Two City Women Termed Not Guilty By Jury

Jurors in the 99th District Court and the County Courts-at-Law found the verdict of two local Negro women as being innocent.

Johnell Bryant, 27 year old, was innocent in the knife slaying of a Lubbock man last December 6th. Bryant was accused of murder without malice in the death of another Negro, Mose Jule Roberson, age 33. The murder occurred at the Food Bar on 19th Street.

Roberson was wounded in the chest cavity and later died. Bryant said she was 7 1/2 months pregnant at the time of the incident. She did admit to the slaying of Rober-

son, but said it was in self defense.

Bryant is serving a five year probationary prison term in a felony case at Midland.

The other Negro woman, Wilma Stubblefield, was accused of shoplifting a pair of sandals on July 13th, from Clark's Discount Store.

Report On World Series

By James Roy Lewis

Above is another scene from the 1963 World Series in Chavez Ravine in Los Angeles, California between the National League Dodgers and the A-

merican League Yankees. This was the fourth and final game of the Series, with Sandy Koufax winning it, 2-1.

In this picture with the binoculars in hand is Almo Sedberry, owner and manager of Sedberry's Barber Shop.

On the left with hat on and hand up is an exLubbockite, Joe Bailey, co-

usin to the Dave Bailey family and uncle to Bobbie Bailey, now Mrs. T. J. Patterson and her sister Sarah.

He now resides in Seattle, Washington.

That whole crowd is just baseball mad; they talk, eat and live it every day.

Gov. Connally Speaks At C C Meeting

Governor John Connally was in Lubbock last week for a round of activities which included an address at the annual banquet of the Lubbock Chamber of Commerce.

The Governor was greeted at the Municipal Airport by Dr. D. M. Wiggins, Chamber of Commerce president; Lt. Governor Preston Smith, Sen. H.J. "Doc" Blanchard, and Rep. Bill J. Parsley.

The Governor said he would "support the Kennedy administration for re-election on the basis that 'I am a Democrat'". This does not mean he supports the administration on every issue. "I will disagree with both parties at times", said Connally.

He also stated it is too early to predict the outcome of next year's elec-

tion. He does not believe civil rights will be a major issue.

Presently the Governor has not announced if he will be a candidate for re-election next year. The majority of the people believe he will, but the Governor says "I don't intend to make any statement now". I have no plans at the present",

ildren of the schools.

Mr. Virgil Johnson won the trophy for having the most parents of his students attending the meeting. This is the second time in a row he has won this trophy.

THE PEOPLE SPEAK The majority of the people who live in East Lubbock are concerned about the traffic problem.

Some feel that there should be a red light (traffic light) located on the corner of East 19th and Quirt Street (across from Gene's Drive In). Evi-

dently the safety council is not familiar with traffic problems that are encountered there daily

A Baptist minister, the Rev. Joe Carter, was the first of his race to be re-

and nightly. We find all of these problems accumulating during the hours of 7:30 to 9:00 am and from 4:30 to 7:00 pm. It is rather difficult for people going and coming from work to really reach their destination safely.

There seems to be only one solution to solving this problem... by placing a traffic light in this area. (We wonder if this could be done before there is a really serious accident in this area).

What about it citizens? Do you agree with us? If you do agree with us or not, consider the situation and let us know your feelings.
