Coaches Express

Appreciation As

Year Ends

With the athletic season ended and the school year winding down, I would like to take this opportunity to express our thanks to all of those who have supported us throughout the year. This year in athletics had provided us with many highs and many lows, but through it all the Tigers and Tigerettes have represented our school and community with pride and character. To the parents of our athletes, we offer a special thanks for your patience and support in the hectic times as well as the good ones. To those who worked on the chain crews, clocks, as officials, concession stand, help with the track meets, gate keepers and the list goes on and on--Thanks a million! We really appreciate you. Also, a special thanks to my wife and family for standing beside me and helping during the hard times. Thanks to the coaching staff for your many long hours of work. Finally, thanks to all the students who have represented Groom High School in any phase of athletics. Pushing you through 185 days of "striving to do your best" takes a toll. Yet, each of you can take pride in your accomplishments. Learn from your disappointments, take pride in your victories. You have been through much; you deserve the praise. As for me, I can sincerely say I have enjoyed working with each of you. For those who graduate, you will take a part of this program with you. For those who return, I'm looking forward to seeing you back.

But for now, relax and enjoy the last few weeks of school.
Sincerely,

(signed) Jimmy Branch
