Delegate Named To Convention

Mrs. Sarah Crawford of 1803 Avenue "B" has been selected as delegate to the Annual Conference

of Northwest Texas at Wichita Falls, Texas. She is a member of the New Bethel A.M.E. Church, Rev. A.W. Wilson, pastor.

Mrs. Luecresia Lester and her sister, Mrs. Bertha Coins, of Hobbs, New Mexico are here visiting their sister, Leaner Goldstein and Nellie Fuller.

New Program Set

It was learned this week from Mrs. L.S. Graves, Directress of Mary & Mac School, that any adult interested in receiving their high school diploma-- now has an opportunity to attend the Mary & Mac Night School for graduating from high school.

Mrs. Graves said this program has been in the making for several years, and now Mary & Mac is now qualified for such a program.

Since February of 1963 there has been adult classes conducted on Monday, Wednesday, and Friday nights. Classes offered for these days were Typing, English, Mathematics, and Reading.

Any adult who would like to become the recipient of an accredited high school diploma now will have the opportunity of doing so.

The calendar for the full accredited program has not been completed, but in approximately two weeks the closing details will be completed.

Ella Iles Burglarized

On last Saturday morning, October 5th, at about 9:20AM a call was made to the Lubbock Police Department to go to the Ella Iles Elementary School to investigate a burglary. Upon arrival, the investigating officer discovered that the entrance was gained by breaking a window from the east side of the teacher's lounge in the Primary Section of the building.

The Coca-Cola machine was broken into and a heavy amount of damage made. The damage totaling to about \$300. It was undetermined at the time of the investigation as to how much money was in the Coca-Cola machine, but later learned from the Assistant Principal, Clarence Priestley, that there was approximately \$5.00 taken from the Coke

machine.

The Assistant Principal's office was entered by crawling through the vent glass door. An Underwood typewriter was taken from this office. In another office the robber took a memograph machine and four boxes of paper.

There is a strange factor about the burglary. The robber took the typewriter off the school premises, but the memograph machine and four boxes of paper were found on the school ground under a step leading into another building. Perhaps the robber was to return and recover his bounty at another time.

It was learned from Juvenile officers that the Principal, Charles E. Brown, had had trouble the day before which was Friday with one of the students. Juvenile officers believe there could possibly be a connection with this subject and the burglary.

With all of the bombing occurring in BIRMINGHAM, ALABAMA for the past months, Lubbock, Texas, Hub of the Plains, was hit with a bomb of prejudice on last Friday morning at Piccadilly Cafeteria when two Negroes were refused to be served at a Minister and Laymen's Breakfast. This Breakfast was one of the many preliminary kick-off breakfasts from the United Fund.

Several months ago seventy-two cafes opened their doors to all races, but yet Piccadilly Cafeteria, a chain organization, would not allow these Negroes to attend a meeting as important as this one. Perhaps the planning committee for this breakfast was sure all races would be given liberty to eat.

This type of action occurring in our City was surprising to our citizens. This is one of the "die-hards" that will have to be extinguished in the future.

There should be no ill feelings given toward the United Fund Campaign. This worthwhile organization supports many organizations and institutions in our city, such as Day nurseries, Salvation

One of the highlights of the 43rd annual Convention of the National Insurance Association was the President's Banquet held in the Grand Ballroom of the lovely Hotel Sheraton. Mr. George A. Beavers presided. Some

several thousand guests in attendance heard Dr. Martin Luther King, Jr., make the greatest speech of our time. Dr. King's speech electrified the audience, which stood for minutes voicing their approval for the fight for freedom and civil right for all human beings. Dr. King praised

the insurance industry for its stand and thanked it for the generous contribution to the cause of freedom. A sum of \$15,000.00 was presented to Dr. King in support of Civil Rights. Dr. King was awarded a plaque for his non-violent fight for freedom.

Colt League Elects Officers

A meeting of the Lubbock Colt League Baseball was held recently in the Southwestern Public Building for the purpose of election of officers for the coming year. The public was invited to attend this meeting.

Mr. Truman Riddle, presiding, opened the meeting by outlining the new zoning for the League; all ball players residing in the Monterey Hi District would be assigned to play in that area. Same applies to those residing in Lubbock Hi District, including Dunbar and Reese Air Force Base.

Those elected for office were as follows; George Bennett, President; V. McKinley, Exec. Vice President (Monterey); Denver Shuffield, Exec. Vice President (Lubbock Hi), Fred Poe, Sec. and Treasurer, Steve Anglin, Player Agent (Monterey); and
