Honored At Banquet

Mrs. Price

At the Sixth annual Appreciation and Awards Banquet at the Methodist Hospital last Thursday evening Mrs. Fannie Price of 103 E 21st St. and Mr. H.C. Black of 2107 Elm St. were honored for their dedicated service to the hospital. Mrs. Price received a ruby for her twenty years of service, and Mr. Black was the recipient of an emerald for his thirty years of service.

Mr. Black

League Elects Officers

The Citizen's Registration League met at Mt. Gilead Baptist Church, Thursday evening. The purpose of the meeting was to make a final report on our Poll Tax activities and plan the future of the League.

The Poll Tax sold including exemptions numbered more than eleven hundred in Carver Heights and other areas in our sections. It was agreed by common consent that the League turn its attention to the task of schooling anyone who desires in the correct way to mark a voting ballot. It was also agreed that we use a revolving chairman method.

By vote Harold Chatman was elected as Chairman for the present time, and Mrs. M. Terrell was elected permanent Secretary. In the near future Mr. Chatman will name a date to begin the instruction class. The first meeting will be at the Greater St. Luke

Baptist Church. The public is welcome and expected to share and become a part of this movement which will help attack other problems in our community, if possible. The former chairman, Harry Stockley, yielded the floor to Harold Chatman, and gave a brief comment on what he plans for the future. The meeting was closed by a prayer led by Rev. M. T. Reed.

RETURNS HOME..

R.C. Jackson of 3604 Yucca is home from St. Mary's Hospital where he had a finger amputated. He suffered an accident on his job, and broke one finger--one was cut off. The infection set in after the tip of the finger was replaced. He is recuperating satisfactorily.

INSTALLS OFFICERS..

The Installation Service for officers at the Rising Star Baptist Church was held on last Sun-

day evening. The guest church for this occasion was St John Baptist Church. The Rev. A. Toins delivered a magnificent sermon.

The officers installed were as follows: Deacon Board Chairman, O. Jones; Brotherhood Board President, Gene Roquemore and W.T. Garrett, Vice President; Trustee Board President, Grover Colvin; Senior Choir President, N. Phillips; Mission President, O. Phillips and H.V. Brown, Vice President; Program Chairman, Mary Rober-

Woman Found Dead

Services for Mrs. Sally Mae Jones are pending the arrival of next of kin here at Jamison's Funeral Home. The body was found in her residence, 2309 Broadway, Saturday morning, after a friend and her employer became suspicious when telephone calls were not answered. Policemen were called and the discovery was made. She had not been seen by

her employee since Thursday. She had been subject to epileptic seizures, and had apparently reached over a burning gas heater to turn off a light switch.

The body was found face-down across the heater, clad in sleeping-clothes. At this report little is known about her survivors.

Rites Read At Tyler

Final rites for Mrs. Mattie Bell, a long time resident of Tyler, passed away early Thursday morning at the home of her son, Jesse Bell of 1530 N. Confederate. Mrs. Bell, a former resident of

Waco, suffered a stroke more than a year ago and has been partially paralyzed since. She suffered her final stroke several days ago.

She is survived by three sons, two sisters, a granddaughter, Mrs. B. R. Campbell of Crosbyton; a grandson, P.A. Russell, Jr. of Houston; two great grandsons, Mike and James Williams; and one great granddaughter.

Services were held at the AME Church and burial in Tyler Cemetery.

Along with the many other progressive moves in Lubbock, the political world of our city is moving "slowly but surely". This progress may be due to any number of reasons, but the greatest contributor to the fact is the interest and awareness of all our city's people...

I am referring to the recent interest which you our "Negro Brothers" have taken in the political world...

We should, if not already, realize by now that in this world today every party of our life is affected in some way by politics. The time has come and gone for the "One Man" spokesman used for the Negroes in Lubbock. We have a new method called "I'll tell him myself"... (This phrase means VOTING)...

Remember NO one or TWO persons know YOUR needs and wants....

Little John Gray, Jr., son of Sgt & Mrs. John Gray of 2438 E 30th St., (second from left) is shown in a rather happy mood as he has just blown out his candles on his

sixth birthday. He invited all of his classmates at the Mary & Mac School last Tuesday afternoon. It appears as though everyone is having a wonderful time....

Pictured is Cecille Graves, daughter of Mr. & Mrs. Julius Graves, II, 1836 Manhattan Drive. Cecille is a Sophomore at Mary & Mac...

Cecille was among the many talented young people who took part in the Talent Show sponsored by the Band Mothers Club on last Thursday evening in the Dunbar Auditorium.

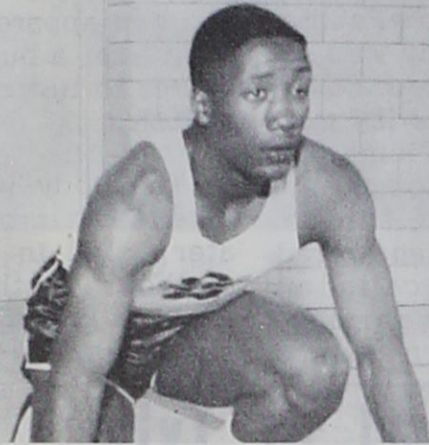

How many of you can remember this "Beauty Pageant" sponsored by the Men's Social and Civic

Club in 1954 at Mae Simmon's swimming pool? How many of you attended this attraction???

The most outstanding marks were by Boomer sprinters. Football half-back James Jackson took the 60 yard dash in 6.1, on a slow track, and Bill Calhoun captured the 440 in 50.9.

Rev. A. W. Wilson, pastor of Bethel AME Church, was invited to address the congregation at the First Unitarian Church, 36th & Ave W, on Sunday, Feb. 23, at the 11:00 service.

Mrs. Bernice Campbell and son Mike, of

Crosbyton, Texas, also another son, Mr. & Mrs. James Williams and small daughter of Lubbock, left last Thursday evening for Tyler, Texas to attend funeral services of their grandmother, Mrs. Mattie Bell. They returned Sunday evening.

In keeping with the memorial celebration of Abraham Lincoln's birthday, Feb. 12, these two boys constructed a poster for the occasion.

To complete the theme two of Lincoln's famous addresses, the Gettys-

burg Address and the Emancipation Proclamation were used.

Joe Cornish, left is a seventh grade student at Mary & Mac School, and Ira Fobbs, Jr., right is an eighth grade student.

**ELECTRICITY
POWERS
PROGRESS**

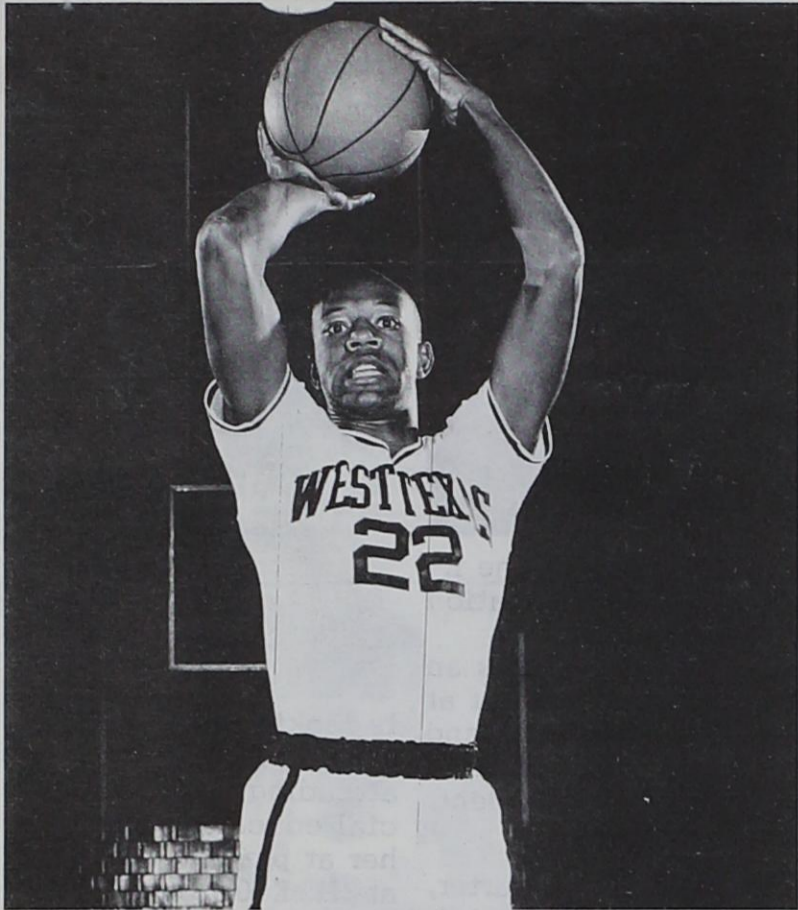

This is National Electrical Week, marking the 117th anniversary of the birth of Thomas Alva Edison. It was Edison's invention of the first practical incandescent lamp that gave birth to an industry that now employs more than three million men and women, or 1 out of every 20 American workers. Almost every industry owes its progress to the power produced by electricity for, truly, electricity powers progress.

Pictured above is Joe McWilliams, son of Mr. & Mrs. George Sanders of 2113 E 30th, is shown firing one of his dead eye

shots into the basket. Joe is a sophomore at West Texas College at Canyon, Texas. In a game last week Joe overcame tension and a booing crowd to sack both baskets in a one-and-one free throw situation to give West Texas a 55-53 win over New Mexico State University in overtime. With seconds left Joe was fouled. He stepped coolly to the line and dropped in both free shots.
