

Commencement Ceremonies at Dunbar Tonight Joint High School Rites Held

'Around the Hub City'

Well, Seniors, tonight is the night, when you will walk down the auditorium isle for the last time as a group. Perhaps some of you may be shy, but remember that you have completed high school and the future is waiting for you. So go out with a strong determination and be somebody.

Congratulations to all of you... one hundred and ten graduating Seniors. Around the Hub City is with you.

Monday, May 30th, is Memorial Day. Let's be very careful in what ever we may encounter. If you drive, please don't drink.

Dr. Milton K. Curry, president of Bishop College at Dallas, will speak at Mary & Mac's first commencement exercise which is on tap for Sunday afternoon, May 29th. Cecille Joyce Graves, candidate for graduation, will deliver the Senior Address. This affair will be held in the auditorium of the South Plains Branch Boys Club at 3:00 p.m.

Lubbock newcomer families last week totaled 29 reported families, pushing the 1966 total to 1,126. Last year at comparable date, 1,018 new families were listed.

The weather here in the "Hub City" is still unpredictable. We are having one hundred degree plus weather at the present time. I wonder what is in store for us come June, July and August.

Rev. and Mrs. A.W. Wilson left for Waco, Texas, on Monday. Rev. Wilson received a call from Bishop Ball to come to the college of Paul Quinn.

It won't be long before all of our college students will be coming home for the summer vacation. You know it's good to see them. Let's hope they continue to prepare themselves for this world.

The students of Mary & Mac held their annual picnic, which is sponsored by the PTA, Monday. It was reported that over one hundred students enjoyed the outing at Mackenzie Park.

Not only are the Pythians bringing their state convention to the "Hub City", but Caprock Lodge #1540 will host the state meet for the Elks of IBPOEW several days following the Pythian gathering. Several hundred delegates will be in the city of Lubbock attending this convention.

The members of the Knights of Pythians and Court of Calantheans are sponsoring a recreation night in the home of Mrs. Melton Jennings, 1324 East 25th Street, on Saturday afternoon, May 28th, from 4:00 p.m. until...

A Piggly Wiggly social was held in the home of Mrs. April Rose Hobdy, 1832 Manhattan Dr., last Sunday afternoon. This was another benefit function for the hard working crew of the Knights of Pythian and Court of Calanthean.

Thank You -

The family of Aaron Thomas would like to express its appreciation to the many friends and relatives who were so helpful and kind during our hour of sorrow.

Men may be convinced, but they cannot be pleased, against their will.

—Samuel Johnson

The Eastern Little League will open its first of some sixty scheduled games on Memorial Day, Monday, May 30th, at 5:30 p.m. in a double header. In the first game the Grays meet the Dodgers to open and the Indians and the Barons show their stuff in game number two.

The schedule through Thursday, June 2, will include: May 31st, Monarchs vs Giants; Thursday, June 2, Grays vs Barons.

Why not come out on next Monday and watch this thrilling opener. The little Leaguers need you in their corner.

STATIONED AT FORT BLISS

Robert Thomas, son of Mr. and Mrs. Ray Thomas of 2405 East 30th Street, is undergoing basic training at Ft. Bliss, Texas, with many of his friends. He is a former student of Dunbar High School and attended through the eleventh grade.

Robert is expected to receive his high school diploma, GED,

from the United States Army on June 18th in El Paso, Texas. He is 20 years of age and has realized the necessity of completion of his education.

While in basic training, he was selected by his platoon sergeant as an Acting Platoon Sergeant, which is an honor that comes to those individual soldiers who are best qualified.

RED CROSS DRIVE IS ON FOR \$6,591

An emergency county-wide drive for \$6,591 is underway by the Lubbock County Red Cross Chapter because of the war in Viet Nam.

Clarence R. Solnick, county chairman chapter, issued an urgent appeal for donations. Donations may be mailed to the local office at 2109 Broadway.

Persons living outside the city may mail contributions to the Red Cross, in care of the post master in their community.

The county drive is part of a

national drive toward a \$9 million goal.

Bob Nash, assistant manager of radio station KFYO, is handling the county-wide appeal. David Casey is in charge of the special gifts committee.

Solnick estimates that one of every 10 families in the county has at least 1 man in the service.

In the last six months, he said that \$6,529 has been spent on military service messages and grants in Lubbock County.

The United Fund, of which the

It is hard to put into words exactly the description of last Sunday's graduation sermon which was held at the Municipal Coliseum. Thousands of parents and friends of the Lubbock Public School system were present to see the 1,569 seniors march into their respective places in their maroon, gold, red and blue gowns.

This type of function proved to be quite successful.

The sermon, by Dr. C. Melvin Ratheal, pastor of Trinity Baptist Church, was the first to be delivered to graduating classes at all four schools, Dunbar, Lubbock High, Coronado, and Monterey.

Dr. Ratheal gave a splendid lesson to the huge class of seniors. He told them, "Somewhere you each can render service to mankind if you will dedicate your life

to the principles for which great men have died."

Invocation was given by the Reverend John Walker, pastor of Messiah Presbyterian Church, and the benediction was given by the Reverend Thomas McGovern, superintendent of the Catholic Diocese of Amarillo and assistant pastor of Christ the King Catholic Church.

A choir, which was composed of students from the four schools, sang "Praise Ye the Lord, Ye Children" by Tye; and "From Sea to Shining Sea", which was arranged by Whitney.

Directors for the orchestra were Mitchell Zablony, James C. Braxton, George Robinson, James O. Sudduth, and James Ramsey. Mr. Gene Medley directed the joint choir and orchestra.

Pythian, Calanthean Convention News

With less than one week before the annual state convention of Knights of Pythias and Court of Calanthean of Texas, the members of Lubbock Lodge No. 514, Knights of Pythias and Evening Joy and Running Rose Lodges, Court of Calanthean, are busy preparing for one of the better conventions in the history of State Conventions to ever be given by this organization. This spectacular fete is to convene in the "Hub City" on June 6-9.

The Executive Committee, Oscar Iles, general chairman; a-

long with Coraine Fair and Nellie Ross, co-chairmen; L.S. Graves, Secretary; and George Woods, treasurer, has spent long hours completing the final stages of this year's meeting. According to chairman Iles, the preparation, thus far, is good.

Hundreds of delegates from throughout the state of Texas are expected to march upon the city of Lubbock and exemplify their Pythianism and Calantheanism. This convention, which is the first of its kind to come to Lubbock, will receive a great welcome from city officials and citizens.

AZUSA CHORALE PROGRAM HERE

The Conquerors Chorals from Azusa Pacific College, Azusa, California will present a concert at the Shepherd King Lutheran Church, Lubbock, Texas, on Tuesday, June 7, 1966, at 7:30 p.m., Captian Neal Keeton, Commanding Officer of the local Salvation Army announced this week.

The Conquerors Chorale under the direction of Dr. Don Grant, Chairman of the Music Department at APC, will begin a ten week summer tour in the mid-west through Arizona, New Mexico, Texas, Kansas and Colorado, San Francisco will be the next stop then to Stockton-Sacramento area and wind up the summer with a trou into the Northwest.

The Chorale is composed of two quartets, two trios and a brass ensemble. The summer schedule is to have the individual ensembles in five different churches each week night and Sunday mornings and the entire Chorale on Sunday afternoons, Sunday evenings and Saturday night Youth for Christ Rallies.

The ensembles will be ministering in approximately 240 churches and the entire Chorale in 32 different churches throughout the summer.

Azusa Pacific College is the result of the recent merger of Azusa College and Los Angeles Pacific College and is an accredited, four-year liberal arts Christian College offering majors in Music, English, Biblical Literature and Theology, Science-Mathematics, Social Science, Elementary Education and History, Psychology and Sociology.

There will be no admission charge for the local program.

Red Cross is an agency, has given wholehearted support to the county drive, according to Nash. July 1 is the cut-off date for the drive.

Solnick said in Lubbock County from 35 to 40 military messages are handled each week on a world-wide teletype network.

Three churches: St. Luke Baptist, Mt. Gilead Baptist, and Bethel AME, will host a great deal of the meetings. While the beautiful Palm Room and KOKO Palace, two of Lubbock's finest establishments, will serve as convention headquarters and areas for entertainment. Aside from this, other arrangements have been made in the line of social entertainment in order that our delegates may enjoy themselves while here.

Mr. R.A. Hester, Grand Chancellor, gave the nod for Lubbock to host this year's convention, because he felt that Lubbock, which is one of the biggest, little cities in the state, was able and wanted to host this convention.

In looking at the program during convention week, the annual Memorial Service of the Grand Lodge Knights of Pythias and Grand Court of Calanthe will convene on Sunday, June 5, one day prior to opening day. Appearing on this program as special guest will be Rev. Benjamin L. Hooks, Supreme Vice-Chancellor, Supreme Worthy Counsellor, and former Supreme Prelate.

This special effort will be held in the auditorium of the St. Luke Baptist Church, Rev. A.L. Davis, pastor.

On Monday, June 6, a special program will be held at Bethel AME Church, Rev. A.W. Wilson, minister, in which the mayor of Lubbock, the Honorable W. D. Rogers, will welcome the delegation. Also, there will be a representation from the fraternal, business and professional groups to welcome the delegates.

The speaker of the hour is expected to be Attorney General of Texas, Waggoner Carr, who will be introduced by Dr. J.A. Chatman, a local physician.

Perhaps one of the most colorful programs of the entire week will be the Princess Revue Wednesday evening, June 8. This particular contest, which will have young ladies participating from throughout the state, presenting their talents to the convention, will allow the winner a four-year scholarship to the college of her choosing.

MEMORIAL DAY IS MONDAY

Each year, every state in the Nation sets aside a day to commemorate the services of the soldiers and sailors in the Civil War, and, since 1898, of those in the Spanish-American War and other wars. The custom arose from the practice in the South of decorating the graves of the Confederate dead. From this came the name "Decoration Day". Today it is observed in all states, both North and South alike and in most of the states on the same day--May 30th. In many localities the day has come to be a commemoration of all dead, and graves, even graves of those who were not soldiers, are decorated with flowers and wreaths.

With true patriotic fervor Americans have thrown themselves into the celebratio of this glorious event, and wherever they may be, few of them forget to hold a festival in honor of our dead.

The four years of the Civil War, from 1861 to 1865, cost the lives of many thousands of brave men. This custom grew up in the south of strewing flowers on the graves of Confederate soldiers who had been lost in that sorrowful conflict, and in different parts of the South different days were chosen to observe this beautiful custom. At the same time, in the North, General John A. Logan, commander in chief of the Grand Army of the Republic, set aside May 30th as Decoration Day for the graves of the Union soldiers who had died in the Civil War. Later, the name was changed to Memorial Day, the better to voice the feelings fo those who observed it. Each year teh governor of each of the northern and western states procaim May 30th as a legal holiday. Most of the southern states call the day of observance Confederate Memorial Day and prefer to keep the various dates which they had originally chosen.

Yet, with all of the significance of this great day, it will be a tragedy for some of us Americans on our nation's highways. For those of us who must or have to travel this week-end, please remember that the original idea of Memorial Day was to honor the dead, not become a member of it. Drive carefully and senseably in order to enjoy many Memorial Days to come.

LETTER FROM COACH HILLYER

To the Friends of the Dunbar Panthers, Dear Friends, Thank you for contributions toward the purchase of Travel Jackets for the Dunbar Panthers.

No project ever attempted by the Mom and Dad's Club of Dunbar High School has received more support than the project that was just completed by friends of the Dunbar Panthers.

These blazers will become a symbol for all Dunbar Panther athletic teams. Without your support, such a project would have been impossible; but with your support, we have secured the necessary funds to complete this project. Certainly we deem it a pleasure to list your name along with our many other friends as a patron on our Football Program for the year 1966.

Thank you again for your cooperation.

Yours Truly,
James H. Hillyer
Head Coach.

The members of the Dunbar Mom and Dad's Club had their final meeting last week which included a "fair well" banquet for the Dunbar High School football boys and parents.

This club will disband until next September. We were happy to have so many parents attend this affair. This particular banquet was given in honor of our coaches and players.

We hope that September will be better than ever before, and that those fighting Panthers will bring the state championship here next fall.

FELONY THEFT
 Floyd McClesky, of 5205 34th Street, told police that while his vehicle was parked at Mae Simmons Park one day last week someone took from it two hundred dollars worth of merchandise. It included a cutting torch, gauges, and bottles. McClesky stated that the reason his torch was parked in this area was because of a construction job he was on.

HOUSE BURGLARY
 George McGraw, 1010 Apartment C, East 28th Street, reported that his residence had been broken into last week-end. It was discovered that the unknown bandit entered the apartment by ripping the front screen and going through the window. He told police that his wife was in the bed asleep and she did not hear the burglar, until she heard the front door slam as the burglar was leaving.

The thief made off with one lady's purse and a pair of medical (white) pants. Approximately fifteen dollars worth of damage was done to the window--making the total damages nearly twenty-five dollars.

There were no suspects at press time.

BREAK IN
 A local housewife told police that last week-end, a rather large man broke into her apartment and tried to assault her. She told police that the unknown man took the screw off of a small window of the apartment which led to the

kitchen and raised the window. The window contained three small bottles that were filled with kool-aid and took enough time to place them on the cabinet.

She said that she heard the noise and decided to get up and investigate the matter. While up the man attacked her and began biting her on the arm. At this point, he attempted to rape her. As the pair wrestled, the lady called for her little girl who was sleeping on the couch in the living room. The man heard the little girl coming and left running.

The incident happened about 3:30 a.m. in the morning. She could not identify the man, but stated that he was heavy built.

HOUSE BURGLARY
 Lorenzo Jackson, 2808 Juniper Avenue, Apt. 24, told police that someone had reached through an open window in his residence and taken from his chair one pair of grey-blue pants and one white shirt. The pants contained something which was very important to Jackson. He said that the unknown thief took his last eleven dollars.

RECEIVES TWO CERTIFICATES

Mr. Limual Hereford, owner and operator of Limual Hereford Enco Service Station, Avenue A and Broadway, received two certificates last week for attending two schools.

One, the Humble Retail School, certificate showed that he was awarded this certificate in recognition of his completion of a comprehensive study of service station management to enable and further the cause of sound merchandising and service to the motoring public.

Mr. Hereford, a long-time resident of the Hub City, is also a holder of the Atlas Certificate of Recognition. It, too, like the one received from the Humble School, required hard and constructive work.

Most of the happiness in this world consists in possessing what others can't get.

CONTRACTS LET HERE IN CITY FOR NEW STATE SCHOOL

Contract for architectural and engineering work for the Lubbock located school for the mentally retarded has been awarded to initiate construction programming for the multi-million dollar facility.

Announcement of the award to Brasher-Goyette & Rapier, Lubbock architects, was announced several weeks ago by Rep. Delwin Jones, Sen. H. J. "Doc" Blanchard and Barney Rushing, Jr., chairman of the Lubbock Chamber of Commerce State School Committee.

The firm already has commenced studies for Phase I of the school complex to be located on a 225 acre tract of land on North College Avenue. The initial phase, to cost approximately \$1,975,000, will involve complete facilities for about 300 children in a total environment concept.

The 59th Legislature appropriated \$250,000 for the planning program this year, with construction costs authorized to bring the initial facility cost of about \$2,225,000.

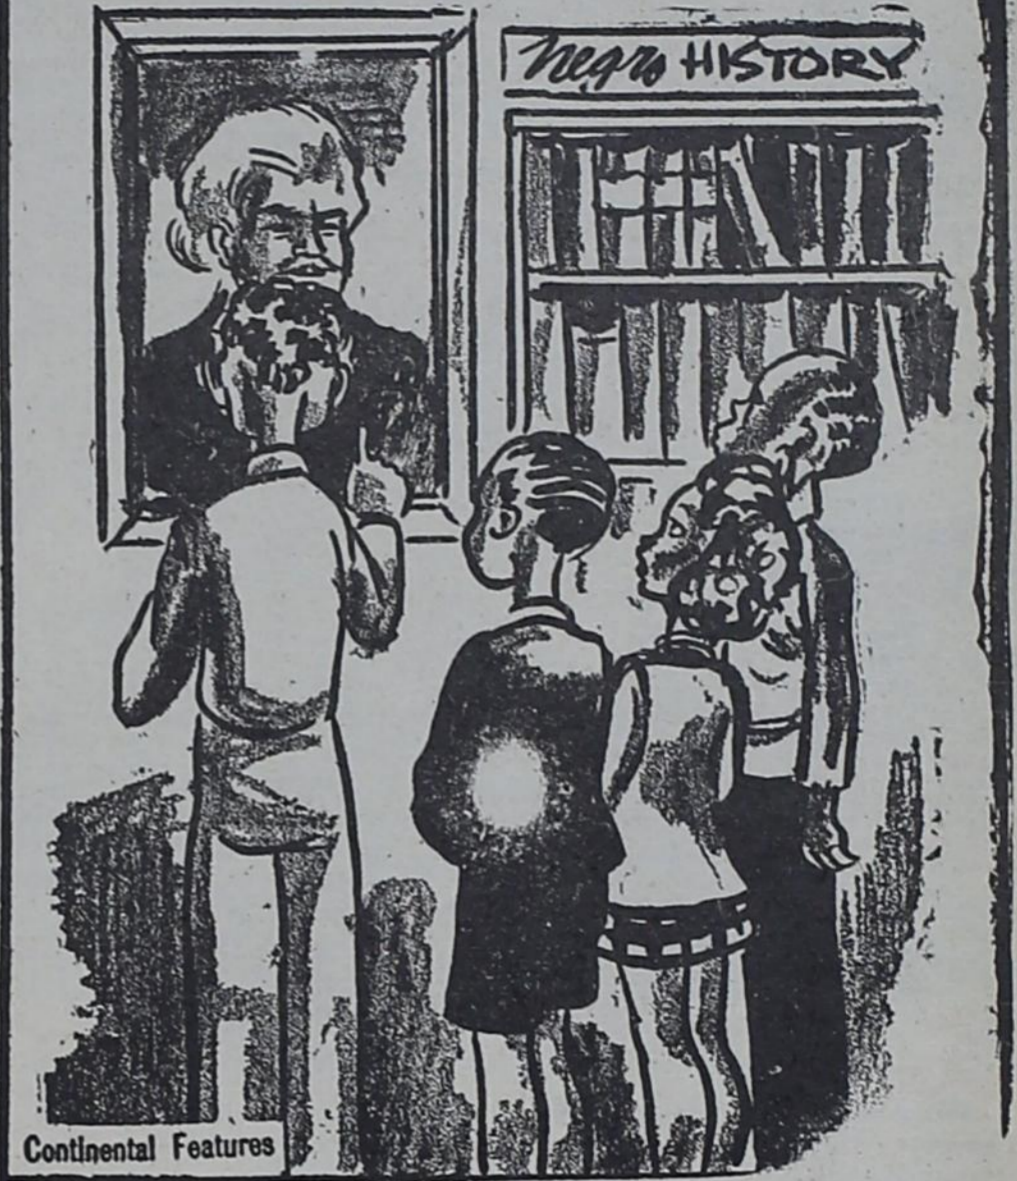

The new Lubbock State School will include modern features not found at older institutions for retardates in Texas.

The school, to be built in northwest Lubbock, will be designed on the cottage plan in an effort to keep the children in small living units as a means of improving their chances for developing to the limit of their capabilities.

winning of an Emmy award Sunday evening, for his performance in the television weekly series of "I Spy."

The 28 year old comedian turned actor for the video series was slightly emotional when making his acceptance speech, and kept his head down during his somewhat short speech.

"When I started out, I didn't know what it was all about until Bob (Robert Culp) sat down and taught me", he noted.

Later, he said, "When I got up to get that award, I couldn't help but look back and I really wanted to say what I really felt for Bob".

Cosby was the New York host of the annual awards program, sharing the piloting job with Danny Kaye in Hollywood. He becomes the second Negro to walk away with the top prize in two branches of the entertainment field--Sidney Poitier won the Oscar for the best movie actor.

Church of God in Christ International Youth Congress Is Scheduled

Chicago, Ill.--Final plans for the Church of God in Christ International Youth Congress, slated for June 30 through July 4, in Detroit, were reviewed during a meeting of the Provisional Board and State Presidents, held recently at the St. Paul Church of God in Christ here.

Forty-five Presidents and Board representatives from all over the nation were welcomed to Chicago by Bishop Louis H. Ford, presiding Bishop of the First Diocese of Illinois. Elder James T. Watson was host President.

Elder Chandler Owens, of Newark, N.J., chairman of the Provisional Board, presided.

Elder Earl J. Wright, chairman of the Steering committee which is handling details of the Congress on a local level in Detroit, made a report to the group.

Over 5,000 persons are expected to attend the youth session. Its theme is "The Role of the Christian Youth in Our Ever Changing World."

A highlight of the Youth meeting will be a Pre-Congress Musical.

According to the housing committee, Congress Headquarters will be at Detroit's Statler-Hilton Hotel and at the State Temple Church of God in Christ, 3500 Elmwood, pastored by Bishop J. S. Bailey.

Special Saturday and Sunday sessions have been set for Masonic Temple. Other services will be held in the State Temple.

Congress hosts will include Bishop Bailey and Bishop C. J. Johnson; Elders E. T. Clark and B. T. Rimson, State Presidents; and Anna Green and Louise Cryor, State Chairladies.

Dr. Annie L. Bailey, President of the Women's International Convention of the Churches of God in

Christ, led over 500 women delegates at the annual session in Los Angeles recently in urging that young people of the Church attend and support the Youth Congress slated for Detroit.

Bishop A. B. McEwen of Memphis, chairman of the Executive Board, in a letter to COGIC Bishops, has urged strong support of the Detroit youth meeting. Bishop McEwen, in his letter, said this meeting would be the only official Youth Congress held by the Church in 1966.

Correspondence concerning the Congress and requests for reservations should be directed to 1981 W. Grand Blvd., Detroit, in c/o Bishop J. S. Bailey, Bishop McEwen pointed out.

The Provisional Board was selected, at the direction of the Executive Board, to supervise affairs of the Youth Department of the Church of God in Christ.

C.A. Burns was appointed pastor, Bro. Charlie Reed, Bro. Sam McDonald, and Bro. Major were the first deacons. The first church building was erected at East 27th and Weber, under the leadership of Rev. C.A. Burns.

In 1952, Rev. E.D. Toins became pastor and since that time the church has grown tremendously. The second church was erected at East 27th and Weber, where we worshipped until January of 1964, at which time we moved to the present location.

Thanks be unto God for the great progress made in this short period of time. Truly St. John can say, we've come this far by faith and by the grace of God, He will lead us on.
