Miss Irene Evans Dies Wednesday

Friends and relatives were deeply shocked and grieved by the death last Wednesday morning of Miss Irene Evans, daughter of Mrs. Viola Evans. Miss Evans died about nine o'clock Wednesday morning, September 7, at the Mercy Hospital, where she was confined after an operation for a ruptured appendix.

Following the operation, which occurred Friday night, August 26, she seemed to be slowly improving, and doctors held out hope for her recovery. Complications which caused her death set up on Tuesday, and death came to her the next day. She was twenty-four years old.

Funeral services were held at the Baptist Church on Thursday afternoon, September 8, with Rev. Campbell, of Lubbock, officiating, assisted by Rev. C. E. Fike, of the Methodist Church. Pall-bearers were: G. J. Catching, W. H. Armes, E. H. Ward, Perry Wolf, C. A. Porter, T. J. Abel. Flower girls were: Misses Thelma Smithee, Lois Fuller, Jewel Armes, Johnnie Russell, Maude Dean, Oleta Russell, of Canyon, and mesdames V. E. Vessels, of Trent, and W. D. Donald.

Irene Evans was well-known and well-loved by most of the people of Slaton, young and old. Many of them paid her their last tributes with offerings of beautiful flowers, as well as having cheered her with flowers during her illness. She is survived by her mother, one brother, Harley, two sisters, Imogene and Frances, her grandmother and several aunts, uncles and cousins. She had been an active member of the Baptist Church for several years. She was buried in the Lubbock cemetery, beside her father, who died about four years ago.

SLATON CHURCH GIVEN SESSION

Slaton First Baptist church was awarded the 1933 meeting place of the Lubbock Baptist association at the closing sessions of the meeting held last week at Lubbock. Date will be the first Thursday night and the Friday following the first Sunday in September, 1933.

Reverend McCarty was named moderator for his third term. Rev. Boyd P. Milburn is the new clerk, succeeding Rev. W. M. Turner of Slaton, formerly of Lorenzo. The moderator is pastor of calvary Baptist church and the clerk is pastor of the West End Baptist church.

Churches in Crosby, Garza, Hockley and Lubbock counties comprise the association. There was a larger attendance from out of town than at the opening program Thursday night.

Eastern Stars Give Program

The Eastern Star lodge presented an interesting program at their meeting last Tuesday night at the Eastern Star Hall, which had been prepared by Mrs. John Landreth, program chairman, with the cooperation of the other members.

Mrs. Hugh Bryan began the program by giving the life and history of the founder of the order, Robert Morris. Miss Jeannette Ramsey then gave a piano solo. After this, a playlet was presented which depicted the founding of the Eastern Star lodge. Mrs. Clifford read a synopsis of the play, and the those taking part were: Messrs G. J. Catching and J. F. Merrill and Mesdames Hugh Bryan, Bohannon, Thompson, Driver, and Cramer. Mesdames Greer and Huckaby then gave readings, and Miss Ramsey obliged with another piano selection.

Quite a number of out-of-town guests were present.

CORRECTION

The following names were omitted Sherrif helpers: Fred Schmidt, Man-last week from the T. J. Abel for ire Studio, Mayor T. M. George, and Ben Mansker.

Delegation From Slaton Attends Tri-County Meet

On Sunday afternoon at 1:30 a group of twenty young people and chaperones left the First Christian Church of Slaton for Plainview to attend the meeting of the South Plains Tri-County Christian Endeavor Union.

This union is composed of C. E. societies of both First Christian and Presbyterian churches of Floyd, Hale and Lubbock counties, and has for its purpose the upbuilding of the individual societies. The regular time of meeting is the second Tuesday of each month, but was held this month on Sunday due to the opportunity of having the attendance at this time of Mr. Harold Lovitt, one of the state leaders in this work.

The meeting was called at 4 o'clock, with Miss Dorothy Peret, union president, in charge. The welcome address was given by Richard Locke, pres. of Plainview C. E. Devotional was led by Rev. Allen Lynch, of Slaton. Special musical numbers were rendered by representatives of Lubbock, Floydada, Plainview and Slaton. Paul Squyres, of Lubbock, who is president of this district, introduced district officers. Merle Garrigues, of Slaton, was elected second vice-president of the organization.

Mr. Harold Lovitt, of Dallas, delivered the main address of the afternoon and his message was greatly appreciated by those privileged to hear him. A talk by Mr. Will Locke, Plainview sponsor, was also enjoyed.

Mrs. Allen, of Lubbock, led the consecration period, which was a beautiful and inspiring service. This was followed by the Fellowship supper, attended by 98 young people, and served by the ladies of the missionary societies of the First Christian and Presbyterian churches of Plainview. This proved to be a feast in the way of food and also in good fellowship and much peppy singing, ending on a serious note of inspiration and reverence.

On the second Tuesday of next month, Oct. 11, Slaton C. E. will be host to the Tri-County Union, and although it is not thought possible to exceed the hospitality accorded by Plainview, a great effort will be made to equal it.

Those attending, Sunday, from Slaton were as follows:

Misses Pearl Edmondson, Geraldine Wicker, Pauline Garrigues, Mesdames Raymond Sanner, Lily Mae Pierce, H. I. Purkey, J. J. Wilhite, I. G. Smith, Carl Lewis; Messrs. Shelburn Brasfield, Doc Tracy, Merle Garrigues, Gilbert Wilhite, Raymond Sanner, Dorcey Gentry, Paul Brasfield, J. D.

Geo. W. Armstrong To Speak Monday

Judge Armstrong, of Ft. Worth, Independent Candidate for Governor, will speak at the City Park Slaton, at 4:00 P. M., Monday, Sept. 19th.

He advocates a state currency and credit system to supply the need for currency and credit; the adoption of moratorium to suspend the collection of mortgage debts and bonds; and graduated inheritance taxes to take the place of the state ar valorem tax.

He also advocates the continuance of the building of good roads and the use of the Highway funds for that purpose, and the use of the roads by trucks under reasonable regulations.

Kindergarden At Clubhouse Begins

Mrs. E. I. Thornton announced this week that she was beginning the kindergarden at the clubhouse that was taught last year by Mrs. Ed Hill. The hours will be from 9 to 12.

Mrs. Thornton, who received her B. A. degree from Tech in 1930, has had five years experience in this kind of work. She is well-known to most Slaton people, having lived here for about eight years.

Mrs. Achilles Corcanges, who has been visiting her parents, Dr. and Mrs. S. H. Adams, has returned home.

Tigresses Play McClung Wed.

Getting off to a fine start, the girls basketball team after only about a week's practice, shows what is to be expected of them this year by defeating McClung Wednesday night at McClung by a score of 35 to 16. Several of the Tigresses of last year are not playing this season, but there are some new-comers who are showing promise.

The starting line-up was: Forwards, Mildred Alexander, Anna Lou Henderson, Maxie Poteet; guards, Imogene Harper, Maurine Mitchell, Laura Saago. Substitutes were: forwards, Clara Elizabeth Bruner, Lucille Caltharp, Vivian Rucker; guards, Dorice Rust, Jimmie Miller, Delilah Bell Manire.

Points made were: Alexander, 18, Poteet, 13, Henderson 2, Rucker, 2. The girls were accompanied by their coach, Mr. Wilhite, and several fans.

Norris, I. G. Smith, J. G. Wilhite, and Rev. Allen Lynch.

Slaton C. Of C. Designates Trades Day Saturday

At last Tuesday night's meeting of the Chamber of Commerce and Board of City Development one of the most important matters brought up for discussion was the possibilities offered by a monthly Trades Day in Slaton, similar to First Monday, except that it would be on a Saturday when most of the farmers are in town.

On this day, all the farmers are urged to bring in anything they would like to trade to someone, and the townspeople will have the things they wish to trade at some vacant lot that will be announced in next week's Slatonite. The last Saturday in each month will be know henceforth as Trades Day in Slaton. The first one will be on September 24th. The C. of C. is making an effort to engage some vacant lot for the purpose of exhibiting the articles to be traded, and if possible, a building will be engaged to hold things that could not be left out in the weather.

As yet, the merchants have not been approached on the subject, but it is thought that they will be glad to make special prices on Trades Day such as are usually made on First Monday.

This monthly Trades Day will continue on through the fall and winter and all during next year if it is found to be as beneficial to everybody as it promises to be.

Watch next week's Slatonite for more particulars about Trades Day. The paper will be out the Friday before Trades Day Saturday, and by that time, the Chamber of Commerce will probably have completed its plans.

CARD OF THANKS

To the many dear friends who were so kind to us during the sickness and death of our loved one, Irene, and also for the many beautiful flowers, we give our sincere thanks.

Mrs. Viola Evans and children
Mr. and Mrs. G. R. Evans.
Mr. and Mrs. P. C. Mercer

CARD OF THANKS

I wish to let the Nurses and Doctors of the Mercy Hospital, and the many friends who helped me during my illness know that I am very grateful for the things that were done for me.
S. J. Johnson.

Misses Cordelia Granham and Willa Cunningham and Hugh Diamond Jr., have returned from an extended visit to Dallas, Ft. Worth, Wichita Falls, and Abilene.

TEXAS DEMOCRATS NOMINATE MRS. FERGUSON AT LUBBOCK

Basketball Champs Invited Here By Coach Wilhite

Wilhite Invites District Two Girls Basketball Champs Here For Meet

At a meeting of girls coaches at the recent Teachers Institute at Lubbock, a district meet for the County Champions of the girls basketball teams in the several counties comprising District Two.

A few plans were discussed as Lubbock County is about the center and Slaton, the largest school having girls' basketball, it is likely that the meet will be held in Slaton, at the invitation of Gilbert Wilhite, local coach.

Wherever this meet is held it will mean much for basketball in the State, as this will be the first girls district meet.

To the Slaton people this would be a great opportunity to do service to a good cause and the financial returns would be an item not to be overlooked.

Let's work for this meet and put it over in a big way.

First Cotton Ginned Saturday

Slaton's first bale of cotton was ginned Saturday afternoon at the Farmer's gin. It was brought in by B. B. Jones, and was raised on Dr. Adams farm about three miles west of town. It weighed 465 pounds, and was bought by Abe Kessel for 8 1-2 cents a pound. Mr. A. J. Payne, secretary of the Chamber of Commerce, made up a premium of \$11.25 among the merchants for Mr. Jones.

Slaton's Request For Bank Charter Soon to be Granted

The business men of Slaton have nearly completed plans for a State bank, \$25,000 has been subscribed, a request for a charter has been sent in to the Banking commissioner at Austin, and a committee of five men is collecting funds for the new bank, confident that it will open by October 1st. A. J. Payne, Secretary of the Chamber of Commerce informed us this week.

Slaton citizens, long used to the conveniences of no banking facilities, will be able once more to save time and money by patronizing a bank in their own town. The papers for an application for a charter for a state bank with a capital of \$25,000 have already been filed out and sent in, Mr. Payne said, and it was hoped would be granted by the first of October. The full \$25,000 has been subscribed, and a committee composed of Claude Anderson, J. S. Edwards, John Hood, H. G. Sanders, and Abe Kessel are out over the country this week finishing up the collecting of the money, which was raised among the business men and townspeople.

The old Slaton State Bank building probably be used by the new financial institution. J. S. Edwards, who personally subscribed \$10,000 in stock, will probably be named president. Directors have not yet been suggested.

MISS GEORGE HOSTESS FOR BRIDGE PARTY

Three tables of bridge were played in the home of Miss Maggie George, 750 South 11th Street, Thursday afternoon from five until seven.

High score was made by Miss Jo Hestand and low score by Miss Elizabeth Lanham.

Those present were: Misses Gertrude King, Audra Marriott, Hazel Mansker, Pauline Marriott, Jo Hestand, Elizabeth Lanham, Cora Sealy, Eunice Florence, Aubrey Swain, and Mrs. Tess Bruner.

Mr. and Mrs. V. J. Richardson and daughter of Colorado visited Mr. and Mrs. Oscar Killian Sunday.

Following a convention that filled Lubbock's hotels, streets and convention hall to overflowing, with delegates, politicians and interested on-lookers from every corner of Texas, Democrats now await the next chapter in one of the state's most hectic campaign years, when the suit filed at Austin by Governor Ross Sterling contesting the right of Mrs. Miriam A. Ferguson to the party nomination will be heard.

Governor Sterling's suit claims illegal voting in 130 counties gave Mrs. Ferguson the nomination, and that when a recount of ballots is made by the courts he will be the nominee. He also contends that she can not legally serve as governor, because her husband is a practicing attorney and that Texas law stipulates the governor can not accept pay from any other source than the state, she being James E. Ferguson's wife thereby entitling her to a claim of one-half of his income as community property.

A feature of the convention Tuesday was the speech delivered before it by Tom Hunter of Wichita Falls, who was in third place for the party nomination in the first primary. Mr. Hunter said he would support the nominees of the party from president to constable, as had always done. He scored the state's big newspapers and "the machine-manipulated politics of Texas," contending this machine had long controlled the state's politics through the spending of much money, "money filched from you unfairly, making it their business to go into government for profit."

Mr. Hunter said the state's greatest need is a revision of its tax system, claiming from 50 to 100 billion dollars of Texas wealth is now escaping taxation of any sort. He said one per cent of that nation's people control 90 per cent of its wealth and while the wealthy class are paying only 2 per cent of their profits in taxes, the other 90 per cent is some instance pay the full worth of their property in taxes. He urged treating Texas as one unit for tax purposes, instead of treating it as 254 units, with each county separate.

"We must take at least 70 per cent of the tax burden from real estate," Mr. Hunter said, "and it should be unlawful for any man on the payroll of big corporations to take office as a state official."

Twenty Girls Out For Basketball

More than twenty candidates are out for the girl's basketball team of Slaton Hi, at this early date and others are expected to be out before the real season opens.

Coach Wilhite, and his girls went to McClung, Wednesday afternoon for a practice game, (outcome of the game may be seen elsewhere).

A junior team is being organized which will mean much for the future of girl's basketball in Slaton.

Football is the main sport of this season, but we Tigresses are "out to win" the State Championship this year, if the people of Slaton, will back us as they have in the past.

We expect to have more home games soon, so save some dates to be on hand. Several new girls are expected to strengthen the Tigress team a great deal.

NIX STORE MOVED

Guy Nix announces that he has moved his store from the east side of the square to 155 north 9th street, in the old skating rink building. The store run by his brother, Ralph, has been combined with his own. The formal opening of the two combined will probably be some time next week.

UNION COMMUNITY MEETING

Tonight (Friday) the ladies of the Home Demonstration Club of Union will entertain their husbands at the school house and make it an occasion for discussing the county park and community fair plans suggested by W. P. Florence and perhaps to elect a representative from this community to cooperate with him in that work.

Mr. Florence has accepted invitation to be present and all the community is urged to come.

SCHOOL DAYS

Another school year has begun. More children than ever went to school at one time before, will spend the next eight or nine months laying the foundations for their independent and individual lives. Some of them will learn a good deal. Some of them will not learn very much. The one thing that most children learn in school, and the most important thing that any of them learn is, after all, not what is in the book but how to live.

It has always seemed to us that the real life of the child is his or her school life. During these formative years the child's principal interest centers about school. It is the one place where he can mingle on equal terms with all of those around him. For several hours a day he works and plays in the company of those of his own age. He learns, through the necessary discipline of the schoolroom, to restrain such natural impulses as tend to disorder, but he learns from the contacts with other boys not only the wisdom of non-interference with the rights of others, but the importance of standing up for his own rights. In other words, the most valuable function of the school is to socialize its pupils, to help them to learn how to live in the crowd.

In the old days of big families the children learned those things from their own brothers and sisters. Families of eight or ten or more youngsters are not so common in these days, and the discipline of the crowd is best enforced and learned in the school atmosphere. And it is becoming more and more essential that our young folks should go out into the world with a better understanding of their place in it.

We think the best schools are the ones in which the pupils are required to do most for themselves and have the least done for them by their teachers and others. All that any system of education can do for any child is to stimulate him to use his own native intelligence. But outside of the curriculum, beyond and above the formal routine of the acquisition of knowledge, far more important is the socializing and civilizing influence of constant association with other young ones of his own age.

Baptist To Raise Fund Of \$600,000

The Executive Board of the Baptist General Convention of Texas meeting in Dallas, September 13, voted to change the date for the meeting of the Baptist Convention from November 9 to November 16. The Convention voted last year to meet in Abilene in 1932.

Plans were completed for the raising of \$600,000 for missions and benevolences by means of the Every-member Canvass Campaign now in progress among the 490,000 Baptists of Texas. Dr. J. Howard Williams, Executive Secretary of the Board, was placed in charge of the campaign, and he has appointed seventeen organizers in as many districts representing every portion of Texas.

The campaign will continue until October 30. The final week, October 23-30, is designated as pledge week, at which time every Baptist in the state will be solicited for a pledge to the \$600,000 fund.

The money raised by this campaign is to be used by the Baptists for their work of missions and benevolences; every Baptist institution is to share in the funds, whether it is in Texas, in China or elsewhere. The proportion of the funds to go to each institution will be worked out at the meeting of the State Convention to be held in Abilene November 16.

Mrs. Lee Green, secretary of the Retail Merchant's Association announces that the directors of the R. M. A. will meet next Monday night at 8 o'clock in the R. M. A. room.

GEORGE WASHINGTON BICENTENNIAL PROGRAM AT HIGH SCHOOL AUD. MONDAY, SEPT. 19th, AT 1

The George Washington Bicentennial Committee is sponsoring another program at the High School Auditorium, at 1 P. M., Monday, Sept. 19th, to which the public is invited, in honor of Constitution Day, which was one of the outstanding events in the public life of the Father of our Country.

County Judge, E. L. Pitts will be the speaker, and will discuss the framing of the Constitution, and the laws thereunder, stressing the question of property rights, which are so often violated by pupils in our public schools, both in and out of school. Judge Pitts is a former County School Superintendent, and now as County Judge has charge of cases of this nature that go above our local officers, and he is thoroughly competent to discuss law observance and character building. He is a forceful speaker, and has a sympathy for, and a desire to help the delinquent child, and parents should make a special effort to hear him, and help to impress his thoughts and ideas upon the minds and hearts of their children.

•Music of Washington's time will be rendered as well as the special song, "Father of the Land We Love", especially written by Geo. M. Cohan for Washington Bi-centennial celebrations, and Washington's Farewell address will be read.

All patrons are urged to attend.

Success Indicated At Free Clinic

According to a report from Dr. Ivy, the Free Clinic which he is sponsoring, and which is to be conducted in his offices Sept. 23 and 24, gives every indication of being a success. Numbers of people of Slaton and surrounding territory have made arrangements to be present, and others have indicated their interest in it by inquiries. The Clinic being held in the Panhandle by the same group of Chiropractors who will conduct the one at Slaton, are meeting with success, and people are learning what can be done for them thru this foremost science of drugless healing.

Dr. Ivy urges those who have not made their appointment for the Clinic, to do so as early as possible.

School Notes

West Ward is back at work again striving to make this the best year of all.

The children are all happy and ready for work as well as the teachers.

Our enrollment is almost as large as it was the entire last year.

The enrollments are as follows: Miss McMurry, low 1st—45; Mrs. Gunter, H 1st and Low 2nd—46; Mrs. Frye, H 2nd and Low 3rd—43; Miss Waller, H 3rd and Low 4th—36; Miss Stallings, Low 4th and H 4th—27. A total of 197 pupils.

The P. T. A. met Tuesday and was well attended. It was decided that they would take up a study course once a month.

Mrs. Caldwell was elected as our new secretary.

The Junior High and West Ward P. T. A. held its first meeting of the school year, Tuesday afternoon, Sept. 13, at 3:45. There were thirty five present.

It was decided that there would be only one business meeting during the month which would be held the second Tuesday. Mrs. Fred Schmitt will sponsor or study club for the parents of the schools which will meet every fourth Tuesday at 2:30 P. M. at the Club House. "Child Psychology" is the subject to be studied. We urge every mother to attend. They will be well worth your while. The following program was rendered: Welcome Address—Pres. Mrs. J. H. Brewer.

Response—Prin. Mr. Jenkins
Piano Solo—June Scott.
Readin—June Keys.
Introduction of Teachers—Mrs. Peavy
Piano Solo—Mary Watkins.
After a talk by Mr. Ellis on "Training for Citizenship" the meeting was adjourned.

Query Corner

QUESTIONS

1. What is a cenobite?
2. What was the real name of Catherine of Alexandria, the patron saint of girls and virgins?
3. Who founded the modern system of Sunday Schools?
4. Where was cornstarch first made?
5. What city is called the Heidelberg of America?
6. What great battle decided the Civil War?
7. To what country do the Falkland islands belong?
8. How many bones are there in the human hand?
9. The raccoon is a native of what country?
10. How long is the average life of an automobile?

ANSWERS SEPT. 9

1. Copenhagen.
2. Copper.
3. In America.

There is to be no charge for the examination and Spinal Analysis made in each case, and in case an X-ray is needed, only a small charge will be made for that.

YOUTHFUL STRENGTH

Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created

TITUS-PEARLS

to help the millions of men and women who have lost or are losing their vital physical power. In his 35 years of practice and research, however, he realized that the weakening of man's glands was also responsible for other troubles: High blood pressure, hardening of the arteries, physical exhaustion after work or exercise, dizziness, depression neurasthenia, etc.

All these troubles can be removed with Titus-Pearls. Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute.

L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental powers dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day. 2 weeks later the medical report on this man was:—General health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of his life.

Start regaining your youthfulness now! To-day! In 2 weeks time you will be aware of the new, virile force within you. Send \$5.00 (cash registered or money-order) for 2 weeks treatment.

Culinary Jingles

by Virginia Gibson.

Life's darkest hour is not at night
As one might well suppose,
But comes with morning's cheery
light
When I'd prefer to doze!

SOME man once said that he was all right for the day if he could get successfully through the first half hour. The average homemaker generally feels safe if she can give her family a successful breakfast. Some human automatons are satisfied with the same fruit, toast and eggs without variation for 365 days on end. Most of us, however, crave a little variety and there trouble begins because breakfast foods seem to be more limited than those for any other meal.

This is largely because the first meal must be served on time or every one gets "fidgety" and the day is ruined before it has a good start. What to serve looms up as a problem as big as a house sometimes. When this happens, turn to the infinite variety of breakfast breads such as muffins, corn bread, waffles, griddle cakes and quick coffee cakes.

All of these breads may be readily made with little effort and great speed if you mix them with self-rising flour into which the leavening and salt have already been blended. Because of the healthfulness of the leavening used, foods so made are not only good to taste but are good for the family. It supplies additional calcium and phosphorus, which are needed for proper building and maintenance of teeth and bone.

You will find that the family will be ready and waiting whenever you serve:

Jiffy Waffles.
2 cups self-rising 1 cup milk
flour 1 tbs. sugar
2 tbs. cooking oil 1 egg

Mix the beaten egg, milk, sugar and oil. Add to flour, stirring just enough to mix the whole well. Pour into greased muffin tins and bake about 12 minutes in a hot oven. It should only take you four minutes to mix these, from the time you start until they are safely in the oven, and while the coffee is brewing and the table is being set they will finish their baking.

Maybe your family is fond of syrup, in which case they will hurry for sausages or bacon with crispies:

Waffles.
2 cups self-rising 1 tbs. sugar
flour ¼ cup melted
2 eggs ¼ fat
1½ cups milk

Beat the egg yolks with the sugar and fat; add the milk, then add this mixture to the sifted flour. Lastly fold in the stiffly beaten egg whites. Bake two or three minutes on a hot waffle iron. For the sake of variety, bacon may be chopped and added to the batter before cooking.

Has your husband the "gedunking" habit? If so, he will welcome delicious:

Quick Coffee Cake
2 cups self-rising ¼ cup milk
flour 1 egg
2 tbs. fat 3 tbs. sugar

Cut the fat into the flour, add a mixture of beaten egg, sugar and milk. Spread the dough in a greased pan to make a layer about one-half inch thick. Cover the top with a mixture of:
4 tbs. butter 1 tsp. cinnamon
1 tbs. self-rising ½ cup sugar
flour

Bake the coffee cake for 15 minutes in a hot oven (400°F.). This will take only 12 minutes to make before baking, so you need not save it for Sundays or holidays.

Texas Tech Games Beckon Ball Fans

LUBBOCK, Sept. 15—With twelve games scheduled with teams from six states Texas Technological College is regarded as having the most notable football schedule in its history. The season will open September 17 with a game at Lubbock with Oklahoma Panhandle A. & M. This is a night game. A special train will car-

ry the Tech aggregation to Amarillo for a game with Texas A. & M. September 24. This will be a feature of the Amarillo Tri-State fair.

Southern Methodist University comes to Lubbock October 1. Game is at night. The game with Austin College of Sherman set for October 7 is also to be played at night. The University of Arizona comes to Lubbock October 14, night game. Tech goes to Las Vegas, New Mexico, October 15 for a tilt with the New Mexico Normal University. Tech goes out of the state again for a game with the Colorado School of Mines at Denver October 22.

One of the big high lights of the season will be the game in Lubbock the night of October 28 with Notre Dame University. November 4, Trinity University comes to Lubbock for

a night game. Baylor University plays on the Tech field on Armistice Day, November 11, Day game. Tech again goes out of the state for a game with the University of New Mexico at Albuquerque Nov. 19. The annual Thanksgiving affair with Simmons University will be staged in Lubbock November 24, day game.

Mrs. Earl Wilson of Richmond is visiting her parents-in-law Mr. and Mrs. E. E. Wilson.

LOCAL NEWS

MISS BOWEN HOSTESS TO JUNIOR STUDY CLUB

The Junior Civic and Culture Club met Tuesday evening in the home of Miss Vinita Bowen for the first meeting of the new club year.

Interesting club business was dispensed with, and new officers were elected. They include: President, Miss Cora Sealy; Vice-President, Miss Gertrude King; Secretary, Miss Ruby Catching; Treasurer, Miss Andrea Marriott; Corresponding Secretary, Miss Vinita Bowen.

The program on the characteristics of England was led by Miss Marriott, and those taking parts were Misses Maggie George, Eunice Florence, and Ruby Catching.

The next club meeting will be with Miss Ruby Catching on Tuesday evening, September 27th.

MONDAY BRIDGE CLUB

The Monday Bridge Club had their first regular meeting September 12, at the home of Mrs. J. R. McAttee.

After a three months recess, the ladies were delighted to be together. Light refreshments were served at 5:30.

Preaching and Worship—10:45 A. M.
Subject: The Choice of Moses.
Preaching at—8:00 P. M.
Subject: A Hero's Farewell.
Albert Smith, Minister

CHRISTIAN SCIENCE CHURCHES

"Substance" was the lesson-sermon subject in all Churches of Christ, Scientist, Sunday, September 11.

John 6:27 furnished the golden text. "Labour not for the meat which perisheth, but for the meat which endureth unto everlasting life, which the Son of man shall give unto you: for him hath God the Father sealed."

The lesson-sermon embraced the following verse from the Bible (Zechariah 2:13): "Be silent, O all flesh, before the Lord: for he is raised up out of his holy habitation."

Included in the service was the following from page 278 of the Christian Science textbook, "Science and Health with Key to the Scriptures, by Mary Baker Eddy:

"That matter is substantial or has life and sensation, is one of the false beliefs of mortals, and exists only in a supposititious mortal consciousness. Hence, as we approach Spirit and Truth, we lose the consciousness of matter."

CHURCH OF CHRIST

Meets each Lord's Day for worship at eleven o'clock, at the Club House on West Garza St.

preach each 2nd Sunday, and Jack McCormick, of Little field, each 4th Sunday.

You are especially invited to attend these services.

This Woman Lost 45 Pounds of Fat

"Dear Sirs: For 3 months I've been using your salts and am very much pleased with results. I've lost 45 lbs., 6 inches in hips and bust measure. I've taken 3 bottles—one lasting 5 weeks. I had often tried to reduce by dieting but never could keep it up, but by cutting down and taking Kruschen I've had splendid results. I highly recommend it to my friends."—Mrs. Carl Wilson, Manton, Mich.

To lose fat SAFELY and HARMLESSLY, take a half teaspoonful of Kruschen in a glass of hot water in the morning before breakfast—don't miss a morning. To hasten results go light on fatty meats, potatoes, cream and pastries—a bottle that lasts 4 weeks costs but a trifle—but don't take chances—be sure it's Kruschen—your health comes first—get it at any drugstore in America. If not joyfully satisfied after the first bottle—money back.

PERSONAL & LOCAL

Mr. and Mrs. J. B. Privit and children have just returned from a visit to Bassett, Nebraska.

Miss Oleta Russell, after a visit of about three weeks in Slaton with relatives and friends, has returned to her home in Canyon.

Wilson Lott left this week for Waco, where he will attend Baylor University.

"Where U Do Better"

Both in the Same Boat

Swift & Company has more than one hundred produce plants, where poultry, eggs and dairy products are bought, prepared and shipped to far-off markets. In each plant is an ambitious, hard-working local resident—the manager. In his community that man is "Swift & Company".

He has the producer viewpoint. He rejoices when prices are satisfactory to his patrons. In this his interest is selfish. He is in the same boat with the farm producer. His advancement in business, in his own organization, depends on how much produce he purchases and how well he handles it.

Your Swift produce plant manager strives for steady operation at full capacity; only under such conditions is his plant most efficient. He wants volume and full payrolls. Nothing pleases him better than to pay the cash price for more and more produce.

That price is governed by demand, by what consumers can and will pay. But when the local manager is ready to ship his prepared products, demand is not awaited; is not left to chance. Swift & Company enhances demand for produce by advertising brands of high quality: Swift's Premium Milk-Fed Chickens, Golden West Fowl, Swift's Brookfield Butter, Eggs, Cheese and many other products.

An army of Swift & Company salesmen, working from 400 branch houses and along hundreds of car routes, searches daily for bigger and hungrier markets. The local manager buys to supply those markets. Thus continually expanding outlets are opened up for the producer. The same army of salesmen sells both meat and produce. The same railroad cars transport both. Thus, costs of marketing are reduced for both livestock men and produce men.

Swift & Company has developed a national sales force and a national buying organization—striving to lower costs between the farm and the retail store. The personal welfare of each man depends on how well he does that job. That's why the charges for the service are low. Profits have averaged, over a period of years, less than a half cent a pound for all products sold.

Chamber of Commerce News

By A. J. PAYNE, Secretary

A Slaton's Trade day was the most important or one of the most important things that was taken up and discussed in last Tuesday's night's meeting of the Directors of the Chamber of Commerce and Board of City Development. It was finally decided that the last Saturday in each month would be the best day for a Slaton Trades Day. So you farmers and town people that will have any thing to trade bring it in, and you no doubt will find some one who will buy it or trade you out of it, and this is not all, the merchants will have special trade day prices for every one, in fact this is to be a regular bargain day for all of Slaton territory, and the first Saturday Trade's Day will start Saturday Sept 24th. and continue on through the fall and winter and all next year if it be found it is a good thing for every one interested. You will see more about this in another column of this paper.

The subject of the approach to the High School was taken up and fully discussed and it was decided to leave this with the Education Committee, R. D. Hickman Chairman to look after as soon as possible so that the street will be in good order before the next rain, it is almost impossible now when it rains.

Don't over look the article in another column from our Educational Committee regarding the Geo. Washington Bi-centennial meeting at the Hi School Auditorium next Monday night 19th. Judge Pitts will be on the program for a talk that will be well worth your hearing. NEXT MONDAY NIGHT THE 19th.

The object of the High School Band was brought up at the regular meeting of the Directors last Tuesday night, that is shall the Chamber of Commerce keep on paying Mr. Davis the Band teacher after the 1st. of Oct. to take and build up a High School Band, and all the Directors are in favor of so doing provided we have the money. This is one of the best things that Slaton can have is a Band, and by all means a High School Band, that we can use this fall season with

our Foot Ball games, go out to these foot ball games feeling all under the weather and hear the Band play and the Pep Squad do their stunts, and you will forget your bad feelings that you started with. By all means lets have the Band to continue with a High School Band, we can do this as we will have gotten other things out of the way, except the PANHANDLE SOUTH PLAINS POULTRY SHOW? and that is not til Jan. 18, 19 & 20th. 1933. Our Yard contest will be out of the way after this month, the Judges will go out once more and then the awards will be given, definite notice of this will be given later.

We have been invited to attend the Tri-State Fair at Amarillo during the week of 19th to 24th. and have our Band there or some Artist to broadcast over their Radio, but on account of our low finances we had to decline the invitation this year, very sorry and thank the officials of the Amarillo Fair just the same.

The Banking Committee are out this week on the final drive and collection of the subscriptions that had been signed up. Watch Slaton put on new airs, and new faces when the Bank is in running order to take care of the big crop of feed and cotton that is now in sight, this Bank should be open and ready for business by Oct. 1st.

Father Of Slaton Woman Buried

Word was received this week of the death of Ira Simpson, of Lockney, father of Mrs. A. R. Keys, of this city August 26th.

Mr. Simpson was injured in a wreck about three and a half years ago, and had been in bad health as a result of the accident for some time. He had recently fallen and broken his hip, and was unable to recover his strength.

Mr. Simpson was born in Carroll county, Missouri, in 1870. He came to Floyd County, Texas, in 1906, where

Civic And Culture Club Met Saturday

The Civic and Culture club began the years study of "The Westward March of American Settlement" with a very clever and effective program at the home of Mrs. J. M. Nicholson on 705 West Garza street.

The house was unusually pretty with roses and other cut flowers placed about as decoration.

The program, which was an outlook for the year's work, was led by Mrs. J. S. Lanham, assisted by Mesdames W. E. Smart and J. A. Klasner. Representing colonial times, Miss Mary Jane Nicholson sang "Believe Me if All Those Endearing Young Charms," with Miss Betty Pack at the piano, and Sammie Wolfskill dressed as the Colonial mother with Mary Ann Schmidt dressed as the Colonial child.

Pioneer days were represented by Mrs. Fred Schmidt in long skirts and sunbonnet, with Juanita Elliott, Frank Todd, and Dickie Ragsdale as Idians. Then as Mrs. Klasner discussed the Last American Frontier, Virginia Nicholson and Malcolm Sanders entered dressed as cowboy and cowgirl. After the program was concluded, Mary Jane Nicholson sang "Carry Me Back to Ole Virginny" and those present joined in the song "America."

The hostess then served a delicious refreshment course to the members and two guests, Mrs. L.M. McKinney and Mrs. J. J. Niehoff.

Mr. and Mrs. J. A. Burrows of Silverton, have moved back to Slaton.

he lived until the time of his death. He was sixty-two years old. Several friends from Slaton attended his funeral.

DIZZINESS

relieved by Black-Draught
"I decided to take Thedford's Black-Draught, as I had been having bilious spells," writes Mr. Chas. E. Stevens, of Columbus, Ind. "When I got bilious, I feel sleepy and tired and do not feel like doing my work. I get awfully dizzy. I know then that I had better take something. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better—don't feel like I am dropping off to sleep every time I sit down; that, to me, is a very bad feeling. Now you can get Black-Draught in the form of a SYRUP, for CHILDREN."

Joint Shower For Mesdames Self

At an enjoyable affair last Tuesday afternoon, two brides, Mrs. Carl Self and Mrs. Clark Self, were given a surprise shower by friends, with Mesdames W. L. Davis and H. M. Cook acting as joint hostesses. The party occurred at the home of Mrs. Cook.

The house was beautifully decorated in pink and white mulline, as were the two bridal chairs in which the honorees were seated. Two flower girls, Lavinne Cooper and LaFren Turnbow, pinned corsages of pink and white roses on the brides.

Several games and contests were enjoyed, and each guest wrote her favorite recipe in a book provided for the purpose, and each guest hemmed a napkin for both brides.

The hostesses then served refreshments of fruit salad with whipped cream and angel food cake to about forty guests.

MRS. HIGHTOWER ENTERTAINED FOR NIECE

Miss Aubrey Swain, of Pittsburg, was honored at a two-table bridge party Thursday evening when her aunt, Mrs. J. A. Hightower entertained at her home on 10th Street.

Those enjoying the evening included: Misses Audrea Marriott, Maggie George, Jo Hestand, Hazel Mansker, Elizabeth Lanham, Mrs. Walter Tomlinson and the hostess.

CLASSIFIED ADS

Classified ad rate, 2c per word for each insertion, payable in advance.

The Slatonite can not accept advertising for this column over the telephone, as the rate does not justify the expense of bookkeeping and collecting.

When placing an ad in this column, leave instructions as to the number of issues in which the advertisement is to appear, remitting the regular rate of 2c per word for each issue.

This column has, on a number of occasions, proved justifiable to patrons, and the Slatonite feels justified in conducting it on a strict and fair business basis.

All classified advertisements not paid for at the time of going to press, will be omitted.

Customers will kindly comply with these rules and avoid embarrassment and disappointment.
