'Around the Hub City'

Last week was a convention week for the "Hub City". Hundreds of delegates from throughout the state of Texas visited the Hub City for one of two conventions, Knights of Pythias or Elks IBPOEW, and some of them were fortunate enough to attend both. In talking to many of the delegates from throughout the state, they didn't believe that Lubbock was capable of producing such successful conventions, but after being among those attending the conventions here, they are back in their own respective areas telling people of the "Hub City's" hospitality. One of the delegates said that when he arrived home, he would tell his neighbors and friends of the hospitality found in Lubbock and that it was 'great'.

Cecille Joyce Graves, Mary & Mac's first graduate, left Monday for Bishop College where she will attend summer school for ten weeks.

The man on Avenue A said that on one of his trips he read a sign saying; "There are grandchildren on this street. Drive carefully."

Mrs. Threas Pratt Allen from Houston spent the week-end with Mr. and Mrs. Willie Lusk. She is a former teacher in the Lubbock Public Schools. Mrs. Allen is enroute to school in New Mexico for six weeks. She worshipped at Bethel AME Church last Sunday.

Christopher Leon Griffin, son of Mrs. L. H. Griffin of 2806 Vanda left Monday, June 13th, for Fort Sill, Oklahoma, where he will attend a six week camp in officers training school. He is in the ROTC at Texas Tech.

Mrs. Mary Johns and daughter, Marsha Faye, and Mrs. Faye Simmons and son, Shan, left last Thursday for Arkadelphia, Arkansas where they will spend several days. Mrs. Johns is there attending the funeral of her uncle who passed on last week.

Mrs. Leana Goldstein and son, Cedric, and Mrs. Nellie Fuller, left for Hobbs, New Mexico, Sunday where they will spend a few days visiting with relatives and friends.

Mrs. Maunita Terrell, 208 E. 22nd, and Mrs. Juanita Simmons of 210 E. 22nd, sisters, will move into their lovely new home which is presently under construction shortly. Their new dwelling is located at 2005 Cedar.

Mr. James Roy Lewis, sports reporter and advertising manager of the Times moved into his new home last week.

800 ATTEND ELKS IBPOEW HERE

Lubbock's Pioneer Hotel was the meeting place for the 41st annual convention of the Elks IBPOEW last week. Some 800 delegates from over the state were in attendance at this convention.

Fred Flewellen, exalted ruler of Caprock Lodge #1540, told a "Time" reporter that he believed this to be one of the most successful conventions ever to be held by Elks.

Registration began on Thursday morning and continued until Friday. One of the most colorful activities of the convention was held

Five girls, representing various lodges, competed for a \$1,000 scholarship in a beauty contest, and the right to appear in the national beauty contest in Cleveland, Ohio, in August of this year. The Coca-Cola Company presented trophies to all the contestants.

Top honors in the contest went to Dianna Broussard of Beaumont.

Other contestants were Diana Lynn Jones of San Antonio and Jimmie Nelson of Dallas. Judges for the contest were Joe Pate, Mrs. Rose Lincoln, and Charles E. Henry, all of Lubbock.

Friday's activities got underway with a welcome by Lubbock's mayor, W. D. "Dub" Rogers, and representatives from the Chamber of Commerce before the General Assembly. Main speaker for the assembly was the National Grand Secretary, J. L. Simmons of Philadelphia, Pa. His talk was based around brotherhood and Elksdom.

Climaxing Friday's activities was the oratorical contest, in which top prize was a \$1,000 scholarship to the school of the winner's choice. It, too, was held in the ballroom of the Pioneer Hotel.

Saturday's highlights included the election of state officers for the 1966 and 1967 State Association. Felix Lister of Wichita Falls remained State President, a position for which he has held so well for six years.

Edwin Taylor, Jr. Sent To Austin

Marshall Taylor, Jr., son of Mr. and Mrs. Marshall Taylor of 2714 Teak Avenue, will arrive home Saturday after spending a week in the capital, Austin, Texas. This trip was made possible by the Booker T. Washington Post #808 of the American Legion. This organization, under the leadership of Post Commander Harry Bunton, sponsors some young men with an opportunity of visiting the city of Austin, and while there, an opportunity is given them to attend the State Boy's meeting.

Another project is underway for the members of Post #808, for this year they are sponsoring a baseball team which is composed of students from Dunbar High School. In talking to the Post Commander, it was learned that donations are still needed for the completion of this season. Anyone desiring to make a contribution to

this new league which will help the team, may feel free to contact any member of the organization or Post Commander Harry Bunton.

Pictured above are the members, coaches, and post commander of #808, who opened their season on June 14 at Denver City.

## SOMETHING SHOULD BE DONE

Something should be done about some better care of our communities, or at least the situation should be given some careful consideration.

Last week-end, a four-year old boy was playing in the neighborhood of Beech Avenue, when a strange incident occurred. The young boy, who loves to play and adventure, like any other four year old was given an animal by one of his peers. This animal, being of the rodent family and called by many a "Wood Rat", was placed in the busom of the youngster. Thinking that he had received a cat, he ran quickly across the street to his grandparents to show them his new pet---A Sleeping Wood Rat.

His grandmother, being alert, did not panic, and commanded her grandson to put the new pet down. Immediately upon order, the youth dropped the rodent. The son of the excited grandmother saw the incident and destroyed the rodent with a quick blow to its head.

What you have just read is true.. In this same area of the city, there are many more rodents, as large as if not larger than many tom cats. They live off the trash and rubbish which this community has left for them. It is a shame that this neighborhood, or the city officials, has not tried to discontinue this situation.

It is easy to help remedy this situation, if the residents of the area will only report all such incidents to the city health authorities. Then and only then can such areas and the pests within these areas be cleaned up. Do your part now by cleaning up all refuge and trash in your neighborhood and asking your neighbors to do the same.

## FATHER'S DAY SUNDAY

Another day which we observe with respect and affection although it is not set apart as a legal holiday is Father's Day. This day is in honor of all the fathers of our land. On Father's Day, which is Sunday, June 19th, fathers are honored throughout the United States and special efforts are usually made to try to show them how much we think of them.

Father's Day will bring joy to all the family. Happy Father's Day, Dad...

### Sheppard Sergeant Receives B.S. Degree From Drury College

Sheppard AFB, Texas--One man's desire to better educate himself plus the educational opportunities offered by the United States Air Force have led to his receiving an academic degree from Drury College, Springfield, Missouri.

T/Sgt. Arthur Gurley, Jr. of the 3772nd Instructor Squadron, 3750th Technical School at Sheppard, recently completed requirements for a B.S. degree in history with a minor in education. He accomplished this through off-duty study and with the aid of the Air Force Operation Bootstrap Program.

Sergeant Gurley began his military career with the Army in 1945 and served until 1947. Upon his discharge he began attending classes at Alabama A&M College, Normal, Ala. Having completed 85 credit hours there, the sergeant entered the Air Force in 1951.

The sergeant's tours of duty with the Air Force included assignments at Maxwell AFB, Mon-

tgomery, Ala. in 1951; the Eighth Air Force, Suwon, Korea from 1952-1953, the 791st Aircraft Control and Warning Squadron from 1953 to 1955, the 6049th Support Group, Hauna, Japan from 1955 to 1958, the 305th Bomber Wing, Bunker Hill AFB, India; and the Aleutian Islands from 1960 to 1961.

It was while stationed at Fort Leonard Wood, Missouri from 1962 to 1965 as an Air Force Personnel Instructor and later liaison sergeant for the fourth Training Battalion there, that Sergeant Gurley began attending classes again, this time at Drury College during his off-duty time.

By January 1966, he had satisfied the Operation Bootstrap requirements for TDY assignment to Drury to obtain the last 15 credit hours necessary for his degree.

Following Commencement Exercises held May 29, he left Missouri for Sheppard AFB, arriving here June 3. He is now an instructor supervisor in the water and waste processing course, De-

Although one convention has come to our city thus far and another one ending only yesterday, the question arrives as to what is a convention and exactly what effect will it have on the Hub City? Well to verify conventions worth by checking opinions from other cities.
