

## Does U. S. Navy Have 'Shooting Orders'?

WASHINGTON, July 10 (AP)—The top question in the capital today was whether the Atlantic fleet got shooting orders when the United States began its protective occupation of Iceland.

It revived the recurrent earlier question whether shooting already had occurred, and the senate naval committee met to decide whether sufficient grounds existed for an investigation of previously denied reports of clashes between U. S. naval patrols and Nazi sea raiders.

The discussion on the latest defense move in the Atlantic also

included Wendell L. Willkie's advocacy of American bases in Scotland and northern Ireland, and the disagreement on Capitol Hill over the propriety of Senator Wheeler (D-Mont.) in forecasting occupation of Iceland in advance—an action criticized by Britain's Prime Minister Winston Churchill.

On the shooting question, the opinion of many legislators was that Secretary of Navy Knox had plainly implied that the Atlantic fleet had orders to open fire if necessary to deal with hostile activity along the United

States communication lines at sea. They held that was the obvious interpretation of the secretary's remarks at his press conference yesterday, even though he carefully avoided use of the word "shooting."

Knox referred specifically to the passage in Mr. Roosevelt's message to congress on the occupation of Iceland, which read:

"I have consequently issued orders to the navy that all necessary steps be taken to insure safety of communication in the

approaches between Iceland and the United States, as well as on the seas between the United States and other strategic outposts."

The navy secretary firmly declined to place any interpretation of his own on the passage, but he did say—in reply to a question— that the language "would indicate" that the president intended the Atlantic fleet to go farther than its previous orders which merely directed patrol units to report any hostile craft sighted.

Like Knox, Willkie avoided the word "shooting" in an interview yesterday after a luncheon talk with the president. He termed it essential to keep the sea lanes to Britain open and warmly endorsed occupation of Iceland as a step in the right direction.

When asked whether he favored "shooting" to protect British ships, he said that was a tricky question of the type "that the isolationists like to stir up controversy with." He declared, however, that he backed all "necessary steps" to preserve the freedom of the seas.

## Strike Throws Chrysler Men Out Of Work

By The Associated Press

A shutdown of four Chrysler automobile plants at Detroit was attributed today to a strike at an automobile upholstery factory in the same city.

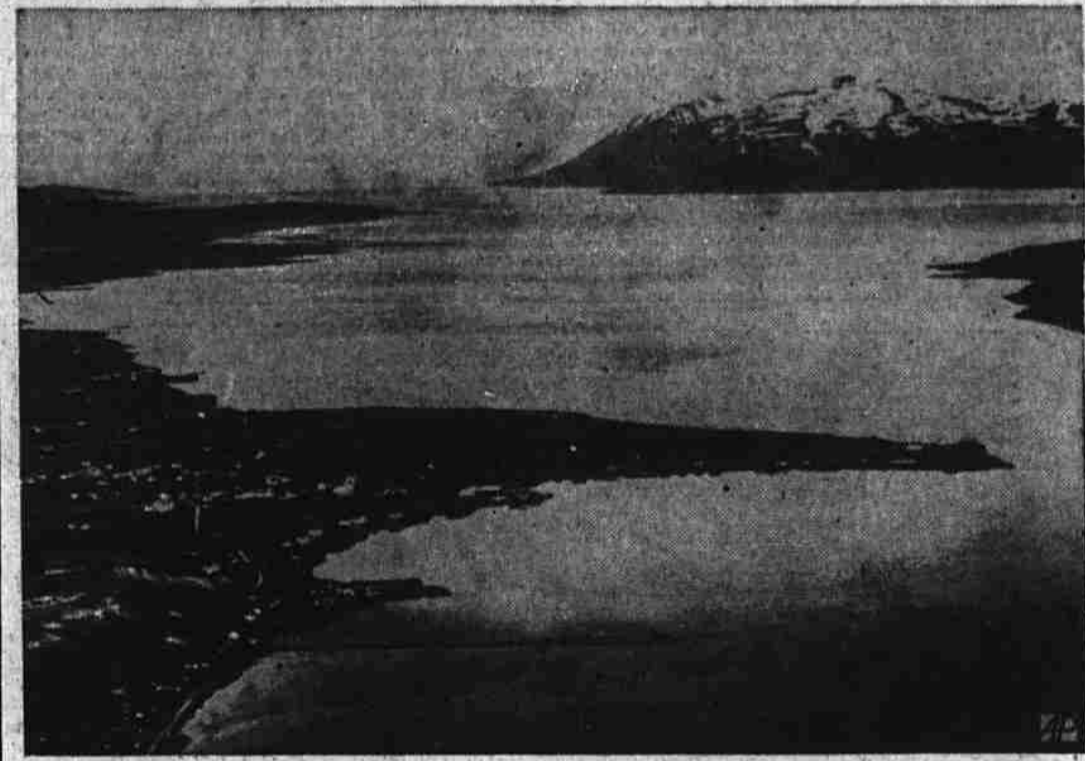

Approximately 18,500 Chrysler workers were made idle by the walkout of CIO workers at the plant of National Automobile Fibres, Inc. Behind the strike was the union's demand for increased wages upon expiration of the present labor contract August 1.

The present wage scale was not disclosed, nor was the current rate at the Wickes boiler plant at Saginaw, Mich., where members of the steel workers organizing committee struck, making undisclosed wage demands. The Wickes factory manufactures boilers for army camps.

Federal Conciliator James F. Dewey declared that unless the strike at the upholstery plant is settled quickly, other automotive factories would be affected.

The national defense mediation board called a meeting today to consider a strike at the Sealed Air Corporation, Muskegon, Mich., where AFL workers walked out Tuesday in a dispute over a union shop and wages.

AFL Electrical Workers who walked off a construction job at the government powder plant being built at Charlestown, Ind., agreed to come back to work today while their union agent negotiated with the war department for higher pay.

**Iceland Harbor**—View of the harbor of Reykjavik, second city of Iceland, as seen from a U. S. navy patrol plane "a few days" preceding the occupation of the island.

## Three Die In Dallas Fire

DALLAS, July 10 (AP)—A mother and her two small children were burned fatally and four others injured in a blaze which destroyed a frame apartment building early today.

The dead: Mrs. Sydney Olan, 36, her daughter, Gabrielle, 5, and son, Maurice, 7.

Mrs. Olan's 31-year-old husband suffered shoulder and back burns while rescuing another daughter, Rosa, 6, who was injured slightly.

Two passersby, Howard McIntosh of Dallas and Fred H. Higgins of Fort Worth, aroused two other occupants of the building and carried out Mrs. Olan and her children. The girl was believed dead before she was snatched from the flames.

McIntosh and Higgins suffered burns and cuts.

Fire Marshall Jack Thompson said the blaze apparently started in the attic of the home.

Olan, who operates a dress shop, said he awakened to find the room a mass of flames. He dropped his daughter to a man on the ground and when he couldn't find his wife and other children jumped from a window.

## Two Counties Yet Unreported On Official Vote

AUSTIN, July 10 (AP)—Only two—Armstrong and Presidio—of the state's 254 counties have not yet filed their official U. S. senatorial election returns with the secretary of state, officials reported today.

Secretary William J. Lawson said sealed official returns from Bowie, Dickens and Angelina counties arrived this morning and he believed those from Armstrong and Presidio probably were en route.

The returns will be canvassed officially Monday.

## Dies Demands Vote Inquiry

ORANGE, July 10 (AP)—Rep. Martin Dies today urged an investigation of the recent Texas senatorial election into which he charged "CIO and fifth column organizations poured hundreds of thousands of dollars" to defeat him.

In a statement, the chairman of the house committee investigating unAmerican activities said he would open hearings Monday in Washington to receive evidence about subversive elements in America.

"Before long I expect to have the full facts," he declared.

Dies asserted a fearless investigation would disclose "flagrant violations of the Hatch act and the federal statutes limiting campaign expenditures to \$25,000."

"Not less than \$500,000 was spent in this campaign contrary to the intentions of the federal law," he continued. "Government employees throughout the state were written numerous letters and contacted by telephone and telegraph for the purpose of influencing their votes."

"As an example, a form letter sent to government employees informed them that they would not be violating the Hatch act by expressing their preference for a candidate."

## 21-Year-Olds Get Numbers

THEO R. WILLIS drew sequence (serial) number one Wednesday afternoon as the Howard County Selective Service board drew numbers in preparation for the second national lottery.

The sequence numbers, which correspond to the serial numbers in the first lottery, will be used as the base for the national lottery on July 17 when order numbers will be drawn to determine the point of infusion on draft lists for the new crop of 21-year-olds.

Within themselves, the sequence numbers are meaningless as to placement. The order in which these numbers are drawn in the national lottery will determine the place on selective service lists.

Others drawing the first ten places here Wednesday are, in order: William Grant Billings, Dulin Thomas Spain, Jr., Weldon Delworth Bigony, Edmond Hay Wise, John Preston Stener, William August Ringener, James Harvey Wilkinson, Charles Glenn Jones, and Rodolfo Diaz Pierra. All are of Big Spring. A complete list of the sequence numbers will be carried in the Herald Friday.

## 12 To Attend Short Course

HOWARD COUNTY will be represented by 12 persons at the annual Texas A. & M. short course starting this weekend in College Station.

First contingent to leave will be the home demonstration women, accompanied by Lora Farnsworth, county home demonstration agent. Plans call for departure Saturday morning by Mrs. G. W. Overton, Overton club; Mrs. J. H. Reeves, R-Bar; Mrs. Della Lay, Coahoma; Mrs. Jesse Henderson, Fairview; Mrs. T. M. Robinson, Knott; and Mrs. Will Walker, Hiway.

County Agent O. P. Griffin is to leave the same day for the course. While the club women return on July 16, 4-H girls under Mrs. George Brashers, Knott, sponsor, will leave that day for College Station. Making the trip will be Marie Denton, Knott, Josephine Brown, Moore, and Juanita Brown, Hiway. They will return at the conclusion of the course on July 18.

## 3 SHIPS SUNK

STOCKHOLM, Sweden, July 10 (AP)—Three ships of undisclosed foreign nationality struck mines and sank in the Baltic sea off the Swedish coast last night with thunderous explosions heard over a wide seaboard area, it was reported today.

Sixteen injured survivors have been landed.

A Swedish ship with surgeons and nurses was sent from the port of Kalmars.

## Amphitheatre Program Set

Numbers by artists from neighboring communities will be included along with Big Spring performers in the amphitheatre program for Friday evening, the chamber of commerce announced Thursday.

The program, presented as a free community entertainment, will begin at 8 p. m. with a brief concert under direction of Roger Eaton, Coahoma bandmaster, who will be leading the combined Big Spring and Coahoma bands.

Among visiting amateur artists will be a male quartet from Colorado City, and an acrobatic dancer from Lorains.

Other numbers listed for the evening were: Lax James, guitar and vocal selection; Suddie Belle Dixon, vocalist; Betty Bob Diltz, songs; Shirley Ann Wheat, songs; Wallace Waldrup and his string band; Walter Deats, E. C. Burnett, Jr., and Bertie Fallon, instrumental trio; LaVers Hayworth, songs; and Mrs. Doyle Turney, song and piano numbers. Mrs. Anne Gibson Houser is to be accompanist for some of the numbers.

## Manufacturers Are Asked To Assist In Defense Survey

An appeal was voiced Thursday by chamber of commerce officials for owners and operators of all manufacturing establishments to contact the office if there is a possibility of cooperating in any national defense production.

The appeal was directed particularly to concerns which have machine tools and other manufacturing implements.

The chamber is anxious to complete a survey in this direction so an accurate report can be made at the Office of Production Management meeting in Abilene on July 16.

It is not necessary for the plant to be able to handle contracts, but to be in a position to modestly subcontract. All will help in the national defense program, it was indicated.

## Four Indictments Are Reported By Martin Jurors

FOUR INDICTMENTS have been returned by the Martin county grand jury functioning for the current term of 70th district court this week. District Attorney Martelle McDonald reported here Thursday.

Those billed and in custody are Emory C. Jerry, Louis Norcroft, and James English, indicted jointly for burglary; Alton Covell and Monroe Copeland, billed for car theft; and Elias Sanderson, car theft. Arrest had not been made in the case of another man named for car theft.

## U. S. Bombers Will Enable Britons To Blast Berlin

LONDON, July 10 (AP)—The increasing flow of American-made bombers soon will enable Britain to exact manifold retaliation on Berlin for the German bombardment of London, Britain's new minister of aircraft production, Lieutenant Col. J. T. C. Moore-Brabazon, declared today.

It will not be many months, he said, before Berlin hears the sirens of such attacks.

"Those famous Wednesday and Saturday nights (when London was heavily raided) will be child's play compared with the raids we will be able to make on Berlin," he said.

## Flat On Hatchery Truck Nets Fish For Local Lake

Because a hatchery truck had a flat tire at Big Spring, the city's Moss Creek lake Thursday received 6,900 additional fingerling bass.

The truck was bound from the fish hatchery at San Angelo to Red Bluff dam north of Pecos when it had the flat. Rather than risk loss of the fish, hatchery officials asked the city to take over the young fish.

Speaking for the government in today's installment of House of Commons debate on arms production, Moore-Brabazon said, "we are getting more and more moderate weight-carrying bombers and also big ones. I finally hope to get every single machine from the United States by air."

The ferry service, thus far, has applied only to bombers capable of the transatlantic flight.

"The great D-24 Liberator is already doing great service across the Atlantic and I want to see that service increased."

## Film Editors Go Back To Work

HOLLYWOOD, July 10 (AP)—Return to work today by 26 film editors at Walt Disney studio left only the Screen Cartoon Guild still on strike among 10 AFL unions which walked out six weeks ago.

Art Winthelzer, head of the Big Spring Flying Service and manager of the municipal airport, was due back Friday with a Stinson plane to be used in connection with the cross-country flying program set for Big Spring by the Civil Aeronautics Board.

## CHICKS AT \$11.50

CHICAGO, July 10 (AP)—Top hogs pushed to a new four-year peak of \$11.50 per hundredweight today, as meat packers, encouraged by rising dressed pork prices, entered the market actively at higher values for the fourth consecutive day this week.

Top pork joints in the dressed market today were quoted at 23 to 24 cents a pound, the highest since last September when they reached a peak of 25 cents, although the average cost of live hogs at that time was only around \$6.80.

## CRASH KILLS TWO

OKOTOKO, Alta., July 10 (AP)—Temporary Sgt. Pilot J. A. Mallin, instructor of Ponoka, Alta., and Lee J. W. Daly of Los Angeles were killed last night when their light training plane from the High River, Alta., elementary flying training school, crashed two miles northwest of here.

## ITALIAN CASUALTIES

ROME, July 10 (AP)—Italy has lost 255,361 men in 13 months of war on the land and sea and in the air, according to official figures.

## Added Funds Asked By FD For Army

\$4,770,000,000  
Be First Unit Of  
Huge New Program

WASHINGTON, July 10 (AP)—President Roosevelt asked congress today for an appropriation of \$4,770,000,000 for the war department "for further strengthening of the national defense."

Authoritative sources said the sum represented the first installment of a new \$15,000,000,000 defense and lend-lease program.

The new army appropriation will be mostly for laying in huge stocks of ordnance and ammunition, and also will provide for the purchase of considerable equipment of various types, it was said. The request was said to be for a straight cash appropriation in this instance.

The sources indicated that the cost of the \$15,000,000,000 program now planned by the president would be delayed for a short while. These include about \$7,000,000,000 for lend-lease, a large amount for shipbuilding by the maritime commission, and a few hundred million for the navy.

The other requests were understood to be primarily for contract authorizations rather than cash appropriations, especially the lend-lease fund.

The original \$7,000,000,000 lend-lease appropriation is largely committed already, but the actual cash is not scheduled for disbursement until at least the end of this fiscal year. The new authorization will be sought, officials explained, in order to make advance plans and contracts for the time when the first lend-lease appropriation actually is used up.

## Reds Claim Big Victory Over Nazis

### Division Said Annihilated And Drives Halted; Berlin Silent

By The Associated Press

Annihilation of a German motorized division of some 15,000 men in the blocking of Nazi drives toward Moscow and Leningrad was reported by the German high command today, while the battle raged along a 2,000-mile front.

On the vital 300-mile central front, a soviet war bulletin declared red army troops were inflicting terrible losses on the invaders and holding fast.

The Berlin radio asserted Nazi engineer shock troops had stormed and captured five heavy bunkers of the Stalin line "after bitter fighting," and claimed destruction of 110 soviet warplanes.

Moreover, the radio said, German columns advancing against the Stalin defense system had destroyed 123 Russian panzer units "and put the rest to flight."

In the south, the Hungarian high command reported capture of 25,000 soviet prisoners by German and Hungarian troops knitting into Galicia.

The Germans, silent on any specific gains, declared the world's two largest armies were now fighting a decisive battle.

Reichsleiter Adolf Hitler's field headquarters, issuing its third terse communique in succession on the 19-day-old war with Russia, declared:

"Operations in the east are progressing relentlessly."

The Nazi high command also confirmed the capture of Salla, fortified Russian town on the Finnish border, after a red army division was said to have been "crushed" in several days of fighting.

In general terms, the Nazi reported the left wing of Germany's Baltic army was pounding two spearheads into Russian defenses—one directed at Tallinn, capital of Estonia; the other aimed at Leningrad, Russia's second biggest city, at the head of the Gulf of Finland.

Moscow war bulletins said the Nazis had renewed hard pressure in three sectors where fighting has raged for a week—at Ostrov; Pskov, in the northern tip of White Russia; and in the Novograd region of the western Ukraine.

But the Russians acknowledged no withdrawals in the fact of the onslaught.

## Hope For Word From Nurses

WASHINGTON, July 10 (AP)—The national headquarters of the American Red Cross, refusing to give up hope for seven nurses and one Red Cross worker feared lost at sea, waited anxiously today for further information from the navy or the state department.

Six of the 10 nurses who sailed June 5 for England aboard a British vessel are missing. Red Cross officials reported their ship, which was not identified, was torpedoed about two weeks ago.

Mrs. Ruth Breckenridge, society woman of Winston-Salem, N. C., a volunteer, and Miss Maxine C. Loomis of Springfield, Mass., the Dutch ship Medeward, sunk several days after it sailed from an Atlantic port early in June. They have not been heard from.

Reports reaching Red Cross headquarters said the other four nurses on the British ship were rescued five days ago after 10 days drifting at sea.

## Illness Fatal To W. Boggan

W. C. Boggan, 36, resident of Vealmoor, died at 10 o'clock Wednesday night at his home following an illness of about six months.

Funeral services were set for 2:30 o'clock Thursday afternoon at the Vealmoor church with the Rev. Bishop of Falls in charge. The Rev. S. V. Clanton, Vealmoor, was to be assistant pastor. Allen Broyles was to be in charge of the music.

Mr. Boggan is survived by his wife, Madge Boggan, four daughters, Jimmie Marie, Callie Mae, Norma Dell and Melba Jean, his step parents, Mr. and Mrs. J. W. Harris, two brothers, Doyle Fatty Boggan of Griffithsville, Ark., and Paul Boggan of O'Donnell, a sister, Mrs. Jennie Alice Godard of Griffithsville, two half sisters, Mrs. Myrtle B. Owens of Vealmoor, and Miss Cordia Harris of Vealmoor. Several nieces and nephews also survive.

Palbearers will be Joe Green, Silas, Paul, Morris, Ernest and Elston Clanton. Nalley Funeral home is in charge of arrangements.

## Weather Forecast

WEST TEXAS — Fair tonight and Friday except scattered thunderstorms in southern portion. Gentle to fresh, mostly southerly winds on coast.

EAST TEXAS — Partly cloudy tonight and Friday widely scattered thunderstorms in southern portion. Gentle to fresh, mostly southerly winds on coast.

LOCAL WEATHER DATA  
Highest temperature Wednesday 91.6  
Lowest temperature Thursday 70.1  
Sunset Thursday 7:55  
Sunrise Friday 5:44

## SHIPS BOMBED

LONDON, July 10 (AP)—British bombing planes attacked the French coast today and blasted at enemy shipping, hitting six axis ships and leaving each a total loss, the air ministry announced tonight.

## Deferment Given Tentative Approval

WASHINGTON, July 10 (AP)—The house approved tentatively today legislation providing for mandatory deferment from military training of men who were 28 years or older on July 1 and who have not been drafted.

Then the members started discussing an amendment by Rep. Elston (R-Ohio) to permit men 29 or older who have been inducted into service to be discharged upon their own request.

The draft deferment provision was accepted without a formal vote and with little debate.

## EARTHQUAKE

SANTIAGO, Chile, July 10 (AP)—A strong earthquake was felt in the Arica region of northern Chile at dawn today, but there were no immediate reports of casualties or serious damage.

## Taft Hears U. S. Constructing Naval Base In North Ireland

WASHINGTON, July 10 (AP)—Senator Taft (R-Ohio) today heard weeks ago "on reliable authority that the United States was constructing a naval air base for Great Britain in Northern Ireland."

"Since I made the first draft of this speech," Taft added in an address, "Mr. Wendell Willkie, after a call upon the president, announced that in his opinion we should establish military bases both in Northern Ireland and Scotland."

"The occupation of Ireland would relieve perhaps a half-million British troops for service elsewhere, and put a half-million American boys into the British islands."

"A base in Ireland would be much more effective to protect shipping than a base in Iceland. Every argument that has been used for the occupation of Iceland applies to Ireland and England and Portugal."

Taft contended that the landing of United States troops in Iceland as an act "essentially equivalent to aggressive war" and one which the president had no right to take without authority from congress.

### New Pipeline Bill Not Yet Completed

TULSA, Okla., July 10. (AP)—The oil industry continues to concern itself with the transportation of crude oil and products to the eastern seaboard area.

Surveys were reported completed for projected line from East Texas or Louisiana to the east, but congress has not yet completed action on the Cole bill which would give pipe lines the right to eminent domain.

Increasing use has been made of tank cars and Secretary Ickes, petroleum coordinator, declared it tank ships operating between the gulf and the east coast took advantage of the liberalization of the maximum load law an additional 30,000 to 40,000 barrels daily could be transported.

To speed the movement of tank cars, Ickes also urged that purchasers of oil and products unload them quickly and release for further use.

To help ease the situation of

### Misereable After Eating?

Maybe it's just acid indigestion. It often follows hurried or heavy eating. ADLA Tablets contain Bismuth and Carbonates to quickly relieve stomach distress from acid indigestion. Get ADLA from your druggist today. Cunningham & Phillips, Druggists, and Collins Bros. Drug Co.—adv.

eastern supply, it also has been suggested that a policy of trading oil could be put into effect. Under such a plan, it was suggested that some long hauls might be eliminated, freeing some transportation facilities for shipment to points nearer the east coast.

Developments in the field continued at a higher level than a year ago. The Oil and Gas Journal reported 663 completions for the week, compared with 534 for the previous week and 572 a year ago.

### Rain Hampers Grain Harvest

AUSTIN, July 10. (AP)—Although harvesting of small grains was delayed by continued rains in the northwest portion of the state, work was carried on without interruption in other sections last week, U. S. crop reporting service declared today.

The service said wheat was awaiting harvest in the entire panhandle area and delay was resulting in loss but much of the oats and barley had been shocked. While wheat losses might be severe, total production still appeared to be above average.

Condition of livestock ranges and pastures continued generally excellent although heavy growth of needle grass together with stomach worms and other parasites was causing some loss among sheep and lambs particularly in the Edwards plateau region.

Corn was maturing and harvest of green sorghum had been started in South Texas and the coastal bend areas.

Condition of livestock ranges and pastures continued generally excellent although heavy growth of needle grass together with stomach worms and other parasites was causing some loss among sheep and lambs particularly in the Edwards plateau region.

### Fun With Flowers—It's Easy To Set A "Record Table" If You Proceed Carefully

No. 1—Set a "record table." Actually use a record as your flower container. It can be done easily if you proceed carefully. Use an old record (one slated for the ash can). Place the disk over a small can in a slow oven (two-hundred twenty five degrees or less). The record will soften and can be bent into any shape with your hands. Be careful! Don't let the records become too soft.

No. 2—The disk cools rapidly and retains the shape into which you have molded it. For a temporary arrangement you can plug the hole in the center with clay. For a permanent arrangement use a low jelly glass liner or a metal pot mender. The pothos vine growing in the record (as sketched above) is a perfect decoration for your music room, recreation room, or for your summer cottage.

No. 3—The younger set will appreciate a table decoration with their favorite tunes in spots of honor. This treatment will glorify your simple garden bouquet of nasturtia, veronica, delphinium and daisies. If garden flowers are scarce, cut a few thistles from the roadside to add to your bouquet. They are surprisingly decorative. Elevate a record in the center of the arrangement as a background for the blooms by clipping two spring type clothespins at the base of the record. The open ends of the clothespins can be inserted in your needle or birdcage flower holder as sketches. The turned up "record bowls" will hold arrangements for the end of the table or from card tables. Flat record disks become place plates. If this table doesn't break a record at least it will bend a few!

### Pennsylvania Oil Fields Busy Again

BRADFORD, Pa., July 10. (AP)—There's resurgence today in Pennsylvania's oil fields—the oldest in the world—in answer to demands of mechanized warfare. Apparently doomed to slow death by vast production of western fields and depression-decline of Pennsylvania grade crude prices, fields hereabouts took on new life when war flared.

Oil wells—some dating back almost to the birth of the petroleum industry—were cleaned out and new wells sunk to add to the flow of "black gold" sorely needed by defense machines of America and other democracies.

Prior to the sudden upsurge, Pennsylvania crude prices dropped from a World War high of \$8.10 per barrel to a depression low of \$1.68, making it too expensive to operate any but the best producing wells.

Now Pennsylvania oil commands a price of \$2.75 per barrel, a figure which makes it feasible to start some of the old workings along with drilling of new wells.

Since hitting a low of 184 wells drilled in 1940, drilling in the Bradford area has advanced steadily. Repressuring activities, by which production of old wells is stepped up, also have shown advances.

For the week ended June 28, output in the Bradford area was 28,081 barrels daily or more than half the 74,100-barrel daily production of Pennsylvania grade crude fields which extend into New York, West Virginia and south eastern Ohio.

### Daffodils In Valley Result Of The War

SAN ANTONIO, July 10. (AP)—The war in Europe has caused yellow daffodils to be grown in the Rio Grande Valley, according to Will Joy, national president of the Florida Telegraph Delivery Association, who predicted here today that the American florists soon will be independent of Europe for seeds and bulbs.

Joy, who is from Columbus, Ga., spoke before approximately 500 florists at a noon luncheon at the Gunter hotel, where the Texas Florists association is in the third day of its convention. The sessions will end Thursday.

### USO Contributions Are Tax Exempt

WASHINGTON, July 10. (AP)—The internal revenue bureau ruled today that the United States Service Organization and contributions to it are exempt from federal income tax.

Under the ruling, anyone who gives money to the organization, which sponsors recreational and welfare activities for the armed forces, may deduct the amount of his contribution from his income tax, the same as he can deduct a community chest or other charitable contribution.

Mr. and Mrs. Roy Lane and son of Harlingen are visiting this week with Mr. and Mrs. Neal Barnaby and family. They are enroute to Denver, Colo.

### Menus For Your Approval

By MARTHA LOGAN  
"Yes, our appetites are good, thank you." Blow hot, blow cold, the well-fed family gets three good meals a day. And, of course, we really need about as much food in warm weather as on chilly days. It takes a variety of foods to keep our body machinery working efficiently and smoothly. Pick-up and snatch-up meals won't do much to south tired muscles or frayed nerves, so let's have a look at some easily prepared meal dishes. It's food like this that all of us today need and enjoy. It's fun to cook food the family likes.

Chipped Beef Scramble (Serves 4)  
4 eggs  
1-4 cup milk  
2 ounces dried beef  
4 slices whole wheat toast  
4 tablespoons butter  
Melt two tablespoons butter in a heavy fry pan. Beat together eggs and milk. Add shredded beef and cook slowly, stirring constantly, to set eggs without browning. Serve on hot buttered toast.

Minus Steakwiches  
Pan-broil cubed steaks in lightly greased heavy fry pan about 5 minutes or until well-browned. Season. Cream butter and add a dash of Worcestershire sauce and a little lemon. Spread toasted split buns generously with seasoned butter and use to accompany sizzling hot cubed steak. Pan browned Spanish onion rings or broiled tomato slices are natural accompaniments.

Cherry Fork Chops  
Have loin, rib, or shoulder pork chops cut a half inch thick. Brown slowly and well in a heavy fry pan for about 15 minutes. Four over the chops 1 glass currant jelly or cherry jelly. Cover and heat to melt jelly. Serve at once with a buttered green vegetable.

SAFEWAY

New Store—Formal opening for a new store in Big Spring will be observed Saturday by Ike Houston in his Super Food Market, located at the northern edge of town on the Lamar highway.

Epley Named New President As Martin Old Settlers Meet

STANTON, July 10 (Sp)—W. T. Epley was named Tuesday to head the Martin County Old Settlers Reunion as the 12th annual session was staged here.

Other officers named were Adam Konz, vice-president; Mrs. Morgan Hall, secretary-treasurer (re-elected).

Tales of the good old days were heard as old timers launched their reunion with a basket dinner spread on the courthouse lawn. Mrs. A. E. Lile of San Jose, Calif., won the distinction of having traveled the greatest distance to the reunion. Mrs. L. C. Kirkpatrick, Weslaco, was second. Among out-of-town visitors were Mr. and Mrs. O. E. Barnett, Nancy Earl Barnett, Mrs. Mary Glascock, and Ed. Glascock of Sweetwater; Mr. and Mrs. J. T. Elm, Littlefield; Mr. and Mrs. Bill Rogers, El Paso.

Adam Konz, 79, who has lived here since 1881, had the longest record of residence. Oldest Martin county resident attending was Nicholas Miller, 91, who came here 25 years ago. Oldest woman resident was Mrs. W. F. Flanagan, 79, a resident of the county for 55 years.

ISLANDER—Intent on his study of military problems is Maj. Gen. James L. Collins, commander of the Department of Puerto Rico with an office at Santo Domingo barracks in San Juan. Puerto Rico is a U.S. possession in the Caribbean.

# Super Food Market To Be Opened Formally Saturday

Ike Houston Owner Of New Place On North Side

When Ike Houston "got bumped" from the Cotton Belt railroad at Commerce in 1929, he bounced into a West Texas cotton patch and eventually into the grocery business.

In short, that is the story of the man who Saturday will observe formal opening of his Super Food Market, a new business at the northern edge of town on state highway No. 9.

The firm is housed in a structure completed July 4 and which contains 2,500 square feet of floor space. Soon it will be bordered by neon lights and already it carries a full stock of staples, fruits, vegetables, meats, and dairy products. Houston also trades in farm produce and poultry.

He anticipates that it will take several weeks yet to complete his stocking to the point he plans, but even now he believes his store can fill most any order. Hours will be from 8 a. m. to 11 p. m.

When Houston lost his job with the railroad in 1929, he started out west, running out of gasoline between Knott and Ackerly and got a job picking cotton on Mrs. J. E. Shockey's farm.

This tided him over until the spring when he began farming on an A. L. Watson place on the halves. In 1935 he turned out what he believes was the first home made tractor in those parts cutting down an old truck so that he and his sons could run it night and day. Later they bought three

**HOME FLIGHT**—Her services are at Uncle Sam's disposal, says Jacqueline Cochran, ace woman flier who has just returned to New York after flying an American-made bomber to England. She holds model of an army pursuit plane.

four-row tractors and made enough to buy 1,150 acres of land where they started out.

When the acreage reduction and conservation program came along, he put every dollar he could spare from this source into cattle, running them on diversified acres. Last year he sold most of them and established a grocery store in Lamesa. Immediately he enjoyed a big volume of business but he was forced to retire and rest in April of this year. Houston then leased out his lamesa business.

In opening in Big Spring, he feels he is not entirely a stranger, having done much of his banking business here and having been a frequent business visitor. Houston is a man of family, he and Mrs. Houston having seven sons and two daughters.

Saturday there will be music and free favors to embellish the formal opening, he said.

## "Big Foot's" Foot Was Little Foot

AUSTIN, July 10.—Maybe somebody made a mistake. Anyway, when "Big Foot" Wallace, famed Texas frontiersman, came to Austin in 1887, his visit to the Texas house of representatives caused a mild riot.

Writing in the Southwestern Historical Quarterly, University of Texas student Miss Rosalind Langston described the "big, stocky scout's appearance before the Texas lawmakers.

"Big Foot's" shoe was only a number 8.

One-seventh of the total area of Ireland is peat bog.

**SIMPLE**—When New York's glamor girl heiress, Brenda Frazier, married "Shipwreck" Kelly, expensively simple was her attire: white slipper satin dress, no jewels at neck, short train; wax orange blossom diadem; lilies of the valley bouquet.

### Greed Fatal To Huge Trout

ALBANY, N. Y. — Game protectors found a dead trout 31 1/2 inches long with a round stone caught in the fish's mouth. Conservation men wonder if the trout drowned or choked to death.

# Action Is Urged To Bolster Nation's Low Cotton Exports

WASHINGTON, July 10 (AP)—Changes in the government's foreign trade policies on cotton were being urged in some official quarters today as a result of sharp losses in foreign markets, particularly Canada, and other countries not cut off by the war.

With cotton exports at the lowest level since Civil War days, some agriculture department officials, particularly those most concerned with cotton production control programs, are urging that the government take more positive steps to hold markets long accustomed to using this country's cotton.

Canada is turning to Brazil and Peru for the bulk of the cotton needed by its booming textile industry. The agriculture department's office of foreign agricultural relations reported that Canadian mills had ordered a six months' supply amounting to about 200,000 bales of Brazilian cotton and that shipping facilities had been guaranteed by the Brazilian government. It said much of this cotton would be stored at Boston until needed.

It was explained that, because of government price-supporting loan programs in this country, the Canadian mills could get Brazilian cotton from 2 1/2 to 3 cents a pound cheaper than American cotton.

Some AAA officials are urging that the government offer a subsidy on exports of American cotton sufficient to put it on a com-

petitive basis in markets normally supplied by this country. Exports were subsidized year before last, but this has since been discontinued except for manufactured cotton products.

The AAA officials contend that once foreign mills have become accustomed to using other growths, it would be difficult, because of mechanical changes involved, to get them to change back to American cotton.

## Legion Officials At Colorado City Named

COLORADO CITY, July 10 (SpI)—All officers of the Oran C. Hooker post, American Legion, at Colorado City have been reelected for another year.

Officers are: Commander, Dr. Harry A. Logsdon; first vice-commander, Leroy Gressett of Westbrook; second vice-commander, Homer Derryberry of Lorraine; adjutant, Albert Hieser; finance officer, John Williams; historian, Thos. R. Smith; chaplain, Rev. H. H. Black; service officer, Joe Y. Fraser; sergeant-at-arms, J. Ralph Lee.

The Liberty Bell was cracked on July 8, 1835.

South Africa is using locally produced moving pictures for military instruction, the department of commerce reports.

**TO REPORT**—Newly arrived in N. Y. on the S.S. Alcoa, Robert Mars Lovett (above), U.S. government secretary to the Virgin Islands, is going to Washington for conferences.

## High School Band Practices Today

High school band members were reminded today of the band rehearsal set for 8 p. m. in the gymnasium.

Dan Conley, director, said that Roger Eaton, Coahoma bandmaster, would bring a number of his band members from Coahoma and that Eaton would direct at the rehearsal. Eaton also will hold the baton for the Friday evening music at the amphitheatre.

### FOR DEFENSE

BETHLEHEM, Pa., July 10 (AP)—The Trylon and Perisphere, steel theme of the New York world's fair, are doing their bit for national defense.

Purchased by Bethlehem Steel company, they immediately were converted into scrap for use in production of armament for Uncle Sam's army.

Dollar volume of total automobile financing in April totaled \$234,800,196, a new monthly record, the department of commerce reported.

### Three Ways To Make Fried Chicken

By Katharine Fisher

Director, Good Housekeeping Institute

The fried-chicken season is here! The supply of fryers—fresh and quick-frozen—is usually at its best at this time of the year. So get out your skillet, and treat your family to some good fried chicken. Follow any of these recipes, and you'll have the family loudly clamoring for more.

All recipes tested by Good Housekeeping Institute. Use Institute-approved measuring cups and spoons. Measure level.

#### Pan-Fried Chicken

With Flour or Corn-Meal Coating:

- Buy fryers (1 1/2 to 2 1/2 lbs. each) split lengthwise, quartered, or cut up as for fritas. Roasting chickens may be pan-fried if first simmered tender after cutting up.
- Heat enough fat or oil in skillet or chicken fryer to make a 1/4" to 3/8" layer. Use 2 skillets to save time.
- Clean but do not dry the chicken. Coat by shaking in a paper bag with 1 c. flour (or 1/2 c. flour and 1/2 c. corn meal) mixed with 1 tsp. salt.
- Place a few pieces at a time in hot fat, and brown on all sides. Reduce heat; cover or not as preferred, and fry 35 to 40 min. longer, or until tender. (2 to 4 tsp. water or cream may be added to chicken after browning if desired.)
- As the pieces are fried, keep hot in a covered double boiler, in a bowl set over hot water, or in a covered casserole or roasting pan in a warm oven.

#### WITH EGG AND CRUMB COATING:

- To 1 c. sifted, dried bread crumbs or cracker crumbs, add 1 tsp. salt. Beat 1 egg with 2 tsp. cold water.
- Dip chicken in crumbs, then in egg, then in crumbs, and fry as above. Flour may be substituted for bread or cracker crumbs.

#### Oven-Fried Chicken

Here's a method that is especially convenient when several chickens are to be fried, since it cuts down on the turning and watching necessary when chicken is fried in a skillet.

- Coat, and fry cut-up chicken in a skillet to a golden brown on all sides, as we do in Pan-Fried Chicken.
- Then transfer the chicken to a covered casserole or roaster; cover, and complete the cooking in moderate oven of 350° F. for 1 hr., or until the chicken is deliciously tender.
- Serve with or without Cream Gravy, as desired.

#### Deep-Fried Chicken

- Dip cut-up fryers in egg and crumbs (see Pan-Fried Chicken) or in following batter: Stir 1 beaten egg and 1/2 c. milk into 1 c. sifted all-purpose flour with 1 1/2 tsp. salt and 1/2 tsp. pepper.
- Fry a few pieces at a time in deep fat or oil heated to 375° F., or hot enough to brown a cube of day-old bread in 1 min. Keep the fat at 350° F., and fry until tender—about 20 to 30 min.
- Or simmer cut-up chicken until just tender. Then skin; coat with egg and crumbs (see Pan-Fried Chicken) and deep fry at 375° F. until golden brown—about 8 min.

### Farm Foreman's Slayer Escapes

WESLACO, July 10 (AP)—A search was underway today for a man who escaped a police trap and fled into Mexico after the slaying of J. T. Ezekiel, 50, farm foreman. Assistant District Attorney Jack Ross said Ezekiel, brother-in-law of Dr. E. T. McCallip, prominent Weslaco physician, was shot last

Sunday afternoon while riding a hay rake at the McCallip farm. The slayer, Ross added, fired two shots and fled on horseback. Two hours later the man encountered a posse of Weslaco officers, but abandoned his horse and disappeared into dense brush after two shots were fired at him, the district attorney declared. Federal custom officers, immigration inspectors, Texas rangers and state highway patrolmen joined county officers in the hunt.

### Oilers Defeat Tiremen, 6-3

City's Service Oilers took a 6 to 3 decision over the Phillips' Tiremen last night in a Major city softball league fracas. Chalking up a brace of runs in the first inning, the Oilers added to their count in the fifth, sixth, and seventh innings. The Tiremen marked in the first, fourth and seventh, but were never able to get a substantial rally underway.

L. D. Cunningham limited the Tiremen to five hits, but Leeman Bostick turned on the heat and held the slugging Oilers to a weak trio of wallops.

### Big Spring Hospital Notes

E. E. Maddux, 605 Lancaster, was admitted Thursday for medical attention. Albert Hise, Odessa, is receiving eye treatment. Mrs. Bob Eubank, 605 Gollard, is undergoing medical treatment.

### Dinner-Dance Is Given By Sub Deb Club Members

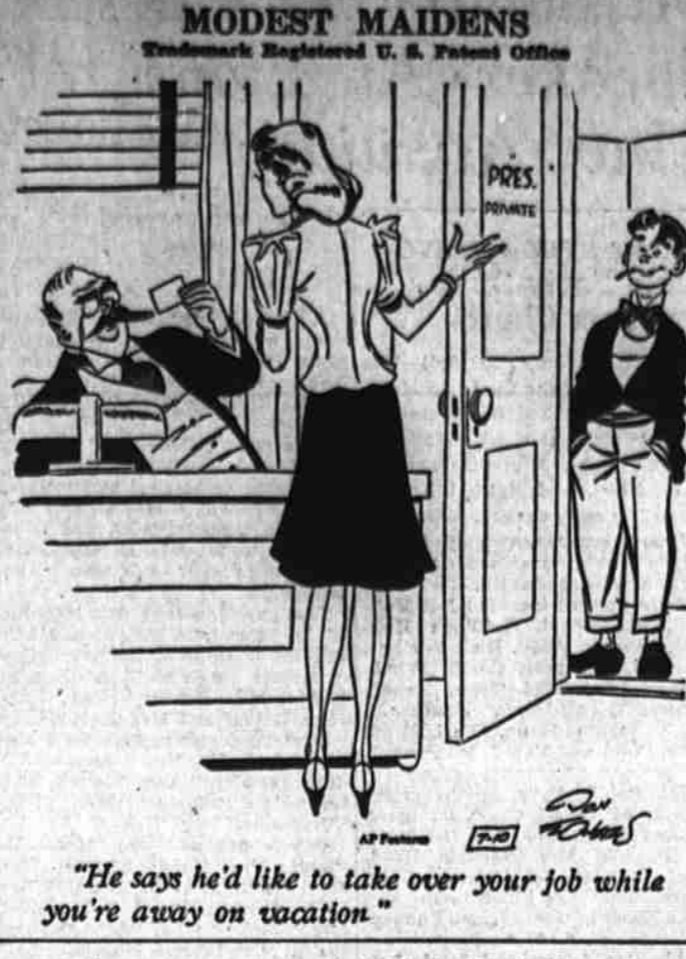

Dinner and dancing were entertainment for the Sub Deb club members and guests Wednesday night at the Crawford hotel. Members met for dinner and a farewell talk was made by Margaret Jackson to Lyndell Reed, who is moving to Lubbock.

Chaperones for the dances were Mrs. Loy Smith, Mrs. H. M. Rowe and Mrs. Jack Nall. Music was furnished by nickelodeon and more than 50 couples attended.

### Texas University Budget Increased

AUSTIN, July 10 (AP)—The University of Texas and its extramural divisions will operate in 1941-42 on a \$3,590,074 budget, an increase of \$235,357 over the current allotment. The board of regents approved the new budget yesterday, announcing that \$2,519,850 of the total would come from a legislative appropriation and the remainder from student fees, endowment income, federal funds, gifts and other sources.

Principal expansion was intended for the graduate school, the college of fine arts and research divisions. Thirty-one new teaching positions, 14 of them for the col-

"He says he'd like to take over your job while you're away on vacation"

### Picnic Planned For Stitch A Bit Club For Tuesday

Planning a picnic for members and families, the Stitch a Bit club met in the home of Mrs. Johnny Knox Wednesday. The outing is to be held Tuesday at the city park.

### Ping-Pong Party Held Here Wednesday

A ping-pong party was held on the lawn of Mrs. T. E. Lomax's home Wednesday from 7 o'clock until 9. Present were Miss Arab Phillips, Mildred Phillips of Phoenix, Ariz., Twila and Ruth Lomax and Mrs. Lomax.

### Morning Bridge Is Held For Ely See Club Wednesday

Bridge games in the morning followed by a buffet luncheon were held by the Ely See club members Wednesday with Mrs. Elmo Wasson hostess in her home.

Mrs. J. H. Young won high score and Mrs. R. B. Ellis was second high scorer. Mrs. George Oldham was a guest. Others present were Mrs. Victor Martin, Mrs. Tom Ashley, Mrs. R. L. Beale, Mrs. Bob Wagener. The club will not meet for a month it was voted.

Recent Bride Is Given Shower In Herring Home

Mrs. Charles Herring, Jr., the former Mosselle James, was honored with a bridal shower in the Herring home Tuesday.

The guests were met at the door by Mrs. Herring, Sr., and daughter, Mrs. Turner, who introduced the bride, Norma Lee Dean, presided at the guest book.

Tea Given For Odessa Bride In Orr Home

A bridal shower was given Wednesday in the home of Mrs. D. S. Orr for Mrs. James Sparks of Odessa, the former Mrs. Jewel Smith, whose marriage took place in June.

Mrs. W. L. Yardley of Coahoma, sister of Mrs. Orr, was the hostess. The shower was given in the form of a tea at 4 o'clock to 7 o'clock.

The table was decorated in red, white and blue flowers. Refreshments were served and others present were Mrs. Dave Duncan, Mrs. E. B. Kimberlin, Gay Nell Yardley of Coahoma, Mrs. Adrian de Grafenreid and son, Mrs. J. W. Parnley and son of McCamey, Mrs. J. H. Severance of Coahoma, Mrs. Mann Salvers, Mrs. L. O. Hane Lynch, Mrs. D. S. Orr.

Sending gifts were Mrs. Arvie E. Walker, Mrs. Cecil A. Long, Mrs. R. N. Adams of Coahoma, Mrs. Slim Currie, Mrs. R. L. Nall, Mrs. Grady Martin, Mrs. Patsy Brown, Mrs. Tom Currie.

Surprise Shower Given Here For Miss Pruitt

A surprise kitchen shower was given for Ruth Pruitt Wednesday night at the administration building of the Big Spring state hospital.

Hostesses were Mildred Anderson, Irene Kasper, Marie Womack and Marie Maxfield. Miss Pruitt is the bride-elect of Kelly Tipps of Laredo whose marriage will take place in August.

Red and white, chosen colors of the bride-elect, were used in the decorations and gifts. A jumbled word contest was held for entertainment. The bride-elect found her gifts when an alarm clock was set off where the gifts were hidden.

Several Guests Are Included At The Wednesday Club

Mrs. T. J. Walker and Mrs. E. J. Brooks were guests of the Wednesday Bridge club when members met yesterday in the home of Mrs. C. M. Shaw.

Mrs. Brooks won high score and Mrs. J. Green was second high. Mrs. Ray Shaw and Mrs. M. C. Lawrence binged.

Women Golfers To Meet At 10 O'Clock Friday At The Country Club

Golfers of the Ladies Golf Association will meet at 10 o'clock Friday morning at the country club for a round of golf before the luncheon to be at 1 o'clock.

Missionary Is Guest Speaker At Lions Club Auxiliary

A typical day in a Japanese home was the theme of the talk given by the Lions club Auxiliary members Wednesday noon at the Settles hotel by Miss Inuko Saito, missionary.

Miss Saito is here with the Baptist young people's district encampment as teacher and lecturer. She was born in Hawaii and educated in United States, and is returning to Hawaii in August to continue mission work among her people.

The guest speaker was introduced by Mrs. J. E. Hogan and Mrs. Bill Edwards gave the invocation. Hostesses were Mrs. Randall Pickle, Mrs. Schley Riley, Mrs. John Ratliff and Mrs. Doug Perry.

Others present were Mrs. Joe Pickle, Mrs. Harry Stalcup, Mrs. John Smith, Mrs. W. M. Gage, Mrs. D. W. Conley, Mrs. J. O. Vineyard, Mrs. Jack Smith, Mrs. Seaman Smith, Mrs. Boone Horn, Mrs. B. J. McDaniel, Mrs. Larson Lloyd, Mrs. Troy Gifford, Mrs. Gilbert Gibbs.

Forty-Two Club Is Entertained In Johnson Home

Small sets of hand balm and bath oil were favors Wednesday afternoon when the All Around Forty-Two club met in the home of Mrs. Otis Johnson.

Guests at the meeting were Mrs. W. G. Cole, Mrs. C. H. Tamplin, and Mrs. Harper from Odessa. Next hostess will be Mrs. Paul Bradley.

Refreshments were served to Mrs. R. V. Forsythe, Mrs. D. P. Day, Mrs. Paul Bradley, Mrs. C. E. Manning, Mrs. E. V. Gray, Mrs. E. J. Tatum, Mrs. Otis Johnson, Mrs. Jim Harper, Mrs. D. S. Orr, Mrs. Cole, Mrs. Tamplin, and the hostess.

Mrs. John Clarke Is Hostess At Bridge Luncheon

Mrs. John Clarke entertained a group of friends with a bridge-luncheon at the Settles hotel at 1 o'clock Wednesday.

Yellow and white were the chosen colors used in the daisies and summer flowers. Mrs. Albert Fisher won high score and Mrs. Victor Mellinger binged.

Mrs. B. S. Madry Is Complimented With A Shower Wednesday

Mrs. R. L. Underwood entertained with a pink and blue shower for Mrs. B. S. Madry Wednesday evening in the home of Mrs. Ted Brown. Games were played and prizes went to Mrs. Joe Hamby and Mrs. C. C. Brown.

Refreshments were served to Mrs. G. R. Simmons and son, Mrs. Ted Brown and sons, Mrs. J. T. Underwood, Mrs. C. C. Brown, Mrs. Rankin Madry, Mrs. Ed Madry, Mrs. Hanley McDough, Mrs. O. B. Williams and daughter, Mrs. Raymond Key and daughter, Mrs. Joe Hamby.

Out Of Town Visitors Are Numerous

Name any ten people in town and a quick check up will show five of them on their vacation or having company. A quick whirl through the telephone book brought these results Thursday.

Mr. and Mrs. C. H. White of Spur are expected tonight to visit Mrs. White's mother, Mrs. Edith La Valle.

Mr. and Mrs. J. R. Lawrence will have as guests this weekend, his parents, Mr. and Mrs. J. F. Lawrence of Tulsa, Okla. Mrs. Rebecca Casey of Ft. Worth is visiting her daughter in Big Spring, Mrs. C. Y. Clinkscates.

Mr. and Mrs. J. L. Jones and Mr. and Mrs. B. J. Fox of Dallas spent several days recently with Mr. and Mrs. S. P. Jones.

Mildred and Myrtle Jones, daughters of Mr. and Mrs. S. P. Jones, are in Denver, Colo., for a ten-day vacation.

T. E. Jordan is expecting his daughter and family, Mr. and Mrs. Ray Jackson and Margie of Odessa to spend the next few days here.

Mr. and Mrs. Howard Lester will leave soon for Wyoming where they will spend the remainder of the summer at the ranch home of Mr. and Mrs. Holland Larmon.

Betty and Marita Leysath, and Mr. and Mrs. Preston Leysath returned recently from Ennis where they spent a week with friends.

Mr. and Mrs. Bryan Wilson of Houston will spend this weekend with Mr. and Mrs. A. L. Lipcomb, Jr.

Mrs. M. H. Stallings and Bobby have returned to Houston after a two week visit with her parents, Mr. and Mrs. Levi Robinson and his parents, Mr. and Mrs. Lem Stallings.

Mr. and Mrs. Clifford Robinson and Shirley Jean and Mr. and Mrs. Sidney Robinson and Michael left Thursday for a two week vacation in Houston and Galveston.

Mrs. Fred Martin and son and Miss Jacquelyn Johnson of Clovis, N. M., are visiting Mrs. Chester Matheny and the Ruby Martins and Miss Anne Martin. The Fred Martins are being transferred from Clovis to Belvid, N. M.

Mrs. Gordon Phillips and niece, Betty Gay Lidia, left Wednesday night for Los Angeles, Calif., for a month's visit.

Policeman Brings A Milk Message

ALBEMARLE, N. C., July 10 (AP)—The police car siren screamed to a stop and a vacationing Charlotte woman, headed for a long trip, pulled her automobile to the curb, expecting a ticket. Her baby began to bawl. But she got the surprise of her life.

GOOD EXCUSE?

MASON CITY, Ia., July 10 (AP)—W. Earl Hall had a good excuse—but not for him—for being late at an Ottumwa, Ia., affair at which he was guest speaker. The past president of the Iowa State Safety Council and present chairman of its board was delayed by his first reportable traffic accident.

Pains In My Arms Made Them Stiff; Hoyt's Helped Me

Muscular Aches and Pains, Constipation and Nervousness Were Relieved By Hoyt's Compound, Says Mr. W. R. Perry.

"Hoyt's Compound brought me such quick and effective relief that I want all my friends to know about it," declares Mr. W. R. Perry, 500 East Harrison St., San Angelo, Texas. He continues: "For a

year I had muscular aches and pains in my arms and shoulders. I had to be helped into my coat, and I couldn't raise my arms over my head. At times I had similar pains in my legs. I was badly constipated, and I couldn't sleep because of nervousness. "I want others to benefit from Hoyt's Compound as I did. Aches and pains are gone now, and I raise my arms easily. Constipation is relieved, I feel better in every way. And I do praise Hoyt's! Hoyt's Compound is recommended and sold by the Collins Bros. Drug Store and by leading drug stores everywhere.—adv.

SAVES WEAR AND TEAR.—The more suave rules Warren William (above) enacts on the screen, the busier he gets inventing labor-saving devices for his home in Hollywood, during his leisure time. Here he is with one of his fancier gadgets: an electrically-powered vacuum sweeper that's designed to sweep up leaves from lawn and driveway.

U. S. Acts To Obtain Return Of Prisoners In European Nations

WASHINGTON, July 10 (AP)—The United States has taken action to obtain immediate repatriation of Americans held prisoners by the Nazis or detained in Germany, Italy and Nazi-conquered Europe. The state department, it was learned authoritatively today, has implicitly warned Germany and Italy that unless Americans held as "retaliation hostages" in Nazi-Europe are freed and granted exit permits no German or Italian nationals will be permitted to leave this country. The alien registration showed approximately 60,000 Italians and 30,000 Germans now living in the United States, in contrast to the few thousand Americans still in Germany, Italy or axis-dominated countries. A large proportion of the Germans and Italians here were reported to have applied for American citizenship, however. The possible detention of axis aliens here would not affect the German and Italian consular officials and employees who have been ordered by President Roosevelt to leave the United States by July 15. Immediate action is desired, it

was learned, so that some of the Americans may return to the United States on board the West Point, former the luxury liner America, which soon will make a round trip across the Atlantic.

Marriage Links Auto Families

DETROIT, July 10 (AP)—Honey-moon bound, Benson Ford and his petite bride, the former Edith McNaughton, were en route to California today after their marriage linking two of the best known families of the automobile industry.

Blast Destroys Swiss Station

NEUCHÂTEL, Switzerland, July 10 (AP)—The Neuchâtel freight station on the Bern-Paris railway was demolished today by an explosion which killed two persons and shattered windows in buildings over a wide area.

Heroes' Reburial Arranged

SARATOGA, N. Y.—The Battle of Saratoga took place more than 150 years ago, but a reminder of the conflict will come with the burial of the skeletons of four soldiers unearthed at the battlefield.

WAR EXPENDITURES

CANBERRA, Australia, July 10 (AP)—Arthur W. Fadden, war cabinet treasurer, announced today that Australia had spent 181,000,000 pounds sterling (about \$384,630,000) on its war efforts during the last year.

Grain Storage At A Premium

KANSAS CITY, July 10 (AP)—Halfway through harvesting, Kansas wheat farmers face for the second time this year a threat of having to pile part of their big 1941 crop in open fields.

The first threat passed when railroads rushed a sizeable quantity of box cars from eastern defense jobs to relieve an impending shortage that had endangered the movement of grain to market.

The second developed as the Kansas City board of trade told farmers yesterday this city's elevators—forming the largest primary hard winter wheat terminal in the nation—could accept no more grain for storage or loan purposes except by prearrangement.

A vast percentage of the wheat shipped here and to other markets this year is storage bound. Farmers want government loans which at Kansas City are \$1.10 on No. 2 hard—and anticipate higher prices in the future.

W. R. Scott, board secretary, said 35,000,000 bushels of grain now are in storage here. And 3,140 cars ready for unloading, he said, would fill all available storage space except for bins accommodating two million bushels, absolute minimum needed for smooth handling of all grain up for sale.

Traders visualized farmers seeking space in smaller terminals and on farms, but said such facilities probably would provide only a partial solution.

Sun Spots Causing That Radio Static

SAN JOSE, Calif., July 10 (AP)—There's no need to call the radio repairman if your receiving set has developed some unusual growls recently.

The static can be blamed on sun spots and reception will soon be improved, says Dr. Albert J. Newlin, sun spot expert and director of University of Santa Clara's Ricard Memorial observatory. G-07

The General Says He'll Give The Orders As Long As He's General

MEMPHIS, Tenn., July 10 (AP)—Stern-visaged Lieut. Gen. Ben Lear has replied to congressional criticism of the penance march he ordered for yoo-hooing troops with a declaration that as long as he remains second army commander "soldierly standards of conduct will be demanded of all individuals in uniform."

Gen. Lear telegraphed Rep. Kilday (D-Tex), member of a special house subcommittee investigating personnel matters in the defense program, who yesterday wired Lear he contemplated a resolution to investigate "severe punishment" of some 850 soldiers for yelling at golfers as they passed through Memphis Sunday. The general said his action was "neither unjust nor severe."

Lear's response added the comment of the group punished with a 150-mile march from Memphis to Camp Robinson, Ark., partly afoot, "was in marked contrast to the soldierly and gentlemanly behavior of the vast majority of men" in the recent Tennessee maneuvers.

Lear was also criticized in the house yesterday by Rep. Dirksen (R-Ill), who commented on "roughly, golfing old generals." Lear was on the golf course in mufti when the troops in the 25th division shouted at shorts-clad girls and one called "Hey, Buddy, want a caddy?" at him.

Thinks War Will Be Decided At Sea

LOS ANGELES, July 10 (AP)—Sen. James E. Murray of Montana, says he sees "no need for any (United States) invasion of Europe to beat the Germans."

"I think there is a very considerable opinion in Washington along that line. The war will be settled by air and sea power. This country can make the planes and ships, out of reach of the nazis."

All Family Serves Church

DANVILLE, N. Y.—When the Rev. Dennis Walter Hickey was ordained recently as a Roman Catholic priest he became the 12th family member in two generations to serve the church. Father Hickey was preceded by five brothers who became priests and six sisters, now nuns. A cousin also was ordained a priest a short time ago.

Navy Men In "Palaces"

SAN FRANCISCO—Six thousand naval men are to be housed in "palaces" on Treasure Island during their training period. The navy bought the former exhibition palace of the Golden Gate International exposition on Treasure Island, in San Francisco Bay, for \$125,000.

Lower Phone Rates In Effect Today

WASHINGTON, July 10 (AP)—A 24 per cent reduction in the nation's long-distance telephone charges went into effect today.

Reductions generally apply to distance calls between 24 and 1530 miles. Report charges on incomplete calls are eliminated, and overtime rates for person-to-person calls are reduced to the overtime rates for station-to-station calls.

DESTROYER DAMAGED

BERLIN, July 10 (AP)—German bombers were reported today to have seriously damaged a British destroyer in an attack yesterday off the Egyptian coast.

All-Star Second Guessers Stilled

# Majors Prep For Last Lap

By The Associated Press

This is the day when even the second guessers have put the all-star game back in the crusher barrel to save something for next winter.

They'll have to forget the argument over whether Claude Passeau or Deacon Hill McKelchie was the official goat, or whether Cecil Travis shouldn't cut a little piece of the hero's pie for throwing a body check at Billy Herman and spilling the game-winning double in the ninth inning at Detroit.

Because the big leaguers pick up the pennant chase again tonight, and from here on, it's "every man for himself," as they say over in Flatbush, they're also saying in Flatbush that there's nothing can stop the Dodgers now in the National League.

And if that's the case—with the Daffin boys leading the Cardinals by three full games—it begins to look like chances for the first

"subway series" in four years are as bright as the nickel you'll need to get from the Yankee Stadium to Ebbetts Field.

For, as the American league's eastern clubs begin their third swing through the west, the New York Yankees are the hottest things to come down the pike since the Yankees were burning up the place a couple of years ago. Riding a nine-game winning streak and 2 1/2 games out in front of the pack, the Bombers from the Bronx wheel out their stuff in St. Louis tonight. They're top-heavy favorites to win this one—which would make it 16 victories in their last 15 outings—so the chief interest centers around whether Joe DiMaggio gets a hit to run his all-time record streak to 49 straight games.

At the same time, Cleveland's second-place Indians pick a soft touch in the Athletics to open their home stand, while Boston's Red

Sox bring a four-game winning run into Detroit and Washington invades Chicago. In that Detroit lawsuit, old Moss Grove, who is running out his string now, will be gunning for the magical 30th victory of his grand career.

Five of the games on the opening big league program after the all-star layoff help the electric companies no end. In addition to the St. Louis, Cleveland and Chicago shindigs in the American League, the night card also finds the Cardinals invading the Polo Grounds to meet the Giants and the Phillies entertaining the Pittsburgh Pirates in Philadelphia.

Most important get-together in the senior circuit, however, has the Cincinnati Reds, who have won three of their last four tussles ranging with the Dodgers in Brooklyn under the sun.

Besides the Brooklyn game, the only other afternoon business has the Chicago Cubs marching into Boston.

## The Big Spring Daily Herald

PAGE EIGHT Big Spring, Texas, Thursday, July 10, 1941

**WINNING COLUMN**—The gentleman from Buchanan, Ga., Whitlow Wyatt (above), had upped his Dodger pitching victories to 12, as of June 30, and this was then top total in the National League. He'd only lost four this season.

Many commodities heretofore imported are now being produced in the United States, the department of commerce says.

# Loboes Split Doubleheader With Gold Sox

LAMESA, July 10—Lamesa's Loboes split a doubleheader with the Amarillo Gold Sox. The Loboes took the opener, 10 to 9, and the Sox retaliated with an 8 to 4 victory in the nightcap.

Aby assisted by Marshall Brown, Pitcher Buck Tinsley made his score sheet two in a row over the Amarillo club.

Brown drove in five runs with his two homers and a single showing.

However, Dutch Prather and Frank Hargrove won the second for the Sox in much the same manner. Hargrove connected for a two-base hit and Prather put the clincher on the affair with a brace of home runs.

son, they are logical contenders for the job. Jordan's .968 batting average puts him high on the list. Haney, possessor of what is probably the most powerful arm in the circuit, is next in line with .904, and next on the hitting list is Schlarath with .288. Bolton comes up next so far as pounding the ball is concerned, with .375, and Carmichael shows .390 as his mark.

These figures bear out the fact that none of these lads are slouches with the bat.

Other towns will be voting for their idea of a perfect team for the All-Star classic. Big Springers and Lamesans have lads who their figure should be on the lineup—Vote for 'em.

Manager Jodie Tate was holding his head last night at the close of the Clovis-Big Spring game. Jodie figures the hitting shown by the Big Spring club is, to put it delicately, not so good.

"It's the history of baseball," Brother Jodie said. "A club will get in a slump and look awful, then something will happen and they will look like a different team." Walk, there's no.

# Haney Homers In 9th To Sink Pioneers, 3-1; Buck Schulze Hurls Against Spuds Tonight

## Rebs Trim Tribe; Move To Loop's Top Brackets

The Dallas Rebels rose up last night and annexed the scalps of the Oklahoma City Indians by taking both ends of a doubleheader, 3 to 4 and 6 to 5, thereby climbing at long last into the Texas league first division.

The Rebels, showing their new-found strength before a pleased home crowd, exchanged places with the Indians, who relapsed into fifth place because of the double loss.

In other league contests, the Cats took a 5-3 decision from Tulsa at Fort Worth, Beaumont nudged out the Sports at Shreveport 5-4, and the Missions, playing at San Antonio, broke even with Houston in a twin bill, losing the first game 11-3 and winning the second 18-3.

Fort Worth staged an eighth-inning rally to triumph over the Oilers.

The Shippers' win was due largely to ragged fielding by Shreveport.

The Buffs pushed across four runs in the sixth, four in the seventh and three in the ninth to win the first game from San Antonio. In the nightcap the Missions opened up their slugge guns in the first inning with seven runs.

## Guldahl Is Favored In PGA Tourney

DENVER, July 10 (AP)—Texas Ralph Guldahl, of the sloping shoulders and intense concentrations, is the man hunch players in the galleries are talking about at the 24th P.G.A. tournament.

Guldahl opened today's 36-hole third round against defending champion Bryon Nelson, another Texan, and the 1940 winner from Toledo, Ohio, is up against a veteran whose golf has been as sizzling as the mountain sunshine that preceded afternoon wind and showers during the first three days of the tourney.

So far Guldahl is seven under par for 65 holes, counting the qualifying trials. He alone equalled Cherry Hills' par 71 in winning his second straight U. S. Open crown here in 1938 when the later-laced course was much tougher than now.

Nelson, of course, can't be counted out of his second straight title, but he hasn't set any fairways afire yet. He had to go the full 18-hole distance in winning both his matches yesterday.

It was a day of 48 man-to-man skirmishes vivid with drama. Medalist Sam Snead of Hot Springs, Va., was two holes behind Earl Martin, Inglewood, Calif., unknown, when he colliared him on the 17th and 18th despite shaky golf. Snead finally pinched Martin off on the fifth overtime green.

Another red-hot performer is Mark Fry, dark-haired California Open champion from Oakland, who rumbled Open Champion Craig Wood's dreams of a grand slam in the second round and was four under par for his two frays.

Two former P. G. A. champions—Henry Picard of Oklahoma City and Paul Runyan of White Plains, N. Y.—didn't go even as far as Wood. Phil Greenwood, a stranger to Western galleries from Menominee Falls, Wis., outpointed Picard 4 and 3, and the handsome veteran Horton Smith distilled a 1-up anti-dote for "Little Poison" Runyan.

Only two ex-winners are left, Denny Shute and Gene Sarazen, playing in his 21st P. G. A. tournament.

Ninety-two percent of all retail stores are independently operated against 77.9 percent in 1929, department of commerce statistics show.

## Muny Nudges NYAers, 9-5

City Employees held in check the fast climbing NYAers last night at City Park in a minor loop softball engagement. The Muny-men jumped in the lead in the initial stanza and maintained their advantage throughout, defeating the NYA lads with a 9 to 5 count.

Muny's Patterson gave up 8 hits over the route while NYA's Tate was nicked for 12 wallops. Harrison led the Muny hitting show with three singles in an equal number of times at bat.

**MOO TO YOU, TOO!**—In competition with 17 other bovine buglers, Lawrence Glass (above) of Chicago "mooed" his way into a prize and a \$25 prize in a contest of the agricultural club of Chicago. He claims that he got his start setting Nebraska cows to bellowing—as a prank. The plaster bovines he holds were placed in his act.

# Williams Sets Pace For 1st Half Hitting

## Greer Leads Bombers' Hitting Efforts At Halfway Mark

Stuart Williams of Berger remained at the head of the West Texas-New Mexico batting race as the first leg of the current season came to a close. His 101 hits in 266 times at bat were good for an average of .381. Williams was the only baseliner in the circuit to punch out more than 100 safeties during the first half.

As for the Big Spring Bombers, currently one step removed from the Wichita Falls-occupied hitting cellar, Hayden "Chubby" Greer took the number one place during the first half, getting 77 hits in 245 trips to the plate for .311. J. L. Haney was the only other Big Springster to stay in the 300 class. Haney connected for 78 out of 258 for .304.

Lamesa and Berger tied for team batting honors, both clubs counting .370 over the first half. Big Spring carried an average of .344.

### Golf Trophy Awarding Picnic At Park Tonight

Various winners in the City Golf championship tournament, which closed June 1, gather at City Park 7 o'clock tonight to receive their awards.

The Big Spring Golf association is holding the picnic for double purpose — to entertain the members and to hand the trophy winners the tangible returns on their golfing efforts.

### Brain Surgery Cures Worries

LONDON — An English surgeon operated on the brain of a man who was excessively worried. All that was necessary was to make a cut in the temple, so as to separate the worry centers of the brain from the emotional centers. The man's character was completely changed.

## HAPPY RELIEF FROM PAINFUL BACKACHE

Many of them gnawing, nagging, painful backaches people blame on colds or strains are often caused by tired kidneys—and may be relieved when treated in the right way.

The kidneys are Nature's chief way of taking poison and poisonous waste out of the blood. They help most people pass about 8 pints a day.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

## Troopers On Patrol After Mine Riots

POTTSVILLE, Pa., July 10 (AP)—A detachment of at least 150 state troopers established patrols through the lower anthracite region today and power shovel operators made tentative moves to resume coal stripping operations stopped yesterday by riotous miners.

At the same time, county authorities started an investigation of three widely separated disturbances in which 13 men were wounded by buckshot and 20 others bruised and battered.

Two of the wounded men, admitted last night to the Ashland state hospital, were reported as in only a fair condition. Both were shot in the back.

The troopers, under command of Major Thomas Martin, arrived during the night and set up headquarters at the Pine Grove armory. Martin said "enough men" were sent, "with the approval of the governor" to maintain order.

Yesterday's outbreaks, in which three costly power shovels were damaged and other equipment burned, were part of a widespread drive by mine region residents against surface stripping of coal veins. The miners contend the practice lowers property values and provides less work than the normal shaft mining.

## Markets At A Glance

NEW YORK, July 10 (AP)—The stock market developed a charley-horse today after its million-share sprints of the two preceding sessions.

While a number of specialties exhibited strength, and some utilities, rubbers and aircrafts gave a fairly good account of themselves, many leaders of the recent comeback to the best average price levels since January limped into lower territory.

Restlessness appeared at the start and mildly irregular trends persisted to the close. Dealings slowed appreciably at intervals and transfers for the full proceedings were around 800,000 shares.

## Grain

CHICAGO, July 10 (AP)—After advancing as much as 1 5/8 cents to within fractions of the best levels since May, 1940, wheat prices retreated during the final hour today and closed unchanged compared with yesterday.

Wheat closed unchanged compared with yesterday, July 10, 1941: 1-4, September \$1.06 5/8 to 5-4; corn 1-8 to 5-8 lower, July 7 5/8, September 7 5/8; oats 1-8 off to 1-4 up.

## Livestock

FORT WORTH, July 10 (AP) (USDA)—Cattle, salable 1,400; calves, salable 700; most common and medium slaughter steers and yearlings 7.50-9.50, good and choice kind 9.75-11.25; bulls 5.50-7.50; killing calves 7.50-10.50; good and choice stocker steer calves 10.00-12.00.

Hogs, salable 1,300; top 10.80; bulk good and choice 175-300 lb. butchers 10.75; few 160-175 lb. 10.25-45; pigs and packing sows 8.75 down.

Sheep, salable 2,500; most slaughter spring lambs 8.00-9.50, yearlings 7.25-7.75; aged wethers 5.25 down; bucks 4.25 down; stocker spring lambs 8.00 down.

## Cotton

NEW YORK, July 10 (AP)—Cotton futures closed unchanged to 5 lower.

	High	Low	Last
July	15.12	15.10	15.12
Oct.	15.38	15.23	15.29
Dec.	15.49	15.23	15.40
Jan.	15.49	15.45	15.41 1/2
March	15.40	15.46	15.51
May	15.60	15.46	15.50

Middling spot 15.94 1/2.  
N—Nominal.

## Wool Market

BOSTON, July 10 (AP)—(USDA) Occasional sales of wool in the Boston market were mostly of small to moderate volume today. Small lots of combing three-eighths and one quarter blood bright fleeces wools brought 46 to 47 cents, in the grease. Moderate quantities of short to average French combing lengths fine territory wools in original bags brought \$1.00-1.02, secured basis.

## AAA Staff Members Discuss Stamp Plan

Approximately 25 representatives of county AAA staffs in district 6 north were being given instructions here Thursday in the issuance of cotton stamps.

Jack B. Hall, field representative for the northern half of district No. 6, was in charge of the parley and explained details of handling the stamps.

Counties sending representatives will have cotton order stamps to issue to farmers for voluntarily reducing acreage beyond their allotments or the planter acreage of last year. These stamps are redeemable in domestically produced and processed cotton goods at cooperating stores.

## Old Settlers Map Plans For Program

Program details for the annual Howard County Old Settlers Reunion were developed at a meeting here Thursday.

The reunion has been set for July 18 and is due to be switched this year to the city park, marking the second time in its history that it has not been held in the Parrish cottonwood grove east of town.

Shine Phillips has been designated as master of ceremonies for the occasion and a program of entertainment and speeches has been mapped. Pioneer residents—those who lived here before 1910—are planning the affair and constitute the committees.

Decreases in the number of horses and mules in the past 20 years has released enough land to feed 84 million persons, department of commerce statistics show.

## Flea Hopper Menace Less Threatening

Victory in the "battle of the flea hoppers" was in sight for Howard county cotton farmers Thursday.

County Agent O. F. Griffin, who has followed the fight against cotton flea hopper infestation, said the godsend of natural control appeared to be the determining factor.

Hand in hand with this development was effective work in sulphur dusting. Between the two forces, he believed the menace generally would be past within a week.

Natural control was coming from a young crop of tiny spiders and from the larvae of lady beetles. Most effective control by these parasites was being effected in areas where fields are surrounded by considerable pasture land, the spiders having migrated in. Conversely, there was less natural control in fields in the midst of solid cropland areas.

In pastured territories, Griffin said natural control was approaching 100 per cent effectiveness, coupled with sulphur dusting in other sections, parasites were getting the job done, for luckily the sulphur has not affected spiders and has only served to cause them to spread out in search of more flea hoppers as sulphur kills them in one spot.

The agent estimated that around 15,000 acres, or about one fourth of the county's cotton planting, has been dusted with sulphur, and virtually all reports indicate successful results. In this connection, he pointed out that the dusting mostly has been done in areas where worst damage was occurring.

Today, the cotton crop appears to have weathered its initial crisis of the season and is still in a fair way to average from half a bale to three-quarters of a bale to an acre. Many fields are looking a bale to an acre unless other insect infestations change the picture.

## Public Records

wood urgently. "Though the camp has been captured no one is being hurt."  
 "Yet," muttered Mackey. "Doddap was brought in. Beth started to leave her chair and shrank back at a sharp word from one of the invaders. A slim black bearded man appeared and ordered the giant to cease his senseless hacking on the radio which had been beaten into the table, and the table into the floor."  
 This slim bearded man seemed to be the leader, though he also wore the felt helmet with the turned up brim of five petal points. He addressed the white men in his own language. No one understood except Sherwood for a word or two.  
 Then Doddap answered the captain. They pattered back and forth for a while. The lama turned to Anne.  
 "They've come to conduct us to the high priest, they say, that you may prove you are the seed sent by the Gods to reveal to the world the secrets of Shy-a Nago."  
 The dagger gleamed at Anne's side, its green eye luminous in the

**EX MARQUETTE COACH JOINS BEARS' STAFF**

CHICAGO, July 10. (AP)—John (Paddy) Driscoll, former Marquette university head football coach, joined the coaching staff of the Chicago Bears today.  
 George Halas, owner and head coach of the National Professional league champions, said Driscoll and Line Mentor "Bunk" Anderson would be his active aides this season as the powerful Chicago squad seeks its second straight title.

faint dawn light. She took a step towards the man who backed away respectfully.  
 "Prove!" she demanded. "What must I prove? That I'm my parents' daughter? I was given the dagger."  
 "And you accepted it," he reminded her sternly.  
 Anne looked around distractedly. Both Diana and Beth were crying. The white men ranged along the wall stood absolutely helpless. More burly tribesmen crowded into the room. Suddenly Anne realized that many of these fighting men were women, true Amazons, dressed like their men and as fierce of eye.

"What if we should decide not to go on with this?" she asked. "Give back the knife and ask the return of my parents?"  
 "It is too late. Your parents have seen the treasure city."  
 "And Blase had put himself in the same trap," she thought despairingly, noticing that he alone of the white men had been bound—his hands tied behind him.  
 "Tell the captain," she directed Doddap, "that no harm must come to our innocent associates."  
 "No harm comes to innocence. The high priest awaits you in the mountains. Be ready to travel soon, he commands. Only the servants and soldiers will be left here. The tribesmen have brought sufficient horses for the rest of you."  
 The chieftain cleared the room of natives except for a guard at the door. Trembling Chinese cooks brought in the breakfast. The white men, including Sherwood with his hands shackled, were allowed to roam about the room again. Things relaxed a bit; Larry made a feeble joke.  
 To Be Continued

**Remembers Stanton Of Decades Ago**

STANTON, July 10. (Sp.)—This city has changed much in the years Mrs. L. C. Kirkpatrick of Westaco has been gone from here, but she would not bring back the disappearing landmarks.  
 Some would bring back treasured memories, others sorrows, she said on her visit here Tuesday at the Martin County Old Settlers Reunion.  
 She was a Miss Hyman when she became a "star boarder" at the old Flanagan hotel in 1910 after having graduated from Kidd Key college at Sherman. In the same category was L. C. Kirkpatrick, a young rancher. They were married in that same year and lived in Martin county until 1923.  
 That year they moved to Westaco and purchased a small fruit farm, expanded their holdings until he became manager of a fruit growing concern. Always active with him in his business, Mrs. Kirkpatrick took over on his death.  
 Many of her intimate friends of former years have passed on, but she still knows many people in Martin county. She recalls Stanton in 1910 as a village boasting of a hotel, wagon yard, drug store, blacksmith shop, a few scattered business structures and residences. West Texas still has top place in her appraisal of climates, she said.

**Best Grain Income Since '29 Forecast**

CHICAGO, July 10. (AP)—American farmers expect to harvest this summer their most valuable crop of grain since 1929.  
 Statisticians today estimated the prospective domestic yield of the four major cereals—wheat, corn, oats and rye—would be worth at market, based on present Chicago prices, almost \$3,200,000,000, or \$700,000,000 more than last year.  
 Although not all the grain produced will be sold at market, disposal otherwise is expected to exchange the value of that portion even above market valuation.  
 Gold production in Nicaragua this year is expected to reach a record \$7,000,000, the department of commerce says.
