'Around the Hub City'

In looking at the results of the Democratic Primary election held last week, it appears as though we didn't go to the polls as we should have or, on the other hand, as we were expected. It is hard to say exactly what the problem might be, but perhaps it can be boiled down to merely saying that we were not interested. Why not start all over again on June 4th, at the second Democratic Primary election. Let's show the people of our city, county, and state, that we too, the people of East Lubbock, can and will go to the polls and exercise our right.

Another soldier has left us. Such was the passing of one of our beloved neighbors, Mrs. Mamie Smith, who expired last Friday. She was funeralized today, Thursday, at the St. Luke Baptist Church with Rev. A. L. Davis officiating.

About thirty-five members of the Future Science of Amieica Club of the Dunbar High School went on a field trip last week to Palo Duro Canyon. They were escorted by Mrs. R. A. Pillow and Mr. Charles E. Henry.

James "Sonny" Doss, a former resident of Lubbock and employee of South Plains Funeral Home, died in Las Vegas, Nevada, last week. He was funeralized there last Monday.

Mr. and Mrs. Joe Davenport, of 2104 East 29th Street, visited with Mrs. Davenport's mother, Mrs. T. C. Alexander, at Meridian, Texas, last week-end.

Mr. and Mrs. Roy Simmons and their son spent the week-end visiting with their partens at Jacksonville, Texas.

Four graduating seniors of Dunbar High School, Clarence Hawkins, Timothy Lea, Billy Wayne Jones, and Kenneth Fields, were injured in a car wreck last week-end. They were reported as doing nicely, but two of the quartet remain in the care of their physician.

Mrs. D.C. Coleman and daughter, 3405 East 16th Street, recently returned from San Pedro, California, after spending over 3 weeks with her daughter and son-in-law, Mr. and Mrs. Dornell Edwards. Mr. Edwards is stationed there with the U.S. Navy.

Mrs. May Simmon, 2112 Date Avenue, suffered damages in a fire which occurred at her residence last week. It is believed that the fire began from smoke escaping from the kitchen stove.

Inter-Squad Game Tomorrow

The Dunbar Panthers, who have been in spring practice for two weeks, will close their annual spring practice tomorrow, Friday, at 4:00 p.m., with an inter-squad game.

DUNBAR ALUMNI ASSOCIATION SETS MEETING

There is much business to be discussed so please be present and bring another Alumni with you.

THANK YOU

I wish to thank my many, many friends who turned out and voted. You did well, but (there) is always room for improvement.

Lubbock Man Stabbed to Death

A forty-five year-old Lubbock Negro man died at approximately 5:40 p.m. on last Saturday afternoon in Methodist Hospital after suffering from a knife wound in the throat.

According to Policeman Ted W. Carter, the victim was identified as Aaron Thomas, 1614 Avenue B, who was injured after an argument which apparently led to be fatal. The disturbance occurred in the 1700 block of Avenue B shortly after 3:00 p.m.

It was learned from hospital officials that Thomas suffered a two-inch gash in the neck, which severed his jugular vein.

Thomas apparently ran from the scene of the fatal stabbing to a local doctor's office, Dr. F. L. Lovings, and later was rushed to Methodist Hospital by a Seshberry Funeral Home ambulance.

According to detectives, a 30 year-old man was apprehended in connection with the altercation.

Pupil Transfer Applications Taken

Applications for transfer of pupils from one school district to another within Lubbock County are being accepted at the office of the county school superintendent.

Last day for making the applications, if state per capital funds are to be transferred for the pupil on June 1. The state funds may be transferred for a pupil only if the transfer application is made during May, according to the county school superintendent, Roy Boyd.

Applications for the transfers should be made by parents or guardians of pupils to be transferred. Applications must be made at the superintendent's office at the southeast end of the first floor of the new courthouse in Lubbock. The County School Board met on May 8 in order to act on the applications.

School districts from which the county superintendent's office handles transfer applications are: Cooper, Friendship, New Deal, Shallowater, Idalou, Roosevelt, Slaton, and Lubbock.

Two other districts, Lubbock and Roosevelt, charge tuition for transferred pupils. Lubbock Independent School District's tuition charges are \$14 per month for primary and elementary grades, \$19 per month for junior high grades, and \$21 per month for senior high grades.

RECOGNITION DAY AT STRUGGS TOMORROW

"Onward Today-Tomorrow" is the theme for the E.C. Struggs Junior High School, tomorrow, May 13th, at 1:15 p.m., and also an athletic awards banquet will be held that night at 7:00 p.m.

too, after our voices have been stilled, our recorded votes and their effects will live on and on.

Let's all attend our County Convention Saturday, 2:00 p.m. for Democrats at Q.L. Slaton High School.

Dr. J. W. Chatman

throughout the city will be on the program to entertain each of you attending.

The admission price for this program will be only 25¢ for children and 50¢ for adults. The individual holding the lucky ticket will receive a radio as door prize.

This particular program is designed to raise monies for under-privileged children.

With about one week remaining in the school year, it is a time of mixed emotions for an estimated 1,569 graduating seniors of the city's four public high schools, as they measure the time before they are able "at last" to face a waiting world, diplomas in hand, following May 26th-27th commencement exercises.

Students in other grades of the city's fifty public schools also have a magic number of approximately seven, at least, before it is all over. They, too, are eagerly

awaiting the time of stacking textbooks and others in order to prepare for the summer vacation by visiting other cities and bathing at the local pool.

Yes, this school year has reached its zenith, and excitement mounts as plans near completion for a combined commencement, or baccalaureate, sermon and service for the four schools, Dunbar, Coronado, Lubbock High, and Monterey High Schools. This is the first year that all schools will meet in the gigantic Municipal Coliseum and have their baccalaureate service together. This affair is on tap for May 22nd, Sunday afternoon, at 3:00 p.m.

Student participation will be stressed in graduation ceremonies at 8:00 p.m. on May 26th, in the auditorium. Aside from this annual fete, a special recognition assembly, which is being held today, Thursday, at 1:15 p.m., for individual students who were recognized for outstanding achievements and special awards.

Curry.

Although there is only one graduate in the Class of 1966, it still marks a milestone in the history book for this institution. The school, faculty, parents, and friends of Mary & Mac are proud of the fact that at last a student is more than qualified to cross the burning sands of secondary education.

Liberality is not giving much, but giving wisely.

Former Lubbockite Dies in Denver Crash

Mrs. Maggie Walker Murray, 2420 Franklin Street, Denver, Colorado, was killed in a car wreck on the 22nd of April.

She is survived by her husband, Francis Murray of Denver; mother, Mrs. Alabama Walker of Lubbock; five sisters, Mrs. Maude Guy and

Mrs. Pearlene Scott of Lubbock, Mrs. Ethel Jackson of San Antonio, Mrs. Edna Green of Denver, and Mrs. Redel Williams of El Campo, Texas; two brothers, Johnnie and Jimmie Walker of Lubbock, and a host of relatives and friends.

DR. CURRY TO ADDRESS CLASS

Mrs. L. S. Graves, principal of the Mary & Mac Private School, announced on last week that the school's first commencement exercises which will be held on Sunday afternoon, May 29th, at 3:00 p.m. in the auditorium of the South Plains Branch Boys' Club with Dr. Milton K. Curry, Jr.,

president of Bishop College as speaker.

Dr. Curry, a well-known educator and administrator, who has earned a BA, MA, DD, and LL.D., has contributed a great deal to the field of education. Bishop which is located now in Dallas, is proud to have a man such as Dr.

Mary & Mac's Sixth King and Queen Coronation Success

Several hundred parents, patrons, and friends of the Mary & Mac Private School, 902 East 28th Street, were on hand to witness the sixth annual "King and Queen Coronation" which is sponsored by the school's PTA. This beautiful fete was held on last Sunday afternoon, May 8th, in the auditorium of the South Plains Boys' Club.

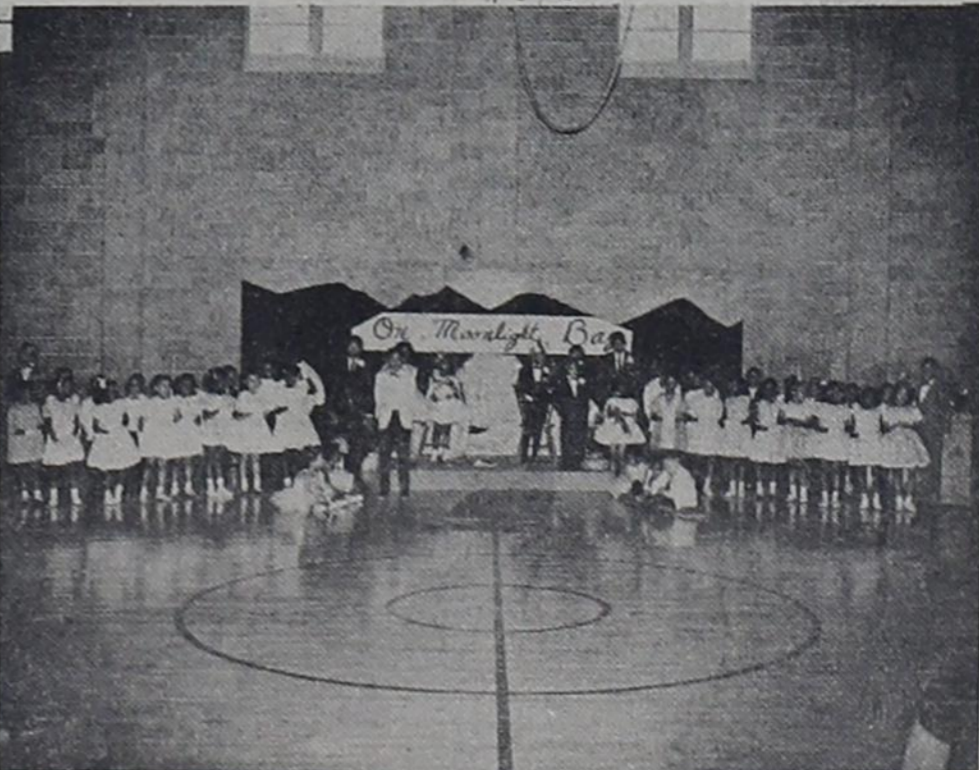

Mrs. Bobbie Jean Patterson served as mistress of ceremonies of the program with several groups performing for the newly elected king and queen, little master Donald Ross, son of Mr. and Mrs. William C. Ross, and pretty little Regina Butler, daughter of Mrs. Shirley Butler.

Appearing on the program were Rev. George Harris who gave the invocation, and the 1965 and 1966 king and queen, David Gentry and Laura Hillyer, who relinquished their crowns to the new king and queen. A new group to this annual festival was a beautiful selection by the "Coronation Chorus" who sang this year's theme, "On Moonlight Bay". Avis and Thomas J. Patterson chose to sing one of their favorites, "Hello Dollie."

Last year's queen, Laura Hillyer, presented this year's royal family with a piano solo; the charming Maryettes, who have

been a part of this affair since its beginning, sung another favorite, "Moon River". Everyone enjoyed the modern medley by the Four Flowers. Talented Julius C. Graves, III, son of Mr. and Mrs. J. C. Graves, II, presented a piano solo.

Mrs. Lula M. Rice, president of the PTA, presented the trophies to the new king and queen of Mary & Mac while Mrs. Doris Bunton gave remarks. The principal, Mrs. L. S. Graves, gave her appreciation to the parents and friends for making this year's program a success.

With the theme, "On Moonlight Bay," in the background, the boys and girls who were responsible for such a beautiful program last Sun-

day afternoon in the Boys' Club pause for a few moments so the photographer would be able to snap their picture.

SAINT JAMES BAPTIST CHURCH

A special Mother's Day program went over in a big way last Sunday. Due to the fact that Rev. Otis' wife was ill, the Rising Star Baptist Church members were present at 3:00 p.m. and really did a wonderful job. Dr. F. L. Lovings spoke on the subject, "Where Do We Go From Here". It was very inspiring to everyone present.

The New Light Singers of St. James are giving away \$37.50 in cash or a radio on May 15th. The reason why we didn't give these items away on May 8th was because there were so many who wanted tickets we decided to prolong the program. Listen carefully on Sunday night and we may bring you a radio or cash, if you have the lucky number.

CLEAN-UP CAMPAIGN UNDER WAY HERE

May's city-wide clean-up, paint-up, and fix-up campaign got a rather cool start last Saturday morning as some 35 persons gathered in overcoat weather at the city parking lot for a kickoff ceremony.

As the thermometer plunged to the mid-40s, Syd Moore, chamber chairman of the civic beautification committee, handed out more than a dozen brooms and a charge to stir up a cleaner, brighter city.

On hand were the recently named civic beautification queen Miss Penny White, and her court, which included Donna Jones, a Dunbar High School student, representatives of the city government, Texas Tech, the school system and Reese Air Force Base.

Moore said all city service clubs have indicated plans to cooperate. A year-long alley cleaning program, for which \$110,000 was recently budgeted, was mentioned by W. E. Medlock, a city councilman.

SAINT JAMES BAPTIST CHURCH

A special Mother's Day program went over in a big way last Sunday. Due to the fact that Rev. Otis' wife was ill, the Rising Star Baptist Church members were present at 3:00 p.m. and really did a wonderful job. Dr. F.L. Lovings spoke on the subject, "Where Do We Go From Here". It was very inspiring to everyone present.

The New Light Singers of St. James are giving away \$37.50 in cash or a radio on May 15th. The reason why we didn't give these items away on May 8th was because there were so many who wanted tickets we decided to prolong the program. Listen carefully on Sunday night and we may bring you a radio or cash, if you have the lucky number.

The Police Beat

By: T. J. Patterson

IT WENT LIKE THIS THIS WEEK: THEFT

Glover Collins, 2714 East 2nd Street, named a suspect in reporting the theft of several items from his residence last week. Collins

told police that a watch valued at \$80, two pairs of pants, and a jacket valued at \$50 were missing.

COIN BURGLARY

Fred Evenline, 614 Avenue F, reported that someone had taken from a juke box approximately

\$3.00 worth of coins. It was learned that entry was gained through the back door by kicking it open. The coin box was also missing with some money. There were no pry marks found on the opening of the slot for which the coin box rested.

THEFT OF DOG

How does this one grab you? Not only are people in the market for robbing and stealing money and goods, but last week someone decided to steal a dog from A. F. Thomas, 1711 Avenue D. It was learned that the thief had taken the dog from its chain. The dog was chained in the backyard. Evidently the thief didn't want the chain, it was left behind. The dog was of great value.

THEFT OF COPPER

Harold W. Deering, owner of a store once located at 102 East 19th Street, reported to the Lubbock Police Department that in the time since he had moved from his location, someone had broken into it and took some cooper from the vegetable cooler.

It was learned that the burglar entered the building from the east. WATKINS PRODUCTS Ask about our money saving specials on all quality products. Phone SH 4-6160 Lubbock, Texas
