Consciously or unconsciously, everyone is given a certain rating by his associates. If the majority of the people that you work and play with like and approve you, then your popularity is certain. This popularity must be built on kindness, thoughtfulness and consideration for others, if it is to be deserved and long lived.

Your ability to get along with others will grow in direct proportion to the amount of interest you show in them---their accom-

plishments, acquisitions, and their activities. It is good for you to praise their good points and ignore their bad ones. But you should keep your own

ideals and standards high, while being tolerant. You should be willing to take a joke on yourself, able to look at the more cheerful side of life and enthusiastic. You should let people disagree with you. Everyone should have the privilege of expressing his own ideas; besides, you can be wrong and the other person right.

With only a few more weeks remaining in the high school books of this year's seniors, let them not forget they are only on first base in this game of life. May the 1963 gradua-

ting class of Dunbar High School have all the luck in the world as they continue to manipulate the remaining ball diamond. BEST OF LUCK, SENIORS.

The senior high department presented their annual school closing play, on last Friday night. It was entitled "Grandpa Steps Out." Each character performed a magnificent job.

 Brownie program in our own publication was included by Mrs. Low in her handbook of Scouting for Girls in 1918.

The Brownie Scouts are the youngest members of the Girl Scout

organization which offer a program planned for girls from seven to seventeen years old. From seven years old through nine years old, or the fourth grade, they are called Brownie Scouts.

The purpose of Girl Scouting is to help each girl become a happy resourceful person herself, a responsible member of her group, growing up into a useful citizen.

You will have plenty of conversational material if you see the better movies and plays, hear good concerts and radio programs, read worthwhile books, participate in local athletics, develop interesting hobbies, and work in charitable and civic organizations.

You should try in everything you do to make the other person a bit happier for having associated with you.

MARY & MAC...

The Maryettes presented the new king and queen a song entitled "I Believe." Julius Caesar Graves III presented an instrumental solo. The kindergarten department wanted the king and queen to know they had talent also, so they presented their version of Shoe Fly Pie.

WHO SHALL DWELL
 IN THY HOLY HILL?

1. HE THAT WALKETH UPRIGHTLY, AND SORRETH
 EIGHTEN-UM, AND SPEAKETH THE TRUTH IN
 HIS HEART.
2. HE THAT BACKBITETH NOT WITH HIS TONGUE, NOR
 SETH ENIL TO HIS NEIGHBOR, NOR TAKETH UP A
 REPROACH AGAINST HIS NEIGHBOR.

IN THE HOUSE OF GOD AND LOST, YES IN THE HOUSE AND
 LOST. Some people come to the house of God to see and to be
 seen. Now in the house of God there are good and evil people.
 We can not divide the wheat from the tare for they are
 in the house of God but they have a zeal of God and not
 according to knowledge. See Romans 10:1-3.
 Now some people let these things keep them out of the
 house of God, and God is not pleased with you for He say
 to you - see Romans 12:1.
 Are these things hard to do? No. To live Holy is a
 lovely and a loving life to live, see St. John 16:33 and
 St. Matt. 11:30.
 In Gods kingdom there will be no lying people or lovers
 of their own selves, or unthankful, or unholy people. They
 can not enter in Gods Holy Hill, but they are in the house
 of God on earth but lost.
 It is time now to search the scriptures, for in them ye
 think ye have eternal life. See St. John 5:39-40.
