

MASS MEETING SET TONIGHT FOR MULTI-SERVICE CENTER

'Around the Hub City

You know it does one a lotta of good to get out and stretch the limbs every once and a while.

I noticed Charles Alexander, a local school teacher, and lovely two year old daughter, Gale, enjoying the sunny afternoon last Sunday.

Why not get out like Charles and a lotta more people, and enjoy the sunny weather. You know this West Texas weather--and especially the weather in the 'Hub City'--is unpredictable.

The City Wide Mission presented a heart touching program last Sunday evening at the New Jerusalem Baptist Church, Rev. Parlms is pastor.

The youth-who were the sponsor of this program-worked hard with the members of the City Wide Mission in order that this program would be successful.

The next meeting of our organization will be held in the home of Mrs. Mary Simmon, 3207 Teak Avenue. If there are any among you who are interested in becoming a member of this organization to please be present at this meeting.

Let us continue to pray for our president, Mrs. C.E. Fair.

Mrs. Mary Baker is a patient at Porter Clinic. Why not come by and visit with her?

Mrs. Pearlye Ruth Bonner is a patient at St. Mary's Hospital.

Nursing Assistant (medicine and surgery) positions, grade GS-3, paying \$4,269 per year, are available at Reese Air Force Base, Lubbock, Texas.

These federal jobs are for anyone, regardless of race, religion, color, national origin, sex, political affiliations, or any other nonmerit factor.

Nursing Assistants work under the supervision and direction of professional nurses in the performance of a variety of personal care and nursing care procedures. They bathe patients and perform other hygienic and comfort measures. They take and record temperature, pulse, and respiration. They observe signs of changes in patients' behavior and signs of changes in condition. They assist the professional nurse and physician with procedures and examinations.

If you are interested in learning more about this job, why not write to the Interagency Board of U.S. Civil Service Examiners for the North Texas Area, 1114 Commerce Street, Dallas, Texas, 75202; or, at any Post Office for the forms or information as to where the forms may be obtained.

The members of the E.C. Struggs Junior High School are presenting the Fullylove Gospel Singers in the very near future. Keep reading this column so you can know when they are coming.

According to latest report, the income of new Lubbockites are near the 1000 mark. How about that for growth?

The Auxiliary department of the Booker T. Washington chapter Post #108 are sponsoring a 'Talent Show' tonight in the auditorium of the American Legion Building in Yellowhouse Canyon at 8:00 p.m.

This show will consist of much of the up coming talent in the immediate area. Why not come out and enjoy an evening of fun and entertainment.

Injuries Serious

Victor Dewayne Wheeler, 4, son of Mr. and Mrs. Earl Wheeler, 1315 East 16th Street, was listed in serious condition last Saturday in the intensive care unit at Methodist Hospital, where he was admitted after undergoing surgery late Friday night for injuries suffered about mid-afternoon in a bicycle mishap.

According to the Lubbock Police Department, a witness told officers the child was struck when he swerved from a sidewalk to the street and into the path of a City of Lubbock Water Department pickup.

Student Winner In Letter Writing Contest Here

Carolyn Davis, a sixth grade student at Ella Iles, was one of the nine winners in a letter-writing contest sponsored by friends of the Lubbock Public Library in observance of National Library Week out of 669 entrants.

Prizes, books suitable to the age of each of the winners, were distributed at a "Birthday Party" last Friday afternoon at the Lubbock Public Library in observance of the tenth anniversary of National Library Week.

Carolyn is the daughter of Mrs. Charity Davis, 2403 Weber Drive. She attends Ella Iles where her teacher and coach for the contest is Mrs. Rose Lincoln and Mr. Clarence Priestly is principal.

Honored With Surprise Party

Mrs. Hester Raven and children, Donna Marie and William, Jr., with the help of several friends, surprised her husband, William Raven, Sr., with a birthday dinner in their home at 2704 East 8th Street last Wednesday evening.

Mrs. Royce Simmons was the chef for this tasty affair. She prepared bar-b-que ribs (Texas Style) with all the trimmings.

This lovely affair was enjoyed by all. Mr. Raven, who was quite surprised, received several lovely gifts.

RECORD REGISTRATION

Austin--A total of 2,982,862 Texans registered to vote this year under the new "free vote" registration system for an all-time high for a non-election year, Secretary of State John Hill announced last Wednesday.

In 1965, also a non-election year but under the \$1.50 poll tax, a total of 2,347,027 persons qualified to vote in the state, 635,835 less than this year's figure.

Final Rites Read Here This Week For Mr. Emma Knighten

Final rites were read for Mrs. Emma Knighten, 68, 2705 Weber Avenue, last Saturday afternoon at 2:30 p.m. at the New Hope Baptist Church with the Rev. A. L. Dunn, pastor, officiating.

Burial was held in the City of Lubbock Cemetery under direction of South Plains Funeral Home.

Mrs. Knighten, a resident of Lubbock 25 years, died last Wednesday in West Texas Hospital.

Survivors include two daughters, Mrs. Alvie Bailey, Lubbock, and Mrs. Iris Fulbright, Denver; three sons, Alonzo and Charlie Ray, both of Lubbock, and Otis

LEONARD CHEW
New Center Director

Tonight, Thursday, at 8:00 p.m., at the New Hope Baptist Church, located at the corner of Birch and East 20th Streets, a mass meeting will be held in regard to the orientation of the new Multi-Service Center to be located at Mae Simmons Party House in the Mae Simmons Park.

Actually, the primary purpose of the program is to instill in the minds of the people the necessity of people helping themselves.

The initial stages of the program developed several months ago when citizens of Tract 12 met in order to formulate an advisory committee in order that such a center would have as strong program. Due to the outcome of this meeting, such an organization has become a reality. Much more work and cooperation will be required in the fu-

ture if the center is to be successful. Hence the need for the mass meeting tonight.

Several agencies of the city of Lubbock have already confirmed to work wholeheartly in the success of this initial center. With this type of attitude on the part of these agencies, it is most possible for this program to succeed.

The director of the center, Leonard Chew, Jr., a graduate of the Dunbar High School where he was captain of the football and basketball teams under the coaching of Damon Hill and Ernest Malory. Aside from this, Chew completed his college training at Prairie View A. & M. College where he participated in the athletic department in football and golf, as captain.

During the year 1963, he served as backfield coach where the squad was in the St. Johns at Minnesota in the Camelia Bowl at Sacramento, California. This team was undefeated in 1964. Chew worked for the Kansas City Chiefs as scout under Don Klosterman who is now president-general manager of the Houston Oilers.

He is happily married to the former Bertie M. Thompson, also a graduate of Dunbar, and the daughter of Mr. and Mrs. George Borden, of 1705 East 15th Street. They are the proud parents of four girls, Belinda, Sharon, Pamela and Rosaland--all school age.

Prior to being elected to this position, he was in charge of Physical and Recreational Therapy of the psychiatric Rehabilitation Department of St. Joseph Hospital at Houston, Texas.

Property Tax Deadline Monday

Lubbock County property owners have only one week to render their property for taxation or apply for a residence homestead exemption at the county tax office.

Deadline for rendering property for ad valorem taxation or applying for the exemption from state property taxes is April 30. However, since the last day of April falls on Sunday this year, the deadline is automatically extended one day, to May 1.

The homestead exemption applies only to \$3,000 of the valuation for tax purposes as an exemption from the state ad valorem tax. It does not apply to county or special water district taxes.

Although banks or loan agencies may pay taxes on property on which they hold mortgages and add the taxes to the monthly payments, only the property owner may render the property for taxation or apply for the homestead exemption, Russell S. Hardin, county tax assessor-collector pointed out.

a college prospect as I've been associated with. James is a most deserving boy who will be a real asset to their (Wisconsin's) program.

To Attend University Of Wisconsin

James Johnson, standout tight end on the Dunbar High football team last fall, has signed a full scholarship agreement with the University of Wisconsin.

One of the most versatile athletes in the Hub City, Johnson was a two-way performer on the Panther squad which finished the

season with a 9-1 record and was second behind defending state champion Wichita Falls Washington in District 1-AAA competition.

In looking at the sensational record the 216 pounder--we find that he snagged in 27 passes for 412 yards and three touchdowns during last season and earned all-district honors. Aside from this, Johnson handled place kicking chores.

He was a two-time all-district basketball performer at Dunbar and was a key figure in the Panthers' success as he averaged 17 points per game and was in double figures in rebounding consistently.

He was recruited by Wisconsin assistant coach Lew Richerson, former Waco Moore High mentor, and has visited the Big 10 campus after basketball season. "I liked it real well," mentioned Johnson.

An honor student at Dunbar, Johnson indicated that he would perhaps come out for basketball as well as football during his freshman year.

James Hillyer, Panther coach, remarked, "I think he is as fine

SAINT JOHN BAPTIST CHURCH SPONSORS TRUE LIGHT GOSPEL SINGERS OF MIDLAND, TEXAS

The members of the Missionary Society are sponsoring the True Light Gospel Singers of Midland, Texas Sunday, April 30, at 3:00 p.m. and again at 8:00 p.m.

The public is cordially invited to attend this program.

Four "Keys" To Success

Have you ever stopped to think that many who succeed in their chosen fields have no more native abilities, no greater opportunities, and no real "advantages" over many others who are failures. The difference lies in their setting for themselves goals in life, and determining to achieve them. Hence, the first "key" to success is aspiration. This strong desire, or ambition, is essential; for no man will ever be able to do more than he "wants" to do, nor possess more than he "wants" to possess, regardless of race or color.

Determination is the second "key" to success. Men must decide to succeed, and then determine in their hearts to be what they should be, before they can have success. There must be determination to achieve our goals, not merely wishful thoughts about them, nor making excuses for not achieving them. Those who want to succeed must have a determination to reach their objectives. People must make up their minds, and not always be halting between opinions, if they would succeed in life.

Furthermore, the way to success cannot be opened without Concentration—which is the third "key". No one who scatters too much can succeed in life. One cannot do everything at once; he cannot follow all trades and be successful in any of them. A familiar slogan says "A Jack of all trades is master of none", and this is very true. If one drills for oil, he must drill in the same hole, or his efforts would be futile. This "concentration" was characteristic of the Apostle Paul, who wrote; "This one thing I do", (Phil. 3; 13-14). "Concentration" means one will bend all his energies in the direction of his main objective.

The fourth "key" to success is perseverance, or sticking to the job until it is done. It takes "perseverance" to finish high school, or to graduate from college, or to hold a job, or even to stay married! Many people are too fickle to ever amount to anything in life. It takes "time" to succeed! God may build a mushroom overnight, but it takes fifty years to grow a giant oak! Noah Webster was thirty-six years writing his dictionary; Adam Clarke was forty-three years writing his six-volumes commentary on the bible. Patience, forbearance, endurance, and perseverance are essential to success—Whatever may be one's goal in life.

Success may be regarded as locked up behind four doors. Four keys are required to unlock these doors. These "keys" are Aspiration, Determination, Concentration, and Perseverance. One who has these keys or traits of character will surely and inevitably succeed!

And color is not one of these keys, so if we don't succeed in life, let us stop feeling sorry for ourselves, and blaming others for not being successful in life, rather, let's get on the ball ourselves and see just how different life can be.

The Texas Employment Commission will begin recruiting and screening girls immediately for the Job Corps.

Richard Bunting, office manager for the commission said his office has been authorized to assign girls who are out of school and between the ages of 16 and 21 to the Job Corps.

The commission has enrolled boys in the Job Corps since the program began and this program continues. In encouraging boys and girls who are no longer attending school to talk to a Job Corps counselor at the commission office, 1620 16th Street, Bunting remarked that "this is an excellent opportunity for youth to learn a skill."

WOULD YOU BELIEVE that this fish, held by Charles E. Brown, principal of E.C. Struggs Junior High School, was caught at Buffalo Lake last Sunday?

Collins admitted that this was a tremendous challenge, but it took an old 'pro' bring him in. The fish weighed 18 pounds.

Well, it was—and by an employee of Struggs. The fisherman, who is now called the 'CHAMP', who is responsible for this catch is none other than W. B. Collins, 4207 East 61st Street, last Sunday morning.

The Police Beat

By: T. J. Patterson

BURGLARY
Ernest Lacy, 1615 Zenith Avenue, reported a burglary which occurred at his store house. Police found that the small storehouse, located in the rear of his house, had been forcibly entered.

According to Lacy, the miniature house contained four generators valued at approximately \$57.

He went on to tell officers that he had quite a few of thefts from this storehouse in the past, but failed to report them at the time.

HOUSE BURGLARY
Louise Dardell, 3613 Vanda Avenue, reported that someone did enter through the back door of her home, which was opened

and unlocked, and did take a stereo record player.

Apparently, the thief was primarily interested in the beautiful sound box that he forgot to steal anything else.

She had no idea who could have enough nerve to enter her home and rob her.

THEFT OF HUB CAPS
W. J. Thomas, Levelland, Texas, reported the theft of his hub caps at 1506 East 16th Street last Saturday night.

These hub caps were valued at \$25.

He, too, had no idea who could have lifted the caps, for he was merely visiting the Hub City. What hospitality he received from an unwanted friend.

THEFT OF MONEY

A report by the director of the Presbyterian Center, 1616 Avenue B, in regard to the theft of money from her purse by a 12-year-old boy who took approximately \$10 in change.

The youth was quickly apprehended by the police.

FAMILY FIGHT

Police received a call to go to an address in regard to a family fight. Once there, the police did discover a man staggering around the area, apparently drunk.

At this time, his uncle came out of the house informing officers that this man was cursing and disturbing his family.

Yes, you guessed correctly, he was quickly arrested.

VANDALISM

William Ammons, 1601 Avenue A, reported that a group of children were playing in his front yard--where his car was parked and, of course, minding its own business--when one of the young people threw a rock into the window of the right side.

The value of this window was believed to be \$10.

DID YOU LOCK YOUR CAR?

One last thing, did you lock your car? Well, if you did, why not continue doing so each and every day of the year. You know, it's a good habit to perform.

Your Good Health

By SAMUEL L. ANDELMAN, M.D., M.P.H. (Negro Press International)

NOISE
The effect of noise on the ears has been compared to a stench in the nose. It might even be called a form of air pollution.

There can be no doubt that air hammers, sports cars, airplanes and sonic booms have made this a noisier world than it once was.

Unwelcomed sounds may harm us by reducing our efficiency or by actually damaging our hearing. How much effect it has on our efficiency depends on how we react to it--one man's noise may be another man's symphony.

Furthermore, people who live near an airport may be bothered by the coming and going of planes at first, but after a while, they learn to ignore these noises completely.

Thus, it would appear that, within limits, the way noise affects us depends on the degree we let it upset us rather than on the intensity of the noise itself. Such factors as how much sleep we had the night before, how well our digestion is working and how pla-

cid we are also determine how unpleasant noises will affect us.

If loud noises mask a warning signal in a factory or prevent a child from hearing a warning shout, the noise is a menace to life and limb. Less spectacular is the effect of noise on your hearing. This depends on whether the noise is sudden, sharp and explosive, intermittent or persisting like a stuck auto horn.

Prolonged exposure to 85 decibels of sound will cause some deafness but withdrawal from the noisy environment for several weeks will result in complete restoration of hearing.

On the other hand, exposure to 100 decibels of sound for one hour may cause permanent deafness in some ranges. Sounds of 120 decibels produce an increase in skin temperature, blurring of vision, and weakness as well as deafness.

We must remember, however, that some of the loss of hearing people attribute to noise is actually due to the hardening of the arteries that accompanies the aging process.

For our peace of mind, however, we should make a greater effort to control the noises that are besetting us with ever-increasing intensity.

New York---The electrifying playing of "Pele" of Brazil, world's greatest soccer player with an annual salary of \$200,000, will be seen in a technicolor film by Columbia Pictures, called "Goal", to be released shortly. Pele kicks with the punch of a rhino and dribbles (manipulates) the soccer ball "as daintily as a woman knits", says the advance commentary of the film, which deals in general with the 1966 World Cup soccer series in London, England, which was won by Britain.

Dunbar Cindar Team Places Second In District 1-AAA Meet At Abilene

Two weeks ago, the Vocational Industrial Clubs of America (V.I.C.A.) officers and two officers elect for '67-'68, Linda Hervey and Mary Lewis, received top honors at the District VI V.I.C.A. meeting at Palo Duro High School in Amarillo, Texas. Because of the excellent and superior ratings, the students proceeded to state competition in Houston, Texas, April 14-15.

The officers attended meeting Thursday thru Saturday and were given a dance on Friday night. Saturday evening, events included the presentation of awards, in which the club was presented an "Outstanding V.I.C.A. Chapter Award." Individual ribbon awards were presented to Barbara Ross (superior), Joyce Goff, Dorothy Jackson, Nancy Nunley, and Juanita Patton (all excellent).

The club received a fourth place rating in the ceremonial contest. The officers are: Kathryn Ross, president; Barbara Ross, vice-president; Yvonne Reddic, secretary; Mozelle Wilson, treasurer; Doris Hood, reporter; Juanita Patton, parliamentarian; Winnie Brown, sergeant at arms; and Gladys Mayse, student advisor.

The club received a third place ribbon for a picture exhibit entitled "A Style and Two Cultural Influences."

This was the second year of V.I.C.A. for Dunbar-Cosmetology, chapter #403, with this year being the more successful of the two. The club's closing plans for this year's activities include a mass worship Mother's Day and a V.I.C.A. prom in May.

The seniors of V.I.C.A. will, in two weeks, leave for Austin to take the State Board of Cosmetologist Examination.

In all, the members of V.I.C.A. say that it wouldn't be right not to give sincere thanks to their sponsors, Principal George Scott, Jr. and Mrs. Odessa Long, advisor, and to wish next year's V.I.C.A. even more success.

INDEPENDENT FINANCING
Lusaka--Zambia, which plans to construct a hydroelectric plant at Kafue, disclosed recently that the project will not be backed by the World Bank, but through the organization of independent financing. The project, expected to be in operation by 1971, has an estimated cost of about \$103.6 million for its first stage.

PEACE CORPS GOES SOUTH
Apia, Western Samoa--Contingents of the Peace Corps have fanned out to two countries in the southern hemisphere, in different parts of the world. In the South Pacific, the corpsmen are setting up business in Polynesia's first independent country, Western Samoa. In Africa, volunteers are being sent to the newly-independent country of Lesotho, formerly the British High Commission territory of Basutoland which became independent last October 4th.

GOOD IDEA
Oslo--Sounds great on paper and if it works out, Norway will have come up with an answer to how to maintain a decent standard of living on retirement for the elderly. A new change in its social security laws, effective as of last Jan. 1, provides that a worker can receive something like 50 per cent of his annual income upon retirement.

URNS AUTHOR
Nairobi--John Okello, the African field marshal who led the revolution which overthrew the Sultan of Zanzibar more than three years ago, has found a new avocation--author. Last week, the East African Publishing House, published his first book, "Revolution in Zanzibar" which tells his life's story from birth in northern Uganda, to his moment of fame during the revolution. After the overthrow was complete, Okello found that he was no longer needed.

ANOTHER GENERATION
Johannesburg, South Africa--The pendulum seemingly has begun to swing in the other direction in South Africa, with the rise of a new breed of Afrikaner which seeks a more flexible kind of apartheid (separation of the races). Though small in number, and young in years, this group heralds the day when perhaps the black African can come into his own as master of his fate.

MARKDOWNS

Can Be

RUINOUS!

(Just Ask Tony)

Tony gets nine cents apiece for his Winesaps today. Day after tomorrow those that are left will go two for a nickel. Day after that the policeman's horse won't look at them. Tony can tell you: *markdowns hurt!*

In today's market, shoes and swimming suits, air conditioners and automobiles are as perishable as apples. Comes a time when you have to give them away. No one can guess right all the time, of course; a store without markdowns is like a man without sin.

But — need they be so doggone excessive?

They need not, sir. If you promote hard and early . . . if you promote "when they want 'em" . . . you'll have long since banked the cash when they don't want 'em any more.

Most stores consider West Texas Times advertising a mighty important part of their promotional planning. Indeed, they figure that we are well-nigh indispensable to PROFITABLE selling.

One reason is that the West Texas Times reaches 3,000 families every week—households with millions to spend on merchandise that might just as well be yours—people who are open to buy the very minute they pick up their Times. Another reason is that these people act on Times advertising. This is attested by the fact that our advertising volume has been growing steadily.

So — if you are a merchant and are tired of murdering prices two or three times every year, why not let us call on you? We would like to work with you to help make your selling more profitable—yes, for 1966!

The ladies of Bethel A.M.E. Church invite you to the First Annual Benefit Tea Sunday afternoon, April 30, from 4 until 6 p.m. at the Mae Simmons Community Center.

The public is cordially invited to attend this annual affair.

MOUNT GILEAD BAPTIST CHURCH

The Angelic Choir will meet each Friday evening at 8:00 p.m. The General Missionary Society will serve in the kitchen this Sat-

urday. Please come by and visit with us.

Members on the sick list include Bro. Dave Bailey, Sis. Malissia Jackson, Sis. Maybell Bolton, and Bro. T.J. Gant.

SAINT MATTHEW BAPTIST CHURCH

Come out and see the greatest show on earth. This special program will show God's people doing God's will.

Come to this great revival and hear Rev. O.W. Gentry, pastor of Hopewell Baptist Church at Petersburg, Texas and moderator of the Caprock Association, deliver the word of God.

This program will continue through Sunday, April 30, at 8 p.m. each evening at the St. Matthew Baptist Church, 2020 East 14th Street.

Come and bring someone with you! See you in church!

NEW HOPE BAPTIST CHURCH

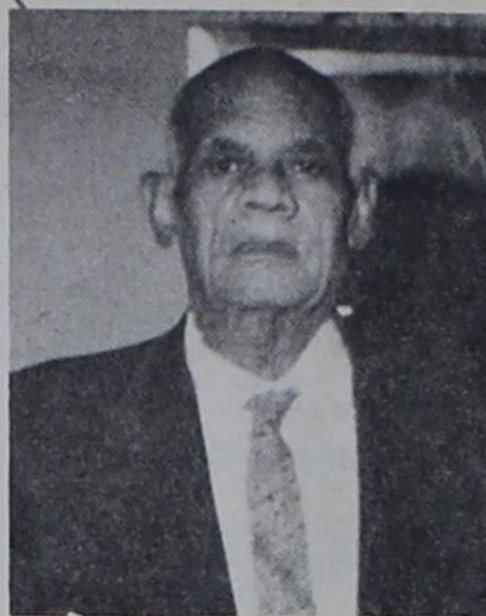

Fifth Sunday, April 30, is under the auspices of the W.M.S. Let us all come out and worship this day.

A special service was sponsored by the Deaconess Board last Sunday evening.

Fifty States and Governors Rally has been launched and will close June 11th at 3:00 p.m. If you have not accepted a STATE, please do so now.

We are to serve with the Pleasant Baptist Church of Lorenzo, Texas Wednesday night, May 3.

L.K. Williams Ministers Institute will convene on the campus of Bishop College at Dallas, Texas April 25-28.

The Ministerial Alliance will give an appreciation service Sunday, April 30, honoring Rev. B.R. Jones who is a retired minister and has served more than 50 of his 94 years.

The public is cordially invited to attend this service at Lyons Chapel Baptist Church at 3 p.m.

THE CHURCH OF CHRIST TWENTIETH & BIRCH STREETS

Both the Area Fellowship and the Youth Fellowship will be held in Brownfield, Texas. At 8 p.m. Saturday, April 29, the Youth Fellowship is scheduled. Sunday, May 7, the Area Fellowship is on tap.

GREATER SAINT LUKE BAPTIST CHURCH

The Eunice Circle will meet tonight, Thursday, in the home of Sis. Ida M. Judy.

The Dorcas, Hannah, Jochabed, and Racheal Circles met in the homes of Sisters Lucille Richards, 1805 East 25th Street; Florence Guyton, 1014 Avenue A; Mattie Linzey, and Rosanna Harris, 3402 East 16th Street, this week.

Sis. Lorene Crawford is in Fort Worth, Texas visiting with her brothers.

FEDERATION OF CHOIRS

The Federation of Choirs was largely attended as usual last Sunday at St. Matthew Baptist Church with Rev. R.S. Stanley and congregation as host church.

Rising Star Baptist Church will be host church during the month of May.

We usually hold our meeting on the third Sunday in May due to the Baccalaureate Services, but since that service is May 21, the Federation of Choirs will meet on the fourth Sunday, May 28.

Mrs. Bettye Miller was absent Sunday due to illness.

Honored At Pops Nite Concert

Mrs. Gertrude Lasley, one of the many talented people who appeared on the Pop program at Municipal Auditorium last Monday night, would like to express her appreciation to those of you who attended this evening of music.

MY THANKS!

*People everywhere in life
from every walk and station,
From every town and city
and every state and nation
Have given me so many things
intangible and dear,
I couldn't begin to count them all
or even make them clear...
I only know I owe so much
to people everywhere
And when I put my thoughts in verse
it's just a way to share
The musings of a thankful heart,
a heart much like your own,
For nothing that I think or write
is mine and mine alone...
So if you found some beauty
in any word or line,
It's just "Your Soul's Reflection"
in "Proximity with Mine".*
