Former County Commissioner: Ysidro Gutierrez Announces A Bid For Lubbock County Judge

Ysidro Gutierrez

Ysidro Gutierrez, who served as Precinct 3 Lubbock County Commissioner from January 1, 2004 to December 31, 2008 will announce his candidacy for Lubbock County Judge in the March, 2010 Republican Primary. Gutierrez spoke to members of the media Friday November 13, 2009. The 10:00 a.m. Press Conference was held at the Lubbock County Courthouse Gazebo.

Gutierrez is a fiscal and social conservative. "I have always been a conservative" says Gutierrez, "I was born and reared in Lubbock. I am a West Texan; my values are unmistakably West Texan." Gutierrez is a graduate of Lubbock High School and holds a BBA and an MBA from the Texas Tech University Rawls College of Business.

Gutierrez believes the economic prosperity of Lubbock

County is the key to the prosperity of the surrounding counties. In a statement released Friday, Gutierrez said, "Lubbock is not only the Hub city, it is the economic hub of the Plains. Prosperity comes from a vibrant free market.

"I will work in partnership with all government entities and private entrepreneurs for the continued prosperity of West Texas. One of my goals is to continue to encourage new businesses to come to Lubbock.

"I support government and private partnerships that result in investments in infrastructure and job creation. New revenues from growth help keep property taxes low. Growth is the key to Lubbock's prosperity in the emerging 21st Century."

As a conservative, Gutierrez's campaign will emphasize the strong conservative principles of small government, limited gov-

ernment and holding the line on taxes and spending. "We need conservative leadership," he said, "Hard work and individual responsibility builds strong families and communities. Business entrepreneurs are born of these. Conservatives stand for traditional family values, individual freedom and liberty and service to country and community. We honor our veterans and celebrate community heroes." Someone once wrote: "Ask me what a Conservative government stands for and the answer is this: we will reward those who take responsibility and give a hand-up to our neighbors in need."

Gutierrez promises to continue the proud West Texas tradition of Conservative Leadership for Lubbock County. "My record is a proven record of conservative leadership," said Gutierrez, "As commissioner I was the continuously consistent voice against higher taxes, bigger government and more spending."

Gutierrez says this message will be a mainstay of Ysidro Gutierrez, who served as Precinct 3 Lubbock County Commissioner from January 1, 2004 to December 31, 2008 will announce his candidacy for Lubbock County Judge in the March, 2010 Republican Primary.

Meet The Parkway Roses

Every other Tuesday, a group of fifth grade girls from Parkway Elementary School meet in the library right after school. These girls are members of a new club called the Parkway "Roses." The club's name was derived from the book, "The English Rose". It is about four girls who are jealous of another girl in their school. Without getting to really know her, they decide to exclude her from their group of friends. As a result, they make unfair and incorrect judgements about her character and her life.

They continue to treat her unkindly until someone else helps them to "see" themselves as they really are. During the reading and discussion of the book, the sponsors of the club emphasized that the rose represents and parallel their lives and reputations. Both are very fragile and precious, to be treated with respect, love, and care. After the first meeting, each girl was presented a red pen decorated with fancy ribbons, red feathers and crystals. It was to remind them that they are valued, respected

and expected to emulate the disposition, temperament, personality and character of a "young lady."

The girl's club concept was a vision shared for some time by the principal of Parkway, Mr. Eddie Fitzgerald, and Ombudsman, Mrs. Nettie Edward. Both envisioned a club with nurturing environment where girls would have fun as they participated in community service projects, became acquainted with young, successful goal oriented mentors

Parkway Roses, a program designed to help young fifth-grade ladies achieve success, is beginning its second year. Field trips, guest speakers, and programs geared towards learning how to be leaders in and out of school help take this group of special young ladies one step closer to realizing their full potential and purpose in society.

Here they are, the Parkway Panther Brigade members, who are shown visiting Judge Rusty Ladd's Court Room.

From the Desk of Parson D.A. Smith "Crashing Of A State Dinner"

I was taken aback when I heard that two Beaver and Butthead like characters from Virginia were allowed to enter a state dinner at the White House. Tareq and Michael Salahi walked into the State House Dinner put arms around Vice President Joe Biden while posing with Chief of Staff Rahm Emanuel for pictures. If this was not enough these two aspiring members of a reality show had a face to face conversation with President Obama and had access to some of Washington's elite without actually being on the guest list.

What should be embarrassing to all Americans is these two Beaver and Butthead like characters outsmarted the top law enforcement officials of America or did they??? Crashing a state dinner at the White House apparently takes a security breakdown as well as having the nerve of a brass monkey.

It was reported that President Barack Obama was never in any danger because the party crashers went through the same security screening for weapons as the

other 300 or more people who were actually invited to the dinner honoring Indian Prime Minister Manmohan Singh.

Imagine what chaos this would have caused if these two Beaver and Butthead's were there to harm the leaders of our country. Think about it: Harry Reid or Nancy Polosky president and vice president; new chief of staff, a war with India, a civil war in the United States between the races that have been mistreated, Mexico overrunning Texas and taking back the land they believe belongs to them, Cuba releasing a missile on Florida and other southern states, China demanding all of the money it has loan America and moving people from an over crowded country to America and Chinese enjoying payback for the mistreatment of their race alleged by Americans in World War I.

African Americans are asking how two white Americans could get past security at the first State Dinner by the first African American president. This type of security procedure is truly

worth looking into and heads should roll for putting the nation at risk. With people like Rush Limbaugh, Glenn Beck, and other misfits in what should be a wholesome society stirring venomous hatred toward the leader of the United States, America is straining to keep it treads together. A security or intended breakdown could be America's Armageddon. This type of hill-billy law enforcement must not and will not be tolerated when it comes to any leader of our country whether we personally like him or her.

Two senators: Democrat Evan Bayh of Indiana and Republican Jon Kyl of Arizona said such behavior should be strongly discouraged. They also said authorities ought to pursue criminal charges against the couple.

Senator Bayh says its not laughing matter that two people could get so close to President Obama and Vice President Joe Biden without being cleared.

The couple is said to be offering interviews to networks on the experience—but they want

We Thank God for Jesus "Christmas Mocking God"

Written by Evangelist Billy "B.J." Morrison, III - Your brother in Christ Jesus always.

I Timothy 4:1-2 – Now the spirit speaks expressly that in the last times some shall depart from the earth having given heed to seducing spirits, and doctrines of Devils, speaking lies in hypocrisy, having their conscience sear ed with a hot iron. In America, you have rights. You can mock anyone you want too. You know this is a true fact, and by law, t here is nothing they can do!!!

Jeremiah 15:17 – I set not in the assembly of mockers, nor rejoiced, I set along because of your hand (GOD'S). For you have filled me with indignation.

IF GOD'S WORD BE TRUE, SANT AS AND REINDEERS ARE A LIE!!! **** The Devil has made it OK to mock anyone and any thing under the sun. He got so bold. He decided to mock for whatso-ever a man sow, that shall he also reap, for he that soweth to his flesh reap corruption, but he that sows to the spirit shall reap life everlasting.

JESUS IS THE GOSPEL TRUTH!!! ****

The Preachers allowed the Devil to bring trees, Santas, and Reindeers that fly . It makes the Bible and the birth of Jesus a fairy tale, and be a lie!!!

Jeremiah 2:8 – The Lord said, the priests said, where is the Lord? And they that handle the prophesied by Ba'al, and walk after things that do not profit.

YES, THE PREACHERS ARE ROBBING GOD!!! ****

Now America is mocking the Birth of Jesus by every one putting up a Xmas Tree. The ungodly's, start playing religious. It's the only thing it can be!!!

Jeremiah 10:2b-4 – The Lord, learn not the way of the heat hens, and be not dismayed at the signs of Heaven. For the customs of the people are vain. For one cut a tree out of the forest. The work of the hands of the workman, with the axe. They deck it with silver and with gold. They fasten it with nails and with hammers. That it move not.

THE UN-GODLY'S IS RELIGIOUS FOR ONE

DAY!!! **** (The Un-Godly's House will have Xmas Trees, presents, Big Dinner, and lights, and so will Christians, which house will be worshipping the only true God???)

WHAT ABOUT YOUR HOUSE??? ****

America's ca's playing with the birth of Jesus mocking God. It's not a game. She will have more hate, suicides, killings, robbery , DWT's. SHAME, SHAME, SHAME!!!

Jeremiah 44:3b– The Lord said, because of their wickedness which they have committed to provoke me to anger in that they went and burn incense, and to serve other Gods.

WHO ARE YOU SERVING??? ****

America have e mocked God's Preachers, wit h many kinds of their comedy's. That disrespectful, but America ca has r rights. It's called Freedom of Speech!!!

II Kings 2:23 – And He (Elisha God's Preachers) went up Continue on Page 4

Lord, help me to expose my sin, Those secret faults that lurk within, I would confess them all to thee; Transparent I would always be.

Thought For The Week: "Give God what He desires mostly, a broken and repentant heart."

"The Word Became Flesh"

In the beginning was the Word, and the Word was with God, and

the Word was God. He was with God in the beginning. The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the One and Only, who came from the Father, full of grace and truth." John 1:1-2, 14

If you are looking for a Church Home, then come and visit the St. Matthew Baptist Church. You will be glad you chose to do so. When you attend, then bring a family member with you. Our doors are open for each of you!!

Outreach Prayer Breakfast

The Lineage of David (Ruth 4:13-17; Matthew 1:1-6)

I have two dogs, both of them boxers, one white and the other brown. They're great dogs and my wife and I love them very much, but they have a tendency to get into trouble.

For example, one day I came home from buying groceries and was greeted by our white dog, Otis. Except Otis was no longer white. Instead, he was almost completely black. It turns out while I was out of the house Otis discovered a tube of black craft paint, which he decided to use as a chew toy, spreading paint everywhere, including all over himself. He then entertained himself by rolling in the black paint on my cream-colored carpet. Yes, my dogs have a way of getting into trouble.

I have paperwork that documents my dogs' pedigree and lists their parents, grandparents, and great-grandparents. On this list are some really strange names, especially for dogs. Their heritage includes King Chaka Franklin, King George Von Harvest, Sir Tanner of Weaverland, Country View Princess, and Lady Mischief III.

If you were to judge simply by the names on this list, you might conclude my dogs are royalty. But I can tell you my two mischievous dogs don't know about this list and act nothing like the royalty their heritage implies. Of course, they're just dogs, so to them their heritage is even less than a list of names on a piece of paper.

Names on a Paper. I also wonder about us humans sometimes. I wonder if, for some of us, certain sections of the Bible are just a list of names on paper.

There are sections of the Bible I think most people skip over, namely genealogies. I don't think people intentionally ignore sections of the Bible; it's just

that most of us don't really know how to engage with a list of names, especially when we aren't even sure how to pronounce most of them. Yet, while these lists of names normally have very little impact on us, they were vital to Jewish people and to early Christians. There are some phrases we frequently come across in the

Bible. If we were to speak about God, we would say just that: God. But in the Bible, when an author wants to refer to God, he often uses a phrase as a qualifier. Over and over again in the Bible you encounter phrases like "the God of Abraham," or "the God of Jacob," or "the God of David," or "the God of our fathers."

The point is this: the people who wrote the Bible never forgot what God did in the past. They never lost touch with their history and God's role in it. Very often when they spoke about God, they would speak of him in relation to how he had worked in the past, especially in other people's lives.

How did that miracle happen? God did it, the same God who promised Abraham when he was an ancient man that he would be

the father of a great nation that would outnumber the stars.

The Outreach Prayer Breakfast will meet at the home of Sister Annie Mae McBride, 402 Walnut Avenue, on Saturday, December 5, 2009, beginning at 9:00 a. m.

Sister Dorothy Hood, president; Sister Christene Burleson, vice president; and Sister Elnora Jones, teacher.

THIS 'N' THAT

by T.J. Patterson

THANK YOU, DR. AYERS FOR YOUR BIOGRAPHY ON THE LATE E. C. STRUGGS! THIS 'N' THAT is very pleased with the recent biography on the life of the late **PROF. E. C. STRUGGS** .. who was principal ncpial of **DUNBAR HIGH SCHOOL** from 1930 until 1965..... He made many **OUTSTANDING CONTRIBUTIONS** to the Lubbock Independent School District.....and was a **VALUABLE CITIZEN** to the Lubbock Community..... In formation in the book **"E. C. STRUGGS: VISIONARY LEADER"** is on target as the Black Community needs

these kinds of role models and hopefully young Black Boys & Girls will hold their heads up high because se of the**BLACK LEADERS** as the late **PROF. E. C. STRUGGS!** Again **THANK YOU, DR. AYERS** for a job well done!!! **STILL WAITING FOR THE LUBBOCK BRANCH, NAACP TO MEET!! THIS 'N' THAT** is happy over the response for the activation ion of the **LUBBOCK BRANCH, NAACP** and hopefully it will happen in the very near fu future as there will always be a need for the **LUBBOCK BRANCH OF THE NAACP**..... Perhaps a

meeting will happen shortly after the holidays as it would be an outstanding way to start the year of 2010..... **PENNY HASTINGS THE BARBER SAYS: "A SOFT REFUSAL** is not always **TAKEN**but a**RUDE ONE** is immediately believed."
JUST WANT CITIZENS TO BE INFORMED, BUT LET'S MOVE ON!! THIS 'N' THAT has written several times about the need for a **TOWN HALL MEETING** about our Lubbock Public Schools and hosted by our representative **SISTER VERNITA WOODS-HOLMES** but evidently she sees no need for such a meeting..... It would have been nice as it has been since February when a meeting was held... It was a **VERY PRODUCTIVE MEETING** and..... hopefully another such meeting would have done some outstanding things for our schools in the East Lubbock area..... Anyway let's move on but keep in mind t his meeting was suggested by **THIS 'N' THAT** and it didn't happen.....
LET 'S CONTINUE TO SUPPORT THE FEDERATION OF CHOIRS! THIS 'N' THAT is asking that we continue to **SUPPORT** the monthly meetings of the **FEDERATION OF CHOIRS** as it has done much h for the **BLACK COMMUNITY** over the years..... So let's continue to **SUPPORT** this valuable asset program!!

THINK ABOUT IT !

This Is The Beginning Of The Season!!

by
Eddie P. Richardson

Yesterday is gone; tomorrow is not here, so lets be in love with today. Everything you could or did not accomplish in the past, it's too late because you cannot recapture time. It's gone and never to return. So look to today and look for tomorrow because, yesterday is gone forever.
We must or at least, we should remember the season and the reason we celebrate. Starting with Thanksgiving, almost years end, being thankful for our good fortune and blessings during the year.
Beginning with the Indians and Pilgrims many years ago, they even took time out from their feuding and fighting to

break bread and give thanks for their successful crops and other blessings throughout the year.
In this modern day, however, instant gadgets, electronics, digital cyber age, we take every thing for granted. The world or every body owe us something! When in reality, no one owes us a dam thing. We owe it to ourselves to do for ourselves, and help ourselves because, a person with faith and determination can be or do anything they want to do. That is, if they are willing to work at it and pay the price. No one said it would be easy but, any thing is possible. Again if you are willing to work at it and pay the price.
We should all take a quick

lesson in history and see why the season or holiday we just celebrated began with Thanksgiving and the one we are approaching Christmas ,not X M A S, and realize the true meaning and spirit of both days and our whole attitude would change. They were not about getting or receiving, not about big commercial days for the merchants but, about giving, sharing, and thanking for life, liberty, and happiness. For some, celebrating the birth of a Savior.
So anyway we look at it, we have strayed away in the wrong direction think about it!
Just be thankful, no matter your station in life. Be thankful in the good days and bad days!

Inter Faith Dialouge A GreaT Model For Bridging Lives Across Cultures, Communities, Conventans, & Creeds

By
BROTHER ASKARI

Last Monday Night, I attended an inter-faith program. My Queen and I were invited to this Magnificent program by our neighbor, the Honorable Councilman of District 2, Mr. Floyd Price and his Graceful wife, Violet. This event was attended by other members of the city council. Mayor Tom Martin and his wife were there. Councilman Todd Klien was there. Councilwoman Linda Deleon was there. Sam Medina, City Attorney, was one of the speakers. One of the speakers Dr. Webb said something that has been a part of GOD'S gospel since creating us into nations and tribes to know each other and not to despise. Dr. Webb stated that it is very common for us to Love people of which we have some likeness. In fact, this likeness, in my understanding, also includes appreciation, admiration, respect and

the common courtesy of support in all the good that benefits the human soul. I was amazed to see people of different branches of the seeds of Abraham Jews, Christians, and Muslims enjoying an event of respect for Faith in GOD and the Human choice of worshipping and doing the Will of GOD. **THERE WAS NO SET TRIPPING IN THE ROOM!** There was none of that. "I don't mess with you because you are a Jehovah Witness" or "I don't mess with you because you are a Seven Day Adventist" or "I don't mess with

you because you are a Baptist or a Protestant" or "I don't mess with you because you haven't chose a church to attend".
This program was hosted by Muslims and, the Christians who attended shared, appreciated, admired and respected GOD'S TWO GREATEST COMMANDMENTS 'LOVE GOD WITH ALL YOUR HEART, MIND AND SOUL AND YOUR NEIGHBORS AS YOU LOVE YOUR SELF' Dr. Webb asked all of us: **"CAN WE LOVE SOMEBODY DIFFERENT THAN US?"** Remember this GOD did not give us a description of the neighbor, he has **COMMANDED US TO LOVE AS WE LOVE OURSELVES**. Also remember the most honored in GOD'S SIGHT ARE THOSE OF US WHO ARE MOST OBEIDENT TO GOD'S COMMANDMENTS. **B.L.A.C. B.R.I.C & EACH ONE REACH ONE'S** Quest is to create this kind of harmony in this 21st century **"ONE HEART AND ONE MIND"** at a time. Thank you Councilman Price and your wife for inviting my queen and me to witness the very idea of harmony this society needs. There is a gospel group entitled TAKE 6 one of my favorite songs by them is "SPREAD LOVE" wouldn't it all show ourselves approved spreading this golden rules?

anything can tell you that but the Medicare cost in-

Fortunately, I took psychology long enough to learn that human beings and some other animals need love to develop, grow and survive. In Psychology 101, one learns that a new born baby needs love to survive. Babies, whose mothers' were not available, but were given the needed attention by someone else in a caring manner, developed and grew at a normal rate. Babies, who were left unattended without adequate care, did survive, but did not develop or grow at the same rate as the babies who were loved and nourished.
As a social worker, I learned that babies and children whose mothers were with them and did not give them adequate love and attention, also did not develop and grow at the same rate as babies and children whose mothers gave them love and attention. As we grow into adulthood, we find that we still need love and attention, but usually not as much because as we mature, we find other means of making us happy.
Love and Happiness are definitely a state of mind once we become adults. As we mature, we learn that nothing in life is infinite; we grow older and we

die. Nothing in life lasts forever. Family members usually die in the order in which they have been born, but sometimes it does not happen that way. We learn that life should go on in spite of the fact that we lost someone dear and near to us. As a mature individual, this is normal and acceptable. Immature individuals have a difficult time and often need psychiatric care to over-

come losses.
Losses are especially difficult for some people around holidays like Thanksgiving and Christmas. Research has found that way too many people commit suicide during the holidays because of loneliness and the feeling of not being loved. This is tragic and could not be the situation if most people learn first of all to LOVE and RESPECT

THEMSELVES!
Being narcissistic is not loving one's self, but a mere reflection of the fact that one is a consumer of love and affection. Love is a two-way affair. You give love and receive love, that IS LOVE! If you only receive love and it remains with you, then you are a consumer of love. When there is no one to give you the love that you consume, then self hate kicks in, often followed by thoughts of hurting one's self.

Ysidro Guterrez Will Announce For Lubbock County Judge

Continued from Page 1

was the continuously consistent voice against higher taxes, bigger government and more spending." Gutierrez says this message will be a mainstay of his campaign. Gutierrez believes his message will appeal to traditional Republican voters and to cross-over and first time voters in Lubbock County.

"County government touches every person's life," said Gutierrez. County government keeps vital birth and death records, protects private property, assures the one man one vote principle at the ballot box and public safety through the courts and jail.

Gutierrez is a 20 year veteran of the US Army. He served as a Noncommissioned Officer (NCO) for 18 of the 20 years. His accomplishments were numerous but one of the more significant was graduation from the US Army Sergeants Major Academy; the Army's premier leadership and management school. Only the finest NCO's are selected for attendance to this school. The year after graduation, he was selected for promotion to Sergeant Major.

Army wide, he was one of only three in his specialty field promoted to this rank in under 20 years. Gutierrez says his military experience strengthen his love of country and sense of duty and honor.

The campaign will emphasize Gutierrez's Compassionate Conservatism. "I enjoy helping people" said Gutierrez, "I believe that the spirit of volunteer service makes our community and Nation great. My record of community service is clear." Gutierrez worked as a volunteer in the Arnett Benson Neighborhood Association Gang Free Drug Free Rally and Concert in the Park for 3 years. He served in the following community organizations: Raiders Rojas National Alumni as President 2002 and Director 2003 He was active in the American Red Cross from Sept 11, 2001 to August 2006. He was a Disaster Team Captain in the Oklahoma City Tornado and the Central Texas Floods. He served as Red Cross liaison to the Lubbock Emergency Operations Center during the Hurricane Katrina relief effort and worked to raise money

for Tsunami victims in Sumatra. He worked as a volunteer in the United Way as a Loaned Executive in the 2006 campaign. He raised about \$100,000. He worked with the local MDA office during the annual Jerry Lewis Telethon and was a Jailbird for 3 years. He raised about \$4,000 for Jerry's Kid's. He served on the TTU Chancellor (David Smith) Minority Advisory Committee for 2 Years and the Chancellor's Pastors Forum for 2 Years. In 2007 he served as an Elementary School Tutor/Mentor in a Ramirez Elementary 3rd Grade class. In 2009, he tutored elementary students at Rise Academy in Chess proficiency and techniques.

Gutierrez remains active in service to the Lubbock Community. He is in his third year of service with the Lincoln-Douglas Scholarship Committee and is the current VP. He is a certified trainer in the South Plains Citizens Corp. He has trained over 200 volunteers in Disaster Mitigation, Preparedness, Response and Recovery. He recently received a 5-year service award. He has been a member of the All Branches Military Veterans Honor Guard since 1996. The Honor Guard renders final honors with the folding and presentation of the American flag, playing of taps, and the 21 gun salute. Gutierrez is a member of the Lubbock Optimist Club, He is the Treasurer. This year the club awarded more than \$10,000 in scholarships to Lubbock Youth. The Optimist Club motto is "Friends of Youth."

Gutierrez says the Commissioners Court could be more accessible to the people of Lubbock with a few minor changes. Commissioners Court meetings could begin at 12:00 noon. Citizens could attend during their lunch break. Citizens' comment similar to those at City Hall would afford citizens the opportunity to address the Court. Public hearings could be held in convenient locations in all four precincts as well as in the courthouse. They do not have to be limited to the minimal required by law.

Gutierrez said, "From my lifetime of experience I have developed an unshakable optimism of Lubbock. Lubbock is a diverse community with many wise and wonderful, bright and beautiful people who give our community its West Texas favor. It is the goal of my campaign to bring to the public arena the multifaceted goodness of West Texas. If elected, I will work for all the people of Lubbock County. I will visit them in their communities, clubs, social gatherings, festivals, etc... I will be a Judge of the people and for the people.

As the Republican Primary begins I pledge to present to you, the voter, my views, my voting record and evidence of my conservative values not only throughout the primary but to the general election.

Thank you for your support. Together we can secure Conservative Leadership for ourselves

and had exposure to quality experiences which would encourage and stress the importance of starting now to set goals and do their best. The decision was made to finally start the club this year. They were so delighted to learn a short time later that a number of interested individuals had heard about the idea and initial planning "through the grapevine." Calls of interest from citizens in the neighborhood and the LISD community were received. All resources and service. Parkway is indebted to the following people for volunteering to help co-sponsor the club: Mrs. Beverly Finch, Former Estacado AVID teacher/Current LISD Migrant Program/PhD candidate at Texas

Tech; Ms. Freshanna Hamilton, Ms. Sherry Sanders, Lubbock County Office of Dispute Resolutions and Ms. Stefanie Lee, a student at Texas Careers. These are very busy people who have accepted responsibilities for planning events, sharing resources, making necessary contacts and being present as many meetings as possible.

The sponsors enjoy being with the girls as they travel to participate in community service

projects and other activities which promote high expectations for the development of dignified, responsible, trustworthy "young ladies." Parents have always been included and the sponsors are particularly excited about a dad who attended and participated in an activity that involved parents expressing their appreciation and pride for their girls and the girls doing the same for their parents.
