## City Council Appoints 15 Member Human Relations Commission

In a routine session of the City Council last Thursday, appointments to a 15-member Human Relations Commission were made. These appointments came over nine months after the recommendation of a special Citizens Grievance Commission.

There were five members from each of Lubbock's three major racial and ethnic groups named to the commission which will be charged with handling the social problems of Lubbock. One, two, and three year terms were affixed to those persons named.

Those named to a three year term were Virgil Lewis Johnson, local school teacher-coach and chairman of last summer's Citizens Grievance Commission; Gene Gaines, a recent graduate of Texas Tech Law School; Oscar Jones, a sociology major at Texas Tech University and also a former member of CGC; Mrs. Lucille S. Graves, principal and founder of Mary & Mac Private School; and Joe Valdez, an unsuccessful candidate for City Council last April.

Two-year term members were Dr. Hardy Clemons, pastor of Second Baptist Church and a member of the original CGC; Mrs. Gloria Carrillo, housewife and legal secretary; Al Caviel, a local pharmacist and a member of last year's CGC; Joe Trujillo, a plastering contractor, an unsuccessful candidate for the Lubbock School Board and also former member of CGC; and Lorenzo Sedeno, an insurance agent and former member of the Community Action Board in Lubbock County (CAB).

Single year terms went to Gary C. Riley, a Texas Tech psychology major; Clarence Solnick, merchant and member of the Citizens Grievance Commission last summer; J.R. Blumrosen, an attorney; and Joe Rangel, an employee of the U.S. Department of Agriculture; and Dan Benson, an attorney.

Mayor Morris "Moe" Turner made it known that the council will make plans for the city manager to hire an executive director to conduct the business of the new commission. Prior to the naming of the commission, it was reported that an execu-

Senior high classes, grades 9-12, will be conducted at Coronado High School. Junior high classes, grades 7 and 8, will be taught at Alderson, Atkins, Hutchinson, Matthews, and Wilson junior high schools providing there is sufficient demand.

Hardwick and Murfee elementary schools will offer enrichment classes. Reading and arithmetic improvement instruction will be offered at Wheelock Elementary School, and a program for remedial reading instruction will be operated at Bozeman Elementary School.

There are also other summer classes offered through the school system, some of which are already in progress. The classes for which enrollment is planned for Friday morning are those traditionally considered as summer school.

tive director wouldn't be hired until this fall.

Capt. Carroll Bartley, training officer of the Lubbock Police Department, was appointed as an ex-officio member.

## Rev. Raymond Campbell Receives \$3,600 Grant

Reverend Raymond Campbell, minister of the Carter Chapel Christian Methodist Episcopal Church, was recipient of tuition grants totaling \$3,600 per year to Perkins School of Theology located on the campus of Southern Methodist University, Dallas, Texas, beginning in the fall of 1972.

He has served Carter Chapel as pastor for the last five years and has affiliation in many civic and religious organizations; Consumer Advisory Committee

## Amarillo Junior Chamber of Commerce Takes Giant Step — Elects Negro President

Members of the Amarillo Junior Chamber of Commerce April 12, 1972, elected Mr. Franklin Dawson of 3124 Magnolia to the office of president. He was installed May 26, 1972, at the organizations' annual installation banquet at Chef Luis Restaurant, 2424 Hobbs.

Mr. Dawson is a graduate of Carver High School, Amarillo, Texas, class of 1962. He graduated from Amarillo Junior College then served four years with the United States Navy. He is an employee of Diamond Shamrock Oil company in the credit department.

of the West Texas Health Planning Council, Contact Teleministry, Lubbock Interdenominational Ministerial Alliance, Lubbock Ministers Association and others. He participates largely in the Northwest Texas Conference of the C.M.E. Church as; secretary of the Conference, president of the Board of Education, member representative to the Texas Conference of Churches, Secretary of Evangelism of the Abilene District, and

Civic pride and responsibility aren't novelties to him because he has been engaged in activities to improve his city since high school days. He hasn't reached out for recognition, but when he saw a job to be done, he rolled his sleeves up and became involved.

The Junior Chamber of Commerce is no "Fly by night" organization but is one of the most active, respected, and concerned group of young men in the city. More responsible young Negro men should join the Jaycees.

chairman of the Conference Board, as well as a member of other committees and boards.

Rev. Campbell anticipates being transferred to the Dallas area following the Annual Conference in July. The Northwest Texas Conference of the Christian Methodist Episcopal Church will be held this year at the Carter Chapel Methodist Church, July 4-7.

## Chatman and Northeast Centers Need Volunteers

There are finally two day care centers, Chatman and Northeast Day Care Centers, in the East Lubbock community. At the present time, both centers need our complete cooperation. They need volunteer workers "desperately."

Our young people can be helped very much with the involvement of brothers and sisters from the community giving a helping hand. These centers are about helping young people in the city of Lubbock. Although they are under direction of a capable board of directors, they still belong to the community, because they are responsible for helping our younger brothers and sisters have a positive learning experience.

There are many of us in East Lubbock who can give at least one, two or three hours to help these centers function as they should. If we would look among ourselves and give a little of our time so these young people will have what it takes, then we would all have done something constructive.

Perhaps not all of us can give of our time, but there are other things we can do. For example, there are men in the community who could build playthings for the youngsters while some mothers could help with odds and ends for the little tots.

There is always a need for money for facilities like these. We could give what we can afford to help make these projects something else. Our young people would definitely profit on whatever contribution we would make as an individual or an organization.

The West Texas Times would encourage all citizens of East Lubbock to do what he or she can to help make these projects go. We can't afford to sit back and not do our part when it comes to helping young people who someday will be leaders in our community.

We would advise that if you are interested in doing something for the benefit of Chatman and Northeast Centers to contact Mrs. C.M. Howard, chairman coordinator of volunteers for both centers. You may contact her at 763-7834.

Let's not be guilty of refusing to help the young people in our community. They are all beautiful children and we can add a lot to what they have going. No matter what your cup of tea may be, do it now. . .for the young people who are attending these day care facilities.

By the way, if you haven't had an opportunity to visit these centers, they are located at 2305 Cedar Avenue and 420 North Quirt Avenue.

## "B.U.R.N." is Doing Its Thing

Three members of the newly formed youth organization, Black Unity Reality Now (B.U.R.N.), were quite impressive on Progressive Minority, shown over KTXT-TV, Channel 5, last Thursday evening.

These young people had something to say. They made it known loud and clear that they want to do something and they've proved that they are willing to make things happen in their community. At the present time this organization is busy

cleaning up alleys and removing rubbish from the East Lubbock community. All of this is being done, by the way, without any pay. They are concerned about making their community a better place in which to live and at the same time instill pride in the minds of other young Blacks.

We would advise the City Fathers to pay close attention to the activities of these young people, for they are doing something positive for their community, as well as for the City of Lubbock.

As one of the young Blacks said, "We're making our own help," This is as it should be. Right On!!

## As I See It

by T. J. Patterson

This writer is glad to see the Lubbock City Council make up their minds on who the fifteen members of the newly created Human Relations Commission would be. They have been named. This is good.

On the other hand, I hope that these persons named to such commission will do all in its power to create a positive solution to the many problems which exist in our community.

I would like to caution each member that the job each has is of great importance. It's one in which we can't stand no "shucking and jiving," for we are dealing the welfare of many people, Black, brown and white.

It was also interesting to see that the City Council has instructed the city manager to hire an executive director to conduct the business of the new commission by next month, hopefully. This, too, is good.

Lubbock, Texas needs this kind of an innovation within the system. There's a great need for social planning in our community. Too long we've concentrated on building physical objects and forgot about people. Now, we have a commission in Lubbock that changes our image.

There's no doubt about it, the job as executive director will be a challenging one. One in which we all can benefit from, if the citizens of Lubbock get behind it at the outset.

As I See It, we can move forward boldly at a positive pace, if we put our efforts in the right direction. I hope that all concerned, Human Rela-

tions Commissions and executive director, realizes it.

\*\*\*\*\*

Thought of The Week: "A community is like a ship; everyone ought to be prepared to take the helm."

\*\*\*\*\*

Many of you may say that I sound like a broken record. Well, I can't help it. Saturday, June 3, is only three days away and we must make up our minds now to go to the polls and vote in the run-off election for U.S. Senator (if you are a Democrat), governor, and other races which are of importance to us.

We must always be on our P's and Q's about all voting matters in our state, county or city.

Remember between 7 a.m. and 7 p.m., Saturday, we have an opportunity to cast our ballot for the candidates of our choice. Don't abuse your right, go and vote!

\*\*\*\*\*

I've had an opportunity to walk all over East Lubbock several times in the past. Each time I get the urge to walk and look at our East Lubbock community, I ask myself, "Why don't we produce anything; why don't we own more things (aside of churches, funeral homes and other small businesses)?"

As mentioned in last week's column, plans are being made to start something big in the predominately Black community. This will be a great start, but we still must start doing other things.

With the population of Black people in the East Lubbock community, I know we can produce something for the many markets in West Texas that people will buy. We can produce. We've got so much talent.

We've got enough Black people in West Texas to create some economic development waves in the West Texas Economy.

## Letters to The Editor

Dear Mr. Patterson,  
I have just completed reading my copy of the May 25, 1972 issue of the West Texas Times.

I am particularly impressed with the issue because of the special section you have given to the graduating seniors of Estacado and Dunbar High Schools.

Congratulations are in order, not only for the graduating seniors, but to West Texas Times for this exceptionally fine issue.

Very truly yours

## Think!

### More Than A Speck

by Dr. R. W. Jones

This morning, May 27, 1972, I sent my wife to the grocery store to buy the following items: meat tenderizer, an assortment of herbs, and some barbecue sauce. The only thing for me to do now is to decide whether I want to broil, bake, or barbecue the crow that I am about to eat. In 1968 while speaking to the members of the Amarillo Junior Chamber of Commerce, I made the statement, "You will never live up to that part of your creed that refers to the Junior Chamber of Commerce's belief in the brotherhood of man. In spite of all the civic endeavors this organization engages in, it will never treat its minority members the same." In April of 1972 and May 26, 1972 respectively, the Amarillo, Junior Chamber of Commerce elected and inaugurated a Negro to the office of president—Mr. Franklin Dawson. So as soon as I finish picking this four year old crow, I will eat it. In the meantime, may I take off my hat to the members of this organization and say that I am glad to eat crow.

The idea for the title of this article came to me while I was listening to "The American Bandstand," and a remark was made by an ex-member of the group Peter, Paul and Mary. It is a statement that I agree with very much, "Everyone, regardless to what stature or position they might hold in America should be more than a speck in society and become involved in some fashion to improve the condition of our country."

The statement doesn't mean to act without rationale, but regardless to what is done there must be an effort for change, not overthrow the government or mere action for self aggrandizement. In other words, work for a better nation. If you are criticized—so what—as long as you are becoming involved in order that every person can be more

than a speck. The only way that can be done is for each of us to have his God given rights to live equally as every other man who walks this earth.

Amarillo is a town filled with specks - white and black - and the city is suffering because of their complacency and pathetic apathy.

The specks must stop saying "Let George do it," because he is exhausted and has one foot in his grave. Every citizen should be involved. How can you see that justice is administered when you constantly find some absurd reasons to be excused from jury duty? How can you be a friend to your brother in the eyes of God driving a big car and passing by a child picking garbage out of restaurant cans for food? How can you be satisfied when it was necessary for an assassin's bullet to get a Civil Rights bill passed, and as the result of another bullet that civil rights bill is being torn down as well as the 13th and 14th amendments to the constitution of these United States.

As Attorney Nathan Jones said, in essence, not since 1876 during the Hayes administration when President Hayes withdrew the Federal troops from the south, has the Negro been thrown to the dogs and placed at the mercy of the bigot. That is what happened now under the guise of antibussing sentiments, with certain members of the senate and the president joining the camp of the enemies of the Negro.

As long as the citizens in the North, South, East, and West, cities, towns, and villages, continue to act as specks and think of personal gains with no consideration for the rights of others, we are heading down a road of doom.

A few black and white resist change having a propensity for the status quo and their bigoted, hypocritical, and lying actions make those who are mere specks delicious dishes to be devoured to please the appetites of the dangerous few. In order to avoid being devoured in this complicated world, where you can as an individual be involved, you should use every means in your power to help make this country and our cities the land of the free and the democracy they profess to be.

You must be more than a speck—get involved.

# Sports of The Times

by Joe Kelly

The big guy looked familiar, but memory being what it is, I couldn't place him. Had we met at the Texas Safety Assn. conference? Well, he went to it every year. A little more exploring and then he said: "I used to play basketball at Baylor."

Then it came back. John Hoggard, the broad-shouldered, hulking center, who labored in the Bear vinyard from 1961 through 1963. He's now with a safety appliance firm and happy in his work.

We talked about his days at Baylor. He recalled the many battles with the Red Raiders, coaches Bill Henderson and Bill Menefee and a guy named Harold Hudgins, with whom he duelled.

"That Hudgins!" Hoggard exclaimed. "He was a little taller than I was and he was hard to move. I could get inside him sometimes, but he seldom let me get a second chance at the ball. We used to have some good battles."

Hoggard recalled with affection "Mr. Bill," who was Baylor coach for many years. He also recalled with pleasure Menefee, for whom he has much admiration as a coach.

"Mr. Bill was a good coach, but he was getting a little old," Hoggard stated. "Bill (Menefee) took us to the All College tournament and we reached the finals. Next we went to the Memphis tournament and Mr. Bill was in charge. We didn't win a game."

Hoggard thinks that Gerald Myers is doing a good job with Tech and he was a little surprised that the Raiders hadn't won the title this year.

"I saw them in the television game in Waco," he said. "They had the good, big men and that Lowery was something else. I didn't see how they could lose. Yeah, Texas probably had the best material overall, but I was real impressed with Tech."

The former Bear star doesn't believe that Tech can compete unless it goes outside the state for players.

"There's been a big change," Hoggard declared. "High school basketball has improved a lot, but to be a winner, you have to go outside the state. Junior college players have made a big difference. I think to be a conference winner, you're going to have to have them."

The Roundup: Jim Parmer, former Tech assistant football coach and long a National Football League scout, has had the Big 8 added to his Rocky Mountains and Pacific Coast area. Whew! . . . The Reddy Kilowatt Bowling tournament has ended. It drew the largest field ever to Lubbock from five states. . . Tickets for the All America game still are running well ahead of last year. A great field is assured, with only the Heisman Award winner in doubt. . . Jim Schiermeyer, commenting on Texas' success in sports: "If they don't win, there ought to be an investigation!" . . . Carroll Dale, great Green Bay end, recalled being on the Look All-American football trip to New York with E.J. Holub. "That was in 1960," he said. "We had a great time." . . . And then there's the guy who thinks it's a recession when he can't afford a new car to tow his boat! Peace!

## Federation of Choirs Met Here Last Sunday

Christ Temple Church of God in Christ was host to the monthly meeting of the Federation of Choirs last Sunday afternoon. All official staff was present and Brother Willie Turner, vice president, presided over the meeting.

All choirs were represented and some were absent because of other commitments. Those who left the meeting before it was completed, sang their numbers and then left.

Miss Tindall Hollins, who is home from college for a few days, represented her choir in a glorious spiritual manner. She was overcome by the Holy Spirit. The meeting was a very good one.

### Graduation Exercises Held for Northeast Lubbock Community Home Owners

Something new was programmed for the residents of the Northeast Lubbock community recently. Residents of that community had an opportunity of enrolling in a Turnkey III Home Ownership program.

At the first graduation exercises for 41 homeowners, T.J. Patterson, editor of West Texas Times and freshman advisor at Texas Tech University, delivered the graduating message.

Patterson told the group of homeowners that they have something great going for them. "If you utilize the program you have here there is a long way each family can go as well as the city of Lubbock," he told the group.

Those receiving diplomas for the completion of this course were: Mrs. Velma Anderson, Mr. and Mrs. Frank Aguilar, Mr. and Mrs. Bill Bolden, Mr. and Mrs. Ernest Davis, Mr. and Mrs. Johnny Dominguez, Mr. and Mrs. Robert Flores, Mr. and Mrs. Fay Henderson, Mr. and Mrs. James Jamison, Mr. and Mrs. Gonzalo Martinez, Mr. and Mrs. Arnett Morgan, Mr. and Mrs. Arthur McCuen, Mr. and Mrs. Raul Pena, Mr. and Mrs. Jose Prieto, Mr. and Mrs. Eugene Pipkins, Mr. and Mrs. Frank J. Petties, Mrs. Linda

Rangel, and Mrs. Juanita D. Saldana.

Also Mr. and Mrs. Robert Sproles, Mr. and Mrs. Andrew Simmons, Mr. and Mrs. Huberto Salinas, Mr. and Mrs. Bobby Wilson

## CHURCH SERVICES

### Bethel A.M.E. Church

Services were well attended last Sunday morning with Rev. Robinson, who will be minister while our pastor, Rev. A.W. Wilson, is attending the General Conference in Dallas, Texas in June, delivered a splendid message.

The Youth Choir performed as usual. They did a splendid job in the church auditorium.

Prayer meeting is held each Wednesday evening at 7 p.m. Senior Choir No. 2 practices each Thursday evening at 8 p.m. also in the church auditorium.

Miss Evelyn Collins of Austin was present at Sunday morning services.

Plans are still being made for the District Sunday School conference to be held in Amarillo July 12 through 15. Two buses from Bethel is expected to travel to the meeting on Thursday, July 14.

### Twentieth & Birch Street Church of Christ

Brothers Elbert Stiggers and Joe Glasspie will be carrying the communion to the sick and shut-in persons during the month of June.

We must sincerely commend all the members for the forward look we are experiencing. Our contribution has been up for the last

and Mr. and Mrs. Sam Wright.

Diplomas were presented to Class A by Gwen Ray, assistant director of the program. Sylvia Silvas, executive director of CHC, gave remarks and introduced Patterson. Donna Winnett assisted Miss Ray in the presentation of the diplomas.

two months and we are showing tremendous progress in our Bible School. Let us continue to move forward for Jesus.

Those on the shut-in list this week include Sister Jewell Henderson and Sister Georgia Malone. We were glad to see Sister J. Haney at service last Sunday. She spent several days in the hospital.

### Greater St. Luke Baptist Church

Members of the Eunice Circle will meet in the home of Sister Ella C. Cherry tonight at 8 p.m.

Esther Circle will meet in the home of Sister Irbie Whitfield, 1503 West 15th Street, Friday afternoon at 6:30 p.m.

Members of the Queen of Sheba and Martha Circles met in the homes of Sister Alberta Horton, 2411 Fir Avenue; and Sister Merle Terry, 2408 Fir Avenue, this week.

Prayer meeting is held each Wednesday night at eight. God answers prayers; sometimes when hearts are weak, He gives the very gift believers seek. But often fate must learn a deeper rest, and trust God's silence when he does not speak; for he whose name is love will send the best. Stars may burn out, nor mountain walls endure, But God is true, His promises are sure to those who seek.

Bible Band meets at the church each Thursday afternoon at 5 p.m. Come and study God's word with us.

Let us pray for and visit our sick and shut-in members. Those ill this week include Sisters Annie Hinton, Emma Breedlove, Dolly Howard, and Thelma Sidberry. Our pastor, Rev. A.L. Davis, remains on the shut-in list. Rev. S. Swisher and Brother Clarence Bennett are ill.
