Italy Ignores Red-Led Strike

ROME, Dec. 2. (AP)—Millions of Italian workmen have demonstrated the Communists don't scare them like they used to.

The bulk of Italian labor headed their country's Reds their worst defeat since the April, 1948, general election by ignoring a 24-hour Communist-led general strike which ended at 6 o'clock this morning.

The strike was called by Communist labor union leaders to protest the death of two peasants in clashes with police over farmland invasions by "squatters."

50 Herefords Are Sold For Total Of \$16,035 Here

Fifty registered Herefords brought \$16,035 at the Cattle Hereford Farms reduction sale held at the West Texas Livestock auction barn Thursday afternoon.

Twelve bulls averaged \$326 each, while the average for 38 females was \$320. The average for registered animals at the sale was \$321.

J. A. Queen of Big Lake was the most active bidder of the afternoon. He paid \$3,510 for nine cows.

One of the Cattle herd sires, Young Mischief, an eight-year-old, topped the sale, bringing \$575.

All of the animals came from the Anxiety 4th herd developed by the late I. B. Cauble and his son, Rexie, who still operates the Cauble Hereford Farm.

There has been no sizeable increase since Thursday, a shower of miscellaneous gifts accounting for the gain.

Mine Operator Flays 3-Day Work Week

PITTSBURGH, Dec. 2. (AP)—A top industry spokesman says John L. Lewis' order to mine coal only three days a week is "destructive to the industry and every one who earns his living in it."

George H. Love, spokesman for the operators' negotiating committee of the national bituminous wage conference, lost little time attacking Lewis after the unpredictable United Mine Workers' chief called off his fourth full-scale walkout of the year yesterday.

All-Woman Jury Verdict Scored

PHILADELPHIA, Dec. 2. (AP)—An all-woman jury last night acquitted a Philadelphia man of a murder charge then burst into tears as the judge criticized them for what he called "a miscarriage of justice."

One of the women fainted under Judge Joseph Sloane's tongue lashing and was carried from the jury box.

The acquitted man was a 31-year-old bartender, James Comber, who was accused of kicking and beating to death prominent club man, Hubert E. Madden, last March after a night-long drinking bout.

In his charge to the jury, the judge said that "personally, I do not see how you can find a verdict of not guilty."

Defense Atty. John P. Welsh had emphasized that Comber was drunk the night of the clubman's death. Judge Sloane told the jury-women drunkenness could not be an excuse.

Ward, Staff To Leave Mukden By Wednesday

WASHINGTON, Dec. 2. (AP)—Consul General Angus Ward reported today that he has arranged to leave Mukden in Communist China with his entire staff by Wednesday.

The state Department said Ward also reported that he, the staff members and all dependents would travel by train to Tientsin, a seaport.

Three American ships, the department said, are due there between Dec. 6 and 17.

The Communists ordered Ward and his staff out of the country after trying and convicting him and four staff members on charges of beating two Chinese employees.

Brazil Plane Crash Brings Death To 20

RIO DE JANEIRO, Brazil, Dec. 2. (AP)—A Real (royal) Airlines DC-3 plane crashed in a rainstorm at an emergency field in Sao Paulo State yesterday, killing 20 of the 22 persons aboard, the line announced today.

A woman and her five-year-old daughter were the only survivors of the crash, which killed the other 16 passengers and four crew members, the announcement said.

Mount Etna In New Eruption

CATANIA, Sicily, Dec. 2. (AP)—Mount Etna, Europe's highest volcano, began erupting strongly shortly before dawn today. Nearby towns were covered with a thin layer of volcanic ash.

Loud rumbling signaled the start of the eruption which sent smoke and cinders spewing into the air from the 10,708-foot-high volcano on Sicily's east coast.

It was the first activity of the famed volcano since last June 7. At the time Etna belched smoke and cinders, but there was no damage.

The last heavy eruption was in Feb. 1947, when flowing lava did considerable damage to crops on the cultivated slopes of the mountain.

Deathless Days 722 In Big Spring Traffic

Prosecution Rests Its Case In Rape Trial Of Big Spring Boy

The state rested its case at noon today in the 118th district court trial of Tom Norman King, who is charged with rape.

The prosecuting attorneys called only two witnesses, including the complainant, Betty Dolores Cochran, who described a series of alleged attacks which she said occurred during the early morning hours of Sept. 18.

The trial opened before a packed gallery. Sheriff Bob Wolf said some of the spectators had gathered at the courthouse as early as 5 a. m.

Miss Cochran, the first witness, was called after 10:30 a. m., after a jury had finally been assembled. A special panel was exhausted Thursday afternoon, with only 10 jurors named. Others were summoned this morning to obtain the other two.

into a car with four boys at the corner of Third and Main streets on the night of Sept. 17. She entered the car, she said because some boys made what she described as "vulgar" remarks as she was walking in the vicinity of that intersection. She said she entered the car because she knew some of the boys in the car and was uneasy after the group standing by the intersection made her remarks. She said one of the former group seized her by the shoulder as she walked by.

She then testified that King entered the car, and the driver proceeded east toward the refinery. Her testimony continued, eventually describing how the car proceeded to the "lake road" and turned off, later stopping by a bridge.

She said four boys, James Faucett, James Tindol, Charles Echols and Tommy Morgan, all named on the same indictment with King, left the car, and that King attacked her.

her testimony the last attack was made near a bridge on "Lovers Lane." She said that King attacked her there on the back seat of the car and that one of the other's also attacked her while the other four looked on from the front seat.

Subsequently she said, she got out of the car at a tourist court where some of her acquaintances were stopping. The acquaintances carried her to her father and then to the police station.

Miss Cochran said she then went to a hospital and remained there for several days.

long as I had strength."

Twice she said she got out of the car and ran, but was caught and brought back to the car each time.

Jewel Cochran said she was working as a plasterer at the Veterans Hospital here when his daughter came here to visit him.

On the night of Sept. 17 he said his daughter had obtained his permission to accompany a friend to the Union Bus Terminal cafe. The friend, he said, was a waitress at the cafe.

off his fourth full-scale walkout of the year yesterday.

Lewis didn't comment.

In calling off the walkout, Lewis said the three-day work week will apply to all of his 400,000 soft coal diggers—as well as to most of the 80,000 anthracite (hard coal) miners in eastern Pennsylvania.

And Lewis said the three-day week, which begins next Monday, will continue until individual companies sign agreements to replace the contract which expired last June 30.

That means he hopes to chip away at the solid front thus far presented by industry. There's no sign of any company giving in to Lewis' unspecified demands for his men who average \$14.05 daily. He's said only that his "modest demands" would cost industry \$0 to 35 cents more a ton. Industry already is paying 20 cents a ton to finance the UMW's pension and health and welfare fund.

Operation Of Miners' Welfare Fund Is Issue

Trustees Meeting Today in Effort To Break Deadlock

WASHINGTON, Dec. 2. (AP)—A new showdown arose today between John L. Lewis and the soft coal operators on operation of the miners' welfare and pension fund.

Trustees of the fund were scheduled to meet on how to break the spending deadlock. The union reports \$550,000 remains from the 20-cent royalty collections since Lewis' contract expired June 30.

The big issue at today's meeting was the seating of Charles I. Dawson, former federal judge who was elected by coal operators as their successor to Ezra Van Horn on the three-man board.

Lewis would not even confirm that a meeting was to be held. Dawson, a Louisville attorney, was kept from reporting for his first meeting with Lewis and Ben Bridges (R-NH), two weeks ago. Lewis was said to have blocked Dawson from taking his seat.

Dawson was reported to be ready to side with Bridges in opposing the spending of money collected from welfare funds since the miners' written contract with management expired last June 30. Bridges indicated he was fearful of his financial responsibility as a trustee without a formal agreement.

Lewis argued that the money should be made available to hospitalized miners.

The welfare fund, for pensions and other benefits, is financed by a 20-cent royalty on every ton of coal mined. This figure important in Lewis' new authorization for separate contracts with individual coal companies, two weeks ago, with a contract covering the whole industry.

"I want those who read this to know Lewis is known to want a higher royalty, but there may be real difficulty in negotiating separate contracts. Some companies may be argued into a boost, others may present reasons for a reduction and still others may stand on the present figure. The union could be union insistence on not having any of the separate contracts vary much on this other matter.

Arrangements on the actual withdrawal of the consul general and his associates were worked out after Ward wrote the Communist mayor of Mukden asking that he be told on Saturday when to expect transportation facilities. He also asked for three days notice to permit time for travel preparation.

Today Ward reported that the Communists had ordered that he and all the foreign members of the consulate staff must leave Mukden within the 48 hours starting 8 a. m. China time Monday Dec. 5.

That corresponds with 6 p. m. Sunday, (CST).

The deadline, therefore, is 8 a. m. Wednesday Morning, China time, or 6 p. m. Tuesday night (CST).

REP. POAGE SAYS COTTON ACREAGE PROGRAM IMPROPERLY HANDLED

WACO, Dec. 2. (AP) — Congressman W. R. Poage says the cotton acreage allotment program is not being administered in the manner in which Congress intended. Poage and representatives of the Farm Bureau Federation are due to meet here tomorrow to discuss the program's administration. The congressman told newsmen yesterday he didn't think the program was being administered the way it was intended. From Crockett, Houston County, yesterday came a report that the 1930 cotton acreage allotment for that county would be cut to 13 per cent of the 1940 acreage. B. F. Vance, state chairman of the Agriculture Marketing Administration, said the report was "absolutely untrue." Cotton men here, under present interpretations of the law, have estimated that West Texas will gain under the 1930 allotment. South Texas will lose, and Central Texas will lose to a certain extent. Poage is to meet tomorrow with J. Walter Hammond, head of the Texas Farm Bureau Federation, and farm bureau representatives from Swisher and Houston Counties. The Waco congressman said yesterday that neither he nor the farm

bureau was opposing the idea of cotton acreage allotment but they did question the manner of administration. Poage said the entire matter hinges on acreage allotment credits due farmers for changing from cotton to war crops such as grain sorghums during the war period. He pointed out a section of the allotment law which says that no state would get less than 95 per cent of the average 1947 and 1948 plantings. "Texas came under this provision by a 95-acre difference," Poage said. "No one figured Texas would come under the provision which was set up for California and other states." Poage said that in administering the law, another provision was being overlooked. He said this provision required that farmers get credits for their war crops, regardless of other provisions in the statute.

Shaw Says Must Shoot Or Be Shot

GLASGOW, Scotland, Dec. 2. (AP) —George Bernard Shaw says that if war comes, pacifists must "shoot or be shot." Answering a staff member of the forward, Glasgow labor weekly, who asked how to get established as a registered conscientious objector to military service, the tart-

tongue socialist playwright wrote: "A country that engages in war, rightly or wrongly, is like a ship that has struck a breaker and is leaking. The order must be 'all hands to the pumps,' no matter how faulty or wicked the navigators may have been. 'Pacifists should do all they can to prevent war, but if it nevertheless breaks out, it is too late to do anything but fight.'"

Escaped Convict To Die in Chair

HOUSTON, Dec. 2. (AP) — J. W. Morrow, Jr., 29-year-old, escaped convict, has been sentenced to die in the electric chair for the slaying of a Harris County Deputy sheriff. District Judge Langston G. King yesterday set the date of execution as Jan. 10. Morrow was convicted of shooting Deputy Eddie Shoener July 13, 1938.

Oklahoma Town Suffers Heavy Damage In Fire

SAPULPA, Okla., Dec. 2. (AP) — A fast-moving fire swept through a four-story hotel and destroyed a quarter of a block of business buildings today in downtown Sapulpa. First reports indicated there were no fatalities. Approximately 60 persons were registered at the hotel. Many fled in their night clothes. One occupant reportedly suffered a broken leg in a leap from a third floor window. Firemen, using a net, caught another hotel occupant who jumped from one of the upper stories. Sapulpa Fire Chief Bill Collier said there was a possibility there might be some bodies in the ruins, but he knew of no definite fatalities. The first alarm came in about 1:30 o'clock this morning, Collier said, and two hours later approximately a quarter of a block of buildings had been razed. Among the buildings in the section were an auto agency, a grocery, a home appliance store and a fish market. J. C. Nayphe, night clerk of the hotel, the Lorraine, said he called all guests with telephones in their rooms after the blaze was discovered and sent a bellboy knocking at the doors of others. Sapulpa has a population of about 18,000. It is 18 miles west of Tulsa. No immediate estimate of the damage was available. Tulsa companies went to the aid of the Sapulpa Fire Department.

 "God the Only Cause and Creator," is the subject of the Lesson-sermon which will be read in all Churches of Christ, Scientist, and in the local reading room, 217 1/2 Main, Sunday December 4. The Golden Text is: "Unto thee, O God, do we give thanks, unto thee do we give thanks; for they name is near thy wondrous works declare." (Psalms 75:1)
 Among the citations which comprise the lesson-sermon is the following from the Bible: "For thus saith the Lord that created the heavens: God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the Lord; and there is none else." (Isaiah 45:18)
 The Lesson-sermon also includes the following passage from the Christian Science text book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God is individual, incorporeal. He is divine Principle, Love the Universal cause, the only crea-

AND THERE WAS LIGHT

When God said "Let there be light," He created the conditions under which life could exist on the earth. Without light, the earth would become a frozen ball, barren, desolate, and lifeless.
 It was a great day for the human race when man learned to draw the imprisoned sun-rays from the elements and convert them into heat and light. It marked the beginning of human progress.
 Step by step he has advanced from the brush fire to the marvels of electricity. With more light he has increased his knowledge, added to his safety, and improved his living standard.
 Religion is the light of the spiritual world, and is essential to the growth and well-being of the soul. The Psalmist said, "The Lord is my light and my salvation," and the teachings of Jesus are the "true light" for all who will heed them.
 Wherever the Bible is accepted as the guide of life, darkness disappears and the light of faith shines in the hearts of men.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
 The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

'La Traviata' Ticket Sale Begins, Reports Are Given At AAUW Meeting

Approximately 400 tickets for the opera, "La Traviata," were purchased or reserved in the first day of sale by the American Association of University Women, Big Spring Branch. This announcement was made at a regular program meeting of the group held in the Gril Scout hut Thursday evening. Tickets are on sale from 10 a. m. to 6 p. m. weekdays in the lobby of the Settles hotel. Mail orders are being accepted at Box 1509.

During the business session presided over by Nell Brown, it was also reported that the branch has 25 national and six associate members.

Mrs. Hammons Mobley and Mrs. Aleste Carleton directed the program which took the themes, "Artists In The Music World" and "Leaders In The Field of Religion."

Illustrating her discussion with pictures of a number of women musicians, Mrs. Mobley spoke briefly concerning the place which women occupy in the field of music, telling of some of the reasons why it is not greater. She stated that a woman's position in the field of music did not depend on the box office.

"Wide open eyes filled with tears," is the description which Marion Anderson's accompanist has given concerning the Negro singer's voice. Taking Marion Anderson as a representative of women in the field of music, Mrs. Mobley told how she was recognized early as a singer, but was not able to overcome racial prejudice until she made a tour of Europe. She stated that one great composer said of the singer, "what I have heard today, you are privileged to hear only once in 100 years." She said that the singer's great serenity was rooted in religion and rests on her great belief. Mrs. Mobley concluded her part on the program by playing a record of Marion Anderson's, "Ave Maria."

In discussing women in religion, Mrs. Carleton chose two women whom she has met personally. One was a British woman, Muriel Lester. The other was a teacher, Georgia Harkness.

Mrs. Carleton told how Muriel Lester, the daughter of wealth, became interested in the poor of London. She described Miss Lester

as a disturbing woman, uninterested in the accumulation of wealth. She told of how the Kingsley House staff lives on meager means and a strong belief in prayer. She said that three times a day, the staff stops for prayer and that four nights of the year are given to prayer. Starting against war, Miss Lester practices and preaches, said Mrs. Carleton, the three teachings, "love your enemies," "sell all that you have and give to the poor" and "seek

ye first the kingdom of God." Mrs. Carleton told of the unusual accomplishments which Georgia Harkness has made as a woman teacher of theology. She stated that she has written 12 recognized books and received the Abington-Cokesby Award. A member of the study commission of the World Council of Churches, the theologian has been recognized by the General Federation of Women's clubs as one of 53 "successful women pioneers," said Mrs. Carleton.

Mrs. A. Ray Russell Gives Devotional At HD Council Meeting

Mrs. A. Ray Russell brought the devotional, "The Christmas Story," at the luncheon meeting of the Home Demonstration Council in the Hotel Settles Thursday morning.

Mrs. C. H. Devaney presided during the business session. Unit reports were read and round table discussion was held. Announcement was made that the next Council meeting will be held in Stanton, February 2.

Attending were Mrs. C. H. Devaney, Mrs. Jim Hodnett and Mrs. Jimmie Brooks of Coahoma; Mrs. Edmund Tom, Mrs. A. Russell and Mrs. O. H. Warren of Stanton; Mrs. J. A. Thorn of Garden City and Mrs. H. B. Reagan of Midway.

Artificial Larynx Restores Speech

MELBOURNE, Australia. (AP)—An engineer and his doctor have worked together to perfect a chromium larynx which gives speech to mute people.

Ten years ago, Harry Shannon, the engineer, had his larynx removed and was told he would never speak again. But he made a thorough study of the larynx and used his engineering skill to make an artificial articulator. His first important clue was the discovery that the vocal chords produce a constant tone, which is modulated by use of the lips and teeth. When in use, his chromium gadget which resembles an inhaler, is held in one hand, one end of the tube being connected to an aperture in the throat and the other slipped between the teeth.

Now Harry Shannon talks like any normal person. By changing from one articulator to another, he produces the voice of a baritone or a soprano, while he ever has what he calls a "roarer" for cheering at football matches and a "whisperer" for more confidential moments. The artificial larynx has brought speech back to many other mute Australians.

The First Baptist church of Stanton, under the direction of the Finance committee, has designated Sunday as Debt-Retirement day. Those on the Finance committee are J. C. Sale, John Pinkston, Grady Cross, B. F. White and Guy Eiland.

The church membership plans to remove the remaining indebtedness against the new church building, which was completed during November, 1948. The congregation worshipped in the newly completed building for the first time one year prior to the Debt Retirement day.

The building program which has been financed entirely by gifts will be climaxed Sunday, when the membership of the church and interested friends seek by a united effort to eliminate the remaining indebtedness.

Members of the Wesley Methodist church will serve as hosts to a deputation team from McMurry college at all-day services Sunday. The Rev. C. C. Hardaway will serve as host pastor.

Sponsored by the Rev. H. Doyle Ragle, director of religious activities, the group of 11 students will arrive in Big Spring early Sunday morning.

The Rev. Ragle will have charge of the morning services. His sermon-topic will be entitled, "Faith In Christ."

Sunday evening services will find the McMurry students presenting a devotional and Dorothy Clark Wilson's play, "A Good Soldier." Henry Parmenter, senior drama student from Turkey, is the producer and director.

Other students in the cast include Rex Mauldin, Amarillo; DeLacy Frampton, Dalhart; Tommy Russell, Turkey; Howard Graham, Farwell; Lesh Lane, Carlsbad, N. M.; Wayne Murry, Childress; Virginia Rogers, Amarillo; Audie Merrill, Midland; Edna Bray, Bangs and Virginia Derr, Chillicothe.

RIBBON RAMBLINGS

By Mildred Young

Guess the great American heart isn't as hard as it sometimes pretends. When a news commentator started his broadcast with a statement about John L. Lewis killing Santa Claus and kids begin to call newspapers and radio stations, NBC arranged a special broadcast from the North Pole. At the mike was Santa Claus, who told people everywhere that he was very much alive and would make his usual Christmas Eve visits.

There are a lot of people trying to kill Santa Claus and the ideals that he represents. They're trying still harder to kill the original spirit of Christmas, too. (Christ did come first not Santa Claus.)

Maybe, we have less to worry about when we think of someone killing Santa Claus than we do when we think of the attempts to stamp out the spirit of Christ. After all, Santa Claus is better known and has greater protection. Just look at what he means to business men and industry. Sales would go down tremendously if something happened to Santa Claus. Christianity has a commercial value, too, but very few of us ever think about that.

Big Spring's Christmas shopping season opens today with a visit from Santa Claus. There will also be a treasure hunt. These events will be completed by the time most of you read this column, but the shopping season and the Christmas season will have only started. It would be a wise move for all of us to go shopping for more than commercial Christmas gifts or looking for Santa Claus. Both have a very important place. But it would be wise for us to go shopping for the ideals which make Santa Claus what he is, the spirit of the real Christmas.

James S. Parks Is Guest Speaker For South Ward Parent-Teachers

The Rev. James S. Parks, pastor of the East Fourth Baptist church, served as guest speaker at the meeting of the South Ward Parent-Teacher association Thursday afternoon.

Using as his subject, "Teamwork Between the Church and the School," the Rev. Parks stressed the importance of keeping the high ideals of Christian living before the children. He emphasized that this is especially true in the home.

In conclusion, the Rev. Parks stated that "every child has a right to have a Christian father

and mother who are interested in their spiritual welfare as well as to minister to their physical needs."

Following the address pupils of the second grade class presented a Christmas program under the direction of Mrs. Violet Reed and Mrs. Elizabeth Cather.

Mrs. Lee Harris presided during the business session and reported on the state convention in Waco. Plans were completed for the stew party to be held in the high school cafeteria Friday, December 9 from 6 to 9 p. m.

Sterling Flock Bids For Title

STERLING CITY, Dec. 2.—The high scoring Grandfalls Mustangs and G. W. Tillerson's crafty Sterling City Eagles tangle at 7:30 o'clock here tonight to determine the Regional six-man football champion.

Area Stations To Air Game

Several West Texas radio stations, including KRIG Odessa, KIUN Pecos and KPET Lamesa will handle the play-by-play broadcast of the SMU-Notre Dame game from Dallas Saturday.

Baylor-Pacific Game Is Booked

SAN FRANCISCO, Dec. 2.—Subject to ratification by the players of the Texas school, undefeated and untied College of the Pacific will play Baylor University in a bowl game.

Leo C. Lee, president of the San Francisco Press Club, says the two schools have informally agreed to play in the first annual "Press Club Bowl" either in Kezar Stadium in Berkeley Dec. 26.

Kezar seats 60,000 fans, California 90,000. Dr. Robert Burns, College of the Pacific president, said Baylor had given assurance it would like the game, but in Waco, Ralph Wolf, Baylor athletic director, cautioned "We can do nothing until all the Baylor students return from home. This is the week between terms here. We of course, wouldn't play if the players didn't want to."

He said the decision probably would not be reached before Monday.

Tarleton Named Mission Prexy

SAN ANTONIO, Dec. 1.—Robert S. (Bob) Tarleton, Brooklyn Dodgers scout, has been named president of the San Antonio Missions of the Texas League.

William O. DeWitt, president of the St. Louis Browns, announced the appointment. The Missions are owned by the Browns.

Billy Byrd, who had been acting as president of the club since the death early last year of William L. Osley, Tuesday was fired by the Browns.

Tarleton, a veteran baseball executive, has been connected with Dallas, Beaumont and Shreveport in the Texas League.

DeWitt said a new field manager may also soon be named for San Antonio. Gus Mancuso, manager in 1948 and last season, was released in October.

NOTICE TO DOG OWNERS...

In response to numerous complaints, The City of Big Spring has employed a Dog-Catcher, effective December 5th

Dogs running at large will be impounded, and if not redeemed by the owner within 72 hours, will be destroyed by the City Veterinarian.

To redeem an impounded dog, the owner must have the dog vaccinated against rabies, and secure a City dog license.

The City dog ordinance prohibits dogs running at large, even though properly vaccinated and licensed, and such licensed dogs will be impounded if caught off the owner's premises and not accompanied by the owner.

Please cooperate by having your dog vaccinated and licensed, in order that we may clear up the dangerous conditions being caused by the large number of stray dogs roaming through the City.

CITY OF BIG SPRING

Six Schoolboy Games Carded This Evening

By HAROLD V. RATLIFF Associated Press Sports Editor Games on six fronts today and tonight mark the opening of the state championship play-off round in Texas schoolboy football.

Undefeated, untied Wichita Falls goes to Pampa. Highland Park (Dallas) to Paris, Marshall to Conroe and undefeated, untied Corsicana to Austin in afternoon games in the Class AA division.

Tonight Harlingen will be at Alice in Class AA and Sunset (Dallas) will play Paschal at Fort Worth in the opening battle of the city conference state semifinals.

Tomorrow San Jacinto of Houston will play Thomas Jefferson at San Antonio to furnish the Sunset-Paschal winner's opponent in the finals next week.

In Class AA undefeated, untied Lubbock journeys to El Paso to play Austin (El Paso). Breckenridge goes to Abilene and unbeaten, untied Port Arthur entertains Galveston.

Next week Class AA will be in its quarter-finals. It will be the fourth week in December before the finals are reached in this division.

Thomas Jefferson is favored to win the city conference championship and Port Arthur rates tops in Class AA.

Sunset is expected to furnish Jefferson's opposition in the finals. Lubbock is favored to win in the upper bracket and oppose Port Arthur in the State Class AA title game.

Close games appear between Sunset and Paschal, Pampa and Wichita Falls, Abilene and Breckenridge, Paris-Highland Park and Corsicana-Austin but Thomas Jefferson, Lubbock, Marshall, Port Arthur and Alice are heavy favorites.

Our average in picking winners in the high school race is status quo at this time since we haven't yet picked on any. Here's how we tear down even the status quo: Sunset at Paschal—A weak vote for Sunset.

San Jacinto at Thomas Jefferson—Jefferson has too much and too many Jeff by three touchdowns. Wichita Falls at Pampa—Wichita Falls did it once at home but it's on the road this time; however, the Coyotes ought to eke through Wichita Falls by a touchdown.

Lubbock at Austin (El Paso)—Austin isn't half-way up to stopping the Lubbock Avalanche; Lubbock by four touchdowns.

Breckenridge at Abilene—This will be a ball game between teams that tied when they met before but Abilene will make it this time—by a touchdown.

Highland Park at Paris—How close can a football game be? Well that's how close Highland Park will win it.

Marshall at Conroe—The Mavericks are too big and versatile; Marshall by two touchdowns.

Galveston at Port Arthur—Galveston might make it interesting but it is Port Arthur without hesitation.

The Hawks return to action here Saturday night, tangling with the ACC reserves in an 8 o'clock game at Steer Gym.

Howard County Junior college's Jayhawks gave an indication they would be tough to deal with in future basketball wars when they slaughtered the Cisco JC Wranglers, 52-36, here Thursday night.

Coach Harold Davis cleaned the bench in efforts to keep the score down but to no avail. Cisco didn't stand a chance against the aroused Big Springers.

Just to make the evening about perfect for HCJC, the B string ran up a 33-21 victory over the Cisco reserves in a preliminary joust.

Bill Fletcher, HCJC's brilliant forward, missed the trail for the locals in the varsity game. The former Dallas prep star hit the target for 28 points. Melvin Norris came in for 14 while Louis Stallings, Del Turner and Culin Grigsby came in for a dozen each.

Leonard Grigsby was Cisco's best point-getter with 15. In the B game, big Leon Blair and Ernest Potter led the Hawks to victory. Blair roped 13 points while Potter came in for ten.

HCJC enjoyed a comfortable 17-9 lead at half time but permitted the resists to pull even with them in the second half before finding the

range again.

The first game was delayed an hour and a half due to the fact that the Cisco bus broke down in Sweetwater and the team was late in arriving.

Coach Harold Davis informed the turnout, which was near capacity, there would be a delay but few of the patrons left. Those that stayed got their money's worth.

Southern Methodists Meets Irish Without Star Back

Doak To Watch From Sidelines

By WILBUR MARTIN AP STAFF

DALLAS, Dec. 2.—Golden Doak Walker will end his collegiate football career on the bench tomorrow—and in civilian clothes.

Southern Methodist University Coach Matty Bell last night said his triple-threat backfield star wouldn't even suit out for tomorrow's game with mighty Notre Dame.

The definite loss of Walker dimmed further Southern Methodist's already dim hopes of upsetting the Irish, shooting for their 38th consecutive victory.

"His leg just didn't respond to treatment," Bell said of Walker. "He can't run at all."

Walker re-injured a leg in the Texas Christian University game last week. He was out most of the second half.

Bell would not name the back who would replace Walker. "We're trying several combinations," was all he would say.

Walker, an All-America for three straight years, was one of the most homes Southern Methodist rooters had for an upset over Frank Leahy's powerful eleven.

Leahy planned a practice this afternoon for his gridderies. The football squad came to Dallas on a special train carrying several cars of Notre Dame fans.

Without Walker, Kyle Rote will bear the brunt of the Mustang running attack. The big, hard-running junior will also probably handle punting and extra point kicking if any of the latter are needed.

The Mustangs went through their last hard practice yesterday. They've been working out all week behind barred gates. There's been no hint of what new tactics they will unveil, but there have been plenty of rumors. One of the wildest has Bell switching from the single and double wing formations to the Split T for this game.

It's a pretty safe guess that Southern Methodist will go all out on offense, with passing a major item in the Mustangs' attack. Rote and Fred Benner are the most likely chunkers.

SMU students staged a giant pep rally last night. Assistant Coach H. N. (Rusty) Russell promised "It will be a ball game."

Walker told the rally: "I believe there's going to be trouble for the Irish Saturday."

Dons, Violets Upset Victims

NEW YORK, Dec. 2.—The College basketball season officially opened last night and right off the bat two major upsets went into the books.

The University of San Francisco, national invitational tourney champions and regarded as one of the top teams in the country this season, took a 43-38 jolt from San Jose (Calif.) State while Vanderbilt, a 13-point underdog, whipped New York University, 65-59, in overtime at Madison Square Garden.

The Vandy-NYU struggle was the feature of the season's first doubleheader at the Garden, an event usually considered as marking the official opening of a new cage campaign. In the first game Long Island nipped the Texas Aggies, of the Southwest Conference, 6-52.

Jaavelina Ace Had Standout Record

KINGSVILLE, Dec. 2.—Flashy Gene Greene, Texas All-halback from Edna, in his first year with the Jaavelinas has piled up one of the best all-around offensive records in Texas College football. And his record of kickoff returns may be hard to match anywhere in the nation. They ranged as high as 100 yards.

Greene took in 11 kick-offs this year and made them good for an average of 42 yards per return. A threat any time he got his hands on the ball as a safety, the 160-pound back brought 15 punts back for an average of 26 yards each. Some of his more spectacular runs include kickoff returns of 100 yards and 92 yards each, punt returns of 93 yards and 57 yards each, and a run from scrimmage for 68 yards—all for touchdowns.

TRIALS SET MONDAY PALESTINE, Dec. 2.—Two thousand dollars in prizes will go to the winners of the Texas Open Championship field trials starting here next Monday.

LOOKING 'EM OVER With Tommy Hart

Singling out the winners in this weekend's football games (or at least trying):

ABILENE 13 BRECKENRIDGE 7. These two old rivals met earlier in the campaign and fought to a 7-7 deadlock. Abilene has played some very good, bad and indifferent football through the season. The same could be said for the Buckies. However, the Eagles are deeper.

HIGHLAND PARK 14 PARIS 5. The Scotties have played the toughest schedule and done better. Only Wichita Falls humbled the Highlanders. Corsicana beat the Paris club by three touchdowns, though the Lions came on impressively at season's end.

AUSTIN 20 CORNICANA 13. This is a tough one to call. However, the Austin club will be playing at home, which could mean a lot. Austin has played some fair clubs and holds a 27-5 victory over Thomas Jefferson of San Antonio, a team that is the favorite in City Conference play. Corsicana had to throttle the defending state champion, Waco, to win its own district and just skinned by that one.

WICHITA FALLS 14 PAMPA 6. The Coyotes hold one decision over Pampa but this one is to be played in Pampa. For that reason, an upset could be in the making. We've always been told to stick with a winner, though, and the Coyotes haven't had to lick any wounds yet.

PORT ARTHUR 27 GALVESTON 6. If the Jackets want the difference to be more pronounced, they apparently have the runs to do it. A team like Galves could get hurt playing with such big boys.

MARSHALL 21 CONROE 7. The winners aren't going anywhere in the state race but the Mavericks should take this one handily, unless Conroe has added Chuck Justice and Lindy Berry to its backfield.

ALICE 20 HARLINGEN 6. Alice turned the trick once in a non-conference game with the Valley club. There's no reason why the game shouldn't go that way again.

WINK 26 BALLINGER 6. Ballinger limped to its district title and, from all reports, was lucky to get by Ranger last week in a game that ended 6-2. Wink has been moving ahead and may have the artillery to cop the state honors Monarchs won a year ago. Too, the Wildcats will have the advantage of playing at home.

And on the college front: NOTRE DAME 38 SOUTHERN METHODIST 14. The Ponies have woful line weaknesses and just about the leastest pass defense in the Southwest. They also have an offense, when Doak Walker is in there, that can score on any team, even mighty Notre Dame. This one should be all offense.

ALABAMA 19 AUBURN 7. Travis Tidwell and Auburn have been moving ahead but will have to go some to catch this Alabama club, which is on its way to being a Southern grid power again.

SOUTH CAROLINA 14 THE CITADEL 6. Rex Enright's Gamecocks have been a surprise all along.

MARYLAND 7 MIAMI 0. We probably picked the wrong horse but the Terrapins, bowl bound, have played the stronger teams.

Bulldogs Romp On Knott, 33-16

KNOTT, Dec. 2.—Coshoma's Bulldogs trounced the Knott Hill Billies, 33-16, in the feature of a basketball double header played here Thursday night.

Bill Bennett paced the Coshoma offensive with 19 points. Rodney Cramer came in for eight, Ed Dickson for four and Paul Shedy for two.

Kenneth Larga proved Knott's outstanding threat, hitting for ten points.

Coshoma led at half time, 14-7, and pulled away rapidly when play was resumed.

Coshoma also won the girls' game, 21-6. Bonnie Landley roped 16 points, Norma Barr six and Wanda Shive two.

Faye Williams was Knott's pace setter with ten points.

Coshoma hosts Arkcity in a non-conference joust Monday, then plays Lorraine at Coshoma on Thursday night, Friday night, the Bulldogs invade Garden City to open their conference program.

Glamor Heavy Meets Brion

NEW YORK, Dec. 2.—Roland La Starza, unbeaten glamor boy of the young heavyweight crop, bids for international recognition tonight in a 16-round Madison Square Garden bout with Argentina's Cesar Brion.

This is the big fight in the careers of both these 23-year-old hopefuls whose eyes are trained on the gold and glory of the heavyweight championship. A decisive knockout and win could earn a June title date with Ezzard Charles for either boy.

Even more intriguing than a Charles bout is the possibility that an impressive victory might lure Joe Louis out of retirement next summer. An outstanding young contender against the Brown Bomber would be a sure fire million dollar game.

Before worrying about Charles or Louis, both of tonight's sluggers must deal with the business at hand. It shapes up as tough match with La Starza deservedly a 5 to 3 favorite.

Under the careful handling of Manager Jimmy (Fats) De Angelo, La Starza, a former City College lad, has been moved slowly up the ladder.

While La Starza, was bowling over 17 of 35 victims by knockout, little attention was paid to Brion who is billed as the greatest South American slugger since Luis Firpo. He was little known until he knocked out Bernie Reynolds in a major upset on the Charles-Gus Lesnevich card last summer. Since then Brion, a rangy young fellow with a baby face, has flattened Tami Mauriero and Jimmy Walls. He has won 28, lost two and knocked out 15 opponents.

Physically, the edge is all with Brion. He is four inches taller than La Starza and he has a four-inch edge in reach. The 6 foot 7 1/2 inch Brion will weigh about 185 to La Starza's 187.

Burleson Against Loan To Mexico For Oil Resources Development

WASHINGTON, Dec. 2. (AP)—Rep. Burleson (D-Tex.) said here yesterday that despite his sympathetic attitude toward Mexico he could not favor a loan to that country for development of oil resources.

The Texas, along with Reps. Carnahan (D-Mo) and Teague (D-Tex), has just returned from a four-week tour of Latin America. Burleson feels that the oil industry poses a major problem to nations in the Western Hemisphere.

"The petroleum problem is a difficult one," said Burleson, "with a different approach to its solution needed, in various countries.

"The economy of Venezuela, for instance, is tied up with exports. If there is a drastic reduction in their foreign shipments they will suffer.

"Here in our own country, foreign imports are causing serious cutbacks in production and our own petroleum industry is adversely affected."

As members of the House Foreign Affairs Committee, Burleson and Carnahan paid particular attention to conditions which have a

PALMER GRADUATES

'DRIVERLESS' CAR STUNNIES POLICE CHIEF

ATHENS, Dec. 2. (AP)—Police Chief M. E. Kinsey thought for a while he had on hand a mystery as spooky as a headless ghost.

It appeared to be a driverless auto that could cut all sorts of capers.

The chief spied the car in a law violation. He gave chase. The car sped out in front of him. Then suddenly it skidded to a stop.

The chief leisurely strolled up to it. Then he drew back, startled. There was no driver!

The only person he saw was a woman sitting on the back seat. She seemed frightened.

"Where is the driver?" The chief asked.

"I don't know," the woman whispered.

The chief thought for a moment, then said:

"Well, I guess I'll have to arrest this car. It would be dangerous to let it go on driving itself around town."

Then came the truth. The lady confessed she was the driver. She explained she stopped the car and scampered from under the wheel when she saw she was going to be overtaken.

"I knew only a driver could be fined," she said.

The chief let her off without a ticket, but cautioned against any further "backseat" driving in the future.

No. 1 Guthrie Drillstem Test Shows Only Mud

A drillstem test in the top of the Pennsylvania section returned 25 feet of mud and no shows for the Southern Minerals & Forest Oil Co. No. 1 R. V. Guthrie two miles northwest of Coahoma Thursday.

The tool was open 30 minutes from 6,936 feet. Top of the section was picked at 6,965 feet with slight porosity and oil strain from 6,790 feet and 6,990. Drilling was resumed and progressed below 7,072 feet in lime. Location is in the C SE SW of section 26-31-1n, T&P.

Mineola Slaps Down Atlanta

By The Associated Press Mineola handed Atlanta an 18-13 licking last night and moved into the quarterfinals of the Class A state high school football race.

Six more second-round games will be played today and tonight and one tomorrow.

John Kelly passed to Benny Sinclair for the third quarter touchdown that put Mineola a step nearer the state championship. Bobby Don Walker had caught Kelly's fumbled kick and ran it 22 yards for a first down on Atlanta's 39-yard line to set up the touchdown.

Powerful Littlefield takes on Lefors today at Amarillo; Bowie and Garland tangle at Garland; Grand Saline meets Mexia at Corsicana; Rosebud plays New Braunfels at Temple, French (Beaumont) meets El Campo at El Campo and Mission takes on Uvalde at Mission.

Tomorrow, Wink and Ballinger clash at Wink.

Lefors, Mexia, New Braunfels, and French are undefeated and tied for Ballinger, Bowie, and Uvalde are unbeaten but have been tied.

Walker scored first for Mineola, in the second quarter. He climaxed a 72-yard drive by driving over the goal from the four-yard line.

John Simmons scored from the one-yard line shortly afterward to tie the score for Atlanta. But just before the half ended, Kelly smashed over from the three-yard line for Mineola. Benny Castool had blocked an Atlanta punt and recovered on the six-yard line.

Atlanta's last touchdown came in the fourth period. Bobby Cues' 57-yard return of an intercepted pass set it up. Gene Murty made it from the one and Charles Musgrove kicked the extra point.

Mineola will play the winner of the Garland-Bowie game in the next round of the playoff.

Funeral Rites For Fire Victim To Be Held In City Today

Services were to be held in the Eberly Chapel at 4 p. m. today for Charles C. Powell, 41, pioneer resident of Big Spring.

Mr. Powell died Wednesday afternoon at Arlington of burns sustained while he slept.

The Rev. Aisie Carleton was to be in charge of the service and interment was to be in the I.O.O.F. cemetery beside the grave of his wife, Susan Powell, and his parents, Mr. and Mrs. Can Powell.

Masons were to have charge of the gravesite rites.

Mr. Powell came here with his parents soon after the Texas and Pacific railroad, built into Big Spring. He had operated a bakery here for a number of years.

Survivors include his brother, Frank Powell; four sisters, Mrs. Lily Roberson, Toyah, Mrs. Mae Tamsitt, Big Spring, Mrs. Grace Cardwell, El Paso, and Mrs. Ora Wood, Portales, N. M.

Palbearers were to be Elton Taylor, Charles Deats, H. V. Crocker, John C. Smith, Lee Porter Harry Lees, H. W. McCanless.

Early Yule Turkeys

NEW YORK (AP)—Turkeys grow fast. Slightly larger than a baby chick at hatching, they quickly attain a size that dwarfs the chicken.

Turkeys hatched in April are oven size by Thanksgiving or Christmas. Some of them, the males particularly, attain a weight of 25 pounds or so in that time.

AWAITING THE WORD—A group of miners stop to listen to a radio for some word from UMW Chief John L. Lewis after completing their shift in Morgantown, W. V., at midnight, deadline for a new coal strike. They were not replaced in the pit by the night shift. Several hours later, however, Lewis announced a new three-day work week for the miners. SUNDAY SCHOOL LESSON
Jeremiah Denounces False Prophets

Scripture—Jeremiah 8:8-13; 23:28-29.

By NEWMAN CAMPBELL.

How history repeats itself. More than 2,500 years ago, in a crucial time in Hebrew history, false prophets were cheering the people with promises of peace.

Now, after two dreadful wars, we continue to hope for peace, but still there is no peace. Petty bickering between nations; quarrels, fault-finding, interference in one another's affairs; clashing ideologies, make all the world fear other conflicts. In fact, there is constant fighting in some parts of the world, and threats of violence in others.

As we approach the Christmas season, we remember sadly that Jesus' birth brought the promise of peace on earth—but it comes not.

With his sure knowledge that Jehovah was angry with his people for their backslidings, Jeremiah sought to arouse them from their lethargy.

Prophets (so-called) were lulling them with cheerful words. He reproved them, saying "How do ye say, We are wise and the law of the Lord is with us? Lo, certainly in vain made he it; the pen of the scribes is in vain.

"For they have healed the hurt of the daughter of my people, when there is no peace."

This is the first time the scribes as a professional class are mentioned in the Bible. They were the first copyers of the law, and came to be interpreters of the law. They played a large part in the opposition to Jesus.

Chapter 23 belongs: "Woe unto the pastors that destroy and scatter the sheep of My pasture! saith the Lord."

Some day, He promises, "I will gather the remnant of My flock out of all countries whither I have driven them, and will bring them again to their folds; and they shall be fruitful and increase."

Is this prophecy being fulfilled in the establishment of Israel, where thousands of homeless people of the Jewish race are seeking sanctuary?

The Lord commanded Jeremiah to try again to bring the people to a sense of their sins, and the punishment that surely would come because of them.

If they would not hearken, Jeremiah told them, "Then will I make this house like Shiloh, and will make this city (Jerusalem) a curse to all the nations of the earth."

Jeremiah was talking to the priests, princes, people and so-called prophets in the temple, and when he had ceased speaking, there was much talk of putting them to death. Jeremiah answered them:

"As for me, behold, I am in your hand; do with me as seemeth good and meet unto you.

"But know ye for certain, that if ye put me to death, ye shall surely bring innocent blood upon yourselves, and upon this city, and upon the inhabitants thereof; for of a truth the Lord hath sent me unto you to speak all these words in your ears."

Then all began to remember other great prophets who had been sent to them and whom they had put to death. Their feelings changed, and they decided not to harm him, for, said they, "This man is not worthy to die; for he hath spoken to us in the name of the Lord our God."

In the 27th and 28th chapters of the Book of Jeremiah, the people were advised to submit to Nebuchadnezzar in all things. The king of Babylon had taken most of the gold temple vessels to Babylon, but they were not to rebel. The Lord had allowed Nebuchadnezzar to have dominion over this people, and they were warned to bow to his will.

One false prophet appeared to the people, and even Jeremiah seemed to assent to his words. Jeremiah wore about his neck a wooden yoke, but Hananiah broke it off, and told the people that in two short years their exile should end and the golden vessels should be returned to the temple. This, Jeremiah knew was false.

The Lord told him to tell Hananiah that the yoke of wood would be replaced by one of iron, and that they were not to look for deliverance, as Hananiah was a false prophet.

Also Jeremiah was to tell Hananiah that because of his false prophecies he would shortly die, and he did "the same year in the seventh month."

This Flier Stood Not On Order Of His Going

FORT WORTH, Dec. 2. (AP) — An Air Force sergeant bailed out of what he thought was a crippled, burning B-36 bomber yesterday. The plane — with the rest of the crew — landed safely at Carswell Air Base.

Sgt. Lowell A. Reif, 26, jumped when he looked out and saw the No. 3 engine aft. The pilot had feathered (cut down power) the No. 4 and No. 5 engines.

Reif said he thought it was the prearranged plan to "get out quick" under such circumstances. So he did.

Sgt. Robert Yankaskas said Reif "didn't say a word to anyone—he just jumped out of his seat and went head first through the hatch."

The pilot, Lt. Clifford Schoeffler, and Co-Pilot Lt. Wesley I. Pendergraft extinguished the engine blaze with a fire extinguisher.

The pilot said he had given the crew no pre-arranged bailout instructions.

China Nationalists Seek New Capital

CHENG TU, China, Dec. 2. (AP) — The uneasy Nationalist Chinese government east today for another capital, expecting to be forced out of here within three weeks or less.

Chengtu's position becomes more precarious with each step the Communists advance toward it from fallen Chungking, 170 miles southeast. The Reds are coming on at a fairly fast clip. They have cut the highway between the old and the new capital in several places. But Nationalists denied a rumor Neighboring midway point between the two cities, had fallen.

Most people here seem to think Sichang, high in the mountains of Sikang Province, 225 miles southwest of here, will be the next Nationalist capital.

If the Nationalists are driven off the mainland, the fugitive government probably will wind up in Chiang Kai-Shek's stronghold at Taipei, Formosa.

Negro Is Sworn In

PHILADELPHIA, Dec. 2. (AP) — William H. Hastie, former governor of the Virgin Islands, was sworn in yesterday as the first Negro judge of a U. S. Circuit Court of Appeals—next to the supreme court—the highest judicial body in the nation.
