

New \$47,100 Nursery Set To Open

OPEN HOUSE SUNDAY FOR NURSERY

A dream is about to become a reality...and the citizens of our city are responsible for such an achievement. For you made it possible for the "Open House" of the newly constructed Carver Heights Day Nursery located at 2509 Elm Avenue. Sunday, December 12th, is the target date for this opening from 2:00 until 4:00 pm.

As many of you may recall, the people of our city were called upon to contribute to this worthy plant. The cost of this physical plant, including equipment, is valued at \$46,000. It will serve as a dwelling place for our many tots who will enjoy a wholesome life of day nursery care while their parents are at work and by the same token help develop them into citizens of tomorrow.

'Around the Hub City'

There are about sixteen more days before we will celebrate the birthday of our Saviour, Jesus Christ. During his season of the year many things will be taking place. In looking around the hub city, it is obvious that the majority of you have prepared for the celebration of this season. It is wonderful to pass by the many lovely decorated houses during this time of the year.... What type of decoration will you use this year, or have you already completed your yearly obligation? Well the neighbors in our block are nearly completed and we must say that they have done a splendid job.

Some of you are perhaps planning to take a trip during the holidays and because of the enthusiasm involved in the trip, you might become a little careless. But remember the streets and highways will be crowded with many cars and since school is out for nearly two weeks, the children will be running free, so no matter where you go, across the streets or across the state, remember to be especially careful.

The special Mass Christmas Service sponsored by the Interdenominational Ministerial Alliance should prove itself to be quite a success Mrs. Desma Moore is the director of this program and she is asking for all interested choir members to please contact her. The first meeting of the group was held last night, Wednes-

Mrs. Donald Ashdown, Directress of the Day Care Association of Lubbock, is expecting a host of citizens to come and witness the modern Carver Heights Day Nursery. Mrs. R.A. Pillow is in charge of the open house activities.

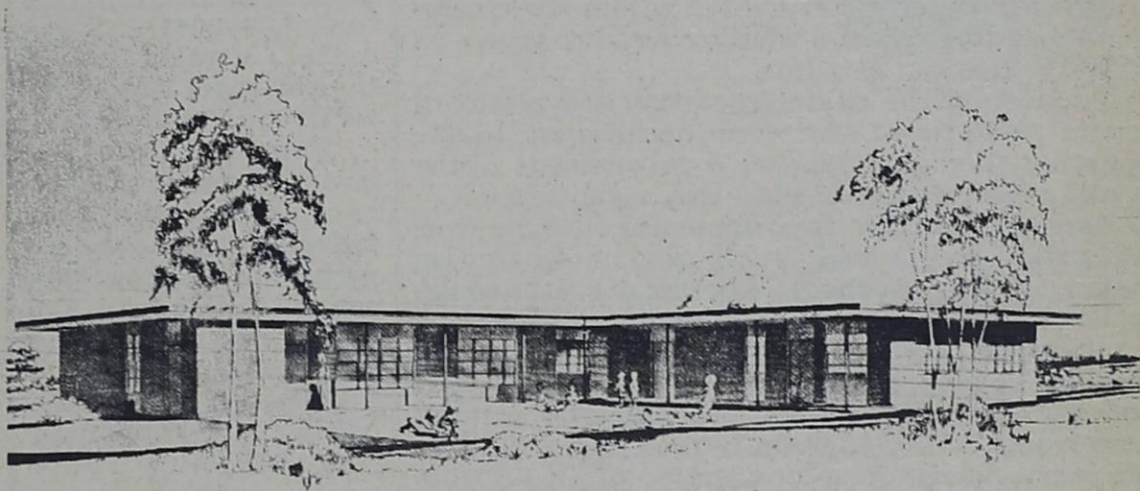

Several organizations who have been instrumental in donating equipment for the new plant aside from the many other personal donations are the Pilot Club who was responsible for the decorations of the "Baby Room", Alpha Phi Alpha Fraternity for the dishwasher, and the Women's Medical Auxilliary for the deep freezer. The South Plains Lions Club has also made a contribution to the nursery.

Donations are still needed for this new building and any contribution given by you will be appreciated.

day, at the New Hope Baptist Church.

Two Lubbock families have moved into their new homes. Mr. and Mrs. Roy Simmons moved to 2707 East 9th St.; while Mrs. Carrie Sanders moved to 1715 E. 16th.

It won't be long before the exciting Debutante Ball which is sponsored by the Lubbock Chapter of Alpha Kappa Alpha Sorority. Last year as many of you may remember, this was the beginning of such a program for the organization. Thus far the "Times" has yet to receive information concerning this annual project.

Funeral Rites For Mrs. McCullough

Final rites were read for Mrs. Bernice McCullough, who expired on Wednesday, December 1, of this year. Services were held at the Saint Luke Baptist Church with the pastor, Rev. A. L. Davis, officiating.

Pallbearers included Lonnie O. Love, George Lasley, George McKinney, A. L. Smith, Charles Williams, and C. A. Henderson.

Internment was at East Lawn Cemetery with South Plains Funeral Home in charge.

Home from Vietnam

Another fighting man has returned from the war torn country of South Vietnam. He is PFC Eddie L. Duson, 1028 E. 29th Street, Apartment B, who was recently separated from the U.S. Army.

Duson, a 1961 graduate of Dunbar High School, is the son of Mrs. Bennie Duson and a member of the First Baptist Church of Atlanta, Texas.

In talking to Duson several days ago it was very obvious that American fighting men such

Final Rites for Mrs. Tull Thornton

The Lubbock Public School system lost a pioneer in the field of education this week, in that Mrs. Leola A. Thornton, wife of Tull Thornton, owner of the South Plains Funeral Home, expired at approximately four o'clock in the afternoon last Saturday, December 4, 1965.

Mrs. Thornton, a teacher for more than twenty five years, served as a first grade teacher at the Ella Iles Elementary School for nearly two score prior to her illness shortly after the open-

ing of the '65-66 school session.

Mrs. Thornton, the daughter of Mr. and Mrs. Elijah Gamble of Abilene, Texas, was a very active member of social and civic organizations and worked diligently in her church, St. Luke Baptist Church. She was an active member of the Lubbock Chapter of Delta Sigma Theta Sorority and the Courts of Calanthis.

Mrs. Thornton received her Bachelor of Science and Master of Education degrees from Prairie View A&M College at Prairie View, Texas.

Funeral services were held Tuesday afternoon, December 7, at 3:30 pm at the St. Luke Baptist Church with Rev. A. L. Davis officiating and the South Plains Funeral Home in charge of arrangements.

She is survived by her husband Tull Thornton, Jr., mother and father Mr. and Mrs. Elijah Gamble of Abilene, one sister, Genuva Wortham of Pampa, a first grade class at Ella Iles Elementary School, a host of relatives and friends and many teaching companions.

as Duson are helpinn to make this country a better place in which to live. Eddie has only been returned home two weeks but his broad experience in South Vietnam will never leave his memory.

If you are having a special party or you are attending a company party during the holidays, then please contact the "Times" in order that pictures and stories about these affairs may be featured.

Wheatley PTA Sponsors Trip Around World

Come, let's take a trip around the world with the members of the PTA of the Phillis Wheatlye School, and this project will aid the treasure of this organization. To do this, we are having this special program, "Around the World Dinner," at our December meeting. In order to make this a success we will need your help and co-operation.

We would like very much for you to attend our December meeting, on the 14th of this month in order to make it a success. Foods from the different countries such as Spain, Brazil, France, China, Italy, the United States, South America, Mexico, and India will be served.

If you miss this you will surely miss a treat.

A NEW ORGANIZATION WELL NEEDED IN OUR COMMUNITY

WHOOOPS...I goofed...but I am big enough to make amends and give credit to those who have tried to help make our city a better place in which to live.

Several weeks ago it was mentioned in our paper about a new organization which was in the organizational stage and it was attacked for not making it known to the public, but after investigating more it was learned that the meeting was made known to the churches (especially to the pastors of each church to place emphasis) and several educational institutions.

The purpose of this organization is to maintain and preserve the property value within the community and to provide a wholesome atmosphere in which to rear our families.

Because of the misinterpretation and a lack of control with those who were instrumental in developing this organization a false image of the organization was presented in our publication.

This organization is composed of citizens from all walks of life and levels who interested in making our city, Lubbock, a better place in which to live.

If we are big enough as citizens to admit and amend, and by the same token, get behind all constructive programs that are primarily for the betterment of our community then you should do the same and not let the conception of "PERSONAL GAIN" enter your thinking therefore blinding the community's success.

All persons who are home owners as well as those of you who rent in the area should be concerned about the welfare of the community in which you live. This type of program will benefit us all...

Homes well kept by owners is not the total solution to the problem which engulf our city. And on the contrary, rental projects must be maintained and kept...properly by both the owner and renter. If decent property values are to be main-

WHAT KIND OF A CITIZEN ARE YOU???

To determine "WHAT KIND OF A CITIZEN YOU ARE" answer the following questions "YES" or "NO", and you be the judge of yourself...

- | | |
|--|--------|
| 1. Do you vote on city, state, and National elections? | YES NO |
| 2. Do you keep your grass cut? | YES NO |
| 3. Do you keep your fence mended? | YES NO |
| 4. Do you throw garbage in the alley? | YES NO |
| 5. Do you keep your house painted? | YES NO |
| 6. Do you replace broken windows in your home and apartments? | YES NO |
| 7. Do you educate your children about respecting your neighbor's property? | YES NO |
| 8. Do you keep old cars that are run down and jacked-up on the streets on rocks in your front yard? | YES NO |
| 9. Do you throw your wine, whiskey, and beer bottles in your yard or in the yards of others? | YES NO |
| 10. Do you believe your community can be a better place in which we live if we work together as a group? | YES NO |

Anyone who failed to answer seventy percent (70%) of the above questions is not putting all that they can into making their city a better place in which to live.

TICKETS FOR FINAL GAME GO ON SALE

The game will be played at Coyote Stadium in Wichita Falls.

tained we must work together. It is as true as the old adage, "Together we live; divided we fall."

Here are some of the basis factors which have become obstacles in our properties, home and apartments; namely, throwing garbage in the alley, not maintaining your lawn, not mending your fences and not repairing and repainting your house or apartments, not replacing your windows (ags stuffed in the broken panes), not educating your children that they should respect the property of others, not removing old cars from the area, not keeping an orderly house inside, and not throwing wine and whiskey bottles in receptacles where they can be removed.

The meeting date for the next meeting for this promising organization has yet to be announced. On the other hand, I am sure, the chairman or officials will surely contact the entire community concerning this most needed organization. So at the next meeting lets be among those who are counted. This certainly is an organization which is needed and badly in our part of the city.

UNANSWERED QUESTIONS ABOUT THE ASSASSINATION OF PRESIDENT KENNEDY

Here are but a few facts revealed in a book, "The Unanswered Questions About President Kennedy's Assassination." This book is written by Pulitzer Prize-Winning author, Sylvan Fox, city editor of the New York World-Telegram, a Scripps-Howard newspaper.

Perhaps the most dramatic example of what has since been blamed entirely on police carelessness was the shooting of Oswald by Jack Ruby. This particular killing will go down in history as one of the most unusual slayings of man today.

Once again, we can read this incident in two ways. Either it is another demonstration of monumental ineptitude, and this the way the Warren Commission, chooses to understand all of these incidents, or it was part of a scheme that reaches its culmination with Oswald's death.

More than seventy policemen were present when Oswald, handcuffed to one detective on his right and flanked by another on his left, came into the basement of the station.

Despite these precautions, Ruby managed to enter the basement and at precisely the right moment, stepped from the crowd with a .38 caliber revolver in his hand and fired a single shot, which proved to be fatal, into Oswald's abdomen.

Not one of the more than seventy policemen or the thirty or forty newsmen who witnessed the killing were able to tell the Commission how Ruby got into the basement. Ruby himself said he entered simply by walking down one of the ramps.

The Commission accepted this story and concluded that "Ruby entered the basement unaided, probably via the Main Street ramp, and no more than three minutes before the shooting of Oswald."

CHURCH NEWS

GREATER SAINT PAUL CHURCH

Superintendent Earnest Ridge and his staff conducted the Sunday School services last Sunday. The Reverend C. J. Tisdale, pastor, delivered the dynamic message of the morning.

At evening service, the Training Union sponsored the members and friends with a splendid program.

The Fellowship Mission of the City will hold its annual Fellowship Services at the Greater St. Luke Baptist Church at 1802 Avenue B, on December 13-17. Sermons will be delivered each night by the following: Rev. J.W. Sykes,

Monday; Rev. W.L. Grimes, Tuesday; Rev. Kado Lang, Wednesday; and Rev. C. J. Tisdale on Thursday. On Friday night a special musical program will be given and talent from the city including choirs, soloists, duets, trios, and quartets will be on tap.

Rev. Tisdale will be speaking at the Plains Coop Oil Mill, December 20th, at 7:00 am, 2:00 pm and 3:00 pm.

GREATER ST. LUKE BAPTIST CHURCH

Our church was special guest at the anniversary service of Rev. and Mrs. Walter Griffin last Sunday afternoon at 3:00 pm.

The Racheal Circle and Dorcas Circle met Tuesday evening in the homes of Sister Katherine Williams, 3309 E. 15th Street, and Sister Lucille Middleton.

Sister Clarice Burrell was rushed back to the hospital last Saturday. Let's remember her in our prayers.

NEW HOPE BAPTIST CHURCH

The anniversary of Rev. and Mrs. F. D. Conwright will close on the 12th of this month at 3:00 pm.

A special service of honor for Missionary Thompson was held last Sunday night at 8:00 pm. The theme for this program was "Victory through Faith."

Revival services will begin Monday the 27th of the month through the 2nd of January, 1966. The Reverend B.J. Bradford will serve as our Revivalist. Let us all make plans to attend each night and invite others to come and worship with us in this soul stirring service which is much needed in our church, city and community.

The executive board of B.M.&E. of the state will be held in Giddings, Texas, on December 15 and 16th.

We are to serve with the Friendship Baptist Church of Brwonfield on January 16th at 3:00 pm in a special service.

INTERDENOMINATIONAL MINISTERIAL ALLIANCE

A special mass Christmas service will be sponsored by the Interdenominational Ministerial Alliance. All choirs of the city are asked to serve with the mass choir during this service. Mrs. Desma Moore is asking all choir members to contact her.

PIONEER IN THE MINISTRY

The Reverend B. R. Jones, 2406 Weber, Apt. A, is one of the many pioneers in the ministry. Up until his retirement from the ministry several years ago because of illness, Rev. Jones, who is known by many in West Texas, had ministered for nearly seventy-five years.

Rev. Jones came to West Texas some thirty five years ago and while in Lubbock he built and ministered the St. James Baptist Church.

On March 30th, he will be 92 years old. He is a native of Shreveport, Louisiana, and is the father of fourteen children of which he has out lived seven of them.

It is a pleasure as well as a privilege to

talk to Rev. Jones about his many experiences he encountered during his active days in the ministry and he should serve as a living symbol for those of us who shall invoke this field in the years to come.

FEDERATION OF CHOIRS

The Federation of Choirs will be held on the third Sunday of this month due to the Christmas holidays.

BETHEL AME

The Faith Circle of Bethel A M E Church is sponsoring a December Carnival at the Mae Simmons Party House on December 10th beginning at 6:30 pm. Please come out for a wholesome evening of enjoyment and fun. There will be food and fun. Prizes will be given to winners of various games.

IT WENT LIKE THIS: DISTURBANCE

Lilly Mae Spears, of 2802 Juniper, told police that a disturbance occurred at her home last Sunday morning. When police arrived they found a man in front of her home in a very drunken state. She did not know why the man was causing such a disturbance at her house.

STRONG ARM ROBBERY

Two blue jean wearing bandits played a perfect act, as seen by so many television viewers, in attempting to rob Lee Edward Moore, of 2204 East 29th Street, at East 29th and Railroad Avenue last week.

Moore suffered three cuts on his right eye, and one on top of his head as a result of being hit with rocks.

He identified the pair of robbers as about 5'-8" and 5'-10" tall and both wearing blue jeans.

DISTRUBANCE

It appears as though the disturbance act was well used this week, as once again we have a report of a young lady being assaulted.

Verner Heslit, 1725 Avenue A, told police that a man between the age of 23-25 years came into her apartment and took a small black transistor radio out of its case and forceably removed two dollars out of her hand and left in a slow trot.

Heslit told police she knew the man but could not recall his name at this time. She said she believes he lives in the near-by area.

"Some fellow should sure be careful who he is friendly with in the future, which might apply of ladies in the past."

ATTEMPTED MURDER

Police were summoned to a residence in regard to a reported shooting. When they arrived at the residence in east Lubbock they discovered that there had been a shooting.

A man was standing in the door with a swollen eye when the police arrived. In the bedroom

Leopards Pop Marlin In Fourth 33-14

The Leopards really had their hands full Saturday in the "Canyon" when they tangled with the unwarranting "Wildcats of Marlin, Texas." With Ten straight tie-downs, the Leopards came very close to a tie-up for the season, but as usual the magnificent linemen came through again.

In the first half of play the Leopards had several sustained drives and punctured Marlin's line several times. In the first half it seemed that our backs were reluctant about holding the ball and fumbled twice deep in Marlin's territory, once on the 15 and again on the 20. Stopping Marlin dead in their tracks we managed to retain the ball most of the time. A drive finally ended in paydirt for the Leopards, after a 50-yard drive, with a one-yard sneak by Johnny Davis. The half ended on a 7-0 note.

In the second half of play the Leopards were stunned when the Wildcats opened a hole in the line and Louis Mitchell went 45 yards to the five when ended in a two-yard puncture by Ras Dancy, the quarterback. On the next series of downs the Leopards were not able to contain the ball and were forced to punt on fourth. With a fired-up Marlin ball club freezing the spectators to their benches, a bad snap from center never reached Lyday the punter, and Robert Fisher picked it up and went for a score, but the play was nullified. Instantly like a cat protecting her kittens, Coach Garnett sprang to the playing field to the officials, and the play was nullified because the ball was dead when it touched the ground.

In the closing minutes of the third quarter and the opening minutes of the fourth, a fired-up Marlin rallied for another score with Dancy at the helm and the lights showed a 14-7 score.

Realizing they were tasting defeat the Leopards racked-up 24 more

points with only 1:04 left to play. The first attack to tie the score went to the strong end, Raynard Manning who took a 58 yard pass and drug two Marlin defenders 15 yards to the end zone. Then with a fine interception by Donald Smith, the Leopards set up a score on the next play from scrimmage with a dazzling run by Reginald Robinson to the golden door to make it 21-14. All of the conversion attempts were good by James Harris. Marlin, not being able to move the ball, was forced to punt into a fast return by Larry Bedford to set up the next TD. Seeing that the end sweeps would work, the Leopards struck again with a power sweep, seeing Reginald Robinson at the throttle fighting his way 38 grueling yards to paydirt. This brought the score to 27-14 in the closing minutes of the game.

Marlin tried to get back in the game quickly with a pass and linebacker Robert Childs picked it off to set up the next TD plunge by fulback Vester Nelson to make the final score 33-14.

The Leopards have made history, and given the public a proud and tremendous season. Any team can want to win, but very few have the desire necessary to help the win. Go out and see the state championship game, Saturday, December 11, and help cheer our team on to victory.

Engagement Announced

Mr. and Mrs. Berry Edwards of 803 Tulsa Street, announced the engagement of their niece Eula Marie Burrell to SP-5 Otis Corzine, son of Mr. and Mrs. Chester Corzine of Dallas, Texas.

Corzine is also a graduate of B.T. Washington and attended Bishop

Eastside Tigers Trap Barwise 'Cats 50-40

For two quarters Thursday afternoon, the Bobcats of Barwise Junior High School had the right defense for the Tigers of Eastside and led 9-8 the first quarter and 20-17 at the half-way point. However Coach Williams got things straight and the second half was too much for the Bobcats. Frank Donaldson, Lawrence Williams, Kenneth Hunt, Calvin Bowers, Carl Jones who replaced Curtis Davis when fouls caught up to him, really burned the nets in the last two quarters to the tune of some 30 points. Frank Donaldson was high point producer.

The Tigers are off and running again this year with a determination to repeat as city champions.

The Tigers play Notre Dame Junior High School in their next game.

The purpose of this organization is to maintain and preserve the property value within the community and to provide a wholesome atmosphere in which to rear our families.

Because of the misinterpretation and a lack of control with those who were instrumental in developing this organization a false image of the organization was presented in our publication.

This organization is composed of citizens from all walks of life and levels who interested in making our city, Lubbock, a better place in which to live.

If we are big enough as citizens to admit and amend, and by the same token, get behind all constructive programs that are primarily for the betterment of our community then you should do the same and not let the conception of "PERSONAL GAIN" enter your thinking therefore blinding the community's success.

All persons who are home owners as well as those of you who rent in the area should be concerned about the welfare of the community in which you live. This type of program will benefit us all...

Homes well kept by owners is not the total solution to the problem which engulf our city. And on the contrary, rental projects must be maintained and kept...properly by both the owner and renter. If decent property values are to be main-

WHAT KIND OF A CITIZEN ARE YOU???

To determine "WHAT KIND OF A CITIZEN YOU ARE" answer the following questions "YES" or "NO", and you be the judge of yourself...

- | | |
|--|--------|
| 1. Do you vote on city, state, and National elections? | YES NO |
| 2. Do you keep your grass cut? | YES NO |
| 3. Do you keep your fence mended? | YES NO |
| 4. Do you throw garbage in the alley? | YES NO |
| 5. Do you keep your house painted? | YES NO |
| 6. Do you replace broken windows in your home and apartments? | YES NO |
| 7. Do you educate your children about respecting your neighbor's property? | YES NO |
| 8. Do you keep old cars that are run down and jacked-up on the streets on rocks in your front yard? | YES NO |
| 9. Do you throw your wine, whiskey, and beer bottles in your yard or in the yards of others? | YES NO |
| 10. Do you believe your community can be a better place in which we live if we work together as a group? | YES NO |

Anyone who failed to answer seventy percent (70%) of the above questions is not putting all that they can into making their city a better place in which to live.

TICKETS FOR FINAL GAME GO ON SALE

The game will be played at Coyote Stadium in Wichita Falls.

tained we must work together. It is as true as the old adage, "Together we live; divided we fall."

Here are some of the basis factors which have become obstacles in our properties, home and apartments; namely, throwing garbage in the alley, not maintaining your lawn, not mending your fences and not repairing and repainting your house or apartments, not replacing your windows (ags stuffed in the broken panes), not educating your children that they should respect the property of others, not removing old cars from the area, not keeping an orderly house inside, and not throwing wine and whiskey bottles in receptacles where they can be removed.

The meeting date for the next meeting for this promising organization has yet to be announced. On the other hand, I am sure, the chairman or officials will surely contact the entire community concerning this most needed organization. So at the next meeting let's be among those who are counted. This certainly is an organization which is needed and badly in our part of the city.

UNANSWERED QUESTIONS ABOUT THE ASSASSINATION OF PRESIDENT KENNEDY

Here are but a few facts revealed in a book, "The Unanswered Questions About President Kennedy's Assassination." This book is written by Pulitzer Prize-Winning author, Sylvan Fox, city editor of the New York World-Telegram, a Scripps-Howard newspaper.

Perhaps the most dramatic example of what has since been blamed entirely on police carelessness was the shooting of Oswald by Jack Ruby. This particular killing will go down in history as one of the most unusual slayings of man today.

Once again, we can read this incident in two ways. Either it is another demonstration of monumental ineptitude, and this the way the Warren Commission, chooses to understand all of these incidents, or it was part of a scheme that reaches its culmination with Oswald's death.

More than seventy policemen were present when Oswald, handcuffed to one detective on his right and flanked by another on his left, came into the basement of the station.

Despite these precautions, Ruby managed to enter the basement and at precisely the right moment, stepped from the crowd with a .38 caliber revolver in his hand and fired a single shot, which proved to be fatal, into Oswald's abdomen.

Not one of the more than seventy policemen or the thirty or forty newsmen who witnessed the killing were able to tell the Commission how Ruby got into the basement. Ruby himself said he entered simply by walking down one of the ramps.

The Commission accepted this story and concluded that "Ruby entered the basement unaided, probably via the Main Street ramp, and no more than three minutes before the shooting of Oswald."

Local offices of the U. S. Employment Service made about one million placements of veterans in jobs. This was 26 per cent of all nonfram placement made in the year ending March 1965, according to the Labor Department's magazine, "Employment Service Review." Veterans accounted for a third of the men in professional occupations and a third of placements in skilled jobs.

If interested in your right to vote and you want to continue to vote, Washington officials are advising you to keep paying your poll taxes (except for federal elec-

tions) until the Federal courts resolve the question.

Several thousand Texans, believing that the 24th amendment to the Constitution (which barred poll taxes for federal elections) also applies to state elections. It does not.

So say voting officials, "all eligible voters who claim residence in states where a poll tax is levied must preserve their voting eligibility under existing state laws." Voting age citizens of Texas are advised that they must either pay the poll tax by January 31, 1966, in order to cast a ballot in the 1966 elections.

Hoover Says He Barred FBI Speaker From Rustin Talk

Lynchburg, Va.-npi-Repercussions were still being felt last week over the appearance of Bayard Rustin on a series of speaking engagements at the University of Maryland.

The latest stir was created by FBI Director J. Edgar Hoover, who disclosed he had forbade an FBI speaker to appear at the university's law enforcement institute, after learning that Rustin was scheduled to speak.

The disclosure came in a letter to a local resident, in which Hoover said that the FBI had no part in sponsoring the institute. He did not, however, explain why he barred an FBI speaker from appearing on

the program.

Rustin, a former aide of Dr. Martin Luther King, Jr., is presently an executive of the brotherhood of Sleeping Car Porters, headed by A. Phillip Randolph. Rustin was also one of the directors of the 1963 March on Washington.

The letter was prompted by a query asking Hoover to explain how Rustin, "with a police criminal record", was selected to speak on the program.

When it was known that Rustin had been asked to appear at the institute, some protests were registered over Rustin's refusal to sign a loyalty oath sent him by the university.

An investigation into his background was ordered by Gov. J. Millard Tawes of Maryland. The results were turned over to university officials and Rustin was allowed to speak.

The public and press were barred from the two day institute, a training school for Maryland law enforcement officers.

Rustin, a former member of the Young Communist League, served a term in federal prison during World War II as a conscientious objector.

His invitation to speak on law enforcement came as a result of his experience in directing racial demonstrations.

LINEMAN OF THE YEAR

Perhaps it all started while in junior high school, but last week he was named "Line-man of Year."

Don Burrell the fancy catching Lubbock High School flanker was one of the ones to head the 19-65 All-District 3-AAA A selections.

Burrell, a senior at LHS, is a 3

year, three sport letterman where he had a terrific year for the Westerners. He caught 33 passes this year for 615 yards and an impressive 18.8 yards per reception average. He was also named to the Fort Worth Star-Telegram's all-state team as an honorable mention.

Eight other stars of the city schools received honors. They were Charlie Evans, and Roy Farmer of Lubbock High; Bob Patterson, Tom Brummett, Randy Bowlin, Jim Nunley, Jack Buffington and Byron Price of Monterey High School.

James Odom was named Coach of the Year.
