

'Around the Hub City'

How many of you remember the popular tune, "Tonight Is The Night", by Virgil Johnson and the Velvets? Well, this tune will come true for twenty-one lovely young ladies of the South Plains. You see, these young ladies will be presented at the Palm Room in a Debutante Ball which is sponsored by the Eta Delta Omega chapter of the Alpha Kappa Alpha Sorority, Inc.

Each young lady will have the opportunity of displaying their talents to the public on the revolving stage of the Palm Room.

AND THE HUB CITY" to congratulate each young ladies that wear such a title.

Each of you haven't a second thought, let's at each of you have, but by all means continue to exemplify the true principles of good womanhood.

Mr. and Mrs. Douglas Sedberry, 3608 Ute Avenue, had a out-of-town guest during the holidays. The guests included their daughter, Vera Sedberry; Mrs. John H. Matillar, mother of Mrs. Sedberry, and Mrs. Bernice Buckner, sister of Mrs. Sedberry, all of Louville, Kentucky; and Mrs. Marie Tarks of Colorado Springs, Colorado, a sister to Mrs. Matillar.

They reported a pleasant stay in our city.

Mrs. Maunita Terrell, 2005 Cedar Avenue, left Monday night for Dallas, Texas where she will spend the week with her sister, Mrs. Ruby Jay, a former Lubbock resident.

It was learned that while Norvell Hutchinson, son of Mr. and Mrs. H. S. Hutchinson, 2915 Beech Avenue, that the former Dunbar Panther made All-Southwest Conference on the defensive team.

Mrs. Malindia McCullough of 3603 Zenith Avenue, entertained her family with a Christmas dinner last Sunday, December 25th, in her home. Her nephew and wife, Mr. and Mrs. Leroy Mooney of San Francisco, California were present among the many guest and relatives.

Mrs. McCullough was very pleased with the outcome of the entire affair.

Dr. and Mrs. E.C. Struggs and daughter, Judith Struggs, entertained relatives in a Christmas feast on last Sunday afternoon. This affair marked the first time the family has been together in such a happy occasion in a long time.

The guests included Dr. Struggs's sister, Mrs. Juanita Wilson of Houston; and Mr. and Mrs. Bob Tieul of Hobbs, New Mexico.

It is good to see so many of our young people home for the holidays. In looking and meeting so many of our young people, it appears as though they are attending institutions of higher learning throughout these United States. Good luck to each of you.

Mrs. L.H. Griffin and sons are visiting with relatives in Houston, Texas during the holidays.

The Griffins reside at 2806 Vanda Avenue.

Four Negro men are still needed to apply for a job with a major oil company in the towns of Snyder, Haskell, and Denver City.

COMMUNITY ACTION ORGANIZATION MEETING

First Barber College Negro Woman Graduate

Mrs. Willie Mae Scott, 1028 East 29th Street, became the first Negro woman to graduate from the Lubbock Barber College on North College Avenue.

Mrs. Scott entered the college last March and completed all the state qualifications by passing the state board December 12.

She is a specialist in hair styling and the Danish hair cutting.

In talking to Mrs. Scott, she informed the 'Times' reporter that she could give a complete hair cut with a razor.

A resident of the "Hub City" for 24 years, she is the daughter of Mr. and Mrs. Frank Johnson, and is a member of the Mount Gilead Baptist Church.

She is looking forward to working in our city for some time.

In perhaps the most interesting meeting ever to be held in East Lubbock in many a year, members of the Community Action Board met with influential leaders of our community on last Wednesday evening, December 21, at 8:00 p.m. in the cafeteria of the Ella Iles Elementary school.

This worthy organization, the Community Action Board, is composed of thirty members, some are appointed and some elected, to direct local efforts in the president's War on Poverty. A third of

the board is composed of members from the target areas, specifically Census Tracts 8, 11, and 12.

Census Tract 11, which includes East Lubbock, is bounded by East 19th Street on the south, Olive Avenue on the east and by Idalou Road from southwest to northeast.

However, the meeting staged last week was primarily for informing the leaders of the community of the works that this particular organization is responsible.

Joe Kelly, director of the Community Action Board, talked at length about the history of this organization and its primary purpose.

Joe Meador, a representative of the Governor's office, told the entire body exactly what this organization would mean to the community, and that the establishment of a neighborhood center would be a great aid to the entire area.

It was also brought out that this particular neighborhood center, which is scheduled to be active on March 1, 1967, will only be one of several of its kind in the city.

Kelly made it known that this center would have its own board of directors, made of people living in the area of the center and each will be elected by the people living in the community.

Each neighborhood center will have a member on the Community Action Board, but they would not have any vote, however, each would be responsible for bringing problems from their area to the Community Action Board.

It is the hope of CAB that each center will have major or principal agencies set up in order to aid the community. Such as a representative from the City-County Welfare, and other agencies as this one.

According to Kelly, the center will include representatives from the Texas Employment Office. These representatives will be on hand at all times to advise or explain jobs to those seeking employment.

The center will have an information bureau which is designed for giving advice to situations needing assistance.

Eighteen leaders of our community were on hand for this most needed meeting. Those attending the meeting included the following: Grover Colvin, principal Wheatley; Clarence Priestly, principal Ella Iles; Charles Brown, principal Struggs; George Scott, principal Dunbar; Edward Deo, real estate and insurance broker; Rev. John Walker, minister; Dr. J.A. Chatman and Dr. F.L. Lovings, local physicians; George Parrish, manager of Coronado Apartments; E.S. Haney, postal employee; Harold Chatman, teacher; Mrs. Marshall Taylor, teacher; Mrs. Lucille S. Graves, principal Mary & Mac; Edwin Scott, Urban Renewal; Harry Stokley, manager Green Fair Manor Apartments; Roy D. Anderson, teacher; and Raymond Wheatley, City of Lubbock and Community Action program.

Wheatley acted as moderator and coordinator of the program.

Another meeting is on tap this afternoon, Thursday, December 29th, in the United Fund Board meeting room, at 4:00 p.m.

An organizational meeting of the organization is scheduled for January 6th. There is a possibility that the meeting will be held at the old Mae Simmons Pary House.

It was voted at the meeting on last Wednesday that this particular program be accepted. The entire vote was unanimously that the program be accepted.

HOME FOR THE CHRISTMAS HOLIDAYS

Mr. and Mrs. Carey Cauley, Jr., were visiting the home of their parents, Mr. and Mrs. Vardell C. Edwards, 3609 Cherry.

The Cauley family is now residing in Bryan, Texas and both are employed by the Bryan Public School System.

Reunion of the Edwards family at Christmas has not been possible since 1962.

Also visiting was Mrs. Lillie V. Johnson, the sister of Mrs. V. C. Edwards, who resides in Clarksville, Texas. Mrs. Johnson is also employed in the school system at Clarksville.

Boys Club News

Eight representatives of the Lubbock Boys' Clubs competed in a sectional Boys' Clubs game tournament at Andrews, Texas last Saturday morning.

Some fourteen clubs from the section participated as contestants at the Andrews Boys' Club building at 10:00 a.m.

Lubbock's representatives were chosen in an elimination tournament here on last December 7.

One of the participants in the junior division was Raymond Bogus, table tennis. Bogus came in third in this event. He is the son of Mr. and Mrs. Columbus Bogus and is a sixth grader at the Wheatley Elementary School.

The South Plains Branch of the Boys' Clubs of America had a first place winner. Don Phillips, an eighth grader at Scruggs Junior High School, captured the first place position when he captured the intermediate checker playing event. He is the son of Mrs. Lula Mae Phillips.

Theodore Phea, Jr., South Plains director, accompanied the team to Andrews.

TB CHRISTMAS PARTY

Representatives of the West Texas Tuberculosis Association left Lubbock last week, two days prior to Christmas Eve, in order to give Santa Claus a small assist at the McKnight State TB Hospital near San Angelo, Texas.

They took remembrances to the 52 patients from the 23-county West Texas area...23 of them children between the ages of four months and 15 years.

Three of the patients who could not be home for the holidays were Lubbock County children whose active tuberculosis was discovered in this fall's tuberculin skin testing program in the schools.

One two-year-old girl spent Christmas in the hospital although her 80-year-old grandfather was released in a satisfactory condition to spend Christmas at home.

Those who took the small gifts to the patients were: Mrs. Douglas Boren, Mrs. H.W. Leverton, and Mrs. Arthur Brewer, all are members of the WTTA Board of Directors; and Mrs. Clifford Sharp who is executive director of the WTTA.

"Will Metro Take Over City?"

Section 1.02 of the Dade County Charter provides that general ordinances passed by the Board of Commissioners must be given a public hearing before final passage; but the requirements for publicizing the hearing are such that the Board could validly hold a hearing without the Dade County public knowing about it. Yet, to make sure that Metro is not handicapped by any requirements (however vague) to let the people know what is going on, the Charter says: "NO ORDINANCE SHALL BE DECLARED INVALID BY REASONS OF ANY DEFECT IN PUBLICATION."

Articles 1 and 2 of the Dade County Charter make a grant of unlimited power to a Board of Commissioners who are elected by the people. But the next article requires these elected officials to transfer most of that power to an appointed county manager whom they will then have little control over—except to fire him.

Section 3.02 on qualifications of the county manager, says: "AT THE TIME OF HIS APPOINTMENT HE NEED NOT BE A RESIDENT OF THE STATE...."

Social science experts at 1313 in Chicago, who wrote a Metro Charter for the people of Dade County, Florida, left the door open for one of their own to move in as manager.

Section 3.04 outlines the county manager's power and duties. "THE MANAGER SHALL HAVE THE POWER TO APPOINT AND REMOVE ALL ADMINISTRATIVE OFFICERS AND EMPLOYEES OF THE COUNTY SUBJECT TO THE PROVISIONS OF THIS CHARTER AND CIVIL SERVICE RULES AND REGULATIONS."

Section 3.05 places restrictions on the elected members of the board of commissioners: "NEITHER THE BOARD NOR ANY OF ITS MEMBERS SHALL DIRECT OR REQUEST THE APPOINTMENT OF ANY PERSON TO, OR HIS REMOVAL FROM, OFFICE BY THE MANAGER OR ANY OF HIS SUBORDINATES, OR TAKE PART IN THE APPOINTMENT OR REMOVAL OF OFFICERS AND EMPLOYEES IN THE ADMINISTRATIVE SERVICE OF THE COUNTY.... THE BOARD AND ITS MEMBERS SHALL DEAL WITH THE ADMINISTRATIVE SERVICE SOLELY THROUGH THE (watch it)MANAGER AND NEITHER THE BOARD NOR ANY MEMBERS THEREOF SHALL GIVE ORDERS TO ANY SUBORDINATE OF THE MANAGER, EITHER PUBLICLY OR PRIVATELY. ANY WILFUL VIOLATION OF THE PROVISIONS OF THIS SECTION BY A MEMBER OF THE BOARD SHALL BE GROUNDS FOR HIS REMOVAL FROM OFFICE BY AN ACTION BROUGHT IN THE CIRCUIT COURT BY THE STATE ATTORNEY OF THIS COUNTY."

But do you know that Metro Charter provides for the establishment of a Metropolitan COURT to be staffed by appointed, (not elected) But APPOINTED JUDGES. No matter that the commissioners, the only elected officials in the county, might be trying to expose criminals, communist, or other scoundrels, whom the manager could have installed in the police department and elsewhere; if a commissioner gets in the appointed manager's way the elected official can be fired, NOT THE APPOINTED EXPERT. So what chance would be have in a METROPOLITAN COURT staffed by appointed, not elected JUDGES?

"THE ESTABLISHMENT OF THIS METROPOLITAN COURT PLACES IN JEOPARDY THE CONSTITUTIONAL RIGHTS OF ALL THE CITIZENS." For example, the Dade County Metro Charter provides that "ARRESTS, COMPLAINTS, PROSECUTIONS, and CONVICTIONS shall be instituted and processed in a manner provided by the rule of

Continued On Page Two

WILL "METRO" TAKE OVER CITY?

the court. "YOU KNOW THAT THIS IS COMPLETELY UNCONSTITUTIONAL because the FIFTH AMENDMENT to the Constitution of the United States (other parts of the bill of rights adding thereto) provides the manner in which ALL courts in the United States shall operate in order that the rights of the citizens are protected.

Another unconstitutional aspect of this Metro Court in Dade County Fla. is that in listing punishment for violation of any Metro ordinance, if the fine exceeds \$500 or imprisonment in the county jail for more than 60 days, then and only then, is a citizen of Dade County entitled to a trial by jury! This is a direct violation of the 6th and 7th Amendments to the U.S. Constitution which preserves the right of trial by jury to all citizens.

The Metro Charter was hardly adopted before citizens in Dade County found they had voted themselves into super-government beyond their control. Officials of the 26 separate municipalities in Dade County had accepted assurances that their communities would NOT LOSE SELF-GOVERNMENT. Almost immediately, however, the new board of Commissioners started passing ordinances which eliminated Self-Government in the county. Instances of corruption, favoritism, waste, and other evils attributed to Metro, became apparent shortly after the new government was formed.

People soon found that instead of reduced taxes through "MORE EFFICIENT GOVERNMENT" they had more irresponsible spending of public money and more governmental harassment; for example, in some Dade County communities, citizens were required to have two safety stickers on their cars; one for the municipal government, one for Metro. Within six months after Metro government had been voted upon Dade County, 45,000 voters had signed a petition asking for an election to adopt an amendment restoring some autonomy to their local cities.

It is a true saying: "ALL THAT GLITTER IS NOT GOLD."

HAPPY NEW YEAR... FROM T. J.

Another year is just around the corner. Let us hope that the year of 1967 will be better than the one going out. I hope that each of you have enjoyed reading of the criminal incidents which have happened during the year of 1966 and I hope that you will continue to read about the "Police Beat" in 1967.

In reading about the different incidents which occur in our community, I hope that you will capture in your minds of how it does pay to be careful.

Although some of the acts which happen here may seem to be rather comical, they, too, tell a lesson that should be learned.

In 1967 I would appreciate it if you would drop "Police Beat" a

WALTZ'S ROBBED AGAIN
The robbery of the Waltz Service Station on East 34th Street was the third time in less than a month. It appears as though the Waltz's stations have created a habit. As one author says about a habit: "It's like a waist line; easy to form and hard to lose."

If this is the situation, it looks as though the owner, as he has stated before, will have to hire a shotgun guard to keep away the robbers.

The robber last Sunday night only made away with \$40 and the cash register. Yes, you said the same thing I said, the cash register cost more than the robbery.

acclaimed as one of the foremost artists of the Southwest. The donor is the artist himself, who painted the 20 x 24 oil, "Portrait of an Old Spandish Man", in 1919, during his early years in Santa Fe.

The artist's daughter, Bambi, presented the gift to the Museum for her father. Ellis, who lives in Santa Fe, was one of the original group of painters who called themselves "Los Cinco Pintores", who made up the community's earliest artist group.

Ellis' works are included in the permanent collections of various museums, universities and galleries, and his mural, "Southwest Theme", commissioned for the S.S. America, is in a prominent place on the ocean liner, now operated by a Greek shipping interest and said to be much admired by its present owner, Aristotle Onassis.

The late Randall Davey, another artist who depicted the great Southwest, said of "Portrait of an Old Spandish Man" that "there is

December's quota is 744.
