Services were great at the New Hope Baptist Church last Sunday morning despite the musician being absent. It all began with Sunday

School at 9:30 a. m. with Supt. Swain at his post of duty. It was another good lesson.

Morning worship began at

10:35 a. m. with the Deacons of the Church opening with devotion. Radio announcer for our weekly radio broadcast of KJAK was done by Pastor S. C. Nash. Church announcements were made by Sister Cynthia Ball. Altar call prayer was offered by Pastor Nash.

Pastor Nash's sermon was entitled "That Which Displeases God." His scripture was I Chronicles 21:1. It was another wonderful message.

Mr. Matthew Colquitt's sister passed away in San Antonio, Texas. Services were pending this week there.

Mrs. Katie Rollison is home from the hospital and is doing fine at this report.

Mary Ann Jones and Miss McCormick, both of Dallas, Texas, visited relatives here in the "Hub City" last weekend.

Let us keep in mind the West Texas Baptist District Association's musical which

will be held at the New Hope Baptist Church Sunday evening, June 7, 1987. The public is invited to attend. We are looking for a full house, and bring someone with you.

It was announced last Sunday afternoon in Federation of Choirs that a young 13 year old Mexican American was missing. It apparently happened in the same area as the Vernice Taylor situation. We must learn to keep an eye on our children as well as our neighbor's children. As it is written, "We should love thou neighbor as thy self."

Annual Juneteenth Awards Banquet is set for Saturday, June 20, 1987 at the Lubbock Memorial Civic Center with Dr. Emmitt Conrad, a member of the Texas Board of Education, as speaker. Should be another great occasion. Tickets are \$12.00 each.

Image Awards will be presented Saturday evening, June 6, 1987 at the Holiday Inn Civic Center Ball Room, beginning at 7 p. m. This affair is sponsored by the Martin Luther King Celebration Committee, Inc. If you have someone you'd like to nominate for this award, please get your name in today, by advising either Fulton Berry, Jr., president; or Joan Y. Ervin.

Big parade is on tap for the annual Juneteenth Celebration which will be held Friday, June 19th. Enter the parade and let's make this one a great parade. Remember our Black heritage!

Let us not forget our citizens who are ill this week.

Prayers go out for Harold M. Chatman who is ill this week. Remember his family as well.

Mrs. Debra Ervin of Brownfield, Texas was rushed to Methodist Hospital last week. At this report, this writer is still unable to determine her condition, but she is a patient. She apparently seems to be doing much better.

## We Must Do For Ourselves

by  
Eddie P. Richardson, Jr.

With all the talk of the Reagan cut offs and backs ... it is time we focus and refocus our minds in the direction of self help and move away from social action.

One of the major objectives of any group of responsible people is to take their rightful place, by reaching out in mutual interdependence roles and etc. However, a necessary precedent of acceptance of the responsibility and/or privilege of interdependence is independence. Nonetheless, we are faced with the costly and devastating fact that 33 years after the historic 1954 U. S. Supreme Court decision on school desegregation now over 47% of our nation's Black youth are "functionally illiterates."

These Black youth, as such adn along with many others ... especially minorities ... are forced to be in a depending role or society as a whole. **There must be a re-assessment of our immediate goals and priorities.** Something must be done immediately to change our past and present pooling of encouraging paternalism, etc. which fostures dependency. We must call for and encourage excellence in education .... **equitable opportunities for achievement and community pride that builds self-reliance or independence.**

Our community and nation's urgent priorities during the rest of the 1980's and 1990's calls for a shift away from certain kinds of "inteegration" or reaching out and immediate emphasis on the things necessary **within our communities to save our presently denied youth and millions of others in our community.**

The Southwest Digest as well as other Black Media Newspapers over America ... more than 65% of all printed media in Black America cooperatively ... is dedicated to eliminate these burdensome needs from within Black America. We have chosen as our overall theme for the 1980's and 1990's: "Casting Down Our Buckets Where We Are." The new emphasis .... or priority ... will have to involve getting all our Black Community organizations and institutions together to encourage our youth and others to take pride in preparing themselves early to be our community's economic builders."

This means new forms of massive training to take over our Black Community's needs for Black bricklayers, Black carpenters, Black electricians, Black street sweepers, as well as Black policemen, Black teachers in Black schools, Black lawyers, Black merchants, and Black businessmen and women of all kinds. It also calls for new forms of partnerships whereby we, simultaneously, can encourage the Black Community to selectively support those white owned-businesses and institutions which have policies that tend to build our long denied communities in an equitable manner.

Those who don't need to be boycotted and frozen out of our communities are those who have done what is mentioned above.

This new priority of rebuilding our community from within calls for new roles for all in the Black community. It means that the Black Press .... Southwest Digest .... and others will have to examine every possible way we can to "pull up our communities by whatever bootstraps." We have as we seek the long overdue and deserved support required of the white community.

However, the leadership and initiative to make our communities the responsible and self-sustaining market place must come from within our communities!! We have a tremendous task before us. We must all take as our personal creed: "If it is to be; it is up to me." And pray for God's guidance and direction. It's way past time to sit around and wait on someone else and criticize. We must all become involved in our communities, and do our share for the good of all of us!!  
Nuff sed, why not??

## West Texas Legal Services

When "Child Welfare" (Children's Protective Services) Steps In!

Continued from last week!

5. It is important that the parent(s) pay CPS some amount of child support regularly during the period that CPS has custody whether they are ordered or asked to do so or not. One of the routine grounds used to terminate is failure to support the children financially. The amount, of course, depends on the parent(s)' circumstances. Nevertheless, some definite amount should be paid to CPS monthly at least for the support of the children and any and all arguments against paying such support are counterproductive and undermine the realization of the goal of having the children returned as soon as possible.

6. Again, the parent(s) is the key. They must demonstrate their cooperation, responsibility, and stability. All visitation times are met. All meetings with counselors and CPS staff are kept. The parent(s) are on the spot. It is not easy. It is hard work. But it can be done.

7. Even when the parent(s) himself or herself did not perpetuate the abuse, they must demonstrate a willingness and ability to protect the children from abuse. It is not enough simply not personally abuse the child. Here the ugly head of sexual abuse of children appears. Again, the data indicates the sexual abuse of children is very prevalent in our society. The parent(s) must be sensitive and watchful and protective in this area which more often than not involves relatives and friends. CPS is not lenient with parent(s) who fail to protect their children from such abuse.

8. If the rehabilitation effort of the first instance fails, CPS through its Personal Planning Team Committee may seek termination of parental rights with the children. This is a much more serious threat to the natural family unit than the custody phase. Yet, the same efforts toward stability and rehabilitation apply in opposing termination.

In summary, when CPS steps in, don't panic and control your hostility. Take a good look at the situation and at yourself. With the help of the CPS worker, devise and execute a plan for the return of the children.

### You Got to Get a Better System UNEMPLOYMENT PAR FOR THE COURSE

You take the high road  
An I'll take the low road  
But I'll be in Scotland before you.

Old Course, St. Andrews, Scotland ...

Lee Elder, Charles Sifford, Jim Thorpe and thousands of Black American golfers, as well as every Scotsman, dream of breaking par and winning a tournament on the first golf course in the world -- The Old Course, located in St. Andrews, Scotland home also of the oldest university in Scotland, the 572 year old St. Andrews University.

It is not that the Old Course is so difficult, but set in such ancient tradition and turf, that it takes more than skill and intellectual talent to tackle the trying bunker barrier course and come out a winner. It means for those who are not part of "the old schoolboy network," a breaking of the system, not just a breaking into the system. Indeed, at the moment it is a public golf course gone strolling park on Sundays. A situation about to be ended with the conversion of the Course into a private country club as a sign of these conservative bent Thatcher (a la Reagan) times.

Paying the modest green playing fees of 17 1/2 pounds (\$26.25) to play does not encourage local interest nor does it make you a member of the Royal and Ancient Golf Club which prohibits people from merely entering the stately building which dominates the course. And being a member of the club is really what counts. That way you can always work and play. Over the years, being able to WORK and PLAY is still the name of the game.

Unemployment on a national basis in the United Kingdom is as much a disgrace as it is in the Black American community, hovering around 15% for adult males. In pockets of Scotland, it has soared to 20 plus percent, placing people on the dole who are desperate for moving on to make a honest living out of the country. Thus the Scots have a score to settle as stepchild to their Southern English rulers and a saying worth heeding to one and all. "When the able-bodied are out of work, it is often for reasons beyond their control."

Churchism, not Religionism, a faith of Scots, as well as Black Americans, comes under scrutiny in stressful times of high unemployment for its involvement with maintaining traditional values which prevent the people from prying away from a property protectionist system. Striking against the system is the only solution for suffering men and women under Reaganism or Thatcherism.

Those who don't know a "divot" made by an iron in the grass from a hole in the ground still get excited by the prospects of employment. Work being their aim, play their pay. Oh, Yes - my golf score. Revolution would be par for the course.

### A Roof Over Our Heads

What happens to a family when its most basic need -- a roof overhead -- is taken away?

The experience is "extremely traumatic," according to Dianne Betsey, whose family, along with dozens of other (mostly black) families received eviction notices from their Maryland apartments in 1980 when their building went "all adult". The Betsey and nine other families fought back, eventually winning a \$125,000 settle in court last July. But they have had to deal with the difficulty and inconvenience of finding new homes.

Too many black families today cannot count on their homes being there tomorrow. And most families at the lower end of the income scale can often do little or nothing to fight back. Increasingly, black families are caught in a housing crunch caused by many factors they cannot control.

Fewer affordable homes are available. Our nation is simply not building enough affordable homes to keep up with the demand. Construction starts for multi-family housing -- the units low-income families are likely to be able to afford -- fell from 456,000 in 1978 to 283,000 in 1983. The decline is expected to continue.

Rising costs and tighter family budgets. For the very poor, the problem of coming up with the rent money or the mortgage payment has gotten far worse in recent years. Lingering unemployment, falling incomes among the poor and

### Spiritual Fruit

Some Lubbockites are now planting their gardens, while others planted a month earlier. All of the gardeners are expecting an abundant harvest because of the recent rains. During the months that were unfavorable for gardening here, all of us enjoyed fresh produce that we did not grow. This blessing was due to the abundance of sunshine and water, plus faith and work by farmers from other regions of God's world. It is said that the Imperial and Coachella valleys of southeastern California produce a large share of the delicious fruits and vegetables enjoyed by many during the harsh winter months of the year. Sometimes the fertile soils which are fortified with fertilizers, which produce food for the body, fail to give a harvest because of bad weather conditions, insects, plants blights and defective seeds. Surely every farmer must possess a spirit of hope to accompany his hard work, so that what he has planted will bear fruit.

God is the gracious keeper of the "vineyard" of His people. In hope He, too, plants, providing the warm strength of His love to that which He has planted. With a careful eye, He watches and waits for the harvest. When it comes as a crop of bitter, sour, rotting fruit, what dismay and disappointment it leaves!

Lubbockites, even though our gardens may fail us, we must not fail our heavenly Harvester. Let us honor Him with spiritual fruit worthy of the care and love He has invested in us.

### The Outreach Prayer Breakfast

Members and friends of the Outreach Prayer Breakfast met last Saturday morning in the home of Sister Mary Ward at 9 a. m. Remarks were offered by Sister Christine Butleson, president.

Opening scripture was Ezekiel 12:1-3 by Sister Annie Day. The morning scripture lesson was taught by Sister Linda Smith. Her scripture was Isaiah 5; and Psalm 32:2-11.

(3) *And now O inhabitants of Jerusalem, and men of Judah, Judge, I pray you, betwixt me and my vineyard.*

(4) *What could have been done more to my vineyard, that I have not done in it?*

*Wherefore, when I looked that it should bring forth grapes, brought forth wild grapes? (9) In mine ears said the Lord of hosts, of a truth many houses shall be desolate, even great an fair, without inhabitant.*

*Woe unto them that rise up early in the morning, that they may follow strong drinks; that continue until night, till wine inflame them!!*

This teacher said take a good look at the cotton crops in the last few years here; look at the communitities, downtown businesses that thrived once; boarded up homes which once were occupied by families; windows broken out; boarded

up. No more useful. Common men brought low. Great men brought down. Woe to those who bring punishment with wickedness, woe to those who call good bad and bad good. "Woe" unto those who think themselves wise in their own eyes. Turn to Psalm 32:2-11. Thank God for His word.

This was a powerful message. Come and get the full message. "It was great!" We love you, Linda, and you.

Thought for the week: "Christianity isn't a fellowship, it's a relationship with our Lord and Saviour Jesus Christ." Think about that!

Breakfast was served with you in mind. It was good.

Thanks to our guest on last Saturday. You were so beautiful. Looking for your presence on Saturday again.

There will be a committee meeting after breakfast Saturday morning. Please be

present. Jesus said: "I have told my people, they can have what they say; but my people are saving what they have." Faith talks. When faith talks, it talks faith; not fear and unbelief. My word is not void of power. My people are void of speech.

"Let's Pray"

To all who are hurting. Loving Father as we pray and write it on these pages of news, we ask that you bless the news; the ones who publishes the news. The ones who read the news. This message of love, bring health and healing, continence, bind up broken hearts, homes, broken bodies, souls. We confess today. We have things that are not pleasing in your sight. We repent of our sins. Now, and humble ourselves and you promise to heal our land and bodies; also government,

### We Thank God For Jesus

"Lord, They've Ears To Hear! But Won't!"

Part 2

Revelation 2:7 -- Jesus said, he that hath an ear, let him hear what the spirit saith unto the churches.  
Ezekiel 3:17 -- The Lord said, son of man, I have made thee a watchman unto the House of Israel; therefore, hear the word at my mouth, and give them warning from me.

Lord, there's this preacher in his long white robe, who says he's bringing in the sheep; but he's after the gold.

Ezekiel 34:1-3 -- The word of the Lord came unto me, saying, Son of Man, prophesy against the shepherds of Israel, prophesy, and say unto them, thus saith the Lord God unto the shepherds; woe be to the shepherds of Israel that do feed themselves! Should not the shepherds feed the flocks? Ye eat the fat, and ye clothe you with the wool. Ye kill them that are fed; but ye feed not the flock.

Lord, there's this deacon in the church who runs a cafe, "selling drugs to your children each and everyday." (Alcohol is a drug.)

Revelation 2:11a -- Jesus said, he that hath an ear, let him hear what the spirit saith unto the churches.

Isaiah 5:20-23 -- The Lord said, woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! Woe unto them that are wise in their own eyes, and prudent in their own sight! Woe unto them that are mighty to drink wine, and men of strength to mingle strong drink; which justify the wicked for reward, and take away the righteousness of the righteous from him.

Lord, there's this great voice from the "homosexual" in the choir. He says he's praising You with his songs. But he's a liar!

Revelation 2:17 -- Jesus said, he that hath an ear, let him hear what the spirit saith unto the churches.

Mark 1:23-25 -- There was in their synagogue (church) a man with an unclean spirit; and he cried out, and Jesus rebuked him, saying, hold thy peace, and come out of him.

Lord, the unsaved musicians. They play from their soul, but on Saturday nights, they "play rock and roll."

Lord, and the preacher says it's okay, because they're doing no wrong. He says the Church is the place "the sinners belong."

Revelation 2:29 -- Jesus said, he that hath an ear, let him hear what the spirit saith unto the churches.

Isaiah 30:1 -- The Lord said, woe to the rebellious children that take counsel, but not to me; and that cover with a covering, but not of my spirit that they may add sin to sin.

Lord, I keep telling them, time and time again, but they're just like "Israel" who won't turn from sin.

\*\*\*\*\* Lord, how long? How long must I cry out. How long? \*\*\*\*\*

Isaiah 6:11 -- And the Lord said, until the cities be wasted without inhabitant, and the house without man, and land be utterly desolate.

God is not through with us yet! Let's pray for one another always. AMEN

Fundamental Bible Baptist Church  
Charles W. Baker, Missionary

1532-E. 19th. St. (806)744-5894 Lubbock, Tx. 79403

### "MISSIONS"

#### I. WHY WE BELIEVE IN MISSIONS!

1. Because the Great Commission commands it. Matt. 28: 18-20; Mark 16:15; Luke 24:46,47; Acts 1:8
2. Because all men are lost without Jesus Christ. Acts 4:12
3. Because Christ is the only way of salvation. John 5:24,25; Rom. 10:13-15
4. Because of the destiny of the unsaved. John 3:18,36; Rev. 20:15; Luke 16:19-23
5. Because missions bring glory to God.
  - a. It displays His saving power.
  - b. It displays His mercy and grace.
  - c. Saved people praise and worship Him.

#### II. WHAT IS COMMANDED IN THE GREAT COMMISSION?

1. That the gospel be taught and preached to all nations. Matt. 28:19; Mark 16:15
2. Those who believe the gospel are to be scripturally baptized. Matt. 28:19; Acts 2:41
3. Churches must be organized so that they can carry out the great commission. NOTE: Churches on the mission field should be indigenous. To be truly "indigenous" there must be three things: (1) They must be self supporting. (Not dependent on mission dollars for building, pastor or expenses). (2) They must be self governing. (Not run or controlled by missionaries or any other authority, except that of God). (3) They must be self propagating. (That is that they are reproducing themselves and carrying out the great commission).
4. The converts are to be taught the "all things" of God. Matt. 28:20  
You cannot omit any one of the above and be obedient to the great commission. The social gospel as practiced by institutional missions, is not really missions. Those who merely educate, practice medicine, raise the living standard, etc., are not doing Scriptural mission work.

#### III. WHO IS COMMANDED TO CARRY OUT THE GREAT COMMISSION?

1. It was not given to the apostles. They had no successors, therefore if it was given to them, when they died, it died.
2. It was not given to a convention, association or mission board, for none of them existed at that time.
3. It was not given to individuals. It should be evident to anyone that while all may carry the gospel, they would not be qualified to baptize and teach all things.
4. It was given to the local Church (the only kind there is). The apostles of Matt. 28:16 were first in the Church. 1 Cor. 12:28
  - a. Jesus promised the Church perpetuity, so she will be on earth as long as there is a need. Matt. 16:10
  - b. The local Church has the authority to baptize.
  - c. The local Church has the means of "teaching all things."
  - d. We have the example of Acts 13:1-4 to guide us.

#### IV. HOW ARE MISSIONARIES CALLED AND SENT?

1. They are chosen by the Holy Spirit out of a Scriptural Bible teaching Church. Acts 13:1-4
2. They are sent forth by the Holy Spirit and the Church. Acts 13:3,4
3. They are supported by the home Church and other churches who desire to take part in this ministry. Phil. 4:10-17
4. The missionary reports back to the local Church. Acts 14:27

#### V. WHERE DOES THE INDIVIDUAL CHRISTIAN FIT IN TO MISSIONS?

1. By being a faithful member of a Scriptural missionary minded Church. Every Christian should be a part of one.
2. By witnessing daily for Christ. Remember the field is the world.
3. By going in person as a missionary, if God calls.
4. By going in prayer for missionaries and their needs.
5. By going in purse, and thus give regularly, systematically, and sacrificially to missions!

The command to give the gospel to the world is clear and unmistakable and this Commission was given to the churches.

Matt. 28:18-20. "And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen."

Mark 16:16. "And he said unto them, Go ye into all the world, and preach the gospel to every creature."

John 20:21. "As my Father hath sent me, even so send I you."

Acts 1:8. "But ye shall receive power after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth."

Acts 13:1-4. "Now there were in the church that was at Antioch certain prophets and teachers. . . . As they ministered to the Lord, and fasted, the Holy Ghost said, Separate me Barnabas and Saul for the work whereunto I have called them. And when they had fasted and prayed, and laid their hands on them, they sent them away. So they, being sent forth by the Holy Ghost, departed. . . ."

Rom. 10:13-15. "For whosoever shall call upon the name of the Lord shall be saved. How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things."

## Mrs. Helena Howard

Waxahachie, Tx - Final rites were read for Mrs. Helena Howard last Thursday, May 21, 1987 at the El Bethel Baptist Church of Waxahachie, Texas with Rev. James Coleman, pastor, officiating.

Interment was held in Fraternal Cemetery under the directions of Community Funeral Home of Waxahachie.

Pallbearers were Lenard Byrd, Donald Byrd, James Byrd, Lee Byrd, Michael Byrd, and Darrell Byrd.

Flowerbearers were Ushers and Choir members of the church. Graveside rites were conducted by Heriones of Jencho.

Helena Byrd Howard was born May 31, 1917 in Wharton, Texas to Mr. and Mrs. Horace Byrd.

She attended Oak Lawn Public School of Waxahachie,

Texas. August 26, 1939, she married William S. Howard.

She was a member of El Bethel Baptist Church where she served faithful as a leader of the Star Light Band; member of the Senior Mission; member of the Senior Choir. She was also a member of Prince Hall Court No. 187 of The Heriones of Jericho.

She departed this life Saturday, May 16, 1987.

She leaves to mourn her passing: her husband, William S. Howard of Waxahachie, Texas; two brothers, Herbert Byrd of Portland, Oregon and Roscoe Byrd of Waxahachie, Texas; a sister, Mrs. Frank Walters of Waxahachie, Texas; nephews, neices, cousins, other relatives and a number of friends.

## Child Watch

Continued from Page 3

near-poor, and continued cutbacks in a range of government income support programs have put the squeeze on the family finances.

But rents and mortgage payments continue to rise, with the result that they are taking a bigger and bigger bit out of the family budget. Between 1975 and 1983, the number of lower-income households paying more than half of their incomes for rent and utilities rose from 3.7 million to 6.3 million.

**Less government support than the rich.** Housing costs are a large proportion of most families' budgets. However, the government has stepped in to help primarily the wealthy. Billions of dollars each year in federal tax relief through the homeowner's tax deduction help the rich far more than the poor, for the simple reason that the poor are less likely to be able to afford to purchase homes in the first place. Only three percent of the federal tax breaks for owner-occupied housing goes to households with incomes of \$15,000 or less.

Direct federal housing help for low-income Americans, always short of the need, has been cut deeply in recent years.

**Persistent discrimination.** Regrettably, laws against race discrimination have not put a stop to it everywhere. As occurred in a Maryland case, too many landlords are now using a range of tactics - including a bar against families - to keep out minorities. Given the growing adults - only trend, black families now face double discrimination in looking for homes.

The Reagan Administration is not helping but hurting by drastically cutting back on housing and other help for poor families and opposing efforts to strengthen fair housing enforcement. Our job is to fight back on their behalf and to hold our federal government accountable to its decades-old promise of "a decent home for every American family."

# LHS Students Take Historical Journey

The Black History Class of Lubbock High School left Lubbock Friday morning, May 22, 1987, on the first ever Black History Tour of Texas.

The class, under the direction of Ms. Gloria Carter, visited Loraine, Texas, site of the Legendary Wallace Ranch, homestead of the late "80 John" Wallace - famous Black rancher during the 1800's. Then it was on to San Angelo's Fort Concho, frontier home of the "Buffalo Soldiers". The next stop was financially troubled Bishop College, founded in 1881 by former Black slaves, where they learned of the plight of historically Black colleges.

In Dallas, Texas, they also visited the African American Museum of Life and Culture.

The tour's next stop was Fort Worth, Texas where the class witnessed the unveiling of the Bill Pickett Bronze, first life sized sculpture of a Black Cowboy in America.

The class' final stop was in Weatherford, Texas where students visited gravesites and met with the family of great Black Cowboy Bose Ikard of the legendary Goodnight Loving Trail.

Ms. Carter explained, "The kids were so excited to see all the national media in Fort Worth and to see the descendants of all the famous people."

The tour left from Chatman's Hospital in Lubbock where the president

of the Root Historical Arts Council, Eric Strong - "The burning of Chatman's Hospital has worked to inspire us all. Similar to what happened after the May, 1970 toronado. Just as the toronado caused us to

redevelop much of the area of destruction, this will cause us to redevelop the Chatman Hospital Neighborhood."

The tour was sponsored by a grant from Roots Historical Arts Council & TNM&O Coaches. The Juneteenth Committee picked up portion of the matching funds the students couldn't raise from area groups and civic minded individuals.
