SPORTS BRIEFS

By James Roy Lewis

Point after touch down specialist, Pat Summerall of the New York Giants pro foot ball team called it quit last week to become a sports broad caster. Summerall was to my idea the second best in the business. He missed only 8 extra points in ten (10) years. At one time he kicked 129 straight before he missed.

I'm not sure but I think Lou (The toe) Groza of the Cleveland Browns is the greatest extra point and field goal kickers of all times. Groza kicked the longest field goal in foot ball history, better than 68 yards.

The New York Mets of the National has given up more cash to out right buy Gene Woodling from the Washington Senators.

Woodling has done a wonderful job for Paul Richards when he was managing Baltimore. Gene had retired and manager Richards ask him to do a personal favor for him and come out of retirement. He did and had one of his better years.

He's good, thats true but the Mets really need pitching. They seem to get some runs each game but are not able to hold the opposition.

No wonder the pitchers are mad at Ernie Banks. If they don't hit Banks, he will hit them out of the Park. Banks hit 8 homers since being beamed.

nce that will be an important position for either of the four teams.

Of the remaining six, any one of the bunch could still win the pennant, so don't be surprised if any one of the present leaders now doesn't win

Miss Vernita L. Woods and Miss Billie Jordan were co-hostesses for a bridal shower honoring a bride elect Miss Vernona Woods.

The shower party was given at the home of Miss Woods' parents, Mr. and Mrs. George Woods, at 203 East 20th.

Lovely gifts were re-

ceived from Mrs. Joe Lee Royal, Frankie Kelly, Mrs. Claude Kelly, Billie Jordan and Vernita Woods.

Sports Briefs...

(See Story Page 2) the pennant.

Don't forget the year the New York Giants did just that.

-S. B.-

Tommy Davis, left fielder for the Los Angeles Dodgers seems to be the guy to take over and lead the Bums in winning when things look dark and dreary. The last two or three wins have been his responsibility either to save the game with a spectacular catch or a home

run in the ninth inning to win the game.

Davis leads both leagues in runs batted in with better than 70. Maury Wills, fleet footed shortstop of the Dodgers, leads both leagues in stolen bases with close to 40. Don Drysdale, ace righthander for the Dodgers leads both leagues in wins with 12, while Willie Mays of the Giants leads both leagues in home runs with 21.

-S. B.-

The Cleveland Indians own the largest ball park

for seating capacity with a total of about 78,000. Yankee Stadium is second and the Dodgers new home Chavez Ravine is third.

-S. B.-

Al Kaline, right fielder and clutch hitter for the Detroit Tigers, and Minnie Minosa, left fielder of the St. Louis Cardinals are still on the sidelines with injuries they sustained during real close ball games that could later on decide between winning and not winning the pennant.

Kaline caught a ball that ended the ball game and gave the Tigers a win over

er the New York Yankees, but he broke his collar bone.

Minosa ran into the fence trying to catch a ball hit by Duke Snyder of the Los Angeles Dodgers and messed up his shoulder blade.

-S. B.-

The Milwaukee Braves have a good ball club and could get hot in July and August and give the other clubs some trouble winning the Pennant.

I think these four teams will end up in 7th through 10th place, they are Houston, Philadelphia, Chicago and the New York Mets. (Cubs from Chicago).
