Nu Phi Mu Rushees Initiated On Tuesday

Thirteen rushees were initiated into the membership of the Nu Phi Mu chapter of the Beta Sigma Phi conducted by Theresa Crabtree and assisted by Delores Heith, incoming sponsor and Helen Steck, outgoing sponsor, at the First Methodist church Tuesday evening.

Those receiving their pledge pins included Patsy Burris, Mamie Jean Meador, Quepha Preston, Melba Preston, Lindell Gross, Wilma Allen, Evva Smith, Barbara Lytle, B. I. Steyer Robinson, Beverly Campbell, Jean Tonn, Charlotte Long and Patsy Young.

Following the ceremony, a banquet was served. The tables were covered with a white cloth and centered with an arrangement of assorted spring flowers and greenery.

During the program hour, Jane Stripling sang the selection, "An Italian Street Song," accompanied by Mrs. Nell Frazier. A short radio skit was presented by Maribel Floyd and LaVerne Casey, Evelyn Anderson.

Those attending were Joyce Howard, Dorothy Pur Jr., Delores Sanderson, Nancy Hooper, Mille Balch, Dalph: Gideon, Bobby Green, Billie Sims, Francis Weir, Doris Tyler, Melba Dean Douglas, Gertrude Hill, Marilyn Martin, Wilma Rudessel, LaVerne Casey, Evelyn Anderson, Maribel Floyd and Martha Bearden.

Guests present from the Exemplar chapter included: Marguerite Wooten, Clarinda Mary Harris and Freda Hoover. Those attending from the Omicron chapter were Mrs. J. W. Purser, Louise O'Daniel, Edna Womack and Dorothy Puckett.

High School Band Concert Is Treat For Listeners On Tuesday Evening

Those who missed the municipal high school band concert Tuesday evening missed a treat.

They not only deprived themselves of the opportunity to hear music of quality quite excellent for high school circles, but of the chance to hear and see a crop of young musicians who soon will be coming up from the junior band.

Special guests included the Orahona band. The not-too-large crowd cheered vigorously for the juniors, composed of students from Central, North, East, South, West Ward and College Heights, and heard some promising soloists. For most of these youngsters it was the first time to appear in concert. Their performance was further proof that music is taking root as an integral part of the school system, something for which many have longed for many years.

The juniors went through two marches, "Military Escort" and "Honor Band," and two overtures "Dreadnaught" and "Ambition" in commendable style under the baton of J. W. King, Jr. Massed on the stage for the city auditorium, the senior band matched its natty appearance with music that was downright thrilling. Some of the program was fairly heavy, and there were few weaknesses to be noted.

Perhaps the most remarkable improvement was in the quality of the reeds. The brass had retained and advanced its brilliance of a year ago, and in the meantime the woodwinds had developed a precision and tonal quality of considerable note. There were passages where they attained a string-like back-ground. Runs on the Sousa march, "Semper Fidelis," were handled with deftness.

Smooth is the word for interpretation of two popular selections, "Stormy Weather" and "Night and Day," the former executed with novel lighting effects and some excellent trumpet work. The tympani embellishment was well turned. The young musicians, reflecting sound discipline as well as talent, were led capably by King through "Das Pensioen," an overture; the "Finale from Dvorak's 'New World Symphony'" and "Parandole" from Bizet's "L'Arlesienne" No. 2 suite. The national anthem was played with balance, adequate volume and feeling. A year ago Dan Conley, former band director, told listeners that they had just heard, in his opinion, the "best band in Big Spring high school history." That statement could have been repeated in all justification Tuesday evening.—JP

Coahoma Girl Named On Sponsors Committee For Annual College Rodeo

ABILENE, April 6 (Sp)—Helen Engle, daughter of Mr. and Mrs. C. J. Engle, Coahoma, is serving on the sponsors committee for the third annual Hardin-Simmons university intercollegiate rodeo to be 29-30.

Miss Engle, a sophomore at the university, is a member of the H-SU chapter of the National Intercollegiate Rodeo Association.

The rodeo this year will feature six main events for the Cowboys and four for the girls. The boys will compete in bull-riding, calf roping, bare-back and saddle bronc busting, steer wrestling, bull-dogging and team roping. First place winners will receive a hand-tooled belt buckle; second and third place winners will be awarded Stetson hats, lariats, boots, spurs, shorts, saddle blankets and frontier trousers.

The girls will compete in goat-tying, cow-milking, balloon racing and barrel racing. Winners of first places will receive belt buckle sets, second and third place winners will receive Nylon hose, hat boxes and over-night cases.

The champion cowboy will receive a saddle and the winning cowgirl will be awarded a complete riding habit. In addition to these prizes, the entry money will be split among the three places, first, second and third. Eleven colleges and universities sent approximately 100 contestants to the 1948 show, when the team trophy was won by Sul Ross State Teachers college, Alpine. Year before last, Texas Tech won the trophy.

The show this year will include two matinee and two evening performances. The Hardin-Simmons Cowboy band will be on hand at all four shows to furnish the music and a Quadrille team composed of mem-

Make This Home Recipe To Take Off Ugly Fat

It's simple, it's amazing, how quickly you may lose pounds of bulky, unattractive fat right in your own home. Make this recipe yours! It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your druggist and ask for four ounces of liquid Barcostrane. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two table-spoonfuls twice a day. That's all there is to it.

If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if you're still carrying extra fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles. Just return the empty bottle for your money back.

Follow the easy way endorsed by many who have tried this plan and help bring back slender curves and graceful slenderness. Note how quickly most disappear—how much better you feel. More alive, youthful appearing and active.

10 pounds lost in 10 days. Mrs. M. C. Bolton, 204 W. Wildwood, San Antonio, Texas, writes us as follows: "I am a faithful user of Barcostrane. I had dieted for weeks without your product and needed to lose 10 pounds, so I started using Barcostrane and my worry was over for I lost the 10 pounds in 10 days. I now weigh 126 pounds. "I eat most anything I want and hold no more weight."

GOP STARTING DRIVE

Fight For Senate Led By Johnston

WASHINGTON, April 6. (AP)—The man named by Republicans to head up the fight for the Senate in 1950 said today he is starting a "down to the earth" campaign to put the Republicans in control.

He is Victor A. Johnston, administrative assistant to Sen. McCarthy (R-Wis.), recently named as the campaign director of the National Republican Senatorial Committee.

Johnston is packing his bags now to head out for the various states in which he hopes to see Republicans take the place of Democrats now in office.

He told a reporter he considers the best possibilities lie in Connecticut, New York, Pennsylvania, Illinois, Kentucky, Wyoming, Nevada, California, Washington, Idaho and possibly Florida.

There are 20 Democratic senators up for re-election next year and only 12 Republicans.

"I am anticipating no losses in the present Republican states," Johnston said. "I am not predicting, but hope to pick up seven additional seats to give the Republicans control in the Senate next year."

The Senate now includes 54 Democrats and 42 Republicans.

Here is the way he sized up the situation:

"Only real, honest hard work—at the precinct level—will bring the Republicans into power.

"The Republican role, of necessity, cannot be spectacular. We cannot, and should not, try to out-promise the new deal. On the other hand, the GOP should not go back to 1915.

"But we must act as a brake on some administrative requests. That does not mean we want to throw out everything good accomplished during the Roosevelt days.

"But we will go to the people with the idea that the Republican philosophy is best for the country if properly told. I don't believe the young people want regimentation from Washington."

Red Radio Demands Nanking Surrender

NANKING, April 6. (AP)—The Red radio broadcast an editorial tonight demanding immediate surrender of the Nanking government.

The broadcast, heard in Shanghai came a short time after authoritative sources said the Communists had handed the government an ultimatum demanding virtual surrender.

The ultimatum, these sources said, was handed to acting President Li Tsung-Jen by two Communist representatives.

These sources said the Reds demanded that a joint committee be set up by Saturday to supervise within three days the transfer of Nationalist armies to Communist command.

As a result of the ultimatum, acting President Li Tsung-Jen was said to have advised Western Powers diplomats the Reds may cross the Yangtze River within 10 days.

The Yangtze has been the line of demarcation between Nationalist and Red forces for some months.

Scientists Study New Cattle Disease

BALTIMORE, April 6. (AP)—United States scientists at Johns Hopkins University are studying a mysterious cattle ailment called X-disease which has hit Texas rangers.

Dr. Peter Olafson of Cornell University yesterday told a group that one of the worst effects of the disease is that it makes animals vulnerable to every bacterial illness. It was first noted by Cornell scientists in 1941.

Thickening of the skin, emaciation and increasing signs of lassitude are symptoms, Dr. Olafson said.

NO FIGHTS IN PROSPECT

House Will Try To Pass Big Money Bills Before Easter

WASHINGTON, April 6. (AP)—Drive hard for an Easter recess, the House tackled today the annual state-justice-commerce appropriation bill. It passed the agriculture money measure yesterday.

It waited too for the Appropriations Committee to put the final touches on a catch-all deficiency measure carrying an estimated \$100 million for the Atomic Energy Commission. That bill tentatively is slated for House debate tomorrow.

There then will be only two big regular money bills between the House and a planned Easter holiday starting April 15 and ending April 25.

No fights are in prospect on the \$684,616,102 state-justice-commerce bill, which the appropriations committee cut \$55,407,354 below the President's budget suggestions.

It carries these cash funds for the fiscal year starting next July 1: State Department: \$271,405,656, including \$34,000,000 for the Voice of America radio broadcasts. Justice Department: \$132,579,141, including \$52,585,141 for the FBI.

Commerce Department: \$259,927,605. Federal Judiciary: \$20,703,700.

In addition, there are contract authorizations of \$2,900,000 for the State Department, \$900,000 for justice, and \$58,800,000 for commerce. These are additional amounts which the agencies may obligate for future appropriation.

The annual \$701,122,679 agriculture bill skimmed through the House and went to the Senate by voice vote and without major change from appropriations committee recommendations.

There was a short but spirited scrap over an amendment to hold to \$750 the payment any individual farmer may receive for soil conservation practices. But the House upheld the committee recommendation boosting the maximum to \$2,500.

Backers of the amendment argued the higher payment would deprive many small farmers of benefits by cutting in chain, or commercial, farmers for larger amounts. Opponents insisted that the high-

er top was fair because the payments are made at the rate of \$1 of federal money for each \$3 of individual expenditure on soil conservation.

Ohio Prison Looks For Its Top Barber

COLUMBUS, O., April 6. (AP)—Ohio State penitentiary officials were looking today for their front office barber.

Clay Sims, 47, of Paden City, W. Va., personal barber to Warden R. W. Alvis and an honor dormitory trustee, walked away from the institution last night.

Sims was serving a life term for the Aug. 8, 1930 slaying of John Convent at Cat's Creek, O., near Marietta, and would have been eligible for parole in June, 1951.

BERLIN, April 6. (AP)—A sweeping amnesty today pardoned up to 70 per cent of western sector Berliners who have not yet been denazified.

Bankers Honored By Jacksonville

JACKSONVILLE, April 6. (AP)—Two bankers, Tom E. Acker, chairman of the board of the Texas State Bank, and Gus S. Blankenship, president of the First National Bank, were honored guests at the largest testimonial banquet ever staged in Jacksonville last night.

Approximately 600 friends from Jacksonville and throughout the state packed the high school gymnasium for the occasion.

Civic, religious and other community work of the honored guests were recounted by the two principal speakers. They were Fred A. Florence, president of the Republic National Bank of Dallas, and Bishop A. Frank Smith of Houston.

What To Do For That Sluggish, Down-and-Out Feeling

Remember the time when you could eat like a horse, bubbled-over with energy, felt happy as a lark? Was it not because you liked to eat—didn't know what digestion was, felt strong as an ox? An age advances the "old stomach" and the "ever-changing blood" need help. Now you may again release vibrant energy to every muscle, fibre, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that 888 Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the 888 Tonic formula which contains special and potent activating ingredients.

Also, 888 Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloats and give off that sour food taste.

Don't wait! Energizes your body with rich, red-blood. Start on 888 Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. 888 Tonic helps Build Sturdy Health.

Expect No Early Action On Increased Jobless Benefits

WASHINGTON, April 6. (AP)—CIO desires to the contrary, there seems to be little if any prospect for early congressional action on legislation to provide bigger unemployment benefits.

The committee is in the middle of public hearings on Mr. Truman's proposed legislation for expanding other parts of the social security system.

The President says he wants \$4 billion more in general taxes. Congress is not enthusiastic about it.

U. S. Communists Had Funds For Revolution, Witness Testifies

NEW YORK, April 6. (AP)—The American Communist Party maintained secret funds to carry on parts of a Moscow-dominated program for revolution in the United States, a government witness testified yesterday.

with defense counsel as he ordered that the cross-examination be conducted with "a little less of this heat and excitement."

The witness, ex-Communist Louis F. Budenz, said the party had sent him on secret missions to "help spread the program of the Communist international in this country."

Sacher also accused the judge of making a "provocative" comment.

Budenz said he knew about the secret funds because he borrowed from them while managing editor of the Daily Worker, Communist newspaper.

The judge reprimanded Sacher twice for "insolence," and also rebuked Richard Gladstein of defense counsel for "pressure" or Budenz in cross-examination.

The witness, under defense cross-examination in the Communist conspiracy trial, said part of his borrowings were for special expense for party work.

PHILADELPHIA, April 6. (AP)—Dr. Roy G. Williams of the University of Pennsylvania wishes his brown rabbit would stop snoring in the middle of cancer experiments.

Budenz, who quit the party in 1945 after a decade of service, said Robert William Weiner was in charge of the secret Communist funds.

Dr. Williams said today that for the last year he has been observing cells in the ears of a big brown bunny with the aid of a microscope.

The witness said he considered he was conspiring to overthrow the U. S. government when he was a Communist Party official.

The rabbit has become so used to the routine now, Dr. Williams said, that as soon as the microscope is moved into position, the cottontail dozes off and starts to snore, throwing the professor's instruments out of adjustment.

Budenz has been the only government witness so far in the trial of 11 top Communist leaders on charges of conspiracy to teach and advocate forcible overthrow of the government.

It just seems, Dr. Williams said, that rabbits are easily bored.

Charge Aimed At U. S. C. Of C. By School Official

FORT WORTH, April 6. (AP)—The United States Chamber of Commerce opposes federal school aid because federal aid would tax big wealth, says Edgar Fuller of Washington, D. C.

Among top Katy officials here for the meeting in addition to Morita included D. V. Fraser, Katy president; H. M. Warden, vice president and general manager; N. A. Phillips, corporate secretary, and M. R. Cring, assistant to president.

Fuller is one of the delegates to a three-day regional conference here of the American Assn. of School Administrators, National Conference of County and Rural School Administrators and Superintendents and the chief state school officers.

Officers elected by the board are Fraser, president; Warden, vice president; H. F. Hennessey, Jr., vice president; J. F. Dolard, secretary and treasurer; Phillips, assistant secretary; A. M. Jacobs, assistant treasurer; C. S. Burg, general counsel; G. H. Penland, general attorney, and J. T. Williams, auditor.

R. L. Bedwell, superintendent of schools at Hot Springs, Ark., agreed with Fuller. Bedwell said some local chambers oppose federal school aid.

Galveston Officers Hope To Add Clues And Find Killer

GALVESTON, April 6. (AP)—Galveston officers hope they can add four short hairs, a dirty khaki hood and a missing car and find the killer of Grocer Marvin L. Clark.

Officers have established time of the attack as 1:35 o'clock Monday morning as he was returning home with the day's receipts from his grocery store. He had about \$400 with him.

Police believe the khaki hood was worn by the killer. It was found near Clark's body. Officers believe the four brown hairs found inside the hood may aid in identifying the slayer.

Bit Actress Won't Have To Settle On Beery Child Suit

LOS ANGELES, April 6. (AP)—Superior Court rules that Mrs. Gloria Schumm doesn't have to accept a \$20,000 settlement from Actor Wallace Beery who she claims, fathered her child.

Judge William B. McKesson held Monday that Mrs. Schumm, 33, film bit player, must decide the matter for herself.

Mrs. Schumm said she does not want to accept it. She claims Beery, 64, is the father of her son, Johan, 13 months old. Attorneys had asked the court to compel her to accept the settlement in her paternity suit against the actor.

Mrs. Schumm, known in films as Gloria Whitney, seeks to discharge her attorneys, M. B. Harper and Milton D. Klein, who asked that the settlement be approved. Her new attorney, Maurice Rose, objected to the agreement.

The case will be tried May 25.

SHOOTING OF FORMER REPUBLICAN CONGRESSMAN CALLED 'SPITE JOB'

NEW YORK, April 6. (AP)—The street shooting of former Republican Congressman Ellsworth B. Buck was termed by authorities today as a "spite job."

Buck, 58, shot three times and seriously wounded as he left his Staten Island office yesterday, was reported in "satisfactory" condition at a hospital today.

His assailant was captured by pedestrians as he sought to flee through an evening rush hour crowd.

Police identified him as Charles Van Newkirk, 57, an ex-Merchant Marine engineer from Amherst, N. H.

Dist. Atty. Herman Methfessel who witnessed the shooting, said Van Newkirk admitted firing the bullets from a .38 caliber revolver. He was held on charges of felonious assault with intent to kill.

The accused man was quoted as saying his action stemmed from an adverse decision once rendered against him by a congressional committee headed by Buck.

The Richmond County district attorney said Van Newkirk was dismissed as commander in the Merchant Marine in 1945 because he was "an old school seaman and couldn't keep a crew."

A House Labor and Education Committee denied Van Newkirk's appeal in an opinion written by Buck.

Buck, who is a former president of the New York City Board of

Education, left the building at 132 Stuyvesant Place, St. George, Staten Island, about 5:30 o'clock. He was crossing the street when the assailant opened fire from the steps of a nearby building.

The district attorney said he witnessed the shooting from the window of his office in the building Buck had left.

Buck was Republican representative from New York's 16th Congressional District for three terms. He retired from politics last Dec. 31, after refusing renomination. He is treasurer of the L. A. Dreyfus Co.

Longhorns Rally To Clip San Angelo Cats, 4-3

A stratagem that threatened to backfire and then exploded in the face of the opposition enabled the Big Spring Steers to gain a thrilling 4-3 triumph over the San Angelo Bobcats in a District 3AA baseball clambake here Tuesday afternoon.

The imbroglio, telescoping all the bitter but clean rivalry between the two schools, went two extra innings and was not decided until Coach Conn Isaacs called for a squeeze play in the ninth frame.

Kimbel Guthrie, running for Jack Lee, who had injured his ankle after pilfering second base, went winging home when Floyd Martin, at the plate, attempted a sacrificial bunt. The pitch was high and inside, however, and Martin had no chance to drag it.

There was Guthrie, caught between the devil and the deep blue sea, half way between the safety islands, in the run-down that resulted, however, Catch Ed Hartman of the guests threw the ball away and Guthrie rambled home.

The Steers, it seemed, were always fighting back until the fatal ninth. San Angelo picked up a brace of runs in the second and another in the third, with George Kendall's two singles figuring largely in both rallies.

Big Spring didn't get strung out until the fourth, at which time the locals scratched on a walk to Donnie Carter, two steals and a blow by Ray Walker.

Bobby Clatterback, Angelo's starting hurler, began to tire around the fifth when the Longhorns nicked him for another run, that one a tall home run propelled out of the park by Arless Davis.

Not until the seventh, after Clatterback had retreated to his own dugout, did the Steers pull even. With one away, Davis singled and anked to second on a misplay by the pitcher, Rastus Schleyer. The big catcher roared on to third on a blow by Howie Washburn and hot-footed it to the dish on Martin's can-of-corn that fell in a well out in center field.

Lee finally set the stage for the fins when he singled as the first man up in the ninth.

The triumph was the Steers' third in as many starts and improved their chances to cop the 3AA flag. Angelo has now won two and lost as many.

Looking 'Em Over

by Tommy Hart

We've rarely been occasioned to read an article containing such howl as appeared under the by-line of one Joe Kelly in a Lubbock newspaper last Sunday.

Writing what was purported to be a serious appraisal on Bob Cruces, who will perform in the Longhorn league this year, Kelly proceeded to grind out a packet rife with misconception and smacking of bad taste.

"We wish him luck in the Longhorn league, a circuit that consistently takes castoffs from the WT-NM and is glad to get them," wrote Kelly. "Moreover, most of the optioned players and castoffs make good in the Longhorn circuit, a fact that generally is submerged by their writers. We need only to point to Jim Prince, who was released by Lubbock in 1947 and went on to win the minor league batting championship that year with Midland."

DID JIM PRINCE FAIL WITH LUBBOCK CLUB?

Kelly goes on to excoriate the Longhorn league and its athletes, at the same time fails to explain away the reasons for so many banjo hitters consistently clotting .400 or better in that organization without ever going anywhere.

A pox on Kelly and his narrowmindedness. In the first place, Prince didn't fail at Lubbock. He can always maintain he wasn't given a genuine chance to make good. That happens to a lot of ball players, in the second place, if he flunked out with the Hubbers then, what's he doing on the Lubbock roster now?

WT-NM SUCCESSERS HERE EXCEPTION TO RULE

Precious few are the WT-NM castoffs who have come to the Longhorn league and made good. On the other hand, Longhorn league graduates often have done better than they ever did in these parts. If Mr. Kelly is in doubt, he should consult the record. Henry Melillo didn't hit the size of his hat band for Midland in 1947 yet did very well for Lamesa last year.

Gene Hixson was an ordinary outfielder for Ballinger two years ago. Last year, he was supposed to have been better than ordinary for Lubbock. Mr. Kelly himself referred to Gene in glowing terms on occasions. For every WT-NM player "farmed out" to this league who succeeds, there are ten who fail to make the grade.

When Longhorn league players are promoted, they sail right on past the WT-NM circuit. Mr. Kelly points with pride to the success of Paul Hinrichs, now with the New York Yankees. Hinrichs may be a \$40,000 bonus player, but he'll never make the ripple as a major leaguer.

The Longhorn league can single out such graduates as Ossie Kolwe, now with the New York Giants, Roy McMillan, Henry Ramsdell, Leroy Jones, Pancho Perez, Gasper Del Toro, Dewey Jacobs, Gerald Fahr, Jose Clandin and Orlie Moreno as boys who never tarried in the WT-NM circuit after they left here.

LONGHORN LEAGUE WAS SUPERIOR IN 1948

The Longhorn league was stronger than the WT-NM league last year, whether you study the teams individually or as a unit, and that despite the lofty aspirations of such operatives as the Lubbock writer.

The Albuquerque club which won the bunting in regular WT-NM league's play last year would have had trouble staying the first division of our own circuit. Odessa was undoubtedly as good as Amarillo. Midland could probably have handled Lubbock six days a week.

Kelly probably never saw a Longhorn league game. The fact that he's viewed little but WT-NM league teams leads one to believe he's never seen a curve ball. They simply don't put the string up that way. Like the bear in the story, he ought to get curious about what goes on on the other side of the mountain and scout around in this part of the world to see how the game is really played.

Bob Woodruff Given 5-Year Contract And Salary Boost At Waco School

WACO, April 6. — Bob Woodruff, youthful head football coach at Baylor University, has a new contract—a five year agreement. He also has a salary raise.

The new contract and salary hike were authorized yesterday by the Baylor University General Board of Trustees. Amount of the salary increase was not disclosed.

Woodruff's present contract expires next Jan. 1.

In other action the board: Granted authority to local boards in Waco, Dallas and Houston to handle all faculty appointments for their units. This set a precedent. Promoted Dr. Roy J. McKnight from business manager of Baylor in Waco to financial vice-president and comptroller of Baylor in Waco.

Shows Handicap Pros In Masters'

AUGUSTA, Ga., April 6. — The best of the soggy ground golfers will have their day in the first round of the Masters tomorrow at the drenched Augusta National Course.

Week-end rains held off Monday but came back strong yesterday. A long playing course such as national gives long, high ball hitters like Sammy Snead, Chick Herbert, Byron Nelson, Jimmy Demaret and Lawson Little an advantage. Snead has climbed from about seventh or eighth favorite up on a level with Cary Middlecoff, Nelson, Lloyd Mangrum and

Rigney To Miss Week Following Ankle Injury

By The Associated Press
HOUSTON, April 6. — Bill Rigney, mentioned prominently in trade gossip, will be out of the New York Giant lineup for about a week.

The infielder sprained his knee sliding home in a game at El Paso Monday. X-rays showed no broken bones.

The Giants drubbed the world champion Cleveland Indians, 9-4, at Lubbock, Tex., yesterday. Sid Gordon and Bobby Thomson led the 14 hit attack with homers.

SAN ANTONIO — The Pittsburgh Pirates will play another night game with the Chicago White Sox tonight.

The game originally had been scheduled for afternoon. The time was changed out of respect to Bill Osley, president of the San Antonio baseball club who died Sunday and whose funeral was set for this afternoon.

SAN ANTONIO — Pat Seery, the White Sox fat man, is getting back into the lineup.

The outfielder's weight has been a matter of major concern around the Sox camp. But smiles came when the scales showed he was down to 214.

After today's game with the Pittsburgh Pirates, the Sox start four days of exhibitions with Texas League clubs in Beaumont, Houston and Shreveport.

The Sox edged the Pirates 7-4 last night.

SARASOTA, Fla. — It will be

pickup day for Boston Red Sox today after their one practice session. They leave Sarasota tomorrow afternoon and are due in Jacksonville Friday when they will play the local minor leaguers.

Bill Capps Among Valuable Hands Returning To Tulsa Oiler Club

ALEXANDRIA, La., April 6. — Heading into the final weeks of preparation for the 1949 Texas League campaign, the Tulsa Oilers, runners-up last year to the Fort Worth Cats, face a replacement problem second to no other team in the circuit if they are to again crash the first division.

Gene are such stars as first baseman Charley Kress, second baseman Johnny Lane, outfielders Bob Usher and Tommy Tatum, pitchers Bud Lively, Harry Perkowski and Jim Avrea and utility star, Jay Haney.

Back on hand to lend punch and experience are Rusty Burns, the league's leading slugger and home run king who batted in 113 runs last season while playing right field, and the invaluable Billy Capps, steady-playing third baseman who hit .295 and was particularly rough in the play-offs.

Also on hand from the fine 1948 team are pitchers Bud Byerly, who topped the league in lowest earned runs with 2.13 and young Dave Jolly, used mostly in relief chores when called in from Columbia of the Sally League.

The same wily leadership will be provided by Al Vincent, senior pilot in the league and a fellow who is generally recognized as a master at getting a smart and hustling effort out of youngsters and vets alike.

This upcoming 1949 race is expected to be tougher and closer than was the case last year when Fort Worth, Tulsa and Houston clinched play-off spots early with only the fourth-place battle between San Antonio and Shreveport carrying right down to the final day of competition to find the Sports coping the fourth position by one-half a game.

Cincinnati has already moved to supply some replacements of experience and quality in catcher Dewey Williams and pitcher Tommy Hughes, both of whom will help this young club.

To plug the shortstop post — a position which has lacked consistency and polish ever since the re-activation of the league—the Reds have optioned down Harry Donabedian from Syracuse and this fellow should give the Oilers the best play they've had at shortstop in a decade. He replaces Elbie Flint who went to Syracuse in a trade and then was drafted into the Army. Donabedian may not hit much but his fielding leaves little to be desired.

Thus, through the middle, with

Olympia And Capot Become Favorites In Derby Dash

Blue Peter Not To Take Part

NEW YORK, April 6. — Blue Peter, the winter book favorite, is out of the Kentucky Derby and the spotlight shone a little stronger today on a pair of swift-footed colts named Olympia and Capot.

These two aspirants to three-year-old honors jumped into joint favor when Blue Peter's owner Joseph M. Roebing, announced that an internal ailment would keep

his stout contender out of the "Runhalf furlongs, is listed at 9-1. Other prices are old Rockport, 10-1; Johns Joy and Sports Page, 15-1; and Stone Age and Deluxe, 29-1.

Barring any ill fortune for either, Olympia and Capot may be bracketed as favorites to win the time-honored race at Churchill Downs. Blue Peter won eight of his ten starts last year to take juvenile honors. He won the Futurity at Belmont and the Hopeful Stakes at Saratoga to earn a total for the year of \$189,185.

IN SECOND DAY, SPRINGFIELD, Mo., April 6. —

The well-aged squabble between Mickey Owen, former major league catcher, and Jorge Pasquel, ex-promoter of baseball in Mexico, entered its second day in federal court today.

Blue Peter was the Kentucky Derby favorite at 3-1. Right behind him at 4-1 came Olympia, owned by Fred Hooper, Jr., and the Green tree Stable's Capot.

Green tree's Wine List, which scored an impressive victory at Jamaica Monday over five and a

Calves Defeat Cowboys, 20-18

Given excellent mace support by his mates, Doyle (Lefty) Maynard hurried the Central Ward Calves to a 20-18 softball victory over the West Ward Cowboys on the Central ward diamond Tuesday afternoon.

Earl Stein and Frank Long divided time on the pitching rubber for the Waddies.

Starting lineups:
CALVES—Roger Brown, catcher; Doyle Maynard, pitcher; Billy Martin, first base; R. B. Hall second base; Randy Hickman, third base; Sam Hall, short stop; Rex Kennedy, left field; Ray Dabney, center field; and Freddy Blalock, right field.

COWBOYS—Don Dunbar, catcher; Earl Stein, pitcher; J. C. Armstrong, first base; Alton Richardson, second base; Frank Long, third base; Frank Cpmpton, short stop; Wayne Giles, left field; James Ray, center field; J. W. Thompson, right field.

ANNOUNCEMENTS

Worley Urges Release Of Texas Soldier Held In Czechoslovakia

WASHINGTON, April 6 (AP)—Rep. Worley (D-Tex.) urged government officials today to do all possible to obtain release of a Texas soldier who was arrested in Czechoslovakia on espionage charges and sentenced to 12 years at hard labor.

The soldier is Clarence R. Hill whose wife and two daughters now live in Pampa, Tex., with his parents, Mr. and Mrs. R. A. Hill.

He was arrested in December 1943, was sentenced to 10 years, was George R. Jones Owensboro, Ky. The pair were seized as they walked along a railroad track near the frontier in the Russian-dominated land.

Worley took the matter up with Army officials, who have been studying the case with State Department authorities.

The congressman acted after receiving pleas for help from the Texas soldier's parents. In their letter to Worley they enclosed a copy of a letter they had written President Truman asking for assistance.

"He has two little girls and his wife and are sure you can understand our feelings at this time since you are a father as well as our beloved President," they wrote.

"We would not worry you but have tried all other ways to get this boy returned to us and will more than appreciate your help in this."

Big Springers Are Offered Telescopic View Of Heavens

Edward Canton, once of San Francisco, but now, as he describes it, "a permanent Texan," has set up shop in Big Spring for ten days or so.

Canton owns a telescope, through which a person may study the moon and the stars (for a nominal fee), and Canton boasts it is the largest mobile telescope of its kind in the world. In fact, the management claims it is half again as large as the next biggest one, which can be found in New England.

Canton says the craters on the moon can be seen through the instrument at the present time. The instrument boasts a cassagranian reflector and was put together at Toledo, Ohio.

Not only can his customers view the moon, Canton adds, they can see Saturn exceptionally good at this time of year.

He's located his business on the lot immediately north of Piggly-Wiggly store and, of course, functions only at night.

Former Resident Of Big Spring Featured In Newspaper Sketch

Taylor Emerson, former Big Spring resident, is featured in a personality sketch carried in the Wednesday San Angelo Standard Times.

The story tells how Emerson who has been horse trader, bank clerk, and has handled half a million dollars of oil and gas leases at Bronte, where he has resided for the past four and a half years.

Emerson resided in Big Spring from 1934-44, operated an auto finance concern and later a tourist court on W. 3rd street.

Auto Insurance Rates In Tumble

AUSTIN, April 6 (AP)—Automobile insurance rates today joined the tumbling price trend.

J. P. Gibbs, casualty insurance commissioner, announced a wide range of rate reductions estimated to save Texas automobile owners between \$5 million and \$6 million during the coming year.

Reductions are effective May 1. Most of the benefit will go to private passenger car owners. Comprehensive coverage rates were reduced 20.3 per cent on all makes and models. Full coverage and eighty per cent collision coverage dipped 25 per cent. All other types of private passenger collision coverage dropped 13.4 per cent. Private passenger fire and theft rates were cut an average of 13.4 per cent.

Bodily injury liability rates were reduced 9.2 per cent on the statewide average. There was no change in property damage liability rates.

Former Big Spring Resident Succumbs

Sam LaLonde, retired T&P Engineer who lived in Big Spring for a number of years, died suddenly in El Paso Tuesday.

Mr. LaLonde worked out of Big Spring for the T&P until his retirement a few years ago. Last year he was honored here by the Brotherhood of Locomotive Engineers, receiving an award denoting 10 years of membership in the brotherhood.

Immediate survivors are his wife, a daughter, Mrs. Bob Utley of Big Spring, and a son, Ralph LaLonde of El Paso. Another son, Dave LaLonde, lost his life in a train wreck about two weeks ago in New Mexico.

Rites are to be conducted at 10 a. m. Thursday in El Paso. The body will be taken to Baird for other services at 2:30 p. m. Friday. Burial will be in Baird.

Directorate For Centennial Meets 2 P. M. Thursday

Time for the meeting of the centennial commission directorate has been set for 2 p. m. Thursday, Douglas Orme, chamber of commerce president and temporary chairman, announced today. The meeting originally was set for 3:30 p. m.

A meeting of the executive committee, due to be named by the directorate, is scheduled to be held immediately following the director's session.

Testing Continues On Borden Discovery

Testing continued Wednesday on the Seaboard at No. 1 T. J. Good, southwestern Borden county discovery in the Canyon lime.

After setting casing on bottom at 7,940 the venture cored to 7,940 then flowed 176 barrels in 10 hours from that section. The gravity was 42.6. Previously, the venture flowed at the rate of 22 barrels per hour from 7,920-40 in an extremely porous section. Location is in section 37-33-4n, TP.

Sun Oil No. 1 Cosden, section 38-32-1n, T&P, immediately north of Cosden Refinery, drilled below 7,340 feet in lime and shell Wednesday morning.

District THDA Delegates Are Urged To Take Part In Community Affairs

EL PASO, April 6—Homemakers, can accomplish more for themselves and their families if they participate in community activities without neglecting their homes, Ella Calfee, vice-president at large of the Texas Home Demonstration Association from Itasca, said in El Paso Tuesday.

Miss Calfee was one of the speakers at the opening session of the annual meeting of District Six of THDA in the Victory Room of the Chamber of Commerce.

Delegates from 22 West Texas counties are meeting Tuesday and Wednesday with the theme "Better Homes Make for a Better World."

"I believe homemakers, and anyone else for that matter, can get more done by participating in community activities," Miss Calfee added. "We can derive more personal recreation by doing so. But, of course, we should not completely ignore our homes."

She pointed out that teaching rural women, who are usually shy about taking part in community life, to become leaders in their communities is one of the important aims of the THDA.

Two other outstanding programs of the association are to support 4-H clubs and improve homes. The latter is carried out by demonstrating the latest information on home problems, issued by the nearest home extension service. These problems range from interior decoration to how to tailor clothes.

Maurine Hearn, vice-director for men and state home demonstration agent from the Texas A&M Extension Service, reported that 229,668 women and girls attended the leadership training courses offered by District Six during 1948 and 1949.

Floyd Lynch, state 4-H Club specialist from the Extension Service, praised the work the association does with the clubs.

Outstanding reader in the district was announced by Mrs. A. S. Apple of Ector county as Mrs. W. E. Osborn, Pennell, who read 27 books. The books must be read from a list of approved literature on world affairs and other subjects.

Mrs. Gus Rogas, Manor, parliamentarian of the organization, urged the district's participation in the Christian Rite Overseas Program, which distributes food and clothing to needy European families through church groups.

Mrs. Fred Giggson, McCamey, district vice-president, presided at the meeting. The invocation was given by the Rev. H. L. McAlester, El Paso, and County Judge Victor C. Gilbert welcomed the delegates. Other brief speakers were Mrs. W. E. Jackson, THDA chairman, and Mrs. H. O. Allen, Midland.

Tom Coulehan, accompanied by Mrs. Jack Coulehan, sang a group of Spanish melodies and Mrs. Willard Kugle of Ward county, accompanied by Mrs. Charles Spikes, whistled several solos.

After adjourning, delegates took a tour of Juarez and attended a dinner in the Tivoli Cafe.

Highlight of Wednesday's session which convened at 9 a. m. was the speech of Sallie Hill, editor of the home department, Progressive Farmer, Birmingham, Ala., who will discuss "Let's Visit With Our Worldwide Neighbors."

Chief Organizer Quits, But Taxi Strike To Continue

NEW YORK, April 6 (AP)—The chief organizer of the city-wide taxicab strike has quit his post but union officials said today the strike would continue.

Almost 40 per cent of the normal number of cabs were operating last night, according to police estimates, as Leon Zwicker withdrew as regional director of John L. Lewis' catch-all union. He was replaced by Walter Brock, regional director of the United Construction Workers at New Haven, Conn.

A. D. Lewis, a union official and John's brother, said the strike would continue until a contract is won in the city's 36,000-man taxi industry.

Lewis said Zwicker's resignation was due to a "golfer condition" which prevented him from carrying on his activities.

Star Prosecution Witness Recalled In Espionage Case

OTTAWA, April 6 (AP)—The prosecution recalled its star witness in the Sam Carr spy trial today to complete his story of Russian spying and intrigue in the United States, Canada and Mexico.

Carr, a former Communist organizer, is on trial here on charges that he conspired with Russian Embassy officials to provide a Russian spy with a fake Canadian passport.

Igor Gouzenko, former cipher clerk in the Soviet Embassy here, whom the crown described as its chief witness, testified yesterday that a Russian intelligence officer visited Ottawa in 1944 to check up and overhaul his government's spy network in the three American countries.

He named the intelligence officer as a Col. Milstein, posing as a diplomatic courier and using the name of Milsky. Gouzenko said Milstein at a meeting with Carr, arranged for the Canadian Communist to contact Russian representatives periodically.

Gouzenko identified documents he said he took from the Soviet Embassy, including a file on Carr. That file, he said, indicated Milstein and Carr discussed the problem of obtaining passports.

The crown contends Carr arranged to have a Russian spy's stolen passport renewed in 1945 through some unidentified person in the Canadian passport office, so the spy could work in the United States.

Acting President Of China Rejects Red Ultimatum

NANKING, April 6 (AP)—Acting President Li Tsung Jen tonight rejected a communist ultimatum for the virtual surrender of the Nanking government.

Semi-official Chinese quarters said Li still was making a desperate attempt to bargain with the Reds for better terms.

Li also was said to have turned down a proposal that he go to Peiping, where peace talks now are in progress.

He was reportedly invited (presumably by the Reds) to go to Peiping and serve on a joint committee which would supervise the handing over of the Nationalist government.

O'Dowdy Meets Fenton At AC

Wrestling Promoter Pat O'Dowdy who drew his biggest gate in history here last week with a three-hour card, will again feature three matches in this week's program.

The show will be staged on Saturday night this and during succeeding weeks.

O'Dowdy himself returns to the ring for the main event. He'll take on rambunctious Rod Fenton the main event. Fenton punished Arturo Ruiz last week to earn the shot at bigger things.

Ruiz returns to take on Pierre LaBelle in a 45-minute match while Gene Blakey and Ace Abbott will have at it in the 20-minute opener.

Linksman Play At 1 Thursday

Golfers from over a wide area will gather at the Big Spring country club Thursday for the pro-amateur tournament, which begins at 1 p. m.

Big Spring is hosting the show for the first time in four years and Pro Shirley Robbins is making plans to greet upwards to 100 linksmen.

A pro and three amateurs will comprise a team. Cash prizes will go to the winning pro. Amateurs who lead the field will get merchandise premiums.

Tennists Prep For 3AA Meet

Big Spring high school is due to have entries in all divisions of play in the District 3AA tennis tournament, which takes place in Midland Friday afternoon.

Local netters have been drilling hard all week at the stadium courts for the test, which will see representatives from all seven cities comprising the conference in competition.

Drawings for the meet will be held in Midland about 1:30 p. m. Friday.

Draft Registrants Given Reminder By Local Officials

All Selective Service registrants are required to complete and return questionnaires to the local board office soon after they are registered, regardless of status, board officials reminded today.

Some registrants apparently assume that they are nearing induction status when they receive the questionnaires, officials observed. However, all receive the questionnaires shortly after they are registered, it was explained.

Some local agencies and individuals have been designated as "advisors to registrants" which means that they assist registrants in completing questionnaires, etc. Advisors appointed in Big Spring are the chamber of commerce, the YMCA, the Texas Employment Commission and Robert Walker, principal of the Lakeview school. The TEC offices offer such assistance on Wednesdays, Thursdays and Fridays only, however.

Time to Spring Clean your Buick too!

Bright sun shining—new greenery showing—soft breezes calling you onto the highway—this is the season that Buick of yours was made for!

This is the time when you'll want to hear the sweet hum of its eager power, feel the lazy comfort of its easy stride, get the springtime feel of its thrilling action.

And you can have all that—with just a little attention to some simple things to shake the winter out of its bones.

For instance—the rusty sludge that has accumulated in your radiator should be cleaned out. Transmission and rear end may be low on lubrication, and should be checked. Crankcase oil should be changed to a summer grade.

The underside of your car has taken a lot of splashing on wet roads. Some of the chassis grease has been washed out, some of it fouled with mud and grit.

So it's time to drain out the dregs of winter. Time for a little of the knowing, loving care every Buick gets at the hands of our Buick-trained men, armed with Buick-developed tools, Buick-established methods, Buick-engineered parts.

It doesn't take long, doesn't cost much. But it goes a long way toward making old Buicks step out again like lively spring colts. How about stopping in—this week—to see about a spring rejuvenation for your faithful Buick?

U. S. STUDIES PROTEST
Reds Hit German Frontier Changes

LONDON, April 6. (U.P.)—Russia has protested that the Western Powers broke a Big Four agreement by making changes in the frontiers of western Germany. Tass, the official Soviet news agency, said Russian ambassadors in Washington, London and Paris delivered the Soviet protest to the respective foreign ministries. The U. S. State Department said the protest was received over the week end and is under study. The United States probably will reply in a few days, a department spokesman said. The western allies announced March 27 three minor border shifts affecting 52 square miles of German territory were being made to ease communication and administrative difficulties. The announcement said the shifts were made on a provisional basis and that permanence of the changes would depend on an eventual peace treaty with Germany. Portions of the area sliced off went to the Netherlands, Belgium, Luxembourg, the French-controlled Saar and France. The Soviet note, as distributed by Tass, said the frontier changes violated "a declaration on the position of Germany" signed by Russia, the U. S., Great Britain and France in 1945. America's bakeries turn out more than \$100,000,000 worth of pies every year.

CROWE ARRESTED IN DAYTONA BEACH
New York Banker Faces Charges Of Taking Nearly Million Dollars

TAMPA, Fla., April 6. (U.P.)—A 41-year-old banker is going back to New York to face charges of taking almost a million dollars of his bank's money. Richard H. Crowe, assistant manager of the Broadway branch of the National City Bank, will return in the custody of federal officers a little more than a week after he and the funds—in cash and bonds—disappeared. Federal Judge William J. Barker signed an order yesterday for Crowe's removal. The affable banker waived preliminary hearing before U. S. Commissioner Paul Pinkerton. His bond was set at \$100,000. It all happened within 24 hours after federal agents closed in on Crowe and arrested him Monday night in a Daytona Beach bar where he had tossed off several scotch and sodas. Within another 24 hours Crowe is expected to be on his way back to face trial. Held in the county jail here, Crowe refused to be interviewed by news reporters. "It's no use," he said. "I won't answer any questions anyway." Crowe appeared tired when he was arraigned before Pinkerton. He wore a sport shirt and sport coat but no tie or socks. His hair was closely cropped, sandy colored, and shaved in front. Back home, Crowe, with his likeable manners and long black hair was considered handsome. Neighbors called him a pleasant family man. Officials at the bank where he worked looked upon the Staten Island socialite as a promising member of the organization—the bank's fair-haired boy. That was before March 27, when he disappeared. Dist. Atty. Herbert Phillips questioned Crowe about the \$193,000 in cash and \$690,000 in bonds taken from the bank. "I didn't do much thinking before I took the money," the district attorney quoted Crowe. "I planned it only the day before." FBI agents, who trailed Crowe by letters and paid up bills, said \$54,798 was found in the banker's suitcase which he had with him when he was arrested. He had mailed creditors about \$61,000, and an additional \$25 was found in a vacant beach bungalow owned by his parents on Staten Island. The parents have been absolved of any connection with the affair. None of the bonds has been recovered, Crowe said he had thrown them into the ocean. He said he took them "only to make bank officials angry."

Capital Pressman Strike Draws Grim Ultimatum From Publishers

WASHINGTON, April 6. (U.P.)—The turned down a compromise contract similar to one that has been accepted by the Columbia typographical Union and the Washington Photo-Engravers Union, publishers said. The work stoppage caused the Washington Post and the morning edition of the Times-Herald to miss today's issues. Local President George Walker said it was "safe to assume" that the Evening Star, The Jew, and the evening edition of the Times-Herald would not come out, either. Washington radio stations promptly shifted scheduled to include more frequent news broadcasts. WTOP, affiliated with the Post, said it planned to keep comic strip fans up to date by reading the strips over the air. The walkout, a surprise to both the international union and the papers, came just two days before a scheduled conference between publishers and three vice presidents of the union. Publishers of the Four Washington papers in a joint statement early today said negotiations for a contract were underway, and that the pressmen violated the old one by walking out without notice. They added that they would not resume negotiations, started Jan. 28, until the men "abandon the work stoppage." The union is demanding a shorter work week, better wages, longer vacations and other privileges. It

Texas Production Drop Cuts U. S. Crude Oil Output

TULSA, Okla., April 6. (U.P.)—A big drop in Texas production helped lower the nation's crude oil production by an average of 31,625 barrels daily during the week ended April 2, the Oil & Gas Journal reported Tuesday. The Lone Star State, the country's largest petroleum producer, fell from its previous week's production by 61,900 barrels to 2,066,025 barrels. Total daily average production for the nation, the journal reported, was 5,068,075 barrels. Another sizeable loss was in Arkansas production, down 1,450 barrels to 89,100. Wyoming's 4,900-barrel advance to 130,100 was the best gain of the week. Louisiana added 825 to 490,050 and Oklahoma gained 600 to 388,750.

Americans Planning Big Moscow Meet

MOSCOW, April 6. (U.P.)—Maj. Gen. John O'Daniel, U. S. military attache in Moscow, today planned one of the biggest diplomatic receptions in the history of Moscow's American colony in honor of Army Day. Nearly 300 guests have been invited to the party, which is being held at Spasso House, the residence of the American ambassador.
