

'Around the Hub City'

"AROUND THE HUB CITY" had the opportunity of visiting the Ruel Martin Park, a newly modern recreation area, last week—and was this something to see. . . . That is, the parents of the children—who were in the area—should tell them how ugly it is to use profane language in the presence of other people as well as himself.

It was a darn shame to hear some of the words which came from the lips of those 8-15 year-old children.

In talking to one of the users, he admitted how wrong it is for a person to use ugly grammar, and he was only 14.

Of course, people, there are many young people who use vulgar language and there are others who are guilty of other acts, but we—as adults—should do all we can, in our power, to help these young innocent people stay on the right road. After all, there was a time when you and I were having trouble. Let's help these young people, they are tomorrow's leaders.

Mrs. Mary Jo Henderson, a former resident of Lubbock and a school teacher in New York City, was visiting in the city during the Easter holidays.

Miss Judy Struggs is home from Howard University in Washington, D.C., for Easter. Clarissa Jay, a former resident here, spent the holidays with her aunts. She is living in Dallas, Texas.

Mr. L. G. Porter accompanied his sister, Mrs. Robert Tieucl of Hobbs, to Dallas last Friday afternoon for the holidays.

Linda Marie Lusk flew to Fort Worth for an Easter with her grand father and aunts.

Mrs. Leo Sedberry and children, Sheldon and Cynthia, left early Friday morning for Mexia, Texas to spend the Easter season with her mother, Mrs. Prechipa. Mrs. Juanita Simmons accompanied her as far as Morgan, Texas where she visited her family.

Mrs. Melvin Mason of Houston spent Easter here with her husband and family. She is employed by the Houston Public School System.

Tyrone Ervin, son of Mr. and Mrs. Clarence Ervin, is a patient at Methodist Hospital.

YES, applications are still being accepted this week at the Community Action Board, 1717 Avenue K, for a director position of the Neighborhood Center, to be located at the Mae Simmons Party House. This position is open to men or women.

According to the office, seven persons have applied for this particular position. For further information call PO2-1911.

Cecille Joyce Graves, daughter of Mr. and Mrs. Caesar Graves, II, 1834 Manhattan Drive, spent the holidays here. She is a freshman at Bishop College, Dallas, Texas. Cecille was the first graduate of Mary & Mac last spring.

I must admit, without any doubt, Mrs. Sara Crawford, 1803 Avenue B, looked beautiful last Sunday evening at Bethel's Sunday School Easter program.

"AROUND THE HUB CITY" is happy to see things looking up for Mrs. Gertrude Lasley, a well-known gospel singer in our city. She will appear with the Lubbock Symphony Orchestra in April in a concert at the Lubbock Municipal Auditorium.

New Post Office Station Opened

Postmaster E. J. Ohnemus announced this week that the new Murryhill Station Post Office service windows opened for business this week. This new post office is located just north of 50th Street at Louisville Avenue. The address is 4811 Louisville Avenue. Patrons in the immediate area and throughout the city of Lubbock are invited to use the facilities of this fine new post office. Regular window service hours will be from 8:30 a.m. until 5:00 p.m., Monday through Friday, and from 8:30 a.m. until 12:00 noon on Saturday.

Post office box lobby service will be open 24 hours, and post office boxes are available for rent. Patrons who have already made application will have priority. There is a stamp vending machine in lobby and ample parking for patrons.

Carrier delivery service for this station will include the area west of Avenue H, and south of 34th Street, which includes all of Zip Code numbers 79412, 79413, and 79414. There will be 39 carrier routes emanating from this station.

Streets leading to the post office are unmarked intersections, and patrons are asked to drive carefully entering and leaving the parking area. The parking area has a slight incline; therefore, all patrons are urged to apply parking brakes before leaving autos unattended.

Formal dedication ceremony will be held at a later date.

Construction of this station started in September, 1966, and represents an investment of \$175,000.00. The operation of this station will relieve the crowded conditions at the main post office and the Ellwood Station Post Office.

LOCAL RESIDENT TO APPEAR AT LUBBOCK SYMPHONY ORCHESTRA POPS NIGHT

Mrs. Gertrude Lasley, local gospel singer, will make her debut as a soloist with the Lubbock Symphony Orchestra Pops Nite at 8:15 p.m. Monday, April 24, in the Lubbock Municipal Auditorium.

A native of Marlin, Mrs. Las-

ley is the daughter of the Rev. and Mrs. L.C. Miller.

She is presently a member of the Greater Saint Luke Baptist Church where she has been choir for the past ten years. She is a member of the WMU Musical Staff in National and State Conventions.

She spent her early life in San Antonio where she attended Grant Elementary and Dunbar Junior High School. She graduated from Dunbar High School in Lubbock in

May, 1951, and did undergraduate work at St. Phillips Junior College in San Antonio.

She began her singing career at the age of 10 and has sung in Chicago, Ill.; Detroit, Mich.; Los Angeles, Calif.; Fort Worth, Austin, Houston, San Antonio, Abilene, Beaumont and Lubbock.

For her Lubbock Symphony bow, Mrs. Lasley will be heard in two spirituals, "Were You There?" and "He's Got The Whole World in His Hands."

Fred Flewellen Employed At Reese AFB As Incentive Awards Clerk

Fred A. Flewellen, 1802 East 24th Street, was employed last week as the base Incentive Awards clerk.

He is responsible to the Military-Civilian Incentive Awards Committee and is working out of the Civilian Personnel Office.

According to Tom Ireland, CPO, "Fred will be concerned with suggestions. He will be working with all military and civilian operating officials as well as with personnel in units. His job is to turn up any constructive idea, anywhere on base, that will save time, material, money, or improve safety practices, welfare or morale."

Aside from this, "Fred will strive to help the base achieve the 30 per cent participation rate Hq Air Force has established for the military and civilian suggestion programs. He will obtain a fair and prompt evaluation of suggestions from offices of primary interest; assure consideration of adopted ideas by the Cost Reduction Monitors; present adopted ideas to the Military-Civilian Incentive Awards Committee for determination of the proper incentive award; process minutes of the Committee; inform suggestors of the disposition of their suggestions; promote the program; and render required reports."

Flewellen is a transfer from the Veterans Administration in Lubbock where he was employed three years as a mail clerk. He is a native of Lubbock and a graduate

of Dunbar High School. He attended Prairie View A&M College at Prairie View, Texas for three years.

of Dunbar High School. He attended Prairie View A&M College at Prairie View, Texas for three years.

Washington--NPI--Compared to whites, the average Negro's health is getting worse every year, two New York public health officers have reported.

Dr. James G. Haughton and Paul M. Densen charged that the health gap between Negroes and whites is widening.

Densen, deputy administrator, Health Services Administration, New York, and Dr. Haughton, the first deputy administrator, made their charges in papers prepared for a conference on the conditions of Negroes' health, sponsored by Howard University.

Both men said the differences in the health of white and Negro populations were racially determined.

The basic problem, they suggested, was that modern medicine had failed to reach the poor Negro.

Their reports did not specify the health status of the increasing number of middle-class Negroes.

Jehovah's Witnesses Set Wichita Falls Assembly Meeting

The Lubbock Unit of Jehovah's Witnesses has been notified that Wichita Falls has been selected as the site for their three day convention which will begin Friday, March 31, at Booker T. Washington High School, 1300 Harding Street, Wichita Falls, Texas. According to E. Outten, the presiding minister, Wichita Falls was selected by the World Headquarters for Jehovah's Witnesses, which is located in Brooklyn, New York.

Outten stated that the convention would be participated in primarily by Texas Circuit #31. The circuit consist of 16 congregations including Wichita Falls and other cities as distant as Lubbock, Odessa, Austin and Corpus Christi. Over 600 persons are expected to attend. Commenting on the purpose of

But the two men reported that Negro pregnant women of all classes were 3 1/2 times as likely to die in childbirth as white pregnant women. In 1930, they were only twice as likely.

In 1950, they said, the percentage of nonwhite infants dying in childbirth was 66 per cent higher than the rate for whites. In 1963, the rate for nonwhite infants had increased to 90 per cent higher.

The public health officers' figures reflected slight health gains for all classes of Negroes and much higher gains for whites.

"Limited accessibility of services" in poor areas was blamed for much of the increasing disparity.

conventions like this one which are held world wide by the witnesses, Mr. Outten said, "Basically, there are two reasons for the conventions. First, Jehovah's Witnesses take the Christian responsibility of preaching the Good News of God's Kingdom very seriously. They are determined to help their neighbors to find the Bible's answer to modern day problems. With teaching such as 'God is Dead' and that the Bible is a book of 'myths'; and problems such as juvenile delinquency being on the increase, one needs skill to aid his fellowman. So our conventions serve as refresher courses and are very beneficial to us." Outten said that the "second reason is; the programs are arranged so that they provide practical instructions for persons of all walks of life. Even those that do not practice christianity."

Seagraves, Texas--The plans of the remodeling of the Mount Olive Baptist Church here was put into action last Monday evening by the pastor.

Members and friends present at this business meeting included the following: Mr. and Mrs. T. Francis, Mr. and Mrs. J. McDaniel, Mr. and Mrs. W. Wilson, Mrs. Jewel, Mrs. Lela Wilson, Mr. and Mrs. J. Byrd, and Mrs. J.M. Wilson.

Out of these people, two of them became members of our congregation, and they were well excepted by the church.

NEGRO NAMED PRESIDENT OF WHITE CHICAGO BANK

Chicago banker Norman A. Simon, 45, became the first Negro to be appointed president of a predominantly white bank when it was announced that the brilliant young financier would head the Guaranty Bank and Trust Company of Chicago.

His banking career began 14 years ago when he became the first Negro commercial teller in a Chicago bank.

"I started at Main State Bank where I was paid \$204 a month," he said. "With that I had to support a wife and a kid."

Simon is very disappointed that more young Negroes have not chosen the field of banking for a vocation, and said he hopes that his appointment to head a white bank will encourage others to consider it as a career.

Mr. and Mrs. James Craig and daughter, Vickie Elaine, of Dallas, were visiting in our town last week. They were visiting with Mr. and Mrs. Calvin Luckey and daughter, Gloria Jean Luckey.

They were among the many people who witnessed the wonderful Easter program held at the Mount Gilead Baptist Church.

Aside from these Dallasites, many people were in the city limits of Seagraves during the holidays.

Mr. and Mrs. McDaniel of the Fort Worth area was here.

William Evans visited with his mother and father, Mr. and Mrs. Anderson Evans.

Miss Elizabeth Banks and children were among the visitors.

The children of Mrs. Pete Johnson was here visiting with their grandmother, Mrs. Learene Williams. The children included Charles, Diane Mae, Helen, and Larry.

The Golden Voice District Association will be held April 2, Sunday, in O'Donnel, Texas.

Report Claims Draft System Unfair To Negroes

The National Advisory Commission on Selective Service submitted a report to President Johnson that stated the present draft system is unfair to Negroes in many ways.

The advisory group stated in their report that a Negro classified "1-A" in the draft is almost twice as likely to be inducted as a white youth in the same draft status. The survey also showed that a large number of Negroes have insufficient schooling to get into college and thus cannot qualify for the educational deferment available to college students.

Uneducated Negroes in the armed services cannot hope to progress in the technical aspects of military life, and to seek advancement they must go into combat forces where they are more likely to be killed or wounded, the advisory group pointed out.

During the first 11 months of 1966, 22.4 percent of all Army troops killed in action in Vietnam were Negroes; 30.2 percent of qualified Negroes were drafted compared with only 18.8 percent of qualified whites.

"After all," he pointed out, "how many careers begin as a trainee at an annual salary of \$6,500." Also, the ruling by the Federal Deposits Insurance Corporation forbids banks which have federal deposits from discriminating in their hiring policies. Since most banks have some federal money, it is likely that more jobs will open for qualified Negroes.

So quit complaining about your lot and qualify yourself for the opportunities that you have or will have. Yes, it can happen in this land of opportunity.

President Lyndon Johnson, in his record budget for 1967, asked Congress to approve \$4,508,000 for a new federal building complex for Lubbock.

The new building, if approved, will be one of only eleven such public buildings in the General Services Administration plans.

Although the actual date of construction has not yet been determined, the site was selected in September 1965. At that time, Representative George Mahon of Lubbock, announced that the multi-storied building would be located on a two-square block area directly south of the Lubbock County Courthouse. It will be bounded by Texas Avenue on the west, 14th Street on the south, Avenue H on the east and Broadway on the north.

Once completed, the building will house a federal district courthouse and offices for various federal agencies that at present are scattered all over town.

Speaking on behalf of the Chamber of Commerce and BCD, President Lennis Baker said, "President Johnson's action this project for which the chamber and numerous Lubbock individuals have worked for some time is most gratifying. The building is a great thing for not only downtown Lubbock, but for the city and area."

Representative Mahon in Washington stated that he felt "very fortunate to have the federal building project included in requests for the fiscal year." He further said that he expected congressional approval of the project.

The project, once completed, will include adequate space for United States District courts and other federal activities.

According to Atcheson, Atkinson and Cartwright, architects for the project, at least ten federal activities now located around town will be included in the new building.

The county is purchasing the present post office building for \$242,500, and upon completion of the federal office building will utilize the old building for county and state facilities. Offices now in the old courthouse, with exception of those of the justice of the peace, will be moved into the old post office facility, according to present plans. The justice of peace quarters will be transferred to the now-under-construction courthouse addition so that all judicial functions will be in the same building.

Your Good Health

By SAMUEL L. ANDELMAN, M.D., M.P.H. (Negro Press International)

SMALLPOX

The fact that smallpox is rarely seen any more in this country has caused us to let down our guard. We should not forget that a single case introduced into the United States could start an epidemic that would cost many lives.

Smallpox is a disease that kills about 25 per cent of its victims in an epidemic, and many of those who survive become blinded by scars on the cornea or have their faces deeply pitted with pock marks.

The danger lies in the speed of modern air travel which can bring a person who has been exposed to smallpox into this country before he shows any signs of the disease.

The surest way to prevent smallpox is by vaccination. The best time to give a first vaccination is before you baby is one year old. If this vaccination fails to take, it should be repeated after 3 or 4 weeks.

No covering, except the child's regular clothing, should be placed over the vaccination. It is not advisable to give the baby a tub bath until the vaccination scab is completely dry.

Since the immunity produced by a vaccination gradually disappears, the process should be repeated every 3 to 5 years. In most persons this revaccination will result in a mild reaction called an "immune reaction." This has the effect of a booster shot and insures a high level of immunity for another 3 or 4 years.

If the revaccination causes a reaction similar to that produced by the first vaccination, this means that the old immunity had been completely lost.

If you plan to leave the United States, you must have a record of a vaccination made within three years of the date of your expected return or run the risk of being quarantined by the United States Public Health Service on your return. Vaccination and revaccination is a small price to pay for immunity to this serious disease.

THEFT OF WASH POT
Thelma Eden, 3419 East 15th Street, told police she was driving down East Broadway one day last week when she saw two boys looking mighty peculiar. After watching them for a moment, she couldn't help but notice the large black wash pot.

Yes, this pair of juveniles was attempting to get rid of a wash pot. The pot had been stolen from her neighborhood. It was valued at \$10.00.

THEFT OF MONEY
Now here is one for the books! What a books? Well, you make that decision.

Carolina Eubanks, 2605 Ivory Avenue, told police she was pressing a young lady's hair at the time her billfold was found to be missing.

According to Carolina, her husband had come and given her \$22 to pay a bill. She told police that her purse, containing the money her husband gave her plus five more dollars, was lying on a table in front of her and the young lady. It wasn't until the young lady was gone that she discovered her purse missing.

Do you believe the young lady hit her for the money? Well, I have no comment.

LUBBOCK MAN STABBED
Willie Gentry, 56, 1042 Avenue D, who was injured in a Friday night knifing incident at 6th Street and Avenue C, remained in the intensive care unit at West Texas Hospital Monday. The knife wound in his right side punctured a lung.

THEFT NOT COMPLETED
If it wasn't for a good citizen, this theft would have been a complete success.

H. H. Mcknight told police he saw two men inside the burned-out house, 2401 East 19th Street, trying to remove a bath tub.

As he approached the house, the men, apparently between the ages of 30-35, fled through a window, and ran east on 19th Street. Nothing was missing.

THEFT OF RADIO
A local cab driver, H.M. Duty, told police he had just carried a patron home after deliver and was helping with the luggage in the house when two juveniles clipped him of his six transistor radio which was in the front seat of the cab.

The pair of radio grabbers was arrested.

BURGLARY
Curtis Buntun, 2205 Elm Avenue, reported that someone had broken into his place of business, located Idalou Road, and took 3 lamps which were valued at \$33.

According to the police, entry was gained by breaking the window which was located on the north side of the building.

Church News

GREATER SAINT LUKE BAPTIST CHURCH

Our church anniversary will begin the first Sunday in April through the second. Our financial goal is \$2,800.

The Queen of Sheba Circle met in the home of Sis. Allie Williams, 2632 Ivory Avenue, last Monday evening.

The Federation of Choirs Anniversary was held at our church last Sunday afternoon.

Bro. Harry Bunton attended the funeral service of his aunt in Dallas, Texas last week.

Little Gloria Ward remains ill in the Colonial Manor Rest Home. Bro. John Jaushlin is ill in his home. Sis. Mable Larkins is asking that the church pray for her.

Bro. Horace Newsom remains ill in his home and will enter the hospital soon.

The Eunice Circle will meet in the home of Sis. Mylinda McCullough, tonight, Thursday. *****

MOUNT GILEAD BAPTIST CHURCH

The Deaconess of our church last Monday evening at 7:30 p.m.

Our church was asked to worship with the First Baptist Church of Littlefield, Texas in an Installation Service for Rev. W.A. Terry, Sunday, April 16, at 3:00 p.m.

The B.T.U. will serve in the kitchen next Saturday. *****

NEW HOPE BAPTIST CHURCH

An African Safari will be held tonight, Thursday, March 30, in our auditorium at 8:00 p.m.

An After Easter Review will be sponsored by the Solace Board tomorrow night, March 31st, in the auditorium of our church.

B.M. & E. State Board will be held April 5-6 in Marshall, Texas. Fifth Sunday, April the 30th, will be under the auspices of the W.M.S.

An Afternoon With Christ will be sponsored by the Usher Board Sunday, April 19th, at 3:00 p.m.

L. K. Williams Institute will convene on the campus of Bishop College April 25-28.

The anniversary of Rev. and Mrs. George F. C. Wiggins will be held March 27 through April 2nd.

FISH DISH WITH WINE

Here's a fish dish that violates the tradition of "white wine with fish" and does it deliciously. Halibut is baked in a Burgundy-tomato sauce, proving again that there are no hard and fast rules about combining wines and foods.

In the menu below, California Sauterne or Chablis is suggested as the accompanying beverage, but the rest of the bottle of Burgundy may be served instead. Just let your own taste decide.

Pineapple-Cottage Cheese Salad

Buttered Noodles Zucchini

California Sauterne or Chablis
Cherry Tarts

HALIBUT EN CASSEROLE
2 1/2 lbs. halibut steak
Lemon juice
1/3 cup sliced green onion
1/2 cup sliced celery
3 tbs butter or margarine
1/3 cup sifted all-purpose flour
1/2 cup California Burgundy or

other red dinner wine
1 (1lb. 12 oz.) can tomatoes
1 1/2 teaspoons salt
1/8 teaspoon pepper
1 teaspoon sugar
3 whole cloves
2 small bay leaves
1/2 cup stuffed green olives
Chopped parsley

Arrange halibut steaks in baking pan or casserole. Squeeze lemon juice over fish and let stand while preparing other ingredients.

Cook onion and celery in butter until soft. Blend in flour, stir in wine, tomatoes, salt, pepper and sugar. Add cloves and bay leaves. Simmer, stirring now and then, until sauce thickens—about 10 minutes.

Remove clove and bay leaves. Spoon Burgundy, tomato sauce over fish; add olives. Cover pan and bake in a moderately hot oven (375 degrees F.) about 25-30 minutes, or until fish is done.

Sprinkle with chopped parsley before serving. Serves six.

It is better to be alone than among bores.
