They say a crowd always follows a champion. This was the case last Friday evening at Panther Gym when the Golden Tors of Lamesa were defeated by the mighty Panthers of Dunbar. The gym was too small, but the crowd loved every minute of it.

I hope that the Dunbar Mom and Dad's Club paid close attention to the rabble from Lamesa, this is certainly needed here in more than one way. This writer overheard one of the Tor's spectators say as they were going out the crowded doorway, "This will not set our boys back, we are still behind them."

I wonder what would have been the saying if the Panthers had lost this contest. Would we still have had a positive outlook for our fellows?

One of the past members of the Ebony Club, a local club consisting of graduates of Dunbar High School, told this column that the club would be back in full operation shortly. I hope that this is the gospel truth.

This type of organization is needed here. There are too many talented young people in the city limits who could and would make a constructive contribution to their community if they had the chance.

Perhaps by now you know, or should have known, that Wednesday was the deadline for paying ad valorem property taxes at the offices of the county tax-assessor-collector or city-school district tax assessor collector without penalty.

Miss Joyce Graves, daughter of Mr. and Mrs. A. G. Graves, left last week for Waco, Texas, where she will re-enter Paul Quinn College. She stopped over in Dallas for a visit with her sister, Gloria. Joyce is an advanced sophomore. Her career had been interrupted, because of illness and she was out of school for one semester. Her twin sister is a junior at Paul Quinn.

Miss Jimmie Thersa Walker, daughter of Mr. and Mrs. Jimmie Walker, spent a few days at home during the semester ending at North Western State College at Canyon, Texas.

Mrs. Justin Morton and Mrs. Marie Embery have returned from Paris, in East Texas, where they attended final rites of their aunt.

I had an opportunity of seeing a long-time resident of the Hub City last Friday evening at the Dunbar-Lamesa basketball game and again Monday afternoon at home. This gentleman is no stranger

BURKS FAMILY SENDS HELLO

A Friendly Hello has been sent from Mr. and Mrs. Freddie Burks of Charleston, West Virginia. Mrs. Burks is the former Irene Bolden, daughter of Mr. and Mrs. Earnest Bolden, 2412 East 30th; She is also a graduate of Dunbar High School.

Many of you remember reading of her accomplishments, Mrs. Burks set while she was in the Job Corps. It is always pleasing to hear from our young people, especially when they are making a constructive contribution to their country.

PAIR WOUNDED HERE

In a shoot out in East Lubbock last Saturday, a Lubbock man and woman were hospitalized following a late afternoon shooting in an apartment at 2802 Juniper Avenue.

Callie Shield, 55 of 2802 Juniper, Apt. 8, was in critical condition in Methodist Hospital, suffering from a gunshot wound in the chest. The other victim, Otis Johnson, 48, 2802 Juniper, Apt. 7, was in serious condition in University Houston, with a bullet wound in the face and another just above the right wrist.

According to police, no

charges had been filed in the shooting and no suspects had been arrested.

Both persons were believed to have been shot by small caliber weapons, although no weapons were recovered by police.

The incident occurred in the Shield woman's apartment.

BEGINNING BRIDGE INSTRUCTIONS SLATED

Beginning Bridge Instructions will be offered at Maxey Community Center beginning February 8th, 1968, at 7:30 p.m. Mrs. Buster Dickerson will be the instructor for the eight week course. There is no charge for the course.

V. I. C. A. HOLDS LUNCHEON MEETING

The senior officers and advisor of the V.I.C.A. Chapter 403 held a luncheon meeting at the 4th and College Avenue Furr's Cafeteria Sunday, January 14th.

Following a lovely and most enjoyable dinner, the order of business was secretary and

treasurer reports, discussion of recommendable amendments to the present chapter by-laws and suggestions of ways of preparing for the 1968 District VI Spring Awards and Contest Meet to be held at Estacado High School, March 22 and 23rd.

Some said it couldn't be done this year, but those mighty Dunbar Panthers—with a former graduate of the Maroon and White at the helm, Curtis Gipson, commanded attention last Friday night in Panther gym as they set the Golden Tors of Lamesa their first defeat in district play.

With Dunbar winning their first encounter of the second half of district AAA competition, the remaining quintets are recognizing them as the team to beat for contention.

This win made the Tors get ready to play catch-up basketball—which will be a great fete for any team.

REVERAND V. OTIS LEAVES LUBBOCK

The minister's Alliance sponsored a program last Sunday afternoon honoring Rev. V. Otis, pastor of Rising Star Baptist Church.

Reverand Otis has served this congregation more than two years. He is now leaving for Muskogee, Oklahoma for a new pastorate. He will also be near his wife who is working at Langston, Oklahoma. The congregation hated to see him go.

Christopher Griffin Receives Commission and B.S. Degree

Christopher L. Griffin, son of Mrs. Lila H. Griffin and Mr. Lewis Griffin, has earned his Bachelor of Arts degree from Texas Tech and has been commissioned 2nd Lt. in the United States Army.

In a very impressive service on the campus last Saturday morning, his mother pinned his commission's bars on. He will be leaving soon for Fort Sam Houston at San Antonio, Texas, where he will get basic training.

He has a brother, Chester, who is a sophomore at Howard University and an older brother who is in the process of obtaining his Master Degree at Tech.

Among other students receiving a B. S. Degree was Miss Mattie Rutherford, daughter of Mr. and Mrs. Horace Roquemore.

JUDO INSTRUCTIONS OFFERED AT MAXEY

Judo instructions will be offered at Maxey Community Center, 30th and Oxford Avenue beginning Monday, the 5th of February.

The adult class open for men and women will be at 7:30 p.m. Classes for boys ages 12 years and older will meet at 6:00 p.m.

Benny Ussary will be the instructor for the classes. For information or to register call Maxey Community Center at Po 2-6411, ext. 321.

GIN TOURNAMENT SET FOR FEBRUARY 21-22nd

Hodges Community Center is now taking entries for the City Championship Gin Tournament. The tournament will be held Wednesday and Thursday, February 21 and 22, 1968 from 7:00 - 10:00 p.n. It is hoped the defending champions will return to de-

Dunbar on the other hand, must continue their pursuit in the district this week as they take on Lakeview here Friday and Brownfield there. The Panthers victory was witnessed last Friday night by a packed gym who came out to see this exciting contest. Panthers were able to hit the net for 78 points to Lamesa's 69. This is 26 points short of their quota set the week before when they scored 104.

Leading the Panthers during the season are James Skeif and Jerry Phillips who are seniors on the squad. Another Panther who is high on the pole with a 17.4 average in district play is James Hollins. Phillips is sixth in district scoring with a 19.9 record. On the other hand, small in size, but explosive otherwise, Skeif is battling for honors with a 13.3 record.

The remaining of the season should prove to be a great challenge for the Panthers, including Snyder, Leveland and Brownfield.

The Panthers are 18-6 for the season and have scored 1,729 points against their opponents 1,278.

Coach Gipson admits, with a grin, "the Panthers are out for the big wins."

REPORTER SPEAKS TO KHIVI SHRINE GROUP

T. J. Patterson, assistant executive director of the Community Action Board, spoke to the Khivi Shrine at noon on Monday at the Johnson House Restaurant.

Mr. Patterson explained the function of the Community Action Board in Lubbock County and made it clear that these programs are not "hand outs."

Some of the programs sponsored by this organization include the Neighborhood Youth Corps, Head Start, Upward Bound, Feasibility Study.

Patterson is a reporter for the West Texas Times, and a member of Bethel A.M.E. Church where he is assistant superintendent of the Sunday School Department.

fend their titles. Deadline for entry is Monday, February 19, at 6:00 p.m. For more information call PO 2-6411, Ext. 319 or come by the center at 41st and University Avenue.

ANOTHER CONSTRUCTIVE MOVE MADE HERE

The city of Lubbock has made another constructive move for our neighborhood.

Finally a fire station will be constructed at the corner of Quirt Avenue and 48th Street. It is long past due, but nevertheless, we will have one close, perhaps not as close as we would like, but close.

In an exclusive interview with Fire Chief Sharp last week, the *Times* learned that there are opportunities for young men of minority groups who wish to become a part of the Fire Department. This is good for many reasons.

The *West Texas Times*—learning of two positions which are to be open soon—hopes that there are young Negroes who would be willing to take advantage of this opportunity.

More information about these positions can be obtained from the Lubbock Fire Department according to Chief Sharp.

Perhaps Lubbock is gradually on the move, and with the construction of this new fire station, it could mean a very good omen in that the future will hold more surprises.

At last we, the citizens of East Lubbock, are becoming involved with our city, and with this, the City Fathers are beginning to open their eyes and involve themselves with us.

Gym Much Too Small For Panther's Status

The contest between the Panthers of Dunbar and the Golden Tors at Panther gym last Friday evening was really exciting. The fans on hand loved every minute of it. Only one complaint was voiced during the entire evening.

That complaint—which was obvious—was that the Panther Gym is just too SMALL for the importance of the team. The patrons and fans were stacked in like sardines, and something must be done if Dunbar is to continue to promote this type of game.

A local basketball figure from Texas Tech was among the hundreds of spectators. Let's hope that head basketball coach Gene Gibson was able to observe the players on the court as easily as he could see the crowded conditions of the fans.

We feel sure that the young athletes on the floor, and the referees who called a splendid game, will agree with this paper when we say that a larger gym should be constructed for the Panthers or else the games should be played in another facility.

Some fans accused the school officials of scheduling the game in the junior high school gym. Surely this was not the intention of the school administration when the gym was constructed. On the other hand, it wasn't expected that the Panthers would be elevated to 3—AAA District Play either. Now we have a problem, our team is as good a draw as any in the same class, *high school*, in the city of Lubbock. Also, we must continue to put our best foot forward, appearance-wise, when we entertain other city's teams in sports contest.

Something must be done about this problem, as soon as it is economically possible. Our Panthers are on their way, and as citizens of Lubbock, we are sure that all the people in the city wish to see our young people represent themselves with pride and in the best manner possible.

Notes From Norm's Notebook

One would wonder if a Panther will have a chance to become a member of the fabulous Red Raider basketball team. On noticing that Coach Gene Gibson was on hand at the Friday night contest, hopes begin to rise.

**THE POLICE
BEAT**

by: T. J. Patterson

House Burglary

Earl Ross, 2402Globe Avenue, informed the Lubbock Police Department that someone broke into his residence and took a portable record player valued at \$66.00. Along with this item, six records were taken by the burglar.

He had no idea who could be responsible for the theft of his player which was taken Sunday night.

Theft

N. D. Nelson, 2609 Weber Avenue, reported to the police department that he was in a local business at 1700 Avenue A, when someone took his .30-06 rifle which was in the establishment.

Like Ross, Nelson had no idea who was responsible for the theft.

Aggravated Assault

Franklin Lee Johnson, of 1501 Avenue C, reported that she and some friends got into an argument last Saturday night. According to Johnson, this incident led to her being cut on the head.

Some say that *love is a many splendor thing*, and this was the case with Johnson, for the incident did involve a man.

Johnson admits that she

The Panthers have the talent. The only question is: will one of them have the opportunity of laying in his own back yard? It is worth looking into. It is time that we keep some of this talent home, and quit giving it to other institutions both here in the state and away.

Let's hope that Coach Gibson wasn't just out here looking over the talent within the Golden Tors ranks, or perhaps if he was, he got a surprise or two concerning the talent on the Panther squad. I think the Tors did.

Sorry about the short paper this week, but your's truly and the other publisher in this concern went fishing.

One thing is for sure, four pages of newspaper this week is just a heck of a lot better showing than what we made on the fishing trip. There has been so much rain south of here that all of the lakes are full and running over, but they are muddy. Fishing should be real good later on this summer.

had no idea who was responsible for the cut over her head, but if she found out who did it, she would not file charges.

She was taken to Methodist where she was treated for emergency treatment and released.

Destruction of Property

Helen Robbins, 2804 Juniper Avenue, told police that someone broke into her apartment and broke open the front door screen. This break-in caused a damage of \$15.00.

She does know that a man was responsible for the incident, but was unable to give the complete name of the person responsible.

**Our Teen-agers
Need Counseling**

I had an opportunity of talking to a young lady who was being held by authorities in regard to a theft. This shy young person needs help, but apparently it must start at home. At times it appears as though we forget that we have children.

I hope that you as parents will be more concerned about the welfare of our children. They need your help badly. I believe, with all sincerity, that this young teenager can be

helped, providing the individual is willing to help himself.

No kid is completely bad, as some of us say, but have you looked back at your past? I am sure that some of us are guilty of doing many things, but we were fortunately not caught. Let's give them more counseling. Children love to be told what to do, and not to have to make all of the decisions by themselves.

Parents, our churches and school can not do the job by themselves, it will take a team effort. Why not do your part?

**FIVE BOYS ATTACK
LUBBOCK RESIDENT**

Richard Johnson, 2506 Weber Drive, told police he was attacked and stabbed by five boys who jumped him about 5 a.m. last Sunday near 28th and Ivory Street.

Johnson was treated at Methodist Hospital for four wounds on the arm and chest and released.

The deadline for Voter Registration has expired. I hope that we had a new record registration. Since you have registered, why not exercise that privilege by going to the POLLS and voting for the best qualified man.

Special offering was contributed for two federation members. The next host church will be the Messiah Presbyterian congregation. Rev. John L. Walker is pastor. This service will be held at New Hope Baptist Church.

Bethel A.M.E. Church

Beginning next Sunday, February 4, the Faith Circle of this church will be in charge of the nursery in fellowship hall. Members of the circle will be in charge from 10:45 a.m. until after 11 o'clock services.

Parents, feel free to bring your children to church with you and leave them in the nursery where they will be given the best of care. There is no charge for the service, which will be available each Sunday. Further information may be secured from Miss Rubye Johns or any member of Faith Circle.

Services were largely attended at the morning worship Sunday. Among visitors sharing the worship were Alpha Kappa Alpha (Lubbock Chapter) celebrating their Founders' Day.

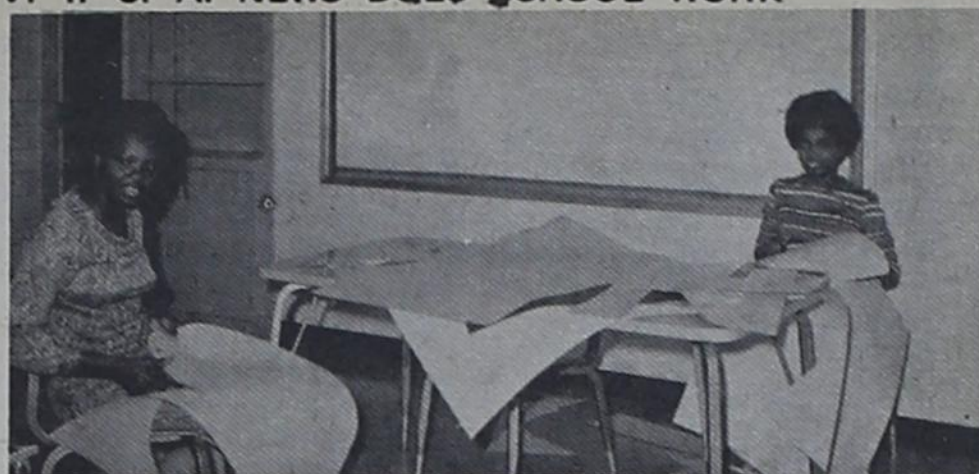

Sharing their day observance were members of other Greek organizations. Mrs. Willie Merrell Washington rendered a solo with Mrs. E.R. Walker accompanying her. She also played the appropriate music for the chapter.

The Senior Choir was at its best with Mrs. L.C. Struggs and Mrs. Pearl Campbell furnishing music. Mrs. A.W. Wilson was soloist. Pastor Wilson spoke briefly.

Dr. Heenan Johnson made a dynamic appeal for more workers in the Sunday School department of the church.

Bethel members are preparing for a mortgage burning ceremony in February. Watch for full details of this ceremony in the *West Texas Times*.

V. I. C. A. NEWS DOES SCHOOL WORK

Wherever there is action - be it civic or school - there you'll find V. I. C. A. number 403 of Dunbar High School. Pictured above is reporter, Liz Brown, and a member, La Gloria Lewis, busy making stage decorations for the annual Faculty Talent Show, held in the Dunbar auditorium last week.

LETTERS RECEIVED FROM EX DUNBAR GRADUATES IN VIETNAM

This is the soldier brave enough to tell
The glory-dazzled world that war is hell:
Lover of peace, he looks beyond the strife,
And rides through hell to save his country's life.

Henry Van Dyke

Many Dunbar graduates fit the above description of a soldier. For the most part, Dunbar graduates have not been drafted, but have volunteered to serve their country.

The Dunbar Student Council, in wanting to play its part in supporting our boys in Vietnam, decided to send Christmas and Easter Cards to let them know we are still thinking of them. This is important because the soldier's job is a very lonely one. If he knows that someone in the safety of his home is thinking of him and supporting him, he will fight just a little harder in order to make his country a little safer so that we can retain this privilege.

Approximately twenty cards were mailed this past Christmas. Responses have been received from many of the servicemen expressing thanks for thinking of them. Most of them indicated that they were happy to know that other people other than their families were interested in them.

Examples of some of the responses received from Christmas cards are as follows:

"Dear Student Council,
I received the lovely Christmas card, and was very proud to know that the school I once attended has people who give their time to think of the men overseas and in the armed forces of America.

There are no words that I can truly use to voice my greatest appreciation, so I'll utter one word, "Thanks."

Yours truly
Sp/4 Robert D. Thomas"

"Dear Student Body,
I would like to thank you for remembering me at Christmas by the beautiful card you sent me. I am doing fine. I have only 51 more days to go over here. Time is passing very slowly for me.

I have experienced a lot and hope never to see the worse part again. I have received the Army Commendation Medal on December 8. Again I would like to thank everyone.

Alumnus,
Sp/4 Marvin Lethridge"

The soldiers awaken each morning staring into the face of death. So far Dunbar has been lucky in not having any casualties among our Alumni. It has been accomplished only through God's mercy.

The war could last for many years; therefore it is of the utmost importance that we let them know we are behind them 100%; As Sp/4 Lethridge said "time passes very slowly over here."
