

Candidate Introduction Set for Sunday

ARRIVAL OF BISHOP W. D. HAYNES STIRS PANAMA

Colon, Republic of Panama... Bishop W. D. Haynes, pastor of the Church of God in Christ # 2 of Lubbock, arrived at the Tocumen Airport in the Republic of Panama at 10:55 p.m. last Monday, March 14th. The Bishop was

'Around the Hub City'

Although the first day of Spring arrived here in the "Hub City" on last Sunday evening, approximately 7:00 p.m., the Spring weather has been here for nearly a week. With the beautiful weather we witnessed last week, we should expect more of this 80 degree weather this week and many more to come, less known the long hot summer we will probably encounter.

One thing is for sure, the beautiful pre-spring weather was sure welcomed last week. It gave us an opportunity to work in the garden and around the house..... Let's hope that this type of weather will continue for a long time....the sandstorms are not welcome in the "Hub City" although they are one of our attributes.

Mrs. Earnestine Davenport, 1912 East 29th Street, is visiting in Meridian, Texas with her mother, Mrs. T.C. Alexander, who has been ill.

Mrs. J.I. Bell of Cleveland, Texas is visiting in the "Hub City" with her sister, Mrs. Jessie Johnson, 2502 Date Avenue. On last Sunday morning, Mrs. Bell visited the Messiah Presbyterian Church where she rendered a solo.

Mr. Jeff Joiner, 1308 East 24th Street, is indisposed at his home and had to be hospitalized on last week, but due to his speedy recovery was given liberty to go home.

Mrs. Hortese King, 2305 Elm Avenue, is visiting in Eastland, Texas where she is the guest of relatives. Oh!! by the way, she has informed "Around the Hub City" that she is really enjoying her fishing.....

The Man on Avenue "A" says that if people would take six months minding their own business they would be so tired the next six months they wouldn't have any time to mind anybody's else business.

Pretty little Marcia Holmes celebrated her third birthday on last Sunday afternoon, March 20th, at Mae Simmon's Party House. She invited many of her friends and received many lovely gifts.

Marcia is the daughter of Mr. and Mrs. Harold Holmes and is a member of Mt. Gilead Church.

Mr. W.M. Mooney, son of Mrs. Lillie Parks, was here in the "Hub City" last weekend. Mooney who resides in Long Beach, California was enroute to his new assignment in Nebraska, but decided to stop off here for a few hours before going to Nebraska. He is expected to be in Nebraska for approximately six weeks.

Mr. and Mrs. A.J. Owens, 210 David Street, became proud parents of a ten pound baby girl on last Friday, March 18th, at Methodist Hospital.

The Owens have three other children.

Mr. R.A. Hester, Supreme Chancellor of Knights of Pythias, arrived here for a short business

received with a large crowd saying with a loud voice: "Salutations and welcome to Panama our Bishop Haynes."

The United States Army helped with many of the efforts to make Bishop Haynes stay a comfortable one.

Tuesday, March 15, 1966, 10:00 a.m., was the beginning of the Panama Ministers and Workers meeting. Bishop Haynes addressed the meeting and his subject was "Understanding Through the School of Faith", Heb. 11:2. The address was well taken and a short welcome service was given for the new Bishop.

Up to now Bishop Haynes has broadcasted over Radio Atlantico, a guest of the Governor, and has held a consultation with many who needed spiritual advice.

Bishop Haynes says before leaving Panama he will appoint one new pastor in Cativia, Colon R. of P., and examine three brothers for ordination. Aside from this he will review the work in general and hurry home to his local church and family.

It's reported that Bishop Haynes will be home to preach at 2411 Fir Avenue on Sunday, April 3, 1966, at the regular Sunday noon service.

RECORDS ON ECHOES OF FAITH

It matters what the occasion or event may be, Lubbock is always on top when talent is the medium.

Annie Helen Cooper, 21, daughter of Mr. and Mrs. Arthur Cooper, has recorded a record on the Echoes of Faith label. The songs, "I Can't Let These People Worry Me Out of My Life" and "Nobodies Fault But Mine", will give any listener the type of talent Miss Cooper possesses.

She is a member of the Faith Tabernacle Church of God in Christ, Elder Freddie Lee Clark is pastor.

Governor Presented Here Monday

The red carpet treatment was given to Governor John Connally as he arrived here on Monday morning. The Governor had two speaking engagements and a tour of the Texas Tech campus while in the Hub City.

Monday was "John Connally Day" in Lubbock which was proclaimed by Mayor Max Tidmore.

Approximately two thousand Lubbock and South Plains residents were on hand at the luncheon at the Municipal Coliseum at noon last Monday to hear the Governor speak on the subject, "Responsibility for Growth."

His second address was given about 2:00 p.m. in the Coronado Room of the Texas Tech Student

On Sunday afternoon, March 27th, at 3:00 p.m., the Lubbock Chapter of the United Political Organization of Texas is sponsoring a program especially for you, the people of Lubbock.

This special program which is designed for each citizen to see and hear each candidate that is seeking an office whether it be a city, county, or state position.

The Lubbock Chapter feels as though each qualified voter needs to be present for this occasion in order to determine what candidate is actually qualified to represent you whether it be city, county, or state.

As many of you may recall on last Thursday, this chapter of UPO put forth a special effort in order that many of you had transportation to the County Courthouse in order to register.

On Sunday another effort is being presented to you by the Lubbock Chapter of UPO, one in which we can't let pass without an "E" for effort. It is up to YOU, Mr. and Mrs. Lubbock.

This program, which is entitled, "AN INTRODUCTION OF THE CANDIDATES", is for your benefit so be at liberty to ask any question you see fit. Let's us not be guilty of going home wishing we would have asked certain candidates particular questions, but we were so shy we failed to do so.

The president of the Lubbock Chapter of UPO, Edward Deo, encourages all people of Lubbock to attend this affair.

This affair will be held in the banquet room of the Co-op Oil located on Avenue "A".

School Favorites Named at Mary & Mac

The junior and senior high school departments of the Mary & Mac Private School, 902 East 28th Street, have chosen their school favorites.

WAVELY ANN MOORE

Wavely Ann Moore and Ronnie Sneed, both seventh graders, were selected by their peers as favorites of the junior high department while Velma Mae Nash and James Scruggs took the spotlight for the senior high department.

VELMA NASH

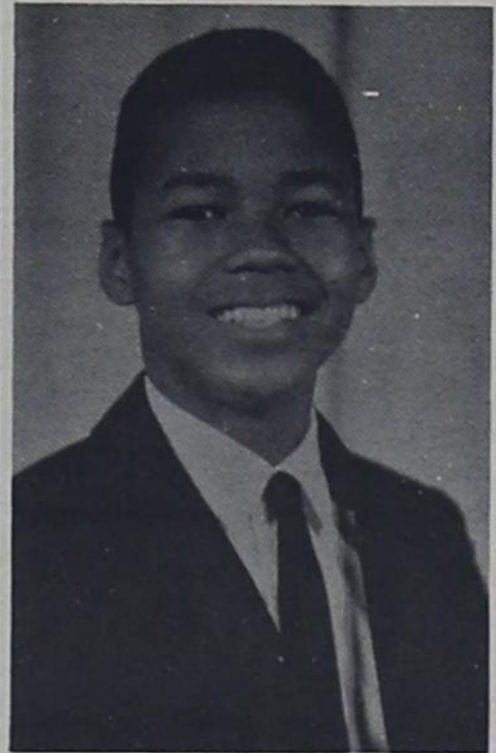

very much interested in the field of nursing.

Ronnie, the proud son of Mr. and Mrs. Embry King Sneed, 2501 Fir Avenue, is another popular student at Mary & Mac. He enjoys working in his many workbooks. He is quite concerned about becoming a nuclear physicist.

Ronnie's hobbies include building model cars and airplanes.

Velma, daughter of Mr. and Mrs. Carl Nash, 2430 East 28th, is a very active senior high school student. She is anticipating upon becoming a stenographer.

Her hobbies are not so rare for a young lady, she loves to play the piano and sing.

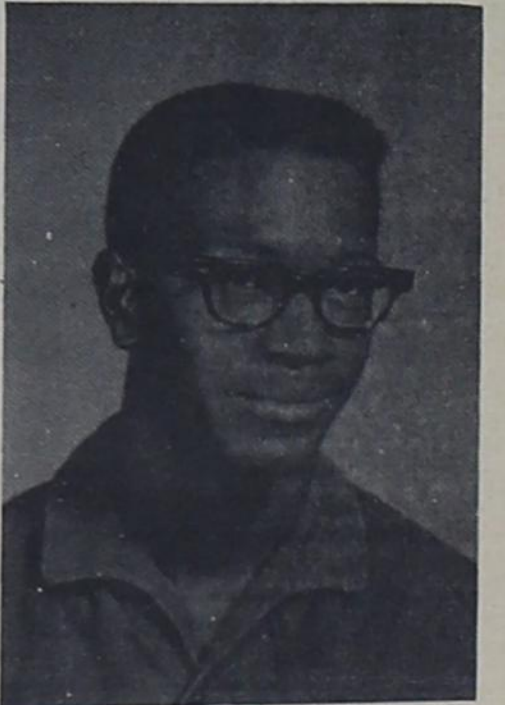

RONNIE SNEED

Wavely, daughter of Mr. and Mrs. Herman Moore, 1511 East Main, is a very active junior high school student. Although she spends the majority of her time singing and dancing, Wavely is

Union Building when he addressed the college faculty.

Master of ceremonies was George W. McCleskey, president of the Lubbock Chamber of Commerce, and the Governor was introduced by state Senator H.J. (Doc) Blanchard.

JAMES SCRUGGS, JR.

James, son of Staff and Mrs. Eugene Hill, 2802 East 30th, is very active in many of the school's activities. He adores art.

Velma and James are officers in the Mary & Mac Student Council.

MORE POLICE NEEDED

It seems a shame that the city of Lubbock is having such difficulty acquiring policemen. Now, and as in the past, our city police force is under strength, and this cannot continue to be the case if our city is to continue to grow at the present rate.

Perhaps the potential city fathers, especially those who are concerned about the welfare and security of our city, could propose some type of program that would fit into their platform, and would enable the city policemen to receive ample pay, benefits, and perhaps do away with the necessity many of the men feel to "moonlight", or work on another job because of the need to make a living wage.

The security of Lubbock is something that involves all of us, and therefore, it should be that this particular issue be given consideration during this year's city election. Without good salaries, we have no chance for a good police force, and without good policemen, we have no security.

It's a sad day when a city as large as Lubbock, with its 163,000 inhabitants, cannot pay enough for policemen. Truly, there are enough good men who are capable and qualified for the position as policemen in our city.

Candidates have mentioned the parking problem, but regardless of how important this may be for the downtown merchants, we still need able bodied men to protect our citizens, property, and businesses all over the city. All of this and more can be attained only if we have some means of paying our policemen a better wage.

In the course of asking for such things, we have come across many people who immediately point out that an increase in salary might mean an increase in taxes. True, but at the same time, there are other factors to consider also. Suppose a merchant here in town loses large amounts of merchandise to burglars, due to the fact that the police force is understaffed, then he may be required to pay a higher rate for his insurance. If he is required to pay more premiums for insurance you can well believe that you as a customer of his will pay more for the goods you have to purchase from his store. So what's the difference? Either way, you must pay, but if you pay with increased taxes, it is entirely possible that some time when you really need a policeman, you will have one available. In the other case, you are not only being stuck for the bill, but you aren't getting all the goods either.

The election will come up in April and this problem is one of the most important one's to be considered during this year's balloting. It is an absolute must that this issue be given some careful consideration since the welfare and security of our city is at stake.

Judge Spaulding Takes Seat

Harrisburg, Pa.--NPI--Former County Court Judge Theodore O. Spaulding, became the first Negro in the history of Pennsylvania to sit on the Superior Court bench after his appointment and approval by a vote of 48-0.

The new Superior Court judge was sworn in by Superior Court President Judge Harold Ervin at ceremonies in Philadelphia. For 10 years, he was a member of the county court bench. A former president of the Philadelphia NAACP branch, he is currently the branch's vice-president.

LEONTYNE PRICE ON BELL TELEPHONE HOUR MARCH 27

New York--NPI--Metropolitan Opera soprano Leontyne Price will be featured in a special Bell Telephone Hour program on painting and music, to be telecast Sunday, March 27, at 5:30 p.m. over the Columbia Broadcasting Systems' network.

Stage and screen star Charles Boyer will be host for the musical presentation, which will include jazz musician Benny Goodman, singer Jane Morgan and the New Crusty Minstrels.

CANCER - A Frightening Word

Cancer is a frightening word among Americans today. It's a frightening disease. Millions of American families have had experiences with cancer. Millions of words have been written about cancer in the public press. Most of us know something about cancer. But how many of us really know what cancer is?

During the process of cell division--the basis of normal body growth and repair--cells become differentiated into the specific kinds needed for each organ or body function, says a new pamphlet of the American Medical Association.

Each kind of cell divides into its own kind, equipped to do the job it was designed to do. Under certain conditions not yet completely understood, some cells do not differentiate in this way. They multiply in irregular and disorderly fashion and complete with normal cells for nutrition and space. These cell masses are called tumors.

Tumors that remain localized are benign and may not be troublesome unless they mechanically interfere with some body function. Tumors that grow rapidly and spread or destroy tissue are known as malignant tumors. Collectively, these are called cancers.

Unrestrained growth of cancer cells will infiltrate vital organs and destroy the individual if not checked. Slow growing cancers may take months to spread beyond control. More malignant types spread so rapidly that they become incurable in a few weeks.

Surgical removal of the cancer and destruction of tumor with some form of radiation are the primary methods of treatment. A few types of malignancy, particularly leukemia, react quite well to newly discovered drugs and chemicals. Drug treatment holds much hope, but it is not yet perfected and surgery and radiation are still the major treatment, possibly supplemented by carefully selected drugs.

If treatment promptly and properly, some cancers are highly curable. One-third of all cancers in the United States are being cured today and more than one million Americans alive today have been cured of cancers. However, almost 300,000 Americans will die of cancer this year. Of this total, almost 100,000 might have been saved through early detection and treatment.

Know and heed the American Cancer Society's Seven Danger Signals:

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Change in bowel and bladder habits.
5. Hoarseness or cough.
6. Indigestion or difficulty in swallowing.
7. Change in a wart or mole.

If anyone of these symptoms persists for longer than two weeks, see your DOCTOR. These symptoms do not necessarily mean you have cancer, but they are a warning sign that may prove fatal if ignored.

BORDER FENCE

Pochin, South Korea--NPI--"Seal the border" is the present project being undertaken by the South Korean government in an attempt to keep North Korean agents from crossing into South Korea. The border sealing is being accomplished by the erection of two-inch wooden poles, eight to ten feet high, lashed together with barbed wire, strung with booby traps, and protected by minefields and machine gun nests.

NOT THE SAME

Nairobi--NPI--A misplaced or dropped initial could wreak havoc among political parties in Kenya these days. Former Vice President Oginga Odinga, ousted from the No. 2 spot for allegedly fomenting a communist takeover, immediately organized the Kenya African Unity (KAU) in opposition to the ruling KANU (Kenya African National Union) and its rival KADU (Kenya African Democratic Union).

INVASIONS

Washington--NPI--The U.S. Peace Corps program will invade new African nations this year, raising the number of African countries covered to 19. A contingent of 37 volunteers will set foot in Chad in September, and a 34 man crew will enter Bechuanaland in December.

EQUAL PAY

Sydney--NPI--Cattle ranch owners in the northern territory have been ordered by Australia's top industrial tribunal--the Commonwealth Arbitration Commission--to pay full-blooded aborigines the same wages as white workers re-

PURSE

A lady on Elm Avenue told the police that a thirty-one year-old man had come to her house for a friendly visit. After he had gone she missed her purse. It was a beautiful brown alligator bag. HOW ABOUT THIS... it was learned by her from a friend that he tried to sell the purse to a friend of hers.

ceive. The order affects only about 500 workers, but it is regarded as a victory for the "equal pay for equal work" drive conducted by aborigines working in agricultural, timber, transport, and mining industries.

REBUFF

Abidjan, Ivory Coast--NPI--The Ivory Coast has taken a hand in the Guinea-Ghana counter-coup plans by issuing a warning to the Guinea government not to use Ivory Coast territory as a troop movement stepping stone to Ghana. President Felix Houphouet-Boigny backed up the warning by stationing Ivorian troops along the border to block passage of Guinea-Ghana forces.

BIG CUT

Balboa, Canal Zone--NPI--The Atlantic-Pacific Interoceanic Canal Studies commission is presently making field studies of the

eastern sector of the Isthmus of Panama to determine the feasibility of a sea-level canal along the Sasardi-Morti route. One of several 60 mile-long routes cut through heavy jungle in Darien province; it is estimated to cost in the neighborhood of \$750 million.

100 TONGUES

Louisville, Ky.---NPI---The American Bible Society, preparing to observe its 150th anniversary in May, is engaged in the revision and translation of the entire Bible in 100 major tongues, spoken by 80 per cent of the world's peoples. The Bible has actually been translated into 600 languages.

BENNY GOODMAN, jazz musician and Leontyne Price, Metropolitan opera star, will lend their talents to the Bell Telephone Hour, in a special program on music and art masterpieces, Sunday, March 27 at 5:30 pm over Columbia Broadcasting System television network. (NPI)

News to Veterans

Veterans planning to go to school under the new GI BILL do not have to rush to meet a deadline, the Veteran Administration pointed this out last week after President Johnson signed the Veterans Readjustment Benefits Act 1966.

Although most benefits under the new BILL are effective immediately, the education assistance benefits will not begin until June 1, 1966.

Late in April, the VA expects to have application blanks and full information available at all VA offices and at the admission offices in most approved schools.

Veterans will have ample time to select courses and make application without losing either class time or payments from VA, according to an official of VA.

THEFT OF DOG

T. V. Nail, 1101 East 56th St., told police that someone took his three year-old white fawn colored greyhound from a dog pen behind his house. It was learned that a locked chain was cut in order for entrance to be gained inside the gate.

The owner of the dog told authorities that he had papers on the dog, and that they would show that the dog was valued at \$65.

MAN BEATEN UP AND CUT

At 2722 East 3rd Street, a man by the name of Helen Easter, who resides at 1705 East 14th Street, had been cut several times with a knife. It was learned that a lady friend had cut him. The cutting started from an argument that the couple had earlier.

This particular incident occurred at a local cafe.

Easter told authorities that he would definitely file charges.

CUT VICTIM

Johnny Lee George, 1501 Avenue "C" apt A, told police that he and a friend was walking down the 1500 block of Avenue "C" when his trusted friend began to jump on him. He was cut on the head and left hand with an unidentified instrument.

George could not understand why his trusted friend decided to cut him. He was taken to Methodist Hospital by Jamison's.

He told police that he did not know where his friend lived, but he would file charges on him. He was certain he was still in the city.

CAR BURGLARY

W. L. Porter, 1008 Avenue "A", told police that someone took the radiator out of his car, a 1952 Packard sedan. Porter told police that the radiator had been damaged on the inside lower right corner and it had a metal tag on the top with a number 288 on it. It had been repaired several weeks ago and the hose had been cut.

BURGLARY AT E. C. STRUGGS JR. HIGH SCHOOL

Charles E. Brown, 2403 East 28th Street, principal of E. C. Struggs Junior High School, told police that someone had broken into the school and robbed the coke machine. This incident happened on last Thursday night and was discovered on Friday morning by the custodian.

Investigation revealed that persons unknown knocked the glass out of the north door to the cafeteria and reached inside and unlocked the door to gain entry.

Monies were taken from the coke machine and an attempt to rob another vending machine was unsuccessful. The metal box which contained the monies from the coke machine was found on the floor.

It was also discovered that the looters entered the principal's office by breaking the glass to the door, but nothing was taken or disturbed from the office.

JOHNSON-HAWKINS VOWS READ AT ST. JOHN BAPTIST CHURCH

Wichita Falls--Miss Gloria Jean Hawkins became the bride of Tony Johnson Saturday night, March 12, at the St. John Baptist Church. The Rev. L.D. Bell officiated.

The bride is the daughter of Mr. and Mrs. Dallas Hawkins, 1004 Flood Street and the bridegroom is the son of Mrs. Juanita Johnson of Denison, Texas.

The altar was centered with white gothic arch, from which white bells and satin ribbon extended. On either side was white candelabras with white wedding tapers each backed with satin and white stock.

Given in marriage by her father the bride wore a wedding of chantilly lace over taffets, featuring a fitted bodice, with slightly raised waist line, and a scalloped Sabrina neckline, and cap sleeves. The bodice was highlighted with seed pearls and sequins. The skirt, a modified silhouette, was shaped by gathers at the waist. Enhancing the beauty of the gown, was a chapel length detachable train of French illusion lined with taffets and giving the effect of a full overskirt. Cut out lace roses studded with pearls, were scattered over the body of the train, accentuating the beauty of the overall picture.

Mrs. Bobby Holt was over the wedding ceremony.

Mrs. Lenell English, the bride's sister, was matron of honor. Miss Jessie Minor was maid of honor. Miss Shirley Hawkins, the bride's sister, and Miss Brenda Green were bridesmaids. Little Miss Natalie Hawkins, also the bride's sister, was flower girl. They all wore identical pink taffeta dresses with lace overblouses.

Mrs. L.H. Merritt was organist and Mr. Donald Thursby was vocalist.

Roy Royston was best man from Denison, Texas. Jerome English, the bride's brother-in-law, Jeffrey Cooper and Ernest Calhoun were groomsmen. Bobby Holt was ring bearer. Ushers were Sammy Bell and Will Jones.

Billy Jo Bilbrew and Lee Johnson pulled the aisle pieces after both parents were seated. They were escorted by L.K. Strickland and Fred Bilbrew.

After the ceremony the guest were greeted by Miss Karine Fulbright and then presented to the wedding party. The Bride's table was centered with the wedding cake, with candles on each side, the wedding cake was decorated with large pink roses and a punch bowl on each side. The table had lacy cloth, the sides were of pleated pink taffeta all the way down which brought out the brides color scheme beautifully. The gift table was pink with pink pleated net along the sides. The reception table having the bride's book was white.

Mrs. Jewel Harmon and Mrs. Minnie Garrison were over the reception and decoration along with Mrs. Marguarite Gipson, Mrs. Ethel Bosley, Mrs. Viola Strickland and Mrs. Lena Strickland, Mrs. Lillie B. Bilbrew, Mrs. Margaret Bell from Gladewater, Texas, and Mrs. Bobby Holt.

The bride is a traffic operator at Bell Telephone company and a graduate of Booker T. Washington High School and has attended Midwestern University.

The groom is a graduate of I. M. Terrell High School of Denison and Texas Faubian Barber College at Fort Worth, Texas.

This article is a reprint as a request of our Wichita Falls reporter, Mrs. Marie M. Cleaver, with apologies to the bride, the bridegroom and their respective families.

B. T. WASHINGTON STUDENT WINS TRIP TO EUROPE

FORMER WICHITAN WOUNDED IN VIET NAM

Wichita Falls--Pfc Moese Moffett Sr., of 1624 West 24th Street here in Wichita Falls is in the Army hospital in San Francisco where he was transferred after having been wounded in action in Viet Nam, last month.

Moffett attended B. T. Washington High School until his family moved to Los Angeles, Calif., where he graduated from Manual Arts High School in the class of 1960, and attended Los Angeles Metropolitan College prior to entering the service in June of 1964.

A machine-gun operator for the 101st Airborne Division, Moffett was wounded in action on February 12th. He was removed to the Phillipine Islands where he underwent two surgical operations before he was flown back to San Francisco.

The Moffett family resided at 829 Elwood Street while living in Wichita Falls.

Plan Negro Owned Mutual Fund Company

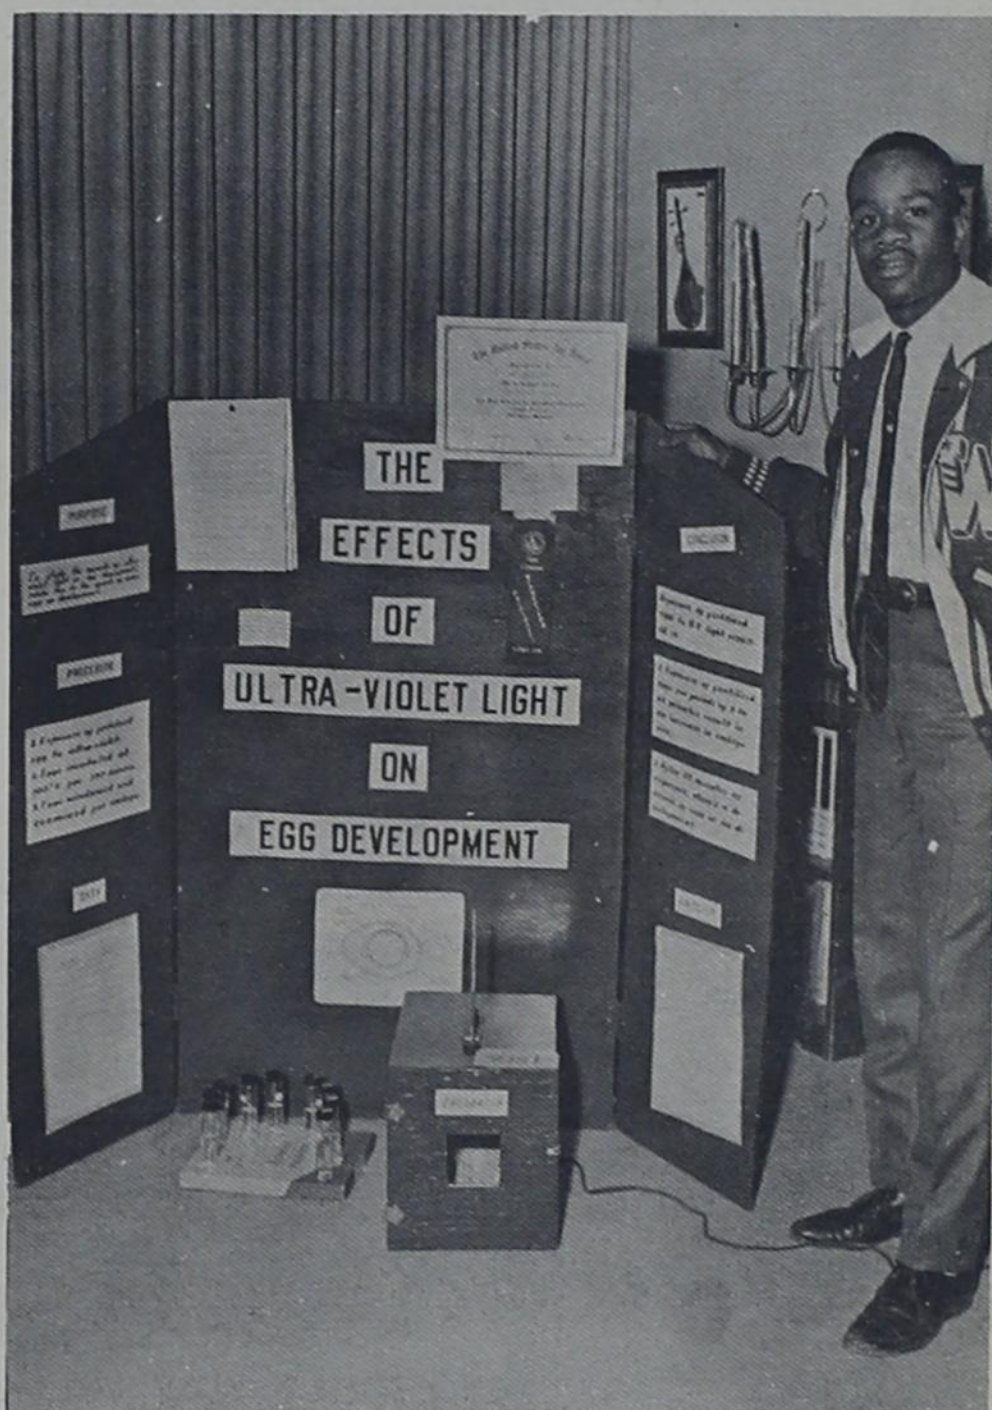

Cleveland--NPI--A Negro owned mutual fund company, capitalized at about \$5 million, is expected to go into operation shortly, with the backing of a group of business and financial firms.

Heading the founding group is Norman L. McGhee, a member of one of the city's oldest established brokerage firms.

The new company, to be known as Everyman Fund, Inc., is expected to provide a means of securing long-term income growth and principal through investment in diversified common stocks or securities convertible in common stock.

Proposals also include shares for sale in a number of states.

The fund, whose slogan is "Integration on the Economic Front," has the support in its formation of top legal counsel. Preliminary registration statements have already been filed with the Security and Exchange Commission, Washington, D.C.

Don Juan Nelson, son of Principal and Mrs. J.F. Nelson, 901 Williams Avenue, was a first prize winner in the Midwestern Regional Science Fair.

He chose as his theme, "The Effects of Ultra-Violet Light on Egg Development".

The purpose of his study was to determine the effects of ultra-violet light on egg development and relate this to the effect of cosmic rays on development.

Don is a junior at the Booker T. Washington High School, under the supervision of his chemistry teacher Mr. Horace Boston, Don will join a hundred students who will take the four week science tour of Europe.

The tour is scheduled from August 11 until September 2.

The students will travel to West Berlin, Amsterdam, London, Vienna and Strasbourg.

Junior Branch of Progressive Club

Wichita Falls--The Progressive Misses organized a Junior Branch of the Progressive Club. Front row, reading left to right Carolyn Parker, Deidra Wilson, Delivis Settles,

SIXTH GRADE WINNERS OF THE REGIONAL SCIENCE FAIR

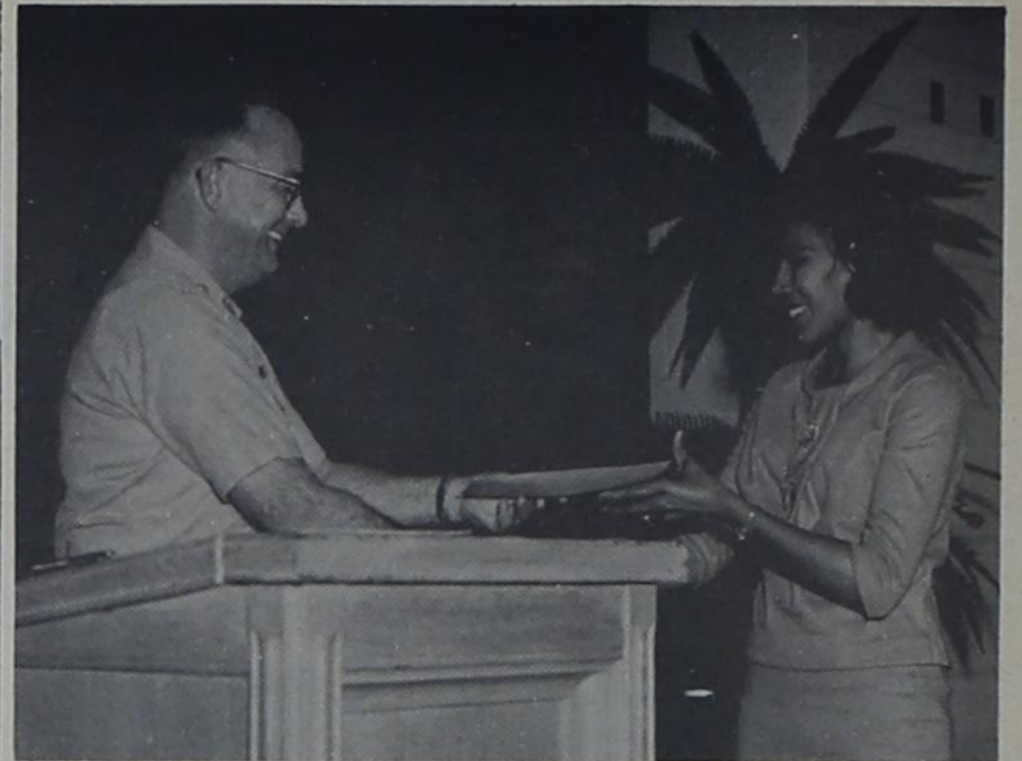

Mrs. Homer Tabb, sixth grade science teacher, and Principal C. E. Jackson of Eastside Junior High School pose with pleasure with students who represented the school in the Regional Science Fair. On the table in front of Mrs. Tabb is the project of Michael Fuller (not pictured). Michael's project was on "Penicillin, The Wonder Drug" and showed how penicillin is manufactured. His project won a blue ribbon. Michael is the son of Dr. and Mrs. C.B. Fuller of 1201 Harding Street.

Edna Williams, daughter of Mr. and Mrs. David Williams, 1419 Rosewood, won a red ribbon with her project was on "Parallel and Series Circuits," which shows how lights will remain on when one light goes out in parallel and how all lights will go out when one does in a series circuit. Archie Nelson, son of Mr. and Mrs. Archie Nelson, 902 Juarez Street, won a white ribbon with his project on "A Burglar Alarm for a School Bag" showing how an alarm will go off when the bag is

picked up.

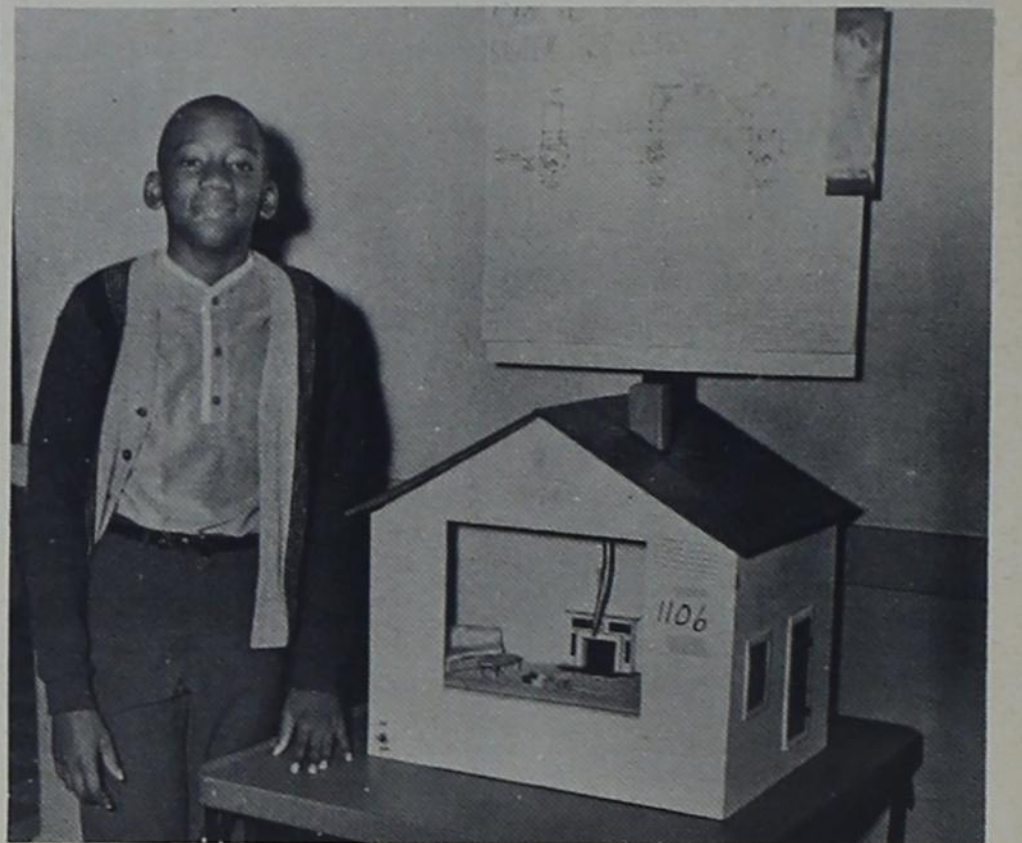

Washington--NPI--The local NAACP branch decided last week to boycott the scheduled boycott campaign by the Free D. C. Movement against businesses who do not display the "Free D. C." window stickers.

The Rev. Edward A. Hailes, NAACP executive director and one of our civil rights leaders previously endorsing the movement, said his group took issue with the fact that the objectives of the boycott "are not clearly defined."

Sheppard AFB, Texas--Receives Family Services Award--Mrs. Roosevelt Davis receives a letter of appreciation and disc as Family Services Volunteer of the Month for March at Sheppard Technical Training Center. Lt. Col. Chester R. F. Poole, chief of Air Force

Clinics of the United States Air Force Hospital at Sheppard, presented the award to Mrs. Davis, and other volunteer service awards during the Family Services coffee held Tuesday in Chapel Two Annex. (Official U.S. Air Force Photo)

Charles Sheppard, son of Mr. and Mrs. Charles Sheppard, Sr., of 712 Bonner Street, was winner of a chemistry set and a \$25.00 Sav-

ings Bond. His project was on "An Alarm and Automatic Extinguisher for a Class A Fire".

CHURCH NEWS

FEDERATION OF CHOIRS

The twelfth Anniversary of the Federation of Choirs will be held at the Greater St. Luke Baptist Church on Sunday, March 27th, at 3:00 p.m. with the St. James Baptist Church as host church.

Mr. Oscar Iles, one of the founders of the twelve year-old organization, is president, and Mrs. Maunita Terrell is secretary.

BETHEL A.M.E. CHURCH

A new program is under way at Bethel A.M.E. Church in that 20 women will play a vital part in making the outcome of this program a success.

This special effort, a May Day Rally is scheduled to commence on May 29th. The chairman, Mrs. Mildred Lusk, and co-chairman, Mrs. E.C. Struggs, are asking the complete cooperation of each member and any contribution from any patron or church in the city will be highly appreciated.

Each of the twenty volunteer women was asked to raise one-hundred dollars.

Last Sunday, March 20th, the first day for this year's Easter rehearsal was held in the auditorium of the church.

NEW HOPE BAPTIST CHURCH

The Seven Seal Rally will end on April 3rd in the morning worship service, let us continue to help each worker that has been asked to report their quota.

Easter is April 10th. The Sun-

day School and Baptist Training Union are asking each parent to please be cooperative toward this special program. Send your children to Easter practice.

Special endowment for Bishop College has been launched by the State Convention and president. April has been set aside as the "Endowment Month." Each church of the state is asked to work toward this goal and be ready to make reports during the L. K. Williams Institute, April 26-29. Pastor Dunn is asking that we would join all B.M.E. churches in this effort.

Sister Bernice Kelly and Brother Clarence Ervin were presented in a recital last Sunday afternoon. Everyone enjoyed the spiritual singing to the highest.

MOUNT GILEAD BAPTIST CHURCH

The Youth Department of Mt. Gilead Baptist Church is sponsoring a box supper tomorrow night, Friday, March 25th, at 8:00 p.m. All proceeds from this event will help in our financial drive. Sister Lula Ross is captain.

The Mount Gilead Baptist Church worshipped at the Rising Star Baptist Church last Sunday afternoon. They were one of the many local churches that participated in the "Installation Services" for the Rev. and Mrs. V. Otis. The installing sermon was given by Rev. A. L. Dunn, pastor of St. Luke Baptist Church.

GREATER ST. LUKE BAPTIST CHURCH

The 44th Anniversary of the church will be held during the month of April. The Chairlady, Sister Rosenna Harris, and Assistant Chairlady, Sister Johnnie M. Robertson, are expecting this to be one of the better ones in the history of the church.

Some of the workers of the church anniversary include Sister Jewel McKinney, Lillian Smith, and Nelda Toliver; and Brothers Harvey Demerson, E. J. Kilpatrick, Jessie Larks and Lonnie Love.

The Congress Board of the Lovely Sunset Association will convene with the St. Luke Baptist Church beginning Thursday and Friday of this week. As a matter of fact, last night, Wednesday, was the pre-opening for the Congress Board.

The Music Department sponsored the pre-opening program.

TWENTH AND BIRCH STREET CHURCH OF CHRIST

What is the destiny of our youth today? What is God's plan for them? Christ has the answer. Come hear Brother John Green From Abernathy Texas, deliver Christ to the young people at the Twentieth and Birch Street Church of Christ from April 24th through 29th.

"OUT IN SPACE"

Whether you are the gourmet or the average homemaker, here are some statistics "out in space" as far as the cost of those edible goodies, or the bare necessities (meat, for example), are concerned. The government has some sad news, budget-wise.

The Agriculture department has released some figures which are important to the housewife. She'll probably have to pay \$102.30 this year for the same amount of food which cost her \$100.00 last year.

Although (and this is the brighter side of the food budget coin), AD predicts food prices will climb as much as they did in 1965--2.3 per cent--prices are expected to level off and possibly drop later in the year.

Affected, by and large, by this decline will be foods which went "out in space" last year--toothsome meats and other animal products.

HEAVENLY HALIBUT

Not only are we--those of us observing Lent--faced with the problem of weeks of meatless meals, but we are also facing a supreme test, a test of our own versatility, imaginativeness and ability to provide appetizing, nutritious meals with stress on variety; meals easy to prepare and serve.

Here's a Lenten Recipe which fulfills all these requirements--Heavenly Halibut. It's really down to earth, for it's simple to make, interesting to serve, and taste-tempting.

The dish has a tantalizing touch of the different--a tangy lemony sauce which is spread over the fish just before the final browning. The sauce also may be served on the side.

To underscore the "heavenly" theme, clouds of white cheddar potatoes adorn the platter. The duchess addition is made by blending three cups of hot mashed potatoes with one table spoon of butter and an egg yolk, for a six server. To make a real halo, you

The theme for this year is "How Shall the Young Secure Their Hearts?" The meeting will begin nightly at 8:00 p.m.

Brother George Harris is minister.

might pipe the potatoes around the platter, circling the fish.

For this Lenten delicacy, you'll need one-half cup mayonnaise or salad dressing, two tablespoons bottled lemon juice; two tablespoons chopped chives or green onions, two pounds halibut steaks (or salmon or whitefish), salt and pepper, one-fourth cup bottled lemon juice and one-fourth cup butter.

Combine mayonnaise, two tablespoons bottled lemon juice and chives or chopped green onions; set aside. Place fish on shallow baking pan, sprinkle with salt and pepper, then with one-fourth cup bottled lemon juice and dot with butter.

Bake at 450 degrees for 10-12 minutes. Remove fish to heat-proof platter or pan, and spread with mayonnaise mixture. Using pastry bag with large star tip, pipe hot duchess potatoes around fish at intervals.

If desired, sprinkle potatoes with one-half cup cheddar cheese. Place two or three inches from heat in broiler and cook.
