Something should be done about the care of the many vacant lots covered with weeds which are engulfing our community. It is a pitiful picture to be seen. And too, the lots in this condition, make an ideal living area for many insects, including the mosquitoes which have already shown their talent in Lubbock County. Why not suggest some ideas to the 'Times' as to how we can correct this problem.

**DEVALUATION ???**

She had been a resident of Lubbock since 1923. She was born in Waxahachie, Texas, October 13, 1908. After moving to Lubbock with her family, she became a member of Bethel A. M. C.; one uncle, Jesse Ming, Lancaster, Texas; a cousin, Claude Smith; and a nephew, Samuel McKnight, both of Lubbock.

**Wedding Vows Exchanged**

Wedding vows were exchanged between Mrs. Thelma Lee Hill and Edward E. Hervey last Sunday afternoon, September 18th, at 2:00 p. m. in the St. Paul Baptist Church with the Reverend Jim Loud, pastor, officiating.

Graves, II. Mrs. Ida Lee Freeman was the Matron of Honor.

A lovely reception followed the ceremony in the parlor of the St. James Baptist Church.

The newly married couple will reside at 1810 Avenue B here in the city of Lubbock.

James Jamison, a former graduate of Dunbar High School, is one of the many graduates of that institution working hard in order to attain a position in business here in the "Hub City".

James is an active member of the Saint John Baptist Church and the father of five lovely children.

**Dunbar Blasts Carver 10-6**

Those mighty Panthers are still riding high, for they traveled to Amarillo last Thursday and defeated the Dragons of Carver High School, 10-6. In this annual non-district clash, which is a well-known game each year, James Johnson led the Panthers to victory as he grabbed seven passes for a total of 124 yards from his end position.

With this victory over the Dragons, James H. Llyer's fighting squad holds a helathy 2-0 record thus far this season.

This victory broke a two game losing streak, 22-14 and 21-7, that the Dragons had lodged against the Panthers last year.

In looking at the statistics for the evening, Carver rushed to 55 yards by way of the ground and only 19 in the air on the soggy field of play to bring their total to 74 yards, while on the other hand, the Panthers picked up 143 yards passing and 104 yards on the ground for a total of 247 yards.

Amarillo is now 1-1 for the season and Dunbar is batting a cool 1.000 with an open date this week, but will bounce back strong against the crew from Marlin next week. This contest is to be played at Lowery Field.

**Seventyfive Enroll In Youth Corps**

For several weeks, meetings have been held at the Guadalupe Neighborhood Center and Mae Simmons Party House in regard to applicants interested in the Youth Corps program.

The program, which is designed for school drop-outs between the ages of 16 and 21, is supported by the Department of Labor and sponsored locally by the Community Action Board in Lubbock County, Inc. The program will give boys and girls 50 weeks of work at 30 hours each week. They will receive the minimum wage of \$1.25 per hour.

All of the 75 jobs will be in Lubbock, with no travel involved. An additional 25 jobs have been assigned to Lamesa, Plainview, Spur, and Slaton, Texas. Texas Tech will employ 38 youngsters, the city of Lubbock 35, and the South Plains Fair two.

Application for the project has cleared Dallas and is in Washington, where it will be reviewed and final approval given.

In addition to the regular jobs, the youngsters will take six hours of additional special schooling each week, will be given vocational guidance and will receive individual counseling. The combination of the main job and the supportive services is designed to prepare the youths for regular full time employment at the end of 50 weeks.

The program is limited to young people who have not completed high school work, are not in school now and don't intend to return to school.

**SHARE-THE-CAPITAL NATIONS**

Jerusalem--NPI--Israel, which for 17 years has boasted of having two national seats of government--Tel Aviv and the divided city of Jerusalem--the latter to forestall UN plans for its internationalization--may have to share Jerusalem with Jordan if a proposal by the by the Palestine Liberation Organization defeats opposition. The PLO wants to declare Jerusalem an Arab city and make it Jordan's capital. However, the opposition wants the present capital of Amman to remain the seat of Jordan's government.

# ANOTHER PLEA MADE HERE FOR CIVIL RESPONSIBILITY!

The manager of the Coronado Washeteria is again making a plea to all parents in the area who have children, boys or girls, who use the facilities of the washeteria to please teach your children, if they are among the guilty, to behave and handle other people's property as if it belonged to them.

This is the second time, in less than one year, that this particular situation has been called to the attention of the public by means of the 'Times'.

It is all together proper that you, as parents and law abiding citizens, consider the matter at hand and act now. Certainly, more is expected of the children. As a child, they need to be taught the difference between right and wrong...
