## "Around the Hub City"

The rain came on last Sunday afternoon and boy was it welcomed.. I am sure we all enjoyed. It stopped the dust from blowing (at least for a little while), watered our gardens and yards, (maybe our water bills will decline), and did it quench the thirst of the farmer's crops. If it would rain here twice a week I do not think we would mind.....Would you?

Little Vickie Joyce, Barbara Ann, and Willie Charles Nelson missed all the rain last Sunday for they were in Houston visiting with their grandparents, Mr. and Mrs. Clyde Moore. They will be in Texas' largest city for two weeks. They are the children of Mr. and Mrs. James Nelson, 2607 Date Avenue.

"He is doing fine!" Those were the encouraging words given to Mrs. Edith Carrington, 2610 Birch, in regard to the foot operation performed on her eight year-old son, Derwin, last week at Methodist Hospital. He returned home on last Sunday.

Derwin is a second grader at the Ella Iles Elementary School.

Fred Flewellen, 1802 East 24th Street, will leave for Waco, Texas shortly for his new assignment with the Veter-

## Charges Filed Here Against City Man

Charges were filed on Monday against a twenty-year-old man in connection with the robbery of the Walt's Service Station on last Saturday morning.

It was revealed that a cursing gunman pulled off Lubbock's second armed robbery within three hours about 2 am Saturday morning when he took only \$50 from service station attendant.

Police picked up the man in less than thirty minutes after the incident.

Victim of the heist was Elvis E. Fant, 808 52nd Street, an employe of Walt's Service Station at 506 19th Street. He identified the man as the suspect.

Fant was alone in the service station when a man entered about 2 am asking for change for a five-dollar bill.

The attendant said he opened the cash register to oblige the customer when the hijacker pulled a black pistol while demanding, "Give me your money."

Fant said the bandit repeated his remark two other times in rapid succession, cursing as he reached for the money. He did not bother the silver.

Fant was ordered to crawl under the desk.

Harry Johns, one of 500 Negro delegates to the "Word of Truth" Assembly of Jehovah's Witnesses volunteers his services in the cafeteria department...

Johns was joined by more than 100 other Negro volunteer workers. Among participants on the program were Billie Joe Dozier and wife, Doris, of Okemah, Oklahoma. Dozier is pr-

esiding minister of the congregation. Delegates from 27 states and three foreign countries attended the meet. Final attendance at Sunday's closing session totaled in great number.

# A LOOK AT HISTORY

It's quite interesting to look back at early American history and reveal some of the historical events during the time of slavery.

By careful study, one will discover that the freedom of the slaves was pushed into the background by the trouble which began between the American Colonies and England. You see...there was bad feelings between the Mother country and the Colony, and it had been increasing for about ten years---but the first clash of Americans with British soliders took place on the 5th of March 1770, and this incident was important for two reasons.

First, it marked the break of the colonies away from the British Empire. Second, it was in this clash that the first man to die in the war for American freedom. He happened to be a NEGRO.

Perhaps many of us are not familiar with this great American, but his name is written on the pages of many outstanding history books as a great American.

His name was CRISPUS ATTUCKS.

His death came on the evening of March 5, 1770, when seven British soldiers on State Street in Boston with pointed bayonets took his life... If you would look into your history books you'll find that a group of Americans, forty or fifty in number, waited near the head of the street in the heart of the city. They were led by this man Attucks, more recently employed on a whaling vessel. Their weapons were clubs and stones. As the soldiers drew near, Attucks shouted, "The way to get rid of these soldiers is to attack the main guard."

At this signal the Americans filled the air with rocks and sticks. The red coats opened fire. The tall mulatto in the foreground was an easy target and he was the first to fall.....

Despite the patriotic example of Crispus Attucks, however, the American colonies were slow to accept Negroes into the army. Perhaps they wondered about holding a man in slavery after he had risked his life for his country. In 1775 the British governor of Virginia offered freedom to all slaves who would join the King's army in its fight against the American revolutionists, and this forced the colonies to change their minds. They quickly realized what it would mean to their cause if the British were able to enlist numbers of Negro slaves, and it was to offset this move by several states to arrange that military service from slaves be accepted. Arrangement for the slaves were made by owners and they would receive payement for the slaves from the public treasury.

It is remarkable to know that several thousand Negroes took advantage of this opportunity, and more more might have served if another plan had been successful according to history.

It is really true there were Negro soldiers at Valley Forge, and there were others in most of the important battles of the American Revolution.

From the time of Crispus Attucks until the present you'll find that the Negro has contribute d a great deal toward his country on the military aspect of life. You may ask why is this important? Well I'll tell you ... It doesn't matter who you are, White or Black, you can still serve your country.....This is your COUNTRY.....

As the late President Kennedy said, "Don't ask what your country can do for you, but what you can do for your COUNTRY."

Flewellen is a Mail Pre-analyser with the Veterans Administration.

The most enjoyable "Earl Day Combo" was the talk of the "Hub City" on last weekend as they performed excellently for the audience who attended one of the many weekend activities sponsored by Caprock Lodge #1540 of Elks I.B.P.O.E.W.. They were so well liked until they will appear again this Saturday night at the Caprock Rest. As we all know the leader of the combo, Earl Day, is a Lubbockite.

Exalted Ruler, Arthur Blanton, and Secretary, Fred Flewellen, were present at the quarterly Past Exalted Ruler's Council meeting at Wichita Falls, Texas on last Sunday. According to Blanton the 1966 State Convention is most likely to be in the "Hub City", and in addition to this several Executive meetings and a Past Exalted Ruler's Council meeting is on tap in the very near futher.

# From The Firing Line

By Dick J. Reavis, Demopolis, Alabama

I got my freedom  
'Way over yonder  
And I got my dignity  
'Way over yonder

The "Way over yonder" we so ofetn shout about is not so far distant in the Alabama future. A rejuvenated Marego Movement is on its feet. In my territory, Demopolis, three organizations, the Demopolis Civis Club, the Demopolis Youth League, and SCOPE, will spearhead the program. Two targets---racism in hiring and racism in politics---will occupy our summer efforts.

Two proposals have been enacted to remedy these two Alabama ills. Intensive registration efforts have, in the last five weeks, quadrupled Negro registration, in this, a county where 176 dead whites are still on the voting lists. An employment service established and run by the youth group has already begun placing Negroes in jobs opened for them by the 1964 Civil Rights Act. Where the service finds a clear-out case of racism in hiring, it will file suit on susiness concern involved.

Classes are conducted daily in four communities. As a rule, hygiene is taught on Mondays, Negro history on Tuesdays, Political science on Thursdays, while literary classes are held on Fridays. Sundays and Wednesdays are dates reserved for spirited mass meetings.

Simultaneously, we are tightening up our security measures. Several incidents have called for the action. Three regional churches where masses have been conducted recently were burned to the ground. Following a Klan rally in the Greensboro High School Stadium last week, three Negroes were shot in neighboring areas by night riders. One victim has expired. Jimmy Collier, our second in command, was yesterday beaten at Linden as whites sought to block the courthouse doors. Shortly afterwards Ruth Levin, a SC O P E worker assigned to the town was fired upon.

**BOY STEALS TRACTOR TIRE**

A 15-year-old boy was caught pushing a large tractor tire in the 500 block of 16th Street last week. Upon checking it was found that the tire was a used 15-5-38 Firestone tire that was in good condition. He told police he had taken the tire from a house which was abandoned. Upon further checking it was determined that the tire was taken from the Frazier & Morlen Tire Company's warehouse, located at 14th and Avenue "F" ... There were two other boys with him, but they ran South from the 500 block of 16th Street. He was left holding the tire and turned over to Juvenile Officers.

a '55 Ford starter and generator plus a '55 Ford transmission from a partially disassembled car, which was on his property at 3601 Walnut Street. Mrs. Ruby Holland and daughter, and Bernard Hines, 3603 "B" Walnut, saw the incident. Hines was watching the car for Mr. Holland and he informed the subject that the motor stuff belonged to Mr. Holland and that he shouldn't bother it. The man didn't pay him any attention and said he was going to take it anyway. Mr. Holland contacted the subject and they agreed upon the time in which he was to get his parts back from him.

**FAMILY TROUBLE**

Entry was gained by knocking a window out on the west side of the building into a vacant apartment plus knocking a hole into the sheet rock wall under the sink in the kitchen to get into the office. The office was ransacked, but nothing was missing.

# An Open Letter . . .

And to who it may concern:

Mostly to the Citizens of Lubbock. Once I wrote a letter before and was critized by some, while others enjoyed it. I am not trying to make myself a legend in this town. It's back to the saem thing our kis in this town.

Mothers and Fathers I live by a bus route... Some of you are going to say you leave home early going to work by bus. Some of you leave on the first bus. The buses are packed up until nine o'clock. Most of the kids are still sleep when you leave...

This brings about a problem for the Police Department by keeping your kids out of the streets. Some of the things the Polcie Department do to your kids are never heard about until one of them are in trouble.

You never hear about the good things that are done. We know kids

OFFICER BRITT

will be kids. Some of you parents dont' stop and think...the kids come home with a new bicycle, shirts, socks, pants, shoes, and undwera. The parent never stops to ask them how or where they got the items from.

For instance ,they bring home a bicycle and disfigure it completely and the parent never say a word. Then when a patrolman comes across a bike with the description that is put out doing a briefing.

Stop and check it out your child may be guilty of this act.....

I myself have had a lot of teenagers to tell me it doesn't matter w-hatever they are caught doing...Mom and Dad will get me out. I know some of you parents are saying your kids don't do these things or go to some of the Nite Spots.

It is true you will get them out, but after you get him out, you'll leave going to work and he is right back doing the same thing.

A great deal of mothers and fathers have lost their homes by getting their kids out, but they don't wise up until it is too late.

Yes, we have the YMCA. The kids leave saying they are going to the "Y", but have you ever stopped to check and see if they are telling the truth. No, but the Policeman has to drive by because this is what you are paying him for. I am not criticizing the kids, but have you parents ever stopped to think that you are TO BLAME....

Dunbar is one of the finest schools in Lubbock and has some of the finest teachers, but there are still a lot of dropouts---and these dropouts are not working.

The male dropouts will go to a barber shop and get a grease job or a gas job so they call it...Then they call themselves little "Pimps". After school hours they mix and tell the other kids what a boss time they are having, and if they had a quarter they can get some WINE. When a sandstorm comes they look like a bunch of Hindus and Fortune Tellers, but what they don't realize is that these dropouts are waiting on them for their dimes and quarters to get that good so call feeling.

I talk the same lango that they talk, and I understand the same things.....

Your son and daughter leave home telling you they are going to the "Y", Boys Club, and the Music Box, but they are not there. They are at the "HOG PEN" or the one that they call the "OFF BEAT LOUNGE"....That is where the fellows with this grease job is taking

your DAUGHTER.....

The daughter and son come home and say they have just left one of the above mentioned places, and you know what, you believe them....

So you are not being smart MOM and DAD, you are only hurting them.

About the young men carrying the knives and pistol...Like I've told you so many times.... finding them on them is a Felony, and it makes a record which goes to Austin. You know what it'll stay their for the rest of their lives and

on the other hand it'll follow them where ever they go, especially on Civil Service jobs is where it really hurts.

Parents stop getting angry at the Patrolman

# CHURCH NEWS

## MOUNT GILEAD BAPTIST CHURCH

The Original West Texas Baptist District Association will hold its sixty-second annual session with Mount Gilead Baptist Church as host church.

Pre-opening August 3, 1965, 7:45 pm. The churches of our City and pastors are invited to worship with us so as to make the evening grand, inspirational, and helpful.

I beg of you, if possible, don't miss this evening of praise and fellowship.

We are expecting 200 or 300 messengers from all parts of West Texas. For you to fail to share with us, is to miss a treat of grand quality and enthusiasm.

## NEW HOPE BAPTIST CHURCH

The State Congress will convene with us on August 16-20. ARE WE READY TO ENTERTAIN OUR GUEST? It is a dire necessity that we secure homes for the delegates along with our other expected responsibilities.

The WEST TEXAS DISTRICT ASSOCIATION will be held in the City of Fort Worth, with the Community Baptist Church August 2-6.

Pastor Dunn has just returned from a five night revival at Wolf City with the Ebenezer Baptist Church, Rev. John W. Williams.

## GREATER ST. LUKE BAPTIST CHURCH

The Twentieth Annual Session of the Lovely Sunset Baptist Association will convene at the St. John Baptist Church, August 10-13, Rev. E.D. Toines, pastor.

Let us not forget the special Recital sponsored by the Youth and Ushers of our church on the first Sunday in August.

## FROM THE FIRING LINE...

hostily as a reaction to our success in the county, and to the success of other rights organizations in surrounding regions. And though each of us now walks with added caution, we know that total security is not to be had. We must continue working on the Firing Line come what may...SCLC movements are not penetrated with religion purely by accident. Religious fervor sustains us. We have all vowed, that "Though I walk through the valley of the shadow of death, I shall fear no evil". Thus it is that even in the face of danger, we persevere..... Whatever the cost, our efforts will CONTINUE..

## RESERVES.....

its, although some individual Texans may be recalled."

Tower, a member of the Senate Armed Services Committee, said any reservists called "likely would serve in the continental U.S. at least initially as replacements for active units sent to Asia."

"I think the existing international situation is so tense as to make most inadvisable at this time the proposed merger of the National Guard and the Army Reserve," Tower added.
