

★★★★★★★★
Nosin...
 With Polly
 ★★★★★★★★★★

I thought all my problems were over on New Years Day when I graciously consented to have blackeyed peas and hog jowl for lunch. However, it just hasn't quit worked out that way, because Monday afternoon the high command of this establishment had to leave for a few days in Okla, leaving this crew plumb short handed, one boss, whose major job is to crack the whip. We got behind a bit, then came Wednesday printing day and I found much to my horror that both Polly Jean and LaDon Herring were having birthdays, and keeping both gals slaving on their birthday is not exactly the humane thing to do but the paper must go out. (Or we'll all pass out in the effort). However, to add to my problems, and thus causing additional doubt to the potency of the luck-filled peas, I arose both Monday and Tuesday mornings to find the H2O, commonly called water, frozen up as tight as a drum, only one other day in five years has our water frozen up. I found out right quick facing the morning commotion without first having a fresh cup of Folgers, isn't exactly to my liking. However, the kids and their over night guests discovered the fine art of washing their face and hands in a small pan of water, hauled from the office, instead of a filled lavatory. Now, all I can figure out, is if those blackeyed peas were suppose to work charms of good luck throughout the year, I doubtless must have eaten the wrong brand of peas, and no doubt that particular brand I ate was perhaps the only brand on the market today that fails to be simply oozing with portions and portions of good luck.

"nosin"

Mrs. Ruby Elmore, a former resident of Earth, now living in Leveland sent word recently by an Earth friend that she had missed her paper, and therefore didn't know a thing on all her old friends in Earth anymore. To further enstall the seriousness of her message to the News Sun office she adds, "I'd rather do without something to eat than to do without the paper". That's putting it pretty strong and we here at the office appreciate it so much we're going to try to see to it that Ruby doesn't have to go without her paper, and her husband will probably see that she doesn't go without food, so Ruby's future looks pretty bright... food and the Earth paper, pray tell, what else??

"nosin"

Food for thought-It is not doing the thing we like to do but liking the thing we do, that makes life blessed.....

"nosin"

Local townspeople not only can boast that we have automobiles, "Built in Texas by Texans," but those of us who inhabit Earth, originally coming from Oklahoma can now brag we have a house in Texas "built in Oklahoma by Okies" since Bob Ussery bought that Okie house and moved it to Earth....

School Officials Attend Conference In Austin

The mid-winter conference of Texas school officials was held in Austin Wednesday through Friday of last week with Springlake School Supt. Bill Mann, school board members, Guy F. Kelley and Tuffy Dent and a former board member, A. E. Wheatley attending. The group left Tuesday morning for Austin and visited the Johnson ranch, owned by President Johnson near Johnson City enroute, while in Austin, the group stayed at Stephen F. Austin Hotel in downtown Austin. Dr. Travis White, Supt. of Schools in Dallas was main speaker for the three day event. The welcome was given by Mrs. Danforth, President of the Texas Congress of Parent Teachers Association. Several group meetings were held each day on various subjects, relating to schools. The group left Austin Saturday morning to return home.

Don't Wait Get Your Poll Tax Today

Poll tax purchases began to pick up at the City Hall this past week, with Mrs. Ruby Anderson, city secretary reporting 139 poll tax sales thus far, compared to only 61 receipts sold at the same time last week. With the deadline just about two weeks away, poll tax payments in Lamb County were running behind even last year's light count, County Tax Assessor - Collector Herbert Dunn revealed Wednesday. This week only 1,295 poll tax receipts had been issued, but Dunn expects sales to pick up and surpass the 1962 total of 4,150. Deadline for obtaining poll tax receipts is Jan. 31. The fee is \$1.75 per person. A husband or wife may make poll tax payment for both. The poll tax total has been running closer to 5,000 and the peak year was posted in 1956 when 5,500 made their poll tax payments. Dunn reported December purchases of poll tax receipts was good, following a slow October and November. The primary reason for the lag in issuance of receipts was the Nov. 9 special election in which Texas voted down a proposal to do away with the poll tax as a requirement for voting. Normally, the majority of citizens get their poll tax receipts in October, or November when paying their county taxes.

NOW IS THE TIME to pay your poll tax, so don't wait, get them today. L.H. (Slim) Galloway is shown as he purchases his poll tax from city secretary, Ruby Anderson at the City Hall, Wed. Purchase deadline is Jan. 31. Poll may be purchased at the city hall or at the Springlake school tax office until the deadline date, or they may be paid at the county tax assessor collector's in Littlefield.

Many held back last October in case the poll tax measures was approved by voters. Dunn reported only 350 were issued last October, compared to more than 700 in October, 1962. This is an election year, on the national, state and local level, and this is why Dunn thinks the total will jump up near the 5,000 mark before the Jan. 31 deadline. Dunn reminded persons who reached their 60th birthday before Jan. 1, 1963 that they

do not need a poll tax receipt or exemption. Only in cities of 10,000 or more population are they required to obtain an exemption, so this is not required in Lamb County. Poll taxes are always paid for the previous year rather than the current year, which is the reason for setting the exemption age at Jan. 1, 1963. Persons who become 21 years of age anytime during the year may secure poll tax exemption. In order to secure the "free"

vote, they must file for the exemption at least 30 days prior to casting a ballot. To be eligible to vote in Texas, a person must have lived in the state for one year, in the county for six months, and in the precinct for 30 days prior to an election. Poll tax will be available at the city hall and the Springlake tax office, to anyone desiring to purchase poll tax receipts through the deadline January 31.

School Census Blanks Must Be Turned In Before February 1

School census blanks have been passed out to all school age children in the Springlake School District. Mrs. Oletha Sanders, census officer states that all blanks should be filled in and returned to the school by Feb. 1, 1964. All children who will be six years old on or before Sept. 1, 1964, but will not be 18 or older on or before that date should be counted even though they may not be in school and even though he or she may be married. If you as a parent have not

Springlake Fire Department Meets 2nd and 4th Tuesdays

The Springlake Volunteer Fire Department met at the Springlake Elevator last Tuesday night for the purpose of reorganizing. Present were Ralph Rudd, Fire Chief, Ernest Goforth, Assistant Fire Chief, Clifford Hopping, secretary, Bud Matlock, Jack Sanders, Mike Dent, Earl Watson, Floyd Crawford, James Packard, Howard McClure, W. B. Hucks, Carl Perkins and Erroy Wislan. The department group will meet each second and fourth Tuesday at 7:30 P. M. for their regular meetings and will meet at 6 P. M. on the fourth Tuesdays for drill practise. The group has a total of 40 members in the organization. Price of dues is \$2.00 per year and \$1.00 for membership. Sunday dinner guests in the Perry Martin home was Mr. and Mrs. Loyd Blanton and children and Mr. Blevins, of Sunnyside, Mr. and Mrs. Edwin Winn and children, Mr. and Mrs. Cullen Hay and children, Mr. and Mrs. Fred Clayton and Mr. and Mrs. M. R. Phillips and Helen. Mr. and Mrs. E. A. Upchurch Peggy and Gay visited Sunday in Abemathy with his mother, Mrs. I. B. Upchurch. Mr. and Mrs. Bob Ussery visited last week in Erich, Okla. with her mother, Mrs. Lucy Stafford and her brothers Clyde and Lee Stafford.

Weldon Newsom Elected Water District Director

Voting was light in Earth Tuesday in the annual High Plains Underground Water Conservation District Director election with only 14 persons casting their ballots at the Earth community building, all for H. G. Walker. In the Swisher county annexation 13 persons voted for the proposal and 1 against. Douglas Parish was election judge and Mrs. V. J. Signan and Mrs. Minnie Pate served as clerks. On the Swisher county proposal, voters of the county turned down both sections of a two pronged plan for annexation. On issue No. 1, approx. the vote was 191 for and 264 against. On the other issue, levying of a maintenance tax of five cents per \$100 evaluation to finance the proposed addition, the vote was 189 for and 251 against. On the annexation issue the entire High Plains District voted approval with a one sided 849 to 79 vote. Towns within Swisher County, including Kress, Tullia and Happy also approved annexation, but the proposal was killed by the Swisher county vote. Elected to High Plains directors posts were Weldon Newsom, Morton, District 2, which includes Cochran, Hockley and Lamb Counties and Chester Mitchell, Lockney, the only candidate in District 5, (Floyd County.)

Pfc. Darrell Barlow Home On Army Leave

Pfc. Darrell Barlow arrived home New Years day on a 27 day leave from Fort Leonardwood, Missouri where he has been stationed the past 12 months. Barlow enlisted in the service in May 1962, and attended Springlake Schools, since the first grade. He is the son of Mr. and Mrs. L. E. Barlow. Following his leave Pfc. Barlow will report back to an army station in New Jersey where he will be sent overseas for approximately 14 months of duty in France. He is married to the former Joyce Richardson, who resides with her parents, in Slaton. The couple have one child, Norma Joy, 16 months old.

Candidates Get On Dotted Line

Two Candidates tossed their hats in the ring locally this week for the sheriff's post in Lamb county with Sheriff Dick Dyer seeking re-election and W. D. Ratliff seeking election as his opponent. With Feb. 3 set as a filing deadline, political candidates in the county have been making formal announcements. Herbert Dunn, County Tax Assessor Collector has announced he will seek re-election, also Jack Young, District Attorney, 134th Judicial District seeking re-election. The only other county office up for election is the county attorney's post and incumbent Curtis Wilkinson of Littlefield has not indicated his intentions as yet. A brief summary, extracted from the Texas Election Laws, lists what must be done on the political scene, and in what order. Feb. 3--Deadline for candidates to file. Feb. 3--Candidates must pay county assessment committee a deposit of \$50 at time of filing. Feb. 6--State chairman files list of all candidates whose applications were filed before deadline to secretary of State. Feb. 6--County chairman files list of all candidates whose applications were filed before deadline with county clerk. Feb. 10--County executive committee meets to apportion cost of primaries among candidates. Feb. 11--County chairman mails each candidate a statement of his assessment with request that he pay the same to county chairman. Feb. 15--Candidates deadline for paying assessments. March 2--Only if candidate dies after the deadline for filing, new applications by candidates may be filed. March 9--State chairman notifies all members of the committee and state candidates of the time and place of state executive meeting. March 9--State executive committee meets and certifies to county chairman the names of state candidates. At this meeting, the committee also decides upon the hour and place of the state convention to be held on the third Tuesday in September. May 2--First Primary. June 4--Second Primary. Nov. 2--General election.

School Will Dismiss At 2 P.M. Today and Friday

Springlake School students in both Junior High and High School have been cramming for first semester exams this week that will be held today and Friday. Supt. Bill Mann announced that school will dismiss both today and Friday at 2:30 P. M. and busses will run at that time.

Herb Wendborn Winner of Portable Zenith Television.

Mrs. Dene Woodring was in Lubbock Sunday to attend the Spring and Summer market at the Pioneer Hotel and to purchase the latest in fashions for the Unique Fashion shop, of which she is co-owner. Mrs. Woodring was accompanied by her son Dickie and Herb Wendborn, Mr. Wendborn was the lucky winner of a new portable zenith television set given away during the day.

Basketball Queen - King Named Friday

Beth Dent and Rocky Cain both junior students at Springlake high school were selected Basketball Queen and King at the game Friday night between Hart and both were presented trophies. Runner-ups were Peggy Upchurch, Junior, Jerry Beeu, Senior, Helen Phillips, Sophomore and Thomas Gregory Junior student. The queen and king were selected by the basketball teams members with the boys selecting the queen and the girls selecting the king. Miss Dent is the daughter of Mr. and Mrs. Chubby Dent and Rocky is the son of Mr. and Mrs. Leo Cain.

Earth Jaycee's Re-Organize

The newly re-organized Earth Jaycee members met at noon, Monday in the Earth community building with eleven members and three guests present. Following a delicious meal prepared by Mrs. Minnie Pate, new officers were elected for the coming year and included President, Ronnie Haberer, Glenn Bulls, Vice president, Charles Dunn, secretary and Carl Sanderson, treasurer. The newly elected president appointed Sam Garner and Don Sanderson as directors and Don Watson, reporter. The members have chosen Monday noon as the regular meeting time and are looking forward to many more fine meals, prepared by Mrs. Pate. Mr. and Mrs. Virgil Godwin of Littlefield visited Sunday with Mr. and Mrs. Forrest Simmons. Mr. and Mrs. Fred Ussery left last week to visit relatives in Arkansas.

Barton-Watson Inc. Changes Name of Firm

J. C. Scruggs, manager of Barton-Watson Inc. has announced a change in the firm's name, to Earth Service and Supply Company, Inc. The new name officially became effective last month. Manager, J. C. Scruggs stated the firm would strive to gain new customers and to hold their old customers by giving service unexcelled anywhere else on the plains. The ambition of the firm is to give satisfied service to the customer, and the able crew at Earth Service and Supply are well trained on the importance of giving good service to the customer. The firm handles all types of automotive parts, butane service and has complete garage repair service. On hand to help the customer with all their needs are Don Watson, bookkeeper, Joe Edd Wheat, delivery man, Clarence Welch, service department, and Joe Castillo, service department.

Earth Postal Receipts Hit All Time High

Earth Post Office, along with many other record breaking achievements recorded the past year, has had the biggest year, since being opened in June, 1925, with receipts \$143,94 for 6 months. Total receipts at the end of 1963 amounted to \$19,830.13 which is an increase of more than 20 percent over the previous high recorded at the Earth Post Office. These figures do not include money orders issued. The office issued a total of \$129,986.86 in money orders in 1963, with fees of \$1628.20. The months of July, August and September were the largest months for money orders, while the month of December is the perennial time for handling of the most mail. With an increase of 10 percent or more in receipts each year since 1960, the local post office has been run without an increase in man hours to handle the job. Postmaster Harold Miller and Beedie Welch and Dorrie Glascock, clerks would like to thank each one for your help in making this possible.

Husband Of Former Resident Dies In Denver

Graveside services for Capt. Orrin K. Howe, who died Monday at 1:30 A. M. in Fritz Simmons Hospital in Denver, Colorado, will be held at 4:30 P. M. (today) Thursday at the cemetery in Dimmitt. Services for Capt. Howe were held at 10 A. M. Wednesday in Colorado Springs and the body shipped by train to Dimmitt where it will lie in state today from 12 noon until 4 P. M. today from 12 noon until 4 P. M. in the First Methodist Church in Dimmitt. Capt. Howe was a graduate of Dimmitt High School and of Texas Tech, graduating as a second lieutenant in the ROTC. Capt. Howe was the husband of the former Jerri Pat Hudson, daughter of Mr. and Mrs. E. C. Hudson of Earth. Survivors include the wife, a 4 year old son, Allen of Colorado Springs and his parents, Mr. and Mrs. O. K. Howe Sr. of Dimmitt. The family has requested that those desiring to make expressions of love and sympathy, may do so by either sending flowers or gifts to a memorial fund for the Methodist home in Waco. Further information on the fund may be obtained by contacting Rev. Albert F. Lindley, Mrs. Hershah Belew or Mrs. L. Z. Anglin.

BASKETBALL KING AND QUEEN Rocky Cain and Beth Dent center, were presented at the Hart game, Friday night. Runner-ups were Thomas Gregory and Helen Phillips on the left and Peggy Upchurch and Jerry Beeu on the right.

HAVE YOU PAID YOUR POLL TAX ???

Cris Espinoza Hears Well With Hearing Aid

Eight year old Cris Espinoza who until recently, had difficulty in hearing, can hear as well as any average person now, with the help of his Belton hearing aid, made possible for him by Mrs. George Laing who made a special trip to Lubbock, during the South Plains Fair, to sign up for the aid at the Belton Hearing Aid Service Booth, in hopes that young Cris' name would be drawn, making him eligible for the much needed hearing aid.

Mrs. Laing's dream came true, when several days later, she received word that her name had been drawn. She made arrangements for Cris an appointment in Lubbock, as soon as possible, where the boy was fitted with a hearing aid.

Cris, who is a second grader in Miss Linda Hill's room, frequently cautions his class mates to be quiet, as the noise is too loud, causing his ears to hurt.

Cris resides with his grandparents, Mr. and Mrs. Serafin Vasquez on the George Laing farm, west of Earth.

CRIS ESPINOZA

Hinson Home Scene Of Club Meeting

The Town and Country Study Club met Thursday night at 7:30 in the lovely home of Mrs. J. L. Hinson for their regular meeting. The Hinson home was beautifully decorated with lovely floral arrangements.

Mrs. Roy Neal, president, presided over the meeting. A very inspirational devotional was presented by Mrs. Wayne Rutherford.

Mrs. Ray Kelley, program chairman, introduced Mrs. Marie Slover, who presented the guest speaker, Miss Ute Unger.

Miss Unger presented a very interesting and informative talk on her home life in Germany. She spoke about her father being held behind the Iron Curtain, their Customs in Germany and her impression of America. A period of questions and answers was enjoyed by those present.

Refreshments of Waldorf salad, Boston bread, cheese spread, dainty crackers, olives, candies and coffee was served by Mrs. Roy Neal and Mrs. Lena Hite from a table, centered with a lovely floral centerpiece.

Guests present for the meeting were Mrs. Slover, Miss Unger, Mrs. N.C. Frye and Mrs. Kenneth Hinson.

The following members were present: Mrs. Lena Hite

Presides At Party In Arkansas.

Lena Hite presided at the Silver Service in the banquet room of Hotel Camden, in Camden Ark. Tuesday evening when Mr. and Mrs. Lowell Hite entertained with open house honoring Miss Margaret Malone and Hubert D. Marcy friends of the Hites of the Bermuda Islands who will be married Saturday at 6 P.M.

The guest were received by the honorees, the hosts, and Mr. and Mrs. Charles Malone, parents of the bride-elect, and her sister, Miss Bess Malone.

The honored couple were presented a gift of silver by the host and hostess. Approximately one hundred twenty five guests called between the hours of seven and nine O'Clock.

The Malones are also friends of Mrs. Lena Hite.

Mr. and Mrs. Gus Skinner left Wednesday for their home in California after visiting here in the home of their daughter, Mr. and Mrs. Neil Webb.

News Of Interest To Women

FHA Rose Tones Sing At Littlefield Meet

The FHA Rose Tones were special guests at the brotherhood men's meeting of the Parkview Baptist Church in Littlefield Tuesday night.

The group was accompanied by their instructor, Mrs. Marie Slover and Mrs. Rex Clayton, a former member of the church who introduced the group.

The girls presented three numbers "At Calvary", "Jacobs Ladder" and "Our God Is Great."

The Tuesday night group was composed of Alice Jacques, Katy Clayton and Mary Lucie, singing first soprano, Joan Sanderson, Kared Jones and Jacqueline Parish, second soprano and Joan Dawson, Diana McNamara and Janita Blackburn, singing alto.

The girls organized last summer and have had several engagements since school began to sing for various meetings.

Francis Implement Co. Your Ford Tractor Dealer Muleshoe, Texas Pd. Adv.

Springlake Sunday School Class Meets in Barnett Home

The home of Mrs. Carmaleto Barnett was the scene of the Homemakers Sunday School Class meeting, last Monday afternoon. Plans were made for all the class members and associates to go to Lubbock Jan. 24th and meet at Lester's Hickory Inn at 6:30 where they'll eat supper and then go to the First Baptist Church there and hear Dr. R.G. Lee preach at the Evangelistic Conference. Those present were: Mmes; Velma Baker, Kate Stewart, Dot Parish, Eva Hopping, and Jean Byers. If you can attend please call Jean Byers or Carmaleto Barnett just as soon as possible, so they can reserve enough tables at Lester's.

Party Line...

Mr. and Mrs. Fred Clayton were Sunday dinner guests of the Perry Martins.

Mr. and Mrs. Sam Cearley left last week for Kerrville where they will spend about three months at their cabin at Lone Star Lodge.

Hello World

Mr. and Mrs. Jack Seay of Lubbock proudly announce the arrival of their first child, a girl, born Saturday, Jan. 11 at 10:30 A.M. in Goodnight Hospital in Lubbock.

The little girl tipped the scales at 5 lbs. 15ozs. and was named Jacky Lu Layne.

Grandparents are Mr. and Mrs. N.B. Seay of Friona and Mr. and Mrs. Bud Gooch of Earth.

Mrs. Seay is the former Joyce Gooch. Mr. Seay is employed as an insurance adjuster in Lubbock.

Visitors in the home of Mr. and Mrs. Phillip Haberer and children Sunday was his uncle Mr. and Mrs. Jack Cowert of Dimmitt, also Mr. and Mrs. Noble Howard of Dimmitt.

Among Those Who Are Ill...

R.C. Hooten is improving nicely at his home, following a stroke he suffered recently.

Mrs. Lillie Wuerlein is slowly improving at her home from a heart attack she suffered recently.

Eight month DeLynn Sanders daughter of Mr. and Mrs. Sanders of Portales, N.M. was dismissed from Green Memorial Hospital in Muleshoe Friday where she received several days medical treatment for a virus infection.

Mrs. Dora Terry is a patient in West Plains Hospital in Muleshoe where she has received medical care for several days.

Kelley Green, two year old son of Mr. and Mrs. Bobby D. Green was admitted to the Littlefield Hospital - Clinic, Sunday morning suffering from a virus infection.

Kenneth Sawyer left Friday morning for Bakersfield, Calif. accompanied by Mr. and Mrs. Ray Smith of Needmore, after Mrs. Smith received word that her brother Emmett Nixon had been killed in an oilfield accident.

Laings Return From Holiday Trip In South

Mr. and Mrs. George Laing and sons returned home Friday from a three week trip to Georgia and Florida.

The Laings spent the Christmas holidays in Savannah with Mrs. Laing's mother, Mrs. James L. Stewart and visited in St. Petersburg, Florida with her brother, Mr. and Mrs. Jack Stewart and children.

Highlighting the Laings Southern trip was a visit to Weeki-Wachee Springs where they had the pleasure of viewing a beautiful underwater theater.

The Laings' small sons especially enjoyed the mermaids and a boat ride in a glass bottom boat.

Enroute home the Laings visited his sister, Mr. and Mrs. Dan Lakenmacher and Bill and her sister, Dr. and Mrs. John E. Marshall and Ginie all of Houston.

Mr. Laing reported a long, but very enjoyable trip, especially for this time of the year.

Garner Home Scene Of Club Meet

Members of the Altrui Study Club met in the lovely new home of Mrs. Sam Garner in Hite Park Addition, Thursday evening at 7:30 for their regular meeting with 11 members and 2 guest present.

Hereford attorney, Ernest L. Langley, was guest speaker, speaking on "Wills and Womens Rights."

Election of officers for the coming year was held. Mrs. Charlie Dunn was elected president, Mrs. Darrell Sawyer, secretary, Mrs. Bobby D. Green, treasurer, Mrs. Richard Moore, corresponding secretary, Mrs. Gene Tunnell, Parliamentarian, Mrs. Charles Parish, federation counselor and Mrs. Norman Hinchliffe reporter.

Refreshments of brownies, topped with whipped cream, mints, nuts, coffee and Cokes was served by Mrs. Garner and co-hostess Mrs. Richard Moore.

Members present for the meeting were Mrs. Sam Garner, Mrs. Charlie Dunn, Bobby D. Green, Norman Hinchliffe, Carroll McDonald, Richard Moore, Charles Parish, Billie Robnett, Darrell Sawyer, V.J. Sigman and the hostess, Mrs. Bobby Murrell was present as a guest.

The next meeting of the club will be Thursday, Jan. 23 at 7:30 P.M.

Sister of H.T. Ray Killed In California

H.T. Ray left Lubbock Sunday night by jet for Fillmore, Calif. to attend funeral service for his sister, Mrs. Pearl White, 40 years old, who was killed in an automobile accident Saturday afternoon at Oxnard, California.

Mrs. White is survived by her husband, Wayne O., three daughters, Janice, Marsha and Rhonda, all of the home, her parents, Mr. and Mrs. L.E. Ray of Plainview, three brothers, H.T. of Springlake, Earl Ray, Garden Grove, Calif. and O.W. Ray of Slaton, three sisters, Mrs. Emma Echols, Plainview, Mrs. Lula Gryder, Wilson and Mrs. Leta Vinyard of Moor Park, Calif.

Children and their families attending were Mr. and Mrs. Lee Bartlett and children, Meadow, Mr. and Mrs. Alvie Strickland and children, Lubbock, Mr. and Mrs. Marvin Sanders and children, Earth, Mr. and Mrs. Aaron Strickland and children, Pettit, Mr. and Mrs. Durward Strickland and children, Dimmitt, Mr. and Mrs. Philip Wilson and children, Levelland, Mr. and Mrs. James Strickland and children and Mr. and Mrs. Coy Mote and children all of Brownfield and Mr. and Mrs. Clyde Calson and children of Blunt, South Dakota.

Several Friends Enjoy 84 Party In Home Of Mrs. R. E. Barton.

Mrs. R. E. Barton entertained in her home Friday night with an 84 party with seventeen guests present.

The guests were served refreshments of Coke, ice cream, and hot spiced tea.

Those attending were: Mr. and Mrs. A. C. Barton, Mr. and Mrs. J. L. Hinson, Rev. and Mrs. M. B. Baldwin, Mrs. Bonnie Haberer, Mrs. Zou Wilson, Mr. and Mrs. H. S. Sanders, Mrs. Lena Hite, Mrs. E. R. Hawkins, Mrs. and Mrs. M. E. Kelley, Mr. and Mrs. Guy Kelley and Mrs. Ann Hodge.

Brother of Mrs. Lee Henderson Dies In California

Mrs. Lee Henderson received word Monday afternoon at 4 O'clock that her brother, Don Dane of Los Angeles, California had died.

Mrs. Henderson left late Monday night for Los Angeles to attend funeral services accompanied by a brother, Melvin Dane of Denton and her sister, Mrs. Roy Stanton of Farwell.

FOUR GENERATIONS in the family of J. W. Strickland were all present at a recent family reunion in Levelland. Shown in the picture is J. W. Strickland, 69 years old, his daughter, Mrs. Oetha Sanders, her son, Sandy Sanders, a student at Eastern New Mexico University in Portales and Mrs. Sanders is holding her small grand-daughter, DeLynn, daughter of the Sandy Sanders.

Hello World

Mr. and Mrs. Gene Tunnell proudly announce the arrival of a baby daughter, born Wed. January 8, at 8:08 A.M. in the Methodist Hospital in Lubbock.

The little miss tipped the scales at 5lbs. 5/10ozs. and was named Lori Ellen. She has a brother, Rusty, 3 years old. Grandparents are Mr. and Mrs. Gerald Allison of Pleasant Valley community and Mr. and Mrs. E. O. Tunnell of Earth.

Great-grandparents include Mr. and Mrs. Grizzle, Ft. Sumner, N.M., Mr. and Mrs. Donahue of Oklahoma, Mr. and Mrs. E. O. Tunnell, St. Lubbock and, Mr. and Mrs. J. J. Cook of Littlefield.

Mr. Tunnell is engaged in farming. Mr. and Mrs. Robert Lynn Corner of Springlake proudly announce the arrival of a son, born Jan. 9th at 3:45 P.M. at the Plainview hospital. Terry Lynn tipped the scales

NOTICE

The Altru Club members urge everyone that has a favorite recipe, that the club would like to have it in their community cookbook, a club project. Anyone that has a favorite recipe to donate is urged to contact any of the club members and they will pick up the recipe. Deadline is January 23.

A come and go, pink and blue shower, honoring Mrs. Bobby Murrell will be held in the home of Mrs. Norman Sulser on East Highway 70, Wed. Jan. 22 from 2 P.M. until 4.

Mr. and Mrs. Ernest Rose, who moved recently to Friona will be honored with a going away party in the L. G. Layman home, (tonight), Thursday, starting at 7:30. Everyone is invited.

Mr. and Mrs. Dub Cochran of Magnolia, Ark. are visiting in the home of their daughter, Mr. and Mrs. Dennis Simmons this week.

Mr. and Mrs. Jeff Messer, Fort Worth are visiting his brother, Mr. and Mrs. Marcus Messer and children this week.

at 7lbs. 6/10ozs. and he is the couples first child. His maternal grandparents are Mr. and Mrs. R. G. Parker of Muleshoe, and his paternal grandmother is Mrs. Henry Conner, Springlake.

Springlake Seniors Honored With Party In Blanton Home

The Springlake School seniors were honored with a party Saturday night in the L. M. Blanton home in the Sunnyside community. Assisting the Blantons as hosts were their children, Ronald, a senior and Linda.

Thirty five guests were present including 20 seniors from the class of 24, and class parents Mr. and Mrs. M. H. Been, Mr. and Mrs. Troy Blackburn and Class sponsor, Jodie Mahan.

Those attending enjoyed playing group games, and a buffet style meal was served. Mrs. Lena Hite recently returned from Camden Ark. where she visited with her son Col. Robert L. Hite and family. Mrs. Hite also visited a sister, Mr. and Mrs. Von Kinsey at Memphis Tenn.

Mrs. Don Randolph and Mrs. Charlie Dunn were in Lubbock on business Friday.

HOW WONDERFUL IT MUST BE to be the proud father of nine children and to have all nine of them together at the same time, especially during the yuletide season, when families together, means so much. Mr. Strickland is 69 years old and lives in Brownfield. He and his children met in the Levelland Community Building for a family reunion, during the holidays. Shown left to right, in the back row, Aaron Strickland, Mrs. Marvin Sanders, Mrs. Lee Bartlett, Alvie Strickland, Mrs. Phil Wilson, Durward Strickland. Seated left to right, James Strickland, Mrs. Coy Dale Mote, Mr. Strickland and Mrs. Clyde Colson.

Regular Meeting Of Earth Rebecca's Held Thursday

Members of the Earth Rebecca's met Thursday night for their regular meeting in the Oddfellow hall with several members present.

Noble Grand, Bobbette Marshall, presided over the business meeting.

The Rebecca's meet each 2nd, and 4th Thursday, and installation of officers will be held on the next meeting night which will be Jan. 23.

Card of Thanks

We would like to take this opportunity to express our deep appreciation to everyone who visited us in the hospital and at home and to those who sent food. Your thoughtfulness has meant so much to us. Abe and Alene Griffin

NOTICE!

TO PARENTS Of School Age Children

The school census is being taken during the month of January this year. All children who are six years old on or before Sept. 1, 1964, but will not be 18 or older on or before that same date should be counted in this census. It is very important that all children six to 18 years be counted in this census. The child should be counted even though he may be in school and even though he or she may be married.

If you as a parent have not received and filled out a school census blank on or before January 22:

1. Phone Superintendent at No. 257-4321 and ask for a census blank.
2. Call in person at the school Tax office and get a census blank and fill it out.

Remember, if your child will be six years old next September 1, he should be counted in the census now, even though he is not in school now. If he is six but not 18 or older on next September 1, he should be counted now. All children from six to 18 should be counted. The six year olds who start next September to school are the ones most often overlooked in the census.

Please read the census blank carefully, fill it out completely, and return it by your child next day to the teacher. Thank you.

Be Sure And Turn In Your Census Blanks Before February 1st

bles. The boys discussed the causes and prevention of fires and worked on their part in the pack meeting. A puzzle was made by each boy that is suitable to go into a family game box. Mrs. Wilson Lewis is den mother. Den 9 met Monday afternoon at the community building in Springlake with 7 boys present. The boys studied the handbook for emergencies and home protection exercises. The boys practiced the for handed rescue and Jerry Barden the new den chief gave a demonstration on stopping bleeding and artificial respiration. A game of signal warnings was played during the rest of the meeting. Jimmy Smith served refreshments. Pack meeting plans were reviewed.

Den 3 met last Thursday afternoon at the scout hut with 8 boys present and the den chief, Dennis Rylant. The group made a den doodle and played games and made pack meeting plans. Donnie Galloway served refreshments. Den 1 met Monday afternoon at the scout hut with Mrs. Sulser. 6 boys were present for the meeting. The pack meeting plans were discussed along with civil defense ideas. Chris Brock led the pledge. Gregory Slover, the law of the pack and Donald Templeton the promise. Carl Sulser served refreshments.

L. S. Griffin was in Littlefield Friday afternoon on business.

1,512,000 Cotton Samples Classed in Lubbock To Date

The Lubbock Classing Office of the U. S. Department of Agriculture Cotton Division classes 1,512,000 samples during the week ending January 10. This is about 10,000 less than the previous week and brings the season's total to 1,512,000 samples. Last year on the same date the total for the season was 1,655,000.

The Lamesa office had classed 210,000 samples through January 10. The Brownfield office had classed 216,000. A total of 1,961,000 samples has been received by the three offices. On January 10 last year 2,160,000 had been received. The Lubbock office is now receiving approximately 5,500 samples daily. Lamesa

and Brownfield are each receiving about 2,500.

Cotton classed in Lubbock last week was 23 percent White, 53 percent Light Spotted, 18 percent Spotted, 3 percent Tingad and 1 percent Light Gray. Grades accounting for the largest percentages were: Strict Low Middling with 15 percent, Low Middling 5 percent, Middling Light Spotted 11 percent, Strict Low Middling Light Spotted 35 percent, Low Middling Light Spotted 7 percent and Strict Low Middling Spotted 14 percent.

Staple length continued to decline. The average was 29.5 thirty-seconds of an inch as compared to 29.6 the preceding week. Three percent of

the cotton classed staples 7/8 inch or shorter, 44 percent 29/32 inch, 49 percent 15/16 inch and 4 percent 31/32 inch or longer.

The percentage of cotton "miking" below 3.5 remained about the same. However, cotton in the category of 2.6 and below increased 6 percent over the preceding week. Percentages for the different micronaire ranges were: 19 percent 2.6 and below, 29 percent 2.7 to 2.9, 36 percent 3.0 to 3.4 and 16 percent 3.5 and higher.

Movement of the present crop into market channels is running behind last year. During the last three months of 1963 purchases of 291,000 bales in

Lubbock were reported to the Agricultural Marketing Service. For the same three months in 1962, 400,000 bales were reported.

The past week was one of the new crop cotton, according to reports to the Agricultural Marketing Service.

Prices paid farmers were steady to slightly higher, generally being 20 points below loan rates to 90 points above the loan.

On the Lubbock market quotations were changed for Middling Spotted and Strict Low Middling Spotted and are being quoted 20 points higher. All other quotations remained unchanged with Middling 1 inch quoted at 32.50 cent per pound. Other quotations for grades with micronaire readings of 3.5 or higher were: Strict Low

Middling 15/16 inch 30, 05 Middling Light Spotted 15/16 inch 30, 10 High Spotted 15/16 inch 27, 70.

Cottonseed prices have remained steady for the past three weeks at \$48.00 to \$53.00 per ton.

Party Line...

Denny Parish was an overnight guest Saturday night of Ronnie Williamson of Oton. Mr. and Mrs. Marcus Messer and Marianne spent Saturday night and Sunday in Lubbock with Mr. and Mrs. Tom Messer and children.

MULESHOE, TEXAS

The great highway performer

'64 Jet-smooth Luxury Chevrolet

What does it take to make a car a great highway performer? If the car happens to be a '64 Chevrolet, one thing only. A highway. You'll find everything else already neatly packaged for you—on the car exactly as you pick it off the showroom floor. There's a choice of seven engines—all the way up to a twin-carb high-compression 425-hp V8*—and four transmissions, including a finely honed 4-speed stick shift.* And underlying it all—a bump-skimming Jet-smooth ride that helps keep the performance great even when the highways aren't so great.

What about special performance equipment? Professional driving skills? Forget them. Nobody has to doctor or coax or soup up these Chevrolets to get the best out of them. And that's really the test of a great highway performer: Just about anyone can get a kick out of driving one, just about anywhere, just as it comes out of the showroom. Next time you're out your dealer's way, allow a few extra minutes to sample one of these highway performers on your own. A few are really all you'll need. That's enough time to do a lot of driving in a Chevrolet. *Optional at extra cost

Hats Off, To Springlake Lunchroom Staff

By: Mr. Watkins

As each of us are fully aware, the school is one of the vital focal points of any community. To attest to this we have PTA, crowds at sports events, teacher's meetings, administration and the like, most of which are somewhat publicized in the manner which best befits them.

There is one area, or department if you prefer, that seems to be lacking in the praise it richly deserves, I am speaking of the cafeteria and the ladies that make it so.

Springlake schools can be justly proud of the new cafeteria they now support. I feel certain there is no public school cafeteria for a school this size, that can match ours for beauty, space and organization.

But the organization comes not only from the architecture, but from the personnel who works it. We have some of the most efficient cafeteria ladies in the business and are most fortunate in that respect. We need not go into past history in detail. Most of the community knows or have been told of the little cafeteria which stood where the Ivy Nance's now live. As the community grew and progressed, a larger cafeteria was utilized, and now we have our new one.

But what some people don't know is the "extra" work our cafeteria ladies have done. For instance, one hard frozen winter the water lines froze solid and the cafeteria ladies "took to their cars" and carried water from town to school in milk cans. Lunch was on time. In fact, for the past eight years, lunch has been on time, except for once, a remarkable feat indeed.

Little things like going to Ed Haley's vegetable garden and picking fresh vegetables right off the vines. The closeness of their work but the understanding and friendly atmosphere that prevails among these ladies simply adds another mark to their credit.

The present supervisor, Elvira Upchurch, is now in her eighth year of continuous service. Frances Britt now has a total of 11 years duty, the longest term of any now in the cafeteria. In her second year is Eva Nance, who had eight previous years in Arkansas. Other second

CHOW DISHING CREW!! An average total of 360 hours, per school week is put in by these nine ladies above, who arrive at school each morning around 7:45 A. M. to begin preparing the menu to be served to the Springlake School Students Monday through Friday, from September through May. Shown in the picture, left to right, Mary Fruedenrich, Ava Mae Wages, Faye Waide, Elvira Upchurch, supervisor, Lena Grace Griffin, Lola Sloan, Eva Nance, Elizabeth Packard and Francis Britt.

year ladies are Lena Grace Griffin and Lola Sloan, Ava Wages now is in her third year and first year ladies are Elizabeth Packard and Mary Lou Fruedenrich. A very capable substitute is Laura Mae Stancil who has had eight previous years experience.

Many things of merit could be said of these ladies. Time and space makes it impossible to detail them all. But we should be, and are, proud of the fine cooperation and service rendered to the community and schools to these ladies. Hats off. We do appreciate you!

Littlefield C of C Annual Banquet Scheduled Jan. 29

Tickets went on sale last week in Littlefield for the annual Littlefield Chamber of Commerce Banquet, that will be held Wednesday, January 29, at 7:30 P. M. in the Littlefield high school gymnasium.

Dr. Kenneth McFarland, a guest lecturer for General Motors Corp. and widely recognized as the nation's No. 1 speaker, will give the principal address.

Dr. McFarland earned his unofficial title as America's No. 1 speaker from a nationwide survey conducted by the U.S. Chamber of Commerce. He is a guest lecturer for both General Motors and the American Trucking Assn.

He and his family live on a stock farm near Topeka, Kan. Broadly trained in both government and economics, Dr. McFarland was an outstanding school leader for almost 25 years. He is also an industrial advisor, businessman, civic and church leader, farmer and stockman.

A salesman of Americanism Dr. McFarland is a graduate of Pittsburgh State College and earned graduate degrees from both Columbia University and Stanford University.

Dr. McFarland's reputation as a public speaker is the result of his profound conviction that effective speech is a vital medium of service to his fellow man. His direct speaking activities have been supplemented by a series of new long playing recordings taken "live" in meetings he has addressed.

He has also written a new book, "Eloquence in Public Speaking", which has been published by Prentice Hall. This is already a best seller in the speech field.

Dr. McFarland was named America's "Outstanding Salesman for the Year" by the National Sales Executive Club, in their International Convention in Los Angeles in 1957 for his work in selling America to Americans.

Annual FFA Stock Show January 25

Members of the FFA Chapter met at the school Thursday at 7:30 P. M. with 11 members present.

Plans were mapped out for the annual FFA Livestock Show to be held at the show barn Saturday, January 25. Kenny Kendrick, Davey Haberer and Pete Glasscock were appointed the bedding company, and all the rest of the members who can, will assist in cleaning and preparing the pens for the show.

Following the opening ceremony Thursday night at the meeting a film was enjoyed on "The Vocational Agriculture Teachers."

Mr. and Mrs. James and Phillip of Pampa visited Sunday with Mr. and Mrs. R.C. Hooten.

present. Plans were mapped out for the annual FFA Livestock Show to be held at the show barn Saturday, January 25. Following the opening ceremony Thursday night at the meeting a film was enjoyed on "The Vocational Agriculture Teachers."

Mr. and Mrs. James and Phillip of Pampa visited Sunday with Mr. and Mrs. R.C. Hooten.

Party Line...

Mr. and Mrs. Paul Poyner left Saturday night for Dallas to attend the Spring and Summer merchandise show and to purchase merchandise for the local Poyner's White Store.

Visiting with Mr. and Mrs. R.C. Hooten Monday morning were Mr. and Mrs. Floyd Davis and Donald of Oklahoma City.

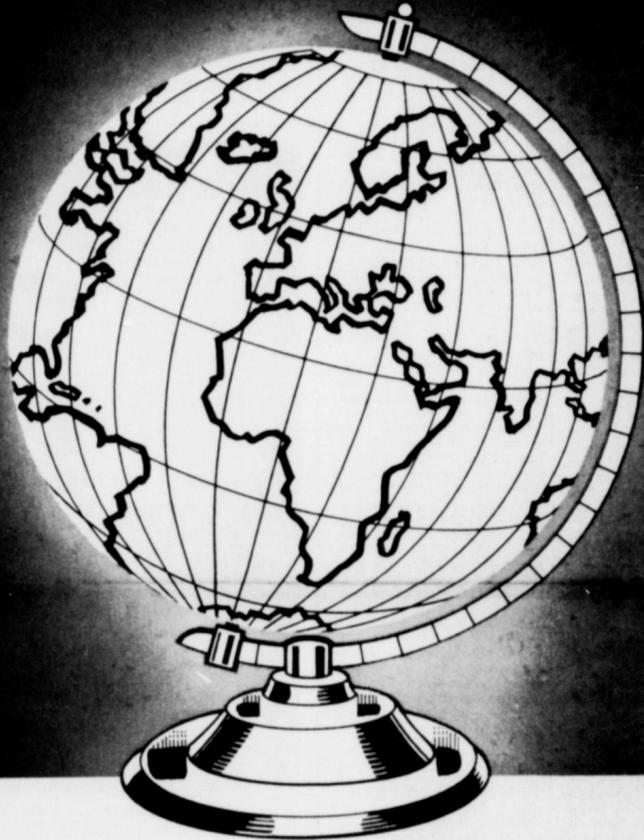

Mrs. Teal Loftis, of Kress returned to Earth Monday to stay with her parents Mr. and

Mrs. R.C. Hooten while her father recuperates from a recent stroke.

Mrs. Sidney Foster and Kris of Lubbock spent Friday with her grandparents, Mr. and Mrs. B.J. Brochette and returned her three year old son, Kent home with her after he had visited several days with his great grandparents.

Mr. and Mrs. Richard Stockstill and children visited with Mr. and Mrs. Roy Dale Underwood and children in Dimmitt Sunday. Mr. and Mrs. Donald Runyon and Stan were also visitors in the Underwood home.

Most of the world lives in darkness

More than half the countries of the world live under a partial or complete black-out of news, through censorship. The people of these countries have lost a guiding light to freedom — the complete, true knowledge of all that is happening in the world.

These countries have lost their freedom of the press because their governments know that what Thomas Jefferson said was true: "When the press is free and every man able to read, all is safe." The leaders of these countries know that suppressing news suppresses not just the people's voice in government, but the people themselves.

In our nation, freedom of the press and public education were made an integral part of our way of life, because our Founding Fathers, also, knew that Thomas Jefferson's statement was true. And they planned our government to rest in the hands of the people.

The job of making all of the news available to

every man who can read rests mainly upon our newspapers. Day in and day out, they are able to report the news completely, as only newspapers can deliver it!

And the people of our nation want not only accurate news, but all of the news. The proof: Since 1920, during a period which introduced both radio and television, newspaper sales more than doubled — every day over 60 million copies of 1,800 daily newspapers are circulated. That's more copies than the number of families in our nation.

To keep up with this demand for news, the newspaper industry has been continually working to improve their service — by introducing the most up-to-date communications and production methods.

So, while most of the world lives in darkness, our newspapers serve as a light of freedom, making a big difference in people's lives.

Wolverines Whip Sudan 64-39

by Mr. Watkins

With Rocky Cain leading the way and Thomas Gregory close behind, the Springlake Wolverines chalked up their second straight district win against a weaker than usual Sudan five Tuesday night by a score of 64-39. The game was played at the Hornet gymnasium.

Coming out strong in the first quarter, the local quintet scored 17 points in the initial stanza while allowing only five for the Sudan Hornets, with Cain hitting for seven and Gregory four.

The second period saw closer action as the Hornets began pulling closer to the Wolverines as Thomas hit from the corner, and Williamson from the tip of the key to outscore Springlake 14-12, to give a galtime score of 20-19, Springlake on top.

The third quarter once again had Springlake outscoring the Sudan Hornets 12-10 as Cain, added seven more to his total and Gregory hitting for three. The score at the end of three full periods of play was 31 for Springlake and 29 for Sudan.

The bottom fell out during the fourth quarter as Springlake hit for a total of 23 while holding the hapless Sudan team to 10. It was Gregory during the final stanza as he hit for 10, with Cain hitting for five. The two post men for the locals did most of the damage as Cain hit for 24 and Gregory had 21 to score a total of 45 points between them.

Also playing good for the Wolverines was Jerry Been, hitting for eight and playing good on defense. Jerry's also the trigger man for the Springlake cagers. Excellent rebounding was turned in during the course of the game by Ken Dawson, 6' 3" sophomore. Scoring for Sudan was Tom Thomson with 14 and Robert Williamson who had 13.

The win put the local quintet in a tie for first place in conference play with Farwell, who downed Hale Center while Springlake was downing Sudan.

First place in the conference will be decided Friday night at the Farwell gymnasium as the Wolverines take on the high scoring Leon Lovelace and crew. Fans will remember, during the Springlake tournament that Farwell downed Springlake 32 to 31 in a close contest that wasn't decided until the final whistle.

Game time at Farwell Friday night will be 7:00 P. M., with the local girls taking on the Farwell girls, with the boy's contest immediately following.

The Sudan girls picked up their 19th victory against a single set back by beating the Springlake girls 45-36. Jackie Norman hit 17 to pace the Hornets to their 15th successive victory. Beth Dent scored 25 points for Springlake.

Freshman Boys Beat Friona Boys 35-34

by Mr. Watkins

Springlake Freshmen boys traveled to Friona Thursday night and after a hard fought, foul packed contest, came home with a narrow one point victory 35 to 34. It was the second time this season the local fish had defeated the taller, more experienced boys from Friona.

The first half was all Frionas as the young chiefs jumped to an eight to 0 lead with only 50 seconds gone in the initial quarter. Continuing their fine floor play and shooting accuracy, Friona led 14 to 10 at the end of the first period and 25 to 18 at halftime.

Springlake took control early in the third quarter and steadily poured the round ball through the hoop as they outscored Friona 11 to 5. At the end of three periods of play the score was 30 to 20, Friona on top.

The final stanza was nip and tuck all the way with pressure being on the Springlake five. Late in the third quarter the local hoopers lost the capable services of Terry Parrish via the foul route and lost hard playing Logan Armstrong midway in the fourth. With a minute and 30 seconds remaining on the clock, Friona was still out in front with a two point lead and possession of the ball. Attempting to stall, the Chiefs were stymied by the scrappy Springlake five and the locals made the break pay off. Driving in for two, Roy Flores, speedy little wing man for the fresh quintet was fouled and hit one of two tosses.

With the ball changing hands several times during the last two minutes of play and neither teams scoring, Friona maintained its one point lead. Never giving up, the Springlake five took possession of the ball with eight seconds remaining, and Doug Messer, taking a pass from Jessie Cole, went high in the air with two boys contesting him and sunk a two pointer from 12 feet out, giving Springlake their 35 to 34 victory. High point honors went to Roy Flores with eight, closely followed by Armstrong with seven and Thomas and Messer six each.

Good rebounding and defense was displayed by Parrish and Cole. The freshmen play their next contest at home Thursday night at 6:00 P. M. against the Whiteface freshmen.

The freshmen girls lost to the Friona team by a score of 46-26.

Beverly Prather chalked up 13 points for the Springlake team and C. Ingram scored 16 points for Friona.

ONE, TWO, THREE, HIT!! A Wolverine seems to lay the ball in the basket with the greatest of ease at the Sudan-Springlake game, Tuesday night.

OVER AND IN!!! Thomas Gregory makes a point in the Hart game, as a Hart player tries to block the ball.

ALL EYES ARE ON THE BALL as both the Wolverettes and Hornets wait for the ball to come down from out of the air. Both teams played excellent basketball Tuesday night.

County Junior Stock Show Feb. 21-22

Final plans for the annual Lamb County Junior Livestock Show, scheduled for Feb. 21-22, were made, during a meeting of officers and directors last Wednesday night in the Reddy Room in Littlefield.

Doyle Turner, of Pleasant Valley, president of the show announced that several rule changes were made, and that the group formed the Junior Livestock Show Corporation in order to supervise the fair grounds under legal responsibility.

W. T. Hall of Olton is president of the organization and Marshall Howard of Littlefield is secretary-treasurer.

Floyd Burgess of Earth will be superintendent of the swine division, Douglas Walden of Littlefield is in charge of the beef cattle, F. J. Branham or Archie May, Olton, will head the sheep division, and Robert Aikin of Olton heads the Shetland pony portion of the show.

Calvin Holcombe, county agent from Seminole, is to be beef cattle judge, Paul Grass,

assistant agent from Seminole will judge the swine, Neal Jones of Olton is to judge sheep and Coleman Cowan of Lubbock will judge shetland ponies. The annual show will be held at the Littlefield fairgrounds. Directors started a solicitation drive this past week for show premiums.

The local FFA Chapter members plan to have several entries in the show.

OF THE SOUTHWEST

Ft. Worth Fat Stock Show Opens Jan. 24

The local FFA Chapter will have approximately 12 head of swine entries in the annual Southwestern Exposition and Fat Stock Show in Fort Worth that gets underway Friday, Jan. 24.

FFA members that have entries include Jimmie Stockstill, James Thomas, Danny Kelley, Bob Coker, Gene Jones, Bob Phipps, Harold Powell, Raul Kelley and Raul Cortez.

Several of the FFA members accompanied by their instructor, E. G. Gaston will leave Wednesday, January 29 for the show and will return the following Saturday.

Tickets are selling briskly for the 1964 edition of the "World's Original Indoor Rodeo" which will see top professional cowboys, competing for big money against rodeo livestock selected from the combined strings of Tommy Steiner-Hoss

Inman and Associates. Guest stars will be James Drury, TV's "The Virginian" and the Sons of the Pioneers, reputed to be America's most famous Western music group.

Livestock and Horse Show officials are working long hours assigning stalls to an overflow number of entries in cattle, horses, sheep and swine.

Workmen are putting on finishing touches and installing modern kitchen equipment in the new Round-up Inn, where cafeteria facilities will be provided for stock show boosters.

Parade officials are receiving confirmation from numerous bands and riding groups that will be participating in the Annual Western Day Parade, starting at 2 P. M., Jan. 24th.

OOPS, MISSED IT!! A Wolverette tries for a point, but fails to hit the basket at the Hart game.

C. O. Taylor Purchases Parish Building

The transaction of one of the oldest landmarks in the city occurred the past week with the purchase of the old Parish building, located on main street, by C. O. Taylor, local furniture dealer.

The two story structure was the first brick building to be constructed in Earth, and was built by a Plainview Contractor, in 1934 and owned by J. A. Parish, pioneer resident.

When completed the building housed Parish and Sons Hardware and John Deere Implement. The upper story of the building was divided into apartment dwellings, installed with a bathroom, another first for the City of Earth. Several families resided in these apartments for a number of years, including a local doctor and druggist.

The Parishses operated the John Deere Imp. until 1945 when they sold the dealership

SURROUNDED BY SUDAN Thomas Gregory makes two points for the Wolverines in the Sudan game, the boys defeated the Sudan Hornets, 64-39.

THE WOLVERINE STRETCH!! An unidentified Wolverine player, reaches for the ball in the Hart game Friday night. The Wolverine team won the game.

Driving the FORD 6000 is Robert Gilliam who farms north east of Muleshoe on the Bud Gilliam farm.

THE WOLVERETTES played a good game Tuesday against the Sudan Hornets, but they lost by a score of 45-36.

Mr. and Mrs. Thurman Lewis and children were Sunday dinner guests in the Henry Lewis home, Mr. Lewis' brother, Mr. and Mrs. Paul Lewis of Lubbock called in the afternoon.

parents, Mr. and Mrs. C. D. Trotter, also his sister, Mrs. Dean Callahan and children of Muleshoe who were also visiting in the Trotter home.

The Chester Kelleys have purchased the house recently completed by Fred and Bob Lassery on 5th street and Fir drive and moved there from their farm home last week.

Mr. and Mrs. L. S. Griffin visited in Abernathy Sunday with their son, Mr. and Mrs. Larry Griffin and Siaria Kay.

Mr. and Mrs. Cliff Layman spent the weekend in Oklahoma City, accompanied by Mrs. Layman's mother, Mrs. L. D. Windem who will spend several weeks visiting her brothers, Roy and George Holloway and a sister, Mrs. Myrtle Stall.

Francis Implement Co. Your Ford Tractor Dealer Muleshoe, Texas Pd, Adv

Eldon Trotter was in Littlefield Sunday and visited his

to Guy Kelley and Earl Miller. The present John Deere dealer, Chubby Dent bought the Implement dealership from Kelley and Miller in 1952 and has operated it since that time.

Mr. Parish, who is retired, has owned a large amount of property in the City for several years. He divided his property among his children several years ago, and is residing with his daughter, Mrs. Marie Ross in the Burkett addition.

Taylor purchased the building from Parish brother, Clive, Cecil and Gus. The purchase included the Earth Locker building, managed by John Garrett. The locker will be rented by Garrett from Taylor and the name of the firm will remain the same as in the past.

The remainder of the 80x100 foot building is being remodeled to enlarge the Taylor Furniture floor space.

W. D. Ratliff Seeks County Sheriffs Post

To my friends and citizens of Lamb county.

Due to so many friends and business people over the country expressing their wishes for me to seek this office, I will be a candidate for sheriff in the coming election. I was born in Killeen, Texas, Bell County and moved to Winters, Texas, Runnels County, by covered wagon at the age of seven. Our family moved to Lamb county in December of 1925, purchasing land north of Littlefield. My father was L. A. (Pap) Ratliff, whom most of you know. I have called Littlefield and Lamb county my home since that time. I have farmed, played a number of years in professional baseball, was in the grocery business 10 years in New Mexico and have had experience in city, county and state work as law enforcement officer. I also have been active in civic functions with Lions Club and Chamber of Commerce. My wife and I attend the Church of Christ. "I seek this office on my own

experience and qualifications, not that I have any ill will against anyone. Mr. Dick Dyer is a good friend of mine, also the other candidates and will remain so. It is only fair that the citizens and voters have a selection of candidates from which to choose so they can express their wishes. Therefore, have sold my service station business and will devote full time to campaigning for this office.

"I will make no false promises to anyone and regardless of race, color or creed, will endeavor to be fair and honest with everyone. My pledge to every citizen is: "Honest and fair dealings to everyone, special privileges or favors to none."

"Your vote and influence will be appreciated."

Thank you very much, W. D. (Dick) Ratliff

Party Line...

Mr. and Mrs. Bill Paskel visited Mr. and Mrs. O. L. Anderson, Sunday.

Mr. and Mrs. Nathan Stowers of Hereford visited with Mr. and Mrs. Leon Foster and children, Sunday. Mr. Stowers is Mr. Foster's cousin.

W. D. RATLIFF

PCG Board Meets In Lubbock Jan. 22

Cotton Legislation and the High Plains boll weevil problem will be principal topics on the agenda at 10:30 A. M. on Wednesday, Jan. 22 when directors of Plains Cotton Growers Association, Inc. meet at the Johnson House South, Lubbock.

A joint meeting of the finance committee and the Executive Committee will be held at 10:00 A. M. immediately preceding the Board meeting at 10:30 A. M. A report of that meeting will be given to the Board.

"The recent 'Acreage Diversion' proposal by the U. S. Department of Agriculture, which could have a tremendous impact on the area economy, and the seriousness of the boll weevil problem make this one of the more important meetings to be held in recent years," said George W. Fleisher, PCG executive vice president, who urged that all directors make every effort to

attend. The boll weevil, which has never before been a threat to the High Plains, has made consistently deeper inroads into the area for the past three years. A program to stop this most costly of cotton insects from enveloping the entire High Plains will be under discussion.

Plains Cotton Growers, Inc. is a cotton producer organization representing 23 High Plains counties, and while official policy is determined by members and other interested parties are invited to attend board meetings.

Party Line...

Ross Middleton left Monday for Oklahoma on a business trip and to visit his parents, Mr. and Mrs. George Middleton and other relatives in Holdenville.

David and Brad Poynor are visiting in the homes of Elvin and Melvin Berry in Olton this week while their parents are in Dallas to attend merchandise showing.

EARTH NEWS SUN

YOU BE THE JUDGE

THINGS HAVE CHANGED SINCE 1888

1st

Now FIRST with a Five-Year Warranty Against Any and All Conditions

Aermotor is more confident of this submersible than any other pump it has ever sold.

Why?

Its "Delrin" bearings and bowl-diffusers and its "Cycloc" impellers have now proved their miracle capabilities in rugged field installations as well as in the lab. In terms of low moisture absorption and smooth service under varying temperatures, these synthetics have more than passed their tests with flying colors.

Its ease of maintenance and fast access for inspection and repair (just a screwdriver and wrench is all it takes) have already earned the unqualified admiration of pump men.

Ceaseless engineering improvements such as the new sleeved bearings (described above right) and new better-than-ever capacity ratings make the Model "S" constantly more competitive than ever.

These pumps were actually tested in powdered glass. So were brass subs. Long after the brass models had been completely destroyed and junked, the Aermotor Model "S" was still operating—and operating efficiently.

Aermotor is confident. It will stand in back of this submersible for a full five years.

1st

To Market a Submersible that can be Completely Field-Stripped with only a Screwdriver and Small Wrench

1st

With Exterior Pump Parts Made of Tough, Hard, Corrosion-Resistant Plastics

Improved bearing design. Top bearing has molded cap. All bearings have Neoprene sleeves. Reduces wear by effectively sealing out dangerous abrasives.

Easily removable poppet-type check valve

Improved discharge head body is equipped with convenient hexagonal top

Efficient bowl-diffuser conducts water from stage to stage with minimum energy loss. Bearings and bowl-diffusers have special recess for ease in prying apart with screwdriver.

Spline-type coupling is corrosion-resistant. Has excellent protection against sand.

Hermetically sealed stainless steel motor case

Impellers are smoothly and quietly driven by large six-spline shaft

An ordinary screwdriver and an adjustable wrench will completely dismantle this entire pump. Bowl-diffusers and discharge head can be easily pried apart with a screwdriver. Wire guards are eliminated. The 3-wire cable snaps effortlessly into special grooves in bowl-diffusers. Metal nameplate secures top of cable.

Perforated stainless steel inlet screen

Stator windings have three times the heat dissipating ability as other filling materials, such as oil

Precision lapped thrust assembly

WHEN IT COMES TO PUTTING WATER IN THE HOME, YOU CAN'T BEAT AERMOTOR SUBMERSIBLE PUMPS.

EARTH, TEXAS

Dick Dyer Announces For Re-Election

To my friends, the citizens of Lamb County, I would like to take this opportunity to express my appreciation to the people of Lamb County for their past support and cooperation. I have tried at all times, to make you the kind of sheriff I would want for my family and myself. I feel I am better qualified to make you a sheriff now than I have ever been, at least I intend to try my best to do so. It is impossible for me to get out and see each and every one of you, and to visit in your homes and places of business as I would like to do, but you are now paying me as your sheriff and it wouldn't be right for me to neglect my duties and get out and wage a full fledged campaign on your money.

I think you know I am trying to take care of my job which I hired out to do, and my platform is based on my past record. If you desire to re-elect me to the office of Sheriff of Lamb County, I will continue to do my best to stay on the job and see that our laws are enforced in an efficient and courteous manner. I will certainly appreciate your active SUPPORT and your VOTE on the 2nd of May. Very sincerely yours,
Dick Dyer
Sheriff, Lamb Co., Texas

Dick Dyer

Party Line...

Sunday dinner guests in the Rex Clayton home were Mr. and Mrs. Duane Harris of Plainview and Mr. and Mrs. Marvin Sanders and Pruda.

Mr. and Mrs. John Blackwell and Lori Ann of Littlefield visited Sunday afternoon with his parents, Mr. and Mrs. Carol Blackwell and Donna.

LINDA BARDEN

has blessed our nation immensely and is the real reason America has prospered and withstood throughout the years. We must continue to be a Christian nation if we want to remain a free nation.

America is a beautiful nation with her majestic mountains, her lovely forests, and the blue waters and skies. Americans swell with pride when they hear, The Star Spangled Banner and see the United States Flag, blowing proudly in the breeze. I think America is the most wonderful nation in the world with her natural beauties crowned by the United States Flag. America means and is all of these things to me. It gives me a great feeling just to think how good God was to let me be born and live in America, the land of the free!

Mrs. D.M. Allen returned recently from several days visit with her sons, Mr. and Mrs. A.L. Allen, Quinlan and Mr. and Mrs. Willis Allen of Rockwall.

Mr. and Mrs. Leon Foster were in Lubbock Wednesday and Saturday where Mr. Foster received medical treatment.

Francis Implement Co., Your Ford Tractor Dealer Muleshoe, Texas P.O. Adv.

What America Means To Me

By: Linda Barden

America is a big word and it means different things to different people but to me it means freedom.

America is a land of freedom which offers opportunity to every human being. It gives everyone the chance to become great even if he starts poor. It gives a person the opportunity to do his best to better himself in any way.

America gives the right to choose. An American is not bound by custom to follow the occupation of his father, and he has the right to choose his job. He has a right to change to another job if he feels he can better himself. The freedom to change occupations helps keep America honest, for the employers pay better wages and provide better working conditions. The worker can decide from this where he can work with the greatest profit and enjoyment. Many Americans prefer to be their own bosses, so they work as skilled craftsmen, ministers, lawyers, and doctors. The Declaration of Independence says that life, liberty, and the pursuit of happiness are the natural rights of men.

America gives the right to vote. America is governed by officers or public servants, elected by the people, so in this way there is no dictatorship. A tight rein is held by the citizen upon the government in this way tyranny, dishonesty, and inefficiency

do not last long in a government run by the people under one system. The right to vote assures freedom so a man or woman cannot take over control of the government.

America offers the freedom of religion and speech. A person may go to the church of his choice and may say anything he wishes. Also he may criticize the government.

The rights of all Americans are protected by the constitution, the supreme law of the land. The law is constantly changing to meet the complex problems of the changing society. The constitution is the important link that keeps all fifty states united.

Americans go to sleep at night feeling secure for they know protection is all around. The Navy, Army, Marines, and the United States Air Force are continually protecting America and keeping it secure for they are eager to serve their country.

Our American heritage has created great men such as George Washington who fought most of his life to keep our country free, Thomas Jefferson a man who helped America in many ways, Alexander Hamilton, James Madison, James Monroe, John Adams, Benjamin Franklin, and many other great men, who fought to make you nation what it is today. We, the American people, today still must continue to keep our country free. God

Japan Removes Grain Sorghum Restrictions

Japanese Minister of Agriculture, Munenori Akagi announced in Tokyo today that import restrictions are being removed from U. S. Grain Sorghum, Effective January 11, K. B. Parish and J. H. Angeley Co-chairmen of the Lamb County Grain Sorghum Producers said that work such as this toward removing barriers against grain sorghum in International Markets is an important phase of the Association's program for producers.

Bill Nelson, Executive Vice President of the Grain Sorghum Producers Association in Amarillo, said that negotiations for the forward step in Japan have been underway since 1960, and were finalized this week by Bill Hattori, the association representative in Japan through the U. S. Feed Grains Council. Nelson said this now means that Japan feed manufacturers can import any amount of any type and quality of grain sorghum they wish without a license or protective duty being required by the Japanese Gov. In the past, because U. S. Grain Sorghum had been cheaper than some local grown feed grains and potatoes and beet producers for the manufacture of alcohol, both duties and quantity restrictions had been in effect to protect local producers of those commodities.

Since market development work was started in Japan by the Grain Sorghum Producers Association the export market there has increased from zero in 1960 to 100,000 tons in 1961 3,000 tons in 1962, 5,000,000, tons in 1963 and 800,000 tons is in prospect for 1964 market.

From Oklahoma To Texas, 500 Miles Away

When Ookies decide to move they pack up their belongings and move, proof of that is here in this community, as Earth is mostly populated by native Oklahomans.

However, Bob Ussery, local contractor, who is a true Okie at heart, wasn't quite satisfied with just being from Oklahoma and living here. So what does he do? He buys an old Oklahoma house, a landmark in Sweetwater, Okla., and has it moved 500 miles, to a lot he owns here in Earth on East Highway 70.

This gigantic moving process began Friday morning in Sweetwater by Barnes House Movers of Hollis, Okla., and ended 3 1/2 days later when the 28X50 foot house finally arrived in Earth at noon Monday.

The house, which is 42 years old, was built at the edge of town in Sweetwater in 1922, and was never equipped with modern day utilities.

Ussery states, he plans to completely remodel the house and install a bathroom and other modernistic improvements.

The idea of purchasing the property occurred recently, while the Usserys were visiting in Oklahoma. Mrs. Ussery was reared within one and one quarter miles of the old landmark, and recalls eating lunch in the house, in her younger days.

Other Earthites who recall having visited the Browns who lived in the house include Pat McCord, Wayne Rutherford, Ray Kelley and Marshall Kelley.

Ussery reported that when the Brown's house was built, it was one of the best homes constructed in Sweetwater, and that the lumber today appears to be as good as when the house was built.

Mr. and Mrs. Clyde Ray Davis and children of Dimmitt visited Sunday with her parents Mrs. and Mr. L. T. Smith.

Mrs. Ray Stansell left Monday afternoon to visit her mother, Mrs. Clara Purdy in Stillwater, Okla., and her sister Mrs. Robert Boyd in Tipton, Oklahoma.

HOME IN EARTH, TEXAS after a 500 mile trip from Sweetwater, Oklahoma. This house was built back in 1922, by a family named Brown, at the edge of Sweetwater where it stood for 42 years. Local contractor, Bob Ussery, purchased the house and had it moved to a lot on East Highway 70, where he plans to completely remodel it for rental property.

Tetanus Kills More Than Half Its Victims

Tetanus, or lockjaw, kills more than half of its victims. In 1962, it claimed 51 lives in Texas—almost four times as many as polio. Attacking this deadly and painful disease, the Texas Medical Association is sponsoring a campaign to inform the public about how tetanus is acquired, how it effects humans, and how it can be completely prevented.

Many people think of tetanus as a danger only when they are hurt by a rusty nail or similar implement. The fact is that the tetanus bacteria are normally found in the intestinal tract of many animals and also are common in soil, from where they can be blown or tracked anywhere into streets, cars, public buildings, or immaculate homes.

People of all ages and all walks of life can become infected. The bacteria can enter the body through any break in the skin. Allowing small wounds to bleed freely for a brief moment and then washing them thoroughly is a sound practice in that tetanus bacteria may be washed away. But one should

not count on it. More dangerous are the nicks, scrapes, and scratches which active infants children, and adults shrug off every day. They seem to be trivial to bother about, but even an insect bite, a scratch from a pet or a rose thorn, or a burn can permit tetanus bacteria to enter the body. Puncture wounds are especially suitable sites because they are hard to clean and the bacteria can grow undisturbed to produce a toxin which travels to the brain.

The victim first notices that his muscles are stiff and sore. Soon he finds it hard to walk, and he may have a headache and be unable to sleep. Next come convulsions. During these agonizing seizures the muscles in the back sometimes tighten with such force that they break the spine. The mind usually remains clear although the patient may be unable to speak or respond. After the disease develops there is very little that can be done for him even with the best hospital facilities and trained personnel. Care of a tetanus patient is extremely difficult, prolonged, expensive, and heartbreaking.

Medicine has two major weapons against tetanus, but usually they are effective only if used before the disease appears. The first and best is tetanus toxoid, which is given in a series of two or three infec-

tions with a booster every four or five years. Allergic reactions even in infants, are quite rare and complications are mild. It is inexpensive and is 99.9 percent effective in preventing tetanus.

The second weapon is tetanus antitoxin serum, usually given to an injured person who has not been previously inoculated with tetanus toxoid. Although valuable, antitoxin is not as effective as is prior inoculation with toxoid. Allergic reactions are not uncommon and they can be severe, furthermore, antitoxin gives protection only for a few weeks.

Dr. Ben A. Merrick, Dallas, has urged Texas physicians to stress the value of keeping inoculations up to date. Merrick, chairman of the Texas Medical Association's Committee on Disaster Medical Care, listed among other reasons for using tetanus toxoid that it could save untold numbers of lives in the event of natural or man-made disasters.

Dramatic proof of the effectiveness of tetanus toxoid came during World War II, when servicemen were inoculated routinely. Of the 2,800,000 wounded American servicemen only 16 developed tetanus. Six of them definitely had missed their basic tetanus immunization, and there was some doubt about the others.

Lazbuddy News...

By Mrs. C. A. Watson

Mr. and Mrs. George Haskins returned Monday from a week end visit with their son Edgar Haskins and family Lubbock and J. B. Haskins and family in Levelland.

James Kameen, Wisconsin, spent the week end with Eugene Houston and his parents, Both James and Eugene are students in Junior College in Amarillo. Mr. and Mrs. Rufus Carter were Sunday afternoon guest in the Sam Layman home of Bigsquare. Mr. and Mrs. R. B. Seaton honored her mother, Mrs. Neil

Eubanks Sr. with a birthday party in their home Thursday evening Jan. 2. Attending were Mr. and Mrs. J. T. Eubanks and son, Mr. and Mrs. Hoyt Eubanks and children, Mr. and Mrs. Lloyd Eubanks, Mr. and Mrs. Doyle Trapp and children, Mr. and Mrs. Dalrymple and daughter, Mr. and Mrs. Neil Eubanks and son, Mr. and Mrs. Doyle Eubanks and daughter and the R. B. Seaton family.

The Imperial Discards from Muleshoe furnished music for entertainment during the eve-

ning. Refreshments of birthday cake and homemade ice cream was served to about 20 guests. The lovely cake had 70 blue candles nestled in a white background.

Mr. and Mrs. Raymond Lester and children from Lubbock visited her parents the Claud Blackburns Sunday.

Don Watson was home the weekend visiting his parents Mr. and Mrs. Charlie Watson and the Elton Bass family and his sister and family the P. E. Cargiles of Lariat.

The Lazbuddy Longhorns new football jackets arrived last week. The boys look good in their new black and orange.

Mr. and Mrs. L. M. Hardage visited Sunday in Farwell with the Winbourn Hardage family. Mr. and Mrs. Ray Lovjoy and children, Barry and Judy Ann

visited over the weekend with her parents Mr. and Mrs. J. B. Wright. Sunday the Wrights and Lovjoy's were dinner guests in the June Wagon's home in Muleshoe. Mrs. Wagon and Mrs. Lovjoy are sisters.

Jerry Darling and Jerry Engeling from Levelland College were home visiting friends and relatives the past weekend. Birthday Greetings to Lyndon Foster, Theron Vaughn, James Nolan, Mark Romage, Lynn Cox, Loy Rigney, Johnny Mitchell, Timmy Smith, Evelyn Darling.

The bite of a copperhead rarely is fatal.
