Carson Commissioners Begin Reviewing Budget Figures For 1993-94

The Carson County Commissioners met last week in their regular monthly meeting. All members were present.

Judge Roselius informed the court of the proposed installation of "safety arms" on the railroad crossing at road "W" and highway 60 and road "G" and highway 60. "The installation would be in the future and funded by the State and Federal governments."

Commissioner Smith informed the court of his intention to seal-coat .04 of a mile of asphalt road in the west portion of Prec. #2.

Dwight Brandt of Brandt Engineering, Amarillo, Texas, discussed bid specifications for debris removal caused by tornadoes in June, '92. Carson County will advertise for bids and hopefully take action on the bids July 28, '93, at 10:00 a.m., Carson County courthouse.

The court approved the release of two safekeeping receipts pledged by the First National Bank of Panhandle.

The recent P.I.L.T. meeting held in Washington, D.C. was discussed. It was pointed out that the Nuclear Communities Working Group met with Department of Energy officials to exchange information concerning a solution to compensate counties which have a D.O.E. facility located within their boundaries. It was also pointed out that due to the environmental clean-up of former Ordinance Plant facilities, Ordinance could be detonated at the former Pantex site located west of Panhandle on D.O.E. property. "Mr. Russell Holeman of the United States Army Corps of Engineers has been notified by the County Judge's office to inform officials before detonation begins if it is to be disposed of in this manner."

The court reviewed preliminary 1993-94 budget figures from the various offices, and the certified county wide values for '93-'94. Certified property values are \$517,533,461.00

Carson Co. Sheriff's Report

By Loren Brand, Sheriff
Our department assisted area agencies in an early morning search for an escapee from the Potter County Correctional Facility on Monday. We are also investigating the theft of a 1990 Chevrolet pickup from an area on west Highway 60. It is unknown at this time if the stolen pickup is related to the escapee from Potter County, but we are pursuing all leads in the matter. The pickup has been recovered and returned to the owner.

The Carson County Sheriff's Department is currently investigating a sexual assault which was reported in Carson County and we will be turning our information over to the District Attorney's Office for review and prosecution.

The Sheriff's Department responded to two reports of Domestic Violence and assisted the Panhandle EMS at a report of a man down at a residence in Panhandle. Our department received several reports of potential drunk drivers on I-40 and U.S. 60. We received a call this past weekend from a person reporting two

females driving from Stinnett south on Highway 207. The females were reported to be intoxicated. Further investigation showed that the caller was probably the husband of one of the females and that the call was most likely in retaliation for earlier Family Violence charges pressed by the wife. We are currently investigating the matter to see if charges can be filed for filing a False Police Report.

Our department assisted the Texas Highway Patrol at the scene of a truck fire on Interstate 40 which resulted in the collision of two vehicles. A milk truck from Amarillo caught fire on the Interstate and two passenger vehicles collided when one driver apparently failed to notice that all other traffic had stopped.

The Sheriff's Department was called to a truck stop on Interstate 40 to investigate the presence of 25-30 persons travelling in a Winnebago. Further investigation showed that the group is suspected of being a multi-state theft ring which hits truck stops/convenience stores and

shopping malls. The main subject had a lengthy record of arrests but no current warrants, so the "group" was advised to return to the Winnebago and continue their journey. In a small jurisdiction such as ours, officers are normally faced with the need to handle calls on their own without the benefit of close back-up support. While I have never been one to comment generously on the appearance of Panhandle Police Chief Ken Rogers, I must admit that I have never found him to look more lovely than when he appears while I am confronting 25-30 suspected California thieves in a Winnebago.

A weapon stolen in a Carson County burglary was recovered during a raid in Amarillo by drug investigators. Also recovered was another weapon which had been stolen from Borger and over \$40,000.00 in cash in the attic of the home. The suspect is a Mexican national who refuses to give information on where the weapons and cash were obtained.

Zoah Britten's Granddaughter Places 2nd At National

Jennifer Haning, the daughter of Buster and Debbie Haning of Wheeler returned Friday, July 9th, from San Diego, California, where she competed in the American Trampoline and Tumbling National Gymnastic Championships. She competed against approximately 60 girls, from all over the United States, placed 9th in tumbling, 2nd in trampoline, and brought home the gold medal in double-mini trampoline. This is the last competition for Jennifer for this year.

While in California, the Hanings visited Disneyland, Sea World and the beach, with Disneyland ranking #1 in excitement for Jennifer and Jarrod, and the gymnastic competition holding 1st place in excitement for Mom and Dad.

Plays In All-Star Game

Corkey Hickey, Karen Babcock, and Matt Fields recently played in the Six Man Coaches Association All Stars Games in Wichita Falls, Texas. They played for the West teams.

The West teams won the football and the boys basketball games. The East

team won the girls basketball game.

Coach Jay Lamb coached for the West basketball game.

Corbins Hold Family Reunion

By Bob Corbin
July 11, 1993, was a beautiful day for the Corbin Reunion, everyone meeting at "The Shady Acres R.V. Campground", located on Old 66, just east of McLean, Texas.

Tables were covered in different colors placed in the shade of beautiful old trees. There was a playground close by for the little ones, a swimming pool for all that cared to use it, and many did.

The pot lunch was spread with so much good food, (with no calories, sugar, or fats). Stan Corbin returned "Thanks" for the food, everyone dug in, ate too much, visited, and took pictures. Soon it was time for each to journey back to their homes, taking back with them a day of love, sharing, and thanking God for another day for us to gather together once again.

Those attending were: Jim and Pauline Corbin, Amarillo; Jerry and Brian

Corbin, Amarillo; Elizabeth Collins, Albuquerque, New Mexico; Jessie Corbin, Amarillo; Veola Holt, McLean; John Holt, Canadian; Jim and Jeannie Bennett, Cindy Rhoades, Chuck, Arpil, and Corbin; Stan Corbin; Shelly Burnett; Jordan and Donna Mills; all of Dumas; Bob and Frances Corbin, Groom; Mike, Lorrie, Scott, and Jason Milam from San Antonio; friends, Deon Brooks, Dumas; Ken Davis, McLean and daughter Pam and husband, Wayne Ackins, Amarillo.

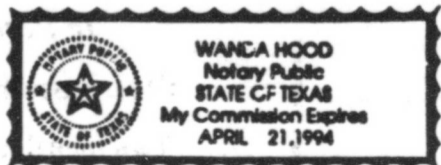

I haven't forgotten Troy and Jerry Corbin were there too and we would like to give to them a special "Thank You," for a lovely place to meet each year, and a "Thank You" to Jim and Pauline Corbin for putting it all together. A special "Thank You" to all of you for making Bob and Frances's 47 year Anniversary very special.

L.E.P.C Hears Plan

Carson County and an office in Skellytown. Some points reviewed were pre-emergency planning and coordination with outside agencies, emergency response for uncontrolled releases of liquified petroleum gases, emergency alerting and response procedures, employee alarm systems, emergency recognition and prevention, site security and control, personal protective equipment and emergency equipment, decontamination and emergency medical treatment. A booklet was prepared for each of the L.E.P.C. members by Mid-American Pipeline Company

for pipeline emergency procedures for public emergency response agencies. Wilson asks for L.E.P.C.'s approval of their plan at the next meeting.

Judge Roselius suggested emergency exercises for the L.E.P.C. whereas some are required by the state. One exercise possibly being train wrecks.

The next meeting of the Carson County L.E.P.C. is scheduled for October, 1993. The public is invited to attend and any suggestions for the L.E.P.C. or concerns one may have in this area should contact one of its members so that the concern can be studied.

McLean School Board Searches To Fill Five Teacher Vacancies

The McLean School Board met in regular session last week.

Two teacher vacancies were filled as the board hired Janet Glass as an elementary teacher. The board also offered a contract to Sam Browning to serve as social studies teacher for high school.

The board accepted the resignation of Kristi Crockett, Chapter I Reading teacher, and Mary Bybee, cafeteria cook for the last twenty years. The board plans to advertise to fill the vacancy left by Bybee.

In other business, the board approved a new contract with MD Physicians Insurance Company to provide the employee's

health insurance policies. The district is expecting a \$16 per month increase on the 40 full time employees making their monthly premium \$128.79 per employee beginning September 1.

The board approved a \$1,000.00 bid from Locklear Roofing of Hollis, Oklahoma for repairs to the roof of the business office.

The board will apply to the U.S. Department of Justice to approve plans to install a polling place at the former Alanreed School.

They delayed a vote on the proposed sale or purchase of a school bus to allow further study and a recommendation from Stanley Lamb.

The McLean Schools were disappointed to receive two more teacher resignations this past week. The school received resignations from Connie Guthrie and Belinda Masters. Mrs. Guthrie has accepted a position with the Canyon ISD and Mrs. Masters will work in the Wheeler Schools.

Previously, resignations were submitted by Cynthia Howard, the sixth grade teacher and Kristi Crockett, the chapter one teacher. Of course, the untimely death of Chuck Hill created a vacancy in the school's social studies department.

The school is accepting applications for all of these vacant positions.

Puppets A Big Hit At Lovett Library

Martha Parker reads to a very attentive group of youngsters in this week's storytime at the Lovett Memorial Library.

The Lovett Memorial Library was the scene of much excitement as sixteen children gathered round to hear story of "The Big Fat Worm". Puppets were used to illustrate the adventure.

Karen Brass was the main storyteller. She was assisted by Valerie Joiner, Jessica Fish, and Alisha Harden. Martha Parker acted as hostess.

Those attending were Jeffery Lee, Justin Lee, Slade Terry, Shelby Terry, Travis Fish, Michael Doniz, Terrence Fite, Skyler Ferguson, Erin Bailey, Nicholas Odom, Kristen Odom, Zachary Odom, Blakeney Terry, Drew Barker, Chrissy Ferguson and Lisa Ferguson.

Casper Smith's Team Wins Golf Scramble

On Saturday, July 17, an excited group of 50 people participated in the FIRST ANNUAL MINISTERIAL ASSOCIATION GOLF

SCRAMBLE. Many local people supported this effort as well as visitors from communities around McLean. One particular

group were the Haynes, Evans and Buckhaults, (including Tex) who played at 8 am so as to be able to attend the wedding later in the day.

Each participant donated \$10 to the local ministerial association and in return received a sleeve of golf balls, a hat and many other nice gifts, courtesy of the McLean Texaco Gas Plant and other Texaco plants in the Panhandle and as far away as Tulsa, Oklahoma. Mr. Don Fletcher of Dunlap Industrial Engine and Compressor Service also contributed gifts and balls that were used as prizes for the winners.

It was a very competitive tournament which ended in a three way play off. Three additional holes were required to determine a first, second and third place winner. First place team was Jasper Smith, Todd Stump, Felix Sequera, Dean Williamson, Mae LaVern Back. Second place team was Billy Bob Terry, Monty Joiner, Darlis Joiner, Don Basham and Bob Hines. Third place went to the team of Billy Bybee, Ronna and Frank Hopson, Sue Burrows and Connie Flores.

The McLean Ministerial Association wishes to thank Texaco, Dunlap and the

local citizens for their support. The fund raising tournament netted \$500 which will be used by the association to help local people who are in temporary need (such as burn outs) and travelers who are stranded or have mechanical trouble and need assistance.

Plans are already being made for next years golf outing which we hope will be bigger and better.

The members of the association wish to express special thanks to Mr. John Harden of the McLean Texaco Gas plant, without whose help we could not have assembled such a large and varied group of gifts and prizes and to Donnie Basham and Casper Smith for their valuable help in organizing the scramble.

LOONEY TAKES MVP HONORS

MOM'S CIRCLE MEETING

Sixteen women participated in the second Mom's Circle meeting July 12 at the Assembly of God Church. Those present were: Judith Loyd, Linda Syfrett, Sally Seymour, Kristie Crockett, Cindy Lee, Robbie Sanderson, Susan Williamson, Kelly Byron, Tina Thomas, Rose Steel, Adella Jackson, Mickey Jackson, LaTonya Phillips, Cynthia Hauck, Nama Webb and Beverly Odom.

Judith explained that toddlers and teenagers both experience the same problems; toddlers with physical separation anxiety and teenagers with the struggle for emotional independence. The presentation concluded with Judith answering specific

questions from mothers in the group.

The Moms enjoyed lasagna, salad, garlic bread sticks, and strawberry pie for lunch. The craft project was decorating a steer head shaped barb wire wreath. A special thank you to L. H. Webb who designed and provided the wreaths for each participant. Special thanks also to the United Methodist Women who have sponsored the last two meetings by providing child care. This month there were 20 children. Additional thanks to the Assembly of God Church for providing the nice meeting facilities.

Haynes - Buckhaults Wed

Dollie Lee Haynes and Texas Don Buckhaults were united in marriage in a double-ring ceremony July 17 at 7 p.m. in the First United Methodist Church of McLean, with Thacker Haynes, brother of the bride, officiating. The bride is the daughter of Mr. and Mrs. Sam Haynes of McLean. Parents of the groom are Mr. and Mrs. Tex Buckhaults of Walsh, Colorado.

The Vienna Conspiracy, a string quartet from Amarillo, played the prelude, processional, recessional, and communion music. Vocalist was Scott Raines of Austin, brother of the bride, who sang "The Lord's Prayer". Pianist was Ida Wilson of Idalou. Reader was Carl Dwyer of McLean. Assisting with communion were Mr. and Mrs. Rex Burns of Channing, and John M.

Haynes, the bride's uncle, of McLean.

The bride was escorted to the altar by her father. She wore an ivory silk shantung formal gown, accented with a chapel-length train. The skirt and the bodice of the short-sleeved gown were trimmed in Alencon lace and iridescent sequins. The

dress featured a draped bustle decorated with the lace, sequins, and fabric roses. Her veil of ivory illusion was attached to a head band of pearls and silk stephanotis. For something old, the bride carried her great-grandmother Dolly Morse's wedding watch, presented to the bride by her grandfather, John Haynes. For something borrowed she wore her mother's pearls, and she wore a blue ribbon on an heirloom garter, a gift from Cynthia Hauck. She also wore a kopek, a memento from a trip to Russia, in her shoe.

Her bouquet was pink bridal roses, dark pink roses from her father's garden and baby's breath.

The groom was attired in a double-breasted black tuxedo with ivory shirt and tie. His boutonniere was white roses. Groomsmen wore black tuxedos with dove-grey vests and black and gray striped ties.

Matron of honor was Mrs. Kimberly Beaver Wilson of LaJunta, Colorado. Maid of honor was Kristina Carter, niece of the bride, of McLean. Bridesmaid was Mrs. Geenie Kuncie McAnear of Lefors. The attendants all wore

ivory moire suits, featuring tea-length skirts and full shawl collars. They each wore pearl earrings and necklaces, a gift from the bride, and carried nosegays of pink bridal roses and baby's breath.

Best man was Chris Buckhaults of Walsh, Colorado, brother of the groom. Groomsmen were Will Hume of Denver, Colorado, and Jay Anders of Wellington. Guests were seated by Daryl Buckhaults of Goodwell, Oklahoma, brother of the groom; Chris Evans and Jack Evans of El Paso and J.T. Haynes of McLean, all nephews of the bride.

Flower girl was Ryan Ashley Frische of Dumas, cousin of the bride. She wore a tea-length ivory moire dress which featured fabric roses. A circlet of pink and white roses and baby's breath was worn in her hair. Ring bearer was Shearaton Carter II, of Dallas, nephew of the bride. He wore a black tuxedo with ivory satin vest and ivory tie. Candlelighters were Charles Wayne Carter of McLean and Brandon Scott Raines of Wellington, both nephews of the bride.

Guests were registered by Sasha Nicole Raines, niece of the bride, of Wellington.

A reception followed the ceremony in the church's Fellowship Hall. The

bride's table was covered with a lace cloth, ornamented with tulle roses. A 17-branch brass candelabra with a satin heart and dried roses centered the table. The three-tiered Italian cream cake was surrounded by white-chocolate cheese cakes. Serving at the bride's table were Misty Magee, Mindy Magee, Heather Hess all of McLean; and Heather Wilson of Idalou.

The groom's table was placed in front of a wedding quilt decorated with irises in candlewicking. Coffee was served from a brass coffee service. The groom's cake, in the shape of Texas, was chocolate with chocolate roses for decoration. Serving at the groom's table were his sister-in-law, Kathleen Diane Buckhaults of Goodwell, Oklahoma;

Wendi Smith Stump of McLean; and Sally Worsham Bohlar of Clarendon.

The houseparty included Janet McCracken and Kay Magee, both of McLean. Presenting silk rice roses to the guests were Amanda Hauck of McLean and Jessica Longino of Amarillo.

The bride is a pre-law student at West Texas State University, where she is a member of Phi Eta Sigma honor society. The groom has a Bachelor of Science degree in Mathematics Education and a Master of Science degree in Mathematics Education from West Texas State University. He is a math teacher at McLean High School.

Following a trip to England, the couple will be at home in McLean.
