Forced to move. See me on page 9

Local Man's Father Dies At Roscoe

Word was received yesterday noon by J. D. Norris that his father, O. C. Norris, passed away at Roscoe.

Mr. Norris was 89 years of age and had been ill for some time. He was one of the oldest residents in Roscoe and had lived there continuously 40 years.

Mr. and Mrs. J. D. Norris and daughter, Mrs. Dan Tarpley of Lubbock, left yesterday afternoon to attend the funeral services which are to be held in Roscoe today.

DR. T. C. ROOT

The Texas Technological college Professor of Economics and Business Administration and Texas statistic expert who made the "Welkin ring with Laughter" last Tuesday night before a full house at the Slaton Chamber of Commerce and B. C. D. banquet.

Feed Crop Pays Says Whitehead

"Crop prospects look better for this section than they have in years," says Mr. Fred Whitehead, "the underground moisture is excellent and with a fair amount of rain during the growing season we should have an excellent crop."

Mr. Whitehead is operating several farms up in New Mexico where he has for several years been raising feed crops. On his New Mexico property Mr. Whitehead had 1800 tons of ensilage left over from last season and harvested 3000 bushels of corn, he has 150 milk cows from which he is marketing over \$400.00 worth of cream each month. There are 25 brood sows on the ranches and by scientific feeding Mr. Whitehead finds that his operations are working out well. Mr. Whitehead reports that the Demonstration agents in New Mexico are bringing many visitors to his farms to show them how feed crops can be raised to pay.

Prison Terms Given Former Residents

Three former Slaton citizens were sentenced to serve time in the penitentiary in the 99th district court Monday.

Alvin Dillard and Waylon Thornton each received five-year sentences for the participation in the hijacking of a service station in Lubbock last November 26. Thornton had an additional case and Dillard had two.

R. C. Beck, former negro shine boy here, was sentenced to serve concurrently two years each for forgery and burglary. He was charged with burglary of Teague Drug.

Mrs. Jones Dies At Home Of Daughter

Mrs. L. A. Jones, 84, mother of Mrs. Jessie Prosser, died yesterday morning at 10:30 o'clock at the home of her daughter, 245 South fifth street.

Mrs. Jones, who has lived here with her daughter for several years, has been ill for some time. Before moving here she was a resident of Plainview.

Funeral arrangements had not been made Thursday afternoon.

Slaton Scouts To Celebrate

Plans have already been made by the Boy Scouts of Slaton to Celebrate Scout Week February 7 to 13th in a big way.

On Sunday February 9th a special Sermon will be delivered by reverend J. Paul Stevens at the Presbyterian Church on Boy Scout work and all Boy Scouts and their parents.

On Thursday night February 13 a Pot Luck Supper will be held at the Slaton Club House at which time every Boy Scout and his parents and friends are invited to come and bring their food with them. The food will all be served "Pot Luck" style and what each individual gets to eat will probably be a big surprise.

After the "Pot Luck" Supper a Court of Honor will be held with Bill Cherry presiding.

A number of other activities are being planned and will be given in detail when they have been worked out.

Today Last Day On 1940 Taxes

Have you paid your poll tax? Have you paid your school tax and your city property tax? Today is the last day to do so, and those who fail to make these payments will be charged a penalty for not doing so. If you do not pay your poll tax, you'll not be able to vote.

While the tax payments have been normal, up to date on City taxes, there is a large amount of unpaid taxes still on the city rolls, and the penalties are piling up month by month. The City Officials urge all of those who can possibly do so to come in today; tomorrow will be too late to keep from getting penalized.

Buried Alive by Bomb

Buried alive in the ruins of his home, struck by a German bomb, this Londoner is dragged from the wreckage, given first aid treatment, and prepared for his trip to the hospital. (Central Press)

Rousing B. C. D. And C. OF C. Meeting Filled Club House Last Tuesday Night

Slaton went to town last Tuesday night at the annual Chamber of Commerce and B.C.D. banquet that was attended by a crowd that filled the Slaton Club House to capacity.

The meeting was opened with "America" lead by Rev. J. Paul Stevens. Reverend H. C. Gordon gave the invocation and Dr. R. G. Loveless took charge as toastmaster after being introduced by C. C. Hoffman, president of the Chamber of Commerce and Board of City Development. After a brief talk the banquet was served by the Band Mothers, then the introduction of guests, followed by a musical program prepared by Mrs. L. A. Harral. It was as follows:

- a. Duet, Martha Lou Loveless, Mary Leonard Harral
- b. Reading, Mina Garland
- c. Accordion solo, Juanita Elliott
- d. Piano selections, Mrs. Allen Ferrell
- e. Solo, Jack Norman

Dr. T. C. Root, Professor of Economics and Business Administration of Texas Technological college took over after the musical program. His subject was "Texts," but he worked over Marriage, War in Germany and various other matters and gave some very interesting and admittedly incorrect statistics on everything from the length of a married man's life compared to that of a single man to some very startling information about Hitler.

After Dr. Root's address the votes of those present were taken on what five men should be chosen by the B.C.D. directors to fill vacancies that will be open on the Board.

Jack Norman, newly elected manager of the Chamber of Commerce and B.C.D. addressed the meeting and said that the desires of the people of Slaton were his commands and that he would exert every effort to fulfill the suggestions that were made on the ballots for the Betterment of Slaton.

Mrs. Lee Green, manager of the

Carter Re-elected Director

Hardware and Implement Dealers Nick Carter, of Sherrod and Carter, is a busy man these days. He returned Monday from Dallas where he attended the Texas Hardware and Implement Mens Association. At the meeting Mr. Carter was re-elected as one of the ten directors of the Association.

After returning from Dallas Mr. Carter left Tuesday for Amarillo on a business trip.

Retail Merchants Association said that this was one of the most enthusiastic Chamber of Commerce banquets that she had ever attended. "I liked the spirit that was shown, we should accomplish much this year."

Below is a summary of what was done in 1940 by the B.C.D. and C. of C. and what some of their plans are for the coming year:

Achievements in 1940—
Promotion of Annual Rodeo and organization of Plains Round-Up Association.

Assisted in securing Food Stamp Plan for Slaton.

Promotion of Clean-Up and Paint-Up Campaign.

Successful Christmas Decorating Campaign and promotion of Santa Claus appearance in Slaton.

Maintenance of Information Bureau to aid farmers.

Co-operation with City Officials and County Commissioner Mansker in paving for Mercy hospital.

Cooperation with Lubbock County Officials in paving McClung and Union Farm to Market roads.

Assistance to Slaton High school Band financially.

Sponsoring of Appreciation Day each Saturday.

Assistance in Red Cross Drive.

Program for 1941—

Co-operation with City Officials, Retail Merchants, School Board, Clubs and other Active Organizations in making and building a bigger and better Slaton. Call meeting for this purpose to be made soon.

Securing Lubbock County Calf, Hog and Lamb Show for F.F.A. and 4-H Club boys for March 15th.

Promotion of a bigger Rodeo in co-operation with South Plains Round-Up Association.

Continuance of all successful achievements of past activities of B.C.D. and Chamber of Commerce.

Extension of every effort to carry to a successful conclusion all of the suggestions of citizens interested in the welfare of Slaton

Mayor Pleased With Co-Operation

Mayor Teague, in a statement this week indicated that he felt that most of the motorists of Slaton have responded to his appeal for better driving and that he appreciated their co-operation very much. While there are a few who are still careless about double parking and red light restrictions, most of those who are driving automobiles seem to have taken the warning to heart.

"We do not wish to build up a reputation for being a town where a motorist is fined for every small infraction, but conditions have been getting serious and unless we can hold down careless driving, we are sure to have some terrible accidents. Not only for the benefit of others but for our own safety it is imperative that every one obey the traffic laws. May we have the full co-operation of every one who drives a car is my earnest request."

Another New Model Chevrolet Just Out

O. O. Crow, Dick Ragsdale and George Sartain, all of the Crow-Harral Chevrolet Co. returned Tuesday from a Zone Meeting of the Chevrolet company at Oklahoma City.

The trip was made to inspect a new line of Chevrolet 4-door Sport Model Chevrolet Sedans that are just being introduced, to be known as the Fleet Line of Chevrolets.

"We were fortunate in being able to secure one for display and it will arrive this week," said Mr. Crow, "they are sure to be popular, for they are modelled on truly modernistic new sport lines. Different, dashing and luxurious. If you want to get a thrill come in and see this new car."

Income Tax Up For 1940

Frank Scofield, Collector of Internal Revenue, First Texas District, Austin, said in an interview today that more than 8,000,000 Americans who have never been liable for Federal income tax must file returns on March 15th for earnings in 1940.

Lowering of personal exemptions for both single and married persons was given by Mr. Scofield as the reason for the increase in number of income taxpayers this year. Personal exemption of a single person has been reduced from \$1,000 to \$800. Married persons and heads of families will be allowed an exemption of \$2,000 instead of \$2,500. Exemption of \$400. for dependent children remains.

In past years an individual was required to file a return if his net income was \$1,000, if single; and \$2,500, if married or head of a family. Under the new law, single persons must file if their gross income is \$800, and \$2,000 if married.

Mr. Scofield also pointed out that surtax rates have been increased in all brackets from \$6,000 and up. Tax rates on non-resident aliens has been increased to 15 percent. Formerly it was 10 percent.

One of the most important changes in the income tax law, said Mr. Scofield, is the imposition of a special national defense tax.

"In addition to the increases in the normal taxes for 1940," he explained, "a special defense tax amounting to 10 percent is superimposed. This means that if a person's normal tax is \$100, then 10 percent, or \$10 must be added."

Mr. Scofield was interviewed over The Texas State Network by B. Frank White, Acting State Director for the Office of Government Reports.

Slaton Laying Plans For A Big Calf, Hog And Lamb Show March 15

Crop Report Shows Shortage For 1940

The Department of Commerce, Bureau of the Census at Washington in their Cotton Ginning report of January 15, 1931 shows 47,374 bales of cotton ginned in Lubbock county from the 1940 crop as compared with 59,540 bales for 1939 which makes the 1940 crop 11,143 bales less than that of 1939.

The area around Slaton if the figures could be ascertained, would probably show a greater percentage of loss in the crop shortage than other sections of the county, however from reports the prospects for the coming year are better so far than they have been in years.

Slaton Boys To State Band Clinic

Eight Slaton bandsters will attend the meeting of the All State Clinic band at Waco February 13, 14, 15. This band is composed of band members from all over the state.

The band is divided into two parts, the divisions representing two parts of the state, the East and the West. The Slaton boys will play in the West band. Special clinics for several different band instruments will be held.

Boys selected from the Slaton Tiger band are: Earl Green, Donald Cherry, Billy Lokey, Kirby Scudder, Frank Giles. Others to make the trip will be Frank Todd, Kenneth Tanner and B. W. Jones, Jr.

Commissioner Ben Mansker reports that all of the roads leading through the low lakes between here and Cooper are being filled with caliche.

Teachers Bill Before Senate

Austin, Jan. 30—The state at last is about to keep its promise to 46,000 Texas school teachers, in the view of Senator Clay Cotten of Palestine, who Wednesday introduced a bill signed by 13 senators, to appropriate \$3,500,000 annually from the general revenue fund for teachers' retirement.

Former Speaker Emmett Morse of Houston has offered the same bill in the house, and though it happened to draw the calendar number 13, it was lucky enough to muster 78 signers—three more than half the membership.

"With so near a majority of both houses supporting it, I believe the bill is virtually certain of passage," declared Senator Cotten. "And it is high time, for we're four years in default of the constitutional pledge made by the people, and the statutory promise made by the legislature, to match teachers' retirement assessments."

The Cotten-Morse bill, sponsored by the State Teachers Association, seeks to avoid involvement in any controversy over specific tax measurements, by allocating teachers' retirement money direct from the general fund at the rate of \$5,500,000 a year until the state catches up with the four year accumulation of teachers' assessments, now exceeding \$7,000,000.

Defense Unit Meets Tonight

The Slaton Unit of the Texas Defense Guard will meet tonight at 7:30 at the Legion Hall. At the meeting last Friday night more than sixty members were present when preliminary instruction was begun. Those who were active in getting the organization started are very much gratified with the results of the first two meetings and feel that real progress has been made. All members are urged to be present tonight.

JACK NORMAN

Manager of C. of C. and B. C. D.

Mr. Norman, who was appointed to fill John Rayburn's place when he left to take a position with Geo. Mahon, is twenty-three years old and came to Slaton in September, 1940. He was employed in the office of the Union Compress and Warehouse company here, until his appointment to his present position.

Before coming to Slaton he was employed in the offices of the Union Compress in Littlefield. While there, he took active part in Civic and Church work. He was graduated from the Lubbock High school in 1936, and while attending school there, was manager of the Westerners' High school Band.

Mr. Norman is energetic and very much interested in his new work and expressed his desire to work with every organization and individual for anything that will benefit Slaton.

Slatonites' Mother Claimed By Death

Funeral services for Mrs. Frances Garland, 83, mother of Briece and L. T. "Chick" Garland, local business men, were held Saturday afternoon at Pilot Grove.

Sixty-three immediate descendants survive Mrs. Garland, who died Friday morning at the home of her daughter, Mrs. M. R. Grambling of Dallas. A native of Lead Hill, Arkansas, Mrs. Garland was married in 1877, at which time she moved to Pilot Grove, where she lived for 43 years before moving to Dallas. She was a member of the Methodist church.

Five sons survive, S. F. Garland and J. Q. Garland of Pilot Grove, D. W. Garland of Fort Worth and the two Slaton men and one daughter, Mrs. Grambling; 28 grandchildren, 26 great grandchildren and five great-great grandchildren.

Mr. and Mrs. L. T. Garland and daughter, Mrs. William Cooper, and granddaughter, Sally of San Angelo, and Mr. and Mrs. Briece Garland and daughters, Jenny Lou and Beatrice left Friday and returned to Slaton Sunday.

Teagues To Observe Golden Anniversary

Mayor and Mrs. Joe Teague will observe their Golden Wedding anniversary Wednesday, February 5. They will hold open house Wednesday evening between 6 and 10 o'clock at their home, 450 West Lubbock street. All of their friends are invited to call.

BATTLE ROYAL IN WORDS TO BE STAGED BY LEGIONAIRES

At the regular meeting of the American Legion at the Legion Hall last Monday night a committee was appointed to draw up a resolution to place P. G. Meading before the 19th District Convention of the American Legion meeting at Plainview, February 8th and 9th as a candidate for Vice-Commander of the 19th District.

The committee appointed was M. J. Nelson, A. Dennis and A. M. Jackson.

A program committee appointed at the last meeting of the Luther Powers Post No. 438 also reported

and outlined a program to be followed in meetings to follow. The programs will be in the form of debates and round table discussions on important National, State and Civic subjects.

Four men were selected to debate on the subject: "Resolved that all men living under the Flag are not entitled to the protection of the Constitution of the United States."

The men selected to start the battle off were chosen by lot, and it promises to be a hot contest. All members of the Legion are urged to come and take part.

Our Weekly Sermon—
By Dr. Henry Ostrom, Member of Extension Staff
The Moody Bible Institute of Chicago

Text: The word of the Lord of hosts came. Zechariah 8:1.

Those who like to think in quantities tell us that the expression, "the Lord spake," is used in the Bible five hundred times, and the expression, "the word of the Lord," one thousand times. Here in Zechariah 8, a chapter of only twenty-three short verses, we have the expression, "saith the Lord," nine times.

Consider, if you will, any man

writing that expression the first time. He could not carry any camouflage, for from first to last he was rebuking all shams and advocating truth and honor, while adding penalty aplenty to any variation of that word from God. We think the writer must have trembled at the thought, "Now I must write, 'the word of the Lord.'" It is not enough to say that he had concluded to admit the existence of God, or that since God exists he was communicating facts to man, but had to say, "I have to write down a series of facts from Him." The responsibility was stupendous.

If we place over against this the man who says, "I do not believe any person can be sure God has spoken," or the man who says, "I do not believe that a personal God exists," imagine the distance. These objectors see design in multitudes of things, but they are utterly dead to the cause of it. They see order here and there, but they refuse to account for it or to insist upon an accounting. They view life, but offer no origin for it. They prefer tombstones to fruit trees.

We leave this graveyard of dead theories and call our fellows to leave it for "the word of the Lord of hosts." We could not have His Word if He did not live. It could not have come unless sent.

We have heard from God. Theories, philosophies, arguments, imaginings—who would care to tie the most brilliant of them for eternity? But the Word of the Lord does not leave the most hidden and secret affairs unsearched and unsolved. Its purity, its security reach down into every form of our need to lift us up to the glories of heaven. Indeed, it forecasts a future all blessed, while it is so faithful that it warns against all doom. Of the vast frontierless reach of truths, it tells of a savior who is the Truth. It breaks all silences by filling them for mankind with welcomes to the heart of God.

Approximately 85,000 New York public school children may now buy a half pint of milk at their lunch periods for one cent through a new milk distribution program.

POSEY ITEMS

Mrs. S. N. Gentry, Correspondent

The Posey Women's Society of Christian Service met with Mrs. Sam Gentry Thursday with seven members and two visitors, Mrs. Annie Hazelip and Mrs. Joe Schramm from Cooper, present. A food shower was given for Rev. and Mrs. A. C. Forbis. Fourteen sick visits were reported.

Rev. Forbis was elected assistant study leader after Mrs. C. L. Davidson resigned. Lorene Gentry was elected assistant supply superintendent.

Half of the book "Dangerous Opportunity" was taught by Lorene Gentry. The last half is to be taught by Rev. Forbis at the next meeting.

The society discussed plans to serve the Rotary at Slaton in February. Mrs. O. R. Williams and Lorene Gentry are the hostesses for the first Thursday. The meeting dates were changed to the second and fourth Tuesdays in February instead of Thursdays to be free to serve the Rotary. The next meeting will be with Mrs. T. A. Johnson Tuesday, February 11 at 2 p. m.

There will be a Methodist Quarterly conference held at Posey Sunday at the school house at 3 p. m. All stewards and other conference members are urged to be present, also all members and visitors.

Rev. A. C. Forbis will preach at the close of Sunday school Sunday morning at the school house. C. R. Johnson from Ropesville was a visitor at Sunday school last Sunday. New members were Mary Frances and LaVerne Joplin.

Canada Speaks

Spend a few cents today at any good drug store for a bottle of Buckley's CANADIOL Mixture (triple acting). Take a couple of sips at bedtime. Feel its instant powerful, effective action spread thru throat, head and bronchial tubes. It starts at once to loosen up thick, choking phlegm, soothe, raw membranes and make breathing easier.

Sufferers from those persistent, nasty irritating coughs due to colds or bronchial irritations find Buckley's brings quick relief. Over 10 million bottles sold. Be sure you get Buckley's CANADIOL Mixture.

Teague Drug Store

Mr. and Mrs. Garland Slone and daughter Margarette from Roosevelt spent Sunday with Mr. and Mrs. J. H. Slone.

Mr. and Mrs. Urabel White from Lubbock spent Sunday evening with Mr. and Mrs. A. M. Carroll.

Harold Morrison and Charles Gentry attended an agriculture meeting at Slaton Monday night.

Warner Boyce, W. T. Gentry and Tom Johnson are on court duty this week.

Mr. and Mrs. Albert Johnson and children visited her parents Mr. and Mrs. Gumm in New Mexico last week end. The Gums recently moved there from our community.

The little son of Mr. and Mrs. Benton Patterson is ill this week. Mrs. W. T. Gentry and son, Wesley are on the sick list.

Mr. Elmer Fincher from Morton was visiting in the Posey community this week.

Mrs. T. A. Johnson is sponsoring a party and candy breaking for her League and Sunday school members Friday night in the home of Mrs. O. R. Williams.

Jim Gentry returned home Friday from Morton where he has been helping Mr. Elmer Fincher bed his land.

Mr. and Mrs. Harry Arnold and children of Slaton were visitors in the W. T. Gentry home Sunday.

Mr. and Mrs. Dewey Kersey and children spent Sunday at Morton visiting Mrs. Kersey's parents, Mr. and Mrs. Fincher.

Lorene Foerster from Cooper visited Irene Gentry Sunday.

The Foerster family spent Sunday with the Ben Geberts.

Mr. and Mrs. Willie Wilkie and baby, Barbara Faye, are spending

this week at Whiteface with her parents, Mr. and Mrs. Taylor.

Miss Joretta Cranfill of Wilson spent part of last week with her sister, Mrs. L. K. Hart and family. Mrs. Hart's parents, Mr. and Mrs. J. I. Cranfill, of Wilson were visitors Wednesday with the Harts. Joretta returned home with her parents.

The Posey Home Demonstration club met with Mrs. C. Z. Fine Tuesday for an all day meeting and quilting for the Red Cross. Those present were Mesdames T. A. Johnson, C. F. Fine, Raymond Gentry, E. W. Brown, O. R. Williams, L. K. Hart, S. N. Gentry, R. H. Ellis and Fine.

The group quilted two wool quilts. The club has made 12 kimonas, 10 gowns, 7 dresses, 3 sweaters and 4 quilts to be sent to the Red Cross.

In the afternoon the meeting was called to order by Mrs. E. W. Brown. A program was planned to be in the home of Mrs. T. A. Johnson February 18 at 1:30 p. m. New neighbors of the community are to be guests at this meeting. Mrs. Hart gave a reading "My Riches."

Ewing Weaver, who completed the required work for his degree in vocational agriculture at Texas Tech at the close of the past semester visited his sister, Mrs. Roy Boyd, during the week end.

Put Your Children on "THE RIGHT TRACK"

Early environment and training have lasting effects on the entire lives of our children and it is one of the most important duties of every parent to install the importance of religion in a child's mind at an early age.

While it is natural instinct for a child to be restless and to resist the control of its movements and actions either by subterfuge or by open defiance, this soon disappears under the influence of a good church, for not only does a child receive the primary education that a child can grasp concerning religion but it also learns how to associate with other children in the proper way.

While church life is not the only important influence in a child's life it is the most important one to get the child started off on the right track.

The future of our nation, our state and our town depends upon the children we are raising now and never has the time for proper influence among our young people been more important. Regardless of the age of your children it is your duty as a parent to see to it that they attend church regularly and to set a good example by attending yourself. Among other things let us all work together to make Slaton a God Fearing town.

Sponsored by Firms and Individuals Interested in Closer Religious Affiliations

SCHOOL ACTIVITIES

Junior High Notes

Mr. Harvey's sixth grade had the chapel program last Wednesday. It consisted of the following:

1. Songs, lead by Mr. Jenkins.
2. Play, "When Ted Tried to be an Actor" characters: Ted, Kenneth Jobe; John, Bobby Lee Jones; Beatrice, Gloria Jean Lively.
3. Reading, Wilma Faye Faulkner.
4. "The Educated Horse," Edgar Webb, Tommy Davies and Brian Sartain.

The Cubs went to Cooper last Friday night and played the Cooper high school Junior basketball team and were defeated 25-10. This was one of the Cubs hardest games, and though they were defeated, the boys played hard all through the game. Coach Harvey has matched another game with the same team, to be played here soon, possibly Friday afternoon of this week. The Cubs play the Slaton Freshmen team Tuesday night before the high school team plays Idalou.

The boys who went to Cooper are: B. A. Hanna, Jack Dickson, Travis Melton, J. G. Harper, Bobby Ray Stevenson, Ray Lee Yandell, Billy Loyd Brackeen, Dwayne Walters, Grady Burnett and Ray Talbot.

A little flour, a little salt, some cardboard and a great deal of care go into the making of "salt" maps and pictures according to Mr. Reed's fifth and sixth grade geography classes. The students have been studying the relation of physical features of the land to industries and living conditions. A number of exceptional relief maps have been constructed in each class with the pupils studying their maps and reproducing the irregularities with the salt and flour dough.

Miss Yeats' room recently elected Peggy Jean Abernathy, president; Helen Ruth Ferguson, secretary and Claire Matthews, Kenneth Atnip, Edwin Burton, Dorothy Lee Davis to attend the Citizenship club for February.

The sixth grade mathematics class has organized a construction company as a project in the study of finances and measuring. Committees have been appointed to take care of all necessary arrangements and a project to build a model of the present school building is being considered. Bonds and stock certificates are being made by the class and will be sold to the class to finance the construction. Mr. Reed is the mathematics teacher.

The pupils of Mrs. Gunter's room think they are very fortunate in regard to the fact that one of their classmates, Ura John Skelton, attended the Inauguration of the president of the United States.

She wrote the following letter to the fifth grade:

Dear Fifth Grade:
Today at noon I had the greatest thrill of my life. I saw the President of the United States. I was so close to him I could have almost touched him in the car. I was about four or five feet from him. Tomorrow I am going to see the Senate and Congress in session, and I'm going through the White House and also through Mount Vernon.

I can hardly wait to tell you all about it.

Ura John

West Ward Notes

Safety

Miss Haggard's first grade has just finished a unit on Safety. Streets and traffic signals were made by the pupils. Toy cars, ambulances and fire trucks were used in demonstrating and studying the different traffic rules and regulations. The girls brought their dolls and the traffic rules for pedestrians were shown.

Safety books, using Mother Goose Rhymes as a basis were made. The toys made the unit a very interesting one.

The Second Grade of West Ward has completed a unit on the study of Eskimos and Indians.

They have divided into two groups and call themselves Indians

English Students Writers Of Poems

The following poems are taken from the work presented in English II in Slaton High school. This was a culminating activity after studying a unit in creative writing.

SCHOOL

by Emma Faye Ely

Is there ever going to be an end To this life of going to school? It seems to take a long, long time To learn the Golden rule.

I've studied English every year And yet there's more to learn But I know I must stay with it If a diploma I'm to earn.

I walk ten blocks four times each day To gain a little knowledge And when I've finished here I think I'll go to college.

But then I'm sure that I will feel That school's a part of me If nothing happens by that time A teacher I will be.

THE WALL BETWEEN US

By James Savell

There is a very high wall between us, One which we must surmount If we are ever to be joyous And do the things which count.

It is built of many differences Which were not by our command But they are very great differences And luckily they are built upon sand.

They are differences of both family and religion; And differences in many life traits; They are differences of both ideas and origin Yet, because of these, are we not to be mates?

Instead, can't we stand and face our troubles And overcome them one by one, Until they vanish like cloudy bubbles And leave us facing the shining sun? And Eskimos.

They have read poems and stories from their readers and books from the Public Library.

They have drawn pictures and made villages of each. Each child has made a booklet. In this booklet they put their story, language work and list of words learned.

From this unit of work Miss Waller finds that the children are developing sympathetic interest for children of other lands.

Mrs. Meading's Fourth Grade has been making salt maps of South America this week. This is a lot of fun and a good way to make a relief map. This class is finishing up their unit on South America. They have learned many things about our neighboring continent.

Job Printing Neatly Done.

THE POCKETBOOK OF KNOWLEDGE

THE MACHINE TOOL INDUSTRY - BULWARK FOR NATIONAL DEFENSE ACTIVITY - HAS INCREASED PRODUCTION 1600 PER CENT IN 5 YEARS TIME

ABOUT 550 SYNTHETIC RUBBER COMPOUNDS FOR DIFFERENT INDUSTRIAL USES HAVE NOW BEEN DEVELOPED

IT'S ILLEGAL TO THROW AN ONION AT ANYONE, ACCORDING TO A PRINCE TOWN, TEXAS, LAW

APPOLLONIUS OF ANCIENT THANA LIVED 130 YEARS! HE DIED IN 55 A.D.

"Chief" Topics by the SCOUT

Mr. R. H. Baker, third trick bill clerk, was off several days last week. Said he wanted a rest. Extra clerk J. B. Adams held the fort in Mr. Baker's absence.

We said last week that each turn added to train and engine service made five men happy. There are five more rejoicing this week because of the work train put on, working between Slaton and Post.

Uncle John is always thinking of the comfort of the men on his payroll. In the days past the "head" brakemen had to stand in the cab of the engine or sit on the tank or find a place to ride as best he could. Now, most of the engines have special seats for him. Those engines that do not have these seats are being remodeled as quickly as possible for the comfort of the men. Since something was being done for the head brakeman, Uncle said he would do something for the men in the "caboose." He has placed a new model "Aladdin" lamp in each caboose. You know, the caboose is the home of the train crew when away from their home terminal but sometimes when the garden needs weeding or the

lawn needs mowing we think they use it in their home terminal. Frott says: "I'm ready for a snow. Haven't had my boots on this winter."

E. G. Mares, machinist apprentice, has just transferred from Albuquerque to Slaton.

C. Oliver, storekeeper, is back on the job after a few days off sick. The most comical thing we have seen in some time was Roy Ely pulling a scared cat out of his hair. When a dog takes after a cat, so I am told, the cat runs up the nearest thing that looks like a stump.

Glad to see G. H. Wilmesfeiler back on the job after being ill the first of the week.

N. F. McCullough has his neck well wrapped up. He won't tell us whether it is the croup or roup.

Mr. and Mrs. George Dial were called to Dallas Sunday because of the death of Mr. Dial's aunt.

W. T. Driver and wife visited his mother in Cleburne over the week end.

A wonderful improvement has been made about the shop grounds in way of painting white all posts and guy-wires. This will help out considerably at night.

Mr. G. E. Valentine, Grand Division Chairman of Shop Craft, from Albuquerque, visited Slaton Sunday and Monday, conferring with shop employees.

Machinist helper M. L. Taylor has at last retired from farm and moved to town.

Machinist J. O. Young has installed a new floor furnace in his home.

Earl Manguh has become the shop's official War Correspondent. Earl gets the low down from his radio each noon and reports on the progress when he returns to work. Some of the men say they like this arrangement as it saves them a lot of reading when they get home at night.

Mrs. Jesse is confined to her home with the flu.

The Santa Fe Rail way System carloadings for the week ending January 4, 1941. Received from connections were 5,705 compared with same week in 1940. The total cars moved were 21,631 compared with 20,567 during the same week in 1940. The Santa Fe handled a total of 19,827 cars during the preceding week of this year.

For handling a ton of freight one mile the railroads in 1939 received an average of 9 1/2 mills.

Modern steam locomotives contain more than 7,500 parts.

Dentist: "Stop waving your arms and making faces, sir. Why, I haven't touched your tooth."

Patient: "I know you haven't, but you're standing on my corn."

"Are you a pharmacist?" she asked the young man at the soda

fountain. "No Ma'am," he replied, "I'm a fizician."

"Are you fond of Hogg's tales?" asked a lady of an old farmer, the other evening.

"Yes, I like 'em roasted, with salt on 'em," was the response.

"No; but I mean have you read Hogg's tales?"

"No, indeed," said he. "Our hogs are all black and white. I don't think there is a red one among them."

"Why is it impossible for a woman ever to be President of the United States?"

"Because, to be President, a person must be at least thirty-five years of age."

Mr. and Mrs. J. S. McDonald of Slaton visited their little granddaughter, Natale McDonald Saturday night.

Mr. and Mrs. C. T. Anderson sold their farm east of Southland a short time ago and bought property here where they now live.

Mrs. O. R. Carey spent Monday with Mrs. Coty Corbell at Southland.

In the basketball tournament the last of the week Southland A won over Southland B for first place; Petersburg beat Post in consolation and Wilson beat Graham chapel for third place.

The lunch room project for the Southland school has been approved and work on the building began Tuesday. "Kitchen Shower" for the lunch room will be given at Southland on next Tuesday, February 4. Among the things needed are chinaware, must not be chipped or cracked, silverware, cooking utensils, as large as possible, cup towels, dish rags, stew pans and anything that is needed in a kitchen.

Southland News

Mrs. B. N. Billingsley

Rev. O. J. Harmonson filled the pulpit of the Baptist church at Southland Sunday in the absence of the pastor, Rev. Hubert Fouat. Mr. and Mrs. Lewie Jordon of Levelland made a business trip to Southland Monday.

These Clouds Mean Defense

Clouds arise as American farmers increase the fertility of their fields by sprinkling them with lime. Clouds arise as American soldiers increase their skill through artillery practice. Both fertile soil and skilled gunners are vital to the nation's defense. American farmers last year, cooperating with the AAA Farm Program, applied nearly six million tons of lime to their soil, enough to have powdered the face, at the rate of a ton per acre, of every acre of cropland in Maine, Vermont, New Hampshire, Massachusetts, Rhode Island, and Connecticut.

Around the City Hall

"By The Judge"

Precinct officials and City officials also attended Court at Lubbock Monday, January 27, 1941 from Slaton namely: Mayor, Joe Teague; City Marshall, Austin ace Smith; Constable, Chas. D. Yates; Justice of the Peace, Hor-Yates. County Court and District Court required their presence.

January 27, 1941 the Justice Court at this place has nothing new on desk this morning. Some disturbance reports have come in that should not be overlooked. The fact that people are poor or colored does not license one to abuse or ill-treat anyone.

January 28, 1941: Chas. D. Yates has gone to Huntsville with a prisoner.

There is a very fierce dog on Lubbock street that is giving trouble to school children and grown people also. It should be kept in a yard or an enclosure. It would be less trouble and expense than a doctor bill and a trip to Austin.

Your fast driving may cause some one to have to drive slow with a very sad heart. One car passed one certain place on the streets of Slaton one afternoon nine times. It was not a delivery car. Since the officers do not have stop watches or speed registers we just have to guess at how fast we run on these streets. Just watch your speedometer and get a surprise.

GOBBLER DRIFTED 35 MILES

Another instance of wild turkeys drifting a considerable distance has been found by the State Game Department. A gobbler trapped in the Hill County last spring and released near Kerrville in April, was shot by Dr. Dalton Richardson of Austin near the close of the hunting season on a ranch approximately 35 miles from where the gobbler had been banded and released nine months previously.

Turkeys will drift in search of food and cover if there is not sufficient of one or both on the area they inhabit.

An article by Dr. Walter N. Ezekial of the Texas Agricultural Experiment Station, on the progress being made in Texas in the fight against root-rot disease appears in the December issue of a southern publication for florists and nurserymen.

Ralph Harrison of Idalou visited Roy Boyd Saturday. Mr. Harrison has been teaching in Baily county.

One tree can make a million matches; one match can destroy a million trees.

Texas is fifth in the manufacture of cheese and eighth in the total income from the sale of milk.

Group marketing of eggs by 29 sellers in Floyd county netted these producers \$412 in November, according to reports received by Myrtle Murray, specialist in home industries for the Extension Service of Texas A. and M. College.

COOPER NEWS

Juanita Coston, Correspondent

Two new boys enrolled in high school Monday; they are Wallace Billingsley, a sophomore who moved here from New Mexico, and Virgil Holland a freshman from Smyer.

O'Donnell met Cooper in a fast moving game Thursday night Cooper winning both games. Slaton was also defeated by Cooper Friday night the Juniors 25-10 and the Senior team 38-18.

Plans are being made to erect a work shop for the FFA and the National Defense Training classes from the material from the Union school house. A cafeteria is to be built on the west side of the school house. The boys in the National Defense Training Class are making cabinets, magazine racks, end tables, and such.

Mrs. Williams who has been ill with pneumonia is somewhat better and has returned home from the hospital.

Joel Holloway, a sophomore student, has moved to Tahoka.

Mr. Tapp has been ill for some time. He had the flu and it settled in his ear drum. Several men of the community have gone in to help him with his plowing. They are: Jean Evans, Otho Doyle, Red Kitten, Charlie Griffin, Earl Peterson, Charlie Myers, Andy Nelson, Thetus Workman, Earl Johnson, Roy Pierce, Jack Powers, R. D. Presley, and Pat Patterson.

James Potts has been ill with a deep cough. He is better now and back in school.

Cooper Junior basketball team were defeated by Shallowater's five 12 to 11 Wednesday evening at Cooper. The game was returned Monday Shallowater winning 32 to 14.

Earl Johnson, Odis Rodgers, and Curtis Boyd have been called on the jury for this week.

Miss Kathryn Robertson has been home suffering from a foot injury caused when she stepped on a nail in her home Monday.

Mrs. C. T. Potts' sister, Mrs. A. R. Pounds from Lamesa, visited her Tuesday.

Mr. and Mrs. Jack Powers and family spent Sunday in the home of Mr. and Mrs. Andy Brownfield.

Joe Powers has missed school all this week due to a bad cold.

Mrs. Curry has been taking rheumatism treatments from Dr. Lovell. We're glad to hear that she is improving.

Miss Althea Seifert visited school Tuesday.

Miss Virginia Greer spent Tuesday night with Miss Flora Gilmore of Lubbock. Miss Gilmore visited school Wednesday, she is a Cooper graduate of '40.

Mr. Besinger is buying out the Cooper Imperial Oil Company.

A great many of the school children have seen "Gone with the Wind" lately. Among them are Dortha Nell Dawkins, Melba Jean Slater, Autry Coston, Frank and Lorene Cummins, Adrain Huckabee, Kenneth Berry, Glen Barrett, Glynn McDaniel, Betty Jo Tapp, Jeanette Johnson, and Flo-dell Womack.

Marvin Cowart has been going on crutches because of a broken ankle, but is improving some now.

Mrs. Hazlip's daughter and son-in-law, Mr. and Mrs. Freeman, are living with her now. Mr. Freeman intends to farm her place this year.

Mr. Johnson is presenting Joe E. Brown in "The Gladiator" Friday afternoon at 2:30. All tickets will sell at ten cents. Chapter 5, 6

1941 Refrigerators Now On Display

Bill Layne of the Layne Plumbing and Electric company spent Tuesday in Lubbock attending a Leonard Refrigerator Dealers meeting at the Lubbock Hotel. He also spent one day last week in Amarillo attending a Leonard Service meeting where the new 1941 models were taken down and re-assembled to thoroughly familiarize each man with the new mechanical arrangements of the new model Leonards.

There are many new features for 1941 models, says Mr. Layne, including the Leonard Hi-Humid system which gives different temperatures as well as degrees of humidity in each compartment. This arrangement will make it possible to keep fruits and vegetables in compartments where more moisture is needed than in the other compartments where dry cold is necessary for proper food storage.

This new arrangement also makes it unnecessary for foods to be covered, and storage space is so arranged that much more can be stored in the new Leonards than ever before.

All the new models are now on display at the Layne Plumbing and Electric Co. Prices says Mr. Layne are about the same as they were last year but you get a lot more for your money.

Mrs. William Brewster of the Gordon community was in Slaton shopping Saturday.

Mr. and Mrs. R. L. Cyper of Lubbock visited A. J. Payne and Miss Rona Schram Saturday.

Mrs. Dave Sanders of Tahoka visited with her parents, Mr. and Mrs. Jim Rucker, last week.

The Santa Fe System carloadings for the week ending January 25, 1941 were 18,332 compared with 16,587 for the same week in 1940. Received from connections were 7,282 compared with 5,411 for the same week in 1940. The total cars moved were 25,614 compared with 21,998 for the same week in 1940. The Santa Fe handled a total of 24,753 cars during the preceding week of this year.

EVANGELIST KELLOGG HOLDING MEETINGS

The Gospel meeting being held in the Legion hall is progressing nicely announces Evangelist Kellogg who is bringing the messages each evening at 7:30 o'clock. The public is invited to attend these services.

Due to the fact that the Legion hall is occupied each Friday night, services will be held in the First Christian church, but will be resumed in the old place Saturday night.

Tonight's subject will be "What We Believe and Why." No collection will be taken.

and 7 of Gene Autry in the Phantom Empire will be presented Saturday night.

Jennings Price, Loy Burch and Jesse Lee Minchew were in an auto accident Tuesday night. None were hurt. The accident occurred when Jennings applied the brakes at a very high rate of speed causing the car to turn completely over. Shallowater met Cooper's two teams at Cooper Tuesday night. The Cooper girls won 55-47, Margarette Leggett making the highest score of 30 points. The boys lost 39 to 31. Coopers next game is Thursday night with Tahoka.

BIBLE STUDY

The Tuesday Bible Study will meet at 2:30 p. m. at the Methodist church.

Lesson: Notes on the Tabernacle in the Wilderness.

To WHOM was the Tabernacle given?

1. A people chosen of God
2. A people sheltered by blood
3. A people redeemed and who could sing the song of redemption
4. A people brought to God.

WHEN was the Tabernacle given? the Covenant of Grace.

When they had utterly rejected WHY was the Tabernacle given?

1. Because God's desire was to dwell with men
2. To teach His holiness
3. To teach men their sinfulness
4. To teach the ONLY way of approach was THROUGH BLOOD.

Mrs. S. S. Forrest, Teacher

CARLOADINGS

The Santa Fe System carloadings for the week ending January 11, 1941 were 18,060 compared with 17,472 for the same week in 1940. Received from connections were 6,691 compared with 5,631 for the same week in 1940. The total cars moved were 24,751 compared with 23,103 for the same week in 1940. The Santa Fe handled a total of 21,631 cars during the preceding week of this year.

CARD OF THANKS

We wish to thank each, and every one of our friends and neighbors for your sympathy and kindness you gave to us during the death of our loving husband and father.

Mrs. L. C. Morgan and family
Mr. and Mrs. J. T. Gibson and family
Mr. and Mrs. O. B. Gee and family
Mr. and Mrs. Henry Morgan

CARD OF THANKS

We wish to express our appreciation for each deed and work of kindness during the illness and passing away of our father and for the floral offerings.

Mr. and Mrs. W. S. Hodge and children
Mr. and Mrs. Delma Hodge and children
Mr. and Mrs. J. L. Smith and children
Mr. and Mrs. Hooper Hodge and children
Mr. and Mrs. R. L. Taylor
Mr. and Mrs. J. B. Butler, Jr. and children.

Slatonites who attended the play "The Little Foxes" starring Tallulah Bankhead, in Amarillo Monday night were Mrs. A. E. Whitehead and daughter, Miss Kathryn, Miss Lorene McClintock and Mrs. C. C. Hoffman.

Miss Mina Garland, daughter of Mr. and Mrs. L. T. Garland and Miss Mary Ellen Madden, daughter of Mr. and Mrs. I. E. Madden, recently entered Draughon's Business college of Lubbock.

George L. Sledge is slowly recovering from a serious attack of flu.

Supports 1776 Bill

Mrs. J. Borden Harriman

Citing the example of Norway, Mrs. J. Borden Harriman, U. S. Minister to Norway, declared that "Merely a desire for peace will not keep a nation out of war" and told the House Foreign Affairs Committee in Washington that the Lease-Lend Bill should be quickly adopted as the best means of strengthening U. S. defenses.

Last Rites For William R. Hodge

Last rites were held for William R. Hodge Friday afternoon with Brother Ausmus of the Primitive Baptist church in Lubbock officiating. Services were held at the Slaton Church of Christ.

Mr. Hodge had been living with his son, Delma Hodge, 825 south 5th street. He was 58 years of age.

Pall bearers were M. L. Foster, P. M. Wheatley, J. C. Powers, W. A. Sikes, B. H. Cooper and R. L. DeBusk. Honorary pallbearers were W. O. Sikes, Fred Whitehead, Charlie Biggs, C. E. Warder, C. C. Thornton. Flower girls were Mesdames: W. A. Sikes, J. C. Powers, Charlie Biggs, David Biggs, A. J. Hoover, Jack Cook, J. M. Clark and Miss Merlie Holdren.

Out-of-town relatives present were a brother, Claude Hodge, a nephew, Claudie Hodge and Mrs. Hodge, of Salado; a brother-in-law, Will Klingsworth, a niece, Miss Lucille Hodge of Abilene, another niece, Mrs. Curtis Barnett and family and another brother-in-law, Jim Morris, both of Amarillo.

Mrs. Abe Kessel and son, Julian, returned this week from Dallas where they attended market and style show week. They returned by way of Austin where they visited Milton Kessel, student at the University of Texas.

Miss Juanita Williams moved to Lubbock Wednesday where she will continue her studies at Texas Tech.

J. G. Wilhite visited his father, J. H. Wilhite of Pecos, who is seriously ill, during the weekend.

Skilled Workmen Needed By U. S.

Getting the skilled men needed for National defense jobs continues to be one of the greatest problems of the new year for the Civil Service Commission. Thousands were appointed during 1940 but thousands more are going to be needed during the coming year at the arsenals and navy yards and in the air service. Toolmakers, instrument makers, and machinists are especially in demand, and they are especially necessary to the National defense program. Among others also urgently needed are: Aircraft instrument mechanics; aircraft mechanics; metalsmiths (aviation); coppersmiths; lens grinders; loftsmen; ordnancemen (torpedos); shipfitters; and ironworkers (shipfitting duty). If you are skilled in any of these trades, and want a Government job, write to or call for information at the office of the Board of U. S. Civil Service Examiners at any first- or second-class post office. You may also learn about these jobs by consulting the notices posted in the third-class post offices.

Mrs. Maude Baldwin and daughter, Elizabeth, of Lubbock, were visitors in Slaton last week end.

Texas University Gets Garner Gift

Two prize possessions of Vice President John Nance Garner—300 original cartoons by the nation's leading artists and 200 of the oddest gavel in the world—have been brought to the University of Texas campus.

Gift of the Vice President to the Texas Memorial Museum, the Garner collection represents one of the most unusual exhibits the museum has acquired. Dr. E. H. Sellards, director, said.

In making the presentation, Mr. Garner said that he knew of no better place for his gift than the Texas Memorial Museum, completed in 1939 after a \$300,000 fund campaign in which he himself had taken a spirited part.

Mrs. William Cooper and daughter, Sally, returned to their home in San Angelo Wednesday after a few days visit with Mrs. Cooper's parents, Mr. and Mrs. L. T. Garland.

Mr. and Mrs. Tom Stonerod visited A. J. Payne recently.

Miss Nellie Jo Dunn, student at Texas Tech, visited friends in Slaton during the week end.

Mr. and Mrs. J. H. Teague, Jr., returned Monday from Christoval. Mr. Teague has been there for the past two weeks. Mrs. Teague joined him there Friday.

T. E. McGehee of the Morgan community has been ill, but is improving.

Mrs. Lawrence Evans and son visited her parents, Mr. and Mrs. Bob Swafford, last week. Mr. and Mrs. Evans recently moved to Midland from Tahoka.

Miss Virginia Bowman, Texas Tech student, visited her parents between semesters this week.

Mrs. Jim Rucker has gone to San Antonio to visit her daughter, Mrs. Clyde King.

Mrs. Carl Evans and daughter, Jean visited in Brownwood during the week end.

Mr. and Mrs. Curtis Dowell and daughter, Donita, visited Mr. Dowell's mother in Hereford Sunday.

Miss Jimmie Jean Guinn has been ill at her home this week.

Mr. A. W. Adaire is visiting in the home of her daughter, Mrs. Weldon Moore.

Society - Clubs

Miss Gentry 4-H Gold Star Winner

Ruth Gentry, of Posey community, has been selected as Lubbock county Girls 4-H Gold Star winner for 1940.

Ruth began 4-H club work in 1936 when she was ten years old. She set eight goals at the first of the year and completed them, thus receiving a club pin. In 1937 she began sewing and made a dress. She was awarded a second pin after her goals were completed. In 1938 she was poultry demonstrator for the Posey club and she started her project with 80 Rhode Island feds. Later in the year she bought white leghorn chickens, out of 150 only 75 lived. However, she sold approximately 780 dozen eggs. That year she received her third year pin.

In 1939 Ruth was yard demonstrator for the club. She arranged trees and planted them and set out approximately 30 shrubs. She also attended the short course at Texas A. and M. college held for 4-H club girls. She received her fourth club pin that year.

Last year she served as president of the club, yard demonstrator and garden demonstrator. She built three frame gardens in addition to keeping in condition a garden 20 by 50 feet. From the three gardens the family canned 50 quarts of cucumbers, 5 quarts of beets, 42 quarts of beans and raised three bushels of tomatoes.

She set out grass in the back yard, planted two beds of flowers and set out 10 more shrubs. In the front yard she planted grass in a bare spot which gradually joined the other grass.

This year she is president of the Slaton 4-H club and was elected Gold Star girl from that club.

Miss Gentry is the daughter of Mrs. S. N. Gentry, the Slatonite correspondent. She has many accomplishments that make her an outstanding young woman in this community.

Mrs. Louie Welch Is Named Honoree

Mrs. Louie Welch was named honoree at a miscellaneous show Friday afternoon at the home of Mrs. W. G. Reese. Hostesses were Mesdames Roy Mack, J. C. Burton, Herbert Gaitner, Joe E. Webb, W. L. Davis, W. T. Cherry and Reese.

A color scheme of yellow and blue was carried out with yellow gladioli and roses and blue sweet-peas and cornflowers and candles of these colors. A program consisting of the following was given:

Saxophone quartet, "Love's Old Sweet Song," Donald Cherry, Billy Tom Taylor, J. E. Eckert, and Charles Reese; solo, Bond's "I Love You Truly," and "Because" (D'Hardelot), Mrs. James Haliburton; accordion selections, Miss Juanita Elliott; readings, "Boys" and a poem dedicated to the bride which was written by Mrs. M. A. Grant, by Martha Mack.

A chest of silver and other gifts were presented the bride.

Miss Martha Powell and Mary Lou Gordon spent the week end in Dublin and Meridian.

MISS REBECCA TUDOR IS NAMED HONOREE AT SERIES OF PARTIES

Miss Rebecca Tudor, bride-elect of Morris Clinton, was honored with a miscellaneous shower Wednesday afternoon between 4 and 6 o'clock in the home of Mrs. Culwell. Hostesses were Mesdames W. P. Layne, I. E. Madden, Ray Connor, W. W. Jones, L. W. Smith, Clarence Heaton, Culwell and Miss Joan Drewry.

Guests were greeted by Mrs. Culwell, who presented them to the receiving line composed of Mrs. Nan Tudor, mother of the honoree, Miss Tudor, Mrs. J. T. Clinton, mother of the bridegroom-elect, Mrs. Roy Boyd, Mrs. Roy Ivy, the Jatter three of Lubbock, and Miss Laurissa Bratton of Brady.

Members of the house party were the hostesses and Miss Mary Leslie Culwell, who presided at the bride's book, and Miss Maxine Connor, who displayed the gifts.

In the dining room Mrs. Heaton and Miss Drewry poured coffee, which was served with small cakes.

MR. MCCLINTOCK VISITS MOTHER

Mrs. O. D. McClintock returned the first of the week from a visit with her mother, Mrs. S. S. House, and her sister, Mrs. Vera Hartman, in Wichita Falls. Mrs. House observed her eightieth birthday while Mrs. McClintock was there. Other children present were: Mesdames E. H. Wilson of Vernon, O. D. Buford of Dallas and Frances Parrish of Wichita Falls; Mr. W. J. House.

O.E.S. Chapter Plans Busy Month

Slaton chapter, number 585, Order of the Eastern Star met in a regular session, Tuesday night with an unusually large attendance.

Mrs. Alice Mae Stewart, district deputy Grand Matron, made her official visit. The chapter presented her with a blue pottery vase filled with pink gladioli. Refreshments were served.

More members were secured for the O.E.S. Study club which meets Friday night at the home of Mr. and Mrs. Bill Layne. Mrs. Stewart will be leader.

Banquet February 7

The chapter will entertain their husbands with a banquet at the club house February 7 at 7:30 p. m. All members and their husbands are invited to attend. There will be no charge.

Last Officers to be Honored

All past matrons and past patrons of this chapter will be honored at the next regular meeting, Tuesday, February 11. Southard, Post, Tahoka, Lamesa and Lorenzo chapters have been invited to attend this meeting.

Mrs. A. L. Brannon returned this week from a visit to her mother and father, Mr. and Mrs. J. F. Utter and her sister Mrs. S. A. Swan in Amarillo.

G. T. Baldwin, Avery Payne, and Wayne K. Smith were in Lubbock on business Saturday.

Backing the Lease-Lend Bill

Dorothy Thompson, writer and commentator, is pictured as she appeared before the House Foreign Affairs Committee in Washington to urge passage of the Lease-Lend Bill. She told the Congressmen that all-out aid to Britain constitutes America's best defense. (Central Press)

with the initial "R" on each.

The dining table was covered with a lace cloth, and the centerpiece consisted of a large reflector outlined with blue stock, pink gladioli and fern. In the center of this was a smaller, raised reflector on which stood a miniature bride and bridegroom. On either end of the table were crystal candelabra with blue candles.

During the afternoon Miss Virginia Bowman and Miss June Scott played piano selections.

Kitchen Shower Saturday
Miss Maxine Conner honored Miss Tudor with a kitchen shower Saturday night at her home. Games were played and Miss Tudor won the prize which was the gifts.

Refreshments were served with plate favors of miniature knives, forks and spoons to Misses Mary Leslie Culwell, Miriam and Evelyn Meading, Virginia Bowman, June Scott, Mary Ellen Madden, Mildred Wicker, the honoree and the hostesses.

Picture Exhibit At Art Club Meeting

An interesting picture exhibit was held Tuesday afternoon at the regular meeting of the Slaton Art club, which was in the home of Mrs. A. Dennis.

Paintings exhibited were "Moonlight Landscape," Mrs. Bud Woolver; "Yucca," Mrs. D. L. Kent; "Landscape in Watercolors," Mrs. Margaret Bradshaw; two pyrography scenes, Mrs. M. A. Grant; original still life, "Lilies," Mrs. N. Madison of Roswell, New Mexico.

The theme of the program was color harmony. Mrs. T. K. Martin gave an account of her visit to Hadrid, New Mexico where she viewed the Christmas lighting.

Pie, whipped cream and coffee were served to Mesdames T. K. Martin, W. H. Dawson, Grant, Kent, C. L. Tanner, Woolver, Harvey Tunnell, Bradshaw, C. F. Anderson, Cummins, Zed Meadors, J. M. Rankin of Balls; Miss Claudia Anderson, a guest, Mrs. Dave Geron, and the hostess.

Mrs. Neill Is Hostess To Club

Mrs. Otis Neill was hostess to the Junior Civic and Culture club Monday night.

Plans were made during the meeting for the annual guest day, which will be held February 11 this year at 8 o'clock at the club house. Guests will be members of the Civic and Culture club and the Daughters of the Pioneer Study club.

A program on "Style and Fashion" was given and Mrs. J. B. Stevens and Miss Addie Lee Morrison took part.

Members present were Mesdames Vasker Browning, Jack Shepard, J. B. Stevens, Charles Walton, Hugh Bryan, Jimmy Wright, Webb Hardy, E. J. Kenney; Misses Ruby Waller, Ura Mae Haggard, Gertrude King, Morrison, Lilac Yeats, Mary Lee Thompson and the hostess.

Bluebonnet Club Meets Wednesday

The Bluebonnet club met Wednesday afternoon in the home of Mrs. Dan Liles, 755 South Fourteenth street. Plans for the annual February luncheon were made during the business meeting.

Those present were Mesdames A. L. Clifton, C. C. Cramer, George Culwell, F. A. Drewry, Carl Evans, L. T. Garland, H. V. Jarman, Wallace King, R. C. Sanner, W. P. Shelton, C. F. Stanford, J. H. Teague, Jr., Brent Thompson, L. R. Tibbs and Fred Tudor and the hostess and one guest, Mrs. W. H. Dawson.

Election of officers will be held at the next meeting which will be in the home of Mrs. Teague at 430 West Lubbock street.

Claud Anderson, Mrs. Anderson and Miss Claudia Anderson returned Monday from a visit to Santa Fe, New Mexico.

The Gillaspay Motor Co. reports the sale of a 1941 Buick Coupe to Allen Denton of the Dalby Motor Lines of Lubbock.

Sub-Deb Club Meets Saturday

Members of the Sub-Deb club met in the home of Miss Juanita Elliott Saturday afternoon for a regular meeting. During the business meeting plans were made for presentation.

Members present were Misses Wilda Hannah, Doris Clifton, Mary Mann Sargent, Mary Ann Schmidt, Frances Crowther, Corrine Cates and Connie Henry.

Musical Program Thursday At Rotary

At the regular meeting Thursday of the Rotary club the members of the club were very much entertained by little Miss Cynthia Loveless who not only said but did some very fine acting. Little Miss Mary Harrah impersonating Miss Alice Bluegown as she sang the song was enthusiastically received as was Jack Norman who was on the program with a number of songs.

Jack Norman was received into the club as a member. Mrs. Mary B. Groshart was in charge of the program.

Skeltons Attend Inauguration

Mr. and Mrs. Dick Skelton returned Friday night from Washington D. C. where they attended the inauguration of the President Mahon.

Mrs. Skelton, relative of Mr. Mahon, reported their trip to be very interesting and educational.

Win One Class Has Meeting Friday

The Win One class of the Methodist church met Friday afternoon at the home of Mrs. E. R. Legg with the president Mrs. Legg presiding in a business session at which time it was decided to clothe some needy children.

Mrs. J. T. Pinkston led the devotional her theme being "To be happy one must serve".

The secretary read the minutes and other business was transacted. After the business a social hour was enjoyed. Nineteen members were present.

Methodist Women Have Meeting

The Women's Society of Christian Service of the Methodist church met at the church Monday with 20 members present. There was a business session and Rev. H. C. Gordon had charge of the Bible study which was through the sixth chapter of John. Following the pledge service the group was served by the hostesses in the basement and a social meeting followed.

Monday, February 3, the Society will meet at the church for Bible study. Everyone is invited and urged to attend these Bible studies.

Mr. John Hannah and Mrs. Hannah who have both been ill with the flu are recovering. Mr. Hannah has returned to work at the Santa Fe Yards.

BURNS HAVE GUESTS

Out-of-town guests in the home of Mr. and Mrs. E. R. Burns last week were Miss Mary K. Burns, R. N., U. S. Marine hospital, Memphis, Tennessee; Mr. and Mrs. Jerome Burns of Brownfield, Mr. and Mrs. G. A. Leverett and daughter, LaDeen and Horace Jones, all of Portales, New Mexico; Mr. and Mrs. Jim Hudman and Jimmie Lee of Gordon, Mr. and Mrs. Pat Privett and children, Mr. and Mrs. G. L. Dermont and baby of Lubbock. Mrs. Leverett was enroute to visit her sister in Paris. Miss Mary K. will return to her home Saturday, February 1.

Civic Culture Club Studies Eliot Works

Civic and Culture members met at the home of Mrs. Raymond Johnson, 630 South Tenth street, Saturday afternoon. Twenty-three members and one guest, Mrs. Hardy Morgan, were present.

Thomas Stearns Eliot was the topic of the program which was led by Mrs. R. G. Shankle. She discussed "T. S. Eliot's Place and Influence in Contemporary Poetry." Mrs. S. H. Adams spoke on "Eliot's Poetry and Selected Readings," which was followed by a round table discussion. Roll call was answered with "Words Often Mispronounced."

Members present were Mesdames Adams, Maude Baldwin, J. S. Bates, R. M. Champion, Bessie M. Donald, J. A. Elliott, W. P. Florence, Lee Green, R. O. Hayes, Henry Hollis, J. C. Jenkins, Raymond Johnson, W. R. Lovett, H. R. McKee, Clarence Heaton, M. A. Pember, Laura Rhodes, H. G. Sanders, Shankle, W. E. Smart, C. L. Suit, R. H. Todd and Joe E. Webb.

The next meeting will be with Mrs. R. M. Champion, 725 South 9th street, February 8.

B. A. Hanna Jr. Is Honored On Birthday

Mrs. B. A. Hanna honored her son, B. A. Jr., on his thirteenth birthday Friday night with a party. Bingo and other games were played during the evening. Large balloons decorated the dining room where refreshments were served to:

Ruth Austin, Evelyn Scroggins, Emma Eune Young, Billy Jean Jarman, Jeaneta Maxey, Nina Ray Hickman, Jean Holt, Jo Nell Walston, Jack Dickson, Gerald Stokes, Travis Melton, Billy Roy Sanner, Billy Lloyd Brackeen, J. G. Harper, Tipton Anderson, Leroy Floyd and the honoree.

Seagraves Couple Wed Here Saturday

Mrs. Myrtle Lucille Jenkins of Ruston, Louisiana and Clifton C. Carter of Seagraves were married Saturday afternoon by Justice of the Peace, Horace Smith at the City Hall. Mrs. Jeff Smith of Seagraves accompanied the couple. They will be at home at the Broadway Hotel in Seagraves.

Ouch! That Hurts!

That look of pain and upset dignity on the face of actress Bette Davis isn't make-believe. A movie script called for her landing in a soft bed of sand as she leaped from a plane after a forced landing in Death Valley, Calif. But something went wrong and she landed instead in a bed of cactus. A doctor removed 45 thorns.

Lowest Priced Auto Parts

Have you ever compared the prices on Automobile parts. The next time you do so don't overlook Gillaspys Motor Parts. They carry a complete line of the very finest quality parts for all makes of cars and you will find their prices equally low to any on the South Plains.

Standard parts are always more reliable than off brand merchandise and is equally as economical because of their longer life and better performance.

When you find it necessary to purchase a part for your car go to Gillaspys. You will find they handle only the best of merchandise, prompt courteous service, and their prices are right. Once you give them a trial you will be more than pleased to buy from them again.

Gillaspys Auto Parts is located at 157 West Lubbock Street.

Work That Is Fun

There is not a lot of difference between work and play especially when you like your work and women who use the Bostick Laundry find that when they do their washing on one of Bostick's smooth running washing machines it's like play.

All of the washing machines at the Bostick Laundry are kept in perfect running order, every ounce of the water that is used in washing at this Laundry is soft and easy to wash in and it is always kept at just the right temperature to do washing right . . . not too hot but hot enough to make the grease and dirt disappear like magic.

For those women who do not have the time to come down and do their own washing the Bostick Laundry will turn out either wet wash, flat work or finished laundry. The men folks especially like the Bostick way of laundering shirts for Bostick's finds out in advance just how each man wants his shirts done, collars stiff, medium starched or with no starch at all and we fix them just as ordered.

Why not try the Bostick Laundry this week and find out how easy it is to get your laundry done just the way you want it done.

Poultry Health

"Every year poultry raisers lose more than 58 million dollars, due to poultry diseases," says W. S. Stevenson manager of Driver's Hatchery. A large share of this staggering figure is represented by the death loss of baby chicks. To help reduce this unnecessary loss, I should like to suggest for the poultry raisers of this community a simple program which will help them to raise stronger, healthier chicks, with fewer losses, and with a better chance of making the profits expected when the birds go into the laying house next fall.

This is really a simple program of disease prevention. It stands to reason that if sickness is kept out of the flock, the chicks will grow better and faster and will eventually pay better return on the investment.

Since the three most common types of troubles seriously affecting the health of baby chicks are bowel disorders, respiratory troubles (those affecting the breathing organs), and worms, this program is designed especially to guard the flock against these troubles.

Give the chicks reliable medication in their drinking water. One of the best ways of checking and preventing bowel troubles is by giving the chicks reliable medicinal tablets in their drinking water. One which is known to go to all parts of the chicks' intestines is recommended. Such a precaution will help to keep the chicks' system clear of infection and help to build up strength, vitality, and resistance to sickness.

Spray the chicks regularly with a reliable respiratory antiseptic. In order to lessen the danger of respiratory troubles (colds, gasping, and the various forms of pneumonia), chicks should be sprayed every night and at intervals during the day with a safe, effective antiseptic—one that provides soothing, medication vapors for the chicks to inhale. This will help to prevent infection in the chicks' breathing organs and, thereby, aid in keeping these organs healthy. If inflammation or congestion is present, it will help to bring quick relief and clear up the trouble.

Start the chicks on an early worm-control program. Since worms do the greatest damage while chicks are young, early worm control is very important. In order to offset the poisons produced by worms and to prevent serious damage, flock treatment should be given throughout the growing period of the birds. Exceptionally satisfactory results have been obtained by giving a treatment that not only checks infection, but also furnishes tonic and conditioning ingredients.

High Quality Milk For Food Value

For the youngster or for the grown up, Milk is one of the most important of all food products, and a sufficient supply should be on hand in the household at all times.

Great caution should be taken in selecting this product as lack of sanitation greatly reduces the food value. Too, the product should be of the very highest quality.

John's Jersey Dairy offers the very best in dairy products and you can always be assured that all precautions have been taken to insure sanitation. Daily the premises, where the milk is handled, undergoes a thorough scrubbing and scalding. Every container is cleaned and sterilized.

Every cow is T. B. tested and you are assured there is no tubercular germs in the milk when it comes from Johns Jersey Dairy.

Flowers Make Appropriate Gift

So often occasions arise when it is appropriate to express appreciation with a gift, and what gift is more greatly appreciated than one bearing the beauty that only nature can produce? Flowers hold that beauty and are always received with the deepest of appreciation.

The Slaton Floral company has many varieties of cut flowers and plants from which to make your choice and can give many suggestions as to what would be most suitable. When you have a gift problem to solve why not call upon them to help you, they are always glad to have you call and see the many lovely flowers.

If you hold a great admiration for flowers it is a real treat to visit a floral plant, the beauty and aroma is truly enchanting.

JUST TALK
by **A.M.J.**

Although I never could make two words rhyme I like to read the complicated way some people can take the English language and make sense out of a lot of over-worked words. Here is a poem that came in from Boyce House in "I Give you Texas", and quoted by Bill Quinn in Van Banner.

"If you want to live in the kind of a town
Like the kind of a town you like,
You needn't slip your clothes in a grip
And start on a long, long hike.
I Give You Texas
You'll only find what you left behind,
For there's nothing that's really new;
It's a knock at yourself when you knock your town.
It isn't the town—it's YOU!

Real towns are not made by one afraid
Lest somebody else get ahead,
When everyone works and nobody shirks
You can raise a town from the dead.

And if, while you make your personal stake,
Your neighbor can make one, too,
Your town will be what you want to see.
IT ISN'T THE TOWN—IT'S YOU!

From the way my wife always bragged about how good she was in arithmetic at school I thought that she would be able to keep track of the books in top shape, but it has been a terrible struggle with everybody on the force adding, multiplying and dividing all over the wall, blotters and backs of letters, until our office looks like a bowl of alphabetical soup. None of us get the same answer to any of these numerical problems and I have taken on the agency for an Adding machine. Now we will probably be knee deep in adding machine paper from morning until noon but we should all be able to punch the right keys.

In case there are any other business firms in this community who are having trouble getting their figures to add up right I would be glad to demonstrate a new adding machine. Of course this is not intended as an advertisement, I am just another big hearted Charlie trying to help my fellow man, and would lend a helping hand to a woman if she is having as much trouble as my wife is with her figures.

The boys over at the city Hall are wearing that Cheshire Cat grin these days as the folks come in with lagging steps and a sigh on their lips. It is a real cheerful place on one side of the counter and as gloomy as a jail on the other, for its tax paying time, and today is the last day to dig up unless you want to get tagged for a penalty after the black mark has been put against your name.

It is hard enough to dish out a hand full of bills for something that is all wrapped up pretty in fancy colored tape but to pry loose from a flock of dollars for a little concealed tax receipt is as painful as having a doctor take out your tonsils. And regardless of how good it makes a tax collector feel when he performs the operation he should not smile. In fact I think he should put on a mask, rubber gloves and a white apron or at least get a mournful bed side manner, at this time of the year, so that he could console the tax payers as they come in. For those who own Bank buildings and large farms there should be some way of giving them ether so that there would be no danger of heart failure . . . Why should a tax collector just saw off an arm without any consideration for the patient any more than a doctor would perform the same operation without

putting a person to sleep first.

Had quite an argument with Dr. Loveless, J. H. Brewer and K. C. Scott about whether Lindbergh is a Nazi sympathizer or not. Personally I do not think he is, but I do think he has made some queer statements and I certainly do not agree with his views. Would like to have some other folk's statements on what they think of Lindbergh.

It seems to me that we have an efficient and most courteous Post Office force. It is mighty nice to walk up to the stamp window to buy a one cent post card and be treated better than you are many times in stores where you have gone to make purchases of fifteen or twenty dollars. Not that I have made many fifteen or twenty dollar purchases lately, but I like to go and look at things that cost that much, whether I have the money or not.

Yes, it is nice to be called by your name and get a little kidding by Tess Bruner, Odie Hood, J. H. Gordon, T. E. McClannahan, Jim Bates or A. P. Wilson. And Post Master Seudder will give you the high sign when he has time to look up from his desk full of papers he is always stirring around.

The delivery men and Rural Carriers are all good fellows too, never have met one on the street who did not have a cheery greeting for me and that is something that has never happened to me in another town. Usually the men around a Post Office look like a bunch of pickle eaters. No doubt most of them have sore feet with bunions and a sore back and it takes a good disposition to smile and be pleasant under such handicaps. Hats off to our excellent Post Office Department.

My mind is still made up to take down my Christmas Lights and am sure there are a number of business men who are as lazy as I am for there are a lot of Christmas lights still in the sockets all around the business district.

And another thing Odie Hood says the Boy Scouts might take on some kind of project to help make Slaton a cleaner town, it might be that if we could furnish the boys with a paint brush or two and a bucket or so of paint that they might make things look a lot better.

And another thing while we are at it, why not get up a petition to the Post Office Department to give us better mail service from the north. A number of trains have been cut off coming in here from north and a \$2.50 check was late getting to me from the Light company in Lubbock, which is a large inconvenience for I am usually about that much overdrawn at the bank. Of course the monthly bills are also a little late in getting here but that does not matter so much.

At Tahoka's Invitational Tournament two Slaton Boxers came through to win their weights. The victors were Harry Bell, lightweight division, and Wayne Townsend, Flyweight division.

Bell won by forfeit from Roy Adams, another Slaton lad, who had reached the finals by the TKO route over Sidney Keeton of Lubbock earlier in the night.

Wayne Townsend was victor over Robert Warren of Tahoka, by a close decision. It was leather-slashing all the way, and though it lacked science it was an interesting match.

The Texas Tech fighters carried off top honors with three championships, while Slaton gained two, and O'Donnell, Tahoka, and Draw gained one each.

Golden Gloves To Begin Wednesday
Lubbock, Jan. 27—The fifth annual Lubbock District Golden Gloves tournament will get under way Wednesday night at the Cotton Club, four miles from Lubbock

District 5A Divided; Three Teams Added
Coach Hamilton announced this week that District 5A has been divided in halves, north and south, since three additional teams have been added to the District. Denver City, Seagraves, and Seminole were added and this brings the total number of teams in the district to 14, making it the largest District in the State.

There will be seven teams in each half and the winners of each will play for the championship.

The North half consists of the following teams, Slaton, Levelland, Morton, Littlefield, Muleshoe, and Olton; the South half, Brownfield, Tahoka, O'Donnell, Seagraves, Seminole, Denver City and Post.

"I will be able to give the schedule in the near future," said Coach Hamilton, "and we will play Brownfield November 11th although it will not be a conference game."

This division will perhaps eliminate some of the old rivals but it will also bring back one or two and the competition will be even greater.

Sport Page

Former heavyweight champion Max Schmeling is pictured in his uniform as a member of Germany's parachute troops. Max was denied an army furlough for defense of his European title recently because parachuting demands "extreme exertion."

Two Slaton Fighters Win At Tahoka
At Tahoka's Invitational Tournament two Slaton Boxers came through to win their weights. The victors were Harry Bell, lightweight division, and Wayne Townsend, Flyweight division.

Bell won by forfeit from Roy Adams, another Slaton lad, who had reached the finals by the TKO route over Sidney Keeton of Lubbock earlier in the night.

Wayne Townsend was victor over Robert Warren of Tahoka, by a close decision. It was leather-slashing all the way, and though it lacked science it was an interesting match.

The Texas Tech fighters carried off top honors with three championships, while Slaton gained two, and O'Donnell, Tahoka, and Draw gained one each.

on the Slaton highway.

The tournament will be a three-night affair, with amateur boxers from all over the South Plains competing for the eight championships and the right to represent this district in the state meet at Fort Worth.

Several Slaton boys are entered, including two champions of the Tahoka invitation tournament. The Tahoka champions are Harry Bell featherweight champion at Tahoka, who won the District bantamweight title in 1939, and Wayne Townsend, a scrapping flyweight who made a very good impression in winning at Tahoka.

Other Slaton entries are Frank Todd, lightweight; T. A. Solley, middleweight; and LeRoy Lively, featherweight.

Tickets for the three-day meet was announced.

are on sale in Lubbock at the Avalanche-Journal, A. & L. Drug and Hotel Lubbock Drug. Reservations by wire, phone or mail will be accepted at the Avalanche-Journal.

Boys who plan to enter the tournament should send in their entries to Golden Gloves Editor, Avalanche-Journal, Lubbock at once if they have not already done so.

All fighters are to meet at the downtown gymnasium in Lubbock, 1014 Broadway in the location formerly occupied by Sherrod Hardware, at 3 o'clock the afternoon of February 5.

The tournament was originally scheduled to begin February 6, but dates were changed this week when the location of the tournament

Benny-Allen Tiff Forms Basis Of Grand Film Fun

With commendable sagacity, Paramount Pictures saw the great possibilities in the famous feud between Jack Benny and Fred Allen as the basis for a first-rate comedy. They weren't at all wrong, for "Love Thy Neighbor," starring the feverish feudists, which opens at Saturday's Prevue and runs Sunday and Monday at the Palace Theatre, is one of the most hilarious pictures produced in a long, long time.

Witty, tuneful and expertly produced, it is grand screen entertainment, boasting the excellent capabilities of such favorite performers as Mary (My Heart Belongs to Daddy) Martin, Verree Teasdale, The Merry Macs, Virginia Dale, the graceful and beautiful Merriel Abbott Dancers and Rochester.

The flames of the feud, in the picture, burst high when Benny steals The Merry Macs from the Fred Allen show. Allen, in retaliation, succeeds in luring Rochester, Benny's valet, away from the comedian. The resulting gags are screamingly funny.

The beautiful Miss Martin gives screen audiences a first opportunity to hear her sing the song that made her famous. When you hear her sing, you'll know why it made her an outstanding success.

Three hit tunes are in the picture, "Do You Know Why," "Isn't That Just Like Love" and "Dearest, Dearest I."

Chevrolet Sales Reach New High

Chevrolet dealers the country over opened the new year with a renewed bid for sales dominance, shattering all previous records for sales in the first 10 days of January, it was announced here today by W. E. Holler, general sales manager. Their new passenger and commercial car sales for the period totaled 28,499, an all-time high for the Jan. 1-10 period, he said.

The new car sales figures represent a gain of 29.1 per cent over the comparable period last year, when dealers retailed 22,067 new cars and trucks.

Used car sales likewise continued to the upward course characteristic of the Chevrolet sales graph throughout 1940, a total of 40,620 units being sold in the 10-day period. This figure is 23.4 per cent in advance of the 32,919 sold during the same period in 1940.

Greatest gain over the comparable 1940 period were registered in truck sales. Mr. Holler added, a total of 6,240 units being retailed during the period. This is 43.9 per cent greater than that for the similar period last year.

Guests in the home of Mr. and Mrs. A. L. Clifton Sunday were Mrs. Clifton's father, W. N. Van Dyke and her sister, Miss Edna Van Dyke of Anton and a brother, T. C. Van Dyke of Dallas.

Regular Exercise Helps Keep Bodies Healthy

WHAT with pep talks about "life begins at forty", "you're never too old" and the like, the average person is apt to feel that he or she alone is out of step and the whole world is younger. That such need not be the case is proven daily in New York City by one Joe Pilates who is rebuilding the chassis of many New Yorkers in easy lessons.

The "Pilates System" is revolutionary in that it is so simple. Mr. Pilates doesn't believe in elaborate exercises and apparatus for the purposes of body building. His theory, as related to Kenneth Wilson for the February Cosmopolitan, is that anyone under eighty can have a young body by making a habit of posture and breathing. Actually, there are few exercises that Mr. Pilates recommends; the routine can be absorbed in such natural forms as brushing one's hair in certain ways, using a scrubbing brush when taking a shower, relaxing before going to sleep.

The hair brushing business, for example is as simple as this: take your comb in one hand, brush in the other. Stand up straight and raise the elbows shoulder-high. Then with alternate strokes, moving only the forearms, brush-and-comb the hair from front to back ten times, starting from the left side of the head and working over to the right. Then repeat, until finally you have worked up to one hundred strokes. Hold your head straight and don't move it. Move only your forearms.

"And one word of warning," says Mr. Pilates, "the important thing is to be regular about exercising. Regularity is the price you must pay if you want a really youthful body. Why not make it a 1941's New Year resolution to get down on all fours (palms on the floor and don't bend the knees) before summer?"

Mrs. J. D. Saunders has been visiting her son, J. D. Saunders, in Levelland.

Ernest Hillen is in the Mercy Hospital this week.

Connie Strickland who has been working for the City Drug Store has returned to the Texas Tech to complete his college work.

Mr. and Mrs. Joe Hopper were visitors to San Angelo Monday.

L. W. Smith, Jr., of Amarillo, visited his parents, Mr. and Mrs. L. W. Smith, during the week end.

Mr. and Mrs. Virgil Hill visited Fred Hill in Carlsbad last week.

R. S. Tudor of Brownfield is visiting in the home of his son, Fred Tudor.

Mrs. W. T. Wisely visited friends in Pampa during the past week.

Frank Moss of Brownfield visited his parents, Mr. and Mrs. Perry Moss Sunday.

Mrs. W. N. Blackerby and son of Lubbock spent Wednesday visiting her sister, Mrs. Fred Tudor.

Mrs. H. H. Frye of Lubbock spent Sunday with Mrs. Otis Gunter.

British scientists have recommended 12 slices of bread a day as the foundation for a minimum ration to maintain the health of British people during the war. Britain recently bought 100,000,000 bushels of Canadian wheat.

"Hungry people, ill people, are a liability in a defense program," says Dean Harriet W. Elliott, recently appointed by the President to the National Defense Commission as a representative of consumers.

69 Men From Lubbock County To Be Inducted Into Army

In a letter sent out by the United States Army Induction Station at Lubbock are listed the number of men to be inducted into the Draft from 56 counties in this section of the State and Lubbock County has the largest quota of all of them. From these 56 counties 622 men will be selected and 69 of them will be from Lubbock County, which is the largest number to be taken from any one of the 56 counties in this district. The next largest number will be from Potter County.

Major Walter Jessee, who is the recruiting officer in Lubbock, calls the attention of young men of military age to the fact that the army is still anxious to secure volunteers to the regular army. Major Jessee says the Army is particularly interested in securing

men for the aviation who have had as much as two years college training to be trained as army Pilots and reserve officers. The Army also has vacancies in the Air Corps and Field Artillery.

From the figures quoted above it looks like a number of young men from Slaton and surrounding territory will be marching before long. The period for inducting the 622 men from January 13 to January 29.

Epidemic of Cold Symptoms

666 Liquid or 666 Tablets with 666 Salve or 666 Nose Drops generally relieve cold symptoms the first day.

Clash Over Aid to Britain

Three men who have clashed frequently during the House Foreign Affairs Committee hearing on the Lend-Lease Bill are shown as they continued their debate after a committee recess. Left to right, Representatives Sol Bloom of New York, Hamilton Fish of New York and Geo. H. Tinkham of Massachusetts. Bloom is chairman of the committee. (Central Press)
