Public Notice

TO ALL FORMER AND CURRENT INTRASTATE WIDE AREA TELECOMMUNICATIONS SERVICE (WATS/800) SUBSCRIBERS:

Southwestern Bell Telephone Company has instituted a Class Action Lawsuit seeking judicial approval of a settlement reached in Docket No. 7297, an inquiry of General Counsel of the Public Utility Commission of Texas into possible overcharges which occurred between September, 1976, and February, 1987, due to rounding practices, on bills of intrastate WATS/800 customers sent by Southwestern Bell and other telephone companies which concur in Southwestern Bell's tariff. The suit is styled "Southwestern Bell Telephone Company, Plaintiff, vs. MCI Telecommunications Corporation, A Member of the Class of Texas Intrastate WATS and 800 Service Customers Who Paid Overtime Charges From September 1976 Through February 1987, Defendant," and identified as Cause No. 471,460 in the 126th Judicial District Court of Travis County, Texas.

Pursuant to the settlement, while not admitting liability, Southwestern Bell, the other local exchange telephone companies in Texas, and AT&T Communications of the Southwest, Inc. have agreed to pay refunds to those WATS/800 customers who paid overtime charges attributable to the rounding practices for intrastate WATS/800 services at any time between September, 1976, and February, 1987. The refunds will be based upon either the actual or estimated amount of overtime charges attributable to such rounding practices. An exact refund will be determined for customers able to produce copies of their WATS/800 service bills. For customers who do not have copies of their WATS/800 service bills to establish actual overtime charges paid, an average refund of \$4.53 to \$5.95 per WATS/800 service line per month will be applied. All claims will be subject to verification. The refunds will also include interest at the rate of 7.80% per annum.

Claim Forms And Additional Information

Those customers who think they may be entitled to a refund or who desire more information must call 1-800-782-3026, 8:30 a.m.-4:30 p.m., Monday through Friday, or write to WATS Refund Pool Administrator, One Bell Plaza, Room 670, P. O. Box 650376, Dallas, Texas 75265-0376, to request a WATS Refund Information Package. The WATS Refund Information Package will contain further information regarding the lawsuit and eligibility for a refund, a description of documentation required to support a customer's claim for refund, and a refund claim form to be filled out and submitted requesting a refund. REQUESTING A WATS REFUND INFORMATION PACKAGE DOES NOT OBLIGATE YOU IN ANY WAY.

All claims for a refund must be received by the Refund Pool Administrator by Friday, October 5, 1990, and all rejections of the settlement (that is, requests for exclusion from the class action lawsuit) must be received by the Court by Wednesday, September 5, 1990. Only those who respond by filing a claim or by filing a rejection of the settlement, as explained in the WATS Refund Information Package, will receive notice of future developments in this proceeding.

Persons who wish to obtain further information may also contact the Public Utility Commission, Public Information Division, at (512) 458-0257 or (512) 458-1221, teletypewriter for the deaf.

Jolee Burger Receives Silver At State

Jolee Burger won a silver metal in the UIL State Competition in Austin Saturday performing Hayden Sonata Movement III.

She was the first student from Groom to advance in the State competition as a piano soloist.

Jolee was also the first to perform Saturday morning and she received a II Rating.

Former state trumpet soloist Jerry Crowell says that a II Rating is excellent because the judges very rarely award a I or II Rating at State competition. Jerry advanced to state as a trumpet soloist in 1968-71, his ratings ranged from a IV to a I his senior year. Others advancing to state competition from Groom include Lanny Fredrickson and John Crowell.

from

OLD ROUTE 66

by D. Trew

Few feelings exceed the satisfaction of seeing an idea conceived, born and developed into a thing of substance. Few feelings exceed the satisfaction of seeing an idea conceived, born and developed into a thing of substance. This feeling is now being experienced by the "Old Route 66 Association of Texas" officers in McLean. With our organizational groundwork nearly completed, we are already deep into sponsoring the non-rodeo activities at the Old 66 Roundup Celebration in McLean. Floats are being built, Flapper Queen contestants are making their dresses, the Poker Run of classic cars is ready to go, the Old Timers Reunion

plans are complete, and all we need now is your participation.

Please make a special effort to come out Saturday and enjoy and support this effort to re-vitalize our town celebration. Many people have worked hard on a very limited budget to present their activities for your enjoyment.

Through the generosity and encouragement of this publication, I will endeavor to write a column each week, passing on to you, history notes, stories and tales from Old 66 and about barbed wire. I will appreciate your stories and comments so that I may pass them along also. Write me at Box A, Alanreed, TX 79002 or call 806-779-3164. Delbert Trew
