Pictured above are members of the 1963 State Championship Squad. These are some happy Panthers... This photo was snapped several minutes after they captured the State Championship....

Sandra Menefee, daughter of Mr. & Mrs. Herbert Menefee, 2204 Birch Avenue, left here last Tuesday via train for Houston, Texas, where she will re-enter Texas Southern University. Sandra is a sophomore at the institution. During the first semester of school she was employed at the Methodist Hospital. Her major is physical therapy.

The Messiah Presbyterian Church, 17th & Ave B, invites you to hear Mrs. Mildred Hoffmeister of Punjab, India, on Sunday, Feb. 2, at 6:00 PM.

She is a missionary who had served as teacher, principal, and superintendent of the Christian school in Ludiana.

Canyon, Texas--Head football coach Joe Kerbel announced today that for-

Fletcher Curry, 16 year old son of Mr. & Mrs. Arthur Curry, 2633 Hickory, was dead on arrival last Friday afternoon at Methodist Hospital after he became ill during a practice session at Dunbar High School.

Curry was an eighth grade basketball player at Dunbar Junior-Senior

mer assistant coach John Roberts will rejoin the West Texas State University coaching staff on Feb. 1. Roberts' appointment is pending on release from his present obligation to the Stillwater, Oklahoma Public School System.

The vacancy which made it possible for Roberts to join the West Texas staff was created by the resignation of assistant coach Howard White.

White, backfield coach for Kerbel the past two seasons, has been named assistant coach at the University of California at Berkeley under new head coach Ray Wilsey.

Roberts, now assistant in his hometown of Stillwater, was a member of the Buffalo staff in 1960 and 1961. He left in 1962 to become head coach at Cameron High School. "I wanted to find out what it was like to be a head coach at the high school level", Roberts said. In 1963 he moved to Stillwater.

"I certainly am looking forward to returning to West Texas State", he added. "I learned very much at the high school level and I hope I can contribute to the staff and team effort at West Texas."

Roberts graduated from Texas Tech in 1958 where he played three years on the Raider varsity. His most memorable day came in 1957 when he went 88 yards on a pass-run play against Arkansas.

Roberts is 27 years old. He married the former Rena Aikens, a West Texas State graduate, in June of 1962. They have no children.

"We feel very fortunate that we were able to secure the services of coach Roberts as our defensive backfield coach", said Kerbel today. "Not only is he one of the keenest

High School. According to reports, Curry complained of a hurting in his chest while running laps in the gymnasium. He stopped to rest and became groggy. Smelling salts were administered and Curry tried to stand up, but his knees buckled.

Last rites for Curry was held Wednesday at the St Luke Baptist Church.

football thinkers, but he is considered to be one of the outstanding young football coaches in the Southwest. I know coach Roberts will make a direct contribution to the football program and a very strong addition to our staff."

White has been a member of the Buffalo staff for two seasons. Prior to that he coached the backfield at New Mexico State for two years. He coached high school and junior college football at Riverside, California before moving to New Mexico.

"West Texas State University, Buffalo football and the entire coaching staff are grateful to coach White for the many contributions he has made both on and off the field to the entire university, and in particular, to the athletic program", Kerbel said. "We hate to lose coach White and his wonderful family. But all of us here wish him the very best in his association with the University of California."

White added, "I have appreciated the fine association with coach Kerbel, the staff, the university personnel and the finest bunch of boys in the country. My family and I will certainly miss the many friends we have made in Canyon and Amarillo."

A Historical Picture

Pictured above is the grave of John F. Kennedy, former President, who was assassinated in Dallas, Texas last November. On the left of the former President is the grave of his son, Patrick Bouvier Kennedy, and at the right is the grave of his daughter. In the background of the

grave is our own Dr. J. A. Chatman who was in Washington, D.C. last week.

Dr. Chatman and two other members of the Board of Trustees of Texas Southern University, Dr. Bruce of Marshall, Texas, Ex-president of East Texas Baptist College and Dr. Chadwick of Center,

Texas; were in the nation's Capitol in behalf of Texas Southern University Board to see the Building committee in Washington on business.

The members of the Board of Trustees had a conference with Mr. Cliff Carter, Assistant to the President of the United States.
