. and Mrs. Paul Bishop and grandson, Mrs. Cora Johnson and two grandchildren of Ralls, Mrs. Jack Hardaway and children of Monahans, Mr. and Mrs. Joe Vincent and children of Snyder were guests in the home of Mr. and Mrs. Casey Walling and Mrs. Walling's mother, Mrs. Bishop. Mr. Bishop, Mrs. Hardaway and Mrs. Johnson are Mrs. Bishop's son and daughters. Mrs. Vincent is Mr. Walling's niece.

Mr. and Mrs. I. E. McCarver returned last from a vacation in which they visited Mr. McCarver's sister, Mrs. Frances Sonntag, in Frisco, and his brother, J. W. McCarver, and family in Milburn, Okla. They also visited with Mrs. McCarver's twin brother, Delma McCollum in Sherman.

Farm Bureau Family Night Discussion Set

Farmers in Lubbock County will get a chance to discuss one of the toughest problems facing them today at a Family Night meeting at the Slide Road Community Club house September 20 at 7:30 p.m. Subject of the meeting will be "How Shall We Solve Our Water Problems."

According to the latest Farm Bureau discussion sheet the greatest cause of the problem seems to be that our rising population demands more water. We have over twice as many people as only 50 year ago. Everyone uses more water and industry has greatly expanded.

We don't have water in the right quantity, of the right quality, at the right place—that is why we have water problems over the entire nation, the sheet read.

The new discussion reaflet points out that our water problem will get

worse unless farmers and others do something about them. Better state laws are needed. Ways to use water more efficiently need to be employed. And more local, state, and interstate responsibility needs to be assumed for water resource development.

"Since most of our water falls on lands owned by farmers," the FB leaflet says, they should assume initiative in the development of water policies and accept their responsibilities toward the enactment of laws to carry out these policies."

Mr. and Mrs. T. E. McChanahan and Tommy visited Mr. and Mrs. Elmer Evans, Mr. and Mrs. E. L. Ball, and Mr. and Mrs. Jimmy Layne in Snyder Sunday.

Mr. and Mrs. Arnold Alcorn of Muleshoe spent Saturday night and Sunday in the home of Mr. Alcorn's sister, Mrs. Elton Smith, and family.

Dr. and Mrs. Paul Owens of Pampa spent Tuesday night here in the home of Dr. Owens' daughter, Mrs. J. J. Maxey, and Mr. Maxey.

O. D. Kenney Auto Parts Store Front Re-Decorated

O. D. Kenney Auto Parts was sporting a newly redecorated store front this week following the addition of a new glass door. The new glass door front is the first step in plans to improve the appearance of the building.

Later on the brick front of the building will be re-painted and sometime in the future the interior will also receive a new paint job, according to Wayne Kenney.

O. N. Alcorn and his daughter, Mrs. Elton Smith, attended funeral services for Mr. and Mrs. John Guerry and Mr. and Mrs. Sam Guerry, who were killed in an automobile accident near Mineral Wells over the week end. Services were held in Lipan Tuesday afternoon with burial in Authon cemetery in Parker County. Mr. Alcorn and John and Sam Guerry have been life long friends.

CARD OF THANKS

I would like to take this opportunity to thank the people of Slaton, both those I have come in contact with as news sources and those who have made me and the spouse feel welcome in Slaton, for the way they accepted us as newcomers and made us feel a part of the community.

It is with these thoughts in mind that I take my trusty old typewriter, spouse, television set, and five cats with me toward a new job on the Amarillo Globe.

It has been both a profitable and good year for both of us. I have learned much about the friendliness of the people of Slaton—and have learned much about newspapering from a past master at the art—Mr. Perry.

If any of you Slatonites ever find yourselves in the big city—drop in and see the spouse and myself—the welcome mat will always be out for anyone from Slaton.

—Clyde C. Walter

Gilbert Becker of Southland spent Sunday with Howard Limer.

Dial System Begins With Removal of Blocking Tools

The reason the new dial telephone in Slaton won't work at the present time is that the equipment in the new dial telephone

building which controls their operation is blocked.

Thousands of tiny fiber insulators, called blocking tools, have been fitted between the contact points in the dial switching equipment in the new telephone building addition to prevent the new dial system from interfering with the old manual system still in operation. J. C. Oakley, Southwestern Bell Telephone Company manager, explained.

"Campus Corner"

By Beverly Bland

If you went to the Slaton vs Crosbyton football game last Friday night you will know what I mean when I say there have been some Rings, rings, and more rings, changes made. The Tigers are now referred to as the Fighting Tigers. Have you seen them yet? The seniors received their rings Monday and they surely are nice. The annuals also came and were handed out Monday. I would like to say now what a good job the annual staff did last year.

Organizations are beginning to elect new officers and get straightened out for another big year.

Things are really buzzing around SHS, everyone is getting ready to beat Seagraves this week. The game will be played here in the old Tiger Stadium and kick-off time will be at 8 p. m. Again I would like to invite you all out to watch the Tigers win another game.

There will be a pep rally held every Friday afternoon in the high school auditorium beginning at 3:10 p. m. We would like to have a lot of you to come up and get some pep for tomorrow nights game.

Dick Meurer and his nephew, Walter Geis, of Scotland spent Wednesday and Thursday in the home of Mr. Muerer's brother, W. L. Muerer, and Mrs. Muerer.

Mr. and Mrs. C. M. McPherson and children spent the week end in Roscoe visiting Mrs. McPherson's parents, Mr. and Mrs. B. O. Mueller. While there they attended the Lindsey-Boyman wedding in which their son Mark was a member of the wedding party. Mr. Bowman is Mrs. McPherson's nephew.

Mr. and Mrs. Billy Jernigan, Mack and Dianne of Lubbock visited in the home of Mr. and Mrs. Joe Loke Sunday.

Mr. and Mrs. J. H. Lambright, accompanied by Mrs. Lambright's cousin, Mrs. W. E. Muldrow, of Waco returned from a vacation trip to Oklahoma. They visited Mrs. Lambright's brother, Herman E. Irwin, and Mrs. Irwin in Oklahoma City. At Lawton they visited with Mr. Lambright's cousin, Glen Perry, and Mrs. Perry. They went sight seeing in the Wichita Mountains Holy Lands where the yearly Easter pageant is held. They returned via Ft. Worth, visiting Mrs. Lambright's cousin, Mrs. Fred Foster, and Mrs. Foster, and her aunt, Mrs. Josie Hammett and her daughter, Mrs. Walter Littlejohn, while there.

Change-Over Sept. 28
"Come noon on Friday, September 28, our plant people will junk those blocking tools out, pull the heater coils in the old system and we'll have the dial system in operation," he explained.

The entire operation will take only a few seconds but each step must be carefully coordinated. The coils must be pulled from their sockets in one swoop at the precise moment.

Slight Interruption
Then for a few seconds, Slaton will be without telephone service as the telephone men in the new dial office begin pulling away many small wooden racks from the frames where the switching equipment is located.

As each rack is pulled down, scores of tiny blocking tools, attached to the racks by strings, will be yanked away putting individual telephones in service.

One Minute Past Noon
At one minute past noon on Friday, September 28, the telephone men standing by in Slaton will stand with their eyes glued to the clock counting the seconds until the signal is given that the old manual system is dead. Then the men will begin jerking the blocking tools from their places and in a matter of seconds, every telephone in town will be converted to dial.

"New dial telephone numbers will be assigned to each telephone in Slaton just prior to the cutover to dial," he explained.

Stationery
"Meanwhile, businessmen and others who plan to order stationery, or other printed matter listing telephone numbers, may want to keep this in mind while ordering."

The dial system will require two letter, five digit numbers instead of the numbers now assigned to telephones here. For instance, a present number might become Valley 8-3108. All numbers will have the prefix VAlley, followed by five numerals.

"We realize the inconvenience the number change will cause, but we hope that the people of Slaton will recognize the problem we face. The dials will not work on four digits and a complete number change is necessary," Oakley said.

New Number Lists
New dial number lists are being compiled. The new numbers will soon be assigned and subscribers informed by mail.

"At the present time, we do not know what the individual dial numbers will be," Oakley added. "Please do not inquire. Subscribers will be informed of their new numbers by mail and all the new numbers will be listed in the dial telephone directory which will be distributed shortly before the cutover."

Methodist Revival To Feature Dr. Clovis Chappell

Dr. Clovis Chappell, said by the magazine "The Christian Century Pulpit" to be one of America's 10 most outstanding preachers, will be featured at a revival in the First Methodist Church September 23 through September 28. Services will be held at 10 a. m. and 8 p. m. daily.

The local church is sponsoring study and prayer group meetings at various times preceding the revival season. Members are urged by their pastor, the Rev. J. B. Sharp to attend one of these at the most convenient time for their schedule.

Dr. Chappell, whose home is in Waverly, Tenn., was reared in that state. Ordained to the ministry in

1908, he has held pastorates in several states. In 1949 he retired from pastoral duties to write and preach. He has completed some 30 books.

The pastor extends an invitation, not only to Methodists, but to all townspeople to keep this date in mind and come out to hear this outstanding messenger of God.

Mrs. Jack Berkley has been at the bedside of her father in Crosbyton this week where he is a patient in the hospital suffering from a heart attack. George M. Reid had been visiting with his mother in DeQueen, Ark. and was on his return home last Saturday when he suffered a heart attack near Guthrie. When he reached Crosbyton he was hospitalized and his condition pronounced serious. He is reported to be improving.

Mr. and Mrs. Luther Faulkner and daughters, Mrs. Doug Howell and Mrs. Travis Hendrix, and Mr. Hendrick visited in Goldthwaite last week end with Mr. Faulkner's mother, Mrs. M. E. Faulkner, on her eighty-fourth birthday.

NEW ARRIVALS IN SLATON

Born Sept. 5 to Mr. and Mrs. Carl R. Williams, 930 S. 17th, Slaton, in Mercy Hospital, a boy weighing 6 lbs. 11 ozs.

Born Sept. 8 to Mr. and Mrs. Louis Fondy of Belen, N. Mex., in a Belen Hospital, a boy weighing 6 lbs. 8 ozs.

Born Sept. 9 to Mr. and Mrs. Antonio Riojas, Rt. 1, Wilson, in Mercy Hospital, a boy weighing 8 lbs. 4 ozs.

Born Sept. 11 to Mr. and Mrs. Kenneth Rackler, 420 S. 8th, Slaton, in Mercy Hospital, a girl weighing 8 lbs. 4 ozs.

Adopted Sept. 8 by Mr. and Mrs. E. P. Boyle, 1030 S. 8th, a 11½ month old baby girl, Beverly Elaine.

Lions Discuss Plans to Bring Circus to Slaton

Lions Club members voted Tuesday to investigate the possibility of bringing a small circus to the community. Clark Self Jr. will report to the club at its meeting next week on further developments toward bringing the circus to Slaton.

The members voted to hire two high school girls to man the fair booth at the Panhandle South Plains Fair on the day assigned to the Slaton Lions Club. P. L. Vardy Jr. was asked to select the two girls.

John Ferguson came to the Tuesday luncheon meeting as a guest of Lion president Self.

Mr. and Mrs. Delma Hodge had as their Sunday dinner guests their daughter, Mrs. Bennie Johns, L.L. Johns, of Lubbock and Mr. Hodge's sister, Mrs. R. L. Taylor, and Mr. Taylor of Littlefield.

ROSE GROWTH

Good new roses don't just happen. The hybridizer gets one good rose out of about 10,000 tries. Our finest roses cannot reproduce themselves from seed.

They are multiplied only by the patient budding and grafting of the growers. One of the popular rose strains will last no longer than 20 years—some only half as long. The American Beauty rose of blessed memory held its place for 25 years and then disappeared from the market.

A rose called Better Times now represents about 60 percent of all cut roses sold. —Your Life

Mrs. H. H. Edmondson left this morning for Los Angeles, Calif. where she will visit with her sister, Mrs. Nora Zimmerman. She will then go to Fresno for a visit with her brother, Harmon Fox.

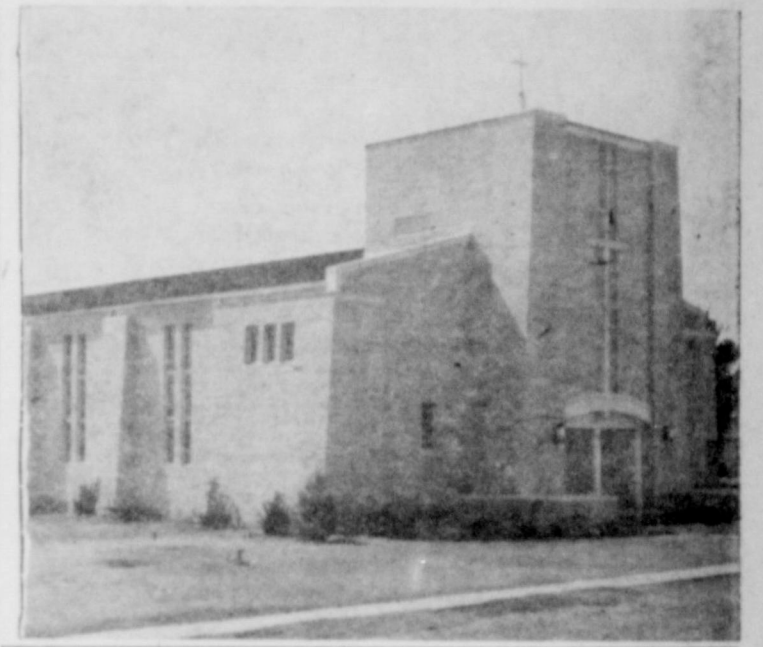

J. H. Brewer is in Ft. Worth this week attending the State Democratic convention. Mrs. Brewer went as far as Wichita Falls where she is visiting her sister, Mrs. E. W. Marriott.

- Then -

THIS IS ST. JOSEPH'S CATHOLIC CHURCH as it appeared in 1912 shortly after it was constructed. At that time the building contained both a small church and living quarters—as compared with today's structure which will seat about 1000 according to the Rev. Monsignor T. D. O'Brien. The church as shown here was the first of five structures built to house increasing congregations. The other churches were built in 1916, 1920, 1932, and 1952.

Does Your Youngster Spend Too Much Money?

Ever wonder if your youngster spends more than other children his own age? Today, report the editors of Changing Times, The Kiplinger Magazine, children handle more money and take spending money more for granted than ever before.

To see how your youngster compares with the average, here are figures showing what children spend each week and where the money comes from.

Age (boys and girls)	Earned	From parents	Total
8-9	\$.30	\$.40	\$.70
10-12	.70	.60	1.30
13-15	1.60	1.40	3.00
16-18	4.20	3.20	7.40

In the youngest age group, candy, ice cream and sodas account for the largest expenditures. In the 10-to-12 age group, movies become a standard expense. Spending money on records and hobbies becomes a regular item for the boy between 13 and 15, while his female counterpart starts buying cosmetics, minor items of clothing and costume jewelry. Dating is a heavy expense for boys in their late teens (16 to 18), while outlays for beauty and adornment climb in the girls' budgets.

According to the editors, 81% of all youngsters receive formal allowances. Another 16% get informal ones—varying sums at irregular intervals with which to cover their expenses. Only 3% get no allowance of any kind. Getting a regular sum and making it last is the only practical way, say money-management experts, to teach children to make choices and assume responsibility in financial matters.

About seven out of ten children earn some of their money. Young ones get it chiefly from paid household chores. Older ones babysit, usher in movie theaters, clerk in five-and-tens on Saturdays. Encouraging youngsters to earn some of their money is good training, but they should do some household tasks without pay.

Tuesday, Wednesday Safest Driving Days in Week

Driving somewhere? Then take advantage of reduced accident rates by traveling on Tuesday or Wednesday.

"Accident Facts," the National Safety Council's statistical yearbook, just off the press, shows that in 1955 more than twice as many fatal motor vehicle accidents occurred on Saturday and Sunday than on Tuesday and Wednesday.

Reports from 36 states show these fatal accident percentages of the week's toll: Saturday, 22; Sunday, 20; Friday, 15; Monday, 12; Thursday, 11; Tuesday and Wednesday, 10 each.

Mr. and Mrs. J. B. Kitten left Friday to take their son, Douglas to St. Louis, Mo. to enroll him in St. Joseph School for the Deaf.

Mrs. Roy Hodges attended a birthday dinner honoring her mother, Mrs. J. W. Dickson, in Post Monday.

Mr. and Mrs. Buddy Hays and son, Tony, of Post were Sunday dinner guests of Mrs. Hays' parents, Mr. and Mrs. Grady Harris.

Robert Howell and Bill Honeycutt of Amarillo visited here over the week end in the home of Mr. and Mrs. L. M. Howell.

Iceing will not sugar or grain when it dries on a cake if a pinch of salt is added to the ingredients.

IRRIGATED CROPS ON LEVEL CONTOUR ROWS SHOW GOOD RESULTS

By Lloyd D. Morton, Jr., Engineer
Soil Conservation Service

Irrigation crops on level contour rows are showing good results for George Sooter who farms three miles west of Shallowater, Texas. Sooter, a cooperarator with the Lubbock County SCD, owns and operates 160 acres along with his egg production business, and he strongly believes in the practice of having level rows on his farm.

According to Sooter, "I had no runoff from a one and four tenths inch rain in 20 minutes and very little runoff from a two inch rain." With this saving of rainfall, Sooter figures that he will save on irrigation.

Since February, there has been one pre-planting irrigation plus a total of four inches of rainfall. On July 21, the first watering of the cotton started which will probably take two weeks. This is expected to be the last watering needed. Before this year, the rows were run down the slope and Sooter says, "I had hot spots in the cotton along with high cotton on each end and low cotton in the middle." Due to this condition, he got a lower yield and grade of cotton. However, he expects a higher yield and grade this year since there is a uniform growth over the entire field of contoured level rows. Also, when the rows were run downhill, there was plenty of runoff after a rain.

By putting his rows on the level, Sooter has found that his ditches have more slope than he would like, but this is necessary in order to have the most efficient irrigation system possible. Sooter admits that it is more work to irrigate from a sloping ditch, however, he states, "The extra work will pay

"TO ADD LIFE TO YEARS"
"By one of the great boons of modern medicine, the U. S. today has more and older old folks than any previous culture in history," says Time, in its issue of July 23. "In 1900 only 4.1 per cent of the population were 65 or over; now these 'senior citizens' account for 8.4 per cent, and by 1980 they will make up 16 per cent to 15 per cent in a nation of about 225 million."

Time tells of some of the advances that have been made in dealing with the medical problems of advancing age. New and remarkable drugs are among them. So are modern surgical techniques. Not long ago, for instance, the death rate among elderly people who suffered broken hips from falls was extremely high. Now, according to Time, "surgeons can safely undertake the operation to reduce the fracture in victims as old as 90."

Particularly notable discoveries have been made in the all-important field of diet. Half a century ago it was generally believed that old people should consume little protein. Present-day diets, which build and maintain physical and mental health, contain sizable amounts of protein, along with fats and carbohydrates and other necessary constituents.

Not all of the medical problems of old age have been solved by any means—any more than have the social and economic problems. But the gains, in a comparatively brief span of time, have been striking. To quote Time again, "U. S. specialists in medicine for the aging and aged may well grow old themselves in the struggle to carry out their motto: 'To add life to years, not just years to life.'"

for itself several times." Concrete pipe is planned to take care of the problem of irrigating from a slope.

Since I will not be able to see everyone personally I would like to take this method of asking your support in the race for Commissioner of Ward 4 on October 2, 1956

ORAN McWILLIAMS

The Slaton, Tex., Slatonite Friday, September 14, 1956

R. D. Bisbee left Thursday for White Plains, N. Y. where he will visit for about two weeks with his son, Robert.

Mr. and Mrs. Melvin Kunkle returned Sunday from a vacation trip in which they visited Mr. Kunkle's mother, Mrs. J. O. Kunkle, and his brother, T. O. Kunkle, and Mrs. Kunkle in Seguin. They also visited in Floresville with Mrs. Kunkle's sister, Mrs. Park Tipton, and Mr. Tipton. Mrs. Tipton returned to Slaton with the Kunkles for a weeks visit.

Mr. and Mrs. Douglas Walston of Colorado Springs, Colo. visited here last in the homes of Mrs. D.D. W. Walston Sr., Mr. and Mrs. Leon Walston, and Mr. and Mrs. D. W. Walston Jr.

Dr. and Mrs. Don Hatchett spent the week end visiting in Baytown with Mrs. Hatchett's brother, J. L. Patterson, and Mrs. Patterson.

WANT ADS GET RESULTS

Mr. and Mrs. Jeff Hardin and two daughters visited in Crowell Sunday with Mrs. Hardin's mother, Mrs. J. F. Russell.

Mr. and Mrs. Pete King and Mr. and Mrs. Pete Wilhoit spent the week end in Juarez, Mex.

Mr. and Mrs. Paul Bishop and grandson, Mrs. Cora Johnson and two grandchildren of Ralls, Mrs. Jack Hardaway and children of Monahans, Mr. and Mrs. Joe Vincent and children of Snyder were guests in the home of Mr. and Mrs. Casey Walling and Mrs. Walling's mother, Mrs. Bishop. Mr. Bishop, Mrs. Hardaway and Mrs. Johnson are Mrs. Bishop's son and daughters. Mrs. Vincent is Mr. Walling's niece.

Mr. and Mrs. I. E. McCarver returned last from a vacation in which they visited Mr. McCarver's sister, Mrs. Frances Sonntag, in Frisco, and his brother, J. W. McCarver, and family in Milburn, Okla. They also visited with Mrs. McCarver's twin brother, Delma McCollum in Sherman.

Farm Bureau Family Night Discussion Set

Farmers in Lubbock County will get a chance to discuss one of the toughest problems facing them today at a Family Night meeting at the Slide Road Community Club house September 20 at 7:30 p.m. Subject of the meeting will be "How Shall We Solve Our Water Problems."

According to the latest Farm Bureau discussion sheet the greatest cause of the problem seems to be that our rising population demands more water. We have over twice as many people as only 50 year ago. Everyone uses more water and industry has greatly expanded.

We don't have water in the right quantity, of the right quality, at the right place—that is why we have water problems over the entire nation, the sheet read.

The new discussion leaflet points out that our water problem will get

worse unless farmers and others do something about them. Better state laws are needed. Ways to use water more efficiently need to be employed. And more local, state, and interstate responsibility needs to be assumed for water resource development.

"Since most of our water falls on lands owned by farmers," the FB leaflet says, they should assume initiative in the development of water policies and accept their responsibilities toward the enactment of laws to carry out these policies."

Mr. and Mrs. T. E. McChanahan and Tommy visited Mr. and Mrs. Elmer Evans, Mr. and Mrs. E. L. Ball, and Mr. and Mrs. Jimmy Layne in Snyder Sunday.

Mr. and Mrs. Arnold Alcorn of Muleshoe spent Saturday night and Sunday in the home of Mr. Alcorn's sister, Mrs. Elton Smith, and family.

Dr. and Mrs. Paul Owens of Pampa spent Tuesday night here in the home of Dr. Owens' daughter, Mrs. J. J. Maxey, and Mr. Maxey.

O. D. Kenney Auto Parts Store Front Re-Decorated

O. D. Kenney Auto Parts was sporting a newly redecorated store front this week following the addition of a new glass door. The new glass door front is the first step in plans to improve the appearance of the building.

Later on the brick front of the building will be re-painted and sometime in the future the interior will also receive a new paint job, according to Wayne Kenney.

O. N. Alcorn and his daughter, Mrs. Elton Smith, attended funeral services for Mr. and Mrs. John Guerry and Mr. and Mrs. Sam Guerry, who were killed in an automobile accident near Mineral Wells over the week end. Services were held in Lipan Tuesday afternoon with burial in Authon cemetery in Parker County. Mr. Alcorn and John and Sam Guerry have been life long friends.

CARD OF THANKS

I would like to take this opportunity to thank the people of Slaton, both those I have come in contact with as news sources and those who have made me and the spouse feel welcome in Slaton, for the way they accepted us as newcomers and made us feel a part of the community.

It is with these thoughts in mind that I take my trusty ole typewriter, spouse, television set, and five cats with me toward a new job on the Amarillo Globe.

It has been both a profitable and good year for both of us. I have learned much about the friendliness of the people of Slaton—and have learned much about newspapering from a past master at the art—Mr. Perry.

If any of you Slatonites ever find yourselves in the big city—drop in and see the spouse and myself—the welcome mat will always be out for anyone from Slaton.

—Clyde C. Walter

Gilbert Becker of Southland spent Sunday with Howard Limer.

Dial System Begins With Removal of Blocking Tools

The reason the new dial telephones in Slaton won't work at the present time is that the equipment in the new dial telephone

"Campus Corner"

By Beverly Blaud

If you went to the Slaton vs Crosbyton football game last Friday night you will know what I mean when I say there have been some Rings, rings, and more rings, changes made. The Tigers are now referred to as the Fighting Tigers. Have you seen them yet? The seniors received their rings Monday and they surely are nice. The annuals also came and were handed out Monday. I would like to say now what a good job the annual staff did last year.

Organizations are beginning to elect new officers and get straightened out for another big year.

Things are really buzzing around SHS, everyone is getting ready to beat Seagraves this week. The game will be played here in the old Tiger Stadium and kick-off time will be at 8 p. m. Again I would like to invite you all out to watch the Tigers win another game.

There will be a pep rally held every Friday afternoon in the high school auditorium beginning at 3:10 p. m. We would like to have a lot of you to come up and get some pep for tomorrow nights game.

Dick Meurer and his nephew, Walter Geis, of Scotland spent Wednesday and Thursday in the home of Mr. Meurer's brother, W. L. Meurer, and Mrs. Meurer.

Mr. and Mrs. C. M. McPherson and children spent the week end in Roscoe visiting Mrs. McPherson's parents, Mr. and Mrs. B. O. Mueller. While there they attended the Lindsey-Boyman wedding in which their son Mark was a member of the wedding party. Mr. Bowman is Mrs. McPherson's nephew.

Mr. and Mrs. Billy Jernigan, Mack and Dianne of Lubbock visited in the home of Mr. and Mrs. Joe Loke Sunday.

Mr. and Mrs. J. H. Lambright, accompanied by Mrs. Lambright's cousin, Mrs. W. E. Muldrow, of Waco returned from a vacation trip to Oklahoma. They visited Mrs. Lambright's brother, Herman E. Irwin, and Mrs. Irwin in Oklahoma City. At Lawton they visited with Mr. Lambright's cousin, Glen Perry, and Mrs. Perry. They went sight seeing in the Wichita Mountains Holy Lands where the yearly Easter pageant is held. They returned via Ft. Worth, visiting Mrs. Lambright's cousin, Mrs. Fred Foster and Mrs. Foster, and her aunt, Mrs. Josie Hammett and her daughter, Mrs. Walter Littlejohn, while there.

building which controls their operation is blocked.

Thousands of tiny fiber insulators, called blocking tools, have been fitted between the contact points in the dial switching equipment in the new telephone building in addition to prevent the old manual system from interfering with the new dial system still in operation. J. C. Oakley, Southwestern Bell Telephone Company manager, explained.

Change-Over Sept. 28
"Come noon on Friday, September 28, our plant people will junk those blocking tools out, pull the heater coils in the old system and we'll have the dial system in operation," he explained.

The entire operation will take only a few seconds but each step must be carefully coordinated. The coils must be pulled from their sockets in one swoop at the precise moment.

Slight Interruption
Then for a few seconds, Slaton will be without telephone service as the telephone men in the new dial office begin pulling away many small wooden racks from the frames where the switching equipment is located.

As each rack is pulled down, scores of tiny blocking tools, attached to the racks by strings, will be yanked away putting individual telephones in service.

One Minute Past Noon
At one minute past noon on Friday, September 28, the telephone men standing by in Slaton will stand with their eyes glued to the clock counting the seconds until the signal is given that the old manual system is dead. Then the men will begin jerking the blocking tools from their places and in a matter of seconds, every telephone in town will be converted to dial.

"New dial telephone numbers will be assigned to each telephone in Slaton just prior to the change to dial," he explained.

Stationery
"Meanwhile, businessmen and others who plan to order stationery, or other printed matter listing telephone numbers, may want to keep this in mind while ordering."

The dial system will require two letter, five digit numbers instead of the numbers now assigned to telephones here. For instance, a present number might become Valley 8-3108. All numbers will have the prefix Valley, followed by five numerals.

"We realize the inconvenience the number change will cause, but we hope that the people of Slaton will recognize the problem we face. The dials will not work on four digits and a complete number change is necessary," Oakley said.

New Number Lists
New dial number lists are being compiled. The new numbers will soon be assigned and subscribers informed by mail.

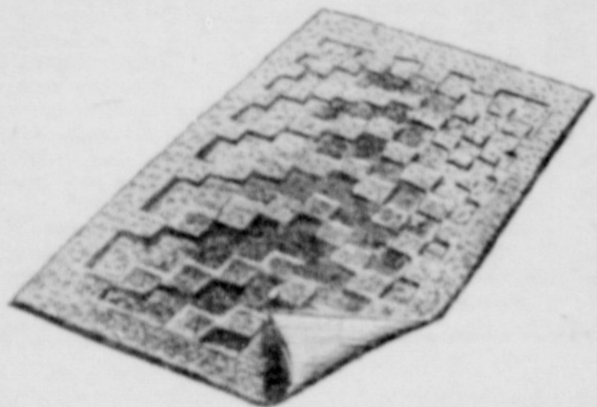

"At the present time, we do not know what the individual dial numbers will be," Oakley added. "Please do not inquire. Subscribers will be informed of their new numbers by mail and all the new numbers will be listed in the dial telephone directory which will be distributed shortly before the changeover."

Methodist Revival To Feature Dr. Clovis Chappell

Dr. Clovis Chappell, said by the magazine "The Christian Century Pulpit" to be one of America's 10 most outstanding preachers, will be featured at a revival in the First Methodist Church September 23 through September 28. Services will be held at 10 a. m. and 8 p. m. daily.

The local church is sponsoring study and prayer group meetings at various times preceding the revival season. Members are urged by their pastor, the Rev. J. B. Sharp to attend one of these at the most convenient time for their schedule.

Dr. Chappell, whose home is in Waverly, Tenn., was reared in that state. Ordained to the ministry in

1908, he has held pastorates in several states. In 1949 he retired from pastoral duties to write and preach. He has completed some 30 books.

The pastor extends an invitation not only to Methodists, but to all townspeople to keep this date in mind and come out to hear this outstanding messenger of God.

Mrs. Jack Berkley has been at the bedside of her father in Crosbyton this week where he is a patient in the hospital suffering from a heart attack. George M. Reid had been visiting with his mother in DeQueen, Ark., and was on his return home last Saturday when he suffered a heart attack near Guthrie. When he reached Crosbyton he was hospitalized and his condition pronounced serious. He is reported to be improving.

Mr. and Mrs. Luther Faulkner and daughters, Mrs. Doug Howell and Mrs. Travis Hendrix, and Mr. Hendrick visited in Goldthwaite last week end with Mr. Faulkner's mother, Mrs. M. E. Faulkner, on her eighty-fourth birthday.

NEW ARRIVALS IN SLATON

Born Sept. 5 to Mr. and Mrs. Carl R. Williams, 930 S. 17th, Slaton, in Mercy Hospital, a boy weighing 6 lbs. 11 ozs.

Born Sept. 8 to Mr. and Mrs. Louis Fondy of Belen, N. Mex., in a Belen Hospital, a boy weighing 6 lbs. 8 ozs.

Born Sept. 9 to Mr. and Mrs. Antonio Riojas, Rt. 1, Wilson, in Mercy Hospital, a boy weighing 8 lbs.

Born Sept. 11 to Mr. and Mrs. Kenneth Rackler, 420 S. 8th, Slaton, in Mercy Hospital, a girl weighing 8 lbs. 4 ozs.

Adopted Sept. 8 by Mr. and Mrs. E. P. Boyle, 1030 S. 8th, a 11½ month old baby girl, Beverly Elaine.

Lions Discuss Plans to Bring Circus to Slaton

Lions Club members voted Tuesday to investigate the possibility of bringing a small circus to the community. Clark Self Jr. will report to the club at its meeting next week on further developments toward bringing the circus to Slaton.

The members voted to hire two high school girls to man the fair booth at the Panhandle South Plains Fair on the day assigned to the Slaton Lions Club. P. L. Vardy Jr. was asked to select the two girls.

John Ferguson came to the Tuesday luncheon meeting as a guest of Lion president Self.

Mr. and Mrs. Delma Hodge had as their Sunday dinner guests their daughter, Mrs. Bennie Johns, L. E. Johns, of Lubbock and Mr. Hodge's sister, Mrs. R. L. Taylor, and Mr. Taylor of Littlefield.

ROSE GROWTH

Good new roses don't just happen. The hybridizer gets one good rose out of about 10,000 tries. Our finest roses cannot reproduce themselves from seed.

They are multiplied only by the patient budding and grafting of the growers. One of the popular rose strains will last no longer than 20 years—some only half as long. The American Beauty rose of blessed memory held its place for 25 years and then disappeared from the market.

A rose called Better Times now represents about 60 percent of all cut roses sold.

—Your Life

Mrs. H. H. Edmondson left this morning for Los Angeles, Calif. where she will visit with her sister, Mrs. Nora Zimmerman. She will then go to Fresno for a visit with her brother, Harmon Fox.

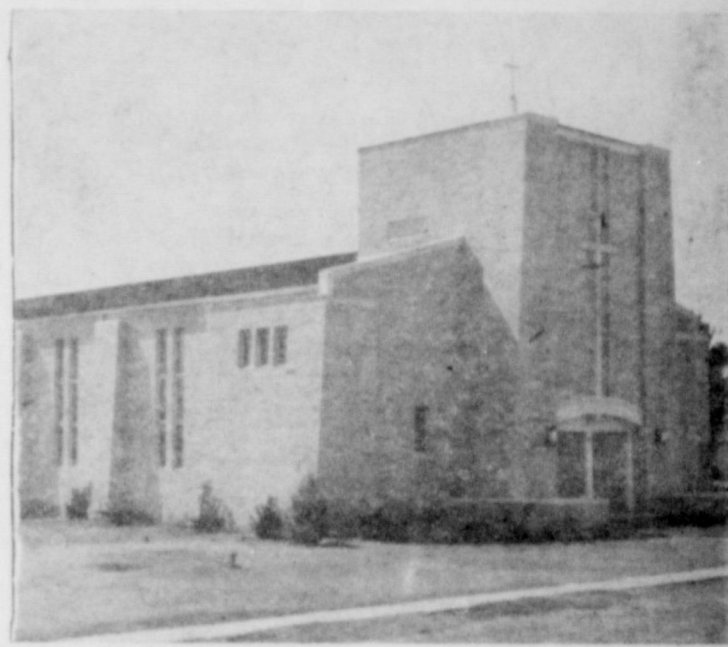

J. H. Brewer is in Ft. Worth this week attending the State Democratic convention. Mrs. Brewer went as far as Wichita Falls where she is visiting her sister, Mrs. E. W. Marriott.

- Then -

THIS IS ST. JOSEPH'S CATHOLIC CHURCH as it appeared in 1912 shortly after it was constructed. At that time the building contained both a small church and living quarters—as compared with today's structure which will seat about 1000 according to the Rev. Monsignor T. D. O'Brien. The church as shown here was the first of five structures built to house increasing congregations. The other churches were built in 1916, 1920, 1932, and 1952.

- Now -

Does Your Youngster Spend Too Much Money?

Ever wonder if your youngster spends more than other children his own age? Today, report the editors of Changing Times, The Kiplinger Magazine, children handle more money and take spending money more for granted than ever before.

To see how your youngster compares with the average, here are figures showing what children spend each week and where the money comes from.

Age (boys and girls)	Earned	From parents	Total
8-9	\$.30	\$.40	\$.70
10-12	70	60	1.30
13-15	1.60	1.40	3.00
16-18	4.20	3.20	7.40

In the youngest age group, candy, ice cream and sodas account for the largest expenditures. In the 10-to-12 age group, movies become a standard expense. Spending money on records and hobbies becomes a regular item for the boy between 13 and 15, while his female counterpart starts buying cosmetics, minor items of clothing and costume jewelry. Dating is a heavy expense for boys in their late teens (16 to 18), while outlays for beauty and adornment climb in the girls' budgets.

According to the editors, 81% of all youngsters receive formal allowances. Another 16% get informal ones—varying sums at irregular intervals with which to cover their expenses. Only 3% get no allowance of any kind. Getting a regular sum and making it last is the only practical way, say money-management experts, to teach children to make choices and assume responsibility in financial matters.

About seven out of ten children earn some of their money. Young ones get it chiefly from paid household chores. Older ones baby-sit, usher in movie theaters, clerk in five-and-tens on Saturdays. Encouraging youngsters to earn some of their money is good training, but they should do some household tasks without pay.

Mr. and Mrs. W. N. Williams

W. N. WILLIAMSES CELEBRATE 52ND WEDDING ANNIVERSARY

Mr. and Mrs. W. N. Williams celebrated their 52nd wedding anniversary Sunday, Sept. 9, when their children and their families met at the County Park for a picnic dinner and family get-together.

Those present were Mr. and Mrs. Williams, Mr. and Mrs. Alton Lockett, Mr. and Mrs. Edgar Williams and Mr. and Mrs. Chester Williams, all of Slaton; Mr. and Mrs. Roy Williams of New Home and Mr. and Mrs. Estill Williams of Brownfield; ten grandchildren and seven great-grandchildren.

All of the honored couple's children were here except one son, Comdr. Clyde A. Williams, who is stationed in Atlantic City, N. J. Mr. and Mrs. Williams live south of town where they have lived for the past 35 years having moved there from the Acuff Community in 1921. They came to Lubbock County in 1916 from Anderson County where they married Sept. 11, 1904.

A freshly cut piece of apple left in a cake box will help keep the cake fresh.

DAVE SHERRILL, GUEST SPEAKER AT GARDEN CLUB

Dave Sherrill, Lubbock County Agent, was guest speaker at the Slaton Garden Club when they met for the first meeting of the new club year in the home of Mrs. Clifford Young with Mrs. A. E. Whitehead as co-hostess.

Mrs. Jack Nowlin was program director and introduced Mr. Sherrill, who spoke on "How and Why of a Compost Heap." He urged the members to never throw peelings away or burn leaves, as a mixture of these and a commercial fertilizer will make good compost and be excellent for gardening.

An arrangement of orange pyracantha berries and castor bean leaves placed in a brass bowl was created by Mrs. B. A. Hanna.

Four guests were present. They were Mrs. Joe Walker Jr., Mrs. Wade Thompson, Mrs. S. H. Adams and Mrs. Rose Lisendy of Ft. Worth. Members attending were Mesdames R. E. Ayers, O. Z. Ball, Dudley Berry, V. G. Browning, Bill Christman, F. A. Drewry, J. S. Edwards Jr., Hanna, J. D. Holt, A. M. Jackson, Nowlin, Bruce Pember, F. E. Perry, H. G. Stokes, H. T. Swanner, P. L. Vardy, Grady Wilson, S. G. Wilson and the hostesses.

WSCS Begins Series Of Lessons Taught By Mrs. Clark

Twenty-seven members attended the meeting of the WSCS of the First Methodist Church when they met Tuesday morning in the sanctuary for Bible study. Paul's letters to the local churches are being studied by the group.

Mrs. R. J. Clark is leading the study assisted by Mrs. S. H. Jaynes, Mrs. S. H. Adams and Mrs. A. C. Burk.

Mrs. Burk, president, urges all women of the church to be present for the second lesson next Tuesday at 9:30 a. m. The nursery will be open.

Deborah Class Meets In McCray Home

The Deborah Sunday School Class of the First Baptist Church met Thursday evening, Sept. 6, in the home of Mrs. Bill McCray. Mrs. Norman Carter was acting president.

The opening prayer was led by Mrs. Bill Alsbaugh with Mrs. McCray closing the meeting with prayer.

After the business meeting, refreshments were served to Mrs. C. E. McCoy, teacher, Mrs. Carter, Mrs. Alsbaugh, Mrs. Bennie Moeller and the hostess.

The next meeting will be the installation services held in the home of Mrs. McCoy.

Norris and Haile Attend Austin Meet

Helen Anne Norris, president of FHA Area I, and Mrs. G. K. Haile, local homemaking teacher and FHA sponsor, enplaned for Austin Friday where they attended the state FHA executive meeting.

This group who met in the Driskill Hotel planned the year's work of the state organization. Mrs. Haile and Helen Anne served on the state degree committee. They returned home Saturday night. Three FHA members and their sponsors attended from area I.

MEETING TIME CHANGE SET FOR LA OF B OF RT

Mrs. R. F. Stansell, president, announced the LA of B of RT will meet at 9 a.m. rather than 2 p.m. on the first and third Thursdays of the month. The meetings are held in the American Legion Hall. She urges all members to be present.

Hogue Home Scene J. O. Y. Class Party Tuesday Night

Mrs. C. E. Hogue was hostess when the J. O. Y. Class of the First Baptist Church met in her home for their monthly business meeting and social hour.

The opening prayer was led by Mrs. Allen Crowley, the teacher. Mrs. George Privett brought the devotion. At the business meeting, plans were made for the beginning of a new church year.

Those present were Mesdames Oma Fay Brown, Charles Felty, C. A. Wells, Leon Walston, Terrell Allen, J. C. Smith Jr., Privett, Morrison and Crowley.

TIGER MOTHERS ELECT OFFICERS TUESDAY NIGHT

Tiger Mothers met Tuesday evening in the Slaton High School Auditorium for the first meeting of the season. The main business at hand was the election of officers.

Those elected were: Mrs. C. E. Corley, president; Mrs. J. P. Pearson, vice-president; Mrs. W. J. Thomas, secretary; and Mrs. Magnus Klattenhoff, reporter.

The mothers decided to feed the football boys after every game, having a hot meal following home games and serving sandwiches and a cold lunch after out-of-town games.

About thirty mothers and Coach Leonard Ehrler attended this meeting.

Guests in the home of Mr. and Mrs. C. A. Wells over the week end were Mrs. Wells' sisters, Mrs. J. B. Butts of Wichita Falls, Mrs. M. M. Burns, and Mr. Burns of Portales, N. Mex.
