## Lewis Sisters Still Celebrating Each Year!

Lewis Sisters

Lewis Sisters At Dallas Cowboy Stadium

Well, here we are again! Thank God. This was our 22nd year for us, the Lewis Sisters. It was held in Fort Worth, Texas. We had a blast like always!

This year, we were Sooooo excited to get together. The Lewis Sisters were so excited, they traveled a day early and stayed a day longer. You see, it was like Christmas in July!! They were prepared to run out of places to put all of these gifts they purchased. That is, if they don't stop giving so much.

The Lewis Sisters want to 'Thank God' for their Dad. They will tell you it's because of Him that they are here. We love him and Mama Rose so much. Our Dad is 86 years of age, and he's getting around better than some of us. Now, that's a blessing. Thank you, Mama Rose for

being there for him!

Our Mama died in July, 1987. Our Lewis Sisters Reunion is in honor of her. When she was alive she and her sisters got together without any kids or husbands being present!! So we, her daughters, are keeping the tradition going each year. You heard us right, "NO KIDS, NO HUSBANDS!!!"

This year we had an opportunity to tour the Dallas Cowboy Stadium! Yeah, Yeah, we are Cowboy Fans! And don't you forget that! How bout them Cowboys?

We also had some glamour shots done, and facial make overs. Some of us put on some make up we've never tried before. Just think of the eye shadow, lipstick, and eyelashes we put on. It was just fun and

different.

Thanks to all the nieces and nephews who helped to make this Annual Lewis Sisters Reunion one of the best ones they have attended!

We want all sisters, brothers, and families in the world to remember there's nothing like family. The Lewis Sisters' wish is for each of you to love each other and continue to show love.

The Lewis Sisters is an example for all families to know it can be done. All we must do is just do it!!

May God continue to bless each of you. Hopefully come next year, we'll continue doing what God has in store for us. May God continue to bless each of you!! Your friends, The Lewis Sisters!!

**Williams & Fullbright's Family 2012 Reunion Will Be Held In Crosbyton, Texas**

The beauty of having it at the church is that we don't have to rush to leave and there is no de-

posit on the building, but we will be giving a donation to the church for the use of the facility and utilities.

We pray we will see you and if you can along, with our pastor, Ruby Price, we will be glad to see you in Sunday morning services.

At 12:30 pm, we will have our First Williams & Fullbright's Saturday Best Contest.

From the Desk of Parson D.A. Smith  
 "Uganda Asians & American Asians"

Within that number were Uganda's Asians!

Rupal Rajani of the BBC Asian Network wrote the following title: Ugandan Asian: Life 40 years later. This story is akin to what could happen to African Americans in American if a certain elite group combine with the racist indentured (those who do not have the intelligent to know that they are indentured servants) who will have their way if the present Most of us who are African Americans that can remember some 40 or more so years ago know that Asians were expelled from Uganda by the then leader Idi Amin. It is written in the sands of time that Idi Amin was one of the most notorious of all Africa's independence dictators. He seized power in a military coup in 1971 and rule over Uganda for 8 years. It is estimated that he killed, tortured or imprisoned from 100,000 to half a million people. President is not elected to another term.

The writer expresses that he had serious thoughts of how life would have been for him if he had not been thrown out of his country? He noted that it left

him with a tougher question, that is "Why were we thrown out and -a difficult issue to confront-did we deserve it?"

The writer also noted that there were gross inequalities in the way Asians treated Ugandans blacks back then. We know he wrote that around 90% of the economy was controlled by Asians before 1972. So were they fair to locals, or did they "milk" the economy? Black Ugandans were so often less successful than the Asians that had settled in their own country. I am not so sure how comfortable that would have made me had we stayed put. I did not get a consensus on this. I never was going to, to be honest, he said.

When asked about the relationship between the Asian and black communities, he noted that some stated that things were good. He also noted that the hopes of Black Ugandans and Asians dreams were exactly the same.

The writer asked an elite Asian does he feel that he fits in, and more importantly, does he treat people equally? The answer to both questions was an em-

phatic yes. The Asians being question noted that he teaches his staff to be able to do what he does regardless of their color.

And toughing upon an old complaint about Asians in Uganda in the past, does "he give back" to the country? He answers that he does, most definitely. His wife even runs an orphanage to help young Ugandan Africans find new homes. The new wave of Asians immigrants coming directly from India have a better understanding of the country and the people and treat them fairly and equally, he feels. But is Uganda his home? "Not a permanent one," he says. "There is always the fear that what happen in '72 could happen all over again."

The question that lingers is: was the Asians "walking the walk" or just "taking the talk?" In this light, what is the moral of this story as it relates to White America in 2012? White America must remember that this land belonged to Native Americans. They must also remember that they captured and bought African Blacks from their own kings liken to General Idi Amin

We Thank God for Jesus  
 "AMERICA CURSED WITH A CURSE"

Written by Evangelist Billy "BJ" Morrison, III - Your brother in Christ Jesus always.

1 Peter 5:8 -- Be sober, be vigilant; because your adversary the devil, as a roaring lion, walking about, seeking who he may devour.

In the book of Ecclesiastes 1:9, says, there is nothing new in the world to see. Satan is doing his Job, lying as he did in the garden, to Adam and Eve.

God told Adam that tree in the middle of the garden; DON'T EAT. But through the Devil; HE OBEYED HIS WIFE EVE!!!

Proverb 25:12 -- As an ear-ring of gold, and an ornament of find gold, so is a wise reproved upon and obedient ear.

Adam brought SIN upon the people; every MAN, WOMAN BOY AND GIRL. That's why GOD sent JESUS to the EARTH; THE SAVIOUR OF THE WORLD!!!

1 Samuel 15:22 -- Samuel said, has the Lord a great delight in burnt offerings and sacrifices, as in obeying the voice of the Lord? Behold, to obey is better than sacrifice, and to hearken than the Fat of rams.

When God told His Disciples: go Preach to a Dying WORLD. The Good News of Jesus Death on the Cross; for every MAN, WOMAN, BOY AND GIRL.  
 Luke 4:18-19 -- Jesus said,

the Spirit of the Lord is upon me, because he has anointed me, to preach the Gospel to the poor; he has sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord.

Disobedience happened again in the 60's; THE DISCIPLES wanted to do THEIR OWN THING. That disobedience was led by ONE MAN; MARTIN LUTHER KING!!!

John 10:3-5 -- Jesus said, to him the porter opens; and the sheep hear his voice; and he calls his own sheep by name, and leads them out. And when he put forth his own sheep, he goes before them, and the sheep follow him: for they know his voice. And a stranger they will not follow, but will flee from him: for they know not the voice of strangers.

(M.L.K. led THE SHEEP into a PACK OF WILD DOGS; to be KICKED, BEATEN, AND KILLED. His MISSION was to have the MIND OF JESUS; IN LUKE 4:18!!!)

Now look at America's troubles, from following that

stranger's VOICE. Now come the PLAGUES OF REVELATION; RIDING OF THE PALE HORSE!!!

Revelation 6: 8 -- Behold a pale horse; and his name that sat on him was Death, and Hell followed him. And power was given unto them over the fourth part unto the earth, to kill with the sword, and with hunger, and with death, and with the beasts of the earth.

M.L.K. DIDN'T JESUS in Matthew 4:8; say; FOLLOW ME. JESUS was not a TROUBLEMAKER; LEADING A MOB INTO THE STREET!!!

\*\*\* REAPING WHAT AMERICA SOWED!!!\*\*\*

And from America's Disobedience MAN'S RIGHTS; TROUBLE IS IN THE LAND. THE BIBLE SAY: you are CURSED UPON EVERY HAND!!!

\*\*\*\*\*

Good character...is not given to us. We have to build it piece by

piece— by thought, choice, courage, and determination.

John Luther King

"...choose for yourselves today whom you will serve: whether the gods which your fathers served ...or the gods...in whose land you are living; but as for me and my house, we will serve the LORD."

Joshua 24:15

May God continue to bless each of you!!

## Outreach Prayer Breakfast

Let us take this time and space and share something with you.

Listen as you read: "The word of God conceived in the human spirit, formed by the tongue, and spoken out of the mouth becomes creative power that will work for you. If the body of Christ would only grasp the principles that's in the written word of God and put them in action, we would change the conditions of a lot of things in twenty-four hours."

Jesus said: "I have not told my people they can have what they say, but my people are say-

ing what they have."

Thought of the Week: "Six things the Lord hates: haughtiness, lying, murder, plotting evil, eagerness to do wrong, a false witness. A seventh would be an abomination unto him, sowing discord among the brethren." Think about it!!

\*\*\*\*\*

We are servants. Call if you feel the need or you ay. The telephone number is: (806) 762-3347.

We enjoy being the Outreach Prayer Breakfast. Can we be of any assistance? Hope so!!

For all of you who are hurt-

ing, remember Christ commanded his disciples to heal the sick. Luke 9:2-6; Mark 6:12-13 and James 5:14.

\*\*\*\*\*

"Let's Pray"

Lord, we thank you for your word, and the authority to use your name to put the enemy under our feet. In your name, we come against sickness all over the city and claim deliverance for your people. With your stripes, we are healed. Isaiah 53:5; 1 Peter Peter 2:24. By whose stripes you were healed, and we thank you today, Lord Jesus, for your healing power. In

this world today in the name of Jesus, we pray! AMEN"

\*\*\*\*\*

Remember, we walk by faith and not by sight!

\*\*\*\*\*

It was good for me to be afflicted so that I might learn Your decrees.

The law from your mouth is more precious to me than thousands of pieces of silver and gold. Psalms 119:71-72

\*\*\*\*\*

If you want to participate with the Outreach Prayer Break-

fast, please give us a call at (806) 762-3347. For more than 35 years, the Outreach Prayer Breakfast has been doing what we believe is best for all of us as we carry the word without fear

anything can tell you that cut the Medicare cost

I am not a great sports enthusiast. Age has taken its toll on my interest in sports which was never overwhelming at any rate, but I did have interest in those sports in which I physically participated. My best participating activity was tennis which I had to give up too early in my young adult life because of the onset of hypertension which I learned is hereditary. As a high school student and college student, I won trophies playing tennis. Consequently, I did take time to see Serena Williams win her gold medal. She has overcome many medical and physical setbacks to arrive at the Olympic game and well deserved the medal.

It has been gratifying to learn that the young U. S. gymnast Gabrielle Douglas won the individual all-around competition striking gold for her efforts. It is marvelous to see and hear about the entire prowess of the athletes from the United States and the medals which they are accumulating. The television station NBC is exclusively covering the activities and any time you turn to that particular station you can get Olympic information. I regret not seeing my soap opera, but I suppose I can bear it until the Olympics is over.

With the political campaigns in full swing and sling, it is amazing how many people have time to watch the Olympics and keep up with the political actions and lack of it thereof. If people in other countries which have participants in the Olympics are spending as much time viewing the games as the average Amer-

ican, we can just about speculate that over fifty percent of the world is in some way keeping up with the Olympic games.

Just imagine what a wonderful experience it would be if over fifty percent of the world came together in that same way to foster brotherhood and religious beliefs. If a majority of the world could be on one accord with the idea that all human beings are worthy of love and happiness; believe that we should treat each other the way we would like to be treated and conduct ourselves with moral acumen; an absence of jealousy and revenge; mutual respect for our differences and a desire to love, live and let live.

This kind of togetherness could even bring forth the development of a "world language;" a way to communicate with any and everyone on the planet, regardless to the physical area where one resided or one's native culture. We need to get 'in clique' and put some thought into what we can do realistically, to help us to come together as one world on one accord, which can be maintained down through the ages.

and force black soldiers through General Sherman to make American Indians surrender or else face death in its many ways. They must also remember that part of America belongs to Mexicans and that the continued wages of sin against others who do not look like and who's culture is different from theirs could bring on their demise.

My prayer is that the rich and want-a-bee's (the Idi Amin's of Africa and Sherman's of America) do not fool their underlings in a way that leads to the demise of America as we know it today in our world. We know that the present enemies according to a Gallup Poll are: Iran, China, North Korea, Afghanistan, Iraq, Russia, Pakistan, Japan and Saudi Arabia, the United States itself which from the "Enemies Within" named the 20 Most Dangerous Conservatives:

Roger Ailes: The President of Fox News, The Koch Brothers, Dick Arney and His Freedom Works organizations; Tom Donohue: The U. S. Chamber of Commerce President; Tony Perkins, President of the Family Research Council, a hate group according to the Southern Poverty Law Center; Pat Robertson: Founder of the Christian Coalition; Edwin Feulner, Jr. President of the Heritage Foundation, a conservative think tank; Arthur Thompson: Leader of the radical right-wing John Birch Society; Rupert Murdoch: Control a vast media empire around the world including Fox News, The New York Post, and the Wall Street Journal here in America; David Bossie: Citizens United is the conservative organization that the conservative of the Supreme Court rule in favor of in 2008; Tim LaHaye

and Kenneth Crib: President of the Council for National Policy. They are so secretive that they are known to be scary all by themselves; Steven J. Law: Law is President and CEO of American Crossroads; James Dobson: Dobson is a Family Talk radio personality and founder that contributes greatly to all the hate we see from conservatives and the list goes on!

Americans need to wake up to the reality of our enemies without and within. If we keep going the way we are Egypt, Syria and the like will be nothing compared to the uprising and downfall of America. There is a deep-seated hatred building that should not be because certain whites do not want a Black Man as president and want Hispanics to get the hell out of America! These creatures have already sold America out to China!

David Haynes shared from the subject "Know them witch labor among you". Finally Mo. Haynes responded to the nights events. She was elated that what was shared was given in a "life setting" as opposed to a death setting. She gave thanks for giving her "flowers" while she yet lives. Mo. ## What Really Silenced Whitney Houston's Once Beautiful Voice And Caused Her Untimely Death?

Las Vegas, NV - Whitney Houston's powerful voice made her one of the greatest musical geniuses of our generation. Yet even while she attained a level of triumphant success that surpassed all other musical stars, she descended into the pits of an internal hell that finally took her life. While her descent was fueled by drugs and supported by a destructive marriage, "the true cause of her death has never been revealed before now," says Judith Sherven, PhD.

Beginning with early childhood and tracing her life and career, What Really Killed Whitney Houston? (JayEss Publishing) by husband and wife psychology team Judith Sherven, PhD and Jim Sniechowski, PhD examines her life and death through the lens of her unconscious loyalties and explains how these loyalties deprived her of being able to embrace and live inside her success.

Best-selling authors, relationship experts, and sought-after keynote speakers Judith & Jim (as they are best known) specialize in 'The Fear of Being Fabulous' and in their latest book What Really Killed Whitney Houston? they compassionately reveal the depth of Whitney's internal hell and what ultimately cost her her life.

It would seem that being one

of the world's best-selling music artists, having sold over 170 million albums, singles, and videos worldwide, and being cited by the Guinness World Records as the most-awarded female act of all time, Whitney would have felt very secure about who she was. Unfortunately, the extreme pressure put on celebrities took both an emotional and physical toll on Whitney. While outwardly, she showed the world a beautiful woman with a voice like an angel - inside she was dealing with her own set of demons.

Judging by the rave reviews, all of us can learn from this book and gain freedom from our fears and issues. Art Klein, best-selling Book of the Month Club Author and former V.P. of Marketing for The New York Times Corporation, summed it up by saying: "This is the most important book ever written about the most important subject facing every aware human being: how to fulfill your magnificence and not succumb to lethal unconscious allegiances. This is a book about the deepest personal freedom possible. Nothing matters more."

What Really Killed Whitney Houston? is the sixth book by relationship experts Judith & Jim, whose first five books are already best-sellers. They have ac-

# Minter & Reed Family Reunion

Continued from Page 6

We want to thank every 'Man' for helping with everything! Yes, there was 'Man' power. They supported our family. We had 'Man' power.

Also, a special thanks to all who stayed at the park all day. Some of us hadn't been to a park

for quite a while. We had a very good time at the park under different trees. The trees kept us out of the sun. Thank God for the trees.

Here are some comments from our family:

Aunt Earnestine enjoyed herself, and this was because she was in the park. It's been a long time since she has been in a park.

"Katherine, it was great to be at the park."

"Effie enjoyed swinging in the park like she was a little girl."

"Maragelleane said it was very good to be in the park."

"Byron had a good time!"  
Aunt Lorine and Aunt

Thelma: "We were glad to see family members."

President Velda Gilbert and officers want to say thanks everyone very much for you did. Your planning for thr the 2012 Family Reunion was outstanding!

Anthony Thomas family, we want you to know you were missed. We love you!

We are praying for Malford Minter to get well soon.

Family members who didn't have an opportunity to attend this year, 2012, we are looking forward to seeing you in 2013.

Among the games played this year were:

Diminoes while kids played in the park, basketball, puzzles were completed, and hitting golf balls in park.

The family had plenty of laughter and kisses as well as hugs from family member. It was just a blessing to see each of our family members for another year!

**(Editor's Note: Part Two will appear in our next issue. If there are any questions, please call (806) 762-3612. It's just great to read about how well we enjoy each other as a member of a Black Family. We are just blessed. Ye Ed.)**

## Covenant Health Continues to Offer Support Group for Cancer Survivors

Covenant Health offers a support group for anyone who has survived any type of cancer. The support group will meet next on Thursday, August 16 from 7-8 p.m. at the Joe Arrington Cancer Center Chapel.

According to the American Cancer Society, over 13 million people in the United States are cancer survivors, partially due to strides made in cancer detection and advances in treatment.

The support group has many different functions. The group provides support and allows survivors to share experiences. It also allows survivors to connect with one another and celebrate the large and small successes.

The support group offers support to survivors newly diagnosed or still undergoing treatment. The group likes to refer to themselves as the "been there, done that" group.

Joe Velasquez, the patient and community services supervisor at Joe Arrington Cancer Center facilitates the support groups. He explains that there are members of the support group that have participated for the entire time the support group has existed, which is over 15 years.

"Those individuals are highly important as the reason they are there is not for themselves, but to give the new members support and to share their experiences from having cancer," Velasquez said. "All of this is a huge benefit to the newer members of the group who still may be undergoing treatment or may have questions or fears about what is in their future."

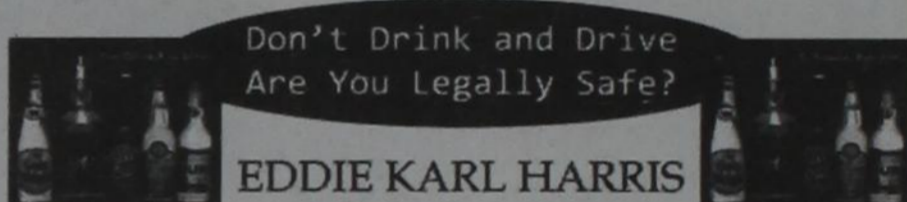

The Joe Arrington Cancer Center Chapel is located inside the main entrance of the cancer center. For more information about the support group call 806.725.8002.
