## City Secretary Elections Petitioned

### Group Requests Post Be Elective Instead Of Appointive In Future

Petitions bearing 458 names were presented to the City Commission Monday night, requesting the job of City Secretary be made an elective post instead of appointive.

The petitions, which have been in circulation here for several weeks, were presented by E. H. Bollinger and O. W. Brasfield.

The petitions were delivered Tuesday morning to City Attorney Claude Cravens for a recommendation on whether or not an election would have to be called and other legal aspects.

If the change is made, it would require a Charter Amendment Election since the Charter, as it exists, requires appointment of the City Secretary.

Cravens had not made his report to the Commission at press time yesterday but it is expected that his recommendations will be made known within the next few days.

Immediately after the bearing of the petition left, the Commission decided it would have to get legal recommendations before any steps were taken.

Next thing they did was to unanimously vote for a resolution which puts them on record as supporting the present City Secretary, J. J. Maxey, giving him a vote of confidence.

In addition to being opposed to a change because of their support of Maxey, they expressed opinions that the present appointive method provided more efficient service than would be provided through elections.

Proponents of the change feel that it would be fitting and proper and in the public interest.

In other activity Monday night, Water and Sewer Department Superintendent George Willis reported that two test holes had been drilled on the City's new Shafer tract and 21 inches of water sand was found in the southwest corner and 29 inches in the southeast corner of the tract. He felt it was possible that the wells could provide from 100 to 125 gallons per minute of water.

The commission decided to wait before drilling in that it is now too late to provide water from the wells for the summer season. It is likely that the wells will be drilled before next summer, however, the commissioners indicated.

Authorization to buy paint for painting the inside of the Police Station was given to Police Chief Eugene L. Martin at an estimated cost of \$50. The work will be done by trustees.

Commissioner Stokes reported a complaint he had received of numerous dogs without collars running loose west of the Park and on W. Lynn Street. Also, he had received complaints on the operation of go-karts in the area. Martin was to take care of the complaints.

City Secretary J. J. Maxey reported that Ray Kitten had expressed interest in selling water rights on his farm west of Slaton, to the City. Mayor Clark Self or a Commissioner will visit further with Kitten on the idea.

An offer of \$300 cash on terms for lots 5 and 6, South Park Addition, was approved by the group, the School District concurs. The lots were deeded to the City and School District to pay a tax debt.

Maxey was authorized to contact J. H. Chastain and Sons concerning repairs to paving on South 20th Street.

Bennett Reaves, of the firm Parkhill, Smith and Cooper of Lubbock, engineers, suggested two separate surveys of this city be made. One would be of the City's drainage facilities and would include suggestions as to ways to eliminate drainage problems. This study would cost in the neighborhood of \$500 to \$600.

The other survey would be of the City's water system, as to its methods of acquiring water, distributing it, location of pump stations, development of supply, etc. It would cost approximately \$2,000.

Decisions on both surveys were tabled and will be discussed at future meetings.

### Rites Are Held For Mrs. Duckett

Mrs. Mathilda Duckett, 83, a resident of Slaton since 1946, died in Mercy Hospital here about 6 p. m. Saturday following a long illness.

She formerly lived in Lynn County for 21 years before moving here.

Funeral services were held Monday at 4 p. m. in the Westview Baptist Church with the Rev. Bryan Ross officiating. He was assisted by Rev. Wayland Edwards, pastor of Southern Baptist Church in Lubbock and Rev. C. M. Fields, pastor of Westview. Interment was in Englewood Cemetery.

Survivors include five daughters, Mrs. W. C. Brush, Whitney; Mrs. Troy T. Edwards, Lubbock; Mrs. E. D. Robison, Mrs. R. E. Shewmake, and Mrs. Ray Odum, all of Slaton; four sons, Earl Duckett, Lubbock; H. L. Duckett, Tahoka; W. R. Duckett, O'Donnell; and L. L. Duckett, Abernathy; a sister, Mrs. Mary King, Gatesville, Tex.; and 23 grandchildren and 38 great grandchildren.

### Public Hearing Is Slated On School Budget

A Public Hearing on the budget for the 1960-61 School Term will be held at High School at 10 a. m. Monday, August 15.

The budget was presented to the school board at this month's meeting, last Monday night. Subject to some changes, the budget was to be studied by board members and then presented at the hearing next Monday.

### Red Cross Drive Nets \$271.61 Here

Melvin Kunkel, chairman of the Red Cross Fund Drive recently held here, reported this week that a total of \$271.61 had been contributed.

Though the campaign is over as far as worker solicitations are concerned, those wishing to make contributions can be mailing or bringing it to Southwestern Public Service Company, 145 W. Lubbock.

Contributions will be spent in Slaton only, for relief of victims of last month's rains.

### Santa Fe Men Give Program

E. O. Chaddock, trainmaster of the Santa Fe in Slaton, and a guest from Amarillo gave the program for the regular meeting of the Rotary Club, Thursday in the Slaton Club House.

The program was on the fast and efficient way of the freight service.

### Special Edition Due Sunday On Back-To-School

Watch your mail Sunday! A special edition of The Slatonite will be coming to you with valuable information about the starting of school and tons and tons of special back-to-school buys available in better Slaton stores.

You'll probably want to make Slaton your back-to-school shopping headquarters anyway, with the fine selection of merchandise, efficient service and fair prices available here, and this section can be a guide to specials in effect in various local stores.

We will also try to provide information as to enrollment, where your child will go to school, what will be required for enrollment for first-year students, etc.

That's a pretty fine deal, isn't it? And all at NO EXTRA COST to subscribers to The Slatonite. What's more, we'll bet you our surplus hair against the WHITES of your eyes you'll ENJOY reading it!

### Rites Are Held For Young Girl

Chapel rites were held Wednesday at 2:30 p. m. in the Williams Funeral Home Chapel for Rebecca Ann Neel, 20 month old daughter of Mr. and Mrs. Howard L. Neel of Little Rock, Arkansas. The child died suddenly.

The body arrived on the train Wednesday morning. Rev. H. E. Summar, pastor of the Bible Baptist Church officiated.

Mrs. Neel is the former Frances Bell of Slaton. A-2C Howard Neel has been stationed at Little Rock Air Force Base for 5 months. Before that he was stationed in Guam for 18 months.

Survivors include the parents; one brother, Dennis Wayne, 3; a maternal grandniece, Minnie Bell Jackson of Slaton; paternal grandparents, Mr. and Mrs. Price A. Neel of Lubbock; and a great grandmother, Mrs. Sudie Barnes of Lubbock.

ENDS REIGN AS MISS R.E.A.

Miss June Johnson, daughter of Mr. and Mrs. Melvin Thomas Johnson of Route 1, Slaton, is in Austin this week attending the Annual Membership Meeting of the Texas Electric Cooperatives, Inc. June is ending her reign as Miss Texas Rural Electrification and Thursday night will crown her successor. The beauty contest will be held at the Stephen F. Austin Hotel. She will be accompanied on this trip by her parents and her sister, Gail Johnson. June recently attended the Future Farmers of America Convention in Houston and presented the welcoming address from Texas Electric Cooperatives. June will enroll in North Texas State College at Denton in September as a freshman elementary education major.

### TURN ROW TACTICS

Mr. Jesse Brasfield, a successful truck farmer in these parts, reports that some of the farmers in this area are becoming very careless in the use of heavy farm equipment and some of the paved roads are suffering heavy damage as a result of the disregard of public property.

It is against the law to drive heavy equipment on the paved highways but the law is being disregarded quite often and has already caused some damage and will cause a great deal more if some controls are not put into effect said Mr. Brasfield. One of the most flagrant fractures of the law is that of making turn rows of the pavement, Mr. Brasfield commented, and he feels that the farmers who complain about heavy taxes should take better care of the public property which is costing every one so much in the way of increased tax dollars.

### CITY AND SCHOOL TAXES

With no detailed information to go on and lacking the energy to get them, the subject, for consideration this week, is perhaps somewhat on the shadowy side, but it is one that needs attention if it is not now under study by those who have been given the authority to do so.

It has been a long time since the tax structure both for the Slaton Independent schools and for the City of Slaton have been given the consideration that they deserve. Methods of doing business and the trend to make some parts of the business section of the town better and some worse should theoretically increase the value of some business property and decrease some that has been, in the past, better than it is today.

Many of the buildings on Texas Avenue are now occupied or are used for storage purposes and from all appearances will continue to deteriorate because the business sections of town have grown in other directions. The residential part of the East side of Slaton is not as popular as it was when the Santa Fe was more active in the town than it is today and the popular and newer homes are being constructed in the northern and western part of Slaton. Yet many property owners complain that there has been no reduction in taxes for many years on the property that has deteriorated both in location and in modern construction and upkeep.

The city of Lubbock recently took cognizance of conditions similar to these in Slaton only those of the larger city were of course more expensive. The Lubbock down town taxes were adjusted to rate more fitting to the times and the increase or decrease according to the present value of the property.

Whether such far reaching changes are under consideration for Slaton has not been recently publicized but if it is under consideration, then it is not a day too soon and if not it is high time the matter should be looked into sometimes make it worse."

## Committee Points To Amendments

Texas voters should look to the month of November 1960, as another time of decision for it is in this month which a General Election will be held, the Committee for Good Government, Austin feels.

At this time a new President will be elected. His running-mate, the Vice President, on the Democratic ticket will be a Texan. All other elective offices, both National and State, will likewise be voted upon.

The Committee says, there will be much pre-election campaigning and ballyhoo by both Democratic and Republican candidates. And, because of the publicity in the newspapers, and on radio and TV, interested voters will be afforded ample opportunity to study the various candidates and their respective platforms.

"At the same time Texans will again be called upon to amend their Constitution, but the four propositions which will be submitted for approval or rejection are not likely to attract as much attention as the candidates.

"Nevertheless, these amendments should be carefully studied by every voter, because each involves matters of finance even though the specific subject matter of the amendments is unrelated. The amendments will be headed as follows:

### "PROPOSED CONSTITUTION-

### AL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960."

"Amendment No. 1 would authorize the Legislature to create a Hospital District including Lamar and Hidalgo Counties, and County Commissioners' Precinct No. 4 of Comanche County.

"Amendment No. 2 would increase to three and one-half percent (3½%) the maximum permissible interest rate on bonds hereafter issued by the Veteran's Land Board.

"Amendment No. 3 would allow an annual salary for Members of the Legislature of not to exceed \$4800 per year, and a per diem allowance of not more than \$12.00 per day for the first 120 days only of each Regular Session would be limited to 140 days.

"Amendment No. 4 would give the Legislature authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest.

"Voters should study these amendments carefully, and watch their newspapers for further discussions of these amendments. Above all, plan now to vote!"

New Zealand was one of the first countries to fall in the battle of the sexes, New Zealand gave women the vote in 1893, 27 years before the U.S. granted woman suffrage.

### A Message from "Teague Drug"

#### HOW TO PREVENT POISONING

1. Keep all drugs, poisonous articles and household products away from reach of children.
2. Do not store any non-edible products on shelves used for storing food.
3. Keep all poisonous substances in their original containers. Do not transfer them to unlabeled containers.
4. When medicines are discarded, destroy them. Do not throw them away where they might be reached by children or pets.
5. When giving flavored or brightly colored medicine to children, always refer to it as medicine — never as candy.
6. Do not take or give any medicine in the dark.
7. Always read the labels before taking any medicines or using any household products. Before we dispense any prescription we check each ingredient at least three times. First, as we take it off the shelf, Second, when we take the medicine out of the container and Third, before we set the bottle down to use the contents. You should do the same before taking any medicine.

Fort Worth Has the Time  
Texans have a big time.  
They also have a big time.

Fact of the matter is, it's the world's largest. It's the clock that's atop the 30-story Continental Bank Building in Fort Worth.

Time is controlled by a micro-wave radio from the U. S. Observatory in Washington, D. C. The clock itself five stories high. It weighs 77 tons and that numerals are so large — 25 feet high and nine feet wide — that the clock can be read from a distance of five miles.

**Gonzales Honors Flag**  
A plaque commemorating the making of the first battle flag of Texas hangs on the walls of the museum at Gonzales, in South Texas, the town where the flag was made.

It was the first flag on which the now famous "lone star" was used.

This flag carried the words "Come and Take It" in answer to the Mexican Army's demand for return of the Gonzales cannon. The cannon has been given to the Texans by the Mexicans for defense against the Indians.

**Good Enough for Comstock**  
Springs that provide 116,000,000 gallons of water per day should be good enough for any body.

People in the Southwest Texas town of Comstock decided long ago that such spring were good enough for them, so they named them "Good Enough" for them, so they named them "Good Enough Springs."

The springs are located just south of Comstock, in Val Verde County, and their fine waters feed the Rio Grande River.

**Famous Tree Near Rockport**  
You won't believe it until you see it yourself.

It's the largest live oak tree in the world, and it's located by Goose Island State Park near Rockport, in Arkansas County, on the Gulf Coast.

This majestic symbol of the ages is more than 2,000 years old, having burst into life a hundred years before the birth of Christ.

From its majestic trunk, branches spread forth 118 feet to shade the approximate area of a city block.

**Famous San Antonio Fort**  
Teddy Roosevelt trained his famous Rough Riders in Texas in the same fort that housed such outstanding generals as Grant, Lee, Sheridan and Hood.

It's the 3,000 acre Fort Sam Houston, the greatest Army post in the United States. It is located within the confines of San Antonio.

Old "Fort Sam" dates back to the pre-Civil-War days and still is active today. Much of the old atmosphere remains.

It's a sight to see, whether you're interested in the activities of today or of yesterday.

When Sam was asked how he budgeted his income, he replied: "Oh, about 40 percent for food, 30 percent for shelter, 30 percent for clothing and 20 percent for a must have items and incidentals." "But, Sam, that makes 120 percent!" "Lord, don't I know it!" Sam agreed.

Don't boast about being brave until you have feared your way through the house at 2 a.m. and have a broom fall against the middle of your back.

Last year there were more auto accidents, more lawsuits and higher damages; since the invention of the motor car our advice to this problem is, keep your car in tip-top condition with top quality service such as found here, and DRIVE SAFELY. BE COURTEOUS AND LET THE PERSON LIFE TO ENJOY IT.

Here...  
you'll find a Faith  
to live by...

It's quiet inside. Quiet with the peace of centuries, for this is God's House.

Within these walls, the worries which loomed so large outside become less fearsome... for the first time perhaps you see them in their true perspective. If this alone were the reward of Faith, it would be enough. But there is more.

Faith is a source of strength, a reservoir of power that helps you meet the needs of every day. By worshiping with your family each week at your Church or Synagogue, you're giving them a measure of security no amount of money could buy. The Faith to hope... to grow... to live by.

Find the strength for your life...  
Worship together this week

SHERIFF'S SALE THE STATE OF TEXAS County of Lubbock NOTICE IS HEREBY GIVEN That by virtue of a certain execution issued out of the Honorable District Court of Fannin County, on the 1st day of June, 1960, by Lloyd Tarver, Clerk of said Court for the sum of Five Thousand Five Hundred Fifty-three and 79/100 (\$5553.79) Dollars and costs of suit, under a judgment, in favor of Hi-Yield Fertilizer Company in a certain cause in said Court, No. 18768 and styled Hi-Yield Fertilizer Company vs. Joe B. Schmalz, placed in my hands for service, I, Grady Harist as Sheriff of Lubbock County, Texas, did, on the 22nd day of July, 1960, levy on certain Real Estate situated in Lubbock County, Texas, described as follows, to-wit: Lots 23 and 24, Block 79, Original Town of Slaton, Texas, and levied upon as the property of Joe B. Schmalz and that on the first Tuesday in September 1960, the same being the 6th day of said month, at the Court House door of Lubbock County, in the City of Lubbock, Texas, between the hours of 10 a.m. and 4 p.m., by virtue of said levy and said execution I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Joe B. Schmalz.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Slaton Slatonite, a newspaper published in Lubbock County, Texas. Witness my hand, this 30th day of July 1960.

Grady Harist, Sheriff Lubbock County, Texas, By Verlie Shearer, Deputy, GH-3tc-43

CARD OF THANKS No matter how hard we try, we can find no words which we feel adequately express the sincere thanks and deep appreciation in our hearts toward all of you who helped during our recent bereavement.

To those who sent flowers and cards; to you who brought food; to the nurses and Sisters at Mercy Hospital for their kindness and consideration; to Dr. Glen Payne for his faithful care; to the ones who remembered us in prayer; to all of you, we extend our heartfelt thanks. May God bless each and every one of you.

The family of Mrs. G. M. Duckett.

CARD OF THANKS We wish to thank all our friends and the hospital staff for the kindness shown during my illness and stay in Mercy Hospital, and especially thank the Gordon Church of Christ for the beautiful flowers.

May God Bless Everyone, Mr. and Mrs. J. W. Kuykendall and family.

CARD OF THANKS We desire to express to our kind neighbors and thoughtful friends our heartfelt thanks for their many expressions of sympathy. The beautiful floral arrangements were especially appreciated.

Mr. and Mrs. J. A. Smith.

**JUST TALK**

BY A. M. J.

For a long time I have considered myself a muddling fair amateur gardener and flower fancier. I have dished out advice that to do in case a few aphids should get to nibbling around the yard. It was with a feeling of equal along these lines that my wife and I were invited to inspect the efforts of Mrs. W. T. Barry one evening last week when we were stumbling along on our regular late evening walk. She lives at 225 So. 11th St.

My pride and dignity have suffered severe setbacks and I am now ready to take a seat way in the back when it comes to being a flower grower or gardener of any kind. Mrs. Barry has more flowers and more varieties of flowers in a limited space than any one I have ever known. Her front yard demonstrates very well what can be done but for real action you should see her back yard. Packed solid with colors and

landscaped to perfection without a weed to be found anywhere. And let me tell you she has flowers growing in the shade that all the books say will not grow there and some growing in the sun that most authorities say will prosper only in shady places.

Mrs. Barry does all the work of cultivating and weeding herself and had done so for years and she stands as straight as a goal post while I hire all the real work done at our house. The weeds on our plot grow six inches every night and the flowers wilt and droop and I buy more and more seeds and shrubs. It is about all I can do to squirt a little water on my aggregation and I lean heavily to the South and droop most of the time like the last rose of summer. If you want to know how to get rid of aphids don't waste your time asking me -- go to Mrs. Barry, she has all the answers.

Most every summer I get the uncontrolled desire to paint something and this year the victim of my passion was a gate to our backyard that had just about gone bankrupt. It was a faded red with sagging hinges and disjointed corners and although I had paid little attention to it until my desire to wild a bush, the gate suddenly seemed as prominent as a boil on my nose.

Yielding to temptation I rushed down and brought a can of

brown paint for two bucks, a paint brush for ninety cents and some new hinges for seventy cents and two bits worth of nails and arming myself with a hammer that comes off the handle every fifth blow I went at the job with vim, vigor and determination.

Three days later the gate, part of the garage and one end of the house are partially brown and the gate sags up where it used to sag down and its color is a deep rich brown that any home owner should be proud of. One of my best shirts is speckled brown along with its original color of blue and white checks and my total bill will run somewhere into the lower thirties or higher forties and I hope the dirty color will eventually wear off from under my finger nails. My wife says she dreads to see this season of the year come, but when one feels the spirit to paint one should bend ones back and rush to the defense of duty. And defy wives.

What has become of the fruits and vegetables that used to overflow the markets at this time of the year. Who ever sees a cantaloupe for a nickel, a watermelon for a dime, peaches or fresh corn by the bushel?

Most everything is sold by the pound and regardless of how much fresher local fruit or vegetables are the only kind available in the stores is shipped in from California. Either some friends gives you such things

Perhaps you will not get down in the flour and roll with laughter at the following but you may get a drippy grin out of it.

"A Suburban mother of our acquaintance, who is no more and no less involved in civic matters than, say, the next suburban mother, received a handsome, hand-decorated birthday card from her seven-year-old daughter bearing the following handwritten greeting: "I love you Mother dear, because you are so sweet, good, kind, nice, loving, and important."

Many agencies site Texas' growing population as justification for expansion. They say, in effect, that they are in the same position as the housewife who has to put another potato in the pot to set another place at the table.

Others seek to woo state funds with a "bread cast upon the waters" approach. They contend that money spent on developing the state's resources will come back multiplied in the form of increased state revenue.

Almost all emphasize the difficulties of luring and holding highly trained personnel at present state salaries. Some say, too, that they've been working with a too short stick for years and need some "keep up with the times" improvements.

Budget proposals are presently being studied by the Legis-

lative Budget Board and the Governor's budget staff. Each will make recommendations, and the final decision will be made next year by the Legislature.

With a money-short, tax-fighting session ahead, it won't be easy for anyone.

These budget requests have been added to those already under study.

**STATE PARKS** — An investment in state parks is an investment in the Texas tourist industry and a potentially rich source of additional funds for the state treasury.

This is the theme of the State Parks Board in asking for a \$2,000,000 appropriation for the next two years. This is almost double the present spending level.

Of this million-dollar-a-year appropriation, the Board proposes to use \$700,000 a year for improvements, \$300,000 a year for administration.

Texas, says parks director Bill Collins, spends less on its state parks than Rhode Island. He cited figures showing that Texas would get \$81,000,000 a year more in tax revenue if each out-of-state visitor stayed in the state one more day.

**GENERAL LAND OFFICE** — A bigger budget is asked by the General Land Office and Veterans Land Board to assure the state's realizing full value from the resources of state-owned

lands. A two-year budget of \$3,042,339 is asked.

Land Office noted the state now has clear title to 8,000 square miles of tidelands. It wants to employ three oil scouts and a geological director to explore the development of the tidelands' mineral resources.

Altogether, 29 new land office employees are being asked.

Land Office claims that for every dollar it has spent in the past 22 years, \$90.18 has been returned to the state treasury in revenue.

**AGRICULTURE** — Complexities of increasingly scientific farming put greater demands on the State Department of Agriculture, says Commissioner John C. White.

His "sink or swim" budget request is for \$3,061,421 for the coming two-year period. This compares with a \$1,930,966 appropriation for the present period.

White said the "chemical revolution" in agriculture today his department. He also asked for more equipment and more salaries for personnel to check weights and measures.

**HIGHWAYS** — State Highway Department is asking for a two-year allocation of \$698,600,000. Of this, \$48,300,000 would be for the 1961-62 period; \$350,300,000 for the 1962-63 period. This compares with \$337,000,000 spent by the Highway Department in 1959.

Most of the highway revenue comes from special earmarked sources, such as the gasoline tax, license fees, etc. Department is asking \$600,000 from the general revenue fund to be used for tourist advertising.

**GAME AND FISH** — Game and Fish Commission is asking for what it calls a "status quo" budget, expect for salary raises for some of its top technical personnel.

\$12,034,945 for the coming two-year period compared to \$11,593,651 for the present biennium.

Executive Director Howard Dodgen declared the commission's top echelon employees are "grossly underpaid" for highly trained persons, some with master's degrees.

**STATE COLLEGES** — Three colleges, East Texas State, Stephen F. Austin State and Sam Houston State Teachers College, have told the Commission on Higher Education they need more money.

Expected enrollment increases, need for higher faculty salaries and need to lower the student-teacher ratio were cited as reasons for the requests.

East Texas is asking \$2,446,555 for the first year, \$2,547,125 for the second year, \$2,547,125 for the third year. This compares with a present annual budget of \$1,676,424.

Stephen F. Austin asks \$2,063,719 the first year, \$2,048,603 the second compared to the present \$1,244,370 a year.

Sam Houston wants \$2,970,261 the first year, \$2,922,190 the second. Present annual spending is \$2,040,677.

These requests, along with all those from state-supported colleges and universities, will be studied and screened by the Higher Education Commission before a recommendation is presented to legislative and executive budget officials.

**WHERE TO GET IT** With new spending requests piling up, the search for new money-making plans is sanging far and wide.

Poor broad-based tax plans are being considered by tax hunting sub-committee of the Governor's State Finance Advisory Commission.

They are: (1) a payroll tax, paid half by employers, half by employees, (2) a utilities customers tax adding a percentage to all utility bills, (3) a business activities tax which would combine some of the features of payroll, gross receipts and corporate income taxes and (4) a transfer which would be similar to a sales tax.

Other ideas suggested to the panel include higher taxes on liquor and beer, sales tax on soft drinks and restaurant meals and a tax on sporting events.

Theme of the 17th annual National Farm Safety Week is "Enjoy Farm Life—Practice Safety."

## Cotton Insect Report

The dry, hot weather during the past week has resulted in excellent growth and fruiting in irrigated cotton, while some dry land plantings have begun to suffer from lack of sufficient moisture. The majority of the dryland cotton in the sandy areas where rains were heavier this season are not burning noticeably.

Thrips populations continue to be of no importance in cotton over the area.

Fleahoppers continue to cause heavy damage in younger cotton and plantings which have not fruited well earlier. Heavy fleahopper infestations were reported in Howard, Lubbock, Childress, Glasscock, Crosby, and Motley counties. Medium infestations were found in parts of Dawson, Lubbock, Garza, Hockley, Knox, Mitchell, Tom Green, Lamb, Runtels, Floyd, Crosby, and Lynn counties. Due to the stage of growth and fruiting of much of the cotton in this area, population numbers alone do not generally give us enough information to

determine whether to control the insect or not. A knowledge of both population numbers and the amount of damage resulting is needed to make the decision on whether to control or not. Cotton which is well fruited at this time of the season can stand much larger fleahopper populations than earlier in the season. A thumb-rule which is often used in checking cotton is to check the terminal growth for dead squares. If the plant is holding 3 or more every 4 forms produced, damage is considered very light. The combination of damage, population numbers, and consistency of damage, population numbers and condition of the plant (growth and fruiting) will give the needed information to determine if control measures are required.

dential election campaign, with one hair-raising difference...women were about to cast their vote for the first time on a nationwide scale.

Harassed men of politics had let down their guard and regardless of whether women might become desexed or turn politics into a morality play, as opponents of feminism charged, they were going to have their say.

It wasn't the first time women had voted, however, reports World Book Encyclopedia. Congress had left the decision to the states and New Jersey at first permitted its women to vote. But the men had second

thoughts and the states took back the privilege in 1807. As women joined the labor force in the new factories, and began to help men fight for temperance and the abolition of slavery, they gained a forum to air their pet peeve.

A meeting at Seneca Falls, N. Y., which has been called the first woman suffrage convention in the U.S., stirred public —discussion in 1848.

Two years later reformers, male and female, from the entire country assembled at Worcester, Mass., as the Woman's Rights Convention.

The crusade was in full swing when the adoption of the Fifteenth Amendment divided the forces of reform.

The radicals, led by Susan B. Anthony and Elizabeth Cady Stanton, opposed the amendment because it gave the vote to Negro men but not to women. They organized the National Woman Suffrage Association.

A more moderate group founded the American Woman Suffrage Association and concentrated on persuading the states rather than the federal government to grant voting rights to women.

In 1872 the determined Miss Anthony was arrested for voting and her trial focused wide attention on the feminist fight.

Several states granted woman suffrage in the 1890's and others began to take the idea more seriously. At the same time, the suffragists reunited in the National American Woman Suffrage Association and prepared for the big push.

Their chance came with World War I and the expanding role of women.

Militant womanhood descended on Washington, D. C. They paraded through the capital, picketed the White House and carried on hunger strikes in jail.

In 1917 a woman suffrage amendment to the Constitution was submitted to the House of Representatives. The pressure was stepped up and in 1918 Woodrow Wilson personally went before a joint session of congress to urge passage.

Congress took action and the last of the necessary three-fourths of the states approved the Nineteenth Amendment in August, 1920, just in time for the presidential election.

Accidents to farm residents claim more than 11,300 victims and injure about 950,000 persons annually, according to the National Safety Council.

## Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 39 proposing an amendment to Article IX of the Constitution of the State of Texas by adding thereto new Sections to be known as Sections 6, 7, and 8, to provide that the Legislature may authorize the creation of Hospital Districts co-extensive with Lamar County, Hidalgo County, and County Commissioners Precinct No. 4 of Comanche County, having certain stated powers and duties and subject to certain stated limitations, providing that any enabling Acts shall not be invalid because of their anticipatory character; providing for the form of ballot and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same is hereby amended by adding the following Sections which shall read as follows:

"Section 6. The Legislature may by law authorize the creation of a Hospital District co-extensive with Lamar County, Hidalgo County, and County Commissioners Precinct No. 4 of Comanche County, except that the said Lamar County Hospital District may be authorized to levy shall be a tax not to exceed one cent (1c) per One Hundred Dollar (\$100) valuation of taxable property within the District, subject to district taxation.

"Section 7. The Legislature may by law authorize the creation of a Hospital District co-extensive with Hidalgo County, having the powers and duties and with the limitations presently provided in Article IX, Section 6(a), of the Constitution of Texas, as it applies to Hidalgo County, except that the maximum rate of tax that the said Hidalgo County Hospital District may be authorized to levy shall be ten cents (10c) per One Hundred Dollar (\$100) valuation of taxable property within the District subject to district taxation.

"Section 8. The Legislature may by law authorize the creation of a Hospital District co-extensive with the limits of County Commissioners Precinct No. 4 of Comanche County, Texas.

"If such District is created, it may be authorized to levy a tax not to exceed seventy-five cents (75c) on the One Hundred Dollar (\$100) valuation of taxable property within the District; provided, however, no tax may be levied until approved by a majority vote of the participating voters who have duly rendered their property for taxation; the maximum rate of tax may be changed at subsequent elections so long as obligations are not incurred and do not exceed the maximum limit of seventy-five cents (75c) per One Hundred Dollar (\$100) valuation; and no election shall be required by subsequent changes in the boundaries of the Commissioners Precinct

No. 4 of Comanche County. "If such tax is authorized, no political subdivision or municipality within or outside the same boundaries as the District may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the District shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the District to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said seventy-five cent (75c) tax. The Legislature shall provide for transfer of title to properties to the District.

"(b) The Legislature may by law permit the County of Comanche to render financial aid to that District by paying a part of the expenses operating and maintaining the system and the levy of a tax not to exceed ten cents (10c) per One Hundred Dollar (\$100) valuation in addition to other taxes permitted by this Constitution upon all property within the County but without the County Commissioners Precinct No. 4 of Comanche County at the time such levy is made for such purposes. No. 4 of Comanche County. The District shall by resolution assume the responsibilities, obligations, and liabilities to the extent hereinafore provided for political subdivisions having boundaries with Hidalgo County, and the County shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the County.

"(c) Should the Legislature enact enabling laws in anticipation of the Act of this amendment, such Acts shall not be invalid because of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at the general election to be held on the first Monday in November, 1960, at which election all ballots shall have printed thereon:

"FOR THE Constitutional Amendment authorizing the Legislature to create Hospital Districts co-extensive with Lamar and Hidalgo Counties, and co-extensive with County Commissioners Precinct No. 4 of Comanche County."

"AGAINST the Constitutional Amendment authorizing the Legislature to create a Hospital District co-extensive with Lamar and Hidalgo Counties, and co-extensive with County Commissioners Precinct No. 4 of Comanche County."

Sec. 3. The Governor shall issue the necessary proclamation for said election, and have the same published as required by the Constitution and law of this State.

## Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

SENATE JOINT RESOLUTION NO. 6 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas, increasing to three and one-half percent (3-1/2%) the maximum permissible interest rate on bonds hereafter issued by the Veterans' Land Board; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended by adding thereto the following:

"The foregoing notwithstanding, bonds hereafter issued by the Veterans' Land Board pursuant to the authority of this Section 49-b of the Constitution may bear a rate of rates of interest not to exceed three and one-half percent (3-1/2%) per annum."

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the State of Texas on the first

Tuesday after the first Monday in November, 1960, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas by adding thereto a provision authorizing the Veterans' Land Board to issue the bonds authorized under such Section to bear interest at a rate or rates not to exceed three and one-half percent (3-1/2%) per annum."

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas by adding thereto a provision authorizing the Veterans' Land Board to issue the bonds authorized under such Section to bear interest at a rate or rates not to exceed three and one-half percent (3-1/2%) per annum."

If it appears from the returns of said election that a majority of the voters cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of the state.

Why "take chances" with a \$1,500 investment?

This load of groceries is just one of the 52 or more carts full which the average family buys each year to the tune of about \$1,500.

An expenditure of this size merits mighty careful treatment when it comes to converting it into the family's meals.

So why risk cooking failures? A completely automatic, "kitchen-engineered" GAS Range—free standing or built-in—is your best assurance of consistent cooking success.

It's true! Every head of lettuce is crisper — every carrot is crunchier — every lemon juicier — every tomato a little plumper and tastier. The reason for this is careful Piggly Wiggly buying, and even more careful transporting. Produce comes to you daily in refrigerated vans. The only way it could be fresher is if it hadn't been picked. What's more, nobody, but nobody, sells fine produce at a lower price!

## Vicki Kirksey Is Shower Honoree

Tuesday evening, August 2, Miss Vicki Kirksey, bride-elect of Jerry Allen, was honored with a miscellaneous shower in the home of Mrs. T. E. McClanahan.

Guests were greeted by Mrs. McClanahan and presented to the receiving line composed of the honoree; her mother, Mrs. C. C. Kirksey; mother of the prospective bridegroom, Mrs. Terrell Allen; the honored couple's sisters, Misses Judy Allen and Peggy Kirksey.

Mrs. L. A. Reasoner and Misses Sandra Wells presided at the tea table which was laid with a white drawn-work linen cloth. To carry out the bride's chosen colors, an arrangement of small orchid mums, seafoam and silvered leather leaf placed in an operegne was flanked by low candlesticks surrounded by orchid mums. White candles completed the arrangement. Crystal and silver appointments were used.

Miss Kathy Smith registered guests with Mrs. M. H. Lasater bidding guests goodnight and giving each one a special invitation to the wedding on Aug. 26 at 8 p. m.

The hostess gift was linens and silver. The hostesses were Mesdames Leon C. Vaughn, M. B. Ford, Milton Hancock, C. A. Wells, Wayne Liles, Truett Bownds, Bert Lamb, Aubrey McNeely, McClanahan, Lasater, Robert E. Lee, C. E. McCoy, Edwin Haddock, Bill Alspaugh, Lee Peebles, J. J. Maxey, Wayne Smith, Reasoner, Roy Wyatt, C. L. Heaton, and Misses Mary Jane Lovelady and Louise Moore.

MRS. CURTIS BRUEDIGAM nee Kay Kuxkemper

## Kay Ella Buxkemper And Curtis Bruedigam Marry

St. Joseph's Church was the scene of the marriage of Kay Ella Buxkemper and Curtis Bruedigam, Saturday, August 6, at 4 p. m. The double ring ceremony was performed by Monsignor T. D. O'Brien before the altar flanked by white mums. Mrs. Bruedigam is the

daughter of Mr. and Mrs. Oscar Buxkemper of Slaton and Mr. Bruedigam is the son of Mrs. Pearl Bruedigam and the late Manuel Bruedigam of Wilson.

The bride, given in marriage by her father, wore a gown of white Alecon lace and cloud mist taffeta was fashioned with a scoop neckline, fitted bodice and bouffant skirt. The bodice was enhanced with tiny seed pearls and iridescent sequins. Garlands of lace encircled the back of the skirt and cascaded down the wide cathedral train.

Her silk Illuston veil fell from a French cap of orange blossoms and pearls. She wore short white leather gloves. Asters covered the background of her star-shaped bouquet centered with a white orchid and pearl rosary. Stephanotis were placed in the chain of the rosary.

Mrs. Mary Lee Bruedigam, sister of the bride, was matron of honor. Bridesmaids were Mrs. Linda Mae Kitten, De Etta Buxkemper, sisters of the bride, Eunice Lee Buxkemper and Dolores Heinrich, cousins of the bride. Their dresses were identical of orchid brocade taffeta. The dresses were fashioned with full gathered skirts and large bell sleeves.

Their headpieces of white illusion was centered with purple velvet ribbon. They wore short white gloves and carried a star-shaped design bouquet which was composed of orchid asters.

Miss Carolyn Cordell, cousin of the bride, and Debbie Montgomery, niece of the groom, were flower girls.

Dwayne Buxkemper, brother of the bride, was the ring bearer. Mr. Eugene Bruedigam, brother of the groom, served as best man.

The groomsmen were Henry Kitten, Freddie Melcher, Joe Schilling, and Leonard Dube.

## Sue Reasoner Attends Convention

Sue Reasoner, chairman of study to the West Texas District II, and a member of the First Christian Church, has just returned from the State Christian Youth Convention.

She attended the State Planning Conference prior to the convention where plans and goals for all youth belonging to the "Disciples of Christ" brotherhood in Texas were projected.

The theme of the convention was "Christ or Chaos." About

Jerry Melcher and Eugene Heinrich were the ushers.

Miss Shirley Kay Kitten accompanied the choir on the organ. Mrs. D. J. Hlavaty sang a solo entitled "Mother At Your Feet Is Kneeling."

The reception was held in St. Joseph's Catholic Hall following the ceremony.

A star-shaped wedding cake and gladiolas centered the bridal table.

Mrs. Bruedigam wore a blue gray suit with blue and white accessories and an orchid corsage for a honeymoon trip to Ruidoso, New Mexico.

The couple will live at Wilson where he is engaged in farming. Mrs. Bruedigam is a graduate of Slaton High School, attended Draughon's Business College and is presently employed as a Steno-Clerk at the Santa Fe Office, Slaton. Mr. Bruedigam is a graduate of Wilson High School.

1400 youth from all over Texas attended searchathans, discussion groups, drama, general sessions, banquets, and a closing sunrise "Communion Service" in the Ed Landrett Auditorium on Saturday, August 6.

Sue said that is was the most

inspiring convention ever attended. Most things can be expected 1400 young people, including Miss Reasoner.

**J. B. Butlers To Celebrate  
 Golden Wedding Anniversary**

The children of Mr. and Mrs. John B. Butler will honor their parents for the celebration of their Golden Wedding Anniversary, Sunday, August 14, from three to five in the County Club House, 750 W. Garza. Everyone is invited to come and say hello. Being neighbors Mr. and

Mrs. Butler were both born in Callahan County. In 1897 the Butler family moved to Anson, Texas, in Jones County. Mrs. Butler was the daughter of the late Mr. and Mrs. J. R. Blunt. The Blums went west in 1900, settling in Stonewall County.

Most of the move in covered wagon was remembered by Mrs. Butler. The chickens, ducks and dog went along as well as the herd of cattle, which the older girls herded on horseback.

The highlight in Mr. Butler's life is the time he helped move a printing press for Frank White to Crosbyton, Texas, in the year 1908 using his brother's wagon and horses.

Mr. Butler was a natural cowhand. He worked on ranches from a youth, until he married. He then bought cattle.

John B. Butler and Ethel Blum were married August 13, 1910 in Anson in the First Baptist Church Parsonage by Reverend J. H. Edmondson, who was pastor of the church at that time.

The first home of Mr. and Mrs. Butler owned was a small farm and ranch, 4 1/2 miles south of Aspermont, Texas.

On January 1, 1920 they moved to Post, Texas, where they bought a farm and small ranch, 6 miles north of Post.

The Butlers moved to Slaton in 1935. They established the Butler Monument Works in 1943. It was the first shop on the South Plains, which made monuments from the ground up.

Mr. and Mrs. Butler are both members of the First Baptist Church in Slaton and of the Eastern Star 585. Mr. Butler is the past master of the Masonic Lodge 1094.

The Butlers have five children, nine grandchildren, and one great grandchild. The children are Mrs. J. E. Vannoy, Slaton, Mrs. D. T. Reed, Hereford, J. B. Butler Jr., Cactus, S. G. (Shug) Cactus and Billy Butler, Lamesa.

**Aid Society Has Meeting**

The Ladies' Aid Society of Immanuel Lutheran Church of Posey met at the educational building on Thursday afternoon, August 4, with Mrs. James Talley as hostess. Ten members were present. Various individuals led in prayer and Rev. F. A. Wittig led in the Bible Study which was based on the Gospel of Mark 13:1-37. Mrs. Margaret Johnson read a letter from the Children's Home in Waverly, Iowa telling about certain problem children and the success that they have been having since various individuals are making this a matter of prayer.

### McCoy, Hadley Exchange Vows

Betty Jean McCoy and Gaylord Hadley, formerly of Albuquerque, N. M., were married August 1 at Westview Baptist Church with the Rev. C. M. Fields officiating. The bride wore a white street length dress, white accessories and carried a white Bible. Mrs. David Lynch, aunt of the bride, was matron of honor. David Lynch was best man. Also attending was Judy Jones, cousin of the bride. A reception in the home of the bride's parents in Lubbock was held following the ceremony. After a trip to Iowa the couple will be at home in Florida where the groom is stationed with the U. S. Navy.

### JUNIOR SENIOR GIRLS

Continued From Page One  
second program planning session Tuesday afternoon, August 9 with president, Harriet Perkins in charge.

A meeting of all junior and senior high school girls has been called for Thursday afternoon at 8 p.m. in the homemaking department. The purpose of the meeting is to allow junior and senior girls to make their choices of times and programs on which they want to work during the coming year and to discuss a civic and money-making project. It is urged that every girl attend this meeting.

All incoming freshmen and sophomores girls are asked to meet at the homemaking department next Monday afternoon, August 15, at 3 p.m., according to Harriet Perkins, chapter president. It is the opportunity for all girls to make their choices and to speed up all of the program planning for the incoming year.

The Little Sister FHA Officers will be elected during the second week of September. There will be no informal initiation, but the formal initiation and installation of officers will be held on Monday night, September 19, at 7:30 p.m. in the high school auditorium.
