## UIL Students Win Trip To State

Academic contestants bound for Austin and the State meet are (from left), Tony Homer, accounting; Erin Eschle, persuasive speaking; Lezlie Sweatt, poetry and Michael Rose, news writing.

Groom has qualified four students for the University Interscholastic League Academic State Meet, May 5-7 at the University of Texas at Austin.

The students earned eligibility by placing first, second or third at the UIL regional meet held in Leveland, April 23. Qualifiers include: Erin Eschle, first in persuasive speaking; Michael Rose, second in newswriting; Tony Homer, second in accounting and Lezlie Sweatt, third in

poetry.

"Reaching the State level of academic competition shows determination and preparation on the part of the contestant and sponsor," Dr. Bailey Marshall, UIL director said. "Students who compete at the UIL State Meet represent the elite in their field. The development of the skills to handle the intense competition and the attainment of knowledge required to achieve this honor will benefit the contestant far

beyond the high school years."

Contests range from headline writing to Lincoln-Douglas debate, calculator applications to accounting. Of the million and a half students who participated in UIL activities in 1986-87, over one-half million students competed in one or more of the 19 general academic contests.

In participating at the State Meet, students qualify for Texas Interscholastic League Foundation scholarship. See UIL State Meet, Page 3

### Girl Scout Council Holds Annual Meeting

Quivira Girl Scout Council conducted their 1987 Annual Meeting at the Chamber of Commerce Building in Pampa, April 22. The Groom Service Unit received the "End of the Rainbow" Award for the Service Unit that raised the most money in 1987. The Unit also received the President's Award for the second year in a row.

The evening began with a chicken fried steak dinner catered by Danny's Market. Presentations made following the dinner included a number of local individuals recognized for their service to Girl Scouts in the past year. Marcia Conrad was recognized as the Outstanding Leader and Mary Sue Lyles received the Outstanding Volunteer Award.

Other Others receiving recognition were Don Lyles and Jim Burton who served as night-watchmen at the Resident Camp in 1987.

The Thanks Badge Award II, the highest award given in Girl Scouting, was given to Mr. Pat Rion of Berger and Mrs. Jean Duke of Berger.

The evening concluded with a candlelight rededication ceremony.

Other volunteers serving the Groom Girl Scouts are Donna Burton, Carla Erwin, Linda Weller and Charlotte Whatley.

### Trash Rates Increase Again

The City of Groom received notice this week that BFI, that services the city with trash removal, will be increasing their rates effective May 1. The company stated in a letter to the City that the small rate increase was necessary due to increased costs of business.

City Secretary Pat Ashford said the last rate increase was in August of 1984.

The new rates will be as follows:

Old	New
\$7.20	\$7.40
\$5.00	\$6.10

For one-and-a-half yard containers the increase will be \$26.25 over \$25.50 in the past and three-yard containers will be \$31.40 compared to the old rate of \$30.50. All other containers are priced at 75 percent of the first.

### Community Calendar

## Plan To Donate Blood May 2

Coffee Memorial Blood Center representatives will be in Groom next Monday evening to conduct a blood drive. The Blood Center needs to collect 400 pints of blood each week from volunteer donors to meet the needs of sick and injured in area hospitals.

The community responsibility concept of donating blood was designed to assure a safer blood supply and to eliminate the non-replacement fee, a charge to transfusion recipients who did not replace the blood used. This non-replacement fee was in addition to the regular processing fee. Under the Community Responsibility system the volunteer blood donors do not have any financial interest to donate blood, but do so

freely to support their community.

In 1985 Coffee Memorial Blood Center adopted the Community Responsibility system and discontinued charging the non-replacement fee.

Community response in the Panhandle is among the best in the country and is responsible for the success of the community blood program. We are very proud of our volunteer blood donors.

The blood drive in Groom will be conducted at the Community Center from 4:00 to 7:00 p.m.

## Bohr Receives Collegiate Award

The United States Achievement Academy announced today that Linda Bohr has been named a United States National

Collegiate Award winner in business. This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10 percent of all American college students.

Linda, who attended Clarendon College was nominated for this National Award by Mrs. Pam Denney, an instructor at the school. Linda will appear in the United States Achievement Academy Official Collegiate Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, executive director of the United States Ach-

ievement Academy. The Academy selects USAA winners upon the exclusive recommendation of professors, coaches, counselors and other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a professor or director.

Linda is the wife of Bill Bohr of Groom.

## 'Families Helping The Elderly'

Older adults are a very important part of our society. They offer us wisdom and teach us about history, patience and values. With age comes new concerns and needs. Changing roles bring new frustrations and problems. "Families Helping the Elderly" is a workshop designed to help adult children, family members, community leaders and others explore problem solving strategies, communication techniques and critical community concerns relating to the elder-

ly. The workshop will be held on Monday, May 2nd at 7:30 p.m. in the War Memorial Building, 500 Main in Panhandle, according to Kathy Gist, County Extension Agent.

Dr. Judith Warren, gerontology specialist from College Station, will be presenting the workshop. Judith's specialization includes the development of supportive environments for older adults; social and psychological aspects of aging; and developing potential of older adults. She has a true

love for older adults and she would like to change some of the attitudes and stereotypes about aging in our society.

Whether you are an adult child with aging parents, an aging individual, a family member, a concerned citizen or a community leader you won't want to miss this opportunity.

Extension's Life Enrichment Council of Carson County has planned this free program to improve the quality of life for older Americans and their families.

## Junior High Gets Division I

Stand aside Tiger Pride Band! The McLean Junior High Band is on the move. For the first time in at least 20 years, our 7th and 8th graders earned a Division I or "Superior" rating in concert competition this weekend in Spearman. Playing against 15 other Panhandle groups, the McLean ensemble got Division I ratings from two out of the three judges.

Their performance included the selections "American Patrol" by Meacham, arranged by Kinyon and "Little English Suite" by Johnson.

During the day, the group also took part in sight-reading, solo and ensemble contests. In the sight-reading program, where the band performs pieces selected by the judges, the group got a Division III or "Good" rating.

In the solo and ensemble performances, McLean musicians earned all Division I and II ratings. In the solo

performances, Division I ratings were won by: Jason Thomas, cornet; Patsy Barker, cornet; and David Chronister, baritone.

Division I winners in ensemble performances were: a duet by Jason Thomas, cornet, and Destry Magee, baritone; and a duet by Patsy Barker, cornet, and Holly Hefley, flute.

Division II, or "Excellent" ratings for solo performances went to: Holly Hefley, flute; Destry Magee, baritone; Missy Young, clarinet; and Heidi Syfrett, clarinet.

One ensemble group from McLean earned a Division II rating. It was a clarinet quartet by Missy Young, Heidi Syfrett, Becky McCarthy and Lee Erin Stubbs.

Congratulations to Band Director Roger Myers and the members of the 7th and 8th Grade Bands for their success. If you are this good now, just think how good you will be in high school!

## Cherrie Byer Named To OCTA Board

Cherrie JoEtte Byer, the daughter of Joe and Myrtle Billingsley of McLean, was recently named to the 1988-89 Board of Directors and Board of Advisors of the Oklahoma Community Theatre Association, a statewide affiliation of community theaters.

Byer, of Elk City, was elected Region 8 Representative, and will serve as liaison between OCTA and Beckham, Caddo, Greer, Harmon, Kiowa, and Washita counties. She is also on the Board of Red Carpet Community Theatre, and has volunteered there as a stage manager, business manager, publicity chair, choreographer, and actor.

The services of OCTA are made possible with the assistance of the State Arts Council of Oklahoma and the National Endowment for the Arts.

## Dollie Haynes Gets Scholastic Honors

McLean High School has been notified that Dollie Haynes has received a special honor. Miss Haynes, the daughter of Sam and Linda Haynes, recently took the Preliminary Scholastic Aptitude Test. She was just notified that out of about 1 million students who took the exam, she finished in the top 50,000 or 5 percent.

This qualifies her for consideration in the National Merit Scholarship Program through which she could obtain a scholarship to a number of national colleges and universities. After further testing, she may qualify for additional scholarships to other schools. Already, based on the test results, she has received a number of inquiries from major schools throughout the U.S.

In a letter sent to McLean High School Principal Pete Bateman, the National Merit Scholarship Corporation wrote, "Throughout its 34-year history, the merit program and its resources have been focused on identifying, honoring and increasing public interest in academically talented students and their schools."

It added, "In 1989 we expect to award over 6,000 merit scholarships worth more than \$23 million, but we offer this service to these 50,000 'high scores' in the hope that identification to colleges will broaden the educational opportunities of a considerably larger group of able students."

Congratulations to Dollie for her outstanding academic achievements.

## Many Activities On Tap At School This Week

If McLean High School seems deserted this week, it's because so many of our students are going away to sports and music contests in various parts of the state. Among the activities scheduled for this week:

-On Tuesday and Wednesday, the Boy's and Girl's Golf Teams took part in the Regional Golf Tournament in Levelland. The Boy's team includes Sid Brass, Tony Hambright, Kyle Woods, Johnny Mann and Rob Sanderson. The Girl's team includes Wendi Smith, Sally Worsham, Kim Beaver, Misty Magee, Dollie Haynes and Alicia Reynolds.

-Today, Sid Brass will represent the Boy's Tennis Team in Regional competition in Levelland; and

-Today, the Tiger Pride Band leaves to take part in the Sandy Lake Funfest in Dallas;

-Tomorrow Darla McAnear and Donald Harris will represent McLean at the Regional track meet in Levelland.

Looks like good things are happening in McLean.

**Brother of McLean Resident Buried**

Graveside services for George Lawrence Brown, 79, brother of a McLean resident, were held Friday at Fairview Cemetery in Pampa. Dr. Max Browning, pastor of the Pampa First United Methodist Church, officiated.

Mr. Brown died last Wednesday in Howardwick.

He was born on Oct. 21, 1908 in Bixby, Okla. He had been a longtime resident of Pampa before moving to Greenbelt Lake in 1973. He married Mary Patton in Clarendon in 1973. He was a member of the Methodist Church.

Survivors include his wife, of the home; two sisters, Ruth Lowary of McLean and Ruby Saulsbury of Shreve-

port, La.; one brother, Noble Brown of Artesia, New Mexico; and several nieces and nephews.

**Former McLean Resident Dies**

Funeral services for Evelyn Bowerman, 68, a former McLean resident, were held Saturday at the Schooler-Gordon Bell Avenue Chapel in Amarillo. La Von Thompson, pastor of The Life of Praise Fellowship Church, officiated.

Mrs. Bowerman died last Thursday.

She was born in Wheeler County. She was a former co-owner of a motel in Breckenridge. She married Joe C. Bowerman in 1939 in Sayre, Okla. They moved from McLean to Amarillo in 1950. She was a member of the Presbyterian Church.

Survivors include her hus-

band; two sons, Dewayne Bowerman and Larry Bowerman, both of Amarillo; one daughter, Janet Loyless of Amarillo; two brothers, Raymond Anderson of Canyon and Houston Anderson of Fritch; one sister, Mozell Carver of Amarillo; 9 grandchildren and 13 great-grandchildren.

**Kellerville Resident Buried in Pampa**

Services for W.W. (Bill) Hughes, 90, a former Kellerville resident, were held April 11, 1988 at the Carmichael-Whately Colonial Chapel in Pampa. Rev. Jim Wingert, Methodist minister, officiated, assisted by the Rev. Jim Low, pastor of the Interdenominational Church of Muleshoe. Graveside rites were conducted courtesy of Pampa Masonic Lodge No. 966 AF&AM. Burial was in Fairview Cemetery.

Mr. Hughes died April 8, 1988 in Snyder, Tx.

He was born Nov. 14, 1897 on the McNeese Ranch between Hubbard and Malone.

He married Frankie Lee Graves on November 14, 1925 in Smackover, Ark. The family later moved to Borger and then to Skellytown. He went to work for Skelly Oil Co. in March 1929

and transferred to Kellerville in 1943 where he was promoted to District Production Foreman. He retired from Skelly Oil in Dec. 1962.

Mr. Hughes was a member of the First United Methodist Church and the Men's Fellowship Sunday School Class. He was a charter member of Smackover Chapter No. 142 RAM in 1932, and belonged to the Lion's Club, the Top O' Texas Knife and Fork Club, Rotary Club, the Boy Scouts of America, the Order of the Eastern Star, Grand Cross of Color, Independent Order of Odd Fellows, Shrine Association, OES Home and Hospital Auxiliary, Khiva Temple, West Texas Past Mat-

rons and Past Patrons Association. Silva Mlad Control, and he was a 32nd degree Mason with a lifetime membership.

He is survived by his wife, Madge, of Mexia; two daughters, Lota May Hughes of Tallahassee, Fla. and Barbara Jean Wood of Snyder; one son, Billie Pete Hughes of Pampa; one brother, James Dard-n Hughes of Muleshoe; one sister, Ora Pearl Brady of Eugene, Ore.; 8 grandchildren and 12 great-grandchildren.

**Heald Anniversary**

Heald Methodist Church celebrated its 85th anniversary Sunday, April 17. Des-

cendants from the charter members of 1903 were recognized, as well as those that had attended the 50th, 75th, and 80th anniversaries. A total of 78 registered Sunday.

Ruth Magee displayed the poster honoring "Grandma Rogers", the grandmother of Methodism in West Texas. The poster will be presented at the Methodist annual conference in June.

**Thank You**

We would like to thank all the members of the community who supported us and made contributions at the car wash and the volleyball tournament on behalf of the bands.

**TREATMENT FOR STIFF NECK**

If you're suffering from a stiff neck, don't wait for it to take care of itself when treatment is available to correct it.

Of all the bones in the spinal column, none are more easily injured or more vulnerable than the seven vertebrae in the neck. None are moved more often. We are constantly turning our heads to look at people and things.

Neck stiffness can have many causes, from sudden and violent accidents to such simple activities as painting a ceiling or just sitting reading a book for a long time. But there's nothing simple about the pain.

A careful examination will reveal the source of the pain and how best to treat it. Any misaligned vertebrae in the spinal column should be properly adjusted so there will be no abnormal pressure on your nervous system. Treatment may also include exercises for the cervical muscles such as gently rotating your head in all directions. This can help restore muscle strength and tone.

### McLean Briefs

Jean Morgan, of Houston, visited her parents, Noble and Juanita Fish, last week. She was accompanied by her daughter Connie.

Former resident Gail Ladd Nelson, of Dimmitt, Fahoma Ladd Holder, of Amarillo, and Wanda Ladd Roberts, of Oklahoma City, were at the Heald 85th anniversary.

McLean's Horse Judging team of Kim Beaver, Johnny Mann and Rob Sanderson went to state competition on Saturday at Texas Tech. Out of the 60 schools competing, the McLean team placed first in their district, 8th in area and were 28th overall in state.

In individual judging, Kim Beaver was ranked 3rd high-point individual in the state.

The Lion's Club District 2T-1 Annual Convention will be held Friday and Saturday at Shamrock. After a business meeting, there will be a golf tournament on Friday and Saturday at the Shamrock Country Club. There will also be a tennis tournament on Saturday and a banquet Saturday night.

Members of the McLean 4-H Club will be going to Canyon this weekend to take part in Method Demonstration contests. Club members Bryan Bockman and Sarah Dorsey will be giving demonstrations on bicycle maintenance. Erin McCracken will give a demonstration on consumer life skills and Tommy Pennington will give a demonstration of citizenship.

Also coming up on the 4-H calendar:

-On Monday, there will be a meeting at 7:00 p.m. at the Ag Barn to elect officers. Everyone is encouraged to attend.

### Resident's Mother Buried Monday

Services for Bonnie Faye Johnson, 69, mother of a McLean resident, were held Monday at Carmichael-Whately Colonial Chapel in Pampa. Rev. Harold Moore, pastor of Church of the Nazarene in Wellington, officiated. Burial was in Mo-beetie Cemetery.

Mrs. Johnson died last Friday in Little Rock, Ark.

She moved from Wheeler to Bee Branch, Ark. six years ago. She married Shelby Johnson on Oct. 19, 1939. She was a member of the Church of the Nazarene in Wheeler.

Survivors include her husband, Shelby; three sons, Frank Johnson of Pampa, Gerald Johnson of McLean and Jackie Johnson of Sunray; two daughters, Virginia Treat of Bee Branch and Janice Matthews of Hereford; one sister, Sammie Caswell of Sayre, Okla.; two brothers, Cloris Childress of Briscoe and J.T. Childress of Allison; 20 grandchildren and 6 great-grandchildren.

### Public Notice

#### EPA Lead Notification

The United States Environmental Protection Agency (EPA) sets drinking water standards and has determined that lead is a health concern at certain levels of exposure. There is currently a standard of 0.050 parts per million (ppm). Based on new health information, EPA is likely to lower this standard significantly.

Part of the purpose of this notice is to inform you of the potential adverse health effects of lead. This is being done even though your water may not be in violation of the current standard.

EPA and others are concerned about lead in drinking water. Too much lead in the human body can cause serious damage to the brain, kidneys, nervous system, and red blood cells. The greatest risk, even with short-term exposure, is to young children and pregnant women.

Lead levels in your drinking water are likely to be highest:

1. if your home or water system has lead pipes, or
2. if your home has copper pipes with lead solder, and -if the home is less than five years old, or

### THE GROOM NEWS—Page 7

Thursday, April 28, 1988

-if you have soft or acidic water, or  
-if water sits in the pipes for several hours.

Ways to avoid potential lead exposure are to "flush" faucets before use and to use cold water for drinking and cooking. You may wish to have your home tap water tested for lead content by a competent laboratory. You may also wish to check to see if lead pipes, solder, or flux were used in your home plumbing.

The water system for the City of McLean is tested every year for lead and it is well below the EPA standards. Any time lead piping is found, it is replaced with lead free piping.

If you have any questions please call Bob Glenn, Water Superintendent, City of McLean. Phone (806) 779-2481.

### Fire Dept. Calls

The McLean Fire Department has responded to three fires since April 15. On that day, a grass fire had to be extinguished on the Johnson Ranch.

On Saturday, there was a grass fire on the ranches of Randy Stalls and Roger McCracken. Other than a few fence posts, there was no other damage.

On Sunday, a grass fire was started by lightning on the Art Rhody farm north of Alanreed and had to be put out by the department.

### Volleyball Results

A great volleyball tournament, sponsored by the Band Boosters this weekend was a great success. The 2 day marathon involved 18 teams and over 100 players competing in numerous games for the top spots.

Finishing Saturday night about midnight, first place was won by the team of Mike Harkins, Johnny Carpenter, Judy Lee, Mary Ann Carpenter, Monica Shipman, Jackie Hembree, Mary Bybee and Jim Bible.

Second place honors went to Mike Darsey, Leslie Darsey, Chuck Pierce, Elaine Pierce, Carey Richardson and Donna Kingston.

The third place team included members Eva Terry, Floyd Morris, Sonie Bybee, Teron Howard, Sally Worsham and Billy Bybee.

The consolation prize went to the team of Tim Hembree, Billy Billingsley, Johnny Carpenter, Mary Ann Carpenter, Shandee Tolleson and Evelyn Sanders.

### Thank You

We would like to thank everyone who took part in, or made donations at, this weekend's volleyball tournament on behalf of the bands. Your support is greatly appreciated.

### Girl Scouts Have Awards Banquet

On Friday night, April 22, Quivira Girl Scout Council conducted their 1987 Annual Meeting at the Chamber of Commerce Building in Pampa. The theme for the dinner was "Night of the Stars" in

honor of the Leaders and Assistant Leaders who volunteer their time and efforts to Girl Scouting.

The evening began with chicken fried steak catered by Danny's Market. Dinner was followed by two presentations of Wider Opportunity trips given by Tiffany Laughlin of Higgins and Shannon Myers of Lakeview.

Awards and plaques were

then presented to persons who have contributed to Girl Scouting during 1987. Among those from McLean who were honored during the evening were:

-Janet McCracken, who received a Leadership Development Pin, which is awarded only to those leaders who have had numerous hours of training in basic orientation, leadership skills, Red Cross, continuing

education, etc. Mrs. McCracken also got a pin for being the Service Unit Chairman in charge of McLean's contingent of 39 Girl Scouts;

-Monica Shipman, Jamie Norrid, Donna Duggan, Evelyn Pennington and Janet McCracken, who were recognized for their activities as Girl Scout leaders in McLean;

-Frances Martin, Becky

Fish, Tonue Brown, Terri Hall and Mary Basham who received recognition for their work as Girl Scout Assistant Leaders.

Also, for the second straight year, the McLean Service Unit received the President's Award. This is given to troops for retention of members and for timely submission of registrations, projects and other paperwork.

In other activities, McLean's Girl Scouts, under the leadership of Frances Martin and Evelyn Pennington, will be enjoying an old-fashioned cook-out and overnight camping trip at Camp Cibola this weekend.

Among the girls who will be going are:

-Third-year Brownies Pamela Martin, Kristi Tidwell, Sarah Dorsey, Tanna Shipman, and Erin Gibson; and

-Troop 801 members Erin McCracken, Jennifer Pennington, Michelle Basham, Penny Lee, Katy Stillwell and Angel Passmore.

The Girl Scouts are also looking for one- and three-pound coffee cans with lids for use in various projects. Anyone wishing to make a contribution should contact Janet McCracken, Frances Martin or Evelyn Pennington.

#### Safe Drinking Water Act To Our Customers

The United States Environmental protection agency (EPA) sets drinking water standards and has determined that lead is a health concern at certain levels of exposure. There is currently a standard of 0.050 parts per million (ppm). Based on new health information, EPA is likely to lower this standard significantly.

Part of the purpose of this notice is to inform you of the potential adverse health effects of lead. This is being done even though your water may not be in violation of the current standard.

EPA and others are concerned about lead in drinking water. Too much lead in the human body can cause serious damage to the brain, kidneys, nervous system and red blood cells. The greatest risk, even with short-term exposure, is to young children and pregnant women.

Lead levels in your drinking water are likely to be highest:

1. If your home or water system has lead pipes, or
2. If your home has copper pipes with lead solder, and if your home is less than five years old, or if you have soft or acidic water, or if water sits in the pipes for several hours.

Ways to avoid potential lead exposure are to "flush" faucets before use and to use cold water for drinking and cooking. You may wish to have your home tap water tested for lead content by a competent laboratory. You may also wish to check to see if lead pipes, solder, or flux were used in your home plumbing.

The water system for the City of Groom is tested every year for lead and it is well below the EPA standards. Any time lead piping is found, it is replaced with lead free piping.

If you have any questions, please call Don Case, Utilities Director, City of Groom. Phone (806) 248-7454.

### Plaque To Honor State Winners

The Parent-Teacher Organization decided to increase the scholarship fund given to a graduating senior of Groom School. The student selected will receive \$150.00 to be used for further education.

Other items on the agenda at the recent meeting included establishing a library fund for books and sponsoring a reception to be held after an awards assembly.

Also, a wall plaque will be purchased to honor all University Interscholastic League State medal winners from Groom. Glynda Eschle is assembling the names to be placed on the plaque. Although only academic and athletic medal winners will be listed, Mrs. Eschle plans to compile a history of UIL participants from Groom. The University Interscholastic Bureau was established in Texas in 1910 and served as a model for other states. Mrs. Eschle requests that anyone with information about UIL state qualifiers please contact her so that everyone will be included.

### Pre-Kindergarten Screening Set

A free pre-kindergarten screening is being provided for those children planning to enroll in kindergarten for the 1988-89 school year. The purpose of this screening is to provide an opportunity for early identification of speech, language and/or vision difficulties. The screening will be assessing developmental stages in the following areas: vision, hearing, speech, fine motor skills, gross motor skills and cognitive skills.

Screening will be conducted at the Groom School Library on Monday, May 2, 1988 and will begin at 9:00 a.m. and conclude at about 4:00 p.m. Each child should complete the screening process in about 45 minutes.

Parents of kindergarten students will be receiving a letter scheduling the child's screening. If you do not receive a letter, you may bring the child at a time convenient for you. All 1988-89 kindergarten students are urged to attend the screening.

### Tiger's Tale

was selected from about 20 entries in the memographed paper category which represents schools of up to 250 enrollment.

Individuals winning honors were Kiley Lambert, first, in-depth news for a story on the Gifted and Talented program and a third place for sports photography. Matt Weinheimer won first in sports for his story on Kress. Robbie Ellington won two second place awards, one for an editorial on the Super-Collider and feature about the local Santa Clauses. Ron Kuehler received a second place for his sports column on six man football. Kiley and Ron shared a second place award for a one shot ad.

A plaque was presented to the newspaper staff at the conference.
