## Who Killed This Man - - Do You Know?

By T. J. PATTERSON

Who killed this man . . . Do you know or do you have any information to the killing of this man who was slain by an unknown party or parties several months ago. Over five hundred hours have been put in the solving of this case by local authorities and FBI agents, but the case remains unsolved.

Pictured at left is the late Granvel Alexander Overstreet, a former citizen of our city and a religious man. He was 35 years old, 5 feet 6 inches tall, and of a medium build. This citizen was last seen alive on July 20, 1964. At that time he was driving a cream colored

1958 Ford that had a brown deck lid. His car was found the next day in the 1300 block of East 27th street by his worried wife. He failed to come home on the night of July 20, 1964, and his wife was looking for him.

Mrs. Overstreet reported her husband to the Lubbock police as a missing person. He was missing from July 20, 1964, to September 5, 1964. She spent many sleepless nights worrying about the whereabouts of her missing husband, not knowing where he was. Can you imagine how any wife and mother would become disturbed about her husband? On the afternoon of September 5, 1964, her worrying about his whereabouts was over. That sunny afternoon, three small boys were playing in the canyon of east Lubbock when to their surprise they discovered the body of Mr. Overstreet lying in a pasture behind the city of Lubbock cemetery. This sight these young fellows will never forget. . . . Can you imagine how Mrs. Overstreet felt.

The chief of the Lubbock police department immediately assigned two detectives to this case. These two detectives spend their full time running down clues in order to solve this case.

It is the hope of the editor of The Manhattan Heights Times and the Lubbock police department that some citizen will come forward with information that will solve this ruthless killing. The solving of this killing will serve two purposes: One, bringing to justice the responsible party or parties, and secondly, getting this type of person or persons off our streets. It is not known who will be the next person found lying in a pasture or gutter with a bullet through their skull, if this type person is allowed to run loose.

Thousands of people have seen the photo you are seeing before you . . . now you have seen it . . . if you have information relating to this case, would you please contact Lt. John Arnold of the Lubbock police department. The name of any person giving any information will be held in the strictest of confidence. . . . Let's clean up our city. IT IS UP TO YOU.

## Qualifications for Miss 'Homecoming'

By T. J. PATTERSON

Many of you have often inquired as to how "Miss Homecoming" of Dunbar High School is chosen. Some of you have made the comment that she must wear the occupational title of a school teacher, or perhaps others have made other derogatory remarks. No matter how you may feel about the selecting and naming of Miss Homecoming, let's look at the procedures as to how she is chosen.

First of all a list of potential names are brought before the faculty of Dunbar and Senior High School by a special committee. Each name given is voted by the faculty—with the consideration of the standard qualifications of "Miss Homecoming."

Along with the charming personality and poise of each candidate—each must exemplify the four standard qualifications:

- (1) Must have graduated at least ten years before the designated year.
- (2) Must have been a member of one of the classes being honored.
- (3) Must have reached some degree of success in the educational, social, civic, or religious life.
- (4) Must have shown some interest in Dunbar since graduating, if he graduate lives in his vicinity.

## Free Transportation To Polls Nov. 3

The progressive Theta Kappa Lambda Chapter of Alpha Phi Alpha fraternity will provide free transportation to and from the polls to encourage citizens to vote on November 3, regardless of the individual's political affiliation. This group does not wish to dictate on how to vote, but would like to help each citizen to exercise his right to vote.

The motto of this group is "first of all, servants to all, we shall transcend all." Alphas desire to state and live by this motto. Please accept our service by calling TULL THORNTON at SH7-2919 on November 3, if you need transportation to the polls. An Alpha will be at your door in a matter of minutes to take you to the polls and back. This is just one of many services that shall be rendered by this group during the year.

## EXALTED RULER OF CAPROCK ELKS LODGE No. 1540 SPEAKS HERE

The Order of Elks is an organization of American citizens who love their country and desire to preserve its cherished institutions; who love their fellowmen and seek to promote his well being; and who love the joyousness of life and endeavor to contribute to it as well as to share it.

The order questions no man's religion; nor bars him on account of his race or creed. It is not concerned with one's political affiliations. It does not permit either religion or politics to be injected into, or to have any effect upon, its fraternal deliberations national or local.

It lures no man to its doors by any promised material benefits which might appeal to his self interest. It pledges no support to the furtherance of personal ambitions. It has no insurance

feature to appeal to one's sense of economy. It is beneficent, not merely benevolent, and believes that doing good is better than merely being good. It teaches that it is nobler to serve than to be served; that laughter is better than a frown; and that life is all the sweeter for a song. . . .

It therefore seeks to draw into its fraternal circle only those who delight in wholesome associations with congenial companions; who are deeply imbued with the spirit of patriotic loyalty and devotion; who recognize the obligations of human brotherhood; and who desire, without the fanfare of the trumpets of publicity, to share with their associates in the endeavor to feed the hungry, to shelter the homeless, to relieve those in distress, and to prove themselves true friends to all in need.

With such a membership, holding such ideals, the order has grown from a modest, but a purposeful group of organizers into a great and powerful fraternity, whose patriotic services have won for it a high place in national esteem, and whose benefactions have smoothed the pathway of countless thousands.

quarter on a fifteen-yard roll around right end. The Panthers added up 193 yards in rushing and 27 yard in passing. The Leopards got only 123 yards in rushing and 61 yards in the air.

## HOMECOMING WEEK AT DUNBAR

Homecoming activities at Dunbar High School are well underway. The general theme for this special week, "Songs of Pantherland," has fitted them into a tee for the pigskin fever.

On Monday "Penant Day" was a success. All students wore or carried some type of booster item. Panther deputies were on patrol to see that this day was a success. Tuesday, marked the term-On "Spot Decoration Day," ination of the homeroom display and student poster contests. Each display was judged.

Wednesday was "Color Day." Each student wore the school colors. Students who did not wear the colors were apprehended and placed in the Panther jail at activity period. For each student to get out of jail, they had to pay a fee. All monies raised from the jail-

ing of each forgetful student went toward the purchasing of boutonnieres for the coaches and football boys.

Thursday at the annual Homecoming assembly the football sweetheart queen was revealed and crowned. (The identity of the football queen will be featured in next week's Manhattan Heights Times.

Friday is Alumni Day on campus. An alumni social will be held from 4 to 7 p.m. in the school cafeteria. All alumni are invited to attend the social. Graduates of the classes of '54, '44 and '34 will be honored guests on this day. Miss Homecoming will also be crowned.

Saturday, Homecoming Day, will draw to long week of activities to a climax with the game between Dunbar and Midland. There will be a homecoming dance for the student body immediately after the game.

## Dunbar Panthers Squeeze By Leopards At Wichita Falls With 14-6 Score

The Dunbar Panthers met the Wichita Falls Leopards last Saturday at Coyote stadium in Wichita Falls and defeated them by a score of 14-6. The mighty Panthers scored twice in the first half, then held off a Washington rally in the second half.

Dunbar is one and one in district competition, losing to Odessa Blackshear in the district opener, 26-7. The Wichita Falls Leopards are 3-3, after suffering the defeat from the Panthers.

Dunbar's first touchdown

of the game came when end James Geary snagged a pass thrown by Washington, and scampered some 80 yards to mark up Dunbar's first tally. The conversion was good by quarterback Clarence Hawkins.

Ernest Stevenson tallied the second Dunbar touchdown in the second quarter on a two-yard carry by Henry Planks. Once again Hawkins kicked the extra point.

The only score by Washington came in the third

The Vogue-Fashion models are in their third year of Fashion Show touring, and this year's show will feature outstanding designs by top European and American designers. Also highlighted will be designs by outstanding young Negro designers who have come into the fashion spotlight.

Sepia Fashion Fair is under the direction of Carlton Hamilton, who is one of the country's leading male models and Charm School directors. Mr. Hamilton was voted "Mr. Sepia Model" in 1960, "Mr. Hare," top male model of the year in 1961, and voted one of *Ebony's* ten top male models. ## LBJ FOR SEGREGATION?

The White House has produced no answer so far to GOP vice-presidential candidate William Miller's charge that President Lyndon Johnson—a supposed crusader for civil rights—placed a racial covenant in the deed to his Austin lake-front property which he sold in 1945. This is "hypocrisy at its worst," charged Miller.

Speaking to 5,000 cheering Texans in Austin, Miller circulated to newsmen certified copies of deeds by which Johnson and his wife bought 20 lots in 1938 and sold seven of them in 1945.

*The deed conveying the property in October 1945 to the late Tom Miller, then mayor of Austin, contained a condition that none of the property would ever be sold, leased or "ever held in any way by or for . . . persons of African descent."*

But in a 1938 deed by which Johnson acquired the property from Charles E. March contained no such condition, said Miller.

The GOP vice-presidential nominee further charged Johnson with putting the anti-Negro covenant on the land "either because he wanted to be certain that no Negro could ever own property adjacent to the lush and lovely land remaining in his possession, or because he did not want Negro neighbors, or because he was afraid of lowering his own property."

—Human Events, September 26, 1964

- 1960—Voted AGAINST Providing for technical assistance to arear **DESEGREGATING THEIR SCHOOLS**.
- 1937-1942—Mr. Johnson voted to kill an anti-lynching bill. How could any Negro trust a man like this?

In February 1960, Mr. Johnson said in Madison, Wis., "I am not now and never have been an advocate of Civil Rights, and I never will be." And now 1964 comes around; this being an election year, he can see a block of Negro votes waiting for him, if he comes out for Civil Rights—But in 1965 he can forget the Negro—Can you trust a man like that?

**George BUSH**

A MESSAGE FROM GEORGE BUSH

"I am asking for your support, your vote, in the election of November 3rd. I believe I can best serve the independent spirit of Texas in the U.S. Senate.

"You have the right to know what a man believes in before you decide to vote for him. To help you make your choice, here are my comments on several of the important issues that face our state and nation."

*George Bush*

**GEORGE BUSH ON THE ISSUES**

**MORALITY IN GOVERNMENT**

The men in our highest elective offices must be men of dignity, honor and integrity. Honesty is not a matter of degree—it is a matter of principle.

**IMPORTS**

Any Senator from Texas should be in the forefront in the battle to protect the Texas oil and cattle industries. I will continue to support meaningful programs to restrict imports of these commodities.

**FOREIGN POLICY**

In our conduct of foreign affairs, there is no room for incompetence, negligence and resulting mistakes. We must give up the tragic policy that

commits us to fight wars but not to win them.

**FOREIGN AID**

I will support our foreign aid program only when it is used to strengthen those friendly areas where technological and military assistance are necessary to the defense of the free world. In all other areas, foreign aid should be drastically reduced.

**FEDERAL SPENDING**

I do not believe a politician should attempt to perpetuate himself in office through wasteful spending projects. The billions of dollars unwisely spent are your dollars and mine. We must balance the budget and unshackle our free enterprise system. Then we'll see a prosperity the likes of which the left-wingers have never dreamed of.

There's a job to be done in the U. S. Senate. . . .

**LET GEORGE DO IT!**

**Elect GEORGE BUSH**  
**U. S. SENATE, NOV. 3rd.**
