

'Around the Hub City'

"AROUND THE HUB CITY" learned last week Mayor W.D. "Dub" Rogers requested that the City Attorney draw up a resolution for the next City Council meeting on tap for Thursday, June 22, in regard to the 'JUNK YARD' lodged between two modern apartment complexes, Green-Fair Manor and Coronado.

Let's hope that this resolution which will be sent to Sante Fe Railroad will serve the purpose of helping the situation.

Mr. Edd Cox and Mr. J.D. Cox of Lorena and Moody, Texas were week-end visitors here with their sisters, Mrs. Clara Cage and Mrs. Julia Hodge.

Mr. E.J. Johnson, a native of Tyler, Texas spent several days here last week on business. He was guest of his niece, Mrs. Fay Simmons.

Johnson returned Sunday by plane. His nephew, DeShon Simmons, accompanied him to Tyler and will go on to Jacksonville, Texas for a visit with his grandparents, Mr. and Mrs. Robert Johnson and Mrs. Simmons.

Mrs. Celestine McAllister left Friday by bus for San Diego, California for a week's vacation with her brother who she has not seen in 23 years.

Mrs. Carrie Young and two grand children, Carol McCann and Micheal Register, left Monday morning via train for Los Angeles, California for a three week visit with her daughters.

Mrs. Aline Palmer and grand daughter, Vickie, are in Houston at the bedside of her mother, Mrs. Alice Brown.

Mrs. Sentelle Lyons left early Sunday morning for Waco, Texas due to the sudden death of her brother, Robert Jake Harden.

Bud Whiteside drove her for the services which were incomplete when she left here.

Newcomer families to the "Hub City" this year total 1,327 with the addition of 69 reported families last week.

The totals follow closely behind the 1,412 figure for same date last year.

Mr. and Mrs. Don Nelson and daughter, Jean, left Monday for a vacation which will include East Texas, Louisiana and a stop in Houston, Texas where they will attend a convention related to the postal system which was organized for the postal employees.

Don is a staff member of this organization.

If you haven't had an opportunity of attending any of the Eastern Little League, well, you had better go by and cheer the little stars on for a better game.

Actually, the job done by the managers and coaches is terrific! We should be proud of all of them.

In talking to one of the managers, baseballs are needed by the teams.

I'm sure that whatever contribution made toward purchasing baseballs will be well appreciated by the teams involved.

Mr. and Mrs. Joe Benson, Jr. will attend an annual "Homecoming" Sunday, June 18 at Chilton, Texas where friends and relatives will honor Mr. Joe Benson, Sr. This affair is held on Father's Day and all families gather for a reunion.

Mrs. Benson will also visit her parents at Lott, Texas.

ADULT BASIC EDUCATION SCHOOL TERM ENDS

This is the closing of another school term for the students of the Adult Basic Education.

The students in Mrs. Laster's class seemed to have had a wonderful year of learning and enjoyment, despite the hard lessons each encountered.

Mr. J. Anderson was crowned by the class in one of their many activities as 'Man of the Year', because he had faithfully stayed in school receiving achievement and superior certificates.

He admitted, "Attending these Adult Basic Education classes have helped me a great deal. I have learned so many things that will help me personally, but it makes me real proud to be able to help my son in school."

To really know how this school has helped many students, here are but a few brief comments from students.

"This is one of the greatest things that have happened to us, people with less than an eight grade education. I have learned so much. I hated to see the class for this term close, but I am looking forward for the fall session to begin," admits Mrs. Tucker.

With all sincerity, Mrs. Knowles stated, "I have received the satisfaction of learning to express myself well. I can read and write with more confidence."

"The learning I have received in school has helped me to take care of my business better. I thank God for making it possible for me to learn to read and write. It is grateful to have this opportunity at my age to continue learning. Everyone who can take advantage of this blessing which God had made possible, please go back to school. This Adult Basic Education is for you as well as for me," said Mrs. Holiday.

These students are meeting and reviewing this year's work for the fall term which will begin September 18, 1967.

City Drivers Face Stiffer Court Fines

Something new is taking place here!! You see for the first time in more than a decade, Lubbock drivers soon will be facing stiffer penalties for two common traffic offenses.

Last Saturday Corporation Court Judge Gene Blair announced that effective July 3, motorists will be fined \$25 instead of \$10 for driving without a license on the first offense, and \$100 instead of \$25 for the second offense.

Another action of the court will be to increase speeding fines from \$1 each mile per hour in excess of the speed limit and \$2 a mile per hour for any speed exceeding 20 miles per hour over the limit, to \$1 a mile per hour for the first 10 miles per hour over the limit and \$2 a mile per hour for any speed exceeding 10 miles per hour over the limit.

Judge Blair emphasized that any violator who produces in court a valid driver's license which was valid at the time the ticket was issued would be dismissed without penalty.

If the violator obtains a valid license between the time the first offense ticket is issued and his appearance in court, which normally will vary from 10 to 30 days, the fine will be reduced to \$5. The second offense in such a situation will be reduced to \$10.

According to Judge Blair, "This move is being made to encourage all drivers to obtain a valid drivers license and to urge them to comply with the speed limits."

"I feel that in strengthening these laws, we will strengthen our over-all traffic safety program. A recent survey shows that 5 per cent of Texas drivers are unlicensed and that 20 per cent of drivers killed in accidents do not have a license. Also, national figures show that in one-third of the fatal accidents, excess speed was the contributing factor."

Gov. John Connally recently signed into a law a bill passed by Legislature which provides a mandatory three-day jail sentence for anyone driving a motor vehicle while his driver's license is suspended or revoked.
