'Around the Hub City'

"Around the Hub City" would like to call your attention to the fact that there are only twenty-four more days until Christmas. To some of us it may appear to be a long ways off, but if you sit down and look at the many things one, (especially Mother, has to do in order to make it a success.

If you are mailing packages or greeting cards, take a tip from me, by all means use ZIP CODES.

The school board, in a very special meeting Monday, decided that the come-back date for all students who attend the Lubbock Public schools will be Tuesday, January 3, previously the calendar showed that classes would resume on Monday, January 2. Incidentally, schools will be dismissed on Friday, December 23rd.

Two members from the State Office at Austin of the Economic Opportunity Act will be at the Mae Simmons Community Center at 3:00 p.m. The public is cordially invited to attend this meeting, and any questions desired to be asked will be welcomed.

Fifty-seven families reported last week pushed current year's total to 3,451, with December figures to be added.

Those Dunbar Panthers are really hot this year, they haven't lost one yet. Let's hope that the Panthers go all the way to the State.

Mr. Johnnie Walker, III and family of Seattle, Washington were guest in the city last week. He is the son of Mr. Johnnie Walker, II, 3307 East 16th Street. He is a graduate of high school at Corpus Christi and Prairie View A. M. College. Mrs. Walker, 2407 Globe Avenue, is his grand mother. Walker is employed at a defense plant in Seattle.

A new session of morning swimming classes, offered by the YWCA, got under way Monday at the Lubbock Boys' Club pool, 2324 Avenue K.

Of course the classes are under way, but interested persons may still obtain more information about the swim program at the YWCA by phoning PO3-0469 or going by the YWCA office, 1641 Broadway.

The employees of the Empire Building Maintenance Company, 8201 Avenue H, are preparing for a Christmas Program in one of the local churches later this month.

If there is any organization, club, sorority, or church having a n y type of Christmas or New Year's program to please contact "Around the Hub City" so that it can appear in this column. The column will also cater to pictures that you wish to be seen by our many readers.

Panthers Slide By Lobos, 59-52

The fighting Dunbar Panthers won their third straight game of the season Monday night at Leland by defeating the Lobos there by a score of 59-52.

The Panthers received aid from one of their sharp-shooters, James Johnson, who added fifteen tallies to the scoring of the night.

The Panthers jumped off to a 15-6 edge in the very first quarter with Larry Blaylock leading the charge with two field goals.

In the second quarter, Bobby Blake paced the Panthers with four shots from the floor and one from the line for a total of nine points to give the Panthers an eleven

point lead, 33-22, at the half.

The Panthers came back in the third and fourth frames to score twenty points and maintained the lead throughout the game.

They pulled out front by eleven points with 2:30 remaining in the game, and Coach Gipson emptied his bench as the Lobos outscored the Panthers, 12-8, in the final period.

Dunbar also won the B-team tilt, 53-48, with Alton Hunter proving to be the big gun with his fifteen points. Frank Melton was a close second with fourteen. The game's top scorer was Joe Suitt with eighteen.

Named Student Senate Sweetheart

In a special assembly on last Wednesday at the Mary & Mac Private School, 902 East 28th Street, Mary Virginia Humphrey, a junior, was presented as the Student Senate's first "Sweetheart" before the student body.

The seventeen-year old lass was presented with a bouquet of lovely red roses which were given to her in behalf of the student organization. Cynthia Bunton, senate president, made the special presentation.

With tears in her eyes, the newly elected sweetheart stated, "I feel very enthused and overwhelmed for being elected to such a high honor. I would like to extend my appreciation to my fellow senate members who are responsible for this honor I have received and I shall do my utmost to hold this title with great dignity."

Mary, daughter of Mr. and Mrs. Levis P. Rainey, 2706 East 8th Street, is very active in the senate. She holds the office of treasurer.

Aside from being active in the senate, she belongs to several organizations and is a very active member of her church, Friendship Holy Baptist Church, Rev. Joel Mann, pastor.

Mary Mayes added the extra touch to the program with her emceeing. Princiapl Graves gave the remarks.

Christmas Banquet Planned Here

A special Christmas Banquet will be sponsored by the Seventh Day Adventist Church of Lubbock on Saturday, December 10th, at 7:30 p.m. in the banquet hall of the Plains Co-op Oil Mill.

The speaker of the hour will be Elder E.W. Shepperd of Dallas, Texas who will deliver in his own words the message of the hour.

The public is cordially invited to attend this banquet. The admission for adults will be one dollar (\$1.00) and fifty cents (50c) for children.

The local elder of the Seventh Day Adventist Church, located at East 25th and Quirt Avenue, is Elder Jack Glaspie.

ZIP Code Helps Speed Mail

Zip Code will help put ZIP in your Christmas mail.

This year, more than ever before, the use of ZIP CODE is essential to efficient delivery of the more than eight billion pieces of holiday mail that will be handled by the Postal Service just before Christmas.

Postmaster E.J. Ohnemus today urged all residents of the Lubbock area to make a concerted effort to include the five digit number in both the address and return address. ZIP CODE helps cut down the number of times a piece of

"TIMES" TO FORWARD SANTA MAIL

"Dear Santa"

What goes through a child's mind when he addresses his most private thoughts to Santa Claus? As the Christmas season approaches, The West Texas Times will attempt to find out.

Beginning next Thursday, December 8, The Times will begin a new holiday season feature, "DEAR SANTA." It will contain the letters to Santa Claus written by your children, and the TIMES invites them today to begin sending their letters to "DEAR SANTA."

Whimsical, naive, serious, poignant--whatever they have to say to Santa--each week, Thursday, "DEAR SANTA" will present a selection of these innermost thoughts of a child's world.

And ask them to send their drawings of Santa also. The West Texas Times will run the best of them on Christmas Week.

Address all letters to "DEAR SANTA", The WEST TEXAS TIMES, POST OFFICE BOX 225, LUBBOCK, TEXAS.

Calloway Conducts Crusade

A special soul saving and healing deliverance crusade will conclude tomorrow night, Friday, December 2, at the Church of God in Christ #2, 2411 Fir Avenue, Bishop W.D. Haynes, pastor.

The services, which have been under the direction of an anointed man of God and a great preacher, Evangelist E. Calloway of Dallas, Texas, have been held since November 21st.

Plan now to enrich your life with this ministry of sings and wonders. Teaching from the word of God, divine healing teaching on the gifts of the spirit and consecration, and the deep things of God.

Tell your friends to tell their friends to attend the last service tomorrow night.

The Alexander Temple Church, 1707 East 31st, is also a sponsor of this program.

Positions Opened At Reese AFB

Reese AFB, Lubbock--Reese Air Force Base is in immediate need of skilled aircraft maintenance men because of the Vietnam situation, Col. Ernest T. Cragg, wing commander, announced last week.

He pointed out that skilled military men were leaving for other assignments because of the conflict and the civilians "will replace military technicians who have been called to support operations in the war."

The civilians will help maintain T-38 and T-37 aircraft used at Reese in the pilot training program.

The aircraft must be kept available to train pilots, many of whom go to Vietnam soon after graduation from Reese," Colonel Cragg said.

Needed are aircraft instrument and control systems mechanics, radio installers and repairmen, turbine powered systems repairers, jet engine mechanics, aircraft painters, and aircraft electricians.

mail must be sorted before reaching its final destination. This saves time in delivery and cuts down the cost of moving the mail.

"We expect a record-breaking mail volume this Christmas and will need all the help we can get", Postmaster Ohnemus said. "There are three ways in which you can cooperate with the Postal Service and at the same time assure that you get on-time delivery for your holiday gifts and greetings. You should shop early, mail early and use ZIP CODES." ZIP CODES for addresses you use most often can be obtained from the ZIP CODE directory in the Post Office lobby or by phone. The ZIP CODE information phone number is PO5-8541, ext 304.

Local ZIP CODES are listed in the business pages of the phone book (Yellow Pages). "Probably the easiest method of getting the ZIP CODES you need is to check the return address on the mail you receive from your correspondents. In most cases the proper ZIP CODE has been included. Then you should transcribe the codes into your address book." Postmaster Ohnemus said. "Remember, mail moves the country--ZIP CODE MOVES THE MAIL."

Thank You

The family of the late Mr. George Cato wishes to express their sincere appreciation to their many friends for the cards, telegrams, florals, visits and above all your prayers.

Your kindness shall never be forgotten.

CITY WIDE MISSION NEWS

The members of the City Wide Mission celebrated their Thanksgiving last week with a wonderful dinner which involved a group of wonderful people.

The dinner which was given in the home of Sister Johnson, 2512 Globe, was enjoyed by the entire group. Sister Simmon prayed a heart touching prayer while Sister H. English gave us a solo. A special talk was given by Sister Lee Brown.

Remarks were given by the president of the City Wide Mission, Sister C.E. Fair, Sr.

Each member expressed how thankful they were for seeing another Thanksgiving and the wonderful menu they were served.

The next meeting of our organization will be held on the second Tuesday, December 13th, in the home of Mrs. G. Davis, 2105 Ash Avenue.

Colonel Cragg stressed that specialists are needed, men with experience. They will be paid an average starting wage of \$2.80 per hour.

South Plains residents interested in the jobs may apply to the Reese AFB civilian personnel office.

The office is also recruiting for a Registered Nurse and someone who has had five years of experience operating a hotel or motel.

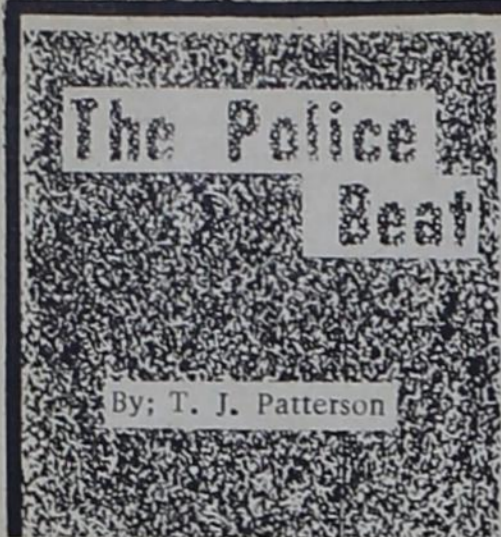

Librarians Wanted

The Interagency Board of U.S. Civil Service Examiners, San Antonio, Texas announce an examination for professional librarians paying \$6,451 and \$7,696 a year for employment in various federal agencies in the states of Texas, Oklahoma, Louisiana, and Arkansas.

Many federal agencies employ PROFESSIONAL LIBRARIANS, and a continuing need exists for persons trained in Library Science. Librarians working in federal libraries perform interesting and challenging work and are afforded continuing opportunity for professional development.

Application forms and further information about the examination may be obtained from most post office from the Interagency Board of U.S. Civil Service Examiners for South Central Texas, Information Center, 615 East Houston Street, San Antonio, Texas; and from Room 16B, Post Office Building, Lubbock.

HOUSE BURGLARY
Ray Cravin, 2804 Juniper Avenue, told police that someone entered his apartment last Sunday evening and took his front door key which was lying on a dresser in his bedroom. It appears as though the burglar was only looking for the key, because there was nothing else missing, except the key. It was also discovered that entry to the apartment was

gained by merely taking the screen off the window which was unlocked and easily entered. The question to be asked now is what in the world will the burglar do with a KEY to this apartment except re-enter at another time and perhaps take something of great value. Take my advise, Mr. Cravin, and change your lock IMMEDIATELY!!!

Perhaps this is one of the most expensive sleeps that Jackson has probably encountered. . . . and I may add, he won't forget it.

A witness—who apparently saw Jackson—stated that he (Jackson) became ill and the two buddies of Jackson decided to help him and at the same time charge him a fee for their services, \$135.

THEFT
Mrs. Sam Foster, 901 Avenue B, told police that a fast one was pulled over her last week. According to her it went like this. Two young ladies, one of which is in custody, came into her house and began to visit with her. Paying no attention of the two young ladies, she decided that she would take the conversation in the kitchen in order to finish her evening meal. This was good, as many of us know. Ladies love to talk, but she forgot that she had left her purse on the couch containing over one hundred dollars. To be exact, \$135.

Apparently the purse tempted the young ladies, so they decided to take it. . . . at least one of the ladies did. One was caught and the other got away.

TITHING
Tithing is not a bargain with God. It is not a financial contract that assures the participant an increase in profits if he com-

mits himself to tithing. Neither is it a mathematical formula for placating the wrath of God, nor a clever device for lining the coffers of the Church. Tithing is essentially a testimony to faith in creativity and goodness of God.

It is an adventure of Faith. It is planned giving, it is intelligent giving, systematic giving, consistent giving, grateful giving. It is a part of stewardship which has for its basis the ownership of God. God is the owner and giver of every good and perfect gift.
