Rice University Files Suit

Hearings began Monday in a suit filed by trustees of Rice University asking permission to admit Negroes and charge

tuition. The suit is being heard by District Judge William Holland, 127th District Court.

The school opened in 1912 under terms of private corporation created in 1891 by founder, William Marsh Rice. He donated \$6.4 million during his lifetime and in his will to the institution.

The trustees want to reinterpret an indenture which Rice wrote May 13, 1891, directing how his donations were to be used. They filed Feb. 21, 1963.

The indenture, part of Rice University's Charter, provides that the endowment fund "shall forever be devoted to the instruction and improvements for the white inhabitants of the City of Houston, and State of Texas," and that the School Board "be free and subject to such restrictions only as in the judgement of the board of trustees, will conduce to the good order and honor of the said institute."

The trustees say they should be given authority to change those provisions because the indenture also provided that "the requirements for admission... shall be left to the discretion of the board of trustees."

They say, a true university of the "first class" which Rice said he wanted, should not have racial barriers. They should be able to charge tuition if necessary to pay for educational excellence, they say....

You may now take music lessons at the Adult Education Class, which meets each Monday night at Bethel AME Church on Railroad Ave. The time is from 7:30 until 9:30.

Typing, Sewing, Math, English, Reading, Driver Education, Spelling, and Writing are also being offered.

These courses are made available to you FREE of charge through the Y.W.C.A. and other Christian groups.

Mrs. Grover Colvin, Chairman.

The Royal Ladies Club met Wednesday night in the home of Mrs. Pearl Baker. Officers are Mrs. La Vade Garrett, president, Carline Owens, vice president, Louise Spark, secretary, C.E. Fair, financial secretary. Treasurers are Leasonia Brown, Fannie Price, and Heddie Lee. The vice-president was in charge of the meeting. After the meeting a delicious supper was served by the hostess, Mrs. Baker. The next meeting will be held at 8:30 P.M., Feb. 19th in the home of Mrs. Paris Brown, 1614 Zenith.

This will mark the beginning of the third year for The Progressive Young Adults Club of Lubbock. This club is composed mostly of high school graduates and young adults for our community. For the first two years the club was under the presidency of Frances Bunton.

Newly elected officers

Members of the Junior and Senior New Homemakers of America Chapter returned home late Saturday evening from Abilene, Texas, where they attended the West Texas District Leadership Conference. The theme for the meeting was "Preparedness---Our Contract for Leadership."

Madlyn Travenia, president of the junior group, will run for fifth vice-president of the district. They wore blue badges. Dortha Crockett, first vice president, Dianna Baldwin and Luvada Williams are voting delegates. Gwendolyn Ray, Joyce Goff, and Mary Moore are observing delegates. Alberta Lincoln vied for the Miss District NHA, and Eloyce Hooper, Junior, will run for District Historian. Twenty-six members of the Senior chapter made plans to go.

Dr. J.A. Chatman, left Sunday afternoon via train for Houston, Texas to attend a Board of Directors meeting for Texas Southern University. Dr. Chatman is highly honored as a member of that Board and is well qualified for the position. He will return home this week.

Lent...

As we move into the Lenten season, it is good to know that this 40 day period is approximately one tenth or tithe of the year. In the 40 day season of spiritual preparation for Easter there are various ideas of symbols attached to the number forty--Our Lord was forty days in the wilderness after his baptism. He was forty hours in the tomb, after his resurrection, and He stayed on earth forty days before He went back to Heaven.

The word lent, which came into the English language from the Anglo-Saxon word, "Lenctin", meaning Spring. Spring is a time of renewal--a

for the next two years are: James Beaty, president, Ruthie Chaney, vice president, Bobbie McCormick, secretary, Speedy Baldwin, treasurer, and Frances Bunton, reporter.

The Progressive Young Adults Club meets every first and third Wednesday night at Carver Heights Community Center along with Mr. Charles Sedberry. It is an annual affair of the Club to give a Scholarship to some unfortunate student of Dunbar High School.

time of housecleaning. This is exactly what lent is meant to be for the Christians; a season of self denial, not only at that time in particular, but the whole year, which makes a way for spiritual growth. Fasting means abstaining from. The place of overcoming is in the consciousness of man. The forty day fast is an all-around denial of sense. The desire to excel is in all men. It is the inspiration of the Holy Spirit, it should be encouraged and cultivated.

Encouraged by breaking with those inclinations that have grouped the low way in life and letting the pure light of Christ infuse all surroundings. Thus we rid our consciousness of limited thoughts that have encumbered and darkened our understanding; break down moral thoughts, and ascend into the spiritual realm. As day after day we steadily adhere to our firm resolve to follow the steps of Christ, you will discover we are building on a firm foundation, and we are mounting into a higher consciousness. We have come to know that Christ is indeed with us and is resurrecting in us His realizations of light, life, and substance.

Miss Annie Cooper is an eleventh grade student at Dunbar High School. She is a member of the Faith Tabernacle Church of God in Christ, 18th & Ave B. Annie is well known throughout the City for her spiritual singing.

In regard to your article published on "What About A Debutante Ball" several weeks ago. The sisters of Eta Delta Omega Chapter of Alpha Kappa Alpha Sorority are making plans for a presentation of Debutantes in Lubbock in the fall of 1964.

We too feel that the time has come for Debutantes to be presented in our City. We have always taken a specific interest in the young people of the City. We have given "Teas, supervised Socials, and other activities" to help cultivate the Social life of our youth.

We would like for the public to know that the Editor of the Manhattan Times voiced our sentiment when he expressed his interest in presenting Debutantes in Lubbock. We hope the public feels the same, and will give us their whole hearted support. Eta Delta Omega Chapter will

Yes, it is about time for the ball clubs to start throwing the little aspirin around again, the latter part of February, but here is a scene from the World Series between

the Los Angeles Dodgers and the New York Yankees at Dodger Stadium.

This is a typical scene of how the fans react during a close game.

A lot of the crowd had to be disappointed because the series was so short.

Lubbock Cager Sparks Leaders

Sparking Oklahoma's Central State Bronchos to their number one position in the Oklahoma Athletic Conference is Willie Malone, 6-3, 185 lb. junior physical education major from Lubbock. He is the son of Mrs. Willie Malone, 3510 Vanda.

WILLIE MALONE

Malone is a first team All-Conference guard and a three year letterman at Central. In 16 games this year he has scored 189 points for a 12-point per game average. Malone is hitting at a 51 per cent average from the field and a 76 per cent average from the charity line.

His best offensive effort of the year was against Northeastern Oklahoma State, Jan. 24, when he scored 28 points to help grab an 85 to 56 win, and knock Northeastern out of number one position in Oklahoma C-

ollegiate Conference play.

Besides being an offensive spark in Central's scoring attack he is considered one of the best defensive players in the conference. He is a good rebounder and is exceptionally quick. His favorite shot is a jumper, twenty-five feet out, which he seldom misses.

Central State basketball coach Mark Winters said, "Malone has the potential of becoming one of the finest shooters in the conference. He has been an outstanding ball player his sophomore and junior years and next year's conference hopes rest largely on his offensive play."
